Chapter 2591

"Mr. Ye? Ha ha ha, don't you tell me, what you are waiting for is such a useless place? Can these two wastes save your country of nine secluded lands

Mu you cold smile, gaze at Ye Chen way: "you say, is you?"

"It's me." Ye Chen nodded, "now, I only give you one chance to kneel down to apologize to the emperor of nine you, and then, roll away with the herdsman."

"That's it."

Although Ye Chen had some opinions on the emperors of Jiuyou kingdom before, he had a change after this experience.

A current emperor is willing to give up his dignity for a country.

Such people are respectable.

The herdsmen looked at each other and couldn't help laughing. They were all bent with laughter!

Where are the clowns? A piece of rubbish that is too empty to give them back to their herdsmen? And kneel down to apologize? Still rolling?

Mu you looked at Ye Chen and said, "Oh? What can you do if I refuse? "

Ye Chen face expressionless way: "kill your herdsman."

The whole palace of the nine secluded kingdom fell into silence in an instant!

A lot of worship, and the king of the nine you Kingdom, are wide eyed!

Ye Chen's deeds in Lingwu mainland, they all know, invincible in Taixu, very adverse weather, can cut the gap between adversity and Taixu, is not so easy to cross ah!

Ye Chen, it is a mouth, will destroy the herdsman!?

Mu you on the face of the fun color, gone, dead staring at Ye Chen.

Now, a Taixu being who doesn't know where to drill out is going to destroy his herdsman as soon as he opens his mouth?

Beside Muye, the muliu, who was half cut off by Mu ye, hummed coldly: "Mu Cang, Mu Fei, Mu Wan, have solved this man."

On the other side, there is only one Taixu layer of heaven and one late Taixu existence. Muwan three people are enough, and they don't even need him to do it.

They didn't notice that Zhou Yuanxin in the later period of Taixu had been following Ye Chen with great care.

Obviously, there is a difference in status.

"Yes At the same time, three people should say, look at Ye Chen two people, appear on the face of cruel smile.

Mufei, the peak of Taixu, said coldly, "I'll block the guy in the later stage of Taixu. After you kill the blatant waste, you will work with me to solve him."

Zhou Yuanxin faces three people, but there is a strange color on his round face.

The next moment, mufei three people, only feel a flash in front of the figure, have not yet reflected what happened, just feel chest, a burst of pain!

Then they saw Zhou Yuanxin standing in front of him. Although he was still standing there, he had a long sword in his hand.

A sword dripping blood

A chill came from all the limbs.

Puff, puff, puff

The bodies of the three men fell forward together, revealing the astonished and inexplicable eyes of the emperors of Jiuyou Kingdom, even muliu and moyou!

Mufei three people, unexpectedly so dead!?

This, how can it be?

Isn't that round faced man just a warrior in the later stage of Taixu?

But at this time ye Chen, is the face dew sneer.

Yes, Zhou Yuanxin. It's just the late Taixu period.

But is he an ordinary late Taixu?

Is it possible for anyone to join the miscellaneous service hall of Jizong?

Even if it's a factotum, it's also a factotum of first-class forces!

It can be said that Zhou Yuanxin, if put in the kingdom of God, is enough to be called a monster! If you can't cross the level in shenjizong, it doesn't mean that you can't cross the level if you are facing a family like Mu Jia!

Don't say, it is a few seconds to kill the existence of the virtual situation! In Ye Chen's opinion, even if it is mu you who cuts the E, he may not be the opponent of Zhou Yuanxin who breaks out!

Martial arts talent, the gap is too big!

Although Mu you cut the E, but the strength may not be better than the late Taixu shenjizong disciples!

Ye Chen is also the weakest chopper at present!

Cut through pills!

Zhou Yuanxin said with a faint smile: "now, do you still think that elder brother Ye is joking about destroying your herdsmen?"

"Damn it!" Mu you's eyes are red, full of anger, burning!

I come to wash away the shame of the herdsman!

Why, another inexplicable Taixu warrior killed three herdsmen?

If it is spread out, how can his herdsman stand in the kingdom of God?

"Muliu, kill him, kill him for me!" He roared, his whole body was full of breath, but for a moment, he didn't make a move!

This round faced man, seemingly plain, but gave him a very strange, even, dangerous breath!

He's looking for a chance! In the process of fighting with the nomad, find a chance to kill!

Muriu muriu murmured, and the surging spiritual power of cutting the enemy half step was raised like a huge wave. A huge shadow of Eagle hovered around muliu. In his eyes, his killing intention burst out, and his fear palm filled the whole palace. In the void, dark palm prints appeared! Although muliu is proud, he is not stupid. In the face of Zhou Yuanxin, he must give full play to his strength!

Under the full force of the herdsmen, those sacrifices in the Taixu state were trembling, and their faces changed wildly. They could not even stand. In an instant, they were suppressed to the ground, and their eyes were full of panic!

This is just a touch of palm! So terrible!

Enough to imagine, Mu Liu this palm, how against the sky!

"Xuanying God's palm!" Mu Liu shouts violently, and the hovering shadow of the giant eagle melts with the palm strength of his two palms. It blows to Zhou Yuanxin with the original flavor of martial arts!

For a moment, in the palace of the nine secluded Kingdom, the sky shakes and the earth moves, and everything dies out!

Zhou Yuanxin looked at the huge eagle's palm print, but he sneered slightly. His face was disdainful. His wrist turned and his sword was sharp. He said, "ten thousand unique swords!"

Wan Jue sword is a part of the ancient martial arts of shenjizong. Zhou Yuanxin has cultivated it to a great extent. It is more than enough to deal with the Xuanying divine palm!

The sword Qi surged up and turned into tens of thousands of swords in a flash. The palm print of Xuanying God's palm was smashed and crushed towards the nomadic stream!

Originally, Mu Liu, who was quite self satisfied after one stroke, changed his face at the moment of Zhou Yuanxin's sword!

It seems that the powerful palmprint is just like paper paste, which is vulnerable to a blow!

Just now, he was still in front of the emperors and other people of Jiuyou kingdom. He was arrogant and extremely proud. He hurt Huang Gong at will. He was like a god like animal husbandry. At this time, he looked like a frightened child!

He looks pale, crazy burst back, to moyou scared Scream: "you brother save me

This sword is so terrible that it is like the scythe sword of hell death!

Mu you looks anxious. This time he came to Jiuyou, he has lost three children of the herdsmen. Although the Mu Liu, who has cut the enemy in half a step, can be regarded as the core son! How can you just die like this?

Chapter 2592

Not to mention, Mu Liu and his feelings are very good! I grew up with you!

If he moves, he will help!

But at this time, Zhou Yuanxin's mouth raised a sneer and said, "ha ha, brother mu, it's not good manners to interfere in other people's battles at will."

As soon as the voice falls, a golden rope, unexpectedly, is towards Mu you, shooting away!

Almost in an instant, he entangled him! Bound in place!

"No But this moment's delay, that ten thousand sword awn, then thoroughly submerges the animal husbandry stream!

Mu Liu, just in time to send out a scream, was cut into countless pieces of meat by the sword light, even the spirit, all disappeared together!

"Animal husbandry!" Mu you witnessed the tragic death of his compatriots in front of his eyes, and his eyes were ready to crack. He looked down at the rope with golden light on his body, but he could not help but exclaimed: "the gold is tied with gold rope!"

This gold rope is a kind of famous special magic weapon in the kingdom of God. It is specially used to bind the martial arts. It is divided into three grades: gold, silver and copper!

The price of gold is very expensive! Even his herdsman had only a gold rope of silver, and it was still in his father's hands!

Now, this seemingly ordinary young man, casually took out a gold bundle of gold rope!

This

Is this not to say that the source of the other side is probably the second and third class forces?

Moyou, a little shaking

This can also explain why the fighting power of the round faced youth is so terrible!

The potential is higher than the sky!

On Zhou Yuanxin's face, the color of disdain is a little stronger. This gold bundle of gold ropes can be exchanged in shenjizong with only a little contribution.

However, it is of no use in shenjizong. As long as the artistic conception of martial arts and the cultivation of martial arts skills are higher, or the level of body protecting weapons is high, the gold products with gold ropes will not pose any threat!

It's just about dealing with families like herdsmen.

When Mu you is shocked by the gold string, Zhou Yuanxin makes another move!

"Wanjue sword!"

Tens of thousands of terrible swords are condensed in the palace. On the stone pillars carved with solid materials, sharp sword marks appear!

His eyes were fixed on Moyo, and his scorn was almost materialized.

This moyou, not only is the origin, the combat experience, is also the trash to be able to no longer trash!

It's estimated that by virtue of cultivation and family background, bullying and bullying the weak in small places?

Even, the real life and death duel, have not experienced very much?

I don't know how this guy survived the disaster. I'm afraid that the whole main vein herdsman tried his best to help him carry the blow.

If he was a disciple of shenjizong, he would never lose his mind so easily in battle.

Even if his cultivation is much higher than Mu you, Zhou Yuanxin despises such a waste at all!

It's easy to kill him!

If he had just untied the sword rope, he might not have been able to get rid of it!

Even though he was cutting off the three layers of heaven, he did not have confidence. Relying on his magic weapon of artifact level, he resisted Zhou Yuanxin, which was so terrible that Mu you could not believe it. It was a sword from the hands of a Taixu existence!

With a burst of sound, Mu you, who was still so arrogant just now, actually knelt down in front of Zhou Yuanxin's emptiness existence. His tears all flowed down and he cried, "please forgive me! Give me a break

"Waste!" Zhou Yuanxin cold channel.

Seeing, tens of thousands of swords will be mu you, completely submerged!

At this time, a figure suddenly appeared in the void. In his hand, he held a red spear, which was engraved with complicated runes. In his eyes, the essence was flashing, and he shot it with one shot!

Gun out like a dragon, red light explosion flash!

The tens of thousands of swords were lost in an instant!

The crowd looked into the air, but there was a burly old man with a long gun, a black robe, white hair and a big figure.

This man is armed with a gun in one hand and backward in the other hand. Although his face is old, his eyes are full of light. He looks down at the people present, and looks like a hermit master!

All the people in the palace were shocked. No one thought that there was such an old man in the palace!

Only Ye Chen, pale complexion, with his current strength, has already found the existence of this person.

Mu you looked at the old man, but his face was ecstatic and said: "ancestor!"

This old man is the ancestor of the herdsman. He is the ancestor of Mu Zhengting!

Although the realm is not different from moyou.

But the rich feeling is very different!

The foundation is extremely stable!

How can you compare the practice of one hundred years with that of ten thousand years!

If this old ancestor's breath enters into shenjizong, I'm afraid he can become an inner disciple. Mu Zhengting glanced at Mu you and didn't speak. To tell the truth, he was disappointed with moyou's performance.

However, as the legitimate son of the master of the herdsman, Mu you is also a legitimate son with good martial arts talent. This time he came to the country of Jiuyou, the ancestor of the herdsman still followed him secretly. He hid himself in the void early in the morning.

At this time, he was staring at Zhou Yuanxin.

The reason why Zhou Yuanxin did not even kill the children of the herdsmen was that he was afraid of the power behind Zhou Yuanxin!

As soon as Zhou Yuanxin entered the palace, he could feel that this seemingly ordinary youth was extraordinary!

But now, in order to moyou, he has to do it. After all, moyou is the future of the herdsman!

Mu Zhengting opened his mouth to Zhou Yuanxin and said, "this little brother, you should be a man of the kingdom of God? Can you tell me which family you are from or which clan you are from

When people heard the speech, they were all in a daze!

Zhou Yuanxin killed several young children of the herdsmen. This seemingly extremely powerful patriarch of the herdsmen still seemed to be polite to him?

Even Mu you was a little silly, and said in a hurry: "Lao Zu Zong, kill him! He killed several of my herdsmen

"Shut up!" Mu Zhengting Li drink, looking at Mu you more disappointed, this fool up to now still do not know the situation?

He was scared to stop.

Zhou Yuanxin, however, sneered, "do you really want to know?"

"I think this little brother is very kind-hearted. Maybe he has something old with us, and I hope to tell you."

"Ha ha." Zhou Yuanxin's face showed sarcastic color: "forget it, you don't deserve it."

Inside the palace, it seems that there is a cold wind, with a long killing intention!

Mu Zhengting looks at Zhou Yuanxin with one eye. He is at least an ancestor of his family. Zhou Yuanxin's background is so strong that he is just a Wuxu warrior. As for ye Chen around him, he is directly ignored by mu Zhengting. At most, Zhou Yuanxin's entourage is the existence of a too empty sky?

Chapter 2593

Although Zhou Yuanxin called him brother ye a little strange just now, mu Zhengting didn't take it seriously.

I'm afraid he can't dream that Zhou Yuanxin is more like Ye Chen's entourage if he is an entourage.

At this time, ye Chen light mouth: "old guy, do you still remember, I gave you two choices?"

At that time, when he spoke, he naturally included mu Zhengting.

"What?" Mu Zhengting frowns, this is too empty a layer of waste, not to say, he found himself in the beginning?

Here, with him?

Ye Chen pointed to the emperor of Jiuyou Kingdom and said, "kneel down with the emperor and apologize. Then, take the herdsman and get out. I don't want to say it again for the third time."

Mu Zhengting had to be angry. His face was red with blood, and his anger was surging wildly. He said angrily, "younger generation, you really don't know the height of heaven and earth!"

How dare you ask him to kneel down and apologize?

Repeatedly ignoring his majesty?

Good! Good! very nice!

In his eyes, the intention of killing is condensed. Even if he slaughters these two wastes in this wild land, can anyone really find out? What's more, the children of big powers must be rich, right?

At the next moment, the red light flashed on the spear, and the mu Zhengting didn't hesitate at all, so he made a direct move!

The spirit power of chopping e surges, the wind and clouds roar, the sky and the earth change color. The vast amount of heaven and Earth Spirit is moved by the mu Zhengting court and gathered in the spear. Almost, the whole country of nine you will be drained!

To cut off adversity is to break away from the power of Lingwu land!

This gun, however, is Zhou Yuanxin!

With a shot, a shadow of a red dragon leaps up and roars at Zhou Yuanxin. The whole palace is on the verge of collapse, while the whole country of Jiuyou is in violent turbulence and on the verge of collapse!

At the moment of flying red dragon, the void in the Imperial Palace was frantically broken. This blow has already shaken the martial law of Jiuyou kingdom!

What does it mean to shake the martial law? It is its power that has broken away from the shackles of laws and can turn this area into a real chaos, and all things no longer exist!

Zhou Yuanxin's face changed. Although he was able to fight over the steps, there was a limit. The strike of Mu Zhengting was enough to kill him in seconds!

This is the power of the inner court!

He is invincible!

The emperor of Jiuyou Kingdom and others have changed their faces. It's over. It's really over. Who could have thought that the ancestor of the herdsman came with us?

Mu you face, but flash over excited, happy color!

At this time, ye Chen raised his hand faintly, and he raised his sword finger and gently waved to the mu Zhengting.

This attack contains his understanding of the martial arts of the crazy overlord these days.

At the moment, he seems to be driving away the insects at will.

The next moment, time seems to be still, a golden light, emerging between heaven and earth!

In people's hearts, there is a kind of illusion that the world is divided into two in the golden light!

Golden flash, red dragon, wind and cloud, concussion, all dissipated.

Between heaven and earth, return to peace.

But originally full of murderous mu Zhengting, at this time, it is an incredible look.

Frozen, unbelievable look.

A blood line appeared in the waist of Mu Zhengting. His upper body and lower body slowly separated and fell to the ground from the air.

Ye Chen glanced at the corpse of Mu Zhengting faintly, but it was some accident.

It seems that I have been in shenjizong for a long time, and I am used to the genius of the clan, but I overestimate the ancestor of the herdsman.

The strength of this person may not be as strong as one of the demons.

It seems that the road of martial arts, age and cultivation are not the most important.

The most important thing is talent.

Zhou Yuanxin wiped the cold sweat on his forehead and said respectfully to Ye Chen: "thank you very much, brother ye, help me!"

Look at that attitude, it's Ye Chen's younger brother!

And the people in the palace have been completely dull!

Originally, they thought Ye Chen was just Zhou Yuanxin's entourage. The reason why they called Ye CHEN Ye elder brother was because they helped Zhou Yuanxin and made him respect Ye Chen

After all, the two people's state of difference is too big, and Zhou Yuanxin's strength is too adverse!

How can this kind of monster, which is placed in the kingdom of God and has incomparable experience, be a little brother? Willing to follow others?

But now! Only when they saw Zhou Yuanxin's attitude at this time did they fully understand it! Zhou Yuanxin, it's more than a little brother! That tone, although calling Ye Chen as ye elder brother, is just like seeing his own god!

However, this is still the second, the most critical is the strength of Ye Chen!!!

It's so creepy that my mind is broken!

Just now, what was that?

Ye Chen with a wave, gave them a feeling that the world is about to collapse! That extremely strong, almost can shake the martial law of the country of nine you, was Ye Chen's wave of life and death?

The patriarch of the herdsman, who didn't even make a sound, died like this?

In front of Ye Chen

Really, it's like a mole ant!

However, if they know that this is not ye Chen's full strength, they may be scared to death?

At this time, Mu you, looking at the ancestor who was cut into two sections and died no longer, was dull in face, his eyes were dim, and his trousers were wet through

Direct, scared to pee!

Ye Chen slowly, walked to Mu you in front of, looking down at him, light way: "kneel down, apologize."

On hearing this, moyou seemed to hear the whispering of the devil. He was extremely frightened. He rushed to the emperor of the kingdom of nine you, kowtowed wildly, and cried hysterically, "I'm sorry! I'm sorry! Please forgive me! I was wrong! I'm a bastard! I offended you! Please forgive me, son of a bitch

"Go away." Ye Chen Dao.

One more look at this kind of person makes him sick.

Moyou seems to have heard the oracle. Without hesitation, he turned around and climbed out of the palace of Jiuyou kingdom. It seems that he has really regarded himself as a dog.

Just as Muiyou is ready to leave completely, Zhou Yuanxin blocks moyou's way, then squats down and opens his mouth in moyou's ear.

"Well, take the news back. From now on, the kingdom of God doesn't want any more shepherds."

"Of course, if you want revenge."

"It was the shenjizong disciples who killed your ancestors."

"We are very welcome to be guests."

When Mu you heard the three words, he fell to the ground instantly! I'm weak!

That's the first class door of the kingdom of God!

How can you shake the herdsman!

How could he not understand, how could Muye offend such existence!

.....

Ye Chen looked at the king of Jiuyou and said with a trace of apology: "the emperor of Jiuyou, I'm late."

Chapter 2594

The kingdom of Jiuyou helped xuan yue zong when he was in trouble. Naturally, he wanted to protect the kingdom of Jiuyou. In fact, after defeating Hong Yan, he wanted to go to the herdsman. However, after the war with Hong Yan, he realized that he was able to absorb more of the martial spirit of the crazy overlord. Therefore, he was delayed.

Fortunately, I arrived in time this time.

At this time, the king of Jiuyou kingdom is still in some confusion. I can't believe it. However, he is the Lord of a country at all. He soon regained his composure. He looked at Ye Chen happily and said, "if you can come, it's our great fortune to be here! Gu Nanfei congratulates Mr. Ye on his great strength

He knew that, at the beginning, he hid the news for ye Chen. Although he had paid more than a dozen sacrificial lives, he was right to bet!

No more right!

With the existence of Ye Chen, the national power of Jiuyou will rise!

Ye Chen eyebrow tip a pick, heard the nine you Kingdom emperor, the abnormal words.

He called himself gunanfield?

Is

At this time, the emperor of the state of Jiuyou was full of grief. He picked up his head on the ground and offered sacrifices to several people nearby. He said in a deep voice:

"I order that the dead sacrifice be buried with the highest etiquette of the kingdom of Jiuyou, and their families will be granted a reward! Engrave their names on ancient stones

These people are the real meritorious officials! Originally, the ancient stone was used to record the names of the emperors of Jiuyou. Only those who had saved the country could be listed on it with the emperor!

"Yes

Then he turned to Ye Chen and said with a smile, "Mr. Ye, it's time for me to abdicate..."

Ye Chen frowned: "why?"

The king of Jiuyou Kingdom, though snobbish, is also for the sake of the interests of the country. In the final analysis, he is a virtuous king.

The emperor said with a bitter smile: "no matter what the reason is, I kneel down to others after all, and what face is occupying the throne?"

Ye Chen is silent. Sometimes people can't help themselves.

The emperor also said with a smile, "Mr. Ye, I want to pass the throne to Xiao Jiu."

Ye Chen is now the biggest supporter of the kingdom of Jiuyou. Whoever inherits the throne naturally needs Ye Chen's permission.

Ye Chen nodded his head and said, "yes, but Xiao Jiu is still young, and he still focuses on cultivation. Usually, you should take care of the affairs of the country."

The emperor saluted respectfully and said, "I'd like to hear from Mr. Ye."

At this time, between heaven and earth, a terrible evil spirit suddenly came!

Ye Chen Mou son a congeals, kill a chance to gather.

Is there someone from the herdsman again?

All the people in the hall were dignified.

If the shepherds of the kingdom of God come to some strong men, the whole hall may be destroyed!

"Yuanxin, prepare for war."

Ye Chen suddenly opens his mouth.

Zhou Yuanxin nodded his head and held the sword in his hand.

As long as the other party is not good at coming, do it immediately.

The atmosphere was dignified to the extreme.

All of a sudden, a mass of evil spirit came to the hall.

A middle-aged man in black appeared in the public's sight.

Zhou Yuanxin just wanted to start, but the middle-aged man's eyes fell on Ye Chen's body: "Mr. Ye!"

Ye Chen mou son a congealing, kill meaning Convergence: "do you know me?"

The black robed middle-aged man showed a smile: "Mr. Ye, I am the follower of the devil emperor in the kingdom of God. I heard that the devil emperor mentioned Mr. many times."

"This time, it's the devil emperor who asked me to pick up the elder devil and his highness Twilight smoke."

At this time, the emperor of the nine secluded Kingdom just responded, pinched the Jue with his fingers, and opened a door.

A girl with charming temperament came out.

It's the twilight!

And behind her, of course, is the devil.

"Ye Chen!"

Dusk smoke million did not expect to see ye Chen here, very excited, but also regardless of the image, directly rushed up, mercilessly hugged Ye Chen.

In her world, ye Chen rescued her from the sea of demons.

In addition to the magic emperor, ye Chen is her most intimate person.

At the moment Ye Chen can even feel the softness in front of the body.

He didn't expect twilight to be so impolite.

For a few seconds, twilight smoke seems to feel the eyes of all, and quickly released Ye Chen: "that This is the etiquette of the demons. "

The demon spirit son smiles: "Your Highness, how can I not remember to have this etiquette."

Later, the devil's eyes fell on the black robed man's body: "how is the devil emperor now?"

The black robed man arched his hands: "the devil emperor is refining the power of a foreign demon. He is still in a closed state. His subordinates don't know when to go out."

"Before he closed the door, he told his subordinates to take you to the kingdom of God."

The devil spirit son exhaled a breath: "it seems that all our efforts have not been wasted."

"The dead brother may be able to rest in peace." "I hope that the next time the demon emperor leaves the pass, he will be able to frighten the heavenly way palace of the kingdom of God."

At the moment, ye Chen has noticed the wound on the devil's body. Now that he has medical skills, he naturally wants to make a move.

What's more, the war of the demon clan that day, the free and easy spirit of the devil still moved him a lot.

He came to the devil and there were hundreds of gold needles in his hand.

The gold needle twinkled and pierced the whole body of the demon spirit son in an instant.

Then, the spiritual power of Ye Chen's elixir field surged, all converged to the fingers, and turned into colorful color gradually!

Finally, Qi Qi rushes into the golden needle and transmits it to the whole body of the demon.

But the evil spirit son originally pale face unexpectedly gradually ruddy.

Everyone's face changed a lot!

They know that ye Chen's martial arts talent is amazing, but they didn't expect Ye Chen's medical ethics to be so powerful!

The evil spirit son's wound is self explosion.

This kind of injury, not to mention the miraculous doctors in Lingwu land are at a loss. It's impossible for the miracle doctors of Shenguo to recover in a short time!

Is there really a doctor, martial arts and God in this world?

The most shocking thing on the spot was the devil. He could feel his whole body wrapped by a strong energy.

The key is that this energy actually let his internal organs get new life that day!

Fantastic!

After a full minute.

Ye Chen took back his hand and looked at the devil: "how do you feel?"

The next moment, the evil spirit son unexpectedly kneels down directly: "Xie Ye treats! There is no reward for the devil

Ye Chen's arm waved, an invisible force will hold up the evil spirit son: "you and I are also regarded as our own people, do not have to rigidly adhere to this."

Then his eyes fell on the body of the evening smoke: "since someone has sent you to the kingdom of God, we will see you again in the kingdom of God."

Then, ye Chen throws out a communication jade symbol: "Twilight smoke, if something happens in the kingdom of God, you can contact me."

After all, the magic emperor is still in the closed door, and it is definitely impossible to get out of the pass in a short time.

As the leader and disciple of shenjizong, he can protect naturally.

The evening smoke tightly held the communication jade symbol and nodded: "Ye Chen, I am the daughter of the devil emperor. My blood has not been fully awakened, but I went to the kingdom of God. Before long, I will surpass you!"

"Don't slack off!"

Chapter 2595

Ye Chen will smile: "then I will work hard to practice, I don't want to be beaten down by you."

"Just know."

Dusk smoke triumphant Yang chin, pour is quite lovely.

Then, the man in Black said, "Your Highness, master demon, we should leave as soon as possible."

"This time, I can't stay in Lingwu for too long."

The evening smoke does not give up to have a look at Ye Chen, then still followed the black robe man to leave together with the demon spirit son.

After dusk smoke left, ye Chen flipped his wrist and threw a special jade talisman to Gu Nanfei. After that, he said faintly, "take this one. If you encounter anything, you can take it out. Basically, no one can see this jade charm and dare to move the kingdom of Jiuyou."

The emperor of Jiuyou looked at his hand and saw a mysterious character carved in his hand. The exquisite jade talisman asked in some doubt: "this is..."

Ye Chen turned around and walked out of the palace. He said faintly: "shenjizong, the headmaster gives the order talisman personally. Seeing the Fu is like seeing the shenjizong. Those who offend us will be punished even if they are far away!"

Voice down, ye Chen and Zhou Yuanxin's figure has disappeared.

Only the dull people in the palace were left.

In the eyes of the tiger flying in the south of the country, there is a shaking look! Even more than ye Chen killed mu Zhengting, it was a thousand times, ten thousand times!

"Shenjizong Isn't that the first-class sect in the kingdom of God... "

Ye Chen, this is to go against the sky!!!

.....

Ye Chen and Zhou Yuanxin set foot on the special boat of shenjizong to return to the kingdom of God.

Although he can tear the void, he cannot tear the void of the kingdom of God.

Except for special circumstances, we still need to use the airship.

And shenjizong's boat is very fast and more suitable.

This time, after he came to Lingwu, he contacted Cangye with Yufu. He learned that Xuanyuezong was all right, so he didn't go back.

Although he also miss Xia Ruoxue, Sun Yi, Zining, Huoying and other women, as well as Cangye, Bai Zhentang and Ye Lingtian!

However, he knew that if he really missed him, he should work harder and harder to improve his strength!

Only when they have the strength to protect them can they really reunite!

However, after he returned to the kingdom of God, he went to Shenxuanzong once. At this time, Yin Ming and Gu Lao had both temporarily lived in Shenxuanzong.

Longchen didn't break his promise and took good care of Shenxuanzong, and Shenxuanzong also took advantage of this opportunity to develop rapidly!

Ye Chen in the past, will be the old bone to replace the dead thing back to him, but also officially completed the bone old things!

Gu Lao is at least the successor of the leader of Shenjizong. If he can recover his cultivation, Ye Chen will naturally feel more at ease.

When Ye Chen rushed to Gu Lao villa, a very strong aroma of wine suddenly came.

Zhou Yuanxin's round face suddenly appeared a trace of intoxication: "brother ye, what a strong aroma of wine! I'm used to good wine in Shenjizong. I haven't smelled such a fragrant wine before

Ye Chen glanced at Zhou Yuanxin and said, "if you want to drink, you don't need to consult me."

They went straight to a mountain shop.

The mountain shop is very remote, quiet and empty.

Only one old man was sitting on the cane chair and seemed to be asleep.

The old man's face was covered with a wine bowl, his face was ruddy, and he was obviously drunk.

Zhou Yuanxin scratched his head and said to the old man, "master, how can I sell the wine here?"

Originally thought that the old man could not hear, but he did not expect that the old man directly said: "free, those who are destined to drink freely."

Zhou Yuanxin was stunned and didn't think much about it. He laughed. He took a seat and drank it.

After several cups, Zhou Yuanxin fell asleep.

At the moment, ye Chen is showing a strange smile.

He came to the old man's side, took down the wine bowl covered by the old man's face, and said helplessly, "yonglao, which one are you?"

"To sell wine in the kingdom of God?"

This rattan chair old man, no one else, is the eternal holy king!

Ye Chen is familiar with the fragrance of wine from the beginning, and then he understands what the old man's posture is!

The eternal King opened his eyes, stretched out a stretch, touched his beard, and pretended to be surprised: "Oh, isn't this ye Chen? What a coincidence! I don't have money in hand. Have you come to the kingdom of God to do business? "

Ye Chen white one eye eternal holy king, looked at Zhou Yuanxin: "my friend is OK?"

The eternal holy King smiles: "it's just strong liquor, and the stamina is very strong. Even those who cut off the strong can't bear it. His realm should be fine after sleeping for a while."

Ye Chen can rest assured: "in order to find me, you don't need to act like this."

the king of eternity looked at the broken wooden house beside him, and his eyes beckoned: "stinking boy, the kingdom of God is everywhere the eyelid of the heavenly palace. You think the old man wants to come with me."

In the cabin.

To Ye Chen's surprise, this small wooden house has hundreds of array isolation.

And there's a hole in it.

At the center is a chess game.

Or the end.

It's a timeless style.

Ye Chen has not figured it out until now. Why does yonglao always like this way of appearance?

The eternal king is on one side.

Ye Chen naturally sat opposite the eternal king.

Although Ye Chen has the power to fight against the three layers of heaven, he finds that he can't see through the eternal king in front of him.

The old man obviously broke through again.

And it's not just a small realm.

Isn't it very difficult to break through a small realm after cutting the enemy?

But on second thought, yonglao has stayed at Taixu peak for too long, and he may have the strength to break through the adversity ten thousand years ago.

The details are beyond the imagination of ordinary people.

Yonglao doesn't talk nonsense: "boy, now you control several reincarnation xuanbei?"

Ye Chen was shocked and said solemnly, "the dust stele and the wind stele have been fully activated, but the burning stele is refining. Unfortunately, the energy required for the burning stele is too strong, and I can't even use the power inside."

"Also, zining's body that piece of reincarnation xuanbei, Lingbei, can also be regarded as control."

"It's just that I can't take it out now."

He learned the medical skills of the ancient medical God, and found that it was extremely difficult for him to remove the reincarnation xuanbei in zining's body. He could not be selfish enough to give up zining for the sake of xuanbei.

The eternal King nodded: "ten reincarnation xuanbei, you have mastered four at present."

"It's not enough."

"It wasn't long before that day."

Ye Chen Mou son a congeals, curiously way: "which day?"

The eternal King changed the subject and said, "there are some things I can't reveal too much."

"Next, on the one hand, you will improve your strength, on the other hand, you will find the xuanbei of reincarnation as soon as possible."

"I do know the whereabouts of some samsara xuanbei."

Ye Chen stood up and said excitedly, "yonglao, do you know what's left?"

Chapter 2596

The eternal King nodded: "it's not a secret. It's OK to reveal it to you."

"Many years ago, Xuanyuan moxie, the leader of Tiandao palace, got a stele of reincarnation. He gave it to a dragon."

"This xuanbei is extremely difficult. You don't have the strength to fight against Xuanyuan ink evil."

"Fortunately, your existence, heaven is doomed to be unable to detect, Xuanyuan Mo evil can't kill you for a short time."

"But it's not long since the cause and effect array is formed. By then, the 49 strong men who cut the enemy will break through the shackles and come to kill them with the help of the causal relationship between you and your master. The attack can not be stopped by the chaotic strong."

"My friend will find a way to delay the success of causal blood array, but I don't know how long it can be delayed."

Ye Chen's eyes become extremely serious.

Forty nine powerful men who cut the enemy will kill themselves with the anti heaven array?

Tiandao palace is too big.

Chaotic strong can not stop, how should they stop?

Ye Chen just wanted to say something, the eternal King interrupted: "the second reincarnation xuanbei's whereabouts, if I have not guessed wrong, should be in the beginning place."

Ye Chen face dew doubts: "start place?"

The eternal King nodded, his eyes were suddenly sharp.

"There is a stone tablet of reincarnation in China."

The next second, ye Chen is confused.

The stone tablet of reincarnation is so rebellious that it is actually in China?

This How is that possible?

The eternal holy King explained: "the stone tablet of reincarnation is extremely special. It can even be said that it is extremely crafty, has the spirit, and has the ability to transform into ordinary people, or even into something. My strength, sweeping the whole China with divine knowledge, and even the earth, has not found it."

"Even the strong above chaos cannot be detected."

"Reincarnation xuanbei is really a wonder in the world."

"However, I have a clue about the branch named Guo Haiyun in China."

"You may have seen the magic shape of this stone tablet of reincarnation."

"But it's not sure."

"Once you determine the location of the xuanbei, you should leave immediately for Huaxia."

Ye Chen's expression is extremely strange.

Can the stone tablet of reincarnation turn into an adult?

And you've been in contact with it?

It's just incredible.

However, on second thought, the attribute of each reincarnation xuanbei is extremely special, the energy is amazing, and the transformation of human beings is normal.

It's just that he hasn't returned to China and Kunlun for a long time. If the eternal king gets the news, he will set out.

"Ye Chen, there are some changes in the Xuan stele leading edge array that I set up in the kingdom of God recently, which indicates that one thing, there may be a xuanbei of reincarnation coming out."

"This may be the seventh piece to come out. You should pay a little attention to it."

"Today, I come to you mainly for this matter."

"I can't talk to you too much, or the people in Tiandao palace will find you."

"Your companion should wake up and leave as soon as possible."

With that, the eternal king went out in a hurry.

Seeing that the eternal holy king was going to leave, what did ye Chen think of and said, "by the way, how's Yankun?"

The eternal King stopped, hesitated for a few seconds, and then said, "heaven and earth are worthy of being called the divine race. Yan Kun's strength is extremely fantastic. I'm doing my best to stimulate his potential and talent."

"If I'm right, you'll meet soon."

"It's just that there are not many places for him to test in Lingwu and Shenguo."

"If there is a need, I may send him to overseas trials, which is the real ancient battlefield, only there can release his true nature."

"Gone."

Ye Chen comes out of the wooden house and finds that the eternal king has long been gone.

Zhou Yuanxin staggered to his feet and swore: "the old man must be selling fake wine. How can I get drunk when I drink it?"

"Why? What about the old man

"Damn it, the old man took the fake wine! Damn it

Zhou Yuanxin staggers to Ye Chen's side. Seeing ye Chen's dignified appearance, Zhou Yuanxin wakes up in a moment: "brother ye, you won't be angry, have I slept for a long time?"

Ye Chen shook his head: "let's go."

"Good."

.....

At the same time.

Shenguo is a land covered with ice and snow. From time to time, you can see some ice monsters wandering around. In a cold Valley, an exquisite Ice Palace is located in it!

Here is the first-class sect, where the seven cold religions are located.

In the ice palace, a man with white hair, dressed in plain white robes, is also pale, and his whole body exudes a strong sense of coldness. His eyes are slightly closed and he is sitting in a cold pool. The cold pool is extremely strange. The temperature here has reached several hundred hundred degrees below zero. However, the liquid in the cold pool has no sign of freezing! Suddenly, the young man, his eyes suddenly opened!

Two cold awns, just like the essence, shot out from the eyes, with a strong breath. Originally, in the environment of a few Baidu below zero, there was no frozen pool of cold, but it was under the influence of this young man's breath that instantly froze into ice!

After a moment, the man took his breath and broke the ice. On his face, he was cool and proud and excited!

He walked out of the ice palace. Outside the door, there were two beautiful women with respectful looks, holding clothes and waiting there.

Seeing the men come out, they all smile in a soft voice: "congratulations to Mr. Han, and break through the realm again!"

The young man smiles, apparently in a good mood.

"By the way, has anything happened to the kingdom of God recently?"

One of the women pondered for a moment, and then suddenly said, "recently, a mysterious woman who also practiced the cold system skills came out. Her cultivation was terrible, and she could not find any root in the kingdom of God. Every time she appeared, she would break through a small realm in a strange way."

"She was like It's as if you are carrying incomparable cultivation resources. "

"I've never seen such a breakthrough monster."

"The kingdom of God can't support such a person even in the first class."

"The key is that every time this mysterious girl appears, there will be a clan falling down."

"Some people say that this daughter is here to avenge the kingdom of God."

The young man was slightly surprised: "what was the last time this woman appeared?"

Without hesitation, the woman said, "cut the eight layers of heaven."

Yeah?

The young man was a little restless.

However, soon, his pair of ice blue eyes, then flashed a trace of relief.

This woman has nothing to do with him. It should not be.

He thought of something and said to the two women, "go, take out the plaque I prepared before, and then inform tutor Wu and tutor Zhou to let them go with me."

The two girls were stunned and asked, "Mr. Han, where are you going?"

The young man with white hair said coldly with a smile: "the God is extremely clan!"

Chapter 2597

.....

On this day, the Mountain Gate of shenjizong suddenly heard a thundering dragon chant!

Many of the disciples in the sect were surprised and looked up into the sky!

A cold, even cold, with a trace of banter and ridicule of men's voice, in the ears of a number of shenjizong disciples, ring.

"Seven cold sect, true disciple Han Jiuxi, came to visit on behalf of the clan!"

When people heard the speech, they all looked at each other!

Seven cold education?

Although the power of the seven schools is very high, it is one of the most powerful schools!

After all, today's shenjizong is almost the bottom of the first-class forces!

The seven cold sect, as a sect, is at least stronger than the weakest of those first-class families!

Among the first-class forces, we should not underestimate them!

The first-class forces, as one of the pillars of the kingdom of God, are friendly and harmonious on the surface, no matter how much infighting they have.

When he heard that hanjiuxi reported to his family, the clouds and mists that covered the sky of shenjizong were immediately separated. Everyone saw a cold white, majestic, spiritual, and full of dragon spirit. At a glance, you can see that the ice Jiao in his body is not weak in the blood of the dragon clan, pulling a very exquisite flying car, flying down from the sky!

People see this, can't help but pupil a shrink, face show shock color!

This ice Jiao is a monster who cuts the enemy's realm!

Unexpectedly, to pull a car? What's more, it's still pulling a cart for a disciple?

This, too luxurious!

What's more, the dragon blood is so pure that even if you look for the whole kingdom of God, you can't find many?

Most of the male warriors once had the illusion of driving dragon chariots and traveling around the world. When they saw the cold Jiuxi of the seven cold religions and the ice Jiao pulling chariots, their blood was so strong that they could not help but look envious.

We should know that although there are many Jiaolong in the kingdom of God, we can almost distinguish the higher and lower Jiaolong into two races!

In front of me, the ice dragon is covered with scales and glittering cold. A pair of ice crystal like dragon horns and branches are clear. In the eyes of the dragon, the dragon's power is fully visible. Even the chaotic strong will be faintly shocked by it!

Not only the blood, this appearance, but also to the extreme!

It can be seen that the cold Jiuxi, in the seven cold religion, how much favored!

Therefore, many disciples, attracted by the ice Jiao, came to the square in front of the mountain gate.

Among them, there is one of zhenzhuan's disciples, fenglingsu, known as the king of ice by the disciples of shenjizong!

At this time, he was staring at the Dragon chariot suspiciously and muttering to himself: "cold Jiuxi? "

A tall young man with white hair and blue eyes, dressed in a white robe, stepped out of the luxurious flying car.

Behind the man, there were two middle-aged men full of prestige.

Shenjizong's disciples, when they saw hanjiuxi, their pupils shrank and their faces were shocked!

This cold Jiuxi has a deep breath! What's more, this person seems to be less than 200 years old!

You know, the first person in the true legend of shenjizong, the thunder soul Qin Yuming, has no such deep breath!

However, the two middle-aged people following Han Jiuxi are extremely horrible.

People look at the cold Jiuxi, can not help but show a strange look.

How do you feel? This atmosphere is a little wrong?

Han Jiuxi looked around the crowd. In his blue eyes, he flashed a strong sense of bad will. He said with a slow smile: "after so many years, God Jizong is still the same."

A group of disciples, looking at him doubtfully, this cold Jiuxi, also came to their God Jizong?

Han Jiuxi's eyes swept through the crowd. Suddenly, he fell on a man. His smile on his face became more intense and said: "brother Feng, long time no see. Why, I come to your God Jizong, do you not welcome me? At least we are of the same race, aren't we? "

Feng Ling Su's face changed slightly, hesitated for a moment, or came forward and reluctantly said with a smile: "brother Han, long time no see."

The king of ice is windy and Su, and his appearance is similar to that of Han Jiuxi, with white hair and blue eyes.

Feng lingsu is also a very outstanding genius. He is only 200 years old and has advanced cultivation. However, compared with hanjiuxi, it is very different!

People, can't help but feel a little lost. Is this the strength of other first-class sects?

Gap, a little big!

Han Jiuxi said with a smile: "brother Feng, I came here to prepare a gift specially for shenjizong. After all, recently, there have been some rumors in the outer gate, saying that I am worried about the fact that I was elected from shenjizong at that time?"

What happened then?

When people heard this, many people showed a sudden color on their faces

Nearly two hundred years ago, there was a race named Han people who migrated to the kingdom of God from other places. They lived in a wild land in the kingdom of God and lived a miserable life. Han nationality, born with the ability of ice attribute, is not a particularly strong race.

The ancestors of the Han nationality once seemed to have some friendship with the ancestor of shenjizong and got a Xuanyuan jade. With this precious jade, a disciple can join shenjizong.

At that time, the head of the Han nationality brought all their talents under the age of ten to participate in the examination of shenjizong.

How can the assessment of shenjizong be easy? Especially for children under 10 years old!

Most of the children are eliminated!

In the end, there were only two left!

These two people are fenglingsu and hanjiuxi!

However, the head of the Han nationality had only one Xuanyuan jade, so they could only make an exception to take in one disciple.

Moreover, although it was two people who passed the examination, in fact, the elders and tutors of the audit all saw that the qualification of fenglingsu was far higher than that of hanjiuxi!

The reason why han Jiuxi passed the examination was that Feng lingsu helped him constantly in the assessment process!

Feng lingsu is a great genius, enough to join the shenjizong. However, Han Jiuxi's qualifications are not enough, even far from it.

In the end, he chose Sufeng.

When they were young, Feng lingsu and Han Jiuxi were friends of life and death. Knowing that they were chosen, Feng lingsu knelt down on the ground and asked his tutor. The elder brought Han Jiuxi into the family together!

However, rules are rules. How can they be broken so easily?

But Han Jiuxi knew that Feng lingsu was selected, and he didn't say much. He even kept a smile on his face.

A kind of smile that makes people feel creepy.

From then on, fenglingsu stayed in shenjizong and got rich martial arts resources. On the basis of martial arts, he kept improving. However, hanjiuxi returned to the bitter and cold place again, struggling for survival every day! Even, in order to survive, all the Han people have become slaves of some family!

In addition, the wind Ling su.

Chapter 2598

Two people of the same identity were originally different. One was a disciple of a first-class sect, and the other was a lowly slave

After that, Feng lingsu lived up to the expectations of the elders and mentors and rose all the way. In just 200 years, he broke through everything and became one of the disciples of zhenzhuan.

Originally, when he had the strength, he wanted to find his former clansmen and rescue them. However, after a long time of hard searching, he got the news that the family which took their clansmen as slaves had been destroyed, and the Han people had lost their trace

Until a few decades ago, he suddenly heard that his once close friend, Han Jiuxi, was famous in the kingdom of gods. According to legend, he awakened the blood of ice God and practiced at a speed of thousands of miles. Even more, he was admitted to the seven cold sect, and created countless miracles as soon as he joined it!

Originally, Feng lingsu was very happy about this, but when he went to visit this former member of the same clan in qihan sect

But was humiliated by the cold Jiuxi!

Even, he also threatened that one day, he would kiss shenjizong, so that those shenjizong idiots could see clearly who was the real genius!

Han Jiuxi clapped his hands, and out of the flying car, two beautiful women came out. In their hands, they also held a plaque.

The plaque was covered with red cloth.

Han Jiuxi took this plaque and said with a smile to Fengling: "this is the gift I sent you to God Jizong."

After that, the red cloth on the plaque will be opened!

It's a plaque carved from the ice of ten thousand years. It's extremely exquisite. It can even be said that it's a marvelous craftsmanship!

But when the cold Jiuxi, uncovering the red cloth moment, the whole audience, is a dead silence!!!

All the disciples present, staring at the big characters on the plaque, were bloodshot and staring at hanjiuxi with incomparable anger!

On the plaque, there are four big words: "second class zongmen"!

This is to get God Jizong out of the ranks of the first-class sect!

Who is not proud to be a disciple of shenjizong?

How can you tolerate others and humiliate your own family in public!

Immediately, a group of disciples, to the cold Jiuxi angry curse: "bastard, put away your plaque!"

"Get out of my God Jizong!"

"Bullying too much!"

The wind Ling Su is also gloomy to the cold nine brook to ask: "cold elder brother, what do you mean?"

Han Jiuxi looked at the wind lingsu playfully and said sarcastically: "ha ha, what's the matter? Is this plaque not suitable for you? It is said that you have become a true disciple? Garbage like you can also become the sect of zhenzhuan disciples. It is the only one among our first-class disciples! What's up? Are you not satisfied? Mr. Feng? "

People were more angry. This cold Jiuxi not only humiliated the whole shenjizong, but also called their true disciples rubbish?

For a moment, people are clenching their teeth, and their eyes are congested. They almost can't help but move!

Feng lingsu, who was reviled in public, naturally resented to the extreme. His whole body was shaking slightly. His fingernails were embedded in the palm of his flesh. Blood flowed down his palm!

However, he is slightly low head, did not go to see the cold Jiuxi!

Because, he knows, he must endure!

No matter how angry he is, what can he do! Not to mention the cultivation of Han Jiuxi, far surpasses him. It is the blood of the ice God that he can not resist!

Now, it's just self humiliation! It will only make shenjizong more disgraceful!

Feng lingsu took a deep breath, forced down the anger in his heart, and said to hanjiuxi with reluctance and shame:

"Jiuxi, don't you just want to tell me that you are better than me? I admit I'm not as good as you. Are you satisfied? Please, for the sake of you and I are of the same race, go back... "

Strength is not good, no matter how much is nonsense.

What he can do now is to bow his head. It is better for him to be humiliated than to be humiliated with his family.

"Ha ha."

Han Jiuxi, however, smiles, just like when he was abandoned by God Jizong.

How much hardship did he suffer after he was abandoned by God Jizong? It's not a human life

But wind Ling Su! But he is in the God extreme sect, enjoying all that should belong to him!

How could he let him go so easily?

In the ice blue eyes of Han Jiuxi, a strong color of resentment surged up and said: "not as good as me? Hehe, fenglingsu, you look down upon yourself too low?"

In those days, the masters and elders of the supreme sect of the gods did not think so! Why now, it's not as good as me? I'm here today to see how good the vision of God Jizong is, and how much better the talents they choose than me! "

The wind Ling Su, no longer able to bear, suddenly raised his head, facing the cold nine Creek in a shrill voice: "hanjiuxi! Are you going too far? Didn't I help you when I checked that day? I didn't plead for you? Even after hearing your news, I went to see you, but you mocked me! I have never hated you. Why are you so aggressive today? ""Help?"

The smile on Han Jiuxi's face was even more ferocious: "do I need you to help me? You help me to harm me! Let me leave a bad impression on the people of shenjizong!

Feng lingsu, at that time, I didn't see that you were so mean? "

The wind Ling Su looks at the cold nine brook unbelievably, how can have this kind of person?

His good intentions to help him, in his eyes, has become the reason why he resents himself?

If it was not for his help, Han Jiuxi, not to mention was selected by the God Jizong, even alive to pass the assessment, it is impossible ah!!!

"Speechless?"

Han Jiuxi sneered, as if seeing through everything. His face soon calmed down and said, "Fenglingsu, I really came to look for you, but after seeing your garbage to this extent, I lost interest, you know? You don't deserve to do it with me. "

After that, he glanced at it, and a very angry disciple of the God Jizong said: "The seven cold sect really preaches the cold Jiuxi. I've heard that there are many" talents "of shenjizong. I hope a disciple of the first-class sect will have the courage to compete with me."

He heavily in the hands of the Xuan ice plaque, smashed to the ground, said: "I cold nine streams, one person fight you all!"

On the square, there was a cold wind, as if, frozen everything, silent.

Feng lingsu, including a group of disciples, was so angry that he almost looked at Han Jiuxi like a demon. However, no one dared to open his mouth to fight

They are extremely religious, the first thunder soul Qin Yuming, the breath is weaker than this person!

How do you do it?

To say a bad word, the disciples of shenjizong will not be the opponents of hanjiuxi

But if there is any hope for them, the man

Nature is Ye Chen!

Ye Chen, the demon God!

Master and disciple who have created countless miracles, ye Chen, ye elder martial brother!

But at present, elder martial brother Ye is not in the clan

In the void, yuzhenzi and the elder gazed at what happened on the square.

The big elder said in a cold voice: "the seven cold sect's kids are so fucked up How can you humiliate my God Jizong

Yu Zhenzi's face was gloomy, but he still said coldly: "hum, so what? If you fall behind, you will be beaten. Wherever you go, it is the truth that will never change! It's good to polish these kids! How to grow without shame? "

However, in spite of this, Yu Zhenzi looked out of the Mountain Gate as if he had no land

When will ye Chen come back?

Chapter 2599

Han Jiuxi's eyes swept over a disciple of Jizong of the gods. He felt more cold on his face. He stepped out and said:

"won't he? The first-class disciples are still indifferent to my humiliation? I feel like a dog will come up and bite me?

Are you wood? Not even a dog? Is this the disciple of shenjizong? Is this really a big eye opener for Han

He showed a brilliant smile and said, "I only brought this plaque today, but I forgot to bring you another one. Sorry?"

"What do you think of these four words, disciple of gouzong?"

This is a complete and thorough way to put the face of the God Jizong on the ground and trample on it. It can't be said to be a mockery, but a direct insult! To the shenjizong disciple completely mercilessly insults!

Does he need to be affectionate?

As long as the high-level of shenjizong doesn't intervene, he has confidence to hang the whole shenjizong disciples!

As for high-level intervention?

Ha ha, what he is doing now, at most, is worshipping the mountain and communicating with each other, isn't it?

When the high-level shenjizong interferes in the affairs of the younger generation, the nature will change. That is, the first-class forces will fight against each other, and the whole kingdom of God will be in chaos!

In that way, God Jizong will become the sinner of the whole kingdom of God!

Han Jiuxi believes that they will not be so stupid.

At this time, with a roar, the boundless cold air rushed out of Feng lingsu's body. His eyes were red and he said to Han Jiuxi: "shut up! I will fight you

If you can bear to be scolded like this, what kind of man is he?

Even if, strength gap again big, also want to fight!

Han Jiuxi is pretending to wave his hand: "what are you? You want to fight me? I'm not as disgusting as you are. I'm interested in setting off my own clan?"

This is the end. I'll leave you some face. You have to know how to accept it modestly, OK

"Die for me!"

After being insulted again, Fenglingsu broke out completely and rushed to Hanjiuxi recklessly. In his hand, he had an excellent ancient long sword made of ice crystal. Infinite cold air gushed from his body and poured into the sword!

"Ten thousand li cold sky sword!" The wind Ling Su murmured and cut out with a sword.

Infinite sword light, like the wind and snow, towards the cold Jiuxi, swept away! In a flash, the whole shenjizong, as if all fell into the general ice and snow!

And in this wind and snow, the wind Ling Su is the God who dominates the cold!

All the disciples of the Jizong sect of the gods were happy when they saw this!

This sword is very amazing!

Wanli cold sky sword, an ancient sword formula, and wind lingsu, has been cultivated to a very deep level!

From the Jian Jue, I understand the origin of martial arts!

In addition, as a Han nationality, he was born to control the power of ice and cold. For this sword formula, it can increase its power several times!

On the whole, this sword is enough to kill the warrior who cuts the three layers of heaven!

Even if the cultivation of hanjiuxi surpasses that of fenglingsu, there is still a possibility of winning!

Han Jiuxi, standing in the snow, didn't even move. A trace of sarcasm passed through the corner of his eyes and said, "I heard that your name is king of ice?"

His voice, suddenly cold down, said: "this, it is an insult to the word ice!"

The next moment, cold Jiuxi body, also burst out a burst of startling cold! Originally, in the wind Ling Su's sword spirit, like people falling into ice and snow, but at this time, it seems that they have entered the extremely cold hell!

Many disciples with weak cultivation are stiff and unable to move. They are frozen!

Time, as if there was a moment of stillness, wind Ling Su's cold sword spirit, suddenly no longer toward the cold Jiuxi, but in a moment of stagnation, roll back!

"How could that be possible?" Feng lingsu exclaimed. He thought that after this sword was struck, there would be countless results. However, he never thought that his own sword had killed him?

Feng lingsu clenched his teeth and tried his best to reverse his sword spirit. At the same time, he forced out a spirit power, spit out a mouthful of blood, and whispered: "spirit ice shield!"

An ice shield appeared in front of him. Although Feng lingsu was bitten by his powerful spiritual power, his face was relaxed.

But at this time, a cold voice echoed in the snow.

"To play ice in front of me is to seek death!"

Han Jiuxi body shape a shake, then appeared in front of the wind Ling Su, with a finger in front of the ice shield, gently drink: "ice God body, open!"

A cold air, actually directly ignored the ice sheet, into the body of wind Ling Su!

In a flash, the snow and the ice sheet disappeared at the same time.

In the middle of the sky, two figures were revealed.

The eyes of the two people were shrinking!

At this time, Feng lingsu, known as the king of ice, was like a man who was about to be frozen to death. He was strangled by the cold Jiuxi, his face turned blue and he was shaking! Cold Jiuxi, actually with ice, completely crushed the ice king fenglingsu!

Han Jiuxi gazed at Feng lingsu and sneered: "I told you that you are not worthy to fight with me? Why shame yourself? Ice king? Dog King, is that all right? Now, my cold air has penetrated into your body. As long as I want to, I can freeze your whole meridians to pieces in an instant, OK

When people heard this, their faces changed!

All the meridians are frozen and broken. Although they will not die, they will also have a great influence on those who cut the bad situation! Even if we want to recover, it will take 10 years and 8 years, right?

Even, it may affect the foundation of martial arts!

For a genius like Feng lingsu, it's a sentence of death!

It's worse than killing him!

Cold Jiuxi, too cruel!

In the eyes of the wind Ling Su, the color of panic flashed!

Han Jiuxi said with a playful smile: "scared? Can you talk? As long as you learn to bark, I'll let you go, OK?"

Feng Ling Su was silent. After a moment, he opened his mouth.

Han Jiuxi's face, floating a satisfied smile, cool, too cool!

The feeling of revenge is so cool!

But the next moment, the wind Ling Su actually is the face to show a cruel and fierce color, angry curse way: "inferiority hybrid!"

Han Jiuxi was stunned and his face was angry. However, he soon calmed down. With a roar, the cold air gushed from the body of Fenglingsu.

"Ah, ah, ah, ah Feng lingsu sent out a Scream: "my meridians! My meridians

Han Jiuxi hands a loose, the wind Ling Su's body, then fell to the ground, but, the meridians are broken, even can't move, two blood tears, gush from his eyes.

He was more afraid that his foundation of martial arts would be destroyed than to die, so that he could become a mortal from a genius.

If he was alone, he might really learn to bark.

But! He's not alone! He is in front of shenjizong, a group of disciples!

Chapter 2600

He is the true disciple of shenjizong, the ice king fenglingsu!

Therefore, he must not be here, bow to the cold Jiuxi!!!

"Who else?"

However, Han Jiuxi didn't care about it. He fell down next to the black ice plaque again. He looked at the crowd with scorn on his face.

First of all, thunder soul Qin Yuming's eyes flash with lightning, which is his anger.

He knew that he was not the opponent of hanjiuxi, but he still walked towards hanjiuxi. Sometimes, the battle was not only about whether he could win or not!

Sometimes, fighting is a responsibility!

.....

Mang Mountain Villa.

Ye Chen and Zhou Yuanxin did not enter the villa.

Ye chenling knows a sweep, let Ye Chen surprise is, bone old is not at all.

And Yin Ming is not here.

Just then, a servant of the villa came out panting.

"Mr. Ye, you are here at last."

Ye Chen eyebrows slightly frown: "bone old and miss yin?"

The servant gave a jade card to Ye Chen: "Mr. Ye, this is Gu Lao. Let me give it to you, saying that you will understand after reading it."

Ye Chen nodded, took the jade card, slightly sensed, in an instant came the bone old familiar voice in the mind.

"Ye Chen, you received this jade card. You should have found my things in shenjizong."

"It's extremely important. You can keep it for the time being."

"I received the news that the demon spirit son came to the kingdom of God. I was very happy. The excitement was beyond words. As my good friend and Yin Ming's master, we should all see each other."

"Although I am a disabled man, I no longer have the glory I once had, but the devil has been drinking with me, and I have regarded him as my brother."

"He showed me that there was hope in the world."

"Sweep the darkness and let him understand."

"So Yin Ming and I will leave the villa for a while. If you come here at this time, you should go back to shenjizong first."

"Another day, if I come back, I will contact you again with this jade card."

"Then you and I will have a good time."

Ye Chen put the jade card away and looked at Zhou Yuanxin: "it seems that the old bone is not there. Then we will disturb you next time."

"It seems that the relationship between the devil and Gu Lao is deeper than I thought."

Zhou Yuanxin touched his nose: "brother ye, let's go back to Jizong quickly. I want to be a mentor."

Ye Chen white one eye Zhou Yuanxin: "go."

.....

Soon, the two returned to the God extreme sect.

Ye Chen and Zhou Yuanxin use the token given to him by yuzhenzi to open the mountain protection array and return to shenjizong.

They flew towards the gate.

Zhou Yuanxin's round face suddenly appears a trace of doubt. He asks Ye Chen, "brother ye, it seems that something is wrong?"

Ye Chen nodded. In the past, many disciples would travel in the mountains, but today, they did not meet a person.

The next moment, the powerful mind, from the heart of Ye Chen's eyebrows, surging out!

Almost, it will cover the whole shenjizong!

The meaning of Zhenwu, as well as the power of the artistic conception of martial arts, can also be regarded as an increase in the spirit.

In a flash, ye Chen frowned and pulled Zhou Yuanxin: "let's go!"

He flashed wildly towards the mountain gate!

.....

At this time, in the void above the mountain gate, the faces of yuzhenzi and the elder are already iron green!

On the square, there were disciples of shenjizong lying all over the square. Each of them was seriously injured, which could hurt the foundation of martial arts!

Moreover, every one of them is an excellent disciple of the God Jizong!

Do they really want to sit back and ignore it?

But if they intervene, the severity of the matter will really rise to a higher level!

Han Jiuxi looked at those true stories on the ground, and his inner disciples said to a group of disciples of shenjizong: "this? Yeah? No one, do you want to continue to compete with me? I have already let you one hand, even, still stand still in place, these garbage inside the door, how can it be so ugly

He patted the plaque beside him and said, "this plaque, for you, is really worthy of the name."

Can, a group of disciples can only bow their heads, silent, eyes, is a despair.

Those most powerful disciples of shenjizong were defeated by Han Jiuxi. What can they do?

As for desperate?

Ha ha, when the two middle-aged people beside the cold Jiuxi, is it decoration?

Those two people are both profound accomplishments!

The elder's eyes were staring out of his eyes. His whole body was manic. He bit his teeth and said, "this little beast, it's really necessary to do something absolutely!"

Yuzhenzi, silent. This cold Jiuxi is really disgusting!

Even if they live like this for a long time, the old monster with extremely calm mind will not be able to see it!

The elder sighed, and his face seemed to be old. Several minutes later, he said, "my God Jizong, is it really going to decline? Is the gap between the younger generation of disciples and other first-class forces so great? If we go on like this, who will protect the face of our God Jizong? "

After all, they are the older generation, and they can't end up in person. But who can stand up in the God Jizong?

If you fall behind, you will be beaten. If you are not as good as others, you will be challenged and humiliated by others!

The kingdom of God is so cruel.

"It's true that once our disciples of shenjizong were almost trampled by other first-class forces. Even our old fellows couldn't raise their heads."

Said, his eyes, suddenly burst out two Jingguang!

"But it was only once! isn't it? Shenjizong is no longer the God Jizong in the past! "

"Now there is a disciple of shenjizong, named Ye Chen!"

In an instant, the elder understood thoroughly why Ye Chen was so important in yuzhenzi's heart!

The younger generation of shenjizong needs a man who can stand up!

At this time, a cold man's voice with senhan meaning sounded on the shenjizong square.

"You want to fight?"

This sound, very familiar!

Shua, all of us, look in the direction of the sound.

The speaker is Ye Chen!

For a time, one of the disciples of Jizong of gods was extremely excited!

Ye Chen, here we are!

The strongest disciple of shenjizong, the pride of shenjizong, the demon God ye Chen who has created countless miracles, is back!!!

In their most desperate, most need of his time, appeared!

In the hearts of all, there was a fire, a fire of hope!

Han Jiuxi frowned when he saw the bright eyes of these disciples. What's going on?

As far as he knows, shenjizong, the first person in zhenzhuan, isn't Qin Yuming, the thunder soul who has been frozen to pieces by him?

Soon, the crowd separated, a man came to the front of the cold Jiuxi.
