

Physician 2051

Chapter 2051

What Wu Yang is doing is the famous eagle flying palm in Shenfeng college, which is the same level as ye Chen's hundred step electric drive! Is the strength of a little less than half a step of the strong, I'm afraid they dare not to rival Wu Yang this palm!

And Wu Yang, did not mean to keep his hand, with all his strength!

With one move, Wu Yang looks at Ye Chen with scorn. In his imagination, ye Chen will panic, tremble and even beg for mercy with the most humble gesture!

"Is that your strength?"

Wu Yang did not expect everything, ye Chen, just a light language.

Then, the beast decayed sword moves!

A moment, only a short moment.

Between heaven and earth, there is a sword light!

A sword light containing a strange charm!

A sword light that runs through the universe and even through time!

Cut the sky!

However, this move, ye Chen, did not use all his strength.

Wu Yang is not as good as Zhou Chun.

However, even such a sword is enough to shock!

The moment the sword flashed, the violent storm that seemed to have razed the whole capital of Jiuyou kingdom to the ground, disappeared quietly like the breeze in spring.

Wu Yang's expression, solidified.

The sword light, while chopping at him, filled his soul with great fear.

He wants to scream, he wants to cry, he wants to beg for mercy!

But he couldn't even do it!

This strange sword light flashed from Wu Yang's body in an instant, and there were seven or eight ways to protect his body.

It's all from body protecting magic weapons.

However, the aura, less than a tenth of a second, then disappeared, as if it had never appeared.

At the next moment, there was a light sound, as if frozen by ice. Wu Yang, standing still in place, turned into dust and dissipated. Even the spirits, in the frightful sword light, completely disappeared!

Wang Lin was stupid, Liu Baizhan was stupid, and even the enigmatic Li Shen's face was extremely wrong.

How dare Ye Chen kill people here?

In the Shenquan building, the sound of crackling sound continuously rings. The wine cups filled with the extremely expensive and delicious spirit wine fall on the ground one after another, becoming smashed and spilled all over the ground.

Originally, the guests who wanted to drink still kept the posture of raising their glasses, and their bodies were stiff.

Ye Chen's sword light not only turned the extraordinary and proud Shenfeng college genius into powder.

Even the souls of all the people present were chopped to dissipate!

What kind of a sword is that?

Many people have not even seen what ye Chen has done! Wu Yang, just die?

Is Ye Chen a man or a demon?

Even Chu Ying couldn't believe his eyes.

Although she knew that ye Chen's strength was above Wu Yang and believed ye Chen could defeat Wu Yang, she did not expect that ye Chen would win so easily!

It's just a sword, or a very fast sword.

Wu Yang completely disappeared from the world.

However, ye Chen did not have any accident.

was influenced by the devil's eye just now.

He stepped into the nine you, on behalf of the devil, but also for the devil!

How is the devil emperor willing to make ye Chen aggrieved?

And just now in my mind, the demon emperor who has not yet awakened has left a word of awe inspiring nine days!

"The sky is falling down, the emperor is holding it up!"

Ye Chen squinted at Wang Lin, who was almost paralyzed by his own sword, and said indifferently: "I don't want to start."

"But if the family behind you comes to me again, I promise that from now on, there will be no royal family in the kingdom of Jiuyou."

With the fall of Ye Chen's voice, all the talents came back from the surprise. They looked at Ye Chen in disbelief. He continued to trample on the dignity of the Wang family!

Wang Lin's eyes were bloodshot and full of anger. His lips trembled with anger and said, "bastard! You want to die! Wei Qing, do it! Give me a piece of it

"Yes The expressionless young man in white robed, with a low drink, suddenly opened his eyes!

His a pair of eyes, actually is silver white color!

At the same time when he opened his eyes, a wave of mind surged to Ye Chen's consciousness sea!

"Eh?" Ye Chen eyebrow tip a pick, show a trace of unexpected color, this man named Wei Qing, unexpectedly, can use spirit attack?

But it's not over!

In Wei Qing's hand, suddenly there is a long black gold stick, which is actually a half step artifact!

Wei Qing roared, the long stick in his hand turned over and stirred the wind and cloud. Between opening and closing, the heaven and earth turned upside down, the sky and the earth tilted, and the sun and moon were not bright!

The roaring sound resounded throughout the capital city of Jiuyou. It was the sound of space being broken by Wei Qing's long stick. The powerful spiritual power gathered like a dragon! Among the sudden collapse of the stick, there is a myriad of emotions, which condense in the long black gold stick and pound it towards Ye Chen!

"Not good!" Chu Ying dark drink, she wanted to stop, some too late!

Li Shen was staring at Wei Qing. He was also bright in front of his eyes and said that he was a good stick in the dark!

This stick, strong to incredible!

How strong is it?

If not that kind of super demon, the general half step seal strong person, will die under this stick!

And just Wu Yang, is not a level of existence at all!

Wei Qing is Wang Lin's personal guard. If he can serve as a guard for Wang Lin's lineage in Wang's family, naturally, there is something extraordinary about him. What qualifications do ordinary warriors have to guard Wang Lin?

The reason why Wei Qing is so strong is not unreasonable.

As a big family in Jiuyou Kingdom, the resources mastered by the Wangs have reached an unimaginable level. Wei Qing's talent is indeed extremely against the sky. He has part of the blood of a top-level monster called yinyueshen ape. He is born with the ability to attack with divine thoughts, and his power is incomparable!

The stick technique that he used was specially found by the Wang family for him. It was a real divine level martial art, and it was very suitable for Wei Qing. It was called Tiangu benglong cudgel!

But Wei Qing, since he can walk, has been practicing this kind of stick technique all the time. How can he not be strong?

With the powerful destructive power of this set of divine level staff, as long as the opponent has a moment's carelessness, it will disappear in an instant under his black gold stick!

With his mind attack, can be called invincible!

However, Wei Qing soon found that ye Chen was not affected by his mind attack at all!

Even Wei Qing, who has always been calm, can't help but be a little surprised!

As proud as he is, he has to admit that ye Chen is really weird to the extreme!

It can also be said that the evil spirit has reached the extreme!

Under the impact of his mind, the ordinary strong man with half step seal will lose his mind and be in a trance. What about ye Chen?

Even the spirit is so stable!

Does your mind attack have no effect at all?

Chapter 2052

However, even so, the stick of Wei Qing attacking Ye Chen did not waver at all!

Since his spirit can't be broken, it's hard to crush by strength!

Ye Chen looks at Wei Qing and smiles.

He laughed excitedly.

In his eyes, burning desire, desire to fight! This Wei Qing, is an opponent worthy of all his efforts!

Ye Chen roared, the divine lines exploded and flashed, the purple flame was shining, and his body shape changed into the existence of half beast and half demon!

God blood, burning blood formula, true spirit change, demons manifest, at the same time!

"Combined attack of spirit and evil spirit!" Not only that, ye Chen drinks a sound, the whole body electric light emerges, body changes thunder, 100 steps to chase electricity!

His figure, flickering in the space gap, deceives Wei Qing's body side!

In this moment, Wei Qing felt his brain dizzy!

His eyes are wide open. He knows the feeling!

It's mind attack!

Ye Chen, unexpectedly with his best idea attack, shook his spirit!

Not only that, Wei Qing even felt that his whole body spiritual power was slightly stagnant!

Although, no matter the spirit, or the spiritual power, there are only a short moment of problems, but this moment, for the fight, enough to change a lot of many!

Wei Qing's black gold stick, which rushed directly to Ye Chen, suddenly weakened most of its strength. However, ye Chen did not dodge the iron stick, which was a half step artifact that was forced to hit him.

It's enough to sweep all the swords in front of you!

Everyone, can't help but take a breath!

Look at Ye Chen like a monster!

They all think that ye Chen will temporarily avoid Wei Qing this stick, who thought, he unexpectedly so hard hit?

Ye Chen's face appeared a trace of crazy color, breath suddenly burst out!

The beast decaying sword dances quickly, which makes the sword spirit spread all over the world. It makes everyone feel shocked. Where is the sword meaning?

It's just the breath of a demon! It's horrible!

Wei Qing, who was originally expressionless, had changed her face.

It's the same sword, the fastest to the extreme.

However, compared with the sword cut by Wu Yang before, this sword is obviously, several times stronger!

This sword, ye Chen used all his strength!

If Wei Qing doesn't have any influence on his spirit and spirit, maybe he can hit Ye Chen in front of Ye Chen's sword, but!

Now, he knows that even if he can hit Ye Chen with one stick, ye Chen's sword will surely kill him!

Wei Qing's face appeared to be frightened. This was the first time that he felt fear from childhood to adulthood!

Perhaps, he this stick, can kill Ye Chen, but, oneself?

Oneself, by Ye Chen that sword cuts, can how?

He was so scared that even Wei Qing was afraid of it!

Fear from the heart!

"Ah, ah, ah, ah!"

Wei Qing roared, the long stick turned upside down, no longer locked Ye Chen, but, to Ye Chen cut to the beast rotten sword to block!

When they see this, their pupils shrink again. Wei Qing, in front of Ye Chen's startling sword, actually gives up the offensive and chooses defense!

Wei Qing, retreat!

A smile appeared on Ye Chen's face. What he wanted was this effect!

Sword and stick collision!

There was a tremendous noise, and the forbidden light of Shenquan building shook wildly. A figure, like a shell, flew backwards and hit the shop wall opposite the Shenquan building!

Even, the wall with forbidden blessing collapsed!

They looked in the direction of the shop and saw a man covered with blood, his arms were broken, and he was lying on the ground, seriously injured and dying!

That man is Wei Qing, who is half a step closer to the door!

Ye Chen is standing in the same place. His right hand with the sword is also dripping with blood. You can see the white bones all over the cracks. However, ye Chen still stands well. It seems that such injuries have no impact on him at all.

Then, in the trembling eyes of the people, an incredible scene appeared.

Ye Chen's hand that seems ferocious incomparable wound, unexpectedly, quickly healed up!

At this time, the original did not have a glimmer of hope for ye Chen, who thought that he must fall in the hands of Wu Yang and Wei Qing, had a trace of awe at this strange young man.

This man, can't be provoked!

Ye Chen's face floated a vicious smile, staring at Wang Lin, whose face was as white as paper and trembling violently, and said, "this is what you call the consequence?"

"Ah Wang Lin heard Ye Chen's words, suddenly exclaimed, turned around, and wanted to run away! He's going to collapse completely. He's still some kind of warrior who creates the realm. He's a devil from nowhere! Even Wei Qing, who trusted and was extremely powerful, was defeated by Ye Chen with such a sword!

But will ye Chen let him go?

In Ye Chen's eyes, the purple light twinkled, and the Qi of Geng Jin and the evil spirit swept over him. He was forced to ascend in vain. His purple eyes were staring at Wang Lin, and he said, "who allowed you to leave?"

At the next moment, Wang Lin, who had been fighting for his life, ran out of the door. His body suddenly stopped!

He looked at his legs in panic, biting his teeth, trying to step, but his legs, as if they did not belong to him, did not move!

Ye Chen's words are just like the Oracle, and can't be disobeyed!

He turned his head in a hurry and looked at his back. The young man with a wicked smile on his face screamed in fear: "you What are you doing Don't come here

Ye Chen's smile, more and more cruel, evil spirit swept, just like the magic emperor in his youth.

"If a man wants to kill you, what will you do to him?"

Wang Lin is really about to collapse. When did he really experience the taste of death?

Ye Chen walked to Wang Lin's back, slowly raised his hand and patted Wang Lin's head. If this palm fell on Wang Lin's head, there would be only one result.

Wang Lin, die!

At this moment, Wang Lin's mind completely collapsed. He had already seen that death was waving to himself.

His lower body was suddenly wet. In the capital city of Jiuyou, the second prince of the Wang family, who was able to make the wind and rain, was scared to urinate by an external chemical maker!

Wang Lin lost his reason and cried out: "you can't kill me! You can't! I'm the Wang family! "

"Once you kill me, you can't bear the consequences! You should know that! "

When ye Chen's hand is about to fall on Wang Lin's head, he suddenly stops.

Because a hand, hold Ye Chen's wrist.

A thin white hand.

Chapter 2053

"Well?" Ye Chen looks at his side, standing beside him is Chu Ying.

Chu Ying shook his head at Ye Chen and said:

"Ye Chen, you can't kill him, at least, not now Although you have offended the Wang family and damaged his face, as long as Wang Lin is alive, things will change.

However, if you kill him, you will have a death feud with the Wang family. No matter what, they will take your life. There is no need to confront the Wang family now, right? "

Chu Ying is very clear, even if he told the Wang family Ye Chen and the connection between the devil emperor, the Wang family will not believe it!

And the Wang family may even unite with the king of the demon clan to kill Ye Chen!

Ye Chen's eyes flashed a few times, and finally, he nodded and put down his hand.

Although, he stands behind the devil emperor, but if the top warriors of the Wang family pour out their nests, he will almost die.

Most importantly, he knew that when he killed Wang Lin, not only he, but also Chu Ying and Shenhua academy would be implicated.

So Ye Chen stopped. He didn't want to involve others because of himself.

Wang Lin was relieved and lost his face. It was really serious, but his life was still the most important thing.

"But..." Ye Chen stares at Wang Lin: "I don't like to let the tiger return to the mountain."

With that, Ye Chen's breath broke out suddenly. His realm was obviously lower than that of Wang Lin, but the breath that startled the sky directly hit Wang Lin's mouth and spat out blood and was seriously injured.

At the same time, an indescribable terror was planted in the spirit of Wang Lin!

"Ah, ah, ah!" Wang Lin screamed and fled to the outside of the Shenquan building. Even because his legs were weak, he had to use both hands and feet to climb out of the building like a dog.

Ye Chen indifferently glanced at Wang Lin who left, and said with a smile to Chu Ying, "OK, go up and continue to drink the bar."

"Ah?" Chu Ying slightly a Leng, ye Chen at this time, still in the mood to drink?

You know, the people of Wang family may come here soon!

Ye Chen's nature of mind is so strong as to be!

However, on second thought, what is the use of Ye Chen's hiding and even escaping from the capital immediately?

The Wangs will still find him.

She couldn't help but smile to Ye Chen and said, "yes, we're here today to drink."

At the same time, she secretly held a jade amulet, and a light flashed on it. She had informed the Chu family to face the royal family. In this capital city, except for the royal family, only the Chu family could do it.

However, until evening, outside the Shenquan building, there was still no movement.

Even ye Chen is a little strange.

Why hasn't the Wang family found it?

What he did not know was that at this time, there were two middle-aged men with obscure breath and extraordinary prestige standing in the air at tens of thousands of meters above the Shenquan tower.

If you can see the city, you will be surprised!

These two people are the contemporary masters of Chu family and Wang family!

Chu Hong and Wang Xianghai!

These two people have profound accomplishments!

Wang Xianghai gazed at Chuhong and said, "Chu Hong, do you really want to protect him? Is it worth the Chu family to do this

Chu Hong said with a relaxed smile: "just a creator? He he, Lao Wang, do you really think that he is so ordinary? Well, since he is an ordinary person, if you kill him now and I don't intervene, how about it? Lao Wang, do you dare? "

"You Wang Xianghai was angry, but he did not dare to do it.

When he learned that Wang Lin was seriously injured and the Wang family was humiliated, he was furious. After knowing that Chu Ying was also with Ye Chen, he decided to kill Ye Chen by himself. After all, Chu Ying, the general strong man in Wang's family, might be blocked by Chu Ying, but he and Chu Ying were absolutely unable to stop him.

But what happened? Ye Chen is still drinking well.

In fact, he arrived a little earlier than Chu Hong. If he wanted to, he could kill Ye Chen at that time. However, Wang Xianghai did not make a move.

The reason is very simple, the breath of Ye Chen!

Just a moment ago, he seemed to see the supreme demon emperor among all ages!

Even when the devil was young!

The manner and tone are the same!

Wang Xianghai doesn't believe Ye Chen is related to the devil emperor, but he doesn't dare to rush out!

Of course, the evil emperor fell in the endless river, but the evil emperor Yu Wei still shrouded all the people in the country of Jiuyou!

"Chu Hong, what did the devil emperor tell us when he fell? Can the devil come back? "

Wang Xianghai suddenly said.

Chu Hong looked at Ye Chen solemnly and murmured: "I had a dream last night. I dreamed that the devil emperor came to Jiuyou and led Jiuyou to kill him with one sword and one shot.""In the dream, the heavenly palace is broken, the rules of Lingwu land are broken!"

Wang Xianghai took a deep look at Chu Hong, and finally turned to leave. Just before leaving, he said faintly:

"Lao Chu, I give you this face. But you don't think, Wang family will be so, you can protect for a while, can't protect a lifetime!

On the birthday party and practicing martial arts, my Wang family will make him pay the price! "

.....

At the same time, the periphery of Jiuyou kingdom.

It's a wilderness.

The void is split.

King of ice sword and Ji Lin fall from the sky.

Ji Lin saw the desolation around him and frowned: "old ice, this place is so desolate, how to see it doesn't look like the location of the nine secluded country in your mouth."

The king of ice sword twitched a little when he heard the word "Lao Bing." he said, "I am the master of Ye Chen. How can you call me elder..."

Ji Lin suddenly said, "elder Bing, what should I do next? Will you come in with me

King of ice sword

For a long time, the king of ice sword said, "you wait here. The kingdom of Jiuyou is not just a place to enter."

"I will inform Ye Chen with the technique to see if ye Chen can get you into it."

With that, the king of ice sword disappeared.

Ji Lin took a look at the desolation around him, but he could only find a stone to sit down and murmured: "isn't Lingwu the holy land of cultivation? How can there be such a desolate place It seems that aura is very thin. "

"It's strange."

In the sky, the king of ice sword did not leave.

He looks down on the earth with complicated eyes.

Suddenly there was a figure beside him, which was the eternal king.

"Yonglao, Shenhua academy brought Ye Chen to Jiuyou country. I'm afraid it's that thing."

"I always feel that ye Chen is in it and something will happen."

The eternal King drank a mouthful of wine and said faintly, "fate is something that can't be understood."

"Now this son has something to do with the devil's way, and even more has a cause and effect with the devil emperor."

"Now, he is stepping into the kingdom of nine seclusion again. I'm afraid this boy is trying to revive the evil emperor like a nightmare in the kingdom of God."

"I have a premonition that the nightmare of the kingdom of God is far more than anything, even the shadow caused by the original Ren boy."

Chapter 2054

It's almost time.

Ye Chen is ready to send Chu Ying home.

After all, this time, Chu Ying blocked a lot of trouble for him.

It's not a lot of meeting.

Although Chu Ying knew the relationship between him and the devil emperor, it was unnecessary.

Chu Ying's head is low. She has extraordinary talent and strong family. Therefore, few men can get close to her, and most of them are the type she dislikes.

For the first time in her life, she was so close to a man.

Although she used to tease Ye Chen in the moon tower, Chu Ying had no experience with men.

Now, in this atmosphere, Chu Ying is actually shy.

Ye Chen looks at Chu Ying strangely. Now Chu Ying seems to have something wrong. He can't help but say, "Chu Ying, what's the matter?"

"Ah?" Chu Ying came back to God and shook his head and said, "nothing By the way, ye Chen, do you want to look at my face? "

Chu Ying always covers her face with a veil, not because she looks ugly. On the contrary, she is very beautiful, even if she is covered with a veil.

However, she hated the men and looked at her eyes, so she always covered her beauty with a veil.

But now, Chu Ying's heart, a sudden surge of impulse, she wants to be in front of Ye Chen, take off the yarn, want, let Ye Chen enjoy his beauty, want, get Ye Chen's praise

Ye Chen slightly a Leng, at this time, fengqingyang is ha ha, a smile to open a way: "boy, this woman before, may just be some interest in you, now, is really moved to you!"

"Ah?" Ye Chen is a little confused, but he still smiles at Chu Ying and says, "Chu Ying, you don't need to specially pick the yarn for me. Tomorrow, will you attend the birthday banquet of the royal family of the kingdom of nine you?"

Chu Ying under the veil of the small mouth, slightly pouted, or nodded: "Chu family this time, let me go to celebrate birthday."

Ye Chen said with a smile, "will you bring a veil tomorrow?"

Chu Ying suddenly realized that tomorrow, to participate in the royal family's birthday party, naturally can not cover up, that is disrespectful to the royal family.

"I will look forward to tomorrow."

Since, tomorrow can see Chu Ying's true appearance, why let Chu Ying take off the yarn now?

"Well!" Chu Ying secretly determined that tomorrow, we must dress up.

"By the way, Chu Ying, can you give me that thing in the kingdom of nine you?"

Ye Chen thought of the most important thing, even busy way.

Chu Ying has some helplessness. In the end, she can't compare with that thing.

Of course, she said: "I have discussed with my father, as to what the father intends, it depends on his meaning."

Ye Chen nods: "understand."

After returning Chu Ying to Chu's home, ye Chen returns to Yuelai hotel.

Once back to his room, ye Chen is the first time to communicate with the devil's eye.

"Devil's eye, are you awake?"

However, it was a long time before a sound came.

"On that day, the injury was still there, but the thing of the past awakened me in advance."

"Fortunately, this is the land of Jiuyou. The magic Qi of Jiuyou is condensed under the earth. I can recover a little bit with this."

"Ye Chen, I'll try to talk less now. But at the critical moment, I'll do it for you. "

"I'm not sure if there are any followers of the king and the devil in this nine secluded country."

"I don't want to be exposed. It doesn't mean that others dare to touch you."

"You can do everything at ease."

The sound disappeared.

Ye Chen frowns tightly, no matter how, he provokes the matter, he hopes to carry by himself.

Tomorrow is a bad day.

When ye Chen ponders, a stabbing pain suddenly comes from the center of his eyebrow.

This is the news of the king of ice sword!

Ji Lin is on the outskirts of Jiuyou!

Key, Ji Lin how to find here!

Ye Chen doesn't care about everything and directly contacts Chu Ying. After all, he wants to let Ji Lin in. Ge Qing is not qualified.

However, the reply was that Chu Ying was unable to use the power of the family to release people at this critical point.

People in the kingdom of Jiuyou are afraid that someone will do something in the banquet.

"What to do?"

Chen paced back and forth in the room.

His current strength can not break the prohibition of the country of Jiuyou and the outside world.

Even if it can be broken, I'm afraid he can't stand in the country of nine you.

"I'll do it."

Just then, a voice came from the center of the eyebrows.

The devil!

"Devil, do you have a way?" Ye Chen excited way.

However, I thought that the devil emperor had been in charge of Jiuyou. If the door of Jiuyou could not be opened, it would be ridiculous.

"Ye Chen, if you spread out your palm, it will hurt a little later. You have to bear with it." The voice of the demon emperor rings. Ye Chen did it.

Soon, he found that the palm of his hand was overflowing with countless evil Qi.

And even his immortal body felt some sting.

I don't know how long it took, the evil spirit disappeared.

An ancient Rune appears.

Ye Chen just swept a glance is to feel the heartbreak.

What terrible power! It's like being able to communicate with hell.

Seeing ye Chen's doubts, the demon emperor explained, "this is the Jiuyou emperor's talisman. My cultivation is limited and I can only gather one day's strength."

"This nine, you can communicate freely

"Bring that little girl in as soon as possible."

With that, the voice of the demon emperor disappeared, and he obviously did not want to lose more strength.

.....

Ye Chen comes to the entrance of Jiuyou country.

It was extremely quiet, and no one was stationed.

Obviously, Jiuyou kingdom is not afraid of others entering.

After all, the power of the prohibition is the power of Jiuyou. Who can shake it except the people of the royal family of Jiuyou!

Ye Chen takes a look at the nine you emperor Fu in the palm of his hand, opens it directly and presses it on the gate.

After a brief silence, the door opened directly!

Space turbulence surging, nine you light incomparably dazzling.

Ye Chen one joy, also does not waste words, strides directly into among them!

Soon, he came to the barren land again.

On a stone in the barren land, a little girl has fallen asleep.

In the cold wind.

The little girl curled up in pity.

"Ji Lin doesn't know what to do here."

Ye Chen took off his coat and wrapped up the sleeping Ji Lin directly and left for the country of nine seclusion.

There was joy in the corners of his mouth.

But more worry.

Jilin has taken his sister as his own.

Ji Lin may feel something, hands around Ye Chen's neck, tightly holding.

Close to Ye Chen, so it's warmer.

He even talked in his sleep.

"Ye Chen, I I didn't mean to I didn't mean to let my sister have an accident

"Ye Chen, don't scold me. I know I'm stupid, I can't practice, and my level is low But But I really want to help you. "

"Ye Chen, I miss my sister so much. I've come to Lingwu to find my sister. Now I haven't seen whether my sister doesn't like Ji Lin any more."

Chapter 2055

"One day, you and my sister will be strong enough to protect you?"

"Although I call you ye Chen all the time, in my heart, you are a person to rely on."

"From childhood to adulthood, I had no friends except my sister, but in the five years in Kunlun Xu, I really regarded you as a friend."

"Ye Chen, it's good to eat Chinese snacks. I don't know when I can eat it again..."

"Ye Chen, if I die one day, I hope you can bury me in China. I want the tomb to be full of beautiful and bright stars all over the sky. It is said on TV that the flower language of all sky stars is watching and

supporting roles. I have no ability. I just want to be a supporting role and keep watch on you and my sister all the time..."

Hearing this, ye Chen stopped.

He took a deep look at Ji Lin in his arms and found that Ji Lin held him tightly.

The body is shaking.

Seems to have a nightmare.

The eyelashes were covered with tears.

There was a long tear mark on the cheek.

I don't know why, when hearing Ji Lin's last dream words, ye Chen can't bear it.

The bottom line of my heart was knocked down.

Ji Lin is a child after all.

What she's going through shouldn't be what a child should go through.

Pain, torture, helplessness, sadness, since Ji Lin set foot on the land of Lingwu, every day has been staged.

What kind of despair is it for a child who does not know life and death to hope that the grave is full of stars?

Ye Chen doesn't know how Ji Lin spent his days and nights trapped in the soul clan.

I don't know what kind of pain Ye Luo Er is suffering now.

For the first time, he thought he was useless.

He wants to be stronger.

Because children with congenital poisons are doomed to have no peace in their lives.

Is this sad or happy?

Ye Chen reached out and touched Ji Lin, his eyes were soft and firm:

"Ji Lin, I promise you, I will keep your peace all my life."

"If I live, the sky can't move you."

The gate of nine seclusion is completely closed.

Under the bright light, is Ye Chen's lifelong commitment.

And this commitment needs blood to protect.

Ye Chen's blood.

.....

The next day.

Ji Lin opened his eyes difficultly. When he saw all the strange things, his eyes widened: "I am not sleeping on the stone, where is this?"

All of a sudden, Ji Lin saw the leaf Chen lying beside him. At the moment, ye Chen's hand is still holding her hand.

It's warm.

Ji Lin secretly smile, revealed the pear vortex.

But soon she put on a serious look and coughed: "Ye Chen, wake up, did you wash your hands yesterday? It stinks."

Ye Chen opened his eyes, saw Ji Lin, touched his head: "I go to wash now, OK."

As soon as ye Chen turned around, Ji Lin thought of something and said in a loud voice, "Ye Chen, there is something I haven't told you. Something happened to sister Luo'er!

She was taken away by a force called Linghu family.

I've come to you because I want you to come with me to save sister lol. "

"I know." Ye Chen stops and looks dignified.

He also met Linghu family in the western regions.

Strength is not strong, should be just a puppet, now he is enough to ask Ye Luo Er's whereabouts.

"How do you know? Now that we know what to do, we'll set off at once Ji Lin is in a hurry.

Ye Chen grabs Ji Lin and says, "luo'er has given me part of the news with her technique. She seems to be bound by a chain. As for where, I don't know.

One more day, if there is no detailed information, we will leave for Linghu family! "

"I'd like to see who dares to move lol!"

There is a reason why Ye Chen didn't start immediately.

If he leaves today's banquet, all the anger of the Wang family will be borne by Shenhua college and Chu family. This is his injustice.

Luo'er is just trapped now, there is no danger to his life. After dealing with the matter of Jiuyou, he will start immediately!

At this time, Ge Qing's voice sounded outside the door.

"Ye Chen, are you awake?"

Ye Chen opens the door and sees Ge Qing standing outside with a bitter smile.

Ye Chen made way for the body: "headmaster, please come in."

Ge Qing walked into Ye Chen's room. When he saw Ji Lin, he was stunned: "Ye Chen, how did this child come?"

"The kingdom of Jiuyou can't allow outsiders to come in. This child's breath is obviously not a person of Jiuyou..."

My sister Zhichen, she must take me to the banquet

Ge Qing frowned tightly: "it's better not to take her, or there will be trouble then."

However, ye Chen has made up his mind and said directly, "I want to keep her peace all my life, and I must take it with me." Ge Qing was quite helpless and did not go into it. Instead, he said, "Ye Chen, how did you kill Wu Yang?"

Chen Bei, the old bastard of Shenfeng college, is going to be mad by you

Even Chen Bei, a genius of this level, is hard to explain.

Ye Chen light way: "he wants to kill me, I, naturally want to kill him."

Ge Qing nodded and didn't say much. Ye Chen was the one he brought in after all. He would solve Wu Yang's affairs for ye Chen. Otherwise, if the students of the college would be held responsible for self-defense, why should he be the president?

However, he suddenly and seriously said to Ye Chen, "Ye Chen, I come to you now to celebrate your birthday."

"Oh?" Ye Chen's eyes flashed and he was interested in saying, "please speak to the headmaster."

Ge Qing said: "although we old guys have brought you here, we will celebrate the birthday, but we are not in the same venue with you."

After all, the royal family of the kingdom of Jiuyou, who celebrated his birthday, is the ninth daughter of the emperor of Jiuyou and is a younger generation.

People in the kingdom of Jiuyou call it the ninth princess. It's the birthday of the younger generation. We old guys are present. Many people will not be able to let go of it. Although we say so, in fact... "

Ye Chen interface way: "in fact, this birthday banquet, do not want to let the elders intervene?"

Ge Qing nodded his head and said: "yes, this is an unwritten rule. If there is any conflict on the birthday party, the younger generation should solve it by themselves. However, there is also a rule that the existence above the initial stage of fengmenjing will not challenge the existence below the Fengmen state. It is the same when practicing martial arts."

Ye Chen nodded, if the general seal exists, he is not afraid.

However, this time, all the people who attended the birthday party were the top talents and monsters of Lingwu continent.

This kind of strong seal door, and ordinary strong door, completely, is the existence of two levels.

Ge Qing continued: "Shenfeng college, there is me to block you, but on this birthday party, you can only rely on yourself.

However, Liu Baizhan, who is close to the seal of Shenfeng college, may not be your opponent. Relying on themselves, they should be able to do nothing for you.

However, I got a message that Shenfeng college, somehow, seems to have some contact with shenhuang college. This time, the genius of shenhuang college may attack you. You must be careful! "

Chapter 2056

"Shenhuang college?"

Ye Chen murmured.

He has some interests, although Shenhua college is very strong! It is the existence that countless warriors yearn for!

However, it is rumored that shenhuang college is the most powerful and mysterious college in Lingwu continent, and few people know about it.

And the genius of shenhuang academy is to listen to words with combat power!

However, since it is not on the beginning of the seal, then, he Ye Chen has confidence and can win!

Ye Chen said with a smile to ge Qing: "headmaster, I know."

Ge Qing looks at Ye Chen's confident appearance, and feels a little relieved. Ye Chen is a super genius with a mark and a divine pulse. He must not have an accident at the birthday party.

After Ge Qing finished, he took him, Ji Lin, Shi Hua, and Zhao Lun downstairs for breakfast. After eating, he took several people and walked toward the Imperial City in the capital city.

The imperial city is a huge palace complex, and it is directly suspended on the capital!

After entering the Imperial City, Ge Qing and ye Chen separated.

Under the guidance of Ge Qing, ye Chen and Ji Lin walked toward a palace named the temple of God's heart, which seemed to be carved from transparent ice jade.

There, there will be a birthday party for the ninth princess!

Ye Chen and others, stepping into the palace of God's heart, look around, several people, can not help but pupil contraction!

Luxury! What a luxury!

They are a few people, are not vulgar to see the existence, but also by the extremely luxurious scene in front of them, completely shocked!

There is no one in sight. It's not a priceless existence!

Take the countless spiritual fruits on the table, for example. Those spiritual fruits, the lowest and the lowest, are the existence of thousands of years! And there is no one but cherish incomparable ah!

Even if you take one out, you will be able to make Lingwu land's zenith martial arts and grab your head!

And those delicious food, also, send out amazing aura, at least, is also half step seal of the monster meat!

Even if it is a strong seal to eat, will have a lot of help to the body, and the taste, attractive to the extreme.

Shenhuo college canteen Tianqu dishes, has been regarded as unparalleled delicious, but, compared with these dishes in front of us, is also inferior, do not know how many times!

In the palace, there is also a wine pool. In this wine pool, there is a strong fragrance of wine. In this huge wine pool, it is the top spirit wine of Shenquan Tower!

Usually, even if you want to drink such spirit wine, I'm afraid that the general strong seal the door, will have to lose everything!

Even the furniture and furnishings in the palace of God's heart are faintly emitting strong fluctuations. Unexpectedly, every piece is a weapon of time and space and even a level of artifact!

Ye Chen and others are almost speechless

The birthday banquet of the royal family of the nine secluded Kingdom, with the resources consumed, can cultivate several powerful people who are capable of sealing doors

Ji Lin swallowed his throat and disappeared for a while.

Then, ye Chen found Ji Lin holding a pile of food, mouth is full.

"Ye Chen, next time you come to this party, you must call me."

"A lot of delicious food. I'm so happy."

Ye Chen touched Ji Lin's head, without blame.

Ji Lin is happy.

At this time, there were quite a few people in the hall of God's heart. There were three or four hundred people. One by one, they had extraordinary breath. One by one, they behaved calmly and exuded strong self-confidence. Their accomplishments were almost above the later stage of Xingqiao!

Moreover, none of these people are over 30 years old!

These people get on the land of Lingwu. Every one of them is a super genius and a demon who can shake the city and crush countless people!

Ye Chen can't help smiling bitterly. His accomplishments seem to be the lowest among these people!

This is, indeed, a little awkward.

Of course, Ji Lin is not.

However, he didn't care too much about his cultivation. For him, it didn't mean anything. He just tasted the delicious food around him, lingguo, and chatted with Ji Lin from time to time.

It's comfortable.

At the same time, his eyes swept over the people who were present. Although their accomplishments were good, they were not really top-notch talents. It seems that the most evil people in this birthday banquet still have not been present.

Among these people, there are the children of the great power of Jiuyou, the disciples of the top forces on the Lingwu continent, and even the descendants of the hermit family.

There are some unknown mysterious forces of genius, one by one, are earth shaking existence.

However, ye Chen knows that these people are indeed geniuses, but only a few of them can be regarded as the top level.

At this time, the eunuch outside the Shenxin hall suddenly screamed: "dragon academy, chuxiao, Master Chu is here."

Ye Chen raised his eyebrows and looked out of the door. He remembered that when they entered the door, there were some other people who entered the door. No one signed up. Obviously, the royal family of the kingdom of nine you has a high look at Chu Xiao of the Dragon Academy.

I just don't know if there is any connection between the Dragon academy and the dragon family in Lingwu.

Ye Chen looked at the door and saw a man with indifferent eyes and cold temperament. He was wearing a green robe embroidered with cloud patterns. He looked like a man of twenty-five or six years old, and went to the temple of God's heart.

The man of 25-6 years old, awe inspiring, has already been the cultivation of fengmenjing!

What's more, it's still the existence of the five layers of fengmenjing!

This kind of cultivation and age is really against the heaven!

Behind Chu Xiao, there are two young men in white who are similar in appearance, both of whom are close to, or are actually, engaged in closed door cultivation.

Presumably, these three people are the three genius of dragon college.

Ye Chen can't help but be a little curious to the side of Shi Hua asked: "Shi elder martial brother, this Chu Xiao, what is the origin?"

Shi Hua looks at Chu Xiao with fear in his eyes and explains to Ye Chen:

"Chu Xiao is terrible. He is a genius on the Xuanxuan list of Shenlong Academy. Ye Chen, you may not know that there is a ranking list in Lingwu mainland, which is called Lingwu dengxuanbang, or dengxuanbang for short.

There are only one hundred places on the list. From the first place to the 100th place, there are two conditions for those who can make it. First, they are not old, and second, they are strong! "

"As the name suggests, all the people on the list are super talents who are considered by Lingwu mainland to have the potential to break through the closed door and enter the void.

Such a genius, every one, is almost like the existence of national treasure, even if the country of nine you, can not be ignored!

And Chu Xiao, in the Lingwu dengxuan list, ranked 97! Don't underestimate this ranking of 97. It means that chuxiao is almost the top 100 young strong man in the Lingwu mainland, among hundreds of billions of martial artists! "

Chapter 2057

"Oh?" Ye Chen looks at Chu Xiao with great interest. I don't know, which is the higher gold content of this Lingwu climbing XUANBANG and the divine pulse and mark on his body?

With the arrival of Chu Xiao, the scene was quiet for a time. Many people took up their glasses and walked towards chuxiao.

Chu Xiao's genius on the mysterious list is almost everyone's friend.

If, in the future, chuxiao really has a chance to break through Taixu, the whole Lingwu continent will tremble under the majesty of chuxiao, right?

It's absolutely right to have a good relationship with chuxiao!

After that, some people came to the scene one after another. Among these people, there was no lack of real top talents. However, after chuxiao, except for some members of the royal family of Jiuyou Kingdom, no one had a chance to be praised.

It seems that apart from the royal family, only those who are on the list can get such a courtesy.

At this time, the eunuch suddenly opened his mouth again and shrieked in a loud voice:

"shenhuang academy, LAN Yufei, Mr. LAN arrives!" Careful people can find that this time, his voice is even louder than when he recites the name of chuxiao!

Shi Hua said at Ye Chen's side: "Lan Yufei of shenhuang college is also on the Xuan list. Moreover, it is more advanced than chuxiao's, ranking 95th on the XUANBANG list."

Ye Chen looked at the entrance and saw a man in a water blue robe, 25-6 years old, with a gentle face and elegant temperament, walked into the palace of God with a smile on his face.

In the man's back, also followed two men, one close to seal the door for cultivation, the other, unexpectedly is also the seal door realm cultivation!

More terrifying is that Lan Yufei's breath is stronger than chuxiao!

This breath, even ye Chen, was shocked.

At the same time, his face also seemed heavy.

Today is the most top circle in Lingwu.

Once he thought that sealing the door was far away. Now it seems that his vision is low after all.

The stronger the strength, the more able to contact the stronger circle!

Otherwise, it is a frog in the well!

Lingwu land is gradually opened for him, it is a world of competing for the best!

Feng Qingyang suddenly said with a smile: "boy, what's the matter? Feel the pressure?"

"Well!" Ye Chen nodded: "Chu Xiao and Lan Yu fly, I may not be the opponent."

At present, he can't use his sword to cut the sky at will. But Chu Xiao and LAN Yufei, ye Chen can be sure, are not the kind of existence that can be killed by his own sword.

He now had a sense of urgency in his heart, a growing sense of urgency.

Ye Chen secretly determined to find the burning stele as soon as possible!

Activate the blood, he is qualified to adjust this group of people!

After LAN Yufei and others came in, ye Chen saw that Li Shen and Liu Baizhan had followed him in. Moreover, they stayed with LAN Yufei and others.

Ye Chen's eyes flash. It seems that what GE Qing said about the relationship between Shenfeng college and shenhuang college is true.

After a while, the atmosphere in the temple of God's heart gradually became warm. Many young talents talked and laughed with each other, and even some ambiguous atmosphere appeared between some men and women.

But suddenly, originally some noisy God heart hall, for a moment quiet.

Even more quiet than Chu Xiao and LAN Yufei when they enter the arena.

Ye Chen is a little strange. It seems that he didn't hear eunuch singing?

He could not help but turn his head and look out of the temple of God's heart.

This turn, ye Chen, also dull.

Completely dull.

Even forget to breathe.

At this time, a woman stood outside the gate of the temple of God's heart.

She is dressed as if a light gauze general, some transparent long skirt, will her nearly perfect figure, outline more exquisite.

But, more attractive than her figure, is her face!

Beautiful! Unspeakable beauty!

There are thousands of words in this world, but they are not enough to describe the beauty of this woman!

This is simply not the beauty that can exist in the world!

In Ye Chen's impression, there are only Ji Siqing, Xia Ruoxue and Yin Ming. In terms of appearance, they can be compared with the women in front of them.

And this woman, beautiful eyes wave light flow under, unexpectedly is and ye Chen on the eye.

Then, she was under the public's gaze, to Ye Chen, smile.

A smile, Baimei Shenghui!

Even with Ye Chen's calmness, he couldn't help shaking his mind!

This woman, of course, is no other than Chu Ying of the Chu family!

Ye Chen is a little absent-minded. He knows that Chu Ying is very beautiful and is ready to be surprised by today's Chu Ying. However, he did not expect that she should be beautiful to this extent!

When Chu Ying saw Ye Chen's appearance, she couldn't help feeling proud. She dressed up so carefully today. Then, Lianbu moved gently and walked in the direction of Ye Chen. But at this time, a handsome young man with a strong black suit and a black sheath sword on his waist couldn't help holding up two glasses of wine and walking towards Chuying.

This young man, named Xiaocheng, is also a famous genius in the kingdom of Jiuyou. He is 22 years old. He has a high level of cultivation in the realm of heaven. Moreover, he is a secret disciple of extraordinary forces in the country of Jiuyou.

Although Xiao Cheng's accomplishments are much lower than that of Chu Ying, Xiao Cheng is arrogant and confident. Within three years, he can catch up with Chu Ying.

Therefore, he decided to try and see if he could get the favor of Chu Ying.

Soon, Xiao Cheng came to Chu Ying and said with a polite smile:

"this fairy, my name is Xiaocheng, and I come from Jiuyou ancient sword gate. I wonder if I could invite you to have a drink with me

Chu Ying a Leng, however, or reserved smile way: "sorry, Xiao childe, I have friends waiting for me."

"All right." Although he had some expectations, Xiao Cheng was rejected. Naturally, he was not very happy. However, he reluctantly smiles at Chu Ying and stepped aside and said:

"it's a pity. I hope the fairy will have a good time tonight."

Then, he looked at Chu Ying, toward the direction of Ye Chen.

Xiao Cheng looked at Ye Chen, but did not despise.

After all, there is no mediocre who can enter here!

But he felt that Chu Ying's friend should not be ye Chen, but someone else.

More likely, he is a genius like Chu Xiao and LAN Yufei.

Only that kind of super monster can be worthy of Chu Ying, who has appearance, background, and even has a strong talent for martial arts.

However, at the next moment, Xiao Cheng's eyes glared, almost out of his eyes, and the glass in his hand fell to the ground.

Chapter 2058

Not only Xiaocheng, but all the people were shocked by Chu Ying's behavior!

At this time, Chu Ying came to Ye Chen's body and said with a faint smile: "today, did I let you down?"

That tone, don't say it's a friend, it's like a lover!

Chu Ying has never had such words and attitudes towards people in the kingdom of Jiuyou!

I can't imagine it!

People's thinking will be stagnant!

Chu Ying knows that if she does this, she will surely attract many people's attention to Ye Chen. However, this is the purpose of Chuying!

Although her father, the head of the Chu family, had agreed to protect Ye Chen, there were still many people in the Chu family who were very dissatisfied with Chu Hong's decision to go to the royal family for ye Chen.

So, in order to make these people shut up, ye Chen, you must prove yourself!

Prove your potential!

And this birthday banquet of nine princesses is the best stage!

She is confident in Ye Chen. She is almost invincible when she is unable to attack Ye Chen in the early days of the seal!

Almost all of us cast envious and envious eyes on Ye Chen. It is the dream of all men to be treated so intimately by a woman like Chu Ying!

Among them, the most unacceptable is Xiaocheng!

If Chu Ying simply refuses him, or chooses a better and more rebellious genius than him, Xiao Cheng has nothing to say.

But! Chu Ying not only refused him, but also chose Ye Chen as his partner for this birthday party?

Is it not to say that Xiao Cheng, a genius of ancient sword gate, is not comparable to this young man?

Xiaocheng, your eyes are exposed!

And Chu Xiao, LAN Yufei and others also look at Ye Chen with a smile.

They know a truth, that is to say, a man is innocent, and he is guilty. This is the same with people.

In short, they think that Chu Ying is not a woman Ye Chen can have, but being taken in by Chu Ying is not ye Chen's luck, but ye Chen's sin.

Lingwu continent, is so unreasonable, is such a cruel world.

And these from the corpse mountain Blood Sea walks through the genius, understood this truth even more.

Fair? For them, it's just a game for the weak.

Xiaocheng face cold, step by step toward Ye Chen.

The geniuses present, originally envious look, also became gloating.

They know, ye Chen, it's going to be bad luck.

People look at Ye Chen, originally thought, ye Chen will panic, will panic, even to Chu Ying for help.

However, to their surprise, ye Chen just calmly drank wine, tasted cakes, and even had a good talk with the little girl around him.

It seems that he doesn't care about Xiaocheng which is coming to him.

Soon, Xiao Cheng came to Ye Chen's face and said, "brother, in Xiaocheng, dare you ask your high name?"

Ye Chen glanced at him one eye, light way: "Ye Chen."

Xiaocheng took a glass of wine, raised eyebrows, looked at Ye Chen and said, "brother ye, make a friend, have a drink?"

Ye Chen doesn't think so. He casually takes up the wine cup beside him and touches Xiao Cheng and drinks up the wine.

What about Xiaocheng?

He looked at Ye Chen will be full of a cup of spirit wine, after a drink, on the surface, showed a trace of killing.

With a move of his hand, he took a wine pot, which contained the strongest spirit wine in Shenquan tower.

He casually raised his glass and touched his lips. He shook his head and said, "this wine is not to my taste."

One side of the Ji Lin white a look at this strange man: "do not drink if you don't like it."

However, the next second, not yet waiting for Ji Lin reaction.

The liquor was poured all over Jilin's head.

"Where do you come from? You can talk here?"

Ji Lin was wet through.

In a mess.

The wine was stained with hair.

Helpless.

Ji Lin's heart is full of anger. Has she ever been so wronged, insulted and abused?

One side of Ye Chen, killing suddenly burst out.

He doesn't care if someone moves him! But if it's Dong Jilin, even if it's the way of heaven!

Ye Chen just wants to start, suddenly, Ji Lin's small hand catches Ye Chen.

"Ye Chen, I'm ok. Just dry it. Don't make trouble."

Ye Chen's eyes are surprised. Is this Ji Lin?

Shouldn't Ji Lin be angry? Shouldn't you swear?

Soon, he noticed that Ji Lin's eyes were red and his fists clenched.

He understood, Ji Lin must see here is unusual, she does not want to cause trouble to Ye Chen.

She is willing to bear humiliation in silence and protect Ye Chen in this way.

Ji Lin has grown up.

Under the spirit of the ancient spirit is a scarred and mature heart. Ye Chen tightly grasped Ji Lin's hand:
"you don't need to be like this."

"Now you look like an adult."

"If your sister is not here, I will guard you for the rest of my life."

"Next, give it to me."

Finish Ye Chen then ignore Ji Lin worried eyes, look to Xiao Cheng.

The atmosphere, for a moment, was a little frozen.

People are even a little excited. Is it true that ye Chen is going to turn against Xiao Cheng?

Well, there's a good show to watch!

But Xiao Cheng, the corner of the mouth but showed a smile.

When he knew Ye Chen's name, he was ready to start.

Because last night, he had a meeting with the people of Shenfeng college.

Today, he wants to make ye Chen disgraced, even die!

He said with a smile: "brother ye, I'm sorry, I just missed."

"I don't mean anything else."

"But some of the wild children go in and out of this kind of place. It's really ungovernable."

Speaking of this, he poured another glass of wine, and said to Ye Chen with a hearty smile: "brother ye, this cup of wine should be my compensation."

"Today is a big event in the country of Jiuyou. We might as well turn our swords into jade and silk."

However, ye Chen did not intend to move the cup.

"What? Don't you drink it

Xiao Cheng frowned and pretended to be puzzled.

In the eyes of all, there was nothing wrong with his action.

If ye Chen turns over his face and hands on himself?

Well, I can't blame myself.

As for the child, it's just one of his pieces.

In this chess game, ye Chen is destined to be played by him.

However, under the gaze of all, ye Chen slowly raised his glass!

Then he fell directly on Xiao Cheng's head.

"I'm sorry, I missed it too."

The sudden silence of the world.

The body of Ji Lin behind Ye Chen is shaking. She holds Ye Chen and wants to say something, but finally she can only swallow it.

Turn into tears.

On the other hand, Xiao Cheng's eyes are burning with anger, and the veins are bursting out!

This time, there is no cover up!

"Ye Chen, do you know what you are doing?"

"Do you dare to offend Jiuyou for a child?"

"Make sure you're just an outsider!"

Ye Chen looks at Xiaocheng with calm eyes and a light way:

"a long time ago, I was a waste and was humiliated endlessly."

"Until I had a couple of sisters for five years."

"I swore at the time that I would keep their lives."

Chapter 2059

"The road of martial arts is to build the heart of Tao and not to forget the origin."

"What's more, she doesn't call herself a child. She has a name. Her name is Jilin."

"Ji Lin?" Xiaocheng is really happy this time, is really amused by Ye Chen, "Ye Chen, do you know that Jiuyou banquet is one of the top youth circles in Lingwu continent?"

"Now you're blaming me for a child? Can you afford it? "

"Oh." Ye Chen's eyes, suddenly cold down, "next to another thing, you scared my friend, to my friend apology."

"If you apologize, I won't pursue it."

Ye Chen's voice is full of no doubt and cold.

Dead silence, total silence.

Most of the geniuses in the temple of God's heart are staring at Ye Chen. What did they hear just now?

They even began to doubt their ears!

Ye Chen said, why do you want Xiaocheng?

Sorry?

Apologizing to a child?

Originally, Xiao Cheng, who was still smiling, suddenly became cold. His whole body was like a sharp sword out of the body!

He stared at Ye Chen's eyes and said, "what did you say just now?"

Speaking at the same time, the whole body authoritarian, unreservedly pressure to Ye Chen.

This is the pressure of sealing the door!

How terrifying is the threat of Xiaocheng. It can be imagined that ordinary Xingqiao martial artists may even be directly crushed and killed by his coercion!

He is confident that ye Chen, who dares to speak ill of himself, will be seriously injured under his own pressure, even if he is a little stronger than ordinary martial arts!

At least, it will be too pressed to speak!

It's not just him, but almost everyone.

Star orifices and creation are the gap between the sky and the earth, and the creation and the seal are the gap between the whole Galaxy!

However, the reality was beyond their expectation.

Feeling the pressure of Xiaocheng, ye Chen is extremely calm.

Ye Chen looked directly into Xiao Cheng's eyes and said, "I, call, you, say, sorry!"

Xiaocheng a surprise, ye Chen unexpectedly, for his pressure, no response?

However, he is not in the mood now to care about these!

Because, his heart, at this time, has been completely filled with boiling killing intention and raging anger!

This cheap foreign warrior, in front of so many talents, humiliated himself!

The crazy sword idea immediately wrapped Ye Chen. Xiao Cheng's eyes were bloodshot, his face was ferocious, and the green veins on his forehead kept beating. He grasped the handle of the long black sheath sword on his waist, and growled at Ye Chen: "I want you to die, something I don't know how to die!"

With a crash, the long sword came out of its sheath, and the sharp light of the sword lit up the whole hall of God's heart. Although there were super talented people in the hall, many people couldn't help but feel cool when they were illuminated by the extremely cold sword light!

What a sharp sword!

This sword is a sharp weapon of artifice!

What's more, there is a spirit in the sword light!

This sword is not only a artifact, but also has a powerful spirit!

At the moment when Xiao Cheng took out his sword, he was still furious. His breath changed in a moment, and there was a calm master's demeanor. In the sense of sword, the ancient meaning rippled. This sword has the momentum of opening up the vast wasteland and breaking through the sky!

The geniuses in the temple of divine heart could not help but shrink their pupils.

The ancient sword gate of the kingdom of nine you is really good!

Xiao Cheng is really an earth shaking genius!

At the scene, there was no lack of well-informed talents. They had already seen that the sword technique used by Xiao Cheng was the Zhen school's sword technique of the ancient sword sect. It was a desolate ancient sword!

This is the real, from the ancient times, handed down to the present top-level sword, and, the inheritance is extremely complete, far from the present Lingwu mainland martial arts can be compared!

With a sword, heaven and earth move and all things disappear!

Almost all people can be sure that ye Chen, must be in this extremely strong terror under the sword, completely disappeared!

This sword, which is as fast as lightning, cuts through the void in an instant and penetrates towards Ye Chen!

A trace of solemnity flashed through ye chenmu!

Xiaocheng, although not so good character, strength and qualification, but the real price!

In ancient times, it is impossible to judge the level of swordsmanship according to the standards of martial arts in Lingwu mainland.

Ye Chen knows that this sword is much stronger than Wei Qing's sky ape avalanche dragon stick!

What's more, the speed of this sword can't be avoided even if he uses a hundred step electric drive!

But is Ye Chen afraid?

No! Nothing!

Ye Chen's body shape is pulled up, the divine lines are shining, the magic body is manifesting, and the purple flame is soaring!

As soon as he turned his wrist, his sword fell into his hands!A sword light, flash away!

Like a meteor across the night!

The speed of this sword can be called the acme! Faster than the ancient sword of Xiaocheng!

Chu Xiao and LAN Yufei, originally, were still pale. Even though Xiao Cheng had such a delicate sword, they did not move them. However, when they saw Ye Chen's action, their eyes flashed!

Even these two talents on the mysterious list are faintly shocked!

The next moment, the sword intersects, the sword light and the sword light flash alternately!

There was a big bang and the earth was shaking. The whole temple was shaking a little bit under the attack of two people!

The dazzling light illuminates the whole sky!

The light converged, and the crowd finally saw the scene in front of them.

Suffocate!

The air all over the body, as if turned into ice, could not be inhaled into the lungs at all!

The top talents in the temple of God's heart will stare out of their eyes when they look at the scene in front of them!

They opened their mouths one by one, staring at the scene in front of them. How could they still have the appearance of high spirited and self-confident at the beginning?

The shock in their hearts is beyond description! Soul, all shaking!

Because ye is standing in front of them!

What about Xiaocheng?

At this time, only the upper part of the body was left. Blood gushed wildly, lying on the ground, dying!

Xiaocheng, it was defeated!

That's ancient swordsmanship!

That's a very strong and terrible sword!

A lot of talent in the field of sealing the door was not confident enough to block such an amazing sword!

But at this time, Xiao Cheng, who used this sword, ended up in this situation?

Ye Chen, is it a man or a ghost?

Or the realm of creation?

This is not the strength that the chemical weapon maker can possess, right?

Ye Chen at this time, also not good, chest, exposed a big hole, blood crossflow, but, ye Chen on his own injury, but as if he did not feel general.

Slowly, he came to Xiaocheng.

At this time, only the upper body of Xiaocheng, with all his strength to raise his head, looking down at his Ye Chen.

Suddenly, his eyes, shaking violently!

Chapter 2060

He saw that ye Chen was laughing.

Very cold, very cold smile.

What about ancient sword techniques? What about the secret of ancient sword?

No matter how excellent the secret legend of ancient sword is, is it better than ye Chen, a hundred of his great masters?

Ye Chen squats down and stares at Xiao Cheng's eyes, then grabs his head and presses it fiercely on the beach on the ground, among the drinks that Xiaocheng knocked down!

Xiao Cheng's face was rubbing hard against the ground full of wine. His nose and face bones were broken in an instant under Ye Chen's great power, and his face was even more bruised, which made him groan in pain.

Ye Chen said coldly:

"I know you are standing behind others."

"But it's not right. It's my friend."

"Her name is Ji Lin, and she is a friend of my Ye Chen."

Xiaocheng, that proud Xiaocheng, at this time, heard Ye Chen's words, was shivering all over!

Eyes full of fear!

Ye Chen stood up and turned around. He was no longer in charge of the Xiao city on the ground. Instead, he came to the panicked Jilin and showed a warm smile: "the sky is falling down, and I am holding it."

"Well."

At the moment, Ji Lin's eyes twinkle with a bright light.

At this moment, she vowed that if one day, ye Chen faced a powerful enemy, she would also use her petite body to guard.

Two people take a seat, ye Chen drinks wine lightly.

However, Ji Lin on one side found something and said in horror: "Ye Chen, you are bleeding..."

"It's OK."

Ye Chen looks dignified.

The strong man who sealed the door to heaven was much stronger than he thought.

When he wielded that sword, the wound on his body was the second.

The wound of spirit is more serious.

More damage than a thousand bombs.

He has to recover as soon as possible.

But now, looking at Ye Chen and Ji Lin these geniuses, but no one dares to speak.

Their eyes at Ye Chen have changed.

What kind of chemical waste is this? It's a demon!

When ye Chen was still healing himself, there was a burst of applause outside the hall of God's heart.

At the same time, the man, who had been silent for a long time, finally opened his mouth again and said, "Princess nine is coming!"

Ye Chen and Ji Lin smell speech, also can't help but look to the door, but when he saw the person entering the door, but can't help but, slightly a Leng.

Outside the temple of God's heart, a small girl, who looks no more than Ji Lin's age, walks out of the door with a happy smile on her young face and two maid attendants.

The nine princesses are as big as Ji Lin!

What's more, what's more surprising is that as soon as the nine princesses enter the door, they come directly to Ye Chen and Ji Lin.

She looked at Ye Chen excitedly and said, "it's fun, it's so fun! Where did you learn the sword skill just now? It's so powerful! That man was defeated by you. It's so much higher than you. It's interesting

"Er..." Ye chenna looks at the girl in front of her, and she can't help being speechless.

Is this the princess of Jiuyou? No princess's reserved appearance at all

However, he still replied: "my name is Ye Chen, the sword technique just now I realized it myself... "

He could not explain the real origin of the sword to her.

The nine princess, originally, wanted to say something, but suddenly, in her big eyes, it was a flash of black light, light Yi way: "eh, you are injured?"

Injured?

Ye Chen looked at the wound on his chest, although it is about to heal, but the scar is still very obvious, what's strange about this?

He couldn't help but look at the strange girl in front of him.

At this time, the voice of the wind blowing up suddenly sounded in Ye Chen's mind: "the princess's constitution is somewhat special..."

"What?" Ye Chen hears speech, chase asks a way: "how to return a responsibility?"

The wind is clear Yang but smile way: "immediately, you will know."

The nine Princess standing in front of Ye Chen noticed Ye Chen's eyes and said, "I don't mean the wound on your chest, I mean the wound on your spirit."

Spirit?

This time, ye Chen looked at the nine princess in front of her, and her eyes finally changed. How could she see through the wound on her spirit? Ye Chen has self-confidence, has the presence of the wind, is the strong seal environment, can not see through their own spirit ah!

At this time, nine princess that pair of black transparent big eyes, suddenly a burst of black light, direct, toward Ye Chen's eyebrow heart!

Ye Chen instinctively want to avoid, but the voice of wind Qingyang sounded again: "boy, don't hide!"

When ye Chen hears the speech, his face looks suspicious. However, he still stands in the same place. The dark light penetrates Ye Chen's eyebrows directly and shoots into the sea of knowledge. At the next moment, ye Chen felt that his knowledge of the sea was boiling. However, some of the damaged spirits recovered quickly in a burst of boiling heat!

What's going on?

Ye Chen, completely in a daze, then, is great joy!

The wound of his spirit was recovered completely in an instant!

In addition, it seems that his mind has become extremely tough for a while. In this state, ye Chen can almost use that sword many times in a row!

And the nine princesses, also smile to fall on Ji Lin's body.

The eyes vibrated slightly.

"You are born..."

The voice stopped abruptly.

Nine Princess stretched out her hand, winked at Ji Lin and said, "you and I are a kind of people. The banquet is about to start. You can join me. Or I'm too bored. "

"With me, no one dares to hurt you."

Ye Chen's heart set off a storm, what is the origin of this nine you princess, not only cure his spirit, but also see Ji Lin's congenital poison body at a glance!

Ji Lin took a look at Ye Chen, or left with the ninth princess.

Ye Chen also wanted to go up and ask what, but the man at the door again cried out: "the emperor of nine you, to!"

Language down, ye Chen found that the palm of the nine you emperor Fu came to a burning feeling.

Ye Chen turned around and saw a man in Jiuyou black robe, who looked about 40 years old, with a high nose, tiger eyes, square lips, a Chinese face and three strands of long beards under his jaw, was wearing a phoenix skirt. He walked into the hall of God's heart at the same time.

The man's appearance can only be regarded as ordinary, but his whole body exudes a kind of indescribable prestige, as if every move, have a towering breath, let people have the feeling that they dare not disobey.

This man is the emperor of Jiuyou in today's Jiuyou kingdom!

What's more, the emperor of Jiuyou, the emperor of Jiuyou, and the imperial concubine Li around him, ye Chen couldn't detect any accomplishments!

two people feel as like as two peas!

At least too empty!
