

Physician 261

Chapter 261

Ye Chen stares at the four people in front of him with interest.

The breath fluctuation of these four people is extremely strong, and one of them is the most terrible old man in Zhongshan suit.

Only from the momentum point of view, the strength of the old Zhongshan suit is far stronger than the others.

However, ye Chen didn't have too much fear. The dragon sword and burning sky palm were enough to deal with the people in front of him.

"If I guess correctly, you were sent by the Chinese martial arts bureau?" Ye Chen light way.

The old man in Zhongshan costume snorted: "how is it, not how it is! Just know that we are here to take your life today

"Many people tried to kill me, but in the end they all died." Ye Chen sneered.

"Very well! Ye Chen, today I will let you understand what is the gap, a younger generation dare to be so presumptuous! I really think you are the heaven of China! I tell you, there's a heaven out there, there's someone out there! "

With that, the old man nodded to the others.

"Do it!"

The old man of Zhongshan suit roared. In a moment, four figures shot out like shells. In the blink of an eye, they had appeared in front of Ye Chen.

"Chop!"

Only heard one of the old man a roar, in the hands of that bright long knife held high, cut toward Ye Chen.

Very fast!

Tearing the air!

The blade sends out the chill, in the sunlight, refracts the frightening light!

The whole scene is wrapped up with killing intention. Under the strong wind, it falls straight down from the sky and sweeps across the air. It brings a sharp whistling sound, and comes directly with the momentum of a thousand jin.

Ye Chen Mou son a congealing, pour is serious a few minutes.

This Dao is a good martial art. The key is to kill!

It seems that the people of Huaxia Wudao Bureau really don't want to keep him.

At the foot of Ye Chen, Canglong's phantom body will surge, and the body will go to one side directly!
Escaped this sharp knife!

At the same time, without any pause, he broke the strong wind and went straight to the hand holding the knife!

"Puff A, directly clasped that person's wrist!"

The old man was stunned. He didn't expect to fight back in the face of the attack of four people!

As soon as he turned around, he swept over with his right leg!

This kick can blow anyone's head!

His mouth showed a gloomy smile: "boy, you do not have that Rosa, I see how you live!"

See this foot with rolling strong wind, will hit Ye Chen, ye Chen calmly extended his hand!

Block directly in front of you!

"Looking for death!"

"Bang!"

When his foot touched Ye Chen's arm, "click!" A sound, incomparably clear and crisp!

The old man's smile solidified! A strong pain came!

In one blow, his leg broke!

"Now it's my turn!" A cold voice sounded in his ear!

The force of Ye Chen's five fingers suddenly broke out, and the old man's arm was torn on the spot!

At the same time, the long knife also fell down and was held in the palm of Ye Chen's hand!

Ye Chen Mou son twinkles to kill a machine, the true spirit is twinkling in the palm, the long knife in the hand shoots out directly!

"Hiss!" With a sound, the long knife directly penetrated the old man's heart, and even more violently, it nailed the old man directly on the mountain wall!

Shocking!

Like death's judgment!

Seeing this scene, the remaining three looked solemn and did not dare to have any carelessness. This boy is much more difficult to deal with than they imagined!

Two of them were angry and clapped one after another!

The momentum of the two men rose again in an instant, and suddenly rushed forward with a burst of dust under their feet. More than twice as fast as before! Just like a sword, it turns into a streamer and rushes towards Ye Chen!

The key two palms actually condense the virtual shadow!

Palm shadow all over the sky, in an instant Ye Chen appears to be in danger.

There's almost no way out!

The old man in Zhongshan suit didn't start. He carried his hands behind him and looked at Ye Chen with interest.

His two companions are brothers themselves. They unite to coagulate their hands and are extremely strong!

Few people can defeat these two people with their own strength!

Ye Chen looks at two people carrying the shadow of the palm and comes, the corner of the mouth shows a play.

"Since you are here, I will show you the world as well."

"Let's show you what the real palm technique is!"

"Burn the sky palm!"

The sky burning palm is like a sea of fire. It overlaps with each other and has infinite power. After training, it will explode out of the sky and kill thousands of people by leaps and bounds!

Ye Chen gathers all the true Qi of Dantian in one palm!

A sense of endless heat came!

His hand is suddenly gushing out flame shadow!

Between the waves, the light flashes, the wind roars, the flames roar! A red virtual palm was so blasted out!

A wave of energy ripples, from the contact, like a wave, burst and open, where the trees and boulders exhausted into powder.

This palm seems to tear the space and bring out a red sky.

The roar was deafening, as if the whole earth were breaking apart.

Burning the sky palm tore the shadow of the sky!

The most overbearing!

All the people's eyes are staring round, showing an unbelievable look!

What the hell is this!

This is the vision of top martial arts!

The key is that the vision is terrible.

Fire! How could there be such a terrible flame!

There is no such fantastic existence in ancient martial arts!

The disdain of the old man's eyes disappears completely! Instead, it was startled! It's fear!

Is this rubbish that those guys in Huaxia Wudao bureau say?

This son relies on LuoCha to win?

Rely on a fart!

Who can defeat the strength of this palm!

Flames all over the sky, without warning, directly tore the bodies of the two old men!

It's like burning out in the fire!

This is the power of burning sky palm!

Ye Chen also totally did not think that this move should be so terrible and frightening!

He was happy in his heart and just wanted to say something. Suddenly, his body was filled with blood, and his mouth overflowed with a trace of blood!

This burning sky palm has the power to bite back!

The key is that the elixir field in his body is empty!

Although this palm is strong, it is far from enough for us to show our own cultivation and genuine Qi!

We can see the terror of the burning sky palm!

Ye Chen quickly took out three pills and took them all at once.

Two Qi accumulating pills and one healing blood pill.

The entrance of pills makes you feel better.

The old man in Zhongshan clothes noticed something wrong and suppressed his inner fright!

Now, the most important thing is to leave now!

We must report this matter to Huaxia Wudao general bureau!

This kid has a big secret! Maybe even a practitioner!

Just as he was about to leave secretly, a cold voice sounded in his ear!

"If you want to go, have you asked my opinion?"

The old man's pace of Zhongshan suit is stagnant, and he only feels cool on his back.

When will this boy appear behind him!

Chapter 262

The old man in Zhongshan costume snorted, "do you still want to keep me

Ye Chen's expression Sen Leng: "you are wrong, I don't want to keep you, I want to kill you."

The old man's face changed a lot!

Ye Chen has a fist, the old man's wrist suddenly shakes, and a short knife appears in his hand. The blade changes horizontally and blocks the position in front of his chest.

"Bang!"

Ye Chen's fist blows in the short knife above, spreads out a dull voice!

The strong momentum of the waves rolling, ye Chen and the old man of Zhongshan suit stepped back one after another.

"Want to kill me, dream!"

The old man steadied his body and turned the dagger, driving a gust of wind and wiping it directly towards Ye Chen's neck!

He dare not stay at all!

Otherwise, if you leave a gap, you will be in danger.

Ye Chen Mou son is dignified, Dan Tian's true Qi is few left! He has to be quick!

The next second, a dragon sword appeared in his hand!

This scene left the old man stunned.

Such a long sword, the boy can't hide it!

It's like it's out of thin air!

What did the old man think of and exclaimed: "the thing that stores things! You have something to store

There was a storm in his heart!

At the same time, the murder is revealed!

If he gets the things from ye Chen, he will definitely become the top strong man in China!

As for the boy, he is not worthy of it!

At the moment, the old man is full of domineering spirit. The sabre technique is wide open and close, with ups and downs. The tiger and tiger generate wind. The shadow of the sword is all over the sky, and the cold is pressing.

Where the knife passed, the stones were flying, and the trees were all cut straight.

The whole ground looks like a mess.

"Boy, die for me, all your things are mine! Ha ha

With a knife, the old man condensed the whole body's strength and cut it horizontally!

Before the blade arrives, the cold comes first, and the murderous spirit is fully displayed. At this moment, the sword's meaning seems to be infinitely elongated, bringing out bursts of virtual shadows, covering the sky and the earth, and its momentum is like a rainbow.

Ye Chen Mou son pan cold, cut Dragon Sword tear air, resist and go!

"Bang!"

The sword suddenly collides!

The air waves are shocking!

"Click!" With a sound, the knife in the old man's hand of Zhongshan suit was broken directly!

He stares at the sword in Ye Chen's hand!

It was found to be a spirit sword!

Sleeping trough!

What is the origin of this boy? He has so many treasures!

The old man didn't pay attention to one punch, and the green veins on his hands were clearly visible. His strength was like a blade sweeping out!

The fists roared, they let out a deep whistling sound, tearing the air and rushing away.

"Go to hell!"

Just then, a black light flickered!

The old man felt cold all over his body!

Suddenly, he saw something, a dart engraved with blood plum broke through the air.

He knows the dart! This is not the thing of Lingfeng in Xuemei hall?

How can the key appear in Ye Chen's hand, can't help but he hesitates, he wants to dodge, but it's too late.

"Chi!" The dart pierced his neck, broke the main artery, and blood gushed.

His pupils dilated and he fell into a pool of blood.

After all this, ye Chen exhaled a puff of turbid air, and his back was wet through.

Otherwise, it's not good for you.

The key is that he didn't know that the full burst of burning sky palm would produce such great power!

To own body and the elixir field is also extremely attrition.

I knew I'd leave this burning palm to the old man in Zhongshan suit.

It seems that the sky burning palm can only be used at the most critical moment.

Ye Chen five fingers a grasp, the true spirit condenses, the mobile phone of the old man in Zhongshan costume appears in his hand.

He opened the call log and made the most recent call.

.....

Capital city, Huaxia Wudao General Administration.

Zheng renjue is checking some information about ye Chen.

He found something wrong.

At that time, the affair of Yunhu villa actually involved some amazing things.

Why should the one who is above the key deal with a small family in Jiangcheng?

Are you willing to destroy the Ye family?

Just as he was deep in thought, the phone rang on his desk.

He glanced, it was Qian's number.

Obviously, ye Chen should be solved.

He sneered: "Ye Chen, ye Chen, you should not be the person who is arrogant to move the Chinese martial arts Bureau."

"Some people and some forces can not be determined by their strength."

"But it's a pity to die so young. This may be the cruelty of Chinese martial arts. "He pressed the hands-free button and said, "Mr. Qian, remember to clean up the body. This boy is the soul of the Dragon at any rate. It will be a bit troublesome to be caught."

There was no sound on the other end of the phone.

"Old Qian?"

Zheng renjue's brow slightly wrinkled, just wanted to speak, the telephone transmitted a cold voice.

"Don't shout, they're all dead. I don't know who you are and I don't care who you are. I don't want you to disturb me again. Otherwise, I'll find you and screw your head with my own hands. "

Words fall.

The phone hung up.

Zheng renjue's anger burns in his heart!

Threat!

A naked threat!

He is a top strong man of the seventh in the list of Chinese masters. He was threatened by a stinky boy who didn't grow up all the time!

Sleeping trough!

What the hell is this!

"Bang!"

Zheng renjue slapped it on the table, and the phone was smashed directly!

.....

Ye Chen made a call to Lei Shuwei. After all, this place is closest to the base. Let him deal with the body.

Let Xiao Deng take him back by the way.

After such a long journey, he was almost calm, knowing that the most important thing at present is to strengthen his own strength.

With the samsara cemetery, what about the three top families!

If Yunhu villa is really related to these three families!

He's going to kill the capital!

Anyone involved in this matter, whoever it is, must die!

There was a trace of evil spirit in his body, which rose up in the sky, just like a virtual shadow of a blood dragon around him.

Until the sound of the Dragon chant.

Seeing this picture, ye Chen is slightly stunned. It seems that he has unconsciously condensed the evil spirit.

The key attribute of Sha Ying is actually a blood dragon.

"That's not bad."

The old man said that his way was not a traditional way from the beginning, but to kill the way.

Killing Tao can break all kinds of Tao, but it can also destroy the heart of Tao.

Sha Ying agglomerates to form what kind of killing way.

If it is evil spirits, it is really a road of no return.

Now, the blood dragon should be pretty good.

At this time, ye Chen found that the stone in the pocket was surging, as if to break the bag and rush out.

Ye Chen stretched out his hand and held the stone.

Almost instantaneously, everything about the reincarnation cemetery appeared in front of him!

And the shadow of the blood dragon on his body rushed in directly and hit a tombstone!

There's a crack in the tombstone!

A faint flicker of light.

Ye Chen is short of breath!

The third tombstone appears!

The ancient writing is like a knife carving in the tombstone!

This time, no name!

Only one word!

"I was born in slaughter and withered in death. On the day I come back to the world, those who oppose me will die!"

Chapter 263

Only this sentence, unexpectedly let Ye Chen feel all over the cold, as if a pair of eyes from the depths of death tightly staring at themselves.

Luo Yuntian once said that there are only two ways to activate the tombstone. First, as long as his strength is enough, those ancient great powers can feel that he is qualified, and they can naturally arouse them. Second, some things he did were recognized by these people.

But at the moment, obviously not because of cultivation and strength, but because of his blood dragon virtual shadow! And his way of killing!

It's just that the light of the tombstone is too shallow to arouse.

We have to wait.

Well, at least he had a thought in his mind.

Chen Qingcang's powerful, he has already felt, this is related to the killing tombstone, how terrible the existence behind?

Ye Chen doesn't think about it any more. There's a car coming.

He withdrew his ideas and returned to reality.

"Mr. Ye." Lei Shuwei walked down from the car. When he saw this remnant, his eyes shrunk slightly, "Mr. Ye, someone is chasing you?"

There was some anger in his heart!

Ye Chengang and Huaxia No.1 finished the video, they were chased and killed, and he was mainly responsible.

"It's just some clowns. I'll leave it to you."

With that, ye Chen got on Xiao Deng's car and went directly to the city of Jiangnan province.

After ye Chen left, Lei Shuwei noticed the bodies above.

It's shocking.

He opened the corpse of the old man in Zhongshan suit and saw the other party's face in an instant.

When he saw this face, Lei Shuwei's eyes were full of panic!

This guy is the old Qian of Huaxia Wudao bureau!

He also looked at several other corpses. His status in the Chinese martial arts Bureau was not too low!

The key four people joined hands and were killed by Ye Chenqi!

Under this, ye Chen and Huaxia Wudao bureau are doomed to die.

Lei Shuwei took out the phone and broadcast it out: "contact Huaxia Wudao Bureau. I want to ask them what is the charge of assassinating the commander-in-chief of dragon soul!"

This kind of despicable means, Chinese martial arts bureau does not hold water at all!

Although No. 1 does not allow the dragon soul to interfere in the conflict between the Chinese martial arts Bureau and ye Chen, it is not bad to make a fuss about it.

At least we can buy time for ye Chen.

When ye Chen was in the car, he received a call from Sun Yi.

In recent days, the work of Tianzheng Group in Jiangnan province has been thoroughly launched, and a new round of pre-sale of products is about to begin.

This time, in addition to Jiangnan Province, several first tier cities will open up.

Capital city, magic city, deep city, Sichuan city and so on.

Of course, the capital city and Jiangnan province are the most important.

Because of the busy work, Sun Yi has to work overtime for a long time. Let him and Xia Ruoxue not wait for her to go home.

Ye Chen naturally did not have too big opinion, when he returned to the villa, found that Xia Ruoxue was not in.

Do you eat dinner by yourself?

He had planned to make some rare dishes for them, but now it seems that he will have to wait for a few days.

At this time, ye Chen's mobile phone rang, which surprised him was Xia Ruoxue's wechat.

"I bought two tickets for the movie. Are you free in an hour?"

Ye Chen looks strange.

Watch a movie?

Xia Ruoxue, which one is this?

She invited him to see a movie?

This is not Xia Ruoxue's style at all. If he is invited to a dinner party, it can be understood.

Isn't watching a movie something ordinary couples do?

When ye Chen doubts, Xia Ruoxue sends a word.

"Just to fulfill a little wish of mine."

Ye Chen thought for a while and naturally did not refuse.

.....

Half an hour later.

Jinyi film city, Jiangnan province.

A beautiful image appeared at the gate of the cinema.

There are a lot of people in the cinema at this time point, but almost all people's eyes are focused on the beautiful image!

Qianying is Xia Ruoxue.

Xia ruoshue is obviously dressed up a little bit, waterfall like long hair tilted down, the light refraction, is dazzling and compliant.

The upper body is wearing a tight chiffon with bare shoulders. The white and red skin is embedded in the beautiful shoulders. Chiffon can't wrap the graceful and proud chest. The mountains and hills are undulating and the graceful appearance is graceful. With a small waist, the curve is balanced and the figure is good. It can be described as "devil".

Her lower body is wearing a pair of light blue casual jeans, set off her tall and slender figure, a pair of black casual shoes, the whole person appears charming and elegant, elegant, elegant, elegant body.

Her eyes are as cold as a spring on the snow mountain, with an ethereal and aloof temperament.

It was as if nothing could get into her eyes. There have been dozens of male students who claim to have good family background to greet each other actively, which shows their identity.

But Xia Ruoxue's response is indifference.

That kind of temperament makes countless young men and girls around feel inferior, and no one dares to step forward.

Some boys even want to see who this beautiful girl is waiting for even if they are late for the movie!

Summer if snow that beautiful eyes looking at the direction of the entrance, as if waiting for something.

Not long ago, a casual clothes Ye Chen appeared at the cinema door.

He was just about to make a call to Xia Ruoxue when a graceful voice came to him.

"Ye Chen, here!"

It's summer snow!

Follow the voice to look, summer if snow is shaking jade hand, eyes such as water.

When he saw Xia Ruoxue's dress, he was really surprised.

This is too beautiful.

Ye Chen is sure that this is the most beautiful side he has ever seen Xia Ruoxue.

Summer if snow see ye Chen in a daze, smile, then walked over, a hand directly held Ye Chen's hand.

"Check in. Let's go in."

"Good..."

Ye Chen and Xia Ruoxue walk towards the ticket gate.

This scene deeply stimulated the hearts of men who had a trace of fantasy.

"Sleeping trough! I finally found a goddess and had a boyfriend! Can't bear it

"Although the boy is good-looking, he is obviously not as handsome as I am! No reason

"I don't accept it! Is a flower on the cow dung like this

Outside, howl!

Who could have thought that Xia ruoshue, a beautiful woman who refused to accept people from thousands of miles away, would be so enthusiastic to a boy!

They are angry!

But what's the use?

Laser hall two.

It's a romantic comedy on the air.

However, Ye Chen is not in the mood of watching the movie at all. He looks over his head and looks at Xia Ruoxue, who sometimes laughs and is moved.

He could feel Xia Ruoxue's hand holding him tightly.

It's like being afraid to break free.

What's wrong with this girl?

It's like a different person today?

It seems to be aware of Ye Chen's gaze, Xia Ruoxue turns his head and looks at the beautiful eyes.

"What's the matter? Don't I look good today

Ye Chen shook his head: "very good-looking, but your behavior is more strange, although this is very normal for ordinary girls, but it is really abnormal on you."

Chapter 264

Xia Ruoxue eyes fell on the screen, and the men and women in the film were kissing in snow.

"Ye Chen, I am just a normal girl, regardless of my family and everything I have."

"I will also want love, I want to see movies, I also like to eat roadside stall things, which is my heart has always thought."

"I envy Sun Yi, really envy, I sometimes really do not want to be born in summer, really do not want to."

"Today, I suddenly want to feel how ordinary girls fall in love. I say to watch movies, to go to the night market, to have a person who likes to accompany me. I want to try this feeling, even if only one day."

"Would you like to be my boyfriend, even this day."

Summer Ruoxue's eyes flicker a glimmer of light, do not know whether it is tears, or her beautiful eyes in the stars.

She has no choice.

Qinzhengyang and the most powerful man in Kunlun Mountain are going back to Jiangnan province.

Maybe in a moment, Jiangnan province is going to change.

She hopes to finish what she thinks before.

She wants to experience something that she does with yechen, and even gives her most important things to Ye Chen.

Ye Chen is her only way out and choice.

As for qinzhengyang, he is not worthy!

This day, she wants to enjoy the present without thinking about anything.

That's afraid it's her last day.

"Ye Chen, would you like it?" the clear voice of summer Ruo snow rang.

Although Ye Chen did not know what happened, he nodded: "of course."

The words fall.

Xia ruoche leaned forward and kissed her red lips.

The four lips blend like this.

Ye Chen can feel the heavy breath of summer Ruoxue snow, and uneasy little hands.

He held her lips in his arms through her long hair and brought her close to herself.

Touch the tip of the tongue and wrap it.

Xia Ruoxue opens his eyes, and is kissed by Ye Chen, his knees are soft, and she feels like a wave of waves, and constantly scours the back ridge

A kiss that is short, deep, and thorough.

It was a kiss in the real sense of Charlotte to remove those accidents and accidents.

Of course, those unexpected kisses belong to Ye Chen.

Perhaps hear the cough behind, two people wake up, Xia Ruoxue blush, pretend to continue to watch the film.

As for the leaf Chen cold eyes stare at the voice behind the one.

How do people get the eyes of Ye Chen.

The man turned pale in the face of the spot.

After a film, xiaruoxue and ye Chen went to the night market to see the Lantern Festival in Jiangnan province.

Then he rented a boat and came to the autumn lake in Jiangnan province.

The water in autumn lake is very light. In the past, when stars are full of stars, many lovers will come here to play, to see the stars in the sky and the stars reflected on the lake.

Two round star, brilliant.

But because of the haze and the cloudy sky, no matter the sky and the lake are not stars, naturally no one comes to play.

The whole autumn lake has only one boat.

Xia Ruoshui is standing at the bow, and I don't know what to think about.

"What's wrong, don't you like it?" Ye chendao.

Xia Ruoxue shook his head, and her eyes were lost: "I heard online that when stars were growing in the sky, the boat swam to the center of autumn lake, and there are stars on both sides. It is beautiful. Unfortunately, the Duke of heaven is not beautiful..."

Ye Chen looked at the sky, and there were no stars. The way was, "it's OK. I'll come here with you next time."

Xia ruoche murmured: "I don't know if there is any next time..."

It seems to have noticed the loss of summer Ruoxue, the eyes of the leaf Chen, what I think.

"If snow, since you want to see stars, I will take you to see."

Xia Ruoxue was shocked: "what?"

Before she came back, ye Chen stepped on her feet and went straight to the water!

The scene of the frightened summer Ruoxue pale.

But she was shocked to find that ye Chen was so quietly suspended in the water!

There is no wave.

"Step on the water?" Xia Ruo snow under the consciousness covered the mouth.

She knew that the strong men in the martial arts and Taoism could walk on the water, but she didn't expect that ye Chen was so relaxed!

It's like taking control of the lake!

Ye Chen hands behind, step out step by step, from summer Ruoxue foot three meters.

He closed his eyes and a rune came out of his hand.

This was given to him by the old man. It was originally used as water to escape, but now he has enough strength to step on the water and become chicken ribs.

The fingers of Ye Chen are pinched and the rune is burning.

A little bit of array is meant to ripple on the water.

The scene is spectacular.

Ye Chen reached out his hand, and said, "if snow, you come." Xia Ruoxue pointed to himself: "me? But I don't know Gu Wu... "

"It's OK. Just come here. It won't fall." Ye Chen Dao.

The next second, Xia Ruoxue stretched out a foot and stepped on the water.

I thought it would sink, but I found myself stepping on the ice!

"This..."

She couldn't describe the shock in her heart with words.

This is water! Not ice!

But she just stepped on it like a dream.

The smooth surface of the lake reflects the whole sky without stars.

But there are boys and girls like the lake, just like immortal!

Ye Chen step out, pull the hand of summer if snow.

"Do you like it?"

Xia Ruoxue nodded and looked at Ye Chen in surprise: "you How did you do it? It's amazing. Standing in the water and looking at the lake, I'll never forget this moment! "

Ye Chen slightly with deep meaning to see if snow summer, light way: "this is not enough, can't let you unforgettable."

"Although I don't know why you are so strange today, it doesn't matter. If you want to see the stars, I'll give you stars all my life!"

Ye Chen's voice fell, and ten spirit stones appeared in his hand! These spirit stones were collected by him during this period of time and are extremely precious.

In Kunlun void, many practitioners will burn crystal stones to release aura, thus speeding up the cultivation.

Ye Chen outlines a confident smile at the corner of his mouth and throws the spirit stone fiercely into the sky! At the same time, ten fingers condense a very strong genuine Qi!

A ray of light in the palm of your hand!

"Ten fingers burning the sky!"

Ten rays of light shot out and fell on the spirit stone above the sky!

In an instant, the spirit stone exploded and opened!

As bright as fireworks, and embellishment in the sky, into stars all over the sky!

Innumerable aura surging, the withered vegetation around unexpectedly revived!

One side is full of stars.

The lake is still full of stars!

Because the spirit of the lake is surging, thousands of Koi in the lake have jumped out of the lake!

The water splashed all over the place, rippling and rippling!

Ask the world girl, which one can not be intoxicated in this scene!

It's a wonder!

At the moment of Xia Ruoxue, body shaking, eyes are full of moving tears!

She thought the best present she received this year was the tears of the stars!

But did not expect, this situation this scene, can be called the world's best gift!

Key moment, all this belongs to her Xia Ruoxue!

Chapter 265

Xia Ruoxue's heart is like a deer. She has never been so excited since childhood!

Even the happy will faint.

"Ye Chen Thank you I will never forget this scene in my life. "

Ye Chen smile: "you next time if you still want to see, just call me on the line."

Xia Ruoxue thought of what, but still heavily nodded.

At the moment, ye Lingtian and LuoCha are standing on the Bank of qiuting lake, and their expressions are strange.

Who could have thought that the hunter who killed Tang Ao and made countless forces in the whole south of the Yangtze River be in the mood to date a woman!

It is even more willing to use such precious spirit stone to create a gorgeous.

It's too expensive.

If they are known by the forces in Jiangnan province and the capital, they will be shocked.

In ancient times, there was king Youwang of Zhou Dynasty who laughed at the beauty of Bo Hongyan, and the princes of the beacon fire drama. Today, there are his Ye Chen who laughs for Bo Hongyan, and Lingshi makes the sky.

"Although the leader of the temple is powerful, I forget one thing. He is only in his twenties. Shouldn't he be so old?"

"However, at such an age, he has reached this strength. If he grows up again, will he become the first one in the list of Chinese masters?"

"Let's go."

Ye Lingtian's mouth showed a glimmer of expectant smile, then lowered the cap, and LuoCha disappeared in the dark.

In the lake, ye Chen and Xia Ruoxue return to the boat, and they enjoy the time.

At the moment, his original intention is to kill.

Ye Chen saw Xia Ruoxue smile more than 100 times today. Under this kind of dimple, all the beautiful things can only serve as foil.

At nine o'clock in the evening, Xia Ruoxue took Ye Chen's hand and looked at the time: "it's nine o'clock. Let's go back, and today's crazy is almost."

"Good."

The two returned to the villa and took a bath in their respective rooms.

Don't know why, ye Chen always feels something is wrong.

He let ye Lingtian investigate all the Xia family, there is no difference.

Is it because of the Qin family?

The Qin family is in Kunlun mountain. He has not come back yet. He has always asked longhun to pay attention to the airports, motor trains, toll gates and stations in Jiangnan province.

Once the Qin family comes back, he must know the news at the first time.

And he not only needs to know the news, but also slaughters the Qin family!

The existence of Qin family is a threat.

But now the Qin family is not in Jiangnan Province, so it is impossible to affect Ruoxue's mood.

"Forget it, I don't want to. Xia Ruoxue's bloody disaster is these days. Anyway, I'll try to stay with her these days."

"Soldiers will block, water comes and earth covers, no matter what bureau, it is broken!"

After the bath, ye Chen returned to the room and sat cross legged. As soon as he entered the cultivation state, he found that the door of the room suddenly opened.

Xia Ruoxue stood at the door, her hair had just dried, but her hair tip was still stained with a trace of water.

Perhaps because of the high temperature in the bathroom, her face is red and her eyes are a little flattering.

Such a scene, ye Chen can't help swallowing saliva.

"Ye Chen, have you finished the bath?"

Xia Ruoxue asked.

"Finished..."

Ye Chen has guessed something.

Xia Ruoxue nodded and pretended to be very calm.

"I said, this day we are all lovers, so you don't mind if I come in."

Ye Chen shakes his head: "do not mind."

"Good."

Summer if snow closed the door, direct reverse lock.

The whole house is smelling of hormones.

Xia ruoshue looked at the quilt and opened it directly. Her long white legs stepped in.

The atmosphere was dignified.

The key Ye Chen still has some way to feel the summer if snow.

What is this girl going to do?

At the moment when her eyes looked at each other, Xia Ruoxue opened her mouth: "tonight, I am yours."

"You're mine, too. That's it."

The next second, summer if Snow's red lips directly kiss up.

Is directly pushed Ye Chen on the bed!

This makes Ye Chen a little confused, push backward?

Although Xia Ruoxue's iceberg character has melted a lot, it has not been pushed backward at all.

But he is also very clear, Xia Ruoxue is like his own, he also likes her.

This is a matter of mutual affection in itself, but this sudden progress is a little fast.

"Ye Chen, from today on, I am your woman."

Summer if snow cold voice drill into Ye Chen's ear.

With a heavy gasp, her clothes were directly removed by her.

Flat under the abdomen, can't help but let Ye Chen pharyngeal saliva. Xia Ruoxue's figure is actually very good, maybe it's the reason why she keeps fit all the year round, without a trace of fat.

The devil's body, plus the angel's face, which man can control it?

Ye Chen's clothes were also removed.

The two men were completely frank with each other.

Xia Ruoxue swept a glance at the lower part of Ye Chen, slightly frightened, his face was even more shy and red.

Although it was strong just now, I was still afraid at the last step.

But she didn't regret it.

She does like Ye Chen.

This kind of feeling is very delicate, like, leave Ye Chen, the world will become boring general.

As for Qin Zhengyang and her engagement, she did not care.

At this moment, she does not care about the anger of the Qin family, and regardless of everything, just want to be entangled with the man in front of her.

Ye Chen turned over and pressed Xia Ruoxue under his body.

The lips are in every part of her skin.

Xia Ruoxue as a virgin, how to accept, Jiao body soft down.

There is not a trace of strength.

Summer if snow smile, I don't know why, she feels this is her happiest moment.

At least, today, she is no longer the daughter of Xia family.

She is Ye Chen's woman.

Today, at least, she can decide her own destiny.

There is no turning back.

.....

At the same time.

Jiangcheng high speed railway station.

A girl about 13 years old appeared at the gate of the high-speed railway station.

She wore a light green shirt, a melon seed face, although young but delicate, a pair of clear eyes staring around.

It's full of curiosity.

Her hair was a little messy, and she frowned when she saw several girls about the same age passing by her with schoolbags on their backs.

"Why are people outside Kunlun so weak? You don't even have a quenching environment? "

"I don't know where that guy is. The old guy said he came to Jiangcheng. Why doesn't Jiangcheng have a breath? What the hell

The girl frowned and walked out of the station.

Every few hundred meters, he pinched his fingers and made some strange gestures.

"Well, it's so difficult to find someone else, which has delayed my practice time!"

Chapter 266

The girl took out a picture and waved to a middle-aged man who was coming towards him and said, "you Yes, it's you. Come here for a moment. I have something to ask you. "

The middle-aged man with glasses was a little confused, but seeing that the other side was a child, and now it was night, he might have lost his way and didn't care too much. He said curiously, "little sister, are you lost?"

The girl shook her head, pointed to the person in the picture and asked, "have you seen this guy in the picture?"

If ye Chen is here, he will surely find that the youth in this photo is him!

The middle-aged man took a look at the man in the photo and shook his head: "I'm not a local either. Ask other people."

Girl eyes some lost, suddenly, she noticed what, the body instantly into a shadow!

Disappeared in front of the middle-aged man!

The middle-aged man only felt a strong wind sweeping, and then, the little girl in front of him disappeared!

He looked around, not even a shadow!

The middle-aged man took off his glasses, rubbed his eyes and said, "is it a hallucination? It seems that I have been overworked these days... "

.....

The next morning.

Ye Chen just opened his eyes, subconsciously want to embrace the summer snow around him.

But I found my side empty.

He put on his clothes and washed them. As soon as he got downstairs, he found that Xia Ruoxue and Sun Yi were already having breakfast.

Sun Yibai glanced at Ye Chen and said, "you boy can sleep. It's almost nine o'clock. I usually get up so early. Today I sleep like a pig. I've called you several times."

"No matter what, we have to make the final preparations today. Shen Haihua and I attach great importance to this press conference. In view of our hard work, you, the big boss behind the scenes, should give more year-end awards." Sun Yi joked.

Ye Chen nodded: "should, the whole Tianzheng Group can give you."

Sun Yibai glanced at Ye Chen, took the bag and was ready to go out: "the 11 o'clock press conference, the end of this conference, I should be able to rest for a few days, then I will make you something delicious."

Sun Yi disappeared in the villa.

Only Xia Ruoxue and ye Chen are left in the restaurant.

Ye Chen drew out the chair beside Xia Ruoxue and said, "now should I be told what happened?"

"Yesterday you said you were my woman."

Summer if snow pretty face a red, just want to talk, ye Chen's mobile phone rang up.

It's a text message.

"Mr. Ye, I have received the news that the Qin family is on the way back to Jiangnan province."

Seeing the news, ye Chen was stunned.

Immediately, looking at Xia Ruoxue: "you should have known that Qin family is coming back."

Summer if snow a Zheng, originally did not know how to say export, but did not expect this matter or by Ye Chen to know.

"What you worry about is your engagement with Qin Zhengyang."

Ye Chen continues, the tone is full of indifference.

After a few seconds, Xia Ruoxue opened his mouth and said, "Ye Chen, thank you for everything you gave me yesterday. I don't regret it."

"But I hope you don't meddle in the affairs of the Qin family, because this time not only the Qin family has come back, but also the strong man of Kunlun mountain."

Hear this sentence, ye Chen Mou son a congealing.

It seems that the Qin family is so unscrupulous, relying on the Kunlun mountain.

If he guessed correctly, the strong man of Kunlun Mountain is likely to be a kind of person with him!

It may even be the kind of existence expelled by Kunlun Xu.

But even so, he was not afraid.

Ye Chen held Xia Ruoxue's hand and said word by word: "since you are my Ye Chen's woman, no one in this world is qualified to move you!"

"The day when the Qin family comes back is the time when he destroys the family."

"Will you believe me?"

Xia Ruoxue's beautiful eyes stare at Ye Chen tightly. After a few seconds, she nods: "I Yes. "

"Well, you stay in the villa these two days and leave the rest to me." Ye Chen said earnestly.

"Good."

Xia ruoshue did not refute what, she knew that as a woman, she would have to believe her man without hesitation at some time.

The key is that the man in front of him, from Jiangcheng to Jiangnan Province, has never failed.

Ye Chen stood up and went directly to the balcony on the second floor and made the first call to LuoCha!

"24 hours, stay at the villa! If the irrelevant personnel break in, they will be killed! "

"Yes, my Lord!"

Ye Chen broadcast a second call.

"The Qin family is coming back. Ye Lingtian, what is your strength and what is the power of the dark hall?"

"Don't worry, master. What you are referring to is the battlefield of the dark hall!"

"Good."

Ye Chen wanted to make a third call. But thought for a long time, or gave up.

This phone should not be used for the time being.

He didn't know if the man the old man was talking about was still alive.

When he came out of Kunlun, the old man only threw out a word.

"When you get outside, remember that you are my disciple and no one is qualified to move you. If they don't have eyes and you can't handle it, make this call. He'll help you out.

If this call doesn't work, it means that the person is dead. You have no chance with him. "

"Remember, this call can only be broadcast once, and don't try until it's a matter of life and death."

Put the mobile phone into the pocket, ye Chen closed his eyes and held the black stone in his hand.

The reincarnation graveyard suddenly appears in front of us, and the light of the third tombstone is more and more prosperous.

But it still hasn't reached the stage of arousal.

The sword of cutting dragon appears in Ye Chen's palm! Looking at the sky, he shot out his cold killing machine and said, "the strong man from Kunlun mountain? I hope you don't let me down! "

Wandaoer airport, Jiangnan province.

A private plane landed slowly.

Originally, there were very few people at Wandall airport, but this time it was surrounded by a lot of people.

What's strange is that these people are not ordinary star chasers. Each person has a strong martial spirit! Or it's a superior posture!

Any of them alone, almost all of them are great figures in Jiangnan province!

These people have long received the news of Qin family's return!

What's more, I know that the Qin family has come back with Kunlun mountain!

How can the strong, who can make the Qin family move from place to place, use the strength of the whole family to invite, how can they be weak!

The existence of this strong man will inevitably change the situation in Jiangnan province!

Even split the shadow of Ye Chen, the hunter!

These days, the various martial arts families in Jiangnan province are in a state of panic! I'm afraid that if I offend the hunter carelessly, I will be destroyed directly!

The key Wu family and Tang family were killed by this boy!

Who can stop him?

If it goes on like this, the hunter seems to be the first person in Jiangnan province!

And this time the Qin family comes back, it must be to change the existence of this situation!

They are all human beings. If they don't stand in line now, when will they wait!

Chapter 267

The plane came to a complete stop in anticipation.

The door of the engine room opened and an old man in a robe came out first.

The old man's eyes are very small, but every step, there is a strong momentum.

Not only that, the master of the Qin family and Qin Zhengyang, the martial arts genius of the Qin family, are carefully following behind.

I'm afraid of offending the old man.

All of them are short of breath.

Naturally, they knew that the robed old man was the top strong man that Qin family had gone all the way to invite!

Although I don't know the strength of the old man, the Qin family is so flattering and respectful! Must be terrible!

The robed old man got off the plane, glanced at everyone and said to Qin Zhengyang, "apprentice, it seems that your Qin family has some prestige in Jiangnan province. So many people have come to meet you, and there are some strong ones among them."

Qin Zhengyang laughed and even said, "master, maybe you understand me wrong. I don't have such details in Qin family yet. These people are all to witness Shifu's demeanor!"

"See me?" "I'm just a common name. How can people in Jiangnan know?"

Qin Zhengyang said mysteriously, "yes, I'll find out later."

"By the way, master, I heard that recently a hunter was born in Jiangnan province. He killed the two Wudao families in Jiangnan province at a young age. His method was extremely cruel. People in Jiangnan province are in a state of panic. "

The old man in the robe said with a white eyebrow: "is there such a thing? Hunter, still do not move to kill the door? Generally, such arrogant people can't live long. "

Qin Zhengyang Mou son a turn, continue: "master, if this boy deal with my Qin family how to do?"

The robed old man stopped and snorted: "don't worry, with me, this son has already turned into a blood mist before he enters the gate of Qin family."

Hearing this reply, Qin Zhengyang was overjoyed. This is what he is waiting for.

During this period, he heard some things about Jiangnan province intermittently, and naturally knew that Xuemei hall did not kill Ye Chen.

The key is that ye Chen grew too fast during the absence of the Qin family.

It was almost too late for his light to be covered.

If ye Chen is really as terrible as the legend, it is too difficult for the Qin family to deal with it.

Only with the help of the master, with this reply, he was like eating a reassuring pill.

A group of people got off the plane. Soon, the owner of the Wudao family rushed up and took out a precious gift from his arms.

"It is the wish of our Fang family that the grand master came to Jiangnan province."

"The master is extraordinary. My Xu family has heard a lot about you! A green cloud pill for the master..."

"Master, I set up an elegant seat in Dingyuan restaurant to help the master and the Qin family get rid of the dust. Please give me a look..."

A precious gift was handed over to the old man in the robe, and they were all accepted by the servants of the Qin family.

The old man in robes did not speak, and he naturally knew why the group did so.

It's all about standing in line and taking shelter.

Humble weak, always.

Qin Zhengyang thought it was almost the same, so he said in a loud voice, "you don't have to eat. My Qin family has set up a banquet for my teacher in nanqin villa. If you don't mind, you can go there together and see the grace of your teacher."

Those people were surprised and envied when they heard that Qin Zhengyang had become the apprentice of the robed old man!

In this way, the first throne of Qin family in Jiangnan province is completely stable!

At this time, a little girl happened to pass the exit, and he was followed by a middle-aged man with the same martial spirit.

The middle-aged man is Meng Yuanchang, the master of the Meng family in Jiangcheng!

When Chu shuran was dealing with the Meng family, ye Chen accidentally saved his life.

Last night, the little girl found that Meng Yuanchang had the smell of Ye Chen, so she found it directly and threatened Meng Yuanchang to take her to see ye Chen.

Meng Yuanchang didn't want to pay attention to it at all, but when he saw the strength of the little girl, he was really alive!

This young girl in her twenties is even more terrifying than the existence of her practice for decades!

What's the matter with Jiangcheng? There are so many demons all at once.

Meng Yuanchang knew that the people in Qin's family were the top powerful people in Jiangnan province. He was afraid that the little girl behind him would cause trouble, so he took the little girl to another direction.

Unexpectedly, the little girl didn't intend to leave at all. Instead, she looked at the old man in the robe with interest and murmured: "I finally met one who could fight. No, I'm going to play with him..."

Meng Yuanchang's face was pale with fear, and he even said, "Auntie, please, don't make trouble. Maybe you will see Master Ye soon..."

The little girl thought about it and put away her desire to fight: "forget it, it's important to find Ye Chen, and lead the way! I can't see ye Chen today. I'll let you feel my cotton killing fist! "

Meng Yuanchang:.....

Villa.

Ye Chen practices cross legged on the sofa, while Xia Ruoxue looks at the magazine.

Xia Ruoxue plans to go out several times and is rejected by Ye Chen.

At present, in addition to the cultivation of Ye Chen, the most important thing is to protect Xia Ruoxue.

Never leave!

Because he found that the evil spirit on Xia Ruoxue's forehead was getting stronger and stronger.

Extremely unfavorable.

As for the Qin family, he did not intend to come to the door in person. He believed that the Qin family would raise their face and fan him!

What he needs to do now is to make an impact on his accomplishments. Maybe he will step into a small state, and the third tombstone will be able to completely arouse him.

This is his biggest card.

At present, the only variable is the strong man in Kunlun Mountain of Qin family.

If the strength of the other side is comparable to that of him, there will be no worries.

If the strength far exceeds him, it is doomed to be a bitter battle.

"Ding."

Ye Chen's mobile phone rings.

The message of the dragon soul - "Mr. Ye, the Qin family has got off the plane."

Subsequently, Xia ruoshue's mobile phone also rang.

When she saw the name on the mobile phone, her face changed slightly. She just wanted to reach out and pick it up. A strong momentum swept over her. The mobile phone was firmly grasped by Ye Chen.

Ye Chen glanced at the name and outlined a smile at the corner of his mouth.

Press the answer key.

A evil spirit voice came: "Xia Ruoxue, you should be clear about the original agreement. When Qin Zhengyang comes back, it is the time of our engagement! I want to... "

Words have not finished, was Ye Chen interrupted: "Qin Zhengyang, may let you down, if snow is my woman now."

The other end of the phone heard the voice, a Zheng, and then a burst of anger penetrated: "Ye Chen!"

"Pa!"

There was a loud noise from the other end of the phone and it hung up completely.

Ye Chen's eyes twinkle with a trace of cold.

The battle has begun.

Chapter 268

Panshan highway.

A Bentley business car, heading for nanqin villa.

Inside the car.

Qin Zhengyang heard Ye Chen's words, directly pinched the mobile phone, and rushed to the top with a burst of anger!

Xia ruoshue is his woman, this boy has no qualification to move!

What's more, ye Chen's meaning is obvious. Something must have happened between him and Xia Ruoxue.

Damn it!

When I think of my fiancée, I was beat by others!

His eyes twinkled with a very penetrating and gloomy look!

"Xia Ruoxue, a bitch, dare to fight against me? Good! Good! You think you can get away from me?
Dream

"No one can stand opposite to me. Now I will not only marry you, but also humiliate you in front of all the people in Jiangnan province."

Qin Zhengyang was furious and roared.

The old man in the robe sitting opposite seemed to notice something and said, "disciple, what makes you so angry?"

"It might help to be a teacher."

Qin Zhengyang thought for a moment, or shook his head and said, "nothing. I just heard that the hunter was extremely arrogant! It's just a little irritated. "

It's not a shame for any man!

What's more, if the master knows, he will certainly look down on his Qin family!

Even a woman can not guard, still want to guard the country?

The old man in robe took a deep look at Qin Zhengyang: "don't worry, I will let him die without a burial place if he dares to enter the Qin family."

What did he think of? He said to Qin Zhengyang: "apprentice, when I heard you came back in Kunlun Mountain, the first thing you did was to get married. When do you bring that girl to my teacher today, I can also divine the marriage for you."

After hearing this, Qin Zhengyang's face was not right, but he still said, "what the master said is that when we arrive at the nanqin villa, I will send someone to invite him."

"Well."

The robe old man no longer spoke, closed his eyes, and his whole body was filled with a trace of aura.

Everything around the Bentley seems to be under control.

This is the power that is controlled by the real strong.

Half an hour later, nanqin villa, a room.

Qin Zhengyang secretly found six masters of the Qin family.

The strength of these six people is almost in the top ten of Qin family.

Qin Zhengyang's eyes were cold and ordered: "if I'm not wrong, Xia Ruoxue should be in that boy's villa. The six of you will go to find out. If the boy is not there, take Xia Ruoxue back to the villa directly. If the boy is there, you will take the opportunity to test the strength of the other party. The rumors from the outside world may not be taken seriously, but you should see for real."

"Yes, Qin Shao!"

.....

Mingcui villa.

Luochoa, wearing a cap and sunglasses, sits in a pavilion outside the villa.

This is the public place of Mingcui villa area, which is only a few tens of meters away from ye Chen's villa, and just can see everything around.

He has been sitting outside for six hours.

It doesn't move like a mountain.

Who could have thought that the existence of the dominant side in that country should have taken up such a job here?

He has no choice, a drop of blood essence has been controlled by the other party.

Ye Chen wants to kill himself easily and surely.

What's more, behind Ye Chen stands the extremely terrible strong man Chen Qingcang!

Maybe it's not necessarily a bad thing to stay with Ye Chen.

All of a sudden, LuoCha found something, the eyes suddenly shrink, the cold killing machine released.

In the sight, six people are heading for a villa, the key to the six people are surging with a strong breath.

Martial arts strong!

No longer think, LuoCha step light, the body is like the shell general rushed out!

Speed to the limit!

In the twinkling of an eye, they came to the six masters of the Qin family.

The six strong men of the Qin family obviously didn't expect that there would be such a strange looking man in front of them.

Because the Chinese martial arts Bureau blocked all news, the Qin family was not qualified to know the performance of LuoCha in wudaotai.

Luo Cha stared at the six people in front of him coldly, and said faintly:

"I only say one word. No one is allowed to get close to the villa. Anyone who violates it will be killed!"

In a word, Luo Cha will release the cold killing machine, which makes people palpitating.

"You seem to be that little animal's dog!"

"If the animal offended Qin Shao, he must die!"

Hear these words, Luo Cha's hand appeared a short knife.

The dagger is extremely sharp and has a cold light.

The six felt something wrong and looked at each other without hesitation

The next second, six people toward Luo Cha rushed past, speed is extremely fast! In the blink of an eye, the shadow of the fist and the shadow of the palm are all over the world, just like a huge net covering the Luo Cha.

Endless killing opportunity. If you change it into a general warrior, you will be scared to death.

However, Luo Cha was not afraid at all. A sneer was outlined at the corner of his mouth, and his legs burst out. The whole person jumped three meters in height. Then, he turned his right foot and swept directly towards the huge net condensed by the move!

"Tear

His right foot directly tears the fist shadow and the palm print! It is more stable to hit two of them!

"Bang!"

The wind swept the sky!

The two people only felt that they were hit by a bulldozer and overturned! Hit the lawn not far away!

Even if the lawn, for them to slow down a bit of strength, the whole body bone is still broken!

Two people can no longer restrain, spit out a mouthful of blood, completely fainted.

This scene made the rest of the people stunned!

Who could have thought that in the face of six strong men attacking at the same time, this guy not only did not get hurt, but also defeated the others!

What the hell is this!

"It's your turn!"

Before the other four react, LuoCha disappears!

The next second, in the crowd!

Like a storm swept away, where a mess!

Qin Jiaqiang's death, injury!

There is no power to fight!

LuoCha is as easy to deal with them as an elephant crushing an ant!

The key to such a strong person, put in any place will become a guest of honor, how in Ye Chen here, but become a gatekeeper like existence.

Before those people could react, the door of the villa opened.

Ye Chen glanced at several people who were almost seriously injured on the ground. With a trace of coldness in his eyes, he came to one of them and asked, "if I didn't guess wrong, Qin Zhengyang asked you to come."

The man closed his mouth and didn't want to speak. Unexpectedly, LuoCha stepped on his finger!

Five fingers linked to the heart, the powerful pain almost made him ferocious!

"Answer the adult's question, otherwise, I'll make you miserable!"

The man did not care about everything, and kept nodding: "yes, yes, Qin Shao asked us to take Miss Xia away! We are also ordered to act, and please forgive me. "

Ye Chen glanced at the remaining several people and said to LuoCha: "in addition to this person, all people will deal with it!"

"Yes, my Lord!"

Chapter 269

LuoCha went to the rest of the people.

And ye Chen squatted down and took out a pill. He said to the master of the Qin family, "take this pill, and then help me bring a sentence to Qin Zhengyang."

The man looked at the pills handed over by Ye Chen, knowing that it was not a good thing, but he had no choice at the moment.

He just wanted to open his mouth to speak, the pill in Ye Chen's hand shot out directly, drilling into his mouth.

The smell of medicine overflowed, and he felt as if his body was burning!

Then, ye Chen said coldly: "tell Qin Zhengyang to enjoy the last few hours! Later, I will go to nanqin villa to claim my life in person

Language falls, that person was thrown out by Ye Chen directly.

The man hit the ground heavily, and felt that the bones of his whole body were falling apart. However, he could only use the skill to support his body to go outside.

Ye Chen Mou son tiny MI, stayed outside for a while, just about to return to the villa, behind came a voice.

Two figures came towards him.

"Ye Chen, now the whole Jiangnan province is telling you about the battle between you and the Qin family. I think it's time for you to need Xuemei hall."

Ye Chen stopped and didn't turn around. He knew the two people standing behind him.

One of them is Lu Hanshuang, and the other is Ling Feng, the helmsman of the Jiangnan Branch of Xuemei hall!

"I said, no need." Ye Chen Dao.

Ling Feng said with a smile: "you should also know that the Qin family invited the Kunlun mountain. You can't be the enemy with your strength. Now the Qin family is not what it used to be. It has become the

first family in Jiangnan province. It can even be said that it is the real top martial arts force in Jiangnan province. How can you fight against it alone?"

"As long as you promise to become the killer of my blood plum hall, I will certainly support the strong from the blood plum hall headquarters and help you

No doubt, the move is to send charcoal to Xueling!

If the boy has a little brain, he can't refuse!

Lingfeng saw Ye Chen didn't speak. He thought the other party was moved. He continued: "even if you don't think about yourself, you should also consider Xia Ruoxue. The details of Xuemei hall in China are not something that a Qin family can resist!"

"Even if you don't need your hand, Xuemei hall can help you erase the Qin family!"

"This condition is very rich. I believe you don't have much time to think about it now."

Ling Feng thought Ye Chen would compromise, but he didn't expect Ye Chen to turn around and leave.

"Luocha, if these two people do not leave, they will be treated the same way!"

Ling Feng and Lu Hanshuang changed their expressions! The eyes of two people are full of panic!

Did not expect in this kind of dead end, ye Chen still refused!

Is he not going to live today without Xuemei hall?

Ling Feng just intends to go forward, a figure in front of him!

It's LuoCha!

Although wearing sunglasses, but that strong sense of killing and cold, even let Ling Feng feel a trace of fear.

Ye Chen has such a master!

They arrived a few minutes late and didn't see the LuoCha move!

But this does not affect their perception of the strength of LuoCha.

"If you don't leave, don't blame me for my ruthlessness!"

Ling Feng and Lu Hanshuang look at each other and go directly to the outside.

At the same time, nanqin villa.

Qin Zhengyang's door is knocked!

He Mou son one Xi, connect busy way: "come in!"

The next second, a figure stumbled in!

"Young master..."

Qin Zhengyang stood up and saw the man in front of him. His eyes were full of anger!

Something's wrong!

He didn't care if the man was hurt or not, he just put a button on his neck!

"Say it! What the hell happened! Are you alone? Where are the others! "

Qin Zhengyang's voice is cold to the extreme.

The man's face was pale and scared to the extreme. He could only hoarse his voice and said, "there is an expert around that guy. The rest of the people have been killed! He even let me come back and let me bring you a word... "

"Bang!" Qin Zhengyang directly threw the man out heavily!

"What did he say?"

The man hesitated for a few seconds, but still said honestly, "he let you enjoy the last few hours! Later, he will go to nanqin villa for his life in person

With that, the man felt the heat coming from his body.

His body expanded like a balloon!

Qin Zhengyang's face changed, just ready to go outside!

Man explodes suddenly! A stream of blood ran through the house!

Qin Zhengyang's body was overturned on the spot!

The room is full of blood!

Shocking!

Qin Zhengyang's face is also full of blood! He had never been so embarrassed since childhood.

His face was full of anger, gritted his teeth and said, "Ye Chen! Either you or I die today

After a roar, Qin Zhengyang calmed down and dialed a phone call.

"Bring me all the parents of that bitch to nanqin villa. I'd like to know how that bitch would choose in front of her parents and the scumbag!"

.....

Half an hour later, Mingcui villa.

Summer snow, why not walk around villa.

Ye Chen looked at the time and sent a short message to ye Lingtian.

"How are you getting ready?"

Soon he received ye Lingtian's message that he had arrived at the periphery of nanqin villa and waited for the order of the hall master.

"Good!"

Ye Chen stands up and comes to Xia Ruoxue's side and embraces her bee waist.

"I'll go out for a while, and Luochoa will protect you for the next period of time."

Xia Ruoxue of course knows what ye Chen is going to do. She just wants to talk when her mobile phone rings.

It's Xia Mu calling.

"Mom, what's the matter?"

Summer if snow thought that the phone would come to the mother's voice, but did not expect, a evil spirit of the male voice sounded.

"Xia Ruoxue, if you don't show up in nanqin villa in an hour, I swear, I will cut off your parents' heads and send them to you as a gift! Ha ha ha

Xia Ruoxue's face was filled with a trace of anger and said in a loud voice: "Qin Zhengyang, you are a mean and shameless villain!"

Qin Zhengyang did not respond at all, but continued: "despicable? I'm afraid you haven't seen my meaner side! Also, Tell ye Chen that boy! Later, it will be my master's reception banquet. If he dares to come, I'm very welcome to Qin family! "

Soon, the phone hung up.

Some of the eyes of the snow, do not want to know what.

At present, she has no choice, the fate of her parents is in her hands!

She made up her mind, looked at Ye Chen and said firmly, "Ye Chen, can you take me to nanqin villa? I'm afraid of my parents..."

Although from childhood to adulthood, her parents have been forcing her, but she is very clear that her parents really love her.

Some of the decisions are just forced.

If her parents have an accident now, if she doesn't stand up, she may have a shadow all her life.

Chapter 270

Ye Chen naturally heard the content of the phone and nodded: "OK, then you and I go to nanqin villa."

Dark hall and Luocha these two forces exist at the same time, want to protect the safety of Xia Ruoxue should not be difficult.

If she wants to go, go.

.....

Jiangnan Huazheng five star hotel, top floor presidential suite.

Jiang Jianfeng stood in front of the French window, his eyes slightly narrowed, looking at the scenery of Jiangnan province.

Behind him was a man kneeling, telling something about Jiangnan province.

Compared with the capital, the scenery of Jiangnan is beautiful and generous, but it lacks a trace of charm.

Jiangnan province may be big enough in many people's eyes.

But when they set foot on the capital, they will find that Jiangnan province is too small.

No matter people or things.

For a long time, the people behind have finished the matter.

Jiang Jianfeng also turned around and said faintly, "do you mean that the evil kind is more dangerous and less auspicious?"

The man kneeling on the ground nodded: "Mr. Jiang, the Qin family may not be afraid of it, but the strong man down the Kunlun Mountain is not so simple."

"I went to the airport today to have a look. Although the other side didn't make a move, I could feel the breath surging on the other side! Very strong! Even if ye Chen has that LuoCha, there is no possibility of living at all! "

Jiang Jianfeng's mouth showed a trace of radian: "I remember you said similar words a few days ago, but that evil kind is not still alive well?"

The man was stunned, and there was something wrong with his face, but he still said: "I didn't find out the details of the evil species several times ago. Now it should be almost. Moreover, I have received news that the evil species has left Mingcui villa and is heading for nanqin villa!"

Jiang Jianfeng nodded and sat on the sofa with two spirit stones in his palm.

The spirit stone revolves, the whole hotel room overflows the extremely strong aura.

For a long time, he said: "you also set out to go to nanqin mountain villa. If this evil species dies, it may be fate. If this evil species survives by luck, you will bring him to me in person."

"I'd like to see how a waste of Fangen can get to this point today."

"Yes, Mr. Jiang!"

.....

Nanqin villa.

The guests are full.

Most people come here for a glimpse of Kunlun Mountain master. What's more, everyone knows very well that today's hunter may also come to nanqin villa.

"If ye Chen, the hunter, comes, how likely will he win?"

"I think one point, according to the strength of Ye Chen, the Qin family may not be able to compete, but if you add the Kunlun Mountain strong man, it is not necessarily."

"Indeed, I felt an extreme danger from the old man in the robe! This kind of danger is far more terrible than Tang Ao and ye Chen, the hunter! "

"Don't say that. I don't think ye Chen will step into nanqin mountain villa. Maybe he left Jiangnan province long ago. After all, after all, the situation in Jiangnan province has changed completely after the Qin family came back! The martial and Taoist circles in Jiangnan Province, which was originally tripartite, may have become respected by the Qin family... "

There was constant whispering in the room.

Not far away, there was a middle-aged man and a girl.

It's Ling Feng and Lu Hanshan.

The two never showed their true faces. Naturally, no one would doubt their appearance.

Lu Hanshuang looked at Lingfeng and said in a low voice, "Dad, what did you bring me here? I still have a task today."

Ling Feng looked at the long robed old man and Qin Zhengyang not far away, and said faintly: "for Xuemei hall, the most important task is this matter!"

"Ye Chen refused us. I want to see if this son can leave nanqin villa alive!"

Lu Hanshuang looked pale and thought of something. He asked, "Dad, I still owe Ye Chen a favor. After all, he saved me at the beginning. If ye Chen was really in danger, would you like to do something?"

Ling Feng shook his head: "it's useless for me to make a move. It's not as simple as you think. The old man in long robe, I feel that if we only talk about strength, at least the top 20 of Chinese masters list, his breath is too dangerous..."

"What's more, I've already smelled the faint bloody air in the air. It's estimated that some people will die and die in nanqin villa before long!"

Just then, there was a roar from the crowd.

Ling Feng and Lu Hanshuang found what, the eyes toward a direction to shoot!

Soon, they noticed a car slowly entering nanqin villa.

No one dares to stop it!

A few seconds later, the car stopped, the door opened, and a young figure came out.

Young people have short black hair and strong sword eyebrows. They have sharp black eyes, thin lips and sharp edges. They are tall but not rugged. They are like eagles in the night. They are aloof and lonely, but they are full of vigor and pressure. They are proud of the strength of the world. Such a station alone seems to be a field of its own.

Looking at the whole Jiangnan Province, besides Ye Chen, who will there be!

Ye Chen swept a glance at all people, a smile, directly stretched out his hand to help Xia ruoshue down.

The appearance of the two people darkened the whole audience instantly! Or shocked the audience!

Those guests, or the great figures in Jiangnan Province, were all breathing fast!

They think ye Chen may come!

But did not think that ye Chen not only came, but also brought Xia Ruoxue!

Xia Ruoxue is Qin Zhengyang's fiancée!

Ye Chen in front of so many people, pulling the hand of Xia Ruoxue, the key two people are close to the extreme!

This is not to embarrass and humiliate the Qin family on purpose!

It's hard to see the extreme in Qin's face!

Everyone's eyes are on Qin Zhengyang's table!

Sure enough!

Qin Zhengyang and the Qin family around him were all livid!

Some of them even shivered. If they were not for the old man sitting in the robe, they would have started to beat the table.

The old man in the robe noticed something wrong. He took a look at Ye Chen and Xia Ruoxue, and then looked at Qin Zhengyang: "if I didn't guess wrong, then the boy is the hunter."

I don't know why, the robe old man found a sense of familiarity in Ye Chen.

He didn't think much.

Qin Zhengyang nodded: "master, that boy is the hunter who makes Jiangnan province restless, ye Chen."

The old man in the robe thought deeply and then said, "it seems that this boy is coming to trouble the Qin family. But since he is in trouble with the Qin family, why should he bring a woman who has no accomplishments? Does this not mean that he adds trouble to himself?"

Qin Zhengyang didn't speak. He was staring at the two people with ten fingers clasping their hearts. His anger seemed to go straight to the top of his head!

Who could have thought that this boy should be so unscrupulous!

Do you really think he's gone!

At this time, Qin father opened his mouth: "adults do not know, that girl is my Qin family did not pass through the wife!"
