

Physician 2041

Chapter 2041

In the face of an opponent who surpasses himself, if he wants to resist and not be knocked down, he has tried his best, and there is still a chance to become stronger?

Even with Zhou Chun's talent, if someone tells him that someone can become stronger and stronger in battle, Zhou Chun will scoff at him and tell him that you don't know about cultivation.

But now, his understanding of practice has been completely subverted!

He was originally, but also despised this young man, subverted!

No, he can't go on like this again!

Zhou Chun, who was so proud of himself that he couldn't lose, also had a trace of worry in his heart. Zhou Chun, who was full of confidence and thought that he could never lose, is now wavering.

He can't, procrastinate again, can't, give ye Chen a chance to become stronger again!

Even if there is only a trace of possibility, he will not allow Ye Chen to surpass himself!

He admitted that he was afraid!

"Roar

With a roar, the dragon in Zhou Chun's incarnation suddenly accelerates and stirs the sword spirit all over his body!

The sword spirit gathered around Ye Chen in the twinkling of an eye! Turn into several shining sword lights!

Zhou Chun slightly gasped, obviously, this move, some burden!

However, Zhou Chun's eyes, but flashing joy!

Ye Chen's face suddenly changed, and the shadow of the unicorn behind him flashed, and the immortal god body and the devil body started!

But! Even so, several glittering sword light, or in an instant, broke through the defense, penetrated Ye Chen's body!

Crash!

Sword light tears muscles, blood splashes!

In the field, there was a exclamation!

Ye Chen, finally hurt!

Zhou chunmu in the divine light explosion, is now!

He knew that with the sword light just now, ye Chen could not be solved. His purpose was to make ye Chen suffer from serious injury, and then solve Ye Chen in one breath!

No one, can be in his this move, but also safe and sound!

Dragon speed increases again, one tenth of a second, it will appear around Ye Chen!

However, at this time, the whole body blood spurt Ye Chen, unexpectedly is facing Zhou Chun, showed a strange smile.

Zhou Chunyi Leng, ye Chen is laughing?

What is he laughing at?

I don't know. Will I be defeated?

Can you still laugh?

In his heart, suddenly filled with a bad premonition.

The next moment, it seems, has been seriously injured Ye Chen, even a flash of lightning, action again! His speed, it seems to be completely unaffected!

Silence, the silence of death.

No one can think that ye Chen can move even after being attacked by Zhou Chun?

What's more, it's not affected by the injury!

Many people have always known that ye Chen's constitution is very strong, but now they know that ye Chen's constitution is not what they can imagine!

In all people's hearts, ye Chen, whose whole body is covered with blood, gives birth to a kind of awe. No one wants to be ye Chen's enemy!

An enemy who can never be killed is something that no one wants to face.

What's more, it's still a natural enemy to the extreme!

Ye Chen, the feeling that gives them now is two words.

Don't die!

How to kill the real, also can't kill the existence!

Ye Chen continues to evade Zhou Chun's attack, while constantly waving his sword. His eyes are also dignified.

Although he supported his body by the Qi of Gengjin and the formula of burning blood, he could continue to move. However, Zhou Chun's sword did not have no impact on him!

Zhou Chun is indeed a genius of all ages. His sword spirit is more powerful than the one who sealed the door one layer of heaven!

Even with a lot of cards, ye Chen, can not completely ignore!

"Boy, do you want me to help you? If I give you strength or with your body, I can crush you enough." The sound of the wind rings in my ears.

Ye Chen shakes his head: "do not need, I can!"

Ye Chen refused.

He knows that he also has a limit. This battle depends on who can seize the opportunity and defeat the opponent before reaching the limit!

And ye Chen's winning chance is the ultimate sword to cut the sky!

A sword he never used!

Zhou Chun at this time, but a bit of a daze, he did not dream that ye Chen was completely hit by his sword light, but also a look of nothing?

He is confident. If he is completely hit by himself, his body will collapse completely, and there will be no slag left. He knows that ye Chen is very strong and should not die.

However, he did not expect that ye Chen, more than immortality?

Not even injured!

Zhou Chun has always been invincible all the way. When did he encounter such an opponent? For a moment, his self-confidence was greatly hit, and he was at a loss!

Ye Chen smiles. He knows that his goal has been achieved. He is different from Zhou Chun. He has been playing games with the God of death. He has come through countless adversities. In terms of Tao heart, he is far more powerful than Zhou Chun!

No matter how difficult the situation is, he will not be discouraged!

After a brief absence of consciousness, Zhou Chun roars more angrily. Now, he only hopes that ye Chen will fall down. He only hopes that ye Chen will disappear from his eyes and completely wipe away the stain in his life!

He knew that he was shaken by Ye Chen, so he was more eager to defeat Ye Chen. As long as the stain disappeared, he could recover to the original Zhou Chun!

The original perfect Zhou Chun!

Zhou Chun stirred the sea of bloody sword, several sword lights, and gathered again.

Ye Chen's eyes congealed, but a trace of joy flashed on his face, and the beast decayed sword moved!

With a roar, the sword light explodes and flashes. It cuts out half of the sword light, and the other half penetrates Ye Chen's body again.

Ye Chen is not only not angry because of the aggravation of the injury, on the contrary, is happy.

He knew that Zhou Chun's sword was in disorder.

The dragon finally rushed to Ye Chen's side. The dragon's claws waved and collided with the sword light cut by Ye Chen. Ye Chen vomited blood at his mouth. The huge anti shock force shocked him to fly upside down!

However, ye Chen soon stabilized his body and dodged the dragon's pursuit again. At the same time, he chopped Zhou Chun with one sword and one sword!

The scene for a time, toward Zhou Chun, ye Chen, as if just in the last breath.

However, at this time, no one dares to ridicule Ye Chen, because they are completely shocked by Ye Chen.

Even if ye Chen's constitution is strong again and again, how painful is it to be pierced by Zhou Chun's sword light?

Zhou Chun's sword spirit is not an ordinary blade!

The sword Qi enters the body. I'm afraid the muscles, bones and meridians in the body will be smashed and broken!

Normal people, even if the body can bear it, I'm afraid the mind will collapse because of the sharp pain!

But what about ye Chen? How many swords did he receive during the fight with Zhou Chun?

There are hundreds of swords, I'm afraid?

Chapter 2042

Having suffered such unimaginable pain, does he have any sign of giving up?

Not only did not, and even, the breath of Ye Chen was weakening, but everyone felt that ye Chen's fighting momentum was getting stronger and stronger!

Although, has been injured is Ye Chen, but in terms of momentum, he has covered Zhou Chun!

How can such a person not be shocked?

How can such a person, even though his body is fragmented, continue to stand, continue to fight, and have the spirit of steel, how can people not be admired?

Although Ye Chen has not won yet, he has convinced most students from the bottom of their hearts.

He is a well deserved genius of Shenhua Academy!

Ge Qing looks at Ye Chen, the light in his eyes is more and more dazzling.

He knew that ye Chen was amazing, but he underestimated Ye Chen.

In his heart, there is a faint feeling that ye Chen may be a person who can change the future of Shenhua college.

And sitting next to ge Qing, it was Chu Ying!

At this time, her face with a smile, looking at Ye Chen, the face is light pride.

She is proud of Ye Chen's performance.

Like Zhou Chun, she has met a lot of talents. These people's qualifications are really good, but they are not like Ye Chen, who can move her and shock her courage.

Such spirit and courage, sometimes, is more difficult and valuable than that one out of hundreds of millions of talents!

This is also the place where she appreciates Ye Chen most!

"Even if ye Chen is not born again, as long as you give him enough time, his achievements may surpass that of the supreme demon emperor above Jiuyou!"

One hour passed, two hours passed, three hours passed

The fighting is going on.

At this time, ye Chen, it seems, has been extremely miserable.

I'm afraid his body is broken, if it's broken, it's not a thousand holes!

Immortality can't be restored in time, which shows how terrible Zhou Chun is!

And Zhou Chun is obviously not so good. The Dragon seems to have a weak breath. Even his body is covered with blood. In the process of fighting, ye Chen gradually hurts him.

All of a sudden, both of them stopped their movements at the same time. They were suspended in the arena and confronted each other in the air.

With a roar, the blood fog dragon slowly dissipated, showing a pale Zhou Chun.

He gazed at Ye Chen and his broken body.

He did not understand, ye Chen, why this pair of appearance, still can insist on fighting?

Zhou Chun's body also has several sword injuries, which can be seen deeply. Since he was sensible, he has challenged many opponents. However, he has never been injured as seriously as today.

His injury, far less serious than ye Chen, but, he has felt that kind of, unforgettable pain.

Fighting, it turned out to be Zhou Chun's hobby, was Zhou Chun's entertainment, was Zhou Chun's time to crush the enemy and be in high spirits.

But now Zhou Chun knows that it is not a real battle.

The real fight is painful.

The one who brings his own pain is Ye Chen, who seems to be an immortal fighting ghost!

At this moment, Zhou Chun finally broke out. He always kept a low profile and even didn't bother to say anything to his opponents. He almost roared at Ye Chen: "why? Why are you still standing? Why don't you fall? Fall down! Ye Chen! Why, you are in my way!

Before you appeared, I was invincible and proud. Why did you destroy all this? How dare you! "

Facing Zhou Chun's roar, ye Chen is not moved. His eyes are slightly closed. After a while, he slowly opens them.

In his eyes, it was as if there was some kind of power.

At this moment, ye Chen, for a moment, seems to be detached from the existence of the whole world.

Ye Chen faced Zhou Chun and said faintly, "fall down? Zhou Chun, you should understand that what you are looking forward to now is not to let me down... "

He stares at Zhou Chun, the sword is brewing.

"What you want is to be stronger, so strong that you won't lose to me. Zhou Chun, do you think I'm not qualified to stand in your way?"

In my opinion, you are not even qualified to be blocked by me, do you understand? "

As soon as the words fell, a strong sense of sword rose to the sky, which was completely different from what ye Chen had cut before!

Even Ge Qing and Chu Ying changed their color at the same time and breathed out in a low voice:

"divine power!"

"Stronger, stronger?" Zhou Chun murmured, this seemingly word game words, but let his mood, changed.

Ye Chen slowly raised the sword in his hand and said faintly, "Zhou Chun, come out of the sword and make your strongest sword." Finally, he caught the damage of hundreds of swords. The essence of Zhou Chunjian's idea and ye Chen's sword of cutting the sky have finally made a breakthrough!

Zhou Chun was silent for a moment, took a deep breath and replied, "Ye Chen, I have to say that you are a rare opponent. I have benefited a lot from this battle."

In his eyes, again flashing confidence, Zhou Chun's sword idea, actually had a breakthrough!

When ye Chen smiles, his sword will burst out, and a line of golden light floats between heaven and earth!

And Zhou Chun, the same sword, boundless sword spirit, turned into a black dragon, fell from the sky!

"A sword to cut the sky!"

"Cloud dragon hanging sky sword!"

Sword light sword meaning, impact surging, shock everywhere!

In the invisible, it seems that there is the God of sword and the God of sword. They confront each other. When they strike each other, the divine meaning is revealed!

The light broke out and converged, and there was only one figure standing on the arena.

Zhou Chun looked at the sky in the distance. The blue sky was clear and cloudless. The dazzling sun was shining on the sky.

In the cloudless sky, where is the space for the cloud dragon to take off?

I'm afraid that the only thing that can fly in the scorching sun is the real dragon?

His ordinary face, showing a trace of bitter smile, light way: "I, lost."

Ye Chen looks at the fallen Zhou Chun and the blood on his chest. It's Zhou Chun's last sword, the wound caused by it, and his sword of cutting the sky has entered the territory again.

However, if it is not his immortal god body and devil body, I am afraid that the final defeat, or their own?

Zhou Chun is really strong. The last sword, he believes, has reached the level of the early stage of the seal.

However, the last standing, or his Ye Chen!

Never fall!

This is Ye Chen's pride!

The next moment, the huge arena, resounding through the cheers of the audience.

Almost all people are shouting Ye Chen's name!

Those second graders, who had mocked Ye Chen before, were almost crying.

Now, ye Chen is more than winning? Simply, become the idol of the college!

Chapter 2043

If you let others know that they have insulted Ye Chen like that

In the future, in the college, how difficult it is to mix

Ji Xuan looks at a few people without expression: "a few, is not, can cash your gambling appointment?"

The faces of those people changed several times. They wanted to refuse, but could you?

Just now, Ji Xuan was not the only one who heard them talking. At this time, he had several eyes and looked at them.

Now, apart from apologizing, what else can I do?

The few people bit their teeth and finally stood up. Almost all of them were under pressure. Daoxin was unstable. They cried out to Ye Chen, who was standing in the martial arts arena with a bitter face:

"I'm sorry, ye Chen, we have no eyes, we look down on people, and we offend you more. Your strength, no doubt, is not what we can guess, it's us, it's wrong"

The crowd stopped cheering and quietly looked at those people. Their eyes were like a sharp blade, penetrating into the hearts of several people!

They now how regret, how hope, at the beginning, did not mock Ye Chen like that!

Now, myself, is the most ridiculous joke!

No one said anything, but what else?

The disdain and disdain in their eyes is more than a thousand words!

Several people couldn't bear it any longer, and left the arena in dismay

Ye Chen took a look at those people, he knew that there were many excellent people who were not understood by those mediocre talents.

He is not a person who cares about other people's opinions. What he cares about is his own heart and his own criteria.

Reality, will teach those who despise themselves severely.

All of a sudden, ye Chen's body shook, a burst of vertigo, as if the dark waves, into the brain, devouring him.

"Damn it!"

Ye Chen scolded, his injury is too heavy. Moreover, although the realm of chopping the sky has made a breakthrough, it can not completely avoid the burden of the sword.

Under the effect of the two, ye Chen finally fainted in the past.

Ge Qing's body moved, and he carried Ye Chen and Zhou Chun in his hand and took them back to the tower for treatment.

Looking at two people, his face, can not help but emerge a smile.

Ye Chen and Zhou Chun did not let him down!

.....

Ye Chen opened his eyes and found that he was lying in a strange room, and was still moving at a high speed. He shook his head and walked out of bed towards the door.

As soon as the door opened, an old man with white hair appeared in front of him. It was Ge Qing!

Ge Qing said to him with a smile: "Ye Chen, you finally wake up. I'm also worried that when you arrive at the country of nine you, you are still in a coma. What should you do?"

Ye Chen smell speech slightly a Leng, toward Ge Qing to ask: "headmaster, we this is?"

Now we are on the way to fight with Ge Qingchun.

According to my observation, you are in good condition. You should be able to recover before you arrive at the kingdom of nine you.

So I'll take you directly to the boat, but I didn't expect that you would wake up after only one day. "

Ye Chen nods. His sword of cutting the sky has been raised to a higher level, and the side effects have been greatly reduced. If it was not for the heavy injury in the battle with Zhou Chun, he would not have been in a coma.

Ge Qing said again: "by the way, Chu Ying asked me to tell you that she had something to do. She went to Jiuyou country alone first."

Ye Chen looked at GE Qing with some doubts and said, "headmaster, what identity is Chu Xianzi? Why was she invited to the kingdom of nine you for the royal birthday celebration

Ye Chen knows that Chu Ying's identity is related to the devil emperor.

But the real identity, he didn't know.

Presumably, as the president of Shenhua college, Ge Qing should know much better than him.

Ge Qing said with a mysterious smile: "Chu Ying is a girl who was born in the kingdom of Jiuyou. Moreover, she is the legitimate daughter of the king of Jiuyou. Naturally, she has the qualification to attend the royal birthday party.

Boy, although your talent is really amazing, Chu Ying is worthy of you. "

"Moreover, the family behind Chu Ying is said to be closely related to the legendary devil emperor."

"At that time, the devil emperor fought against the heaven and fought with countless powerful gods, which made the world shaking."

"On the eve of the war, the devil emperor saw only one person, who was the ancestor of Chu Ying."

"However, no one knows what the devil emperor told us that night."

Ye Chen has deep eyes.

It seems that on the eve of the war, the devil emperor must have given something to the family behind Chu Ying.

This is the key to resurrecting the body. The devil may have known for a long time that he would fail and has left behind.

Finally, I met myself.

This game of chess, everyone thought that the devil emperor lost.

Not really.

I'm afraid this trip to Jiuyou country is the beginning of the chess game!

The next time, ye Chen all practice recuperation in his own room.

Although he has recovered, he still has some injuries which are not fully recovered.

He hoped that he could return to the peak state before he arrived at the kingdom of nine you. After all, in his opinion, the trip to the kingdom of nine you was not as simple as congratulating the royal family on its birthday.

Half a day later, ye Chen's eyes opened, the purple light flashed in his eyes, and his whole body was full of breath. He had a kind of awe inspiring power. However, soon, ye Chen's power was restrained, and his face showed a trace of joy. His body was fully recovered.

Before long, he felt the fast-moving boat for a meal, and then, Ge Qing's voice sounded in his ear.

"Come out, we're at the place."

Ye Chen heard the words and went out of the room and came to the deck of the flying boat, which is a magic weapon of the level of artifact.

Attached with the magic power of space, the interior is very wide. On the surface, it is just the size of an ordinary sea boat. At this time, in addition to ge Qing, there are two figures standing on the deck.

Ye Chen's eyes flashed. The two men, one of them in their twenties and sixties, were dressed in dark blue long clothes, with sharp short hair, and a seemingly simple and heavy spearless sword on their backs. They were upright and heroic.

The other was one or two years younger than the Yingwu man. He looked gentle and reserved, elegant. He was wearing a white robe, with long hair and one hand on his back. He was reading a volume of ancient books with great interest.

But, let Ye Chen quite move is, these two people, send out is close to seal the breath!

Presumably, these are the two third year geniuses of Shenhua college.

Shenhuo academy is really a crouching tiger, a hidden dragon!

At such an age, I'm about to step into the gate. I can't imagine the talent and details behind it!

Ye Chen goes forward, Ge Qing three people turn around, the two men all show good intentions to Ye Chen smile.

Yingwu man said: "younger martial brother, my name is Shihua, third grade student."

"My name is Zhao Lun. I'm also a third grade student. My younger brother's performance in front of Zhou Chunshi is really amazing."

Ye Chen said: "two senior brothers, I am Ye Chen, a freshman."

Soon, the boat landed on the ground. It was a vast wasteland. Ye Chen looked around strangely. There were no people in the wasteland for tens of thousands of miles. Isn't the destination of Jiuyou?

Chapter 2044

As soon as they got off the boat, they heard the old man's smile saying:

"Oh, Ge Qing? What a coincidence. "

A few people turned to see a grey haired old man in a green robe and wrinkled face. He was taking three young people to their place.

The old man, though he said so skillfully, seemed to have been waiting for them all the time.

Ge Qing's eyes narrowed slightly and said to Ye Chen: "this man is the president of Shenfeng college, whose name is Chen Bei. Shenfeng college has always been against us."

"By the way, ye Chen, I owe you a little bit of the breath of your Divine pulse."

He knew that Chen Bei would not be kind enough to say hello to them?

I just want to show off the strength of the college.

However, Ge Qing was not moved at all. In the past years, perhaps Shenhua college was the weakest among many colleges, but this year is not the same!

Because this year, ye Chen is here!

Ye Chen hears the speech and looks at the three young people behind Chen Bei. Presumably, these are the genius of Shenfeng college who came to celebrate his birthday this time.

These three people, one is half step seal door cultivation, one person infinitely close to the door, and the remaining one, is the real seal realm! And it's not just a couple of days.

It seems that Shi Hua and Zhao Lun, the overall strength, than the other party's third grade students, to a few points weaker!

Even ye Chen, the genius of Shenfeng college, felt a lot of pressure from him!

Chen Bei glanced over the faces of Shi Hua and Zhao Lun. He didn't care at all. But when he saw Ye Chen, he was a little stunned. After a moment, he exclaimed in a voice:

"this is Mark

"No, this son still has a part of the breath of the divine pulse!"

When GE Qing heard the speech, he looked pleased and said with a smile:

"Chen Bei, you are not mistaken. His name is Ye Chen. He is a new student of Shenhua college!"

In the tone of voice, I can't say how proud he is. After all these years, he finally has a chance to regain face in front of other presidents!

Chen Bei looks at Ye Chen in disbelief and confirms several times. It's the real spirit breath!

In general, only Shenlong college and shenhua college can have such a powerful talent. Now, Ge Qing of the Shenhua college, I don't know what kind of bad luck he has taken, but he has also received one?

He came here to ridicule Ge Qing, because among the students he brought this time, he was a very strong genius.

He is confident that he can crush the third year students of Shenhua college, but now he can see that the genius with the spirit pulse breath, even the one who is in the sealed door of his college, has already been eclipsed.

Chen Bei shook his head and was about to take a few people to turn around and leave. Just then, a young man standing behind Chen Bei gave out a sneer and said:

"headmaster Chen, is the pulse you just mentioned very powerful? By him? In my opinion, the divine pulse is not so great. A warrior of nature cultivation can get the divine pulse. It seems that the divine pulse is not so great? "

This man, who is the one who is a half step warrior, is wearing a black Taoist robe and has long and thin eyes. His name is Wu Yang.

On hearing the speech, Chen Bei suddenly turned around. Just now, he was so shocked that he unconsciously ignored Ye Chen's cultivation.

Now, he a pair of small eyes staring at Ye Chen, but some dull.

Because he suddenly found that the existence which should have shocked the whole world and made most of the genius in Lingwu land feel inferior to each other. Unexpectedly, only the cultivation of creating the realm of transformation?

How could that be possible?

However, despite the shock, Chen Bei's heart was gradually balanced, because the student named Ye Chen at Shenhua college seemed to be much worse than the dazzling candidates he had ever seen.

Shenhua college, even with a mark and pulse of students, but also this kind of goods!

Chen Bei's old face gradually showed a smile.

He pretended to scold the student who was speaking:

"Wu Yang, how do you speak? You don't know the terror of the pulse?"

You see, people's cultivation is a little lower, but maybe he is a demon who can jump over the level and fight?

Right?

How many times have I taught you not to look down on others at any time, have you forgotten? "

He said so, but in his tone, it was arrogant!

Wu Yang said with disapproval: "we are the genius of Shenfeng college, which can't cross the level to fight? Ordinary talents who can skip the level are just ordinary warriors in front of us. What's more, if he can surpass the level again, where can he go?"

Don't tell me, he can cross almost two big realms and defeat the Fengmen warrior? Headmaster, do you think it's possible?" Chen Bei coughed twice and said, "well Anyway, I've lived for so many years, but I haven't seen it. I just don't know. What special method does Dean ge of Shenhua college have to cultivate students?"

With that, several people of Shenfeng college even laughed in front of Ye Chen and others.

Ge Qing and ye Chen were all cold. Just as GE Qing was ready to speak, they made a loud noise when they landed on the wasteland!

A huge space crack, even in front of several people, opened directly, and gradually twisted into a huge nine secluded door.

Out of the door came a burly figure, who was actually a middle-aged man with a cold face.

When GE Qing and Chen Bei saw this man, their faces changed slightly. These two were strong men on the land of Lingwu. They even saluted the middle-aged man at the same time and said, "brother Mo, long time no see."

The man's name was mauve, and his breath was very mysterious.

Mo Wei nodded to them and said, "brother Ge, brother Chen, please follow me into the kingdom of nine you."

After that, he turned to the door. Ge Qing snorted to Chen Bei. He had to put down the dispute for a while and took Ye Chen and others into the door of Jiuyou.

Ye Chen walked into the door, the brain a burst of dizziness, and then a bright, ear sounded a burst of noise.

He looked around and saw that they had come to a very prosperous street.

Ge Qing said to Ye Chen, "here is the capital of the country of nine you. It is quite prosperous. There are many rare things on the land of Lingwu. I have something to do now.

I have already reserved a room in a hotel called Yuelai in the capital city. You can go back to your residence first, and you can also visit the city. "

Finish saying, also do not wait for ye Chen several people to respond, will enter the hotel voucher after distribution, then left by oneself.

Ye Chen several people look at each other, are all face to show a wry smile, this Ge headmaster, also really does one's own way.

Zhao Lun said, "I'm going to go back to the hotel to read books first. How about you?"

Shi Hua said with a smile, "reading again? You are really a bookworm. I'll have a good visit to the capital of Jiuyou

Said, he suddenly showed some wretched smile, looking at Ye Chen: "ye younger brother, do you want to come with me? I've inquired about a lot of good places to enjoy in advance

Ye Chen was stunned and shook his head. "Elder martial brother Shi, I'm not interested in those places."

Hearing the speech, Shi Hua curled his lips, waved to the two people and left on his own.

Zhao lunyang raised the book in his hand and asked Ye Chen, "younger martial brother, do you want to go with me?"

Ye Chen felt around him and wondered: "elder martial brother, is the country of nine you in the devil kingdom? If I want to go to the demon clan, how should I go? "

Zhao Lun's face was a little ugly: "younger martial brother, it seems that he knows too little about the devil kingdom. When the devil emperor fell, Jiuyou left the devil Kingdom and chose a forbidden area to become a country."

"Jiuyou doesn't want to have anything to do with the chaos and power struggle of the demon clan."

"Countless days and months alternate, there is no war in Jiuyou, and it controls the treasure of Jiuyou. The people of Jiuyou Kingdom devote themselves to practice, hiding countless strong people."

"As for the demons, there are too many Warcraft and killing. The Lord Warcraft is a real tyrant. I'm afraid it's very dangerous for you to go there."

Zhao Lun found Ye Chen's face very ugly and asked, "younger martial brother, are you still listening?"

However, ye Chen did not answer.

Because just for a moment, he felt time and space concussion in his mind.

A picture suddenly appeared, as if forced in.

There are countless chains in the picture.

Under the chain is a scarred girl.

Girl dragon shadow around! Thunder arc spreading!

Ye Chen eyes open big, is exclaimed: "Luo Er!"

"How could..."

Chapter 2045

The picture in Ye Chen's mind flashed away.

It seems extremely unstable.

However, the reality of that picture makes Ye Chen feel that this has happened!

There's something wrong with elor!

But Jerome had no enemies. Why?

At this moment, ye Chen's whole body is covered with a layer of killing intention. All the strong people around him notice Ye Chen.

Zhao Lun's face changed slightly. If he went on like this, they would all die. He quickly said to Ye Chen, "what's the matter with you, younger martial brother?"

"Who is lol?"

"If you release your murderous spirit again, the consequences will be serious!"

Ye Chen woke up and shook his head: "nothing..."

"Elder martial brother, I want to be quiet for a while. You go up and read a book first."

Although Zhao Lun was puzzled, he nodded his head and left.

The country of Jiuyou is full of people.

However, ye Chen's eyebrows are filled with bursts of gloom.

Just now that thing was like some kind of magic association.

Ye Chen quickly asked Feng Qingyang, "elder Feng, is the picture feeling in my mind just now an illusion?"

The wind was clear and deep for a moment, then he began to say, "just now I found that the space around you fluctuates greatly..."

"It seems to be an ancient technique, which can break through the void and connect with others. However, the cost of this method is very high, and the practitioners have not yet practiced it perfectly, so the picture is extremely unstable."

Ye Chen's face was dignified: "it seems that this is true. Ye Luo Er did not know what reason, came to Lingwu land. "

"And, besides, something happened."

"Who is going to use these countless chains to trap an ordinary girl?"

It seems that the master of Kunlun ye'er has mentioned Ye Xu's life.

It has something to do with Lingwu.

Is it the ye'er family behind it?

"Damn it!"

"I have to find elor as soon as possible..."

Wind clear Yang sees Ye Chen so square inch big disorder, open a way: "boy, you also need not be nervous."

"Since the girl just informed you of the incomplete technique, there must be a reason."

"It's useless for you to be anxious. It's better to wait for her to cultivate the ancient technique to perfection. Then it will be a complete picture, and you can also find each other according to the picture."

"At present, this trip to Jiuyou is extremely important."

"You might as well look around now, and maybe you'll get something."

Ye Chen sighs for a long time. He can only shelve ye lu'er's affairs first.

Wait for yelor to inform herself again.

Soon, ye Chen found that the cultivation of Xingqiao could be seen everywhere in the capital city of Jiuyou. It can be seen that the level of practitioners is far higher than that of the eastern, western, northern and southern regions of Lingwu.

Walking, a strange smell of wine, suddenly into the nose of Ye Chen.

Feng Qingyang, his eyes brightened, and he said with a smile, "boy, this wine is a bit interesting. It's worth drinking."

"Drink?" Ye Chen white one eye, the breeze is clear Yang way: "I am not in the mood to drink."

Feng Qingyang said directly: "boy, there must be a reason for me to say so."

"The evil emperor in your eyebrow fell asleep because of the war. If you want to revive him, you must wake up the other party."

"And the best way to wake up the other person is by what he once loved."

"And this wine fragrance seems to be inherited from ancient times."

"Don't you try?"

Ye Chen nods helplessly and looks towards the direction of the wine fragrance. He sees a pavilion with exquisite shape. On the plaque in front of the door, there are three words of Shenquan tower.

Ye Chen went to the Shenquan building. Just as he came to the door, a beautiful girl came forward and said with a smile, "Hello, sir. Are you here to drink?"

Ye Chen thought of the elegant account, can only say: "yes, I want to taste."

The welcoming girl kept smiling and said, "may I have an appointment, sir?"

"Appointment?" Ye Chen is a little surprised. It is the first time for him to see a restaurant in Lingwu.

And now, above the Shenquan tower.

Three men are holding glasses in their hands and staring at the bustling crowd downstairs.

In their eyes, these people are ants.

If ye Chen pays attention to it, he will surely find that these three are the genius of Shenfeng college!

Among the three, the most mysterious youth, his eyes showed a cold light: "that guy, always makes me feel very uncomfortable."

"Although the realm is only the second layer of heaven in the realm of creation, I think it is unfathomable if we try our best."

In addition, the two people of Shenfeng college have big eyes.

The most evil genius of Shenfeng college said that the state of nature was unfathomable?

Wu Yang shakes his head: "although he has the impression and the incomplete spirit pulse breath, he is only in his early twenties, which is enough to prove his low potential."The mysterious youth showed a smile: "in this world, you can't cultivate into a hero. I said that."

Then he turned and left.

Wu Yang's attitude towards the mysterious youth was somewhat displeased, but he was tolerant of the other party's identity and strength.

He can only think of the downstairs and look at the door.

.....

And ye Chen at the moment, since he wants to make an appointment here, he has no interest.

Although it is important for the devil to wake up, he thinks it is still impossible to rely on wine.

He was about to leave when a voice burst out.

"It turns out to be the divine pulse genius of Shenhua college? You want to go in and drink? "

Ye Chen turned his head and saw that Wu Yang, who had spoken ill of him before, was looking at him with interest.

Ye Chen doesn't care too much. His real strength is still under Zhou Chun. This kind of person can't attract his interest now.

Wu Yang sees Ye Chen does not speak, the color of disdain in thin eyes flashed, more proud.

In his opinion, people like Ye Chen dare not talk back to him?

Even if there is something unknown about the so-called mark and pulse, most of them are just illusory things. Isn't his silence the best proof?

He didn't know, ye Chen, he just didn't care about him.

Wu Yang didn't let Ye Chen off. He said with a sneer: "boy, do you want to go in and drink? I'm afraid I haven't even heard of the name of Shenquan tower? "

Ye Chen glanced at Wu Yang lightly and said, "I haven't heard of it."

Wu Yang pointed to Ye Chen and said, "you see, this man has never heard of the name of Shenquan tower. He even doesn't know about the appointment, so he is ready to go in? Yes, I'm afraid all the restaurants in the countryside don't need to make an appointment

The passers-by around heard Wu Yang's words, but also looked at Ye Chen whispering.

Listening to people's words, Wu Yang looked at Ye Chen with more pride and said:

"let me tell you, this Shenquan building is not a place where you can get in with money. If you want to drink a cup of wine in Shenquan building, you need to make an appointment in advance. Every cup of spirit wine in Shenquan building is jueshijiao.

Limited supply every day. His appointment has been arranged for a few years. Where is it that you can enter as soon as you want? "

Chapter 2046

Ye Chen smelled speech and frowned slightly, and said to the welcoming girl, "excuse me, if you want to make an appointment, when can you make an appointment?"

"Please wait a moment." The girl took out a jade slip, inquired and replied, "if you want to make an appointment now, you can make an appointment in the afternoon after one year or three months."

Ye Chen eyebrow tip a pick, although not as exaggerated as Wu Yang said, but a year after three months? It was too long. At that time, he was no longer in the nine secluded country. It seems that the Shenquan tower is really famous.

Wu Yang looked at Ye Chen and said, "boy, I'll let you open your eyes today."

Then he took out a jade talisman and handed it to the young lady.

After confirming, the girl said with a smile, "Mr. Wu, your appointment is at this evening's herringbone table." Feeling the public's eyes, Wu Yang is extremely proud. He has made great efforts to get into the Shenquan building.

Ye Chen ignored Wu Yang and was about to leave when Wu Yang suddenly said to him, "wait a minute!"

Ye Chen eyes a cold, look to him way: "something?"

Wu Yang stares at Ye Chen's eyes and sneers, "why don't you compete with me?"

"If you win, I can give you the chance to enter the restaurant. How about it?"

Originally noisy street, for a moment, quiet down, everyone is waiting for ye Chen's decision.

However, ye Chen but light way: "no interest." He turned and left.

And the people can't help but send out a sigh of disappointment. Wu Yang looks at the back of Ye Chen's departure, and his disdain in his eyes is stronger, so they dare not fight?

It's just a false name.

He even yelled at Ye Chen's back: "it's OK not to compare. Why are you in a hurry? In the evening, if we can't finish drinking, we can take the rest of the wine back for you to drink! "

Ye Chen is not happy with Wu Yang, but he knows that this royal birthday banquet of Jiuyou will not be so simple. At that time, he will surely have a chance to teach this guy a lesson.

However, he is not interested in being provoked by such people. After all, because of Wu Yang's strength, ye Chen can't raise his interest.

However, this does not mean that he will forget what Wu Yang just said.

Ye Chen's face gradually floated a senhan smile, but he had some expectations. What kind of expression would the self righteous Wu Yang show when he was trampled on his feet at the birthday banquet of the king's room in Jiuyou.

At the same time, in a very spacious and luxurious mansion in the capital, a woman is dressing up in the wing room under the servant girl's service.

The servant girl carefully combed the woman's hair and looked at the woman's face in the mirror. She could not help but show her obsessed look and said, "Miss, you are really beautiful..."

"Is it?" Chu Ying looked at himself in the mirror and showed a faint smile. He said softly, "I don't know if he will feel so?"

"What do you say, miss?"

"Ah?" Chu Ying's pretty face was flushed and covered up: "nothing, by the way, yuan'er, wait a moment, help me to book a Tianzi table in Shenquan tower, and then go to Yuelai hotel to find a man named Ye Chen and tell him that I'll invite him to drink tonight."

Yuan'er's delicate face showed a look of surprise. Chu Ying, as the third young lady of Chu family in the country of nine seclusion, when did she invite a man to drink?

However, she still nodded: "I know, miss, I'll do it now."

At the same time, Yuan er's heart, can't help but to the man named Ye Chen, produced a little curiosity.

.....

In the forbidden area.

Ye Luo'er looked at his hands and sighed helplessly: "the holy dragon transmission formula is too complicated."

"But now I've found out something. It's estimated that I'll be able to practice perfectly soon."

"When my practice is complete, I should be able to tell elder brother Ye something clear."

"But brother Ye knows, will he really come?"

"Can he compete with the dragon family?"

"I'm afraid elder brother ye can't even enter the forbidden area What to do... "

Her white face was full of worry.

"By the way, Ji Lin doesn't know what's going on."

"She should be OK."

.....

"Achoo!"

Standing in the center of the palace of wanjian emperor, Ji Lin touched his nose and murmured, "who is thinking of me?"

Suddenly, she thought of something. She looked at the king of ice sword: "that You said you had news about ye Chen? "

The king of ice sword on the hall nodded: "indeed, ye Chen should have left the Shenhuo Academy."

"It should be much easier for you to find him now."

Ji Lin's eyes showed a little surprise, and quickly came to the king of ice sword: "Ye Chen, where is it?" "My investigation has already been wired. I'm looking for ye Chen!"

The king of ice sword grinned and spat out four words: "the kingdom of nine you."

Ji Lin has some doubts: "what is this place? Why does it sound so sinister?"

The king of ice sword said: "there are many prohibitions here. You can't enter the country of Jiuyou, but outside the country, you can try to contact Ye Chen."

"Good." Ji Lin nodded: "let's start now. Who will take me? I hope the sooner the better. "

The king of ice sword does not have any nonsense. He grabs Ji Lin and tears the void in front of him!

Space rippling!

They completely disappeared in the palace of wanjian emperor.

.....

Now the capital of Jiuyou.

Ye Chen did not walk for long, then returned to the hotel. After handing in the check-in certificate, the woman at the front desk laughed at him and said, "are you Mr. Ye CHEN Ye? There is a girl who has been waiting for you for a long time

"Wait for me?"

Is it Chu Ying?

Behind the front desk, a woman came forward, looked at Ye Chen and said with a smile, "excuse me, is it Mr. Ye?"

Ye Chen looked at her suspiciously, nodded his head and said, "yes, are you?"

The girl had a pretty face, but he had never seen it.

Yuan'er said with a smile: "I'm miss Chu Ying's maid yuan'er. Our young lady asked me to inform you that she would invite you to drink in the evening at Shenquan building."

Shenquan building?

Hearing these three words, ye Chen looks a little strange. He has just been there and has been closed. Unexpectedly, Chu Ying will invite himself to drink there so soon?

Or, according to the clear and clear words, the devil emperor's way of awakening should be tried.

Even if it is only one percent possible, he will try.

He nodded to yuan'er and said, "I know. I'll go in the evening."

Ye Chen returned to the room to rest soon, then got up and went to the Shenquan building.

Chapter 2047

At this time, Wu Yang, Liu Baizhan and Li Shen had entered the Shenquan building and sat down at the herringbone table.

At this time, most of the tables in Shenquan building were full. Only one table was still empty, which was also the largest table in the restaurant.

Li Shen glanced at the biggest table and asked Wu Yang, "Wu Yang, why is there no one at that table?"

Wu Yang said with a smile, "brother Shen, you don't know. The biggest table is the Tianzi table in Shenquan building. This table is not available for reservation.

Only in the capital city, the real power of the big family, as well as the Royal presence of such extraordinary status, can be qualified to drink at that table

Just as they were talking, a woman with a veil and a noble demeanor in her manner walked slowly to the Shenquan building.

The eyes of the guests in the restaurant were immediately attracted by the woman, including Wu Yang, three people.

And the woman, in the eyes of the people, went to the sky table in the Shenquan building!

The woman sat down under the Tianzi table, while three waiters of Shenquan tower with extraordinary temperament and beautiful appearance stood at the table, serving the woman tea and fruit snacks wholeheartedly.

The guests in the Shenquan building have certain status and strength. They are not young talents, but also some clan heads and sect elders. They have a good status. When have they seen such a battle?

This is Shenquan building!

It is not too much to say that the square table in the building is empty all the year round.

This woman's background, how amazing, how shocking, you can imagine!

Moreover, not everyone can do the waiters of Shenquan building. These women have received strict training, and they usually contact people of high status.

However, the guests obviously found that the waiters who had been practicing for a long time had some nervousness in serving the woman!

What kind of people can make these waiters who are able to talk and laugh with some sect leaders and family heads in the capital city calmly and have a tense mood?

People can't even think about it any more!

Among them, the most shocking is Wu Yang and others. Originally, they thought they were superior to others when they were able to drink in Shenquan tower in the capital of Jiuyou kingdom. However, now they see a woman in her twenties who is enjoying such treatment?

Compared with this woman, several of them, not to mention superior, are simply thousands of lower.

This woman, of course, is Chu Ying.

A waiter said respectfully to Chu Ying, "excuse me, can I serve you wine?"

Chu Ying's chin was supported by one hand. Her beautiful eyes like the moon looked out of the Shenquan building and shook her head and said, "don't worry, my friend hasn't arrived yet."

Liu Baizhan could not help sighing: "Wu Yang, who is this woman?"

It seems that our age is almost the same as ours, but it is the goal of fengmenjing.

In addition, you can also sit at the Tianzi table in the Shenquan building and enjoy such treatment... "

He looked at Chu Ying's eyes, could not help but envy, and a trace of strong hidden desire.

Even if he could not see the real face clearly, he could also conclude that the woman was definitely an unimaginable beauty, and her figure was the best among the best.

Wu Yang lowered his head in some fear: "don't look, I don't know this woman, but I can be sure that the power behind her is by no means comparable to that of our college. Drink a bar."

Liu Baizhan quickly took back his eyes. He didn't want to form hatred with the great forces of the country of Jiuyou inexplicably.

At this time, ye Chen walked into the Shenquan building.

A welcome girl went up to Ye Chen and asked, "young master, are you here to make an appointment?"

At this time, Liu Baizhan's eyes flashed, pulled Wu Yang and said, "Wu Yang, you see that boy, how did he come again?"

Wu Yang was stunned for a moment, and then the funny color appeared in his thin eyes. Ye Chen actually came to the Shenquan building to drink the spirit wine they had left?

Wu Yang directly got up, squinted at Ye Chen and said to the girl who had just asked Ye Chen, "ha ha, this Mr. Ye is our friend..."

The welcoming girl said with a smile, "in that case, please..."

But before the girl finished, Wu Yang suddenly said in a loud voice: "this friend, you come to see us to drink. When we finish drinking, the rest, please help him to pack up. He wants to take away."

As soon as this was said, the originally noisy Shenquan building immediately quieted down.

Almost everyone was amused, amused, despised and even looked at Ye Chen with disgust. It was the first time they heard that someone came to Shenquan building to take away the wine left by others!

It's unheard of!

Some people, all want to open their mouths to mock Ye Chen, but at this time, a faint female voice rings out in the Shenquan building.

Chu Ying said with a faint smile: "Ye Chen, you finally come, do you miss me?" Say, unexpectedly is to go directly to Ye Chen, take ye Chen's hand, go to the sky word table!

Those who originally wanted to mock Ye Chen had a stiff face, and neither did they open their mouths, nor shut them. They stubbornly swallowed the words to their mouths back into their stomachs.

The space in the Shenquan building seems to be frozen in an instant. Everyone looks at Chu Ying and ye Chen with astonishing, even frightening eyes, at Chu Ying's warm attitude towards Ye Chen and their intimate behavior!

This ye Chen, unexpectedly and that mysterious woman with extraordinary background, the relationship is extraordinary!

At this moment, the guests in the restaurant no longer look at Ye Chen, but for a moment, turn their eyes full of scorn and disgust to Wu Yang and others!

Since ye Chen has such a close relationship with the mysterious woman, there are 100000, millions of them are impossible. They will come to drink the wine left by Wu Yang!

It's the highest table in Shenquan building!

There are 108 kinds of spirit wine!

Wu Yang, just like a clown who makes a fuss!

Wu Yang, however, was petrified. With his mouth open and his eyes wide open, he stood still. He seemed to stop breathing.

After a long time, the blood flowed again in his body. Moreover, it broke through his face in an instant. His face was like a fire. Now, Wu Yang was so ashamed and angry that he wanted to commit suicide!

Just now, he asked the waiter to help Ye Chen take away the wine they had left. He spoke so loudly that everyone in the restaurant heard him. He thought it was a great opportunity to crack down on Ye Chen and taunt him. But now, it has become a grave digger, stupid enough to be stupid!

Even, it is possible that when they arrive at the capital, they will be hated by a woman from a super power!

Then Wu Yang, I'm afraid, will become a criminal of the whole Shenfeng college!

Chapter 2048

Although Ye Chen didn't say a word, he stepped on Wu Yang's face and his self-esteem!

You can imagine how angry he is, but is anger useful?

But Liu Baizhan and Li Shen frowned and lowered their heads. Wu Yang was with them. Wu Yang was insulted, and they should bear it together!

Originally good to drink in Shenquan building, because of the arrival of the youth of Shenhua college, all of them were destroyed!

Liu Baizhan frowned and said, "this boy, with such a low level of cultivation, how can he get to know that kind of beauty? What's more, the beautiful woman, obviously, has a look of favor for this person! "

Wu Yang's triangle eyes twinkled with cold light and said: "this boy, I saw him before, and I haven't even heard of the Shenquan tower. How can you make such a beautiful woman in a twinkling of an eye?

80% of the time, it was the boy who cheated the beauty's trust with the evil mark and the divine pulse

Liu Baizhan's eyes brightened, echoing: "very likely!"

Otherwise, how can a peerless beauty who has been granted a title and distinguished status can be regarded as such a waste?

Li Shen drank in silence. He didn't pay much attention to this. He only cared about his own strength. However, the reaction of Wu Yang and Liu Baizhan made him a little disgusted.

He doesn't like people who make excuses whenever they have something to do.

Ye Chen, give him the feeling, is to kill the opportunity.

No mistake.

Absolutely not weak.

Chu Ying looked at Wu Yang's people with indifference and asked:

"that man seems to have been rude to you just now. Do you want me to teach him a lesson for you?"

With Chu Ying's identity, she doesn't need to do it by herself. With a word, she can blow Wu Yang and others out of the Shenquan building.

Ye Chen shrugged his shoulders and said, "the dog barks, don't care."

He did not deliberately lower the volume, the voice of his voice reached Wu Yang's ears.

Wu Yang's eyes are full of blood. He is the most outstanding talent in the second year of Shenfeng college. Who is not respectful to him?

He has hardly been ridiculed since he was born.

But now, ye Chen, a warrior of the realm of nature, said that he was barking at the dog just now?

When was he insulted like this?

Wu Yang bit his teeth and went crazy. He wanted to crush Ye Chen directly. However, he clenched his fist for a long time. Finally, he let go.

He didn't dare. Let alone the mysterious woman of extraordinary origin, he obviously protected Ye Chen now. Even without this woman, he did not dare to make a rash move in the Shenquan building.

Wu Yang adjusted his behavior to keep himself as elegant as possible. He said politely to Chu Ying, who was sitting beside Ye Chen:

"this fairy, I'm Wu Yang of Shenfeng college. I have something to tell you. The man named Ye Chen around you is a shameless liar. You may be confused by his so-called mark and pulse.

Today, I challenge him in front of many people in front of Shenquan building. What about him? He slipped away in front of me, so

However, Chu Ying just glanced at Wu Yang indifferently and vomited out a word: "roll!"

This word makes the restaurant quiet for a moment.

When Wu Yang heard the speech, he was stunned at the spot. His Qi and blood surged up. His face was blue and white. He was scolded in public. When did he taste this taste?

Maybe Wu Yang is an excellent genius in Shenfeng college, and is popular with the masses. On the land of Lingwu, even those who are in a strong position will sell some face to Wu Yang because of his potential, and will not publicly scold him.

But what about that?

Chu Ying was born in the Chu family, the capital of Jiuyou, and had seen countless talents hundreds of times better than Wu Yang. Even in front of those talents, Chu Ying did his own way.

She has no idea to develop her power, and naturally she will not cover up her inner thoughts for these people.

What is Wu Yang?

Wu Yang was a little confused for a moment. He took a peek at Liu Baizhan and Li Shen. This woman with great talent not only scolded him in public, but also was in front of Liu Baizhan and Li Shen!

If Liu Baizhan and Li Shen spread it out, wouldn't it be a stain on his whole body? Isn't his image of the greatest genius in school all about to collapse?

Thinking of this, even though he knew the identity of the woman, Wu Yang couldn't help but explain: "this fairy, you misunderstood me. I'm for your sake. I don't want you to be fooled by villains. It's just a piece of kindness. Why should you be so merciless..."

"Shut up!"

Chu Yingli drinks, and the power of sealing the door breaks out involuntarily. Wu Yang can't help stepping back a few steps. His face is covered with abnormal red tide, and his blood is rolling. He looks at Chu Ying with great panic in his eyes!

How strong! He didn't feel the pressure of sealing the door, but Chu Ying's pressure was far stronger than he had ever felt! Even, it made him feel terrible from the bottom of his heart!

Not only out of fear of Chu Ying's identity, now, even Chu Ying's own strength, let him feel fear!

Just the pressure of Chu Ying made him feel difficult to breathe!

Naturally, I couldn't say anything I wanted to say!

And ye Chen, holding a cup of tea, squint at him, in the eyes, the most insipid, as if watching a funny clown.

This look, even more than Chu Ying's reprimand, more stinging Wu Yang's self-esteem!

Even though Chu Ying gave out that terrible pressure, ye Chen still looked pale and did not change her attitude. He poured a cup of tea, handed it to Chu Ying, and said with a smile to Chu Ying:

"don't pay attention to these people. If you're in a bad mood, have a cup of tea. I only know that the wine in the Shenquan building is the best. Unexpectedly, even tea is so fragrant."

Chu Ying took a cup of tea, a pair of beautiful eyes to see ye Chen, more shining.

Wu Yang lowered his head and went to his seat. However, in his heart, he secretly vowed that he would take advantage of the birthday celebration of the nine secluded Kingdom and crush Ye Chen to vent his hatred.

He knew that during this birthday celebration, martial arts performances would be held, and the talents of Lingwu mainland would exchange views with each other, and even the talents of Jiuyou kingdom would also take actions.

At that time, it was a chance for him to lose his shame!

But at this time, outside the door, suddenly walked into two men.

One of the two men, one of them, was slightly pale, with flighty feet and handsome appearance, but somewhat strange. He was wearing a luxurious red robe. Beside him was a young man dressed in a Taoist robe embroidered with dragon patterns and his eyes were slightly closed.

Two people out, attracted the attention of countless people!

Chapter 2049

Wu Yang looked back at the man in red, but his face showed a very happy look, and said excitedly, "Wang Shao!"

The red robed man was the second youngest of Wang's family in the capital of Jiuyou, whose name was Wang Lin.

Although Wang Lin's talent in practice is just ordinary, he has a lot of means in his intersection and management.

In recent years, in order to expand his family's business beyond the kingdom of Jiuyou and establish a foundation on the land of Lingwu, he has made friends with many young talents in Lingwu. Wu Yang also met Wang Lin by chance.

The appointment of the Shenquan building was also something he tried to get from Wang Lin with his friends.

Wang Lin looked at Wu Yang and said, "brother Wu?"

When Wu Yang heard that Wang Lin still remembered himself, he was almost excited to jump up. This is Wang Lin!

As far as he knows, there are no more noble people than Wang Lin in the capital of Jiuyou, except for the royal family!

In his small eyes, a trace of sinister color flashed. Originally, he wanted to wait until he Shou's martial arts performance to retaliate. Unexpectedly, so soon, the opportunity came. Even God stood by his side!

Even if you are a noble woman, you can't have a noble status!

At this time, most of the people in the restaurant saw that it was Wang Lin who came in. They all got up regardless of men, women, old and young, and said respectfully to Wang Lin, "Wang Shao!"

Although both the Wangs and the Chus are giants in the capital, compared with the low-key of the Chu family, the Wangs are extremely high-profile.

Perhaps many capital city people do not know Chu Ying, but no one does not know Wang Lin.

Wang Lin also quite enjoys such treatment, he said with a gentle smile: "Hello everyone, drink the bar, don't care about me." He looked at Wu Yang in front of him.

"What? Brother Wu also came to the Shenquan building to drink? " Wang Lin looked at Wu Yang with a smile and said, "do you want to have a drink together?"

Wu Yang's eyes are shining. Originally, because ye Chen and Chu Ying look iron green, they also have a flush. Wang Lin even invited him to drink together!

Give Wu Yang enough face!

This is really flattering to Wu Yang!

Wu Yanglian said, "no, I don't dare to disturb Wang Shao's drinking..."

Wang Lin nodded, not forced, he was just polite, and did not really want to drink with Wu Yang.

To be honest, in his heart, Wu Yang is not qualified to be treated like this, but he is a businessman. He knows that if he is polite to others, what is the actual loss?

Wu Yang's eyes turned, and he was thinking about how to make Wang Lin notice Ye Chen. He took advantage of Wang Lin's teaching this guy a lesson. Unexpectedly, Wang Lin looked directly at the Tianzi table and was slightly stunned.

Then, extremely surprised, he called out, "Yinger, are you back?"

Chu Ying smell speech, although did not answer, but is a frown, after the veil of pretty face, faint show a trace of disgust.

At this time, Wang Lin had already taken the young man in white robe and walked towards the square shaped table.

Soon, he found Ye Chen sitting beside Chu Ying. In his eyes, a trace of Yin Li suddenly appeared.

Wang Lin looked at Ye Chen coldly and said with questioning tone: "who are you? How can I sit beside Ying'er

In his opinion, ye Chen is nothing but a creator of chemical weapons. Moreover, he does not seem to be a person from the country of Jiuyou. He has no identity and dare to sit beside Chu Ying?

You know, Chu Ying is the woman he likes!

Shua, people's eyes, all focused on Ye Chen's body, waiting for him to give Wang Lin an account.

However, Shenquan tower fell into a strange silence

Ye Chen, actually just lightly taste the wine in the hand, small tie a mouthful, sometimes eyebrow a congealing, sometimes eyebrow stretch.

Actually did not answer Wang Lin's meaning at all, ignored Wang Lin directly!

Because, ye Chen drinks the moment of wine, unexpectedly feel the evil eye in the eyebrow heart changes.

The sleeping devil will wake up?

It's much faster than you think!

He has no time to pay attention to Wang Lin!

After the silence, they were shocked and couldn't believe it.

In the capital of Jiuyou, there are people who dare to be so disrespectful to Wang Lin?

Even the royal family, they may not be able to do so!

However, this one seems to be nothing more than the cultivation of nature, or the boy of an outsider. That's what he did!

Wang Lin's face, immediately the forest cold down, killing intention revealed!

And Wu Yang's eyes flashed, directly to Ye Chen and said, "Wang Shao, ask you what you said! Didn't you hear me? I warn you, ye Chen, this is not only a matter for you, but your behavior will even involve the whole Shenhua academy! "

Wu Yang took advantage of Wang Lin's dissatisfaction with Ye Chen and took the opportunity to make a difficult decision! Seize this opportunity and kill him!

Ye Chen put down his glass and looked at Wu Yang coldly. However, before waiting for him to open his mouth, Chu Ying said without expression: "Wang Lin, who am I sitting with? Do you need to take care of it?"

Cold.

People below freezing point!

The people in Shenquan building feel their blood will be frozen!

Wang Lin's speech, is also slightly changed, but, to everyone's surprise, he did not get angry!

But facing Chu Ying, she showed a smile of flattery and said, "Yinger, I don't mean that..."

The eyes of the guests are almost staring out!

And Wu Yang, is completely stupid, his heart, fell to the end of the abyss!

Wang Lin's attitude towards Chu Ying is enough to show Chu Ying's identity

Thinking that he had caused such a terrible existence, he felt that his soul would explode in fear.

He really can't understand, ye Chen, how to hold this kind of thigh!

Chu Ying even said to Wang Lin coldly: "you, apologize to my friend."

"What?" Wang Lin was stunned. He liked Chu Ying and knew that Chu Ying's position in the Chu family was not comparable to that in the Wang family. Although he and Chu Ying were both the lineages of the family, Wang Lin, because of his talent in business, was quite popular with the ancestors of the Wang family.

But this is Lingwu.

Lingwu land is destined to be a world of strength and martial arts. Wang Lin's cultivation talent is very ordinary.

What about Chu Ying?

Chu Ying is the most outstanding talent of Chu family!

However, he can not compare with Chu Ying, does not represent, can not compare with Ye Chen!

Let him apologize to Ye Chen. Does he deserve this ye Chen?

Wang Lin's face turned white. He managed to squeeze out a smile and said, "Yinger, don't be kidding..."

Although he is not the most favored son of the Wang family, he is also the royal family, representing the dignity of the royal family in the capital city.

How can you apologize to a warrior outside the kingdom of nine you?

Chapter 2050

This is not only to lose his face, but also to the face of the whole Wang family!

"Do you think I'm joking?"

Chu Ying looks at Wang Lin, ye Chen and the relationship between the devil emperor, although she is not completely sure.

But ye Chen's identity is not simple!

If the devil emperor comes in person, it is not an apology to solve, but the destruction of the whole kingdom of nine you!

"And who asked you to call me Yinger?"

The cold sweat on Wang Lin's forehead has dripped down. He looks at Chu Ying's beautiful dark eyes. He wants to break his head and also can't understand why, as Chu Ying's identity, he is so protective of this boy called Ye Chen, who has no background and no strength?

Wang Lin gazed at Chu Ying. Seeing that she was really planning on not giving her face at all, Wang Lin forced himself to apologize to Ye Chen. He could not help but take a deep breath. His face was gloomy and said:

"Miss Chu, if I have offended you, I apologize, but I can't apologize to him!

The reason is very simple. He is just an outsider who has no identity and is so humble that he can no longer be humble. Let me apologize to such a person?

I'm sorry, he's not qualified to accept it. "

Even if he knows his position, it's better for him to apologize to Chu Ying, OK, but to apologize to Ye Chen, such a lousy product?

This face, he can not afford to lose, Wang family even more can not afford to lose!

"What do you say?"

Chu Ying eyes, has flashed anger, ye Chen lowly? Ye Chen is not qualified?

Ye Chen stands behind the devil emperor!

Don't you have the right?

But this layer of things, she can't say!

Otherwise, the country of Jiuyou will surely shake and be in chaos!

Even the king demon dust will also hand to Ye Chen!

"I said he didn't deserve it!" Wang Lin glanced at Ye Chen and said, "is the genius of Shenhua academy just like nature? What kind of person should I apologize for? "

With that, he looked at Ye Chen, who was deep in thought. In his eyes, he saw a fierce killing opportunity in his eyes and said to Ye Chen fiercely:

"good, are you still drinking? What's the name of this one? Chenye? Mr. Ye? It's really relaxing enough. Do you really don't know how to observe or pretend to be stupid?

I advise you, sensible, get out of the Shenquan building, I can not pursue today's affairs.

Boy, don't have some ideas that you shouldn't have. The identities of Miss Chu and I are beyond your imagination. You don't have the right to connect with Miss Chu, you know?

Do you think that if Miss Chu is fond of you, everything will be all right? Ha ha, you are so naive. You don't know what the consequences will be... "

"Shut up!" Chu Ying Nu shouts, this Wang Lin is really enough!

In the end, what qualification does he have to say to Ye Chen?

Suddenly, a hand, pressed on Chu Ying's shoulder.

Chu Ying Leng for a moment, looking back, is Ye Chen's hand.

Ye Chen said with a smile to Chu Ying, "my business, I'll deal with it."

After that, he looked at Wang Lin and said, "you just said, I can't touch? You see, I'm in touch now? "

"As for the Wang family behind you -"

Ye Chen comes to the window and looks at everything in the kingdom of Jiuyou, with his hands behind him.

Jiuyou, without the appearance of war, is so prosperous.

All of a sudden, his voice sounded like nine days above: "what's the king's family?"

"Get down on your knees!"

The pressure is suddenly released!

"Plop!" One sound!

In public shock, Wang Lin actually knelt down directly!

Even Chu Ying was stunned.

She originally, can help Ye Chen block Wang Lin, after all, her identity, is the legitimate daughter of the Chu family.

Both the Chu family and the Wang family are big families in the capital city of the kingdom of Jiuyou. Such big families collide with each other. In the final analysis, it is within the kingdom of Jiuyou and between the powerful families in the capital.

The Wangs can accept it.

But ye Chen, directly insulting the Wang family? Let Wang Lin kneel down!

In this way, it really involves the face of the Wang family. The Wang family will not let Ye Chen go!

She knew that ye Chen had something to do with the devil emperor and had unlimited potential. However, the devil emperor had not really appeared. Now ye Chen could not be the opponent of Wang's ancestors!

Chu Ying pulls Ye Chen, some flustered way: "Ye Chen, don't do this!"

If ye Chen really offends the Wang family, even if she and Ge Qing come forward together, I'm afraid, they may not be able to protect Ye Chen. Chu Ying is really worried.

After all, the Wang family and the Chu family are all monsters with hundreds of thousands of years of accumulation. They are not ordinary forces at all. They are not even comparable to the demons outside the kingdom of Jiuyou!

Offending the Wang family may be more serious than ye Chen offending the top forces in Lingwu mainland!

Ye Chen gently took away her hand from Chu Ying's shoulder and said with a smile, "don't worry, I have my own discretion." "Good, good!" Wang Lin stares at Ye Chen's eyes and laughs angrily. He says in a cold voice, "kill him!"

At Wang Lin's side that white robe youth hears speech, extremely does not take the sentiment ground to say: "yes."

Say, want to Ye Chen hand!

"Dare you Chu Ying shouts violently. Even the young man in white robes who sealed the door in half a step, can't help frowning. With Chu Ying in, he can't do anything.

Wang Lin's face sank and ye Chen insulted the Wang family. Today, he must die here. Even Chu Ying can't stop him!

He sneered at Ye Chen and said, "boy, why? Only dare to hide behind a woman? Where was your pride just now

Ye Chen light way: "Chu Ying, nothing, I said, my matter, I solve myself."

Although his tone is flat, his eyes are very serious.

Chu Ying looks at Ye Chen's eyes, subconsciously converges own prestige.

But Wu Yang and Wang Lin are happy in their eyes!

Have to say, this ye Chen, really crazy, but, also very ignorant!

What did he solve? Take your own life?

Wang Lin and Wang Lin are both about to laugh!

But the more stupid Ye Chen is, the more happy they are!

At this time, Wu Yang suddenly said to Wang Lin, "Wang Shao, how can you kill a chicken with a butcher's knife? How about I take care of this waste? "

Wang Lin looked at him, nodded his head and said, "yes, thank you, brother Wu."

Wu Yang's face is happy. Supported by Wang Lin, he starts in the Shenquan building. He has no scruples.

Wu Yang's whole body, suddenly soared a dark blue whirlwind, the wind howled, the space tears, the extremely strong Qi strength in the storm operation!

Vaguely, behind Wu Yang, there appeared a huge blue eagle shadow, which seemed to be able to bring the end of the storm, rushing toward Ye Chen!

The guests in the restaurant could not help but exclaim!

Wu Yang, as the peak genius of Shenfeng college, is really extraordinary!
