### Chapter 2621

At this time, suddenly, a burst of martial arts from ye Chen's house, spread out, when people feel this breath, all pupils shrink!

The next moment, ye Chen appeared in front of the crowd with a smile and said: "let you wait for a long time!"

"Ye Chen, you have made progress again!" said Yu Zhenzi

Ye Chen nodded: "thanks to the cultivation of the master and the clan, this close, a little harvest."

This time, he digested a layer of martial arts charm!

And the cultivation has also stepped into the three layers of Taixu!

"Let's go!" Yuzhenzi road.

Then, he led the people, together with a disciple of the extreme sect of gods, to the place where the pillar was!

Many of the disciples who came into contact with the pillar for the first time looked at the huge, dazzling white light that led to the sky. They were extremely shocked!

Even ye Chen, also is double eye tiny Mi!

Yu Zhenzi said, "we will enter this sacred pillar and directly transmit it to the location of Zhenshen tower."

Time, a little late, however, it is not a big problem.

A towering, white light, magnificent towering tower, set up on the earth, around the tower, like the wilderness of ancient times.

All of a sudden, there are countless white lights on the earth. These white lights, thick and thin, surround the tower and are divided into nine layers!

The thicker the white light, the closer it is to the tower! The closest to the tower are some very thick columns of light!

This tower, of course, is the Zhenshen Tower!

Looking around, the earth is densely populated with people, and many influential people have come.

At this time, one of the light pillars on the third floor, suddenly, flashed a group of people's figures!

This light column belongs to longyuanzong!

At the moment when the people of longyuanzong showed up, Shua, countless eyes shot at them.

Although the strength of longyuanzong is good and ranks among the third-class sects, there are countless powerful forces present today. Why does a dragon Yuanzong attract so many people's attention?

The reason lies in a woman of longyuanzong.

A beauty to the extreme, just like the general woman of heaven and man!

This girl is Yin Ming!

Although Yin Ming's accomplishments were not too high, all the people of longyuanzong, including the patriarch, were extremely respectful to her!

At this time, Yin Ming did not cover her face. She knew that in front of those powerful people, ordinary cover up was useless.

Ye Chen, although he had brought Yin Ming to shenjizong before, although during this period of time, Yin Ming practiced very hard and broke through many realms, but he still failed to reach the standard of entering shenjizong.

Although Ye Chen can let Yin Ming stay in shenjizong, he can't change the rules at will. After all, not everyone can have the treatment against heaven like him.

Therefore, Yin Ming was not a disciple of shenjizong, so he could not follow shenjizong to participate in the divine light ceremony.

However, how can ye Chen let Yin Ming miss this opportunity?

Yin Ming's accomplishments are enough to join longyuanzong. As a third-class sect, longyuanzong is in a good position.

Therefore, ye Chen and long Chen greet each other and let Yin Ming enter the longyuanzong first.

Longchen naturally won't refuse. Recently, he has heard about ye Chen's rumors!

Can pull a little relation with Ye Chen, simply can't ask for!

Even, it's good for the whole longyuanzong!

But! Long Chen still underestimated Yin Ming's face and the lethality caused by it! That's too damn conspicuous! Countless people are watching them!

Yin Ming looks indifferent. Since she took off her mask, she has been used to other people's eyes and won't care too much.

But at this time, feeling those second-class, or even the first-class forces, the strong eyes of long Chen and others are all in cold sweat, are constantly taking, incomparably nervous, panic!

Especially long Chen, a pair of quick cry out of the expression!

They don't know, if someone takes a fancy to Yin Ming and comes to chat up, what will they do?

Get rid of it? Push back?

Those first-class and second-class forces can all move their fingers to make longyuanzong disappear! Every time the divine light ceremony, there will be some small forces, because of some inexplicable reasons, are destroyed

Although longyuanzong is not small, it is not different from the ninth class sect in front of the real behemoths.

So, how dare they do that?

But, regardless of Yin Ming? That's even more impossible

If you do that, how can you account with Ye Chen!?

It's so tangled!

Who called Ye Chen's woman, one by one is so excellent? As the saying goes, everyone is innocent and has a good conscience! For women, in fact, this is the truth! Too beautiful woman, not a dragon Yuan Zong, can accommodate!

In fact, the conflict between shenxuanzong and Lei family is an example.

Everything is also caused by Lin Yaqin's beauty, isn't it?

If in peacetime, a little low-key, nothing, but, this is the divine light ceremony! If you want to keep a low profile, you can't keep a low profile!

Long Chen slightly lowered his head and took a look at the position of the first-class forces. His face was even more ugly. The people of shenjizong haven't arrived yet!

They all came late on purpose in order to be able to arrive after shenjizong. With the protection of shenjizong, who would dare to trouble them?

Can, let him never thought of is, God extremely Zong, don't know why, come late!

Gradually, Yin Ming's look changed

Because, she felt a lot of strong eyes!

Those who just look at her, let her from the soul feel fear, trembling strong, is extremely greedy, looking at her!

Cold sweat, sliding down Yin Ming's beautiful face

Long Chen saw this, gritted his teeth, flashed his body, and blocked Yin Ming's body, blocking the pressure brought by those eyes for her

He prayed secretly, this is the divine light ceremony, those strong people, should still point to the face?

You won't take the female disciples of other sects at will on this occasion?

But, in this world, there is no shortage of shameless people, isn't it?

At this time, a young man in a pale grey robe with a strange human figure printed on it, with a strong body, masculine breath, bronze complexion, firm and handsome face, and shining eyes, was like a sword out of the body. With a slightly domineering smile on his face, he walked towards the direction of longyuanzong.

Long Chen and others, looking at the man who came, but the pupil trembled!

Body, can't help but start shaking!

Sun is hopeless! It's hopeless sun!

This man, in the kingdom of God, is also a famous evil spirit!

Chapter 2622

Sun Wuwang, the first-class sect, is the first true biography of the crazy bone gate. It has one of the supreme deities, the ultimate evil spirit of the fighting holy body, and even calls himself King Kong fighting emperor sun Wuwang!

The word "emperor" can not be sealed by ordinary people!

It's not for the strong people to use at will!

Sun Wuwang's cultivation is to cut the four layers of heaven!

The four layers of heaven with divine body! Can easily jump over the level to kill the general five layers of heaven and even stronger existence ah!

Anonymity is the best example!

It is said that under the blessing of the holy body of battle, its combat power cannot be directly seen!

If not, sun Wuwang will be famous in Shenguo if he doesn't have many shots and less achievements in the war!

At this time, on the wild land, many strong men saw sun Wuwang go to Yin Ming, and they all withdrew their eyes. They didn't want to provoke sun Wuwang, let alone the crazy bone gate!

Crazy bone men, have a characteristic, fight up, do not want to die!

There are a lot of physical training in the crazy bone gate. The vitality and defense of physical training are not comparable to those of ordinary martial arts practitioners. Therefore, they have crazy and deadly capital.

"Is it sun Wuwang? This time, the Dragon Yuanzong is going to be miserable. "

"It's said that sun Wuwang's attacks are rare, but his influence has led to a terrible end. Almost all of them have been destroyed."

"That woman is really beautiful, but her strength is really ugly. Such a woman can only be a vassal of a man and has no right to choose."

"Long Yuanzong, to bring such a woman to participate in the divine light ceremony is simply looking for death!"

Longchen stares at sun Wuwang, who is walking slowly. His pupils tremble wildly. He suppresses his fear and whispers to Yin Ming: "this man is very strong! For a moment, let me speak. Don't irritate the man! Especially before the God Jizong arrived at this wild land

After all, although the crazy bone gate and the shenjizong rank the first-class forces, the mad bone gate has a higher status than the shenjizong in the first-class forces!

Compared with the bottom of the shenjizong, can be said to be a strong grade!

Even if it's hopeless, is it really possible?

Yin Ming at this time, pretty face is also a pale, smell speech, slightly nod, she does not know sun Wuwang, but, she can feel how terrible sun Wuwang is! Just looking at sun's hopeless coming figure, it's going to collapse!

Yin Ming, although also very proud, but pride is not stupid

Facing a strong man like sun Wuwang, he just wants to die

Soon, sun Wuwang came to the position of longyuanzong.

He is more than two meters tall, which is a head higher than longchen!

He looks down at long Chen standing in front of Yin Ming, his eyes are cold.

Long Chen swallowed his saliva and squeezed out a smile. He said, "Mr. Sun, what can I do for you to come to longyuanzong?"

Sun Wuwang looked at longchen and said only one word.

A, incomparably overbearing word!

"Go away."

The people of longyuanzong are all cold in their hearts!

They didn't plan to stop sun hopelessly, but could they at least delay for a moment by words?

But sun Wuwang, actually is the overbearing to this degree?

Words, do not want to say a word, cherish words like gold, only said a rolling word?

How can I get it!?

After hearing this rolling word, the blood in his body surged wildly and his scalp became numb. In an instant, he was forced into a desperate situation!

He opened his mouth, as if to say something else

But in the moment he opened his mouth, sun was hopeless and his eyes were cold!

He, the most disgusting, is that others say too much nonsense!

If you're told to get out of here, you're going to have to talk?

Don't you pay attention to my sun Wuwang's words!?

A roar, a dazzling golden light, from sun's hopeless body rise!

The owner of the holy body of battle, one of the supreme deities, was so unique and powerful that many first-class and second-class strongmen were shocked and left!

All the people around him gave out a cry of surprise!

This breath, against the sky!

In the breath, contains infinite fighting spirit! Almost, it's going to be substantial! Even if they didn't face it directly, just a wisp of golden light escaped, which made the people of the third class and even the second class sect nearby feel unbearable!

"Poof!"

As the young patriarch of Longyuan clan, long Chen looks young. In fact, he is thousands of years old, and his cultivation is not weak!

But at this time, in front of sun Wuwang, who only released his breath, he had no resistance at all!

Longchen spits blood, and his whole body makes a broken sound of broken bones. His body is like a broken kite. He is shocked by this breath and flies backward to the rear. In a blink of an eye, he flies over the position of the ninth class forces! Long Yang, the patriarch of the Longyuan clan, was broken in his heart when he saw it. His only precious son was seriously injured in front of him!

However, although Longyang's heart was burned to ashes by his anger, he intended to kill him in his brain. His muscles were so tight that he could no longer be tense, but he did not dare to show any resentment!

He is also an old-fashioned witness to the history of the kingdom of God. However, he knows that his own strength is very different from that of the genius who has the supreme divine body and is no more than 100 years old!

Facing sun Wuwang, Longyang is not much better than longchen! Just now sun hopelessly burst out of the breath, although he can resist!

And his accomplishments are also higher than sun Wuwang, but he dare not do it!

Dare not offend the forces behind Sun Wuwang!

It's horrible!

At the next moment, Long Yang's figure flashed, and he caught up with the beaten dragon Chen. He looked at his son, whose breath was weak, his whole body was covered with blood, and his consciousness had been blurred. He was so distressed that he would cry!

And Yin Ming, looking at sun Wuwang in front of her, her consciousness will collapse

This Is it still human?

Sun Wuwang looked at Yin Ming, and his face relaxed. He even took a smile.

He smiles at Yin Ming and says, "this fairy, you are polite. I'm hopeless. Can you ask me the name of the fairy?"

The people in the wild land were stunned when they heard this!

This sun is hopeless. Is he polite to women?

Powerful, good for women? That's great, isn't it?

After sun Wuwang showed his strength, many women looked at Yin Ming with great admiration. If sun Wuwang had talked to them like this, they would have been attached to him, right?

Yin Ming, of course, won't stick it to sun Wuwang's body, but at this time, her face is somewhat unnatural and she says, "my name is Yin Ming..."

Sun Wuwang is really excellent. However, the reason why Yin Ming told him his name was not because he liked sun Wuwang

In her heart, forever, there is only one man.

That is Ye Chen!

Chapter 2623

Just now, since long Chen has failed, he can only rely on himself to delay time

She could not help but pray in her heart

Ye Chen, you should show up quickly!

"Yin Ming..."

Sun Wuwang chewed the name and said with a smile, "good name!"

With that, sun Wuwang suddenly looked at Yin Ming with great sincerity and said, "Miss Yin, my sun Wuwang is in love with you at first sight. If you don't have someone you like, can you think about it?"

Sun Wuwang is a bully. He is really overbearing. At the same time, he is very casual. He doesn't care about other people's eyes.

However, it's not that there are no principles at all. If Yin Ming already has a favorite person, although he will not give up, he will not be too reluctant to each other.

However, no one knows what kind of person sun Wuwang is!

Yin Ming slightly lowered his head and said nothing.

She was worried that if she said Ye Chen's name, she would not only offend sun Wuwang, but also implicate Ye Chen!

That day, Huachen new and ye Chen, not be because of this, just had conflict?

Although she has incomparable trust in Ye Chen, she doesn't think ye Chen will be defeated by sun Wuwang, but shenguangyi is about to start!

At this time, if you are injured and affect the next ceremony of divine light, what to do?

Yin Ming, never want to see ye Chen because of himself, and influence should be infinite brilliant future!

But, Yin Ming thinks so, other people, don't think so!

Yin Ming is now nominally a member of longyuanzong. If she refuses to name Ye Chen but refuses sun Wuwang, she is more likely to offend sun Wuwang and possibly involve the people of longyuanzong!

A woman of longyuanzong, trembling and trembling, opened her mouth to sun Wuwang and said, "this girl Yin is the woman of shenjizong, ye Chen and ye Gongzi."

Say ye Chen, sun Wuwang may be afraid of Ye Chen's strength and background, and retreat, right?

Moreover, even if it is not good, at least, you can transfer the trouble to Ye Chen's side!

Although the disciples of longyuanzong are in awe of Ye Chen, they can't compare with the horrible man standing in front of them! Even if it's death, you can die later, right?

And the people around him heard the words, but one after another, showing a strange look!

Ye Chen!

Ye Chen again!

Some time ago, they just heard of Ye Chen's reputation?

It seems that it is also because of a very beautiful woman whose name is Lin Yaqin? The conflict between Xinhua and Mingchen?

People can't help but show admiration, can't believe the eyes

Ye Chen, how many excellent women are there!

"Ye Chen?"

But sun was hopeless, but he frowned slightly. He had never heard of the name!

In his impression, there is no such name as ye Chen?

Strange, can only blame Ye Chen rising too fast, and sun Wuwang, in the period of Ye Chen's rise, just in the closed door, ears do not hear things outside the window!

Until today, before the opening of the divine light ceremony, I did not leave the pass.

What's more, he has never been very interested in other people's deeds and names.

He couldn't help asking, "who is Ye Chen? Excellent? "

He wants to come, only the most excellent evil spirit, can be worthy of, Yin Ming this kind of beauty.

Just when everyone didn't know how to answer, suddenly, a thick light column nearest to the Zhenshen tower suddenly lit up!

Several figures emerge in the light column!

At this time, a faint man's voice sounded from sun Wuwang's back: "I am Ye Chen."

At this time, a young man, standing behind Sun Wuwang, looked indifferent, not ye Chen, who else!

Ye Chen, finally come!

His eyes fell on sun Wuwang's body. Just now, when he was transmitted from the pillar of God to this place, he just heard the sentence sun Wuwang asked.

The people of longyuanzong were excited to see ye Chen appear! Their Savior, at last!

"Mr. Ye, here you are

"Mr. Ye, this grandson, wants to know Miss Yin!"

"Here comes Mr. Ye! Great

At this time, Long Yang returned to the position of longyuanzong with the injured longchen.

Sun Wuwang turns around and looks at Ye Chen behind him. In his eyes, however, there is a very strong strange color!

He, can't you get it wrong?

Taixu?

He thought that ye Chen would kill at least five layers of heaven.

But I didn't think it was too empty?

Can such a person be worthy of a fairy like Miss Yin? He really does not know, what does Miss Yin like about this little white face?

For sun Wuwang, Yin Ming and ye Chen are flowers on cow dung!

It's a monster!

He, looking at Ye Chen's eyes, gradually bad.

And ye Chen, after hearing the words of the people of longyuanzong and seeing the Dragon Chen who was carried back, his eyes were also cold.

At this time, after taking pills and barely able to speak, longchen, regardless of the injury, struggled to kneel in front of Ye Chen, lowered his head, and said hoarsely to Ye Chen with shame on his face: "Mr. Ye, I'm sorry, I can't..."

He said, of course, there is no way out, no hope for sun.

Sun did not expect to see this and frowned. Although longchen was rubbish, his accomplishments were good.

Kneel down to a Taixu warrior?

However, the next moment, his brow, then relaxed to expand.

This guy of longyuanzong, I think, is trying to attach importance to the background of shenjizong? Only waste, only like to rely on the background!

Ye Chen is a wave of the hand, a blood pill shot at the Dragon Chen, light way: "it's none of your business, you have tried your best."

Long Chen has been seriously injured. Do you want to blame? Is it necessary for longchen to die?

Ye Chen, not like that.

He has always had a clear conscience.

No matter at the beginning, long Chen to him, is what attitude, now, long Chen, is doing things for him! What's more, it's hard work!

Then, ye Chen will treat longchen as his own person.

When long Chen was helping him, was he hurt?

That, he Ye Chen, must manage!

Ye Chen was hopeless to sun and said coldly, "is this your fight?"

Sun Wuwang was stunned and then laughed

It's interesting. It's so interesting. It's too empty to ask him?

Sun Wuwang met Ye Chen's eyes and couldn't help sneering: "yes, it's me. What do you want?"

"What do you want?"

The corner of Ye Chen's mouth raised a smile: "are you a three-year-old child? Don't know what to do? Do you want me to teach you? Well? "

His tone, suddenly severe down: "hit people, naturally have to apologize!"

Chapter 2624

Silence!

The wild land where the town god tower is located is in a dead silence!

People look at Ye Chen in disbelief

Crazy! Too confident!

Even before the ceremony of divine light was opened, he gave a lecture and mocked sun Wuwang, who had the holy body of fighting!

This is to take their own future, gambling ah!

A sense of war broke out from sun's hopeless body, accompanied by endless anger!

Sun has no hope of this man. Although he can be regarded as a man of principle, he has a very good face! He hates it the most. People talk to him in a way of teaching!

Now, even in front of the big and small forces of almost the whole kingdom of God, a Taixu waste has touched the scales?

How can he bear it!?

"Interesting." Sun Wuwang was surrounded by golden light and his fighting spirit was burning. An was like the God of war who came to the world in the Ninth Heaven. He looked at Ye Chen and said, "you are the first one who dares to speak with me in this tone!"

"I'll let you know that you did a stupid thing just now!"

"Is it?"

Ye Chen Sen ran a smile, on the face, flashed a evil: "with your tone of voice, and I talk to a lot of people, but..."

"It's a pity that no one can live!"

The next moment, the dazzling golden light burst out from sun Wuwang. His wrist turned and he grasped a long black gold stick with an old breath and a rolling evil spirit. On the long stick, countless mysterious runes were engraved on it. The moment of appearance, the space around him was slightly distorted and looked very heavy!

Ye Chen's pupil shrinks. This long stick is a weapon far beyond the ancient one!

It may even be.

Although he had medical skills, he got two pieces of Jue ware from emperor Lincheng.

However, there are some problems with the Jue ware, which is incomplete and inferior to the ancient one.

And sun Wuwang's weapons are enough to be used as the first-class patriarchal weapons!

"Crazy talent cloud stick!"

Sun Wuwang drank a low drink. His spiritual power and the infinite fighting spirit were integrated into one. The golden light flowed through all his muscles, and his strength expanded wildly. He smashed it like a dragon rushing into the night and hung on the star river!

In the wild land where the town god tower is located, the stability of space and law is even higher than the kingdom of God!

Can, sun Wuwang this stick horizontal out, but let the whole earth, all tremble for it!

People see, is incomparably frightening, even those who are strong in the first class, genius, also showed an incredible look!

Crazy talent cloud stick! Similarly, it is the famous martial art of the kingdom of God!

It is said that this martial art is passed down from the founder of the crazy bone gate! Grade half step ancient level! At that time, crazy bone sect, not called crazy bone sect, was just an unknown School of physical training. Physical training advanced, which was much more difficult than martial arts training!

Therefore, the crazy bone gate has been trampled on by martial arts forces.

At this time, a most amazing monster was born in the crazy bone gate. One day, by chance, he witnessed a mysterious ape with the greatest terror, holding a stone stick and dancing wildly in the air. For a time, he was blessed to the soul and realized the true meaning of martial arts.

Based on the move of the giant ape dance stick, I created a stick technique. From then on, I crossed the steps crazily and led the crazy bone gate to rise strongly! Will also live in the door, officially renamed crazy bone door!

And this set of cudgel is crazy talent cloud stick!

The most important thing is that this set of cudgel, no matter its artistic conception and moves, actually matches sun Wuwang's own breath!

In sun Wuwang's hands, the cloud staff of crazy talent is much more terrifying than that in the hands of the ancestors of crazy bone clan in the same realm, right?

The elders of the second-class clan and other old strong men are dignified. This stick can even pose a threat to them!

Even ye Chen, is also a flash of vision, slightly surprised!

This is, one of the supreme deities, the battle sacrament? It's really powerful!

His martial arts realm, as well as his understanding of power, were almost beyond the level of the kingdom of God. At this time, he could clearly feel that with sun Wuwang entering the fighting state, his strength, spiritual strength, and even his physical quality were all improving wildly!

With this stick technique, it complements each other. In an instant, the power of fighting holy body is fully integrated into the martial arts!

On the whole, the power of this stick has broken through a very high level!

Sun Wuwang, more terrible than Huachen!

Ye Chen takes a deep breath and holds the sword of killing the sky with green lotus. The martial spirit of Lingxiao is strong enough to release!

"Spirit and devil kill Heaven Sword!"

One sword!

In an instant, the sword is also the ultimate light!

The power of breaking the sky, the martial spirit of Lingxiao, the meaning of six swords, and even the spirit forbidden Dharma body, the trace of power that can gather the power, are used!

Next moment, sword and stick collide!

Time and space, it seems to have a moment of collapse!

Many patriarchs of the second and third class forces, frowning at the same time, actually agreed to move! Why do you want to do it?

If they don't, the aftermath of their fight will sweep the whole wilderness, making countless Shenguo warriors who take part in the sacred light ceremony seriously injured!

These two people, though young, have been extremely terrible!

There was a huge noise, the void was constantly broken, the breath disappeared, the crazy release, even, the town god tower moved!

On the Zhenshen tower, a white light is emitted to calm the space!

But a figure, it is a rapid fall, hit the ground, shaking the ground, dust and smoke, the ground, emerged a huge hole! It's too deep to see the bottom!

At this time, in the sky, there is only one man, holding a long blue sword, standing out of thin air!

Ye Chen, of course!

No doubt, the one who was blasted into the ground is sun Wuwang!

The sound of cool air, one after another!

A sword!

It's a sword to solve it again!?

Ye Chen at this time, although the hand holding the sword is dripping with blood and even some bones appear, it is much better than sun Wuwang!

Even in the face of this kind of weapon against the sky, half step ancient martial arts skills, plus the owner of the supreme god body, unexpectedly, still won.

At this time, ye Chen looked at the hole, but did not mean to start.

Because the breath in his body is extremely disordered.

He's hurt too!

"Hopeless!" The leader of the crazy bone sect, with a cry and a flash of body, appeared at the edge of the deep place.

A bloody palm, out of the darkness!

Sun Wuwang, slowly climbed out of the hole, like a bloody man!

"Hopeless, how are you?"

The headmaster of the crazy bone sect looks at sun Wuwang, but he is extremely heartbroken. Sun Wuwang is his disciple. He suffered such a heavy injury before the divine light ceremony, which will have an impact on the future!

He suddenly turned his head, staring at Ye Chen, the breath of chaos, the ultimate explosion!

But at this time, in front of Ye Chen, the same figure flashed. Yu Zhenzi coldly looked at Huo Quan, the leader of the crazy bone sect, and said, "brother Huo, are you going to attack my disciples?"

"If you move my disciple, even if I die, I will destroy your crazy bone gate!"

In a flash, yuzhenzi's breath surges wildly!

Chapter 2625

Huo Quan looks cold and is about to talk, but sun Wuwang, standing behind him, opens his mouth.

"Master, I'm fine."

After that, he also said to Ye Chen, "thank you very much."

Thank you very much?

People have some doubts, sun Wuwang, why thank Ye Chen?

Then, sun Wuwang went to longchen and bowed down to make amends: "brother, you have offended me so much just now. Don't blame me."

He knew that if ye Chen had not left his hand just now, he would have died.

At that moment, when ye Chen's strength reached the extreme, the crazy overlord had the moment to make a move.

Chenye is blocked.

That extremely strong breath dissipated, in sun Wuwang's view, naturally is Ye Chen to stop.

He apologized out of respect for the strong!

In other words, he was beaten by Ye Chen! Now, he recalled the terror power of Ye Chen's sword, and his soul was still shaking slightly!

Sun Wuwang looked silly and said, "nothing, it's all misunderstanding."

In the field, there was another silence

That's it. It's over?

This sun is hopeless! It was so easy to give in! How could that be possible?

Is it not to say that those who provoke sun hopeless will be miserable?

Isn't it to say that the people of crazy bone gate are all madmen when they fight?

How to meet Ye Chen, all changed!

Of course, the people present are not all idiots. Many people know that sun is hopeless and is not a good person.

He bowed his head and apologized because

Ye Chen, how terrible! What a monster!

Sun has no hope, but he doesn't care about people's opinions. He goes back to the position where the crazy bone gate is. At the same time, he doesn't look back and says to Ye Chen: "Ye Chen, I lost this time, but next time I fight again, I will not lose again!"

Ye Chen looked at sun Wuwang's back and said with a smile: "this person's disposition is quite good."

He is neither humble nor arrogant. He is a bit of a strong man.

Ye Chen just now, the reason why he did not borrow the power of the crazy overlord is that when sun Wuwang hit with a stick, he could see that the other side was not killing.

Although Ye Chen has always been cruel, he is not a bloodthirsty person. Once he fights, he will take his life. Most of the time, the other party will kill him and die in his hands.

He looked at the injury on his hand, the speed of recovery seems to be extremely slow, in his heart, can not help but flash a trace of dignified.

This sun is hopeless, very strong!

My sword just now has a very strong martial spirit. However, it is only one point stronger than sun's hopeless attack!

His eyes flash slightly, it seems that he can't relax now, otherwise, maybe he will be caught up with!

At this time, in the direction of Zhenlong hall, a young man with red hair looked at Ye Chen, and his face was shocked. At the same time, his face was iron green, which was extremely ugly!

This man, look at the face, actually is with the sea of blood dragon Hua Chen new, several points similar!

His name, called Hua Jingtao, is Hua Chenxin's younger brother!

Its qualification is incomparably against the sky. Even, it is rumored in Zhenlong hall that Hua Jingtao is just a low-key person, and his real strength is still on the top of huachenxin!

In fact, it is!

They are brothers. They have a wonderful relationship!

When they were children, Hua Chenxin and Hua Jingtao, their parents died, and they had been wandering in the kingdom of God.

At that time, life was extremely hard, every day can be said to be lingering, and in this day, to take care of him, has always been the brother Hua Chenxin!

After knowing the news of his brother's death, Hua Jingtao was so miserable that he was so angry that he was about to be killed! Almost to kill God Jizong directly!

The Lord of Zhenlong temple, Bai Yuhuang, also hated the God Jizong and ye Chen! In terms of strength, shenjizong can't compare with Zhenlong hall!

However, the same forces can not easily launch war. Otherwise, the whole kingdom of God will be involved, and the alliance of gods and other first-class forces will certainly stop it!

Bai Yuhuang, persuading Hua Jingtao to enter shenjizong's territory rashly, is not right

However, fortunately, it will be the divine light ceremony soon!

I heard that ye Chen was extremely proud? Ha ha

In the ceremony of divine light, if he insults and provokes him, can he bear it?

As long as ye Chen started, the Zhenlong hall and shenjizong could not easily intervene in the struggle between their disciples!

Bai Yuhuang tells Hua Jingtao that this is an opportunity for revenge!

Since then, Hua Jingtao has been waiting for the day when the divine light ceremony comes, thinking of revenge for ye Chen! With Ye Chen's blood, to commemorate the elder brother's spirit in heaven!

If just now, there was no conflict between sun Wuwang and ye Chen. Hua Chenxin had planned to wait for ye Chen to appear, and then directly provocative!

However, after seeing ye Chen's terrible sword, Hua Jingtao is afraid. Although he has been killed, his mind is full, but it is not that he has no reason

He knows that he is not as good as ye Chen!

Hua Jingtao stares at Ye Chen's figure, gnaws his teeth and says: "master, this boy has defeated sun Wuwang so easily?"

The head of Zhenlong temple, Bai Yuhuang, looked very gloomy and said, "this boy, it's against the sky. Jingtao, please bear with me for a while."

Bai Yuhuang is very confident in Hua Jingtao's qualification!

"Jingtao, if you want to kill him, you have to wait until the divine light ceremony is over! Your qualifications are against the sky! In the divine light ceremony, the benefits obtained must be incomparably huge! The most important thing is, your blood! "

"Your blood is very suitable for the divine light ceremony. It is very likely that there will be a great breakthrough in the process of the ceremony! Even, atavism

Atavism!

Hua Jingtao smell speech, in the eyes, flashed a bold color!

Ha ha, yes, my own blood can go back to my ancestors! He, what's to be afraid of? This boy, even if he is a monster, what can he do?

Can you defeat me and return to my ancestral self?

This is Hua Jingtao, or even Zhenlong hall, the biggest card!

What is atavism?

The premise of atavism is to have a strong ancestral vein!

If you trace back to the source, it is possible that countless creatures may be related to those powerful creatures galloping in the gaowu world. If the blood of these powerful creatures is strong enough, then the blood owners will have a trace of the possibility of returning to their ancestors!

Hua brothers, have is the dragon!

That is comparable to the real spirit of the dragon blood!

Huachenxin, although can temporarily dragon, but, in fact, is not a real dragon, just the use of blood, a kind of imitation of the ancestors.

However, Hua Jingtao has a trace of ancestral vein in his body!

In other words, Hua Jingtao has such a small possibility that he can really transform into a dragon!

That is not any imitation, can be compared.

And the divine light ceremony is the most appropriate catalyst for this transformation!

Hua Jingtao said with a cold smile: "what the master said is reasonable. Let this waste live for a while first, ha ha."

Hua Jingtao is extremely confident. As long as he succeeds in returning to his ancestry, he will be given another ten years. Even his master Bai Yuhuang is not necessarily his opponent!

Just a Ye Chen?

Just ants!

At that time, he Hua Jingtao will become the most dazzling strongman in the kingdom of God!

Ye Chen, only worthy to be his stepping stone!

Chapter 2626

meanwhile.

A place near the Zhenshen tower.

It's not far from Zhenshen tower.

It can be seen that the forces are very different.

This is exactly the second-class luoxiazong.

Of course, luoxiazong is a second-class force, but also the strongest group of second-class forces.

So the position is very close.

At the moment, in the Luoxia sect, a girl with a veil stands tall and upright.

And behind him, the leader of Luoxia clan and many elders seemed to be cautious.

Only because this veiled girl is their only hope for so many years.

Ji Siqing!

The leader of Luoxia sect came to Ji Siqing and said with a smile: "disciple, today is probably the time for me to rise."

"I'm really excited to be a teacher."

However, Ji Siqing turned his head, gently shook his head, and his veil swayed, revealing some beautiful features.

Her red lips moved: "in fact, this divine light ceremony, may not be of use to me."

Luo xiazong was stunned: "why? Everyone has a chance. "

Ji Si has a delicate eyebrow and does not speak.

Her thoughts fly to an era of strong men and liquefied spirit.

That was the beginning of the battle between the ancient gods.

There is a girl, stepping into the divine light ceremony.

The vision is vast.

The earth shakes.

On that day, a young girl rose with pride!

Step on the bones above the blue sky.

One person has built a huge family!

Let the world understand, why women do not let men!

The girl, named Qu Chenyan.

She is Ji Siqing's former life.

There's a chance for everyone.

Even Ji Siqing is not sure whether the divine light ceremony recognizes himself or not in this life.

She came back from her thoughts and said to the Lord of Luoxia sect: "master, did you do that?"

The Lord of Luoxia clan nodded: "I'm at ease. I've arranged for you."

"Good."

Ji Siqing nodded his head gently, his eyes turned to one direction and murmured:

"where is this guy, it's not peaceful."

"But that's good."

.....

At this time, the Zhenshen tower suddenly flashed a dazzling white light!

In the white light, faint, has the ancient breath!

At the moment when the white light bloomed, everyone seemed to feel the history of the kingdom of God, the battle between countless amazing warriors and foreign demons

In the divine alliance, an old man rose from the sky and said in a loud voice, "the divine light ceremony is about to begin! All forces, please be ready

After that, they all told the elders to leave the high-level area, and then they left.

God light ceremony, only once in a lifetime, they have participated in it.

It's just a waste of precious energy to stay here.

The strong men of one group gathered in an attic dedicated to watching the ceremony of divine light.

Just now, the old man who announced the ceremony was about to start. Looking at the disciples at the bottom, the old man with white hair and pure eyes said with a smile: "all the young people in this holy light ceremony are very good."

The people in the attic looked down and saw around the Zhenshen tower a lot of young people with high spirits and confidence.

I can't help but nod in secret.

Such as Zhenlong hall, Hua Jingtao with red hair, xuanyuanjing, a young man in white who looks a little feminine in Xuanyuan's family, sun Wuwang, who has the holy body of fighting in the mad bone gate, and ye Chen, the God Jizong, known as the devil God!

These young people are extremely outstanding, can be recorded in the history of the kingdom of God!

If put in the past, any one of them will be a genius who can suppress everything and reach the summit in the ceremony of divine light.

But this time, it is a competition for the best. I don't know who will become the one who has made the greatest progress in the ceremony of divine light.

The ceremony of divine light is a moment to change destiny.

Many geniuses, originally quite equal, after the ceremony, the gap is just like the abyss of heaven!

In the attic, the head of Zhenlong palace, Bai Yuhuang, suddenly said with a smile, "have you heard that there was a genius named Xiangwu in our kingdom of God?"

Ruan Zheng, the leader of Tiansheng attic, raised his eyebrows and said, "before the ceremony of divine light, you were extremely rebellious and not high in cultivation, but you could jump over the level crazily and be extremely overbearing. You could not even raise your head to the afternoon when you oppressed a lot of talents

The Lord of Zhenlong Hall said with a smile: "yes, it's him. Before attending the ceremony of divine light, Xiangwu is really great. But after attending the ceremony of divine light?" "He has made little progress."

"Some people say that the reason why Xiang Wu can almost incomprehensibly cross the ladder is that he has exhausted his potential!"

Then he looked at Yu Zhenzi with sarcasm in his eyes and said, "what's the result? He was so crazy that he offended too many people. After the ceremony, he was killed by other geniuses! It's a miserable death. "

"So, ah, this divine light ceremony is the stage where the talents of the kingdom of God really start to shine! Brother Yuzhen, do you think Xiangwu is very similar to someone else? "

All the people in the attic are looking at Ye Chen with the pupil shrinking.

Indeed, the situation of Xiang Wu is very similar to Ye Chen!

Do ye Chen, will also step to the aftereffect of the afternoon?

Then, God Jizong is really over!

He was such a genius in the family. Moreover, he devoted countless efforts to him. After attending the divine light ceremony, he became garbage directly?

Don't say it's rubbish. Even if it's rubbish, you can't leave this wild land alive!

In that case, I'm afraid yuzhenzi will really despair? It is even possible that the God Jizong will not recover and fall out of the ranks of the first-class sect!

At first, seeing ye Chen's strong rise, he also wanted to get close to the top level of the first-class forces, who wanted to get closer to yuzhenzi, and wanted to find opportunities to get closer to some of the first-class forces. At this time, they all quietly stepped back.

No one wants to have anything to do with a potentially declining force.

Bai Yuhuang has a sneer on his face, which is one of the reasons why he is so confident in Hua Jingtao.

Ancestral vein is one of the most suitable qualifications for rising in the ceremony of divine light. Even, it is even more terrifying than the increase of the supreme body!

And like Ye Chen, this kind of demon, which shows people's crazy ability of leapfrogging, can be said to be the worst kind!

Even, it's not as good as ordinary warriors, and their strength has been greatly improved!

One day, one place, this ye Chen, still alive?

Yu Zhenzi turned his head and said with a smile, "who is it like? I don't know who is like me, but I know, and Huachen new, certainly not like! "

The air in the attic suddenly became cold!

Chapter 2627

People some shocked to see to jade true son, jade true son unexpectedly at this time, mentioned Hua Chen NEW!

This is a direct fight with Zhenlong hall. It's a real shame!

All of them could not help shaking their heads slightly. Yu Zhenzi was impulsive.

Ye Chen is likely to die in the divine light ceremony. It is not a good choice to enrage Zhenlong hall now!

However, yuzhenzi didn't care, angered Zhenlong palace, so what?

Chen Chen, never let him down.

"You

Bai Yuhuang's eyes were bloodshot, his breath was furious, but soon, he pressed down his anger and said with a cold smile, "OK, let's see what kind of performance this young master ye can have!"

At this time, Yin Zun, the head of the ghost sword sect, also said with a smile: "brother Yuzhen, it seems that you are very confident in your disciples? I don't know. In brother Yuzhen's opinion, how long can ye Chen bear the baptism of divine light? "

Basically, the duration of baptism is proportional to the growth of strength.

Although the disciples who participated in the ceremony of divine light were carefully selected by different schools, and each of them was regarded as a genius. However, the genius of ordinary small forces could not even reach three hours.

If you have been baptized for more than three days, you can be regarded as an eternal demon!

The kingdom of God, the longest record in history, is nine days!

A mysterious woman named Yan Shen!

Now he is the ancestor of Shenguo opera family!

When Yin Zun asked this question, it was obviously malicious, because, judging from ye Chen's performance, it was the same type of overdraft potential as Xiangwu. Then, in the divine light ceremony, it would not last long.

Yu Feng, the true disciple of the ghost sword sect, was seriously injured by Ye Chen. Although he was not dead, he could not attend the ceremony. Next time, he would have to wait another 100 years. In that case, he would miss the best time for the Holy Light baptism.

Yin Zun, of course, has a deep hatred for ye Chen!

Even if he had a chance, he would not mind letting his disciple, Zhao Lingren, the first true biography of the ghost sword sect, to avenge Yu Feng first after the divine light ceremony.

Yu Zhenzi looked out of the window and said faintly: "at least ten days."

"I believe him."

Yeah?

When people heard the speech, they all picked at the tip of their eyebrows.

What yuzhenzi means is, ye Chen, to set a new record in the kingdom of God?

Yin Zun and Bai Yuhuang are laughing directly!

Divine record, so good breakthrough?

Or under Ye Chen's condition?

Yuzhenzi, I don't know the height of heaven and earth!

Others, too, shook their heads slightly.

Yu Zhenzi is too optimistic about ye Chen. Sometimes, the higher the expectation, the greater the disappointment.

At this time, the white light in the Zhenshen pagoda suddenly turned into red gold. The pupils of those who took part in the divine light ceremony shrank their pupils!

With the change of Zhenshen tower, the whole wild land began to tremble slightly. Countless golden thunderbolts appeared around the Zhenshen tower. In front of the people, there were many virtual shadows like gods. These virtual shadows were the powerful people who had made great achievements in the war of killing demons!

Shen Jinkun, the old man with white hair, was the leader of the alliance of God alliance. His eyes coagulated and said, "it's started!"

For a moment, in the golden light of the Zhenshen pagoda, those disciples sitting cross their knees felt that their brains were in chaos, and countless ancient breath wrapped themselves!

As if, beyond time and space, back to the ancient times in general!

Ye Chen, feeling the breath of Zhenshen tower, is also full of excited color. He has a premonition that this divine light ceremony will give him a surprise!

But at this time, the ancient medical god suddenly exclaimed: "not good!"

Not good?

What's wrong?

Ye Chen didn't open his eyes, but he frowned slightly. He asked Cangu medical God, "what's wrong, Lao Cang?"

In the voice of the ancient god of medicine, there was an anxious way: "boy! Hold on! Don't give up, don't give up

"Ah?"

Ye Chen is puzzled

"Hold on? What do you mean

But this time Ancient medical God, but no response

To be exact, it is Ye Chen who once again lost contact with the ancient medical God!

Even with the samsara cemetery!

This divine light ceremony has isolated Ye Chen and samsara cemetery!

He could not help feeling a little heavy in his heart!

How could this happen?

The next moment, he couldn't help but open his eyes, and saw the scenery in front of him, but he was stunned!

What a magnificent sight!

Ye Chen is standing on a high cliff at this time. Under the cliff, there are countless broken weapons and countless stacked corpses

The earth has been dyed red with blood! Even rivers are filled with blood! Even the wind and sand rolling in the face is full of the breath of death

Even with Ye Chen's nature of mind, are inevitably shocked!

He looked at the dense corpses under the high cliff and frowned. How many dead creatures were there?

At least, there are billions of them, right?

Ye Chen's eyes, moved to those strange shapes, the style of simple weapons, murmured: "is this the scene of ancient times, people and Demons fighting?"

Obviously, his coming here has something to do with the town tower, but

Ye Chen can't help but smile

Before he came, he also learned about the divine light ceremony, but he had never heard of anyone who had seen the scene of ancient battlefield in the ceremony of divine light!

Although ordinary people may see some strange phenomena as if they have come to other worlds, what appears in front of them is often a stone tablet, which records the powerful martial arts skills and skills, or sees the strong hand in hand and understands the essence of martial arts from it

But what about ye Chen?

See, only endless death

What's more, what do you mean by telling him to hold on?

Ye Chen sighed, shook his head, jumped off the cliff.

In any case, all came here, standing on the high cliff, is not the way.

He decided to explore first, this ancient battlefield!

Perhaps, walking, you can find what?

Can be in Ye Chen, landing on the ground, walking through the corpse, sudden change!

A corpse lying on the ground, black and purple in eyes, suddenly sprang up. He grabbed a broken sword on the ground and chopped it to Ye Chen!

Its shooting speed is incomparably fast!

"What!"

Ye Chen suddenly startled, the body moved and then flashed back, but even so, a crash, chest, or was cut out of a bloodstain!

The moment of bloodstain appearance, ye Chen's mind, actually is a burst of roar!

He looked at the bloodstain on his chest with horror. What was that feeling just now?

Why, in the moment of being cut, he has a kind of, his own origin, the feeling of being plundered!

Chapter 2628

He looked at the broken sword in his hand. It seemed that it was the corpse of the demons. His eyes flashed with disbelief!

If you are injured in this ancient battlefield, your origin will be plundered, then, it is really dangerous!

No time to think!

That demon clan, then roar a, rush toward Ye Chen again!

"Green lotus destroys the sky sword!"

Ye Chen's eyes sink, his wrist turns, and he will fight back!

But!

At the next moment, his face flashed with astonishment. The green lotus sword did not appear!

At this time, the demon clan, but has arrived in front of Ye Chen! With a sword!

As a result, ye Chen had to turn over on the spot and dodged the other side's sword. He picked up a short knife and fought with the demon clan!

Sword light and sword shadow, stirring nine days! Two people, actually is to fight a hard separation!

The more war, ye Chen, the more frightened!

How strong!

Is this demon clan more hopeless than sun?

Especially, the martial arts he used!

It seems primitive and savage, but it has a flavor of simplicity!

This has gone beyond the level of the ancient level!

However, ye Chen can only insist on biting his teeth. Even in the process of fighting, he has to be extremely cautious. Every time he makes a move, he has to think carefully and ponder the other party's attack countless times in a very short period of time!

Because, he can't get hurt!

Originally, ye Chen's way of fighting is open and close. When he fights with the other side, he doesn't care about accepting the attack. He exchanges the wound with the wound!

After all, ye Chen's vitality, defense, are incomparably strong!

But here, it's different!

Here, if you are injured, don't say the origin is damaged. Maybe, you really want to die here!

.....

At this time, Zhenshen tower.

Time, has passed three hours.

Some of the disciples of small forces have come to their senses.

Some of them were happy and some were lost, but the people in the attic where the high-level gathering of those forces naturally did not care about them at all.

Their eyes are on the talents of great powers!

At this time, most of the people in the attic, with a smile on their faces, because the geniuses under their doors, one by one, are immersed in the divine light. On their faces, there are flashes of enlightenment, joy and even their own breath, all growing rapidly!

Obviously, these demons have got extraordinary benefits!

Only one person, frowning, this person, is yuzhenzi!

Why frown?

Because, ye Chen's state, seems to be wrong!

Others, are a very enjoy the appearance, only Ye Chen's face is grim, occasionally, even flash a trace of panic, dignified, as if, in a duel with someone's life and death!

Well, that's enough!

The most important thing is, the breath of Ye Chen!

Other people, obviously have gained, progress, breath is growing crazy, and ye Chen!

Don't say growth, even occasionally, his whole body breath chaos, there is a fall!

This time, yuzhenzi, a little flustered!

What's going on?

In the ceremony of divine light, if you don't get any benefits, it's just that the breath drops?

Even if it's Xiangwu, it's just not much progress. I've never heard of someone falling in the spirit ceremony!

This is so weird!

Soon, not only yuzhenzi, but other people also noticed Ye Chen's state!

Yin Zun and white jade huang, eyes, all of a sudden burst of light!

The boy surnamed ye, not only did not improve, on the contrary, he fell back!

Although they don't know what is going on, this situation is undoubtedly what they want to see!

Bai Yuhuang sneered at Yu Zhenzi and said, "ha ha, brother Yuzhen, it seems that I am really wrong. The genius of shenjizong is really different from Xiangwu."

At the next moment, he suddenly raised his voice and said, "this is ten thousand times more rubbish than Xiangwu! Others, in the divine light ceremony, will practice retrogression? Never heard of this kind of rubbish? Such people are entitled to participate in the divine light ceremony?"

Yin Zun also echoed: "brother Yuzhen said just now that this disciple named Ye Chen wants to break the record? Hehe, sure enough, brother Yuzhen has a good eye. I think it is possible. However, I don't know whether he can be regarded as a warrior after breaking the record? I'm afraid that all one's accomplishments will be lost completely?"

Two people, merciless ridicule!

In their hearts, they all want to kill Ye Chen. When the ceremony is over, they will let their disciples kill Ye Chen. Anyway, they want to have a feud with shenjizong. Now, if they don't ridicule, when will they?

When they were all worried, they were not worried! Why is that?

Ye Chen, what happened!

.....

Ancient battlefield.

Ye Chen was panting at this time. He didn't know how long it had been outside. However, according to his perception, he had been fighting with the demon corpse for seven days!

Even he is approaching the limit

All of a sudden, a cold light flashed, directly cut to his face!

"Jiwu: Shenshan!"

In this instant, ye Chen's body shape, a strange turn, to avoid this sword at the same time, a knife sealed to the throat of the demon clan!

The knife is sharp!

The next moment, the body of the demon clan, a stiff action, then turned into ashes, dissipated in the world!

Ye Chen breathes out a breath, this war, wins danger and danger!

Moreover, he found that in this ancient battlefield, many of his abilities could not be exerted!

The six swords in the wind! out-of-service!

Magic emperor's martial arts! out-of-service!

A thousand soldiers! out-of-service!

Not even Horcruxes!

Even if Xuan Yan, also cannot use!

Can rely on, only pure martial arts!

"But..." Ye Chen's eyes light, suddenly condensed up, "after the war, my understanding of martial arts seems to have improved?"

On his face, flash a happy color!

However, before he was happy for a long time, not far away after the rocks, suddenly raised a burst of smoke, and bursts of raging roar!

Ye Chen quickly turned around, looked back, saw seven or eight fully armed demons, under the leadership of a general demon clan, to kill Ye Chen!

Their purple eyes are full of fighting spirit and ferocity. They are like meeting each other in the battlefield!

"Again?"

Ye Chen's face changed wildly, and he was sweating. Now he understood what the ancient medical God meant by insisting on

With a knife, he pushed back one of the demons who had rushed to the front, and then he moved. He took the opposite direction of those demons, and fought and retreated. Both sides, on the endless battlefield, chased each other. He knew that if surrounded, there would be no chance of survival

But, even so, ye Chen's body, also from time to time, appear a scar

Chapter 2629

.....

Zhenshen tower.

Time, has passed three days!

Except for those talents of the first-class forces, most people have ended their baptism!

Out of the golden light

However, they did not leave. Instead, they looked at the geniuses who were still immersed in the ceremony. All of them were very curious. Who would be the best demon in this ceremony?

But at this time, people's faces, are very strange, their eyes, are focused on Ye Chen's body.

Why?

Because, ye Chen, too abnormal!

Now, don't mention the strong ones of the first-class forces. You can see that ye Chen's cultivation has fallen too much!

It's so direct that it's beyond the realm of emptiness!

Some people couldn't help but say, "this is too strange. I've never heard of it. If you take part in the divine light ceremony, the realm will fall?"

"Well, it's better not to participate It's a pity that an evil spirit who tramples on the kingdom of God will be destroyed like this... "

"For others, the divine light ceremony may be the starting point of their legend, but for ye Chen, it is the end point..."

But in that attic, Yu Zhenzi's face at this time has completely changed, even, can't keep calm!

Yin Zun and Bai Yuhuang are even too lazy to continue to ridicule. With a smile on their faces, they are extremely satisfied with the progress of their talents!

Compared with Ye Chen, it's just one day and one earth!

This feeling, indescribable!

Ha ha, you ye Chen, not overbearing, not invincible among the younger generation?

Didn't you kill the first day of Zhenlong hall and abolish the true disciples of ghost sword sect?

Now, can you still be domineering?

Now they are waiting for the moment when all of them wake up from the ceremony of divine light and crush Ye Chen!

Think about it. It's so exciting!

At this time, there were only a few enlightened warriors left around the Zhenshen pagoda, except for some of the talents of the first-class sect.

Among them, there is Ji Siqing, the second-class clan of Luoxia clan!

However, Ji Siqing's face was covered and his expression was plain, which was almost ignored by all people.

However, the leader of Luoxia sect is short of breath.

Because, he feels Ji Siqing seems to have something wrong!

But he couldn't say what was wrong.

Ji Siqing's accomplishments are constantly improving.

But why, Ji Siqing seems to be full of worry.

This was something he had never discovered as a patriarch.

In the divine light ceremony, Yin Ming's performance is also fantastic!

Three days later, Yin Ming's accomplishments have reached the level of Taixu!

Too bad!

However, at this time, Yin Ming's delicate body, slightly shaking, beautiful eyes, re opened, slowly spit out a breath. Her whole person's temperament, compared with before attending the divine light ceremony, calm countless times!

Moreover, in its beautiful eyes, the dim light flickers, in the pretty face, also faintly covers a thin layer of shadow, even if is some chaotic situation strong person, some cannot see really! The only feeling, is her eyes, very strange!

Obviously, Yin Ming was awakened to some kind of blood or Dharma body!

Originally, Yin Ming's pretty face, also with the color of joy toward Ye Chen to see.

The benefits of the divine light ceremony are unexpected! She not only has broken through so many accomplishments, but also has grasped a top-notch martial art that matches her very well! It's called sky shadow sword!

In her hands, she can even play the power of ancient martial arts!

The most important thing is that she awakened the Dharma body called the body without you!

Although this body is not comparable to the supreme god body, it is also a top Dharma body!

Now Yin Ming, strength greatly increased!

Even she, can have such a harvest, let alone Ye Chen? Ye Chen is always the pride in Yin Ming's heart!

But the next moment, Yin Ming's look, but completely changed!

Because, she saw the cultivation, has fallen to the edge of the seal door boundary Ye Chen!

Ye Chen's breath, how to weaken so much?

Then she looked at those first-class talents, and her look was more shocked!

What a horror!

The genius and strength of these first-class forces are madly improving!

Zhenlong Palace huajingtao, the breath is constantly climbing!

Zhao Lingren of ghost sword sect, the breath keeps climbing!

God alliance Li Sheng, the whole body is covered with a holy light!

There's no hope for the crazy men and grandchildren. The endless fighting spirit is more and more strong!

Xuanyuan family xuanyuanjing, cultivation is also a continuous breakthrough!

It is said that the xuxuanyuan family and tiandaogong have a deep connection and enjoy the supreme resources.

.....

In addition to Ye Chen, at this time, the genius in the baptism of divine light is actually everyone, has made unimaginable progress! At this time, ye Chen's face suddenly pale up, the breath on the body, quickly withered down, cultivation, directly broke the seal state!

In the attic, Yu Zhenzi's pupil shrinks!

Can't wait any longer!

Go on like this again, ye Chen, really want to waste!

His body moved, and he was about to rush towards the Zhenshen Tower!

But the two figures flashed and stopped yuzhenzi!

These two people are Yin Zun and Bai Yuhuang!

"Get out of the way!"

Yu Zhenzi suddenly drank, and his whole body was full of breath. He was almost about to start directly!  
At this time, he almost lost his mind!

Bai Yuhuang said coldly, "yuzhenzi! What do you want? "

Yin Zun also had a cold face: "it is a taboo to interfere with the divine light ceremony at will, but it may affect other disciples."

Shen Jinkun, the old man of Shenmeng, also said with a slight expression: "Yuzhen Taoist friend. Calm down. "

Seeing this, Yu Zhenzi sighed.

Ye Chen, is this really the end?

Now, he can only pray for miracles

.....

Ancient battlefield.

The rolling yellow sand floats and buries countless dead bones. In the yellow sand, bursts of roar and the sound of gold and iron mingle faintly

From time to time, there is a very sad cry, cut through the sky.

In the wind, with blood, thick blood

All of a sudden, on the barren land, there was a loud cry of killing!

The armies of Terrans and demons came from the sky, and soon they collided in one place!

In the battlefield, hundreds of demons, at this time, are surrounded by a young man with a face full of wind and frost, all over with ferocious scars.

The man held a broken sword in his hand, but he still kept calm on his face.

This man, of course, is Ye Chen!

He has been wandering in this ancient battlefield for a long time. From the beginning, he encountered sporadic demons. Later, he was chased by hundreds of demons. Until the war broke out between Terrans and demons!

Ye Chen seems to have really experienced the war that lasted for thousands of years

Although Ye Chen is still Ye Chen, his temperament is quite different at this time!

It's a kind of killing, a kind of training!

A kind of breath tempered by death on the battlefield after countless times!

Chapter 2630

After thousands of years of war, he had a glimmer of enlightenment in his heart.

Ye Chen glanced at the numerous demons that rushed towards him, on his face, there was not much expression.

The next moment, the sword flash!

That hundreds of demons, in an instant, into a smash!

Ye Chen's body moved and leaped into the air. His eyes swept through the army of demons. Suddenly, he locked in a fuzzy shadow.

"Is that you?" Ye Chen light way.

The next moment, the body moved, and rushed towards the shadow!

Along the way, all the demons who blocked him turned into powder and dissipated

Nine days have passed.

At this time, there are no gods in the town!

Ye Chen, Hua Jingtao and Ji Yan of Luoxia Zong (Ji Siqing)!

Ji Siqing asked the leader of Luoxia sect to modify her information.

However, the state of the three is quite different!

The breath on Ye Chen's body is extremely unstable. Almost all of them have to be cultivated and lost completely and become ordinary people!

This is the most incredible and tragic genius in history.

In the past, this ceremony can make the martial arts understand a lot and break through many realms!

Even a big realm!

It's the first time I've heard that the realm has fallen!

Become an ordinary person!

On the contrary!

Ji Siqing's breath keeps climbing and the holy light is flowing.

Even above the firmament comes the sound of heaven.

What a surprise!

In nine days, Ji Siqing's cultivation broke through to half a step.

Only one step away from chopping!

And there's thunder on the sky.

People are shocked!

This is to completely cross the chopper!

On the square, countless people were shocked to the extreme! Even guessing the identity!

"Although luoxiazong is going to become a first-class force these years, I don't know why they all failed."

"This time, luoxiazong was born with such a genius?"

"Ji Yan? Why didn't we hear that name in the kingdom of God

"The thunder robbery she provoked is not ordinary erley."

"What is the origin of this girl?"

What suddenly occurred to a disciple of the third class forces who had participated in the selection contest!

He held out his hand, pointed to Ji Siqing and said, "Ji Yan! I know! I was in the same tryout as her

"The girl's performance at that time was amazing enough, but compared with Ye Chen, there was too much difference! Ye Chen was taken away by Tu Lanxin of the shenjizong on the same day. "

"Ye Chen was worthy of the first place at that time, but it's a pity that he is now reduced to this place..."

The man looked at Ye Chen's direction again and again with regret.

Once, ye Chen far away from this called Ji Yan woman.

Today, the woman named Ji Yan has left him far away.

This may be the cruelty of martial arts.

The disciple sighed.

Not far away, a dignified middle-aged man was excited.

The men's followers and accomplishments are extremely amazing.

Even the patriarchs of many forces around him kept a certain distance from the middle-aged men.

Even talking is extremely quiet.

Just because of the identity of this middle-aged man!

Contemporary master of Qu family!

No one can shake the history of Qu family in the kingdom of God.

Moreover, the record of the divine light ceremony was created by the Qu family!

It is even said that there is a great relationship between the Qu family and the Heavenly Kingdom palace.

Absolutely not.

To everyone's surprise, the Qu family didn't send anyone to attend the ceremony.

Why is the owner here in person?

Is it to witness the birth of genius.

At the moment, the master of Qu's family has tears in his eyes and his arms are shaking!

The line of sight can't be moved from the Ji Yan of Luoxia sect.

"Grandfather, I knew it was you."

"I asked to see you in luoxiazong for a month. Why Why don't you want to see me? "

"Yes, now the Qu family has chilled your heart."

"But you are the Qu family after all."

"you shine as like as two peas!"

"If you go back to the Qu family again, with our resources, you can definitely step into chaos as soon as possible, even the supreme realm!"

Words just fall, in the sky, that long brewing Jingtian erlei!

All of a sudden!

The veiled girl in the eyes of the public broke through like this!

The fierce erley just like a giant beast devoured Ji Siqing.

Ji Siqing looks calm. It seems that I don't care at all.

In a flash, a shadow appeared on Ji Siqing's head.

The shadow stretched out a finger.

Erley dissipated.

Everything around, instantly restore calm.

At this moment, people are confused.

This is it over?

Isn't erley the nightmare of Taixu warrior?

How can anyone break through so casually?

The crowd was in disorder in the wind.

Countless eyes fell on Ji Siqing, they found that Ji Siqing was still breaking through!

Cut the sky! It hasn't stopped!

Cut three layers of heaven!

This is a monster!

For all people, this woman named Ji Yan is not inferior to any man at all!

The key is nobody knows, this woman's record is how many!

But one thing, they are very clear, this girl has even the record of the girl named Qu Chenyan!

But who knows, Ji Siqing just broke his own record tens of thousands of years ago!

People look at Ye Chen again, see ye Chen is still falling realm, helpless shake his head.

This gap is too big.

It's a disgrace to a man!

However, on the field, some people give men face!

That's Hua Jingtao!

But at the moment, Hua Jingtao's appearance is very strange. At this time, his whole body is covered by golden scales, and a pair of long pointed dragon horns grow on his head! Into a half dragon and half man state!

More terrifying is the breath of Hua Jingtao!

His cultivation has broken through the five layers of heaven, and is still rising rapidly!

It is extremely difficult to make a breakthrough after cutting the enemy.

Even a small realm is bigger than the distance between Taixu and zae'e!

At this time, Hua Jingtao has gradually approached the six layers of heaven!

Moreover, gradually, exudes a kind of even first-class sect leader, the patriarch, also for its palpitation breath!

The breath of the real dragon!

.....

Ancient battlefield.

The earth, has been filled with bodies, countless bodies

There are demons and Terrans

The shadow on the other side of the battlefield is not clear

"I'm the only one to soar to the sky, and the butcher God will break the sky!"

Ye Chen murmurs, a sword comes out!

Sword light flash, time and space tearing, the whole earth, have been cut out of a deep gully!

However, the sword was blocked by the shadow.

The long sword in his hand held up Ye Chen's sword.

Ye Chen stares at the shadow, and her purple eyes also gaze at Ye Chen.

Next moment, two people, move at the same time!

Heaven and earth, with a moment of darkness

Ye Chen's chest, inserted with a dark long sword, although he is still standing, but the breath, has declined to the extreme
