

## Physician 1721

### Chapter 1721

"Younger martial brother, I'm not here this time. It seems that I have missed a lot of good plays."

Zi Ning looks at Ye Chen in front of her, surprised way.

Now she suddenly found that ye Chen in front of her was a little strange.

She even thought, ye Chen really wants to be a disciple of xuan yue zong?

Will there be some talent?

Some of the elders of xuan yue zong are all in the realm of creation.

And ye Chen, as a disciple, is actually under the realm of creation!

It's kind of weird.

But fortunately, xuan yue zong still has something that ye Chen is interested in.

The stone tablet of reincarnation.

If there is no reincarnation xuan bei, zining really can not guarantee that ye Chen is willing to return to xuan yue zong with her.

"Elder martial sister, xuanyuezong naturally I want to go. The time is almost the same, so I can't delay any more."

Zining long breath, ye Chen guarantee, enough.

She just wanted to continue to say something, suddenly noticed something, eyes tightly fixed on this side of the two people.

These two people gave her the feeling of extreme threat.

Even one of them can kill her in an instant?

Is it because of their anger that ye killed Chen?

Zining is close to Ye Chen. She just wants to take out the cold sword. However, ye Chen takes the lead and walks toward them. She arched her hands and says, "master green sword!"

Ye Chen wanwan didn't expect that there was someone in the palace of wanjian emperor!

And it's qingjianxianzun!

In the first battle of soul hall, if there was no green sword immortal, the consequences would be unimaginable!

This kindness he always remembers!

However, after an accident happened to wanjian emperor palace, he never saw qingjianxianzun again.

Zining's killing intention converges and goes towards the distance.

"Ye Chen, you should deal with your affairs first. Xuanyuezong's affairs are not urgent. I'll go back to xuanyuezong first."

"I haven't heard from you for a long time. It's not easy to account for it. I'll wipe your ass first."

She knew that the two strong men came to visit, and I'm afraid xuanyuezong's business would be shelved.

Ye Chen's affairs, after all, someone has to say.

She had to bear the pressure of the family.

"Thank you, sister!"

Ye Chen looks at zining's far away direction and remembers this feeling silently.

Zi Ning is so kind to him.

This is good. Even he is flattered.

But no matter what, as long as he lives one day, he will never let zining and xuanyuezong have an accident!

After saying goodbye to zining, ye Chen and wanjian emperor palace came to a room.

The room is sealed off by the array.

"Ye Chen, this is the frost sword God of wanjiandi palace beside me

Hearing the sword God, ye Chen is slightly surprised. He never thought that the strong man of this level would take the initiative to find himself.

"Frost master!" Ye Chen said earnestly.

Frost sword God nodded and joked, "Ye Chen, you really make us easy to find."

"We have been out of wanjian palace for some time, either late or waiting outside."

"You have too much face."

Ye Chen touched his nose awkwardly: "I this person can toss."

Frost sword God didn't want to talk nonsense. He opened the door to see the mountain and said, "this time, we come to you for the safety of wanjian emperor palace."

"The palace of wanjian emperor has been in trouble for some days. Although it has not been completely defeated, it has come to the point of life and death."

"I want to ask you, are you sure ice sword immortal is now in the heaven and earth killing domain?"

"And are you sure you'll find him?"

"You are the inheritor. In principle, there should be a connection between you. The ice sword immortal statue has disappeared for a long time. Although it is called xianzun, it is endowed with terrifying talent. If you don't die for so many years, your strength will surely reach the peak of Lingwu continent."

"If he does, the crisis in the palace of wanjian emperor will be relieved."

"Heaven and earth kill the territory is too big, the deepest danger, I dare not enter."

Although Ye Chen was worried, he could only say: "I only know that the master had an accident before and was trapped in the killing area of heaven and earth."

"As for the feeling between each other, I can not guarantee."

After all, the God of ice sword immortal has disappeared.

The God of frost sword frowned and had a headache. After a long time, he said, "did the immortal ice sword leave you anything?"

After all, the ice sword immortal once took one thing.

If there is such a thing, wanjian Emperor Palace also has a chance.

Ye Chen shrugged his shoulders and said seriously, "the immortal ice sword does not leave anything but a sentence."

"What words?" Frost sword God said seriously.

If there is any secret hidden in the words, maybe the palace of wanjian emperor will have a turning point!

"Let me guard wanjian palace."

"I'd like to go to wanjian palace with two elders."

Ye Chen said earnestly. After hearing Ye Chen's words, frost sword God is still a little disappointed.

He is really optimistic about ye Chen, but now ye Chen is growing too slowly!

If ye Chen after a hundred years, maybe he has time to fight with those guys!

But now, not at all.

At this time, the green sword immortal Zun said: "sword God, don't forget the purpose of our coming this time."

"We are here to invite Ye Chen out of the mountain. Since ye Chen was asked to guard the palace of wanjian emperor, he has his reasons."

"We might as well take ye Chen with us. Maybe there will be a turn for the better."

Frost sword God nodded, stood up, and dropped a jade pendant: "Ye Chen, that will trouble you."

"You have just come out of the secret place. You should take a rest. It's not suitable to go on the road immediately."

"You can rest here for a few days, deal with things, and then come to wanjiandi palace according to the information on the jade pendant."

"I've been out for too long. It's time to go back."

"Green sword, don't linger. Go to Lingmo Valley to see if the man has passed the pass. If he does, I will be better at wanjian palace."

Although frost sword God is optimistic about ye Chen, at present, he finds that ye Chen can play too little.

He also made the worst preparation before he came. If the soul demon Valley wakes up, he should be able to alleviate the crisis by relying on the love that the other party once owed the palace of wanjian emperor.

After all, the two of wanjian emperor palace left.

Ye Chen sees disappointment in the eyes of frost sword God.

But he did not say anything, after all, his strength and the gap between the two is still huge.

However, he holds the reincarnation graveyard and too many cards. If he really wants to fight, maybe he can really help.

Ye Chen sits cross legged and runs the formula of reincarnation. He is thinking about whether to go to xuanyezong to get the xuanbei of reincarnation first, or go directly to the palace of wanjian emperor.

He glanced at the samsara cemetery, and the tombstone fell silent again.

Suddenly, he noticed something!

On the tombstone, there is a storage ring!

Chen Ling gave it to him.

He didn't care.

Now how do you get to the top of the big Neng tombstone.

Ye Chen stretched out his hand and just wanted to take it, but there was a long lost voice in the tombstone.

"How do we make a deal?"

"I'll help you solve some problems. Give me this storage ring."

"In other words, when you find my real body, give it to me!"

Chapter 1722

Ye Chen is slightly stunned. He can feel the importance of storing things from each other's tone!

Did Chen Ling give him something of terrible value?

Ye Chen hesitated for a few seconds, or said: "do not know your true identity is what?"

The words fall, the tombstone glitters, and a figure appears in front of Ye Chen.

It's a man!

Very young!

The whole body exudes the extremely terrible prestige!

It's daunting!

"I didn't want to tell you who I am, because in my eyes, you don't deserve it."

"But now, I've changed my mind."

"But my name, I won't tell you, you just need to know that I am the king beast spirit God!"

God of the beast?

Ye Chen heard these four words, really shocked.

Those who dare to take the word "God" in the title are absolutely terrible!

Royal beast spirit God see ye Chen has not responded to come over and said: "I just want that store thing ring."

"After the crucial moment, I'll even think about it."

Ye Chen hesitated for a few seconds. He thought that the ring of storing things didn't seem to work for him. It would be good if he could give it to the king beast spirit God.

Just as he was about to promise, there was a tingling sensation in his brow!

Blue light shining!

A voice like from Jiuyou rings!

"Boy, give me this store! No one else will touch you! Jiuyou is at your command

The devil's eye has also spoken!

At this moment, ye Chen is confused!

He really can't think of it. The devil's eye and the king beast spirit God rob this ring together!

What is the origin of Chen Ling's store ring!

The God of the Royal beast spirit never thought that someone would obstruct him. He snorted coldly: "evil ways, what qualifications do you have to rob me?"

"And my noumenon is trapped, and you have no noumenon!"

The eye of the devil is not weak at all: "if I have noumenon, I can destroy you with one finger!"

"Even though I am a devil, I have been a devil against heaven!"

"The way of heaven is afraid of me. You are just a God. What qualifications do you have to talk to me?"

Obviously, the God of imperial beast spirit didn't expect the existence of Ye Chen's eyebrow heart, which was so terrible.

Dare to fight against the way of heaven, what level should it be?

However, the spirit God is not sure whether the other side is deliberately bluffing to frighten himself.

In any case, this thing would rather be destroyed than allowed to be successful!

He looked at Ye Chen and said directly, "Ye Chen, as long as you don't give this storage ring to that demon, I'll help you!"

The devil's eye was obviously not happy with the spirit God of the Royal beast. He said, "boy, as long as you don't give the storage ring to this mole ant, I'll help you as well!"

"You are the one I choose. No one is qualified to move you!"

Ye Chen is to take, he never thought, two great powers actually for a storage ring up?

The key leaf Chen does not say such a word, inexplicably got a lot of benefits!

But ye Chen also got an important message from it.

The eye of the devil once shot at the way of heaven! Even the way of heaven?

What is the origin of the devil's eye?

Ye Chen doesn't think much about it any more. He keeps the store ring in silence and goes out.

I'm curious about the origin of Chen Jie.

It seems that I have to go to Tianling Island, even if it is not for Chen Ling, but also for the promise he promised to the Linghuang family.

"Ye Chen, where are we going now?"

Liang XueYue sees Ye Chen finally to come out, then open a way.

Now Ji Lin does not wake up, she must follow Ye Chen.

Outside, the wind was blowing, and three thousand hairs were flying on her head.

"To an island!"

This place can't stay any longer. The army of the blood soul hall will come out of the demon holy place one day.

There are strong Linghuang people on Tianling island. He can't ignore it!

"Well, I'll go with you!"

Liang XueYue voice a fall, ye Chen surprised to see a look.

Originally, he thought that Liang XueYue would leave after the secret place of demon saint.

"Why not?"

Liang XueYue looked at Ye Chen fiercely.

Ye Chen cried and laughed, and then said with a smile, "no, you are such a beautiful woman to follow, naturally willing!"

The strength of Liang XueYue has reached the level of seven levels of heaven in the realm of harmony.

For ye Chen, it is also a big help!

The party soon arrived at Tianling island.

On the island, ye Chen finds a place to let his disciples wait here.

The less people know about Linghuang, the better. This time, ye Chen only takes Niu Lao, so that ChiYan huoqilin stays in town, just in case.

Ye Chen and Niu Lao come to the city and decide to inquire about the news first.

The two men found a pub and sat down in a remote corner.

There aren't many people in the pub, but it's a good place to get information.

Talking about what happened recently.

What interests Ye Chen most is that a force appeared in Tianling Island some time ago, which is extremely mysterious. However, it is said that there are more terrifying beings than those who are strong in creating chemical environment.

Ye Chen eyebrows pick, I am afraid that the mysterious force that appears, is the Linghuang clan.

At the beginning, ye Chen once said with the Linghuang family that if you want to leave, you should go to the Chen family.

If the seal is broken, the secret place will have the greatest impact on Linghuang people.

They can't be there anymore.

Although Ye Chen told them to go to the Chen family at the beginning, they were always demon clans and had a feud with the top forces of Terran.

It's best to avoid contact with Terrans as much as possible!

Ye Chen originally inquired about the news and was ready to leave. However, he heard that Chen Ling was about to be executed.

Ye Chen frown, a rage swept, but very good to hide.

"Speaking of it, Miss Chen Ling is also a pity. She originally had a puppet who was in harmony with Taoism. She was able to become an existence that countless people look forward to in Tianling island."

"It's a pity that the Chen family's old puppets who want to join the Taoist realm do not know what means they used to completely control them."

"The situation didn't last long, eh."

"This may be life."

.....

Some things about the Chen family, ye Chen probably understand, the whole person's murderous spirit, can no longer control the outbreak.

"Boom

The tables of the whole tavern exploded and the tavern was crumbling.

This is also the reason for ye Chen's control. Otherwise, the tavern would collapse in a moment.

"Stinky boy, what do you want to do?"

At this time, a warrior patted the table and looked at Ye Chen angrily.

But when he saw Ye Chen's ferocious eyes, he was afraid to say a word more.

"Niu Lao, follow me to Chen's house!"

He wants to see who dares to move Chen Ling. In any case, he will kill his friend!

The speed of two people does not take long to get to Chen Jiagen.

Ye Chen and Niu Lao are standing in front of the gate of the Chen family.

"You two, get out of here! This is not a place for you to stay. "

Recently, the status of the Chen family in Tianling island has been rising. In addition to the newly emerged forces, no one can threaten the Chen family.

Chen's guard is naturally superior to the top!

Chapter 1723

Ye Chen eyebrows a frown, then two slaps directly draw past!

"Pa Pa Pa Pa Pa!"

Two palms down, ye Chen directly two guards fly.

In the moment of pumping, lift your foot and kick it directly on the door.

Bang!

One foot down, the gate split!

"Who dares to run wild in our Chen family?"

At this time, a roar came from Chen's house.

A burly man appears in front of Ye Chen.

Ye Chen took a look at the visitor, showing a smile of irony at the corner of his mouth.

It was Chen Ling's father, Chen Gui!

When Chen Gui saw the visitor for the first time, there was a trace of fear on his face.

He knows the person in front of him.

This man, he's back!

At the beginning, the Chen family became a big family now, all because of the man in front of him.

"Mr. Ye, why don't you inform me when you come back?"

At the moment, Chen Gui had a sad look on his face and a bitter smile.

Looking at Ye Chen's bad appearance, he has already guessed something.

This time ye Chen is afraid to come for Chen Ling.

"Chen Gui, I don't want to talk nonsense now. Tell me where Chen Ling is!"

Even if it was Chen Ling's father, ye Chen did not give any good face at all.

"Mr. Ye, this matter is different from what is said outside. We Chen family has no way to do it."

If you can, Chen Gui is willing to save her daughter.

Ye Chen did not speak, quietly waiting for the following.

"Since Chen Xiaoxiao left the family, I don't know what means he used to hook up with a powerful child."

"Their power, we Chen Jiagen is not an opponent."

"My Lord, you'd better run away. They are the top gods who have half a step to create the world."

Ye Chen laughs but does not speak, a half step of the person of creation, he also really did not put in the eye.

Even without them, ye Chen himself would not be afraid.

"Naturally, I will investigate this matter clearly. It's just the top God. It's nothing to worry about."

Ye Chen disdains to smile, and then the whole person roars: "Chen Xiaoxiao, get out of here for me!"

In a word, the whole Chen family is shaking, as if it collapses at any time.

In a dungeon of the Chen family, Chen Ling shrank in the dark dungeon, covered with scars.

When she heard the sound outside, her eyes became bright.

That God like man, he's back!

Just think of the man Chen Xiaoxiao brought back, too powerful.

How can ye Chen be the opponent of the top God King!

She is in a state of confusion. She hopes Ye Chen doesn't care about her and leaves quickly!

Ye Chen's words made it clear to all the Chen family.

At this moment, ye Chen and Niu Lao are waiting quietly at the door.

Dare to hurt his friends, no one can live!

As time went by, Chen Xiaoxiao came out with a man beside her.

The man was wearing a golden robe, full of noble pride. When he saw that ye Chen had only three layers of Hunyuan realm, his mouth showed a trace of disdain.

The garbage of a Hunyuan district can be killed at will!

Chen Xiaoxiao saw Ye Chen's first glance, showing a look of resentment. There was also a ray of fear in his heart.

"A mole ant in Hunyuan environment dares to clamor and kneel down and kowtow. I'm in a good mood. I can't leave you a whole body!"

Chen Xiaoxiao at one side, one hand holding Ma Cang's hand, the whole person lies on his chest, making a pair of intimate gesture.

The movement of the Chen family has attracted numerous martial artists to watch. They hide in the dark and watch a good play.

Ye Chen's famous name, they all know that when a man destroyed the overlord of Tianling island.

Ma Cang, not to mention, is the son of a strong man who has made a half step transformation, which is enough for anyone in Tianling island to look up to.

Ye Chen sneers at the corner of his mouth and says nothing in the face of Ma Cang's clamor.

He Dao boundary two layers of garbage, do not know where the courage to shout!

The aura in Ye Chen's body surges, and then he slaps it!

This slap Ma Cang originally wanted to avoid, but he found that his breath was completely locked in.

Can't move at all!

Bang!

A slap down, Ma Cang fell to the ground, right half of the face high swelling, mouth inside the overflow of blood!

All of a sudden, the scene was silent!

The second layer of heaven is slapped by Hunyuan kingdom. How can it be!

The people hiding in the dark, completely muddled!

Ma Cang's face was gloomy. He was slapped in the face by Hunyuan kingdom. It was a shame! Chen Xiaoxiao saw this scene, the whole person became silly, hurriedly came to Ma Cang side, want to help up.

"Get out of here, bitch!"

Ma Cang hits Chen Xiaoxiao's cheek with a fist. Then he stands up and looks at Ye Chen fiercely.

He took out a sword, the whole person flew to Ye Chen and killed Ye Chen with a sword!

Ye Chen is not startled. When he is only ten centimeters away from macang, he raises his leg and kicks him out!

"Pooh

A kick in the abdomen of Ma Cang, see his whole person flies out, fall to the ground!

At this time, all discerning people can see that ye Chen's Hunyuan state has completely abused Ma Cang's Taoist realm!

Ma Cang is arrogant, but he is not a fool to cultivate to the realm of harmony.

Ye Chen's foot just now made him feel incomparable.

If ye Chen really wants to kill him, he is already a dead man!

"Your strength is really good, but my father is half a step by nature. If you kill me, my father will never forgive you!"

Ma Cang knows that if he goes on fighting, he will only insult himself.

"What's your father?"

Ye Chen's words, so that the surrounding hidden in the dark martial arts, caused a complete uproar.

Ma Cang's father is a strong man who is infinitely close to the level of immortal.

Can ye Chen's fighting power kill xianzun?

I'm kidding.

People all feel that it is a joke. The top God King is not comparable to the second level heaven of Hunyuan state.

There's a big difference between the two!

Ma Cang's face is completely black. He used to sell his father's reputation, more or less, he would sell some face.

"Give you a chance to call your father here! I'll wait here! "

This time, ye Chen plans to get rid of it once and for all!

Ma Cang knows that today's matter is no longer what he can solve!

He took out a rune and crushed it directly. Before long, his father would come.

The whole Chen family is afraid to take a breath, and everyone is waiting.

The top God King in Tianling island is just like a god!

As time went by bit by bit, ten minutes later, people suddenly felt a dull breath.

In front of Ma Cang, a middle-aged man appears.

This man is Ma Chenghai, who is a bully in the luochahai sea and has been robbing the soldiers in the sea area!

In luochahai, there are not many strong ones. He is a top God, and he is free and easy.

Chapter 1724

The moment Ma Chenghai appeared, he looked around and knew what was going on.

"Father, you must decide for me!"

At this time, Ma Cang stood up and came to his father!

As soon as Ma Chenghai appeared, his courage grew.

There are few who can threaten his father's existence in luochahai!

"This man doesn't pay attention to you at all!"

Ma Cang points to Ye Chen, his eyes full of arrogance.

Ma Chenghai didn't speak at this time. Instead, he took a look at the old cow behind Ye Chen and frowned.

"Sir, I don't know who it is. If you have any offence, you can say it out. Ma will surely compensate you here!"

Ma Chenghai's words completely shocked everyone!

This means to be soft on Ye Chen?

"If your son dares to put my friend in the dungeon, waste his elixir field, and cut off his hands, it will be over!"

Ye Chen faces Ma Chenghai, there is no look of fear on his face.

"Sir, is it a bit deceiving to do so?"

Ma Chenghai looks gloomy at the moment, looking at Ye Chen!

What's the difference between letting his son abandon the elixir field and cutting off his arms and becoming a waste man?

This is the only son he has!

"What if I cheat too much?"

Ye Chen a word, arrogant overbearing!

In this world, as long as you are strong, no one will say you!

Ma Chenghai's face, completely darkened down, how many years no one dare to challenge his majesty like this!

"I'd like to see what kind of arrogance you have!"

Originally, Ma Chenghai worried about the old man behind Ye Chen, but now he has bullied him.

If again scruple words, who will put him in the eye!

Ma Chenghai's momentum of the whole person burst out, suddenly flew to Ye Chen, clenched his fist and rushed to Ye Chen.

The top God King's voice is huge, but ye Chen stands, even does not move.

In the distance, Chen Xiaoxiao and Ma Cang looked excited when they saw this scene.

How can ye Chen resist the attack of the top God?

When Ma Chenghai is only 10 cm away from ye Chen, Niu Lao comes directly to Ye Chen and then raises a hand lightly.

"Little Lord, some people don't deserve to dirty your hands!"

Bang!

A slap suddenly fell, but the next scene, all of us were dumbfounded!

Ma Chenghai is like a dead dog. His momentum is like a ball that has let out his breath. He fell down suddenly!

One blow and serious injury!

Ma Chenghai lies on the ground, spitting bleeding water from the corners of his mouth, and looks at Niu Lao with fear.

To kill him with one stroke of a second is absolutely a strong man in the realm of creation!

Only those with strong natural environment can defeat the top gods so easily.

Ma Chenghai's whole face changed greatly. In front of the strong man of fortune, he didn't even have the qualification to escape.

Ma Cang's face is white. His father was defeated by one move. How could it be?

This time he understood that he had provoked the wrong people!

"Now do you think I am qualified?"

Ye Chen's words, let Ma Chenghai mouth show a trace of bitter smile.

"My Lord, when the dog is young and bewitched by the enchantress, can you let him go?"

Ma Chenghai's face is praying. Anyway, he is such a son!

Ye Chen looked at him, did not speak, a look of thinking.

"It's not impossible for me to let him go, but you need to submit to me!"

Since ye Chen wants to form a force, the strong is indispensable!

The strength of Ma Chenghai's top God is worthy of his acceptance.

If not, ye Chen had already let Niu Lao pat him to death.

Ma Chenghai shows a look of embarrassment, if he becomes someone else's hand.

If he wants to be free at that time, I'm afraid it's impossible!

"Niu Lao!"

Ye Chen frowns and opens his mouth directly!

At this time, Niu Lao is standing in front of Ye Chen, and his whole body is pressing toward Ma Chenghai.

A sense of killing broke out on Niu Lao!

"No, no, I'm willing to submit!"

At this time, Ma Chenghai opened his mouth in a hurry. He felt the murderous spirit of Niu Lao and trembled with fear.

No one wants to die, so does he!

"Let go of your mind."

Ye Chen has learned a secret method from the demon Saint these days. He can control the life and death of others.

Otherwise ye Chen will not want to subdue Ma Chenghai.

There is an old ox nearby, he is not afraid of Ma Chenghai dare to cheat.

Ma Chenghai honestly let go of the mind in mind, ye Chen out of a wisp of mind, into his mind. Ye Chen can feel that as long as his mind moves, he can kill Ma Chenghai.

Now Ma Chenghai's life and death are under his control.

"My Lord, look at my son!"

Now Ma Chenghai has a feeling of crying in his heart.

Originally, he wanted to compromise, then find a chance to run, who knows life and death are not in his hands.

"As for your son..." Ye Chen looks at Niu Lao.

Niu Lao naturally understood Ye Chen's meaning. As soon as he stepped on it, Ma Cang instantly turned into a blood mist.

"Ye Chen, you lied to me!" Ma Chenghai has a ferocious face. He wants to do it! But found that they are not qualified to do it!

Ye Chen a thought can destroy him!

"I didn't do it. Is there a problem?" Ye Chen light way.

Then, ye Chen takes a look at Chen Xiaoxiao.

At this moment, Chen Xiaoxiao suddenly knelt down in front of Ye Chen and began to cry and say, "my Lord, please spare my life!"

Bang bang bang!

Chen Xiaoxiao kowtowed constantly, and his forehead was bruised.

"Lord Ma, please help me."

Chen Xiaoxiao holds Ma Chenghai's arm with one hand.

"Go away!"

Ma Chenghai kicked her out directly.

But for Chen Xiaoxiao, how could he have been like this.

It's all because of Chen Xiaoxiao.

Don't say Ye Chen doesn't kill her. Ma Chenghai wants to kill her.

Originally Ye Chen did not care about Chen Xiaoxiao's life and death, has let her go.

Who knows not to cherish.

Ye Chen raised his hand and clapped it out.

Chen Xiaoxiao's strength is only Shenwang state, and he can't be Ye Chen's opponent at all.

Chen Xiaoxiao spat out a mouthful of blood. His eyes closed and he lost his breath.

"Ye Chen!"

At this time, Chen Ling ran out of her eyes and tears came out.

When Ye Chen subdued Ma Chenghai, the Chen family had already ordered that Chen Ling be released immediately.

Now I just hope Ye Chen's anger will not be vented on their Chen family.

Hidden in the dark, the martial arts have already left, transmit each big family, ye Chen can't provoke!

Who dares to provoke Ye Chen and die has no difference!

Ye Chen hugs Chen Ling and looks at the wound on her body. The whole person frowns.

At the moment, there is no good place in Chen Ling's body, and his whole body is full of scars.

Ye Chen frowns and looks at Ma Chenghai.

Ma Chenghai quickly shook his head: "adult, I really don't know about this matter. I dare to swear to the heaven."

Chapter 1725

After that, he looked at Chen Ling again: "Miss Chen, I don't know you know Mr. Ye Chen. Otherwise, I'll give me a hundred courage and I won't dare to fight you!"

Chen Ling is obviously a bit muddled, but seeing Ma Chenghai's appearance, he knows that all this is probably related to Ye Chen.

"No It's OK! "

Chen Ling didn't dare to say anything.

"Whether the Chen family is alive or dead is in your hands now."

Ye Chen a word, scared all the people of the Chen family.

They don't doubt at all. Such cruel people as ye Chen absolutely do what they say.

Now the fate of their Chen family is in the hands of Chen Ling.

Chen Ling thought for a while, then said: "Ye Chen forget it, anyway, the Chen family has raised me for so many years."

"But in the future, I will consider leaving the Chen family."

Chen Ling is still too kind after all. She also knows that she is nothing in front of the family interests.

She has experienced a lot of ups and downs recently.

"Good!"

Since Chen Ling doesn't intend to make a move, ye Chen doesn't need to be entangled.

Ye Chen thought of what, called Chen Ling to the room and said curiously, "Chen Ling, what is the origin of the storage ring you gave me at the beginning?"

"Storage ring?" Chen Ling suddenly thought of something and said, "I don't know the specific use of this thing, but I've heard an old grandfather with terrible strength once said that the secret of this storage ring is very important to the strong people above the Xingqiao state."

"It seems to be able to let the strong at that level control the source."

"That grandfather's words are too complicated for me to understand."

Ye Chen Mou son shrinks, also does not ask for.

It seems that only when he enters the realm of the astral orifices can he know the real effect of the ring.

Ye Chen arranges Chen Ling and Ma Chenghai in Chen's house and decides to go to Linghuang first.

Naturally, the Chen family did not dare to say anything more. They offered Chen Ling as their ancestors.

Ye Chen and Niu Lao arrived at Linghuang clan after half an hour's journey.

.....

All the way smoothly, I came to the hall to discuss some things with linglao.

If you want to help the Linghuang clan, his strength is too small after all.

Forces must be formed.

Shazong is too small now. We must have enough time to grow up.

In order to form a force, ye Chen did not think about it in the western regions.

After all, he had too many enemies in the western regions.

The growth of zazong needs a safe place.

He is not a man to form a force. He can escape at any time as before.

"Ye Chen, luochahai is a good place."

At this time, linglao opened his mouth directly in the hall.

There are not many strong men in the Luocho sea, and there are countless sea animals on the whole sea surface.

Even if someone wants to do it, it's not easy.

For ye Chen, it is a good choice to develop in luochahai.

Ye Chen thought for a moment and nodded slightly.

Tianling Island, ye Chen did not want to have the intention.

There is not much material on the main island of Tianling, and the ground is too small.

Ye Chen thinks of Ma Chenghai. He must know a lot about his development in luochahai for so many years.

"Linglao, during this time, you should prepare for the relocation. When I find the island, I will arrange someone to pick you up."

Ling Laodian nods. At present, ye Chen is surrounded by Niu Lao, and he can rest assured.

After ye Chen and Niu Lao leave, they come to Chen's house and call Ma Chenghai directly in a room.

After Ma Chenghai came over, ye Chen directly told him what he thought.

"My Lord, there are many islands on LuoCha island. The biggest one is Xuesha island. However, there are three overlords in Xuesha island. All of them are the strong ones in the level of heaven in the realm of creation. They can't see the way of heaven and are extremely cruel. Ah."

Ye Chen didn't say much about it. He could solve the problem by himself.

"You have been a pirate for such a long time. Call all your men here and attack the bloody island immediately."

Ye Chen made up his mind and decided to go to Xuesha island. As for the matter of Blood Soul Hall, he was not worried.

The most important part of the Blood Soul Hall is the mainland, and LuoChahai will not be in the heart at all.

At present, he needs a territory to create a killing clan, and Xuesha island is the best place.

Ye Chen wakes up from practice and sees Ma Chenghai as soon as he goes out.

When Ma Chenghai saw Ye Chen, he walked over and said respectfully, "my Lord, at present, there are two strong people in the five levels of heaven under my command, and there are also five people who have the same level of heaven."

Ye Chen nodded slightly, believing that Ma Chenghai had told them.

He doesn't need to say more about his own words. As for the Hunyuan realm, Ma Chenghai did not say that, I believe there are many.

LuoChahai is also a good force!

Ye Chen calls the forces to kill Zong. At present, there are 15 in his side.

As for the Hunyuan realm, there are many.

Ye Chen looked at the crowd and casually said two sentences about killing the clan rules.

At present, shazong is not perfect, but he is not in a hurry.

If only ye Lingtian were in Lingwu.

Up to now, Ye Ling Tian is the one who knows him best.

Unfortunately, ye Lingtian is still in Kunlun.

Ye Chen naturally does not know that ye Lingtian and Sun Yi have come to Lingwu.

.....

Ye Chen came to xuesha island and took a look. It was a hundred times as big as Tianling island.

Behind Ye Chen, Ma Chenghai and Liang XueYue follow behind. Not only that, but also the situation of nearly a thousand people in Hunyuan is very fierce.

When they appeared outside xuesha Island, the shock of big and small forces rushed back to report to the family.

For these small forces, ye Chen has no interest at all.

This time, his main target is the strong man in the land of creation and the overlord of xuesha island.

From Ma Chenghai's mouth, the three overlords of xuesha Island occupy one side and become three families.

Ye Chen and their fierce, wherever they went, all the forces of all sizes avoided.

After all, ye Chen is surrounded by strong people of nature, and there are also many strong people who are in harmony with Taoism. Small forces dare not stop him.

At the moment they came to the fire house, ye Chen stood at the door, with Niu Lao beside him.

Fire old monster is wearing a bright red dress, not only that, his hair is red.

"I don't know who you are. What are you doing here?"

The old fire monster is the master of the fire family at present, and his strength has reached the realm of creation.

In the whole luochahai are famous strong.

"How about subduing your fire family?"

Ye Chen and they want to stand on the xuesha Island, they must let the three families submit.

What's more, these three families do not know how much harm to nature, ye Chen's move is also regarded as eliminating harm for the people.

"Sir, it's too loud. My family is not bullied."

The old fire monster squinted and his eyes gradually became cold.

"Niu Lao, you come to deal with the old fire monster, as for the rest, give it to us!"

Chapter 1726

As soon as ye Chen's voice fell, the old cow nodded beside him, and the whole man rushed directly to him.

"Kill!"

Ye Chen waved his hand, and all the warriors behind him rushed out!

In a flash, the war broke out!

For the first time, some people dare to fight against the fire family.

Ye Chen is holding a Hedao artifact, facing a strong man in the six layers of heaven.

"Years kill the sword!"

Ye Chen roared, then burst out a ray of sword light.

The law of time was constantly revealed around him.

An extreme sword light, like lightning, suddenly fell in front of the six layers of heaven in Hedao.

Boom!

The breath of terror suddenly erupted around. In this moment, ye Chen's figure moved and appeared in front of the strong man in the six layers of heaven in the Hedao realm, and cut off his neck with a sword.

He Daojing six layer sky, ye Chen second kill!

Ma Chenghai in the side of the mouth can not help twitching, originally he has been following Ye Chen, is afraid that a strong man will kill Ye Chen.

At present, he is a grasshopper on a rope with Ye Chen.

If ye Chen died, he would not live!

Chen's strength can only be relieved to see.

The battle broke out, the casualties continued, and the ground was dyed red with blood.

The sound of killing continued. After half an hour of fighting, a figure suddenly fell down!

"Patriarch!"

At this time, one of the top deities of the fire family opened his mouth with grief.

The old fire monster has no life now, only ten minutes.

The owner of their house is dead!

At the sight of the strong men on the side of shazong, their morale is high, just like fighting chicken blood.

As for the fire family, only fear is left in their hearts. Their strongest one is dead.

There is no hope of winning this war.

"Surrender, we surrender!"

Ye Chen Mou son a cold, look at the public.

"Ready to go to the next family!"

.....

At the same time.

In a main hall, sitting above a middle-aged man, a sad face.

This person is not others, it is Duanmu Yan, also the strongest of Duanmu family.

Duanmu family has long been informed that the fire family has been destroyed.

Duanmuyan's strength and fire old monster are half equal, even fire old monster is not an opponent, how can he be an opponent.

"Master, ye Chen is coming now. We must make a decision as soon as possible."

One of the elders said.

All the elders basically want to submit to Ye Chen.

After all, there is a saying that it is better to live than to die!

"Well, let's surrender the Duanmu family."

Duanmu Yan said this sentence, as if the whole person was a hundred years old.

His Duanmu family has lived in xuesha island for thousands of years. Now he has to submit to other forces. Duanmu Yan's current mood can be imagined.

After ye Chen comes to Duanmu family, Duanmu Yan surrenders and takes out the treasure of the family.

After planting the spirit brand, ye Chen is also completely relieved.

As for the third force, ye Chen has not yet stepped into it, but has voluntarily surrendered.

The dust settled.

Ye Chen arranged for the highest peak of xuesha island to create a killing clan.

Ye Chen specially arranges an array to protect the clan.

"Little Lord, at present, all the killing clan has entered the normal stage, but there are too many resources needed."

At this time, Ma Chenghai opened his mouth. At present, all the people who kill the clan need to practice, so the resources will naturally become a problem.

"Little Lord, I suggest that people should be arranged to excavate the blood mine."

At the moment Duanmu Yan stood up and said.

Blood mine is the unique mineral resources of xuesha island. Before the Duanmu family, they mined minerals and sold them to the western regions.

"The matter of resources, not to worry, mining blood mines, duanmuyan this matter to you."

Now ye Chen has a lot of resources in his hands, and he can persist for a period of time.

At present, there are only three people who are strong enough to kill the clan. There are still many gaps in the face of the major forces in the western regions.

Xuesha Island, ye Chen did not regard it as a long-term development. Sooner or later, he would attack the western regions.

Ye Chen takes out resources and throws them to the public, arranges some things and leaves.

He has too many things on his hands now.

When the matter of killing Zong is properly handled, it is time for him to deal with the affairs of wanjiandi palace and xuanyuezhong.

.....

At the same time, the northern region.

There are thousands of sharp swords on the top of the thousand road peaks, and the sword spirit surrounds each peak.

In the palace of wanjian emperor, there are many scars, such as the God of flame sword and the God of frost sword.

The soul hall, the hundred immortals palace, the holy dragon family, sent many strong Xingqiao state! Even stronger! This time, they vowed to destroy the palace of wanjian emperor. Recently, the palace has suffered a lot.

Lose five sword zuns. If it goes on like this, they can't hold on to it.

Death is sooner or later!

"Master, open the spirit array of heavenly generals!"

Frost sword God, looking at the flame sword God sitting on the top, spoke directly.

In the present situation, the palace of wanjian emperor will be destroyed, and only the forbidden area array can delay for a period of time.

When the time comes, qingjianxianzun will find the guy. Maybe there will be some opportunities.

As for ye Chen, the frost sword God has not considered it.

Now, they need time!

The flame sword God did not open his mouth, but fell into meditation.

"Master, what are you still hesitating about? The disciples of wanjiandi palace can't die in vain, their blood can't flow in vain, even if they pay the price!"

Now, it is too late for them to hesitate. Life and death are only in a moment.

"Good!"

The God of flaming sword roars. The Spirit descending array is forbidden in the palace of wanjian emperor.

If you want to motivate, you need the guidance of people's blood essence, and even lose your accomplishments. If you don't have to, you will never use it.

If you want to trigger the array, you need a stone from the origin to activate it. The ancestors of wanjiandi palace left one in the forbidden area just in case.

The forbidden area of wanjiandi palace is not only the resting place of our ancestors, but also the existence of a stone of origin.

They have made up their minds. The flame sword God and the frost sword God will no longer hesitate to come to the forbidden area.

In the forbidden area, there is a breath of twilight. These are the places where the ancestors of wanjiandi palace lived.

"The 35th generation of patriarchs, let the clan into a dilemma, in order to save the Imperial Palace, request the original stone!"

The God of flaming sword kneels down in front of a tomb, which is the place of rest of the ancestors who created the palace of wanjiandi.

The original stone has been stored in it.

Hum!

There was a vibration from the ground. In front of the tomb, there was a gap, which was shining with green light.

A crystal clear stone, which stores the terrible energy.

Take the sword and kneel down on the ground!

"To save the Imperial Palace, I will die!"

If the palace of wanjian emperor was destroyed, he would have no face to see his ancestors.

The flame sword God and others left the palace, and the battle broke out all the time.

The corridors of the palace, stained with scarlet blood, filled the air with the smell of blood.

One by one, the disciples of wanjiandi palace have lost limbs and broken legs. Even before they die, they will explode themselves.

Incomplete bodies can be seen everywhere, just like hell on earth.

Chapter 1727

As soon as the flame sword God and the frost sword God come out, the powerful ones in the soul hall and the holy dragon family will appear directly!

"Frost sword God, the palace of the emperor of ten thousand swords will be destroyed. Why don't you cling to us

On this side of the holy dragon family, a strong man from the God Kingdom opened his mouth.

The palace of wanjian emperor can't survive if the three top forces attack.

"Ha ha ha ha, I wanjian emperor palace martial arts, how afraid of death, want us to turn to, you deserve it!"

Frost sword God sneered. None of the warriors in wanjiandi Palace are cowards.

"Hum, if you don't eat or drink, you will be destroyed today."

The strong of the three top forces wanted to make a move. The flame sword God threw out the stone of origin, and the whole palace burst out a dull sound.

"All the disciples of wanjian emperor's palace, return to the palace!"

With a roar from the flame sword God, the whole person flew to the void. Not only that, but also the frost sword God and the other strong ones, without exception, all stood in the void,

the disciples of wanjiandi palace heard the command one by one and returned to the palace.

They looked at each other with a fierce look.

Stab!

They took out their swords one after another, forcing out drops of blood essence.

These essence blood entangled the whole palace, deafening explosion, frightening nine clouds.

Pooh!

Flame sword God, frost sword God, a group of strong creation, a mouthful of blood and water gushed out!

The whole man's cheeks were getting paler and weaker.

What is forbidden formation? The existence of taboos!

If you want to display the array, you need to consume people's blood essence!

"For the palace of wanjian emperor, I will die forever!"

In the void, the deafening voice resounds through the sky, and the eyes are full of unyielding look.

A strong man of the five layers of heaven in the realm of nature was overwhelmed and fell from the void without any life.

The realm of frost sword God has fallen from eight layers to five layers. I'm afraid I can't go back to the peak in this life.

Every strong person's realm is falling, do they regret it? Why die for the palace of wanjian emperor?

The array covers thousands of miles. In the palace of wanjian emperor, the strong wind is blowing, and the vegetation withers and quickly turns into yellow sand.

A round of blood moon hanging high above the sky!

It's like swallowing all life!

This array will never be used until it is absolutely necessary!

And now, for the palace of wanjian emperor, it is the last resort!

.....

In the vicinity of wanjiandi palace, the warriors of other forces fled wildly one by one, and they dare not continue to stay.

"Heaven will be the spirit array, up!"

A group of strong people roared in unison, and a bloody light curtain appeared in a thousand miles.

Where the curtain of light is shrouded, flying sand and stone, the soul hall and the holy dragon family, the strength of a group of the most powerful, has been constantly falling down!

"No, get out!"

The existence of a Fengshen state in the soul hall is shocked. This array can suppress their strength.

The strongmen of soul hall, holy dragon family and hundred immortals palace dare not stay for a long time.

They believe that the strong of the divine realm, in just a moment, the realm directly presses the creation of the realm.

The existence beyond the realm of creation is suppressed without exception!

Whoosh! Whoosh!

Above the void, one after another of the shadows fall, the flame sword God their breath is weak, their essence blood loss is too much, damage their own origin.

Falling realm, can't come back again! Can only stay in place for a lifetime!

For the warrior, it is no doubt worse than death!

But they can't die. If they die, what will happen to wanjian palace?

"What shall we do now, my lord?"

Outside the array, a strong man of creation environment opens his mouth.

"This is the forbidden array of wanjian emperor's palace, \* \* unless the original stone completely consumes energy, then the array will break itself."

The strong men of the three top forces are well-informed and naturally know the origin of the array.

Now, it is extremely difficult to deal with the palace of wanjian emperor. Once they enter the array, they are suppressed to the realm of creation, and the threat of death will be very great.

"In the present situation, the palace of wanjian emperor is just languishing, leaving some of the strong to defend and keep attacking, and the rest of the strong will go back!"

"Damn it, we've counted everything, but not this one!"

There is no sense for them to stay any longer. Some of the strong people who create the world will turn around and leave.

These are all strong people in the realm of nature. They are all good to enter the array. They gather forces from all sides and constantly want to break the palace of emperor wanjian.

The departure of the powerful people in Fengshen state gave wanjian palace a chance to breathe. However, they had to attack in the face of the attack of the strong people in the natural environment.

For a while, the palace of wanjian emperor was miserable, hoping that qingjianxianzun could find the man. This is their only spiritual sustenance!

At least it can ease the current situation of the war, not so embarrassed!

As for ye Chen?

Don't put them on Chen's body!

Ye Chen, of course, has something to do with Bingjian xianzun!

But they need to practice ice sword!

As for a Hunyuan village, what can I do for them?

Even if there are array blessings now, you can only find the fortune realm!

But it's not a small Hunyuan state that can be shaken!

Chapter 1728

At the same time, xuesha island.

Ye Chen naturally did not know everything about wanjian emperor palace.

There are enough slaying disciples to settle here.

At present, killing is too weak, only dormancy is the king's way.

Ye Chen is very clear about the top forces he will confront in the future.

Even if he is rebellious and powerful, he is a man after all.

Killing the clan is not only an opportunity, but also a beginning.

One day he will order the strong and crush all the existence in front of him.

Aura.

Blood spirit clan.

The hall of the soul.

Even the blood soul clan.

He will not be afraid in the future.

When everything is ready, ye Chen takes a look at Ji Lin, who is in a coma, and is ready to set foot on the road of wanjiandi palace.

Ji Lin should be safe in xuesha island.

When he wakes up from Xuedao, he only hopes to come back.

When ye Chen was ready to leave, suddenly, he noticed something and turned towards his back!

"Who!"

The blood magic sword is directly in the palm of your hand!

Ye Chen can feel an extremely powerful breath behind him!

This breath, crush everything!

Even with the blood magic sword in his hand, he was not sure whether he had a chance to survive.

"Boy, I am an unarmed old man. What are you nervous about?"

A lazy voice suddenly rang out.

To Ye Chen's surprise, in the distance, under a giant tree, an old man was leaning against the giant tree, holding a gourd wine pot in his hand, his face flushed and he obviously drank a lot.

Eternal king!

Ye Chen never thought that Yonglao would appear at this time.

There are too many doubts in his mind.

"Yonglao, how can you be here?" Ye Chen excitedly asked.

The eternal holy king stretched out a hand and stood up unsteadily: "You boy, I want you to take a reincarnation Xuanbei, but I came here."

"But it's not bad. The blood devil sword of demon saint has come to your hand."

"In the whole world, there are only three people who are most suitable for blood magic sword, and you are one of them."

"This is the chance that is hard to touch."

"As for the reincarnation xuanbei, your progress is faster than I thought. I thought it would take a year or two. Now it seems that as long as you go back to xuanyuezong again, you should get it soon."

"Worthy of reincarnation."

Ye Chen touched his nose and felt embarrassed to be praised like this: "it's just luck that I'm too old."

The eternal holy King took a sip and handed the teapot to Ye Chen: "sometimes, luck is a part of strength."

"But your luck is bad. I didn't choose the wrong person."

"What's more, the xuesha island is just born for you."

"And I am here today, not for anything else, but for this bloody island."

"As for the affairs of wanjiandi palace and xuanyuezong, don't worry. This matter is more important than anything at present!"

Ye Chen slightly a Zheng, did not take over the wine pot.

He never thought that it was the bloody island that made the eternal King appear here!

There seems to be no secret about this island!

The eternal King yawned and staggered in one direction: "if it wasn't for the things in this that were too important, I wouldn't have come here myself."

"Stinky boy, come with me!"

Ye Chen naturally followed the past.

They came to a cave covered with boulders.

The wine pot in the hands of the eternal holy King turns slightly, and a drop of wine oozes out, which instantly turns into a water sword and breaks open the extremely hard stone.

This scene completely shocked Ye Chen.

What is the cultivation of the eternal king? A drop of wine can create this power, which is tens of thousands of times more powerful than a thousand soldiers explosion!

"Don't be dazzled. I don't care if I lose it."

The eternal King enters the cave in an instant.

Ye Chen came to the inside, surrounded by only dark lights, and some blood crystals.

When I was six kilometers deep, I felt a huge wind and wanted to blow them in.

Up to seven kilometers, the eternal king felt the wind and waved.

Boom!

There was a dull loud noise, and the earth around it exploded, and there was a glimmer of light.

"Go

Ye Chenyi is a man of great courage. He has no fear at all.

Just as they rushed in, they suddenly burst into a dazzling light.

After a bout of blindness, ye Chen opens his eyes.

"This is..."

The moment Ye Chen opened his eyes, he was stunned by the surrounding scenery.

There are dense woods around, and even some monsters, but when you see ye Chen, they run away. "Don't look like you haven't seen the world before. This place is left by the ancient strong."

"I know them, too Forget it. If you don't, you can't understand it. "

"It's fate that you control xuesha island."

"This secret should be opened by you."

Eternal King light way.

With that, the eternal King seemed sleepy and went straight to a meadow to lie down.

"You can go in alone in this place. I've been drinking too much. I'll take a nap."

Ye Chen:

Helpless, ye Chen can only one person deep.

Everything inside is unknown.

But since the eternal King brought him here, there must be a reason!

"Roar!"

At this time, came a monster roar, the breath of terror, people were shocked.

When ye Chen saw the monster, his face was shocked.

This monster is actually a kind of ape fighting against the sky.

In front of the sky fighting ape waving a stick, a pair of blood red eyes, looking at Ye Chen and them.

The strength of this ape fighting against the sky is not strong, only the strength of Hunyuan environment.

Ye Chen has a fiery look in his eyes.

Since there can be an ape fighting against the sky, there will naturally be a race.

If he can conquer the ape in the future.

"King beast spirit God, do you have the means to subdue monsters?"

At this time, ye Chen inquired about the spirit God of the imperial beast in the samsara cemetery.

However, the king beast spirit God also has no intention to reply Ye Chen.

Ye Chen smiles and says, "in this case, I'd better give it to the devil's eye..."

As soon as this was said, the tombstone in the samsara cemetery moved slightly, and a voice came slowly:

"I have a royal beast resolution here, you can practice."

There are still some ways to control the level of beast spirits.

Take a look at the Royal beast Jue Ye Chen and find that it's easy to practice, and it doesn't need to be so complicated.

Ye Chen practiced for ten minutes and got a trace of the power of the spirit and entered the mind of fighting against the sky and ape.

At this moment Ye Chen feels that there is a trace of contact with the ape fighting against the sky.

"Tell me where your territory is!"

At this time, ye Chen said.

As the top blood, Hunyuan has a trace of intelligence.

Roar!

Against the sky war ape finger, ye Chen directly sat on its shoulder.

Fighting against the sky, ape runs on the ground and rushes into the forest. After an hour, ye Chen feels the breath of many monsters.

At this time, the ape stopped and pointed to the front.

Chapter 1729

Ye Chen swept with his mind, and found that all of them were fighting against the heaven and apes, and the strongest one was just a combination of Taoism and Taoism.

He can handle it by himself!

The breath of Ye Chen's people attracted the ape fighting against the sky in an instant.

The strength of these fighting against the sky ape is not strong at all, ye Chen can solve it by hand.

After solving the fight against the sky ape clan, ye Chen plans to continue to check, but found that the fight against the sky ape clan, the eyes actually showed a look of fear.

Ye Chen frowns tightly. You should know that fighting against the sky ape is the top blood. There is nothing that can make them fear.

Unless it's a dragon or an ancient beast.

"There seems to be something wrong with the situation."

Ye Chen felt a trace of cold at the moment.

His strength, even if below zero Baidu, he will not feel cold.

Suddenly, ye Chen Mou son shrinks, unexpectedly saw a group of armed men in armor, carrying a pair of coffins.

It's just that the breath of these warriors is extremely strange!

It's a mind body!

And strong!

How can there be a mind body in this place?

Strangely still carrying a coffin?

"Who are you?"

At this time, those martial arts all look towards Ye Chen's direction!

As soon as ye Chen heard this, his heart thumped. This place was full of unknowns. Naturally, he could not love to fight. He ran directly to the position of the eternal holy king.

Ye Chen runs away at full speed, but finds that these warriors are chasing him, and the speed is getting faster and faster. I'm afraid it won't take long to catch up with him.

Seeing the distance between the warriors getting closer and closer, ye Chen gritted his teeth and stopped.

Since we can't escape, we can only fight!

Ye Chen clenched the long sword in his hand, raised his legs and chopped it with a sword.

In the face of this sword, the warrior did not have any expression, even did not dodge at all.

Stab!

With a sword, the bodies of these warriors become two parts, but in a moment they regroup.

At the moment of reorganization, a fist blows out.

This fist hit Ye Chen's abdomen, a huge force from the outside to the inside, impacting his body.

Ye Chen frowns slightly.

These gods are no less powerful than those of samsara cemetery!

And this power is obviously above the realm of creation!

Where the eternal King brought him!

With just one punch, ye Chen knew that he was not an opponent at all.

Ye Chen retreats two steps to open a distance from these warriors.

In this moment, the figure of the warrior disappeared in place, suddenly came to the back of Ye Chen.

The warrior raised his arm and patted his finger on Ye Chen's back.

Click!

Ye Chen was seriously injured by two fists.

Hiss!

Ye Chen endure pain to want to stand up, suddenly a hand to grasp his back clothes.

He wanted to break free, but another warrior put the gun head on Ye Chen's throat.

Ye Chen grinned bitterly. Now that he has been arrested, he doesn't know if he can live on.

The key is that these warriors are all above the realm of nature!

What the hell is the eternal King doing?

You're not coming out?

After catching Ye Chen, these warriors returned to the original place, opened the coffin and threw him in directly.

Bang!

A dull sound, the coffin is directly covered, ye Chen in front of a pitch black.

He thought the coffin contained the body, but who knew there was nothing in it.

Ye Chen didn't know where he was going. He wanted to open the coffin. Who knows that the lid of the coffin is too heavy to open by his strength.

All the way, ye Chen didn't know how long he was walking when suddenly the coffin cover was opened.

Ye Chen was caught out by these warriors, looked up and found a huge ship.

The ship is old and dilapidated. It has a certain age at first sight.

On the ship, there were rows of warriors standing.

Push! Push!

At this time, there was a sound of footsteps.

Ye Chen looked up and found a burly man coming over, wearing gold armour, a pair of eyes exuding light.

"King of the hundred warlords, the people have arrived. Let's go first!"

One of them, kneeling on one knee, opened his mouth respectfully.

"Yes!"

As soon as the king's voice fell, the warriors left in order and disappeared in an instant.

"You have the smell of that guy's wine. I'm afraid that guy brought it."

"Follow the king!"

The king of baizhanling takes a look at Ye Chen and strides ahead.

Ye Chen frowns, it is obvious that this guy knows the eternal king. Is this what the eternal King says?

Ye Chen took a look, a bite teeth to follow up.

Now the situation, can only take a step to see a step!

Ye Chen followed the king of baizhanling behind him and came to the ship. At a glance, all the soldiers were on patrol.

After walking for three minutes, King baizhanling came out of a room and stopped two steps!

"In!"

King baizhanling is standing on the left side with a pair of eyes looking at Ye Chen.

Ye Chen did not hesitate, step out, into the room.

Now that he has come here, the king of baizhanling doesn't need any conspiracy to kill him.

When entering the room, the dark room suddenly lights up.

Ye Chen took a look and found that there was a table around him with a cane chair beside him. There was a man in white sitting on top of him. His body was elegant and his eyes were filled with a smile.

"Welcome to the time boat, sit!"

The man in white waved and a cane chair appeared next to Ye Chen.

Ye Chen steps forward to sit down, since he comes, he has no fear.

Sitting on the rattan chair, silent, at the moment, the man in White said, "you are the sixth person to come to the samsara ship. As for the five people ahead, they are dead."

Ye Chen frowned but did not speak. Since the man in white called him over, he was not simply trying to kill him.

"You were brought by that guy."

"That guy had a bet with us, and he even threatened that his people could break all the games."

"I'd like to see if you deserve the confidence of that guy!"

When ye Chen heard this, he would like to scold the eternal holy king.

He thought it was an opportunity for yonglao to bring him here!

The result is for this inexplicable bet??

Can you be more selfish.

"You can come here, and it is the guy who shows that he has the qualification to challenge. The next thing is whether you live or not depends on your life!"

Ye Chen is silent. He doesn't know what is happening now.

All of a sudden, the man in white did not know his identity, but from his words, it was not hard to tell that he had no choice.

"Boy, I know you have a lot of questions in mind, but when you pass, I will tell you everything."

As soon as the man in white dropped his voice and waved his big hand, the scenery around him suddenly changed.

Originally a wooden house, suddenly turned into a towering palace, but ye Chen stood outside the palace.

The temple of reincarnation is written on the outside. The majestic atmosphere also reveals a period of simple years.

Chapter 1730

As for the figure of the man in white has long disappeared, only Ye Chen is left.

Ye Chen forced to endure the shock of the heart, opened the door and walked in!

Stab!

When the door is opened, ye Chen looks around and finds nothing around. After a stick of incense, an illusory figure suddenly appears in front of him.

Extremely young.

"Tens of thousands of years ago, as the king of iron and blood, you can fight with me!"

In a word, let Ye Chen's face change completely, he has not heard of the name of the iron and blood holy king.

However, the existence of being able to become the holy king is the highest peak in Lingwu land.

This is the case with the eternal king.

He also confirmed that this group of people had the same origin as the eternal king!

Ye Chen sweeps through the realm of youth's virtual shadow with his mind, and finds that there is only the peak of Hunyuan state, so he feels relieved.

It seems that the iron holy king is not so strong in his age stage, otherwise a holy king and a finger can crush him.

Ye Chen takes out the magic tool of the Dao and holds it in his hand. His eyes are full of fighting spirit and a trace of vigilance.

Can become the existence of the king, which is not peerless Tianjiao?

"Years kill the sword!"

Ye Chen's arm slightly raised, the law of time continues to flow, the breath of terror continues to burst out, one is to kill!

Facing the once holy King's existence, ye Chen must be careful to deal with it!

"War!"

The iron and blood holy king falls, the speed reaches the extreme, a pair of iron fists are like the sharpest sharp weapon in the world.

At this moment, the fist burst out, and the sharp fist meaning made Ye Chen's robe make a noise,

Ye Chen frowned, and the pressure around him poured madly on him.

Zheng! Zheng! Zheng!

The sword in Ye Chen's hand makes a buzzing sound, and a sword cuts through the surrounding air.

The aura in the body was released madly, and the sword light was shining brightly.

The ultimate sword!

One sword will cut nine days!

There is no fear in the eyes of the iron God, but there is a ray of excitement.

He longed for a war!

He was so excited by the battle that his blood couldn't help beating.

Boom!

The moment the two touch each other, the explosion of terror, like thunder!

Ye Chen can see with naked eyes that there are sword marks on a pair of iron fists of the holy king of iron and blood, which is only a drop of blood.

Perverted defense!

The iron and blood holy king has already rushed to come to Ye Chen's side!

Although a pair of iron fists have not arrived, but the fist meaning has already cut Ye Chen's cheek!

Ding!

Ye Chen raised his arm and blocked it with his magic weapon.

Push it!

The huge force, let him can't help but back two steps, blood in the body surging.

Ye Chen looks shocked, tens of thousands of years ago the king of iron and blood, when he was young, he was so strong!

You know, his strength has been able to kill Hunyuan peak in seconds, but in front of the iron and blood holy king, he can't get any benefits at all, even vaguely suppressed!

Sing!

When ye Chen retreats, a phoenix shadow appears behind him!

The blazing flame gushed out, and the Phoenix virtual shadow rushed to the iron and blood holy king like lightning!

He must win this battle. This is only the first level. There are five floors in this hall. I'm afraid that only when all the customs are cleared can we do it!

In the first level, the holy king of iron and blood is only the weakest one. If he can not be defeated, how can he face the next battle.

Now he has no way back, only the first World War!

Suddenly, the two hands of the Phoenix opened their arms.

Click!

With a clear sound, the Phoenix shadow was torn into two and disappeared in the void.

Ye Chen sees this scene, the corner of his mouth can't help but twitch fiercely, and his hand tears the Phoenix. The iron and blood holy king is probably the physical strong man tens of thousands of years ago.

It's not sure that the iron and blood holy king is in full bloom. He can really compete with the Phoenix beast.

"I'm not happy. Can we fight with my body?"

The iron and blood holy king a pair of war minded eyes stare at Ye Chen, such a battle makes him not happy at all.

Only the most primitive combat can stimulate his strongest fighting spirit!

"Good!"

Ye Chen does not have any hesitation to agree directly down, he has his own pride.

How about the strong man tens of thousands of years ago? He believed that he was no worse than anyone!

The power of the iron blooded holy king will not destroy his fighting spirit, but will only make him stronger!

The real strong, stepping on countless Tianjiao's bones!

At the same time, ye Chen is not afraid of anyone!

His way, will not bow to anyone!

Ye Chen put away his magic weapon and clenched his fists. The two men relied on the flesh to fight alone!"War!"

Ye Chen roared, and then a brisk dash to the bloody king.

Clench the fist, both directly to blow out, two people directly with the most primitive fight!

Bang! Bang! Bang!

One punch after another, the bone rattled one after another.

Ye Chen's arms are numb, and the bones inside the fists don't know how many pieces are broken.

The flesh colored fist has already become scarlet, and the Qi and blood in the body is constantly surging.

Ye Chen's physical strength has not been bad, but in the face of the iron and blood holy king, there is still a feeling of incompetence.

Boom!

The king of iron and blood hits Ye Chen's chest with a fist.

Ye Chen forced to hold back the pain, a bite teeth continue to fight out!

The iron and blood holy king holds Ye Chen's fists in one hand and raises his feet suddenly. Ye Chen does not show weakness! The two forces collide.

The king of iron and blood ate a pain and couldn't help but step back.

At the moment, ye Chen is directly away from him, and his figure is somewhat unstable.

All the time, ye Chen suffered losses, but he did not have any timidity.

Stabilize the body, but go forward to kill out!

Clench the bloody fists, as long as he can walk, he will not give up.

Ye Chen's way, only fight to death, never admit defeat!

Even ye Chen did not use any cards!

Reincarnation graveyard, devil's eye, everything is useless!

He has to fight against the genius of tens of thousands of years ago!

Strong willpower works at this moment.

Seeing this scene, a trace of softness flashed in his eyes.

"Your will is not enough, the physical strength is only the surface, only the will is eternal. Even if the body dies and the will is immortal, you are the immortal existence."

The iron and blood holy King opens a way, without hesitation, a punch in Ye Chen's body.

"Ah

Ye Chen can't help but cry out. This fist seems to be not only the pain of the body, but also the shaking of the soul.

"War!"

Ye Chen clenched his teeth, a pair of blood red eyes, like a madman.

At this moment, he forgot what he was doing and all he had left was war.

No madness, no survival!

Every fist of the iron and blood holy King hits Ye Chen's body.

Every time you hit a fist, you have to bear the feeling of heartache.

Ye Chen's arm waving speed is getting slower and slower, and the strength on his fist is constantly decreasing.

Now, he is like a bloody man all over his body, and his mind is only boxing.
