

Physician 2401

Chapter 2401

It's just a strange situation. He can kill by himself.

The three layers of heaven in Taixu are different from each other in front of the five layers!

When elder Gong moved slightly, the whole void was in a slight turbulence.

Ye Chen's brows are locked, and a pair of eyes have become dignified.

The strong man in the five layers of heaven in Taixu state is not sure that he can kill him.

"Boy, although you have some skills, you can do it yourself!"

Elder Gong's words seem to have decided Ye Chen's life and death.

Ye Chen heard this sentence, a sneer in his mouth.

These strong men, one by one, think that they are superior to each other, and do not put anyone in the eye.

As if all the other ants except him should be destroyed.

"Do you deserve it?"

Ye Chen opens his mouth directly. Elder Gong, who is angry with a word, wishes to die with a finger.

"Arrogant!"

Elder Gong roared as if there was a blast in the sky.

Taixu state has been able to use the power of heaven and earth at will.

Ye Chen's body is tottering and unprepared. A mouthful of blood gushes out of his mouth.

When elder Gong opened his mouth just now, he directly used the power of the spirit, which seemed to explode in his mind.

Although Ye Chen's spirit is powerful, the blood dragon absorbed part of his strength and made him seriously injured. In addition, he has been using soul skills and thousand soldiers to explode just now. His spirit has been injured!

A trace of anger flashed through Ye Chen's eyes.

This old thing is so insidious!

As soon as elder Gong's voice fell, the whole figure of the man had disappeared.

When ye Chen is in a trance, he doesn't know where elder Gong has gone.

Boom!

On his right side, Gong Changlao suddenly appeared, without using any weapons, he punched out at will!

This fist, twining with the power of dragon and tiger, seems to see the virtual shadow of two dragons and tigers, intertwined together.

Pooh!

The whole figure of Ye Chen retreated five steps, and a mouthful of blood gushed out.

"Do you really think that if you can kill the three layers of heaven in Taixu, you can be reckless in front of me?"

"You must be in Lingwu land, your status is not ordinary."

"Kill you, I'll find out your identity soon."

From the corner of elder Gong's mouth came a scornful sneer.

His strength is not comparable to that of the three layers of heaven in Taixu.

Ye Chen wiped off the blood from the corner of his mouth with his hand. Without saying a word, he raised the beast decayed sword in his hand and rushed directly to it.

"Sword for killing the devil!"

A sword light fell instantly, and the strange sword light disappeared directly into the void.

This time suddenly appeared in front of elder Gong.

When elder Gong saw the light of the sword, he had a smile of disdain.

He put out a hand and shot it directly!

With one hand down, the sword light disappears directly, and ye Chen's figure has rushed to elder Gong.

After Zhutian God and demon stabbed, Gong Changlao stretched out his arm and directly grasped the body of the gun.

Raise your right leg and kick it out! The air waves are surging!

Bang!

One foot falls on Ye Chen's body!

Ye Chen's whole chest has been concave, and the Qi and blood in the body is surging.

Ye Chen forcibly holds back, the blood that the mouth wants to spit out.

Hold the beast decaying sword with the left hand and cut it directly.

Immortal sword, crazy out, as if endless.

Open the sky with one sword!

There are more and more evil Qi coming out of the gate of God!

It's dark!

At this time, elder Gong frowned and the whole figure stepped back slightly.

When elder Gong dodges a sword, the evil Qi overflowing from the endless sea gathers a figure!

The figure reached a thousand feet in an instant.

Jiuyou Shura!

The more evil Qi, the stronger Jiuyou Shura is!

This endless sea is very suitable for the magic emperor's martial arts!

Killing intention interweaves together, three heads and six arms, huge body, six eyes looking at elder Gong.

At this time, elder Gong seemed like a mole ant.

Unconsciously, the whole void has become more and more dim.

Dark sky, dark sky!

When elder Gong saw this scene, he looked light and light, and finally a touch of solemnity appeared on his face.

Jiuyou Shura is the master of killing and cutting. It is known as the killing machine. The enemy will not die or die!

Boom!

When ye Chen's figure moves, a dull sound comes from the void.

When the sound is constant, ye Chen holds out six fingers, and the law of death surges.

"Get out of here!"

Ye Chen murmurs in the mouth, six fingers toward elder Gong's figure to kill directly in the past. Whoosh! Whoosh! Whoosh!

Elder Gong no longer despises him. He sacrifices a long gun. The meaning of the spear is sent out, and one shot is directly stabbed out.

Bang!

It falls on the evil Qi and penetrates it directly.

When the six fingers did not enter elder Gong's body, he felt the vitality in his body was constantly eroded, and the whole person's face changed.

It was the first time to see such a strange method. He finally knew why the strongman of the kingdom of God had fallen.

If ye Chen is really regarded as a martial arts person in fengmenjing, I'm afraid that he died not fast enough.

"A finger of the devil!"

At this time, ye Chen's mouth murmured.

The evil spirit continuously pours into Ye Chen's fingertip, and the dust is flying on the ground.

Flying sand and moving stones are like the end of the world.

At the same time display six demons a finger, ye Chen's whole face a touch of pale.

Facing elder Gong, who has five levels of heaven in the Taixu realm, ye Chen must make every effort to have a certain chance of winning.

Nevertheless, ye Chen is not sure.

It's good that the demon finger can make elder Gong suffer some injuries.

Boom! Boom! Boom!

The elder's eyebrows were locked.

The spear in his hand, madly stabbed out.

The speed of one finger of the demon is too fast, even if elder Gong can destroy two demons one finger.

But there were four more lights that had already rushed towards his body.

As the explosion went on, a trace of blood flowed out of elder Gong's body.

The strongmen of the kingdom of God, who were watching from afar, were terrified. Fortunately, they did not attack.

Elder Gong has been injured. If they do, they should be dead now.

Ji Lin, ye lu'er and Xiao Changlao don't have any excited look on their faces. Instead, they are worried.

Don't look at Ye Chen's strong attack, but the energy consumed in the body is huge!

How much energy can ye Chen use now?

It's still an unknown number.

"Son of a bitch, I want you dead!"

Gong Chang is so old-fashioned that he opens his mouth. As a strong man in the five layers of heaven in the Taixu realm, he is even wounded by Ye Chen. What a shame!

There is no change on Ye Chen's face. Elder Gong's whole figure has already rushed over.

The spear in his hand, through the space, the void has been penetrated through a hole.

In the face of Gong Changlao's one shot, the void flows in.

The beast decaying sword in Ye Chen's hand is directly blocked.

Bang!

At the moment when the two touch each other, ye Chen retreats and a mouthful of blood spurts out.

The figure flies straight out.

Ji Lin and they think well, his body has not much energy to support.

Chapter 2402

Ye Chen stands up from the void and takes out the pills for restoring energy and healing, and puts it into his mouth.

He needs some time to recover the energy in his body, but Gong Changlao doesn't give him the chance.

Just now ye Chen was able to make him hurt, which made elder Gong feel threatened.

If the time is too long, ye Chen may kill him.

It's not impossible!

Taking advantage of Ye Chen's weakness, elder Gong's whole body rushed to kill him directly.

The head of the gun exudes a fierce sense of the gun. Elder Gong wants to kill Ye Chen.

Don't want to give ye Chen any chance to breathe.

Ye Chen no longer hesitated to sacrifice the Horcrux and artifact, and threw it out directly.

He doesn't want to use the only energy in his body now. He wants to use the power of spirit to delay time.

Boom! Boom! Boom!

As the artifact bombards and explodes, elder Gong's whole body constantly retreats.

Although the power of the thousand soldiers explosion is not threatening him, he does not want to be injured in any way.

Ye Chen has a breath of time, but only a breath of time.

When the power of the artifact explosion is over, elder Gong rushes over again.

Ye Chen clenched his hand and threw it out in an instant!

If it is not for this period of time, the wealth of many top forces has been looted! Ye Chen doesn't have so much capital!

Boom! Boom! Boom!

The sound of the explosion, continuous, the entire void has begun to crack.

Elder Gong's brows are locked. He can see that ye Chen wants to delay time.

For ye Chen's wealth, he is also silent. He has so many treasures in his hands. Where did he come from?

Elder Gong didn't think much about it. The whole figure disappeared into the void.

Since ye Chen wants to delay time, he hides in the void, and others can't find it.

At that time, ye Chen wants to use the artifact to blow him up, but also to find the direction.

If not, can still be like a headless fly, crazy explosion?

This makes Gong Changlao don't believe it. No matter how rich he is, he can't be such a loser!

However, the next scene, but let elder Gong some silly eyes.

Ye Chen actually took out countless powerful weapons with strong breath. He exploded all over the place!

For a while, if elder Gong wants to be close, there are some unrealistic.

Don't say elder Gong has some silly eyes. The rest of the powerful people in Shenguo can't help but twitch.

There must be a limit to a loser. Do you really regard artifact as a piece of junk?

In Ye Chen's random explosion, elder Gong has been hiding in the void without moving.

He doesn't believe it. Can ye Chen still persist for half an hour?

Sure enough, ye Chen has stopped after ten minutes, which makes elder Gong feel better.

Should this be over?

It's hard to accept a title that is richer than him.

In fact, it is not that ye Chen has no artifact, but that the power of the spirit is approaching a limit.

If it is used again, it may affect the next battle.

If you let elder Gong know, ye Chen's reincarnation cemetery, artifact is really like scrap iron, randomly thrown aside, may really spit blood.

When ye Chen stops, elder Gong's figure appears directly behind Ye Chen.

A stab out, toward Ye Chen heart position, stab past.

Bang!

At this time, ye Chen had been on guard for a long time, and his magic spears fell directly.

The two touch each other, and ye Chen's figure slightly retreats two steps.

In about ten minutes, ye Chen's energy has recovered.

When ye Chen retreats, the beast decayed sword falls directly with a backhand sword.

Stab!

With a sword, the sword will soar into the sky.

The immortal body and the golden dragon with nine claws entwine Ye Chen's body surface.

This is also want to protect Ye Chen's body, can resist part of the damage.

The sharp sword light rushed past, and elder Gong's mouth showed a trace of disdain.

Such a weak attack, you want to do it?

A shot penetrates the sword light, and elder Gong's figure directly rushes over, spreading the gun's intention in the void.

Ye Chen takes out the beast decaying sword to block directly, but when blocking, he also bears huge strength.

Let the blood in his body surge, and the blue veins on his arm burst out.

Ye Chen is recovering energy. When he has to, he doesn't want to use it.

When the body's energy recovery is almost the same, ye Chen plans to give elder Gong another fatal blow.

I'm not sure. I can kill you!Elder Gong constantly hands, ye Chen has been passive defense.

At this time, his body is like a bloody man, and there is a bloody smell in the void.

On the ground, Ji Lin shed tears. If it wasn't for her talkative words, ye Chen would not have killed the gatekeeper of the kingdom of God.

And it won't happen at the moment.

Ji Lin put all the responsibility on himself.

Ye Chen gasps hard, already some can't open his eyes, all around begin to become blurred.

Although he was seriously injured, the energy in his body was almost recovered.

Elder Gong saw Ye Chen's appearance, and a cruel smile appeared in his eyes.

If you dare to be arrogant in front of him, you will have to pay the price of bleeding!

A mole ant should accept death honestly.

The strongman of the kingdom of God on one side finally felt relieved. Elder Gong made a move and absolutely let Ye Chen die.

"Blood dragon, blood dragon, this time you really pit me."

"If you don't deprive me of my energy, I won't be so embarrassed."

"But the good thing is that this endless sea devil is enough."

"Now, devil's eye! Open it

"I'm going to be possessed!"

"Blood demon sword, the devil emperor said I can only use you if I am possessed by the devil!"

"I want to know how strong you are now

At this time, ye Chen weak mouth, his right eye appeared a trace of blood.

Above the void, a black lacquer eye suddenly appeared.

This is his devil's eye!

And it contains the power of the devil!

In the eyes of demons, blood is full of light!

A bloody magic sword is suspended in the sky!

As soon as the bloody sword came out, it seemed to suppress all the people present!

The blood devil sword was originally a demon Saint weapon, but it was made by the mysterious Shenhuo academy, and refined by the demon emperor, which sealed the power of the great devil!

It's not what it used to be!

At the moment, the blood demon sword is not like a sword, but a devil!

Ancient demons!

Only the enchanted Ye Chen can use the ancient demons!

As soon as the devil's eye and blood magic sword come out, the sky seems to be turned into a nine hell.

The evil spirit was surging wildly. Elder Gong saw this scene, and his face changed slightly.

This What the hell is this?

When he saw this eye and the sword, his heart was shaking.

There seemed to be a natural fear rising in his heart.

Chapter 2403

The energy in Ye Chen's body is pouring out.

He is waiting for this moment. If he has a chance to kill elder Gong, how can he let go.

The devil's eye and the blood demon sword's evil Qi surged, locking in elder Gong's figure.

The void constantly cracks, as if the sky is about to fall.

The dust was flying on the ground, and the strong man in the distant kingdom was shocked to see this scene.

I'm more happy inside, thanks to not like a fool like hand.

Otherwise, they are already dead. I'm afraid that only elder Gong can fight against this attack.

If you change them, you will die!

Elder Gong's heart is hard to say. He can fight against it, but he has to pay some price.

If he had known that, he would not have stood up.

It's better to let three Shenguo warriors attack, and then let Ye Chen be seriously injured.

At that time, he would not only be hurt, but also awe the public.

Unfortunately, there is no regret medicine in this world.

At the moment when the devil's eye and the blood demon sword locked in elder Gong, he knew that he could not run away.

The evil spirit of the devil's eye was surging, as if the earth were falling apart.

Elder Gong's eyes flashed with a dignified look and took out his spear.

The blood essence was ejected from the mouth and dropped on the spear.

At this time, the spear gave out a strange light and hummed.

At the moment, the closed eyes of the devil opened their eyes, sending out the breath of terror.

In the distance, Ji Lin and ye luo'er clench their hands and dare not blink.

I'm afraid to miss the slightest detail!

Elder Xiao hopes to kill elder Gong directly, and the threat will be greatly reduced.

Maybe they can really rush out, I can't say!

This let Xiao Changlao and Ji Lin see a glimmer of hope.

Although a little vague!

As soon as the devil's eyes opened, elder Gong held back his fear.

The whole person's figure, does not retreat but advances, directly rushes to kill in the past.

Boom!

The light of lacquer black directly falls down in an instant, and ye Chen rises from the sky, holding the blood magic sword in his hand!

At this moment, he felt in control of the power of the gods and demons!

Not only that, but his spirit and spiritual power are constantly passing away!

Obviously, this sword is too powerful.

If you don't get possessed, he will be seriously injured if he touches it!

This is the best gift from the devil!

Ye Chen kills an opportunity to coagulate and rushes toward elder Gong's direction.

Elder Gong stretched out his arm, and the spear went straight out.

Two direct contact, boundless power surging!

Like the end of the world!

"Damn it!"

Elder Gong made a sad cry.

Even if we pay some price, we will be hurt.

Boom! Boom!

Black light, still falling!

The voice of elder Gong's scream has never stopped. The rest of the powerful people in the kingdom of God can't help shaking slightly when they hear elder Gong's scream.

It's too cruel!

Elder Gong didn't know what he was tortured into.

Just think about it and make them afraid!

If this falls on their bodies, I'm afraid there will only be a falling end.

Evil eye and blood magic sword, send out black sword meaning, last for one minute.

The same is true of elder Gong's scream.

Ye Chen's brows wrinkled, and elder Gong can make a scream, only to prove that he is still alive.

His energy has been exhausted and there are still some injuries on his body.

If you attack elder Gong again, you don't have any resistance ability at all.

The corners of Ye Chen's mouth can't help but show a wry smile.

When in the void, after the devil's eyes disappear, ye Chen finally sees elder Gong's appearance.

At this time, elder Gong was dishevelled with blood and dry mouth.

Living like a beggar, I don't know from which slum ran out.

Elder Gong's bloody eyes are staring at Ye Chen!

Although did not open the mouth to say a word, but the inner anger can be imagined.

It was the first time that he was tortured in this way by Fengmenjing.

Unprecedented!

Even if Ye Chen is killed, if this incident spreads out, his reputation in his whole life will be destroyed.

The most important thing for a strong man like him is his reputation and his own face.

Elder Xiao saw that Elder Gong did not fall, and there was a trace of despair in his eyes. Are they going to die here before they enter the kingdom of God?

Ye Chen takes up the blood magic sword. Now his enchanted state disappears. If he uses the blood magic sword again, the consequences will be very serious!

He offered a new sacrifice of the beast decaying sword and Zhutian magic gun, and breathed out a breath gently.

Since Elder Gong didn't fall, he could only fight as hard as he could. Even if he had only one breath left, he would not admit defeat.

Elder Gong stood in the same place and didn't make a move. Don't look at him now. He is a bit fierce.

For Ye Chen's fear, has let him some dare not move!

What if Ye Chen still has a card? The older you are, the more afraid of death!

How could he choose to die in front of the martial arts in Fengmen.

Elder Gong took out a token with a character on it!

He didn't want to make a move himself. He planned to use the array to wipe out Ye Chen and them completely.

The token in elder Gong's hand is thrown directly in the direction of Ye Chen.

In throwing out, his whole figure, slightly back, mouth a ray of cruel smile.

At the moment when the token appears, ye Chen instinctively wants to use the beast decaying sword to cut off.

Hum! Hum! Hum!

The token floats in the void and suddenly bursts into a dull sound.

A beam of light not only covers Ye Chen's figure, but also Xiao Changlao and Ji Lin.

"Formation?"

Ye Chen murmured at the corners of his mouth and frowned.

I didn't expect elder Gong was so afraid of death that he even wanted to use the array to kill him.

At the moment of the formation of the array, Gong Changlao directly said: "this is the heart array of ten thousand snake venoms. Even the strong one in the sixth layer of Taixu state may fall down. Enjoy it!"

"What right do you have to resist now?"

Elder Gong stood aside, laughing wildly.

This is also one of his cards, but he didn't expect to waste it in the hands of a seal.

Ji Lin, ye Luo'er and Xiao Changlao come to Ye Chen's side. Xiao Changlao doesn't pay attention to elder Gong, and says, "today, it's a big deal that the four of us die here together."

Elder Xiao has been determined to die!

Ye Chen doesn't play a big role now. Ji Lin still needs protection. Xiao Changlao's own words can only resist a moment's effort.

Ye Luo Er's strength is not enough.

Elder Gong went back to the place where the strongmen of the kingdom of God stood, looked at them coldly, and then gave a cold hum.

If these people didn't dare to fight, how could his great reputation be destroyed in the hands of fengmenjing martial artists.

Chapter 2404

In the face of elder Gong's cold hum, the rest of the powerful in the kingdom of God dare not open their mouths, but they are more or less despised.

When the ten thousand snake poison heart array, the moment of operation, the vast number of poisonous snakes gushed out.

Each poisonous snake's eyes emit cold light and spit out its tongue.

"Ye Chen, you guard Ji Lin first, I'll do it!"

Elder Xiao wants to delay some time and let Ye Chen recover some energy.

As long as ye Chen recovers, it is not without a chance.

Xiao Changlao crazy hand, each snake to his bite in the past.

Ye Chen's brow frowns, the power of the heart array of ten thousand snake venoms. I'm afraid Xiao Changlao can't hold on for long, and he will fall.

He thought of Xiao Huang for the first time!

After all, Xiaohuang can swallow the array!

However, at the moment, Xiao Huang is sleeping in the reincarnation cemetery!

Can't wake up in any case!

This guy, at the critical moment, is losing his chain again!

He couldn't have watched Xiao Changlao fall. He clenched the beast's decaying sword in his hand and told Ji Lin to be more careful and rush directly.

Each poisonous snake bites elder Xiao madly, making his body appear some scars.

Strangely enough, the snake did not approach Jilin and yelor.

Perhaps it is because the Viper sensed the toxicity of Ji Lin and did not dare to approach.

But Mr. Xiao has no such treatment!

"Sword of burning the sky!"

Ye Chen murmured at the corner of his mouth and waved his sword out!

Originally, the snake that attacked elder Xiao rushed to Ye Chen directly!

Because of Ye Chen, the pressure of elder Xiao has been reduced a lot.

Outside the array, elder Gong kept sneering, and ye Chen's four people must die.

The power of the ten thousand snake venom heart array, even the strong one in the six layers of heaven in the Taixu state, may fall.

Now ye Chen has a certain injury, and the energy in his body has not recovered.

How long can they last? Five minutes at most.

It will be eroded by ten thousand snakes and will be torn into pieces!

Ye Chen is constantly consuming the energy in his body in order not to let the poisonous snake rush to them.

But gradually, the energy in his body has been almost consumed.

Has gradually some of the support!

"A thousand soldiers explode!"

Ye Chen throws many weapons and explodes wildly!

With the constant explosion of weapons, the power of the spirit in his body has recovered. He should be able to persist for a few minutes.

Outside, elder Gong saw this scene and was completely stupid.

Originally thought Ye Chen had no artifact in his hand, but suddenly he took out a lot of them.

This is the fucker. A martial arts man is richer than the strong one.

Let's not let people live!

In the array, Mr. Xiao is struggling to hold on to it.

If it wasn't for ye Chen's support, it would have fallen by now.

Ye Chen's face can not see any change, even if he, also did not find a way to crack.

Now the three of them are in a desperate situation!

If you want to break the array, you can only use the most powerful force. Unfortunately, no matter Ye Chen or Xiao Changlao.

Now there is no such strength to break open!

What's more, there is Ji Lin behind him, once the snake bites him.

Her small body could not resist.

"Ye Chen, it seems that the four of us are going to go to the netherworld together, and there is also a care on the road!"

Xiao Chang's mouth a smile, really to the moment of death, but also not too much fear.

The warrior is to go against the heaven, and death is just as simple as ordinary food.

What's more, his life is saved by eternal old people, which can also be regarded as a kind of eternal love.

One hour, he thought how to leave.

Even if exhausted, we will not miss the last chance.

Ye Chen and Xiao Changlao, the breath on their bodies has become weaker and weaker, and the wounds on their bodies have been countless.

No one knows how long it can last at this moment!

"Apprentice, I'll do it."

"It's my turn to teach you the fifth sword."

"The fifth sword, the sixth sword of heaven!"

At this time, the reincarnation cemetery inside the wind blowing, direct mouth!

Occupy Ye Chen's body for a moment!

Ye Chen's original strength of sealing the door has directly reached the half step Taixu state.

"Elder Gong, is this

The rest of the strongmen of the kingdom of God are confused. How can the strength of the original seal state breakthrough to the half step Taixu state immediately.

Even by rocket, the speed of breakthrough is not so fast?"There seems to be a body within him."

Elder Gong once said that, even if he broke through the half step Taixu state, he was just struggling for a period of time.

"Elder Gong, he won't break the array directly, will he?"

A strong man in the kingdom of God began to worry. After all, ye Chen was too evil.

"Don't worry, my array, it's impossible for him to break it!"

Elder Gong's face is confident. He has enough confidence in his formation.

As soon as he had finished his speech, one of the strongmen of the kingdom of God directly said, "elder Gong, it's not good! There is a crack in the array

When he heard the sound, Gong Changlao looked up and found that there were cracks in the array.

How could that be possible?

What happened just now?

His formation can't be broken. How can there be cracks? This is not a moment to hit the face?

At this time, ye Chen raised the beast decaying sword in his hand, eyes closed, and suddenly a sword was waved out.

This sword, communication world!

This sword, down to Jiuyou!

This sword is the dusk!

This sword will destroy everything in front of you!

Before the sword fell, the violent air flow and sword meaning turned those powerful poisonous snakes into blood fog!

This sword is called "the nine gods sword"!

Because of his serious injury, elder Xiao has retired and stood beside Ji Lin.

At the moment, ye Chen seems to be another person, with a feeling that God blocks and kills God, and Buddha blocks and kills Buddha.

Let elder Xiao look at some fear!

Ye Chen's fury in the hand, until the sword of nine you falls down crazily.

Every sword and every shot is on the top of the array. Occasionally some poisonous snakes rush in and are killed directly.

Bang! Bang! Bang!

The array shakes violently, and the array begins to vibrate continuously.

When the array vibrates, there are cracks on the array.

When the crack appeared, elder Gong raised his eyebrows and showed a trace of worry in his eyes.

Is it possible that the array can not be broken?

When the idea in the heart appears, shake your head in a hurry!

No way! Absolutely impossible!

Sword suddenly expanded, released to the extreme!

Boom!

Click!

This time came a broken voice, Gong elder saw this scene, the corners of his mouth constantly twitch.

This is a naked slap in the face!

Pooh!

Elder Gong couldn't help it any longer. He vomited blood directly, and his eyes were a little dizzy.

The array is broken!

What he had never thought of, the rest of the powerful gods no longer wanted to see elder Gong look like.

What a pity!

Of course, their ideas flashed away. Now the main reason is not that elder Gong was beaten in the face.

Now ye Chen has rushed out, how should they deal with it.

That's the main thing.

"Elder Gong, what should we do now?"

One of the strongmen of the kingdom of God said directly.

Chapter 2405

Now looking at Ye Chen's appearance, like a demon.

Let them all have some fear, let alone face Ye Chen!

Elder Gong didn't speak for a long time, and finally he said, "catch that little girl!"

Now elder Gong is not sure that he can kill Ye Chen.

He can also see that ye Chen seems to care about that little girl.

At that time, as long as Ji Lin is seized and threatened again, there will be no problem.

Elder Gong knows that ye Chen has been possessed by another soul!

It's absolutely impossible to persist for too long.

At that time, ye Chen will certainly have a certain period of weakness, and if he does it again, he will surely be able to catch it.

Hearing elder Gong's order, the rest of the powerful gods did not hesitate.

I'm afraid this is their last chance, or they can only be killed by Ye Chen.

When the powerful man of the kingdom of God rushes to Ji Lin, ye Chen's eyebrows frown.

Even dare to Ji Lin, has touched his scale.

"Looking for death!"

Ye Chen came to the cold voice, the beast rotten sword and the Zhutian magic gun fell down directly!

Boom!

With one shot and one sword, two powerful people of Shenguo will fall down directly!

The remaining one was a strong man in the kingdom of God. His face changed and his legs trembled.

Is this still human? One shot and one sword will kill two strong men in Taixu state.

Just now, ye Chen was not so fierce.

Elder Gong's whole face completely turns ugly. What kind of monster is this boy?

For a moment, elder Gong had an impulse to escape.

See ye Chen's strength, continue to stay, I'm afraid it will fall.

"Stop me first

As soon as elder Gong's voice fell, the last powerful man in the kingdom of God was shocked.

How could he not see it? Elder Gong wanted to abandon him and run away alone.

When the strongman of the kingdom of God was just about to open his mouth, he found that elder Gong's arm had already grasped his arm and threw it out in the direction of Ye Chen.

At the moment of throwing out, the whole face of the strong man of the kingdom of God turned green.

Elder Gong has not hesitated to abandon him!

Ye Chen rushes to elder Gong's figure and sees a strong man of the kingdom of God rushing towards him and falls down with a sword.

With one sword, he directly cut off his body and tore it in two.

Elder Gong in the back, feel Ye Chen's breath, scared to the ground.

Whoosh! Whoosh! Whoosh!

Ye Chen's speed reaches an extreme. In a flash, he has come to Gong Chang's side.

Elder Gong saw the figure of Ye Chen in front of him, and his whole face was pale.

"Don't Don't kill me

Elder Gong has been seriously injured. Now, there is no power of Taixu five layers of heaven! He's so weak!

Can only admit defeat!

If he did not kowtow, he would have become a dead man.

Ye Chen's mouth showed a trace of sneer, and then directly said: "want to live? If I want to kill, I will never miss it! "

When his voice fell, elder Gong's whole face became extremely frightened!

What did he hear?

The wind is clear?

There is only one person in the kingdom of God!

That is the six sword gods!

Once the legend of the kingdom of God!

Unfortunately, according to legend, this Kendo demon seems to have been suppressed by Tiandao palace of Shenguo!

Now you're alive?

When he was just about to open his mouth, ye Chen's beast decaying sword in his hand rose and fell, and directly waved it down.

Stab!

After a sword went down, elder Gong's whole head fell off and he lost his life completely.

Originally occupy Ye Chen's breeze, direct retreat!

After Chen, the whole face became pale.

His body has already appeared a tiny crack.

"Ye Chen, are you ok?"

At this time, Xiao Changlao came to Ye Chen's side and said directly.

Ye Chen slightly shook his head, and then directly said, "we quickly leave."

If you kill elder Gong and the four strongmen of the kingdom of God, I'm afraid more powerful people will be attracted.

Now, when not to run!

As for the endless sea, ye Chen will not consider it for the time being!

Xiao elder and ye Chen take Ji Lin, ye Luo Er to leave directly.

.....

A cave near the gate of God.

Ye Chen, Ji Lin and others sit on the ground to recover their energy and injuries.

Ye Chen's injury is basically healed, but there is nothing serious.

What's more, he was surprised to find that this time, his accomplishments were infinitely close to the second layer of the gate!As long as enough time, he can definitely break through the shackles.

The only regret is that ye Chen found the tomb of reincarnation Qingyang a little weak.

If you teach yourself the sixth sword, I'm afraid it will disappear.

Among many masters, ye Chen is the best.

Ye Chen is grateful.

He knew that the kingdom of God would eventually step in. After rescuing the bleeding dragon, he spared no effort to find those trapped masters.

From the present point of view, the heavenly way palace of the kingdom of God will not attack these masters.

After all, these masters are contaminated with their own cause and effect.

This is the only chance for Tiandao palace to deal with itself.

"Ye Chen, we should have been wanted by the gatekeeper of the kingdom of God by now."

"It's hard to enter the endless sea from that gate again."

Xiao said directly.

There is no need to think about it. Now it is not easy for them to enter the kingdom of God.

Ye Chen slightly nods, also knows the present situation.

Entering the kingdom of God has become a bit difficult.

Ye Chen Mou son a congealing, suddenly thought of what: "Xiao Changlao, in addition to this method, there are other ways to enter that God gate?"

"I'll try any way!"

Elder Xiao pondered for a moment, and suddenly thought of something. He said:

"the way is not without it, but it will be more difficult."

"When I came back just now, I found a troop standing outside the gate of God. The rune I recognized was Xuanzong of the kingdom of gods!"

"Shenxuanzong is not very strong in the kingdom of God, but it has one characteristic, that is, it has a great connection with the endless sea!

The endless sea is also the place where shenxuanzong's disciples are tested. "

"If shenxuanzong is willing to accept us, maybe he can mix in!"

Ye Chen is slightly stunned. Of course, shenxuanzong is no stranger to him!

Is that murderous Lin Yaqin the holy daughter of shenxuanzong?

he never thought that shenxuanzong had such a great origin with the endless sea!

Xiao continued: "and according to the information channels I have, that team should be the team of the guardian goddess Xuanzong."

"It's just that Lin Yaqin, the holy daughter of shenxuanzong, is cold and inhuman. I'm afraid it's more difficult to ask her to help than to go to heaven. She can't answer our request."

"This method is also nonsense."

As soon as the sound of Xiao Chang's old words fell, ye Chen heard Lin Yaqin's three words, and his expression became more and more rich.

The team was actually Lin Yaqin.

At the beginning, Lin Yaqin was poisoned under the cliff, but he took off his clothes and let Ye Chen see the ultimate beauty.

Fortunately, he left early, otherwise Lin Yaqin would not forgive himself.

Now if you want to enter the gate of God and step into the endless sea, it is obvious that Lin Yaqin is the only chance.

Chapter 2406

Ye Chen thought for a long time, and finally her eyes coagulated and said:

"Xiao Changlao, it's OK. I'll try it. I'll have a meeting with Lin Yaqin."

Elder Xiao's expression is strange: "are you sure?"

Lin Yaqin and zongmen brothers are extremely cold, not to mention Lingwu people.

How can ye Chen know each other?

However, Xiao Changlao also has no good way, can only nod to agree.

"Now Lin Yaqin should be nearby. We can only take a chance to find her."

"Good."

Ye Chen nods slightly.

Later, ye Chen arranged Xiao Changlao, Ji Lin and ye lu'er in the cave, and he chose to go alone to find Lin Yaqin.

All the way to camp.

To his surprise, there are many experts in this team!

Obviously, after the last accident, shenxuanzong obviously strengthened the protection of the saint!

The key to this killing God, really need protection?

Ye Chen is secretly frightened. He has no confidence in his heart. If Lin Yaqin suddenly gets angry and let everyone fight him, it will be very difficult for him to escape at that time!

"Who are you?"

Before ye Chen came near, the two shenxuanzong disciples sacrificed their swords and stood ready.

Ye Chen arch hand: "my name is Ye Chen. I want to see your holy daughter Lin Yaqin. Please let me know."

The faces of the two shenxuanzong disciples suddenly changed!

Since they protect the virgin, no one dares to find her!

Is this young man not afraid of death?

The saint does not want to have anything to do with any man!

However, shenxuanzong's disciples are obviously not bullies.

After all, ye Chen called out the name of the saint.

You know, the name of the saint is taboo in shenxuanzong.

If the young man really knew the virgin, they could not bear the responsibility if they delayed.

What's more, it is impossible for this young man to threaten the saint.

"You come with us!"

The two shenxuanzong disciples led Ye Chen to a unique courtyard, turned around and left.

Ye Chen stood in the yard waiting, not long, a beautiful figure appeared!

The girl looked only in her twenties, cold and veiled.

Between the spaces between the trees planted in the garden, the skin is as white as snow, the long black hair is scattered behind you, and your hands are behind you. A faint sense of killing is released!

Although, this woman conceals the face, but from her pair of dangling soul, even if the sky stars, also in front of her eyes.

As well as concave and convex, as if the God himself carved into the exquisite figure, it seems that no one will doubt that this woman is a beauty to the extreme.

However, if you stand in front of this woman now, you can't give birth to any reverie.

The reason is very simple, because of the woman's temperament.

Her temperament, too cold!

Cold through the bone marrow!

As long as you look at her, you will feel that your life is threatened. Who dares to have any reverie?

She is the holy daughter of shenxuanzong, Lin Yaqin.

At the moment, Lin Yaqin's eyes are filled with endless anger! With a trace of shame!

Her body has never been seen!

But I didn't want to look for the xuanbei of reincarnation, which was completely seen by this rogue!

How can she see people as a high saint!

She was full of spiritual power, which was a kind of cold killing intention!

"I didn't expect that you would dare to throw yourself into the net and die!"

Sword sacrifice!

At the moment when Lin Yaqin rushes over, ye Chen knows that this will happen. When the animal decayed sword is sacrificed, the spiritual power will run to the extreme.

He was even more shocked to find that Lin Yaqin's accomplishments had already broken through the realm of emptiness!

And it has reached the third level of Taixu!

Worthy of the divine genius!

You know, Lin Yaqin's three-layer sky is not the ordinary three-layer sky!

But this time he came to find Lin Yaqin, he didn't come to fight, but something happened.

Who knows Lin Yaqin just met, without saying a word, he actually started directly.

Bang!

A sword grid block, ye Chen's figure slightly back two steps.

Lin Yaqin's strength, ye Chen is very clear, two people are equal!

"Miss Lin, this time I am..."

Ye Chen's words have not finished, Lin Yaqin said directly: "lecher! Die

Lin Yaqin took out the show sword in her hand, a sword flower in her backhand, and rushed towards Ye Chen.

Ye Chen sees this scene, the corner of the mouth reveals a trace of bitter smile.

Lin Yaqin is aggressive. If he always blocks, he is not an opponent.

"Sword for killing the devil!"

Ye Chen murmured at the corners of his mouth, and his sword sense kept flowing. Endless sword meaning seems to converge to the extreme!

This sword can kill demons!

Can be destroyed!

Bang!

A sword falls, Lin Yaqin is slightly surprised!

She just found that ye Chen broke through the door!

And even have the strength to counter their own?

What evil is this?

However, after a moment's absence, she soon wakes up, and her intention to kill is stronger. Without any hesitation, she rushes to the sword.

At the moment when the two touch each other, the two sword lights are destroyed at the same time.

"Ye Chen, did not kill you at the beginning, since you take the initiative to deliver to the door, don't blame me for my impoliteness."

Lin Yaqin is fierce, and the ghost's figure disappears directly in situ.

When Lin Yaqin disappears, ye Chen's eyebrows are locked.

But he knows Lin Yaqin's strength, and now the two are on a par.

Lin Yaqin disappeared in the moment, suddenly appeared behind him.

A sharp sword light has rushed directly.

At the moment when he was about to turn around, he took out the magic sword.

Shot out in a flash!

Gun head a touch of cold light flow, gun intended to this moment, directly erupted.

Ye Chen's mouth murmured: "broken star!"

Boom!

In the void, there is a blast, and ye Chen's whole figure retreats two steps.

As we step back, the law of death is constantly surging out.

The surrounding temperature, in an instant, dropped to a pole.

In the void floating cold snow, a black sword light, directly rushed past.

Lin Yaqin's figure constantly retreats as he cuts down with one sword.

Bang! Bang! Bang!

Lin Yaqin waved the sword in her hand and kept falling!

Whoosh!

When the light of the sword was broken, Lin Yaqin's whole figure rushed directly past.

When Lin Yaqin rushes over, ye Chen's eyebrows are locked.

He wanted to speak, but Lin Yaqin never gave himself a chance.

Stab!

Lin Yaqin clenched Xiujian in both hands and fell down crazily.

When falling, ye Chen's figure constantly retreats, trying to avoid its edge.

He really has something important to do this time!

When ye Chen retreats, Lin Yaqin refuses to give up. There is only one idea left in his heart, that is, to kill the rapist who has seen all about himself.

Her body was so pure and pure that she was desecrated by a stranger!

"You're forcing me!"

"As for looking at your body, I can't help it. You took it off yourself."

"Blame yourself, too!"

Chapter 2407

Lin Yaqin's sense of killing and coldness is more and more intense!

"Ye Chen! Say it again

The next second, Lin Yaqin with a storm like sword directly cut down!

She wants Ye Chen to die!

Ye Chen can't keep his hand again!

Other people are used to this high saint, he can't!

He stepped on a high altitude, the whole person directly roared, a sword crazy cut down!

This sword is his first attempt!

Although not as elegant, but also some charm!

It's just that Lin Yaqin is an excellent test object!

"The fifth sword of the six sword gods! The sword of nine gods

When the light of the sword falls, Lin Yaqin raises her sword to block her.

"Pooh

Lin Yaqin was unprepared, and a mouthful of blood gushed out of his mouth.

When the blood spurts out, Lin Yaqin's eyes are burning with anger.

This rogue is deceiving too much!

In addition to anger in the eyes, there is a trace of surprise!

Ye Chen can even hurt her?

This let Lin Yaqin never thought of it!

How long has this been?

You know, she is the holy daughter of shenxuanzong. There are a lot of resources in the sect to let her break through.

Their own talent has no one in ten thousand, plus the resources of the sect, the speed of cultivation is thousands of miles.

Ye Chen is different from her. It seems that she is not strong in blood. Now she can be hurt. It is true that she has some accidents.

She's not going to keep her hands!

Lin Yaqin's whole breath changed, and ye Chen was slightly frightened by the terror of killing. Lin Yaqin's long black hair turned into blood red in an instant!

It's not just the horrible and murderous spirit, but a strong blood gas emanates from Lin Yaqin's body and turns into a rolling blood stream, circulating around Lin Yaqin's body!

For a moment, Lin Yaqin's delicate body broke out a powerful divinity. The whole person looked like a beautiful iceberg goddess in the sea of blood!

"Goddess sword!"

Lin Yaqin's mouth murmurs, blossoming plum blossoms, but contains the intention of killing.

Whoosh! Whoosh!

One after another illusory plum blossom toward the direction of Ye Chen.

Ye Chen has no way but to take out the beast decaying sword in his hand to resist.

If it wasn't for something that he wanted to ask for help from Lin Yaqin, he would have gone by now.

This let Ye Chen some anger, but also some helpless!

Pooh!

The plum blossom falls on the animal decaying sword. Ye Chen bears great power, and the Qi and blood in his body constantly turn and gush out.

"Die!"

Lin Yaqin roared and stabbed at Ye Chen's figure.

Ye Chen stood in the same place, did not move, even in the hands of the beast decaying sword, also did not resist.

When a sword is about to stab Ye Chen's body, Lin Yaqin is slightly stunned and suddenly stops.

"Why don't you block it? Your strength is obviously qualified to block it."

Ye Chen had no choice but to smile bitterly:

"Miss Lin, if we fight down, we will lose both sides. I hope to step into the endless sea of the kingdom of God, and I have been wanted by the gate keeper of the endless sea."

Next, ye Chen tells Lin Yaqin what happened.

"Hehe, why should I help you? You leave! Before I change my mind. "

As soon as Lin Yaqin's voice falls, ye Chen's face looks slightly ugly, and finally nods slightly.

It was an accident that Lin Yaqin didn't pursue him.

It seems that the road is also blocked.

At this time, ye Chen's mind suddenly came a voice!

"Boy, chaos star tree, you haven't completely refined. It's time to find time to refine completely in your body."

This voice naturally comes from the ancient medical God.

Ye Chen white one eye Cang ancient medicine divine way: "now have no mood to refine, another day again."

The ancient medical God was stunned, and immediately his face became ugly.

After a few seconds, he said: "boy, you want to persuade that girl, it is not impossible."

"If you do what I say, you may have a chance to live."

.....

Soon, a smile appeared in the corner of Ye Chen's mouth. He turned around fiercely and walked towards Lin Yaqin again.

Lin Yaqin's cold eyes coagulate, and the murderer releases again: "Ye Chen, who allows you to come back!"

"I gave you a chance!"

"In that case, don't go!"

The next second, Lin Yaqin's boundless killing intention is full of, a sword is sacrificed, directly shoots at Ye Chen's heart!

This power is far beyond the three levels of Taixu!

Even let the whole yard have a storm! In an instant, the sword will destroy Ye Chen into nothingness.

Ye Chen grain silk did not move, the hands were behind him, and his eyes were even more ancient.

Suddenly, he spoke.

"Lin Yaqin, if your elixir field has ever been broken once, you can make up for it with skill, but after exerting divinity and extremely strong sword technique, the Dantian will have an inexplicable pain."

"This kind of pain lasts for a long time. It can even make your chest swell and your body feel like it's burning."

"What's more, you should have been treated by many miracle doctors. Unfortunately, the sequela is more and more serious."

"And it's only a day away from the last pain."

"If I guess correctly, if it goes on like this, your accomplishments will certainly increase, but the pain will continue to deepen!"

The sword stopped.

Lin Yaqin's mouth is slightly open and her body is shaking!

All right!

There is not even a gap in time!

Key, such a secret thing, how can ye Chen know!

All over the world, except yourself, no one can know!

Lin Yaqin's sword is shaking. This is the most incredible thing she has seen in her practice for many years.

Can this young man have divination?

But there is such an accurate divination in the world!

Lin Yaqin put up his sword and said in a cold voice, "who are you?"

Ye Chen step out, the whole body exudes extremely mysterious momentum, as if above all!

"I am the God of medicine, a divination of wind and rain, a needle to save floating life."

"Besides, I am the only one who can cure your disease!"

At this moment, Lin Yaqin's beautiful eyes are full of splendor, staring at Ye Chen deeply. His beautiful suffocating face is full of horror She wants to see through Ye Chen.

Ye Chenwu is so rebellious that he has spare time to study medical skills?

And it seems that this person's medical skills are far better than martial arts?

But she knew how intractable her sequela was!

One of the top ten doctors in the kingdom of God is helpless!

Does this guy who looks a little unreliable really do it?

Lin Yaqin knows that if this problem is not solved, her martial arts will definitely have an impact!

The key is that the pain is unbearable!

After hesitating for a long time, Lin Yaqin still chose to believe Ye Chen once. She said, "are you sure you can cure me?"

"Sure." Ye Chen's eyes are indifferent.

"Good." Lin Yaqin's killing intention was restrained, and she was more excited. "Then you tell me how to treat it and what is needed?"

However, the next second, ye Chen's words are shocked and angry Lin Yaqin!

"You don't need anything, just take off your clothes."

"You can't have one left on your upper body."

The atmosphere at this moment, strange to the extreme.

Chapter 2408

"You can't have one left on your upper body."

Ye Chen's words just fall, Lin Yaqin's cold sword surges! Endless anger is like a giant beast!

Lin Yaqin, as the holy daughter of shenxuanzong, was so insulted!

Last time, ye Chen looked at himself!

This time, do you have to take it off yourself?

How could she, as a saint, behave so wantonly!

How could she not be angry!

"Ye Chen, don't think I really dare not kill you. Although you are strong now, but I use my skills, you will surely die!"

"I don't mind killing you!"

Ye Chen looked at the angry Lin Yaqin and stretched out a stretch: "in this case, you and I left, you are free."

Finish saying, ye Chen turns to leave.

While walking, he said: "unfortunately, some people's road of martial arts can only come here."

"That kind of pain, I dare not even think about it..."

This is not ye Chen's desire to play with Lin Yaqin, but the ancient medical God's technique, which is indeed the case.

Lin Yaqin's problems are serious. Only the ancient medical God's acupuncture can solve them!

And the ancient medical God has already passed the technique to Ye Chen's mind.

Ye Chen himself mastered Lin Qingxuan's medical skills. His understanding of medical principles was different from that of ordinary people, and he soon learned acupuncture.

Lin Yaqin looks at Ye Chen's disappearing figure and nibbles at her lips.

Her face flushed.

She's hesitating!

She's tangled!

She knew that ye Chen was the only way to solve her problem.

This time, though, there was some humiliation and anger.

But ye Chen has not seen his body?

Why not be honest again?

Countless thoughts disturbed Lin Yaqin's calm heart.

When ye Chen was about to leave the yard, a crisp voice rang out: "Ye Chen! Come with me

Ye Chen stops and smiles: "holy daughter of shenxuanzong? Do you really think ye Chen can't cure you?"

.....

A room with a faint fragrance.

Only Lin Yaqin and ye Chen.

Lin Yaqin forced out blood essence, took out a jade pendant, and set up the isolation array!

Only Ye Chen and himself can view this array.

Even the mind can not touch!

Even the Tiandao plate of Tiandao palace can't be broken.

Everything is ready to go on.

The icy Lin Yaqin's face became more and more red, as if she could bleed.

Her breath was a little short and her body was shaking.

Her fists were clenched tightly.

Her eyes fell on Ye Chen again, word by word: "Ye Chen, remember, you are a miracle doctor now, you can't peek at me half a minute!"

"Otherwise, I will hunt you down, even at the ends of the earth!"

"And, if you cure me, I will take you to the kingdom of God! And you have to promise me a condition, no matter what it is, you can't refuse it. "

"If you object, you can go out now, and I don't need your treatment."

Ye Chen eyebrow a pick, pour is to this condition did not put in the heart.

As long as you can enter the kingdom of God and find the endless sea.

"I agreed."

Ye Chen slightly nods, is agreed to come down.

Originally, she wanted to let Lin Yaqin tell him the conditions, but she didn't think about it well. I'll talk about it later.

Lin Yaqin adjusted her breath and finally said, "if you can't cure me, I'll kill you. I swear."

Ye Chen waved his hand: "know, take off quickly, don't delay my treatment."

The next second, Lin Yaqin's hand will be placed on his waist on the ribbon.

Untie the ribbon.

When the spirit power shakes, a piece of light yarn falls down slowly.

The delicate body gradually emerged.

Beauty is beyond description.

Ye Chen is not the first time to see, but at this moment, also feel dry mouth.

Each piece of light gauze falls down, and finally even the clothes that cover the pride are also untied.

The magnificent momentum was suddenly exposed.

Ye Chen froze.

After all, he is a young man of high blood.

"Ye Chen, when do you want to see it?"

"Don't forget what you're going to do!"

Lin Yaqin's voice sounded cold.

Ye Chen only then eases the God, suppresses the inner agitation with the spirit power.

The next second, he pinched the formula with his fingers and said something in his mouth!

Spiritual power runs to the palm of your hand!

The palm of the hand unexpectedly slowly agglomerates several colorful needles!

Ye Chen was slightly shocked. The ancient medical God's medical skills were really powerful. Although he taught himself a needle technique, he could understand many powerful medical skills! If you have mastered all the medical skills of the ancient god of medicine, I'm afraid the warriors of the kingdom of God should be careful of themselves. Fortunately, now there is a chaotic star tree, the ancient god of Medicine's temper is a bit of convergence!

This is a good signal!

I must think of a way to control all the medical skills of the ancient medical God as soon as possible!

Ye Chen walks to Lin Yaqin's side, the colorful needle is suspended between the five fingers!

In a flash, ye Chen's five fingers point out!

Touch Lin Yaqin!

That soft feeling is like electric shock!

Lin Yaqin's face is different. She can feel a magic force flowing through her body!

Finally all gathered in the Dantian place!

The once fragmented elixir field seems to have come to spring, glowing with all vitality.

Although at the moment the contact between the two people is somewhat ambiguous and strange, Lin Yaqin knows that ye Chen in front of her really has the ability to cure heaven!

What is the origin of this person?

There are so powerful young people in Lingwu mainland, such as martial arts and medical ethics!

This is going to crush the famous talents in the kingdom of God!

If this person enters the kingdom of God, I am afraid it will set off a storm!

Lin Yaqin's heart moved slightly.

But she didn't die.

This time, she hated Ye Chen more deeply.

Not only looked at herself, but also touched her sensitivity. Maybe one day, she would kill this man without hesitation!

But not now!

An hour later.

Ye Chen's hand left Lin Yaqin, and his forehead was covered with sweat.

Although the ancient medical God's medical skills are powerful, it obviously has a great impact on the spiritual power of the elixir field.

If it is not their own access to the door, I am afraid that there is no qualification to display!

Lin Yaqin slowly vomited out a breath of turbid gas, and she naturally felt the change of the Dantian!

"Turn around!" came to her

Ye Chen smile, did not immediately turn around, but smell the palm of his hand, he just want to feel the power of the colorful needle!

But this scene in Lin Yaqin's eyes, no doubt with the help of Ye Chen's own hands, to smell their own taste!

Her anger grew stronger!

"Get out of here!"

Ye Chen slightly one Zheng, white one eye Lin Yaqin, still left.

The door is closed.

No one knows how the mood of Lin Yaqin in the house fluctuates!

Another hour later.

The gate to the endless sea of God.

In a reindeer carriage.

Xiao Changlao, Ji Lin and ye luo'er have not responded at all!

Three people all open big eyes to look at Ye Chen!

One of the most frightening is Xiao Changlao!

He did not expect Ye Chen to really move the goddess Xuanzong!

This is the holy daughter of the family!

One person under ten thousand people! Nobility is incomparable!

How could it have something to do with the Fengmen territory of a Lingwu continent?

The key is willing to take risks to bring people into the kingdom of God!

It's against the law!

Chapter 2409

If found, the saint's position may not be protected!

Of course, there are countless questions in people's hearts, but they dare not speak out!

Fortunately, there are Lin Yaqin all the way, so they don't have to worry too much.

All the way, there was no inspection.

After all, it is the carriage of the goddess Xuanzong, and it is not easy for others to check.

When the deer carriage was ready to step into the kingdom of God, a sound came from the void.

Ye Chen's brows are locked, and he feels that there is a gate keeper outside!

"Holy daughter Lin, someone has killed the gatekeeper of the kingdom of God. We need routine inspection. We hope to open the curtain and have a look."

Seeing the gatekeeper of the kingdom of God, Ye Chen frowns tightly and plans to kill three people, but he doesn't want to implicate Lin Yaqin.

Lin Yaqin asks Ye Chen to be calm and calm. She has a way to solve it.

"By what?"

Lin Yaqin disdains a smile and speaks directly!

She's just a janitor. You want her to lift the curtains?

"Don't forget that I am the holy daughter of shenxuanzong. Even if you are the gatekeeper of the kingdom of God, you are not worthy of checking!"

Hearing Lin Yaqin's words, the gatekeeper of the kingdom of God said, "this is the rule of the kingdom of God! It represents the will of the heavenly palace! "

In a word, it directly represents the heavenly way palace, which is also a giant in the kingdom of God.

Lin Yaqin comforts Ye Chen in the car, then takes out an old jade card and throws it out directly from the curtain.

When the gatekeeper of the kingdom of God saw the shape of the jade card, he was shocked and fell to his knees with a plop.

This is the jade card of the last elder of Tiandao palace!

He respectfully took the token and put it on the Linglu carriage. Lin Yaqin grasped it with five fingers and took back the jade card directly. He left without looking back.

Seeing this scene, ye Chen's eyes flickered slightly.

She knew that the goddess of Xuanzong was not as simple as she thought!

How could an ordinary Saint have such a token!

But this is Lin Yaqin's business, and ye Chen does not intend to ask.

After entering the Shenmen gate, Lin Yaqin stops the team in a remote place.

She looked at Ye Chen and threw out a jade talisman: "Ye Chen, this is what you promised me."

"I have done what you asked me to do."

"It's up to you."

"If the jade Rune vibrates, it will expose the coordinates. You should be able to find me."

"I'll say the terms then."

"Of course, I never want this Rune to vibrate."

"Even, maybe for a moment, I will change my mind and kill you."

"In my eyes, I still can't forgive that!"

Finish saying, Lin Yaqin directly put down Ye Chen and others, let the team move forward! After all, there are more important tasks for her to enter the endless sea.

Ye Chen watched Lin Yaqin go far away, and then he said to all the people: "go, it's time to go to the endless sea."

It's extremely easy to find the endless sea.

Here, the evil spirit and evil spirit overflowing from the endless sea are extremely rich.

The most ferocious spirit is the endless sea.

However, when the four came to the central place, they found that there was a strong prohibition around the endless sea!

This is the power to cut through the adversity!

Even stronger!

Prohibition is like a wall, separating the land from the endless sea!

Ye Chen eyebrow tiny frown: "this is how to return a responsibility?"

At this time, Xiao elder just thought of what, a pat on the forehead!

"Ye Chen, I forgot a very important thing! After the endless sea was deprived by the kingdom of God, the strongmen of the Shenguo array set up a rule, and the endless sea was opened every other time! It won't be too long, but obviously, it's not open today! "

Now, we have to wait

Ye Chen took a look at the ban, he knew that his current strength could not be broken!

Can only wait!

Just then, a voice came from the samsara cemetery!

"Strange."

"The kingdom of God put a piece of territory here."

"It's strange."

This voice naturally comes from the ancient god of medicine!

All of a sudden, the ancient medical God felt something and was excited. He quickly said to Ye Chen, "boy, I helped you before, but now I don't want you to rush to refine that chaotic star tree. I want you to do another thing for me!"

"It's a good thing that the endless sea is closed right now."

"Even I'm willing to teach you more medicine!"

Ye Chen eyebrow tiny frown: "what matter?"

Canggu doctor stopped for a few seconds and said, "I want you to go to Canggu gate!"

"Originally, you will not ask for it until you enter the kingdom of God."After that, the land of Lingwu will become an endless land

"The kingdom of God must absorb the opportunity of the endless sea."

"And this place, unexpectedly, has Canggu gate!"

Ye Chen heard these three words, the first time he thought of the ancient god of medicine.

But isn't the ancient god of medicine alone? Why do you have a family again?

"Canggu gate?"

"Master, is this sect your true school?"

Ye Chen inquires.

"No!"

"I used to walk around the kingdom of God."

"This Cang ancient gate is just a sect that I started and founded at that time. However, it has left a treasure for this sect: tiannu spirit needle. I have sensed it before. They have not used it yet. It is attached to my mind!"

The ancient medical God was a little gloomy, and he could not help sighing: "if I thought about that year, I would cross the kingdom of God. Who can stop me?"

He suddenly mocked himself and said with some emotion: "I incarnate in all kinds of characters, wandering around the world, leaving behind so much wisdom and sects, but I don't want to be trapped."

"Although I only stay for one year in Canggu gate, I have left tiannu spirit needle. There is an active spirit in tiannu spirit needle. Unlike this one, I don't know how long I sleep. That spirit can absorb the spirit of heaven and earth to make up for myself. As long as it is not destroyed, it can always exist."

"Maybe if I take back the spirit needle, I will know how the body is trapped!"

Ancient medical God!

The famous God of medicine in the kingdom of God. Outsiders only know that he is the God of medicine, saving the dying and helping the wounded.

But I don't know, he incarnated many people behind him, and broke into such a big Weiming with his tremendous fighting power, but in this way, the noumenon was also trapped.

Only go to Canggu gate to know.

"Canggu gate!"

"If my perception is right, it's nearby."

Ye Chen felt the change of Canggu medical God. He hesitated for a few seconds and nodded: "OK, if it's nearby, I'll go to Canggu gate!"

The ancient medical God was slightly stunned: "boy, don't you talk about conditions with me?"

Ye Chen took a look at the ancient medical God: "you don't always use me I don't need any more conditions. The whereabouts of you trapped are estimated to be the same as those masters. No matter what, I will rescue you, even if you don't recognize me now. "

Canggu medical God complex looked at Ye Chen, light way: "good."

After ye Chen returned to the ancient god of medicine, he settled down Ji Lin and others, planning to investigate alone.

Canggu gate, I don't know how many years ago Canggu medical God set up.

Now I don't know how.

Chapter 2410

The endless sea borders on a huge coastal city.

Vast.

Although this is the land of the kingdom of God, it is obviously the weakest place in the kingdom of God.

The overall cultivation is not very high!

Otherwise, it will not border on the endless sea and provide resources for many clans.

He asked a lot of people along the way, but it was obvious that the personality situation was too low to know where canggumen was.

Ye Chen knows that he is not familiar with his native land. He can only inquire about the news if he goes to make trouble.

.....

"Hit him!"

"Damn things, don't look at yourself!"

"You mean bastard, you want to buy something!"

"The Lord gave you three spiritual steamed bread!"

"How many low-grade gods and stones do you give?"

There were shouts and curses.

At the same time attracted many people's attention, ye Chen frowned, originally wanted to give up the onlookers, but heard a burst of voice!

"What I gave you was seven low-grade God stones."

"That can buy five spirit steamed bread!"

"Boss, please count again. I beg you."

"Really, I beg you."

The voice is sad and sincere, but it is full of seriousness and anxiety.

It looks like an honest man is bullied by a tough shopkeeper.

"This idiot

"Ha ha ha ha, idiot, idiot with incomplete mind!"

"Boss, lie to him, cheat this idiot, who makes him mentally incomplete!"

All the voices of the onlookers were jeers.

It seems that the store owner can bully that person, but still help the store.

Ye Chen felt wrong and walked up a few steps. He saw a teenager in the crowd, dressed in tiger skin and animal clothes. Most of them looked like simple youths coming out of the village. However, he saw the young man standing in front of the shop and counting the first-class God cloud stones over and over again. However, the store owner had to say that it was five. Originally, he bought five steamed buns, but the store only gave three.

It seems that the land of God is not as good as the people in Lingwu land yearn for.

"What is it?"

"Let me have a look at it. Isn't this a little bastard who begged on the street yesterday?"

Several young men came up and grabbed the young animal skin and pressed them directly on the ground.

The breath of the youth is dignified, and there is a force of law attached to their fists. When they hit the animal skin youngsters, they can only make them black and blue, but they can't break their flesh!

"Little bastard?"

"I saw it once and hit you once. Next time you dare to appear in front of me, I will kill you!"

"You son of a bitch, you have such a strong body. You should be beaten every day."

The young people aim at the animal skin youth Qin Aotian is a beating.

The leader of the team is Wei Han, the son of the Wei family.

People around see the teenagers rolling around, but some of them can't bear it, but because of the high status of the Wei family, they dare not disturb them.

Wei family!

But the real families in this coastal city, though they are third rate families, are not the common people who can offend them.

Ye Chen stares at this scene, and does not do more stay. It is normal for the weak to eat hard. It is not as powerful as others, and it is normal to be beaten and scolded.

Just as he was about to leave.

Wei Han, the leader of the team, slapped the young animal skin in the face, then spread out his legs and sneered: "boy, you should drill in from here, otherwise, I will kill you today!"

Shame on the crotch!

The animal skin boy has been beaten with blood, bruised and almost seriously injured.

At the moment, he saw the sword pulled out by the Wei family. If he did not climb or drill, he would die. He would bite his teeth and climb to Wei Han's crotch. It was better to be humiliated than to die.

Especially here!

People in the kingdom of God are spirits that can destroy others.

It means that reincarnation and rebirth can't be done, and once dead, it will really disappear.

Whoa!!

Whoa!!

The breeze is blowing.

A stone necklace on the neck of the animal skin boy reflected the luster.

Ye Chenyuan is ready to leave the footstep to stop, carefully gaze a time, just discover the stone necklace that the animal skin boy wears on the body, incredibly extremely strange!

is even as like as two peas of the first time that Xia and snow had seen for themselves.

Energy fluctuations are the same!

How could that be possible!

Even ye Chen can feel the movement of black stone in his pocket.

As soon as his eyes congealed, his body was in a flash, and he came to the animal skin boy's body.

Bang!!

With a single palm, Wei Han suddenly retreats several steps.

Ye Chen converges strength, otherwise a palm goes down, Wei Han whole body wants burst open. Ye Chen doesn't want to cause trouble.

He turned around and gently helped up the animal skin boy. He took out a pill and let him take it. With a smile, he said, "it's OK. I'm here."

"Boy!"

"What are you?"

"A little bit of strength?" Wei Han didn't look at it, rubbed his chest, drew out the guard's spirit sword, drove it on Ye Chen's neck, and said with a smile, "boy, it's a honor for me to let this idiot drill through my crotch!"

"Since, you don't want him to drill!"

"Well, you can do it yourself. I'm not easy to be provoked by Wei Han!"

Ye Chen shook his head and did not speak.

The cultivation of these youth in the kingdom of God is far inferior to the gatekeepers at the gate of the kingdom of God.

He was fearless.

Seeing ye Chen, Wei Han didn't pay attention to him. Instead, he was still communicating with the animal skin boy. He snorted coldly and said, "Wei Nan Wei Bei, look at what you are doing, and kneel down on the ground in front of you."

"Yes

"Yes, young master!"

Two young warriors came forward.

The two of them are the people specially sent by the Wei family to protect Wei Han. They look like young people, but their accomplishments have already reached Taixu. Even the other is already Taixu's second heaven!

"Boy!"

"Kneel down!"

Wei Nan and Wei Bei come forward and are preparing to kneel down.

In an instant, ye Chen's gas engine bloomed, just like a huge tsunami. In an instant, they knelt down and even broke the floor.

"How could that happen?"

"No way!" Wei Han is very shocked. He knows the strength of his two bodyguards. How can he kneel down under the pressure of the boy's breath?

"Ah

"Let us go, ah..."

Wei Nan and Wei Bei are struggling, but they can't stand up.

Wei Nan, in particular, struggled desperately and even burst into vitality, but still could not get rid of it. Instead, he was forced to bleed by the breath.

"Want to let go?"

"You have done evil all the time, and there is no need to live!"

Ye Chen's right hand gently waved, only heard two burst sound out.

One of the Wei family's most powerful warriors, who was too weak to resist, burst into two groups of pieces of meat, and even could not resist. So he knelt down and burst into pieces.

The blood splashed all over the ground, causing people around to exclaim in an instant.

"How powerful

"This young man, breath alone can kill the early days of Taixu!"

"Is it hard to say that he is not a young man, but a thousand year old monster?"
