Chapter 2391

The night can not help but put up to the mouth of the reprimand, to two people asked: "what are the two people?"

The two men at the door, one dressed in white, looked ordinary and slender, with a pair of tiger eyes full of haughty color, with their hands on their back, and a childlike manner.

The man next to him, dressed in a water blue robe, followed the man in white with a smile on his face. He looked gentle and elegant, but he was respectful to the man in white.

These two people are all the accomplishments of Taixu state!

The name of the man in white is Du Chengshi, and that of the man in blue is Li Ling.

Hearing this, Li Ling shook the folding fan and said with a smile: "who are we? We are the envoy of the kingdom of God to inform Ye Chen that he has obtained the qualification to enter the kingdom of God and let him go with us to the kingdom of God. "

Cangye and Zi Ning look at each other's eyes, and they see the shock in each other's eyes. The dark night, which has always been scrupulous, is forced to smile and politely greet him with a bow of hands:

"I'm sorry, the two Shenguo guests came from afar, just don't know how much neglect, please make atonement! Please take your seat

After that, Li Ling and Du Chengshi were welcomed to the main seat in the hall.

At this time, Du Chengshi glanced at zining standing on the side. He was a little stunned. Then the light in his eyes was in full swing, and the corner of his mouth raised a funny smile.

Li Ling understood the situation and looked at Zi Ning, but she was also in a daze. Even if she was in the kingdom of God, it was a top-level existence, and it was just right. It was just the type that Du Chengshi liked!

At the same time, he can't help but mourn for Zi Ning. The women whom Du Chengshi likes will not have a good ending. Du Chengshi treats women with some eccentricities, and often tortures them to death.

However, zining's cultivation is not too high, and she is only a member of Lingwu sect. If she dies, what's important?

Lingwu mainland, after all, is a world of martial arts. Martial arts are respected and there is no strength background. Even if you look like a fairy, you can only become the plaything of others.

The dark night said to the maid in the palace, "come, give two young masters spiritual tea and fruit!"

Then, he turned to Li Ling and Du Chengshi with a polite smile and said, "two young masters, I am cangye, the leader of xuanyuezong. I don't know the two young masters, their high names?"

Du Chengshi glanced at the dark night coldly. His eyes were full of disdain and said, "just you? A small leader of fengmenjing Lingwu deserves to know my name? "

Dark night face a change, faint some displeasure.

It is very rude for these two people of the kingdom of God to break into xuanyuezong without being informed. Even so, they can treat them with courtesy. There should be no disrespect or offence?

However, these two people are still so shameless, even ridicule him in public? Is this the tyranny of the gods?

However, after a moment's silence, cangye still put up with patience. He not only tolerated it, but also piled up a smiling face. He apologized to Du Chengshi and said, "I'm sorry, I'm bold."

Why should the dark night apologize?

Just because the other side is the strongman of the kingdom of God?

No, of course not. Cangye is not a snob.

He did it for ye Chen.

Although he knew Ye Chen was very strong, the kingdom of God was a place where the powerful and evil spirits were gathered, which was thousands of times more cruel than Lingwu. Even with Ye Chen's strength and qualification, he was afraid that it would be difficult to establish a foothold in the case of the unfamiliar land of God and life?

For a new comer, if there is a guide, the help must be enormous.

The reason why he gave Du Chengshi three courtesies in the dark night was that he would greet Du Chengshi with a smile even though he was on his face. It was just to make Du Chengshi more helpful after ye Chen entered the kingdom of God.

Immediately, the dark night opened his mouth and said with a smile: "this childe, you are extraordinary. In the kingdom of God, you must also be a human being? After ye Chen entered the kingdom of God, he hoped that the young master would give him more help... "

He knew that, with this person's character, certainly can't do without opening mouth to ridicule, but for ye Chen's sake, oneself suffer a little humiliation, the dark night is able to endure.

Sure enough, master Du Chengshi sneered and said something. At this time, the maid also offered Lingcha and lingguo.

Du Chengshi looked at the lingguo, and then glanced at the side of zining. His eyes flashed slightly.

Cangye said enthusiastically: "come on, young master, this is the top-level Lingwu specialty, Lingcha."

Du Chengshi looked at the peeled lingguo and said with a sneer: "ha ha, lingguo? Master Cang, you said you wanted me to take care of Ye Chen, that's how you treated me? "

Dark night smell speech facial expression a stiff, some at a loss tunnel: "childe, what's the matter?"

Du Chengshi said coldly, "what is my status? Let a servant's dirty hand touch the fruit, you take it to me? what do you mean? Do you look down on me

Cangye quickly explained: "you misunderstood me. I don't have this meaning..."

Du Chengshi suddenly had a evil smile and looked at zining vaguely: "Oh? If you really don't mean it, why don't you let the girl next to you peel the fruit for meHearing the speech in the dark night, a haze flashed on his face. He was silent for a moment. Then he looked at Du Chengshi's eyes and said in a dignified voice: "this son of the kingdom of God, you are mistaken. Zi Ning is the elder of xuanyue sect."

Of course, the elder of xuanyuezhong can't give people spiritual fruit! Otherwise, where is the face of xuanyuezhong?

He can sacrifice his own face in the dark night and be courteous to you, but let the elder peel the fruit of spirit? This is not a matter for one person, but for the whole clan!

Moreover, the dark night is basically watching zining grow up, just like zining's father, more impossible to let zining, suffer such grievances!

Even if the other side is an unfathomable strongman of the kingdom of God!

Du Chengshi's eyes narrowed and looked at the dark night like a poisonous snake. He didn't expect that he would dare to contradict and refuse himself?

What a shame to him?

However, Du Chengshi didn't get angry immediately. Instead, he raised a sneer and said to the dark night, "master Cang, are you really going to refuse me? Do you know what position I am in the kingdom of God

Du Chengshi's voice suddenly became cold and said, "I am not a god envoy, but I came to xuanyuezhong because I am the nephew of the God of the kingdom. Do you know what this means?"

The so-called God emissary is similar to the official law enforcement personnel of the great empires in Lingwu mainland. The power of the God emissary in the kingdom of God is extremely huge. Even the top forces in the kingdom of God should give the envoy some face!

If you don't like it, any Lingwu sect will suffer!

Chapter 2392

Cangye's face suddenly turned white when he heard the speech. Since xuanyuezhong became the top power in Lingwu continent, Cangye, as the leader of xuanyuezhong, naturally came into contact with a lot of news about the kingdom of God. Therefore, he was very clear about the status of the God emissary in the kingdom of God!

Seeing the dark night's face, Du Chengshi's sneer became more intense. His voice suddenly became cold, and he yelled:

"ha ha, as a young master, you can easily make Ye Chen miserable in the kingdom of God. Even if you want Ye Chen to die, it's just a matter of words, do you understand

The cold sweat on his forehead in the dark night can't help but drip down. This leader, who is in charge of the top forces of Lingwu and has always been calm, is completely shocked by Du Chengshi's words.

Seeing the tense appearance of the dark night, Du Chengshi's sarcastic look showed no doubt. He said with a smile: "then do you know what kind of strength gap is between me and you people who are smart and martial?"

As soon as the voice fell, a strong breath containing the original meaning of martial arts burst out from Du Chengshi.

At this time, some of xuanyuezhong's Taixu offerings had already arrived in the hall.

But under the breath of Du Chengshi's outburst, in the dark night, zining, and even those sacrificial offerings, they all spat out blood in succession, and they were already injured.

Du Chengshi's voice became colder and said: "my child is a mid-term cultivation of Taixu. Moreover, my strength is very different from your Lingwu Taixu waste."

"Even if I want to, I can break through to a higher level within ten years!"

"Besides, my father is a strong man in a tough situation!"

When they heard the speech, they could not help but tremble in their pupils.

Cut the bad situation? That is almost equivalent to the existence of legend in Lingwu! Even those who are too weak and powerful, in this life and age, they all regard the breakthrough as a kind of extravagant hope. However, Du Chengshi's father actually broke through the chopping?

Did it seem to them that beheading was just a barrier that could be easily crossed?

More importantly, people from Du Chengshi feel a strong strength and confidence!

Under this, the dark night's face is also ugly.

He did not know that ye Chen killed Luo Wen in the North Sea of Lingwu.

After hearing Du Chengshi's words, he seriously injured several people in the hall just by his breath, including those who were too empty to offer sacrifices. Even if he trusted Ye Chen again, his reason told him that ye Chen was not his opponent.

However, to be sure, Du Cheng is a man of the kingdom of God, let alone the nephew of the envoy of the kingdom of God. His martial arts resources and environment are not comparable to those of Ye Chen.

Even if ye Chen is qualified to enter the kingdom of God, he is still a new man in the kingdom of God.

It's normal to be defeated by Du Chengshi for the time being.

Seeing that he had subdued all the people, Du Chengshi looked at zining, who was very cold, and said, "now, can you peel the fruit for me?"

Zining smell speech, actually is a wipe of blood on the corner of the mouth, absolutely beauty face, showing a very beautiful smile!

Seeing this, Du Chengshi was stunned

Zi Ning's smile is so beautiful and moving! Even if he is in the kingdom of God, read the numerous childe brother also can't help but shake his heart!

At the same time, his heart gushed with joy!

Purple Ning smile, is to throw oneself in arms to him?

At this time, zining stares at Du Chengshi in front of her, and says quietly: "this childe, you are really amazing..."

Du Chengshi's expression relaxed for a minute, and said with an elegant smile to zining, "your eyes are good. I can give you a chance to be my woman. I have the ability to take you into the kingdom of God."

At the same time, he sneered in his heart that he really has the ability to bring other people into the kingdom of God, but his uncle must blame him for doing so. As for the value of Zi Ning, is it worth his doing so?

It depends on whether he has played enough before returning to the kingdom of God.

Most of the people in the hall changed their faces slightly

Is it true that zining is seduced by the strength and identity of the people in the kingdom of God, so she wants to betray Ye Chen?

Although, they are willing to believe that Zi Ning is not such a woman who forgets her own interests, but

Du Chengshi's conditions are really excellent!

That's the kingdom of God! It's the dream place of almost everyone!

Many too weak strong, do not have this opportunity!

At the next moment, Zi Ning still had a smile on her face and said faintly, "I'm sorry, childe, although you're very good, I don't usually use fruit to feed the dog. If you want to eat it, I can think of a way to give you some!"

Silence, silence like death!

All people, including the night, are staring at zining!

They thought that zining would refuse, and that she would not be moved by Du Chengshi's conditions, but they never expected that zining would refuse Du Chengshi so directly and forcefully!

To call Du Chengshi a dog? This is not ridicule, can be regarded as a naked insult?

Originally they thought that only Ye Chen could be so crazy in xuan yue zong, but now they know that zining, who has always been charming, has such a side!

Although zining likes to joke on weekdays, she is a very proud woman in her heart!

Chen, if she doesn't like it.

But at the same time, people's eyes also showed fear!

That's Du Chengshi!

In the middle of the Taixu period, the strongmen of the kingdom of God almost trampled on the whole spirit and martial arts with their own strength, right?

Not to mention the terrible identity!

Is zining talking to him like that?

Sure enough, Du Chengshi's face was black and blue, his eyes were about to stare out of his eyes, and his forehead was full of blue veins, and he was so angry that he almost turned into substance!

Even in the kingdom of God, because of his uncle's relationship, no one would dare to be so rude to him. Now, he has been humiliated by a woman in the land of Lingwu?

How can he bear it?

Du Chengshi's breath was turbulent, and he was on the verge of outbreak. But at this moment, a cold killing intention locked him in vain. Behind him, a faint man's voice rang out.

"You, for me?"

When they looked back, they could not help but look happy!

See ye Chen's figure, appeared at the gate of the hall!

Now, if there is anyone else in Lingwu mainland who can solve the problem, it is undoubtedly Ye Chen.

Ye Chen looks at Du Chengshi coldly. He just heard the words zining said to Du Chengshi before entering the door.

He knows zining. She will never talk to people like this for no reason.

Moreover, as soon as he entered the hall, he found that all the people in the hall, except the two men of the kingdom of God, were all injured and seemed to be caused by the impact of breath.

Chapter 2393

Du Chengshi looks back and looks up and down at Ye Chen. There is no disdain in his eyes.

Ye Chen has only one layer of heaven cultivation.

In fact, before he came to xuanyuezhong, his uncle told him that ye Chen was not simple and was a rare talent. After he went to xuanyuezhong, he must treat him politely!

And ye Chen's previous events at the Tianchen auction also spread to the kingdom of God.

These deeds also spread to Du Chengshi's ears.

However, in the eyes of Du Chengshi, who has always looked down on Lingwu people, he is just exaggerating.

Either, it is that the martial arts of Lingwu are too weak!

In a word, he didn't accept it! Why should he be polite to the people in the land of Lingwu?

Therefore, he came here on purpose to provoke Ye Chen, to see how much Jin he was said to be so evil by his uncle?

Du Chengshi took back his eyes and said faintly, "you just let out the killing intention to me?"

Ye Chen came to him with indifference. The dark night told him what happened next to him. After listening, he nodded and looked at Du Chengshi and said with a smile: "yes."

With that, he suddenly reached out and picked up a spiritual fruit on the table. In the eyes of the people, he threw the fruit on the ground, and

One foot, trample it!

He looked at lingguo, raised his head, and said with a smile to Du Chengshi:

"I not only kill you, but also give you two choices. First, don't you like to eat lingguo? I invite you to eat, but also personally took out the foot to peel for you, you kneel down to eat clean, and xuanyuezong's everybody apologizes, I can spare your life.

2、 Die, choose yourself. "

What?

What did ye Chen say?

Is there a limit to strength?

Those too empty offerings are not shocked, but trembling!

Ye Chen doesn't think so. Li Ling and Du Chengshi have the same realm as Luo Wen, but their strength is much worse!

Must be the kind of Childe who hasn't experienced a real fight, right?

Du Chengshi looks at Ye Chen with his eyes wide open. His face is full of amazement. For a moment, he can't even speak out!

Li Ling, who was behind him, snapped at him and said, "bastard! Do you know who you're talking to? Do you know what kind of existence Du's uncle is in the kingdom of God?

Do you know how terrible the kingdom of God is? How dare you speak to the people of the kingdom of God? "

Ye Chen indifferent way: "you said I don't know, but I know, you two in my eyes, nothing."

"Looking for death Li Ling and Du Chengshi drink too much at the same time. They can't bear it any longer!

Two people all over the body quick rotation, unexpectedly is to leaf Chen hand!

At the same time, the void in the hall turned into chaos, and the furniture and decoration made of excellent materials were also turned into powder.

The original breath of terror and martial arts that the martial arts practitioners have never been exposed to is sweeping around, with endless fists, swords, swords and palms crisscross!

Just the breath of the origin of martial arts can frighten the dark night, zining and many other places of Taixu worship. They can't even breathe!

At this time, their bodies, like a boat in the rough sea, can only sway with the wind and lose control completely, let alone resist. As long as there is a little sense of resistance, they can be sure that their lives will be completely destroyed in the storm next moment!

As Du Chengshi's wrist moved, a pair of boxing sets with light gold light appeared on his fists. The fists were full of emotion. Behind him, there was a huge shadow of a God in golden armor, which moved with Du Chengshi's movements!

He danced with his fists, and his breath rose to the top in an instant, and then he gave Ye Chen a hard blow!

A pair of golden fist seals, crisscross and crisscross, break up the void and transform into two majestic angry dragons, roaring towards Ye Chen!

The violence of the fist meaning is the only one seen in people's life!

In front of this fist, what kind of knife? The sword? Guns? Great?

It's all like a piece of cake

The dark night and other people's hearts are terrible. Such a terrible blow is just like Tianwei? Can human beings compete with it?

Ye Chen again strong, face such a punch, also dangerous!

But he didn't like it at all? Do you deserve it? "

As soon as the voice falls, the golden light explodes in the arm!

Breaking the sky, roaring out!

There is no intention of boxing, or even any moves. It is such a common fist!

This fist, on that terrible fist seal!

The next moment, a strange scene appeared!

It seems that even a mountain can collapse in an instant. It looks like a clay sculpture, which turns into a little dust and dissipates in the air. Not only that, after Ye Chen's fist power defeated the fist seal, he continued to rush towards Du Chengshi!

Du Chengshi's face was stagnant. At the next moment, his face turned pale, and his eyes were filled with horror. A jade pendant quickly blocked his body and was full of light!

With a loud bang, the jade pendant was cracked by this blow, and Du Chengshi's body also flew backward! The sternum collapsed and the mouth spat blood!

Serious injury!

Li Ling, holding a folding fan, is preparing to display his martial arts skills. At this time, she is like a wooden man. Her legs are shaking wildly!

His family background, martial arts talent, are not as good as Du Chengshi, but Du Chengshi's dogleg. Seeing that even Du Chengshi exerts all his strength, he is seriously injured by Ye Chen's random fist. How can he not be afraid?

And zining, beautiful eyes to Ye Chen, flashing pride and happiness in the eyes.

This is the man she likes. No matter how terrible the strong man is in front of him, he can always surprise people again and again and protect himself again and again!

Ye Chen in their own side, very good, really good!

Ye Chen walked slowly to Du Chengshi's body, stepped on his chest and said coldly, "do you still remember the two choices I gave you?"

Where is Du Chengshi's arrogance and hegemony? On his face, only fear, from the soul of the horror!

He just felt that his chest really hurt! He never thought that fighting with people would bring him such pain!

He was trained by his family resources and his position as a God's uncle. In the kingdom of God, as long as he didn't die, few people would dare to provoke him. All along, he had a smooth life. Let alone the crisis of life and death, when did he get hurt like this?

But at this time, his intuition told me that ye Chen would trample him to death!

Master Du Cheng glanced at the crushed fruit on the ground. A little hesitation flashed in his eyes. As a nephew of the God envoy, how could he lick the rotten fruit on the ground like a dog?

Chapter 2394

So, it's too humiliating, too humiliating, isn't it?

At this time, ye Chen's feet slightly forced, the corner of the mouth raised a cruel smile: "how? So you don't like the first option? "

"Ah! What a pain Du Chengshi screamed and said in a hurry: "I eat! Mr. Ye! Please don't kill me... "

Ye Chen takes back his feet and looks at Du Chengshi with a sneer.

But Du Chengshi didn't dare to hesitate and hesitated. He landed on all fours and dragged his seriously injured body. He rushed to the crushed fruit, staring at the rotten fruit, swallowing his mouth and burying him to the ground!

While eating, he knelt on the ground and apologized to zining and others: "I'm sorry, everyone, I was rude just now, please forgive me!"

Mr. Du Chengshi understood a truth that only when people are alive can they talk about dignity!

If I die here now, even if my uncle killed the xuanyue clan, what can I do? Can you come back from the dead?

Humiliated?

Better than dead!

Moreover, he was really shocked by Ye Chen's strength

Du Chengshi is not a fool, on the contrary, he has a lot of knowledge! In his capacity, he also contacted many demons in the kingdom of God, so he knew better than others how terrible the future of these demons was!

He knows that ye Chen's potential will never be weaker than any of the demons he has contacted! If you hold such a thigh, the benefits are unimaginable

Ye Chen has a plain face. He is a man who is trustworthy. Since Du Chengshi ate rotten fruit, kneels down and apologizes, he will not pursue the matter.

After eating the rotten fruit, Du Chengshi took a pill, slightly recovered his injury, and reluctantly stood up and said with a flattering smile to Ye Chen: "well, Mr. Ye, can we start now?"

Ye Chen swept his one eye, light way: "you heal first, I still have some things to deal with, and then set out in a few days."

Du Chengshi's face changed slightly: "Mr. Ye, the rules of the kingdom of God are extremely complicated. Generally speaking, you must report it immediately, otherwise the kingdom of God will be hard to explain."

"I'm also thinking about Mr. Ye."

Ye Chen's face sank, so he couldn't leave immediately!

The evil emperor has not been resurrected. He has to go to the blood spirit clan. If he goes to the kingdom of God now, there will be many problems.

Besides, yonglao said that he would come to find himself.

He has to wait.

If he really wants to go to the kingdom of God, he must solve all the problems.

"I said I can't go to the kingdom of God yet." Ye Chen repeated.

Du Chengshi's face turned pale for a few minutes, hesitated for a few seconds, or said: "in this case, I'll come back to xuanyuezong after a while."

"Now, I must explain the reason to the God as soon as possible."

"Don't worry, Mr. Ye. I'll explain and try to delay for you."

With that, Du Chengshi and others left in a hurry.

After all, it can't be delayed.

.....

The kingdom of God, the temple of heaven.

Xuanyuan ink evil to resist the dragon.

Strangely, the Xuanyuan Mo Xie came back with a mask, just like a changed person.

When the Dragon God and Xuanyuan moxie stepped into the palace, the temple of heavenly way flickered with a strange ripple.

The Xuanyuan ink evil under the mask is extremely nervous.

Fortunately, the ripple gradually calmed down.

Xuanyuan ink evil light breath, directly into the hall, take off the mask.

as like as two peas, the man is sitting in a hall with the same spirit as Xuanyuan.

Xuanyuan Mo Xie smiles and says to the man, "it's hard for me to be a Taoist."

Language down, the man raised his head, the whole body exudes rolling white fog!

In the twinkling of an eye, he turned into an old man in a Taoist robe.

The old man stood up and arched to Xuanyuan ink evil arch and said, "Lord, it's good that you come back in time, or I can't support my skill."

"After all, that restriction is too strong!"

"Palace master, next time you can't cheat the prohibition with this method."

"It's too dangerous."

Xuanyuan ink evil eyes a Ning: "I know, but this time to go to the nine heaven dragon hall is too important, I have to let the Tianji Taoist to help. In the future, I try not to go out, and wait for the prohibition to disappear completely."

It turned out that Xuanyuan Mo Xie could not leave Tiandao palace because of the prohibition. But this time he went with the Dragon God in the hot sky, he cleverly concealed the world with the help of the skills of the Taoist!

This is also his first time!

It's good to come back in time, otherwise the consequences will be unimaginable.

Tianji Taoist priest was ready to leave after finishing his speech. His face was pale, and he was obviously injured and paid a very serious price.

Suddenly, Xuanyuan moxie stopped Tianji Taoist: "Tianlao, where are you going?"

"I have one more thing to trouble you to do." Xuanyuan Mo Xie was tough on others, but he had no respect for the Taoist.

Because he knows that this is the chance. Taoist is very important!

The Taoist priest was stunned and turned around and said, "Lord, I'm really sorry. I have something important to deal with recently. I may have to leave the kingdom of God for a period of time."

Xuanyuan ink evil eyebrow a frown: "old days, is to go abroad?"

Tianji Taoist hesitated for a few seconds or explained: "palace master, to be honest, I want to go to Lingwu land."

"It's been a long time since the land of demons and Demons has been around for a long time. I just got the news. This land of demons is very important to me."

"I know it all my life, but I don't know the whereabouts of my master. I thought there was no place to follow for the ultimate inheritance."

"Not long ago, I was lucky to find in the ancient books left by my master that there should be a younger martial uncle alive in the land of ten thousand demons in Lingwu land."

"Although the martial uncle is not a human race, he is also my uncle. I have to go to see other people."

"What's more, I'm worried about the safety of martial uncle."

Xuanyuan ink evil is surprised a little bit, he is also quite concerned about the matter of the land of ten thousand demons.

According to Jun, the great whirlpool in the land of demons is likely to be the rebirth of the demon emperor.

If the devil emperor is reborn, even if he can't recover to the peak level, it is also a threat to his Xuanyuan moxie!

A mysterious youth and a blood dragon make him feel intractable, if you add the ancient devil emperor's rebirth!

The temple of heaven will be destroyed sooner or later!

He smiles: "ha ha, old man, to tell you the truth, the thing I want to trouble is related to the land of demons."

"The land of demons is the signal of the reincarnation of the devil emperor. The emperor should be aware of the threat of the devil to the kingdom of God."

"This man can never be resurrected!"

"What's more, demon dust, the master of the demon clan, has sent a message. The devil emperor has absorbed more than half of the power of the whole land of demons."

"It is very likely that the elder martial uncle died in the hand of the evil emperor."

When the words fall, a flame is kindled all over the body of Taoist! The flame actually formed the eight trigrams disk!

Obviously, he was furious!

Chapter 2395

"If the devil emperor really hurt the younger martial uncle, let alone his resurrection. Those who are related to this matter will be killed one by one."

Xuanyuan ink evil Mou son is full of surprise, way: "old man, don't worry! This is your backing in the kingdom of God. "

"What's more, this time, the demon clan and I have laid a trap for the resurrection of the demon emperor. I just hope that the old man will go and have a look, and if necessary, take appropriate measures."

"Of course, if there are no special circumstances and you don't have to do it all the time, the devil will still die."

Tianji Taoist eyes a coagulation: "good."

.....

Blood spirit clan.

Ye Chen knew that he was going to step into the kingdom of God after all. Now, before the time for the demon emperor to revive, he first stepped into the land of the blood spirit family.

Now the blood spirit clan can be destroyed by waving his hand.

Of course, if the blood spirit clan has the strongmen of the kingdom of God garrison, it is obviously not so simple.

The palpitations of that day still exist.

Ye Chen's spiritual power runs to the extreme, holding the beast's decaying sword in his hand, and is ready to hand it at any time.

However, the next second, ye Chen's expression changed.

At the moment, the blood spirit clan is full of corpses, blood dyed red.

All the fallen blood!

"How could that be possible?"

"Did the people of the kingdom of God do it?"

This is the only explanation.

All around are the corpses of the blood spirit family, and there is not a corpse of the strongman of the kingdom of God.

Ye Chen frowns tightly, keep going!

All of a sudden, he sensed something. He turned around and offered a sword!

Soon, his sword fell to the ground!

Just because there is a beautiful girl not far away!

The girl is no one else, it is Xia Ruoxue!

"If snow, how can you be here?"

Words have not finished, Jiao body into the arms.

Soft to the extreme.

Ye Chen vaguely sensed the blood of Xia Ruoxue, and he said, "are you doing all the things of the blood spirit clan?"

Summer if snow nods gently: "Ye Chen, you are still alive, very good."

"On that day, it was rumored in the world that you had fallen down. I wanted to attack xuanyuezhong, but the king of ice sword insisted that I stay..."

"I can only practice meditation, not for you

"And we cannot come near the strong gods often."

"And just yesterday, all the strongmen of the kingdom of God suddenly left!"

"Out of curiosity, I came to the blood spirit clan again today, and wanted to go to a place called Shenmo valley."

"Unexpectedly, I heard that the blood spirit clan was going to deal with Kunlun Xu again. I knew that the blood spirit clan could not stay any longer. There was no strong one in the kingdom of God. This is my best chance."

"So I killed all the people, even the Blood Sword gate, all fell."

"Just..."

Ye Chen frowns. He knows that Shenmo Valley is the place where Kunlun Xu master revealed that he was trapped in the previous reincarnation cemetery.

Is something wrong?

Summer if snow holds Ye Chen's hand, direct way: "Ye Chen, you come with me."

They passed through countless bodies and blood.

Ye Chen is also surprised to find that Xia Ruoxue's cultivation has made great progress in these days!

After leaving the palace of Lingxian emperor, does Ruoxue have a chance against the heaven?

Soon, ye Chen stopped.

He saw on the plaque at the door the three characters of God and devil valley were written.

And there's a residual array here.

What's more strange is that everything here seems to be suddenly stripped off.

The aura fluctuations around have been greatly affected.

"If snow, what happened here?"

Xia Ruoxue took out a painting and handed it to Ye Chen: "I came here at the beginning, and then there were powerful people of the kingdom of God stationed."

"In addition, there are stone statues and strange array. I told the king of ice sword about this at that time."

"Later, the king of ice sword told me that this is the blood stained causality array arranged by the kingdom of God to deal with you."

"The kingdom of God cannot survey your existence. Everything you have is covered by an invisible force."

"But the heavenly way palace obviously has many means. They start the strongest killing array against you through the cause and effect of you and your masters with the blood causality array!"

"Once the battle is completed, the consequences will be unimaginable!"

"As for why the people of the kingdom of God suddenly left, they took the blood stained causal array all night. I don't know why."

"You must be careful of the hidden danger."

"Also, your masters must have been transferred. They feel your power and know that the blood spirit clan can't guard it. This time, they choose to defend themselves!"

Ye Chen brows more and more tight, the matter is more serious than he imagined.

The kingdom of God has lost patience to deal with him.

If the blood stained causality array really succeeds, not only will he or she die, but also all the great powers of the reincarnation cemetery will die. They are their hope, how can we let them down?

"If snow, let's go back to xuanyuezong first."

"Good."

When ye Chen and Xia Ruoxue are about to leave, ye Chen suddenly feels a burst of pain in the brain!

A strong sense of reverse attack!

Ye Chen feels that his strength is being pulled away by force!

"Bang!"

The next second, his body directly fell on the ground, completely unconscious!

Xia Ruoxue's face changed sharply: "Ye Chen, wake up! What's the matter with you? "

.....

I don't know how long it took for ye Chen to wake up.

And his face was extremely pale and frightened!

It's just because he's forced something into his mind!

It's an abyss!

In the abyss, a magic dragon was trapped by countless ancient mysterious chains!

Ferocious and terrifying!

And it is the blood dragon in Ye Chen's body that confronts with the magic dragon!

Blood dragon scarred!

In the long struggle with the demon dragon, the blood dragon temporarily failed!

After all, one has existed for tens of thousands of years, coming from ancient countries!

And ye Chen's blood dragon time is too short!

You can't fight!

The reason why Ye Chen was in a coma just now is that Xuelong draws some energy from ye Chen with the help of spirit dividing beast!

Without this energy, the blood dragon will die!

It is because ye Chen's energy disappears that the blood dragon survives.

In the abyss, the devil dragon and the blood dragon are all scarred!

The sword is at war!

The violent energy even cracks the surrounding prohibition!

Ye Chen Mou son dignified, he knew that the blood dragon had an accident.

What happened just now was that the blood dragon was signaling.

He must go to the nine heaven dragon hall as soon as possible.

This time, the blood dragon got a trace of its own strength through the spirit beast. What about the next time?

The spirit beast is seriously damaged. There is less connection between him and the blood dragon!

He must know the whereabouts of Jiutian Shenlong hall as soon as possible!

But where the hell is this place?

Ye Chen looks at the panic stricken Xia Ruoxue and asks, "if snow, you have been in the palace of the Immortal Emperor for a long time. Have you ever heard of the nine day dragon hall?"

Xia Ruoxue shook his head: "I don't know, ye Chen, what's wrong with you? You scared me just now. Why does your breath suddenly fade

Suddenly, Xia Ruoxue thought of something and fiercely took out a storage ring: "by the way, ye Chen, I have a reincarnation star stone in my hand. The king of ice sword said that when I meet you, I will give it to you."

"Can this stone help you to relieve your injury?"

Chapter 2396

Ye Chen touches the storage ring, and the next second he feels the existence of reincarnation star stone.

this thing is as like as two peas in the graveyard of the reincarnation.

There is even a trace of the power of the original stars.

Soon, ye Chen thought of what, these days summer if snow strength growth is rapid, I am afraid that this reincarnation star stone.

Moreover, he had many intercourse with Xia Ruoxue. According to the transmission of reincarnation blood, Xia Ruoxue should have more or less his own blood, which was accepted by the reincarnation star stone.

Of course, the stone belongs to the natural value.

Besides, Xia Ruoxue is his woman. Ye Chen is willing to give Xia Ruoxue the best for anything.

He pondered for a moment and then said, "if snow, I'll leave this thing to you first. The most important thing for me now is to find the nine heaven dragon hall."

"But where is the nine heaven dragon hall?"

When ye Chen was in distress, the void in front of him cracked.

An old man and two girls appeared in front of Ye Chen!

When ye Chen saw these two people, he was surprised to the extreme!

These two people are Ji Lin and ye Luo Er!

The old man is the eternal king.

But the eternal king is clearly wounded.

"Ye Chen!"

"Brother Ye!"

Two figures come!

For Ji Lin and ye Luo'er, the recent practice is really boring!

To see Ye Chen is undoubtedly the happiest thing these days!

Ji Lin pouted: "Ye Chen, the old man let me practice every day, I really want to be autistic."

"Take me and sister Luo'er to the endless sea for a break."

A moment of confusion: "boundless sea?"

Isn't this where Ye Luo'er's father was trapped?

Although he regards Ye Luo'er as his sister, he cares more about the blood dragon!

The eternal King drank a mouthful of wine and came to Ye Chen's side: "boy, I divined more or less aware of the threat of the blood dragon."

"I know you want to go to the nine heaven dragon hall."

Ye Chen Yi Xi: "Yonglao, do you know this place?"

Yonglao shook his head: "I don't know, but someone knows."

"The nine heaven dragon hall is related to the secrets of the dragon clan. The whole Lingwu continent and even the kingdom of gods can not be known unless those top powers are involved."

"In Lingwu, there is only one person who can tell."

"That's ye luo'er's father, the supreme patriarch of the holy dragon family, longchengtian!"

"Longchengtian was trapped in the endless sea in ancient times."

"If you want to know the whereabouts of the nine heaven dragon hall, you have to go to the endless sea."

"It's also an opportunity for you."

"The devil emperor has not been resurrected. These days, it's time to go here."

Ye Chen nodded, nervous to the extreme: "eternal old, where is the endless sea?"

Eternal King Mou son tiny Mi: "here and the devil's land close, but does not belong to Lingwu land."

Ye Chen doubts: "how do you say this?"

The eternal King explained: "this endless sea has long been under the control of the kingdom of God. It belongs to the colony of the kingdom of God. People from the land of Lingwu are generally hard to enter."

"If you want to go in, you have to cross the gates of the kingdom of God."

Ye Chen's heart clutters for a moment. Du Chengshi has left. How can he go to the kingdom of God?

Key Du Chengshi also did not leave contact information!

Do you want to wait until Du Chengshi comes back?

This is too long!

The eternal King smiles: "don't worry, I've contacted everything for you."

"Now I can take you to the endless sea."

"And there's a guy I've saved for you, Xiao."

"The rest is for you."

"This trip is a formal contact with the kingdom of God. Be careful."

"Although the territory of the endless sea belongs to the land of Lingwu, it is also controlled by the divine kingdom. Remember to converge."

"Forget it, when I didn't say the last sentence, it's impossible to be restrained by your temperament."

"Just survive."

"But my strength is limited. I can only take you and these two girls."

"As for ruoshue, you go back to wanjian Emperor Palace first. I have an opportunity for you."

"And then there is Yankun. He has entered the place of his chance and will appear soon."

Xia Ruoxue nodded: "little girl, thank you forever."

The next second, the eternal King waved his hand, the void was torn, and a strong force surged!

Countless air waves seem to break everything!

.....

I don't know how long it took!

Ye Chen, Ji Lin and ye Luo Er fall to the ground together! As for immortality, it has disappeared!

They got up reluctantly and soon noticed that there was a magnificent God gate not far away!

It seems that stepping into the gate of God, you can enter the endless sea!

At this time, an old man came quickly!

The cultivation of this old man is not too high, but he is also a strong one in Lingwu.

The old man came to Ye Chen and arched his hands: "this should be Mr. Ye. He was instructed by the eternal king. I will take you into the endless sea."

"Mr. Ye, however, should pay attention to the fact that this is the land of the kingdom of God, and remember to be restrained."

Ye Chen nodded and arched his hand and said, "please Xiao Changlao."

Elder Xiao and ye Chen and others followed and soon came to the gate of the kingdom of God.

At the door, there are two Taixu strong guards, wearing gold armor, a face of indifference.

Ye Chen slightly frightened, too Xu guard the entrance of this endless sea?

Is there a secret in the endless sea?

Otherwise, how could it be heavily guarded?

Fortunately, Mr. Xiao has dealt with all the procedures without any problems.

When they were ready to step in, a strong man in the Taixu state took out his sword and aimed at Ji Lin, and said in a cold voice, "her strength is too weak to enter the land of God."

Elder Xiao's face changed slightly. When he came to the strong man in Taixu, he took out two purple saints and said with a smile, "this is a special respect for two adults. Can you accommodate me?"

Two Taixu strong people disdain a sneer, violet Saint Roland they do not look up to.

"You three can go in, she can't!"

Not all cats and dogs can enter the kingdom of God.

In their eyes, Ji Lin is just like a mole ant. He is not worthy of entering the kingdom of God.

In order to enter the kingdom of God, ye Chen and ye Luo'er just barely meet the requirements.

Because of his blood, ye Luo'er grows rapidly.

However, Ji Lin's cultivation was limited because of his innate poison.

After all, poison body doesn't have high requirements for cultivation.

Anything can be solved by a drop of semen and blood.

Elder Xiao's whole face looks slightly ugly, and ye Chen's eyebrows are wrinkled in the back.

The attitude of the two Taixu strongmen made him angry.

Now ready to step into the kingdom of God, ye Chen does not want to cause trouble, can only endure.

Ji Lin's small face above some displeasure, these two people's eyes inside, is full of disdain look.

As if they are the emperor, they are ants.

Chapter 2397

Ye Chen and Xiao Changlao discuss about it and plan to leave and step into it from other places.

When the four were ready to leave, Ji Lin murmured: "look down on who, is not too empty? Sooner or later, I will be able to reach Taixu

Although Ji Lin's voice was not big, it was more like a complaint. Unexpectedly, the two strong men in the too empty situation heard it clearly.

One of the strong men in the Taixu state pulled out his sword and his killing intention suddenly burst out.

A mole ant dare to speak up in front of him.

Whoosh!

In the moment of pulling out the sword, the whole figure of the person rushed directly.

Ye Chen feels behind the strong killing machine, suddenly turned around, took out the gods and Demons gun, a shot out!

Bang!

At the moment when the two touch each other, ye Chen and the strong of Taixu state step back slightly.

Even if ye Chen doesn't want to cause trouble, it doesn't mean that everyone can ride on his head.

To Ji Lin's hand, already touched Ye Chen's scale.

"This little girl, die! Otherwise, all of you will stay here. "

Taixu strong, direct mouth!

Ji Lin must be killed today. Dare to say that the powerful in the kingdom of God must pay the price of bleeding to end it!

Xiao Changlao did not expect that there would be a sudden change. He said in a hurry: "everybody, I'm sorry, children don't understand."

His voice falls, desperately to Ye Chen make eye color.

This is not the time to make trouble, as long as you enter the kingdom of God safely.

Seeing ye Chen unmoved, Xiao Changlao came to him and said, "let's leave first. There is no need for conflict."

Ye Chen looked at Xiao Changlao and said, "there is a saying that is good. Horses are good to be ridden, and people are good to be bullied."

"There is no insult in Ji Lin's words just now. What's the right of the gatekeeper to be obliterated by a casual remark?"

After he finished this sentence, Xiao Chang had a moving look on his face and a trace of anxiety flashed in his eyes.

Just ready to open his mouth, ye Chen's hand of the gods and Demons gun, suddenly aimed at the Taixu strong.

If he had just shot at him, ye Chen could bear it down, but he could not deal with his relatives!

Ji Lin can't be wronged at all!

This is Ye Chen's principle, which cannot be changed.

The strong man in the Taixu area disdains to smile. A garbage in the sealing environment dares to point his gun at him. It's really hopeless!

Although the two men retreated at the same time, the strongman of the kingdom of God did not pay attention to it.

Just now, he didn't even use 30% of his strength.

Ye Chen's ability to defeat him is just a little talent.

He didn't look at it at all.

However, they did not know that ye Chen was injured by the blood dragon's regurgitation not long ago!

If they were in their heyday, what kind of words could these two people have!

After all, the real cultivation of these two people is just the early stage of Taixu state!

In the distance, another strongman of the kingdom of God, motionless, with a wisp of smile in his mouth.

It doesn't take two people to deal with fengmenjing.

Ye Chen swallows the pill, and his wound has recovered a little bit. The gods and Demons spear in his hand sends out a cold light with a strong sense of gun, which permeates the air.

Lightning speed, suddenly rushed past.

Seeing this scene, the strongman of the kingdom of God sneered and dared to take the initiative. An ant can't help himself.

When ye Chen rushes past, the corner of his mouth murmurs: "broken star!"

The gun head pierced through the space, making a tearing sound, like a dragon roaring.

Around the gun idea constantly intertwined together, a touch of cold light flashed, in an instant has rushed to the strongmen of the kingdom of God.

When he raised the sword, he was only three centimeters away from the powerful.

When you raise your arm, cut it with a sword!

Bang!

In the moment of contact between the two, came a huge force, the body of the strongman of the kingdom of God suddenly retreated!

The Qi and blood in his body was surging. If it was not suppressed by force, a mouthful of blood would have been vomited out.

The face of the strong man in the kingdom of God is dignified.

Just now, he used half of his strength to do nothing.

In a strike back, ye Chen's fierce intention to kill spread, the same shot continues to stab out!

At the moment, the powerful man in the kingdom of God did not dare to be careless. He directly used all his strength and waved his sword.

The meaning of gun and sword spread in the void. When they touch each other, ye Chen suddenly takes out the beast decayed sword.

The immortal sword directly gushes out, the law condenses constantly, and the surrounding temperature drops instantly.

There were snowflakes floating in the air, and their swords were gushing out with glittering golden light.

When a shot goes out, then a sword falls directly!"Sword of burning the sky!"

Boom! Boom! Boom!

Kick! Kick! Kick!

The whole figure of the strongman of the kingdom of God was retreating, and a mouthful of blood gushed out.

Another strongman in the kingdom of God frowns. How can a person who is a martial arts official of the kingdom of God be pressed to fight!

It's a waste. It's too empty to practice. It's a dog!

When he hesitated to help, the figure of Ye Chen's ghost had rushed to the past.

The breath of the law of time, floating in the air, ye Chen's mouth murmured: "eternal thunder sword!"

The immortal sword idea and the law of time merge together, and the whole space is constantly shaking.

In the concussion, ye Chen raises his arm, hands up and down the sword, and a sword falls in an instant.

Stab!

From the top to the bottom, it splits the head of the strongman of the kingdom of God and tears it into two at once.

In the distance, the strongman of the kingdom of God was stupefied for a moment, but soon sobered up.

"Presumptuous! Look for death

With a roar, the whole figure of him rushed directly.

From the moment when the strongman of the kingdom of God was killed, he could not be good, and ye Chen would surely die.

Otherwise, where is their divine dignity?

In his hand, also dare not be careless, just Ye Chen showed the strength, has let his heart tremble.

In the hand of the strong man of the kingdom of God, he held a long white knife.

When the knife idea surges, he holds the long knife in both hands and cuts it down in the direction of Ye Chen.

A knife out, the space is constantly shaking, ye Chen backhand sword directly fell.

Bang!

A knife and a sword collide with each other, and there is a violent sound.

The two steps of his figure, unexpectedly, let the dead fall back on the sword.

This endless sea seems to activate the law of death from the land of demons?

The immortal spirit is shining with golden light, and the sword is fierce. It directly rushes to the past.

The sword light has not arrived, but the sword meaning has quietly arrived!

Stab!

The sword's meaning constantly condenses in the void, forming a storm and rushing towards the figure of the strongman of the kingdom of God.

The strongman of the kingdom of God once went down and tore the sword into two parts. The figure disappeared in the void.

Holding a long knife in hand, he has come to the back of Ye Chen.

Cut down with a knife, the knife will directly penetrate the shadow of Ye Chen.

Xiao Changlao and Ji Lin and others watched from a distance. When one of the strongmen of the kingdom of God fell, they knew that this matter had become a big deal.

Chapter 2398

Although elder Xiao was worried, he was helpless.

Ye Chen has already killed one, what can we do? We can only find a way to solve it.

When the sword idea spreads, ye Chen's figure turns directly, and the gods and Demons spear directly stabs out!

Bang!

In a hurry, ye Chen's figure retreats two steps, and the ghost of the beast appears behind him.

The beast is lifelike, just like the real general, a roar, causing space shock.

The ground is constantly cracking and falling apart.

The shadow of the supernatural beast rushed towards the strong one of the kingdom of gods.

The strong man in the kingdom of God has a look of disdain. If it is really a divine beast, he can still be afraid of one or two.

It's just the shadow of the divine beast. It doesn't need to be paid attention to at all.

The long sword in his hand, up and down, constantly waving, the ghost of the beast could not resist.

When the strongman of the kingdom of God solved it, he found that ye Chen's figure had already disappeared.

Just now ye Chen used the technique, which was just a cover.

At the back of the powerful man in the kingdom of God, ye Chen's hands cast out the Horcrux directly.

Hum! Hum! Hum!

Horcruxes in the void, issued a buzzing sound, the smell of terror, diffuse out.

The strong man in the kingdom of God feels the terrible killing opportunity behind him, and the spirit vibrates! I didn't expect that the strong man of Fengmen was still a soul cultivator!

The whole person turned around, but it was too late.

Horcruxes have fallen directly.

Boom!

There was an explosion and a deep pit appeared on the ground.

Within the scope of the explosion, the dust was flying, and the strong man of the kingdom of God roared miserably.

When the strongman of the kingdom of God rushes out of the scope of the explosion.

His body was already bloody, and his whole body was dripping with blood, just like a bloody man.

At the moment, the strongman of the kingdom of God has completely lost his mind. There is only one idea in his mind, that is, to tear Ye Chen into pieces directly, can he solve his hatred in his heart.

He is a strong man in the state of Taixu. He has always been on the top. When has he been insulted like this.

When the strongman of the kingdom of God rushed over, there were ten thousand sharp swords behind Ye Chen!

Each sword radiated cold light and hummed in the void.

Zheng! Zheng! Zheng!

The meaning of sword has been transformed into substance in the void. One sword will cut the sky!

The space trembles, the void vibrates, and the ground begins to crack.

The sword soared into the sky, and the strong man in the kingdom of God felt a strong sense of crisis.

If he goes down with a sword, he can't say he will die.

The five drops of blood essence of the strong man in the kingdom of God forced out, and the whole man's face turned pale.

In order to avoid a sword, he almost hurt the foundation, but as long as he can live, it is worth it!

Ten thousand swords were sent at the same time, and the rain of swords was pouring down towards the powerful of the kingdom of God.

Whoosh! Whoosh! Whoosh!

One sword after another, holes appear on the ground!

When the ten thousand swords shot out, there was a cloud of blood mist on the strong man of the kingdom of God.

The blood mist twined on his body to resist the sword!

Ten thousand swords, ten minutes!

When it's all over, there's no breath in the kingdom of God.

Even so, he believed that ye Chen was not much different.

With such terrible power, ye Chen's energy consumption should be almost the same.

As long as he pays some more price, there should be no problem killing Ye Chen.

What he lost was his blood essence, and there was still a lot of energy in his body.

Deal with Ye Chen should be enough, he thought wishful thinking, although pay some price, but can survive, also enough.

At that time, the powerful man of the kingdom of God was killed so quickly, mainly because of carelessness.

Otherwise, ye Chen will not be killed easily.

When he raises his head and stares at Ye Chen, his brow frowns.

Looking at Ye Chen's appearance, it seems that there is no huge consumption, his face is ruddy, and there seems to be spare power.

This makes him a little uncertain. Does Ye Chen have the power to fight?

At the thought of this, he directly vetoed it. It must be ye Chen who pretends to be like this and wants him to run away.

The corner of the mouth of the strongman of the kingdom of God revealed a sneer and a sneer in his eyes.

Think he's a fool? Ye Chen's plot has long been seen through.

Holding the long knife in his hand, he was thinking about how to break Ye Chen into eight pieces, so as to solve the hatred in his heart.

The energy in the body is constantly pouring into the long knife. The breath of depression spreads everywhere.

Ye Chen clenched the beast and rotten sword in his hand, and the evil Qi and the sword meaning came out at the same time.

As the law surges, the energy in the body bursts out.

If not seriously injured, he can quickly solve the battle! Fortunately, the injury is recovering.

How can those who are strong in Taixu have no cards to protect their lives?

Ye Chen has already left a good successor!

"Sword for killing the devil!"

Ye Chen's arm is lifted up in a twinkling of an eye, and the beast decaying sword in his hand bursts out a bright light.

There is also a trace of magic gas, continuous flow.

The spirit of immortal sword gushed out, and the surrounding air suddenly dropped.

Frozen to a pole, as if to come to a world of ice and snow.

When the strongman of the kingdom of God rushed over, he suddenly found his moving speed slowed down.

It seems that time, freeze frame in this moment.

The two extreme sword lights, tearing the space, constantly circulate in the air, and rush towards the direction of the strongman of the kingdom of God.

Boom! Boom!

A sword light fell on the chest of the strongman in the kingdom of God. There was a scar and blood gushed out constantly.

One blow directly makes the strongman of the kingdom of God seriously injured, but it is not over yet. Another sword light has fallen!

Bang!

A sword pierces the body of the strongman of the kingdom of God and tears it in two.

When the two powerful men of the kingdom of God fell down, Xiao Changlao came to Ye Chen and said directly, "well, this is the matter. Let's leave here as soon as other gatekeepers don't show up."

The fall of two Shenguo gatekeepers must have alarmed other strongmen of the kingdom of God.

If you don't run away, I'm afraid there won't be a chance.

Ji Lin and ye lu'er come to Ye Chen with a worried look in their eyes.

If it was not for himself, ye Chen would not have killed two people.

She thought that her strength was so weak that she could not help Ye Chen at all. She wanted to practice hard in her heart.

"Ye Chen, I'm sorry, I don't want to..."

Ye Chen shakes his head: "this matter does not blame you, those two people just look down on us."

"They also paid a price for it."

"I promised your sister that you would never be wronged."

Ji Lin eyes flash tears: "really?"

Ye Chen nodded: "really!"

"Thank you, ye Chen."

Ye Chen nods slightly, knowing that killing the gatekeeper of the kingdom of God will surely attract more powerful men to pursue him. However, he does not regret that he dares to attack Ji Lin and must die!

"Go now! Endless sea, let's try again! "

When the four were ready to leave, there was a shock in the void.

Whoosh! Whoosh! Whoosh!

At this time, five figures appear in the void.

Their expression is indifferent, a pair of eyes stare at Ye Chen and others.

"We have held the endless sea for a long time. It is the first time that people who have seen Lingwu land dare to kill the strongmen of our kingdom of God and seek death!"

One of the five layers of heaven in Taixu came out.

His eyes are full of strong killing intention.

The kingdom of God cannot be humiliated!

How dare you kill at the gate of the kingdom of God!

Ye Chen's crisis is imminent!

Chapter 2399

"Elder Gong, why talk to them? It's just four ants. I don't know what method was used to kill two guards in Taixu territory, but it's not worth mentioning."

One of the gatekeepers of the kingdom of God spoke directly.

Ye Chen's face is dignified. There are four strong men in the three layers of Taixu state, and one elder of five layers of heaven in Taixu state.

At the moment, I am afraid it is impossible to run away. I can only fight to death.

I'm not sure there's still a chance to rush out!

Fortunately, ye Chen's injury is much better now.

Immortal body and demon body, together with his blood, recovery speed is too fast!

Elder Xiao's whole face looks ugly. He knew that ye Chen should have run away from the moment Ye Chen killed the two strongmen of the kingdom of God. It is impossible that they are safe and sound now.

Things have happened, even if you regret, there is no way.

"Protect Ji Lin and Luo'er," Ye Chen said

His only worry is Ji Lin, whose strength is relatively weak and vulnerable to blackmail.

Xiao Changlao knew the situation was serious, nodded slightly, and moved back with Jilin and ye Luo'er.

The five strongmen of the kingdom of God stood in the void with a sneering smile.

A mole ant, also want to deal with five of them? Where does courage come from?

"Elder Gong, I'm willing to kill this mole ant."

One of the strongmen of the kingdom of God stood up with a look of disdain in his eyes.

Elder Gong nodded slightly. Is it worth five of them to fight together? Not at all!

They can't afford it!

If you let your classmates know that you still need five strong people in the too empty environment to deal with fengmenjing. They will never raise their heads in front of others.

See only one person to hand, ye Chen body pressure less.

Think of a way to kill a strong man of three layers of heaven in Taixu state, and then the chance to rush out will be greater.

Make up one's mind, ye Chen's ghost figure directly rushed out.

In his rush out of the moment, the wind and thunder flash out.

Behind the evil spirit swept, as if a pair of painted black wings, flapping wings, around the formation of a strong wind.

Seeing this scene, the strongman of the kingdom of God sneered scornfully and didn't even take out the weapons.

If you still take out weapons to deal with a Lingwu person who has sealed the door, he is not worthy of cultivation.

Ye Chen takes out the beast decaying sword, and cuts it out in an instant.

The sword spirit soars to the sky, and the sharp sword light condenses together and falls directly towards the strong one of the three layers of heaven in the Taixu state.

At the moment of falling down, ye Chen suddenly takes out Zhutian magic gun.

With a cold light flowing on the gun head, the gun intention spreads in the void.

Stab!

When the sword goes down and the light of the sword rushes past, the strongman of the kingdom of God clenches his fist.

If you want to use the body to fight against the garbage, how much strength can you play?

At the moment of sword light and fist contact, the strongman of the kingdom of God directly utters a scream.

"Ah

The fierce scream, his fist is already dripping with blood, showing white bone!

He is too arrogant, that ye Chen at most can break out of the strength of the door.

Otherwise it won't be easy to get hurt.

When he sent out a scream, the whole figure of Ye Chen has come to his side.

Zhutian magic gun directly stabbed out, in a hurry, the powerful man of the kingdom of God quickly took out the weapon, a sword to block!

Bang!

After a shot, the body of the strongman of the kingdom of God retreated three steps, and a ferocious look flashed in his eyes.

However, there are elder Gong and friends watching. It is a great shame to be attacked and injured by a sealed door!

If you don't perform well in front of Mr. Gong, you can't be reused in the future!

In the distance, Ji Lin and ye Luo'er's eyes are full of worry.

Ye Chen's strength is clear to them, but not long ago, ye Chen was seriously injured!

How can you recover so quickly!

If we deal with the three layers of heaven in Taixu, I'm afraid it will cost us a certain price. What's more, there are four powerful people in the kingdom of God.

I'm afraid it's not easy to escape from death!

When Ji Lin bites his teeth, if he really has to, he will not explode his inborn poison.

At that time, the original power of the innate poison will come out. Even the strong in the five layers of heaven in the Taixu state will avoid its edge.

It is impossible to find a ray of life for ye Chen.

During this period of time, the eternal King's training made her more aware of the power of the innate poison!

The innate poison she is awakening now is only a part of it!

And the innate poison body is not extremely dependent on cultivation!

What we really depend on is poison!

Endless poison!.....

In the void, ye Chen and the strong man of the three layers of heaven in the Taixu realm are still in constant confrontation.

At the beginning, he was able to suppress the three layers of heaven in the Taixu state, which was completely due to his carelessness.

Now the strong man of the three layers of heaven in Taixu state uses all his strength to make ye Chen have to be careful.

Once there is a mistake, ye Chen will fall into crisis.

"If I hadn't recovered from my injury, you would have turned into smoke."

Ye Chen stretched out a finger, his fingertips flashing with golden light, and the speed of the wind around him has become slow.

Whoosh!

A bright light rushes past, ye Chen takes out the beast rotten sword, the whole human body disappears in the void.

At the moment of disappearing, there are three layers of sky strong in Taixu.

The beast decayed sword fell from the top to the bottom. The powerful man in the kingdom of God disdained to sneer and then raised his sword in his hand.

Bang!

The moment the two touch each other, ye Chen's figure moves back slightly two steps.

At this time, the killing machine has quietly arrived!

Sky soul sword!

The light poured into the body of the three layers of heaven in Taixu state, and suddenly felt that his divine consciousness was constantly losing.

"Soul skill!"

The strongman of the kingdom of God roared and trembled with anger!

Just now ye Chen took out the beast decaying sword to attack. It was just a cover. The real idea was to let the soul skill completely infiltrate into the body of the powerful man in the kingdom of God.

Don't let the strongmen of the kingdom of God escape.

"You should be glad that my spirit is still weak now!"

Ye Chen disdains a smile, in front of these people one by one eye is higher than the top, do not put anyone in the eye.

Ye Chen has already looked at them unhappy, who is born strong? Who doesn't have ants.

He has practiced for thousands of years more than him. What can be proud of? If ye Chen has thousands of years of practice, a look can kill them.

The roar of the powerful man in the kingdom of God soared to the sky, and the whole figure of the man rushed directly to the sky.

If you can't kill Ye Chen, I'm afraid he will become his heart demon.

Once there is a demon in his mind, he may not be able to break through a higher realm.

The law of death on Ye Chen is constantly surging, and the temperature in the void drops instantly.

In the void, ice has even begun to condense.

The beast decayed sword in his hand is shining in the dark blue, and the body of the sword is full of cold death.

Ye Chen raised his arm and fell with a sword!

Chapter 2400

"Eternal thunder sword!"

The ultimate sword light, rushed past, the space was torn in two.

The strongmen of the kingdom of God are not willing to fall behind, and they are also waving a sword.

At the moment when the two sword lights touch each other, a violent explosion comes from the void.

Ye Chen's hand took out many artifact, murmured in the mouth: "thousand soldiers explode!"

The artifact rushes towards the position of the strongman of the kingdom of God, sending out the breath of terror.

Boom!

It explodes in a flash!

At the time of the explosion, the ghost figure of Ye Chen rushes past.

The strong man of the three layers of heaven in the Taixu state had his arms so bloody that his eyes had turned blood red.

In less than a few minutes, he has suffered a lot in front of the martial arts of Fengmen.

Even if this war can be won, I am afraid others will have a view of him.

After all, the Taixu state has three layers of heaven. If you can't kill the gate with one stroke, you can't stop it. You're still injured.

I'm afraid it will be difficult to raise your head in front of your friends.

For ye Chen's hatred, the heart has reached a pole.

When ye Chen rushes over, the beast decaying sword in his hand gushes out evil spirit.

When the evil spirit is surging, a black sword light has fallen madly!

Stab!

A sword light is cut on the abdomen of the three layers of heaven in Taixu.

There is a scar, blood and water constantly gushing out of the body.

Ye Chen once again appeared in the hand of Zhutian magic gun, a gun directly stabbed out!

Hum! Hum! Hum!

Empty space sends out a sound, the mouth of Ye Chen murmurs: "broken star!"

When the gun goes down, the strongman of the kingdom of God is unprepared and takes out his sharp sword.

Bang!

Kick! Kick! Kick!

The figure of the strongman of the kingdom of God constantly retreats, and a mouthful of blood spurts out directly from the mouth.

Originally his body already has some injuries, in the face of Ye Chen's attack, simply can't resist.

If it wasn't for the sword in his hand to block it, now the shot has gone straight through his heart.

On his forehead, a cold sweat came out. Fortunately, his reaction speed was fast enough, otherwise he was already a dead man.

Ye Chen frowned. It was just the best time to kill the powerful man in the kingdom of God. Unfortunately, let him avoid the past.

"Sword drawing!"

The strongman of the kingdom of God roars and uses his cards directly!

If he continues to drag on, he will really die.

The sword drawing skill was found in a strong man's cave, which is usually not used at all.

Only in life and death, will use!

He did not expect that he would deal with a martial arts man who had been sealed off.

With a backhand sword, from the bottom up, the sword light rushes to Ye Chen in an instant!

Pull out the sword, only use one sword, is also the strongest sword!

When the three layers of heaven in Taixu state are used, his face has no blood color.

Using the sword drawing technique, he has consumed all the energy in his body.

If an enemy does not die, he will die!

Sword light flow, ye Chen feel a huge sense of crisis!

At this time, the door of God, endless evil gas gushed out!

This is the magic spirit of the endless sea!

Good coming!

At the moment, ye Chen's demon body is emitting black magic Qi on the outside, ye Chen reaches out a finger!

The magic Qi surged in an instant and condensed in the fingertips.

"A finger of the devil!"

Ye Chen's mouth murmurs, a black light, instant fall!

In the moment when the two touch each other, a bang!

The powerful man in the kingdom of God is so big that he can block his sword drawing skill. How can it be possible?

When he used the sword drawing technique, the enemy was basically killed.

This is his consumption of all the energy in the body for the price, display the card, unexpectedly was so destroyed!

In a trance, he almost blackened his eyes and fell from the void.

How could this happen!

Ye Chen gasps slightly. Even if he is in his present state, the energy consumed is huge.

Although the sword drawing skill is strong, it is not worth mentioning in front of the magic emperor's unique skills.

Ye Chen takes out the beast decaying sword and points at the strong one of the kingdom of God.

At this time, the strongmen of the kingdom of God reflected on the current situation.

"Don't Don't kill me, elder

Now only elder Gong can save him.

However, none of Gong's elders died.

Even the emptiness of the kingdom of God is a waste!

This kind of waste is not worth saving!The strongman of the kingdom of God looked at his companions, but no one moved.

Elder Gong didn't show that he wanted to save him. They didn't have to offend elder Gong for the sake of a dying man.

This is the reality!

Don't look at the normal relationship is good, once really big things, will only coldly watch.

A look of despair flashed in the eyes of the strongman of the kingdom of God.

Did not expect in the last critical moment, will be abandoned by their peers.

If ye Chen's strength had been so strong, he would not have been the first to stand up.

Shoot the head!

Ye Chen's beast decaying sword has been clenched, and the whole person's figure directly rushes into the past.

As he rushed through, his arm was raised in a flash.

The strong man in the three layers of heaven in Taixu state has no fighting spirit.

The beast decayed sword fell straight down and penetrated his heart!

Pooh!

A torrent of blood, his whole breath, has disappeared!

The figure fell from the void to the ground!

Ye Chen takes out the elixir to recover energy from the samsara cemetery and puts it into his mouth.

Next, it's the real battle. It was just an appetizer.

When the third heaven of Taixu was killed, the rest of the powerful gods felt unreal.

The strong man in the three layers of heaven in Taixu was killed by a martial arts man who sealed the gate.

It's really unacceptable. I've met some talents who have leapfrogged the ranks. However, compared with Ye Chen, it seems that he is not even a fart.

"Which of you is willing to do it?"

At this time, elder Gong said!

Even though ye Chen killed three layers of heaven in Taixu state, he was shocked in his heart, but on the surface, he was still a light hearted appearance.

He has five layers of heaven in Taixu state, and he does have proud capital, and Taixu state has three layers. They are not the same level at all.

The rest of the strongmen of the kingdom of God did not speak when they heard elder Gong's words.

After they see ye Chen's strength, who dares to be the first bird?

Although Ye Chen consumed a certain amount of energy, but who knows what cards?

What if we can kill them? The older you live, the more you fear death.

Seeing this scene, elder Gong's eyes flashed with anger.

A group of rubbish, frightened by an outsider, turned a blind eye to elder Gong's eyes!

It's better to offend elder Gong than to lose your life!

Living is the most important thing!

Gong Changlao stares at Ye Chen and decides to do it himself!
