

Physician 2071

Chapter 2071

This sword is a powerful artifact!

Muye takes a deep breath, and his whole body is full of strong and horizontal sword meaning. When the sword idea is wielded, the decoration surface of Shenxin hall is actually carved with sword marks!

Makino is powerful, but he can not only use soul skills!

Although it is not as direct and terrifying as soul skill, he also learned a martial art called the heart cutting sword of gods!

This mind cutting sword is a powerful martial art that can transform the power of some gods into destructive power!

The breath of Muye's sealing door is like a flood, and the spirit power is roaring. It's like a hurricane passing through and sweeping everything!

Together with qiangheng sword, it is poured into the artifact and spirit sword!

The light of Su Ling sword is like water!

"All gods cut the heart sword!" Muye shouts and dances with his sword. The light of Su Lingjian is fiercely hit by the sword light of chopping the sky!

Boom, shake the earth!

In the sky above the temple, thunder and lightning flash, space breaks, a scene of doomsday!

Ye Chen and Muye's attack, unexpectedly, directly stirred up the spirit power of heaven and earth near the capital city, and the boundary rules!

The powerful energy that two people send out passes each other's attack, hit both sides hard!

The white light in front of Muye's body can barely stimulate the artifact and resist the residual sword light. However, how can it be blocked?

"Ah, ah, ah!" Makino screamed again, and the whole man flew upside down. There was a scar on his lower abdomen, but it was much shallower than that on his chest.

However, although he was crying in pain, but in his eyes, it was a joy!

The power of the mind chopping sword he cut is not the same as ye Chen now. After all, he has the suppression of cultivation. Moreover, ye Chen only mastered the part of the sword.

However, he Muye was cut and wounded by Ye Chen's sword in the case of artifact defense. What about ye Chen?

You should know that when the cultivation reaches the goal of sealing the door, the constitution will change greatly. Almost, you can regard your body as a manifestation of Tao and have a strong physical quality.

Even though Makino's physical fitness is not very good, it is also according to the standards of the kingdom of God. If we take the standard of Lingwu land, his physical fitness can also be regarded as against the heaven.

Even so, he was injured. He was just in the realm of nature. He had no defense against the artifact Ye Chen?

Will it explode into a blood mist and evaporate under his attack?

Therefore, it is absolutely worthwhile for him to replace injury with injury!

After he landed on the ground, with a sneer on his face, he looked at the position where ye Chen, who was also chopped by his sword, smashed a table into pieces. As expected, it was blood!

Too much abnormal blood!

Muye's face is full of pride and cheerfulness, leaving so much blood? Still alive?

Live a fart!

Shed so much blood, seal door strong person, still want to die, ye Chen's constitution, can be more terrible than the strong seal?

This hateful, weird low-level, finally, was killed by himself!

This is what happens when you fight against the kingdom of God!

Muye looked at the bloodstain with joy. He couldn't help but look up to the sky and sneered at the bloodstain: "humble mole ant, this is the end of fighting against our kingdom of God. Now, you only have a pool of blood. Can you be as arrogant as you were just now?"

However, only in this way can you meet your identity. Ants dare to compare with the kingdom of God

But at this time, Huang Gong Feng suddenly yelled: "shepherd son, be careful!"

Be careful?

Muye looks at Huang Gong, what is the old man talking about?

All of a sudden, Makino seemed to think of something, suddenly his face changed wildly!

At this time, behind Muye, a soft moonlight suddenly rippled, and a figure flashed out strangely!

Ye Chen's figure!

At this time, ye Chen also has a fist sized blood hole in his abdomen. Obviously, he was hurt by Muye's sword!

However, with the terror of Ye Chen's constitution, such injuries will not affect his actions!

What's more strange is that ye Chen doesn't know how to hide from Muye's mind. With the moon dust gauze that zining gave him at the beginning, he hides behind Muye!

Ye Chen's cold voice sounded behind the pastoral area: "sorry, let you down."

At the same time, the fierce sword light containing the terror power suddenly appears like lightning through the universe again!

When Makino heard the sound, he was terrified to the extreme. His whole body suddenly excited, and he wanted to activate the artifact protection!

But is it time?

Under this distance, Muye has no chance to launch his artifact!

With a roar, ye Chen's sword was slashed to the back of Muye!

The physical fitness of the strong one is very strong. However, no matter how strong it is, can he resist all the energy of this sword with his flesh? Nature, impossible!

Ye Chen's sword directly cuts Muye into flight. When Muye flies out, he begins to collapse and burst in the powerful energy of the sword!

However, strangely, there was a layer of strange blood light from the body of Muye. The blood light barely maintained the body of Muye and prevented it from exploding!

Ye Chen sees the shape, can't help but pupil shrinks!

Just now, when Makino used his powerful sword technique, he reminded me that Muye used the sword technique to transform the mind into destructive power.

This sword technique is very strong and fatal. However, it also has a defect. If it is not practiced to the extreme, the warrior will have a short period of time after using it, and his mind will be out of order and he can't feel it normally!

Ye Chen takes advantage of this. In the process of being chopped, he conceals his body shape with the moon dust yarn, hides behind the Muye, and takes advantage of his carelessness to cut out a deadly sword.

Ye Chen thought that this sword would surely kill Muye. However, the matter is not so simple!

The red blood light emitted from the pastoral body is obviously a very powerful means of life protection!

From the shepherd of the kingdom of God!

After Muye fell to the ground, he vomited out a big mouthful of blood, and the breath of the whole human being declined a little.

But under Ye Chen's sword intention, his body collapsed completely, but he was completely stabilized. Except for a ferocious sword wound behind his back, he could not see any abnormality!

He gasped heavily, and the whole man, wrapped in fear, trembled! Just now, he was really nearly dead!

If he had not planted a amulet for him, he would have been cut by Ye Chen!

Standing in front of him, originally he despised to the extreme mole ant, actually let him experience the greatest terror in his life!

Now, he really regrets it! Regret why they want to provoke Ye Chen!

Muye didn't know when he used the wanshen heart cutting sword. However, he didn't care.

Why?

Because, from the very beginning, Makino didn't think that ye Chen could survive under his own heart cutting sword!

Huang Gong Feng and the emperor of Jiuyou were completely speechless, and their faces were extremely ugly.

Originally, they thought the divine genius Muye was killed by Ye Chen?

This has completely overturned their cognition!

They thought that ye Chen, no matter how strong he is, still has a limit. But who could have thought that ye Chen was constantly breaking through the limit?

Ye Chen gazed at Mu ye and sneered, "you are a good way to protect your life, but I don't know how many times can you be protected?"

After saying that, he is facing the Muye, is a sword to cut, the sword light of the sword of the sky, once again shine!

Muye represses his fear and bites his teeth fiercely. Now, he does not dare to use the wanshen heart cutting sword easily. Facing the sword light cut by Ye Chen, he does not have any other means of attack. However, is it useful for ye Chen, who uses his body to resist the heart cutting sword?

For today's plan, rather than carry out unnecessary attacks, it is better to defend with all our strength!

At this time, he had to gather all his spiritual strength and pour it into the body protecting artifact. The light of the artifact was brilliant and condensed into a white light shield to block the sword light of Ye Chen!

With a roar, the strong light radiates, and Muye's light shield is broken, but it also blocks Ye Chen's sword. However, is this the end?

Ye Chen with a sneer, at this time he has a part of the strength of the support, then, naturally impossible to stop!

The beast decayed sword moves, the cold light rippling, cuts the sky one sword to come out again!

Muye's face is white. Now he is seriously injured. He resists Ye Chen's powerful sword technique. His body will soon be unbearable. However, what else can he do?

He turned his spiritual power wildly. The damaged meridians in his body burst. However, Muye could only resist it. He gathered the spiritual power into the body protecting artifact and offered the light shield again!

For a moment, Huang Gong Feng and the emperor of Jiuyou were a little bit silly. They killed LAN Yufei and chuxiao's Shenguo Muye in one move. At this time, they were completely inferior in the battle against Ye Chen!

Chapter 2072

It's not just the underdog!

Yes, it is!

The roaring sound was constantly ringing in the temple of God's heart. At that time, Muye, who was still very proud just now, was beaten by Ye Chen with blood all over his body and his face was black and blue!

Nine princess, but big eyes flicker, full of excitement color!

Compared with that obnoxious Muye, she obviously hopes Ye Chen to win!

"Ha ha," Ye Chen sneered at Muye as he waved his sword. "Do you remember what you said just now? Garbage should look like garbage? I don't know. What do you think you are like now

In the roar, the white light shield dissipated again. Makino could not help but vomit a mouthful of blood!

Hearing Ye Chen's ridicule, Muye almost cried out directly. From childhood to adulthood, when did he suffer from this kind of loss?

If your soul skill is not invalid for ye Chen!

If you don't underestimate the enemy at the beginning, you will be seriously injured by Ye Chen!

If you don't relax your vigilance after using the heart cutting sword of gods, you will be attacked by Ye Chen!

As a result, it may be totally different! At least, I won't be in such a mess!

This is the gap between Muye and ye Chen!

Ye Chen, since embarking on the road of martial arts, has been alone, through difficulties and hardships, countless desperate situations, relying on his indomitable will. In the desperate situation, he grasped the trace of vitality, and resolutely put himself to death. He lost countless more powerful opponents, and finally came to this day.

Is Muye such a child who grew up smoothly under the protection of his family?

Although, ye Chen's luck is not comparable to ordinary people, but if there is no Ye Chen's unyielding, ye Chen's pride, to do other people, still, can't like him, all the way up to now!

Muye looked in front of him. His face was evil, his eyes were burning, and he was holding a sword. His eyes were shaking, his heart was shaking, and his body was shaking.

Now, he's scared, he's really scared! I was so scared that I couldn't breathe. Even the air in my lungs was as sharp as the cold wind on the ice field!

What kind of rubbish is this? What are the lower class people in Lingwu?

This is totally different from what the elders in the family told him!

Standing in front of themselves, clearly, is a demon! It's a monster!

Ye Chen's stirring spiritual power calms down. He raises his sword again and stares at the frightened pastoral field with cold eyes.

Muye, however, is really desperate. He tries his best to fill his mouth with holy medicine. At this time, his body injury is so serious that he can't gather his spiritual power and defend himself before ye Chen's next sword!

Seeing ye Chen's decaying sword, he is about to fall. The light of the startling sword will become the real sickle sword of the God of death. When he brings death, Muye's legs are soft, and he kneels down on the ground!

On his delicate face, pride and contempt are gone, leaving only horror and fear!

Under the pressure of death, Muye, the genius of the kingdom of God, collapsed completely in his heart. Regardless of the dignity of the so-called Shenguo people, he knelt down to Ye Chen!

When Huang Gong Feng saw this scene, he was stupid. He was extremely proud and extremely noble genius of the kingdom of God!

Unexpectedly, he knelt down to Ye Chen, the man who made chemical weapons. It's unimaginable!

However, this is not over, Muye actually cried to Ye Chen and said, "forgive me! Ye Chen! I'm wrong. You are a genius with marks. In the future, one day you will enter the kingdom of God!"

You can't kill me. If you successfully enter the kingdom of God and mark, you can no longer protect you. At that time, you will face the whole herdsman! You're a smart man, you know how to choose, right? "

Ye Chen hears the speech, actually is the complexion sinks, in the hand beast rotten sword, did not move!

Huang Gong Feng and the emperor of Jiuyou have a look of expectation in their eyes. Ye Chen is moved by Muye. He realizes the strong background of the pastoral area and dare not kill Muye?

Ye Chen is willing to let go of the pastoral area. For them, it is undoubtedly a great good thing!

If Muye really died in the country of Jiuyou, the country of Jiuyou will surely cause great trouble!

When Makino saw this, his face flashed with ecstasy, and he quickly continued: "Ye Chen, I apologize to you. You are indeed a super genius worthy of respect. Once you enter the kingdom of God, you will definitely have a bright future. Our herdsmen need talents like you to help you stand firm in the Kingdom of God!

As long as you let me go, you can get great benefits! I promise, I will forget what happened today, only remember your kindness to me, I promise! I can swear by the heart of Tao! "

At the same time, in the eyes of Makino, there was a faint haze that was not easy to detect.

Need Ye Chen? What they despise most is that ye Chen, who was not born in the kingdom of God, could need such a humble existence? And he pastoral nature, will not forget today, ye Chen brought him humiliation, Daoxin swore?

He is soul cultivation, and the most fearless thing is that this kind of oath will be reversed. Moreover, how can ye Chen, such an ancient and powerful family, allow Ye Chen to insult the existence of the herdsmen and live in the world?

Even if Muye doesn't do anything, as long as you tell what happened today, someone will deal with Ye Chen for him!

Now, if you can get Ye Chen, you can make him live!

At the same time, he also seized this precious time, trying to defuse the medicine and condense the spiritual power in his body.

He stares at Ye Chen, waiting for ye Chen's reply.

However, ye Chen still keeps the appearance of holding up the sword and is silent!

A little surprise flashed in Mu Ye's eyes. Was Ye Chen really moved by him? Seriously?

Muye almost laughed!

However, gradually, Mu Ye's eyes flashed a little doubt.

Is Ye Chen really thinking?

Why vaguely, he feels, ye Chen's state, some strange?

Huang Gong Feng and the emperor of Jiuyou are also suspicious. They are much more experienced than Muye. Ye Chen is obviously not thinking about anything at this time!

Chu Ying looks at Ye Chen with worry on her face. She knows Ye Chen and knows that ye Chen will never be. Because of Mu Ye's words, she is hesitant!

Ye Chen since, moved to kill the heart, will never easily change!

For example, when he faced Wang Lin, Chu Ying knew that most of the reason why Ye Chen didn't kill Wang Lin was because he didn't want to involve himself.

So, now ye Chen is like this, it must be something wrong!

In her beautiful eyes, the cold light twinkles, and she stealthily glances at Huang Gong and the emperor of Jiuyou behind her. If not, the Qi of the two men would lock her in, and she would be desperate to fight against Muye!

No one found that at this time, nine princess a pair of big black eyes looking at Ye Chen, full of anxious and sad color, at the same time, her small face tight, seems to be in the dark effort, in the eyes of a faint flash of dark awn!

At this time, ye Chen, who had been holding up his sword, suddenly changed his face and puffed out a huge amount of blood in his seven orifices!

Ye Chen's body was shaking, and he stepped back several steps. His breath was suddenly weakened!

Chapter 2073

"Damn it!" Ye Chen murmured. Just now, just as he was preparing to kill Muye with a sword, the blessing of fengqingyang's strength failed!

Even though he tried his best to suppress it, he still got hurt!

Although because of the existence of fengqingyang, Muye's soul skill can not hurt Ye Chen's spirit. However, he can't help his own counterattack, fengqingyang!

Seeing the blood gushing from ye Chen's seven orifices, Makino was stunned at first, and then even though he reacted to it, the color of ecstasy appeared on his face!

However, he was still cautious and did not dare to rush out. Instead, his eyes twinkled at Ye Chen and asked, "are you injured?"

At the same time, the powerful mind gushes out, Zai Zai carefully feels the breath of Ye Chen!

With his perception, the joy of Makino became more and more intense!

He can be sure, ye Chen, hurt!

Sure enough, the terrible sword technique just now is not without cost!

"Ha ha ha ha ha ha!"

Makino laughed wildly and stood up slowly. While he continued to adjust the spiritual power in his body, he shook his head at Ye Chen and sneered: "Ye Chen, just now, it's only one tenth of a second short. Can you kill me?"

Sure enough, the lowly can't defeat us in the kingdom of God. Do you understand? People in Lingwu mainland, forever, can only be our dogs, without any chance to turn over! "

Mu Ye Mu is full of murderous spirit. This time, he will never be careless again! Once his psychic power is adjusted, he will kill Ye Chen by means of thunder!

Ye Chen wiped the blood gushing from his face and coldly looked at Mu ye and said, "is it? How can I remember that you were so humble that you could no longer beg for mercy from me? Don't you think you look more like a dog just now

Muye hears the speech, the brain is buzzing, completely ignited by anger!

His eyes were bloodshot, just like a beast stabbed in pain, and roared at Ye Chen: "when death comes to an end, do you dare to be so presumptuous to me?"

At this time, Muye's spiritual power was finally restored. He glared at Ye Chen with ferocity on his face, and his whole body was full of breath, emitting towering pressure.

He murmured, and his powerful spiritual power was condensed on his left palm, and the piercing white light burst out in an instant!

"Burn God's palm!"

The palm power stirs, suppresses the void! It seems that one can directly smash a mountain, and the white palm print with infinite power condenses in front of Muye body and beats hard towards Ye Chen!

Where the white palmprint passed, the decorations of the sacristy level were crushed to pieces!

Makino with a sneer, this time ye Chen, dead!

Although the burning God palm is not as powerful as the heart cutting sword of gods, it is so powerful, but! But there is no such side effect as the heart cutting sword of gods! This time, he won't give ye Chen any chance!

Facing the attack of the palm print, ye Chen looks heavy, but in his eyes, there is still no intention of retreat!

If we want to fight, we must fight to the end!

Ye Chen roared, holding the beast decaying sword in both hands, and slashed it to the palm print!

With a loud bang, ye Chen's body was knocked upside down by the palm print and hit a pillar in the hall of God's heart!

At this time, his eyes are full of blood!

This is the end of offending him! He is about to open his mouth to ridicule a few words, who thought, it seems that ye Chen, who is seriously injured, has stood up again!

He stood up and cut the sword quickly!

Mu Ye is shocked and almost subconsciously recalls Ye Chen's extremely terrible sword, which he can't resist one after another. However, he soon relaxes.

Ye Chen's sword is very strong, which is far beyond the realm of star orifices. However, compared with the sword of chopping the sky, it is far behind!

Muye's face, smile more thick!

Because this sword shows ye Chen is really in the end! That terrible sword skill, he has already, cannot display!

"What kind of rubbish swordsmanship deserves to be seen in front of me?"

Muye disdains to snore, and raises his hand to hit the burning God's hand again. The extremely strong palm print, which is like the coming of the heaven, reappears again. In an instant, he smashes the sword light that ye Chen has cut out!

With a huge bang, the white light palm print, the power to destroy the withered and decadent, once again severely hit Ye Chen's body, and the blood was filled with it. Almost the whole hall of God's heart was completely dyed red!

Chu Ying saw this and her eyes were red. However, she bit her lips and bit out blood. She was trying to restrain herself, not to make a voice, not to let the people in the hall look at him!

In this way, she has the opportunity to help Ye Chen!

Muye took a breath and looked at Ye Chen, who was almost a bloody man, with a sneer on his face. He said sarcastically, "waste, can you still stand up now? Yeah? Keep standing up? Lao Tzu, it's not enough!"

This kind of injury, if you want to be a strong one, you have to die several times, right? Ye Chen's constitution is again against the sky, also, impossible to stand up! However, at the next moment, ye Chen really stood up again! His whole body, is a piece of blood red, embarrassed, but, a pair of eyes, but always very bright!

Ye Chen looks at Mu ye, whose smile is solidified again, and doesn't speak.

Because, he wants to save physical strength, the whole body up and down, every minute, every cent of strength, are used in the battle!

Mu ye saw Ye Chen standing in front of him again, his eyes wavered and his heart suddenly sank!

"Ah, ah, ah!" Muye felt a burst of fear inexplicably, and his nerves were about to break. He roared wildly, and the spirit of his hands whirled around. His breath soared into the sky. He broke out with all his strength regardless of his own injury. He repeatedly slapped Ye Chen and bombarded him wildly!

"Die! Die for me! Die for me! Die to me

Muye waved his hand and roared wildly at Ye Chen. Each palm contains endless rhymes. Each palm seems to be a self-contained world. Each palm is like a whole universe, falling to Ye Chen!

One hand after another, crazy fall, it is like countless stars falling down, smashing everything!

I don't know how many palms after the bombardment, Muye gasps violently, and finally, stops his action. At this time, his whole body is covered with blood.

Originally cut by Ye Chen, the wound gradually healed, and then it burst apart again. What's more, Muye's tenacious and incomparable meridians, at this time, are also damaged!

After that, I'm afraid his foundation will be affected!

Muye's breath quickly decayed, but he didn't pay any attention to it. Instead, he was staring at a piece of ruins in the temple of God's heart, the ruins that he blew out! In his eyes, is the expectation!

Looking forward to see ye Chen's body!

Under such a terrible attack, is the ancient supreme monster, all have to disappear?

Ye Chen, is it possible to survive?

Smoke and dust dissipated, soon, showing the shadow of Ye Chen.

When Chu Ying sees Ye Chen's figure, her beautiful eyes suddenly contract. She can't help it any more and tears fall down!

Her ten fingers, hold tightly, even, are embedded in the palm of her hand!

After seeing ye Chen's appearance, Muye finally couldn't help but let out a very happy laugh!

Now ye Chen is more like a corpse than a man!

If not, ye Chen is still emitting a very weak breath, almost everyone should think that ye Chen has been completely killed!

"Ha ha ha ha ha ha ha ha ha!" Muye laughed, and his eyes were even colder. "You look like this. It's really suitable for your lower class identity."

He suddenly turned his head and asked the emperor, "the emperor of Jiuyou, do you think it's time to find a painter to paint this picture and spread it all over the world?"

The emperor of Jiuyou looked dignified, but he had no intention of war in his heart and did not dare to offend the kingdom of God. He could only conform to the way: "what the Shepherd said is very true!"

But soon, Muye gave up this idea. He couldn't let Ye Chen live. He couldn't give ye Chen such a person a chance to turn over!

Because, ye Chen, let him fear!

From the heart of fear!

Chapter 2074

At this time, seems to have been motionless, tend to die in the mind of Ye Chen, but sounded the voice of the wind.

"I didn't expect it to come so fast."

"Those swords are too overbearing for your current cultivation."

"Boy, do you really want to gamble? You know, now the pastoral area is obviously recovering from the injury. This is the best time for you to escape. Now, you seem to be on the verge of death. However, you and I all know that you have suffered more injuries than this and are still able to fight. If you want to escape, you can certainly do it. "

Ye Chen shook his head in his heart and said, "I won't escape. I've escaped. Maybe in a short time, it's hard to have such a good chance to kill Muye.

I'm seriously hurt now, and Muye is also seriously injured. Moreover, I'm bound to get the body of reciting demons. If I escape, I'll be possessed of the body of reciting demons. This is not what I want! "

The reason why he does not move now is that he is accumulating strength to fight for his own life and accumulate strength!

At the same time, is also waiting!

Waiting for the time to turn everything around!

At this time, the breath of Muye suddenly rose!

Ye Chen can't help breathing! At this time, Muye recovered his injury and was able to attack?

Muye's palm strength was condensed and boundless, and he poured into his hands. Staring at Ye Chen, who was still motionless, he couldn't help laughing wildly and said, "Ye Chen, I can't believe it. In the end, it's still me who wins."

Muye raised his hand and put his hand in his hand. The towering palm print loomed and sent out the breath of destruction!

When everyone thought that Ye Chen was going to fall under the palm of Muye, a sudden change happened!

A sharp sword light, suddenly killed to the pastoral! Get to the point!

"What?" Muye's pupil shrank and he was shocked. Now, it is the time when the burning God's palm is running to the peak. He can't stop and change his moves. However, this suddenly killed sword is extremely terrifying. If he insists on attacking Ye Chen, he will be seriously injured even if he doesn't die!

His life-saving means have already been used!

The light of the sword was as fast as lightning, and it was not much slower than Ye Chen's sword of chopping the sky. Muye didn't even have time to think about it at this time. He roared reluctantly. He had to turn the burning God's palm, which had attacked Ye Chen, to meet the attacking jueqiang sword!

There was a big bang, and Muye cried out in pain. His left hand burst in an instant. The whole person stepped back several steps before he stopped.

At the same time, Huang gongfeng's face changed greatly and turned into a shadow. He rashly took his hand and hit the person who started it!

He doesn't allow anyone to secretly attack the divine genius!

At the same time, a delicate body, bombarded by the fierce force, flew backward!

Chu Ying mouth bleeding, instant consciousness will be fuzzy, the breath is dispirited!

Although Chu Ying is also a top demon, her strong point lies in her attack. Although her sword, in terms of power, is a little stronger than the burning God palm played by Mu Ye.

However, her defense can not stop the joint attack of Muye and Huang gongfeng!

"Chu Ying!" And ye Chen saw this, actually is a shout, all over purple flame, instant burst, jump up, in a flash, will Chu Ying fly upside down body catch!

He can tolerate insults, even if he is a man of great pride.

But he couldn't stand it. Someone hurt himself.

Chu Yingmei's eyes gaze at catching her Ye Chen, and a sad smile appears on her pretty face and says: "you I said

Ye Chen heartache incomparably looks at the woman in the bosom, the soft voice stops a way: "don't talk, will aggravate your injury."

Chu Ying shook her head gently, and her lips opened slightly: "you Said It won't let me Sad Do you remember? "

In Ye Chen's eyes, a little surprise flashed over him, nodding his head: "remember, I remember, don't talk, OK?"

Chu Ying slowly raised her hand and stroked Ye Chen's bloody cheek. On her pretty face, she raised a satisfied smile and said, "Ye Chen Don't die. Jiuyou and the demon clan have been devastated. I know that only you can change the current situation... "

Voice down, Chu Ying's hands, powerless to hang down, that pair of stars more brilliant than the beautiful eyes, also slowly closed.

At this time, Mu Ye is trying to deal with the injury of his left hand. His eyes are bursting with anger. He stares at the woman in Ye Chen's arms and growls and curses:

"damned bitch! How dare you do me good! After I kill this dead dog, I will let you have a taste of being insulted! "

All of a sudden, Makino's voice stopped suddenly!

He, can't say any more!

Because, a forest cold to the extreme of the horror of killing, the moment, enveloped the entire God heart hall!

And the center of the whirlpool is Ye Chen!

Mu Ye's eyes are shaking!

How could it be!

How could that be possible!

Just because of this killing intention, Makino felt that he had come to the real hell, and fear spread in every pore of his body!How terrible!

"Boy, activate the spirit pulse of red dust, and force blood essence into this woman's body." The wind is clear.

Ye Chen nods, activates the red dust God pulse, gently puts down Chu Ying's body, and then forces a drop of blood essence into Chu Ying's mouth.

Then he turned around and faced Muye. At this time, he had no expression. Even in his eyes, he did not have a trace of fluctuation.

It seems that there is no sadness or joy at all!

However, this is the expression of Ye Chen's resentment to the extreme!

"Ye Chen, come on! Jilin and I will help you. " At this time, a little girl's voice rang out from the throne of Shenxin temple.

At the same time, a dark awn shoots into the back of Ye Chen's brain!

The emperor of nine you's face changed greatly, and he snapped: "little nine, you!"

Muye was stunned, and then he was dull, completely dull!

Just now, what happened, Makino, is not clear.

However, what he knew was that the breath of Ye Chen in front of him was soaring at full speed!

"No! No way Muye fell into the incomparable panic and screamed wildly. Then, he turned around, flashed blood all over his body, and quickly flashed. He ran out of the Shenxin hall recklessly!

Ye Chen raised the beast rotten sword and said to Princess nine, "thank you."

Nine Princess shook her head: "Ji Lin asked me to do this, you don't have to thank me."

Ye Chen nodded and closed his eyes. His killing intention broke through.

At this moment, his realm also stepped into the three layers of the realm of creation.

It's even climbing.

It was not until the fourth floor that it stopped.

"Chop!" A low drink!

Ye Chen's decaying sword fell down suddenly! For a moment, the sky wailed and the wind howled! It seems that there are gods and Demons crying because of this unique sword!

Chapter 2075

In the distance, under the blood light package, the rapidly flashing pastoral area could not help but show a glimmer of joy. He succeeded!

He escaped! Under such a distance, even if it is Ye Chen's sword, he is confident that he can't kill himself!

However, the next moment, his smile, suddenly solidified!

A sword light, unexpectedly is silent, did not enter his body!

"No, it's not like that! Your swordsmanship is not so strong

Makino roared heartrendingly, and the blood light in his body exploded wildly. It was a trace of residual energy in the blood talisman to suppress the sword light.

"I won't die here. I'm a genius of the kingdom of God. I'm a higher Shenguo person than any other existence in Lingwu land! How can I die in the hands of a man of spirit and martial arts

Even if it is complete, it can't block Ye Chen's amazing sword, let alone the remaining energy?

In less than one tenth of a second, the cold sword light completely tore up the body of the divine genius, and even the spirit which was extremely strong and could be comparable to the half step spirit was smashed by something

Muye, die!

At the same time, the void above the pastureland appeared a faint crack, and a shadow crossed it, but it soon closed, and there was no breath.

Nine you emperor eyebrow a congealed, looked at the sky, guess a few minutes.

At this time, Huang Gong Feng was like a lifeless sculpture, staring at Ye Chen in the palace of God's heart, the immortal genius of the kingdom of God, Muye, so dead?

However, soon, the faces of Huang Gong and Jiuyou emperor changed, and became very miserable!

That's the son of the shepherd of the kingdom of God! How can they bear the responsibility when they die like this!

Huang Gong was suffocating, and he felt that the end of the world was coming.

Huang Gong Feng stares at Ye Chen and indicates the emperor of Jiuyou with his eyes.

As long as ye Chen is taken down and handed over to the herdsman, he should be able to calm down his anger.

The emperor of nine you, his eyes twinkled, and finally, he shook his head. They took Ye Chen, which really chilled the heart of Jiuyou kingdom.

Jiuyou is no longer under the control of the devil emperor.

The emperor of Jiuyou took a look at the injured LAN Yufei and chuxiao in the heart palace. He raised his hand and put the two holy medicines into their bodies.

He sighed, with a bitter smile on his face, this time really is, stealing chicken can not be eroded rice!

God's genius Muye didn't flatter him, on the contrary, offended the herdsman! and!

Also because of the relationship between mu ye and LAN Yufei and Chu Xiao, the two God emperors and the genius of the Dragon academy!

Although his country of nine seclusion is strong, and there is no force in Lingwu mainland that can fight against it alone, it will be troublesome if the most powerful shenhuang academy and Shenlong academy join hands.

At this time, ye Chen, with a cold glance at Huang Gong and the emperor of Jiuyou, quickly comes to Chu Ying's side and reaches out to investigate the situation in Chu Ying's body.

The more he searched, the more ugly his face was!

Chu Ying's current situation, originally, had already died!

But, rely on his mysterious blood essence, strong hang a breath!

Ye Chen takes a deep breath, suddenly raises the beast rotten sword, cuts his wrist, puts the wound against Chu Ying's mouth, and pours blood crazily.

However, the more perfusion, ye Chen's heart, the more sinking!

Although Chu Ying's body, relying on his blood, hung his life, but no matter how much blood he infused, Chu Ying showed no sign of improvement!

Ye Chen's hand, can't help but tremble slightly, he, can't let Chu Ying die!

Seeing this situation, he could only ask Feng Qingyang in his heart: "master Feng, how can we save Chuying?"

Feng Qingyang was silent for a moment, then opened his mouth and said: "to save this girl, it seems that we can only rely on the dragon heart fruit."

Ye Chen nodded, and even did not ask what longxinguo was. Then he put Chu Ying down gently and stood up to look at the emperor of Jiuyou and others.

The reason why he didn't ask is that no matter what the dragon heart fruit is, he must get it!

Chu Ying now, temporarily relying on his blood hanging life, will not die.

After thinking about it for a long time, the emperor of Jiuyou finally showed a resolute look and said to Huang Gong: "Huang Gong, you should hide the news that Muye is dead!"

Huang gongfeng was surprised. He was a herdsman in the kingdom of God! No, it's so easy to hide? What's more, if you can hide it for a while, you can't hide it for a lifetime! One day, it will still be exposed!

That is to say, but at this time, Huang gongfeng did not dare to contradict the emperor of Jiuyou at all. Because he had just made a big mistake. Because he had found Muye, the whole country of Jiuyou might be in danger. Where could he have any objection?

He even injured Chu Ying just now.

He had to bear a bitter old face and asked the emperor of Jiuyou: "the emperor of Jiuyou, I don't know when to hide it?"

Nine you emperor a pair of tiger eyes sweep to Ye Chen, deep voice way: "hide, when ye Chen rises!" "What?" Huang gongfeng is surprised, ye Chen rises? What is the meaning of Ye Chen's rise? Even if ye Chen is really the favored son of heaven, if he wants to grow up to be able to compete with the herdsmen of the kingdom of God, at least, it will take thousands of years, right?

How can we hide it?

Moreover, ye Chen is really strong, willing to help the country of nine you?

Huang Gong Feng couldn't help but say, "the emperor of nine you, we just treated Ye Chen like that, and hurt Chu Ying. Even if he can really grow up to compete with the herdsmen, is he willing to help the kingdom of Jiuyou? "

The emperor of Jiuyou said with a smile, "don't forget who killed Muye. What we need to do is to help Ye Chen win time."

Huang gongfeng sighed and nodded. Now, there is no other way. He can only believe that ye Chen will be willing to help the country of Jiuyou.

From now on, we will continue to support you! He has the same status as me in the kingdom of nine you

Huang Gong couldn't help but change his face and said, "the emperor of Jiuyou, this is it!"

The emperor of Jiuyou shook his head and interrupted him: "this is a big gamble. If you bet wrong, the kingdom of Jiuyou will be destroyed. What identity do you care about?

If you are right, the kingdom of Jiuyou will surely rise. Even if ye Chen is granted the position of Prince, what will happen? "

At this time, Huang Gong and the emperor of Jiuyou see ye Chen, but their attitude changes greatly. They look at Ye Chen with a big smile on their faces.

The emperor of nine you asked with concern: "Mr. Ye, how is Miss Chu? Huang gongfeng, I still don't apologize. Please forgive me... "

Huang Gong Feng also said, "Mr. Ye, I just

The emperor of the country of nine secluded places apologized to Ye Chen! It's hard to imagine

Ye Chen's cold eyes fell on Huang Gong's body: "you must die."

Huang Gong Feng's face changed. He could only look at the emperor of Jiuyou!

The emperor of Jiuyou can't let Huang Gong die. Compared with Chu Ying, Huang Gong is more important!

"Ye Chen, this is a very important matter, and Chu Ying just now broke the rules. Huang gongfeng's move is reasonable..."

"If Chu Ying killed the genius of the kingdom of God, Chu Ying would die eventually..."

The voice of the emperor of nine you is cold.

Chapter 2076

Ye Chen did not waver: "my words only say once, do not do by you."

The emperor of nine you looks changed. Who dares to talk to him like this?

Huang Gong is too important to die!

At this time, Huang Gong comes out of the room without any expression and comes to Ye Chen.

To everyone's surprise, Huang Gong knelt down directly!

Kneeling in front of the seriously injured Chu Ying.

"Mr. Ye, I tried to please the kingdom of God just now. Because something happened suddenly, I didn't notice that it was Chu Ying who started it. It was too late to stop."

"I'm willing to break my arm forever and make up for it!"

Emperor Jiuyou's face changed. He just wanted to say something. Huang Gong grasped his left hand with his right hand!

Then, the power of the fury gathered!

One arm turns into blood mist directly!

Even, the cultivation is falling!

This is too expensive for a strong man like Huang Gong Feng!

Fengqingyang of the samsara cemetery also said: "if we really say the loss, the cost of this person is greater than that of Chu Ying. He just started and used the force of restraining. That arm will never be regenerated. It's a pity for the warrior."

Ye Chen's eyes softened a few minutes and continued: "the second thing is that Yinger's condition is very bad. Now I need longxinguo to heal her wounds. Is there any in Jiuyou's country?"

The emperor of nine you and Huang Gong heard the words, both of them were startled!

The emperor of nine you looked at Ye Chen in disbelief and said, "Mr. Ye, are you sure you want longxinguo?"

"Well?" Ye Chen brows a frown, the appearance of the emperor of nine you, a little wrong. "What's the matter?"

The emperor of Jiuyou said with a wry smile: "Mr. Ye, if there are other miraculous things, miraculous drugs, even if they are rare and hard to find, I will try my best to find them for Mr. Ye.

However, although I have heard of this dragon fruit, I have never seen it after living for so many years. It is a legendary fruit. I even think that it's just a fiction. This country of nine secluded places really doesn't have... "

When ye Chen heard the speech, he could not help wrinkling his eyebrows and said, "the emperor of nine you knows, where is it possible to find this dragon heart fruit on this Lingwu land?"

The emperor of Jiuyou looked at Ye Chen's serious appearance. After pondering for a while, he said, "if there is really any place where this dragon heart fruit exists, then this place is either the nine heaven god dragon hall or the magic sea!"

"Jiutian Shenlong palace..."

This is where the blood dragon went.

But he didn't know exactly where.

As for the magic sea, it should be within the demon clan.

The devil's daughter is in the sea of demons.

However, stepping into the magic sea is equivalent to stepping into the land boundary of the king and the devil's dust.

The danger is unimaginable.

The emperor of Jiuyou said again: "Mr. Ye, although we don't have longxinguo, there is one thing that is helpful to the current situation of Miss Chu."

Ye Chen two eyes a bright way: "is what?"

The emperor of nine you lifted his hand and shot out an ice blue light. After the light fell into the hall of God's heart, it quickly enlarged and quickly turned into an ice crystal coffin!

Moreover, this coffin, obviously not ordinary, the whole body actually exudes a very strong breath, is actually a artifact!

"The coffin, named xuanbing coffin, has the function of freezing the body of a warrior, controlling injuries and preserving vitality. Mr. Ye wants to get longxinguo.

I'm afraid it can't be done overnight. With this coffin, Mr. Ye doesn't have to worry. Miss Chu's injury has deteriorated. "

At this time, he also said: "boy, this black ice coffin is very good, very suitable for Chu girl. Originally, even if you feed blood to Chu girl every day, her vitality may also slowly fade away. With this coffin, the situation will be much better. Moreover, you only need to feed blood once a month to continue her life."

Ye Chen smell speech, deeply looked at nine you emperor one eye, way: "good."

Since it is useful to Chu Ying, he will not refuse.

Ye Chen opened the xuanbing coffin, and a cold air wafted out of the coffin. He gently lifted Chu Ying's body, as if afraid of hurting her, and went to the xuanbing coffin.

He gazed at Chu Ying's beautiful face for a long time. In his eyes, there was regret.

He and Chu Ying only met a few times.

Chu Ying was so protective of him.

At the cost of one's own life.

How can he be.

If he was just a friend to Chu Ying before, today, he already owes this woman a lot.

He said to Chu Ying in a warm voice: "I promised you that I would never let you sad. Now, I promise you that I will save you."

Said, he finally, will Chu Ying into the Xuan ice coffin.

At the next moment, the chill in the coffin melted into Chu Ying's delicate body. In an instant, Chu Ying's blood was completely frozen. Time, as if on her body, was still. And xuanbing coffin, also into a nail plate size Mini coffin, fell to Ye Chen's hands.

Ye Chen put the Xuan ice coffin away and took a deep breath. After calming down the turbulent mood, he raised his head and looked at the lovely nine princess.

At this time, the nine princess, because she used the body of reciting demons twice, was a little too much to eat. Her face was pale, her eyes were blank, and she was sweating. She looked very weak.

Ye Chen went to the nine princess, touched her face, looked at the nine Princess uncomfortable appearance, the heart is also a pain, he knew, the reason why the nine princess so sad, is that she reluctantly used the body of reading the devil, cured his relationship.

It can be said that if it was not for Princess nine, he might have died!

Ye Chen eyes, flash a firm belief, from now on, as long as he is in, there will be no one, can hurt the girl in front of a hair!

Nine princess looked at Ye Chen and said in a hoarse voice, "brother Ye Chen, I am so sad..."

One side of Ji Lin also can't bear to say: "Ye Chen, you quickly read the body to take away, nine princess has been my friend, I don't want her so sad."

Ye Chen with a smile, soft voice comfort way: "don't worry."

Then, he turned his head to the emperor of Jiuyou and said, "right now, start the transition ceremony of the body of reading demons. Xiao Jiu continuously uses the body of reciting demons, and her body can't hold on."

Huang gongfeng naturally found that the situation of the nine princesses was not good. He did not waste words immediately. He raised his hand and several array plates flew out. He arranged a mysterious array. He bowed his hand at Ye Chen and said respectfully:

"Mr. Ye, please put the ninth princess into the array."

Ye Chen nods and holds the ninth princess into the array.

A burst of light of lavender lights up, instantly enveloping the ninth princess. Huang Gong's face is dignified and his spiritual power is surging. In the array, countless Lavender inscriptions appear, which are integrated into the nine princess's eyebrows one by one.

A trace of sweat came out of Huang Gong Feng's forehead, and he took a breath. He asked Ye Chen, "yes, Mr. Ye. Are you ready now?"

Chapter 2077

Ye Chen should voice way: "begin."

He has a demon body and red dust God pulse in his body. For this body of reading evil, it can be said that he is extremely restrained, and it is not too difficult to subdue it.

Huang Gong Feng nodded his head and said, "well, Mr. Ye, in a moment, you will be connected with Princess nine's knowledge of the sea. Please do not resist."

After saying that, Huang Gong Feng suddenly reaches out his hand and points to Ye Chen!

A purple light, issued from Huang Gong's hand, shot into Ye Chen's eyebrows in an instant!

At the next moment, ye Chen's brain was dizzy. When he opened his eyes again, his pupils shrank.

Everything in front of him had disappeared. At this time, he seemed to be no longer in the temple of God's heart, but came to an empty space, which was only boundless and dark.

All of a sudden, a gray shadow appeared in the darkness, which was indistinct and could only be discerned as a human figure!

"Who is it?" From the gray shadow, came out a voice with anger, the voice, as if directly sounded in Ye Chen's mind.

"Who broke into my field and disturbed my rest?"

Ye Chen looked at the gray shadow, presumably, this is the so-called body of reading the devil.

Although the body of reciting demons is the spirit body possessed by the ninth princess by nature.

However, the spirit body is too strong, has already born the self-consciousness, and is not what the ninth princess can control. As a result, the spirit body is out of control and consumes the spirit power of the nine Princess crazily.

Only by transferring the body of reciting evil to others through rituals, can the life of the ninth Princess not be endangered.

However, the nine princess's knowledge of the sea is the birthplace of the body of reading the devil. How can he be willing to leave easily?

Ye Chen looks at the body of reading the devil, and he can clearly feel that the body of reciting the devil not only exudes the power of divine thought, but also vaguely has a strong magical nature.

This is also the reason why it will be out of control and eat its master.

However, ye Chen doesn't care about these things at all. For others, it's really dangerous. However, for ye Chen, the body of reading demons is so cute that it can't be any more lovely.

Ye Chen as long as get it, strength, instant can soar!

It also has a great effect on the recovery of the real body of the demon emperor!

At this time, a voice came from the center of his eyebrows: "boy, the body of reading demons is controlled by you first, and then I need it. Just take your blood essence as the guide and separate out part of it."

"The more powerful you are, the more likely I am to recover myself!"

Ye Chen nodded, then sneered at the demon reciting body and said, "now, I give you two choices. First, I will transfer myself to my knowledge sea and recognize me as the Lord.

Second, I will take you to my sea of knowledge by force. I suggest you choose the first one. After all, if I do, you will not be very comfortable. "

The body of reading demons was twisted, as if in anger.

Soon, it stabilized again. It not only stabilized, but also made a sneer at Ye Chen:

"do you take me away? You really dare to say such big words in my knowledge of the sea? What is dead or alive

With that, the body of reading demons actually sent out a strange wave. In the wave, there was a very terrible power of divinity!

"Now, get out of my knowledge immediately, and I can spare your life. Otherwise, you will never have a chance to say such big words again!"

In fact, it's not that the body of reciting the devil wants to let Ye Chen go. It's just that, for some reason, ye Chen gives the body a very strange feeling, which makes it dare not act on Ye Chen rashly.

With a sneer on his face, ye Chen said faintly, "Oh? Is it? What you can try is just a magic Recitation in Xiao Jiu's body, and you dare to talk nonsense? "

The best way to subdue this body is to let it know that no matter what it does, ye Chen is invincible!

"Shut up!" said the demon reading body angrily! I am the real master of this body

After all, the mind from his body fluctuated violently and violently, and even shattered the boundless darkness. The extremely powerful mind, like a raging wave, instantly turned into a whirlpool and swallowed up Ye Chen's spirit!

"Die for me! I will thoroughly refine your spirit and become my food

Seeing ye Chen engulfed by the power of his own mind, the body of reciting demons gave out a happy laugh and roared.

However, at the next moment, the gray shadow of the demon reciting body suddenly twisted. It seemed that something was wrong.

Vaguely, there is a trace of fear!

In the whirlpool of the divine thoughts, suddenly, ye Chen's voice sounded and said, "is this all your strength?"

"Why aren't you dead?" Exclaimed the mind in disbelief.

It knows that the power of his mind is far beyond Ye Chen, and in the nine princess's sea of knowledge, it can play its full strength!

However, why, ye Chen in his mind attack, but seems to have nothing?Ye Chen light way: "because, I, is stronger than you."

Then, in the whirlpool of the mind, suddenly burst out a virtual shadow!

The virtual shadow suddenly appears behind Ye Chen. With a movement of body shape, he will crush the whirlpool of mind trapped in Ye Chen!

Xu Ying took a cold look at the body of reciting the devil, then let out a low roar, and then flew towards the body of reciting evil!

When the body of the demon recitation saw the shadow of the unicorn, it gave out a scream of panic, and then turned around and fled to the deeper, darker part of the sea of knowledge!

"This is the red dust God pulse You are still a devil! How can it be! "

"No, and your eyebrows What is your eyebrow in the end? "

In the shadow behind Ye Chen's eyes, the cold light flashed through his eyes. He opened his mouth and spit out a green awn. The green awn was as fast as lightning. Under a flash, he penetrated the gray shadow of the body of reading the devil!

"Ah, ah!" The body of reciting demons sends out a scream. Originally, it is invisible and immaterial. Even if it is soul skill, it is difficult to hurt its noumenon, but!

The green light emitted by the kylin virtual shadow is like its natural killer. It not only hurts it, but also has no resistance at all!

At the same time, being pierced by the green awn makes it feel extremely painful!

That empty shadow is a roar, then will read the body tightly bound, pulled to Ye Chen's body.

At this time, under the cold eyes of Xu Ying, he could only tremble with strength!

The empty shadow glared at a pair of big eyes and looked down at the body of reading the devil. Then, it was a big mouth. It wanted to swallow up the body of reading magic directly!

Seeing this, the gray shadow writhed wildly and was frightened to the extreme. However, he could not break free from the bondage of green awn. When he saw that he was about to be swallowed by the virtual shadow, he screamed:

"don't eat me! I do! I will take you as my master

Chapter 2078

The virtual shadow did not mean to stop, regardless, toward the body of reading the devil bite!

Just as the body of reciting demons faints because of fear, when he loses consciousness, a figure suddenly blocks in front of the Kirin virtual shadow.

He raised a hand and motioned the shadow to stop.

Ye Chen looked at the gray shadow with interest and said faintly, "did you take it?"

At this time, the body of reading demons, where dare to have the slightest sense of disobedience?

The gray shadow, bound by the green awn, nodded repeatedly: "yes, yes, my strong master. I will serve you forever. Please, untie my bondage. This green awn makes me too painful."

Ye Chen can't help laughing. The body of reading evil and the change of attitude are really fast enough.

With a wave of his hand, the shadow behind him melted into his body, and the green awn that bound the gray shadow disappeared.

He was not afraid that the mind of the demon reciting body would betray itself. Anyway, the power of the mind of the demon reciting body could not hurt him, so he could clean up the other party at any time.

Ye Chen said faintly: "well, leave Xiaojiu's sea of knowledge and follow me. From now on, I will be your master."

The body of reading magic nodded, but for a moment, it was a little reluctant. After all, it was the place where he was born!

Ye Chen said with a smile: "Xiao Jiu's knowledge of the sea and body can't support your existence, but I'm different. I live in my body. Far away, it's more suitable for you than here."

"Really?" Reading the body of the devil, he asked in surprise. The reason why it will consume Xiaojiu's spiritual power crazily is to maintain its own existence.

Ye Chen said with a smile: "you go, naturally know, but you also have no choice, right?"

The gray shadow of the body of reading the devil twisted for a while, and then he could only feel aggrieved: "yes, let's go."

Imperial concubine Li nervously looked at the nine Princess and ye Chen, who were all covered with purple light, and asked Huang Gong: "Huang Gong, it has been three hours. Is there anything wrong with Xiao Jiu? Mr. Ye, you must be able to absorb the mind of the devil, right? "

"This..." Huang Gong's face looks hesitant. To be honest, although Ye Chen has indeed reached the extreme against the heaven, he is not sure whether he can accept the body of reciting evil.

At this time, the purple light on Ye Chen's body suddenly brightens!

Indistinctly, it seems that there is a gray shadow, along the purple light, floating out of the body of nine princess, into Ye Chen's eyebrow.

At the next moment, ye Chen slowly opens his eyes, and the purple light in the array is dissipating at the same time.

Li HuangFei looks at Ye Chen, who opens her eyes, and looks happy on her pretty face. She quickly asks Ye Chen, "Mr. Ye, what's the matter?"

Ye Chen said with a smile: "don't worry, I've succeeded in taking over the body of reading magic."

Sure enough, at this time, the ninth princess also opened her eyes, the big black eyes, once again flashing a smart color!

On her small face, she was a little confused at first. Then, she showed a color of excitement. She suddenly stood up and threw down imperial concubine Li's arms. She said, "mother, I'm in good health. I don't feel powerless any more."

Hearing this, imperial concubine Li hugged the ninth Princess tightly. Her eyes were full of tears, and she said with a smile, "that's good, that's good, so that the mother can rest assured..."

The emperor of nine you is also a burst of excitement, to Ye Chen sincerely said: "thank you very much for Mr. Ye's help to Xiao Jiu!" He turned to Princess nine and said, "Xiao Jiu, come here quickly. Thank you, Mr. Ye!"

Mr. Li also looked at concubine ye and said, "thank you very much."

Ye Chen waved his hand and stopped the emperor of Jiuyou and said with a smile: "this is what I should do. If it wasn't for Xiaojiu's help, I might have died."

He went to Princess nine, touched his head, and said with a smile, "Xiaojiu, from now on, you can take me as your brother. As long as I'm alive, no one can bully you in this world."

Nine Princess big eyes looking at Ye Chen, sweet smile way: "thank you, ye Chen elder brother."

At this time, Ji Lin put his hands behind his back and pretended to say to the ninth princess, "you call ye Chen brother, and I call ye Chen's name directly, so you should call me sister."

Nine Princess hesitated for a moment, showing a sweet smile: "yes, Jilin sister!"

Ye Chen:

Emperor Jiuyou and imperial concubine Li looked at each other and saw the joy in each other's eyes!

Ye Chen, this is to protect the road for Xiaojiu!

Maybe, ye Chen's strength is not as good as the two of them, but!

Ye Chen's potential is immeasurable!

This is a super monster who has conquered the warrior of the kingdom of God with the cultivation of the state of creation!

As long as ye Chen doesn't have any accidents, he will surely grow up to be the peak of Lingwu mainland, which means that with Ye Chen's promise, no one dares to attack Xiaojiu!

Xiaojiu is the princess of Jiuyou Kingdom, that is to say, as long as ye Chen grows up, no one dares to move the kingdom of Jiuyou!

Ye Chen nodded to Xiao Jiu and said with a smile, "Xiao Jiu, practice hard. Brother Ye Chen is going to leave. However, I will come back. At that time, I will investigate your practice." Nine Princess some reluctant to give up looking at Ye Chen, but, or forced to nod her head: "small nine know, will not let the elder brother disappointed!"

Ye Chen turned around and arched his hand at the emperor of Jiuyou and said, "since Xiaojiu's body is no longer in any way, I'd like to leave first. Then, I'll deal with the matter of the herdsman."

The emperor of Jiuyou said with a smile: "wait, Mr. Ye, before you leave, please accept these things as a thank you for saving Xiao Jiu."

Said, nine you emperor a wave, dozens of extremely dazzling light, fly to Ye Chen.

Ye Chen will shoot the light next, slightly a Leng, these light, unexpectedly, are all top-level space-time soldiers and artifact!

Among them, the most powerful are a light gold inner armor, a pair of boots inlaid with sapphire, and a glass flying boat.

The emperor of Jiuyou said: "this light gold inner armor is a defense artifact. It's called the Earth Dragon Armor. Even if it doesn't inject spiritual power, it has strong defense power. The boots inlaid with cyan gems, named Fengshen boots, have a great increase in body speed.

This flying boat, named Liuli Zhan, not only has good defense, but also its flying speed is not slow. It is suitable for use in travel. "

Ye Chen also did not refuse, directly accept these things, thank way: "thank you for the emperor of nine you, then I will leave first."

With that, he turned to walk outside the hall of God's heart.

On the way, he also collected Muye's storage bag and some dropped items.

I'm afraid the harvest is terrible!

Muye is a man of the kingdom of God. He is curious about what kind of resources the people of the Kingdom have!

Chapter 2079

After returning to Yuelai Hotel, ye Chen sorted out the harvest of this trip.

This trip to the country of nine you has greatly improved his strength!

The realm has already stepped into the four layers of the realm of creation.

As for why they broke through in the battle, they benefited from the power of the spiritual pulse of the Shenhuo Academy. All of them were constantly provided for themselves in the reincarnation cemetery, and they learned a lot in the battle!

Of course, the biggest gain is the body of reading the devil. Even, the body of reciting evil also brought him some magical powers.

First, it is the blessing of reciting demons. This is the magic power that Princess nine used to cast on Ye Chen. She has the ability to heal and temporarily strengthen the spirits of others.

Second, it's called appendage! It can only control other people's mind for a short time.

Then, it was his sword of cutting the sky and burning the sky, which broke through again!

Now, ye Chen has the confidence to face the strong seal!

In addition, they are the things that the emperor of Jiuyou gave him, and what he got from Muye, a magic weapon, a long sword, Su spirit sword, and a defense artifact that can summon a white light shield.

Then, ye Chen took out Muye's storage bag again. After he came back, he had not carefully checked the items in Muye's storage bag.

As soon as the divine idea pokes into the storage bag of the pastoral area, ye Chen is a change of look!

In Muye's storage bag, there are all kinds of precious materials and tens of thousands of crystal stones!

Ye Chen suddenly, eyes a bright, he in the storage bag, actually, found a kind of white feather, as well as a transparent light dust.

If ye Chen is right, the pure white feather and transparent light dust are the best materials for improving flying and invisible weapons. His cloud flying wings and moon dust yarn are not enough for ye Chen now. It's just that when he returns to Shenhua college, he can upgrade himself.

After searching for a while, ye Chen's eyes twinkled. He took out an ancient book from Muye's storage bag and looked through it carefully.

The more you look at the expression of Ye Chen, the more excited and ecstatic!

What is recorded in this ancient book is the cultivation method of Muye's soul skill!

Ye Chen is very impressed by Muye's move to defeat LAN Yufei and chuxiao. There is no doubt that his soul skill is powerful!

It records his skill of killing the soul. It's on the use of two ancient books!

The power of soul lock is extremely terrible, but it can only be used for one or two people.

Another soul skill is called tianhunzhen. Although its power is much lower than that of locking soul, it can attack everyone within a certain range.

Now, ye chenkong has a powerful spirit, but there is no suitable attack means. These two soul skills are really suitable for him!

Ye Chen was preparing to understand and absorb these two soul skills when the devil emperor's voice suddenly rang out: "boy, it's time to get what I put in the Chu family."

"I don't know if the ancestor of the Chu family is still alive..."

"The kingdom of Jiuyou has lost its ancient spirit of war and the spirit of evil way. I'm afraid that under the control of Jun and the devil's dust, the demons will become more serious..."

"I have to get myself back as soon as possible, or The consequences are unpredictable. "

You are curious about the East and west of the Chu family? Now there's something wrong with Chu Ying. If I go to Chu's house, will I not be expelled... "

The evil emperor shakes his head: "that girl saved you, therefore had the cause and effect with you, to the Chu family, pour is a good thing."

"However, that girl is affectionate to you and didn't think so much about saving you."

Ye Chen's eyes were dignified and said, "in this case, I'll go to Chu's house and take back what belongs to you."

"By the way, what is this thing?"

Magic emperor a mysterious smile, way: "you will know when you arrive at Chu home."

.....

At the same time, in a tall building outside Yuelai hotel.

On the roof, two figures gaze at Ye Chen's room.

"Palace master, do you need to see ye Chen? After all, ye Chen doesn't know you saved her."

"Without you, the shadow of the powerful man in the kingdom of God called before Muye's death would surely have killed Ye Chen."

A girl dressed in white looked respectfully at a mysterious woman wearing a veil and a blue cloak.

They are Wei Ying, the Supreme Master of Jue Han Emperor's palace, and Bai'er, a servant girl.

Bai'er's eyes still have a trace of panic.

After all, everyone didn't notice that when ye Chen killed the fleeing Muye with his sword, the space cracks were surging in the sky of Muye!

It was Wei Ying who forced herself into the space crack and wounded the shadow of the kingdom of God! The whole body retreated.

Even as a result, Wei Ying was slightly injured.

Otherwise, the shadow of the shepherd of the kingdom of God will come, and ye Chen will die.

Wei Ying stares at the light in Ye Chen's room and smiles: "no, I don't want him to know my existence." Bai'er was not reconciled: "palace master, you have done so much clearly, why don't you tell that ye Chen."

"Look at Ye Chen's eyes at the maiden of Jiuyou Chu's family. It's all in debt."

"He didn't know that it was you who really owed him!"

Bai'er is a little aggrieved. She complains for the palace master!

She still remembered how pale the palace master was when he came back from the space crack.

After all, in the rift is the realm of the strongman of the kingdom of God!

Even if the palace master gets the transmission of the great power of juechan emperor palace, even if the palace master has obtained the supreme treasure of juechan emperor palace, and even has mastered the secret that juechan emperor palace has become the first sect in Lingwu mainland, it is also a life of death to enter the realm of others!

Wei Ying showed a smile, the cold around her condensed, the blue cape dancing with the wind, the sky is a little snowflake.

The artistic conception is very beautiful.

"Bai Er, I don't want him to have much to do with my cause and effect."

"I'm going to fight It's not what he can imagine. "

"In China, he was desperate to keep me."

"The land of Lingwu, let me guard him at all costs."

"Let's go. Revenge should begin."

"Who is the goal this time?"

Bai Er sighed and opened a book, which was full of influence.

If there are some top-level forces on the mainland, they will be shocked!

Some of them have been crossed out!

It means destruction!

"Palace master, we should go to the Zonghai hall in the northern region of Lingwu. The ancestors of Zonghai hall once participated in the extinction of Juehan emperor palace."

Wei Ying held out her white hand and took a look at the strange and ugly chain of her wrist.

That is the bracelet that Ye Chen once made up for her to suppress the evil blood cold body in China.

It's ugly, but she keeps it.

This is her cold heart, the only remaining warmth.

Good memory.

"Bai Er, let's go."

Chapter 2080

Yuelai hotel.

Ye Chengang plans to go to Chu's home when the voice of the wind rises suddenly.

"Boy, I seem to feel someone looking at you in the north."

"But the other side didn't mean to kill at all."

Ye Chen and Zheng, hurriedly opened the North window, toward the surrounding swept one eye.

However, none of them.

Wei Ying and Bai Er on the roof have long disappeared.

Ye Chen looked at a direction and shook his head: "just, it is estimated that the emperor of nine you sent to see me."

"The emperor of nine you always gives me some strange feeling."

Then he closed the window, took a look at the sleeping Ji Lin, and walked towards the gate.

But soon, ye Chen stopped, because he found Ge Qing coming face to face.

"Ye Chen, did you not sleep?"

Ye Chen said: "wake up, the headmaster is looking for me because of the day?"

Ge Qing looked at Ye Chen carefully for a while, but he couldn't help but feel shocked. He said with disbelief:

"Ye Chen, although your cultivation is still in the realm of nature, your strength seems to be much stronger. Even I can't see through your feeling now

I've heard from Shi Hua about the things in the palace of God's heart. So you should have absorbed the spirit of the nine princesses? "

Ye Chen did not hide, nodded and said with a smile: "yes, it is because of this that my strength has improved a lot."

However, he did not mention Muye.

The emperor of Jiuyou completely suppressed the news, and Ge Qing should not have known about it.

Shenhuo academy, on the land of Lingwu, is a powerful force, but it is too small in front of the divine power. It just worries Ge Qing.

When GE Qing looks at Ye Chen, his face is filled with joy and smile. Ye Chen is his student. The stronger Ye Chen is, the more happy Ge Qing is naturally.

Ge Qing continued: "well, since this birthday party is over, there seems to be something wrong with the college. It's time for us to return to Shenhuo college. Let's go."

Ye Chen thought of the Chu family's affairs, even busy way: "Dean, I still have some private matters to deal with."

"Private affairs?" Ge Qing looked at Ye Chen suspiciously and said, "you go to deal with it first, I'll wait for you."

Ye Chen nodded, his eyes suddenly burst out a burst of extremely dazzling light!

Step out of Yuelai Hotel, into the night.

.....

At the same time, the divine shepherd.

The atmosphere was as heavy as frost.

There are countless powerful people sitting in the main hall of the herdsmen, even many of them are too empty!

An inexhaustible anger was repressed.

In front of them is a jade card of life.

Completely broken life jade card!

Makino, dead!

On the platform, an old man suddenly said, "who knows where Muye has gone these days?"

"Except for the kingdom of God, no one should dare to move him!"

"He is not very high in the herdsman's status, and is not the best among the many talents of the herdsman."

"But, after all, he is a shepherd! Herdsmen, you can't die! I want the answer

Endless pressure shrouded, people suffocate to the extreme.

For a long time, a pale man under the stage said, "master, I'm responsible for checking the life jade cards of the herdsmen. When I saw that there was an accident in the pastoral area at the first time, I tore up the void and wanted to find the culprit. However, a mysterious woman broke into my realm directly."

"And hit me! Hurt me! I didn't even find Muye's body The space is closed by force. "

"But one thing is certain, Muye did not die in the kingdom of God, but died in the land of Lingwu..."

The old man on the stage suddenly killed the opportunity to release, and hit the table: "your cultivation and strength are very strong, and it is your boundary. It is not easy for people in Lingwu land to hurt you in a short time."

"Are you a waste? Or the people of Lingwu land? Are those old things doing you harm

The man suddenly knelt down: "it's all my fault! Plead for punishment

The old man on the stage snorted coldly and pointed out that the man turned into a blood mist on the spot!

"My herdsman does not raise idle people and dead people."

Later, the old man looked at another person under the stage: "you are responsible for the jade card of life in the future, and you can sit in his position!"

"However, before that, you go to Lingwu land and meet with the Lords of all the top forces and hidden forces. These are the only places where you can have such strength, and try your best to find out the truth of Muye's death."

"Yes

.....

The kingdom of Jiuyou, the Chu family.

Ye Chen comes to the gate and knocks gently.

Soon, the door opened, a servant girl came out, she looked at Ye Chen, and even said, "this should be Mr. Ye." Ye Chen's face is full of doubts.

The servant girl quickly got out of the way and made a gesture of invitation: "the master is waiting inside. Please follow me."

Ye Chen nodded and followed the maid to a garden.

In the garden, countless kinds of spiritual flowers compete with each other and have a unique flavor.

In the central courtyard of the garden, stands a tall middle-aged man.

A figure of one's back reveals supreme majesty.

This man is the head of Chu family in the kingdom of nine you, Chu Hong!

Ye Chen went to Chu Hong, arched his hand and said, "Ye Chen has seen the master of Chu family!"

After all, this man is Chu Ying's father, no matter what, he should have such an attitude.

And ye Chen doesn't know how to explain what happened today.

Chu Ying almost died for him.

The resurrection is worrying.

At this time, Chu Hong opened his mouth: "these flowers are planted by Yinger, she likes it very much."

"It's a pity Her fate, like these flowers, has a cycle

"I know everything about today."

"I just want to ask you two questions."

"First, are you sure to save Chu Ying! If you are not qualified, I will rescue you! And leave my Chu home immediately

When Chu Hong's pressure is released, ye Chen remains unmoved and says word by word: "Chu Ying, because of my accident, I will certainly save her life!"

"At all costs!"

Suddenly, Chu Hong turned, a pair of tiger eyes tightly staring at Ye Chen: "good! If you break your oath, I will kill you myself

"The second question, who are you! What do you have to do with the devil

This is the biggest doubt in Chu Hong's heart!

Ye Chen just want to say what, the eyebrow heart is to pass a burst of tingling.

Then the devil's voice suddenly sounded: "let me control for a few minutes."

"Good."

Soon, ye Chen's breath changed completely.

The whole body is surrounded by hidden demons.

The pupil seems to reflect a round of blood moon.

His momentum seems to be above the sky, even with a trace of dust-free.

Chu Hong's cultivation is extremely high. Naturally, he realizes something and his expression suddenly changes.

At this moment, he found that their identities had changed.

He was so cultivated and oppressed that he felt a threat to the young man in front of him.

There was even a hint of submission.

Is Is this man really the reincarnation of the devil?
