

## Physician 2611

### Chapter 2611

As long as ye Chen and Wen family can be tied together, how about his kneeling?

Face, is interest important?

Chu Ying, a pair of beautiful eyes looking at his grandfather, but more disappointed, to now, Wen Tianshi's eyes, or only interests?

If so, Wen Tianshi sincerely apologizes, she is willing to help him Tell ye Chen, but for the benefit?

Ye Chen, it's not rare to apologize!

She finally understood why her mother insisted on leaving the kingdom of God, even changed her name and surname, and lived in Jiuyou country for a long time.

Mother doesn't want to have any contact with the literati in the kingdom of God!

For love, she abandoned the cold-blooded and interest entangled everything.

She came to the kingdom of nine you and chose to forget everything about the kingdom of God.

That doesn't belong to her.

Today, she may be the same.

Chu Ying said coldly: "no, grandfather, since I have the blood of the literary school flowing through my body, I will be a writer all my life. However, ye Chen, from now on, will not have any relationship with the literary family."

With that, he ignored Wen Tianshi and went downstairs.

.....

At the moment, ye Chen did not leave at the first time.

When he was in front of him, he was ready to leave.

Ye Chen knows that these people have nothing to do with that Yufeng.

It should be from Shenyin restaurant.

The key to the strength of these people, he has had a threat.

Although Ye Chen has martial arts connotation, he has strengthened a lot.

However, there is still some danger in the face of cutting down on five levels of heaven or more.

Of course, it doesn't include some ultimate demons who cut the four layers of heaven.

The kingdom of God is an existence that can't be measured by realm.

He is too weak to fight.

Ye Chen believes that there must be people like himself.

At present, he has met with a nameless one.

But it's dead.

Lin Juelong is one of them.

Although after entering the kingdom of God, ye Chen has not seen Lin Jue long.

But ye Chen has a faint uneasiness in his heart.

In Lingwu land, he heard that nameless and Lin Juelong had a connection.

That nameless escape to the kingdom of God, will Lin Jue long follow?

Moreover, when he returned to Lingwu last time, he got an unexpected news.

The soul hall is empty.

In addition to the temple master and several important elders, all of them were destroyed.

And it doesn't seem like an outsider.

It's more like the soul hall, in order to keep what secret, strangled everyone!

Where are the remaining high-rise buildings in the soul hall?

The kingdom of God?

Ye Chen no longer thinks much, his eyes look at a few old people in front of him: "why?"

The head of the old man stood up: "why? Do you want to leave like this when you destroy Shenyin restaurant

"Don't you really know the origin of Shenyin restaurant?"

Ye Chen shakes his head: "do not know, I also have no interest to know."

The old man was stunned and angry, but he still suppressed it. He said, "what you said just now has caused people to eat. I will not embarrass you. I will go and apologize to them in person."

"That's it."

Ye Chen raised his head, glanced at several floors of the tallest building, and then laughed: "your restaurant's array is good, it should not affect the group's dining."

"I have something else to do. I'll leave first."

Ye Chen doesn't want to fight this group of people.

He could feel a pair of eyes staring at him in the dark.

The strength of the other side is extremely strong.

Even if he used the power of the tyrant, he could not shake it.

This restaurant is really unfathomable!

"Sorry, little brother, you can't go."

The old man with crane hair and childish face directly reaches out his hand and blocks Ye Chen's way.

The whole body is flowing with a very thick breath.

It's killing.

Ye Chen Mou son a congealed, in the hand sacrifices a jade card, that is the God extremely Zong true biography disciple jade card.

"I am Ye Chen, a disciple of shenjizong. If you have any compensation, you can go to shenjizong to harass me!"

I thought this jade card could be of some use.

Unexpectedly, the old men all laughed.

An old man said: "little brother, you don't know our restaurant yet."

"What about the true disciples of the first class forces?"

"Even if the leader comes, it's no use!"

"A good apology may save you some trouble."

"Little brother, I know you can jump over the level to fight, but for some of us, you have no chance of winning."

Ye Chen Mou son war spirit surging, in the hand is the green lotus destroys the sky sword. The spirit power of Dantian is surging!

Just wanted to do it!

A graceful voice suddenly sounded: "several, can you give me a face, let my master?"

Ye Chen heard the voice, slightly frowned, some familiar.

But I can't say.

Call yourself a master?

He also confiscates several apprentices.

Ye Chen raised his head along the source of the sound, and saw a woman in green appeared in the public's sight.

Green autumn cloud!

Ye Chen did not expect that Qing Qiuyun, the first doctor of Shenguo who met in the emperor Lincheng, would appear here!

And look at each other's appearance, seems to eat in a higher building?

Before ye Chen reacts, the old man with crane hair and childish face is one step forward and arched his hands: "Miss Qing."

There was a trace of awe in the tone.

Green autumn cloud cultivation is not high, as for this?

Is it true that the emperor Lincheng said that the identity of Qing Qiuyun is very different?

The old man hesitated for a few seconds and said, "Miss Qing, it's not that you don't have face, but that this person has had an adverse effect on the restaurant."

"The restaurant needs an explanation."

"If I guess correctly, there should be no connection between Qingjia and shenjizong There's no need to wade in this muddy water. "

He thought that Qing Qiuyun would leave. After all, although Qing Qiuyun's identity is not ordinary, it should be clear which is more important.

It's not cost-effective for an unrelated friend.

However, the next second, let the unexpected things happen!

Green autumn cloud between a few steps is to come to Ye Chen in front of, kneel on one knee, arch hand way: "see Master!"

For a moment, the restaurant seemed to be silent.

The old man with white hair and childish face held his breath?

Who is qualified to be the master of Qing Qiuyun?

The kid?

How could it be!

Even ye Chen is a little confused. She has never promised to accept Qing Qiuyun as a disciple. Why does this girl insist on becoming a teacher?

It's not sweet to try hard!

The green autumn cloud winks at Ye Chen, and her smart eyes are even a little playful.

Seeing ye Chen's delay in answering, she stood up with a cold snort, and her eyes were like a sword at the old man with white hair and childlike complexion. She said word by word: "Mr. Zhou, any loss will be borne by my youth family! If you insist on asking my master to apologize again

"Good! Please count me in

Old Zhou shuddered and shook his head violently!

The back is wet!

Behind Qing Qiuyun is a giant!

He can't afford to offend him!

How can you let Qing Qiuyun apologize!

Chapter 2612

When he comes to the front, he apologizes and apologizes

After that, he took out a gold jade plate engraved with the restaurant logo and handed it to Ye Chen: "this is a kind of apology. With this thing, you can go to any floor for free consumption."

With that, Zhou Lao took a look at Qing Qiuyun and left with others.

Ye Chen this just fell on the body of green autumn cloud.

It seems that Qing Qiuyun's identity is extremely special.

But why to treat people in order to cut off the equipment?

Qing Qiuyun seems to see through Ye Chen's idea: "master, everyone has his own interest, and medical skill is my interest."

"Coincidentally, the master's medical skills are so profound."

"From now on, the master is my interest."

Ye Chen:

"I didn't promise to apprentice you."

With that, ye Chen threw out an ancient book.

It records a set of needling techniques that are eliminated by the old man.

But this needling technique is a treasure to the kingdom of God.

"I don't owe you that."

Ye Chen finished, then turned to leave.

And green autumn cloud did not catch up, she was excited to embrace the ancient books that ye Chen threw out.

The surging of the chest trembled.

Her eyes are dead staring at the back of Ye Chen, sketching a smile: "master, you will change your mind."

.....

At the same time, Lin Yaqin also came to Shenyuan city. After ye Chen learned about the celebration of God day, he sent some invitation cards to shenxuanzong.

Originally, Lin Yaqin has no interest in this kind of celebration, her heart has been only practice!

However, the last time she got along with Ye Chen, she was taken by Ye Chen to relax for a few days. She found that sometimes taking a rest is more helpful to practice!

Ye Chen also taught her to practice martial arts and pay attention to the combination of work and rest.

Therefore, she came to Shenyuan city this time. After all, everyone in Shenguo is very curious about the celebration of God day.

But now Lin Yaqin, after his master became the leader of shenxuanzong and was cared by long Chen, he got the support of many martial arts cultivation resources, and his strength was also improved by leaps and bounds.

Now, it has broken through to the Taixu state!

With its innate murderous spirit, even in the face of the general chopping a layer of heaven, all have the strength of the first World War!

Walking along the street, Lin Yaqin saw countless snack stalls with fragrance all over the road. God's Day was organized by Shenmeng. The food on these snack stands can be eaten free of charge.

Just walked a street, Lin Yaqin's hand, already took a lot of strange snacks.

Xu mengqiu follows Lin Yaqin and shakes her head slightly with a smile. Now she has made a breakthrough in her cultivation.

In the past, I didn't see that my apprentice was still a foodie?

However, compared with the previous Lin Yaqin, now Lin Yaqin gives her a much better feeling.

Who would hope that their children are full of killing intention?

All of a sudden, Xu mengqiu said with a smile to Lin Yaqin: "Yaqin, do you know that there is a place called vow pool in Shenyuan city that will be open on God's day? Do you want to see it? "

Lin Yaqin blinked his eyes and asked, "the vow pool?"

Xu mengqiu said: "it is said that in ancient times, there was a couple of lovers who were separated in the battle. The woman was suppressed in a pool of water. She was looking forward to meeting her Taoist partner day and night. After tens of thousands of years, they still did not meet.

It is said that after tens of thousands of years of praying, her will finally moved the law of martial arts. This pool of water, with its divine power, attracted her Taoist partners... "

Xu mengqiu said with a smile: "this is the origin of the vow pool. Since then, when it comes to God's day, there will be lovers to make a wish in the pond, hoping to be protected by the divine power and never leave..."

When Lin Yaqin heard the speech, a figure of a man appeared in his mind. He could not help blushing. However, he nodded and said, "master, let's go to the vow pool to have a look..."

No matter how cold Lin Yaqin is, she is a woman in nature. Women are generally interested in this kind of ceremony.

Immediately, they went in the direction of the vow pool.

Besides the vow pool, buildings have already been built. It looks beautiful. Inside the gate, there is a clear pool. In the water, there is a faint aura. There are many men and women standing by the pool with their hands folded together and praying with a smile.

Lin Yaqin, also went to the pool, slightly picked up a pool of water, beautiful eyes slightly closed, to the pool water, told the wish.

But at this time, many people on the edge of the pond are slightly stunned.

There was a magical scene.

The light in the vow pool was gorgeous all of a sudden. It surrounded Lin Yaqin, whose eyes were slightly closed and prayed sincerely. It was just like a fairy who fell into the mortal world on the Ninth Heaven! Many men, seeing this scene, are stunned and obsessed! Dazzled!

Beautiful!

How beautiful!

Is this a woman in the world?

For the first time, they feel that beauty has such a powerful power?

Even a lot of men, directly left behind the female companion, is about to walk towards Lin Yaqin!

Can't resist it!

At this time, Lin Yaqin also opened her eyes. At the moment when she opened her eyes, the brilliance dissipated, and her face returned to the cold appearance.

However, in the heart, but more than a trace of expectations.

Ye Chen, will you come to Shenyuan city?

Just as she turned around, a man stood in front of her.

Lin Yaqin looked up slightly. Standing in front of her was a handsome young man in a red robe with rusty dragon patterns.

The young man, facing Lin Yaqin, said with a slight smile: "in the lower town dragon hall, Huachen new, can you ask the girl's name?"

See this man's moment, originally some restless votive pool, instantly quiet down!

Those men who had just stepped on the front steps were all born and stopped, cold sweat, sliding down from their foreheads, looking at the huachenxin, his voice trembled and said, "Zhenlong palace, huachenxin?"

Many people also talked about it.

"The first day of Zhenlong hall?"

"It is said that the dragon blood in this man is extremely rich, which can be called the evil spirit of the kingdom of God..."

"I have also heard that his name in the town dragon hall is the blood sea dragon. He is the most powerful, but he is also extremely overbearing. If he is not happy, he will start to kill people. There are countless talents who died in his hands!

It's a dragon out of the sea of blood

"I also heard that what Hua Chenxin hated most was that someone robbed women with him..."

For a time, no one, there is a trace, the idea of going forward

Chapter 2613

Lin Yaqin, very beautiful, beautiful, but, want to have beauty, also want to have life in.

What's more, in their opinion, Huachen Xindu has taken the initiative to strike up a conversation. Lin Yaqin, can't he respond and become a new woman of Huachen?

Although Lin Yaqin is beautiful, after all, he is just a Taixu martial artist. He doesn't refuse Huachen's new qualification at all!

At this time, Xu mengqiu's face has become panic!

Although Huachen new although young, but very excellent, even, should be better than ye Chen, still outstanding a lot!

After all, ye Chen of that day, in her view, was just relying on the force to suppress the Lei family.

Their strength, although very adverse, but, compared with the first day of such forces as Huachen new, it is too far away!

However, she knows very well the character of her disciples! Lin Yaqin, as long as you identify a person, in this life, there is only one person!

It's impossible to change!

Don't say it's Huachen new, even if the true God comes in front of her, it's the same!

But, like Hua Chen new such person, can offend casually? Don't say ye Chen, even God Jizong can't keep them!

Lin Yaqin has no expression and walks away directly from Huachen Xin.

Vow pool, is a dead silence again

This too empty woman, unexpectedly is direct Hua Chen new, hang there!

This

That's too bold, isn't it?

That, but Huachen is new!

The bloody dragon Hua Chen Xin who kills without blinking an eye! Even if it's a woman who has cut a bad situation, I dare not treat him like this here, right?

Even Huachen new himself, are slightly a stay, all how many years, no woman dare to report his name, so treat himself?

Don't say to hang himself, the women who he likes are almost all eager to stick to him!

Ha ha, Hua Chen new tiny smile, a bit interesting.

If every woman that he liked was pestering him like that, wouldn't it be boring?

He is more interested in Lin Yaqin.

Looking at the back of Lin Yaqin's leaving, in the eyes, it is hot!

This woman, he must get the hand!

At the next moment, Huachen's new body moved. In the blink of an eye, he appeared in front of Lin Yaqin and Xu mengqiu.

With the new action of Hua Chen, many people, also followed to go out, they also have some curiosity, what should Huachen new do?

Hua Chen new swept a glance and slightly frowned. Lin Yaqin, whose face was like frost, looked at Xu mengqiu and asked, "who are you from this girl?"

Xu mengqiu replied respectfully, "Mr. Hua, I am the master of Yaqin..."

Her age, although much bigger than Huachen new, but she knows, than strength, Huachen new to kill her will not be more difficult than breathing.

Hua Chen's new complexion was pleased and said, "this girl is called Yaqin? Good name. Since you are her master, can you make decisions for her? I huachenxin will marry her

For a time, the whole street people, are incomparably shocked, the voice of cool air, one after another!

What a bully!

How strong!

Directly, you have to marry a wife?

Genius, the way to find a wife, are all so special?

However, what shocked them even more was that Hua Chen Xin proposed to a woman who could not be beheaded!?

This, for that woman, is like pie in the sky!

Big money!

Is it flying?

As long as you get the new favor of Huachen, in this kingdom of God, it can be regarded as one person under ten thousand people!

But at this time, Lin Yaqin and even Xu mengqiu said nothing.

All of them were quite excited to see the woman. Lin Yaqin did not speak. They were all worried!

Their eyes, as if to say, agree! Promise!

Such an opportunity, once in a blue moon!

Can become Hua Chen new woman, already is day big lucky, not to mention become his wife?

Not far away, ye Chen and Chu Ying stood side by side. After they left Shenyin restaurant, they were wandering around. They just came here and saw the scene in front of them.

Chu Ying looked at Lin Yaqin and was surprised and said, "Ye Chen, what a beautiful woman, I don't know. Will she accept it?"

Ye Chen, smile but not language, but looking at Hua Chen's new eyes, some cold.

He has no real relationship with Lin Yaqin, but this is not to say that ye Chen can tolerate people approaching Lin Yaqin at will, let alone force her.

Huachen new tiny frown, have no patience, to Xu mengqiu's tone, some cold come down a way: "how don't talk?"

At this time, Lin Yaqin suddenly raised his head, looked directly at Hua Chen's new eyes, and said without expression: "you don't have to ask, I already have my own heart!"

What? People, can't believe to look at Lin Yaqin

Have a family?

What person, can compare with Hua Chen new?

Huachenxin, almost can say, is the famous genius of the younger generation of Shenguo!

Even if it is true that the heart belongs, it can't be said like this, right?

Is this woman a little too stupid?

Do not want a good superior opportunity, but also offend such genius as Hua Chen Xin?

Everyone shook their heads.

Xu mengqiu's heart sank to the bottom of the valley.

Hua Chen news says, complexion moment is gloomy come down, in the eye Mou kill meaning fury!

What he hated the most was that someone robbed him of women.

The woman he likes can only be his! Anyone who robs a woman from him will die!

Among them, of course, it also includes the people the woman likes!

With a roar, the mighty power suddenly broke out!

In a flash, the whole street people, as if falling into the boundless sea of blood, and Huachen new as if into the height of ten thousand feet, can destroy the world of Dragon God!

As long as the Dragon God's mind moves, they will all die!

What a terrible breath!

Hua Chen's new cultivation has already reached the four levels of heaven?

It's not a typical four story building. Oh, my God!

How old is he?

Is that too bad?

Worthy of God's evil people!

"Name the man."

In Hua Chen's new eyes, Longwei bloomed: "I want him to die."

All of them couldn't help swallowing their saliva

They don't know who Lin Yaqin likes, but they know that this person is miserable

Extremely miserable

For no reason, was Hua Chen new stare at, can not miserable?

Lin Yaqin is biting her teeth. She releases her innate murderous spirit without reservation and resists the new breath of Huachen!

She is not willing to say ye Chen's name, even if she is dead, she will not say it!

But at this time, the crowd, sounded a faint man's voice.

"Ha ha, you want to kill me?"

A young man with a smile on his face came out of the crowd and walked to the front of Huachen new. He said coldly, "I'm afraid you don't deserve it."

Everyone, looking at the sudden appearance of Ye Chen, has some confusion

## Chapter 2614

It can't be true?

Actually, did you come out?

Come out even if, still direct provocation Hua Chen new?

What's more, he's still a kid in the second layer of Taixu realm!?

Is it fashionable for young people nowadays to seek death?

Lin Yaqin, however, looked at Ye Chen anxiously and exclaimed, "Ye Chen! Why are you here? "

Just now, she was really in the vow pool, wishing to see ye Chen

But now, she does not want to, this still wish pool so effective!

Huachenxin, too terrible!

Although young, it is already a monster standing on the corpses of many geniuses in the kingdom of God!

Huachen new, just rely on the strength is enough to kill Lei's family master leiyouwei? And ye Chen, last time obviously also needs the help of external force!

How long has it been since Ye Chen left shenxuanzong and joined shenjizong?

Even if ye Chen goes against the sky again, in a short time, it can not make up for such a gap!

Huachen looked at Lin Yaqin's anxious look and his face was green!

Lin Yaqin, cold to himself, can't see the appearance of feelings, facing this boy called Ye Chen, so anxious?

It seems that she really likes

At the next moment, Hua Chen's new eyes burst out with a startling and murderous intention. He stares at Ye Chen and says with a sneer: "boy, I'll give you a chance to end myself. Otherwise, I promise you that you will die miserably and miserably."

A mole ant in the two layers of the sky?

He has 10000 ways to make ye Chen's life worse than death.

"Are you deaf?"

Ye Chen's killing intention in the eye is more intense: "I said, kill me, you don't deserve, did not hear?"

Hua Chen new vision a congealing, this rubbish, still want to install his mother to now?

OK, I'll see when you can install it!

With a roar, the Dragon Power erupted, boundless blood gas rolled in, and Hua Chen's new body shape flashed into the air, and turned into a bloody dragon about 100 Zhang long, with distinct scales and claws, and breath startling!

At the moment of the appearance of the bloody dragon, the aura of heaven and earth in Shenyuan city was madly stirred, just like a whirlpool. It was sucked into the body by the bloody dragon. The thunder and lightning flashed and the wind and cloud changed. It was extremely terrifying!

In this high altitude, at the moment when the giant dragon appeared, those Jiaolong who fell in the Shenyuan city and pulled the cart, no matter how high the blood concentration and cultivation, were all shaking and lying on the ground. In front of the bloody dragon, they did not even dare to raise their heads!

A crowd of martial artists, who are cold in heart and gall, are incomparably awed by Huachen new!

Dragon God!

This is the real dragon god coming!

At the same time when Huachen is transformed into a dragon body, ye Chen is also dignified

What a strong blood force

The true dragon clan is no weaker than the true spirit. Ye Chen has several kinds of true spirit blood vessels in his body. However, if the concentration is added up, it can't match the concentration of the real dragon blood in Huachen's new body!

Huachen new, although only cut the four layers of heaven cultivation, but!

Its strength at this time, already, comparable to many higher realm of super strong!

It seems that this person is not a real person

Ye Chen turns his wrist and holds the green lotus sword to kill the sky. His whole body is shining with gold. He uses the power of breaking the sky, the divine blood, the burning blood formula, and the magic reincarnation formula.

In the face of Huachen new, he must give all his strength!

At this time, the high altitude into a bloody dragon Huachen new, in the eyes of the dragon, is also a burst of color of suspicion!

After turning the Dragon into a dragon, its spirit sense is greatly improved!

I thought that he could make his life worse than death and sink into the abyss of fear. At this time, he felt extremely dangerous!

The next moment!

When Hua Chen's new body moves and the dragon pattern is big, he sends out a sound of dragon chanting that goes straight to the sky. The boundless blood gas condenses in an instant, turns into several blood dragons, and moves constantly in the sky. If you move gently, the emptiness of the whole body will disappear!

Above the blood dragon, the light black light flickers, that black awn, ye Chen is very familiar with!

It's the martial law, a symbol of slight cracks!

"The secret of Jiulong"

Hua Chen new mouth spits out a person to say a way, instantly, that eight blood dragon, together with him, turn into nine thick blood light, toward Ye Chen, straight down!

For a moment, the Star River reversed, and the whole earth was shaking wildly, as if the world, in the impact of blood light, was on the verge of collapse!

It's horrible! Huachenxin, it's too terrible!

At the same time of the impact of Jiulong, the people on the scene were shaking and their blood was surging. One by one, they couldn't stop spitting blood, and the breath was instantly withered down!

Just a wisp of strength, will these people, seriously injured! Even if the martial arts of chaos, is no exception!

In the field, only Lin Yaqin, Chu Ying, and Xu mengqiu are still standing there intact Obviously, it was Ye Chen who defended them with his own martial arts charm

However, Lin Yaqin looked into the sky at this time, but she was extremely afraid and worried!

She's scared!

Afraid, ye Chen can't block this attack against the sky! Even fear, the heart of the Tao is shaken!

At this time, Chu Ying's figure flashed, appeared beside Lin Yaqin, and said in a deep voice, "believe him!"

Lin Yaqin glances at Chu Ying. In her beautiful eyes, she is confused.

At this time, Chu Ying was staring at Ye Chen's figure and said: "he joined shenjizong. During this period, he rose strongly, absorbed the magic pool, broke through the refining Pavilion, defeated the strong men in the outside world, killed four human demons, and trampled on the seven cold cult talents who challenged shenjizong!"

"He, has created countless miracles, is called the devil God, he is the myth of invincibility!"

"So, believe him!"

Lin Yaqin looks at Chu Ying in shock. She doesn't know if what Chu Ying said is true, but

Her heart, however, calmed down a lot

"Jiwu: Shenshan!"

Ye Chen's body in the void, constantly flashing, but! That thick blood light, but follow him like a shadow, even with Ye Chen's current speed, also simply can't get rid of it!

Ye Chen frowned slightly. Suddenly, he stopped his body and took a deep breath. Facing Hua Chen's new terrorist attack, he felt a strong sense of martial arts. He was startled!

"The martial spirit of Lingxiao, the butcher God breaks the sky!"

Ye Chen murmured, the sword light overflowed, as if in an instant, then covered the whole world!

Originally, in the collapse of the edge of the world, instantaneous solidification!

In the sword light, suddenly emerged a trace of darkness!

Invisible, as if there is something, broken, for a moment, the whole Shenyuan City practitioners, are feeling a sense of indescribable disobedience!

The original feeling of the match with the martial arts, but suddenly, become incomparably different? Even the spiritual power in the body is restless?

As if, the martial law between heaven and earth has been impacted?

When the blood light collapsed, the nine demons roared in succession, and eight of them collapsed in an instant.

The remaining body of Huachen stopped for a moment in the air, and the body of a hundred Zhang dragon made a sound of explosion, and the blood gushed out, turning into blood rain and sprinkling on the world

Chapter 2615

At this time, ye Chen, there are three huge blood holes, but in addition to his face slightly pale, there is no abnormal, blood hole, also quickly closed.

In the blood rain, a figure fell down.

It's huachenxin!

At this time, his whole body has been fragmented, but relying on the tenacious vitality brought by dragon blood, he is still supporting

Ye Chen, standing in the blood rain, is looked up to by thousands of people

At this time, all the people are staring big eyes, even their own injuries are ignored, motionless, staring at Ye Chen

In their hearts, coincidentally, four words appeared

"Shura God of war..."

Ye Chen at the moment, really like that legend, created a sea of corpses, foot endless white bones, against the sky to kill the dragon of the Shura God of war!!!

Lin Yaqin and Xu mengqiu are all staring at Ye Chen slowly falling from the air. For a while, they are in a trance

Is this the young man who came to shenxuanzong at the beginning?

Even with Chu Ying's warning, I still can't believe

Not true

It's not true!

Others are just shocked by Ye Chen's cultivation of Taixu two layers of heaven, and defeat the first genius of Zhenlong hall with one sword, or even Hua Chenxin, a famous genius of Shenguo!

But what they are more shocked is that ye Chen, the speed of improving strength!

Their thinking has been broken down. If ye Chen was given another year, what level of terror would ye Chen have

I can't imagine, even if it's a real God, it's just like this?

At this time, the only way to keep calm is probably Chu Ying.

From the beginning to the end, she believed ye Chen would not fail!

She has met Ye Chen and created so many miracles!

Ye Chen looks at the dying Huachen new, dragon blood, as expected strong, bear such a sword, unexpectedly, not completely dead?

"Do you know who I am?"

"Dare you touch me?"

To this moment, Hua Chen Xin has not admitted defeat unexpectedly.

The eyes are congested, killing the sky.

"I want you dead!"

Ye Chen eyebrow tiny frown: "you still want to kill me now?"

However, the next second, he found that the new Huachen smile extremely ferocious.

He held a jade card tightly in his hand!

The jade card is broken.

A dragon suddenly appears!

The dragon has a golden dragon pattern.

The breath is terrible!

It may even reach half step chaos.

Ye Chen Mou son shrinks!

Damn it!

Careless!

He quickly activated the red dust God pulse!

Whole body spirit power package!

He even started the armor given by the leader of shenjizong!

In the face of such a blow, he can only do so.

There is no right to fundamental resistance.

Even if the martial arts charm!

Hua Chen Xin is in the wild laugh: "useless, this is the master to my life to protect a blow."

"I was supposed to use it to deal with a chaotic strong man. Although it's a bit wasteful to deal with you, it's worth it."

"This is the real dragon power."

"The dragon power that you ants can't fight against!"

Qianzhang dragon dive down!

Open your mouth!

The surrounding space seems to tear!

Too strong!

Everyone around seemed to have disappeared.

Only Ye Chen is left in the whole world.

And ye Chen how to stop.

Ye Chen's eyes are full of strong determination.

He won't admit defeat.

Even if it's so powerful.

The ear spreads continuously Hua Chen new laugh.

Ferocious laughter.

He was seriously injured, but he knew that ye Chen's talent was better than his own.

It's great to kill a genius with your own hands.

At the moment when the dragon is going to devour Ye Chen completely.

.....

Nine days dragon hall, mysterious abyss.

A blood dragon suddenly opened its eyes.

The moment his eyes opened, the trapped foreign demons were all slightly surprised.

It's killing.

It and this blood dragon fight to now, have not felt this degree of killing intention.

Like the scarlet moon in the dark.

The month of death.

What makes this terrifying blood dragon so deadly?

All of a sudden, the blood dragon raised its head, a startling dragon chant!

This dragon chant shakes the whole nine heaven god dragon hall!

Countless dragon chants resound from the nine heaven god dragon hall!The earth trembles, the vision comes!

Heaven and earth change!

But at this moment, the spirit animal in Ye Chen's body suddenly blooms with an extreme light!

That's the color of blood!

Then, ye Chen's body even rushed out of the shadow of a blood dragon!

When the shadow of blood dragon appears, the whole world seems to collapse!

And in the eyes of the dragon, it's scared!

Ten thousand one second later, ye Chen's blood dragon shadow just glanced at the dragon.

This is not a simple look!

But the king's contempt!

In an instant, the Dragon broke! As if it never existed!

Hua Chen new a mouthful of blood spits out, the eye is extremely frightening: "who are you after all!"

"What is the shadow of the blood dragon on you?"

"You are the devil! You are the devil

A generation of genius saw that the shadow of the blood dragon was on the verge of collapse!

What a shadow it is!

"Don't kill me..."

Once that invincible genius, blood dragon Hua Chen Xin, at this time, in the eyes, but exposed the color of pleading.

But, begging, does it work?

Ye Chen moves his wrist and cuts it off with a sword. The first day of the town dragon hall is in the world and completely vanishes.

He waves a hand, will Hua Chen new storage bag, income hand.

Just now, the Jiulong Jieshi Jue gave him a special feeling. It seemed that it was also a good martial art?

Maybe he can improve his martial arts level by one point.

As for the shadow of the blood dragon.

Ye Chen knows that this is the blood dragon of the nine heaven god dragon hall.

A look broke the most powerful blow.

What did the blood dragon go through?

When ye Chen ponders, a voice interrupts Ye Chen's thoughts.

"Ye Chen, how did you become Is that great? " Lin Yaqin asked foolishly.

Ye Chen tiny smile: "you just know me?"

Chu Ying on one side also knew the relationship between Ye Chen and Lin Yaqin, but she didn't have the slightest jealousy. Instead, she glanced at Ye Chen and said, "it seems that you have a good eye for women."

Lin Yaqin is really beautiful. She is on the same level as her

"Ha ha ha." Ye Chen a smile, "after all, good men around, there will always be a lot of excellent women, Yinger, you should get used to it."

Chu Ying pursed her lips slightly, but there was nothing to be dissatisfied with. The kingdom of God was like this.

.....

At the same time, the kingdom of God is a mysterious place.

Here lies the heavenly way palace of the kingdom of God.

The heavenly way palace is above all the forces in the kingdom of God.

No one dares to touch.

No one even knows how many powerful people there are in Tiandao palace.

How many strong people are in chaos.

There are hundreds of thousands of Tiandao gongguangguang elders.

The forces are complex, but only organized.

And now, outside the gate of Tiandao palace.

Two figures emerge.

It is Yankun and the eternal king.

Chapter 2616

However, both of them have changed their appearance, and their methods are extremely skillful.

He even got past the guards of Tiandao palace outside.

Yan Kun clenched his fist, and his fighting spirit was towering: "yonglao, you still have a wide relationship. You can enter Tiandao Palace at will."

"I had a brilliant idea

"Do you think we can kill Xuanyuan moxie by mixing with the place where Xuanyuan moxie eats and then use a drop of essence blood from Jilin's congenital poison body?"

"Yonglao, you always say that I have a single mind. I think I am still very smart."

"If big brother is there, he will praise me."

The eternal holy King coughed a few times and turned a white eye. Yan Kun said, "you boy, in addition to your blood, is a little like heaven and earth, and your IQ is not good at all!"

"It's still too little experience."

"I guess I've been sleeping too long. I'm a fool."

"Is it possible to enter Tiandao palace casually? We are just outside now. Do you really think you can enter it successfully?"

"In the end, how much difference is there between you and me

Yan Kun eyebrow tiny frown: "forever old, how should next step do?"

The eternal King spread his hands and stepped back: "don't you want to smash Tiandao palace with one fist? What plans do you want? "

"Kill now!"

"The bigger the noise, the better!"

Yan Kun was a little confused. He was just talking big before. He really let him go to Tiandao palace alone. He was still a little flustered.

However, looking at the eyes of the eternal holy king, he killed himself and stepped out: "I want to see what the heavenly way palace is!"

Just then the eternal king said, "wait a minute?"

Yan Kun stopped: "what else do you want?"

The eternal King throws out a plate: "when you live or die, activate it and it will bring you back."

"This is the treasure of my eternal people."

As soon as the words were finished, the eternal King disappeared.

Only Yan Kun is left.

Yan Kun took down the array plate, his whole body was flowing with a violent momentum, and went towards the heavenly way palace step by step!

"Who are you?"

In a flash, the gatekeepers outside Tiandao palace discovered the existence of Yan Kun.

Key Yan Kun's breath is too strong!

Eyes full of killing!

Just stick it on your head - I'm looking for trouble! These four words!

It's hard not to be noticed.

"Boy, where are you from! stop! Sacrifice the token of Tiandao palace! Where it belongs! What's your name? "

A half step gate guard opens his mouth.

Yan Kun moved his neck for a while, revealing his white teeth: "what's my name? Hey, my name is Xuanyuan moxie, his father! "

"Let Xuanyuan moxie come to recognize his father!"

The gatekeepers were stunned.

Completely confused.

They never came to Tiandao palace for trouble!

The one who has seen the palace has never scolded him!

This is brain damage!

The next second, anger filled the whole body, all the gatekeepers killed together: "hands on, take this man!"

However, the words have not finished, a red shadow flashing!

Yan Kun has appeared in front of everyone!

And then, one punch!

This blow is like breaking the star river!

Those outer gate guards turned into blood fog on the spot!

There is no right to struggle!

At the same time, a piece of red crystal in the sky of Tiandao palace is shining brightly!

The whole world seems to turn red!

This is the alarm of Tiandao palace!

The temple in the depth of Tiandao palace.

Cross legged sitting on the dragon, Xuanyuan ink evil eyes suddenly opened, killing together: "what happened outside?"

A figure appeared in the void: "report to the palace master. It seems that some troublemakers come to visit."

"Killed several gatekeepers."

Xuanyuan Mo evil eyebrows a frown: "after covering up the devil emperor, it seems that no one dares to come to Tiandao palace to make trouble."

"How did this man get along?"

"Ten seconds, erase the man."

The figure nodded: "yes, palace master!"

Later, Xuanyuan Mo Xie closed his eyes again.

.....

At the moment, Zhou Hong is a big man!

He is surrounded by hundreds of strong men of Tiandao palace who practice to cut the enemy!

Innumerable swords, full of swords!

Dense and dense!

However, the power that can kill any powerful person, fell on the burly man at the moment!

All gone!

As if this man's body is the most rigid thing in the world!

"If the palace master has an order, kill this man immediately!" A middle-aged man said.

The next moment, a hundred people forced blood essence, finger triggered array.

The ground shakes, ten thousand swords go together!

Straight to the burly man Yan Kun!

Yan Kun's brow was dignified, but he was not afraid: "Laozi Yan..."

Words stop.

He thought of the eternal confession, do not expose.

Then take a pseudonym.

All of a sudden, some Chinese legends that Ye Chen once talked about appeared in his mind.

"Yan Kun, there is a legend in China, which is the origin of the world.

A long time ago, the sky and the earth were not separated, and the universe was in chaos. A giant named Pangu has been sleeping for 18000 years in this chaos.

One day, Pangu suddenly woke up.

Seeing the darkness around him, he swung his axe and slashed at the darkness in front of him. Just listen to a loud noise, the chaos of things gradually separated.

The light and clear things slowly rise and become the sky; the heavy and turbid things slowly descend and become the earth. "

"Yan Kun, this is my Chinese legend, explain the origin of the world, my hometown, revere Pangu."

Yan Kun's eyes congealed and laughed: "I'm named Pangu!"

"Pan Gu, the world's greatest pioneer!"

"Split your heavenly way Palace today!"

Next wonderful, Yan Kun legs suddenly bend, and then the ultimate explosion!

The whole person jumped to the height of a thousand feet!

It's gone!

The hundreds of elders of Tiandao palace have strange eyes. What kind of martial arts is this?

This man is running away?

However, they soon discovered something!

Above the sky, a man dressed in flame, and then came from the sky!

It's like an extraterritorial meteorite coming to Tiandao palace!

Even, a fiery red hundred Zhang fist shadow appeared!

The power in that is too frightening!

"Everybody, get out of here

The middle-aged man suddenly opened his mouth!

But it's too late!

Yan Kun's fist shadow falling from the sky is getting closer and closer!

In a flash, it touched the ground!

A tsunami like force broke out like this!

The rock solid ground of Tiandao palace was broken on the spot.

The dense cracks spread in all directions!

At the same time, a strong air wave rages on everything!

All of a sudden, all the elders are flying!

Then came the sound of an explosion from the sky!

Tiandao palace seems to usher in an unprecedented earthquake!

Abyss pit, shocking!

And Yan Kun in the pit slowly stood up, his body covered with flame, eyes such as flame burning!

It's the fire of heaven and earth.

Step by step, he went to the heavenly way palace!

"Xuan Yuan Mo Xie, come and see your father!"

A roar spread far and wide!

It also spread to the palace of Xuanyuan ink evil.

Chapter 2617

"Eye evil open

The next second, around Yan Kun, the void tears.

Ten old people appeared.

The breath of any one of these ten old men is absolutely unique in the world.

Yan Kun stops. He knows it's a hard fight.

It seems that the eternal holy king is right. The peripheral elders he killed may not be strong, but the real power of Tiandao palace is the deepest person.

Ten people in front of you.

Those ten people killed their minds and gathered together. They didn't have any nonsense. They started directly!

The boundless sword shadow devoured Yan Kun.

In an instant, Yan Kun's whole body unexpectedly appeared the wound.

Even bleeding.

How terrifying is the power of blood!

Yan Kun took a look at his injury. His eyes coagulated and roared: "Laozi Yan Pangu, do not fear all enemies

With that, he killed ten people with one punch.

All he has to do is trade in the wound!

"Bang bang!"

Fist to meat!

One of them was beaten into meat sauce by Yan Kun!

The eyes of the other nine were a little creepy.

In their opinion, this guy named Pangu is a madman!

"When the battle is over, the palace master will be furious, and the battle will be quick."

In an instant, the formation starts.

Nine people's power is with a trace of heaven's will, toward the shadow of Yan Kun's fist!

"Touch!"

Two extremes of energy burst out at this moment!

Yan Kun's body immediately flew out!

After all, he didn't wake up too long!

Not even back to the top!

If you meet such a strong man, you will be defeated.

Yan Kun vomited out a mouthful of blood, he fiercely patted the ground, and stood up again!

"Xuanyuan moxie, the son of a dog, why didn't you see his father! Ha ha

Another blow!

Nine separate!

One person was seriously injured!

Madman!

A complete madman!

Yan Kun's injuries are more and more, but now he is killing red eyes!

There was a striking scar on his chest.

Even blood bones.

However, he didn't frown, but he punched out again!

Another serious injury!

There are only seven left!

The eyes of these seven people are full of horror!

Ordinary people will die long after they take such a blow!

This guy is still alive!

And it's going to hit you hard!

Seven people forced blood essence, finger pinching formula: "please move

Then, the void behind Yan Kun tears.

An old man appeared.

The old man's eyes are flat and stretch out a finger.

In an instant, an extreme energy surge!

It is turned into a light column and penetrates Yan Kun's body!

"Touch!"

This time, Yan Kun severely hit the ground!

Out of breath!

Yan Kun held the array plate in his hand and laughed.

"It seems that my trial is not enough."

"But it was a great fight! Ha ha

The old man had already appeared in front of Yan Kun's body, his face was still plain, but he said: "those who disturb the heavenly way palace, die!"

He pointed it out!

I want to kill Yan Kun.

But at this time, Yan Kun's hand suddenly appeared an array plate!

Array plate Guanghua circulation!

Yankun is gone!

Moreover, there is a voice that is very powerful in the whole Tiandao Palace:

"ha ha, I will come back! Next time, I'll take my big brother with me

"My big brother's name is Ye Baowang! Ha ha ha

"Xuanyuan Mo evil dog son, wait for me!"

This sound is like a magic sound, which lasts for a long time.

Destined to be a disgrace to the heavenly palace.

In fact, Yan Kun was secretly shocked. He almost said the name of Ye Chen.

Then you're dead.

Fortunately, Ji Lin's rambling words reappear in his mind.

Obviously, it was Ji Lin who took ye Baowang.

.....

In the next few days, ye Chen, Chu Ying, Lin Yaqin and others spent the celebration day together in Shenyuan city. While they were having fun, ye Chen's reputation was completely spread!

Yu Fengxian, the true disciple of the second defeated ghost sword sect, killed Hua Chenxin, the first genius of Zhenlong hall. The power of a sword is enough to shake the martial law

All kinds of legends, in the kingdom of God, continue to spread.

After the celebration of God day, several people took the dragon car and left Shenyuan city. In the Dragon cart, Lin Yaqin suddenly asked Ye Chen, "Ye Chen, can I join the shenjizong?"

Although she is proud, but this time in the face of Huachen new, she feels the importance of strength more!

At that time, when Ye Chen and Huachen new fight, she can only stand on one side, unable to watch this feeling, she no longer want to feel

To improve the strength, we need the support of martial arts resources!

Ye Chen said with a smile: "even if you don't say it, I also want you to join."

After all, Lin Yaqin is too wasteful in shenxuanzong.

Then he looked at Xu mengqiu and said, "master Xu, don't worry. Even if Yaqin has joined shenjizong, he can maintain a relationship with shenxuanzong. I can make decisions for master. If you want, shenxuanzong can become a vassal of shenjizong."

"Thank you very much," said Xu mengqiu

If a disciple becomes a vassal, he can be promoted to the upper sect. Even the upper sect will give martial arts training resources in return for his performance!

Moreover, to become a vassal of shenjizong is a dream of countless second-class forces!

Ye Chen said again, "take the tea, too."

Although Yin Ming's present state of mind is not enough to join shenjizong, ye Chen now has the ability to protect her.

.....

On this day, ye Chen was in the process of practice when he suddenly moved his mind and opened his eyes.

With a flash of body shape, he appeared in the hall of shenjizong. Yuzhenzi was waiting there with a smile.

Ye Chen saluted: "master."

Yu Zhenzi smiles: "Ye Chen, we just received the news, the divine light ceremony, a month later, it will start, you this period of time, get ready."

"Divine light ceremony?" Ye Chen has some doubts. What is the divine light ceremony?

Yu Zhenzi explained, "we are a god pole, do you know?"

Ye Chen nods.

"Shenzhu can transmit some martial arts skills and martial arts resources from the upper boundary. However, in fact, the sacred pillars of each sect are just branches. The real core is a place called Zhenshen tower."

"Zhenshen pagoda contains countless martial arts resources from ancient times and the land of the strong. However, it takes a lot of energy to open Zhenshen tower, so it can only be opened once every 100 years."

"Every time you open the Zhenshen pagoda and let the younger generation of disciples gather around the Zhenshen tower for enlightenment, they are called the divine light ceremony by the people of the divine kingdom!

Everyone can only participate in the divine light ceremony once in his life, and this one will be in a month later! "

"At that time, the whole kingdom of God, as long as it is a force of rank, is eligible to recommend disciples to participate. However, according to the status of the sect, it will decide where to go from the Zhenshen pagoda for enlightenment."

"The position closest to the Zhenshen tower belongs to the first-class forces of the kingdom of God! Therefore, the first-class forces in the kingdom of God have always been irresistible! "

Chapter 2618

God light ceremony!

Ye Chen hears the speech, eyes a bright!

Now, he is worried that there is no good way to improve his strength!

Immediately, he opened his mouth and said, "master, can you tell me more about the divine light ceremony?"

Yu Zhenzi said: "well, basically, every time you participate in the divine light ceremony, the talent and strength can be improved in an explosive way. When the divine light ceremony is in progress, all the geniuses will be baptized by the divine light in the corresponding area of the ancestral gate. Generally speaking, the longer you persist in the divine light ceremony, the greater the improvement of strength will be! "

"In the divine light ceremony, there are many benefits. For example, in the kingdom of God, a part of ancient martial arts skills and ancient martial arts skills can be almost lost. Under the influence of the divine light, they can enhance the power of blood vessels, awaken certain blood vessel Dharma bodies, and even directly cultivate themselves to soar and break through the realm."

"Once upon a time, there was even a legend that a disciple of the ninth class sect who had a very low natural Dharma form was scattered and left him alone. Therefore, by chance, he took part in the divine light ceremony. In the ceremony, his lower Dharma body was directly mutated and became an extremely terrible existence. Therefore, the ninth class disciple was strong Up, all the way up against the trend, finally, the whole kingdom of God, become a generation of peak overlord, step into the upper world

"In short, this is a great opportunity to improve our strength. In addition, although there are occasional exceptions to the divine light ceremony, generally speaking, there is a rule that the more rebellious the martial arts cultivation qualification is, the more amazing the benefits will be obtained in the ceremony."

"Now..."

Yu Zhenzi's face showed a very bright smile: "you should know how important this ceremony is to you?"

He is also very curious, ye Chen in the divine light ceremony, can get what kind of benefits!

Ye Chen killed Huachen new, enough to show Ye Chen's amazing talent and strength! Even in the history of the kingdom of God, it's hard to see such evil spirits as ye Chen. Can such terrifying martial arts cultivation ability not break out in the divine light ceremony?

Ha ha

Shenjizong, to rise! After the ceremony, it must rise!

Ye Chen nodded, and his face was full of excitement. He opened his mouth and said, "well, I'm going to prepare for it first."

"Wait a minute." Yu Zhenzi suddenly took out a jade slip and said, "I heard that you are collecting various advanced martial arts skills recently? This is the original book of ancient martial arts skills that I got from others. Take it to practice. "

Ye Chen slightly a Leng, in the eye, flash a burst of moved!

Yu Zhenzi, although he said it lightly, he knew that this half step of ancient martial arts was hard won!

Half step ancient martial arts, even as a first-class force Zhenzong martial arts, are enough!

How can it be changed easily? What's more, it's the original!

I'm afraid that God Jizong has paid unimaginable resources for it, right?

Because of their own needs, they changed!

The family is really good to yourself!

"Thank you very much, master

In his heart, it is warm. He has always been clear about his gratitude and resentment. God Jizong treats him well, and he will never forget it. At the same time, he expects more from the God light ceremony!

He must, in the divine light ceremony, good performance, return to the clan!

Yuzhenzi smiles and says to Ye Chen, "OK, go back to practice."

The exchange of this half step of ancient martial arts skills really paid a great price, and spent a tenth of the details. Although, if you exchange the copied version, it can be much cheaper, but yuzhenzi knows that the higher the martial arts skills, the more important the original code is!

If a little charm is not in place, the whole martial arts secret script will be scrapped! Even if it is successfully copied, there will be differences in martial arts, charm and power. Yuzhenzi does not allow any difference!

Moreover, the original classics of advanced martial arts contain a trace of pure divine meaning left by the author, which is very important!

However, every martial artist who uses the original Scripture to cultivate will consume the spirit. Therefore, even Yu Zhenzi did not understand the martial arts, so he gave it to Ye Chen directly!

Since, it's for ye Chen, it's natural to exchange the best!

What's more, he didn't feel any loss at all and regretted it!

Pay for ye Chen, it should be, otherwise, ye Chen by what return door?

He, see clearly! Ye Chen is powerful, that is, God Jizong is powerful!

How can we suffer?

He even regarded Ye Chen as his own child.

He is willing to pay all resources for ye Chen!

Even if it's your own life!

.....

At the same time, the kingdom of God, the heavenly palace.

Dozens of old people were half kneeling on the hall.

The atmosphere was extremely dignified.

At the top of the hall is a man in a Golden Dragon Robe.

Under the man's body, there is a powerful dragon. The dragon's eyes were closed, and there was a strong flame burning on the long dragon's beard.

Even the temperature of the whole hall has risen a few minutes.

Xuanyuan moxie stood up and gazed at the old man under the stage and threw a jade slip in his hand on an old man's body!

The power of the fury even made the old man retreat a little bit.

You should know the breath of the old man, but it is the peak!

Although it is not the top strongman of Tiandao palace, it is also a strong one in the whole kingdom of God.

The main hall, set off bursts of storm.

Kill the meaning even in Xuan Yuan Mo Xie's body to release unceasingly!

"Waste! A bunch of useless rubbish

"What does the heavenly way palace raise you people to do?"

"A stinky boy killed Tiandao palace and wounded hundreds of elders under your eyes!"

"And he left safely!"

"You waste, who are you to stand in front of me?"

No one dares to speak.

They knew that if this critical point touched Xuanyuan Mo Xie's brow, it would be really doomed.

After a short period of anger, Xuanyuan Mo Xie calmed down.

He sat back to his original position and threw another jade slip out!

"And not so long ago, the mission to assassinate the mysterious youth also failed."

"Why do I find out until now that there is a group of waste in Tiandao palace?"

"Do you have to use those closed elders?"

"Since Lingwu land, our heavenly way palace has been led by others. The eternal holy king, the devil emperor, the mysterious youth, now there is one more Pangu

"It's a big tone. The man is trying to make a new world! This is to open the shame of my Xuan Yuan Mo Xie! "

"There are so many people who can't beat a man who doesn't use any martial arts skills! You are nothing but rubbish

"Shame! What a shame

## Chapter 2619

After a few seconds, Xuanyuan Mo Xie continued: "well, I don't want to investigate this matter today, I just hope you can bring back that little beast! Elder Chen, you have fought with that guy. What clues can you find? "

An old man with a chill all over his body stood up, arched his hands and thought for a moment: "although the man didn't use any martial arts skills at that time, I could feel that his blood was very special!"

"Very familiar again!"

"A little bit like..."

Xuan Yuan Mo evil eyebrow a frown, Li Ma way: "like who?"

Elder Chen hesitated for a moment, but he still said, "the blood of heaven and earth..."

"The heaven and earth people are gods, and the man named Pangu has extremely strong body, which is in line with the theory of heaven and earth."

"It's just that heaven and earth have been destroyed, and no one has survived. Why has such a similar person suddenly appeared?"

"I don't understand."

"The time span is too long. There should be no such talents in the kingdom of God..."

"This is the most difficult part of the investigation."

Xuanyuan Mo evil eyes closed, he seems to have caught some clues.

Suddenly, his eyes opened.

Those eyes are ferocious and murderous.

Xuanyuan Mo Xie suddenly laughed: "this Pan Gu thing, but let me remember the Lingwu land of heaven and earth to kill the domain."

"Not long ago, there was a change in the killing territory of heaven and earth, and the will of heaven came."

"The mysterious youth that the heaven can't capture is also among them..."

"It seems that everything is connected."

"This is the man of Pangu. It is absolutely impossible for him to appear out of thin air."

"Interesting, interesting."

"If I guess correctly, Pangu should have something to do with the mysterious youth."

"As for why he suddenly attacked the heavenly way palace Maybe someone wants to interrupt me in Tiandao palace. "

Elder Chen and Zhu Changchang's eyes were bright together: "the palace master is wise!"

"But..." Xuanyuan Mo Xie suddenly said, "if we want to know more, maybe we should not look for the man called Pangu."

"But to see that fellow."

"That, the unexpected harvest brought back from the universe."

At this moment, Xuanyuan ink evil eyes in the pan cold killing.

It's killing intention. It's terrible.

He stood up and his sleeve was shaken: "you step back."

Many elders naturally understood what Xuanyuan Mo Xie wanted to do, and then disappeared in the hall.

When people disappear, Xuanyuan moxie comes to a mural and touches the mural with five fingers.

A light blue flash.

The mural is open!

Inside the mural, there is an extraordinary cave.

It was a dark world, without a trace of spiritual power fluctuations, quiet like purgatory.

Xuanyuan moxie passes through a corridor full of runes.

The corridor was covered with runes with dense forehead.

The symbols on the runes do not belong to Lingwu land, let alone the kingdom of gods.

Extremely obscure!

It's like suppressing something.

Soon, Xuanyuan Mo Xie stopped.

In front of him was an independent prison.

Everywhere in the prison, there was a very strange smell.

This is a kind of stone outside the territory.

Priceless!

One is far more than ten million gods!

What's more, the prison is all made of this kind of stone.

In prison, a middle-aged man in armor closed his eyes.

His whole body was bound by an invisible chain.

Beside the man, there are two weapons with strong breath.

A long gun with endless killing intention.

A huge bow that is entangled in the war spirit.

The bowstring did not move.

It's like the silence before death.

If the bow string moves, the sky will fall apart!

Even though he felt someone outside the prison, his eyes were still closed.

Gujing bubo.

Xuanyuan moxie gazed at the man in the prison for several seconds, and suddenly clapped his hands:  
"it's worthy of being the Lingtian arrow God that shakes the kingdom of God. It doesn't move a bit, but also exudes a strong sense of martial arts."

"Maybe it's hard for you to be trapped?"

"I heard that you Lingtian arrow God shot a startling arrow in the war between the kingdom of God and the demons outside the Kingdom, shaking the sky."

"I didn't witness it, but I'm really interested."

"How about if I untie your restraint and shoot me an arrow?"

Ling Tianjian still did not respond.

Xuanyuan Mo Xie had no accident at all and continued: "do you know why I don't confiscate your weapons?"

"I just want you to feel that powerlessness." "I heard that your weapons are as heavy as mountains. No one in the world can lift them except you."

"Once you move the string, the strong in chaos will be afraid."

"Why is such a strong man trapped in this small prison?"

Xuanyuan Mo evil words front turn, continue: "today I come to look for you, is to give you a chance to leave."

"What do you see in the universe! I want to know what is the name of the young man who is infected with your cause and effect! "

"As long as you tell me, I'll set you free at once!"

However, Lingtian arrow God still closed his eyes.

Not to be undulated by anything, inner peace.

Xuanyuan ink evil just want to say what, a cold and eroding voice suddenly sounded: "roll."

This is the only word Lingtian arrow God said.

The next moment, Xuanyuan ink evil expression extremely ferocious.

He pinched the formula with his fingers. In an instant, the prison was full of thunder and lightning.

The thunder and lightning beyond the chaotic power can erase everything.

But Lingtian arrow God's eyebrows did not move a trace, incomparably calm.

An hour later.

Xuan Yuan Mo Xie left.

In the dark prison, the man's face and eyes suddenly opened.

Extremely strong spirit, even let the whole cage shake a bit.

"Ye Chen, you may be my only hope to leave here."

.....

The second of the ten forbidden areas in the kingdom of God.

Blood Sea valley.

A burly man with scars on his body opened his eyes with difficulty.

If you look closely, you will find that the scars on the burly man are healing.

The fire of heaven and earth is surging above the wound.

This is the biggest feature of the heaven and earth.

This man is Yan Kun.

Yan Kun opened his eyes, exhaled a breath of turbid gas, his hands pounded the ground, and fiercely stood up.

He moved his neck, swearing: "dog scum Xuanyuan Mo Xie, this time, I remember the hatred!"

"Don't let me catch it!"

"Otherwise, Laozi is a blow hammer

With that, he looked around. When he saw an old man who was drinking, he quickly walked over.

"Forever."

The eternal King drank a mouthful of wine and said faintly, "know the gap between you and the heavenly way palace?"

Although Yan Kun was a little displeased, he still said, "I know."

The eternal King opened his eyes, and the cold idea surged: "Yan Kun, the heavenly way palace you see is only the tip of the iceberg."

"The existence of being able to control part of the power of heaven can never be despised."

"Remember, of course you have the blood of the Qiankun people, but you must not despise anyone."

"That will kill you."

"It will kill your brother."

Chapter 2620

At this moment, Yan Kun's arrogant expression suddenly changed.

Become extremely serious.

Anything that involves big brother is the top priority for him.

"Yonglao, I know. From now on, I will never despise anyone and try to improve my strength."

The eternal King nodded his head in satisfaction. In a few steps, he came to a chessboard.

He sat down and pointed to one of the pieces and said:

"Yankun, in this ancient chessboard, ye Chen is the most important existence."

"In the rules of the game, he is the general that all the pieces have to guard."

"And you, it is in this game of chess, not only as the existence of the attack, but also as the existence of the guard general."

"It's a heavy burden on you."

"That's one of the reasons I trained you so much."

Yan Kun's face is full of perseverance.

Suddenly, he said, "big brother is also a chess piece?"

The eternal King shook his head: "his identity is too special. He may be a chess player."

"If he loses, the game will be over."

"You, I, and all of you lost."

"Do you understand?"

Although Yan Kun still had some doubts, he still nodded: "yonglao, what should I do next?"

The eternal king raised his head, stretched out his hand, pointed to the sea of blood with bones, and said, "it's too early for you to go to the foreign battlefield. At present, your enemy is this sea of blood."

"When you can smash this sea of blood with endless gravity, you can meet your brother."

Yan Kun looks at the sea of blood, looks dignified, legs bent, suddenly burst!

Go to the sky!

And then one punch hit the sea of blood!

"Touch!"

At this moment, endless forces touch.

Yan Kun thought that the sea of blood would set off a storm.

However, the sea of blood did not fluctuate.

And, his hand, it's bloody.

Then, the ethereal voice of the eternal king came: "this is the dead sea of the kingdom of God, it is the blood of a giant foreign beast."

"It's full of death."

"Even, you are in danger."

The next second, the sea of blood even surging, line into a huge whirlpool, Yankun involved in it.

Yan Kun's whole body burns the fire of heaven and earth.

Water and fire mingle, do not know the victory or defeat.

This is Yan Kun's trial.

.....

Ye Chen returns to his residence from yuzhenzi.

As soon as he opened the door, he felt a strong breath surging.

As soon as his eyes congealed, he shut the door.

The next moment, the black stone in his pocket flew out.

Suspended in mid air.

Ye Chen just want to reach out and touch, is inhaled by a force!

In a flash, he appeared in the samsara cemetery.

To his surprise, in the samsara cemetery, the two stood in opposition.

The atmosphere was extremely odd.

These two people are not others, they are the ancient god of medicine and the overlord of crazy force.

They're facing each other?

The fierce overlord's whole body set off gusts of wind, endless killing intention surging.

The ancient medical God was surrounded by gold needles and held an array plate in his hand.

"Old Cang, old maniac, which one are you two making?"

However, ye Chen has not finished, the ancient medical God and the crazy overlord are the same voice:  
"noisy!"

Ye Chen:

Ye Chen also took these two people.

Lao Cang and Lao mania have been in the samsara cemetery for some days, and their enmity has not been solved?

Ye Chen simply found a place to sit down, he also wanted to see Lao Cang and Lao maniac, who is stronger.

The idea of Wu Dao, the overlord of crazy martial arts, was constantly condensed, and his eyes were like fire at the ancient medical God: "Cang ancient medical God, although you are just a God, today, I will let you feel what is the rage of heaven."

The ancient medical God knew that he had no way out. He held the array plate in his hand and quickly pinched the formula with his fingers: "although I have studied medical skills all my life, my martial arts are not weak at all."

"Today, let you feel my dragon searching and breaking skills!"

The overlord of crazy martial arts sneered: "just the skill, what did you calculate before the martial arts rhyme? If I don't punish you today, I won't be called crazy martial overlord! Call it rabies overlord

Although both of them are gods, they have absolute confidence.

The ancient medical God silk showed no weakness: "what a tortoise overlord! Today, if I hide from the ancient medical God, I will change my name to ancient medical God! "

The next second, the two people's spiritual power converges, and the amazing strike will be staged in the samsara cemetery!

Ye Chen feels bad and retreats a hundred meters.

At the moment when the two extreme forces were about to collide, a golden sea of arrows suddenly appeared over the reincarnation cemetery!The sea of arrows is like a giant beast!

A tombstone suddenly sparkled with gold!

"This is..."

Ye Chen's expression is frightening. Obviously, there is a tombstone that can be triggered.

I didn't do anything. Why did the tombstone suddenly appear?

What did he think of? He looked at the fierce overlord and the ancient god of medicine!

Originally thought that two people will leave no effort to start, but did not expect two people's eyes interlaced! Instant recovery!

Everything is calm!

Then the two separated and returned to each other's tombstones.

"It's not suitable for us to fight against each other. We'll fight another day!"

"Good! I mean it! Canggu, next time, I will definitely want you to lose completely! "

Ye Chen:

Said good today, if you don't kill you, I will call the rabies overlord instead???

Said good today if hide, then change the name of ancient medicine God???

Ye Chen some laugh and cry, eyes fell on the tombstone.

He found that the tombstone was the same as the others.

There is a huge bow suspended on the tombstone.

Ye Chen has seen many bows and arrows, but he is still awed by the huge bow.

What a domineering bow!

He just wanted to try to move, a strong breath vibrated.

His body was pushed away on the spot.

Obviously, I don't want to be disturbed.

Ye Chen helplessly shakes his head, also does not intend to pay attention to.

He has too much to do.

Refining the chaos star tree and the fire of emperor Lin.

But before that, he needs to understand two things!

Now, he has two and a half ancient martial arts skills. One is from Hua Chen's new Jiulong Jieshi Jue, and the other is given to him by yuzhenzi, named linghuangzhenjizhang!

One month before the opening of the divine light ceremony, it's just used to understand these two martial arts skills!

.....

A month later, several people gathered outside Ye Chen's house, including Yu Zhenzi, several elders, Tu Lanxin, Chu Ying, Lin Yaqin, Zhou Yuanxin, Wen min'er, etc

Looking at their appearance, they are obviously waiting for ye Chen!

If the martial arts of other first-class forces knew, they would be shocked!

So many disciples, so many people together?

Fantastic!

Chu Ying said anxiously, "I'm going to Zhenshen tower soon. Why hasn't Ye Chen left the pass yet?"

Tu Lanxin also slightly frowned: "wait for another half an hour. If ye Chen has not finished practicing, he will have to interrupt him. The divine light ceremony can't be missed."
