Chapter 2501

.....

Flower City

in a delicate loft, longchen is holding a woman, and the woman is gently feeding lingguo to longchen, enjoying it incomparably.

But even so, long Chen's face, it is a thick restless color!

He stood up abruptly, snorted coldly and waved his hand, which directly smashed the stone table full of spiritual fruits! Vent the heart of the oppressed bend, uncomfortable!

How can we not hold back?

He was the third class leader of the dragon Yuan clan. However, under the gaze of countless pairs of eyes on the fighting field, he gave a seal to a man and knelt down!

His face is completely lost!

But what can be done?

Ye Chen, now he is a disciple of the first-class forces! Tu Lanxin is still a first-class disciple who is favored by Tu Lanxin. Ordinary disciples can't compare with him!

I can only bear it!

At this time, the Dragon Chen look moved, took out the message jade Fu.

"Lei Youwei?"

Long Chen looks at the Linghui on the jade Fu and frowns slightly.

Lei Youwei helped him once in those years. He had promised that the other party could do it for him once. After the trial, Lei Youwei suddenly invited him to Huacheng. Long Chen was humiliated in the selection competition. It was just when he was upset that he came to Huacheng to have a rest.

But this old guy, at this time, how to contact himself?

"It's me. What's the matter?" Long Chen picked up the jade talisman. After a moment, he put it away. His disgust and disdain flashed in his eyes, and said coldly, "what kind of rubbish should I do to deal with such a rubbish force? Well, it's just that I want to kill people and let off steam. I've done it once for this rubbish. "

After that, longchen's body moved and disappeared from the attic.

At this time, in the shenxuanzong.

Shen Yong and others, looking at Lei Youwei, put down the jade Fu in his hands with a sneer on his face. His face was full of shock and panic!

So But the real third class forces!

And it's still very far ahead!

Ordinary Shenguo warriors have no chance to contact people with first-class or even second-class forces. The third-class forces are the most terrifying existence in their impression! Each one can suppress the existence of a region!

What's more, the person called by Lei Youwei is not an ordinary disciple of the third class forces, but a little patriarch of the third class forces!

Just thinking about it makes people tremble!

According to Lei Youwei, the young people in the Fengmen realm come from ordinary third class forces?

Well, he's dead!

Strange, can only blame him too crazy, also too bad luck!

Who could have thought that the leader of the Lei family could have a relationship with the little patriarch of the third class forces?

It's incredible!

But, in fact, that's it!

Shen Yong has some regrets. What he hopes is that the forces behind the Lei family and ye Chen are in conflict, rather than that ye Chen is crushed to death by the little patriarch of longyuanzong. However, it is also a relief to his hatred!

Lei Youwei misunderstands the strange color on Ye Chen's face, thinking that the boy is finally afraid. The disdainful smile on his mouth can't help but become stronger and more sure that ye Chen comes from the ordinary third class forces!

Lei Youwei sneered: "boy, why not be crazy? You know, scared? Don't worry. As I said just now, as long as you kneel down and apologize, I will forgive you, you know? "

The so-called weeding is to let Ye Chen know that he is the existence he can't afford, and directly subdue Ye Chen! Let him never offend his courage again!

If you kill Ye Chen directly, it's not good. After all, it's a powerful force behind Ye Chen, isn't it?

Even if Long Chen protects him, Lei Youwei is not sure what will happen to his Lei family.

He looks at Ye Chen's appearance, more and more proud, he Lei Youwei has been around for thousands of years, how can he not have a little skill? Do you really think that relying on the forces behind me can subdue me?

Shen Yong several people, all look to Ye Chen, do not know, what he will do, even Lin Yaqin is also beautiful micro Cu.

At this time, Ye Chen, however, has a faint smile on her face and asks Lei Youwei, "are you so sure that this Long Chen can help you?"

Lei Youwei heard the speech, as if he had heard the biggest joke in the world. He laughed and said, "you mean the identity of Mr. Long is not as good as you?"

You're going to pretend, kid? You're real. You're not afraid to die? Well, you tell me, what kind of forces do you come from? As long as you can say it, I don't want to stop you from saving that bitch. Now, I will kneel down to you and her and apologize, OK? "

Ye Chen looked at Lei Youwei calmly and said, "I am under the door of God Jizong."

Silence

Ye Chen said this, God Xuanzong's Square, it seems, even the wind is forbidden.

However, the silence lasted less than one breath. The next moment, the God Xuanzong, then burst out a burst of laughter!

Earth shaking laughter!

The laughter of the Lei family!

The loudest smile is Lei Youwei. He almost has to bend to the ground!

This boy, you have to pretend. You should act like a little bit!

If ye Chen said that he was a third-class sect, or even a second-class, Lei Youwei, he would think about it a little bit. Could he be a disciple of first-class forces?

Ha ha

When they're idiots? Can you make a fool of yourself?

It seems that the boy is so crazy. It's not unreasonable. He has a brain problem.

Shen Yong and others also slightly shake their heads. Ye Chen pretends to be too much. In doing so, he only loses face.

Even they, the existence of such forces, all know how the first-class forces exist, let alone Lei Youwei?

Ye Chen pretends so, but it's just self humiliation.

Is a pig, can see that ye Chen is bluffing!

Even Lin Yaqin also moved her eyes slightly. In her beautiful eyes, she was gloomy and disappointed.

She doesn't want to believe Ye Chen, but ye Chen is obviously saying an impossible thing. After all, she knows more about ye Chen than others. She knows that ye Chen was just a warrior in Lingwu land not long ago. It is a miracle that she can come to the kingdom of God. Where can I join the first-class sect?

And she, most dislikes those full of big mouth, bravado man.

She even, have some doubts, did she look out of sight?

Ye Chen, is not the man she imagined? It's just that you're a very shameless person who can pretend?

Lei Youwei finally stopped laughing and said with a smile to Ye Chen: "boy, you haven't seen a first-class top-level sect door, don't take a first-class door to install, OK?"

You think you have some talent, strength is incomparably beyond the realm, how to pretend, people believe it? Do you know the entry requirements for the first-class disciples?

Even the factotum disciples are the existence of Taixu state! Just you, a door blocker? Are you still a first-class disciple? Do you want to laugh me to death? "

Chapter 2502

They all nodded secretly to say that ye Chen said that he was a disciple of shenjizong. If there is any fatal loophole, it is his cultivation!

Ye Chen is really amazing! Fengmenjing, he has the strength comparable to his Taixu state, which is really frightening! Against the sky to the extreme!

To tell you the truth, ye Chen is well regarded by the first-class forces. However, the first-class forces in the kingdom of God have the rules of the first-class forces. Even if ye Chen is such an extremely amazing monster, he will be allowed to enter the subordinate forces. Only when his accomplishments reach the minimum entry standard will he be admitted to the family.

Otherwise, it is easy for other disciples to disobey!

Ye Chen smell speech, eyes slightly flash, silent.

Is there such a thing?

He couldn't help but feel frightened.

It's not that the threshold of the first-class forces is so high, but that Tu Lanxin's status and identity in shenjizong is really amazing!

Tu Lanxin put himself in the door of God Jizong. Unexpectedly, he broke the rules of the first-class forces!

This is not what anyone can do!

I'm afraid that even the elders of the supreme sect can't do this at will?

So, Tu Lanxin's status in the clan is comparable to that of the patriarch?

Think about it, ye Chen can't help but swallow a mouthful of saliva.

And Lei Youwei and others only regard Ye Chen's silence and reaction as the gaffe after being exposed the truth!

Even when Lin Yaqin saw Ye Chen's appearance, he let out a slight sigh and turned his head completely, no longer looking at him.

At this time, a strong breath came from the sky of shenxuanzong. A figure flashed and appeared in the air.

When they looked up, they saw a handsome young man in a robe embroidered with dragon patterns, standing out of thin air!

At the moment of his appearance, even Lei Youwei, who cut through the adversity, felt a burst of depression in his heart, which showed the horror of his strength!

When Shen Yong and others saw him, they even felt the impulse to kneel down and worship directly!

It's like seeing God!

This man is the Dragon Chen!

Lei Youwei was overjoyed when he saw longchen. His figure flashed and he appeared beside him. He saluted longchen respectfully and said, "master long, are you here?"

Long Chen glanced at Lei Youwei faintly and said coldly, "Lei Youwei, you are also a good master of the family. In such a family, will you encounter problems that need to be solved by my child?"

In my opinion, your Lei family is going to decline. "

People are slightly surprised, this dragon Chen, to Lei Youwei, is completely regarded as his subordinates, vassal general ah, even direct mouth ridicule?

What's more shocking is that, in front of long Chen, the master of Lei's family is really like a dog's leg. He nodded and bowed down and said, "I'm incompetent. Mr. long taught me that!"

Shen Yong and others are taking a breath of cool air. How terrible is this dragon Chen!

Dragon Chen impatiently waved his hand and said: "well, just this child is bored, want to kill a few people to vent fire."

With that, he looked at the square of shenxuanzong and said, "these are the..." His eyes swept over Shen Yong and others one by one, and his face became more and more contemptuous and disdainful. He was a little too lazy to do anything like this

But all of a sudden, the voice of longchen stopped suddenly!

Even his pupils trembled wildly, and the cold sweat on his forehead was like rain!

What did he see?

That nightmare in the selection contest, how can it appear here!!!

Is he hallucinating?

And at this time, ye Chen, but with a cool smile to look at long Chen.

Long Chen pulled Lei Youwei by his side, held out a trembling finger, pointed to Ye Chen, and asked, "you, you, you Can you see that man? "

Lei Youwei looked at longchen suspiciously and said, "Mr. long, I'm looking for you this time to deal with the boy of the third class? What's the matter with you? "

Does this kid look like the dead brother of Mr. long?

Why does Mr. long lose his temper when he sees him?

Long Chen hears Lei Youwei's words, complexion instantly pale, a pair of expression that is about to cry out.

Third class forces?

How to deal with it?

If Lei wants to die for his own fuckin 'sake, why should he be pulled up?

Now he really wants to shoot Lei Youwei to death with one slap!

At a time when people don't know why longchen behaves so strangely, ye Chen speaks faintly.

"Mr. long, I heard that you are here to deal with me? Yeah? You want me to kneel down and apologize?"

People are stunned at the words. How can they listen to Ye Chen's meaning? He seems to know each other with the little patriarch of the longyuanzong?

The next moment.

On longchen's face, the color of extremely frightened flashed in an instant, and hurriedly waved his hand and said, "Ye Mr. Ye, you have misunderstood me. I have no intention of that!" Silence

Time is still, and the universe is dead like nothingness!

All of them, like being taken away from the gods, are extremely shocked and staring at longchen

Long Chen, such a strong man, a little patriarch of the third class, is like a God

Unexpectedly, and ye Chen apologized?

Apologies, or in great fear!?

Even Lin Yaqin, who has always been cold, is full of shock in her beautiful eyes!

How could that be possible?

Is

What ye Chen said is true!?

Is he really a disciple of shenjizong?

Otherwise, people can't think of it. Why is longchen like this!

Lei Youwei, who has always been shrewd as a mouse, has completely lost the light of wisdom in triangle eyes, and his thinking is unable to work!

He looked at longchen foolishly and stammered: "Dragon Mr. long, what's the matter with you? He's just a third class trash? "

Lei Youwei has a very bad premonition in his heart, but He didn't want to believe it! I can't believe it!

"Shut up Hearing this, longchen suddenly turned his head and looked at Lei Youwei with a fierce look on his face. His breath broke out completely. In a pair of Danfeng eyes, he even had the intention of killing!

"Poof!" Under the pressure of the breath of longchen, Lei Youwei spits blood and falls heavily on the ground.

People's Chins are almost falling off!

Long Chen, even for ye Chen to his own people?

You can imagine how much he is afraid of Ye Chen!

At this time, all the people in Lei's family were frightened to the extreme, and their legs began to tremble!

Up to now, they can't see where they are. This time, Lei's family has kicked the iron plate!

Long Chen fell down from the air, and his face was flattering. He squeezed out a brilliant smile and went to Ye Chen. He saluted: "Mr. Ye, I'm sorry, this blind old thing has offended you. If I knew that he would deal with you, he would give me ten thousand courage, and I would not dare to come! I beg your pardon

Chapter 2503

Long Chen's heart, has been all bitter and astringent, originally, because of the selection of things, want to come out to vent vent, but who would have thought, met the boy against the weather again!

What a bad luck he has?

Ye Chen waved his hand at will and said, "just."

Long Chen's heart is slightly loose, looking at Lei Youwei, who is reluctantly trying to get up, says: "Mr. Ye, this boy has offended you. Otherwise, I will kill the Lei family for you."

He's real. He's done something about Lei. He's killing himself!

If it was not for the old man who provoked Ye Chen and implicated himself, he is still happy now! Where do you need to hit this evil star?

And Lei family people, directly scared paralyzed ah!

Lei Youwei's whole body trembled, and his breath was decayed in an instant. The whole person looked as if he was a few decades old!

He forced himself to climb to Ye Chen's feet and raised his head. His eyes were full of pleading. He looked at Ye Chen and said, "Mr. Ye, it's me who is cheap. I have no eyes. I beg you, please. Please spare the Lei family this time. From now on, I lei Youwei, my Lei family, is your dog!"

He knows that if he wants to save Lei's family, he can only ask Ye Chen's kindness!!!

Ye Chen coldly looked down at Lei Youwei at the foot and said, "you don't mean to let me kneel and kowtow?"

Lei Youwei's face changed. He got up and knelt in front of Ye Chen.

Bang a big noise, Lei Youwei, is extremely hard to the ground, hit his head down!

Directly that hard ground, smashed the road deep crack!

Blood, instantly from Lei Youwei's head, gushed out!

Bang! Bang! Bang!

Lei Youwei did not say a word and kowtow to Ye Chen crazily!

Ye Chen glanced at him with a faint look on his face. Without paying attention to it, he went directly to the high platform and came to Lin Yaqin's side.

At this time, the two servants standing next to Lin Yaqin were paralyzed with fear and fell to one side. Looking at Ye Chen coming, they screamed in horror and almost didn't pee out!

Ye Chen glances at the wound on Lin Yaqin's knee. His eyes are slightly cold. He kicks out two feet and screams from the servant's mouth. Their legs are smashed by Ye Chen's kick!

From then on, I'm afraid I can only be a disabled person!

Looking at the man in front of her, Lin Yaqin has a very complicated feeling in her heart

She was a very proud woman. Since the battle between tianyinya and ye Chen, she has been practicing and exercising as hard as she can to wash away the shame of that day

But now, she was saved by the man who wanted to kill her?

In a short period of time, it is hard to imagine that a man can not surpass the strength in a short time.

However, with Lin Yaqin's pride, even if ye Chen's qualification is terrible, she will not admit defeat!

Ye Chen reaches out his hand and shoots the silver needle into Lin Yaqin's body. In an instant, he breaks the seal planted by Shen Yong.

During this period, the ancient god of medicine also fulfilled his promise and taught Ye Chen a lot of medical skills.

Naturally, we are not afraid of this kind of seal.

Feeling the spiritual power flowing out of the body, even Lin Yaqin said faintly, "thank you."

If this scene is seen by shenxuanzong's disciples, he will be shocked.

But at the next moment, Lin Yaqin returned to her usual icy cold way: "however, don't think that if you save me, I won't kill you. Last time, you and I were even in the endless sea. Ye Chen will fight you when I recover from my injury! "

"I will never lose you this time!"

Ye Chen face drew bitter smile, he saved Lin Yaqin, not grateful even, but also decisive battle?

However, in his heart, he was very clear. Since a woman like Lin Yaqin, who was extremely cold and arrogant, thanks to him, it shows that in his heart, he already has a different feeling.

It's just that Lin Yaqin is too proud to admit it.

Women, sometimes, are really troublesome.

No matter how cold Lin Yaqin is, she is still a woman.

He said with a smile, "take my life? Miss Lin, I'm afraid you don't have that strength? "

Lin Yaqin's beautiful eyes were cold and looked at Ye Chen in a murderous way: "I will surpass you!"

After that, he would limp off the platform with his broken leg.

Ye Chen said with a smile: "surpass me? You have been practicing and practicing hard these months, haven't you? But now, not only did not surpass me, on the contrary, and my gap, is growing? "

Lin Yaqin suddenly turned around, cold jade like beautiful eyes staring at Ye Chen and said, "what do you want? If you save me just to humiliate me, you might as well kill me now

Ye Chen light way: "if I want to kill you, that day, you have already died, isn't it?" Lin Yaqin frowns and stares at Ye Chen. I don't know what he wants to do.

Ye Chen suddenly said, "don't you want to know why I become strong so fast?"

Lin Yaqin's eyes brightened and said without hesitation: "I want to!"

In Ye Chen's eyes, there is a glimmer of a smile. For women, whether they are martial artists or not, they should give in to their likes.

What attracts an iceberg beauty like Lin Yaqin who only has the heart to practice martial arts?

Naturally, it is a means to enhance our strength.

Ye Chen said with a smile, "I can teach you to practice and help you improve your strength, but there is one condition."

Lin Yaqin looks hesitant. She seems to feel something is wrong.

Ye Chen looked at Lin Yaqin's look and said with a smile, "why, don't you say you want to kill me? That's it. You'll never catch up with me. "

Lin Yaqin heard the speech and flashed a decisive color in her beautiful eyes. After all, she couldn't resist the temptation to enhance her strength. She asked, "what's the condition?"

"It's nothing. The scenery of the flower city is very good. I'll accompany me on my outing and enjoy the flowers. Well, I'll serve me closely these days. Don't worry. I won't do anything to you just by serving me with tea."

"That's it?"

"That's it."

Lin Yaqin frowns. Ye Chen's conditions are very simple. Although she is extremely proud, in order to improve her strength, she can accept these things.

However, she always felt that there was something wrong with it?

But I don't know what's wrong.

The smile on Ye Chen's face, thick a minute.

"Yes Lin Yaqin nodded, "but if you can't help me improve my strength, or if you want to do something to me, I will kill you!"

Ye Chen said with some playfulness: "what do you do to you? I'm afraid. What will you do to me

Lin Yaqin thought of the day when he was in tianyinya cliff. He could not help but blush on her pretty face.

"You

Don't wait for Lin Yaqin to finish saying, ye Chen suddenly took Lin Yaqin's waist and said, "heal for you first."

After that, they disappeared from the platform.

Chapter 2504

An hour later.

Ye Chen returned to the square of shenxuanzong. Shen Yong, longchen and others immediately met him and saluted respectfully: "Ye Gongzi."

Ye Chen looked at it. Lei Youwei, who had kowtowed all over the ground with blood, said faintly: "go away and discipline your son, otherwise, I will personally step down on your Lei family."

Lei Youwei, whose consciousness is already a little dim, hears his words. He thanks Ye Chen with tears and says, "thank you for your great kindness. Thank you for your great kindness."

Lei Youwei left shenxuanzong with the help of his family.

After the Lei family left, ye Chen coldly glanced at Shen Yong and said, "later, the master of shenxuanzong will be the master of Yaqin. Do you know?"

Shen Yong's face changed, but where dare to say no?

He nodded his head again and again: "I understand that everything will be arranged by Mr. Ye."

From the bottom of his heart, ye Chen despises people like Shen Yong, who only care about their interests, ignore their feelings, and can't protect their disciples. Since Lin Yaqin has to stay in shenxuanzong for a while, naturally, it's better to change Xu mengqiu to be the leader.

In fact, it is not impossible for Lin Yaqin to be the patriarch, but there is no need.

First of all, shenxuanzong is just a small sect, which is dispensable.

Secondly, if you are a suzerain, you will be entangled with worldly affairs, which is not conducive to the cultivation of martial arts.

In any case, with him, Lin Yaqin, even if he is not the patriarch, is also the highest status of shenxuanzong. Besides, he can see that Xu mengqiu is sincere to Lin Yaqin.

Longchen arched his hand to Ye Chen and said, "master ye, if there is nothing wrong, I will leave first."

Ye Chen nodded and said, "well, Mr. long, I'm going to practice in shenjizong later. I may be very busy. Shenxuanzong, can you take care of me?"

Long Chen was stunned when he heard the speech. At the next moment, he not only did not show any dissatisfaction, but nodded with joy and said, "it's natural. It's all in my body. After that, who wants to move the God Xuanzong, ask me whether longyuanzong will agree or not."

He is not a fool. Naturally, we can see that the relationship between Ye Chen and Lin Yaqin is to have a relationship with Ye Chen by taking care of shenxuanzong!

On the contrary, he made a lot of money!

How can we not be happy?

In the next few days, ye Chen and Lin Yaqin played in the flower city, and from time to time instructed Lin Yaqin's practice. With Ye Chen's terrifying insight and now super powerful spirit, ye Chen could be introduced into the art within a few days. At first, Lin Yaqin didn't believe it.

However, ye Chen spent one night training a martial skill that she had learned for a long time, but still could not get into it. She practiced it to a small level, and instructed her to practice. After she successfully introduced this skill, Lin Yaqin had nothing to say

Can only sigh, ye Chen's talent, too evil

And ye Chen, in the play, gradually began to play a joke with Lin Yaqin, molesting her, the two people's feelings, also invisible, slowly increased.

.....

On this day, ye Chen left shenxuanzong. The purpose of his coming to see Lin Yaqin this time was to solve the cause and effect between them, but he didn't intend to accept her completely. However, as long as you go into her heart, you can basically do it. Next, push the boat along the water.

A few days later, after returning to Mang Mountain Villa, ye Chen said hello to Gu Lao, so that they could move to shenxuanzong later. In this way, with the protection of longchen, he could rest assured.

Later, ye Chen closed down.

Before entering the shenjizong, it is also good to enhance one point of strength.

On this day, ye Chen, sitting in the room, suddenly opened his eyes and looked at the ice coffin in front of him. Even with his nature of mind and face, he could not restrain the emergence of a burst of excitement!

The next moment, the cover of the ice coffin, suddenly fly up, a beautiful woman slowly sat up.

"Yinger..." Ye Chen called softly and went toward Chu Ying.

Chu Ying, wake up at last!

Chu Ying pretty face, originally or a confused color, heard the call, Jiao body suddenly trembled, turned to look at the direction of Ye Chen.

Suddenly, Chu Ying's beautiful eyes burst out a burst of seven color light.

For a moment, ye Chen stopped his pace!

"This is..."

Chu Ying eyes seven color light burst at the same time, he actually felt a dangerous breath!

Moreover, now he also noticed that Chu Ying had been sleeping for such a long time, but now, his cultivation has stepped into the realm of Taixu!

"Eh..." At this time, a light Yi, sounded in Ye Chen's mind.

It's the voice of the ancient medical God.

Ye Chen asked in his heart, "is there anything wrong with the ancient medical God? Is Yinger taken away? "

Cang Gu doctor's divine way: "seize the house? Where do you want to go, boy

"But why, just now, I felt a very dangerous breath?"After pondering for a moment, the ancient medical God opened his mouth and said, "if I read correctly, this girl has awakened to a very rare constitution, which is called life and death body!"

"Life and death?"

"This body of life and death is a very rare Dharma body. The conditions for awakening are extremely harsh. Only by wandering between life and death for a long time can one be awakened. However, once awakened, it has great potential and is hardly under the supreme body of the kingdom of God!"

"A few of my friends are also awakened between life and death."

"But more girls If I'm right, it's because of this samsara cemetery. "

"The energy of the samsara cemetery is also gathering in the girl's body."

When ye Chen heard the speech, his face showed a color of great joy. That is to say, Chu Ying's awakening this time not only had no sequelae, but also had a blessing in disguise!

No wonder he felt a sense of danger just now!

Ye Chen went to Chu Ying and helped Chu Ying out of the ice coffin. In a soft voice, "Ying'er, what do you think? Is there any discomfort? "

"Ye Chen..." The blank color in Chu Ying's eyes gradually faded. She remembered She is on the ninth princess's birthday party, when ye Chen fights with Muye

Thinking of this, Chu Ying pretty face suddenly changed and exclaimed, "Ye Chen, are you ok! What happened to the pastoral area? "

Ye Chen's eyes flashed a touch of warmth and said with a faint smile: "Yinger, don't worry, listen to me..."

Next, ye Chen will talk about what happened on that day, and his later experience, how he came to the kingdom of God, and about to go to shenjizong.

Ye Chen looked at Chu Ying with flashing eyes and said, "Yinger, this period of time has made you suffer."

On Chu Ying's pretty face, a beautiful smile appeared: "how did you suffer? If not, how can I so quickly advance to the level of Taixu, and get the life and death body comparable to the God body? "

Ye Chen said, "right away, I'm going to the shenjizong. Yinger, why don't you follow me to the shenjizong?"

Chapter 2505

Chu Ying's current qualification is enough to join shenjizong. As for Yin Ming, it's not ye Chen who doesn't want to take her. It's just that with Yin Ming's current strength, shenjizong is too dangerous for her and can't meet the entry standard.

Although Lin Yaqin can join in, how can Lin Yaqin be willing to enter shenjizong with the help of Ye Chen?

Chu Ying nodded and her beautiful eyes flashed. Originally, she was not particularly interested in martial arts, but after experiencing the Muye incident, she had an unprecedented desire for strength!

Even if you can't help Ye Chen, at least, you can't delay Ye Chen!

And if you want to enhance your strength, the first-class forces of the kingdom of God are naturally the most appropriate!

.....

Ten days later, ye Chen and Chu Ying arrived at the peak of Mang Mountain. Today is the day he and Tu Lanxin have agreed on.

Standing on the top of the mountain and clouds, suddenly, a figure flashed in the void. A woman with a black gauze skirt and a veil and a very cold and frightening temperament appeared in front of them.

Ye Chen and Chu Ying saluted Tu Lan Xin respectfully and said, "I've seen fairies."

Tu Lan Xin looked at Chu Ying unexpectedly and asked, "who is she?"

Ye Chen said: "she is Chu Ying, I wonder if she can join the shenjizong with me?"

Tu Lanxin's beautiful eyes with a trace of violet light stare at Chu Ying. For a moment, Chu Ying has a feeling of being seen through from the inside out.

After a while, Tu Lanxin was surprised. Then he nodded and said, "life and death? It's enough to join the sect. Well, let's go. "

Tu LAN waves her hand and takes Ye Chen and Chu Ying into the air. She breaks through the void and flies away.

In the void, the terrifying turbulent flow of space, the storm of space, and the thunder in the void are just like nothing to Tu Lanxin! Falling on the vigorous Qi of its body protection, even a ripple, did not stir up, then eliminated in the invisible.

Half a day later, three figures suddenly appeared in the air.

In front of them, is an incomparably lofty, towering mountain!

Ye Chen looked up, but was also awed by this extremely tall mountain. At the top of the mountain, there was a thick light column, which sealed the door directly!

Ye Chen knows that it is the pillar of God Jizong!

When he was in the shenxuanzong, he had seen the Shenzhu, but the shenxuanzong's Shenzhu was only the thickness of the arm.

It's not as much as one tenth of shenxuanzong!

What makes Ye Chen shocked is the aura of heaven and earth here!

It's already strong enough to turn into seven color ribbons, surrounding the whole huge mountain!

Just floating outside the sacred mountain, ye Chen has no special spiritual power. Just by breathing, ye Chen has a kind of comfortable body, and his cultivation has increased a little bit!

You can imagine how strong the aura of heaven and earth will be after you really enter the sect!

Is this God Jizong?

Sure enough, it's a holy land of practice!

Tu LAN waves her hand and flies out of her arms a delicate token. On top of the token, there is a glow. Before the mountain, there is an invisible wave.

Ye Chen knows that it is a forbidden array and opens an entrance to Tu Lan Xin.

Tu Lanxin, with Ye Chen and Chu Ying, flies into it and flies towards the top of the mountain. Shenjizong is like a Wolong perched on the top of Shenshan mountain.

On the other hand, when Tu Zong meets Tu Hsin, he is not stopped by any of his disciples.

At the same time, ye Chen is also secretly shocked!

Shenjizong is worthy of being a first-class force. Along the way, most of the soldiers he saw were those who had cut the enemy in Taixu, or even more dangerous ones!

Ye Chen's eyes twinkle, it seems that he is going to enhance his strength.

Soon Tu Lanxin took Ye Chen to a hall on the top of the mountain.

But as soon as he fell into the hall, Tu Lan Xin frowned.

In the hall, there was no one there!

After a moment's silence, Tu Lanxin apologized to Ye Chen and said, "originally, I arranged for you to assess zhenzhuang disciples. In our shenjizong, there are seven elders who personally test the disciples. After passing the examination, one of the elders is accepted as a disciple, but..."

Ye Chen flashed a glimmer in his eyes and said, "it seems that these elders have no intention of accepting me as a beginner?"

Tu Lan said in his heart: "after all, you only have to seal the door and cultivate yourself. This time, I will take you to join the shenjizong, which has aroused several elders' dissatisfaction.

Moreover, they should think that you can't pass the test. Normally speaking, although all the disciples who can enter the shenjizong exist in the presence of incomparable evils, they also have to start from the factotum. Only when they stand out and become the best one in the courtyard where they are located, can they climb up step by step and get the opportunity to pass the examination of zhenzhuan disciples... "Ye Chen nods. He has heard of this from Gu Lao. Shenjizong is divided into the courtyard of miscellaneous servants, the outer courtyard and the inner courtyard. The truth is just above the inner courtyard.

And even the minimum requirements of the courtyard are not weak, that is to say, according to the realm, ye Chen is the existence of the lowest level among the miscellaneous laborers.

Tu Lan said in his heart, "Ye Chen, you and Chu Ying will wait here for a while. I will call the elder to assess for you. They still want to give me face."

But at this time, ye Chen is light way: "no need."

In his eyes, a trace of coldness flashed through his eyes and said, "look down on me? Very good, then I Ye Chen, will never worship them, never! "

Ye Chen, in the bone, is a very proud person!

Since these elders despise him, why should he worship these people as teachers?

Start with a servant disciple? So what? He is confident that, even on his own, he can still be the most dazzling existence in God Jizong!

At that time, the only regret will be those elders who are not willing to be present today!

Today you love to me ignore, tomorrow, I let you climb up!

Tu Lanxin frowned and said, "Ye Chen, you can definitely pass the examination of zhenzhuan with your talent. Starting from the factotum, it's a waste of time. You should know how important time is for such an evil spirit as you. Moreover, there is a big difference in martial arts resources between the factotum and zhenzhuan disciples."

Tu LAN is also a little angry. Since ye Chen can be valued by her, even in the shenjizong, he should be able to cultivate himself with all his strength!

It is equivalent to a huge gold mine waiting to be mined!

Chapter 2506

But now, because of the arrogance and prejudice of these elders, they are abandoned and buried in the dust!

But ye Chen is light way: "fairy, my mind has already decided, do not need to say more."

Tu Lanxin gazed at Ye Chen, and finally sighed: "OK, but I want to remind you that shenjizong is very dangerous. The disciples in the same school are never forbidden to fight with each other in order to sharpen their blood and strength. After all, the disciples of all sects in the kingdom of God want to go to the battlefield. Here, human life is like grass root."

Ye Chen nodded his head and said, "thank you for reminding me."

Then he looked at Chu Ying and said, "fairy, Yinger, please."

He himself, can be proud, can despise the position of zhenzhuan disciple, but Chu Ying can't.

Although Chu Ying has the body of life and death, and his strength can be regarded as far beyond the same level, but without Tu Lanxin's protection, it is still extremely dangerous in the shenjizong.

Tu Lan Xin nodded his head and said, "don't worry."

Chu Yingmei looked at Ye Chen with worry in her eyes and said, "Ye Chen, you..."

Ye Chen said with a smile, "believe me."

Tu Lan Xin gives a token to Ye Chen and says, "take this, you can go to the miscellaneous service pavilion to get the things you need and allocate the dormitory."

Ye Chen takes the token and goes to the courtyard.

Along the way, many people point to Ye Chen.

After all, ye Chen's cultivation is too conspicuous!

Soon, ye Chen took the clothes and went back to his dormitory room.

After putting on the clothes of the God Jizong, ye Chen sits in the dormitory, his face shows the color of meditation.

Before coming to shenjizong, he and Gu Lao inquired about shenjizong.

The two most famous holy places are the holy land.

One is the place where the old bone substitutes for the dead, and the other is called the Seven Star refining God Pavilion!

Want to quickly enhance the strength, these two places, is the first choice of Ye Chen!

However, now, ye Chen is not in a hurry to go directly.

Although these two places are open to any disciple in the sect, ye Chen, as a servant disciple, wants to enter it, but he has to use contribution points for exchange. Besides being able to obtain the contribution points, another way is to undertake some miscellaneous things in the shenjizong.

These sundries include providing services in pubs, shops, etc.

Ye Chen plans to visit shenjizong first, and then consider whether to accept the task to obtain contribution points or to do chores.

In any case, whether it is the place to enter the old bone collection or the Seven Star refining Pavilion, there are not too many contribution points needed.

Immediately, ye Chen is ready to leave the dormitory.

But at this time, a branch and leaf burst out of his elixir field.

Branches and leaves more and more luxuriant, even blocked Ye Chen's way.

There is a faint force of chaos on the branches and leaves.

Obviously, it's a chaotic star tree!

Ye Chen remembered that from the demon clan to the kingdom of God, he had not yet thoroughly refined the chaotic star tree!

"What do you mean, little Taoist?"

The next second, a sound will ring!

"I've been waiting for a long time, but I haven't waited for the right time for you to refine me!"

"Now, at last

"No matter the aura and resources, the God Jizong is quite powerful!"

"If you refine me, you will benefit immensely."

Ye Chen frowned: "benefit infinite? What do you mean

Little Taoist just want to talk, the space around is turbulent!

A virtual shadow directly rushed out!

Virtual shadow is not someone else, it is the ancient god of medicine!

The ancient medical God's eyebrows were filled with excitement: "boy, do you know what kind of value against the sky the chaos star tree has?"

"If the chaotic star tree grows completely, the first advantage is that it will radiate the power of chaos all over its body!"

"What is the power of chaos! This is the power of the strong in chaos

"If you have this power, you have the qualification to save us!"

"Even faster to set foot on the heavenly way palace!"

Ye Chen looks strange: "are you sure?"

The next moment, a startling roar rang through the whole room!

"Stinky boy! The old man, Canggu medical God, will cheat you, who is a sealed door boy

"You say again, you see, if the silver needle does not stick, you will be finished!"

Ye Chen:

.....

At the same time, luoxiazong.

A girl opened her eyes.

The girl had a strong breath all over her body.

Her eyes are pure, but seem to see through the samsara.

This girl is no other than Ji Siqing!

Not long ago, she came to luoxiazong.

Although luoxiazong is weaker than shenjizong, it is also a large number in Shenguo! Don't be small!

Because of the extra card of Tu Lan Xin!

Once Ji Siqing stepped in, he became the genius of Luoxia Zongju Zong!

And here, Ji Siqing finally released his real strength!

But now, it is Ji Siqing's fifth day of seclusion!

Her forehead has a trace of sweat, murmured: "today, should be able to activate the previous life of a ban."

"Otherwise, it's too slow to practice at the present speed."

"That boy will face more trouble in the future."

"The kingdom of God is the real territory of Tiandao palace."

"He is the reincarnation master who dominates the six ways. He must not die prematurely."

"Only I am strong can I help him a little."

The next second, Ji Siqing's eyebrows twinkle with extremely bright light!

The light covered the whole body, even straight to the sky!

There are countless disciples outside the hall of Luoxia sect, and the eyes of the elders are all frightened!

Look at the light of God!

They know that luoxiazong will rise completely today!

Just because of the new disciple named Ji Siqing!

.....

The kingdom of God, the composer.

The ancestral hall of Qu family.

Only one statue is available!

In the statue is a beautiful girl!

Girl holding sword!

It's like a goddess who shakes the world!

This statue is Qu Shenyan, the ancestor of Qu family!

Now, the music family of Shenguo has become one of the supreme families in the kingdom of God!

Qu Chenyan in ancient times, the status even surpasses the heavenly way palace!

Although the Qu family has declined a lot compared with ancient times!

But no one dares to despise the musicians!

And this is the annual sacrifice Hall of the Qu family!

Countless strong men kneel before this statue!

Look dignified!

Among them, there are many more powerful warriors!

There is no disrespect in their hearts!

Suddenly, a voice of exclamation resounded from the ancestral hall!

"Master, the statue has come to light!"

"Ancestor Qu It's a manifestation

The master of the Qu family snorted coldly and released endless vigorous Qi: "no one is allowed to make noise in the ancestral hall."

Next second, that sends out the exclamation Taixu strong person to be shaken to fly out directly!

Almost seriously injured!

The master of the Qu family sneered at how a statue of an ancestor could have appeared.

Obviously, it's the other party's unstable heart.

After solving everything, the master of the Qu family swept away Yu Guang.

Suddenly, he found something!

Look up!

At the moment, his expression is extremely ferocious!

Because the statue of the ancestors, which symbolizes the duration of the composer, has really come to light!

Is Ancestors are not dead!!!!

Chapter 2507

The master of the Qu family trembled!

Such a big family head, a whole thousand years, no such state!

He stares at the statue of the woman, his eyes sink: "everyone, except the elder, all leave!"

"Moreover, if anyone dares to reveal today's affairs, no matter what their status in the clan, they will be killed!"

He knew how important it was to the musicians!

It can even change all the patterns of the musicians in the kingdom of God.

Never let it out.

Soon, only six people were left in the temple.

The master of the Qu family looked at the crowd and directly forced blood essence to set up a shielding array!

Then he took a step, gazed at the statue and said, "you should all understand what it means to do today."

"The appearance of gods represents the appearance of ancestors in some form."

"If I guess right, the other party is in the kingdom of God."

"Although I don't know why our ancestors didn't come to see us, we should have an attitude no matter what."

"The next task for you, five elders, is not to protect the musicians, but to find ancestors in the kingdom of God."

"It's going on in secret."

The five elders released a strong breath and said seriously, "yes, master of the house!"

In a flash, the five figures tore the void and disappeared directly.

Only the master of the Qu family is left in the whole ancestral hall.

He gazed at the shining statue and murmured: "the one who helped the Ye family back then It's a pity that fate plays tricks on people. "

"In a sense, my musicians have betrayed that person for a long time. Maybe that's why our ancestors didn't come back."

"Ah."

.....

At the moment, ye Chen is refining the chaotic star tree in the dormitory.

Chaos star tree is different from burning stele.

Yan stele has resistance to Ye Chen, and the level is strong. It is difficult for ye Chen to actively refine.

Knowing that the burning stele is the biggest blessing of all the reincarnation steles, it still can't be refined, which makes Ye Chen a little worried.

Fortunately, the chaos star tree actively let Ye Chen refining, the whole process appears extremely relaxed.

In just six hours, ye Chen refined most of it!

His body is full of strong energy!

Even as if to burst Ye Chen's body!

Fortunately, there are immortal deities and earthly veins. Otherwise, it is impossible for ordinary people to refine the chaotic star tree.

Just then, there was a knock on the door.

Let Ye Chen's surprise is that the other party is Tu Lan Xin!

Tu LAN glanced at Ye Chen and said in a cold voice, "I don't want to say much nonsense. I talked to some elders who didn't want to be there today. I talked to them again. They agreed to accept your disciples reluctantly, but..."

Ye Chen Mou son a sink, pour is not believe these Presbyterian meeting changes an idea, then ask a way: "but what?"

Tu LAN sighed and said, "it's not too much to ask. It's just that you kowtow a hundred heads in the hall."

"It's normal to kowtow when you join the school. Although there are more than 100 of them, and some of them are hard for you, the road to martial arts is just like this. If you want to be strong, you have to abandon your self-esteem."

"Otherwise, the starting point is too low for you."

"Ye Chen, listen to me once, but knock a hundred heads."

Ye Chen at the moment, the anger in the heart burns!

This is not to accept oneself as a disciple, this is to humiliate oneself in the presence of all!

This is the elder of shenjizong!

Don't say goodbye!

Ye Chen did not hesitate and said to Tu LAN in his heart, "fairy, your kindness is my heart. I don't need them!"

"Don't disturb me!"

The next moment, the door is closed!

Ye Chen knows that strength is the most important thing in this powerful clan!

If it's not for the old bone, he won't join!

The whole kingdom of God, who can shake the 100 great powers of this reincarnation cemetery!

Tu Lanxin couldn't help shaking his head: "this guy doesn't give me face. I don't care, but I'm afraid those elders will make trouble for this boy Ah... "

.....

Not long after, a temple full of aura.

A few old people exude strong anger and evil spirit all over the body!

If any Taixu state is close, it will turn into powder!

"The man who sealed the door refused!"

"Don't you know it's a great honor for this son of a bitch?"

"What right does he have to refuse us?"

"Is it better to be a servant for our disciples?"

"Shortsighted people!"

The roars of rage rang out!

Obviously, those elders got Tu Lanxin's reply and were angry!

For thousands of years, who dares to refuse them? A hundred heads, of course, have elements of shame!

But isn't it worth humiliating to seal the door?

Such cultivation, not enterprising, but also with the pride of the outside world! It's rubbish!

An elder is more angry way: "no, I must erase this person!"

At this time, another elder stopped him, and his brow frowned: "we are distinguished. Why do we start with a boy?"

"Maybe that's the purpose of the boy. He thinks Tu Lan Xin can stand behind him and be unscrupulous."

The elder blew his beard and said coldly, "what should I do?"

Another elder is Mou Zi Yi Liang: "since it is a factotum disciple, then we let the existence of the same level with him start with him."

"A mole ant, we want to torture, is it not simple?"

.....

There was no word all night.

Ye Chen wakes up from refining.

Although refining the chaotic star tree is not troublesome, it is also time-consuming.

Until now, it has been partially refined, and it is becoming more and more difficult to refine later.

Ye Chen stands up and plans to have a rest.

Having been in the kingdom of God for so long, he has not tasted the delicacies of the kingdom of God. Even Gu Lao is fond of talking about the dishes in the tavern of shenjizong, which is highly recommended! Let Ye Chen to the God extreme sect must go to taste!

He was dressed in the clothes of a young man in the middle of the gate, just like a young man, he stepped out of the gate in front of him.

Ye Chen's eyes flashed and looked at several people. They all had a sneer on their faces. In their eyes, they were all intent to kill. They were obviously malicious.

Behind them stood a man who was not tall, with curly hair, long and thin eyes, and an eagle nose. He looked a little overcast and fierce. However, this man was the sixth heaven cultivation of Taixu!

It is worthy of being the first-class sect of the kingdom of God!

This kind of cultivation should belong to the existence at the peak in the miscellaneous service courtyard!

Ye Chen asked faintly: "a few, what can I do for you?"

He did not know that these people were from the old school of shenjizong!

Those elders just a casual word, is to break Ye Chen's life and death!

On hearing this, the Yin Li Man said with a smile: "originally, I heard that someone said that there was a door sealing waste in the miscellaneous service house. I thought it was a rumor. How could the first-class forces of the shenjizong hall allow the door sealing waste to join the sect?"

I didn't expect that such a thing would happen

Chapter 2508

He gazed at Ye Chen, and his voice suddenly became cold and said, "what can I do for you? We would like to invite this young master to get out of the shenjizong. Although our workhouse is only the lowest level of shenjizong, it is not a cat or a dog that can join in! "

"I don't know what kind of back door you went to join this sect, but to let you become a servant disciple is an insult to the whole factotum!

I, Wang Baoquan, as the number one worker, will never allow you to join the God Jizong on such a basis, which will tarnish the reputation of this sect and our mixed service courtyard! "

The several servant disciples who surrounded Ye Chen heard that they were all excited and cried out: "good! For a gentleman like you, you'd better go back to your family and enjoy it

"Shenjizong is not a place for you to stay!"

"Want to join the workhouse? Do you deserve it

"I advise you to go away, or I promise you you will die here!"

"This family stuff is disgusting

"Don't even dare to pay attention to the elder! I'm looking for death

Wang Baoquan, like a poisonous snake, stares at Ye Chen with a smile of pleasure.

He was born in a poor family. He was bullied and humiliated by all kinds of rich sons and young masters since he was a child. He has made up his mind since he was a child that he will revenge these dandies to death when he gets to the top of the world!

Finally, Wang Baoquan got out of the way and joined shenjizong. What he couldn't accept was that even if he joined shenjizong, he was still a servant disciple!

And! He has been a servant disciple for a long time. He has seen many examples of his family background, being given preferential treatment and care in the clan, and soon promoted to the outside world!

In this way, he was even more jealous and resentful to the young masters and young ladies who had background in the clan to the point of madness!

He wanted to work hard to trample on these young men again, but this time, Wang Baoquan was in despair

No matter how hard he tries, it seems that he can't compare with those disciples who have background!

Therefore, he gave up his efforts, but aimed at those miscellaneous disciples who came from famous families to suppress and retaliate! Vent your dissatisfaction!

It's not forbidden to fight with life and death in the courtyard, is it?

Of course, Wang Baoquan will also choose targets to avoid those who have backers in the outer courtyard or even the inner courtyard.

As for ye Chen?

If you are not a gentleman from a well-known family, how can you join the shenjizong with fengmenxiuwei? Dare not to put the elder's words in mind!

It must have been through his own family background that he went through the back door, right?

He heard that ye Chen seems to have been brought by Tu Lanxin himself. He has not contacted other disciples in the shenjizong. Then, it is likely that he is in the outer courtyard or the inner courtyard, and that his relationship is Tu Lanxin!

Tu Lanxin, as a transcendent being, naturally disdains to interfere in the struggle among disciples!

Even if the boy in front of me is dead, it's the same!

And a few of the disciples of the miscellaneous service academy who came with him basically had the same idea as Wang Baoquan!

When ye Chen heard the speech, he could not help looking a little strange. All along, he was all kinds of rich child and looked down on his identity. Now, he was regarded as the son of a powerful family?

Ye Chen glanced at Wang Baoquan and said, "I am not the son of a powerful family."

Wang Baoquan was surrounded by himself and others. Who would admit it?

He sneered and said, "well, younger martial brother, can you explain how you joined me in shenjizong by closing doors?"

If I remember correctly, the standard of entering the sect should be at least too empty?

Why, just because you are different from others? "

The reason why Wang Baoquan and others will find it so quickly is that ye Chen's back door is too exaggerated!

It's the first of all time, isn't it?

Even those elder's nephews have never set such a precedent!

This shows that the background of Ye Chen is also incomparably terrible!

The more terrifying the background of Ye Chen, the more they hate Ye Chen!

Everyone can let go, just can't let go of Ye Chen!

At this time, ye Chen was silent for a moment, and said, "I rely on strength."

Quiet, originally has been clamoring for a few of Ye Chen's servant disciples, all stopped, for a time, silent.

But the next moment, is burst out a burst of laughter! As if I heard the funniest joke in the world!

What strength can he rely on for his existence?

This boy, too, can't he?

All of a sudden, Wang Baoquan stopped laughing and looked at Ye Chen with interest and said, "so, you are still an immortal evil spirit who wants to break through the rules and admit them? So, your strength must be terrible, right?"

Don't know, this childe, dare to fight with me

Ye Chen is silent. All of them are sneering at each other. Are they fighting against Wang Baoquan? Ha ha, only a fool will agree?

Who can join shenjizong?

Even if it is a factotum disciple, it can be called a genius if it is taken outside! Have the strength to fight over the steps!

And Wang Baoquan is the number one worker!

It's only a little short of the real disciples of the outside world!

Its real strength, has been comparable to the existence of the seven layers of Taixu!

Fight with Wang Baoquan? That's what you want to die for!

Ye Chen's silence, also in their expectation!

Seeing this, Wang Baoquan had a stronger smile in his eyes and said, "if you don't want to fight with me in life and death, you may have to be wronged by this young master. There is a rule in our mixed service house. New people should kneel down and kowtow to the elder martial brother. Since you don't want to kneel down to the elder martial brother, how about kneeling

There was a burst of laughter, and there was a cruel light in their eyes.

This is also their usual routine. How many of them can tolerate such humiliation?

Even if you can endure it once or twice, can you endure it endlessly?

Finally, I can only take the initiative to quit school!

Ye Chen sighs. The reason why he is silent is not because he is afraid of Wang Baoquan

However, Wang Baoquan's strength is too weak!

So weak that he didn't even have the desire to make a move!

Of course, the other side is too empty!

But compared with nameless, it's too much weaker!

Ye Chen likes to fight, but that's for the strong.

It's not his interest to kill the weak. He even feels bored.

However, since someone has to die, he has no way.

Ye Chen's wrist turned, and Qinglian mietian sword fell into his hand. He looked at Wang Baoquan with a light look on his face. He was even too lazy to say anything. He said, "you'd better do your best, because you only have one chance to do it."

If a dog barks at you, it will kill you. Do you still need to call back with him?

But Wang Baoquan and others were shocked!

Absolutely shocked!

You really accept this?

Chapter 2509

That's Wang Baoquan! The supreme ruler in the miscellaneous service courtyard!

The strength is even higher than some other disciples!

How many years, no one dares to challenge Wang Baoquan!

And ye Chen, not only accepted the life and death war, but also let Wang Baoquan take the lead?

He also said that Wang Baoquan had only one shot?

What the hell is life?

I can't be more crazy!

The key is Ye Chen's look, but also incomparably calm!

As if, in talking about a trivial matter in general!

"Looking for death Wang Baoquan had a violent drink, and his anger was raging wildly. In his slender eyes, he was full of resentment!

What infuriates him is not ye Chen's words, but ye Chen's eyes!

Looking at Ye Chen's indifferent look, that pair of calm but full of cold and proud eyes, he seems to have seen the past, those who despise him, did not put him in the eyes of the rich children in general!

He knows that look too well!

Ye Chen, really did not put him in the eye!

Originally, Wang Baoquan's sense of superiority gained by bullying the children of other laborers collapsed in an instant. His inferiority complex in the bottom of his heart broke out in an instant!

He must kill Ye Chen! Only when ye Chen is dead can he put his inferiority complex in the darkest corner again!

Otherwise, the existence of Ye Chen will remind him all the time that he, however, has been humiliated and no one is looking at his humble son!

The next moment, Wang Baoquan's hands, more than a long red stick, the stick body, engraved with countless gold flashing runes!

This long stick is a half step antique!

Wang Baoquan's spiritual power is surging and overflowing. The powerful breath makes the void tremble, and the long stick in his hand is full of light!

"Random cloud stick!"

Wang Baoquan murmured and gave his hand without reservation. In a flash, the red stick in his hand was directed towards Ye Chen and ordered thousands of times!

Stick shadow heavy, connected into a piece, as if a rolling blood cloud, roaring toward Ye Chen!

The servants who followed Wang Baoquan to block Ye Chen were all in a state of panic!

This cloud cudgel is very powerful! What's more, Wang Baoquan has cultivated this skill to a certain level. Once he does it, it is powerful enough to destroy everything and be invincible under the six levels of Taixu!

Although the blood cloud pointed out by Wang Baoquan is aimed at Ye Chen, it is only a trace of residual power that makes the disciples of Taixu state feel the life and death crisis and make every effort to resist it!

But at the next moment, the bodies of these people were blown away without any resistance. Blood gushed from the corners of their mouths, and their breath was withered. For a moment, they were still seriously injured!

At this time, ye Chen, however, still looks calm and stands still. Facing the blood cloud which seems to crush the ground, ye Chen just slowly raises the green lotus sky killing sword in his hand. The golden light on his arm flashes, and a sword comes out and cuts to the rolling red cloud!

Ye Chen, he didn't even use his sword technique, just a simple sword!

In the twinkling of an eye, the blue sword edge fell into the innumerable stick shadows made by Wang Baoquan, as if they were drowned and swallowed up by the stick shadow.

But time, also in this moment, tends to be static.

Wang Baoquan's face, the original disdain, contempt, resentment, pleasure, all solidified at this moment.

He thought that ye Chen, like a three-year-old child, could easily cut out a sword. There was no possibility that ye Chen would threaten himself. Only Ye Chen would die!

But at the moment when the blade and the stick came into contact, he knew that he was wrong

Wang Baoquan's face, toward panic, changed

But not waiting for his panic, completely emerged on the face, that thousands of stick shadow, then dissipated!

At the same time, there is Wang Baoquan's body!

With a loud bang, under the baptism of boundless force, Wang Baoquan's body directly burst into a cloud of blood mist!

Even the spirit was crushed into nothingness by the power of Qinglian mietian sword!

Ye Chen shook his head and said faintly, "I said that I became a servant disciple by my strength, but it seems that the level of the mixed service academy is indeed a little low."

There was no joy in his face, as if he had just done a trivial thing, and even some impatience.

Wang Baoquan, weaker than he imagined.

From the beginning to the end, ye Chen defeated Wang Baoquan. Probably, he only took a breath, but he felt that it was a waste of time to take a breath on this kind of rubbish.

It's not enough for him to take out the sword, even the weight of the sword is enough to destroy the God.

Can ye Chen feel indifferent!

Others, don't think so!

The several servant disciples who came with Wang Baoquan are going crazy and their thinking is going to explode! They trembled all over, white lips, as if to see a ghost, looking at Ye Chen!

That's Wang Baoquan! In the eyes of the factotum disciples, it is equivalent to the existence of God!

Even some weaker disciples should respect him three times!

However, Wang Baoquan was killed by Ye Chen with such a sword?

As ye Chen said, there is only one chance to make a move!

What's more, ye Chen seems to have done nothing at all!?

Is this still a closed door?

Several servant disciples couldn't help but think sadly that if every martial artist in Fengmen was as terrible as ye Chen, they would lose their hope of living in this world.

They now know that ye Chen said that relying on strength is true

Unfortunately, it's too late to understand

Ye Chen picked up the long stick on the ground and Wang Baoquan's storage bag. After pondering for a moment, his eyes suddenly brightened.

As soon as he turned around, he went to the soldiers who had been blown away.

As soon as he turned around, he was almost scared to death!

Chen, in their eyes, the real devil Ye! The devil who eats people and doesn't vomit bones!

Even regardless of the aggravation of the injury, he tried his best to climb in the opposite direction towards Ye Chen!

However, climb again fast, still faster than ye Chen?

A flash of gold, ye Chen, then block in front of a few people!

A servant disciple raised his head trembling all over, looked down at his Ye Chen, and then

I was scared out of control!

Ye Chen smiles bitterly and shakes his head. He is not even qualified to serve as cannon fodder in the battlefield. In shenjizong, it is equivalent to the existence of servants. Because they hold Wang Baoquan's thigh, they lack the experience of life and death war.

At this time, when the shadow of death falls, they naturally feel fear!

However, ye Chen is the expression light ground opens a way: "leave storage bag, roll."

Chapter 2510

He said that he didn't like to kill waste, and even, he was very annoyed.

In addition, he also plans to taste the food of shenjizong restaurant. Before eating, if he gets too much blood smell, it will affect the taste of the food and affect his eating mood!

After hearing the words, several servant disciples were stunned, and the next facet appeared ecstatic. They kowtowed to Ye Chen and apologized. After thanking Ye Chen for not killing, they left the storage bag, landed on all fours and dragged the injured body away.

Ye Chen picks up the storage bag and smiles.

Although these wastes delayed his time, he made money on the whole.

Because the contribution points of shenjizong's disciples are stored in their identity tokens, which Tu Lanxin gave him.

If the identity token is lost, it can be replaced, but the contribution point will not be recovered!

And God Jizong, there has always been a rule, who gets things, is who!

Contribution points can also be transferred to other tokens.

Ye Chen probes into the token of Wang Baoquan and others, and at the next moment, his face reveals a trace of joy.

The contribution of Wang Baoquan's token is extremely rich!

I'm afraid it's robbing the contribution points of many servant disciples, isn't it?

However, now all cheap Ye Chen!

Such a number of contribution points, into the bone old place and seven star refining Pavilion, is enough.

He doesn't have to worry about doing chores or taking on tasks.

Ye Chen smiles and continues to walk towards the restaurant of shenjizong. Even if you don't need to do chores, you should also taste delicious food. It's a celebration of the unexpected wealth.

Soon, ye Chen went into the wine house of the God Jizong. As soon as he stepped into it, he smelled the tempting fragrance coming from his face. He couldn't help but feel his spirit!

When ye Chen is ready to order at the counter, a cold voice suddenly rings from the back of Ye Chen.

"That scumbag over there, you, come here."

Ye Chen looked back. Not far behind him, he saw a tall, thin, handsome young man with red hair. He was dressed in the clothes of a disciple of a foreign sect. He was above the seven layers of heaven in the cultivation of Taixu. There was a long purple sword hanging on his waist. His breath burst. From time to time, there was a flash of lightning in his eyes, and his face was full of proud color.

Behind him, there is also a beautiful woman, if compared with the earth women, it is enough to compete with the top female artists.

However, on her fair face, her expression seems a little frivolous and arrogant, which makes people feel uncomfortable. And this woman, too, is the seventh heaven of emptiness.

The woman was quite dissatisfied and said to the young man, "what's the matter? Order a dish, so long? When do you want me to stand here? If you had known, I would not have come to you. If elder martial brother Lin had brought me to dinner, it would never have been like this! "

The man turned his head and said to the frivolous woman with a flattering look on his face and said, "this servant is not sensible. It is estimated that he is a new comer. Don't worry, Lin Cang? That boy is very playful. How can I be so devoted to you

After that, the man turned his head and looked at Ye Chen with discontent on his face. Even his eyes were cold. A small servant disciple even made himself a fool of himself in front of Tongtong, and he was blamed?

He didn't know how much effort he spent in order to ask Tong out for dinner! Now, just because of a lowly trash that ruined his perfect date? Even, it also increases Tong Tong's affection for his rival? How can he not be angry!?

Kill Ye Chen's heart, have already had!

But the most irritating thing for him is that the servant has not responded to this day. A trace of impatience flashed in his eyes and said, "I'm talking to you, deaf? Now, all the servants do this! "

At this time, many people are looking at this side.

Under everyone's gaze, ye Chen slowly withdrew his eyes and did not go to see the young man outside.
He walked towards the counter!

At the moment, ye Chen has some regrets.

This dress is so eye-catching, so easy to hate?

He really didn't want to do it again.

Many of the outer and inner disciples who were eating were looking at the young man with a playful look. They knew that there was a good play to see.

Some of the busy servants in the restaurant looked very frightened when they saw this scene!

How dare you ignore other disciples?

This is the leopard gall with bear heart!

The outer disciples are just like ancestors to the factotum disciples!

Usually, even if it is a good confession, we should be afraid that the other party will find fault and take advantage of the opportunity to bully. What's more, in the full view of the public, we should ignore the other party and sweep the face of the other party?

This is suicide!

What's more, they also found that the worker's disciple was nothing more than a closed door cultivation?

This is the one who is looking for death! Ye Chen didn't pay any attention to the meaning of these things. He came to the restaurant to eat, and his mother was not a servant of the restaurant. Why didn't he ignore him? Let yourself be humiliated?

Isn't it a man? If a person doesn't even have the most basic respect for you, what qualifications does he have for you to respect? Let you serve him?

If you want to raise yourself and show your strength in front of women, there are many ways, but you can show your superiority by bullying these service personnel and flaunting yourself in front of the service personnel? Who gave you your face?

This kind of person, is the most let Ye Chen look down on, feel sick.

The young man of the outer gate was stunned and even didn't react. He didn't expect that this little servant disciple would ignore him repeatedly!

What's more, this servant disciple not only ignored him, but also left on his own?

This is, completely ignore him!

The frivolous woman standing next to the youth said with a sneer: "ha ha, Li kuaishu, are you really going back more and more? Now, even a little scumbag, have kind of ignored you?"

I feel ashamed when I stand by your side. Please lose it by yourself if you want to lose face in the future. Don't pull me to throw it with you, OK? Don't come to me again. Even if elder martial brother Lin is more interested, at least there won't be any servants who dare to ignore him. That's 10000 times better than you, OK? "

After that, he did not wait for the youth to open his mouth, but turned and left.

"Wait! Tongtong, it's not like this! This kid, I don't know where he came from! The former servants were very respectful to me

Li Kuai wrote a white color, hurriedly to La Su Tongtong's hand, but was opened by the other side.

Looking at Su Tongtong's back, Li kuaishu's face is full of dejected color. He knows that he is in Su Tongtong's heart, and can never compare with that Lin Cang!
