

## Physician 2451

### Chapter 2451

Originally, he just wanted to tease Yin Ming.

But who would have thought that Yin Ming's face turned white at the smell of the speech, and said in a quick voice, "what do you say?"

Immediately, Yin Ming's pupils shrank and realized that she had lost her manners. The dark way was not good. She immediately calmed down her mood and said coldly, "whatever you want."

She seems indifferent, but in fact, she has already regretted to the point of breaking down. The cold sweat behind her is constantly flowing. She can't imagine what will happen to Ye Chen and xuan yue zong if Wu Shangshan is really angry and steps into Lingwu!

Yin Ming knows that ye Chen is a peerless evil spirit, and her talent is terrible. But even if she wants to believe it again, she knows very well that ye Chen is no match for Wu Shangshan

How long did she leave Lingwu?

At that time, ye Chen's accomplishments Too low!

Even if ye Chen's speed of progress is so terrible, he can't be the opponent of Taixu's six layer tianwu

But it's too late!

Wu Shangshan's look, the moment cold down, Yin Ming just performance, she said is true?

She's in Lingwu. Do you really like people?

At the thought of Yin Ming's experience in Lingwu and other men, Wu Shangshan's eyes can't help but kill!

He looked at Yin Ming with a fierce look in his eyes. He asked with great dignity, "who is he?"

There is a kind of voice that is almost defiant.

Yin Ming's face changed continuously. She knew that she wanted to lie and hide. She could hardly do it. However, she still bit her teeth and squeezed out a few words from her throat: "do you think I will tell you?"

Seeing Yin Ming struggling to defend other men's appearance, Wu Shangshan's eyes are almost bleeding!

He said with a ferocious sneer: "no? Ha ha, bitch, up to now, are you still defending other men? To tell you the truth, it doesn't matter if you come out to die.

However, the more you defend him in this way, the more unhappy I am and the more I want to kill him! Do you think I can't find out if you don't?

I have checked your identity before. Are you from a sect called xuan yue zong? Hehe, is this person mostly a disciple of xuan yue zong? Well How about killing xuan yue zong first

Hearing this, Yin Ming couldn't help but feel her eyes turning black. She almost cried!

She hated herself, why she was so stupid! If it is because of their own, implicated the clan, implicated Ye Chen, this than let her die, but also painful countless times!

At this time, Wu Bo's eyes flashed and he said:

"Shangshan, I heard that there was a guy named Ye Chen in the Lingwu continent recently. He was very popular. I heard that even the ordinary martial artists in the early stage of Taixu in the kingdom of God were not his opponents. Was it this person

This time, not only Yin Ming, even Gu Lao's face changed completely!

Seeing this, Wu Shangshan sneered: "ha ha, does Taixu exist in the early stage? It's just ants. Xiaoming, I'll give you one last chance. Now, you decide whether to marry me or not. If you really marry me, I can ignore these matters.

Otherwise, no matter who that person is, this xuanyuezhong, and this ye Chen, I am going to kill! What's more, I can assure you that even if the person you mentioned is not in xuanyuezhong or Ye Chen, I will kill him one day! "

When Yin Ming heard the speech, she was in a dilemma. At this time, her eyes were full of tears. She would rather die than marry Wu Shangshan.

Originally, she had made a decision. If Wu Shangshan and his son really wanted to force themselves, she would rather commit suicide!

But now, she doesn't know what to do, die?

Death is really easy, but if she dies, Wu Shangshan will take ye Chen and xuanyuezhong out of anger!

Can she be so selfish?

When Wu Shangshan saw Yin Ming's look, his eyes flashed. Almost certainly, Yin Ming's sweetheart was this ye Chen! He secretly decided that no matter how Yin Ming chooses, ye Chen must be killed!

He said, he is a man with a small mind!

What's more, a mole ant is just, since it's eye-catching, isn't it normal to kill it?

Wu Shangshan looked at the silent Yin Ming and knew that her heart had been shaken. He could not help but say in a slow voice:

"Xiaoming, I really like you. Since you have come to the kingdom of God, forget about the past. To tell you the truth, the master of the Wu family has given me the divine card.

Soon, I will take part in the selection competition. With my qualification, even the third class sect may join! At that time, your identity will soar in an instant!

There are few women who dare to bully you at will in the size of the kingdom of God. What kind of Ye Chen can you do? "

At this time, Yin Ming is angry and desperate to shiver all over, but what can she do? Just as Yin Mingmei's eyes were almost dim and lost all the light, and her lips moved slightly, she was ready to say something. However, the former doorkeeper ran in again and reported respectfully:

"Gu Lao, a child named Ye Chen is coming."

When they heard this, they were all in a daze.

Ye Chen? This is really to say that Cao Cao is coming. Is it too coincident?

Next, the look of a few people, it is opposite!

Gu Lao's face is ugly, Yin Ming is extremely frightened, while Wu Bo and Wu Shangshan are full of strange and cruel smiles.

It seems that heaven wants Ye Chen to die!

Ye Chen, who had just arrived at Mang Mountain Villa, heard vaguely at the door that someone was saying something about the God card. He immediately lit up his eyes and walked in directly!

A into the living room, ye Chen is slightly a Leng, because he noticed that there are many people in the living room!

His eyes stare at Yin Ming tightly!

For a long time, Yin Ming's temperament became more and more exciting!

Immediately, he said with a smile to Yin Ming: "ming'er, I'm coming."

What ye Chen didn't expect was that Yin Ming was very indifferent. He even said in a cold voice, "you recognize the wrong person!"

Ye Chen frowned slightly, but when he saw Wu Shangshan's look and Yin Ming's trembling shoulder, he could guess what was going on.

For a moment, looking at Wu Shangshan's face is also cold down.

"Ming'er, are some dogs disturbing your quietness?"

.....

At the same time.

A huge altar deep in the kingdom of God.

The altar is surrounded by endless evil spirit!

The evil spirit here is far more than the demons!

There is a sword in the middle of the altar!

The sword is carved with ancient lines, just like a bloodthirsty devil!

If someone from ancient times appeared here, he would surely find that the sword was the magic emperor's sword which was powerful for nine days!

Purgatory sword!

All of a sudden, there was a sound of footwork!

A dominating figure came to the center of the altar!

Five fingers holding the purgatory sword: "friend, long time no see."

Chapter 2452

.....

At the moment, the man in the cave held the purgatory sword and fell into deep meditation for a long time.

In ancient times, he was the first one of the demons.

The most qualified to shake the existence of the kingdom of God!

In Lingwu land, many strong people are willing to become the dog of the kingdom of God!

He was the first to stand up against the kingdom of God!

At that time, the devil emperor was holding the purgatory devil sword in his hand and chopping the demons with one sword! Cut the kingdom of God with one sword!

Even created the invincible myth!

If it wasn't for Jun, the devil's dust! How could the devil emperor fall!

Even the demons can compete with the kingdom of God!

That would be another great age.

The devil emperor wakes up from the memory, looks at the sword in his hand, and releases the whole body's evil Qi!

"I owe the devil too much in this war. I don't know if they can survive."

"Of course, the one who owes the most is Ye Chen."

"Along the way, if there were no Ye Chen, I'm afraid there would be no me today."

"This love will never be paid back."

"Well, I'll get back to the top as soon as possible."

"The devil spirit son has prepared the inheritance place for me."

"This place is so suitable for me. Only when I step on the top here can I be qualified to set foot on the kingdom of God."

"If I return to the peak, I dare to cut the way of heaven!"

The next second, the devil is cross legged in the center of the altar! Endless evil Qi inhales into the elixir field!

The purgatory demon sword is also suspended on the top of the devil emperor, releasing the power of ancient demons!

The battle between the devil emperor and the heavenly way palace has started completely!

.....

At the same time, mountain mang!

The atmosphere is dignified to the extreme!

Wu Shangshan looked Ye Chen up and down. Suddenly, he burst out laughing and pointed to Ye Chen and asked, "are you that ye Chen? The super demon who can jump over the level to fight is not your opponent in the early days of Taixu territory? It's so strong. It's really strong. It's so frightening. It's the first time I've seen such a terrifying situation exist? "

Wu Bo was also full of sarcasm and said with a laugh: "yes, it's subverting the old-fashioned thinking of martial arts. Even if it's a top-level sect, it will be regarded as a treasure? Ha ha ha

After they saw Ye Chen, they obviously thought that those rumors were exaggeration! A seal door exists, in their eyes, it is a mole ant among the ants!

Ye chenmu in a flash of cold light, six layers of sky? If before, he was still weak in the face of Taixu six layers of heaven.

But now he has experienced the first World War of the demons, and has been moistened by the Xuan stele of zining. His foundation has been several times stronger and his strength has been doubled directly!

Of course, I didn't take the xuanbei of zining!

However, zining's blood is extremely special. Even in a world where the strong are crisscrossed and all kinds of demons emerge in endlessly, it can also be called Treasure body, which naturally has extremely adverse effect!

Plus from urination and reincarnation xuanbei grow together!

The influence on Ye Chen is not as good as the xuanbei of refining and chemical reincarnation, but it also benefits too much!

Now he, even in the face of Taixu six layers of heaven, also confident that he has the strength of the first World War!

At this time, Gu Lao suddenly stood up, went to Ye Chen's front, blocked the Wu family and said with deep eyes: "two, this ye childe is my guest. Now we have something to talk about. I have already refused to do about my disciple. Please go back!"

The implication is obviously to protect Ye Chen!

He knows the character of this boy from Yin Ming and the devil spirit son. He is too arrogant and will never be silent in the face of their ridicule!

Wu Bo narrowed his eyes and said, "Oh? What do you mean, brother Gu, is that you're going to fight with us for such a closed door

Bone old light way: "yes, so how!"

Wu Shangshan licked his lips. To be honest, he had long thought that the old man was not in favor of his eyes. If it had not been for the old man's repeated refusal of his father's proposal, maybe Yin Ming would have been here long ago?

Then, he said with a ferocious smile: "let me learn the martial art of Gu Lao, and see if you have the strength to shield others!"

After that, Wu Shangshan took a step forward, and his whole body was full of spiritual power and turned into a red light. The tiger shaped pattern on his battle uniform suddenly became vivid. He swam along Wu Shangshan's body. In the void, the tiger roared faintly!

Bone old pupil shrinks, some surprised to say: "emperor tiger's body?"

The body of the emperor tiger is also a powerful constitution in combat. The strength and physique of a warrior with this constitution is just like the ancient ferocious animal emperor tiger, and even can surpass his own realm!

Gu Lao no longer hesitated. His five fingers moved, and the golden awn on his fingernails flowed. With a sudden wave of his hand, the five golden claw awns burst into the void. In a blink of an eye, he appeared all over Wu Shangshan, as if to be directly printed into Wu Shangshan's body! This tiger's body, the stronger the Vietnam War, to deal with such a warrior must take the lead!

And Wu Shangshan laughed and said, "good come!"

Red light in the body, out! Wushangshan will be submerged in the whole people, and that strange and sharp five claw awn, as soon as fall into the red light, but as if a bullock into the sea, instantly lost track!

At this time, Wu Shangshan had already arrived in front of Gu Lao's body and yelled: "now, it's my turn!"

In the roar of the tiger, Wu Shangshan raised the big axe behind his back and suddenly chopped at Gu Lao!

Gu Lao's eyes were dignified and he took a deep breath. His palms moved. He grasped a pair of short swords. His mental power turned to the limit. He crossed his hands and hanged his hands against the big axe above. The sword was vertical and horizontal!

Originally, in the face of this axe, his best response is to dodge! But he can't flash, because flash, behind him ye Chen, then directly exposed under the axe!

At the next moment, there was a big bang and the light broke out. Yin Ming had already been far away from her. The battle at this level was just a ripple, which was also fatal to her!

Step on it!

After taking this axe, Gu Lao suddenly stepped back three steps and crushed the floor of the living room! Left a deep footprint!

He gazed at Wu Shangshan and turned back his hands.

Standing behind Gu Lao, ye Chen clearly sees that Gu Lao's two arms are shaking slightly!

Gu Lao lost half of the battle!

This talent of Wu Shangshan is really terrible!

You know, wushangshan is just advanced to Taixu six layers of heaven, and the old bone? He himself is a warrior with more terrifying strength, but because his body can't recover, his realm is stuck in the six layers of Taixu heaven. According to reason, his strength should be better than that of the ordinary six layers of Taixu. However, facing Wu Shangshan, he was defeated!

Wu Shangshan, however, also slightly frowned. Just now, when he had a fight with Gu Lao, he had a vague sense of danger, which made him dare not move rashly for a time!

Chapter 2453

He couldn't help but turn his eyes to Ye Chen, and his face showed contempt and said: "boy, I heard that your strength is very terrible. Then, don't hide behind the old guy like a shrinking turtle? Can you stand up like a man, huh? You are such a soft egg, worthy of Xiaoming? "

In wushangshan, I want to fight back Gu Lao and show my terrorist strength. This door sealing garbage should be scared to be soft, right? Can only endure their own humiliation, and Yin Ming see such waste, will continue to like it?

Soon, the reality will be recognized.

But who thought, the next moment, ye Chen then light mouth way: "Xiaoming, is also you call?"

Quiet, incomparably quiet.

All people did not expect that ye Chen really dare to speak to Wu Shangshan like this?

Or in wushangshan, after showing strength?

Crazy! It's crazy!

Even Wu Shangshan looks at Ye Chen with disbelief. Is this guy really afraid of death?

Then, there is anger, incomparable anger!

Oneself, unexpectedly by a seal door rubbish to hit?

He is the pride of the Wu family, a super monster with unlimited future!

In this way, was even a mole ant garbage, butted?

Wu Shangshan's eyes were red and he said, "very good, very good! Boy, are you really afraid of death

Ye Chen said faintly: "death? I'm not afraid to die, but I don't want to know

"Ha ha ha ha ha!" Wu Shangshan laughs wildly, his face is covered with green veins and blood spurts!

This trash, however, is very good at talking, will make people angry, will make people want to crush him!

"In that case, do you dare to accept tomorrow's battle of life and death?"

Hearing the speech, Yin Ming said nervously, "Ye Chen! Don't promise him

Old bone also advised: "boy, don't be impulsive!"

In his opinion, ye Chen's potential is higher than that of Wu Shangshan. If ye Chen is given time, he can certainly catch up with Wu Shangshan, but not now.

Ye Chen is silent.

Seeing this, Wu Shangshan felt more and more scorn on his face and said:

"why? Scared? Don't you dare to talk? Didn't you just pretend? Yeah? Will you just force Lai Lai? When you touch a real knife or a gun, it will wither? waste material? And then

The reason why he wants to challenge Ye Chen to take on tomorrow's life and death battle is that he doesn't want to have a conflict with Gu Lao today, and the selection competition is coming. At this critical point, Wu Shangshan does not allow himself to be injured!

Moreover, he didn't want to leave a bully's name before the trial. Therefore, it was the best way to decide the life and death battle and fight in front of the public. No one could say anything.

As for ye Chen? There's no chance of hurting him.

Ye Chen did not pay attention to Wu Shangshan, but asked Gu Lao, "how is their family?"

Bone old smell speech, slightly frown, but still reply: "for you, must pay attention to. Because it is said that one chieh'e existed in the middle of the clan and two in the early period. They were named Taixu six layers of heaven! "

Ye Chen nods, eyes flash, Wu Shangshan? He was not afraid, but the family behind him had to be considered.

If ye Chen was alone, he could be reckless, but he didn't want to involve Yin Ming, and he didn't have time to waste fighting with the forces.

Seeing this, Wu Shangshan couldn't help but sneer: "waste, you don't have to continue to install it? Good show, you? Don't dare to fight. What's the matter with this childe's family? Hehe, if you are afraid, say you are afraid. Now kneel down and lick the shoes for me. I can consider letting you go. How about that? The super monster of Lingwu

"Acting?" Ye Chen suddenly raised his hand, a scroll, suspended between two people.

He gazed at Wu Shangshan, without any intention of avoiding it and said:

"is it up to you to let me play? I said, you are not qualified to let me fear, even less qualified to let me play, frog in the well, don't regard yourself as a real dragon, your self-confidence in my eyes is just a clown's funny performance. "

Without waiting for Wu Shangshan to speak, ye Chen pointed to the scroll and said faintly, "I don't like to shout, and I don't like to listen to you. Since you want to fight, don't be noisy.

This is the soul contract. The content on it is that after the war of life and death, we can't rely on forces to retaliate. If you sign your name, I will fight with you! "

This soul contract is derived from the storage bags of many deity elders in the endless sea last time. It has a very high grade, and has a strong binding force even on those who cut the enemy territory.

Yin Ming, Gu laowen speech, are shocked, even the brain is blank!

Ye Chen, is he really going to take over Wu Shangshan's life and death battle?

Challenge Taixu's six levels of heaven with seal door cultivation?

This has never been heard of since ancient times! Even beyond the legend!

No matter in the eyes of anyone, this is a battle that the result has been doomed!

Wu Shangshan's eyes were full of anger, and he was about to ignite his eyes. He forced down the impulse of his hand and left his own soul mark on the soul contract. Then he sneered at Ye Chen and said:"Well, I'm sure you can pretend, but I don't know if you can still pretend to fight against life and death tomorrow?

Now that you have signed the soul contract, you can't escape from the battle, can you? Hehe, I hope you don't let me down. You have to pretend to the end, until you die

After that, he glared at Ye Chen, turned around and left with Wu Bo!

After seeing Wu Shangshan leave, Gu Lao shook his head and said, "boy, you are too impulsive."

Ye Chen takes a look at Gu Lao, and his look is milder. Judging from Gu Lao's actions and Yin Ming's attitude towards him, he really takes Yin Ming as his disciple, rather than as he said at the beginning, just to blackmail Ye Chen and take Yin Ming as a chip.

At this time, ye Chen's arms warm, Yin Ming soft body, suddenly rushed to his arms, tightly hugged him, for a long time did not speak.

Ye Chen felt Yin Ming's shoulder trembled slightly, as if he was crying. He gently patted Yin Ming's soft back and comforted him: "ming'er, it's OK. Believe me."

"In the kingdom of God, I'm afraid you and I are the only disciples of xuan yue zong. We can't disgrace xuan yue zong!"

Said, in his eyes, soared a cold awn way: "too empty six layers of heaven and how! Realm never represents strength

Dare to fight his woman? And put it to death?

This kind of person, let him live, is not sorry for himself?

Yin Ming took off her veil and looked at Ye Chen with her dazzling face. In her red and rainy eyes, she flickered with expectation and asked, "really?"

Ye Chen smiles: "did I cheat you?"

In Yin Ming's beautiful eyes, although there is still worry, she laughs. Although her reason tells her that ye Chen is not Wu Shangshan's opponent, she will lose miserably!

But, compared with reason, she is more willing to believe Ye Chen's words!

More willing to believe that she Yin Ming's man!

Chapter 2454

This kind of trust, almost no reason, must say, is her love for ye Chen.

She believes, ye Chen said, will certainly be able to do, no matter how incredible such a thing, she will wholeheartedly support him!

At this time, bone old to Ye Chen way: "Ye Chen, you call me bone old, before the matter is I offended."

Ye Chen takes a look at Yin Ming. It shows that Gu Lao is really teaching her with her heart. She shakes her head and says, "if it's not for old bone, I can't make a breakthrough. Maybe instead, I'll die. Since you're Minger's master, you're one of your own."

Gu Lao said with a smile: "I will not really threaten you with Minger. However, I still have something I want to ask you for help, and it is good for you."

Ye Chen nodded his head and said, "but it doesn't matter. Within the scope of my ability, I won't refuse."

Gu Lao said, "it's nature."

"By the way, since you have found here, you must have seen the devil! What about the devil? "

Ye Chen thought for a few seconds, or the devil happened to tell the old bone.

Gu Lao was full of emotion. Looking out of the house, he suddenly looked back and talked about the events of that year.

It turns out that Gu Lao was a strong man at the top of the mountain, and he also came from the top door god Jizong!

However, in an activity jointly organized by the top forces, he nearly died. Although he finally managed to escape here relying on secret arts, he also fell asleep for too long, and his physical strength could hardly be restored. When his cultivation reached the sixth level of Taixu, his accomplishments were over

His adversary, who has now become the top strongman of the kingdom of God, is delusion that he wants to return to the sect. Even, he can't appear among the major forces. He can only live in anonymity.

All of a sudden, he took out a strange crystal stone and gave it to Ye Chen and said, "Ye Chen, this is my life's soul stone, and it can also be regarded as an exotic treasure. In fact, my identity at that time was not simple, and I could even freely enter the forbidden area of Jizong!

If I want to recover, I need to take out the back hand that I left in the forbidden area. You hold this soul stone. If you have a chance to go to the shenjizong, you should be able to enter the forbidden area once. It is a god level magic pool associated with foreign countries, which has magical effect on the body and strength of warriors.

I survived by the life substitute left in the magic pool. However, if I want to recover my body, I need to take it out and blend with my body. "

Ye Chen took the soul stone and nodded: "so, I have to join the God Jizong?"

Gu Lao laughs and shakes his head: "you can join any top power. There is no lack of opportunities for exchange and learning between big forces. I went to many top families and Shenmeng in addition to ten major schools."

"However, if you want to enter the God level magic pool, you'd better wait for your cultivation to be higher. Moreover, you must remember that entering the magic pool is of great benefits, but!

No matter how strong your constitution is, I'm afraid you can't bear the terrible energy in the magic pool for too long. Therefore, you must come out early! "

Ye Chen hears the speech and laughs irrefutably. What he is most afraid of is the huge energy!

The God blood pool of the people who burned the sky last time is the best example.

But obviously, Gu Lao said that the energy of the magic pool was far more than that of the blood pool!

Ye Chen asked Gu Lao again: "Gu Lao, do you know longxinguo?"

After all, this is about the resurrection of Chu Ying.

"Longxinguo?" Gu Lao shook his head and said, "I don't have it. It's too rare, but I know who has it!"

Ye Chen hears the speech, the vision is bright!

"If I remember correctly, the old man of Shenmeng who presided over each trial has one in his hand! But it's not easy for you to get it from him. "

Ye Chen frowned and said, "I heard that if you become the first one in the selection contest, God alliance will send a gift?"

Bone old point head way: "good, but even so, want him to take out dragon heart fruit, also impossible."

Ye Chen said in his eyes: "what can I do? This is very important to me. "

Gu Lao pondered for a moment and then suddenly said with a smile, "this man has a problem. He likes to bet with others! If you can stimulate him, bet with you, even if you bet with longxinguo, he will take it! Although he is a gambler, he never fails to pay his bills. "

Ye Chen's face is happy, and the burden in his heart is lighter!

.....

The next day, under the mountain Mang, the biggest fighting field of mang City, at this time, there was a great deal of people!

A lot of people are talking about today's game.

A man asked his companion, "I heard that Mr. Wu is going to compete with others? Do you know who it is? "

"According to my information, it seems to be a warrior in the land of Lingwu!"

The man looked disdainful and said, "the one who is smart and martial? Hehe, Mr. Wu is the first genius of mang city. Aren't all martial arts and spirits useless? How dare you challenge Mr. Wu? "There was another man: "I thought that Mr. Wu wanted to see the first day's demeanor. It seems that it was a waste trip. Even if Mr. Wu blows his breath, can he be shocked to death?"

"Hehe, what's more? I've heard that this little garbage has not even reached the Taixu state. Most of the people present can crush it. I just hope that Mr. Wu can be magnanimous and not kill him so soon. Let the clown perform more and give us some fun. "

"I've also heard that this trash dares to rob a woman with Mr. Wu? You know, Mr. Wu has always been very careful about women. Today, I'm afraid that even death has become a kind of extravagant hope? We should have a good show. "

Many people in the audience gave out cruel laughter. They didn't look forward to Ye Chen at all. They just wanted to enjoy a bloody massacre and a feast of blood!

What they want to see is not even a battle. The result of this battle is doomed, isn't it?

What they want to see is Ye Chen begging for mercy and crying!

At this time, ye Chen and Wu Shangshan have entered the field.

Today's wushangshan, however, does not use the original big axe. Instead, it carries a black and strange Tomahawk with many blood lines on it!

Ye Chen looked at the Tomahawk, a trace of dignified color flashed in his eyes. The Tomahawk, however, was faint, giving him a sense of depression!

It's a very high-level axe, even more than the Holy One!

People can't help but talk about it.

"Isn't that the treasure of Wu family, xuanming blood axe?"

"Can I use it to deal with a Lingwu garbage?"

Chapter 2455

"Hehe, it seems that child Wu has not given the boy a chance to leave a trace of opportunity ~"

"cruel, hehe, too cruel, but I like it!"

A man suddenly said, "you, don't just pay attention to Wu Shao's weapons. Look at his uniform!"

The crowd fixed their eyes on it, and they took a breath of cold air one after another!

Tomahawk is the treasure of the town. Even if not, LianZhan uniform is also a high-level thing? What's more, it seems that this battle suit is made of the tiger skin of the rising sun god tiger. It is almost tailor-made for Wu Shangshan's physique!

People shook their heads, this ye Chen is dead, dead can't die again!

Wu Shangshan, is this too bullying?

The realm itself is much higher than ye Chen. With the support of the Wu family, the martial arts and skills he has learned are not comparable to Ye Chen, a man of martial arts.

Even so, do you still need to take out the tools of the townspeople, and take out the best war clothes tailored to fight?

This is simply, it's not a sword to kill a chicken, but a sky axe to kill a chicken!

Wu Shangshan smiles. What he wants is this effect. He wants to show his strong strength and crush Ye Chen in all directions. Otherwise, how can he be worthy of his reputation as the first genius of mang city?

Even ye Chen's eyes, also can't help but a little more dignified.

These two half step weapons have greatly improved Wu Shangshan's strength. They are really not small!

Looking at Ye Chen's look, Wu Shangshan said with a smile: "what's the matter? Can't get mad? Hehe, do you remember what I said? Now if you are willing to kneel down and lick my shoes, my words still count, and I'm willing to let you go, OK?"

Opportunity, but only this time? "

For Wu Shangshan, it is much more meaningful to let Ye Chen kneel down and lick his shoes and humiliate Ye Chen in public than to kill him himself!

Yesterday, isn't Ye Chen very arrogant? He has held his breath for a long time and killed him directly. How can he dispel his hatred?

He wants to humiliate Ye Chen and trample his dignity into the dust in front of his beloved woman and audience!

"Is it?" Ye Chen looked at Wu Shangshan with a smile and said, "well, don't worry. I'll give you the same chance later."

"Ha ha ha ha ha ha!" Wu Shangshan is very angry and laughs. It seems that this boy is not pretending to be? Do you dare to be crazy when you are dying?

"Then, my young master, which hand should I start with?"

Wu Shangshan laughs. His voice suddenly cools down. The snake stares at Ye Chen and suddenly cuts out an axe!

With an axe, the world changes!

Wu Shangshan's martial art is really good. With the cultivation of Taixu liuliantian, his weapon power has been brought into full play!

This axe cut out, actually gave all present, a kind of dark cloud pressure, the sky collapsed!

As if, the end of the world is coming!

The audience, they even held their breath!

They all stare at Ye Chen!

In their mind, facing such a terrible axe, ye Chen is no longer crazy, now, should also collapse!

But!

To everyone's surprise, ye Chen did not collapse or even step back!

At this time, he was holding the beast's decaying sword in his hand, but he wanted to take this axe to destroy heaven and earth!

"The power of breaking the sky!"

Ye Chen murmured, and his whole body was full of golden light, not only the power of breaking the sky, the true spirit change, burning blood formula, divine blood, heavenly devil, the way and so on!

At the same time, the top ten soulful instruments are hanging behind Ye Chen!

It looks like a pair of dark wings!

After ye Chen's strength was improved, these ten soul weapons were refined again. Their power is not the same as those of the original ones. When they are activated at the same time, they can even injure the Taixu level six heavenly warriors!

In the face of that startled day one axe, ye Chen low roars: "the spirit demon kills the sky sword!"

The sixth sword!

Now ye Chen can barely display it!

At the same time, the ten soul weapons burst, and the endless spirit waves emerge, instantly drowning wushangshan!

"Ah ah ah ah ah ah ah ah!"

On the fighting field, there was a very sad cry!

Everyone knows that there will be screams.

However, they did not expect that wushangshan would scream!!!

At this time, wushangshan was actually among the seven orifices, with blood gushing out, and the spirit was shocked!

However, Wu Shangshan is indeed the first day of mang city. Even so, his axe is still incomparably stable and has not been shaken at all!

However, the spiritual power on the axe is inevitably lax.

If the axe had been able to hit 100 points, now it is 97 points!

These three points, for others, may not be different, but! For ye Chen, enough!The next moment, there was a big bang, and the light broke out!

The audience, at this time, fell into a complete stupidity, as if it was not Wu Shangshan who was attacked by the terrible spirit just now, but themselves!

Their spirit, consciousness, now, as if under the bombardment of innumerable artillery, are going to burst and smash!

What do they see?

Without imagination, ye Chen was cut into a blood mist, his chest and abdomen were cut open, and his hands and feet were cut off

What they saw was that Wu Shangshan was retreating!

Moreover, ten steps back in a row!!!

A proud son of the kingdom of six layers of Taixu, who used such weapons to fight with a Lingwu man who sealed the door, turned out to be the genius of the six layers of heaven of Taixu. He retreated?

Well, it's like seeing a ghost alive!

Weird to incredible!

And ye Chen, gazing at Wu Shangshan, is a light way: "you, despise the enemy."

Then he turned to the mountain!

At this time, Wu Shangshan, slightly pale face, which there is the slightest arrogance, disdain color?

Yes, only incomparably dignified!

Because, he has found out!

This battle, if he has the slightest carelessness

Will die!!!

Although this boy has sealed the door for three days, he has already stepped into the fourth floor!

It may even break through four layers at any time!

All of a sudden, Wu Shangshan suddenly turned his hand and pasted a piece of purple crystal paper Rune on his eyebrow at a very fast speed. In an instant, the paper symbol melted, as if it had been integrated into Wu Shangshan's head. There was a purple Rune in the center of his eyebrow!

Ye Chen looks at this rune, but he frowns slightly. Wu Shangshan's spirit defense is obviously enhanced!

This paper rune, should also be a masterpiece, the value is not even under those two weapons and armor!

For the time being, ye Chen's Horcrux has no effect on wushangshan!

With a roar, Wu Shangshan retreated again, but this time only five steps!

For a moment, two figures, in the arena, the ultimate flash!

The constant impact made the whole fighting field, which was blessed by the extremely strong array, shaking and unstable!

Chapter 2456

And the audience, at this time has been boiling blood!

They have seen the most wonderful battle in their life, but they can't deny it!

Ye Chen and Wu Shangshan are both extremely powerful and exquisite in their martial arts, and their power is also extremely shocking. However, both of them have been hard pressed against each other, and their bodies have already been stained with blood, and there are wounds everywhere. It can be seen that people's blood spurts and blood is surging!

Originally, these audiences only thought that they were going to see a funny and absurd performance, but they did not expect that what they saw was a wonderful battle beyond imagination!

Shenguo advocates martial arts. Everyone in Shenguo has a heart of fighting with blood. However, not everyone can do such an extreme fight!

Immersed in such a deadly and gorgeous fight, no one, to laugh at Ye Chen, at this time ye Chen, has won the respect of all people!

Even worship!

Why?

Because, ye Chen, he is beating Wu Shangshan!

This is a feat worthy of being recorded in history!

I'm afraid nobody will believe it?

But in fact, it is!

Even, some people have begun to shout Ye Chen's name to cheer Ye Chen on!

And at this time, Wu Shangshan, face color has been difficult to see the extreme!

Because he knew that if he went on like this, he would be defeated by Ye Chen!

But at this time, a sudden change!

When the knives and axes intersect, ye Chen's beast decaying sword suddenly sends out a sad cry!

The next moment, a slight crackle reverberates in the fighting field, and countless cracks are spreading on the decaying sword of beasts

Then, with a click, the animal decayed sword that accompanied Ye Chen for a long time could not be supported and smashed!

Fighting field, for a time fell into silence!

Even ye Chen was stunned, just staring at the hilt in his hand

However, the only consolation was that he vaguely felt that the spirit of the beast decayed sword was not dead, but contained in the hilt.

Yes!

The most important thing is that he doesn't have the right weapon now!

The beast decayed sword has always been very strong in Lingwu land!

But in front of Wu Bo's weapons, it is obviously weak!

Maybe it's time to refine again!

If the spirit has not fallen, it can be reborn to testify the truth!

Seeing this, Wu Shangshan couldn't help laughing and said, "ha ha ha ha ha, ye Chen, I have to admit that you are really strong and evil. It is beyond my expectation!

However, it's a pity that Lingwu rubbish, after all, is Lingwu rubbish. It doesn't even have a decent weapon? Hehe, now, do you know why we despise Lingwu? Now, do you understand the gap between you and me? "

Say, is again an axe, ruthlessly toward Ye Chen to cut!

At this time, the audience, can not help but sounded a burst of Boo!

Some of Wu Shangshan don't want to face any more!

Wu Shangshan sneers in his heart, his face? Ha ha, face is important, but compared with life, it is a piece of excrement!

Ye Chen gritted his teeth, and suddenly took out his hand and held a long knife. However, after changing the knife, ye Chen could not suppress Wu Shangshan for a moment!

He wanted to use the magic gun!

But in the first World War of the demons, the power of the devil emperor was too strong, and the magic spear of Zhutian God also lost a lot!

If you take it out now, it must be the same!

He can only take out a powerful long sword that the elder of the kingdom of God got!!

However, not long after that, there was a crack, and the knife in Ye Chen's hand was smashed again!

Wu Shangshan's weapons are too terrible!

On the face of Wu Shangshan, there is a cruel smile!

After half an hour, the weapons in Ye Chen's hands were smashed without exception!

Wu Shangshan was carrying the axe, and his face was scornful and said with a sneer:

"what's the matter? Don't you have a lot of weapons? Keep taking it out? "

The real artifact can't compete with the weapon in his hand!

The only thing ye Chen can fight with is the blood demon sword!

But he can't be possessed for a short time now. How can he use the blood magic sword!

Ye Chen even thought about the explosion of thousands of soldiers, but on this arena, there are restrictions on the explosion of thousands of soldiers!

Wu Shangshan looks at Ye Chen coldly. Now, should ye Chen give up?

Is it time to despair?

Is it time to give in?

After all, he felt that ye Chen's cards were strong. If he had no weapons, his strength would be greatly reduced!

But the next moment, in the eyes of surprise, shock and admiration, ye Chen put on a posture with bare hands. Even if there is no sword in hand, ye Chen still wants to fight!

In the fighting field, there was a burst of cheers!

"Die for me!"

Wu Shangshan roared furiously. He didn't understand. He didn't understand. It was clear that ye Chen was at the end of his tether. Why should he fight?

Why, struggle?

Is it true that he will never admit defeat or bow his head?

With a roar, this axe cut Ye Chen's body fiercely!

Red dust pulse activated!

Blocking most of the power!

But ye Chen is still bleeding!

However, ye Chen's fist also hit Wu Shangshan's chest at the same time, and his powerful combat uniform sent out a burst of red light, trying to resist Ye Chen's terrible fist power!

But even so, Wu Shangshan still couldn't help spitting out a big mouthful of blood, and the whole person instantly flew away!

At this time ye Chen, blood crossflow, even, it is difficult to believe that he can live!

In the audience, Yin Ming is already in tears!

But ye Chen, who was bathed in blood all over his body, actually appeared an excited, crazy and evil smile on his face!

In his mouth, he suddenly let out a roar, like a wild animal, toward Wushang mountain!

Wu Shangshan could not help but step back.

His eyes trembled, and a fear from his soul filled his heart!

At this time, ye Chen looks like a devil from hell. He doesn't care about his injury or whether he will die, but he is thirsty for blood!

His blood!

For a time, blood splashed, ye Chen's body, again and again was chopped, but, but always, did not fall down!

This is the way to kill the fierce!

Half an hour later, ye Chen was covered with ferocious wounds, but his pale face was still burning with crazy fighting spirit.

In the martial arts arena, there was no sound. Everyone was shocked by Ye Chen!

He was shocked by his unyielding fighting spirit!

This is the style that a martial arts practitioner should have!

Wu Shangshan, at this time, was covered with blood. I don't know how many bones have been broken. Many internal organs have been broken. His face bone has been cracked, and his teeth have been lost. His face is covered with blood!

And he a pair of eyes, looking at Ye Chen is trembling!

How many axes did ye Chen eat?

Even he himself, do not remember clearly, but, to now, ye Chen still did not fall down!

Is this still human?

What flesh and blood are these!

Almost not dead!

Chapter 2457

Wu Shangshan has the body of an emperor tiger. His vitality is far beyond that of the same rank. He has been extremely proud. But now he is really afraid and self abased!

Compared with Ye Chen, his vitality is just as fragile as a dying man

In the face of how to kill, can not kill, but also extremely crazy, clearly in a desperate situation, still chasing your opponent, who can not be afraid?

And! Even if his vitality is excellent, he can't bear Ye Chen's scalp numbness. There is no reason to speak of the great force against heaven!

If he hadn't worn this top-notch combat uniform, he would have been smashed into mud by Ye Chen even if he had the body of an emperor tiger. But now, he has reached the limit

On the whole, Wu Shangshan felt that he was not facing a martial arts practitioner, but a fierce ancient Warcraft!

At this time, ye Chen roars, the force of breaking the sky surges, poops. Wu Shangshan's Tomahawk is firmly embedded in Ye Chen's chest, and the huge power instantly shakes Ye Chen's body!

Ye Chen vomited out a big mouthful of blood, but! Even so, ye Chen didn't step back. A stabbing golden light burst out on his left hand, and a shocking ape call sounded faintly in everyone's ears. Wu Shangshan's pupil shrank, and he didn't even have time to pull out his Tomahawk. This blow had already hit his chest!

The earth trembled with a loud bang. At the moment of the blow, Wu Shangshan's extremely strong military uniform was suddenly dim. After a sad cry, it was scattered and broken!

Wu Shangshan screamed. Without the protection of the battle suit, his body was suddenly blasted off and hit the protective light curtain of the fighting field. It was the light curtain that could bear the battle aftershocks of Taixu's top strongmen, and all of them were cracked!

Visible, ye Chen's power is how terrible!

At this time, wushangshan, the whole person seems to be turned into a pool of mud! The whole body's meridians, bones, viscera, all turn to smash!

On the stands, the owner of the Wu family and others stood up at once. Wu Bo was even more grieved, and the Jedi screamed, "up the mountain!"

Ye Chen gasps and takes a look at the wound and finds a faint light covering it!

The body is recovering!

This light doesn't belong to me at all!

This is when the Yin and Yang of Zi Ning are combined, and the Xuan stele of reincarnation is passed on to him!

The xuanbei of reincarnation in zining's body is a spirit stele!

Control the living creatures, representing the spiritual monument of recovery!

He vaguely remembers the first time when zining untied the seal and revealed the xuanbei of reincarnation! It's not a spirit word!

But a huge "start" character, engraved on the xuanbei!

This shows that this xuanbei is the first of the ten pieces to be refined successfully!

Represents the beginning of life!

If so, maybe we should pick up the purple coagulation as soon as possible!

He glanced at Wu Shangshan, which looked like mud. If he had not controlled his strength just now, Wu Shangshan would have been completely blown into nothingness.

The smashing of the beast decayed sword greatly reduced his strength. It was really breathtaking.

Don't look at him nearly crazy with injury for injury, in fact, a little careless, even as long as ye Chen has a trace of hesitation, hesitation, the death may be him!

At this time, ye Chen has reached the limit. If he had not broken the defense of Wu Shangshan just now, he would be very dangerous in this battle.

However, he won in the end!

People's eyes, instantly focused on the body of Ye Chen, the fighting field sounded like a wave of cheers!

Ye Chen! This man has completely conquered them!

Even, many people's attitude towards Lingwu has changed!

Wu Shangshan's eyes are bloodshot, staring at Ye Chen, who is walking step by step. His pupils are shaking wildly. His eyes are full of fear!

However, his body can not move a little bit!

Ye Chen looks down at Wu Shangshan and laughs coldly at the corner of his mouth. He plays: "what? Scared? Don't you think I'm good at pretending and waiting for the chance to fight me? Yeah? Why, now, scared? "

With that, he stretched out a foot and said coldly, "don't worry, I didn't say that I will give you a chance? Dogs, I'm tired of killing them. I don't want to kill them. Are you a dog

Wu Shangshan pupil shrinks!

He clearly remembered what he had said to Ye Chen before the battle began

He said that if ye Chen knelt down and licked his shoes, he could be spared

But now, it's him who wants to lick his shoes!

Can he lick it?

Who is he? He is the first genius of mang City, the goal of countless people's hearts, the pride of the Wu family, the attention of all the people, and the existence of infinite brilliance!

How can he lick other people's shoes!

He would rather die! I don't want to be a cheap dog in the eyes of people!

"What?" Ye Chen said coldly, "no? I don't have a lot of time? "After that, raise your legs!

Wu Shangshan's pupils trembled violently, and his forehead was sweating. He opened his mouth and licked Ye Chen's boots covered with dust and blood mist!

A trace of disdain flashed in Ye Chen's eyes. He could not kill Wu Shangshan casually. In that case, the Wu family would take revenge at all costs.

But if Wu Shangshan lives, the Wu family will be afraid of the existence of the soul contract, and can not fight him.

However, the present wushangshan is basically abandoned. Even if it can be restored, his cultivation may not be further improved. A generation of genius has become a complete waste.

What's more, he is still a waste without dignity. Today's events will surely spread throughout mang City, and no one will look up to him.

In this way, it may be more cruel than killing him directly.

"Ye Chen!"

"Ye Chen!"

"Ye Chen

At this time, on the arena auditorium, hundreds of thousands of audience, all shout Ye Chen's name!

Under Yin Ming's veil, on her beautiful face, there is a strong sense of pride and happiness. Every woman hopes to be guarded by her beloved man, isn't she?

Yin Ming stares at Ye Chen. At this time, she can't help feeling that even if the sky falls, there will be a figure that will come to her and lift the sky for her!

Ye Chen's figure!

And ye Chen, is a kick open wushangshan, a wave of hand took Wu Shangshan's storage bag, light way:  
"this as your money to buy life."

As soon as the voice fell, he turned and left in the call of all.

Since then, mang City, more than a legend.

Mang Mountain Villa.

Ye Chen looks at the handle of the beast decaying sword in his hand, and looks with a wry smile. It seems that he needs a new weapon, and it is a very strong weapon!

He didn't want to be broken again in the selection.

It's just Now, he doesn't have so much money Although he can still refine some Horcruxes, they are not of great value in the kingdom of God. After the battle with Wu Shangshan, he has found that the people of the kingdom of God seem to be much more powerful than the people of Lingwu in the defense of spirits.

Chapter 2458

What makes him laugh and cry is that Wu Shangshan's broken weapon seems to have been forged with his own funds. For this reason, he has spent all his savings. Now, in the storage bag of Ye Chen's hand, there is almost nothing valuable except the magic card.

And the big axe used by Wu Shangshan is also a treasure of the Wu family. He can't take it away at will

Even if you take it, you can only sell it. After all, he doesn't need a Tomahawk.

Immediately, ye Chen asked Gu Lao, "Gu Lao, do you have any way to get the right blade for me?"

Gu laowen said, "what do you want for weapons?"

Ye Chen pondered for a moment and replied, "first of all, be strong! I don't want to be broken by others, and then it will be heavy! "

Now ye Chen's most powerful strength is his power. In fact, ye Chen, who originally got the power of breaking the sky, meant to change his weapons. After all, for him now, the beast decayed sword is too light. The heavier the weapon, the more he can exert his power!

Bone old smell speech, suddenly asked: "Ye Chen, your pure strength now, how big?"

Ye Chen said: "if we simply talk about strength, and do not rely on martial arts and Dantian, I can surpass the later stage of Taixu and even the peak!"

The old man's face was shocked. In terms of his pure physical strength, this was what he had only when he reached the state of disaster!

However, except for physical training, the strength of a general warrior cannot be measured by strength alone.

"Ye Chen, do you know that there is a very rare and strange material in this world, called Qingtian stone?"

"Optimus stone?"

Ye Chen does not understand to see to the bone old, this name he has never heard.

At this time, nine old light Yi a way: "Qing Tian Shi? It's a good fit for you. "

Gu Laohe said with a smile: "this Optimus stone, in the hands of ordinary people, is nothing special except its heavy weight. Even because it is too heavy, ordinary warriors can't use it as the main material. Even in ancient times, some top weapon refining masters just wanted to increase the weight of weapons, and they would add some to the weapons That's all. "

"But if you use it with such great power, it will be totally different!

Optimus, it has no other properties, but it has a very terrifying quality

"That is, the stronger the user is, the stronger the Optimus will be! Drive Qingtian stone with your power, and its firmness is even superior to the weapons of the Wu family's Zhen clan! "

"What!"

When ye Chen hears the speech, he is also shocked. He has already realized the powerful weapons of wujiazhen!

How hard is this thing?

Well, with his strength, it's invincible!

Ye Chen's eyes, can't help but reveal the color of incomparable excitement!

If you get this Optimus stone, his strength can be greatly improved! Even in the face of a warrior with powerful weapons and protective weapons, he will never be as hard as he was before facing Wu Shangshan!

Optimus, he's going to get it!

"Gu Lao, do you mean that I can get this giant stone?"

Old bone smiles and nods his head and says, "yes, boy, you are really lucky. In the past year, when I was exploring some relics, I found the existence of Optimus stone.

However, there is a characteristic of Optimus. When mining, it is necessary to break through his innate Qi with pure physical strength before he can be put into the storage bag.

However, my physical strength at that time was unable to take away the Optimus stone. When I had enough strength to take it away, before I could return to the ruins, I was secretly plotted by a villain and nearly died. It's cheap for you. Your strength is just enough to break the innate gas... "

Ye Chen was overjoyed and asked, "where is the giant stone? Is it far from here? "

After all, the trial is only a month later. If it is too far away to catch up with the trial, it can only be temporarily abandoned.

Gu Lao took out a jade slip and stuck it on his forehead. After a moment, he threw the jade slip to Ye Chen and said:

"Hey, the place where the Qingtian stone is, named Wanshi mountain, is about a few days away. It's not too far away. Besides, I set up a high-level magic array outside the ruins, which is almost impossible to find without my guidance, I have recorded the details in the jade slips. "

Thank you very much Ye Chen takes over the jade slips and says thanks to Gu Lao conscientiously. After that, Shen Nian sweeps the jade slips and immediately turns to the outside of the villa.

.....

At the same time, within a door of the kingdom of God.

A girl in white riding a black beast passed through the gate of God.

After a short time, the maiden and the beast appeared in the kingdom of God.

If ye Chen is here, he will be surprised!

Because this person is Wei Ying, the Supreme Master of Jue Han Emperor's palace. Wei Ying reached out her slender hand and touched the dark awn, and a smile rarely appeared in the corner of her mouth.

There was no sense of cold.

"Wumang, wumang, have you come to find the" heartless man "? Are you happy

"This guy is really worrying. I'm afraid the kingdom of God will suffer."

Just then, several warriors passed by.

Wei Ying's expression instantly returned to cold.

The veil fluttered in the wind and was cold.

However, those warriors paid more attention to Wei Ying's mount.

Because the mount is too powerful.

Step on the fire, the evil gas is surging!

But they dare not have any idea!

How can a man who can control such a giant beast be weak!

A few people walked away quickly, chanting.

"Have you heard that in the battle of Mangshan martial arts arena, it is said that a boy in fengmenjing defeated the genius of Wu family under the absolute advantage of the genius of Wu family!"

"Fantastic! I was so excited at that time

"That boy is a closed door!"

"Is it true? What's the boy's name? I have to pay attention. "

"It seems that the boy's name is Ye Chen, or he comes from Lingwu land..."

"How could such evil spirits come out of Lingwu land?"

"I don't know if it's true or not..."

The crowd went away.

But Wei Ying on wumang was smiling. She patted Wu Mang's body and said, "I'll tell you. This boy is really not a worry."

"How long has it been since I came to the kingdom of God

"Do you want to go to this guy?"

Wumang gave out a hissing, very excited.

However, Wei Ying said: "follow me for a while. I have a few places to go, and I still need you now."

"Well, let's go."

"The hatred of Jue Han Emperor's palace has just begun!"

The light is shining! The opportunity to kill emerges!

Black air breaks through the sky!

The maiden and the beast are gone!

Chapter 2459

.....

There are five figures in the stone forest of flowers and plants, which are flashing rapidly.

These five men, four men and one woman, are all in a state of emptiness, and their strength is not weak. But at this time, they are more or less injured, and their pale faces are full of fear!

Behind them, there was a sudden roar, and the earth and stone rolled over. Under the ground, a huge beast with a single horn and the shape of a dragon suddenly emerged from the bottom of the ground!

However, it is a very empty situation Jiao! At this time, there are many cracks on the body of this Dijiao. Obviously, they are also injured!

Dijiao, even in the kingdom of gods, is also a very powerful monster. Even in ancient times, it can be regarded as a master!

The woman among the five was very beautiful. At this time, a trace of resentment flashed on her pretty face and said angrily, "Zhao Xian, what's the matter? Take us here to collect the best ore, unexpectedly encountered such a terrible Dijiao! If he had not been killed by the local Jiao, I would have let him die

These people all come from a force named Tianjiu. The woman's name is Zhang Zi. Because she is beautiful and talented, she is almost the goddess of most of the disciples of Tianjiu sect!

Zhao Xian in Zhang Zi's mouth is also one of the people who adore Zhang Zi, but not everyone can get close to Zhang Zi.

In order to get close to Zhang Zi, Zhao Xian even gave up the martial arts resources allocated by the clan to Zhang Zi. Can Zhang Zi please Zhang Zi so easily?

If only to give up the martial arts resources, would not the whole clan have the right to contact the goddess of their dreams?

In order to satisfy Zhang Zi, Zhao Xian tried his best to carry out all kinds of dangerous tasks and obtain martial arts resources. Xuanling stone and treasures were given to her.

At the beginning, Zhang Zi was quite satisfied with his performance. When he was in a good mood, he would care about him and act coquettish on him. This was enough to make Zhao Xian's heart blossom and become more determined to Zhang Zi!

However, recently, Zhang Zi's attitude towards Zhao Xian has become more and more indifferent.

Zhao Xian is just a martial arts practitioner with ordinary family background. Even if he can give some valuable things occasionally, how can he compare with those rich and powerful children in the long run?

At the thought of Zhang Zi's chatting with those childish brothers, Zhao Xian felt like a knife in his stomach!

In order to win Zhang Zi's favor again, he went through life and death, explored the extremely dangerous Wanshi mountain in terms of his strength, and finally found a treasure land with many precious ores!

However, these top-level ores and Optimus stone, also have innate Qi, need two Taixu existence hands to break open!

Zhao Xianli is happy with his discovery, found Zhang Zi!

Originally, he just wanted to bring Zhang Zi to come. Who would have thought that in order to get more ore, Zhang Zi even called the several childish brothers around her!

In any case, these people will contribute to themselves in the end, won't they?

After Zhao Xian knew that, he was frightened to the extreme to dissuade Zhang Zi. If the number of people was too large, it was likely to attract powerful monsters in Wanshi mountain, which was of great risk!

However, Zhang Zi only took Zhao Xian's dissuasion as an excuse for him to be alone with himself and ignored it.

Finally, as Zhao Xian said, several people attracted the terrifying Dijiao. Among the five, Zhang Zi was the weakest. When Dijiao appeared, Zhang Zi was the most dangerous one!

In order to save Zhang Zi, Zhao Xian will die to block the ground Jiao, several talents have the opportunity to start fighting back! After a contest, they were defeated and fled!

However, Zhao Xian was also severely damaged by Dijiao!

But now, Zhao Xian's pay, Zhao Xian's sacrifice, in exchange for Zhang Zi's resentment and ridicule!

Zhang Zi, has never regarded Zhao Xian as a person, Zhao Xian is just a tool in her hand!

It's natural that tools are damaged for themselves, but how can they be in danger because of them?

I don't know what expression Zhao Xian will have when he hears Zhang Zi's words?

And Zhang Zi side of a few men, is one after another with the way: "good! This damned Zhao Xian is all because of him

"A person with such a rubbish family background still wants to get close to Xiaozhi? If it wasn't for his toad who wanted to eat swan meat, how could we have been like this! "

"Waste, how dangerous is it to bring little purple here?"

Zhang Zimei's eyes flashed, and suddenly said, "it's no way for us to escape like this. The local Jiaos have been seriously injured. Is there any brother who is superior in strength and extraordinary in bravery, can block the local Jiao for the time being? In this way, we may have a chance to kill it! "

The men were silent at the same time.

They are all children of good fortune, and they really like Zhang Zi. It's nothing to spend some martial arts resources for her and give her some natural materials and earth treasures.

However, they are not idiots, they are very clear, now, is not the time to perform in front of Zhang Zi! Their strength is not much better than Zhao Xian, and what is the result of Zhao Xian?

Resist this land Jiao, it is likely to pay the price of life!

Seeing everyone's silence, Zhang Zimei's eyes flashed a trace of anger, but did not show it.

Now, she has to rely on these people to save her life!

But at this time, the crystal stone on the Dijiao body behind several people suddenly gave out a dazzling light, and the whole body turned into a blue light, almost in a flash, and appeared in front of Zhang Zi and others!

Several faces at the same time a white, one of the men drank: "can't hide, hand together, otherwise, we all have to die!"

The local Jiao roared and moved suddenly. His body was like a boulder, and he ran into the crowd. Zhang Zi, however, did not dare to keep his hands at all. All of a sudden, the spirit of heaven and earth was surging wildly, and the void was shaking. All the mountains were shaking and the momentum was startling!

With a roar, countless boulders collapsed and destroyed in the aftermath of the fight between the two sides. The ground Jiao screamed with pain. The cracks on the body were deeper, and the breath faintly decayed!

But! The situation of Zhang Zi and others is even worse! Several people vomited blood in their mouths. They were shocked to the ground by this blow. The breath on their bodies was rapidly withered, and even they were unable to fight again!

That land Jiao sees shape, flash a trace of ferocious color in dragon eye, it is natural impossible to let go of such an opportunity!

When Dijiao's body moves, it will attack again, and kill these hateful Terrans completely. Suddenly, the figure flashes!

A man, appeared between Zhang Zi and others and Dijiao. Looking at the oncoming Dijiao, he suddenly raised his hand and shot out three seemingly primitive and rough swords!

This is Ye Chen!

Chapter 2460

He had just arrived at Wanshi mountain and was preparing to search for the site of the ruins, but suddenly he felt the wave of the battle.

Originally, he didn't want to meddle in his business, but the battle between Dijiao and Zhang Zi and others happened to be in the direction that he went to the ruins. For ye Chen, this Dijiao was also a good material. His Earth Dragon Armor was destroyed, and he also needed to refine a body protection weapon.

So, he decided to go!

At the next moment, the three swords turned into powder, and the powerful soul power broke out in an instant, drowning the local Jiaos!

The local Jiao has been seriously injured, and the spirit is inevitably weak. How can he withstand the attack of Ye Chen's three heavenly soul swords?

The dragon's eyes darkened quickly and his huge body fell heavily on the ground.

Ye Chen waved his hand and collected the body of Di Jiao into the bag. He turned and looked at Zhang Zi and others.

And had already fallen into despair, ready to wait for death of several people, at this moment, looking at Ye Chen is a pair of silly appearance, for a time, did not respond to what happened.

The next moment is ecstasy! The ecstasy of the survivors!

Several people immediately took pills to adjust the injury, and their complexion recovered instantly. At first, ye Chen came too suddenly, and they didn't notice. Now they found that ye Chen was only a seal door. They were not only shocked!

However, a few people thought about it, but it was not unacceptable.

First of all, the Dijiao is seriously injured. Secondly, what ye Chen used just now seems to be a Horcrux, and it is a very powerful Horcrux!

As the people of the kingdom of God, they are not unfamiliar with Horcruxes. However, they can use such powerful Horcruxes to exert their power. I'm afraid Ye Chen is a soul cultivator?

It's not unreasonable for soul Xiu to kill a seriously injured monster in Taixu.

Ye Chen has no interest in these people, and takes over the corpse of Jiao in the situation of Taixu.

See ye Chen take away the body, other people are not so good, Zhang Zi's eye light is flashing.

This land Jiao is because they are seriously injured. How can they be taken away casually?

Zhang Zi suddenly stepped forward with a smile on her face and said to Ye Chen, "thank you for your help. The young master killed the monster of Taixu by sealing the door. He has great strength. Is he soul repair?"

Ye Chen sweeps Zhang Zi one eye, the vision is light, although this woman looks good, but gives Ye Chen a kind of disgust feeling, just coldly perfunctorily: "calculate is."

For these people who meet by chance, ye Chen naturally has no interest in revealing his details.

Zhang Zimei's eyes flashed a faint cold color, and continued: "we came to Wanshi mountain to mine some of the best ores, but we accidentally provoked the local Jiaos. Now that the Dijiao has been removed, since the young master saved us, we are willing to take those ores with us. This is our reward to the young master."

Those childish brothers smell speech, all is the face shows strange color ground to look at one eye, Zhang Zi how?

Even if ye Chen saved them, there is no need to let Ye Chen also share a share of the soup?

And, in return?

Ha ha, this is not Zhang Zi's character at all!

Ye Chen's eyebrows tip a pick, he has not yet obtained the Optimus stone. Even if he does, he needs to add a lot of excellent materials to refine it into weapons. However, the treasures he has now are not enough. These excellent ores are exactly what he needs!

Immediately nodded his head and said, "yes!"

After saying that, several people then toward Zhao Xian found the place of the best spirit pulse and went.

Meng Meng and the man who came from the Da Hai Road knew a few times that the man was from the Da Hai Road, and the name of the man was also known.

Wang Dahai suddenly said with a smile to Ye Chen: "Mr. Ye, you are so strong that you can take part in the selection competition in the near future. You should be able to join some of the clansmen."

Zhou Meng also echoed: "yes, I see, it is not impossible to even join those big forces with Childe Ye's qualifications."

Chen Xin said with a smile: "to participate in the selection competition of big forces, you need to get a magic card. If you need me, I can try to help you get one."

Originally, people said that they were just praising Ye Chen, the great power? Ha ha Is it possible for a big force to join in?

As long as ye Chen has a little bit of self-knowledge, he won't have such an unrealistic idea of participating in the big power trials!

Chen Xin, on the other hand, wanted to sell Ye Chen a favor at will. At the same time, he showed off his background and ability in front of Zhang Zi. He never thought that ye Chen would really ask him to help him to get a magic card.

But at this time, ye Chen is light way: "no need, I have."

Everyone was shocked when they heard the speech!

Including Zhang Zi!

In Zhang Zimei's eyes, there is a glimmer of joy!

Chen Xin and others look at me and I look at you. Then, they just laugh and don't take it seriously. They just think ye Chen is bragging. Can Zhang Zi, is the eye light twinkle, although Zhang Zi has no other ability, but also is read the man innumerable, can vaguely feel a person's essence!

In Zhang Zi's opinion, ye Chen's essence is very pure, and he won't do anything to boast about for no reason at all.

In other words, ye Chen is very likely to have the God card!

According to the rules of the kingdom of God, the hands of those who have things belong to. If you don't even have the ability to protect the God card, what qualifications do you have to participate in the selection?

Soon, a few people came to the original place of the spirit pulse, ye Chen looked at all kinds of high-quality ores in front of him, and he couldn't help but look happy!

Although, in the land of Lingwu, it can be said that he has no comparable wealth, but in the kingdom of God, he is extremely lack of martial arts resources!

These ores, each of them is a high-grade thing that can't be seen by spirit and martial arts!

People are ready to start mining, ye Chen is the same.

However, at this time, Zhang Zi suddenly approached Ye Chen's side, looked at Ye Chen pitifully, and said, "Mr. Ye, my injury is not completely good, and the pills are all used up. Can you give me a pill to cure my wound?"

Ye Chen slightly a Leng, but still nodded.

Although he was a little surprised that Zhang Zi didn't ask for pills from his companions, he asked for pills from himself, but he didn't care too much.

Although, he saved Zhang Zi, but Zhang Zi was able to bring him to mine the best ore, which was a help to him.

He has always been kind and revengeful.

A healing pill is nothing.

His powerful spirit gushed out and swept Zhang Zi's body. In an instant, Zhang Zi's injury was clearly understood. When his wrist turned over, he had a pill in his hand.

But all of a sudden, poop, light, blood flash.

And ye Chen in the hand of half step God medicine, also fell to the ground.

He lowered his head in amazement and looked at a dagger close to his belly
