

## Physician 2331

### Chapter 2331

Ye Chen looks at Song Rou, frowns and stands still in the room.

In this situation, he dare not go too close! Why?

Just one word, Sao!

It's so coquettish!

Song Rou, however, said with a smile: "what's the matter, Mr. Ye? Come closer. I have something to say to you

"Well, if you have anything to say, just say so..."

Ye Chen is a little confused. What does this woman want!

Is it love at first sight? I didn't do anything!

Song Rou, however, pouted out her small mouth and said, "childe ye, do you like rouer so much? I can't eat people. Can't I even get closer? "

"This..." Ye Chen hesitated for a moment, or approached some way: "so, OK? Miss song, what can I do for you? Or are you not feeling well? "

In his opinion, song Rou's reason for this is not his brain, perhaps, or her body

He's not narcissistic enough to think he's glamorous enough.

Song Rou is coquettish and says with a smile: "childe ye, have you seen all this? Rouer is really a little uncomfortable. Can you help me to have a look

Ye Chen said with a bitter smile: "this, some inconveniences? If you are not feeling well, you'd better go to see a doctor. What's more, Miss Song, you should be Mr. Xu's woman? "

Song Rou hears the speech, the facial expression on pretty face changes, also some convergence, for a time some silence.

Ye Chen all refused to this share, she knew to go on, also useless, can only make a fool of herself.

Seeing song Rou's look, ye Chen knew that her words had hurt her, so she couldn't help scratching her head and saying, "Miss Song, you'd better tell me what's going on..."

Song Rou hesitated for a moment, or lowered her head and said, "in fact, I want to ask Mr. Ye to accompany me to a cocktail party..."

"Do you want to?" Ye Chen said with a smile: "is it Mr. Xu who wants to?"

Song Rou also wanted to explain, but ye Chen held out his hand to stop: "don't say anything more. I won't go to the reception."

He didn't like this kind of so-called grand reception. If this young master Xu invited him by normal means, he might agree with song Rou's help.

But now let his own woman play for him?

Even if this young master Xu is not malicious, his character Ye Chen is really not up to.

Is it necessary to attend this party?

Song Rou's speech, complexion is a burst of pale, looking at Ye Chen, a pair of appearance that wants to talk but stops.

And Ye Chen looks light, did not change the meaning of the idea: "OK, Miss Song, please go back."

Song Rou had to stand up and walk heavily towards the door. She knew that she had not finished what Xu Sheng had told her. If she went back like this, she would not get any better.

"Yes." Ye Chen suddenly opened his mouth and stopped Song Rou.

Song Rou turns around in a hurry and looks at Ye Chen with expectation on her pretty face.

Ye Chen just poured himself a cup of spirit tea, but he didn't look at Song Rou. He said faintly, "I'd like to remind you that Mr. Xu, you'd better leave him as soon as possible. It's not good for you to stay for a long time."

Song Rou's eyes flashed a burst of disappointment and reluctantly said with a smile: "Thank you for reminding me. Rouer has remembered it."

Then he turned and left.

Leave? Can we do it? Even if she can leave Xusheng, her luxurious lifestyle has completely caught her, and she will never go back to the past. Even if she leaves Xusheng, she will go to look for the next Xusheng, right?

Ye Chen sighs softly. He thinks that Song Rou's nature is not bad. It's a pity that he met the wrong person. He couldn't resist temptation and delayed himself. Now it's very difficult to look back.

And Song Rou left Ye Chen's room, then toward a certain direction outside the attic.

The party, is it about to start now?

It's time for her to pass. I hope Xu Sheng won't punish her too much because she didn't invite Ye Chen

However, Song Rou does not find a shadow quietly following her

Soon, Song Rou heard from afar a burst of laughter and conversation.

A few more, you will see a luxury palace built alone, appeared in front of you.

Inside, there was a strong aroma of wine and the conversation and laughter of celebrities.

Song Nei just heard a call, then walked into the palace.

"Rouer, are you here? Come here. I'll introduce you to it

Song Roujiao's body trembled. It was Xu Sheng's voice.

However, she had to hold up a smile and walk in the direction of Xu Sheng.

On Xu Sheng's face, although he still kept smiling, his eyes were full of cold flashes. He didn't see Ye Chen!

This bitch can't even do this?

Looking at Xu Sheng's look, Song Rou's heart will jump out!

Xu Sheng said with a smile to a white, fat, fleshy man with lust in his small eyes: "Mr. Xiang, this is my friend, Song Rou, the daughter of the White Emperor."

With a smile, xianggongzi held out a hand to song Rou and said, "Hello, Miss Song, you are so beautiful and sexy. Hey, brother Xu, you are so lucky. I envy you!"

In Song's soft and beautiful eyes, a faint tinge of disgust flashed, but she still generously extended her hand and held Xiang Gongzi's hand. However, at the next moment, her pretty face turned white, and she seemed to have to look at Xu Sheng on one side for help.

This to childe, unexpectedly wantonly knead song Rou's small hand, and the look on the fat face is very obscene!

But Xu Sheng, as if he didn't see it at this time, continued without any care: "rouer, this is the second young master of Xiangjia in Nangang, one of the top families in Lingwu mainland. When he went to the sea, he was still in a daze and didn't propose a toast to the young master? These wines are excellent. You don't usually have a chance to drink them in your whole life. "

At this time, song Rou's heart was already cold, but she still had to try to maintain a smile, even the slightest dissatisfaction, did not dare to show. At this time, when it comes to toasting, song Rou dared to pull out her hand from Xiang Hai's hand, picked up two cups of spirit wine on the table, handed one of them to Xianghai, and said with a smile to Xianghai:

"here's a toast to you, young master."

Then, the spirit of the wine in the hand, one drink!

A cup of spirit wine into the throat, song Rou's pretty face, immediately red up!

The steps are all slightly shaking!

Although song Rou's cultivation is OK and has reached Xingqiao state, these spirit spirits are not ordinary spirits!

Very, very strong!

## Chapter 2332

If she tasted it slowly, she could drink it like this! With her accomplishments, I can't bear it!

And to the sea? Just a little taste, then smile at Song rou. With song Rou's identity, it is impossible for him to drink with her on such occasions.

Song Rou took a few deep breaths and managed to keep her spirit. The spirit wine is so terrible!

At the entrance, it turns into a very strong aura, which surges wildly in her meridians, and even makes her meridians ache faintly!

Fortunately, she only drank one cup. If she drank a few more cups, even her own meridians might burst and her foundation might be damaged?

Just as song rougang was just trying to suppress the aura of the rampage in his body, Xu Sheng on one side looked at him coldly and said in a cold voice, "Song Rou, are you drinking with the young master like this?"

Song Rou changed her face and said, "er Mr. Xu, what's wrong with me? "

"What's the matter?" Xu Sheng's eyes narrowed slightly, staring at Song Rou coldly, and suddenly cried out: "what's the matter!? What do you think you are? Can you compare with the identity of Mr. Xiang? If you offer a glass of wine to the young master, you will only drink one? Hehe, aren't you insulting Mr. Xiang? "

As soon as Xu Sheng said this, all the people present looked at Song Rou with a smile. They all looked at Song Rou with fun and fun.

They have seen many such scenes. To be frank, a woman with insufficient status like Song Rou can only be used as a plaything when forced into their circle.

None of them had any pity in their eyes, and none of them wanted to help Song Rou.

Who would pity a toy?

Song Rou clenched her lips. She knew that Xu Sheng was punishing herself for not bringing Ye Chen, so she deliberately humiliated her in front of these rich children!

If Xu Sheng can treat her well on such an occasion, then other people will treat her politely even if they don't look down on her in their hearts for the sake of Xu Sheng's face.

Now?

She knew that as long as she made a fool of herself in front of these people, she would never be able to raise her head. She could only get the treatment of plaything all her life!

But she still had to drink! Even if you drink another cup, you may hurt her meridians!

Because she knew that if she didn't drink now, she would not give Xu Sheng face, but Xu Sheng's face. Her fate would be as miserable as a plaything!

At that time, even death, for her, would be a kind of relief?

She was afraid, from the bottom of her heart!

So Song Rou stretched out a hand, trembled, and once again raised a glass of spirit wine

She gazed at the spirit wine in her hand. It was like looking at a cup of poison!

Maybe it's better if it's poison!

As we all know, the whole body's meridians are bursting with aura, but it's really painful!

"What? Drink?" Xu Sheng looked at Song Judo with great interest: "don't forget to show your politeness to Xianggongzi, you should drink it in one gulp."

Song Rou takes a deep breath and drinks the spirit wine again!

Spirit wine a belly, Song Rou is suddenly back three steps, step incomparably shaken up, the whole body skin, all began to turn red!

Now, she feels like breathing hard!

Endless aura ran wild in her channels. Her whole body was extremely painful and her breath was extremely disordered. However, after a struggle, Song Rou, relying on her good foundation, was lucky enough to suppress the spirit of the spirit wine!

She breathed a sigh of relief. If she could stop here, it would not only do her body any harm, but also be a great tonic, with great benefits! After you go back, you can refine the aura completely. Maybe you can break through a small realm!

However, those rich children, it is issued a disappointed hiss.

This is not what they want to see!

They want to see Song Rou wallow in pain, beg for mercy, lick their feet like a female dog, and beg them to let go of their own appearance. That will be interesting!

At this time, a figure entered the palace.

The guard at the door looked at the man and lifted his hand. It seemed that he wanted to reach out to stop him. But he thought about it and put it down again.

And this man is Chen Zhifan!

The guard, who was also on the beach, saw Song Rou saying that Chen Zhifan and Ye Chen were friends of Mr. Xu.

So he didn't want to stop.

After entering the palace, Chen Zhifan went straight to Song Rou's position.

At this time, Song Rou raised her face and forced out a smile. She also looked at Xu Sheng with her eyes as if she wanted to say something.

But Xu Sheng looked at her with a sneer on his face and said without any emotion: "keep drinking. Did I let you stop?" Song Rou's heart, completely pale up, beautiful eyes, tears, incomparable despair.

One more drink, and she will have no chance to suppress the fury of Aura!

Her meridians are bound to burst!

She has been with Xu Sheng for two or three years. She thought that Xu Sheng would have even a little affection for himself.

But now it seems, no, not at all!

In his eyes, he is really a plaything!

Song Rou is heartbroken, but she has to stretch out her hand again and hold up a cup of fatal spirit wine. Her pretty face is full of pain and sorrow, so she will drink the spirit wine.

But just then, a hand, stretched out.

A man's hand.

In Song Rou's most desperate moment, this hand grabs song Rou's wrist.

For a moment, time seems to be still.

Song Rou turns her head and looks and is surprised.

This man, unexpectedly, is that man who came with Ye Chen?

Why is he here?

What is he going to do?

Numerous questions emerge in Song Rou's mind.

Chen Zhifan, however, didn't say much. He just snatched song Rou's glass and drank it out at the same time!

Silence.

In the silence of death, a lot of rich childe are looking at the sudden appearance of Chen Zhifan.

They know, there's another good show.

This person, who had never seen Xingqiao martial arts, hit Xu Sheng in the face!

But Xu Sheng's expression seems to be some interesting, because this person he also recognized, is the person who came with Ye Chen!

Chen Zhifan looked at Xu Sheng and said, "Mr. Xu? Thank you for being on the beach and helping us out. Here's to you

At the same time, he glanced at Song Rou and said, "go to find Ye Chen."

With Xu Sheng's accomplishments, Chen Zhifan heard what he said, but he just smile and didn't stop him.

Let Ye Chen come, is not his purpose?

Chapter 2333

Song Rou hesitated for a while, looking at Chen Zhifan's face, inexplicably, a burst of worry welled up in her heart. She immediately showed a resolute look and ran away towards the palace!

Seeing song Rou leave, Xu Sheng said with a smile, "well It's Chen Zhifan, Mr. Chen, right? It seems that Mr. Chen was thirsty just now?"

Even the glass of wine in Song Rou's hand was snatched by you? Well, in that case, how about a few more drinks? Otherwise, brother ye will be here in a moment. We have to blame for not knowing how to treat guests, right? "

Ye Chen doesn't know who this young master Xu is. It doesn't mean that Chen Zhifan doesn't know either. Chen Zhifan not only knows that he was born in the Xu family of Beihai, but also knows that Xu Sheng was originally a genius on the Xuan list and was replaced by Ye Chen!

He instantly understood Xu Sheng's intention, but he still chose to let Ye Chen come here.

Originally, he would never implicate Ye Chen, but since he has already entered the palace and swept Xu Sheng's face, Xu Sheng will not easily let go of himself.

Chen Zhifan knows that if he is seriously injured and humiliated in Xu Sheng's hands, then Xu Sheng's end is death!

Ye Chen must kill Xu Sheng!

In this way, the consequences are very serious! Beihai Xu family, it's terrible!

Therefore, he chooses to let Ye Chen come. Ye Chen faces Xu Sheng directly. Xu Sheng can still save his life, isn't he?

At this time, Chen Zhifan said with a smile: "such a good wine, since you are willing to let me drink, I will not stop drinking."

With that, he took up a glass of spirit wine and drank it out in one gulp! It seems that he did not change his face and had no influence at all.

Chen Zhifan's accomplishments are similar to those of song Rou, but their strength is quite different!

His foundation, inheritance and qualification are not comparable to song rou.

However, after another drink, Chen Zhifan gazed at Xu Sheng and said faintly, "don't you drink it, Mr. Xu?"

When Xu Sheng heard this, he took a glass of spirit wine and took a small sip at will. He said with a smile: "brother Chen, you go on. Oh, I'm not very thirsty. I'm a little bit thirsty. Don't be surprised."

Chen Zhifan stares at Xu Sheng coldly for a moment, then picks up a glass of spirit wine and drinks it down in one gulp!

What about Xu Sheng?

It's a smile on your face, and it's gone a little bit again!

Ye Chen, who is practicing, hears a knock on the door again. Moreover, he is very hard and urgent!

Can't help frowning! He ignored and continued to practice, because he felt the breath of song Rou outside the door.

This woman, is really entangled?

However, even if ye Chen did not answer the door, the knock outside the door was louder!

What's more, it's almost smashing the door! Or a series of smashing at the door!

After waiting for a few minutes, the sound of smashing the door did not stop, and ye Chen was finally made to endure!

He stood up angrily and opened the door. Facing song Rou, who was worried and even full of tears, he yelled:

"are you bored! I told you not to go to your party! I'll tell you to give up! I have no interest in people like him! Do you understand? "

But all of a sudden, he found something wrong with song Rou's look.

Song Rou cried out anxiously: "Mr. Ye! Mr. Chen, he went to the party! And offended Mr. Xu! He! He

For a moment, Song Rou was too anxious to speak!

"What?" Ye Chen is powerful, but Chen Zhifan is not in the room! Now he also looks slightly changed!

Although Chen Zhifan has his own Horcrux given to him, he should still have a chance to fight against the ordinary Fengmen warrior, but is he facing the ordinary Fengmen warrior?

What he is facing is the genius who was originally on the mysterious list!

Even if it is only the 100th place, in fact, the force is not comparable to the ordinary martial arts.

Although Ye Chen's soul skill is strong, it's no problem to kill Xu Sheng in seconds, but if the soul weapon is used by Chen Zhifan, it can't exert such great power!

Immediately, he also got anxious and asked Song Rou, "where is the reception?"

Song Rou just stretched out his finger and pointed to a direction. Ye Chen reached out and turned into a golden thunder with wind and thunder all over his body, and disappeared in the same place in an instant!

And in the party.

At this time, Chen Zhifan had drunk more than 100 cups of spirit wine!

This makes Xu Sheng a little surprised! Is this guy a monster? Xingqiao state cultivation, even drink hundreds of cups of this kind of spirit wine, still his mother did not die?

It's the ordinary people who drink more than a dozen glasses of ordinary evil spirits, which can be called as the ordinary people who drink more than a hundred glasses!

Even Xu Sheng himself, if in the same realm, can not guarantee that he can drink 20 cups! But no more than 30!

What about Chen Zhifan? It's five times as much as you drink! Is this still human?

However, Xu Sheng can also see that this guy is finally going to the limit. At this time, Chen Zhifan is already blood red, as if he is really going to bleed! Drink again, even if his meridians are extremely tough, they will explode completely!

In fact, there are countless cracks in his meridians, and his whole body is full of pain, which is just supported by his strong foundation and tenacity!

The reason why he tolerated it till now is that he didn't want to fight with Xu Sheng! But now, he knows the limit is up!

And around a crowd of celebrities, is also stunned!

Finally, Chen Zhifan no longer reached for the wine cup. He suppressed the vitality in his body and said coldly to Xu Sheng: "Mr. Xu, I don't want to drink any more."

Xu Sheng said with a smile, "don't you want to drink? Not so soon? "

His voice suddenly became cold for several minutes, and he yelled: "I see, you don't want to give me Xu Sheng face! You don't drink? sure! You just robbed my woman's wine. What do you mean? Do you want to save my face? Now, kneel down and apologize to me. If I'm in a good mood, I can let you go! "

When Chen Zhifan heard the speech, he was silent. His wrist turned and a rough iron sword appeared in his hand.

On this iron sword, there is only a trace of aura.

A lot of celebrities look down on their faces. What kind of rubbish weapon is this guy using? Only a few people's eyes flashed slightly, looking at the iron sword, and a trace of solemnity flashed through their eyes.

Seeing this, Xu Sheng laughed and said with disdain: "do you still want to start with me? What kind of rubbish do you take? It seems that you represent Shenhua academy? How poor are you? If you don't say the real artifact, you can't afford it? "

Chen Zhifan, on the other hand, concentrates his mind and sinks the spirit into the Horcrux, striving to exert greater power of the spirit! Completely ignore what Xu Sheng said!

Chapter 2334

Xu Sheng's face sank. At this time, Chen Zhifan still dare to ignore himself? Do you dare to treat yourself with such an attitude after being squeezed out of the mysterious list by a star body waste!

Vaguely, he seems to have heard the comments and jeers of other celebrities in the palace. Originally, he wanted to attract Ye Chen to the reception because he wanted to find face in front of the public and trample Ye Chen under his feet. In this way, it would be ye Chen, not himself, who became the laughing stock!

But now? To a Chen Zhifan, but let their own laughingstock, and add another? How can he bear it?

Xu Shengbao drank: "die for me

After that, his whole body was full of breath, and a lion roar came out from behind. Behind him, a strange animal shadow like a lion appeared, emitting extremely strong pressure!

This strange beast is not an ordinary lion, but a kind of spirit beast named Tianhou beast! The blood of the Xu family is not simple!

As soon as the shadow of the beast appeared, Xu Sheng's breath soared. All the people who were still pointing at Xu Sheng and making fun of him immediately closed their mouths!

No one, dare to say a word!

Xu Sheng takes a deep breath, moves his body, and rushes to Chen Zhifan and punches out at the same time!

"God roar fist!"

In this fist, there was a strange shock, sending out bursts of sound waves. At the moment of sound waves, cracks appeared on the ground and walls of the palace, and the wine cups made of precious crystal stones were also broken in an instant!

At the same time, the void around the fist is shattered!

This fist is really terrible to the extreme!

When most people saw Xu Sheng's move, their faces changed. They were not sure that they could take the blow! And the celebrities present, almost all of them, are much higher than Chen Zhifan!

Even they can not take over, Chen Zhifan is even more impossible!

At this time, Chen Zhifan also opened his eyes, he drank a lot, but he threw his iron sword towards Xu Sheng!

Xu Sheng looks disdainful. This rubbish iron sword will be smashed by the sound of his fist before he touches him?

Sure enough, the next moment, the iron sword will be turned into a burst of iron powder scattered!

However, Xu Sheng still has to show a sneer, an invisible energy, suddenly turned into a sword, cut into Xu Sheng's mind!

"Ah, ah, ah, ah, ah!" Xu Sheng's spirit space, a violent shock, mouth is issued a shrill scream, his spirit was injured!

That ugly iron sword is a soul weapon!

What's more, it's a powerful Horcrux!

If it's not for your own knowledge of the sea, there is Soul Crystal guarding, I'm afraid you will be seriously injured and fall to the ground?

And his God roar fist, also because of the spirit of the wounded, the power dissipated most!

However, there is still a small part of Yu Wei still fighting against Chen Zhifan!

Chen Zhifan's face changed. He ran the spirit power in his body, which inspired Ge Qing to give him a protective artifact!

Countless inscriptions flew out, forming a protective light shield, blocking Chen Zhifan's body!

There was a big bang, the light shield was broken, Rao was protected by artifact, Chen Zhifan's body was still bombarded and flew backward, and the blood gushed in his mouth!

However, he reluctantly turned over in mid air and fell on his knees.

At this time, he breathed heavily, and his breath rapidly declined. He was seriously injured by only one punch!

However, all the people present were shocked beyond measure!

In itself, it is a miracle that Chen Zhifan can survive under the attack of Xu Sheng, and now! Chen Zhifan not only survived, but also hurt Xu Sheng!

It's incredible!

But that's all.

At this time, Xu Sheng recovered. He tried his best to suppress his anger and pretended to be light and light. It seemed that his injury had never happened before.

he walked towards Chen Zhifan step by step, and there was a trace of ferocity on his face. He said, "Mr. Chen, you can drink when you drink. I just joked with you, so you can take it The sword comes out to fight with me. Now? Now I want to let you go. I can't do it! "

While he was walking, he was stirring up his spiritual power to kill Chen Zhifan with one blow. A faint voice of a man, however, containing the meaning of cold and cold, reverberated in the palace.

"This, did you do it?"

At the next moment, a man appeared beside Chen Zhifan.

Almost no one could see how he got in!

At this time, Chen Zhifan is also blood all over his body, his face is very pale, his head is sweating, his eyes are beginning to loose, obviously, has reached the limit.

Seeing ye Chen appear, he smiles at Ye Chen and says, "Ye Chen, I'm ok. Don't kill him, otherwise, the consequences will be too serious..."

Ye Chen immediately put a pill into Chen Zhifan's body and said with a bitter smile, "brother fan, don't talk. If you talk again, I'm afraid you will faint? It's not like it's OK. "Chen Zhifan's lips moved and seemed to want to say something, but the next moment, his eyes were closed, and he was really in a coma.

Ye Chen holds Chen Zhifan's body and gently puts it on the ground. He stood up and said coldly to Xu Sheng, who was looking at him carefully, "I said, is this what you did?"

Xu Sheng said with a smile: "this elder brother Chen, it seems that he has drunk too much. He even started to fight with me. Ha ha, it's no big deal. It's all misunderstandings. Would you like to have a drink, Mr. Ye?"

"I'll drink your mother."

The air in the palace suddenly became cold!

Even Xu Sheng was stunned. What did ye Chen say?

He was in such a high-class environment that he had not heard anyone speak rude to him for a long time! For a time, some of them can't react!

The next moment is rage!

Originally, he also wanted to ridicule, insult Ye Chen!

But now, ye Chen is so direct? Don't give the slightest face!

"What are you talking about?" When Xu Shengli drinks, his fist will surge again!

However, before he finished, ye Chen scolded again: "don't you want to start with me? Come on, give you this chance. Do it? Don't you like to make excuses? Make excuses to people? Garbage Xu's family is just a dog. Come on, do you want me to scold you more and give you more reasons? "

On the way he came, he had heard the story from Song rou.

And those celebrities, young lady, were completely shocked. When did they see such a rude man!

Even if they trample on others for a reasonable reason, they should be ready!

Chapter 2335

And in a corner of the palace, a petite, delicate and lovely girl, seeing this, could not help but smile. Is Ye Chen so interesting?

Now, Xu Sheng can't bear to go on any longer. What's the reason? All of them are left behind! In his mind, only the ultimate crazy killing intention!

"Die for me Xu Sheng roars, God roars again! What's more, it's more fierce, more frightening!

He has played his own strength to the extreme, no longer a trace of the remaining hand!

As soon as the God roaring fist comes out, the surging fist will make the palace collapse directly!

And ye Chen, looking at Xu Sheng who is hit by a fist, is actually disdainful.

He wants to kill Xu Sheng. It's very simple. With any soul skill, Xu Sheng can't die any more!

But isn't it cheaper for him?

What's more, he knew that Chen Zhifan's explanation was serious, but he didn't care. What if he killed Xu Sheng and was implicated in Shenhua academy?

Therefore, what he has to do now is how to make Xu Sheng feel as painful as possible without killing him?

Ye Chen thought for a while and suddenly laughed.

Well, let's fight.

With his fists, one punch at a time.

Until, Xu Sheng's whole body bones, meridians, Dantian, all smashed!

The next moment, ye Chen also moved, but he didn't show any martial arts skills. So he gave a hard punch to Xu Sheng!

People shake their heads, this ye Chen is very crazy, but also too stupid?

Although you and others are fists, Xu Sheng, with the power of blood, has displayed the unique skill of Xu family, Shenhou fist! Are you a pair of meat fist, comparable?

It is estimated that at the next moment, ye Chen's fist, even his arm, will be shattered by the shock!

There was a big bang, and the whole palace was shaking!

Blood fog burst, the crowd, but was stunned, the eyes are incredible!

They guessed it right. One arm was shattered, completely and completely.

However, this arm is completely contrary to what they expected. It is not ye Chen's arm, but Xu Sheng's arm!

How could that be possible?

But the reality is that!

What about ye Chen? Don't say the arm burst, not even a little injury, ah!

It's horrible!

Xu Sheng screamed, in the eyes, at this time just showed a touch of panic!

At this moment, he finally recognized the gap between himself and ye Chen!

But it's too late!

As soon as he turned around, he wanted to run away. Could he run away?

Ye Chen's body flash, then flash to Xu Sheng in front of, with his four eyes opposite, the face appeared a vicious smile.

Xu Sheng screams in horror. At the next moment, he even has no time to react. He is hit hard by Ye Chen!

This blow smashed Xu Sheng's face bone in an instant!

But, this is just the beginning!

Speaking of this, Xu Sheng has the blood of a spirit beast. He is still very good at fighting.

Ye Chen, under the gaze of the public, is constantly groaning at Xu Sheng, whose eyes are full of pleading color. He hits him with one punch and the evil smile on his face becomes more and more intense!

I can see that the child and the ladies are all shivering!

What a terrible man!

After smashing dozens of punches until Xu Sheng was almost completely injured, ye Chen breathed a sigh of relief, stood up, carried Chen Zhifan's body and walked outside the palace.

At this time, Xu Sheng still has a breath in it!

However, even if he had a breath, he was completely abandoned!

Ye Chen smashed his bones, meridians, Dantian, and flesh! It's better to kill him directly!

However, ye Chen just controls the strength very well! He's still alive!

Now ye Chen has done more harm to Li Yi than he did to Li Yi that day! And injured Xu Sheng, also do not know how many million times more difficult to recover than Li Yi!

Even if we rely on the amazing resources of Xu family in Beihai, can Xusheng recover at any cost?

It just takes hundreds, thousands of years!

Xu Sheng, is it worth the family to pay such a big price to save it? Even if he had saved his life and lost hundreds of years, Xu Sheng was no longer the genius he had been.

Therefore, Xu Sheng is basically finished.

Ye Chen came to the gate of the palace. Suddenly, as if he thought of something, he turned back and said to those celebrities who were still in a daze: "Oh, yes, I remember. Just now you seem to want to see my brother's jokes, look like watching a good play, right?"

Everyone was surprised. Would someone else dare to talk to them like this? They should have been killed.

But in the face of Ye Chen, these people are silent and dare not answer! However, they are ruthless in their hearts. Your strength is very strong, but is that amazing? It's just a little rubbish who came from Shenhua college. What can be changed by being on the mysterious list?

Tomorrow's auction, you will not be able to auction a commodity!

Let you know, not everything can be done by strength!

Ye Chen's face showed a trace of strange smile: "well, today's play, good-looking? Maybe you haven't enjoyed it yet? "

Then, his voice suddenly became gloomy and said, "well, at the auction tomorrow, I'll give you a good play, how about a good play? This time, you can all participate in it

"Tomorrow, if you can take a picture of a product, I will lose!"

After that, all the people who left a fool's eye went away.

What did he say? People, really can't believe their ears

This guy, is that funny? Want to compete with them on money? Or against all of them? Crazy?

Outside the palace gate, Song Rouzheng stood with his head down.

Looking at Ye Chen carrying Chen Zhifan out, a trace of worry flashed over his pretty face and asked, "how is he doing?"

Ye Chen looked at her one eye, light way: "nothing, hurt a little, but with the foundation of fan elder brother, have no big hindrance."

Then he turned and left.

Song Rou breathed a sigh of relief, she looked at Ye Chen's back, seemed to want to say something, but wanted to stop, finally, or face a trace of self mockery, lonely ground bowed his head.

Ye Chen suddenly stopped and sighed: "follow me, Xu Sheng has been disabled by me, Xu family you should not go back."

Song Rou's face was pleased, so she quickly followed Ye Chen and said, "yes, Mr. Ye!"

Ye Chen said with a bitter smile: "don't call me ye Gongzi. I'm not used to it. Call me ye Chen..."

And ye Chen takes a look at Chen Zhifan, who is in a coma, and is also curious. Why does Chen Zhifan take the risk to fight for song Rou? Is it just because you can't see Xu Sheng's shameless behavior?

Chapter 2336

From the very beginning of Chen Zhifan's seeing song Rou, she looks a little strange. Things must not be so simple.

An hour later, Chen Zhifan slowly opened his eyes. The place where he entered his eyes was the bed curtain in his room on Feilei island.

He looked up and saw Ye Chen sitting in front of the bed.

Ye Chen sees Chen Zhifan wake up, a glimmer of joy flashed on his face and says, "brother fan, you wake up."

Immediately, he said with some tears and laughter: "fan Ge, Premier Ge, let you look at me, don't make trouble, how do you feel, as if you are making trouble?"

Chen Zhifan ha ha ha a smile way: "I this also is forced to have, you didn't kill that boy?"

Ye Chen shrugged his shoulders and said, "no, it's just breaking his whole body's bones, meridians and Dantian."

Chen Zhifan was shocked at the speech, and then he shook his head helplessly. At least, there was no life. Since there was no life, there was still room for turning around. It must be that even though the Xu family in Beihai is better than Shenhua college, they dare not fight with Shenhua college casually?

If the Xu family is really desperate, it may even lead to an all-out war between the various regions in Lingwu mainland.

At this time, Chen Zhifan suddenly asked, "Ye Chen, what about song Rou? She won't go back to the Xu family, will she? "

Ye Chen looked at Chen Zhifan strangely and said, "can she go back? Even the whole circle can't hold her, right? Moreover, after being saved by you, she seems to understand something, which is different from before.

I told her to come back with me first, and now she's in her room. "

Chen Zhifan breathed a sigh of relief.

Ye Chen's face became more strange and asked Chen Zhifan, "brother fan, have you met Miss Song before? Or is there anything special about Miss Song? "

"Er..." Hearing this, Chen Zhifan was embarrassed and said, "I haven't seen her, but..."

"But?"

"But she gives me a familiar feeling, though I have never met her, and I have no impression of her appearance.

But! The moment I saw her, I felt inexplicably that I had met my sister I don't know why I feel this way, but I can't help worrying about her.

So, I followed her to the cocktail party and wanted to see what she wanted to do. As a result When I saw her being bullied by Xu Sheng, my anger rose and I couldn't control myself. It was like seeing my sister being bullied!

When I came back to my senses, I had already snatched the wine glass in her hand, so I had no choice but to compete with Xu Sheng. "

Ye Chen looks at Chen Zhifan with disbelief. Is this excuse too bad? Love at first sight is better than such an excuse!

Looking at Ye Chen's expression, Chen Zhifan couldn't help crying and laughing and said, "I know what you're thinking! But I really didn't cheat you! I don't feel that way about song Rou! "

Ye Chen looked at Chen Zhifan's serious appearance and felt some magic. He asked, "is it reincarnation?"

Hearing the speech, Chen Zhifan said excitedly: "you feel the same way!? I think so too. When my sister died, I didn't practice martial arts and didn't protect her. This has always been the biggest regret in my heart Now I see song rou. No matter what her past is, I want to treat her like a sister... "

Ye Chen nodded and thought of Ji Siqing in the immortal palace.

There is no doubt that Ji Siqing's reincarnation is the Qu Chenyan that he saw in the mysterious land of the heaven and earth.

He couldn't help but ask in his heart, "master, is there really reincarnation?"

After a moment's silence, Feng Qingyang said: "the world is far more complicated than we imagined, especially when it comes to life and death. Even when I was in my former state, I didn't fully understand life and death. Maybe, there is, but even if there is reincarnation, will you still be the one in the afterlife?"

"But you have the most say in this matter."

"Your reincarnation may be the existence of life and death."

"Of course, you have to wait until you are fully activated."

Ye Chen's speech, is also a burst of silence, even if there is reincarnation, he can not give his fate to the fate of the dark to decide!

However, he did not say much to Chen Zhifan. For Chen Zhifan, his sister is a pity in his heart. Now that there is a chance to make up for the regret and make him feel at ease, why should he care whether Song Rou is his sister's reincarnation?

Sometimes, no one can tell the true from the false, so some people say that nature makes people.

Ye Chen saw that Chen Zhifan had nothing to do with him, so he stood up and came to him: "OK, brother fan, you can have a good rest and recover from the injury. I'll go back to my room to practice first."

"Well, you go."

After that, ye Chen returned to his room and began to practice. He waited quietly for the auction to begin tomorrow.

.....

At the same time, southern regions, one of the ten cities set up in Lingwu.

After ye Chen got the wind stele, he accidentally stepped into the place. Just, I don't know why, the surrounding temperature suddenly drops!

It makes people feel cold.

Bone marrow cold.

The kingdom of God set up Tiandao Pavilion among the ten cities.

The existence of Tiandao Pavilion is to facilitate Tiandao palace to work in Lingwu mainland.

At the moment, a girl in white with a veil stopped quietly.

She fell from the black beast that came from the flame under her feet.

The meaning of cold is released.

"Wumang, go somewhere else."

Wei Ying's cold voice rang out.

Wumang obviously understood. He had two huge black wings on his back, which flew to the sky.

In this scene, the two gatekeepers of Tiandao Pavilion were stupefied.

What a domineering mount!

They have seen the power of the divine Kingdom coming and going in this great city, but they have never seen such an appearance.

Their eyes finally fell on the girl in white veil.

Although the body is hot, concave and convex, but they dare not look at it.

Because it's too cold.

It's like a cold sword out of its sheath!

Even they can't see through their accomplishments!

You should know that tiandaoge is an important place in this huge city, and the gatekeeper is the strong one in the early days of the kingdom of God!

Seeing the woman in white coming, they were on guard for a few minutes. Their swords were clenched and they were angry and said, "this is the Lingwu Pavilion of the heavenly way of the kingdom of God. No one can get close to it."

The woman in white stopped: "behind you is the kingdom of heaven palace?"

The two men thought that the woman in white was afraid and raised their chin and said, "nature! Besides, if you have something to do, you can't go to heaven. "

The woman in white suddenly nodded: "since it has something to do with Tiandao palace, I'm right."

Chapter 2337

Speaking of this, Wei Ying, a woman in white, looks at the plaque on the door, killing her! Let's wave your hand!

The ancient and simple plaque which contains the protective barrier is suddenly broken!

The two gatekeepers realized the seriousness of the matter!

No longer hesitating, sacrifice the sword, the elixir of the elixir field is constantly gathering!

On the spot, he chopped Wei Ying with a sword!

The endless intention of killing is like a storm, which devours Wei Ying.

Wei Ying did not move. Suddenly, she looked at the gate and murmured, "Oh, by the way, I forgot to tell you the purpose of this trip."

"I just want to ask for some interest from Tiandao palace."

"Therefore, today, the Tiandao Pavilion must be stained with blood."

With that, Wei Ying stepped out and completely ignored the two Taixu strong swords!

But just when the sword is about to touch Wei Ying, Wei Ying's eyes suddenly coagulate!

Suddenly there was a storm all over the body!

She seemed to be in the center of the storm!

And those two towering swords, intended to touch the moment of the storm, completely disappeared!

The two gatekeepers are confused!

How can such a young woman have such strength!

Only the kingdom of God!

But if the other party is from the kingdom of God, don't you know what the heavenly way palace means in the kingdom of God!

Blood stained Tiandao Pavilion, the anger of Tiandao palace. Even if the power behind this woman is terrible, she will surely die!

As soon as they wanted to say something, the storm around Wei Ying completely tore them to pieces.

This is just a look!

Wei Ying's eyes fell on the gate of tiandaoge Pavilion. She snorted coldly, and the ice sword became self-made!

The chill of the ice sword broke the door directly!

Inside the gate, someone had already noticed the change!

Thirty strong men are ready!

Among them, there are three old people sitting in charge!

, as like as two peas, Wei Ying and the three old men are more powerful than ever.

Eight layers of sky!

"Little girl, do you know what it means to rush here?"

"The kingdom of God has set up ten cities to communicate with Lingwu mainland. No one dares to cause trouble."

"If you have killed two Shenguo people, you will be wanted by Tiandao palace of Shenguo!"

"It will be too late for you to regret it."

"If you kneel down in front of us now and you are caught with your hands tied, maybe there is still room for you!"

Wei Ying's body is still proud, she looked around all the people, and finally her eyes fell on a high tower.

There's a cold threat up there.

As for the people in front of her, she could fight against them.

Her steps simply stepped out, the cold voice sounded: "everyone is here?"

"In that case, it will save me a lot of searching."

As the words fell, Wei Ying's cold storm suddenly expanded!

Close to several of the kingdom of God were torn on the spot!

Everyone has to step back!

"Let's do it together. This girl is just a person!"

"Can't so many of us take it?"

"Tiandao Pavilion in the kingdom of God, no one is allowed to intrude into it!"

The three old men cried out!

In an instant, there are three virtual shadows behind them!

Without exception, this virtual shadow is a ferocious beast!

In a flash, the three old men tearing the void came to Wei Ying's side!

Five fingers into claws, the force of Taixu falls down!

Once you touch any body, it will turn into nothingness on the spot!

Wei Ying's eyes flashed by an accident. Her red lips opened and murmured: "it seems that the so-called Tiandao Pavilion is not a waste."

"In this case, it's OK to leave the customs, so I'll play with you."

The next second, Wei Ying disappeared!

The three old men's faces suddenly changed, and they were in a hurry to cast their magic, and they wanted to check it out!

However, they found that their spiritual consciousness was like a stone sinking into the sea!

In a hundred miles, there is no girl's figure!

How could that be possible!

And at the time when the three people were shocked, a cold voice fell from the top of the head!

"Hello, are you looking for me?"

"I'm sorry to have kept you waiting for a long time. I'll send you on the road right away!"

The eyes of the three people shrunk and did not react. They saw three ice cold swords on their heads!  
Hang down!

Every ice sword is almost ten thousand feet!

Like a huge tower from the sky!

And the power of this ice sword is far more than the eight layers of heaven in Taixu!

This mysterious woman has the ability of leapfrog combat!

Is it the reincarnation of ancient powers?

Otherwise, at this age, how can you have such strength!

"Bang! Bang! Bang! Three big sounds, ring through the whole city!

This is the tiandaoge Pavilion standing in the huge city, the ground is actually broken on the spot!

The cracks are as deep as a thousand feet, even touching the magma underground.

Smoke and dust rolling, like ten thousand feet!

Those who are too weak in the early and mid-term dare not do it at all!

Can only shrink in the corner!

They know that this level of play, once they get close, will tear!

After all, the beginning of the Taixu state, a small state of the gap is thousands of differences!

Finally, the dust is gone!

Their eyes seem to explode!

The three old men of the eight layers of heaven were not able to resist it!

Two of them turned into blood fog on the spot!

Only one of them survived!

But the old man was lying on the ground, his body was shaking!

His posture is more like kneeling in front of the mysterious veil girl.

And Wei Ying is obviously not good, her face is pale, she used her own almost the strongest blow at the beginning!

She doesn't like to waste time on others!

Just the result!

She adjusted her breath and looked down at the dying old man, and said, "I'll give you a last word."

Wei Ying's eyes were dim.

He knows that everyone in tiandaoge is going to die!

Obviously, this is the girl's revenge on the Heavenly Kingdom palace!

This is also the first time in such a long time that he dares to retaliate against the existence of Tiandao palace in the kingdom of God!

The old man's hoarse voice fell down: "I want to know, why to attack us! What did Tiandao palace do wrong... "

Wei Ying, without expression, raised her sword in her hand and said, "do you still remember the sword of annihilation that came down from heaven not long ago?"

The old man was stunned. What did he think of!

Who doesn't know that the sword of extermination came to Lingwu land!

It seems that the master of Tiandao palace killed a young man himself!

It seems that the youth also fell as he wished.

Is the young girl's anger related to the death of the young man?

Wei Ying pauses for a moment, and then goes on: "the sword of your palace master's coming to destroy the world is my Wei Ying's man."

Words fall, a sword cut!

The old man's horror has not spread in the depth of his eyes, it is a burst of blood mist.

After all this, Wei Ying's eyes fell on the rest of the body, step by step.

Her white clothes, which were not contaminated with everything, seemed to be scattered with a little blood.

It's like plum blossoms blooming in winter.

Plum blossom with blood.

Chapter 2338

The heaven Pavilion in the great city of the kingdom of God is full of blood.

Like a sea of blood.

There was silence except for the proud veiled girl.

Wei Ying didn't leave tiandaoge Pavilion for the first time, but set her eyes on the tower of Daoge pavilion that day.

From the moment she stepped into tiandaoge Pavilion, she felt the threat.

From the tower.

It seems that the tower is the biggest secret of the tiandaoge Pavilion.

Wei Ying is very curious.

She looked around, no longer hesitated, and went straight to the tower!

The gate of the tower was closed and it was dark.

Wei Ying closed her eyes, obviously waiting for something.

Suddenly, she opened her eyes and found an old man standing in front of her.

The old man is just a shadow!

But it is this shadow that makes Wei Ying feel threatened.

The noumenon of the other side must be above the disaster.

"You are not a God."

The old man spoke.

Wei Ying snorted coldly: "indeed, the purpose of my coming here is to destroy this Tiandao Pavilion."

"If you want to do it, I will accompany you to the end."

However, the old man didn't mean to do it, and even with a trace of appreciation.

"Girl, I can see from your eyes that you are going against the sky."

"No one can break this tower. Do you want to try to open it?"

"Maybe it's a chance for you."

The old man stood up at this time, staring at Wei Ying and said.

It was the first time that Wei Ying heard of Shenguo Lingta, but without hesitation, she said, "open it!"

"Please choose one of the three modes: ordinary, brave and hell. Once selected, it cannot be changed."

The old man didn't have any expression and spoke in a cold voice.

I'm afraid it's better for Wei Ying to choose the two things with a tight brow.

"Choose, hell mode!"

Now that she's here, Wei Ying of course chooses the best. No matter what's in hell mode, she chooses to enter.

"Girl is some courage, better than those boys in the kingdom of God, hell mode open, girl, close your eyes."

Wei Ying closed her eyes and suddenly felt dizzy. When she opened her eyes again, she found that she had come to a palace.

"Girl, you are just the eight layers of heaven in Taixu, and the hell mode is to kill the erley Xuanniao at the peak of Taixu state!"

"There is a trace of the most scared of the thunder in Taixu state."

A cold voice fell, in front of Wei Ying, found a barrier.

Inside the barrier, there is a kilometer high erley blackbird, full of lightning.

The breath of terror made Wei Ying feel suffocating.

When Wei Ying saw this scene, her mouth showed a bitter smile.

Can she have a chance to choose again now?

In the spirit tower of the kingdom of God, the test of hell is the monster at the peak of Taixu state.

She is confident that she can deal with the martial arts of Taixu eight layers of heaven. In the face of Taixu's peak, let alone kill.

I'm afraid we don't even have a chance to escape, and we're dealing with the erleybird.

This kind of bird has the same speed and body!

Wei Ying breathed out a deep breath and took out the cold sword. Once she chose, she could not change her mind.

Either you die here, or you break through the spirit tower.

She was ready to make her first attempt to explore the depth of the area and step by step toward the barrier.

As soon as he entered the barrier, the quiet erleybird became violent.

Its whole body sends out lightning, toward Wei Ying's direction, mercilessly rushes over.

The lightning flashed wildly. Wei Ying held up her cold sword and snapped.

She didn't crush!

On the contrary, his own blood spurt out, the whole figure of the crazy exit barrier.

She had already suffered some serious injuries with the ordinary strike of erley.

After too empty, a small gap is too big!

When she stepped out of the barrier, a golden light fell from the palace to treat Wei Ying's injury. Within a short time, she had recovered.

The power of Sha Xue spirit body broke out, and the cold was pressing. Wei Ying was ready to try again.

Countless power blessing together, into the barrier inside, no doubt, lightning again rushed.

Wei yinghan's sword was lifted up, and the thunder and lightning did not enter her body. She could barely bear it.

Continue to move forward, the scope of lightning is becoming larger and larger, the attack has become more horizontal.

The thunder and lightning penetrates Wei Ying's body. Erlei Xuanniao stands in the same place and doesn't make a move at all.

It has been trapped here, I don't know how much time, finally a mole ant came in. Although a mole ant is very boring, it is better than nothing.

Wei Ying moves forward cautiously. When there is only three meters left from Erlei Xuanniao, the cold sword is lifted in an instant, and the breath of cold body's force is madly immersed in the cold sword,

boom!

A sword fell and cut it on the body of the area, but it seemed that it was just tickling it.

The Erleiybird spreads its wings, and every time it waves, it brings endless thunder and lightning.

These thunder and lightning rush into Wei Ying's body, and her body has a burning smell.

Pooh!

A mouthful of blood spurted out of Wei Ying's mouth. The cold sword raised slightly and stabbed in the body of Erlei Xuanniao.

With a sword, Erley Xuanniao didn't feel too much pain. Instead, he stretched out his claws and landed on Wei Ying's chest.

Stab!

Blood gushed out of her body, and Wei Ying retreated madly.

This is the first time Wei Ying felt embarrassed!

Her chance let her enjoy the feeling of crushing!

However, Wei Ying knows that this test is good for her!

If you don't have the courage to face the enemy, how can you step into it!

Erley Xuanniao did not attack, but looked at Wei Ying with great interest.

Meet a mole ant, how to let it play to no interest, will kill.

Wei Ying withdrew from the barrier, and the soft light poured into her body again.

After recovering completely, Wei Ying didn't rush out.

She can't even break the body of Erley's blackbird, let alone kill it. If she wants to deal with it, she can only take a long-term view.

At least she knew now that the Erley didn't want to kill her.

It also gives her a chance to kill Erley.

The most vulnerable place for ehan is to rely on the eyes of the demon.

Once two eyes are broken, he becomes a blind man, but then he will completely infuriate the erley blackbird.

Erlei Xuanniao is a beast, and will attack Wei Ying by any means.

So far, Wei Ying did not think of a good way, decided to take a risk.

In the meantime, she wants to let erley's vigilance be completely relaxed.

Wei Ying once and twice into the barrier, each time only attack its body.

Gradually, erley has relaxed her vigilance. After recovering from her injury outside, she plans to enter the barrier again.

This time, she's going to smash the eyes of the eerybird.

Chapter 2339

When he saw Wei Ying, he did not move. He was used to it for a long time.

This time it will attack the flesh, and then it will throw Wei Ying out with one paw.

Back and forth has been more than ten times, Wei Ying constantly close, came to erlei Xuanniao side.

The cold sword in the hand is lifted up, and the whole person suddenly flies to the void.

In the moment of coming to the void, the cold sword and the ice cone condense, and they both hand at the same time, aiming at the eyes of the erley blackbird.

It's only too late to be aware.

The cold sword and Xuanhan ice cone pierce into its eyes, and the blood immediately flows out.

Sing!

Erley Xuanniao roared loudly, the breath of the sky, rushed to his face.

It has a pair of eyes can no longer see, can only continue to attack.

The thunder and lightning, which is thick and strong like a water snake, comes out crazily.

Wei Ying was unprepared and attacked by lightning, and a mouthful of blood sprayed out.

Her whole face was pale, without any blood color, facing this situation.

Wei Ying can only avoid its edge and retreat successively.

Now a pair of eyes of erley's have lost their light and become a blind man.

The threat to her is not great. Step out of the barrier and recover.

Erlei Xuanniao is flying wantonly inside the barrier, trying to rush out to kill Wei Ying.

Unfortunately, due to the power of the barrier, it can not get out of trouble at all.

Wei Ying once again enters inside, the ghost like figure, comes to the top of erlei Xuanniao.

The cold sword aims at its head and stabs down in an instant.

Bang!

With a clear and crisp sound, the head of erley's blackbird was cracked, but it was not broken.

Wei Ying's arm is cold and murderous. She constantly increases her strength and attacks again and again.

The thunder and lightning strike on her body, sent a pain, but she did not give up.

It is not easy to have the chance to kill erlei Xuanniao. Wei Ying sees a glimmer of hope. How can such an opportunity be let go?

Bang! Bang! Bang!

Ten minutes later, Wei Ying was already scarred.

She laughed.

This feeling, let her feel more!

The head of the eres was bleeding, and it was beginning to break.

"Die!"

Wei Ying's clear voice yelled, a sword madly stabbed.

Click!

The head of the erectus began to crack and spread.

At the time of diffusion, there was a split between four and five.

In the split moment, erley screeches out a sad cry, the whole spirit of the beast, more and more weak.

Whoosh!

The eerybird fluttered its wings and gradually landed on the ground. Now it has more air out and less air in.

An hour passed, and the breath of erley's blackbird had completely dissipated in the air.

Wei Ying lies on the body of erley Xuanniao. At the moment, she has lost any strength.

"Girl, you make me feel surprised. If you succeed in the challenge, you will give you the erlei in the body of erlei Xuanniao. With this thing, it will be easy for you to step into the difficult situation!"

"Even the innumerable EERE who are afraid of Taixu peak will become your chance!"

In the void, a violent and quiet thunder and lightning fell on Wei Ying's hands.

Seal completely.

Above the seal, there was the smell of erley.

Wei Ying was pleasantly surprised. Of course, she mastered the resources against the weather, but she knew that if she wanted to step into a difficult situation, resources would not work at all!

If you add today's chance, she will step into the chopper easily!

Only then will you have the right to go to the kingdom of God for revenge!

Wei Ying looked at the old man and said, "you seem to be helping me? Aren't you from the kingdom of heaven? "

The old man laughed: "girl, in fact, I already knew that your inheritance came from the destroyed juechan emperor palace."

"I have seen the last Lord of the palace."

"I feel sorry for her."

"The kingdom of heaven is out of control. This is not the situation I want, so I hope you will stop it."

"If there is no one to stop it, I am afraid that the glory established by the ancestors will be completely destroyed."

"Girl, I feel the cause and effect of the six masters from you Remember, this man must not die. "

"If he dies, everything will collapse, and evil will devour the whole world."

Wei Yingmei eyes a coagulation.

The Lord of the six ways?

Controlling the existence of the way of heaven is so difficult, not to mention controlling the six ways.

It seems that she has never been exposed to this kind of existence.

Suddenly, Wei Ying thought of a young man!"Is it him?"

At this time, the figure of the old man disappeared.

Finally, the face revealed with a trace of regret, but also with a trace of expectation.

Wei Ying leaves the spirit tower of the kingdom of God, and the dark light falls from the sky!

Huge black wings seem to cover the whole world!

Wei Ying stepped on the dark awn and once again gathered her killing intention: "wumang, a city has been stained with blood. It's time to go to the next one!"

Wumang instantly sent out a thunderous roar and left the sky!

This is destined to be an unforgettable night!

.....

The next day, in front of a large and luxurious hall, several Tianchen auction staff in white robes were guarding the entrance, which was the venue for today's auction.

At this time, a lot of people have been walking towards the auction hall.

One of them, a petite woman in a black robe, yawned and looked bored. Beside her stood two cool looking young men.

"We're early. It's a long time before the auction starts," the woman complained

"Come early, better than late," said a proud man in a white robe

At this time, the little girl suddenly brightened up and said to the two people beside her: "look, is that the man who was on the reception before Ye Chen

Another black robed man beside the woman sneered and said, "that's him. What's the matter?"

Obviously, the man in black disdains Ye Chen!

But that petite woman, does not seem to care about the black robed man's view, actually is walked towards Ye Chen directly!

At this time, ye Chenzheng and Chen Zhifan came to the auction hall. Suddenly, in front of them, a petite woman appeared with a smile on her face and seemed quite lively. She waved to them and said, "Hello

Ye Chen and Chen Zhifan look at each other at a glance, which is somewhat baffling.

The black robed man behind the woman is a flash in his eyes! Staring at Ye Chen, hostility is very obvious!

The man in white smiles and shakes his head. Anyone can see that the man in black is interested in the little girl. Unfortunately, the little woman is too slow to realize this.

I'm afraid Ye Chen and Chen Zhifan will have bad luck.

Although Ye Chen played Xu Sheng violently at the reception, which showed his fighting power against the sky, to tell the truth, although Ye Chen showed the strength, although they did not mean to underestimate, they would not be too afraid.

After all, they are not ordinary people either.

Chapter 2340

What's more, the auction is more about money than strength, isn't it?

At this time, the Jiaoxiao woman said to Ye Chen with a smile: "my name is Li Yanxi."

She pointed to the two people behind her: "the two of them, the one in white is Ke Jing, and the one in black is called Xiangyang."

Ye Chen looks at the two men. Ke Jing is OK and nods politely to him.

And Xiangyang, is the color of disdain, see do not see ye Chen one eye.

Standing beside Ye Chen, Chen Zhifan, after Li Yanxi's self introduction, is a change in face!

Looking at Li Yanxi, he asked in disbelief: "are you Li Yanxi of the Li family in Lingwu ancient Donglin, Ke Jing, wusheng sword, and Xiangyang, the ghost sword of Xiangjia in Nangang?"

Li Yanxi nodded and said with a smile, "yes, we are."

It's not surprising that Chen Zhifan has changed color. The origins of these people are all extraordinary, especially the petite woman Li Yanxi!

Donglin Li family is not only one of the strongest families in Lingwu, but also known as the first of ten Lingwu families!

The so-called ten families are the most powerful family forces in Lingwu mainland, East, West, North and south!

These families have a long history, even longer than many clans in their sphere of influence.

Among them, the Li family in Donglin is the oldest and most terrifying family among the ten families!

What's more, Li Yanxi is not only the legitimate daughter of the contemporary master of the Li family in Donglin, but also the seventh genius on the Xuan list!

Although Ke Jing, unlike Li Yanxi, has such a terrible family background, it is also known as wusheng sword because of its mysterious inheritance.

He is gentle and polite. Although he looks ordinary, he has the temperament of modest child. He doesn't do anything with others, let alone draw his sword! As long as he draws his sword, one must die!

It's either the other party or yourself!

Therefore, known as wusheng sword, Ke Jing is the tenth genius on the Xuan list!

Don't underestimate the tenth place. Ke Jing has no family background! He didn't even join the clan! In terms of qualifications, they should be similar to those of Li Yanxi.

Xiangyang, the black robed man, and Xiang Hai, who took advantage of Song Rou at the reception, are brothers. They are also from Xiangjia, Nangang. However, although they are brothers, they are quite different in appearance, qualification and strength!

Xiangyang has a dark complexion, tall and straight, pointed chin, handsome face, with a kind of evil. The most famous inheritance of Xiangyang is a family handed down sword technique. It is said that when one sword is cultivated to a very high level, it is said that one sword will be like a ghost in the world!

So Xiangyang is called ghost sword.

This time, he didn't come as xiangjiagongzi, but came as a genius on the XUANBANG like Ye Chen, ranking 12th on the XUANBANG list!

However, ye Chen didn't know these and didn't care about them. He just asked, "Hello, what's the matter with you?"

As soon as Li Yanxi was ready to speak, Xiangyang behind her said coldly, "what's so much to say about Yanxi and such people?"

Li Yanxi looked back at Xiangyang with some displeasure. Although Xiangyang is his friend, he doesn't care so much about it?

Who to say hello to and who to talk to should also be approved and allowed by him?

Ke Jing shook her head and knew it was about to start again.

In fact, the main reason why Xiang Yang came to participate in the Tianchen auction is for Li Yanxi. Otherwise, he only needs to let his younger brother Xianghai attend instead of Xiangjia.

One of the reasons why he followed him was that he was worried that there would be too many talents and celebrities at the Tianchen auction. It was hard to guarantee that no one would attack Li Yanxi's idea. He was a little worried.

Secondly, he wanted to auction several gifts for Li Yanxi at the auction!

Although he and Li Yanxi have known each other since childhood, and have always been courting Li Yanxi, but Li Yanxi has never realized his feelings for her!

So this time, he intends to make a confession to Li Yanxi!

Originally, a few days ago, several people got along very well. Ke Jing was also their friend. He knew that Ke Jing had no special meaning for Li Yanxi, and Li Yanxi seemed not interested in the celebrities and talents who came to know her.

Xiang Yang's heart was still secretly proud of it!

Who would have thought that after seeing ye Chen yesterday, Li Yanxi suddenly showed a trace of interest in it!

How can Xiangyang stand this?

He is always very careful with women, especially those he likes!

"Oh?" Ye Chen looked at Xiangyang playfully, "this to childe, what kind of person do you mean by me?"

Xiangyang a Leng, he did not expect, ye Chen still dare to contradict him?

Immediately, with a sneer on his face, he went to Ye Chen and said:

"boy, you said at the reception yesterday that we could not shoot anything today? Ha ha, it's really crazy. Even I admire you.

But it's totally different between saying what you say and whether you can do it. Do you know? Do you think you can beat Xu Tiandi? Xu Sheng is just a waste in our eyes. You don't know who we are? Show off your wealth in front of us? It's ridiculous. No one has ever dared to show off our wealth in front of our top ten families! "

After that, he also cast a playful look at Li Yanxi. The meaning is very obvious. He is telling Li Yanxi not to be confused by the boy's performance. He is just pretending!

However, Li Yanxi did not have any reaction, the reason is very simple, she does not think Ye Chen is loading!

There's no basis. It's her intuition.

If you have to say it, it's because she feels like Ye Chen and herself!

Have a kind of pride from the bone!

Xiangyang saw Li Yanxi's look, more gloomy.

And Ye Chen shrugged his shoulders indifferently and said, "if you want to make you happy, feel free, or that sentence. If you can auction any treasures at the auction, I will give up."

Although Ye Chen didn't sneer at anything, this kind of disregard and totally indifferent attitude towards his words infuriated Xiang Yang. What's more, Li Yanxi seems to be vaguely inclined to Ye Chen?

"What are you pretending to be? I have known your information for a long time, but you entered Shenhua College from xuan yue zong. Do you dare to show off your wealth in front of us? I guess, how much money did your Dean give you? Two million cloud stones? No more than three million, right?"

Is that all you have in Shenhua college? Do you really think you have any capital to fight us? Do you know how terrible the assets of Xiangjia in Lingwu Nangang are? "

"Oh?" Ye Chen said with a playful look, "how terrible is it? I'm a little curious
