Chapter 211

Sun Yi bit her lips, her face full of anger.

She had only heard of this kind of thing before. Some enterprises with strong development momentum often have second generation officials or big families to ask for shares.

Some enterprises in order to have more amulets, in fact, can not afford to, can only agree silently.

To put it mildly, we should develop together.

To put it worse, it's a shameless scum! The act of a robber!

In Jiangcheng, there were so many big people on the opening day. Naturally, we dare not have the power to find the trouble of Tianzheng Group!

But now it's in Jiangnan province!

The strong dragon can't fight the local snake!

Some people naturally don't know the power behind Tianzheng Group!

So I used this kind of crooked brain!

Although she vaguely knew that the Zhou family in Jiangnan province was the umbrella of Tianzheng Group, they did not know that Tianzheng Group had extended to Jiangnan province!

And she doesn't have the contact information of Zhou family! This time can only find Ye Chen!

Seeing that Sun Yi seemed to be a little annoyed, Lei zhe stood up directly and came to Sun Yi. The ash in his hand shook directly on the desk. Then he said, "the person who knows the current affairs is Junjie. To tell you the truth, how many members of my Lei family sit in the industrial and commercial bureau and other important positions. Do you believe that the Lei family seals down your Tianzheng Group in minutes?"

"It's easy for me to kill you foreigners like you!"

Then Lei Zhe's sight swept toward Sun Yi.

Greed, lust.

"Damn it, now the executives of enterprises are so beautiful. It seems that Miss Sun has not less sleep with men. Would you like to accompany me tonight?"

Lei zhe was a little confused by desire, and even reached out to touch Sun Yi's chest!

Jiangnan province is the territory of his Lei family. What can happen if you play with a woman?

Sun Yi's face showed a trace of disgust, but also stretched out a hand, slapped out!

"Mr. ray, let go of your dirty hands!"

This slap on Lei Zhe's face!

Directly beat the latter!

Who dare to beat him in Jiangnan province!

If this is known by the people in the circle, the Lei family will be ridiculed!

"Damn it, force me to use it! Don't be shameless, you bitch. You think you're still in that little place

"But I like you so much. Today I'll let you know what conquest is!"

Lei zhe directly took off his coat and forced Sun Yi. Then he ordered the two people behind him: "you go out and guard the door. You can't come in when you hear any sound. I don't want to disturb my good deeds."

"Yes, young master!"

The two men looked at each other and retreated!

Lei zhe licked his lips and looked at the proud figure of Sun Yi. He felt the primitive desire was impulsive. He was just ready to pounce on Sun Yi!

"Bang!"

There's a big bang!

The next second, the office door was kicked open by a pair of big feet!

Lei zhe was angry and scolded: "Damn it, didn't I ask you not to disturb me?"

He had just turned his head when his voice suddenly stopped!

Because he found that the two masters he brought out actually fell down!

Those two people are more ruthlessly hit on the ground, the corner of the mouth spills blood!

No breath!

Not only fell, but also died!

His eyes some inexplicable horror, eyes gradually moved up, saw a cool and proud youth!

"Did this guy touch you?" Ye Chen's cold voice rang out.

Sun Yi, taking advantage of Lei Zhe's inattention, runs behind Ye Chen and grabs his arm with one hand.

Later, he explained: "he didn't meet me. Fortunately, you came in time, which scared me to death. Those security and staff will not be on duty until tomorrow. I thought nothing would happen..."

Ye Chen nodded and sighed. Then he said, "all the security guards quit. I'll send experts to take charge. I have some responsibility for today's affairs. By the way, what did this animal do here? "

Sun Yi quickly explained: "he seems to represent what Lei family to force a part of the dry stock..."

Ye Chen nodded and said to Sun Yi, "you can sit outside first, play with your mobile phone, and give me a few minutes to deal with it."

"Good."

Sun Yi takes a look at Lei Zhe, who is completely stunned. She hums and goes out.

Ye Chen is here. I'm afraid the animal will come to a bad end.

However, who let him be so short-sighted that he even wanted to rob Tianzheng Group without doing some investigation in advance.

No matter how he ended up, he deserved it!

After Sun Yi leaves, ye Chen's killing machine is released!

Some people dare to touch his things!

Lei zhe felt something wrong and swallowed his mouth. He said seriously, "you know what the hell I am..." Words have not finished, ye Chen a roar down!

"Kneel down!"

"Plop!"

Lei zhe found that his legs were completely disobeyed, and he knelt on the ground directly!

Then ye Chen stepped out and kicked directly on Lei Zhe's chest!

"Bang!"

Even if the strength, Lei Zhe's body or fly out! Hit the wall heavily!

"Poof!"

He vomited out a mouthful of blood and felt that his whole body bones were scattered.

Before he could react, he found that the cold and arrogant youth had appeared in front of him and stepped on his chest.

"I'm Lei Zhe. If you move me again, Lei family will let you die!" Lei zhe gnawed his teeth.

"Lei family? It seems that the people behind you asked you to come. " Ye Chen sneers, he dials ye Lingtian's telephone directly.

The phone is on.

"Do one thing for me.

A man named Lei zhe provoked me, as if he was from Lei's family. In ten minutes, I want the family to disappear in Jiangnan Province, and ask his father to call this animal's mobile phone called Lei Zhe. "

The phone hung up.

Hearing this nonsense phone call, Lei zhe laughed.

"Draft horse, what kind of force do you pretend to be? Kill Lei's family in ten minutes. Who the hell do you think you are?"

Ye Chen Mou son pan chill, directly grasped Lei Zhe's hair, and then fiercely hit on the ground!

His face was bloody for a moment!

Madman!

Absolute lunatic!

Lei zhe even screamed: "ah! I want to call the police! You're going to die

Zhe doesn't take out his cell phone and put it in front of him.

Offend his person, he wants to let the other side feel deep fear!

This fear is like freezing, like falling into hell!

Just as Lei zhe screamed, a phone rang.

This strange phone, instant let Lei zhe cold hair erect, he stiff turn head, along the corner of the eye blood to see the call display on the phone!

It's his father!

At this moment, his heart seemed to be hit by a heavy blow!

He can't breathe!

He took a look at the young man in the distance. The cold air made him tremble.

Chapter 212

"It can't be true..."

He reached out his hand, picked up the phone on the ground and pressed the answer button.

"Dad..."

The voice trembled incomparably.

The next second, a startling roar rang from the phone: "Lei zhe! Who the hell are you offending! Now all the Lei's are corpses! You son of a bitch! You -- "

hung up.

At the moment, Lei zhe feels like falling into an ice cave! Life and death are only in other people's mind!

He didn't even dare to look at the youth in front of him!

What kind of devil is this? One phone call can destroy the whole Lei family!

He reacted fiercely and kowtowed to Ye Chen: "my lord I, I, I I'm wrong. Please let me die. I'm willing to... "

His only hope now is to live!

To live means to have a chance!

"You shouldn't mess with me, let alone beat my woman's idea. You don't have the right to live!"

Ye Chen's hand condenses out a wind blade!

Wind blade directly through Lei Zhe's body, the next second, Lei zhe fell.

Lost in despair.

After all this, ye Chen walked out to an office desk in the hall, patted Sun Yi on the shoulder and said, "come on, someone will handle the rest. Let's go back to the villa and let me have a taste of your craft."

Sun Yi looked at the direction of the office and nodded: "good OK "

from the scream just now, Sun Yi guessed something in her heart, but since Ye Chen said that someone would handle it, she didn't want to think about it.

Back at the villa, Sun Yi received a call from Xia Ruoxue.

Xia ruoshue's mobile phone fell on the car, which has not been connected.

Sun Yi told Xia Ruoxue what had happened before. Xia Ruoxue wanted people to warn Lei's family, but she didn't expect that there was a fire in Lei's house on the mobile phone news.

Now that she had the result, she stopped intervening, and then told Sun Yi that she might leave Jiangnan province for a few days.

She and her mother are going to send her grandmother back to their hometown. They should come back in three or four days, and let her Tell ye Chen about it.

I don't know why Sun Yi hung up.

These days because of Xia Ruoxue, she is not good to take the initiative to find Ye Chen.

Since getting Ye Chen's nourishment, every night, she will think of those men and women's love.

Sometimes, she even thinks, is she a girl with a strong desire?

With the help of her pillow, she can only satisfy herself for several times.

At night, Sun Yi changed into black silk stockings, dressed up carefully, and went directly to Ye Chen, who was sitting on the sofa with her legs folded.

Ye Chen is also aware of something, eyes open, when see Sun Yi dressed like this in front of him, he just want to talk.

Sun Yi has thrown him on the sofa.

Sun Yi sat at the foot of Ye Chen's thigh, blushing and saying, "xiaochenzi, give me your hand."

Ye Chen frowned and did.

Sun Yi's slender fingers held Ye Chen's hand and said with a smile, "your hands are so cold."

Yeah?

Ye Chen is confused.

Where is his hand cold?

And as a practitioner, he can keep normal temperature even in the coldest environment.

He just wanted to take his hand back, but Sun Yi grabbed Ye Chen's hand and said, "fool, since the hand is so cold, I'll warm you..."

The next second, Sun Yi put Ye Chen's hand directly under her skirt.

Ye Chen didn't expect that this was the girl's routine.

He turned over fiercely and directly pressed Sun Yi under his body.

The clothes were torn directly. They were very rough, and the soft thing bounced out.

The lips touch and moisten.

Love to the deep can not extricate themselves.

Soon, on the sofa, a big war started.

.....

A few days later.

Jiangnan Wudao Association.

Tang Ao has not slept for several consecutive nights, his eyes are full of blood.

He stares at all the pictures on the wall and the back in the center.

He always felt that he had neglected something, otherwise he would not have checked for so many days and still had no news.

It's like a pair of big hands controlling everything.

Some of the people under investigation even disappeared mysteriously, and the number of missing people was increasing. He knew that someone was destroying everything.

And the strength of the other side is not weak at all.

What is the origin of this hunter?

It's just like a ghost in the dark, some infiltrating.

He turned around, looked at the people of Jiangnan Martial Arts Association behind him, and said, "what's your guarantee? Why don't you find the ghost now? "There's no one down there talking.

"Pa!"

Tang Ao clapped his palm on the table and roared: "I said, if there is no news, you will all get out of the Wudao Association of Jiangnan province!"

"Now get the hell out of here!"

Tang Ao's ferocious face scared those people.

At this time, an old man stood up and said, "president Tang, in fact, we have received news several times. After receiving the news, those people have disappeared. The current problem is not that we can't find the hunters, but the powerful ones are protecting them! It's like the mantis catching cicadas and the Yellow finches are behind

Tang Ao's anger still didn't disappear. He put his hands on the conference table: "don't you know what I'm doing? You are a bunch of rubbish who have pulled out this force

The old man looked embarrassed and stopped talking.

Just then, a staff member knocked on the door of the conference room.

"Come in!"

Tang Ao said in a deep voice.

"What's the matter?" he asked, looking at the staff member whose face was a little flustered? Don't you know you're in a meeting

After all, the last colleague who entered the conference room has died. He doesn't want to die.

He shook his voice and said, "president Tang, there is a girl outside who says that she knows who the person in the photo is..."

Tang Ao's face congealed, in situ into the shadow, has appeared in front of the staff, a grasp of his collar, excited way: "true or false? Please come in soon

"Yes

Shortly after, a young girl came in.

To Tang Ao's surprise, the girl's face is pretty good.

But the girl's face is very pale, and even some hair.

If ye Chen is here, she will surely find that this girl is Chu shuran!

Chu shuran took a look at Tang Ao and all the people. Her eyes were afraid and frightened.

Countless eyes are staring at her, which makes her very uncomfortable.

Tang Ao has come to Chu shuran in front of him, pointing to the top picture of the back, and saying, "you say you know who the hunter is?"

Chu shuran nodded as if pounding garlic.

"President Tang, my family is threatened. If I say it, can you help me..."

Tang Ao Mou son tiny MI, mouth way: "say! If it's true, I can take you as my daughter, and I'll give you honor and protection for the rest of your life

Chapter 213

Hearing this, Chu shuran's eyes were full of joy. She came to the stage and pointed to the back photo, and a cold voice sounded:

"I'm sure that the hunter is Ye Chen! The first person in Jiangcheng, ye Chen

Ye Chen?

Who is Ye Chen?

At this moment, the whole conference room was quiet.

When I hear this name, it seems that all people have heard it for the first time.

Even Tang Ao did not react for a while.

"Ye Chen, which ye Chen? The first person in Jiangcheng? "

All of a sudden, everyone thought of something!

Hiss!

They take a breath of cold air, eyes are full of panic and surprise!

It's him!

The man who killed Yuan Jingfu in Wudaotai was Ye Chen!

Even the martial arts association of Jiangnan province sent many strong men to hunt down this man, and the final result was no news!

Originally, they will continue to investigate, but recently, so many things have happened in Jiangnan province that they almost forget the young man in Jiangcheng!

But is this Ye Chen the hunter who made countless forces in Jiangnan province scared?

Does he have the strength?

The killing of Yuan Jingfu can only show that the other side has three or four hundred masters in China.

This kind of strength can't kill Tang Haishen, let alone the Wu family!

People's faces are also confused color, simply do not believe that this young Ye Chen will have such a great ability.

Tang Ao Mou son also has unprecedented dignified, question asks: "how are you sure?"? As far as I know, this son's strength should not be able to do these things at present! "

Chu Shuran knew this group of people didn't believe it!

Don't talk about this group of people, even if she saw this figure at first, she didn't believe it!

Although Ye Chen is very strong, but can not be strong to this point!

But she once investigated Ye Chen and took numerous photos of Ye Chen in Jiangcheng!

She suddenly took out a stack of photos from her bag and handed it to Tang Ao: "if president Tang doesn't believe it, you will see this photo!"

Tang Ao took photos, without exception, are some of the back!

is weird as like as two peas in the photo, whatever the temperament or figure.

An invisible anger swept through Tang Ao's body!

Chu shuran is subconsciously back a few steps, is very uncomfortable!

"Pa!"

Tang Ao hits the conference table with a fist!

In an instant, there was a loud noise, and the table collapsed and turned into countless powders!

His eyes turned into blood and roared, "everyone, please find it for me! Dig the ground three feet, also want to find out Ye Chen this small animal! I don't want to cut off his head! "

Chu shuran saw this scene, and her mouth outlined a smile: "Ye Chen, since you can't help my Chu family, you don't want to live. I want to see the anger of Tang Ao in Jiangnan province. How can you bear it?"

No one noticed that Ma Weiqi's face in the meeting room was so weird that he held the phone tightly and his palms were covered with sweat.

.....

Mingcui Villa District, Jiangnan province.

Ye Chen is practicing in the house when his mobile phone rings.

He opened his eyes, five fingers a grip, the mobile phone will appear in his hand.

"Hello?"

As soon as I answered the phone, there came a quick voice!

"Mr. Ye, something has happened! Big deal! Tang Ao has found you are a hunter! "

"He has used all his strength to find you! Once found, Mr. Ye, you will be in danger

"The weather has changed completely in Jiangnan Province, and the news that you are a hunter will soon spread! At that time, Mr. Ye must be difficult to fly! Come on! Take advantage of the fact that most people don't react, Mr. Ye, go away

Ma Weiqi's voice is very urgent, he is really worried about ye Chen's safety.

After listening to these words, ye Chen did not have a trace of reaction, just light way: "know."

Ma Weiqi at the other end of the phone was stunned and even said, "Mr. Ye, this is not a joke! You are almost in a state of opposition to the martial arts and Taoism circles in Jiangnan province! At that time, all the masters will rush into your villa

Ye Chen didn't pay any attention to it. Instead, he said strangely, "I'm very curious. How did Tang Ao find me?"

Ma Weiqi even busy way: "just now, the Martial Arts Association came to a woman named Chu shuran! I don't know why, she has many pictures of Mr. Ye in her hand. Because of her meritorious deeds, she has even become the dry daughter of Tang Ao! It's almost possible to walk horizontally in Jiangnan province

Ye Chen Mou son is suffused with a trace of killing intention.

Last time she was seriously injured, she didn't wake up!

His principle is that he doesn't like a woman who can't be tied to a chicken, but now, he has changed his mind!

Chu shuran, you must die! And it's going to be a terrible death!

But on the other hand, he should also thank Chu shuran, who ignited the carnival.Hunting game, officially started!

The phone hung up.

Sun Yi's voice came from downstairs and asked him to go down to dinner.

Ye Chen is very clear, with Tang Ao's character, it is likely to start with the people around him first!

Although he has the ability to kill Tang Ao, Sun Yi and Xia Ruoxue are his weak points!

If Xia Ruoxue is not in Jiangnan province at present, it will not be affected.

But Sun Yi is in trouble! He can't kill Tang family with Sun Yi!

At this time, ye Lingtian's phone call came.

"Temple master, the news that you are a hunter has been spread in Jiangnan province. Now the temple master is almost against the martial arts and Taoism circles in Jiangnan province! Need not dark hall hand! I've already sent a car here. I'll be in Mingcui villa in about three minutes. "

"Good."

Ye Chen did not refuse. At present, taking Sun Yi to Qianlong building is undoubtedly the safest way.

When everything is stable, he should also take the biggest gift to see Tang Ao!

"President of the martial arts association of Jiangnan province? Top strong in Jiangnan province? Hum! I will let you understand what kind of terror you are offending

Down the stairs, Sun Yi in the kitchen just wanted to talk. Ye Chen grabbed her hand and said, "these two days, I'll take you to a place. You'll stay in it for two days. After two days, I'll pick you up and go back to the villa. Would you like to

"Don't ask what happened. I promise you, after two days, no one dares to move Tianzheng Group! No one dares to move you

Sun Yi stares at Ye Chen's serious eyes. This scene seems familiar. Once in Jiangcheng, when they were chased, ye Chen also said similar words.

She knew that something had happened in Jiangnan province!

A smart woman at this time will never ask more, she nodded: "OK, I will."

"Go."

Ye Chen takes Sun Yi's hand and goes outside. A Bentley car stops outside steadily.

Under the driver's seat, there was a strong man in the dark hall who breathed terror. He opened the door of the back seat and said respectfully, "Lord, Miss Sun, please."

"Good."

The car soon left Mingcui villa.

Ye Chen's cold eyes looked out of the car window, and the corners of his mouth sketched a cold radian, and said in a light way:

"the martial road boundary of Jiangnan province? If the world of martial arts and Taoism negates me, I Ye Chen is willing to kill all the people in the world! "

Chapter 214

Half an hour later.

The car drove directly into the underground parking lot of Qianlong building.

Ye Chen and Sun Yi get out of the car and look at the strange things around her. Sun Yi is in a trance.

She vaguely remembered that the driver just called Ye Chen hall master.

Temple master?

What does that mean?

She didn't understand, but she felt respect from each other's words!

Incomparable respect!

She felt that ye Chen must be hiding some other secrets.

Although they have already had sex with each other, they should know each other very well, but now she feels more and more unable to see through.

Thinking of this, Sun Yi's eyes flashed a touch of loss.

After getting out of the car, Sun Yi looked around and said, "Ye Chen, what is this place?" She was curious.

Ye Chen smiles and holds Sun Yi's hand. He knows that girls will naturally feel insecure when they come to strange places.

"This is Qianlong building, my place."

"Yours?"

Sun Yi's eyes widened. When she was outside just now, she saw the magnificence of the building!

It's a hundred times more magnificent than the Tianzheng building in Jiangcheng!

It is also a landmark building in Jiangnan province!

The cost estimate of the building alone is an amazing figure.

But now, ye Chen even said that this is his territory?

She knows Ye Chen is very powerful, but this guy has only been in Jiangnan province for a few days. How could he have a mansion?

When Sun Yi doubts, ye Chen takes her to an elevator.

After a face and iris scan, the elevator door opened.

Sun Yi looked at the high-tech elevator in front of her, her brain was a little blank.

Nowadays, elevators in buildings are so advanced?

She is not stupid. She has noticed something wrong.

She knew that the place where the elevator arrived might be the secret of Ye Chen.

The unknown secret.

Twenty seconds later, the elevator stops.

The gate opened slowly.

"Come with me."

Ye Chen takes Sun Yi's hand and goes out to the outside.

Although the dark hall is his secret, Sun Yi has become his woman, and it is impossible to betray him. He has no need to hide it.

What's more, these two days, Sun Yi needs the protection of these people!

Bringing her here is undoubtedly the right decision.

The Qianlong building, the strong Linyun, is as solid as gold. Those families in the martial arts world are not qualified to touch it!

Sun Yi stepped into it and saw a hundred people in her beautiful eyes.

These 100 people are like an army, standing in order!

The key is that the breath of these people is extremely terrifying.

Although Sun Yi does not practice ancient martial arts, she can feel that these people are extremely dangerous!

A hundred people were silent, their eyes were like swords, and the atmosphere was oppressive.

Sun Yi swallows and salivas nervously. Just about to speak, a middle-aged man rushes up and raises his right hand, which is full of blue tendons!

Is this the rhythm of an accident?

"Touch!"

However, the man's hand suddenly stopped in the air, and the powerful brake even made the surrounding air burst.

"Touch!"

What surprised Sun Yi the next second happened. The man suddenly knelt on one knee, his right hand on his knee and lowered his head.

"Ye Lingtian, see the hall master!"

"Touch! Touch! Touch it

Then, the middle-aged man behind that 100 strong suddenly all inexplicable one knee kneeling, and that person's movement is exactly the same.

"See the Lord!"

"See the Lord!"

At this moment, almost all the people in the mouth are shouting, see the four words of the temple master.

The power of voice makes people feel sincere from the heart!

And deafening!

This cry brought a strong shock to Sun Yi!

She swore that she had never seen such a strange scene since childhood!

Temple master!

That's the title again!

What kind of person is worth this group of breath terror guy willingly yells the temple Lord!

Moreover, this way of saluting is just like the ancient ministers saluting the emperor.

This scene deeply impacted Sun Yi's sight.

Sun Yi subconsciously set her eyes on Ye Chen.

At the moment, the emperor's temperament is as strong as the emperor's!

Point out the country and encourage the writing!

"Ye Chen, is this the real you?"

Sun Yijiao's body trembled, and the shock at the bottom of her heart could not be dispersed for a long time.

Ye Lingtian naturally knew the relationship between the hall master and Sun Yi, and said, "ye Lingtian, your subordinate, please see Miss Sun!" "See Miss Sun!"

A hundred people at the bottom also called out, and their voices were shaking.

"Gollum."

Sun Yi swallows her mouth again. She can't imagine that this group of people are also submissive to her.

How can she be.

Her delicate body trembled, a kind of unspeakable feeling suddenly hit, there was a moment, she would feel that she was not worthy of the Ye Chen in front of her!

She stretched out her hand and held Ye Chen tightly. When she saw the tenderness of each other's eyes, she just settled down.

"Get up." Ye Chen Dao.

"Yes

"Shua Shua!" When a hundred people got up, the momentum was palpable.

Ye Chen looked at ye Lingtian and said, "these two days, all the strong men in the dark hall are guarding this person. If something happens to her, ye Lingtian is the main responsibility."

Ye Lingtian nodded: "don't worry about the temple master. You can't step into Qianlong building! What's more, even if these people have visited the whole Jiangnan Province, they will not associate it with this place. "

Ye Chen nodded, then looked at Sun Yi, wrapped her big hand tightly, indicating that she was at ease.

.....

At the same time, the entire Jiangnan province ushered in a major earthquake!

Almost all families know that ye Chen is the hunter who scares countless people!

Tang Ao of the Wudao Association of Jiangnan province has made an order to pursue and kill!

Once Ye Chen is found, shoot to death!

Anyone who violates this will be the enemy of the martial arts association of Jiangnan province! Against him!

The situation is turbulent, under the earthquake, countless families suffered.

Xia family in Jiangnan province.

The door of the villa was directly broken open.

Six or seven strong people with terrible breath rushed in directly and searched the Xia family.

Because Xia Ruoxue and Xia's mother have gone to other places, only Xia Hongye and those servants are left at home.

Those who want to stop the way of Hongwu.

He is very clear that his people are not the opponents of this group of people at all. Once they start, they will be dangerous.

After a search, there was no result.

An old man of Wudao Association in Jiangnan province came to Xia Hongye with several strong men.

The old man's eyes were very indifferent and said, "you should know who the hunter is."

Xia Hongye's eyes flashed a little panic.

Although he had long guessed that ye Chen was the terrible hunter, when he got the definite answer, his whole body was still covered with a sense of death.

He even vaguely remembers the picture that he said he was so small and could not climb up!

Even countless times to persuade this son not to offend the Qin family!

But who could have thought that ye Chen killed the once invincible Wu family in silence!

This is extermination!

Chapter 215

Although the Wu family is in decline, it can not be compared with the Qin family!

But the skinny camel is bigger than the horse!

Who dares to move Wu family in Jiangnan province! Who dares to kill Tang Ao's son!

Only Ye Chen!

It seems that he is short-sighted and short-sighted.

"If I ask you, are you deaf?" The old man said coldly.

Xia Hongye this just reacts from the thought, even busy way: "adult, I know."

"Oh? Do you know where this son is going now

The old man's eyes flashed by surprise. If ye Chen was caught by him, he could go to Tang Ao to get credit.

"I really don't know. I've always been disdainful of it, and my relationship is not good. How can I know such a thing? Even if I know, I will take the initiative to say it. "

The old man's face and switch out a pair of anger, dare to feel their own empty joy.

"Hum! I heard that this son and your daughter have a good relationship. Where's your daughter! Let her come out to see me The old man said.

Xia Hongye quickly explained: "the little girl and her mother went to her grandmother's house a few days ago, but they haven't come back yet. Even if they have to rush here, it will take some time."

"I don't care. I'm going to see your daughter today, or you can't afford the consequences!" he said

Xia Hongye thought for a moment and then said, "this adult, although my daughter is from the Xia family, she is also the fiancée of Qin Zhengyang of the Wudao family How could she have any connection with Ye Chen? "

When the old man heard the words Qin family and Qin Zhengyang, his eyes shrank, and then he waved his sleeve and said, "it turns out that it's my own person. In this case, I won't disturb you. But if you have any news about ye Chen, you must immediately inform the Wudao Association of Jiangnan province!"

He can't afford to offend the Qin family.

"Certainly."

Xia Hongye quickly bows the waist to send these strong men out.

Although he has great wealth in Jiangnan Province, in front of the strong martial arts, life and death is just a matter between each other's thoughts.

Naturally he did not dare to offend.

At the same time, Zhu's courtyard.

Today's Juya is wearing a pure white off the shoulder long skirt. The beautiful collarbone is indistinct. The material of the skirt is as white as a fairy's dress, slightly glowing, like the wings of an angel, but it is not exposed at all.

The hem of the skirt is an arc from low to high, and the elegant micro canopy shows Juya's beautiful legs as white as jade. The corner of the skirt is decorated with diamonds dotted with stars, just like countless beautiful morning dew.

Waterfall like long divergence in the shoulder, a trace of hair is in the chest of the hemisphere rotation, the world's few men can still hold this situation!

But at the moment, such a beautiful woman, her eyes have a trace of deep fear and horror.

There is a picture on her mobile phone.

The youth in the picture is Ye Chen!

"Ye Chen? The hunter? "

At the moment, Zhu Ya's chest is constantly fluctuating and magnificent.

"It turns out that you killed the Wu family and even cut off the head of Tang Ao's precious son Are you crazy? "

In her mind, the picture of Ye Chen catching the sniper gun bullet, and even the so-called "worthless"!

She thought Ye Chen was just arrogant.

Now it seems that ye Chen is crazy and boundless!

It's as if even the martial arts and Taoism circles in Jiangnan province can't get into his eyes!

"Ye Chen, ye Chen, what is your arrogant capital? The five years that disappeared? What can be done in five years? "

Murmured Julia.

Just then, a middle-aged man opened the door!

It is Zhu Wentian, the current head of Zhu family in Jiangnan province!

Generally, the younger generation meets the elder, but at this moment in this room, it is Zhu Wentian who comes to see Zhu ya!

More strange things happened, Zhu asked the sky, the master of the Zhu family, actually knelt down in front of Zhu ya!

If this scene is seen by Zhu's children, they will be shocked to leave work.

"Miss, are you looking for me?"

Zhu Wentian said respectfully.

He is very clear, Zhu Ya's identity is not as simple as the outside world said, in the eyes of outsiders, Zhu Ya may be just a member of Zhu family!

But in his eyes, Juya is the existence of high!

Zhu Ya nodded and said, "I have found the whereabouts of the broken Xuan sword. It is in Ye Chen's hand."

Zhu Wentian's face changed slightly and exclaimed, "the broken porch has come out!"

Suddenly, he thought of something and asked, "Ye Chen? Is Ye Chen the hunter in Jiangnan province

"That's him." Zhu Ya nodded, "if the Zhu family in Jiangnan province uses all means to protect this person, how many% are you sure?"

Hearing this, Zhu Wentian frowned, and then said, "seventy percent, master Tang Ao's sword was once made by our Zhu family. If Tang Ao is afraid of his master, he may be able to protect Ye Chen, but in this way, the Tang family and our Zhu family are hostile." "Baoye Chen, it's not a wise move right now."

Zhu Wentian tried to persuade him that he did not approve of this method.

Zhu Ya put his hands behind him and said, "it seems unwise, but it's worth it to break the Xuan sword! You should know what poxuan sword means to our family. "

"Now it depends on Ye Chen's willingness to accept it, but I don't think he dares to refuse. Now he has almost offended most of the forces in Jiangnan province. If he wants to survive this time, he has no choice but to rely on my Zhu family! "

The earthquake in Jiangnan province may really make the whole province shuffle.

But it is not just the Jiangnan province that this incident affects.

A quiet courtyard in the capital.

Jiang Jianfeng closed his eyes, and the whole room was filled with a strong aura.

Countless auras penetrated into Jiang Jianfeng's body. His pores expanded and his whole body exuded a trace of gold.

All of a sudden, he opened his eyes and clapped it out!

Just on the air!

A chill filled the audience!

The air seemed to be torn by him, and a huge rock ten meters away from him exploded!

Many people may be able to do it.

But the huge stone in the house is not ordinary stone, but flaming spirit stone!

Indestructible!

Looking at the whole Chinese martial arts world, how many people can break this stone!

Jiang Jianfeng slowly spits out a mouthful of turbid gas, and is very satisfied with the blow.

"If it wasn't for the endless supply of natural materials and treasures from the old man, I might still be in that realm now."

"It's time to mention the ninth place in the list of Chinese masters."

Just then, there was a knock on the door.

"Come in." Jiang Jianfeng's hands were behind him, and he was born with a high temperament.

The door was pushed open by a thin man.

Jiang Jianfeng glanced at each other indifferently and said, "what's the matter? Don't you let you guard Jiangnan province?"

The thin man handed over the flat plate in his hand: "report to Mr. Jiang, something big happened in Jiangnan province."

Jiang Jianfeng snorted coldly: "what's the matter with me in Jiangnan province! It's not the capital. "

Chapter 216

The thin man continued: "Mr. Jiang asked me to keep an eye on that evil species all the time? This has something to do with that kid. "

"Oh?" Jiang Jianfeng came to a trace of interest, took the tablet, swept a glance, some of the eyes are not right.

The thin man explained: "in recent days, the situation in Jiangnan province is quite turbulent. The son of Tang Ao, the martial arts association of Jiangnan Province, was killed by a hunter. Not only that, but also the Wu family in Jiangnan province was killed by hunters.

What's more strange is that the hunter is that evil

"What!" Jiang Jianfeng set off a storm in his heart.

He did predict that this son would not live for long, but he didn't expect that a big basket was made in a few days!

Do you have this strength?

Even destroyed a Wudao family in Jiangnan province?

Do you want to be the first person in Jiangnan province?

"Mr. Jiang, although this son has done something shocking for Jiangnan Province, it is estimated that he will not live for two days, and he will be wiped out by Tang Ao himself."

"The day after tomorrow, Tang Ao will be his 60th birthday. He invited many powerful martial arts experts in Jiangnan province. He gave a death order. He must see the head of Ye Chen before his 60th birthday."

Jiang Jianfeng's eyes have a different look: "although this son is the son of Jiang Peirong and others, but he has a bit of Jiang family blood, should not die so easily."

The thin man was stunned and tried to say, "do you need my hand?"

Jiang Jianfeng shook his head: "don't use your hand. It's just a mole ant. It's enough for you to keep an eye on the things in Jiangnan province for me. OK, you should step down."

"Yes

Jiang Jianfeng was thoughtful, and then the corner of his mouth outlined a strange smile.

.....

The whole day, Tang Ao almost used all his strength to search every possible place in Jiangnan province!

But there is still no news from ye Chen.

Ye Chen is like a sudden evaporation from the world.

I thought that if I knew Ye Chen's appearance, I could find out by comparing with monitoring.

But somehow, there was no news.

Tang Ao is almost crazy!

"Pa!"

Another table of the Wudao Association of Jiangnan province was broken.

The association even strengthened the table, it didn't work.

These days, almost a day to change two tables, you can see how angry Tang Ao.

"It's hard for ye Chen to be able to escape from the sky or the earth! You can't find the whole Jiangnan province? What the hell are you kidding me

Tang Ao roared.

There is a reason for his anger. Tomorrow will be his 60th birthday!

But the other party clearly in Jiangnan Province, just can't find! It's not a fuckin 'sign that he's incompetent?

Naked in the face!

The matter is so big that ye Chen, the hunter, is still at large outside. How can he explain to the people in the martial arts circle!

At this time, a vice president of the martial arts association stood up: "president Tang, in fact, there are several places we have not searched, such as some top Wudao families in Jiangnan Province, some forces that are afraid of, such as Qianlong building and Wanfu city..."

"These places are very unlikely, but that doesn't mean it's impossible."

Hearing this sentence, Tang Ao fell into a deep thought, the other side said something reasonable.

This son is so crazy must have his reason, but to search these places, also impractical.

If he angers those who exist, he Tang Ao will have some trouble.

Suddenly, he thought of something and asked, "the boy's parents are dead. Isn't there any important person around him?"

Chu shuran has been listening in. Hearing this, she quickly stood out: "godfather, I know this matter."

Tang Ao Mou son a Xi, for this dry daughter he still like, although born in Jiangcheng, but good brain, the key to the other party to understand Ye Chen!

"Say it."

Chu shuran nodded and said seriously: "Ye Chen has a cold personality and few friends, but what he really cares about should be a few.

Sun Yi, number one.

This daughter and ye Chen have a lot of relationship, and may even be a boyfriend and girlfriend, but now Sun Yi is also inexplicably missing. She should be protected by Ye Chen.

In addition to Sun Yi, there is also a family whose relationship with Ye Chen is very good. If we can plunder this family, maybe we can lead that ye Chen out. "

"This family runs a barbecue shop in Jiangcheng. They are a couple and have no money. But ye Chen should have helped when he was in trouble.

They also have a son who is studying in Jiangbei University. I heard that their son was bullied by a rich second generation, and ye Chen ran away! We can see how important this guy is in Ye Chen's heart

"In addition, ye Chen has a Tianzheng Group. Shen Haihua, an executive of Tianzheng Group, and ye Chen are not only subordinates. They used to be very close."

"These four people should be the only one who can enter ye Chen's eyes. If you catch these people, you will be able to lead the snake out of the cave!"Tang Ao made a decision on the spot and said to Chu shuran: "shuran, you are familiar with Jiangcheng. I order you to take these four people to Jiangnan Province before the birthday party tomorrow! You can transfer the strong one of the martial arts association of Jiangnan province at will

"Yes, godfather!"

At this moment, Chu shuran's mouth outlines a smile. She likes the feeling of controlling power.

That's great!

Think of his return to Jiangcheng, with so many strong people, who dare not accept then!

Isn't Meng family trying to deal with Fu Chu family? Take advantage of the situation to wipe out the Meng family from Jiangcheng this time!

She Chu shuran wants to tell all the people in Jiangcheng, who is the real first person in Jiangcheng!

Tang Ao's words obviously did not end. He looked at an old man and asked, "where is the birthday party for tomorrow?"

The old man respectfully said: "president, in the Imperial Hall of Jiafu hotel."

Tang Ao's eyes twinkled with a trace of coldness, and then asked, "I remember that after the accident of Yunhu villa in Jiangcheng, those people built another Yunhu villa in Jiangnan province? Is it true? "

The old man thought about it and nodded his head and said, "it's true. But because of the Jiangcheng business, the business there is not very good."

Tang Ao's mouth showed a cold smile: "cancel Jiafu Hotel, this birthday banquet will be arranged for me in Yunhu villa in Jiangnan province!"

"Five years ago, the boy lost his parents in Yunhu villa!"

"Five years later, I want that boy to witness the death of people around him in Yunhu villa again! Ha ha ha

The whole conference room only had Tang Ao's gloomy laughter.

.....

The next morning.

Ye Chen wakes up from practice and slowly spits out a mouthful of turbid Qi.

He took a look at the phone and there was no display.

Ye Lingtian blocks all signals here in order to prevent being tracked.

But I don't know why, ye Chen always has something wrong in his heart. His eyelids have been jumping since the morning.

"Is something wrong?"

He directly found ye Lingtian and asked, "if I want to call, where can I go?"

"Lord, please follow me."

Chapter 217

Ye Lingtian takes Ye Chen to a special room, where there is a telephone.

The phone is connected to multiple computers. It's weird.

"Master, this phone is the safest."

"Good."

Ye Chen dials Ma Weiqi's phone directly and wants to ask about the Wudao Association of Jiangnan province.

"Hello, are you?" It's a confused voice from the other end of the phone.

"I'm Ye Chen."

At the sound, maweiqi's face changed and he went to a quiet place.

Later, he said seriously: "Mr. Ye, you finally got in touch with him. Something big happened."

"What's the matter?" Ye Chen frowned and asked.

"The first thing of the sixty is to change the location of Dashun village in Jiangnan province."

Hearing the four words of Yunhu villa, ye Chen's eyes produced a trace of cold killing intention!

"Isn't Yunhu villa in Jiangcheng?"

"Mr. Ye, the Yunhu villa in Jiangcheng has been closed for a long time. Those people have instigated one in Jiangnan province! Tang Ao set up the location here to enrage Mr. Ye! You must not come here, the numerous experts who have been ambushed here

Ye Chen didn't speak, rolled up his anger and said, "what's the second thing?"

"The woman named Chu shuran went to Jiangcheng early in the morning with several strong men from the martial arts association of Jiangnan province!"

"What can I do for jiangchengguan?"

Ye Chen's tone is very cold.

Chu shuran is definitely going to die, but now he wants to move Tang Ao first.

This kind of ant is not worth it.

Ma Weiqi hesitated for a few seconds and suddenly said, "they said they would go to Jiangcheng to find Shen Haihua and what barbecue family?"

"Bang!"

Hearing this, ye Chen's fist directly hit the wall!

Almost instantly, a big hole was smashed out of the wall!

Even ye Lingtian was stunned!

"Hall master..."

Words have not finished, ye Chen then turned around, the whole body condenses a strong evil spirit.

He calculated thousands of calculations, not even that Chu shuran would move the family and Shen Haihua!

Die!

"Ye Lingtian, immediately arrange a private plane for me. I want to get to Jiangcheng as fast as possible!"

"Yes

.....

Jiangcheng, Tianzheng Group.

Ye Chen got off the plane and almost ran away.

When he came to Tianzheng Group, he found that the gate of Tianzheng Group was directly smashed!

It's obviously done by ancient warriors!

Not only that, but all the blood in front of the door!

Red blood!

Under Ye Chen's feet, Cang Long's phantom body decided to condense and directly pour into it.

In an instant, nearly 20 security guards of Tianzheng Group lie on the ground!

Although the strength of these people is good, they are not enough in the eyes of the powerful martial arts association of Jiangnan province!

Some even broke their arms!

Extremely cruel!

Fortunately, most of the people were lying on the ground groaning, and no death was found.

Those people also obviously noticed Ye Chen, some surprise on their faces, and even said, "Mr. Ye!"

Ye Chen stepped out and came to one of them and asked, "where is Mr. Shen?"

The man's eyes were full of shame and said, "Mr. Shen was taken away half an hour ago! It's our incompetence

The anger in Ye Chen's heart breaks out completely!

Still late!

He rushed out directly to the outside and shot twenty pills in his hand.

"Take pills and heal yourself!"

As soon as he finished speaking, he stepped onto a fast motorcycle!

In Jiangcheng, to compare speed, this is undoubtedly the fastest choice.

At the same time, ye Chen called Lei Shuwei: "locate my coordinates. From Tianzheng Group to No. 14 Xilin lane, I hope there is no obstacle."

"Yes."

"Boom

A powerful roar!

When ye Chen opened to the first traffic light, the original red light turned into a green light!

The motorcycle almost became a shadow and rushed out!

14 Xilin lane.

When ye Chen arrived at Uncle Wang and Aunt Zhang's shop, it was still late!

The glass, kitchen, tables and chairs of the whole shop are all broken!

It's a mess!

There's no place to go!

Even on the ground there was a pool of blood, extremely thick!

"Grass!"

Ye Chen really can't help but burst a rude sentence, his eyes are blood, the thick blood evil spirit seems to form a blood dragon virtual shadow on his head!

The faint song of the Dragon resounds through the world!Chu shuran!!

Just then, a phone call rang from his mobile phone.

It's from Yingqing.

"Mr. Ye..."

"Say it

Ye Chen said categorically!

"Dragon soul has helped you find out Chu shuran's position. They are now in the Meng family of Wudao family in Jiangnan province! The address has been sent to your mobile phone, just need your navigation.

What's more, I've helped you plan the route. The green light is all the way.

This is the only way the dragon spirit can help you. "

Hearing this sentence, ye Chen doesn't know why there is a feeling in his heart!

He was extremely disdainful to the dragon spirit!

But at the moment, Ying Qing's call is too timely!

He swore that he would not hesitate to use the Dragon Spirit in his place!

"Thank you."

When the motorcycle started, ye hung up!

.....

Meng family in Jiangnan province.

Chu shuran is wearing a romantic Yage blue style dress with flaming red color. The skirt is lined with hollow patterns. The gorgeous and delicate tassels are flowing around the ankle.

She held her chest in her hands, her chin slightly raised and looked at several people at the door of Meng's house.

Very proud.

"Meng family, I heard that you want to move my Chu family? To that ye Chen

"Sorry, you may be disappointed. Ye Chen can't live today."

Chu shuran's tone of indifference sounded. Now standing behind her is the martial arts association of Jiangnan province. What are you afraid of!

Meng Yuanchang, the head of the Meng family, has gloomy eyes. His eyes fall on the three old people around Chu shuran!

As an ancient warrior, he can clearly feel that the three old men have a strong killing opportunity!

The key strength is far better than yourself.

If they do, the Meng family will surely die!

For the sake of the Meng family, Meng Yuanchang took a step forward and said to Chu shuran, "I was just talking about it at that time, but I haven't started with the Chu family so far."

Chu shuran laughed, a little infiltration.

"So what? If you don't move my Chu family's hand, can't I Chu shuran move you? Martial arts world, the only rule is the law of the jungle! Don't you know as the head of the Meng family? "

The next second, Chu shuran's sharp voice sounded again: "Meng Yuanchang, kneel in front of me and kowtow! Otherwise, you Meng family will destroy the door! "

Meng Yuanchang's face changed greatly. He pointed to Chu shuran and said, "girl of Chu family, don't go too far!"

Chu shuran glanced at an old man behind him and said, "Jin Lao, I don't like him pointing at me and breaking his hand!"

"Yes! Miss Chu

The next second, shadow across!

Chapter 218

An old man has appeared in front of Meng Yuanchang, and even more, he caught the latter's arm!

With a little force, Meng Yuanchang's arm broke directly!

The key is that Meng Yuanchang's strength is useless in front of the old man!

"Get him down on his knees!" Chu shuran ordered again.

Jin Lao's feet broke Meng Yuanchang's knee!

Meng Yuanchang immediately knelt in front of Chu shuran.

Chu shuran laughed and came to the disabled Meng Yuanchang and said, "please ask me to let go of your Meng family. Maybe I can think about it."

Meng Yuanchang looked pale. He looked at the child behind him and clenched his fist.

Although he is a master, he is also a father!

He no longer hesitated. He bit his teeth and knocked his head heavily on the ground. He apologized:
"Miss Chu, it's my fault! Please forgive me

Chu shuran was very satisfied with everything in front of her. Then she stretched out her hand and made a gesture. She sneered and said, "everyone obeys the orders. No matter the children or the old people, they will kill all of them!"

"Yes

Three old men rushed to the past in an instant. It was impossible for a few masters of the Meng family to stop them. The three old men hit each other and flew directly!

It's just rolling.

Seconds later, it was a mess.

Blood is dying in the gate of Meng family in an instant!

At the same time, a child about seven years old stood at the door, apparently frightened by everything!
My feet are still.

That old body surging, face ferocious, a claw toward the child!

In his eyes, how about killing such a child!

Seeing this scene, Meng Yuanchang's neck became blue and blue. He quickly roared: "don't move him! I beg you, don't touch him

But it doesn't work!

Seeing that jinlao is about to come to the children, a huge roar rings out!

The roar! Like thunder!

The roar! As death roars!

Everyone was stunned! Ears are buzzing! It is the movement of the stopped hand, towards the source of the figure!

What did they see!

A young man came riding a black motorcycle at a high speed!

Fast enough to see only one shadow!

But this is the shadow! Chu shuran recognized who the other party was!

CHEN Ye is!

Chu shuran's eyes flashed a trace of panic, then thought of what, to the three old people: "quick! Stop this guy for me

"He is Ye Chen! If you catch him, president Tang will be rewarded with great rewards! "

The three people heard that their faces were happy, and their eyes showed a trace of ruthlessness.

The whole body strength sweeps, directly toward that motorcycle which comes galloping and goes!

They only noticed Ye Chen coming!

However, he didn't notice that ye Chen came with the rage of heaven!

Looking at Chu shuran in the distance and the three old men, ye Chen roared, his arms condensed and his feet left the motorcycle directly!

Step on the ground! At the same time, the real Qi of both hands pushed out!

Instant! Powerful inertia makes the motorcycle fly directly!

It's hard to hit the three old people!

It's not over yet!

Ye Chen's hand shot out a true Qi!

Zhenqi hit the motorcycle directly!

"Bang!"

With a loud noise, the motorcycle exploded directly!

Boom!

Anger burns!

The earth shakes and the wind blows!

That touch of fire exploded in general, bright boundless, shrouded in all directions.

Only this blow, the three people did not expect Ye Chen would be so strong, suddenly after withdrawing several steps.

Their faces were full of horror! Just wanted to run away, I saw a dark shadow in the fire!

"Those who dare to touch me! All dead

The thunderous roar in the two people's ears!

That figure is Ye Chen!

Now out of the fire, this posture! This momentum!

It's like a God coming down to earth!

The three of them were completely stunned. They had been practicing martial arts for so many years. How could they have seen this kind of posture!

It's a fuckin 'lunatic!

Among them, one of the most front-line old man, unexpectedly had a sense of fear in his heart!

But when he saw the dark shadow rushing over, he quickly scattered all the fear in his heart! The arm agglomerates the powerful strength to smash toward Ye Chen!

"Bang!"

But he is not qualified to stretch out his hand, ye Chen has hit down!

This fist condenses all the anger of Ye Chen today!

Master's anger!

Ye Chen's anger!

Who dares to bear it!

The old man felt as if a shell had hit his chest! He wants a big breath! But not qualified!

His pupils are full of fear!

He looked down at his body and it cracked!

Blood spray, his body explodes!

Split!

"The first one!"

Ye Chen's cold voice rings out!

Step on the foot, the ground appeared a deep depression! The true Qi erupts, rushes towards another old man directly!

He knew very well that these three old men must be the culprits of the innocent family!

It's also a beast to deal with those people in Tianzheng Group!

These three will die!

The old man always heard how terrible Ye Chen was, but he didn't think so!

But now I look at the body of my companion, which is exploded on the ground, and I am completely engulfed by fear!

At the moment, he felt that the boy was not a hunter at all, he was just a hell devil!

He no longer hesitated. There was a knife in his sleeve!

The dagger is rolling! Tear the air! Row a cold radian directly toward Ye Chen's chest lock!

He thought Ye Chen would dodge, but he found that the other side was violent like a angry lion!

Still one punch!

How could you use your fist to set the knife!

Is this brain damage!

At the moment when this idea was born in his heart, ye Chen's fist hit the blade!

"Ding!"

A clear voice rang out!

A strange thing happened. The knife he held in his hand was smashed and broken by a fist!

"How could it be!"

Is this boy's fist made of steel!

"Second!"

Ye Chen roared again, and his right hand directly clasped the neck of the other party! True Qi from the Dantian all gather on the right arm!

Press down hard!

"Boom

Under the frightening pupil of the old man, the body fell on the ground and the bone broke! badly mutilated!

Even the neck was broken!

Then, ye Chen stabilized his figure and stood up, the eyes of that cold as ice skate directed at the last old man!

Old man!

"You are the third. Are you going to do it yourself, or am I going to do it myself? "

Ye Chen's cold words fall like this.

Inspid, but with a sense of death.

Everything around seems to be under the control of Ye Chen.

Jin Lao subconsciously took a step back, from ye Chen to the death of two companions of Wudao Association in Jiangnan province!

Less than ten seconds!

Those two old men are the top 400 masters in China!

Even he can't kill easily!

Jin Lao knows very well that this time, he has no way back!

The strength of the hunter Ye Chen is too terrible!

So terrible that he didn't even have the desire to fight back!

The next second, he made a resolute decision. He knelt down on the ground, clasped his hands and said earnestly, "please spare my life, Mr. Ye!"

Chapter 219

"Hiss --"

all the people present took a breath of cool air!

The air is quieter.

Chu shuran's face is pale, the strength is always the strongest among the three!

Now that he's on his knees, what else can she do.

Her breath seemed to stop, looking at Ye Chen, as if feeling an invisible big hand held her throat!

She took a step back, but she didn't want to wear high-heeled shoes, wrists twisted, and fell directly to the ground.

The skirt is torn, and the spring comes out.

No one noticed.

Ye Chen step by step toward the strength of the old, looking at each other from a commanding position, light way: "want me to let you go?"

Jin Lao was wet through and nodded fiercely.

"I rank 307 in the Chinese masters list, and I am willing to work for Mr. Ye! More willing to help you deal with Tang Ao! "

He thought Ye Chen would think about it for a few seconds, but he didn't expect a chill in his ear: "you don't deserve it! Die

"Bang!"

Ye Chen's right foot kicks out fiercely, fell directly on Jin Lao's chest!

Strong old strength, natural and quick reaction, strength in a palm!

Just shoot it!

"Click!"

Originally thought that can withstand a few minutes, but did not expect, his bone directly broken!

At the same time, all the viscera are penetrated by a force!

His body flew straight out!

Ten meters!

Finally hit a giant tree! The strong impact directly broke his spine!

It's like being cut off by a giant sword!

"Poof!"

His mouth big mouth spit blood, the body fell to the ground!

Completely dead.

Meng Yuanchang was very surprised to see all this, but he was not afraid.

Because he knew that the boy was not here to kill him, but to save people.

After all this, ye Chen's eyes fell on Chu shuran,

he lit a cigarette, took a deep breath, and then walked towards Chu shuran step by step.

Soon, he stopped.

So looking at the ground trembling Chu shuran.

Ye Chen's mouth has a touch of cold! Disdain! Moribund! Calm!

The next second Ye Chen will be thick smoke spit on Chu shuran's face.

Chu shuran can't smoke. Naturally, she was choked by the smoke. She wanted to cough, but she didn't dare to move.

Just stare at Ye Chen in the eyes of fear.

"God has given you a good skin bag and a good family background. Why don't you cherish it? Must you come and offend me? "

"Five years ago, you rejected me, humiliated me, sent me to hell, made me laugh."

"I didn't kill you because I didn't care to kill women. Especially for such a mean woman as you

Ye Chen's voice seems to be giving Chu shuran a trial. The endless chill makes her tremble!

"But now, you've completely pissed me off! I just want to ask you one question. Shen Haihua, where are they? "

Chu shuran shut up. She knew very well that if she said it, she would die!

She doesn't want to die!

Suddenly she thought of something. Next she tore her clothes and showed her full chest.

"Ye Chen, please forgive me once. I am willing to be your woman, even if I am a lover! I'll do whatever you want. "

Chu shuran's words have not finished, ye Chen's hand then seized her hair, mercilessly toward the ground to smash!

"Bang!"

Chu shuran's cheek was instantly filled with blood.

"I repeat for the last time, Shen Haihua, where are they? If you don't say it again, I will screw your head off

Ye Chen's evil spirit is released!

Chu shuran can't breathe at all!

She even felt her body sink into hell, endless torture!

She couldn't help it any longer and even said, "they They have been sent to Yunhu villa! "

Hearing this, ye Chen clenched his fist!

Then he went outside and took out his mobile phone from his pocket and called Ye Lingtian.

Ask him to send a car to pick him up.

Kneeling on the ground, Chu shuran sees Ye Chen to leave unexpectedly, exhale a breath.

For now, just survive.

When she was relieved, ye Chen's steps stopped.

"I think you misunderstood something. I don't want to leave, but I don't want your dirty blood to touch me."

Words fall, ye Chen right foot a row, the foot of a knife fragments fly out!

White light flashing, killing machine explosion shot, such as ghosts roaring!

Rubbing the air, sending out the sound of whistling, people palpitation!"Puff

The fragment of the short knife was directly inserted into Chu shuran's eyebrows!

Her pupils were dilated and her vitality was lost.

Stop here.

Chu shuran, die!

Outside the door of Meng's house, it was as quiet as a graveyard in the middle of the night, and there was no breath.

Meng Yuanchang knows Ye Chen is very strong!

Also know that he is the first person worthy of Jiangcheng!

But it's too strong to be true!

The key is that the method of killing people is too scared. Which martial arts master in China would be like this!

It's like a devil crawling out of hell!

This leaf Chen, at the moment, let a person feel boundless majesty and hegemony.

Meng Yuanchang is also very clear, if there is no Ye Chen, their Meng family is completely finished!

He put his hands on the ground and kowtowed to Ye Chen directly. It was three heads!

"Meng Yuanchang, thank you for your help!"

Ye Chen glanced at Meng Yuanchang and ignored it. Until the car appeared, he opened the door, got on the car and disappeared in the Meng family.

For him, the game is just beginning.

.....

Yunhu villa, Jiangnan province!

It's a celebration!

The environment is very good.

People are constantly pouring into the villa!

The parking lot of Yunhu villa is almost all expensive models! Like the top auto show of the rich!

There are almost some of the top families in Jiangnan province! And most people here have a very strong martial arts strength!

Because half of the people from the martial arts circle of Jiangnan province are here!

Only because of today's 60th birthday of Tang Ao, President of Wudao Association in Jiangnan province!

Tang Ao, regardless of strength or status, was at the tip of the pyramid in the martial arts and Taoism circles of Jiangnan province.

"Ha ha, chairman Tang, long time no see! Judging from the look of president Tang, it is estimated that he has made a breakthrough. "

An old man arched his way.

Tang Ao talks and laughs with the public, and always maintains the posture of the superior.

Most of the people he invited were famous aristocrats in Jiangnan province!

But in front of him, what is it!

People kept coming into Yunhu villa. Soon, almost all the banquet halls in Yunhu villa were occupied.

Although the banquet hall atmosphere is very festive, but everyone's sight can not help but toward the direction of the gate!

Just because, everyone's heart is very clear! Today, the famous hunter is likely to appear!

This is not so much Tang Ao's 60th birthday, but the abyss for the hunter Ye Chen!

As long as that kid dares to step forward, he will die!

It's all set up here.

Chapter 220

Zhou Zhengde, Zhou Fulu and Xia Hongye are at the same table.

The eyes of the three were filled with a trace of worry.

They know that ye Chen will make trouble, but they have no idea that ye Chen makes such a big trouble!

It is no longer the existence that can be saved by politics and money in Jiangnan province!

Even if the country wants to block the gratitude and resentment of the martial arts circle, it is very difficult!

This is also the reason why the Dragon Spirit has not come forward.

They can only hope that ye Chen never appears!

At the same time, at the other table, a beautiful girl is sitting with her legs up, her eyes are tassel, and she is in high spirits.

Her every move has made countless young talents fall in love.

She is almost the most attractive presence of today's Yunhu villa!

Juya!

One of the three beauties in Jiangnan province!

Beside her was a middle-aged man, Zhu Wentian, the patriarch of the Zhu family.

Zhu asked the day to look at the door, see no movement, then whispered: "Ye Chen in case really come, we really want to protect him?"

"There are so many martial arts experts in this banquet. If we stand up, we will break with Tang Ao."

"There's a lot of trouble going on."

Juya didn't pay attention to it. Her hands were on her chest and her beautiful eyes closed, as if she were lost in meditation.

Zhu Wentian sighed, shook his head and stopped talking.

Just then, there was a stir in the crowd.

I saw four figures on the red carpet of the banquet hall!

However, these four figures are not any guests at all!

Because they were forced by several strong men!

Shen Haihua! Wang Yuheng! Uncle Wang! Aunt Zhang!

Among the four, Shen Haihua is calm and stares around, not knowing what he is thinking.

And Wang Yuheng is constantly struggling! There are blood stains on the corners of his mouth! Pale!

He thought he could protect himself by practicing the skills, but he found that in front of the two men behind him, he didn't even have the power to do it!

As for Uncle Wang and Aunt Zhang, they are honest people. Their brains are blank all the time, and they don't know what happened.

Even see all the people look at them, two old faces a little red, feel like a monkey in the zoo.

The whole banquet hall is quiet at the moment when four people appear.

Tang Ao, who had been chatting with others, also stopped and his eyes flashed a little cold.

He walked towards the four with his hands behind him.

"President Tang, people have brought it."

An old man said.

Tang Ao nodded and glanced at the four people in front of him. His expression instantly turned to cold, and angrily rebuked: "all kneel down for me!"

"Bang!"

As soon as the master was angry, the four felt something heavy on their shoulders!

The whole person can't hold on!

Just kneel on the ground!

In addition to Wang Yuheng, the other three all spit out a mouthful of blood, weak to the extreme!

They are just ordinary people. How can they bear the pressure of a top strong man in Jiangnan province!

"Mom and Dad!" Although Wang Yuheng was miserable, he tried to resist it!

His neck is full of blue veins!

Incomparable anger!

Then he looked at Tang Ao and roared, "what skill are you doing with my parents? You have the ability to move me! Pooh

Wang Yuheng is spitting.

Spit star son splashed to Tang Ao's face.

Tang Ao's face sank down: "it seems that birds of a feather flock together. You follow that boy. Your accomplishments have not increased much, but your temper has learned a lot."

"Move you? If I want to kill you, it's just a matter of breath! If it hadn't been for the boy, you would have died! "

Words down, Tang Ao a kick out!

The knot solid fell on Wang Yuheng's abdomen!

Wang Yuheng flew out in an instant. He felt that his stomach was tumbling and his blood was surging up. He could no longer restrain himself and spit out a mouthful of blood!

Aunt Wang Yuheng and his son are in the past.

Although they don't know ancient martial arts and don't know how to practice, it's the instinct of parents to protect their children.

Two people such as cheetah's eyes staring at Tang Ao!

No fear!

Tang Ao said with a smile: "a group of humble ants, I really think I have a little bit of weight! Whether the boy comes or not, the four of you will die miserably! "

"I want that boy to be miserable and live in the shadow all his life."

With that, Tang Ao's eyes fell on Shen Haihua's body. He stepped forward a few steps, and the shining leather shoes directly stepped on Shen Haihua's arm.

"Click!" With a sound, Shen Haihua's arm was directly crushed.

"It's said that you have a good relationship with Ye Chen, and you are working hard for ye Chen. Do you think that boy will come to save you?" "It's just that today is my 60th birthday. If you say something nice, maybe I'll let you go if I'm in a good mood."

SHEN haihuaqiang held back the pain, raised his head, and his cold eyes shot at Tang Ao, saying word by word: "I know Mr. Ye for several months. I only know one thing. Anyone who offends Mr. Ye is dead, and the death is very tragic! You are no exception! "

The last word was almost his roar!

He is angry in his heart!

.....

At the same time, outside the Cloud Lake Villa.

A pickup truck stopped.

Pickups are weird.

Because there is a coffin behind him!

The coffin seeps into the human body and sends out the intention of death!

A young man got out of the car, his eyes were as cold as ever.

"Lord, the people in the dark hall are waiting around. Do you really need us to go in?" Ye Lingtian said to Ye Chen.

Ye Chen shakes his head, one hand directly grasps in the coffin's one end, gently force a lift!

The coffin fell directly on his shoulder!

See this scene, ye Lingtian Mou son shrinks.

It was the first time for him to see a coffin on his 60th birthday!

It is estimated that only the hall master dares to do so in China!

Ye Chen carrying the coffin, eyes full of blood, said: "do not need dark hall hand, your use in the back, kill Tang Ao, I am enough."

"But I heard that there are half of the Wudao kingdom in Jiangnan province. If they all stand on the side of Tang Ao, you will face the whole Wudao kingdom!"

Ye chensen's voice rang out: "I have never paid attention to the martial arts circles in Jiangnan province. If they dare to stand on the side of Tang Ao, kill them."

Finish saying, ye Chen then carry coffin toward Cloud Lake Villa and go.

It's a familiar scene.

Five years ago, he was in Yunhu villa. He couldn't save everything. He could only watch his parents have an accident in front of him and chose to leave Dongqian Lake humble.

Five years later, he came to Yunhu villa again. This time, he wanted to tell everyone! What is the God of war!

Not only that, but also to announce to the public that he Ye Chen is back!

.....

Yunhu villa banquet hall.

Shen Haihua and Wang Yuheng, a family of three, were tortured under pressure.

They are just ordinary people. The existence of Tang Ao can destroy them in minutes.

They want to resist, but they don't even have a chance to fight!

Wang Yuheng in the distance took advantage of all the people did not pay attention to take a pill, his breath adjusted to come over.

I feel better.
