Chapter 1911

"By the way, my name is Ye Chen."

This sentence is like thunder in people's hearts!

No one thought that someone would suddenly appear!

The key to the person's breath, they never found.

It's not good to come.

But at the moment, the pupil of Sikong Feixing under Zhou Wei's feet is very big. He is extremely shocked!

He never expected to see ye Chen here!

He thought there was a strong hand to save him, but did not think that the so-called strong is Ye Chen.

Now ye Chen has broken through to the realm of harmony!

However, what about the realm of harmony!

Sikong Feixing vomited out a mouthful of blood and said: "Ye Chen, this matter has nothing to do with you, you leave as soon as possible!"

"You go now, inform the royal family, the royal family will avenge me! Go away

In his opinion, the appearance of Ye Chen will only cost his life!

He only hopes Ye Chen can escape!

Only in this way can he hope for revenge.

However, ye Chen was not moved.

Zhou Wei looked at Ye Chen and suddenly laughed: "I thought who would protect you. Ha ha, such a mole ant can't even compare with the servants of Wanyao palace!"

Zhou Wei pointed to Ye Chen and said, "if I were you, I would kneel down now."

However, ye Chen completely ignored, but looked at Sikong Feixing and asked, "how much is your life worth?"

Sikong Feixing was stunned, but he still said: "Ye Chen, if I can live today, I swear that my royal family owes you a great favor!"

Ye Chen nodded: "good, your life, belongs to me, no one has the qualification to move."

Ye Chen is very clear that he is not strong enough on his own. He needs allies.

The royal family behind Sikong Feixing is different in Lingwu land. Maybe there is a need.

What's more, since Sikong Feixing knows the whereabouts of the xuanbei tablet, it means that he probably knows the whereabouts of other reincarnation xuanbei!

He must be saved!

When Zhou Wei heard Ye Chen's words, his face was filled with anger!

"Boy, you don't seem to understand the situation? You can't save your life? It's ridiculous

Language down, Zhou Wei behind the demon clan strong will continue to approach Ye Chen.

Sikong Feixing frowned: "Ye Chen, are you sure?"

Although he knew Ye Chen's strength was very strong, he had not yet reached the level of the realm of creation. Among these monsters, there were several of them in the later stage of the creation.

There are even two monsters at the top of the Ninth Heaven.

Such a group of monsters, ye Chen can not fight.

Ye Chen said with a faint smile: "a group of animals, what are you afraid of? I stand here, do not need to hand, he is not qualified to move me."

The sword fell and stuck on the ground.

The breath of desolation is surging.

A barrier array instantly envelops Ye Chen and Sikong Feixing.

Provocation!

Extreme provocation!

The monsters behind Zhou Wei roared angrily!

The sound is so loud!

"Ha ha ha ha ha ha!" Zhou Wei laughed wildly and squinted at Ye Chen and said, "I didn't expect this waste. It's really crazy! Interesting, really interesting, I can't help but see you kneeling on the ground begging me to let you go

He suddenly pinched the Jue, and his whole body was full of evil spirit, showing its prototype. He was actually a giant python with emerald scales, tens of meters long, and the thickness of a bucket!

"Give me all your strength to smash this defensive array!" the snake said

A group of monsters, after making a sound of animal roar, attack the array covering Ye Chen and Sikong Feixing together!

Numerous extremely powerful attacks have been bombarded one after another on the light screen of the defensive array. Rao Shi's array is extremely high, and it can't help shaking violently!

Sikong Feixing's face changed slightly. The power of this attack is so strong!

But the next moment, all the monsters stopped attacking at the same time. Even Zhou Wei's eyes were full of surprise!

Ye Chen unexpectedly, from that defensive array, came out?

In this way, came to the front of these horrible monsters?

What's more, you look indifferent?

Does this person really want to die?

Zhou Wei came back to his senses and burst out laughing and said, "you are really unexpected! Although it's a waste, it's also an interesting waste. It makes me laugh

Ye Chen looked at the monsters in front of him faintly, and said in a cold voice, "are you going to die one by one, or do you want to die together?"

Since these monsters want his life, he will not let go of any of them.

"Ha ha ha ha ha ha!" Zhou Wei laughed wildly again and said, "did I hear you correctly? This guy, you want us to do it together? I'm afraid, for a moment, even slag will not be left? Isn't that too cheap for him? Zhou Wei changed himself into a human being and said, "I will see where your pride comes from."

All of a sudden, one of the old men who was full of evil spirits sensed something. His eyes congealed and said to Zhou Wei, "little master, the breath of this son is a little strange. If you use the secret method, don't be careless."

"To deal with him, you have to use that supreme secret?" Zhou Wei was surprised and discontented when he heard the speech. His master taught him a secret skill that can greatly improve his strength. However, he was quite upset that he had to use the secret method for a martial artist like Ye Chen, who had not reached the level of nature.

In fact, Zhou Wei's birth is not simple. He is the eighth son of the Wanyao Valley master. Although he has only a general qualification among his brothers, he is definitely a genius for all major forces to scramble wildly in Lingwu land!

He has the top blood of demon clan and the blood of Tianqing python. Although he has not inherited too many blood of tunlongjiao, he is also extremely strong!

Therefore, Zhou Wei is extremely proud!

Zhou Wei went to Ye Chen and said, "boy, although it's like killing a chicken with an ox knife to use secret arts against you, since the Jews hope so, I'll give you the honor to die under my secret arts. Soon, you will know what is the real power."

Ye Chen smelled the speech, glanced at Zhou Wei and said, "to tell you the truth, I still want to know what it's like to kill the young master of Wanyao valley."

At this moment, Zhou Wei was very angry and laughed back. His momentum suddenly rose. In an instant, he was approaching the strength of half step star body.

He a pair of blue eyes slightly squint, in the eyes of the cold flash crazy, to Ye Chen sneer: "to a waste, you are really crazy can, but soon, you will understand, a too crazy waste, the end, often more miserable, I hope later, you do not beg for mercy."

"Beg for mercy?" Ye Chen turns his wrist, and a black sword falls into his hand.

When ye Chen holds the beast decaying sword, he is mixed with divine power. The tiger god evil spirit and the Qilin Sha are like the real killing intention, rushing towards Zhou Wei!

Chapter 1912

Under the cover of this terrible and murderous intention, Zhou Wei felt that his whole body was cold, his brain was in chaos, and all his spiritual power was trapped in stagnation, which made it difficult to operate. In his sight, he saw Ye Chen, incarnated as a golden light, coming quickly!

At this moment, Zhou Wei finally understood the reason why Ye Chen was calm, because at this moment, he felt that death was coming!

At the time of life and death, he gave out an extremely sharp neighing all day, instantly turned into his original body, and a powerful evil spirit burst out, breaking through the shackles of killing intention.

He left a cold sweat on his snake's head. If he hadn't launched the secret arts in advance, his strength had reached half a step of the star's orifices, and now he could only break through the shackles of demons. Otherwise, I'm afraid that he would have to be slaughtered!

However, even so, it is too late, ye Chen, has arrived in front of Zhou Wei!

And Zhou Wei, at this time, can no longer control, what to keep hands, what education Ye Chen, all out, the bottom card to have reached Ye Chen, launched the strongest blow!

There was a big bang. The expected attack and collision didn't happen. It was Zhou Wei's blow that hit the ground!

Zhou Wei's eyes trembled!

How can this be possible, he clearly saw Ye Chen in front of his eyes, how, disappeared in an instant?

At this time, the faint voice of Zhou Wei rings out.

"Do you think someone will ask a mole ant for mercy?"

Jingtian sword light together, under the blessing of the beast decayed sword, ye Chen, cut out an incomparable strong sword!

The sword was cut on Zhou Wei.

The extremely tough defense of the demon clan is like paper paste.

Zhou Wei's body, under this sword, completely burst!

Even his spirit died in an instant!

Silence.

No one can make a sound.

Even the breath, forget.

Just staring at what happened.

Zhou Wei, who is half step in the Xingqiao, is killed by Ye Chen with one sword?

By a warrior who is in harmony with the two layers of heaven?

That's Zhou Wei!

The young master of Wanyao Valley, Zhou Wei with the blood of the top azure Python!

Not to mention, he also used secret arts to enhance his strength to the extreme!

Ye Chen's strength, how can not let the person suffocate!

Even those bloodthirsty monsters, seeing this scene, were afraid.

Ye Chen looks at the beast decayed sword in his hand and shows a trace of smile. The beast decayed sword is more powerful than he imagined

but the spiritual power in his body consumes half.

There are also some costs in using this sword.

When the young master of Wanyao Valley died, the animals roared and attacked Ye Chen one after another. Among them, two demon beasts at the peak of creation were extremely terrifying!

However, the most terrifying thing is the attack from the old man with the spirit of demon clan!

The old man's breath burst out, even stronger than Zhou Wei's breath after using secret arts!

At the same time, a strange shadow with a strong Yin Qi emerges, which gives out a startling claw, as if the sky is falling down, pressing to Ye Chen!

Sikong Feixing can't help but dim his eyes. Under such a joint attack, he is the star orificed warrior. If he gets caught, he will die in an instant, right?

At the same time, he is also extremely frightened. When did ye Chen's strength reach such a point?

But under such a terrible attack, can ye Chen really resist it?

At this time, ye Chen took a deep breath and said angrily, "beast rotten sword, let me see your immortal sword meaning! Get out of here

In an instant, ye Chen, who was already quite tall and used the formula of reincarnation of gods and demons, once again lifted his body. In addition to the purple divine lines, he also began to appear black magic lines!

Feeling the nearly infinite power in the body, ye Chen made an angry roar at the dozens of attacks that could break the earth!

"Ah, ah, ah, ah

His whole body exudes the golden black light, and the beast decaying sword in his hand also sends out bursts of clear sound!

Finally, ye Chen moved, facing the attack all over the sky, chopped out the most powerful sword!

This sword is enough to destroy the world!

This sword can kill everything!

The roar of a huge sound, ring through the whole nether Canyon, also let the whole ground, are slightly shaken!

There was a flash of white light in the sky. Bai Zhentang was awakened by the attack and had to make a move!

And seeing the attack and collision of Sikong Feixing at close range is just beyond the limit!

Strong!

Too strong to describe!

This is still that, had been pressed a few minutes Ye Chen by oneself?

How can ye Chen be so strong in just a few months?

This sword doesn't need to be sealed. It's enough to kill the strong one in the sky of Xingqiao state?

At the same time, Sikong Feixing also grinned bitterly. Since childhood, he is the best of his peers, his speed of progress, can be called peerless!

Therefore, he has always thought that the talent will not lose to anyone.

However, today, he only knew that his vision was too narrow!

Today, he just knew that in the original world, there are ye Chen, who is really against the heaven!

After a sword, ye Chen is still standing in the same place, but the land under his feet completely collapses into cracks.

And ye Chen, standing in the crack, let the turbulent flow surging, his body, standing still!

However, ye Chen's body, also left a shocking scar

But!

What really scares people is!

The wound on Ye Chen's body, unexpectedly in the rapid healing!

This is not an ordinary trauma!

The joint attack of monsters at the top of the realm of creation contains the power of laws!

And ye Chen can heal so quickly even under the damage of the power of the law.

Well, it can only be explained that ye Chen's vitality and body are extremely strong!

This is simply, is the real body of gods and demons!

At this time, ye Chen, like a demon, is walking towards the old man step by step.

The old man's eyes showed a look of fear. It was hard to believe what he saw.

This old man has existed for a long time. He has even experienced the most prosperous times in Lingwu continent!

At that time, ordinary warriors can be regarded as genius in the present Lingwu continent.

Now, every genius can be called a demon in ancient times!

The old man thought that he had seen enough talents, enough strong people

However, he has never seen such a perverse existence as ye Chen!

It is for this reason that he can understand how terrifying Ye Chen's talent is. Even now, in front of Ye Chen, who has not really grown up, he is almost shaking!

He gazed at Ye Chen and said angrily, "if you killed the young master of Wanyao Valley, you can't escape the nightmare all your life!"

Ye Chen smile, with a very familiar words in return: "you say, this netherworld Canyon, I killed the young master of Wanyao palace, who will know?"

Chapter 1913

At this point, the old man's face changed greatly. He just wanted to open his mouth, but his sword was torn.

The old man and those living monsters disappeared into a blood mist.

Everything returned to calm.

Ye Chen glances at the storage bag on the ground and grabs it with five fingers. It is directly collected into the reincarnation cemetery.

Good harvest.

After all this, ye Chen's eyes fell on a dull face of Sikong Feixing: "you should not see anything."

Sikong Feixing was stunned and quickly got up and said, "brother ye, don't worry. I'll fight against this matter alone. Facing the royal family, the Wanyao palace dare not say anything!"

"If you didn't have brother ye, I'm afraid Si Kong Fei Xing would have been dead already!"

Ye Chen nodded, thought of what, asked: "how can you appear here?"

Sikong Feixing did not dare to hide, and said directly: "reincarnation xuanbei."

"An old man of my royal family, who is proficient in the deduction of fate, has calculated that the xuanbei tablet of the reincarnation of the demon Lingzi will come into the world at the cost of the loss of Shou yuan."

Ye Chen takes a deep look at Sikong Feixing. It seems that this royal family is really different. The reincarnation xuanbei is so sacred that it can be deduced.

"So you come here to fight for the reincarnation stele?"

"Brother ye, do you think if I really want to fight for the reincarnation xuanbei, will it be so miserable?"
Si Kong Fei Xing said with a bitter smile

"This time, I just brought a few vassals with me."

This time, it is Ye Chen's turn to doubt. Sikong Feixing has a noble status. Such a sacred thing will naturally be accompanied by strong people. Now, it is obvious that Sikong Feixing is the only one left.

What qualification does a creator have to get the reincarnation xuanbei?

Aware of Ye Chen's doubts, Sikong Feixing took a deep look at Ye Chen, hesitated for a long time, and said, "brother ye, the old man asked me to come to Youming gorge not for the sake of reincarnation, but for the sake of making a good relationship."

"In the deduction, he saw some future. He told me that if the royal family wants to live forever, he must make a causal relationship with a person who is against the heaven and the emperor's fate. "

"I didn't understand. After all, my royal blood is the real emperor's life, but the old man told me that my royal blood is the emperor of the earth, and the ultimate direction of the emperor's fate is the God Emperor! God is the emperor

"Now I understand the meaning of the old man. I'm afraid that the emperor's life style in his mouth is brother Ye."

"It's unheard of to be able to kill the existence of half step star orifices in a state of harmony."

"What happened to the young master of Wanyao Valley is the causal relationship between me and brother Ye."

At this moment, ye Chen was stunned.

He does have a royal personality.

He thought that the emperor's life style was just the leader of Kunlun.

Now it seems that I underestimated the fate of the emperor.

Sikong Feixing smiles and doesn't care about the injury. He says seriously: "brother ye, there are three forces in the nether canyon."

"They are the Lingxian emperor palace, the soul hall and an elder of Wanyao clan."

"These three forces want to get the stone tablet of reincarnation at all costs, but I'm afraid it's not the case."

Ye Chen Mou son a congealed, ask: "this reincarnation Xuan stele by who finally got?"

Sikong Feixing ha ha ha smile: "that royal family elder's answer already explained everything."

Suddenly, Sikong Feixing smile convergence, coagulation heavy way: "but ye brother, there is one thing you must know."

"When it comes to the Kingdom, it is very likely that it will be a monument to gods."

Sikong Feixing wanted to say nothing.

"At the beginning, this stone tablet of reincarnation was snatched by the devil spirit son from the land on the edge of the kingdom of God at a great cost."

"The soul hall and the Lingxian emperor palace are so attentive, I'm afraid it's for the people of the kingdom of God..."

"All in all, be careful."

Ye Chen heard the word "Shenguo" again. He was shocked and asked, "Sikong Feixing, how much do you know about Shenguo?"

Sikong Feixing shook his head: "these things, I do not have the qualification to know, just from the old man's mouth to know."

"It's inconvenient for me to say that brother Ye has already entered the Shenhua Academy. In the future, you may come into contact with some things about the kingdom of God. You will gradually understand..."

"Brother ye, I'm going to leave here. The task given to me by the royal family has been completed."

"Wanyao Valley, my royal family will carry it alone. You don't have to worry. And I, Sikong Feixing, owe brother ye a life. You can come to the royal family at any time. I will welcome you personally!"

Quotations, Sikong Feixing left.

Of course, life injury has been trampled on dignity.

But it's worth it.

Ye Chen helplessly shakes his head, also does not think of other things, directly toward the deep.

.....

At the same time, there are two figures hanging in the sky, watching Ye Chen from a distance.

One of them said with a smile: "I can't imagine that there are such excellent talents in the land of Lingwu. If such talents continue to grow, they can get a place even in our kingdom of gods." Another man shook his head and said, "is it so easy to have a place in the kingdom of God? Although the boy's talent is OK, what about other aspects?"

Family background, inside information, behind the influence, the appreciation of great ability, what does he have?

In Lingwu land, if you reach the Fengmen state, it almost represents the status, but in the kingdom of God? After all, it is not qualified.

After all, our kingdom of God is the real master of the land of Lingwu. Only the strong who come out of our kingdom can have the ability to be called the peak of the real land of Lingwu! "

The man who began to speak said with a smile: "although that's the case, our kingdom of God also needs fresh blood. We secretly came to watch the Dragon climbing Dabi over the years, just to find talented people who are against heaven's will and recruit them to enter the kingdom of God?

Although this young man has no background and is not favored by any divine power, his qualification has reached the standard. Otherwise, how could he have that mark.

We haven't found a candidate in the past five years, so we can't compete with those guys

Another person pondered for a moment, and finally nodded: "hope, this boy in the future, don't let us down."

"Haha, if you are on our waiting list, you can prevent those people from attacking him. If so, he still can't grow up or even survive. Then, he will not be qualified to enter the kingdom of God. OK, the task is completed. Let's go back."

"Go back? What about the stone tablet of reincarnation? "

When the man heard this, he said with a smile: "it's so easy to get the xuanbei of the reincarnation of the demons. This group of people is only a secret in the netherworld canyon. Before this, I don't know how many people have been here."

"But the end is the same, either die or fail."

Chapter 1914

"I'm afraid this time, the stone tablet of reincarnation is still sealed. You know, this is the hometown of the devil emperor."

Speaking of this, the man's expression fell into meditation and murmured: "the battle between the devil emperor and the Heavenly Kingdom palace is really unforgettable."

"He is the real strong man out of Lingwu, and the first one to challenge the existence of heaven in Lingwu."

"He said," If heaven abandons me, heaven can also bully me. If Tao kills demons, demons kill heaven! "It's really domineering. I'm afraid only the devil emperor dares to say anything. "

Another person suddenly thought of something, turned his head, and said in a trembling voice: "don't forget, in addition to the devil emperor, there is a man who has broken the Tiandao palace and killed the last leader of Tiandao palace. The surname Ren is also too crazy..."

Suddenly, the man turned his head and made a silent gesture: "this matter can't be mentioned! Otherwise you don't know how to die. "

Two people eye contact, no longer nonsense, disappeared.

.....

The deepest part of Youming gorge.

Before the dilapidated temple.

The soul hall elder, Wanyao Valley elder and even the spirit charm of Lingxian emperor palace are seriously injured and their breath is weak.

Obviously, these three people all want to fight for the reincarnation stone tablet in the temple!

Although Wanyao Valley elder and Lingxian emperor palace join hands, the most powerful thing in the soul hall is not force, but secret arts.

The master of soul hall takes blood essence as his secret skill, and has been promoted to the peak of Xingqiao in a short time.

All three of them were seriously injured.

It's impossible to get back to top level in a short time.

"Poof!"

Lingyun vomited out a mouthful of blood. Her white face looked at Xia Ruoxue, who had not done anything at all. She said, "ruoshue, I have no right to act as a teacher. Then I will give it to you. During this period of time, all the resources in Lingxian Palace are piled up on you, and only you are qualified to enter it."

"Now, you have killed the old man in the soul hall!"

"I hope that in five minutes, you and I will be standing on the court."

"If you get that thing, I will ask the palace master to untie the spirit mark on you! Even let you have the right to enter and leave the immortal palace freely

"Maybe you can see the boy."

Lingyun knows how to stimulate Xia Ruoxue's fighting spirit.

Sure enough, after hearing a few words of Lingyun, Xia Ruoxue's eyes were frozen instantly.

She sacrificed a cold sword in her hand, and the breath on her body completely bloomed. It was the peak of the state of nature!

Even about to step into the half step star orifices!

Over the past few months, the Lingxian emperor palace has put all the top resources on Xia Ruoxue and Ji Siqing!

Even, Xia Ruoxue has become the experimenter of the stone!

Take it every day, and your accomplishments will rise very fast!

But this kind of miraculous effect, actually caused Xia Ruoxue's foundation to be unstable, even the Lingxian emperor palace didn't know whether the God stone would have a reaction!

The boundless sword is going to leave for the seriously injured soul hall elder!

The soul hall elder's face changed greatly, and he looked at Lin Juelong beside him: "Jue long, let's go!"

Lin Jue long nods, boundless evil gas surging! Because of the battle with Ye Chen, he was injured a few points, and his realm fell.

Because of the shadow of the black robe, he recovered a little bit.

At present, the realm is almost at the top of the realm of creation!

Xia Ruoxue sees Lin Jue long, and his breath is more violent! And he said:

"master, I will kill this man, needless to say."

"Lin Juelong, I didn't expect that you came to Lingwu land!"

"In this case, I will help Ye Chen erase this threat!"

In a flash, the two swords are in perfect harmony!

Endless murderous spirit devours everything!

The ground is cracking like a spider's web!

The elder of soul hall, Lingyun and even the old man of Wanyao Valley can only retreat!

Suddenly, the old man of Wanyao Valley found something and took out a broken jade card. His face changed greatly: "something happened to the little Lord!"

Before people's reaction, the old man of Wanyao Valley rushed directly to a direction!

As if, for reincarnation xuanbei does not care.

Lingyun's mouth outlined a smile: "just right, we are missing a competitor! If snow, quick battle and quick decision! "

Summer if snow Mou son twinkles the meaning of cold, the whole body unexpectedly gushes out a virtual shadow!

In the twinkling of an eye, she returns to the sky!

"The Phoenix breaks the sky!"

In a flash, a red phoenix rushed out of Xia Ruoxue's sword!

Boundless flame burning!

Lin Juelong's face changed greatly. He pinched his fingers and protected him with a black barrier!

However, the Phoenix shadow touches the barrier, and the barrier cracks on the spot!

Lin Juelong was secretly shocked. Why did the daughter of Xia family in Jiangnan province appear in Lingwu?

Even if it appears, shouldn't it be with Ye Chen? How did you become a disciple of the Lingxian palace?

What's more, Xia Ruoxue doesn't have the ability to absorb other people's accomplishments. How can she break through so fast!

Is it blood against the sky?

Thinking of this, Lin Juelong's frightened eyes showed a trace of greed.

If he absorbed Xia Ruoxue's skill and blood, does that mean he can be stronger!

The next second, Lin Juelong breaks through the barrier and grabs Xia Ruoxue's sword.

Blood seeps out from his palm, but it forms a rolling black gas, along the cold sword, towards Xia Ruoxue!

Summer if snow beautiful Mou is aware of something wrong, want to break free, but it is a step too late.

The endless black air, like the mouth of a giant beast, devoured her.

Moreover, Xia Ruoxue found that something seemed to be pulling away her blood and cultivation!

"What kind of means is this..."

Damn it!

Xia ruoshue tried every means to leave, but found no qualification.

Her face is white!

When the elder of the soul hall saw this scene, he laughed and said to Lingyun: "Lingyun, Lingyun, you don't know. Lin Juelong is not so simple as a human being. He is different from all of us. The secret he holds is enough to make you afraid of Lingxian palace."

"Ha ha, I'm afraid your apprentice is going to die!"

Lingyun naturally found the problem, wanted to move, but found that the soul hall elder had come to her.

She couldn't save Xia Ruoxue.

The elder of the soul hall laughed ferociously: "it seems that the reincarnation xuanbei belongs to our soul hall. No matter how we say, the skills of our soul hall are also close to that of the demon spirit son. It seems that all these are doomed!"

At the moment, Xia Ruoxue looks pale to the extreme, she is very uncomfortable.

She looked at Lin Juelong's gloomy face and felt despair for the first time.

What to do?

Is it possible to destroy everything you have built in Lingwu?

She also wants to help Ye Chen!

Now, how to help!

But Lin Jue longan Mou is ecstatic, he found that the strength of Xia Ruoxue's body is extremely powerful! And there is a source of power in the blood, he quickly forced out a drop of blood essence, want to completely devour Xia Ruoxue with evil Qi.

However, a sudden change has emerged!

The absorption of evil Qi to Xia Ruoxue stopped suddenly!

And he found that all the energy seemed to be sealed again!

Chapter 1915

This feeling, like a nightmare!

he has been as like as two peas in the dragon!

How could it be!

All of a sudden, his pupils dilated, because Xia Ruoxue's evil Qi was gradually dissipated, and a cold and proud figure was revealed.

Ye Chen!

At the moment, ye Chen Lou lives in the waist of Xia Ruoxue, and his whole body is killing. "Lin Jue long, my woman, you dare to move!"

The next second, a bright sword light soared into the sky, named immortal!

The sword light is so powerful that it penetrates Lin jue long's body on the spot!

"Poof!"

Under Lin Jue Long's frightened eyes, his body flew upside down and hit the barrier of the devil emperor's hometown!

A mouthful of black blood spits out!

It's a terrible injury!

This just how long, unexpectedly defeated again in Ye Chen's hand!

Lin Juelong's eyes are congested and almost burst!

Burst of anger!

The soul hall elder's face changed greatly. He stopped fighting with Lingyun and protected him in front of Lin Jue long.

He knows the importance of Lin Juelong!

Lin Juelong is the person appointed by the soul hall!

Never die!

Ye Chen looked at Xia Ruo Xue and said with a smile, "I didn't come late."

Xia Ruoxue wants to say something, but thousands of words can only be gathered into a kiss.

That light tomato color of red lips directly touched Ye Chen's lips.

"Ye Chen!"

After a long time, the lips leave, ye Chen's eyes on Lin Jue long, just want to start, but found that the soul hall elder is full of energy!

The other party is going to blow himself up!

"Let's go!"

Ye Chen hugs Xia Ruoxue and leaves in a hurry!

He can't afford the explosion of a strong star!

The key is why a soul hall elder should do this!

But it's too late!

The powerful air current is like a Warcraft devouring the whole world!

Above the void, the sitting Bai Zhentang suddenly opens his eyes, tears the void directly, and comes to Ye Chen and Xia Ruoxue.

Throw out a Golden Jade Pendant!

A barrier full of Ancient Runes in front of you!

That terrible wave didn't hurt!

But Lingyun's eyes are completely desperate! The power of self explosion of strong star orifices. She is seriously injured now. How to hide!

See yourself turn into blood mist! Suddenly, the void in front of her broke open!

A pair of slender hands out!

"Useless thing! Come in

Hearing this cold voice, the aura eyes are completely surprised!

Xia Lingqiu, the Supreme Master of Lingxian emperor palace, has made a move!

"What about if snow?"

Xia Lingqiu snorted coldly: "she has my spirit forbidden, don't worry! She can't get out of our hands

"Go

The void crack suddenly closed!

Xia Lingqiu and Lingyun disappeared completely.

I don't know how long it took. Everything was quiet.

Ye Chen looked at Bai Zhentang and arched his hand and said, "thank you for your help."

Xia ruoshue also slightly bowed: "thank you for your help."

With that, she took a look at the direction of the aura.

Bai Zhentang also glanced in that direction: "it seems that the master of Lingxian emperor palace has been paying attention to this matter, otherwise, it is impossible to tear the void at the critical moment."

What did ye Chen think of and asked, "master, why did the elder of the soul hall blow himself up? He is very powerful. I'm afraid he has a noble status in the soul hall. If he uses his secret arts, he can leave. "

Bai Zhentang pondered for a few minutes and then said, "if I guess correctly, he wants to protect the man who is seriously injured by you at the cost of his life."

"I'm afraid that man is more important than the elder in the soul hall."

"What's more, I feel the breath of an old guy in the soul hall on the man who was seriously injured by you There's a problem. "

I'm afraid that he can't get rid of the evil spirit tablet in front of him

"What's more, I feel the breath of Minger. She is in it. As for why she entered, it should be related to the inheritance of the demon spirit son."

Ye Chen hears here, this just sees to the devil emperor's hometown, don't know why, he feels a kind of prick pain in the center of his eyebrow.

It should be that the devil's eye also sensed something and thought it out, but the devil's eye obviously had no energy.

Ye Chen takes a look at Xia Ruoxue. He has a lot of words to say to Xia Ruoxue, but it is obviously not the occasion to speak at the moment.

He can only grasp Xia Ruoxue's hand, ten fingers buckle heart.

Xia Ruoxue obviously knows Ye Chen, showing a smile.

A smile makes a hundred beauties.

Bai Zhentang just wanted to say something, suddenly, the whole Youming gorge vibrated! And in front of the devil emperor's hometown is a strange outflow of countless evil gas!

It's like an old magic hall!

Extremely cold!

Bai Zhentang frowned tightly: "no, the shock just now, I'm afraid it touched this array of anger."

"The evil spirit son wants to keep the peace of the devil emperor, and our action undoubtedly destroys the peace of the devil emperor's hometown!"

"Let's go!"

And now!

In the dark valley shrouded in fog, there was a magic robe in the eye socket of the shadow. At the moment when Bai Zhentang sensed the danger, two dark blue flames were ignited!

In the blue flame, there was a breath, a terrible breath of destroying the sky and the earth!

But this breath just locked Ye Chen and Xia Ruoxue's bodies, which made them unable to move at all. Even, it produced the idea that the other party could destroy their body and spirit at a time, and completely lost their will to resist!

Ye Chen has immortality, can resist a few minutes.

Xia Ruoxue did not have a red blood at the corner of her mouth.

Ye Chen wants to wake up the devil's eye!

But the eye of the devil did not move at all!

Damn it!

Helpless, ye Chen will immortality wrapped in the meaning of Xia Ruoxue, Xia Ruoxue just feel a little bit better!

Ye Chen, resist the pressure!

Bai Zhentang just wants to take ye Chen and Xia Ruoxue to leave. Her eyes suddenly discover something and gaze into the deep of the temple!

It was a girl's figure!

Minger!

But at the moment, Minger's eyes are cold and afraid, and her whole body is surrounded by a ferocious virtual shadow!

The breath is terrible!

This is The beast that the demon brings to the valley of the nether world!

And you beast should take Yinming!

It seems that Yin Ming is inheriting the magic spirit son inheritance, this head of you beast intervenes!

"Ye Chen! White grandfather

Yin Ming tried his best to shout!

Bai Zhentang stares at the eyes of the beast. The eyes seem to have passed through the barrier of the body. The sight reaches the sea of knowledge directly. Then, Bai Zhentang's old face shows a happy smile.

The beast hasn't succeeded in taking it.

Good luck in misfortune.

He turned his head and said to Ye Chen, "boy, Yin Ming that girl is OK. Don't worry about it."

Ye Chen was overjoyed when he heard the speech. He looked at the beast and said to Yin Ming: "ming'er, I'm sorry, I didn't take good care of you. When you passed on, you were taken advantage of by the beast and occupied your body. However, everything is OK now. With the master there, the evil animal can only wait for death."

Chapter 1916

Said it immediately, the leaf dead

Yin Ming, who is in the sea of knowledge, is already full of tears, but tears of joy.

However, when he noticed Xia Ruoxue beside Ye Chen, as well as the hands with ten fingers clasping the heart, I don't know why, her eyes are a little dim.

But it recovered in a flash.

Bai Zhentang's eyes twinkled with cold light. Looking at the beast, he said: "evil animal, get out and die!"

With that, Bai Zhentang looks at Yin Ming's body, and with a wave of his big hand, he will directly capture the soul of the beast.

However, you beast, feeling its spirit, will be separated from Yin Ming's body in an instant. Can it resist such a force?

In the mouth of the beast, I can't help but send out a very sad roar!

But at this time, a sudden change!

In the void, suddenly stretched out a golden hand, toward Bai Zhentang's chest to press!

And in that hand, there are countless demonic Qi vanishing and rebirth. This press, it seems, is a ball that gathers the evil Qi and evil spirit and presses it to Bai Zhentang!

Bai Zhentang's eyes flashed, but he was still calm. His breath burst out without reservation. In a flash, he had a magic weapon sword in his hand. He chopped the golden hand that was holding the magic Qi and hit him with one blow!

At the same time, with a wave of his other hand, ye Chen and Xia Ruoxue are dragged into the void uncontrollably by Bai Zhentang!

Because Bai Zhentang knows that the aftershock of this blow may kill Ye Chen and Xia Ruoxue!

Even if ye Chen's vitality is strong, it will not help!

Because even he, the master of the golden hand, could not be sure of the existence of the victory. What he sent out was the attack of the devil who guarded the hometown of the devil emperor!

Boom! It seems that two worlds collide with each other. Under the attack of golden hands and Bai Zhentang, the nether Canyon is in a flash, and it has no vitality at all!

A ruin!

The next moment, in the void, waves together, Bai Zhentang appears beside Ye Chen.

Ye Chen at a glance, it was an instant then pale!

Bai Zhentang is injured at this time!

At this time, Bai Zhentang was covered with blood, and his sword hand was almost broken.

Ye Chen can't help asking, "master, what happened?"

Just now that golden hand's sneak attack, is really too fast, even ye Chen and Xia Ruoxue, did not respond, they were taken away!

Bai Zhentang just wanted to answer, but his face changed again. The shadow of the magic robe reappeared in the void again. Beside him, there was a mysterious beast with a dazed eye.

However, Bai Zhentang's face was extremely ugly. He was attacked by the other party just now, and he was not fully prepared. The other party was higher than himself.

After all, the devil spirit son can not only seal the door realm so simple! He is still the one who has fought against the strongmen of the kingdom of God!

More importantly, the devil spirit son guards the heart of the devil emperor, no one can shake it!

Now, a trace of the magic power has been hit in the body. His spiritual power has not been fully adjusted. If the shadow of the magic robe is used again, I'm afraid that he can't resist it!

At this time, ye Chen finally saw the appearance of the virtual shadow of the magic robe. The shadow of the magic robe was full of piercing real Yin Qi. At the same time, countless mysterious runes were engraved on the body.

In his eyes, there were two blue sparks burning. Although the shadow was very powerful, ye Chen could not feel any breath from it. On the contrary, the shadow was really like a dead thing.

However, ye Chen knows that this is because of the gap between his own cultivation and that of the other party!

The other side, is an extremely terrible existence!

This is the legendary devil?

At this time, the virtual shadow slowly raised his hand, and the real and the virtual in the hand came into being, as if there were countless stars rotating, and the stars were constantly broken and reborn.

This virtual shadow, another shot!

White Zhentang a bite teeth, will again Ye Chen and Xia Ruoxue throw out, hard receive each other when a blow.

A figure, but block in front of Bai Zhentang.

Ye Chen's figure!

At this time, ye Chen's whole body breath erupts, endless evil Qi erupts!

In order to prevent him from entering the void, it is not to fight with him.

His current state, breath is too strong, if Bai Zhentang rashly pulls him into the void, one can not control well, the breath of Ye Chen slightly leaks, it can lead to space turbulence, extremely dangerous!

Xia Ruoxue is easy to get into trouble!

And, this is the domain of the devil's eye!

He must be possessed as soon as possible, so that the devil's eyes wake up!

Bai Zhentang was stunned and then said in a hurry: "boy! What are you doing? That is the existence above the real seal door realm! You may even be able to seal the peak of the gate realm. If you move your fingers, you will be completely eliminated from the world!

Don't be silly! Take your breath, I'll send you and the girl awayAnd you beast, see ye Chen unexpectedly block in front of this magic robe shadow, and finally recover a trace of soberness, looking at Ye Chen, his face is ecstatic!

The reason why it can't swallow Yin Ming is because of this man!

If the man died, it would be extremely easy to take possession of it!

Yin Ming, who was in the sea of knowledge, was desperate to the point of collapse. Originally, she was going to be saved. However, at the last moment, there was a phantom of the magic robe. Unexpectedly, she made a move to grandfather Bai!

Great strength of the white grandfather, is not his opponent!

This is a nightmare!

Now, Ye Chen is in front of the shadow of the magic robe. Even if Yin Ming is more confident in Ye Chen, he can't believe that he is the opponent of the magic robe shadow. This is completely impossible!

At this time, she could only cry in vain in the sea of knowledge: "Ye Chen! Get out of the way! Ye Chen! Please, get out of the way

Even Xia Ruoxue also wants to pull back Ye Chen, but I don't know why, when she reaches out her hand, she chooses to believe Ye Chen!

Just when everyone thought Ye Chen was going to die completely under the attack of the shadow of the magic robe, the shadow of the magic robe, which had already stretched out, was slowly hanging down again.

Time, as if still.

Yin Ming, Xia Ruoxue, Youshou, and Bai Zhentang are all staring at Ye Chen.

Just now, what happened?

Magic robe shadow, unexpectedly, in front of Ye Chen, take back the hand?

How could that be possible?

Did an ancient existence withdraw its hand because of the obstruction of a harmonious existence?

This is like, a person walking on the road, suddenly saw an ant in front of the road, this person, then turn back to general, it is incredible!

Then, Bai Zhentang, Xia Ruoxue and Yin Ming are surprise, while you beast is extremely unwilling and angry!

Why!? Why is Ye Chen still alive?

Ye Chen gazed at the shadow of the magic robe and said, "do you know me?"

Chapter 1917

The empty shadow, looking at Ye Chen, the blue flame in his eyes flashed for a moment, and his lips opened and closed slowly, sending out an extremely harsh and hoarse voice, as if from the nine deep abyss of terror.

"Who are you and why are you so familiar with the evil spirit in your body?"

Ye Chen wants the devil's eye to release the breath, even a little, but the devil's eye is still in silence.

He can only try to say: "I know the devil emperor!"

However, the shadow of the magic robe is completely angry!

In his opinion, how could a man in his twenties know the devil emperor!

It's a stain!

This is blasphemy!

However, the strange thing is that the evil spirit of the young man does have some flavor of the devil emperor.

Did he get the magic weapon that the devil left in the world?

He gazed at Ye Chen, pointed to the most powerful Bai Zhentang with his hand, and asked in that terrible voice, "what's the relationship between that man over there and you?"

Ye Chen's eyes flashed, or replied: "this is my master, we are apprentices, from xuanyuezong, dare to ask the elder, why suddenly attack us?"

Just as ye Chen's voice just fell, there was another thunderbolt from the clear sky. Two strong breath came from the void and came to Bai Zhentang's side.

Yin Che and long Yitian, also come!

At the same time, Bai Zhentang informed them.

At this time, the three strong men of xuanyuezong were linked with each other's breath, and faintly countered with the shadow of the magic robe. Although they were not able to defeat each other, it would not be so easy for them to defeat them!

Yin Che took an excited look at Yin Ming, beside the shadow of the magic robe. With only one glance, he knew that his granddaughter's spirit had not disappeared!

My granddaughter, not dead yet!

However, soon Yin Che's face became gloomy, because the shadow did not mean to release people.

The flame in the magic robe shadow's eyes flickered for a moment, and then he said, "this beast is useful to me. When I see your hands on it, I naturally want to protect it."

"Besides, here, no idle people are allowed to come here!"

Yin Che took a deep breath, forced himself to calm down and said, "this Taoist friend, if you are useful to you, you can take out its soul."

Although he hated the beast, it was nothing compared with Yin Ming's safety. Now, the most important thing is to protect Yin Ming.

Magic robe virtual shadow nodded: "yes, yes."

Yinche looks happy, just ready to speak, but the harsh voice rings out again: "however, my Lord, when do you need to listen to your orders?"

As soon as he said this, the shadow of the magic robe burst out a strong breath. As soon as the breath came out, even the rules between heaven and earth were stirred by him. The aura of heaven and earth that originally permeated all around turned into the real Yin Qi of extremely cold and evil spirit!

Yin Che three people, the complexion crazy change, the instant full strength burst breath, three people breath Union, only then can reluctantly and each other's breath contend.

Ye Chen's eyes flashed, and he couldn't help but think that the dark valley, which has existed for thousands of years in Lingwu continent, is it the devil who created it?

What is the cultivation of the ancient demon spirit son?

I'm afraid it's also the ability to reach heaven if you can become the subordinate of the devil emperor!

"But The virtual shadow suddenly gave out a sneer and said to Ye Chen, "you little boy, I'm quite interested. You have pure evil spirit. You should be regarded as a demon. If you can promise me one thing, I can release this little girl, and I don't need the beast."

Several people smell speech, are surprised, this demon spirit exists, need Ye Chen to do what thing?

Ye Chen frowns: "elder, can you tell me, what is it?"

The empty shadow said with a smile, "this is not a bad thing. It may be good for you, but it is also extremely dangerous."

"But I can't tell you exactly what it is, and it's not what you can do now..."

"First of all, wait until you are invited into the kingdom of God," he said

The kingdom of God!?

It's the kingdom of God again!

If ye Chen touches the things of the kingdom of God, he will die faster!

Yin Che and other people's faces, more ugly.

If the general strong, they have xuanyuezong, it is not that they can not compete with each other.

However, the other side is the demon spirit son around the ancient devil emperor, xuanyuezong, it is not enough to see.

In this way, if you want to save Yin Ming, I'm afraid, you have to let Ye Chen agree to the other party's request.

Ye Chen, obviously also thought of this, after pondering for a moment, said to the shadow of the magic robe: "I, agreed."

He had already guessed what the request was.

Even if the devil doesn't mention it, the devil's eye will. Yin Che hears the speech and looks into Ye Chen's eyes. He is more grateful. In the face of such a strange existence as the shadow of the magic robe, even if ye Chen refuses the other party's request, he can't blame Ye Chen for anything, but ye Chen agrees!

Magic robe empty shadow said with a smile: "yes, but I still have a small test to test your potential. If you pass, then you are qualified to do that for me."

After that, the shadow of the magic robe suddenly reaches out to Yin Ming, and a strange animal roars from Yin Ming's body. Then, a virtual shadow of a strange beast is pulled out of Yin Ming's body!

That virtual shadow is the beast!

The soul of the beast, in the hands of the phantom of the magic robe, kept struggling, showing a look of extreme fear!

The shadow of the magic robe asks Ye Chen, "how do you want to deal with the ghost of the beast?"

Ye chenmu in cold light flash, cold way: "kill!"

Hearing Ye Chen's words full of murderous spirit, the ghost of the beast trembled!

The flame in the magic robe shadow's eyes flashed and said to Ye Chen, "good, very good. Then, my test for you is to kill the beast!"

What?

Yinche and others are happy!

Kill the beast? What kind of test is this? With Ye Chen's strength, he is not afraid of the ghost of the beast!

In addition, you can avenge Yin Ming who was captured by you beast!

"But..." Magic robe empty shadow issued a sound, let a person shudder sneer: "of course not such a beast."

With that, he suddenly took out a large piece of unknown animal meat out of thin air, and that piece of animal meat, as if there was life, trembled slightly!

And it's very strong!

The ghost of the magic robe moved, and the soul of the beast was melted into the flesh of the beast!

The animal's flesh wriggled and changed rapidly!

Gradually, into the image of the beast!

Moreover, from his body, he even sent out the breath of cultivation realm!

Still, growing fast!

Under the people's incredible gaze, the animal's flesh completely changed into the body of the beast!

You beast, which has a body again, is recovering quickly

In a flash, the top of Xingqiao state!

You beast suddenly opened the eyes on his head, staring at Ye Chen, and spewed out his words!

It to Ye Chen, crazy smile way: "ha ha ha ha, my strength, recovered! Completely recovered! Are you sure you have the right to kill me? "

Ye Chen's face changed slightly, and the shadow of the magic robe was undoubtedly to give himself an inferior power!

He can't be at the top of his mind!

Die!

Magic robe shadow smile: "of course, you have a second choice, kneel down in front of me, this is your punishment for defiling the devil Emperor just now!"

"The name of the devil emperor is not something that ants like you can casually mention!"

This remark made people change color.

This is undoubtedly difficult!

Ye Chen is dead if he does not kneel!

If ye Chen kneels down, his heart will be destroyed!

Several eyes fell on Ye Chen's body, worried, flustered.

And ye Chen, but suddenly showed a smile, step out, just like the voice of the emperor of nine days:
"demon, kneel down!"

At the moment, all people did not notice that ye Chen's eyebrow heart was flashing a faint blue light.

Chapter 1918

"Devil, kneel down!"

Ye Chen suddenly came to this sentence, let all present panic!

Yinche and Bai Zhentang are even more scared.

What the hell is Ye Chen doing!

Let the devil kneel down?

It's not killing me!

It's easy for the devil to kill Ye Chen!

What's more, the status of the demon spirit son is noble, and he is the hand of the demon emperor in the legend!

Who dares to make him kneel!

Looking at the whole Lingwu continent, no one has this qualification!

Long Yitian's expression is extremely ferocious, he really took Ye Chen!

Arrogance also needs arrogant capital!

In this way, the cost is enormous!

He even pulled xuanyue Zong up!

How can Bai Zhentang accept such an insignificant boy!

He suppressed the anger in his heart and said to Yin Che and Bai Zhentang: "up to now, there is only one way to do it together!"

"If the devil wants to hurt the killer, we should also let the devil pay some price!"

Yin Che looked at the shadow of the magic robe and said to Ye Chen, "Ye Chen, you don't have to pay attention to his absurd test. This bastard is obviously playing tricks on us! We will send you to leave. Next, we will give it to me and other three people. Hum, what about the devil? I've long wanted to learn! "

With that, the dragon is also heaven, and it releases the killing intention as if it is real, and locks in the shadow of the magic robe!

The supreme elder of xuanyuezhong wants to fight with the ghost of this strange origin!

However, at this time, Bai Zhentang said: "wait a minute. I know this apprentice. I'm afraid things are not so simple!"

"Watch it change."

The three xuanyuezhong Taishang elders could only close their hands, and their eyes turned to the shadow of the magic robe.

Sure enough!

At this moment, under the magic robe, it is a pair of cold, twinkling eyes of endless anger!

Like a Warcraft to devour the world!

The shadow of the magic robe walks towards Ye Chen step by step.

With each step, the surrounding air seemed to crack.

"There's something familiar about you, but how about it."

"I guess you've been to some places in the devil's land."

"Even if you come from the devil Kingdom, even if you are the descendant of the strong man in the devil Kingdom, you are not qualified to let me kneel down."

"In this world, only the devil can make me kneel down!"

"And the devil is dead, no one in the world can make me kneel."

"Now, it's time to send you on the road, mole ants who don't know what to do."

Each step of the demon spirit son made everyone feel the pressure.

Xia Ruoxue looks pale and tightly grasps Ye Chen's hand!

No matter how evil spirit son wants to Ye Chen, she must guard at Ye Chen's side!

Even if it explodes, you have to delay time for ye Chen.

She is very clear that Xia Lingqiu has left her spirit forbidden art on her body. No matter what, she still wants to return to Lingxian emperor palace.

She just wants to hold this man in this last moment!

Ye Chen felt the tension of Xia Ruoxue, patted her hand and said, "don't worry."

Summer if snow do not know why, a little bit at ease.

Then, ye Chen went to meet the devil, without fear.

Everyone in the room is breathing!

The magic spirit son's hand twinkles the blue light, a powerful sword carries the rolling evil spirit to appear, as if can destroy everything.

Magic sword dancing, hanging high!

Coming down!

Yin Che, Bai Zhentang, the dragon also day look at each other, decidedly extreme!

"Do it!"

Three people's whole body momentum release, just want to rush out!

Ye Chen opened his mouth.

"Demon, do you remember what I said to you at the foot of the blood skeleton mountain that day?"

The voice is quiet, as if telling the past.

Yin Che, Bai Zhentang, and long Yitian stop. They are confused.

What's wrong with Ye Chen?

However, when they looked at the demon, they found that the latter's body was shaking and his eyes were full of disbelief.

No one knows what kind of stormy waves the devil has set off in his heart!

Blood skeleton mountain! Only he and the devil know!

There is no record in the world!

How does this kid know!

And the tone Why so familiar!

Ye Chen smiles and walks toward the demon spirit son and continues: "the forest white bone of the blood skeleton mountain, is that the devil?"

"No, but what is the devil in the world?"

"Magic is the beginning of the opening up of heaven and earth."

"Evil is not the source of evil in the world."

"The devil, with the world in mind, dares to shake the kingdom of God!"

"Demon, dye the sky with blood, and shake the spirit and spirit of heaven and earth!""Devil, dare to laugh at the emperor of the three realms. The sword will destroy the temple of heaven!"

"The devil, with the heart of Tao as the foundation and righteousness as the feeling, takes that step, holds the sword of life and death, and dares to cut all the injustice in the world! Dare to cut down the rules made from above

At this moment, the picture overlaps.

That day, the devil emperor saved the devil in the blood skeleton mountain.

Two people were seriously injured.

And behind them are the corpses and blood of the top power in Lingwu continent.

Under a bodhi tree.

The demon spirit son was weak and barely supported. He looked at the great and dignified man and asked, "devil emperor, what is the devil? Why do those people want to kill us? Why? "

"Is it true that we demons must be despised by everyone and represent the existence of evil?"

The devil laughed.

Hold out a finger and shoot at the sky!

Said that eternal famous sentence!

"Devil, dare to laugh at the emperor of the three realms. The sword will destroy the temple of heaven!"

At that moment, the devil swore to follow the devil emperor to death!

Only such a man can be qualified to stand on the top of the world and tell all living beings what the devil is!

Now, the valley of the nether world.

The devil's eyes are wet.

He was staring at the boy in front of him.

He laughed.

He cried.

He knows that the devil is back.

The top forces in Lingwu land and even the nightmare of Shenguo are back.

"Plop!"

He bent his knees and knelt directly in front of Ye Chen.

The picture seems to be still.

Yin Che, Bai Zhentang, and long Yitian have a huge mouth. What accomplishments and identities they have made, but they have never seen such an incredible thing in this life!

The evil spirit son who is high above actually kneels down to a disciple of xuanyuezong!

Summer if snow beautiful eyes tassel, slender hands cover their mouth.

She thought that she could protect Ye Chen if she was higher than ye Chen.

Now it seems that this man is still a mystery.

On that day, in Jiangcheng, Huaxia, the man refused her invitation.

You can't be one.

And mysterious.

At the moment, Yin Ming's body is shaking, her eyes from surprise to duding!

This man, seeing her face, is worth following!

The spirit of anger disappears completely.

Only deep fear remains.

The devil knelt down.

Ye Chen's hands were negative behind him, and he looked at the devil and said, "get up."

"Show me."

The devil nodded: "yes, devil..."

The voice stopped abruptly.

He took a look at Yin Che, Bai Zhentang, and long Yitian. He knew that the devil emperor was back. It was destined to be a secret!

No one can find out!

Even these three people!

Chapter 1919

The evil spirit son bows the body, takes the leaf Chen to the demon emperor's hometown.

Be careful.

When the two came to the gate of the demon emperor's hometown, the demon spirit son looked at the beast and said angrily, "keep here. No one is allowed to enter."

"Besides, you must not hurt a few people present!"

"Otherwise, kill!"

"Yes." You beast suddenly respectfully said.

The evil spirit son again looks to Yin Che, white Zhentang, dragon also day several people, arch hand way: "you wait a moment here."

Soon, the two figures disappeared in the sight of the public.

Yin Che, Bai Zhentang and long Yitian look at each other, and they are all relieved from the shock.

Long Yitian felt his beard and said to Bai Zhentang, "your apprentice is very good."

Bai Zhentang did not speak.

Although he did not know why the devil was like this, he could catch some guesses.

If it had been, he would have shown off some points in front of them.

But now, he just sighed deeply.

Ye Chen is related to the man, I don't know whether it's a blessing or a curse.

At the moment, Yin Ming ran over and looked at Yin Che and other humanitarians: "grandfather, dragon grandfather, white grandfather, I'm sorry, Minger is unfilial, which makes you worry."

Yin Che, a strong man in the land of Lingwu, at this time, a pair of eyes seemed to be covered with tears. He said in a soothing voice: "ming'er, it's OK. Grandfather, I'll take you back to xuan yue zong immediately."

Yin Ming smiles and suddenly looks at Xia Ruoxue: "you should be Ruoxue sister."

Xia Ruoxue nods.

Suddenly, Yin Ming stretched out her hand and took off her mask.

A breeze, with some petals from nowhere.

In her eyes, it was a face with the ultimate beauty.

Every minute and every inch of that appearance seems to be the highest masterpiece made by craftsmen who have spent their whole life in the world!

Against the backdrop of this appearance, Xia Ruoxue also smiles, her eyes are filled with holy breath!

Yes, it is holy!

In front of the summer if snow, temperament, as if has exceeded the level of human beings!

They stood like this, as if they were a picture.

Yin Ming spat out his tongue: "if snow sister, you are so beautiful, I often listen to elder brother ye mention you."

In Yin Ming's opinion, she wants to follow Ye Chen, Xia Ruoxue and ye Chen's relationship, and the other party can naturally see her face.

This is her statement.

Speaking of this, Yin Ming looked at the devil emperor's hometown and murmured: "I don't know what happened to brother Ye inside?"

As soon as the words came out, countless eyes turned to the dilapidated temple.

They are curious, but destined, it will only become a secret.

.....

The hometown of the devil emperor.

Ye Chen and the demon spirit son came inside.

The control of the devil's eye has been lost, and ye Chen recovers as before.

Let Ye Chen's surprise is that the inside and outside are incompatible.

It's extremely simple.

It's even ordinary.

The devil's eye said in Ye Chen's understanding of the sea: "this is just the place where the devil and I passed through ten thousand years ago, but I didn't expect that the devil kept everything..."

"I don't have a hometown. I've been alone in my life."

Ye Chen has some doubts: "don't you have a daughter?"

Hearing this, the devil's eye shook his head: "this matter, we'll talk about it later."

"You take the stone tablet of reincarnation first."

Ye Chen nodded, and suddenly thought of something. He said curiously, "devil's eye, what is the box you got in the secret place of ascending dragon Dabi?"

"I thought it was a samsara tombstone."

The devil's eye light way: "that thing, now is not time to open."

"Do you remember that a little girl on the island gave you a storage ring, and I fought with the man with the sword box at that time."

Ye Chen nodded: "remember."

The eye of the devil said again, "now, there is still one thing missing."

"What?" Ye Chen has a wonderful way.

However, the devil's eye did not continue to say, but changed the topic and said: "take your reincarnation xuanbei first."

Ye Chen came back to God and looked at the devil beside him and said, "in those years, you can get a reincarnation xuanbei in the kingdom of God?"

The demon spirit son nodded and said excitedly: "demon emperor, I heard that the reincarnation xuanbei has a miraculous effect of resurrection. I just want to use this thing to revive you."

"It was only later that I found that the spirit and body of the demon emperor had dissipated. Even if there was a xuanbei tablet of reincarnation, it was impossible. So I hid the stele here, and at the cost of blood essence and life, I guarded the demon emperor here for generations to come."

"I thought there was only despair in my life, but I didn't expect the devil to come back!"

"Devil, did you take away the body of this young man?" Ye Chen took a look at the demon emperor and shook his head: "this matter is not clear, you take me to find that piece of reincarnation xuanbei."

"Yes." The evil spirit son way.

Soon, Ye Chen came to a main hall.

In the main hall, there is a majestic statue full of evil spirit.

Only Ye Chen swept a glance, then felt the supreme authority and panic.

Is this statue the real body of the devil's eye?

In front of the statue, there is an old stone tablet!

The stone tablet is engraved with obscure runes.

It's very mysterious.

And the moment Ye Chen appears, the stone tablet is actually flashing bright colorful light!

Moreover, the whole main hall is full of the original spirit.

Even if the demon spirit son is a little confused.

This reincarnation xuanbei stands here for many years, and there has never been any movement!

Why is it changed today?

At this time, ye Chen eyebrow heart surging, a Wei An figure suspended in the air, to the demon spirit son command way: "demon spirit son, you go out first!"

"Keep the gate of the main hall. No one is allowed to enter."

"No matter who it is, if anyone dares to break in, kill!"

The demon spirit son saw this Wei An figure, thoroughly determined Ye Chen's identity, blushed: "yes, the devil emperor!"

When the door is closed, only Ye Chen and the devil emperor are left in the whole room, as well as a bright stele of reincarnation.

At the moment Ye Chen, the whole body is covered with bursts of stars, the blood in the body seems to burn!

Ye Chen would not immediately refine this reincarnation xuanbei!

Activate the first part of the blood!

What did the devil feel and said, "are you sure you want to refine now?"

"As a sacred relic, the stele of reincarnation will arouse a strong vision once refined, and then the people of the kingdom of God will come."

"You and I will die."

"Moreover, although you have the samsara blood, but the samsara xuanbei doesn't necessarily recognize you. Among the xuanbei, it is said that there is a powerful God guarding you."

"Since ancient times, it is not that no one has tried refining."

"But in the end, the refining people were killed by the powerful mind."

"It's the consequence, I have to tell you."

Ye Chen's excited heart is completely cold. If he faces the so-called kingdom of God now, he and the devil emperor have no chance of winning.

Isn't it refining?

"Devil's eye, do you want me to give up?" Ye Chen asked.

However, unexpectedly, the devil shook his head: "no, on the contrary, I hope you will try refining."

"I've seen you come all the way. I want to know whether you will be recognized by this stone tablet of reincarnation."

Chapter 1920

"The ten reincarnation steles represent the different and most powerful attributes in the world. I don't know what kind of attribute this piece is, let alone what kind of danger it represents."

"Generally, those who try to refine the xuanbei of reincarnation are at least the peak of Xingqiao, and you are just the realm of Taoism..."

"Prepare yourself."

"If I can't cover up the evil spirit, I won't be able to cover the place

"In a word, this place should be the most suitable place for refining this reincarnation xuanbei."

"Try it."

The devil is obviously suspicious.

Ye Chen Mou son a congeals, also does not waste words, cross legged sits in front of that piece of reincarnation Xuan tablet body.

The magic reincarnation formula works!

The light of stars all over the body and the stele of reincarnation built a bridge.

The ancient characters on the Xuan stele of samsara spread rapidly.

The next moment, he seems to enter the world of reincarnation xuanbei.

It was a desolate place.

It's empty.

"Where is this?"

He didn't want to quit the space, but he couldn't find it!

What a strong ban!

At this time, a indifferent voice sounded in the sky: "Oh? For thousands of years, someone has come again. "

"However, there is a harmonious realm?"

"Has Lingwu become so weak in the past ten thousand years?"

"It's ridiculous!"

The next second, ye Chen saw an old man on the sky.

The old man wore a Taoist robe and rode a fierce beast with a strong breath under him!

Ye Chen just want to say what, the old man is to leave the fierce beast, appeared in front of Ye Chen.

He stares at Ye Chen, some doubt, way: "unexpectedly also mastered the magic reincarnation formula, some meaning."

"Your breath It has the meaning of reincarnation Is it the reincarnation in legend

Ye Chen thought his reincarnation blood could make the other party submit, but he didn't expect that the old man shook his head and sighed: "the reincarnation blood is put on a garbage body. I don't know what those guys are doing."

"For the sake of your reincarnation, you go."

"However, if you want to refine this stone tablet of reincarnation, don't dream!"

"You are not worthy of this stone tablet of reincarnation!"

Ye Chen some angry, he naturally can not give up, more impossible to leave!

He stepped out! In an instant, he will cast all the ten magic arts of reincarnation, burning blood, divine blood and blood Qi. He will hold the beast decaying sword and stare at the old man opposite.

"Are you and other people so vulgar that you only look at cultivation?"

"If this is the case, I'm afraid this reincarnation xuanbei is just rubbish."

The old man's eyes flashed a little angry, but soon disappeared.

The old man laughed and reached out his hand to touch the fierce beast and said, "have you not eaten human flesh for a long time?"

"This boy has reincarnation blood. It's good for you to eat it. He can also absorb the aura of heaven and earth in the xuanbei tablet of reincarnation. Would you like to

The fierce beast's eyes are hot, looking at Ye Chen like prey.

The old man laughed, then looked at Ye Chen and said, "since you want to refine this reincarnation xuanbei, I will give you this opportunity."

"If you could survive this beast, I might change my mind."

The next second, fierce beast toward Ye Chen!

Its whole body momentum is very strong! From ancient times!

Fortunately, the fierce beast's strength is not too high, it should be in the early stage of Xingqiao state.

Facing the fierce beast, ye Chen, there is no room to leave your hands!

Otherwise, he will die!

At this time, a lazy voice sounded in Ye Chen's ear: "boy, how about making a deal."

"I'll teach you a sword. How about finding something for me?"

Voice from the reincarnation of the mysterious power, sword box man!

As for the identity of the swordsman, he is still unclear.

"What?"

"It's just a sword case I used to wear."

"Good."

Language down, ye Chen will feel a flow of information in his mind.

Only one sword!

It's called a sword to cut the sky!

The man in the sword box said in a deep voice: "according to the character of this fierce beast, he should play with you as much as possible, instead of using all his strength to kill you in the beginning. This is your chance to win!"

Ye Chen hears the speech, in the eye divine light is big, erupted unprecedented light!

Since there is still a chance, he will certainly do it!

"Listen up, boy. You need to practice the sword of chopping the sky in this battle! This is your only chance to survive! It's not a simple beast

The sword box man said, also fell into silence. He knows that ye Chen's talent is very good, very strong.

However, it is not sure whether he can master the sword of cutting heaven and the man with sword box in this battle.

If the general martial arts, sword box man, have confidence in Ye Chen.

But is it a common martial art to cut the sky with a sword?

No one knows more about the power of the sword box man. He can be sure that if ye Chen really learned and mastered it, he would definitely be able to cross the realm and kill the ancient fierce beast in the star hole!

However, no one knows better than the man in the sword box how difficult it is to cut the sky with a sword!

The sword of cutting the sky is a sword in his sword box.

Although it is the weakest.

But it was the first sword formula he learned.

It took him a whole day to learn the sword formula.

How much time does Ye Chen have now?

If ye Chen can learn quickly, he will consider taking Ye Chen as a disciple.

However, to let Ye Chen master this level of magic in the face of a strong enemy far beyond his own strength?

Difficult.

It's hard to go to the sky!

At this time, the fierce beast looked at Ye Chen, instead of launching an attack immediately. Instead, he squinted and said with a cold smile, "the reincarnation blood on you must be delicious."

It said, suddenly a wave of front paw, a strong evil spirit, whistling out, instantly shrouded himself and ye Chen in the area.

The powerful power of boundary is filled with endless evil spirit.

The power of this realm is much stronger than Lin juelung and others!

Ye Chen can even feel that the fierce beast in this realm is God!

The God with endless majesty!

If it is, ye Chen can use his power to break the Dharma and completely annihilate the realm with great power.

However, in the face of the fierce beast's power, ye Chen knows that this can not be broken through by strength alone.

Suddenly, the voice of the fierce beast sounded from all directions at the same time and said to Ye Chen, "mole ant, do you feel fear now? The xuanbei of reincarnation is a holy thing. It can't be refined by one of you

It has confidence, with its own has reached the peak of the power of the realm, completely, can subdue Ye Chen!

The reason why it did not rashly, just, worried about a careless, too soon will ye Chen killed just!

Ye Chen is silent. Under the fierce beast's interrogation, he is silent!

In this realm, it is extremely difficult to refute the words of fierce beasts!

If you want to refute the fierce beast, it is as if you want to fight against the whole world!
