

Physician 2001

Chapter 2001

Ye Chen is walking towards the dormitory, thinking about this trip of heaven and earth to kill the territory, although it is scarred, but in terms of strength, it is simply earth shaking changes!

His eyes twinkled, and he knew that what he lacked most was other aspects!

In addition, we must find a way to get the reincarnation stele hidden in the Shenhua academy as soon as possible.

At the moment, he could feel the dust tablet shaking in his body.

At this time, the voice of the wind and the wind rang out: "boy, Shenhua academy is not simple, you should take it easy..."

"In ancient times, the status of those who can guard the xuanbei of reincarnation is not low."

"The dust stele is the weakest of the ten pieces, but xuanyuezhong in ancient times was not weaker than the top forces."

"And Yanbei has a strong fighting power There are some things you should understand. "

Ye Chen's eyes calmed down and said, "I understand."

What did Feng Qingyang think of, he added: "the white Zhentang of xuanyuezhong is the strongest among the three Taishang elders. I guess the xuanbei of reincarnation may be controlled by the deity. Pay more attention to those who have strong divinity in Shenhua Academy."

"And the burning stele of reincarnation xuanbei, if you want to refine, you must improve the Xuanyan that you control now, and take fire as the way to win the strong burning stele."

"Good."

.....

Soon, ye Chen came to the dormitory, can not help but slightly a Leng.

The dormitory here is just like a giant villa with incomparable luxury!

While ye Chen was slightly stupefied, not far away, there was a laugh: "you see, that silly boy, looking at the dormitory in a daze, ha ha ha, I guess, I haven't seen such a big training place?"

Next to a man echoed: "look at him like that, estimated from what garbage door, was shocked, is also should."

There is another humanitarian: "the college, really more and more decline, any person, can recruit in, create a layer of heaven, ha ha..."

Ye Chen turns around faintly, looks at several people, can't help but slightly startle.

There were three men and a woman in the other party. Ye Chen did not have any impression of them. They were not the contestants on the fire ladder that day. Besides, all of them, except the woman, all exuded the breath of star body peak or half step door closing!

The key strength is absolutely above the realm!

You know, with Ye Chen to participate in the Dragon contest, can not be so terrible ah!

These people, it seems, are not more than 20 years old, not more than 30 years old, but they have such terrible cultivation. They can be called the genius of genius!

Even some of the leaders of Lingwu sect didn't have such accomplishments. Moreover, it was obvious that their strength was much higher than that of ordinary strong men!

Shenhua college is really extraordinary!

However, let Ye Chen surprised, but not these men, but that, has been low head, following these men behind the woman.

This woman, he knows!

Ye Chen could not help but to that woman, called a: "Xie Pingping?"

The girl's shoulder trembled for a moment. She slowly raised her head and looked at Ye Chen. In her beautiful eyes, she revealed a trace of joy: "Ye Chen? It's you

This daughter, surprisingly, is Xie Pingping who joined the team of Zheng Yuan with Ye Chen on the same day to explore the relics of the evil spirit son!

Although her strength, can be said to be very mediocre, but, as if in a secret place, had some adventures, let her very reluctantly among the top 49 people, was admitted to Shenhua college.

And the three young men, when they saw Xie Pingping's look, looked at Ye Chen's eyes, and could not help but feel cold.

The first man was the one who started to talk. He was about 1.8 meters tall. He was handsome, with fair skin, broad eyebrows, and handsome appearance. He was dressed in a white robe and decorated with gorgeous gold silk. He was embroidered with a flying dragon flying in the sky. He was equipped with a long sword at his waist. He was a man of extraordinary bearing.

His breath is the strongest among these people.

The two people around him, one in a long red shirt, short hair, high nose and wide mouth, the other wearing a strange dark blue Taoist robe, thin body.

The handsome man showed a bright smile to Ye Chen and said, "this younger martial brother, my name is Zhao Liang. The man in red is Feng Gang, and the one in blue Dao Pao is song Bai. Just now, we were just joking. Don't mind.

By the way, do you know Pingping, too? It's a coincidence, Pingping. Don't you introduce it to me? "

With that, he took Xie Pingping's slender waist with one hand without scruple, and put her in his arms.

When Zhao Liang's hand touched her, Xie Pingping's body trembled and her pretty face turned pale. She seemed to want to struggle, but she finally gave up. Her eyes were dim and she lowered her head and said:

"senior brother Zhao, this is Ye Chen When we were in the dragon race, we once organized a temporary team to explore the relics... "

Zhao Liang looked at Xie Pingping's submissive performance, showing a trace of satisfaction. Although he looked at Ye Chen, his face was still smiling, but in his eyes, he seemed to be laughing and showing off. Ye Chen sees the shape, can't help but frown.

Zhao Liang is really annoying.

However, he has no meaning to Xie Pingping. It has nothing to do with what kind of person the other party chooses.

Then she touched Liu Ping again? Did you explore the remains together? Pingping, are you familiar with Mr. Ye? "

Xie Pingping heard the speech, and her shoulder trembled again. In her big eyes, she flashed the color of struggle. But in the end, she was still dim again and said: "no, we haven't talked much."

Zhao Liang burst out laughing in front of Ye Chen and said with sarcasm:

"so it is. Hahaha, I'm sorry, Mr. Ye, we thought you and Pingping were very familiar. After all, when we saw Pingping, she didn't speak, you took the initiative to say hello to her!

So, you don't know each other? I misunderstood it. If you're familiar with each other, I'd like to invite you to hang out in the college with us. If you're not familiar with it, you can only give up. "

After that, he said to song Bai and Feng Gang: "let's go, so as not to disturb younger brother Ye's continued appreciation of the dormitory. Such a high-quality Dongtian paradise should be well appreciated. Other places are not common!"

Hearing Zhao Liang say so, song Bai and Feng Gang burst out a burst of laughter and left.

Xie Pingping looks at Ye Chen apologetically. However, she takes back her eyes soon. She is afraid that she is found by Zhao Liang.

In fact, in the secret place, after seeing ye Chen's strength against the sky, she is not without affection for ye Chen. However, how about having a good impression?

Ye Chen is strong again, can be the match of these schoolmasters?

Chapter 2002

Although she also wanted Ye Chen to help herself, she knew that some things could not be changed.

If he was good to Ye Chen at that time, he only implicated Ye Chen and was targeted by these people

Why?

Rather than that, it's better to get rid of the relationship with Ye Chen here. She doesn't want to bring trouble to Ye Chen because of herself.

What's more, she and Ye Chen don't really know each other well. Will Ye Chen be willing to offend several strong men for his own sake?

Xie Pingping showed a trace of bitter smile, this Zhao Liang, not long after he entered school, found himself, frequently courted himself, and exerted pressure on him.

Originally, Xie Pingping felt extremely excited and expected to be admitted to Shenhua college. However, because of Zhao Liang, the college life she had dreamed of had already disappeared.

Every day, Zhao Liang will find her, part of the request, half coercion to accompany him. Although Xie Pingping is not willing to, but also politely refused several times, but Zhao Liang seems to be unable to understand the general, still entangled her, like her, not strong strength, and no background of the woman, how dare to tear up the face with a star top student?

What's more, although Zhao Liang's behavior is rogue, it does not violate the law and discipline of the college. Even if Xie Pingping finds a tutor, she can only warn Zhao Liang. In that case, her future life will be difficult

However, Zhao Liang began to be more and more presumptuous in his own behavior and crossed the boundary more and more. Xie Pingping didn't know how long he could persist

Ye Chen looked at the back of Zhao Liang and others leaving, and his eyes flashed for a moment. However, he did not do anything, but entered his own dormitory.

After all, it's Xie Pingping's business. Xie Pingping says that she doesn't know him well. Even if he can see that Xie Pingping's appearance is not right, it's not easy to interfere and meddle in his business.

However, Xie Pingping finally, to himself cast that sorry look, still let his heart, some touch, ye Chen sighed, and then observe, if there is really anything wrong, then it is not too late.

He has not paid attention to the existence of the peaks of several star orifices, even though these people are rare talents in the world, and they are far superior to those of the same rank.

Still, not into Ye Chen's eyes!

He is so confident!

Now ye Chen's real strength, without the help of reincarnation graveyard, should be able to fight against the strong at the top of Xingqiao.

Ye Chen enters the dormitory. The dormitories of Shenhua college are all single rooms. Although it looks luxurious outside, it is quite simple inside. Ye Chen sits on the bed, thinking about his next plan.

First of all, he decided to upgrade his cultivation to the realm of star orifices. Although his current strength has long been superior to that of the star orifices, his own cultivation, completely promoted to the star orifices, may give him a deeper understanding of the Tao and help him fight beyond the level.

Then, it's the burning blood formula.

If the burning blood formula is advanced, his dark flame should also be upgraded. Presumably, with the resources of Shenhua academy surpassing the top forces, there must be many high-level flames, right?

Then, there is the mind. In fact, his mind is very strong due to the cultivation of the magic formula. However, it will take a lot of time if we just rely on the formula of reincarnation of gods and demons, and want to promote it to the extent that it can freely exert the side effects of the explosion of thousands of weapons of time and space?

This can only find another way out.

In addition, he is not familiar with the place of life here, and if he wants to determine the whereabouts of the Yan stele of the reincarnation xuanbei, it still depends on the people in the college.

Chen Jiu is one, but Chen Jiu's position in the college is not too high, and the other party may not know the secret.

He suddenly thought of the ideas offered by the wind.

Is it possible for a man with a strong mind to control the stone tablet of reincarnation?

Professor Li Jin's eyes were focused on the course.

This Li Jinliang, himself is an existence in the later period of the seal door. His special field is the spirit and mind!

According to the introduction, it is said that the spirit protection set by Li Jinliang can even resist the spirit attack of a half step Taixu strong man!

The intensity of his own mind is close to the existence of emptiness!

This Li Jinliang, in the spirit together, it seems that, really has its extraordinary place.

If we really want to talk about guarding the xuanbei of samsara, it is possible for him.

After thinking about the direction, ye Chen gets up and walks out of the dormitory. Now, he wants to go to the treasure house of Shenhua college to get some suitable fire for absorption.

Only when you improve Xuanyan can you get the burning stele.

However, before that, ye Chen plans to go to the canteen of Shenhua college first.

Soon, ye Chen came to the canteen of Shenhua college, and walked to the location thousands away from the canteen. Ye Chen's eyes suddenly brightened!

Separated so far, ye Chen has smelled a very strong fragrance!

With a flash of gold all over his body, he could not help but display his body method and went to the canteen. Kilometer distance, in a flash!

This canteen, like other buildings in Shenhua college, is described in one word, that is, big!

Entering this huge dining hall, ye Chen can't help but smile and shake his head. Fortunately, they are all martial arts people. If ordinary ordinary people want to eat a meal in this Shenhua academy, they will be tired to death!

At this time, behind Ye Chen, a familiar female voice sounded: "Ye Chen?"

Ye Chen turns around and sees Xie Pingping standing behind him, looking at his surprise.

Ye Chen shows a trace of smile, it seems that he and Xie Pingping, is really predestined, can meet everywhere.

He took a careful look at the woman in front of him. Although Xie Pingping didn't have the anti heaven beauty of Ji Siqing, Xia Ruoxue, Sun Yi and zining, she was also a good beauty who could be given nine points. Moreover, Xie Pingping had a pair of long and straight legs, which was quite attractive.

However, at this time, Xie Pingping's eyebrows seem to lock a cloud.

Xie Pingping is seen by Ye Chen pretty face slightly red, whispered: "what's the matter?"

Ye Chen said with a smile: "it's OK. Do you want to have dinner too?"

Xie Pingping nodded her head and said, "yes, I'm in a bad mood recently. Only when I eat, can I be happier. The dishes here are not available in Lingwu mainland."

Ye Chen smiles and doesn't talk nonsense.

While choosing the food he wanted to eat, he casually asked Xie Pingping, "are you in a bad mood? To be able to join the Shenhua academy is a dream for many martial artists? Why are you in a bad mood

Xie Pingping heard the speech, and a haze flashed in her big eyes. After hesitating for a moment, she still held up a smile and said, "it's nothing. It's just that you just came to this place where talents gather. It's just a matter of pressure. If you're here so late, I'd like to recommend some delicious dishes for you. I'll make sure you're satisfied."

Chapter 2003

With that, Xie Pingping pulls up Ye Chen's sleeve and turns around in the dining hall. The dining room is divided into three areas, namely, the sky area, the area, and the people area.

Xie Pingping said: "all the students who join the Shenhua college can choose the food for free. Although it is free, don't underestimate it. The food in the human area is also super delicious!

A meal in the people's area is absolutely no worse than the most expensive dishes in the top restaurants in Lingwu mainland. "

With that, Xie Pingping pointed to the other two regions and said, "it's not the case except the Tianqu district and the region. The food in the area is expensive, but some of the rich families, such as the disciples of the first-class and top-level forces, can still afford to eat..."

She looked at the beautiful eyes of regional catering, showing the color of desire, and even a glimmer of crystal saliva flowed out of soft pink lips.

Ye Chen also looked at the past. There were not many people on the seats in the area, but there were still some students who chose to eat in the area.

Xie Pingping quickly wiped her saliva and said to Ye Chen in embarrassment:

"sorry I'm just a disciple of the second-class forces. Although I've always wanted to eat them, I can't afford to buy them. However, it's said that the local food is ten times better than that of the people's district!

It's a real delicacy on earth. When I make money in the tasks or activities issued by the college, I must go there and have a good meal

"As for the sky..."

Xie Pingping looked at the farthest area from them, and her eyes showed a look of obsession.

"That's a legendary area. Every dish is a real genius, not to mention the first-class forces. Even the disciples of the top forces may not be able to afford it. There are few students in the whole college who can eat there. It's my dream to have a meal in Tianqu."

Ye Chen looks to the sky. The seats there are empty. There is no one. This makes Ye Chen have some interest.

He killed a lot of talents in the contest of ascending the dragon, and gained a lot in the field of heaven and earth, which can be said to be very rich.

Therefore, ye Chen is also rich now. If you have a meal in this area, you should still be able to afford it.

Since he wants to eat, he doesn't mind eating better. He looks at Xie Pingping, who is choosing food for him. He can't help but smile.

Moreover, he was also a little curious. If she took Xie Pingping to Tianqu for dinner, what would she do.

After all, Xie Pingping is also his friend.

At this time, outside the canteen, three men came in.

A man in red, looking at the canteen casually, suddenly, he saw the figures of Ye Chen and Xie Pingping, and his pupils shrank.

This is Feng Gang.

Feng Gang grabbed Zhao Liang, who was chatting and laughing with Song Bai: "brother Liang, look, is that girl you like and the mole ant we teased in the morning?"

Zhao Liang looked in the direction that Feng Gang pointed to. He couldn't help but stare, and his face was angry!

The woman that I like, now, even walks with the waste of creating the world that I just saw that morning. Do you still have a smile?

Isn't this a disgrace to Zhao Liang?

If someone else knows that the woman he likes, but talks and laughs with a waste who creates a world, what will others think of him?

This is a great insult to Zhao Liang!

Song Bai frowned and said, "Xie Pingping, didn't she tell Liang Ge that she was not feeling well and didn't want to accompany him to Xianquan in the college?"

How can we have a good time with this trash?

You see, where does she feel sick now?

Brother Liang, it's not like I said, this woman, you may have to discipline yourself. If we didn't suddenly want to come to dinner and bump into this scene, they might... "

"Enough!" Zhao Liang took a drink and looked at Ye Chen and Xie Pingping. His eyes became more and more gloomy and bitter.

Originally, he didn't like Xie Pingping much. He just wanted to play with Xie Pingping only when he knew that the girl was not strong and had no background. In addition, he had no contacts in the college. Moreover, she was also good-looking and had a simple heart. She was very suitable for starting a fight, so he just wanted to play with her.

At that time, if you get tired of it and abandon it directly, there will be no big consequences. As far as he knows, Xie Pingping is only from a second-class clan. Even if he leaves the college after graduation, Zhao Liang, as a first-class secret disciple of the sect, will not be afraid of Xie Pingping's revenge at all.

When he wanted to come, he looked up to Xie Pingping and was willing to take care of her in the college. It was Xie Pingping's blessing that he was willing to take care of her. There was no sense of guilt at all.

But now, this whore, even carrying her back on her back, got together with a trash?

He even, will hear the second grade students, to his ridicule!

Laugh at him. It's better to be a waste of creating a world! Although he hasn't been officially with Xie Pingping, and Xie Pingping has not promised him anything, Zhao Liang was the only one to pick others from childhood. When is it his turn to pick him?

He wants to get everything he wants. Since he has taken a fancy to Xie Pingping, he already thinks Xie Pingping is his own belongings. Only he can touch it!

But now?

Did someone touch his plaything? Or is it a waste of creating an environment?

His anger was about to ignite his body and boil his blood!

But, he knows, he can't be that obvious.

He forced himself to calm down, put up a smile, and walked to the place where Xie Pingping and ye Chen were.

At this time, ye Chen suddenly reached out and put Xie Pingping's dishes out of his plate and put them back on the table.

Xie Pingping looked at Ye Chen and asked, "what's wrong with Ye Chen? Did that dish not taste good to you

Ye Chen said with a smile, "how about going to Tianqu? I'm really interested in the dishes in Tianqu

Xie Pingping was stunned at the speech and said, "to heaven? But I don't have so many spirit stones... "

Ye Chen said with a gentle smile: "I have, it's your thanks for choosing dishes for me."

Before Xie Pingping opened her mouth, she heard a scornful laugh not far away:

"ha ha ha, younger martial brother ye, I can't see that you still have a sense of humor. It's your first time to come to the canteen of Shenhua college?

Maybe you don't know the price of Tianqu's dishes? It's not a tavern. It's not where you want to go

Chapter 2004

Song Bai also said, "if you don't know the situation, you want to take someone else? And you! Younger martial sister Xie, now, you should know how good this person is, right? What

is opinionated, narrow eye, and nothing woodlouse has, is not a better brother than this kid. How many levels of excellence have you got? Before you take a shame on him, you can come and join us for dinner.

Feng Gang light way: "boy, I advise you, don't go to disgrace for good, that price, not you can imagine."

Ye Chen looks at these people calmly, with his present strength and vision, these people, he did not put in the eye, also lazy with them.

Xie Pingping looks at Zhao Liang and others, with a trace of disgust in his eyes. Why do these people say ye Chen?

Do they know ye Chen? How do you know ye Chen really can't afford the dishes of Tianqu?

Even if ye Chen really can't afford it, she won't think it's a big deal. Is it necessary to say these words in front of Ye Chen?

What's more, who do you want to have dinner with? What qualifications do they have?

However, although Xie Pingping was angry in her heart, she did not dare to say anything. She just lowered her head in silence. She did not want to attract the hatred of Zhao Liang and others to Ye Chen because of herself.

But her body did not move.

She really doesn't want to eat with people like Zhao Liang.

Ye Chen glances at Xie Pingping and knows what Xie Pingping thinks in his heart. Suddenly, he puts down his plate.

Xie Pingping is stunned. Then, in her beautiful eyes, she looks at ease. It seems that ye Chen doesn't want to have a conflict with Zhao Liang and others. It is the best choice to leave the canteen at this time.

However, at the same time, her eyes also showed a glimmer of disappointment.

Although she knew that ye Chen wanted to get away from the three stars, there was still a glimmer of expectation in Xie Pingping's heart. She hoped Ye Chen could protect herself and drive away these pestering villains

But Zhao Liang and others, is full of sneer, scornfully looking at Ye Chen.

Although they didn't say anything on their lips, they could see the contempt in their eyes!

A trash, still want to move my woman?

Zhao Liang looks at Ye Chen with pride. You know how to get out of Laozi's sight. Otherwise, I will give you an unforgettable lesson.

Just when everyone thought Ye Chen was going to run away like a wild dog and ran out of the canteen with his tail in his mouth, he said directly, "I hate flies barking in my ears. Let's go."

"Choose a quiet place."

"What?" Zhao Liang and others are dead. What is Ye Chen doing?

Say they're flies?

Xie Pingping is also a pair of Leng Leng expression, she does not know why Ye Chen does this, but, do not know why, Xie Pingping's heart also flows a trace of warmth.

And ye Chen, in the eyes of Zhao Liang and others, with Xie Pingping, goes to the Tianqu of the canteen.

At the same time, he turned his back to Zhao Liang and others and said, "listen to you, Tianqu, it seems that it is very expensive? I can't afford to eat. I don't have to worry about it, but... "

Then he turned his head slightly and said with a sneer: "a few people, do you have the right to ask if I go to eat in the sky?"

"You

Zhao Liangbao drinks and stares at Ye Chen. How dare you challenge yourself?

He has been extremely angry. If it was not for the regulations of the college, he would kill Ye Chen now! How can he bear it?

However, even if he didn't make a move, the breath of the top of the whole body star orifices broke out completely and rolled towards Ye Chen.

However, what surprised him was that the wastes of the natural environment, who had thought that they would kneel and tremble in his breath, walked towards the sky without any influence!

How could it be?

Zhao Liang was a little distracted for a moment, but he was far superior to the strong man of the same rank. Why could his own breath, even a natural existence, be overwhelmed?

His anger is constantly surging up. He really wants to do something. He wants to beat this waste to pieces now!

However, when he slowly raised his hand and was ready to start, suddenly, a person's face flashed from his mind!

Zhao Liang trembled for a moment, but still put down his hand. At the thought of Chen Jiu and Zhao Liang from the Ministry of law and discipline, he could not help shaking. He could not imagine what kind of punishment he would accept after he had dealt with Ye Chen.

However, he can't just let Ye Chen take Xie Pingping away, can he?

Zhao Liang's eyes sank, and suddenly he yelled at Ye Chen and Xie Pingping: "Pingping, don't follow this boy to shame. He just wants to pretend in front of you. Come here quickly. Let's go to the area for dinner."

All the students in the canteen could hear the sound clearly. In a moment, countless eyes focused on Ye Chen and Xie Pingping! At the same time, many students began to talk about it.

"Wow, I haven't seen that boy. Is he in grade one? He's going to eat in the sky? Is it from the top One girl said.

The boy next to the girl sneered: "to the sky? Just him? You don't look at his accomplishments! Can he afford to eat in the sky? Besides, didn't Zhao Liang say that? This guy just wants to put on a show in front of girls

"To eat in heaven? It's fun. It's fun. "

Listening to the comments of many students, Xie Pingping looks at Ye Chen with some hesitation. She knows that ye Chen is trying to help herself out by doing so. She is very grateful to Ye Chen. It doesn't matter to her whether she can afford the dishes in the sky.

However, after Zhao Liang said, if ye Chen arrives in Tianqu and can't afford to order the dishes there, ye Chen will surely become the laughing stock of everyone, and this matter will surely spread in the college!

In that case, ye Chen will be the object of ridicule just after entering the college. Moreover, ye Chen has already offended Zhao Liang. I'm afraid that he will be retaliated by Zhao Liang and others?

Then ye Chen will be very sad in the future!

Xie Pingping still clearly remembers how a proud man Ye Chen is!

Therefore, she absolutely does not want to let Ye Chen become a laughing stock!

Xie Pingping stopped suddenly. She could not follow Ye Chen any more. Although she knew Ye Chen was kind, she did not see the price of Tianqu dishes when she came to the canteen for the first time. The price was terrible!

Xie Pingping has no confidence in Ye Chen's ability to order dishes in Tianqu district. Moreover, even if ye Chen can order it, Xie Pingping doesn't want to let Ye Chen spend so much money!

Ye Chen looked at Xie Pingping and asked, "what's the matter?"

Xie Pingping didn't dare to look at Ye Chen's eyes and said in a low voice, "Ye Chen, I'm not feeling well. Can you send me back to my dormitory? We We'll eat it another day. "

Although she spoke in a low voice, how could she hide from the talented students who had focused their attention on them?

Everyone heard Xie Pingping's words.

Before people said anything, a voice immediately rang out in the canteen.

Chapter 2005

A sudden sound.

It was a laugh.

Zhao Liang's laughter.

Zhao Liang pointed to Ye Chen and sneered, "Hello, younger brother ye, did you hear what Pingping said? People are not comfortable. When you go to Tianqu to order food, they are not comfortable?

Ha ha ha ha, you say, why does Pingping suddenly feel sick? It's because, next, in front of so many people, I will lose face with you. So, I feel nauseous and have no mood to eat, right? Ha ha ha

When they heard Zhao Liang's sarcasm, they burst into a burst of laughter.

Zhao Liang's eyes, flashing a proud light, boy, think I can't fight you, there is no way to deal with you?

Ha ha, fool, in this college, even if I can't fight you directly, I have some ways to make you muddle along and make you a clown who makes a fuss!

Enjoy your college life! Ha ha ha ha ha ha ha!

Hearing this, Xie Pingping looked anxious. She shook her head at the crowd and said anxiously, "no! It's not like that! "

But who would listen to her? All of us, laughing, laughing.

Ye Chen is still so calm, as if, the slightest does not accept the influence of people, in this piece of ridicule, he faint way: "you do not go, I go."

"I'll go!" Xie Pingping did not know why or follow up.

Now, if she and ye Chen leave, ye Chen will no doubt become the object of ridicule. In this case, even if she is ridiculed, she will bear with Ye Chen. This matter is caused by herself!

Think of here, Xie Pingping's eyes, more firm, she must accompany Ye Chen side!

Moreover, she had long wanted to see what the Tianqu dishes were like. Even if she couldn't afford to eat, there was nothing wrong with it.

On the other hand, looking at Xie Pingping, not only did not leave Ye Chen, to his own meaning, but also ignored himself with Ye Chen. Zhao Liang was so angry that his blood would boil!

He kept roaring in his heart, why! Why?

Why doesn't this woman leave that trash?

Did she really want to be ridiculed with him?

Is she really stupid enough to choose this trash and not herself?

Zhao Liang was angry and unwilling to go crazy!

He really did not expect that ye Chen still had the courage to continue to walk with Xie Pingping towards the sky in the midst of all the ridicule?

And he also did not expect, to this time, Xie Pingping, even willing to stand with Ye Chen!?

Zhao Liang's eyes were bloodshot, and his eyes seemed to pierce Ye Chen.

However, ye Chen's pace toward the sky is still so calm and unaffected.

How can the ridicule of these students affect Ye Chen?

Along the way, he did not know how many hardships and tribulations he had experienced, and how much he crushed and looked down upon his enemies.

Now, these people's ridicule, in Ye Chen's opinion, and mole ant's murmur general.

Who's going to pay attention to what a group of ants are saying?

He's just going to shut the worms up with facts.

Looking at Ye Chen step by step to the sky, people, also gradually quiet down.

They are not idiots. At this time, in the face of so many people's ridicule, ye Chen is still so calm and self-confident. It is impossible to say that there is nothing to rely on.

Now, on the contrary, they are looking forward to it.

Is it true that this freshman with low accomplishments can really afford the dishes of Tianqu?

Zhao Liang stares at Ye Chen coldly, represses his anger, and says: "go, go, right away, you will fall into despair, immediately, you will be completely reduced to a clown, and Xie Pingping's unrealistic fantasy of you will be completely broken, and then immediately abandon you, into my arms, leaving you with only humiliation, endless humiliation! "

but at this time, someone in the crowd suddenly whispered, "do you feel that this man's cultivation is a little low?"

Another humanitarian: "yes, it's really low. Generally, the students enrolled in Shenhua college are the lowest, and they can't be as low as the level of nature. The gap between one realm and another is very different! So weak, how can you afford the dishes of Tianqu? "

The former man said again: "this is not true. If you are so weak, you can still go to school. Don't you think it's a little unreasonable?"

This person's words, suddenly, caused a commotion in the crowd!

"Yes, it's not normal to be able to enroll in school with such a low level of accomplishment."

"So, this freshman may not be easy?"

At the beginning, the person began to speak again and said, "although the form of each competition is different, and admission may have some element of luck, but generally speaking, it is mainly based on strength. However, there is only one case that is an exception. There is only one kind of person who can be admitted to Shenhua college even if his strength is not enough. Do you remember?" At this time, someone said: "who is it?"

"These people, the forces behind them, even the existence of Shenhua academy, have to bow their heads," the man said with a mock smile

Speaking of this, suddenly someone exclaimed: "you mean, he is the secret disciple of the top power!"

As soon as this was said, a cry of surprise broke out in the crowd.

It's true that the disciples of the top forces are the only ones who are allowed to go through the back door in the competition for the promotion of dragons. Even if they are not strong enough, they are likely to be admitted to Shenhua college.

Moreover, even if such a person has no strength, no one dares to provoke him in the Shenhua college. After all, even if the other party is in the college, he can't do anything. However, the students of Shenhua college will graduate one day.

After graduation, who can be sure to bear the anger of a top power?

Think of here, people look at Ye Chen's eyes, all changed.

There are not many important disciples of the top forces, even in the Shenhua academy!

And to say that at this time the most ugly face, it must be Zhao Liang a few people!

Top power?

If ye Chen is really the descendant of the top power, then they taunt each other before, is it a complete feud with each other?

Who is not the most arrogant disciple of the top power?

Even in their opinion, ye Chen's strength is so weak that he almost doesn't come from the top power. However, if ye Chen can really afford the food of Tianqu, there seems to be no other explanation except that he was born into a top power!

Zhao Liang several people, at this time the heart is all raised, after all, no one wants to be a top power successor on the target, no one wants to make enemies with such a person!

Chapter 2006

Song Bai asked Zhao Liang, "brother Liang, what should I do? Look at that kid's appearance, it seems that he is really sure that he can afford the dishes of Tianqu. We won't really offend a disciple of the top forces? "

Zhao Liang frowns tightly, how can we do now?

Zhao Liang has begun to regret now. Why did he offend a disciple of the top power because of a woman with no background and no strength?

This kind of person, even if his strength is weak, as long as he says a word, some people are willing to teach him a lesson. After all, where to make friends with a disciple of the top power?

Now, he can only pray that ye Chen can't afford to buy dishes from heaven, and that ye Chen will be ridiculed by everyone!

Just after everyone almost regarded Ye Chen as a disciple of the top power, a voice sounded again in the crowd.

"He is not a disciple of the top forces."

Who is the speaker?

When they looked at the man, they saw that he was a young man with an ordinary face, a round face, a yellowish complexion, a purple robe, and a simple ring on his finger. His accomplishments were quite good, but I didn't know whether he was a sophomore or a third grader.

At the beginning of the speech, seeing the man refuting his own judgment, he said with some dissatisfaction: "is he not a disciple of the top power? Why is he so confident? What's more, why do you say he's not? "

This man obviously did not know the purple robed warrior.

However, he does not know, does not mean that others do not know!

When Zhao Liang saw the man, his eyes lit up immediately!

This man, named Xiao Feng, is a sophomore in Shenhua college. He is gifted in Shenhua college, which is quite good. However, he has a strange temperament and is always on his own and is not willing to communicate with the people in the class.

Therefore, most people do not know the details of Xiao Feng.

However, Zhao Liang once heard a rumor about Xiao Feng.

That is, Xiao Feng's real identity is the core disciple of Lingwu Xiao family!

Now that Xiao Feng has spoken, Ye Chen is almost certainly not a disciple of the top power!

Finally, Ye Chen and Xie Pingping came to the Tianqu of the canteen.

Xie Pingping looks at the price of those dishes, and her heart beats faster and faster. This price is really frightening!

A bowl of rice cooked by millennial Yuanling rice, a top-grade Shenhua Lingjing, a plate of baixianghua fried cold Jiaorou, 15 top-grade Shenhua Lingjing, a thousand year old red practice fruit platter, and ten top-grade Shenhua Lingjing

Shenhua Lingjing is a unique currency in Shenhua Academy. Only tens of thousands of spirit stones can be exchanged for one.

Xie Pingping looked at these prices, she was dizzy. Originally, she still had some confidence in Ye Chen. However, looking at the prices which were too exaggerated to be exaggerated, her confidence was gradually crushed.

Zhao Liang and others, looking at Ye Chen in front of the dining cabinet in the Tianqu District, are silent. They are almost ready to blurt out the ironic words.

But ye Chen glanced at the dining cabinet, turned his head, and said with a smile to Xie Pingping: "Xie Pingping, what's the matter? Don't you always want to eat the dishes of Tianqu? What are you doing? Order? "

Order?

Ye Chen, actually ask Xie Pingping to order?

Zhao Liang several people, are stunned, ye Chen see the price of dishes, should not be, directly scared speechless?

Now, how can you still look calm and ask Xie Pingping to order?

Does he have to pretend when he arrives at this time?

Xie Pingping also looks at Ye Chen with some stupidity, however, she still according to the speech, looked to the dining cabinet.

Xie Pingping swallowed a few mouthfuls of saliva and carefully ordered a cold mixed thousand year longyanguo with only five divine fire spirit crystals.

Then he turned to Ye Chen and said, "I'll just have this. "

Pingchen, looking at the price, you can't rest assured of the price

With that, ye Chen first ordered a barbecue golden winged bird, two bowls of Ling rice rice rice, a plate of Tianling Pepper Fried Longxiang meat, and a plate of Qing fried millennium green fruits.

Ye Chen, he really ordered the dishes. Moreover, he ordered a lot!

Zhao Liang and others, their faces have become ugly again.

This ye Chen, can't be from where upstart?

At Ye Chen's urging, Xie Pingping finally ordered another dragon elephant spareribs soup, and ye Chen finally walked toward the counter.

The waiter at the counter, a pretty girl, said with a smile to Ye Chen, "Hello, young master. There are 103 divine fire and high-quality spirit crystals."

One hundred and three sacred fire crystal!

That's one hundred and three divine fire crystal!

Ye Chen's meal can be said to be very luxurious. After all, although the dishes in Tianqu are expensive, the quantity is quite large.

Ye Chen ordered four dishes and one soup!

People can't help but swallow saliva, looking at Ye Chen, want to see if ye Chen can, take out so much money. Ye Chen looks pale and turns his wrist. He puts some of the best Spirit Crystal on the counter.

He exchanged it with Chen Jiu on the boat.

The cashier's girl also took a look at Ye Chen unexpectedly.

Although she was very polite to Ye Chen, she also felt that this young man with low accomplishments could not afford it.

But I didn't expect that ye Chen paid the money so casually!

At this moment, among the crowd, it can be said that there is a great disturbance!

"Oh, my God

"Not only can I afford it! He was invited into the box by the waiter, that is to consume more than 100 Shenhua Jipin Lingjing treatment! It's not something that can be done by someone who looks like a fat man! "

"I'll go. What's the origin of this man?"

At this time, Zhao Liang several people's face, can be said to be completely gloomy down.

Especially Zhao Liang!

There have been a lot of people, looking at them with a smile!

Before, they said that ye Chen couldn't afford Tianqu's food. Now?

The face is puffed up!

It's not that ye Chen can't afford it. It's them who look down on others!

And Zhao Liang several people, turn around, will leave.

At this time, ye Chen suddenly turned to Zhao Liang and said with a smile:

"brother Zhao, aren't you here for dinner? Why, I'm leaving now, and I don't want to eat any more? If you don't have enough money, why don't you come and have some?

The price of dishes in this district is a little high, but that's all. I really don't understand why, as you say, how terrible it is?

Almost scared me, I dare not come to eat. Next time, please ask brother Zhao. Don't make such a fuss. It seems that you haven't seen the world before? Yes, it's funny

Chapter 2007

When they heard the speech, they looked at Zhao Liang and immediately sent out a burst of laughter. How can they not laugh?

As a result, for others, Tianqu dishes can not only afford to eat, but also can eat casually. This has reflected the gap between vision and financial resources of both sides.

Now, Zhao Liang and others are the real clowns!

After that, Feng Liang left the canteen with a pale face!

At last, he couldn't bear it any more!

"Shut your mouth for me!"

Zhao Liang became angry and drank violently at Ye Chen. His whole body momentum broke out again. In this way, he walked towards Ye Chen step by step!

He didn't expect Ye Chen to be so rich!

However, if ye Chen's strength is not from the top power, what should we be afraid of? Now, how dare you laugh at yourself like this!?

Originally, repeatedly ridiculed, has been on the edge of the outbreak of Zhao Liang, at this time, has been angry to the extreme!

And ye Chen, looking at Zhao Liang with a smile, has no fear on his face!

Xie Pingping's face changed. What she was most worried about was going to happen at last!

Looking at Zhao Liang's appearance, it seems that he really wants to fight ye Chen?

Xie Pingping knows that ye Chen is very strong, but, no matter how strong, he will not be the opponent of star orifices?

Ye Chen again against the sky, also can't cross so many realms, defeat the opponent?

In a twinkling of an eye, Zhao Liang has come to Ye Chen not far away. He sneers at Ye Chen, who is still calm. His eyes flash with cold light, and says in secret, "waste, when can you calm down?"

At the next moment, a very strong force of boundary broke out from Zhao Liang. With one hand raised, he was about to press Ye Chen away!

But at this time, a figure, in the middle of Zhao Liang and ye Chen!

Zhao Liang and ye Chen are both slightly stunned.

This figure is Xie Pingping!

Xie Pingping, at this time, facing Zhao Liang, who was in a burst of momentum, even if he did not send it directly to himself, he was almost breathless. Now, standing in front of her, Zhao Liang is just like an insurmountable mountain. Standing alone, Xie Pingping has done her best.

She was pale and trembling slightly. She looked like a weak rabbit standing in front of the tiger!

However, her eyes, but very firm!

Zhao Liang looked at Xie Pingping coldly and said, "you, get out of the way."

Just a casual sentence, but, this sentence, but for a moment awakened Xie Pingping's heart, as if all the fear!

At this time, Zhao Liang was like a god!

Now, if Xie Pingping wants to disobey Zhao Liang, it is like disobeying God!

Xie Pingping clenched her teeth and tried her best to resist her fear. She said to Zhao Liang with all her strength: "Zhao Elder martial brother, please don't do this... "

Ye Chen looks at Xie Pingping's tight back. In her eyes, she can't help but express a trace of appreciation.

He knew that with Xie Pingping's strength, in the face of a star orificed warrior, what a huge pressure to bear.

However, even so, Xie Pingping is still in front of Zhao Liang for her own sake.

Zhao Liang's eyes, completely cold down, even, emerged resentment!

This woman, unexpectedly, really chose that trash? Not yourself?

I lost myself to a waste of creating a world?

How can the proud Zhao Liang accept this?

Zhao Liang gazed at Xie Pingping and said darkly, "you want to protect him?"

The breath on his body, faintly, began to rise.

Xie Pingping's beautiful eyes trembled. She wanted to say, yes, I just want to protect him.

However, she did not dare to say, she did not dare, not because of herself.

But afraid, she said, completely angered Zhao Liang, so that only let Zhao Liang hate Ye Chen even more!

Will only let him, more crazy to Ye Chen hand!

She doesn't want to hurt Ye Chen because of herself.

So Xie Pingping was silent.

Zhao Liang looked at Xie Pingping who lowered his head with satisfaction, and suddenly showed a trace of despicable smile and said: "Pingping, if you are willing to follow me to eat in the area, I will, regardless of Ye Chen's disrespect to me. What do you think?"

Xie Pingping's eyes twinkled, and tears appeared in her eyes. In her heart, she was unwilling to go to dinner with Zhao Liang.

Especially at this time, she knew that she would do harm to Ye Chen.

But what can she do?

If she now refused Zhao Liang, Zhao Liang indignant and move, certainly, will not be merciful to Ye Chen! He will surely trample Ye Chen under his feet and humiliate Ye Chen thoroughly!

In that way, it is really indelible humiliation!

Such humiliation, will stay in Ye Chen's life forever!

Xie Pingping does not want Ye Chen to be hurt like this.

Two lines of clear tears slipped from Xie Pingping's pretty face. Just as she was about to open her mouth, a voice suddenly rang out.

"Are you enough?"

It's Ye Chen's voice.

Also in Ye Chen's voice, ring at the same time, Xie Pingping's pressure, suddenly, dissipated.

Ye Chen looks at Zhao Liang indifferently. Before, he has not dealt with Zhao Liang, but because of Chen Jiu's relationship, he does not want to violate the law and discipline of the college.

When Xie Pingping got in front of him, he wanted to make a move, but when he saw Xie Pingping's performance, he wanted to take advantage of this opportunity to train Xie Pingping's temperament, which was good for her.

However, Zhao Liang's performance is really too low, too shameless, ye Chen, finally can not see.

Zhao Liang suddenly burst out in his eyes, staring at Ye Chen, and said in a cold voice, "what did you say to me just now?"

To kill?

Ye Chen's face floated a disdainful smile and said, "what I say is not important."

"Now, get out of my sight."

Silence, complete silence!

Everyone was shocked by what ye Chen said!

How can a man of chemical weapons make such a mockery of a star orificed warrior and let him get out of his sight?

This is not the general pride, the general mania, can do ah!

This is simply, is arrogant to the extreme! Not to the extreme!

Even if the students of Shenhua college, everyone, are extremely proud, but now to see ye Chen's performance, is also shocked to speechless.

This is the real arrogance!

And Zhao Liang was completely detonated!

Get out of sight. He told me to get out of sight?

"Ha ha ha ha ha! Good, good! " Zhao Liang laughs angrily. The boundary expands and covers Ye Chen in an instant. At the same time, he pats Ye Chen's head with one hand!

In Zhao Liang's hand, the void is constantly disappearing, with the power of destroying the heaven and the earth!

This is a great move!

Chapter 2008

Zhao Liang, to deal with Ye Chen, who created the world of change, unexpectedly made such a terrible palm!

People see Zhao Liang's hand so cruel, are slightly shocked, this Zhao Liang, is really angry!

This move, however, is almost no intention of leaving a hand. If this palm is clapped firmly, it will be seriously injured even if ye Chen's cultivation of Huajing is not dead!

At the same time, people also mourned for ye Chen.

Ye Chen is unlucky enough. When he bumps into someone like Zhao Liang, he almost doesn't mean to keep his hands on the freshmen. With Ye Chen's accomplishments, it's impossible to be all right. Moreover, it will be very miserable.

Although Zhao Liang left a little leeway for his subordinates, this leeway can only prevent him from completely blowing Ye Chen into nothingness. If this move goes on, ye Chen's serious injury is almost immutable.

What about ye Chen?

People look at Ye Chen and see that ye Chen is still standing in the same place with a pale face. They don't know whether he is frightened by Zhao Liang's boundary and can't move, or is he completely desperate and gives up hiding.

Seeing this, Zhao Liang sneered at him and said, "even if I can't hide from my action, I can't hide myself from my sight."

Since you have appreciated the opportunity, I can't blame you

With that, he slowly raised his hand, facing Zhao Liang's terror and punching.

This blow, it seems, does not have the slightest prestige.

It's an ordinary and light punch.

Song Bai and Feng Gang, seeing ye Chen's stupidity to meet Zhao Liang's palm, waved this soft fist, but they couldn't help laughing.

They look at Ye Chen's eyes, full of sarcasm.

Is Zhao Liang's palm so easy to resist?

Zhao Liang, but a real body refiner! What's more, it's amazing how terrifying his power is to be a body refiner who can be ranked on the top of the Shenhua Academy!

It's a huge force, enough to move mountains and rivers!

Even if we defend the demons and beasts in the same realm, we are not weak at all!

His palm, containing the power of terror, the same realm of martial arts, dare not face hard to connect
ah!

And ye Chen's behavior now, simply, is no different from looking for death!

Zhao Liang's face, is showing the color of ecstasy, he originally, also worried that ye Chen can pass the Dragon contest, will not, what strange means?

What he didn't expect was that the fool would confront himself with his fist?

He is one of the few talented physical exercisers in the land of Lingwu! In the same realm, when it comes to physical quality, he has never been afraid of anyone!

What's more, a mere chemical weapon maker?

What's more, are you a chemical weapon maker who doesn't even use weapons?

Zhao Liang is cruel in his heart. Ye Chen, even in the face of his own palm, is still arrogant and often makes sarcasm. This time, if Zhao Liang doesn't give him a painful lesson, how can he feel comfortable?

He must make ye Chen seriously injured and dying! His pride, his madness, completely smashed!

Looking at Zhao Liang's gradually ferocious look, ye Chen's face flashed a sneer.

The next moment, a strong sense of killing, suddenly bloom!

In an instant, a very cold and murderous air swept the whole dining hall!

All the warriors who were shrouded in the idea of killing were shivering!

From the depths of their souls, there is a fear of death!

Everyone's eyes, are violently trembling, it is difficult to believe their own feelings!

What a terrible killing!

They are all talented people in the land of Lingwu!

How can ordinary murderous spirit shake their minds?

However, this murderous spirit directly awakened the devil's fear!

And this killing intention, just from ye Chen's fist, blooms out!

Among the crowd, someone exclaimed: "this is the power of the boundary! The real power of the realm, the rebirth of the realm of creation, can actually use the force of the realm

The students of Shenhua college looked at Ye Chen in an incredible way. Even if they were all demons, they had never seen anyone who could exert such pure power in the realm of nature!

It's not something that people can do, right?

But! The young man in front of us has done it!

This is simply, frightening!

With a loud bang, ye Chen's fist and Zhao Liang's palm finally collided with each other!

Strong impact, rampant in the canteen, the huge force is constantly vanishing the void, and even, the turbulent flow of space, are brought to the canteen.

At the moment when the two hands met, a burst of blood mist suddenly flashed out!

Accompanied by the loud noise, a figure flew backwards in an instant and hit the wall of the canteen heavily. The wall, which was made of extremely high materials and was blessed by the top array mages in Lingwu mainland, was actually hit by a crack!

People look at the figure that hit the wall, the shock in the eyes, will overflow the eye socket!

This figure is Zhao Liang!

In this fight against the physical strength of human beings, was one blow away?

Or is it a warrior who is almost two levels lower than himself?

How can you accept it?

And Zhao Liang's situation at this time is simply miserable!

The arm of his palm completely burst into nothingness, and his body, under the baptism of Ye Chen's great power, is also the skeleton and meridians, which is broken and covered with blood.

At this time, has fallen on the ground, completely fainted in the past, breath weak, dying!

This is, was completely crushed by Ye Chen!

At this time, everyone remembered what ye Chen said to Zhao Liang before.

Opportunity, I have given, since you do not know how to cherish, then, no wonder I.

Originally, they thought that this was just Ye Chen's disguise.

Now, that's a real warning!

Ye Chen's strength, even terror to this point?

People only feel that their brain is dizzy. They don't know what level Ye Chen's physical quality has reached.

Ye Chen took back his hand, and his body's killing intention also quickly retreated.

He looked at Zhao Liang lying on the ground like a pool of mud. If not, Zhao Lianggang had just made a move, leaving a little room for his own life. Now, Zhao Liang is a dead man.

He abides by the law and discipline of the college, which is also based on whether the other party has violated his own bottom line.

If others want to kill him, no matter what the law and discipline of the college is, he will certainly kill this person.

Therefore, it can be said that the law and discipline of this college saved Zhao Liang's life.

Chapter 2009

At this time, the waiter in Tianqu also politely smiles at Ye Chen and says, "childe, the dishes are ready. Please enter the box for dinner."

Ye Chen smiles and nods. The background of the people who run this district must be not simple. The waiter is highly professional. The disturbance just now did not affect her service attitude at all.

How can it be easy to train such a waiter?

Ye Chen takes a look at Xie Pingping and leaves directly with her hands behind her.

Xie Pingping wakes up from the shock and looks at Ye Chen with great excitement. For a moment, she is speechless! She quickly followed in!

.....

Half an hour later.

After dinner, they just walked out of the box. They saw a man with his back to the direction of the box and stood outside the counter in the Tianqu district. Ye Chen's eyes flashed for a moment and recognized the owner of the figure.

This is Chen Jiu!

Sensing the arrival of the two, Chen Jiu turned around and gave Ye Chen a stern look. He snorted coldly: "boy, just entered the school, did you make trouble for me?"

Ye Chen's face reveals a trace of bitter smile, should come, as expected, still came.

He was about to open his mouth to explain, but Xie Pingping said in a hurry: "tutor! You misunderstood, this matter, is not ye Chen's fault, is all because of me!

It was because he wanted to help me that he provoked Zhao Liang. Moreover, from the beginning to the end, it was Zhao Liang who was rude to Ye Chen, and Zhao Liang took the liberty to attack Ye Chen... "

Chen Jiu waved and interrupted: "OK, little girl, you don't have to say more. I know the process of the matter.

This is also due to our department of law and discipline, which failed to discipline the students well. Hum, Zhao Liang, the boy, even went to pester a freshman. However, Zhao Liang also learned a lesson. Even if he is responsible for this matter, he should take his own responsibility.

Ye Chen, come with me. "

Xie Pingping looks at Ye Chen with some worry. Ye Chen pats her on the shoulder, indicating that she should not be nervous. She follows Chen Jiu's steps and walks out of the canteen.

Two people out of the canteen, ye Chen asked Chen Jiu curiously, "Tutor CHEN, where are we going?" Listen to Chen Jiugang just said, should, is not investigate Zhao Liang matter just right, how to call him out again?

Chen Jiudao: "boy, you seriously injured Zhao Liang. You can be regarded as famous in the college. If I guess right, you disappear in this period of time and have an adventure?"

Chen Jiu once tried Ye Chen on the fire ladder. He knew that ye Chen at that time, although he should also have the strength to defeat Zhao Liang, he would never be so relaxed as now and crush Zhao Liang with one blow.

At that time ye Chen, I'm afraid, had to go through a big war to win it.

However, how long did not see, ye Chen's strength, has such a big promotion!

Chen Jiu, although there is no expression on the surface, his heart is extremely shocked!

Ye Chen did not deny that, nodded and said: "when I went to deal with that matter, some accidents happened. Between life and death, strength has been improved."

Chen nine nodded and was silent for a moment. He suddenly asked, "what kind of blood are you, boy?"

Ye Chen hears speech, footstep a meal, some unexpected look at Chen Jiu.

Chen Jiu said with a smile, "are you surprised why I asked?"

"Ha ha, you don't really think I'm just the peak of Xingqiao."

"You know, the tutor in the college, at least, is half a step away from the door."

Words fall, Chen Jiu's momentum rises suddenly!

Ye Chen's eyes are wide open!

It turns out that Chen Jiuyi has hidden his breath!

He's the ultimate blocker!

Chen Jiu takes back his breath and smiles: "the water in Shenhua college is very deep. Students or disciples can't measure it by their realm. You are the best example."

"Of course, so is the teacher."

"You have to remember that there are still some people in the college who deliberately hide their breath, such people can not be despised."

"I don't want you to get into trouble, that's why."

"By the way, I want to ask you one thing. Have you ever gone to the heaven and earth to kill?"

Ye Chen hears heaven and earth kill domain, the face is dignified.

Shenhua academy has always been in contact with Shenguo. Has Shenguo been found here?

If that's the case, he might be leaving right away.

Chen Jiu saw what he saw and said, "something big happened in the land of Lingwu. Some people in the kingdom of God are angry."

"influential forces are investigating, among which the biggest suspect is a young man."

"Fortunately, the other side didn't master the portrait."

"You've been standing me up these days, which reminds me of this. Now it seems that this matter really has something to do with you."

"But you don't have to be nervous. Since you are brought by me, I won't let the people of the Kingdom take you away."

"What's more, it's not so simple for the people in the kingdom of God to bring people in person. The rules there are really terrible." Ye Chen thought of what, asked: "the people of the kingdom of God can not come personally?"

Chen Jiu obviously didn't want to talk about this topic with Ye Chen. He interrupted directly: "don't talk about the kingdom of God. Don't mention it."

"There are two taboos in Shenhua Academy."

"One is the kingdom of God that I mentioned to you just now, and the other is the legend about a monument in Shenhua Academy."

When Ye Chen heard the following sentence, his eyes were shining. He was sure that what Chen Jiu was referring to must be the burning stele in the Xuan stele of reincarnation!

Chen Jiu saw that Ye Chen was not right. He did not intend to continue talking. He said directly, "no more talking. You can sort it out. The dean of our college wants to see you."

Dean?

This time, Ye Chen is also a little surprised.

Shenhua college, such a force, what kind of status is the dean of this college. I'm afraid that even the top patriarchs of Lingwu mainland should treat this Dean with courtesy?

And such a person, even want to see themselves?

However, ye Chen did not show too much color, so he followed Chen Jiu and went to the depth of the college.

Soon after, they came to a high tower. When they got to the tower, Chen Jiu said to Ye Chen, "Ye Chen, Dean, he is waiting for you at the top of the tower. Next, you can go up by yourself."

Ye Chen nodded and said, "OK, thank you for your guidance."

After Chen Jiu left, ye Chen walked toward the tower. Although the tower was not short, it reached the top floor in an instant at yechen's speed.

At this time, the door in the top room is open.

In the modest room on the top floor, an old man with long white hair and several pockets on his belt was playing chess.

And there is an old man sitting opposite him!

The old man holds the sunspot in his hand, and intends to fall down!

However, when ye Chen saw the old man, his eyes widened!

Isn't the old man the eternal king?

Chapter 2010

This old guy is playing chess with the dean of Shenhua college!

The eternal holy king did not look at Ye Chen at all. He directly dropped a son and said with a smile, "old man, you lost again."

"Is that a real artifact..."

The dean of Shenhua academy snorted coldly and threw out a storage ring: "here you are."

"I have something else to do. I won't send it off!"

The eternal holy king put away the storage ring. He laughed, stretched out a stretch, took a sip of wine, and then his eyes fell on Ye Chen's body: "old guy, you're more and more bad at the Shenhua academy, and the boy in the heaven of creation can also enter the school?"

Ye Chen heard the eternal King's Tucao make complaints about the old blood.

This guy doesn't forget to belittle himself?

However, judging from the words of the eternal king, the Dean did not know his relationship with the eternal king.

"If you talk nonsense, believe it or not, I stole all your wine?" Shenhua college president cold voice.

The eternal King smiles and disappears in front of them.

The whole room is only the dean and ye Chen.

Ye Chen's eyes fall on the president's body, his pupil, is to shrink violently!

He could not feel any breath from the old man!

The old man with white hair who manages Shenhua college is a great power of Taixu state!

At this time, the Dean also turned around and looked at Ye Chen with a smile on his face.

Ye Chen said to the old man, "student Ye Chen, I have seen the dean."

The Dean looked at Ye Chen, and his eyes flashed. Suddenly, he burst into laughter and said:

"the red dust God pulse is really the red dust God pulse! For many years, we have never had a student with a rare pulse in Shenhua college. Ye Chen, your arrival is of great significance to our Shenhua college! "

Ye Chen's face changed.

Is not the red dust God pulse hidden? Why was it discovered by the dean?

Does that mean the secret of the dust tablet has been exposed?

Ye Chen pretended not to understand the way: "Dean what is red dust God pulse?"

The Dean took a deep look at Ye Chen and said, "my name is Ge Qing. As you know, I am the dean of Shenhua college."

"There is a reason why I can see the blood in you."

"Since the first God of the red pulse, I don't know the God of red dust."

"But the strong man had no descendants, and the red dust God pulse disappeared completely."

"From the moment you enter the college, the spiritual pulse array stone of my Shenhua college changes."

"It's a pity that you have a relatively weak red dust pulse This is the biggest regret. "

Ye Chen breathed a sigh.

The stele of reincarnation is not exposed.

"Ye Chen, the establishment of Shenhua college was originally intended to be an institution for Shenzhou to select talents from Lingwu mainland."

"It's hard for a poor family to have a noble son. Shenhua college doesn't want to be like this. I know you come from a low level of martial arts, but your potential is incomparable to any genius in the land of Lingwu."

"By the way, one thing you may not know is that in the whole land of Lingwu, Shenguo has set up four colleges, and our Shenhua college has actually ranked the bottom of the four colleges in recent years."

Ye Chen is surprised when he hears the speech. He has seen the strength of the competitors in Shenglong. He thinks that most of the contestants can be regarded as demons if they are put on the Lingwu continent. However, the Shenhua academy, which concentrates 49 of the most outstanding talents, is actually the weakest among the four colleges?

How talented are the other colleges?

However, Ge Qing's bitter smile soon disappeared. He patted Ye Chen excitedly on the shoulder and said:

"however, now that we have you, our Shenhua college can finally be proud! Those old fellows of the Academy always show off in front of me. Is there a genius with divine blood in his college?"

Hum! Now, I have the Fire Academy, too

Ye Chen can't help but smile. It turns out that what GE Qing said is his own existence, which can let him show off in front of other presidents. He is a powerful man with a weak cultivation, but his heart is just like a child.

It's really a fight with the eternal king.

Ye Chen looks around and doesn't find the burning stele of reincarnation xuanbei here.

He wanted to ask the Dean directly, but they didn't know each other. Once he asked about Yan Bei, he would be expelled from the college immediately.

Ge Qing suddenly restrained his smile and said to Ye Chen in a slightly serious way: "Ye Chen, I heard that you were in the canteen and seriously injured the second grade Zhao Liang with one blow?"

Ye Chen eyebrow tip a pick, this old Dean, mention this matter now, is to punish?

However, he replied honestly, "yes, I hurt him."

Zhao Liang takes his own blame, and ye Chen thinks that he has nothing to blame for. Ge Qing nodded and said thoughtfully: "Zhao Liang, who is seriously injured in Xingqiao, must have your strength at least comparable to the existence of the peak of Xingqiao?"

Not bad, not bad, what a monster

Ye Chen looks at GE Qing for some unknown reasons. He doesn't know what he wants to do.

Ge Qing, looking at Ye Chen with a smile, said, "good! This kind of strength is almost enough, ye Chen. Do you know that there is a place called Devil Kingdom on the land of Lingwu

Ye Chen was stunned.

The devil's eye once ruled the demon kingdom.

And before the devil fell asleep, he had many opportunities to go to the devil kingdom!

What's more, there is one person in the Shenhua Academy who has mastered one thing of the devil emperor.

Is this the dean?

Looking at GE Qing's smile, ye Chen always felt that there was a trace of malice in the smile. However, Ge Qing's words still aroused his interest. He said: "Dean, I heard that the world of Warcraft is a land of Warcraft, and there are many Warcraft on the periphery. The top forces of the four regions, East, West, North and south, of Lingwu continent, have been fighting around the world all year round..."

Ge Qing nodded: "that's true, but there's something you may not know."

"In the devil Kingdom, there is an inside story that is not weaker than the kingdom of God."

Ye Chen one Zheng: "not weak and the kingdom of God?"

Ge Qing said: "in those days, the emperor of the devil kingdom fell down, the devil kingdom fell apart, and hundreds of forces rose and stood up, but only two of them were really powerful.

One is the demon clan controlled by the king and the devil dust.

As for the other one, I want to tell you, the kingdom of nine you. "

"The kingdom of Jiuyou is the former life when the demon emperor controlled Jiuyou. It is more mysterious than the demons."

"In ancient times, the details are not weaker than the kingdom of God..."

"It's a pity that Jiuyou didn't want to be controlled by others when the devil emperor died. He set up a closed array and named himself the kingdom of Jiuyou."

"For ten thousand years, the kingdom of Jiuyou has grown into an extremely terrifying existence."

"It is said that to control Jiuyou is to have the capital to fight against the kingdom of God!"
