

Physician 2491

Chapter 2491

In the square, a temporary high platform was set up. Around the platform, there were black firewood. The firewood is the dead branch of the black soul wood, which is very suitable for the fuel of soul fire!

And Lin Yaqin, at this time, is standing under the high platform, beside her, there are several Taixu realm disciples guarding!

Lin Yaqin's psychic power was banned and her face was pale. She had been trying to impact the seal, but she suffered internal injuries. There was a trace of blood in the corner of her mouth. Standing under the high platform, I felt pity for her.

However, a group of shenxuanzong's disciples just watched silently at this time, and even most people didn't have much look on their faces.

Soon, the figure of the group appeared at the gate of the main hall of shenxuanzong and walked towards the high platform.

Shen Yong, the leader of Shenxuan clan, Lin Jiu, Guo Tai, Guo Tai, and Xu mengqiu, the three elders, came to the square.

Their faces, look is incomparably gloomy, even sad, resentful.

Lin Yaqin is the holy daughter of shenxuanzong. She has congenital murderous spirit, and has incomparably powerful potential. She is the hope for the rise of shenxuanzong. She has also poured countless resources into Lin Yaqin!

But now, they are going to die, because a sentence from the Lei family is going to die, and they have to be executed by torture themselves!

How can we not grieve and resent?

But! Grief, resentment, and what?

There's a saying in the kingdom of God, it's called potential higher than heaven!

What do you mean?

That is, as long as one force is stronger than another, even if it is only one product higher than the other, the gap is also general between heaven and earth!

And shenxuanzong compared with Lei family?

Enough, two grades short!

Shenxuanzong, what to hate?

Don't say angry, Lord Shen Yong, even in front of Lei's family, with a smile!

Afraid of the other side, anger to the whole shenxuanzong!

He has no room for resistance at all!

How can shenxuanzong fight with all his might? Lei family can pinch the God Xuanzong with one hand!

To do so is to bury the whole clan in vain!

The three elders, Xu mengqiu, is Lin Yaqin's master. At this time, her look seems to be the most peaceful among the people.

However, in the eyes, but not a trace of brilliance, completely a bleak!

There is no greater sorrow than death!

Xu mengqiu's tears have run dry, into complete despair, the whole person, have been muddled.

Lin Yaqin is brought up by her hand. She has no children under her knees. Lin Yaqin is like her own daughter!

The reason why the patriarch, the great elder, the second elder and so on are heavy on their faces is mostly due to the loss of the clan, but Xu mengqiu is not the same

She's out of her heart

If he could save Lin Yaqin, even if he had to pay his life, Xu mengqiu would not hesitate to do so.

However, in front of Lei's family, what is her Xu mengqiu? She is just a warrior at the peak of Taixu. Even if she tries her best, she is just suicidal and dying.

Or the kind that died of no meaning.

So, she can only despair.

Next to the high platform, there are several seats, just like the audience. On the table in front of the seats, there are also Lingcha and lingguo.

This is the Lei family. They asked for it.

They are going to enjoy Lin Yaqin's death in torment as if they were enjoying some performance!

At this time, several powerful breath rose from the east of shenxuanzong.

A shenxuanzong disciple Gao shouts: "all distinguished guests of Lei family are here!"

The next moment, more than a dozen figures fell into the shenxuanzong.

At the head of the group was a middle-aged man, dressed in a gold lined brocade robe and a huge half step ancient utensil. He was a little skinny, with a wisp of goatee, prominent cheekbones, sharp chin, and cheekbones.

This person is Lei Youwei, the leader of Lei family!

Don't look at his ugly appearance, but in fact, his strength is a real situation!

And he was followed by the rest of the Lei family and several servants.

What's frightening is that even those with the lowest cultivation and the weakest strength are astonished to be in the state of Taixu!

The existence of Taixu state has already qualified to be a disciple of zhenzhuan in shenxuanzong!

But what about Ray's?

More in number!

All shenxuanzong's disciples had a slight change in their faces and felt the strength of Lei's family from the bottom of their hearts!

However, the most conspicuous is that these people of Lei's family have brought a big red flower bed!

On the red bed lay a young man with a pale face and a faint breath!

This is Lei Yunpeng!

Moreover, Lei Yunpeng is wearing a wedding dress!

Shen Yong and others quickly restrained the resentment and gloom in their eyes. They didn't dare to show any. They met them with a smile and said, "master Lei, are you here?" In the face of Shen Yong and other people's greetings, Lei Youwei actually ignored everything. He directly sat down at the head of the table beside the high platform and took a sip of Lingcha.

Shen Yong and others are embarrassed, but they can only stand by with a smiling face.

After a long time, Lei Youwei put down his tea cup, glanced at Shen Yong and a group of shenxuanzong's disciples, and said with a scornful sneer: "is this the shenxuanzong? Are you Shen Yong, the leader of shenxuanzong? "

The sweat on Shen Yong's forehead suddenly gushed out, and reluctantly said with a smile, "it's just below."

Lei Youwei suddenly said faintly: "Lord Shen, today's grand scene, why don't you let your shenxuanzong's disciples come out and see together?"

Ah?

Shen Yong is slightly stunned and looks at the disciples on the square. The disciples of shenxuanzong are not here?

What do you mean by Lei Youwei?

However, he still bravely replied: "master Lei, the people on the square are the disciples of my God Xuanzong..."

Lei Youwei took a look at the people in the square and said with a sharp smile: "Oh? Is it? Why didn't I see it? All I see is a bunch of rubbish

Shen Yong, the great elder, the second elder, and even all the shenxuanzong disciples are all stiff faced!

The Lei family is deceiving people too much!

It is not the slightest face to give, come up, straight to the ground ridicule!

Even, there is no beating around the Bush!

In the hearts of all the people, anger was kindled, but what could be done?

They just keep their heads down, almost under their feet!

Even Shen Yong squeezed out a smile and echoed: "master Lei, the lesson is that Shen has been taught..."

Not only do not dare to have any dissatisfaction, refute, be hit in the face, even, will the other half of the face, together!

Lei Youwei said coldly with a smile: "you are wise enough to look at me. Otherwise, you can teach your disciples by Shen Yong, and let your God Xuanzong give out the watch that seriously hurt my son. My Lei family has already washed your God Xuanzong out!"

Chapter 2492

At this time, Shen Yong was sweating profusely. He could only nod his head and apologize

Suddenly, Lei Youwei raised his eyes and looked at Lin Yaqin under the platform. A trace of resentment flashed in his triangular eyes and said, "this is the bitch? It's true that she has a certain beauty. No wonder my son will be confused by her

At this time, Lin Yaqin seems to be still extremely indifferent. Even though she knows that she is about to face the most terrible torture, her look does not fluctuate or change at all.

Lei Youwei glanced at Shen Yong and said, "burning soul and flame, how are you getting ready?"

Shen Yonglian said, "you are ready..."

He walked to the bottom of the platform. His eyes were heavy. He looked at Lin Yaqin with guilt. After a moment's silence, he said, "come on stage!"

Without hesitation or hesitation, Lin Yaqin stepped onto the platform step by step.

On the square, Yu Shao you saw this scene, and he felt happy to blossom and turn the sky!

Now!

I'm going to witness it with my own eyes, the miserable wail of this bitch!

Shen Yong finger movement, a gray flame, then suspended in front of his body, that is burning soul of the fire.

He pointed to the platform where Lin Yaqin stood, and the fire flew slowly toward the black soul wood on the high platform.

The fire fell on the black soul wood.

At this time, Lei Youwei suddenly stood up and said, "wait a minute!"

Shen Yong stopped the fire and asked respectfully, "master Lei, what else can I do for you?"

Lei Youwei looked at Lin Yaqin with sarcasm and said, "let her die like this? No, since she is my son's favorite woman, of course, she will die after my son's marriage! "

Said, his face a trace of play flavor: "heard, she is also very cold, never touched a man, pure and pure? Well, that's good. I'm just in front of you today. Let's have a look at how clean this bitch is. "

As soon as he said this, even Shen Yong's face changed!

This, a little too much?

Let people die, or use the most cruel means, life torture Death, even if

And let a woman, before she dies, suffer such a great humiliation?

Cruel

Lei Youwei is really cruel

Even Lin Yaqin, who has always looked cold, and whose delicate face is incomparably beautiful, suddenly appears the color of panic

She is not afraid of death, but she is afraid to die with such dignity!

In her heart, she is a very proud woman! No matter how terrible the burning soul and the flame may bring, she can endure

But such humiliation is the real torture to her!

It's more cruel than burning her with burning soul and flame, and can't accept 10000 times torture!

"Somebody Lei Youwei smiles at Lin Yaqin's look.

He has always been very good at finding a person's weakness.

"Yes Two Taixu warriors in gray came forward.

Lei Youwei said faintly: "now, you can 'invite' our Miss Lin to tie up with my son. Well, Miss Lin seems to be a little shy. If she doesn't want to, break her limbs and teach her the etiquette and rules of marriage."

The two Taixu warriors stepped onto the platform step by step.

When you turn your hand over, there is a hammer in your hand!

Now Lin Yaqin, whose spiritual power is forbidden, is he the opponent of these two Taixu warriors?

Even, not even the slightest resistance ability!

They both smile grimly and hold a hammer. Even if they are facing a woman or a woman who is imprisoned by spiritual power, they have no intention to keep their hands.

They held up the hammer in their hands.

All the muscles of my body are knotted and agitated. I can imagine how terrible the destructive power will be after these two hammers are smashed down.

The next moment, above the hammer, with a burst of wind breaking sound!

Hit Lin Yaqin's legs and knees hard!

Since we want to get married, we must pay our respects first.

How to worship?

Of course, kneel down!

Lin Yaqin refused to kneel. What should I do? Then, break her legs and let her kneel!

The hammer fell heavily on Lin Yaqin's delicate knees.

Blood, instantly soaked in Lin Yaqin's white gauze skirt!

Lin Yaqin's body trembled, and her face was very painful. But she was still biting her silver teeth without making a sound!

She almost, will kneel down, has been difficult to support her body

However, she relied on the tenacious will, dead control of the muscles of her legs, barely maintained the standing posture!

"Ha ha..." The two warriors looked at each other and sneered.

Hold on?

How long can you last?

However, it is just suffering in vain!

But that's good. On weekdays, they don't have a chance to torture such a great beauty as Lin Yaqin who is like a fairy coming down to earth!

The two raised their hands high, and their muscles rose again. They even felt that their spiritual power was rolling!

This time, obviously, they put more effort into it! If you change a little weak physical quality of the existence of Taixu, unable to use spiritual power, I am afraid the raw will be smashed into meat mud, right?

Looking at the two hammers with spiritual power.

Even in the square, among those shenxuanzong's disciples who have always had no facial expression, there are many people who show their unbearable looks and quietly turn away their eyes.

It's so cruel, so inhumane!

Yu Shaoyou, like many people, looks unbearable and lowers his head, as if he could not see the pain of his classmates.

But in his heart, it was joyful, content to be unable to describe!

He hoped that Lin Yaqin could continue to be proud and fight against Lei's family!

The more she suffered before she died, the happier he was!!!

Whoa!!

Two hammers, with the strong wind, smashed down the air, the strength is so strong that people are shocked!

Bang!! Bang!!!

Even the whole high platform was shaken severely!

Lin Yaqin's body trembled, and the sad and beautiful color flashed on her beautiful face.

But!!!

Lin Yaqin, but still standing!!!

It's almost impossible to imagine how she did it!

However, she is standing like this, although, looks, extremely extremely reluctantly, but, Lin Yaqin, has not fallen!

The eyes of countless shenxuanzong disciples flashed with admiration!

No matter what they thought of Lin Yaqin before!

At this time, Lin Yaqin, let them have respect! As a warrior, respect from the heart!

Pride, the word, is easy to say.

Keao does not kill the whole family if they disagree.

How many people can be really proud?

Lin Yaqin's pride, but let the shenxuanzong disciples, recognized!

However, no matter how proud and unyielding, what can we do?

In this world, many things can not be overcome by will.

People are people after all, there are limits!

Chapter 2493

Lin Yaqin has been proud to the extreme, but how long can she last?

The cruelty and ferocious smile on the faces of the two servants became more and more intense!

Lin Yaqin is more dead support, then, the more miserable the end!

When she really can't carry it, it's not hurt, it's so simple.

It's estimated that both legs will burst completely, right?

In their eyes, a ray of bloodthirsty light flashed through their eyes. Once again, they lifted the hammer full of the beautiful woman's blood, and drank it. Their muscles were crazy and their spiritual power was surging!

This hammer, they have exceeded the limit, 200% effort!!

Even the Taixu State Warriors who are not imprisoned by spiritual power will feel dangerous in the face of their hammer, right?

Hoo Hoo!!!

Two hammers tremble, like a meteorite falling to the ground! With the wind and destruction, he attacked Lin Yaqin.

In the strong wind, Lin Yaqin has long black hair, dancing with the wind, showing a kind of sad beauty!

Suddenly, the sword flashed!

The killing intention erupts, the terrifying spirit power, soars to the sky, the sword meaning is cold, covers the four fields!

The two Taixu warriors were excited by the extremely strong and ferocious sword Qi. They were cold in heart and courage, lost consciousness and disordered spiritual power. They screamed and quickly closed their hands. If they continue to smash the hammer down, I'm afraid they can't fully control the strength in their hands. Maybe they will hurt themselves.

At this time, above the square.

A figure is actually holding a sword to kill the shenxuanzong disciple in the field!

A group of disciples, looking at the figure, one after another appeared surprised, this man was Xu mengqiu!

At this time, her eyes, two tears of blood.

Tears, have run dry, only blood!

Shen Yong yelled: "elder Xu, what are you doing?"

After that, his figure flashed and he blocked Xu mengqiu's body.

He is a strong chopper, Xu mengqiu, the peak of Taixu, is not his opponent.

Immediately, the light of the sword was extinguished.

Xu mengqiu a pair of eyes with blood and tears, but staring at Yu Shaoyou, said in a sharp voice: "it's him! That's him! He did harm to qin'er! He designed all this

since Lin Yaqin seriously injured Lei Yunpeng, Xu Mengqiu felt something fishy. Secretly investigating, she finally found a clue.

All this is arranged by Yu Shao you!

Although she can't shake the Lei family, at least she has to kill Yu Shaoyou to avenge Lin Yaqin!

Yu Shaoyou's face changed slightly after hearing the speech, but he soon calmed down.

He knew that Xu mengqiu had no actual evidence. Otherwise, he would have given it to zongmen and let the patriarch deal with himself?

Why do you have to be like this, mad dog?

With a smile on his face, he said faintly, "elder Xu, I know that you are very sad that your disciple did something wrong. However, in order to save your disciple, you can't do this. Do you want to find a scapegoat?"

You said I designed it? Excuse me, elder Xu, is there any evidence? "

The elder Lin Jiu is also protecting Shaoyou's body. He said coldly, "elder Xu, even if you are in a hurry, you can't drag my disciples into the water."

Shen Yong's eyes flashed. He knew Xu mengqiu and knew that she would not needle for no reason. But now, is the truth still important?

Whether it's Yu Shaoyou's design or not, Lin Yaqin is doomed to die now!

What about less travel?

He not only has excellent talent, but also has an extremely evil brother!

If Yu Shao dies, Yu Yan will definitely withdraw from shenxuanzong, or even become the enemy of shenxuanzong?

Is it worth paying for a dead Lin Yaqin?

After Lin Yaqin's death, shenxuanzong needed Yuyan even more!

Soon, Shen Yong also blocked in front of Yu Shao.

"Die Xu mengqiu drinks violently, is about to act recklessly, where does she have any evidence?"

She just infers from the clues!

The only one who can testify for her is Lei Yunpeng, who has fainted and lies on the flower bed!

Just as Xu mengqiu is ready to fight to death, Shen Yong and Lin Jiuling are surging to stop Xu mengqiu. Everyone's attention is focused on these people's moments.

A strange man's voice echoed in the square of shenxuanzong.

"Is it you?"

In front of Shao you's body, I don't know when, there appears a young man in black robe!

A young man with a cold look and inexplicable pressure.

This person, of course, is Ye Chen!

"You, you..." Yu Shaoyou looks pale at Ye Chen. He has always been eloquent, but for a while he stutters!

Ye Chen, at this time, exudes the most terrifying breath all over his body, and his eyes are like two thunder, piercing into the sea of knowledge that he has little to swim in! Inexplicably, he felt extremely scared, and his whole body was in cold sweat. He wanted to explain, but he found that he couldn't open his mouth. He didn't have the courage to lie to Ye Chen. In Ye Chen's power, Yu Shaoyou was scared to take two steps back!

The whole person, tend to chaos!

He did not even react to come over, ye Chen is just a sealed door existence!

But he, but too empty medium!

I don't know how big the gap is

Ye Chen stares at Yu Shaoyou. He has just arrived at shenxuanzong. With his current strength, although shenxuanzong has been closed to the outside world, he still intrudes in, but it is delayed for a while.

As soon as he arrived at the square of shenxuanzong, he heard a dialogue between Xu mengqiu and Shen Yong.

The reason is that the mental pressure of Shao you is so huge that it almost can't bear it. After admitting, a dark shadow flashed in front of Shao you's body.

In an instant, the pressure of less swimming decreased suddenly.

He took a breath and looked at the figure in front of him.

He thought that he was his master or the leader of shenxuanzong.

But he was wrong.

The young man standing in front of him was wearing a white dress embroidered with golden sword pattern, which was the dress of the son of shenxuanzong.

This person, breathes out the breath of seven layers of heaven in the Taixu realm!

Yu Shao was stunned for a moment. At the next moment, his face was filled with excitement, excitement and joy. He said, "brother! You're out! What's more, it's a breakthrough

This man is the ultimate evil spirit of shenxuanzong, Yu Shaoyou's brother, Yu Yan!

Yu Yan has a slender figure, a heroic face, a dark complexion, and a cold and arrogant look on his clear-cut face, and a slight sneer on his slightly wider lips.

With his hands on his back, he looked like he was sweeping the world. He held his head up slightly and looked down at Ye Chen. It seemed that he was not looking at a person, but looking at a garbage.

His eyes at this time are very similar to those of Lei Youwei before him.

"Isn't it? Even if he is my younger brother, what can you do? "

Although Yu Yan's voice is light, anyone can hear the conceit and arrogance in his words!

Chapter 2494

For a moment, in the arena, it was quiet.

There was no sound.

All people, even Lei Youwei, looked at the flame with their eyes slightly flashing.

The people of shenxuanzong, including Shen Yong, were shocked to see Yu Yan.

Yu Yan, how could you break the customs barrier so quickly?

He's closed. It's only three days, right?

Three days, break through?

This is a huge bottleneck! Even in the kingdom of gods, where martial arts and Taoism are extremely prosperous, it is not easy to have the seven layers of heaven!

I don't know how many people have been stopped at this level. I'm afraid that only one in ten thousand, or even one in one hundred thousand, can break through this barrier, right?

Even Shen Yong, he thought he was amazing, but at the beginning, it took seven years to break through the gap!

What about the fire?

Three days! Just three days!

This threshold, for him, is simply effortlessly crossed ah!

Like, doing something trivial!

I can't imagine how terrible Yu Yan's talent is!

How brilliant his future achievements will be!!!

Moreover, the key is that Yu Yan is not yet 100 years old!

In terms of Shou yuan, the warrior of the kingdom of God, he is incomparably young!

Now, it is the golden age for him to enhance his strength! In other words, in a short period of time, Yu Yan is likely to progress madly!

The next moment, Shen Yong's face, will emerge the color of ecstasy!

Originally, before Lin Yaqin had an accident, in his heart, Lin Yaqin's weight was heavier than Yu Yan.

After all, Lin Yaqin is younger, and she has a natural murderous spirit.

But now?

Even if Lin Yaqin didn't make trouble, Shen Yong would be more optimistic about the flame!

Let alone, Lin Yaqin is doomed to die now!

He made up his mind secretly that this time, no matter how Xu mengqiu was, he must make sure that he did not travel much.

The reason is very simple. He is Yu Yan's younger brother.

It's very necessary to live in Xuanyan!

As for ye Chen, who suddenly jumped out of the door?

Shen Yong directly ignored, the next second, maybe will die people, care about what.

At this time, Yu Shaoyou, who regained his composure, finally clearly felt that ye Chen's cultivation was just a waste that sealed the door for five days?

With a sneer on his face, he looked at Ye Chen and said, "who are you? Not a disciple of our God Xuanzong? It's a death penalty for a doorbreaker to intrude into our God Xuanzong. Do you dare to question me? Do you deserve it?"

Now, break your own hands and feet and kowtow to me again. Maybe I can save you a dog's life! "

After the appearance of Yu Yan, Yu Shaoyou's self-confidence and pride have expanded a thousand times. Even, he has no intention of covering up and defending.

It's him, so what?

Is there any evidence? It's Lin Yaqin who starts to hurt people. It's no wonder that Lei's family is on his head!

Moreover, obviously, even Lei Youwei is shocked by Yu Yan's talent. Lei Youwei is an obvious businessman character. He knows that making friends with Yu Yan, a super monster with terrible talent, is definitely more advantageous than killing directly now!

When everyone thought Ye Chen would shrink back, be afraid, and even kneel down to beg for mercy.

Ye Chen, but still plain face, a pair of eyes staring at less swim, eyes have not the slightest deflection, even in the flame appears, is the same!

Ye Chen, did not even see in the flame one eye!

When people look at Ye Chen, ye Chen opens his mouth again.

Not begging for mercy, not apologizing

Still, is that a cold question.

"Did you calculate Lin Yaqin?"

Ignore it!!!

Completely ignore it!!!

Simply, it is the ultimate evil spirit of shenxuanzong, the super martial in the flame, as the air!

Yu Yan, just warned Ye Chen!

Can ye Chen, but in the words of flame, as fart!

I didn't pay any attention to it!

And Lin Yaqin on the high platform, her eyes also fell on Ye Chen.

In the beautiful eyes, although still as usual cold, but faint, but flash a trace of complex color

Even she couldn't believe it. At the moment when her legs were in crisis, she thought of the man under the Tianyin cliff, which made her extremely resentful and robbed her of her innocence and wanted to kill her

The man who appeared several times in Lin Yaqin's sleep, who had never dreamed before

The man who made her remember her name

When ye Chen appeared in the shenxuanzong, Lin Yaqin even thought that he had seen the illusion.

However, it was also at that moment that she felt warm for the first time in her frozen heart since she was born. A trace, she herself has some incomprehensible warmth

She doesn't know why Ye Chen is here. She doesn't know why Ye Chen wants to question Yu Shaoyou for her. Although she has a special connection with Ye Chen, it's just an accident

As for the last treatment, it is inevitable.

I have always wanted to kill Ye Chen. I and he should be enemies, right?

But why should he do this to himself? Shouldn't he want to die?

Lin Yaqin doesn't understand. When ye Chen didn't kill her at Tianyin cliff, she didn't understand this man. Now she is more confused

However, the man who made her confused and puzzled made her feel the warmth that she had never experienced

Master is very kind to her. She has respect and affection for her, but her cold heart has not melted because of this

What she couldn't believe was that at this time, she saw Ye Chen against Yu Yan and saw the man she had always wanted to kill. She was in direct conflict with the man who killed the enemy

She wanted to stop it!

To prevent the conflict between Ye Chen and Yu Yan

She knew that ye Chen's talent was really terrible, but judging from her fight with Ye Chen at that time, even if ye Chen broke through the seal door, he was far from Yu Yan's opponent

She asked herself, is that worry?

No matter where such feelings come from, Lin Yaqin knows that if there is any figure in her killing way, it can't be erased

In this world, there will be only one person

That's the man she's staring at right now.

But at this time, in the flame's face color, momentarily gloomy down!

How dare you ignore yourself?

Even Shen Yong, the leader of shenxuanzong and his master, didn't pay much attention to him. But this little bastard, who had no idea where to drill out, dared to lose face in front of so many people?

He doesn't die. Who dies?

Originally, if ye Chen, like Yu Shao's lobbying, broke his limbs and kowtowed and apologized, he would not have disdained to start with such rubbish.

Hands stained with garbage blood, will make him feel sick, that is an insult to himself!

Chapter 2495

In the eyes of Yan, even death in their own hands, can also be said to be an honor.

Ye Chen is not qualified.

But now, it's not the same.

This rubbish, ignoring his own words, is just like violating the imperial edict and committing the death penalty of nine ethnic groups!

Yes, Yu Yan is so overbearing!

I say a word, you ignore, do not care, turn a deaf ear, that is the death penalty!

There is no room for tolerance!

When a stray dog gets in the way, he can give it a chance to roll. However, if he tells him to roll, instead of rolling, he barks at himself, he will be crushed to death!

"Ha ha..."

Yu Yan sneered and said, "if you are deaf, you'd better be cured as soon as possible. Otherwise, you will be like today. Because of deafness, you offend people you shouldn't offend. Then, there is no second result except death!"

The next moment, simply did not give ye Chen the opportunity to speak, in the flame direct hand!

His wrist turned, and a half step ancient sword, which was almost transparent, glittered with colorful brilliance and was extremely fierce and cold, fell into his hands!

In a flash, the wind and cloud changed color, strong sword intention, burst out!!!

Whoa!!!

All the shenxuanzong disciples present, without exception, were in cold sweat at the same time!

Some weak cultivation, poor strength, is directly paralyzed on the ground!

For a moment, they seemed to fall into a world dominated by swords. Even the air they breathed became extremely sharp and could kill them at any time!

Is this the prestige of Taixu's late genius?

What a horror!

Even, it's more terrible than Xu mengqiu's sword!

In the flame this one hand, unexpectedly is 100% extremely erupts, the idea that the cent keeps a hand, all did not have!

In the corner of the flame mouth, with a cold smile.

Lion Fight rabbit, need full strength, what's more, this is a good opportunity to show strength, isn't it?

He has no place to display his strength this time. Just as it happens, there is a fool who has come to the door!

Shen Yong and the two elders besides Xu mengqiu are all in a state of ecstasy!

What a strong sword!

Yu Yan has not only broken through the realm, but also sublimated his sword meaning!

Is that too bad?

Is the talent strong enough to match the disciples in the top forces?

From the point of view of sword and martial arts, Yu Yan is superior to Xu mengqiu!

This sword is so amazing!

Even Lei Youwei, a strong man, nodded slightly, showing his appreciation.

This is Yuyan. It's really good.

Lin Yaqin's face turned white, and her heart sank in an instant. In her beautiful eyes, which seemed never to have a change or any emotional fluctuation, her pupils trembled, showing a very nervous and anxious look!

She knows that Yu Yan is the highest level martial art of their God Xuanzong, which is called Xuanyun jianjue!

It's a real anti Sky Sword technique! Powerful!

Yu Yan, at this time, is clearly the Xuanyun sword formula, practice to a great extent, even to the extreme!

Complete, the power of the martial arts to play out!

Even if she completely liberates her innate murderous spirit, she can't resist this sword at all!

Let alone just seal the door for the Ye Chen!

She wants to move, she wants to do everything!

But

Even standing is her limit. How can she still move?

She can only helplessly watch the sword light of Xuanyun jianjue, drowning Ye Chen

But in the public have no doubt, ye Chen will be in the flame cut out of that terrible sword, completely devour.

Ye Chen, move!

Green lotus extinguishes the sky sword, the golden light explodes!

The power of breaking the sky is surging wildly in the body! And ye Chen's body, also along with this sword that cuts out, bumps into Yu Yan that turbulent sword idea!

Is Yu Yan a strong sword?

Strong!

Even ye Chen felt extremely dignified!

This sword is not even weaker than the meteor God sword that lingjiuxiao blessed with forbidden spirit Dharma body!

You know, although Ye Chen killed lingjiuxiao with a sword, his sword did not kill the meteoric sword.

At most, it can only be regarded as a close match. This is achieved with the help of Qinglian mietian sword, which surpasses the toughness of ancient artifacts under the blessing of great power.

Therefore, will ye Chen's sword be equal with Yu Yan?

In that case, ye Chen, it's really dangerous!

First of all, lingjiuxiao sword has severely damaged Ye Chen. Even though ye Chen's terrible constitution has not been fully recovered. Therefore, although he has completely refined the extremely evil spirit, his present physical state, in terms of vitality, is still one point worse than when he faced the spirit nine clouds that day.

What's more, now he has no crystal blue armor!

Don't underestimate the protection of a half step antique! Ye Chen broke Wu Shangshan's half step costume with his bare hands!

Even, in order to break down the half step ancient artifacts, he did not use the atomization magic power in the face of Wu Shangshan's attack. Instead, he exchanged injuries for injuries!

The most important thing is that he can kill lingjiuxiao with one sword. Another big reason is that although the forbidden spirit Dharma is strong, it may not be as good as himself in terms of vitality.

Finally, Qinglian mietian sword comes into contact with Xuanyun sword cut by Yu Yan

Suddenly, in Yu Yan's world of sword sense, which was originally extremely stable and powerful, suddenly appeared a terrible sword meaning with light divine power, as if it had the ability to create heaven and earth!

A dazzling blade flash in the eyes of all!

Click, click

A dark crack, emerging in the void, cracks, wind gushing, ice and snow howling, flame Teng!

The breath of destruction overflows, and the earth wails!

Shenxuanzong, a school of doomsday scene!

As if, this sword, can really destroy a world in general!

In this moment, Yu Yan's sword world, which made countless people tremble, collapsed!

One sword, one end!

Yu Yan's dark cloud sword light, which is approaching the extreme, has disappeared!

Ye Chen, a sword to kill!

On the face of the flame, he was filled with scorn, sneer, arrogance and so on. With the sword light, he turned into nothingness!

Now, his eyes only left with panic, panic to the extreme!

In a hurry, he only had time to sacrifice the half step ancient jade pendant hanging around his neck, but without waiting for the white light from the jade pendant, which contained the powerful sword light that made the gods and Demons tremble, he completely devoured Yu Yan!

Shen Yong and others, pupil shrinkage!

Ye Chen's sword is too fast!

What's more, they didn't even guard against it before ye Chen did it!

It's too late to save people now!

There's a big bang!

Yu Yan's body melted into blood mist and disappeared completely from the world.

Even the gods and spirits are dead!

Chapter 2496

Ye Chen's sword is equal to Yu Yan's sword?

Ha ha

Ye Chen's sword, indeed, is equal to lingjiuxiao's.

But!

Don't forget that ye Chen was in the forbidden spirit Dharma Realm with the blessing of Qingling pearl!
Can't display the sword meaning of the wind and breeze!

This is the real terror of the forbidden spirit realm! If not, in the face of lingjiuxiao, ye Chen will not be hurt at all!

Yu Yan is really excellent, but is he comparable to the owner of the supreme deity?

In particular, now ye Chen refined extremely evil spirit, strength is increased a lot, he and just advanced Yu Yan, the gap between nature is bigger!

Now ye Chen, with the power of breaking the sky, with the blessing of the endless weight of Qinglian mietian sword, displays the five Di swords. Its terror is unimaginable!

Ye Chen's sword shocked all the people in shenxuanzong!

Even Lin Yaqin, beautiful eyes, have emerged an incredible color!

Even with a touch of joy!

She unexpectedly, for ye Chen seconds killed in the flame, from the heart feel happy!

Faint, there is still a trace of proud?

For a moment, Lin Yaqin's pretty face, which was extremely pale because of injury, turned red

She is cold, has not experienced love, but, does not mean that she is completely ignorant

When can a woman be proud of a man's excellence?

Only when this woman has special feelings for that man?

At this time, Yu Shaoyou is really completely stupid. He can't believe that he looks at Yu Yan's sword and storage bag, but he only has despair in his eyes.

His pride, his vision from small to big, died in front of him

So dead

"Why?" Yu Shaoyou shivers all over and asks Ye Chen, "why!!! What the hell are you doing! To kill my brother

"Why?" Ye Chen's complexion faintly took away Yu Yan's sword and storage bag, "if he wants to kill me, I'll kill him. How can there be so many why?"

After that, he broke out again and covered Shaoyou like the Supreme God who judged ordinary people. He coldly asked Yu Shaoyou, "I'll ask you again. For the last time, you'd better answer me truthfully, whether you framed Lin Yaqin!"

In the face of Ye Chen's eyes, Yu Shaoyou's gaze at the devil who kills his God in his heart. Yu Shaoyou is simply afraid and dare not face to the madness. As long as he can escape from ye Chen, he is willing to do anything!

For a moment, Yu Shaoyou cried wildly. The whole person was scared to shiver on the ground and screamed: "it's me! it's me!!! Beg you! Let me go! Stop looking at me! Please, don't look at me again

Dao Xin breaks down!

Ye Chen, unexpectedly only with the authority, eyes, then pressure too empty, five layers of the day of Yu Shaoyou, Daoxin collapse!

How terrible is this?

Just like a demon!

Until this time, Shen Yong and others recovered from the shock!

"Ah, ah, ah, ah!" Shen Yong was full of grief and roared: "bastard! Kill my disciple, you, take your life to pay for it

Why not grieve?

The future of shenxuanzong has disappeared!

The hope of rising is dead!!

This is more painful than killing Shen Yong directly!

Shen Yong's breath of cutting off the enemy broke out completely, and his spiritual power was surging wildly. In the void, he turned into a palm beating hand, holding the boundless palm power, as if a huge mountain had fallen, and he was going to suppress Ye Chen!

Ye Chenchao, Shen Yong look, is also a condensation of vision, with his current strength, is not the opponent of the other side.

However, on his face, there was a sudden surprise and joy!

Because just when Shen Yong made a move, a tombstone in the samsara cemetery shook!

A strong breath surging out!

This! On behalf of, a new energy can be activated!

Not only that, but also a faint voice came from the samsara Cemetery:

"Oh? As soon as I come out, it's so lively outside? "

"Kill the enemy and seal the door?"

"Something."

"However, what I hate most is this kind of crushing which is superior to everything else!"

"It's just that I want to see the power of staying in this spirit!"

All of a sudden, Shen Yong, who was about to make a move, looks stiff! Even, faint, a little pale!

In the void, the huge palm that emerges also dissipates in an instant!

The crowd looked at Shen Yong and looked puzzled.

Even Lei Youwei looks at Shen Yong in a puzzled way.

This young man, indeed against the weather, is better than Yu Yan, but he can't be the opponent of Shen Yong who has cut through the adversity. Shen Yong killed each other, is it just a move?

Why, Shen Yong doesn't move? Why does Shen Yong's face still show a look of fear?

It's impossible. What can this boy do to threaten Shen Yong's followers?

Only Shen Yong knows!

Just now, he was ready to shoot Ye Chen at that moment, what was sensed!

.....

At the same time, the kingdom of heaven.

On the main hall of Tiandao palace, the atmosphere is dignified to the extreme!

Not long ago, none of the tiandaogong elders sent by Xuanyuan moxie survived!

Although the strength of these elders is not too high, they are more than enough to deal with the affairs of Lingwu mainland!

But failed!

Not only failed! Even when Xuanyuan ink evil was aware of something wrong, the downward punishment was useless!

What's more, the devil is likely to be resurrected!

How can Xuan Yuan Mo Xie not be angry!

The evil emperor was a threat in ancient times. If this resurrection, it would be the most troublesome thing at present!

These days, Xuanyuan moxie has been waiting for a person!

That's the only one who survived!

Only by waiting for Tianji Taoren to return to the kingdom of God, can we know what happened that day!

At the moment, a servant of Tiandao palace came up carefully, holding a jade slip in both hands.

"Lord of the palace, recently I heard that a strong man in the kingdom of God rose up and killed a Taixu deity owner in the selection contest. Some elders suggested that this person should be included in the Tiandao palace..."

The next words have not finished, angry edge Xuanyuan ink evil breath a shock!

The jade is reduced to powder in an instant!

Even the servants have completely disappeared in the world!

On the jade slips which are turned into powder, ye Chen and Ling jiuxiao's amazing battle are recorded!

"I don't want to see any information today. I just have to wait for Tianji Taoist."

Ten minutes later!

An old man in Taoist robes comes late.

It was the Taoist who was in the demon clan that day!

Xuanyuan ink evil eyes excited, quickly stood up and said: "God, what happened that day! You made me wait so hard! Say it as soon as possible! "

A trace of solemnity flashed through the eyes of the Taoist priest, pretending to be melancholy.

A few seconds!

Suddenly, he slapped himself heavily in the face!

"Ah, palace master! In order to find the younger martial uncle, I came late in that war! I'm damned! I can't forget that scene for a long time. All the elders of Tiandao palace blew themselves up in order to kill the devil emperor! "

"Even if I obstruct them, they are determined to push me away. The palace master must treat their descendants better."

"As for the result, the evil emperor was seriously injured, and the last step of the real body cohesion failed! But he's still alive! To live in the form of a remnant soul, but it is not enough to fear at present! "

Xuanyuan ink evil slightly happy, those elder's life and death is not important, the devil emperor's failure is a good thing!

However, he has to find a way to erase the ghost!

All of a sudden, he thought of what: "that day, I vaguely perceived the existence of the mysterious seal gate youth, what happened to him?"

Tianji Taoist frowned and pretended to be puzzled: "ah? What youth? I didn't see any young people that day. Could it be that I happened to pass by? "

"What's more, how can sealing doors participate in this kind of battle? I'm afraid it will be a dust as soon as we enter it."

Xuanyuan moxie was staring at the Taoist priest of Tianji. He felt something was wrong, but he couldn't say it again. He still said, "Taoist Tianji, are you sure? Is that right? "

This time, Tianji Taoist was a little displeased. He waved his sleeve and raised his right hand: "I swear to the grandmaster that if I lie, I will tell you the truth..."

Words have not finished, Xuanyuan Mo Xie interrupted: "Tianlao, do not need to be so, I believe in Tianlao."

The Taoist priest nodded and left: "I will not disturb the palace master. The Taoist temple has not been to see it yet..."

At the moment of turning around, Tianji Taoist priest's forehead was covered with beads of sweat, and he said in his heart: "it's good that I haven't been found out. I nearly lost my life for the sake of the younger martial uncle. I'm afraid the younger martial uncle is already in the Kingdom of God."

"I'm a Taoist of heaven's chance. Today, I'm doing this kind of furtive business, and I slapped my face a lot for acting! Do evil

"Go back and copy the Taoist talisman to make atonement. It's not a long-term plan to go on like this. You must find younger martial uncle as soon as possible..."

Chapter 2497

A mountain above the kingdom of God.

The mountains are surrounded by clouds and clouds, which go straight into the sky.

If you look closely, you will find that there is a strong array of eight trigrams around the mountain.

Here is the Taoist temple.

A temple in the depth of Tianji Taoist temple.

Nothing.

Only an old man in a Taoist robe.

The old man sat cross legged with tortoise shell, array plate and Bagua stone in front of him.

Obviously, Tianji Taoist wants to deduce the whereabouts of others!

Suddenly, the Taoist opened his eyes and flashed a cold light!

His thin fingers moved quickly, three drops of blood essence suspended!

Finally, it scattered itself!

Tortoise shell, array plate and Bagua stone are suspended together!

Strange waves ripple.

A picture leaps out!

It was the scene of shenxuanzong!

When he saw the picture, ye Chen faced such a strong enemy, and his anger burned in his heart!

"What garbage door, dare to move my uncle!"

In the eyes of Tianji Taoist, ye Chen is his uncle!

Otherwise, I won't lie in front of Xuan Yuan Mo Xie!

Now the martial uncle is in trouble. How can he wait to die!

Tianji Taoist just wanted to tear the void, but suddenly realized something!

Outside the Taoist temple, there is a strong man coming from the heavenly palace of the kingdom of God!

He snorted coldly and closed the void: "it seems that Xuan Yuan Mo Xie is not so easy to cheat, but also sent someone to watch me!"

He thought again and again, or cross legged sit back to the original position, watching the picture!

He won't rush to the last minute!

"Uncle, look at you!"

.....

Turn the screen, shenxuanzong!

Shen Yong, the leader of shenxuanzong, looked at Ye Chen in front of him and subconsciously stepped back!

Because of the breath that ye Chen releases!

So

That's the original breath of the strongest

There's more than one damn key!

These are the two most powerful beings!

One of them he couldn't even imagine!

This kind of original breath, but at least only can be condensed by those who cut off the adversity!

And the breath that ye Chen releases on the body, can not just cut the bad situation so simple!

The main reason why Lei Yunpeng can keep his life in Lin Yaqin's hands is that he has a ray of thunder in his body!

That is to say, Lei Yunpeng met Lin Yaqin, who was born with a murderous spirit. Due to the restraint of congenital murderous Qi to all kinds of breath pressure, she was affected by the original Qi, which would reduce a lot!

Otherwise, Lei Yunpeng may not be hurt by the general Taixu martial arts practitioners!

Moreover, Shen brave affirms the strength of these two strong men, still be above Lei Youwei!

Because, Lei Youwei did not feel the breath, only to Ye Chen's own hand, induction!

Immediately, Shen Yong took his breath, lowered his head without saying a word, and stopped looking at Ye Chen.

Ye Chen's background is not something he can afford! It's not that he can't stop shooting, but he dare not!

In his conjecture, ye Chen is at least the core disciple of the third class forces to get the original Qi planted by the most powerful?

If ye Chen knew what Shen Yong was thinking, he would laugh at his stupidity!

Can you keep shooting?

The two original breath just now, because Shen Yong stopped early, didn't break out completely. Only one percent, one thousandth of breath, scared Shen Yong out of his hands.

As for where these two breath come from!

One is the power of reincarnation!

As for the other one, it comes from Tu Lan Xin!

Not to mention the reincarnation graveyard power, if Tu Lanxin left this original breath on him completely, don't say it's a move!

Shen Yong, who is not even a warrior in the middle of the disaster area, will probably be killed by that breath!

Brief absence! Ye Chen comes to the samsara cemetery.

Now there are four great powers in the samsara cemetery!

The first is fengqingyang, but now fengqingyang is very weak!

Talk as little as possible!

He wants to gather the last strength and teach Ye Chen the ultimate sword technique! Six swords in one!

The second is the ancient god of medicine.

The third one was the early appearance of Kunlun Xu, which gave Xiao Huang great power of blood essence and strength!

As for the fourth, he is the one who has just awakened!

At this moment, this great power has appeared above the tombstone!

This big energy looks like forty-five years old, with his hands behind him and his ink hair falling on his golden robe! There is a strong sense of war all over the body!

His whole body exudes the same cold temperament as his sword! For example, the three-dimensional facial features carved by a sharp knife emit a cold breath, and the eyes that are too deep to see the

bottom are shooting at the blade!The simple stop of this great power is to let Ye Chen flow with a strong sense of war!

Even beyond the existence of life and death!

Ye Chen quickly arched his hand and said, "Ye Chen has seen your predecessors! Thank you for your help

This great power is different from the ancient god of medicine, but not too much stubborn, a few hearty smile!

"I'm a tyrant. I can't see people who are arrogant in my life."

"Besides, I didn't do too much just now!"

"Boy, there is a strong breath in your body, which is enough to shake off the people outside."

"I will not intervene in this matter any more!"

"This is the reincarnation cemetery? What a wonder

Suddenly, the fierce overlord's eyes fell on the ancient god of medicine!

In an instant, my eyes became angry!

And the ancient medical God coughed and returned directly to the tombstone!

Obviously hiding from the tyrant!

The fierce overlord is full of fighting spirit. Kill the opportunity to release!

"Ancient medical God, you are here

"Just right! Let's settle the old scores today! "

In a flash, the samsara cemetery set off a gust of wind!

Ye Chen has no choice but to return to reality directly.

It seems that there are still some stories about the ancient medical God and the crazy overlord.

.....

Shenxuanzong.

Ye Chen ignores Shen Yong and kills Yu Shao you, who is the collapse of Daoxin.

Another one!

Just kill another one!

There's no law!

A seal door that didn't know where it came out was actually killing people one after another in the hall
God Xuanzong?

It's just like a god of death coming out of thin air. It's incredible!

"Don't swim!"

Lin Jiu, the master of Yu Shaoyou, saw that ye Chen was going to stop Shaoyou, but Shen Yong stopped him!

They've already offended a ray family! We can't provoke a force equal to or even above the Lei family!

Lin Jiu watched helplessly, his beloved disciple was killed by Ye Chen, and his face could not help but look sad.

Shen Yong, however, was under the flash of his eyes, attached to Lin Jiu's ear and said in a low voice: "Lao Lin, don't worry. Let's have a look first. Maybe we don't need to start to solve this boy!"

He can see clearly that ye Chen is after Xu Menghua attacks Shaoyou angrily and questions Shaoyou.

Then it is very likely that ye Chen came for Lin Yaqin!

Ha ha

For the sake of Lin Yaqin, ye Chen is bound to be on the Lei family!

Well, there's a good show to watch.

Chapter 2498

He is afraid of Ye Chen, but the Lei family of a higher level, will he?

And at this time ye Chen, actually is directly under the public's eyes, toward that high platform to walk!

"Stop!"

Lei you for a low drink, look gloomy to Ye Chen, breath faintly send out a way: "boy, what do you do?"

Ye Chen's face was expressionless and looked at each other. For the breath of Lei Youwei, he did not have the slightest fear. He said faintly: "save people."

Play?

Ha ha

He is full of Tu Lan Xin's original spirit. Even if he kills the enemy, it will not affect him at all!

But Shen Yong hears speech, double eyes a bright, as expected Ye Chen is to save people and come!

"Save people?"

Lei Youwei disdains to smile, ye Chen's talent really makes him feel thrilled, but again frightening, it is just a sealed door, thinking that he killed a too empty in the flame, everyone should give way to him?

Although it's strange for Shen Yong to stop suddenly, what if a garbage Lord like Shen Yong shrinks?

Lei Youwei and Shen Yong are not at the same level.

And the boy who doesn't know the sky and the earth in front of him even wants to save people from the Lei family?

You're in your head, aren't you?

Lei Youwei looked at Ye Chen contemptuously and said: "boy, there are people outside, there are days out of the sky. You have some talent. However, you don't think that if you kill a small too empty existence, you will let my Lei family give in?"

Sometimes ignorance can bring courage. You don't know how terrible my Lei family is? Lei's family is superior to the existence of shenxuanzong. Do you understand? If I want to, I can vanish thousands of sealed doors in an instant! "

"Although you have proved that Lin Yaqin was designed by someone, you don't think so naively that Lei's family will not be investigated for this?"

This bitch, hurt my son, she must die! Today, my Lei family, if she wants to die, no one can save her! What are you, worthy of saving people from my Lei family? You'd be a dead man now if you hadn't got some talent, you know? "

Lei Youwei didn't directly attack, but he didn't want to offend those forces because there were always some forces behind such outstanding young people as ye Chen.

Can, that is in the case that ye Chen knows how good or bad, won't toast not to eat and eat wine, if ye Chen must save Lin Yaqin?

Then die with Lin Yaqin.

Indeed, it is more advantageous to make friends with genius than to kill it directly, but that is when there is no conflict of interest!

At present, ye Chen wants to save Lin Yaqin, so it is to have a conflict with Lei family!

He Lei Youwei, but also afraid of a small seal?

Joke!

All the people on the square looked at Ye Chen. I don't know how he would answer.

At this time, ye Chen, after listening to Lei Youwei's words, actually laughed

Scorn, scorn, scorn.

Everyone is a Leng, ye Chen smile what?

Isn't Lei Youwei right?

What's so funny?

Lei Youwei's face is a little ugly and gloomy

Ye Chen's smile is dazzling.

After a lesson, ye Chen not only did not bow his head, admit his mistake, even show this kind of smile?

How many years, no one dare to smile in front of him like this?

At this time, ye Chen slowly opened his mouth.

He looked into Lei Youwei's eyes and said only six words.

But these six words, but in the square of shenxuanzong, set off ten thousand Zhang waves!

What did ye Chen say?

On his face, with a faint smile, he said, "what are you installing?"

Is it important for ye Chen whether Lin Yaqin has been framed?

The reason why he asked Shaoyou was that he didn't want to let the villains be carefree. As for Lei's family?

Ye Chen, from the beginning to the end did not put in the eye.

Even if Lin Yaqin was not calculated, even if not seriously injured, but completely killed Lei Yunpeng, so what?

It's just Lei Yunpeng. He's looking for death!

He still wants to save Lin Yaqin!

Shenxuanzong's disciples are completely afraid and shocked. It's incredible!

Just think about the consequences of saying these six words to a homeowner of such power, their cold sweat has come down!

But ye Chen, in front of Lei Youwei's face, said these six words!!!

They're going to blow their heads!

This talented warrior who killed Yu Yan is really crazy!

Crazy to the end of the sky!

Even Shen Yong looks at Ye Chen in disbelief. He has thought that ye Chen may have a conflict with Lei Youwei, but he has never thought of such a conflict!

Ye Chen's madness is far beyond his expectation! However, for ye Chen such behavior, he is secretly shaking his head.

Ye Chen is a bit stupid in his eyes!

In his guess, if ye Chen is to move out of the power behind him, treat Lei Youwei with courtesy, and then give Lei Youwei a little face, give a step down, it is possible to let the Lei family give way to Lin Yaqin!

If ye Chen has a little brain and is good at circumspect, this matter can be resolved peacefully!

But now?

In front of so many people, ridicule Lei Youwei, or so direct, so merciless ridicule! That is, we must not die!

Where can Lei Youwei, who has been on the top for a long time, bear such ridicule?

What's the use of a man like Ye Chen, no matter how strong his talent is?

No matter how talented he is, he can't save his arrogance!

This kind of person has no chance to grow up at all!

Although martial arts practitioners respect martial arts and their strength is supreme, they are also human beings and need to get along with others! The ability to deal with people, sometimes, can really determine a person's fate ah!

You don't need to be very communicative, but! The most basic advance and retreat, also want to understand?

Trees show in the forest, the wind will destroy it!

Ye Chen, this is not mu Xiu Yu Lin any more!

It's just a damn thing. It's going to grow to the sky!

Can it not be broken?

However, this scene is exactly what Shen Yong is happy to see!

Ye Chen destroyed the hope of shenxuanzong and killed his most promising disciple. Of course, he wanted Ye Chen to die. The worse he died, the better!

Otherwise, how can he get rid of hatred? What's better, let the forces behind Ye Chen fight against the thunder family and kill each other!

Although, this time shenxuanzong has prepared to execute Lin Yaqin and make amends to the Lei family, he still offended the Lei family!

Lei's family is not destroyed. He is upset!

If the force behind Ye Chen killed the Lei family, it would be bloodless, and it would remove the great trouble of a god Xuanzong!

He knew that he did not dare to attack Ye Chen, but Lei Youwei was different from him!

However, it's hard to see the strength!

Ye Chen's original Qi can frighten him, but he can't be deterred by Lei Youwei!

At this time, Lei Youwei has been in a state of rage, and there will never be any possibility of keeping hands!

Ye Chen, you must die!!!

Chapter 2499

Sure enough, Lei Youwei has a pair of triangular eyes. His eyes are about to stare out of his eyes. His eyes are full of bright red blood. He is so angry that he almost wants to ignite his spirit!

Her thin body began to tremble. In front of her body, the table made of the highest quality wood in the shenxuanzong clan, burst into powder in an instant!

Originally to Ye Chen behind the influence of what scruples, worry, all by Lei Youwei left behind!

At this moment, his brain is blank, full of only one idea!

That is to kill Ye Chen!

Immediately, this dare to their own disrespectful boy, die into slag!

At the next moment, Lei Youwei will do it!

The wind and cloud, the moment, the air of terror!

Under the impact of that magic like breath, all the disciples of shenxuanzong, without exception, vomited blood, fell to the ground and fainted!

What's more, the breath is not directed at them at all!

They are just affected

The target of Lei Youwei's breath is Ye Chen!

I can't imagine how strong the pressure Ye Chen is now under!

The only shenxuanzong disciple still standing is Lin Yaqin on the platform!

However, on her pretty face, there is also a very reluctant look!

Inborn murderous Qi, this to each kind of breath pressure, has incomparably powerful restraint function!

Yes!

No matter how restrained, there is a limit!

Even if it is a congenital murderous spirit, it can not be completely restrained!

What's more, Lin Yaqin's spiritual power is still imprisoned!

It's a miracle that Lin Yaqin can still stand!

Even if it's clattering, it's all over the body!

Can, at this time, Lin Yaqin, but the condition of their own body, no slightest concern, a pair of beautiful eyes tightly staring at Ye Chen!

Eyes full of anxiety!

In the face of the flame, ye Chen can win the battle, although almost miraculous, but also let people have the space to understand!

What about Lei Youwei?

There is no possibility!

Is Ye Chen really going to die?

But! At this time ye Chen, can still stand!

Moreover, on the face, also maintains the cool color!

Lei Youwei's breathtaking breath is just like a breeze blowing his face to Ye Chen.

"Younger generation, you dare to insult me!? Today, I'm going to let you know the horror of the chaotic strong

Lei Youwei drinks and punches!

"Magic fist!"

One punch, ten thousand demons!

In the whole shenxuanzong, the sound of ghosts crying and Demons roaring everywhere! Black clouds rolling, wind blowing, evil spirits rolling! Countless ghosts, ghosts, crazy flash! Purgatory!

Shen Yong and others were trembling, and their faces were full of horror!

They are not dead, but it seems that they have fallen into the nether world and their life is exhausted!

In their eyes, it seems that they all saw their bodies burst and died miserably, and their spirits fell into the future of endless torture!

Magic boxing is a real ancient martial art!

It's written by Lei Youwei, a martial artist. It's even more powerful!

Before the seal in the void had fallen, countless buildings collapsed and the earth cracked in shenxuanzong!

Ye Chen's pupil shrinks, but his fist is extremely strong. Even if he uses his vitality to exert his magic power of atomization, he will be killed by Lei Youwei?

Lei Youwei has been on long live this year. Although he is not good-looking, he can be regarded as a strong man in the kingdom of God!

Ye Chen strength progress, although fast to the extent of the sky, but with the Shenguo this old brand strong gap, like the abyss!

However, ye Chen, do you need a hand?

There was a sneer at the corner of his mouth.

Indeed, he does not like to bully others, like to rely on their own strength to solve problems.

However, in the face of Lei Youwei's goods, sometimes it's interesting to take advantage of it, isn't it?

Think about it, Lei Youwei has the strength against the sky, but dare not to the appearance of Ye Chen?

Ye Chen, all want to laugh.

He likes to see others unhappy, but he can't beat him!

In the sky that terrible fist seal, about to hit Ye Chen, suddenly, a strong breath, suddenly from ye Chen body, burst out!

Indistinctly, behind Ye Chen, a tall woman with a black skirt appeared. Her cold eyes swept away the countless shadows and the ghost shaped fist print.

In an instant, the sky and the earth were clear and bright, and the sun was shining. All the clouds, the wind and the evil spirits were all dissipated, not even a trace of them remained!

As if everything just now is an illusion. The impression of the fist in the void was completely lost under the shadow of the woman!

Looking at Shen and others, Ye is stunned!

Especially Shen Yong!

This

This is the hell! Where is what kind of influence core disciple can have original breath ah!!!

What kind of strong man, only by breath, can eliminate the invisible with a blow from the enemy?

It's horrible!

What a pervert!

What is the origin of Ye Chen?

Isn't it the son of a super clan from Shendu?

Shen Yong, even began to tremble, he Just now, he seemed to have spoken ill of Ye Chen, and even had the intention of attacking Ye Chen!

Although, because ye Chen killed his disciples

But!!!

This, for the son of a super big family, is a death penalty!

It's the death penalty of killing the whole clan!

How could he not shake? I just want to get down on my knees and apologize!

But originally also angry, regardless of everything Lei Youwei, at this time, but as if by cold water general, instantly calm down!

He stares at Ye Chen in disbelief, and finally understands why Shen Yong stopped suddenly just now!

According to Lei Youwei's insight, the original flavor just now probably came from the strong among the extremely powerful forces!

Otherwise, even if the power is higher than him, it is impossible for a strong person in the same force to wipe out his fist seal just by glancing at the illusory shadow of the original Qi!

The potential is higher than the sky!

If ye Chen really has something to do with the powerful people of such forces, it is not his Lei family that can be provoked!

If he had known that ye Chen might have come from such a force, let alone Lin Yaqin, he would have let the Lei family apologize and make amends to Lin Yaqin!

But now, the situation is different!

Why?

He and Shen Yong are different, is the real to Ye Chen's hand! Although did not cause Ye Chen to be injured, but also enough to let Lei family destroy the door, at least, also want to let him die miserably to repay!

Lei Youwei's eyes flash wildly! He's scared! I'm sweating all over my body!

Gradually, his eyes were gloomy and fierce. His face was cloudy and uncertain. He seemed to be hesitating about something

Chapter 2500

Why?

Since everything is dead, it's better not to do it at all! Two endlessly!!!

Since, already and ye Chen knot Liang Zi! You can only tear your face completely!

Of course, if you want to kill Ye Chen, I'm afraid he has no ability to do it

However, he Lei Youwei, can walk to today, how can any backhand have no?

Just do this, will use up one of his cards!

A very precious card!

He didn't want to do it until he had to.

Therefore, Lei Youwei decided to try it out before he made a move. If it could be solved peacefully, naturally, it would be better

As for face?

Ha ha, he Lei Youwei has come all the way. I don't know how many humiliations he has endured, so that he can live to this day and grow into a strong man who can cut through adversity!

Face? In front of interests, it's just a fart

He looked at Ye Chen with flashing eyes and said, "this Young master, I dare to ask you, are you from the third class? Can you tell Mr. Lei, who is the strong one in your family?"

Leimou seems to be quite familiar with the original Qi just now. Maybe your elders and Lei are old friends? Just now, I've offended you. I'm afraid that the flood has washed into the Dragon King Temple, and my people will hurt their harmony? "

The pupil of Shen Yong and others shrinks!

The identity of Ye Chen is really not simple!

Lei Youwei is obviously soft.

Ye Chen smell speech, almost all want to laugh out a voice!

Hehe, quite familiar?

Are you old acquaintance with Lei?

The flood washed the Dragon King Temple?

The thunder has a bright future, and his face is really thick to the sky!

This is Tu Lanxin's breath!

Don't say it's acquaintance. Ye Chen believes that as long as Lei Youwei knows Tu Lanxin's appearance, he will never dare to say such a thing!

Do you want to make friends with the strongest of the first-class forces?

A thousand Lei's family will not be destroyed!

However, he knew that Lei Youwei said this, which should be mistaken for Tu Lanxin's original gas from a strong third-class force.

Thinking of this, ye Chen can't help laughing. Tu Lan Xin's original spirit is really interesting.

In the face of opponents with different strength, they will release the breath of different strength!

If it is completely released, what just disappeared is not Lei Youwei's fist seal!

Even Lei Youwei himself will die to death!

However, in that case, the consumption of the original gas will be even greater.

After all, the source of Qi, in the final analysis, belongs to external forces, is Tu LAN heart into Ye Chen's body, can not be endless.

Ye Chen looked at Lei Youwei and said with a disdainful smile: "dress up, then dress up!"

No face at all!

Ye Chen, is it necessary to give Lei Youwei face?

To tell you the truth, from his identity, it is easy for him to step down on Lei's family. How can a disciple of first-class forces be humiliated at will?

However, it is not ye Chen's character.

Take advantage of the situation to bully Lei Youwei, yes, but with the power of the clan, destroy the whole family?

There is no need.

Lei Youwei's face changed severely. He had already softened up and apologized, but the boy still hit him in the face like this?

Shen Yong and others can't help but swallow a mouthful of saliva. They are scared by Ye Chen's madness again.

Anyone can hear the meaning of Lei Youwei's words. At this time, ye Chen can dissolve everything as long as he follows Lei Youwei's words and compliments!

But what about ye Chen?

Don't say you don't give the steps, you just kick the steps!

However, at this time, Lei Youwei's eyes in the dignified, but weakened a point.

Why?

Because, according to his experience, the children of high schools and big schools attach great importance to their own power and rank. I just asked him whether they were third-class forces, just to test out!

What about ye Chen? Although mercilessly ridiculed, but, did not refute!

If they were the children of a more powerful force, would they not refute it?

Just now, if ye Chen refuted and reported the power behind him, Lei Youwei might have really admitted his advice and did not dare to have any idea of resistance any more.

But ye Chen, no!

Well, he's probably right!

Ye Chen is probably the son of the third class forces!

Lei Youwei's eyes twinkle. His Lei family really can't compete with this kind of force. But, do the disciples who suppress one need to compete with such forces?

He Lei family, can exist for so long, also do not rely on the Lei family itself!

At this time, ye Chen is walking towards the high platform. He just wants to save people. As for the people who hurt him in the Lei family, he will find Lei Youwei in person in the future.

But all of a sudden, in front of Ye Chen, the figure flashed! Lei Youwei blocks Ye Chen's way with a sneer on his face!

Ye Chen Mou, cold light flash, cold way: "looking for death?"

Normally speaking, ye Chen can't take the initiative to mobilize Tu Lanxin's original Qi in his body, but can ye Chen use normal language?

There is a samsara cemetery in his body. As long as one of the great powers can be borrowed temporarily, Tu Lanxin's original Qi can be mobilized. Although this will probably exhaust the original Qi, he is sure to kill Lei Youwei!

However, his current strength has killed Lei Youwei. Although he can frighten the people of Lei family as a disciple of shenjizong, who can guarantee that after Lei Youwei dies, there will not be any madman in Lei's family who will kill him recklessly?

His current strength is not enough, a chopper may threaten his life!

Therefore, for the time being, he did not intend to use the original Qi to kill Lei Youwei.

Of course, this is Lei Youwei, who does not take the initiative to seek death!

"Looking for death?"

When Lei Youwei heard the speech, he actually laughed: "is this the demeanor of the third class disciples? As expected, it is crazy, crazy to the boundless ah! How could he say "looking for death" to a strong man who killed him

"Do you think you are invincible if you are supported by the forces behind you? Don't you think you're bothering me

"The clan behind you is really powerful, but as I told you, there are people outside and there are days out of the sky. Do you remember that?"

"Boy, you look down on me. Ray has a purpose, you know?"

"Today, I will not only kill this bitch, but also you, kneel down in front of me and apologize! Do you believe it or not? "

With that, the light in Lei Youwei's hand flashed, and he actually held a message jade Rune!

Lei Youwei held the jade talisman in his hand and sneered at Ye Chen: "boy, do you know who I will contact after I activate this jade Rune?"

Looking at Ye Chen's silent appearance, Lei Youwei's sarcastic color on his face became thicker and disdained to say: "third class forces? Hehe, the kingdom of God is very big. The third-class forces can't run rampant in the kingdom of God. Otherwise, it's easy to hit the iron plate, you know? "

"I, this jade rune, can contact the person, is you can't imagine powerful, behind its power, is you can't imagine terror!"

"This man is long Chen, the little patriarch of Longyuan clan! Moreover, I can tell you, long Chen is in this flower city

"Are you afraid?"

Ye Chen smell speech, slightly a Leng, then, its look to Lei Youwei's eyes, have become a little strange, the corner of the mouth can not help but raise a trace of strange smile.

He was a little curious about what kind of expression longchen would look like when he saw him

Because long Chen is one of the three powerful men kneeling down to him in the selection contest!
