Chapter 2691

Tu Lanxin suddenly said, "Dewey, who are these people?"

Zheng Dewei said with a smile: "they? They are all my men

"My men?"

Tu Lanxin's eyebrows wrinkled deeper.

"Ha ha." On Zheng Dewei's handsome face, he said with satisfaction:

"Lan Xin, I've taken refuge in Mr. Kong. Don't worry. Although the boy named Ye Chen offended Mr. Kong and deserved to die, Mr. Kong appreciated me very much!

Even, I've been assigned people! As long as we give ye Chen to Mr. Kong, he will never be angry with us!
"

Tu Lan Xin and Luo Shi Shi are both pretty faces!

What they are most worried about, happened!

Zheng Dewei, he really turned to Kong Xian!

In order to get the favor of Confucius, even those who betray their kingdom?

What's more, what makes them sick is that Zheng Dewei is still proud of it?

Only Jinchang, eyes slightly flash, eyes seem to be covered with a ray of joy!

Looking at TU Lanxin's look, Zheng Dewei's face suddenly became gloomy and said, "Lan Xin, how can you be here?"

Tu LAN heart gazed at Zheng Dewei, but did not answer. He just said, "Dewey, I have never asked you anything before. Now, I want to ask you to do me a favor."

In Zheng Dewei's eyes, a burst of light came up and said, "what's busy?"

"Take your men and leave!"

Tu Lanxin gently said, even in the tone, with a trace of pleading flavor!

Originally, with her character, she would never ask for help!

What's more, in the face of Zheng Dewei, who makes her nauseous!

But she knew

Zheng Dewei, now is Ye Chen's only hope. If Zheng Dewei doesn't take people away, ye Chen will die

Even if she can block Zheng Dewei, what about the remaining 20 warriors?

Those martial arts, but not a weak ah!

The lowest level of cultivation has two layers of chaos!

Even, there are several chaos in the late existence!

Zheng Dewei is stunned, some can't believe to look at Tu Lanxin. He knows Tu Lanxin's character, so, it's more shocking!

Tu Lan Xin, but that kind of cold character who will not ask for help until death!

Now, even for a doomed to die waste, ask for themselves?

Then, he laughed, grimly.

He pointed to the entrance of the cave which was blocked by the magic array and said, "Lan Xin, the boy named Ye Chen, is it inside?"

Tu Lan Xin, silent.

Zheng Dewei's eyes, more cold.

"Well, Tu Lanxin, it's so good. Are you defending that boy named Ye Chen?"

"And even plead for him? We grew up together since childhood. I've never seen you beg anyone! Now, I'm going to plead for this boy

"Tu Lanxin, how much I have paid for you in these years, you don't know? However, you have been very indifferent to me, I thought your character is like this, now it seems, I am wrong, wrong is ridiculous

His look, suddenly ferocious, roared: "do you like this boy called Ye Chen! I wonder, a waste of too empty state, but it is just some false name, and with your eyes, you are willing to take him into this mysterious land of God? Now, I understand it all! "

Tu Lan's heart heard the words, and his pretty face was covered with a layer of frost, and he said angrily, "Zheng Dewei! Shut up! You are disgusting. Don't think everyone is as disgusting as you are! The reason why I took Ye Chen into the Shenyuan secret place is because of his talent! Because he is the hope of the seventh kingdom

"Disgusting? Ha ha... " Zheng Dewei looked at TU LAN sarcastically and said, "well, tell me..."

He suddenly stretched out his hand and pointed to Jinchang standing on one side and said, "if Jinchang is pursued by Kong Xian, will you still stand here and protect him?"

"I..."

Tu Lan's heart heard the words and was stunned. For a moment, she couldn't speak

If Jinchang was hunted down, would she defend Jinchang like this?

Naturally, it will not

Even she doesn't understand. Is she really defending Ye Chen for the sake of the kingdom of God

Maybe, although she didn't want to admit it, she was very proud of this outstanding man as early as the examination of the clan

She didn't know why. She wanted to see ye Chen step on the peak of the kingdom of God!

Zheng Dewei's anger in his eyes was burning, which was the flame of jealousy. The woman he liked was so concerned about a dead trash?

How can he accept it!

"Speechless?"

Zheng Dewei gave a cold smile and his breath surged: "ha ha, I'm really stupid, Tu Lanxin. I know you must look down on me and despise me for taking refuge in Mr. Kong. But, do you think that I did it for myself?" "The reason why I want to join Master Kong is because he promised me that if I work for him, he can take you and me to the first Kingdom of God!"

"You know what the first Kingdom has! The Lord of samsara divides the kingdom of God into seven pieces! And the first Kingdom, once located in the first family of the Kingdom Ye family! There is the supreme resource

"A part of this resource led to the domination and domination of Ye family, and the short and rapid prosperity of juehan emperor palace."

"The seventh kingdom of God is doomed to perish. Only with Master Kong can we hope to survive!"

Tu LAN has no look on her face. She looks at Zheng Dewei coldly. She knows that Zheng Dewei likes himself very much and is very good to him. However, she has no feeling. She does not ask Zheng Dewei to do these things for herself.

After a moment's silence, Zheng Dewei said again, "Lan Xin, this time, I'll take it as if it didn't happen. I still treat you as before."

Then, in his eyes, a burst of cold light.

"Now, get out of the way."

Tu Lanxin doesn't want to admit that she has any special feelings for ye Chen, but even if she has some selfish feelings for ye Chen, it doesn't concern Zheng Dewei?

Zheng Dewei's attitude disgusted her!

She took a deep breath, did not speak, just held a black sword, the tip of the sword pointed to Zheng Dewei!

In the beautiful eyes, it is incomparably firm!

Several people in the seventh kingdom were stunned.

"Lan Xin, you You're going to do something to me for this boy

Immediately, his eyes, a piece of blood red!

Crazy killing intention, full of brain! Kill Ye Chen!

I like from childhood, grow up with the woman, now, in order to a do not know where to come out of the waste, and do it yourself!

Zheng Dewei, how can we not be angry and hate Ye Chen?

The more Tu Lanxin maintains Ye Chen, the more he wants to let Ye Chen die!!!

In the atmosphere, some heavy time, the cave, suddenly, sounded a terrible monster roar.

This roar, the whole secret place seems to have been stamped by God.

A faint aftershock, even all the people on the scene shocked back a small step!

What kind of monster is this?

I've never been there, but I've heard about it.

This voice contains hegemony and endless pressure!

Even more than those fierce beasts in ancient times!

Not only that, people feel an extreme energy brewing!

On the sky of the secret realm, the clouds of robbery are rolling, the thunder bursts, and the heavenly power is magnificent. This kind of thunder robbery surpasses the strong ones in the chaotic environment!

In addition, people looked outside and found that countless fierce beasts appeared in the secret place and ran together.

So many rebellious and powerful beasts stopped at a hundred meters away.

Lying on the ground, as if in submission.

This seems to be the suppression of blood!

The key is, how can there be such a monster in this secret place!

Or Deep in that cave is an ancient beast!

The words of oneself and others wake up the existence of this kind of adverse weather?

At this moment, an invisible fear spread.

Even Tu Lan Xin also looks deep. She clearly feels that there is only Ye Chen inside. Why is there such a fierce beast?

What's going on inside?

"Ye Chen, are you ok?"

Chapter 2692

Zheng Dewei looked at the crowd, pondered for a few seconds, and said earnestly, "everyone is ready to fight."

He didn't know what kind of existence his appearance had disturbed!

But no matter what, there must be no trouble.

Even if the giant beast comes out, he has to face it.

His eyes looked deep into the cave, where there was endless darkness.

The boy named Ye Chen is in it.

Could it have been swallowed by the beast?

His mind was full of thoughts.

Suddenly, above the sky, a huge thunder fell from the sky!

Just like a huge sword, it cleaved on the mountain where the cave is!

In an instant, countless boulders rolled down!

Dust rolling!

On a closer look, the mountain was split in two.

The key is that this is still the first!

Aware of the seriousness of the matter, Zheng Dewei said to the crowd, "all of us should step back temporarily, otherwise we may be severely damaged by thunder."

Tu LAN heart exhaled a breath, although Ye Chen inside did not know what the situation was.

But if this group of people can retreat, it will be enough.

She believes that ye Chen's life, even if the beast devours him, ye Chen can escape from it.

However, at this time, Zheng Dewei behind a frown: "since we are here, should we take ye Chen away?"

"Since the monster is experiencing thunder robbery, it shows that the other side is very weak. If he wants to deal with thunder robbery, he can't deal with us."

"If we enter and strike with all our strength, we may not only take ye Chen to complete the task, but also divide the blood essence and flesh of the fierce beast."

"It must be extraordinary to attract a monster of this level! It may have more wealth than all of us here!"

As soon as this word comes out, everyone's eyes are slightly bright.

In each other's eyes are endless ecstasy!

And greed!

Opportunities are everywhere in this secret place!

They didn't get too much!

If you can get that fierce beast, maybe your cultivation will increase greatly.

Zheng Dewei's eyes were hot, hesitated for a few seconds, and nodded: "wealth in danger, let's do it together! Never leave your hands

"If the fierce beast has the intention to fight back, he will take it at all costs!"

After Zheng Dewei, people nodded.

Tu Lan Xin's face turned pale. She stood at the entrance of the cave, and the sword in her hand was still pointing out: "Zheng Dewei, some risks are not worth taking."

"Be careful of your life!"

However, Zheng Dewei is a cold smile: "Lan Xin, point so far, maybe that boy has become the food of that fierce beast."

"It's not worth your loss to prevent us from going in like this."

However, Tu Lanxin's eyes were determined: "I said, can't go in."

As long as ye Chen has the possibility of closing down, she will not give up.

Zheng Dewei's eyes were gloomy, and his big hand waved: "do it!"

"Tu Lanxin, I've given you a chance. No matter how strong you are, you will be our opponent?"

"Even, you may die."

Just after the words fell, a lazy and resolute voice sounded in the deepest part of the cave:

"sorry, she won't

What!

Everyone's eyes are on the deep side of the cave!

The magic array of the closed hole dissipated, and a man came out of the darkness.

Ye Chen's figure, appeared in front of the public, look light.

All of them were stunned. A group of warriors headed by Zheng Dewei showed their intention to kill.
How dare they come out?

But Tu LAN heart pretty face above, faintly flashed anxious color, ye Chen still looks light and cloudless
to now?

Even if you are crazy, you can't tell the difference between the two!

However, Tu Lan Xin doesn't want to scold Ye Chen any more. She gets close to Ye Chen's voice and
whispers, "wait a minute, I'll hold him down. There's only a moment for you to escape!"

"With so many chaotic warriors, I may not be able to guarantee your safety."

Although it may be difficult for ye Chen to escape from the hands of the remaining warriors, it is better than staying and waiting for death, isn't it?

Ye Chen is just light way: "believe me."

Then he went to Zheng Dewei.

Tu Lanxin and others are stunned. What is Ye Chen going to do?

Ye Chen's cultivation at this time has already stepped into the state of chopping adversity, although it is a layer of heaven!

However, his strength has doubled several times!

Taixu state, can fight against chaos a layer of heaven!

What about the situation!

Ye Chen himself does not know where his limit is!

Without the resources of this secret place, he may have to cross this realm for at least a year!

Now, his physical strength, spirit strength, spiritual power, and so on, have a qualitative leap! And his blood, which has been sublimated, is also stimulated by all kinds of supernatural resources and exotic treasures, and breaks out with even more rebellious power!

Red dust pulse and Lingfeng pulse are stronger!

And during this time, he refined many times the chaotic star tree!

It won't be long before the chaos star tree is completely refined!

If this group of people did not disturb him, he really intended to refine here thoroughly!

The chaotic star tree represents the power of chaos.

What kind of chaotic force does that belong to?

Ye Chen is a little curious, but more excited!

Laocang said that this thing is against the sky, then it is really against the sky!

After the breakthrough, he can now be fearless in the chaos of three layers of heaven!

And he got a great benefit!

Big enough to let his strength soar again on the basis of three layers of chaos!

Zheng Dewei looks at TU Lanxin and ye Chen, whispering, and his anger is even more intense. Moreover, what makes him most unhappy is that he is only promoted from a state of emptiness to a state of disaster, and he dares to be confident in front of himself?

Is it that he doesn't pay much attention to chaos?

Zheng Dewei sneered at Ye Chen and said, "boy, why don't you be a tortoise? Dare you come out? "

"Tortoise?" Ye Chen pondered and said with a smile: "you think me and you, who is more like a tortoise?"

Silence

Ye Chen, unexpectedly Directly challenge Zheng Dewei?

Zheng Dewei's strength is not weak?

Even more chaotic!

And They all understood the meaning of Ye Chen's words

Even the 20 warriors looked at Zheng Dewei quietly with a look that they wanted to laugh, but did not dare to smile.

Even Tu Lanxin is pretty, slightly red, and anxious in her beautiful eyes

Under this, Zheng Dewei must and ye Chen never die!

She secretly clenched the long sword in her hand. As long as Zheng Dewei hands on Ye Chen, she will stop Zheng Dewei at all costs!

"What are you talking about?"

Zheng Dewei is crazy. The woman she likes to defend other men in front of him and fight against him with swords and swords, which makes him extremely angry and tears Ye Chen's heart!

Now, being laughed at in person again?

What's more, it's the kind of ridicule that directly tramples on his dignity as a man!

He was full of fury, and his sword spirit was fierce. People felt that countless sharp swords, shuttling in their own minds, almost all of them would smash the spirits!

Before the cave, except ye Chen, everyone's face changed slightly!

Chapter 2693

How strong!

Just the sword, it's so terrible!

"Anger from shame?" Ye Chen sneered: "to be a man, you should have a little demeanor. You can't be angry like this. It's useless. You deserve to be a turtle. Do you understand?"

"Ha ha ha, ha!" Listening to the tone of Ye Chen's teaching, Zheng Dewei said angrily with a smile: "when I cut off your tongue, I don't know if you are still so eloquent!"

Zheng Dewei said to a group of warriors behind him: "don't do anything. Let me solve this waste myself."

Said, he sneered at Tu Lan Xin and said, "Lan Xin, I advise you not to interfere. Although you are better than me, my men will rush in one after another as soon as you make a move. This boy will only die faster!"

Tu Lan's heart heard the words, and her pretty face turned white.

Zheng Dewei stares at him and says: "Lan Xin, see clearly how I crush this waste into slag. As long as you have a little brain, you will understand who is the really excellent one! Will understand, who can give you happiness

"It's me, Zheng Dewei, not this, the garbage that knows nothing about life and death!"

Ye Chen looked at TU LAN heart and said with a smile: "Tu Xianzi, please rest assured."

Then, he turned his eyes to Zheng Dewei.

"This man is not to be afraid of!"

"Die Zheng Dewei suddenly drank, the sword came out of the body, and the light of the sword shone on the four fields, which hurt everyone's eyes!

His breath is like a dragon, boundless spiritual power, condensing on the edge of the sword, the sharp sword suddenly burst out a burst of dazzling blue light!

In the blue light, a faint sound of Fengming, melodious layer of the sky, Fengming out, heaven and earth, seems to be corresponding to it!

"Green phoenix with me, sword light rush night!"

Zheng Dewei was surrounded by a blue Phoenix shadow. In an instant, Zheng Dewei's speed was increased by countless times. He even took a sword and turned into a blue thunder that would break time and space. In this mysterious place, he flashed wildly and attacked Ye Chen!

Where I pass by, the void collapses, and even the air disappears into nothingness!

This sword is so powerful that it's frightening!

It has to be said that Zheng Dewei is indeed a genius, not only his martial arts realm, but also the artistic conception of martial arts!

Under such circumstances, Zheng became an amazing swordsman!

This sword technique should be a half step sword technique.

The seventh Shenguo, generally speaking, is unable to practice yuan level martial arts, but now, Zheng Dewei has the power of yuan level martial arts!

That is to say, he has made rapid progress after he entered the secret place of the divine source, contacted with the strong chaos and the real yuan level martial arts skills!

Tu LAN heart pretty face has no blood color, in the beautiful eyes, has been full of despair, this sword, too fast! Now, if she wants to stop it, she can't stop it!

Zheng Dewei's own cultivation has been extremely terrifying, far superior to Ye Chen. Is the realm of martial arts still at this level?

Even Tu Lanxin could only be completely suppressed and even seriously injured under this sword!

She knows that ye Chen's talent is very strong and strong, and he can jump the level crazily. His promotion in the secret land of God can be regarded as a horror! But, reason tells her, ye Chen cannot block this sword.

Luo Shi Shi shakes his head slightly, but Jinchang, although he looks pale, is a burst of joy in his eyes!

Ye Chen turns his wrist and holds Qinglian mietian sword. Facing Zheng Dewei's sword, he doesn't mean to make it bigger.

"I'm the only one in the sky!"

The meaning of Zhenwu is surging and opening. The magic formula of reincarnation turns to the extreme. Ye Chen's body surface actually shows a layer of blood light!

Seven blood lights!

Not only that, Ling Feng's pulse is open!

Before the disaster, Lingfeng's pulse was extremely unstable.

But after cutting the bad situation, Lingfeng's pulse stabilized a lot and even absorbed some strength!

Although it is only a part, but if you add other cards, it has many advantages!

The divine breath spreads and condenses on the long sword. The blue sword is full of strange blood light!

"Six sword gods, six swords return to one, cut all the sky, I am God!"

With a sword, it looks like a real God rebukes his anger and punishes all living beings. The light of the sword is like a cold star falling to the ground and destroying the heavens!

Ye Chen, who has stepped into chopping disaster, has been able to cast six swords to one!

And it's even stronger than what I used to do under the restriction of the wind!

This is the inside story of Ye Chen's martial arts cultivation!

It seems that all of them tremble, the space is broken, the gale howls, and the terror is extreme!

The cold sword light, and the fierce blue thunder, crash!

Rolling thunder, spread and spread, the presence of a crowd of chaotic warriors, actually some can not bear, back crazy retreat!

In the thunder sound, faintly spreads out a phoenix sad cry!

The blue thunder, broken! Zheng Dewei's body flew upside down, half kneeling on the ground, his mouth was bleeding and his breath was a little unsteady. At this time, the anger in his eyes had completely cooled down. In the eyes of Ye Chen, there was only shock!

All people, are the face of horror!

Thinking, tends to collapse!

How could it be!?

The boy who cut a layer of heaven in adversity, with a sword, suppressed Zheng Dewei?

Don't say it was suppressed. Even, Zheng Dewei was hurt!

It's horrible! Too bad!

Tu Lanxin is also looking at Ye Chen foolishly. She thought she was used to the shock that Ye Chen brought to her

Now it seems that there is no such thing!

Ye Chen, you can't see where the limit is! Every time, only more shock!

Zheng Dewei looks very ugly. He is defeated!

Completely defeated!

Ye Chen's sword is superior to him in strength, speed and martial arts realm!

Gap, too big!

Not willing to the extreme!

The woman that I like is in love with other men, and I, being ridiculed by this man, want to crush with strength, but instead, be suppressed by the other side?

Extremely proud of Zheng Dewei, self-esteem, are going to be broken into slag!

"What are you doing?" he roared! Give it to me

He stood up and looked at Ye Chen ferociously. Now where does he manage to prove himself?

He felt Ye Chen's weakness.

This sword is also the acme of Ye Chen.

Ye Chen must die today.

He must not be allowed to grow.

Now, he will trample Ye Chen under his feet by any means. Only when ye Chen is dead can he wash away his humiliation!

"Mean!" Tu Lanxin angrily scolds, and his whole body is full of sword spirit. The black light flows over the long sword.

"Ridiculous!"

Zheng Dewei did not care to smile, looking at Ye Chen, his face full of killing: "Ye Chen, you are really strong, but how strong again? No, still dead? "

"You're not stupid enough to think that I really want to fight you alone, do you? Well? "

"I can crush you by the number of people. Why challenge you? Even if your talent goes against the sky and offends Master Kong, you will die! "

Chapter 2694

Zheng Dewei and a group of martial artists are all in a frenzy. Facing Ye Chen, they have no intention to keep their hands. They all want to sacrifice their strongest blow!

Tu Lan Xin clenched his teeth and suddenly blocked Ye Chen's body. He said in a low voice: "Ye Chen, let's go! No matter how strong you are, you can't face so many strong people in chaos at the same time

"Want to go?"

Zheng Dewei smiles coldly. He looks at TU Lanxin who is willing to protect Ye Chen even at the cost of his life!

He hates it! Not only Ye Chen, but also Tu Lan Xin!

"Too late! Bitches, since, you still want to protect him, then, you two go to die together! When we get to hell, we'll be a pair of desperate mandarin ducks again

During the speech, countless powerful breath broke out, the sword meaning, fist meaning and palm meaning surged one after another, stirring this space into chaos. These dozens of attacks seemed to condense into a towering big hand, which was strongly suppressed against Ye Chen!

Jinchang and luoshishi look crazy change, crazy back, if this blow down, even if only the aftershock, they may not be able to bear!

Luo Shishi shouts to Tu Lanxin: "Lan Xin! Go back! This kid, it's hopeless! "

She knew that such a terrible joint attack, under the lock of Qi machine, ye Chen could not avoid it!

Although, she has to admit that ye Chen is really amazing. It's a pity that ye Chen died. It's even a loss to the kingdom of God.

However, it is only because of his broad mindedness that he provoked Confucius, didn't he?

Tu Lanxin is her sister. She doesn't want tu Lanxin to be buried with Ye Chen!

However, Tu Lan Xin did not seem to hear it. He did not move!

Luo Shishi sighed, and they quickly withdrew from the safe distance.

They look at TU Lan Xin and ye Chen and shake their heads. Luo Shi Shi is sad, while Jinchang is happy.

Tu Lan Xin looks calm. The terrorist attack is about to fall. She glances at Ye Chen and says nothing. But looking at Ye Chen's indifferent look, she feels at peace in her heart.

She was full of spiritual power, and the black light on her sword twinkled, and her eyes became more and more fierce. Even though she knew that her sword moves could not shake the terrible blow, Tu Lan Xin still had to fight!

Her pride, she is not allowed to wait for death!

But just as she was about to cut out her sword, one hand was pressed on Tu Lanxin's hilt.

Tu Lan Xin, a little puzzled, looks at Ye Chen. What is Ye Chen going to do?

And ye Chen, just showed a faint smile: "believe me!"

Believe me!

This simple three words, but let Tu LAN heart, open eyes, beautiful eyes full of touch!

Ye Chen out of the cave, said to her, not also believe me three words!

And then, what happened?

Tu Lanxin's beautiful eyes are more and more bright!

Then, ye Chen suppressed Zheng Dewei with a sword!

Is

Tu Lanxin knows that this is almost impossible

But in case Ye Chen has a way to create a miracle again?

She can not help but take back the sword, at this time ye Chen, let her inexplicably trust!

Ye Chen looks at that will be the whole body space, will be pressed into nothingness, dozens of chaotic existence of a joint attack, the corner of the mouth emerged a sneer.

This time ye Chen, what is the biggest harvest?

Reincarnation!

Reincarnation blood vessel is a kind of extremely magical blood, which is almost a kind of original power. Besides strengthening itself, it can also activate other attributes and make the martial arts' physique return to ancestry!

"Forbidden spirit realm, open!"

Under the stimulation of blood sublimation, ye Chen originally killed lingjiuxiao, and absorbed the original power of the forbidden spirit Dharma body, and grew up thoroughly!

Even, they are beyond the body of the forbidden spirit Dharma. They are at the original level!

A strange blue light, from ye Chen's body, diffuse and open, a moment, this cave in front of a space, as if, into an instant of static!

The dozens of terrorist attacks that were suppressed at the moment were suppressed for a short time!

Not enough!

And now ye Chen's face is a little pale.

Because exerting these means will consume too much spiritual power!

Even if he stepped into the state of chopping adversity, the field of elixir was vaster than that of Taixu.

But his mouth was still smiling.

Because, he still has backhand!

"Come out, Xiao Huang!"

In this moment, a giant beast came out of the darkness.

The beast was ablaze with fire.

The red flame and the ice blue flame are like Taiji Bagua, which surround the whole body.

Of course, there is also the extremely mysterious meaning of thunder robbery.

The thunder robbery is not over.

Xiao Huang blocked Ye Chen's body in this way.

And then, thunder disaster comes! The most powerful blow of those people's joint efforts completely dissipated

Even the blue thunder that Zheng Dewei played was directly dissipated!

Under Xiaohuang's thunder robbery, what is the strength of these people!

All of them fell into stupidity in an instant, and their chin would fall to the ground!

All staring at Ye Chen, as well as the strange beast.

Are they dreaming?

The giant beast didn't attack Ye Chen?

Instead, it seems to be protecting Ye Chen!

Protect Ye Chen with his own thunder?

"No way!" Jinchang's eyes are about to glare out and roar in disbelief.

This What power is this?

Forbidden spirit Dharma body?

The forbidden spirit Dharma of one of the supreme deities?

What kind of beast is this?

How could you protect a heaven?

For Jinchang, ye Chen's means are even more bizarre.

In fact, the supreme deity of the seventh kingdom is not so great in Jinchang's eyes.

Because the supreme deity is only relative to the martial arts of the seventh kingdom!

Those gods also have limits!

For example, in the situation of disaster, the effectiveness of the supreme body will be greatly reduced.

Although, it can still be called the top level Dharma body, and has far more combat power than the same level

However, it will never be like Ye Chen's performance, so rebellious ah!

It's not Dharma, it's a miracle, isn't it?

Directly, the attack of dozens of chaos fighters stopped?

Originally, he is a man of lofty mind, for ye Chen, very unconvinced!

After ye Chen suppressed Zheng Dewei with a sword, he hoped Ye Chen would die!

Because, he envies Ye Chen's talent! Because he knows he can't compare with Ye Chen!

But now, his heart of Tao will be shaken by Ye Chen!

There is no idea of comparison at all!

Luo's poetry is also extremely frightening. What she cares about is not the potential of Ye Chen, but the fierce beast around Ye Chen.

The fierce beast's posture is obviously submissive!

Yield to Ye Chen!

At the same time, a trace of regret flashed through her beautiful eyes.

Why regret?

Because she knows, ye Chen's future is limitless!

Even if placed in the first God Kingdom, are they evil spirits comparable to Confucius?

Chapter 2695

Just now, if you are more firm and stand with Ye Chen and Tu Lanxin, you should have a chance to be ye Chen's friend!

Making friends like Ye Chen is a great guarantee even in the future disaster!

The martial arts practitioners attached to Kong Xian were stunned, but at this time, they were completely frightened! Many people even screamed uncontrollably!

"My power! How can I not feel my spiritual power? "

"It's not only spiritual power, divine thoughts, but also my martial arts artistic conception."

"How could that happen?"

"How can I entangle myself in thunder robbery?"

"How did that monster's thunder robbery come to us?"

"No, we just fought against the thunder robbery, and the thunder robbery will kill us too!"

Zheng Dewei roared, looked at his hand, and kept shaking: "this is not forbidden spirit Dharma body, forbidden spirit Dharma body, there is no such power at all!"

"It must be the beast! How can a monster of this level submit to an ant in a bad situation! "

Ye Chen at this time, however, touched Xiaohuang.

These are his plans.

Xiaohuang's thunder robbery is all resisted, extremely difficult.

But what if we add this group of chaotic warriors?

He and Xiao Huang are the biggest winners!

In this way, he would also like to thank the Confucius immortal who had never met.

"Xiao Huang, I'll give it to you next, OK?"

Ye Chen light way.

The next moment, Xiao Huang with a heavy roar, with the sky down the thunder robbery rushed to the crowd!

Wherever we go, we are confronted with a terrible thunder robbery.

Rolling sky thunder, as if become Xiaohuang's fighting skills!

At least for this moment, it is invincible with the help of thunder!

And those warriors have fled, want to get rid of Xiao Huang!

But is it possible!

Xiao Huang opens her mouth, and an array appears!

At this moment, people were completely confused.

"The beast Can you spit out the array? And the formation It's an ancient array

"How could it be!"

"What a monster this is!"

"Seven regions of the kingdom of God, unheard of!"

"Break it

However, the array is like a wall, blocking everything!

Since this period of time, Xiao Huang has eaten most of the array!

The array power in his body is terrible to the extreme!

Even the chaos of the strong also posed a threat!

In the array, countless thunder robbers roll.

Although these chaotic strongmen are powerful, they can't bear so many thunder robberies!

Black all over, arms torn!

What a tragedy!

Ten minutes later, the thunderstorm was much lighter.

Ye Chen is almost recovered.

He took a look at all the seriously injured people and gave a smile:

"I hear you want to kill me?"

These people are shaking their heads madly!

Kill Ye Chen?

What to kill?

I don't know if they can leave one tenth of their strength now!

Don't say kill, even have no chance to escape!

"Is it?" Ye Chen's smile gradually convergence, "that, it's a pity."

If you don't, you'll die

If others want to kill him, he will not let them go!

"Six swords, open!"

Ye Chen murmured, his muscles agitated, and the golden light appeared. With the power of breaking the sky, he cut out the most powerful sword!

Sword light like sea, sea of ice!

In an instant, drown those warriors!

Those warriors screamed and frantically wanted to use their skills to resist. But under the influence of Xiaohuang array and forbidden spirit realm, what can they do?

What can be used is only physical strength!

And physical strength!

Even if he is a warrior in the late chaos period, he can't be compared with Ye Chen!

Not to mention them?

In the sword light which contains great power, one by one chaotic martial arts person is like a balloon, which turns into nothingness, explodes, explodes again

In less than a breath, together with Zheng Dewei, the 21 most powerful men and demons of various divine kingdoms, all disappeared from the world, leaving no trace.

Ye Chen put away their storage bags and slowly restrained the spirit.

He looked at the sky, and the thunder had disappeared.

Xiao Huang has survived this disaster completely.

If not for these chaotic warriors, maybe Xiaohuang was dying in the past.

He looked at Xiao Huang, who was covered with blood. Obviously, even though this group of people shared most of the thunder robbery, the power of the heavenly way still hurt him a little bit.

"Xiao Huang, take a rest first."

"There will be time to fight side by side."

Xiao Huang comes to Ye Chen's body, rubbing his body against Ye Chen's body, and then enters the samsara cemetery.

Ye Chen takes a breath lightly.

There is no holy land again.

Although the power of forbidding spirit is very strong, its consumption is also huge.

However, ye Chen looked at the empty scene in front of the cave and nodded with a smile. He was extremely satisfied with the effect!

This is not a cat and a dog!

But a group of super strong people in chaos!

Any one, to the seventh kingdom, can crush the existence of countless people!

He killed him!

But without Xiao Huang and Lei Jie, he couldn't do it at all.

It seems that the road of martial arts can't be done blindly. Sometimes, borrowing is more important than anything.

Tu Lanxin came back to his mind at this time

The shock in the beautiful eyes has not completely dissipated.

She is very clear, ye Chen before entering the Shenyuan secret place, is what strength!

Ye Chen at that time was undoubtedly the lowest existence in the Shenyuan secret realm.

Even Tu Lanxin himself has the confidence to kill Ye Chen with one sword. There is no second possibility!

But now?

Tu Lanxin even has a trace of fear to Ye Chen.

What's the origin of the beast? Why did he become Ye Chen's pet?

Still so obedient?

This kind of thunder robbery can't be induced by cats and dogs!

Ye Chen's harvest is incredible.

But it was only two months for them to enter the secret land of God!

This speed of progress is appalling!!!

However, she still slightly frowned, now ye Chen plus the beast, really strong!

However, it is not necessarily the opponent of Confucius!

Although Ye Chen's forbidden spirit Dharma body suppressed Zheng Dewei and others in an instant, it's hard to say whether he can suppress Confucius!

First, the martial arts of the kingdom of God are beyond the imagination of ordinary people!

There is the will of Ye family!

However, the forbidden spirit Dharma body is the type that the higher the level, the worse the effect.

Tu Lan Xin asked Ye Chen, "what should I do now?"

Ye Chen looks indifferent way: "counterattack."

"Counterattack?" Tu LAN heart does not understand, ye Chen did not kill Zheng Dewei and others?

"It's too much trouble to kill like this."

"Mr. Kong, don't you want to see me?" Ye Chen face a trace of killing: "it's time to see him."

Tu Lan Xin frowned, but it was just a frown.

Chapter 2696

Originally, even if ye Chen's strength is very strong, Tu Lan Xin will certainly stop him! Reprimand him, because ye Chen is the hope of the kingdom of God, to cherish his life!

Even, will be disappointed to Ye Chen, hate iron not steel of disappointment!

But now

Even though her reason told her that it was dangerous for ye Chen to do so, her heart made her believe Ye Chen

At this time, luoshishi came over.

Look a little embarrassed.

Tu Lan Xin asked, "poetry, where is Jinchang?"

Luo Shishi lowered his head and said in a dim look: "he left after hearing you say you want to find Kong Xian."

Jinchang is her chosen genius, but now she left her. Naturally, she will not be very comfortable in her heart. However, she did not go with Jinchang!

This time, she has missed the opportunity!

Ye Chen, however, didn't matter: "everyone has his own choice. I'll take a rest and recover the consumption of the battle. In the morning of tomorrow, we'll set out."

The two women nodded, and immediately the three entered the cave and sat cross legged.

.....

The next day, ye Chen and other people swayed around in the secret place. Soon, they were surrounded by a group of warriors.

Those martial artists are also attached to Confucius.

They smile grimly, and their eyes linger greedily between Tu Lan Xin and Luo Shi Shi Shi.

The head of a man sneered: "Confucius said, take this boy to see him, regardless of life or death, as long as you don't touch his storage bag

"Kill him, these two girls, and let the brothers have a good time!"

Ye Chen looks light, swept his one eye, chuckle way: "lead a way, seem a person is enough."

Green lotus destroys the sky sword, appeared in Ye Chen's hand.

When the forbidden spirit realm was opened, the sword light flashed in disorder. Ye Chen and Tu Lanxin rushed into the crowd like a tiger into a sheep. Each flash would bring a large amount of blood mist.

.....

Almost without a breath, this group of people were slaughtered by Ye Chen, leaving only a young woman.

This young woman is of average beauty, and her cultivation is chaotic. At this time, her whole body is dyed red with blood. She falls on the ground and looks at Ye Chen. In her eyes, she is terrified and frightened. She trembles all over. Even the warm liquid flows out of her lower body. She is scared and incontinent!

Ye Chen looked at her expressionless and said coldly, "take me to see Confucius!"

Along the way, many warriors of the great divine Kingdom found Ye Chen. Originally, some people who wanted to go up to fight ye Chen and looked at the tragic situation of the chaotic three layers of heaven woman, but they could not help but beat the retreat drum!

However, they are also very curious, ye Chen what to do!

Can not help, more and more martial arts, follow Ye Chen behind!

And a news, in this mysterious place, also thoroughly spread!

Ye Chen, come to the door in person and challenge Kong Xian!

.....

Under a cloud shrouded high cliff, there is a cave, a source of spirit, extremely rich cave.

A figure of a man in a white robe is sitting in the cave with his eyes closed. His breath rises and falls. Suddenly, the ever-changing breath solidifies and tends to be stable. At the same time, an extremely terrifying pressure spreads!

Kong Xian's strength, and a breakthrough!

At this time, a man in black with a wooden face came in and saluted respectfully: "young master, I have something to report."

Kong Xian slowly opened his eyes and said, "I have been closed for a month, but you haven't found the boy yet?"

The man in black still said with a wooden face: "this is what I want to report. The man you want to look for is coming here."

"What?" On Kong Xian's face, a look of surprise appeared, "tell me."

The man in black handed out a token and said, "please have a look. This is the fighting record of the boy."

Confucius took the token, and his mind sank into it. After a moment, he opened his eyes and frowned slightly.

"Forbidden spirit Dharma body? It's the first time I've seen such a terrifying spirit forbidding Dharma body! "

On his elegant face, there was also a trace of deep condensation!

The black robed man said: "young master, the boy's strength is somewhat fantastic, and it seems that there is a very unusual monster around him. That monster can kill the strong in chaos. Do you need to prepare a spirit subduing ceremony?"

Confucius was silent for a while and took a deep breath: "go and prepare."

The ceremony is his biggest backhand. Naturally, it can't be prepared easily!

The strength of Confucius now has broken through to the four layers of chaos.

Although the cultivation is not high, but the details, no one can rival!

More importantly, the power behind him!

He is not afraid of anyone.

However, he felt a trace of threat from ye Chen!And he, as a person, should make sure everything is safe and sound!

The man nodded, and the other three men in black soon entered the cave.

Four, start to set up the array.

After all the preparations, the four men looked at Kong Xian and said, "please take care of yourself, young master."

Then, the four men were twisted, and suddenly turned into a group of blood and water, and integrated into the array!

The four men were brainwashed with special secret methods since childhood, and became the existence of puppets.

In addition to being a slave, the greatest function is to serve as a sacrifice for the Spirit descending ceremony!

Although there was no fluctuation in Kong Xian's feelings, there was still a trace of ferocity in his eyes and said with a sneer: "ha ha, ye Chen, you have made me lose four servants. I will certainly make you regret it..."

.....

Ye Chen, Tu Lanxin and Luo Shishi continue to move forward, and the woman covered with blood still leads the way.

There are more and more people behind.

All of a sudden, everyone stopped.

Eyes closed, even in what strange gesture.

This gesture is more like a prayer.

Even the injured leading lady is still like this.

All people, only Ye Chen continued to move forward.

Ye Chen frowned slightly, and her eyes fell on Tu Lan's heart: "Tu Xianzi, what are you doing?"

Tu Lan Xin found that ye Chen was not so, and his face changed slightly. He even said, "Ye Chen, close your eyes and pray!"

"Why is this so?" Ye Chen has some doubts.

Tu LAN heart a Zheng, hesitated for a few seconds, eyes opened, some flustered, she pointed to a distant temple.

"It's a temple that carries the image of the reincarnation God. There are many in the seven kingdoms, but there is only one in our seventh kingdom, so there is no such ceremony."

"But any warrior in the kingdom of God, when he sees the statue of the reincarnation Lord, must have rituals."

Ye Chen's expression is extremely strange, looking at the temple murmured: "my god statue?"

Chapter 2697

Tu Lan Xin's face turned white: "what are you talking about?"

Ye Chen was more and more curious and said, "Tu Xianzi, I want to go in and have a look?"

This time, not only Tu Lan Xin was shocked, but also Luo Shi Shi opened his eyes.

Two women just want to say what, ye Chen is the first to go toward the temple.

Tu Lan's heart pounded. There was no real God in the kingdom of God. If we really wanted to say, there was only one, that was the Lord of reincarnation! Now ye Chen's Irreverent thinking will kill people!

However, afraid of Ye Chen's recklessness, Luo Shishi and Tu Lan Xin look at each other and follow.

And the warrior behind him also prayed over. When he saw Ye Chen and others enter the temple, his expression was extremely strange.

"What does that boy do? Is it because he is afraid of Confucius and prays for the reincarnation Lord to give him strength

"You can't enter the palace in the secret place casually!"

"Dead! Maybe, under the divine power, the boy is going to die. "

.....

And now ye Chen has entered the temple.

Strangely, there is no prohibition around.

But ye Chen can feel the blood in his body surging!

It's boiling!

It's like stepping into your own territory!

Some pictures even flashed through his mind!

The picture is very dim and broken!

Ye Chen couldn't tell.

It was dark around, and there were night candles flashing.

A trace of unique fragrance is swirling around.

"Who are you?"

Suddenly, an old voice sounded.

In front of Ye Chen and Tu Lanxin, a thin old man suddenly appears.

The old man's clothes are strange, his eyes are sunken, and even there is no breath fluctuation on his body.

When ye Chen just wanted to speak, Tu Lan Xin interposed: "master, we have great respect for the reincarnation master. We want to kneel down."

The old man looked at the three people and nodded: "in front of the reincarnation statue, all living beings worship."

The next second, Tu Lanxin and Luo Shishi kneel down together. They even dare not look at the statue nearby.

This solemn ceremony must not be defiled.

At the moment, a young man is standing alone.

There was no intention of kneeling.

Ye Chen's eyes tightly stare at the statue not far away.

His body is shaking!

The most central statue, as if it were yourself!

Although there are some changes in appearance!

But that feeling is so real!

And the gods not only have their own, but also Qu Chenyan, and many people!

Just do not know why, ye Chen sees other people, eye Mou some angry.

Now he doesn't know these people, but why is he angry!

He doesn't know!

"In front of the reincarnation statue, all living beings worship."

The old man saw that ye Chen did not kneel, and his voice was a little angry.

Tu Lan Xin sees this, and quickly pulls Ye Chen. He wants to make ye Chen kneel down and says in a low voice, "what are you doing, ye Chen! Don't be dazzled! Get down on your knees

However, ye Chen was not moved.

Eyes have determination, anger, killing intention, pity!

But, no surrender!

Why should he kneel down!

He is the Lord of reincarnation!

The old man's patience was completely consumed. He stepped out of the room, his whole body was flowing with light and threatened: "boy, why don't you kneel down?"

Ye Chen is still staring at the statue, shaking his head: "I can't kneel!"

"If I kneel down, something will happen. I have a hunch."

The old man was completely angry: "nonsense!"

"Kneel down!"

The next moment, the old man's endless pressure toward Ye Chen!

However, in the moment when the pressure touches Ye Chen, it dissipates in an instant.

The old man's eyes widened: "how could..."

He is very clear about his own strength, not to mention this chopping boy, even if he is a chaotic peak strong, he must submit.

Tu LAN is extremely nervous in his heart. He pulls Ye Chen and asks Ye Chen to kneel down: "Ye Chen, don't make trouble! If you don't kneel, the clan will no longer exist. "

"What's more, the strength of the elder is above chaos!"

Ye Chen has some helplessness. He takes a look at the old man, and then looks at TU Lan Xin. He bends his knees and kneels down directly.

"All right."

When ye Chen's knee touched the ground, a strong earthquake came from the whole temple.

At this moment, the expressions of the old man, Tu Lanxin and even everyone changed!

This temple has not changed for ten thousand years!

Not only that, but the statue of God, which has existed for many years, suddenly burst!

There are dozens of gods in this temple!In addition to the reincarnation Lord, Qu Chenyan, and a man's statue!

All the statues are broken!

Even into powder.

The old man's body was shaking, and he knelt down fiercely: "reincarnation Lord, please stop being angry. I will erase these ants that offend you!"

In the eyes of the old man, ye Chen's behavior touched heaven's anger!

The next second, the old man will start!

Tu Lanxin and Luo's poems are extremely flustered!

Even if they want to help Ye Chen, they can't help at the moment!

Ye Chen this time, really too crazy!

Crazy enough not to put reincarnation in the eyes of the Lord!

Just as the old man was about to make a move, a voice suddenly came from the darkness.

"Step back!"

The power of the old man is so stagnant!

He took a fantastic look at the depths, wanted to say something, but finally swallowed.

He left in silence.

Tu Lan Xin breathed out a breath, grabbed Ye Chen and said to Luo Shishi, "let's leave now."

"I'm really worried about putting Ye Chen here."

"God knows what he's going to do!"

Although she didn't know why the voice let the old man step down!

But it doesn't matter!

They have to leave now!

Ye Chen looks at the statue, and some of his memories are in disorder.

It even hurt him a little.

He wanted to leave, but he seemed to hear something.

Then, step by step towards the statue!

Tu Lanxin and Luo Shishi changed their faces. It was too late to stop them.

Ye Chen appears in front of the God of the reincarnation.

Then he reached out and touched the statue.

In a flash, the God of reincarnation burst out a ray of light!

However, ye Chen is shrouded in an instant!

At the moment Ye Chen feels the change of the body.

He found that his body seemed to be stronger in the shadow of light!

"What power is this?"

Ye Chen murmured to herself.

Tu Lanxin and Luo Shishi suddenly thought of something and exclaimed, "the power of faith!"

"This is the power of faith!"

"It seems that ye Chen is influenced by the belief of the reincarnation Lord! The statue recognizes Ye Chen's talent

Luo's poems are even a little excited.

However, only Ye Chen knows that this is not the power of faith at all.

It is the power of reincarnation that belongs to oneself and remains in the statue!

Soon, the light dissipated.

Ye Chen nods with satisfaction.

In addition to their own seventh kingdom, the other six kingdoms have many such temples.

Is it possible to gain a little strength by contacting yourself?

What's more, does the first Kingdom of God, the site of Ye family, mean that it has stronger power?

Maybe if there is a chance, I should go back and have a look!

He wants to know what the truth behind the chessboard is!

Chapter 2698

Ye chensong opened his hand and walked toward the temple. He said to Tu Lanxin and other people:
"let's go. Kong Xian may be in a hurry."

With the power of the statue, ye Chen is more confident!

At least for a short time, he should be able to fight Kong Xian!

If these forces dissipate, he is in danger!

Tu Lanxin and Luo Shishi react and go to the outside.

When ye Chen wants to go out of the temple completely, a voice suddenly rings out: "what's your name?"

Ye Chen stops.

With a confident smile.

"Ye Chen."

Then it disappeared.

The whole temple, also completely into the dark.

It's like it's closed.

.....

One day later, ye Chen came to the high cliff where Confucius lived.

Around, a lot of warriors have gathered.

In recent days, the rumor that ye Chen killed the chaotic warrior like a dog has been completely spread. Many people want to come to see the battle between Ye Chen, who is described as almost like a demon, and the most powerful Kong immortal in the first Shenguo.

But there are always people who don't believe in evil.

Under the cliff, there are also many martial artists who hope to take refuge in Kong Xian.

Because, Kong Xian promised, as long as good performance, he will be able to bring each other, into the first Kingdom!

In order to prevent the strong from fleeing, the ancient Ye family's will closed the access to other worlds. In this way, the first God kingdom is the safest place!

Many people, are only concerned about their own safety, even family, clan, can be abandoned.

A fierce, tattooed, cold looking bald man with three layers of chaotic heaven, seeing ye Chen's figure from afar, he sneered: "is that the boy in the rumor? Hehe, it seems that they are just ants. Do you dare to challenge Mr. Kong? "

His whole body, emitting blood red verve, this person, is the third God of the people!

Moreover, he was the first genius of the third God, sun Yalong!

In order to join the first God Kingdom, he even betrayed all the third one. The genius who entered the Shen Yuan secret land led them to Confucius.

But he thought it was not enough!

He wanted to show his value in front of Confucius as much as possible. In this way, even after entering the first God Kingdom, he did not need to start again, but became the right arm of Kong Xian, so as to soar into the sky!

A man beside sun Yalong echoed: "yes, it's probably just a false message."

"You, don't rob me!"

Sun Pang's ugly face was dealt with by me

Now sun Yalong, in the hands of Kong Xian, can be regarded as one of the top strength!

After he said this, many people who were eager to try had to restrain their minds.

Sun's body appeared in front of Ya long!

Ye Chen looks at him, the face has no look.

Sun Yalong coldly glanced at the woman warrior, who was covered with blood and shivering, and said: "boy, can you only bully women? How strong are you? Sure enough, the waste of the seventh kingdom is such rubbish. It's just a matter of skill. Why don't you just call it garbage country? "

"Or banishment from the kingdom of God?"

"In those days, the reincarnation Lord divided the territory of the kingdom of God into seven pieces. Maybe he thought your seventh kingdom was too rubbish."

Another reason why he didn't believe Ye Chen's rumors was that sun Yalong looked down on the seventh kingdom of God from the bottom of his heart!

Bullying women?

Ye Chen has a cold smile.

The woman wanted to kill him, but he didn't kill her directly. It's the end of benevolence!

If you want to bully a woman, you can cut off a hand or a foot.

Martial arts practitioners can lead the way without arms and legs, can't they?

This man, at first glance, is looking for trouble.

Ye Chen light way: "give you a breathing time, kneel down, apologize, roll, otherwise, I will let you know, what is bullying."

Under the originally noisy high cliff, the moment was silent

Many martial arts practitioners are quite shocked to see ye Chen.

Well, it's sun Yalong!

Although, this person's character, people dare not praise, but the strength still has!

Of course, in the three levels of chaos.

But when it comes to chaos, it's not the realm, but the details!

And sun Yalong's inside information is not the seventh God kingdom can contend with!

Ye Chen, unexpectedly so overbearing provocation?

It's true that it's true. This man is so crazy that he can't be described!

Sun Yalong's ferocious face, angry together, this boy, really dare to be so presumptuous in front of Laozi? A long sword, a heavy sword, appeared in sun Yalong's hand. The strong breath of chaos in the three layers of heaven soared to the sky, and one sword was in the head, and it was cut off!

"Raptors dominate the sword!"

The Dragon roars all over the country. It is powerful like the sea, roaring and turbulent. It has boundless sword meaning. It condenses on this long sword, crushing the space, and shaking the earth under this sword!

Looking at Ye Chen, who is still standing in the same place, sun Yalong's smile on his face is more cruel and his eyes are more scornful. This boy is suppressed by his own sword spirit and can't move, right?

But at this time, a blue wave, instant diffusion!

Sun Yalong, who was originally ferocious and scornful, had a frozen and stiff expression. His sword could not even be dropped!

Why?

Because, his extremely strong sword sense, that terrible spiritual power, unexpectedly, all seem to disappear out of thin air!

The power of this sword, even one percent, can't be left. Why do you want to cut it down?

Is it a disgrace?

"It's time to end."

At this time, ye Chen is laughing. When the laughter rings, his sword is also cut in front of sun Yalong.

"This is called bullying."

Sword light burst out, as if swallowing the sky beast, devouring all things!

Sun Yalong, a chaotic man in the three layers of chaos, didn't even scream. Instead, he burst into a blood mist and drifted away with the wind.

Silence

Complete silence

No one, dare to make any sound, breath has forgotten

Sun Yalong, just die?

Well, it's the top genius of the third kingdom!

Originally, they thought that even if ye Chen could defeat sun Yalong, he would have to do more?

Unexpectedly, so casually crushed?

Even Kong Xian can't do it, right?

What is killing chaos like killing dogs?

It's no different from killing ants!

Originally, those who did not come to challenge Ye Chen, all lowered their heads, sweating straight out, incomparably very lucky that they did not show up!

And those who had come to see the joke couldn't laugh at all.

Ye Chen, strong enough to frighten them!

Many people are more and more looking forward to the battle between Ye Chen and Kong Xian!

Chapter 2699

Soon, ye Chen came to the cliff, not far from the cave.

At this time, a figure appeared in the cave.

He is elegant in temperament, dressed in white, and looks gentle and elegant, giving people a feeling of spring breeze.

But all the people present, seeing Kong Xian, felt not the spring breeze, but the bloodbath!

Even many people, looking at Kong Xian's eyes, have hatred!

This time, many of the martial arts practitioners in the great divine Kingdom died in the hands of Confucius!

In particular, the third kingdom was almost slaughtered by Kong Xian!

Since then, people have been in danger, and even the people around them can't be trusted. They act separately.

And this, in fact, is in the heart of Confucius!

After the warriors of the great kingdoms were separated, Kong Xian sent his men to defeat them one by one!

Most of the martial arts practitioners who act alone will either surrender or die when they meet the men of Confucius!

Therefore, many people hope to see ye Chen kill Confucius and avenge them!

Confucius gazed at Ye Chen with a smile and said, "do you dare to come to me?"

"Why don't I dare?"

Ye Chen answers lightly.

However, his eyes, but with a trace of heavy!

Four layers of heaven in chaos?

It's not the most important thing.

The point is, he felt a very cold threat from the other side.

Kong Xian's strength is still ahead of his expectation!

If it was not for Lingfeng's pulse to absorb energy these days, he would not dare to come like this.

"Well, if everyone likes to die as much as you do, it will save me a lot of trouble!"

The next moment, Kong Xian, suddenly hand!

With a flash of his body, he leaped into the air. The terrible force of the four layers of chaos broke out. It was incomparably concise. The surging spiritual power stirred all over his body. Just the stirring wind pressure made some weak martial artists spit blood!

Absolutely strong breath surging, simply, let these always proud genius, whole body tremble, have the impulse of kneeling to worship!

It seems that Confucius is the ancestor of heaven and earth!

Four layers of chaos, so terrible!

In this unimaginable strong breath, people feel only one breath, can't insist!

But all of a sudden, countless warriors were pressed to half kneel, even lying on the ground. The news came

All over, suddenly relaxed.

What happened?

They look at Ye Chen and Kong Xian in astonishment.

At this time, a burst of light burst out from ye Chen's body, which instantly covered the area where he and Confucius lived. The blue light even turned into a Taoist chain and bound to Kong Xian's body!

It was actually that he banned the boundless spiritual power of Confucius and the trembling breath together!

Ye Chen's forehead is covered with sweat.

It was extremely difficult.

The other side is very strong.

He even borrowed some of the power of the mighty overlord.

Otherwise, you will not be qualified to cast the forbidden spirit body!

"Ah, ah, ah, ah The pupil of Confucius shrinks, his eyes are bloodshot, he roars violently, and his veins are bulging all over his body. His originally gentle face looks extremely ferocious in an instant! Like a monster!

His whole body's breath, sometimes strong and weak, surging spiritual power, sometimes not, and ye Chen is dead biting teeth, it seems, is not easy!

Just then, click!

The blue chain on Kong Xian's body was broken directly!

And the big leaf spits out blood!

The forbidden spirit Dharma body is not used without cost, and the burden on the body can be said to be great!

If it's lingjiuxiao, even if his forbidden spirit Dharma body can have an effect on the existence of chaos, at most, it only takes a breath time, and he will be eaten back and die!

That is to say, ye Chen's constitution against heaven can bear it!

However, this is not without limits!

Even ye Chen can't completely ban the smell of Confucius immortal!

But that's enough!

Ye Chen's eyes flashed. Although Kong Xian broke the chain, his strength was suppressed by at least 70%!

He has the confidence to fight!

Kong Xian gasped, a little shock flashed in his eyes!

The power of forbidding spirit can be called terror!

At the next moment, his whole body was full of breath, and his sword was extremely fierce and cold. When you look at it, you can feel that the long sword is hanging in front of Kong Xian.

This long sword is a unique sword!

The moment the sword appeared, an inexplicable breath condensed on the sword!

In a flash, the sword light was shining and crazy, and it seemed to cover the whole Shenyuan secret place! In the light of the sword, the long sword turned into ten or hundreds. In a twinkling of an eye,

thousands of sword lights appeared. The spirit of the sword was so fierce that it would penetrate the sky!

"True martial arts!"

Ye Chen's pupil shrinks. Others don't know what the implication of the sword light is, but he knows it!

This Kong immortal, is actually also a genius who has touched the meaning of Zhenwu?

The martial arts of the first Kingdom are really terrible!

"Ten thousand methods belong to the clan, and all swords cut the mystery!"

Kong Xian murmured and pointed to Ye Chen. The light of the sword was like thunder coming into the world. He was rushing towards Ye Chen!

"I'm the only one to soar to the sky, and the butcher God will break the sky!"

Ye Chen also drank lightly. His whole body was shining with gold, and the divine ape roared all over the sky. On his body surface, there appeared seven blood lights. The blood burning formula worked extremely well, and the power of divine blood surged wildly!

With a sword cut horizontally, the meaning of true martial arts sweeps all directions. The sword light sweeps the sky, breaks all kinds of methods, roars with great force, and collapses the mountains, just like the hand of a demon God. It destroys the heaven and the earth, and laughs at the sword!

There was a big bang, and the swords collided with each other!

Ye Chen's sword has wiped out countless swords, but there are still hundreds of them, which pierce through his body!

The attack of the two men almost melted the minds of the geniuses of the great gods!

Is this the strength that the warrior of the kingdom of God can possess?

Originally, they thought that such an attack could only exist on the high level of military power!

But now, actually, appears in front of them!

At the same time, many people are quite nervous to see where ye Chen is!

Just now, ye Chen was pierced by hundreds of sword lights!

Any sword light, don't say it's penetrating. If you touch them a little, they will die!

Did ye Chen fall like this?

Tu Lan Xin's pretty face is pale at this time!

But at this time, the original face, also with a sneer Kong Xian, suddenly look a change!

At the chest, blood flashed and a ferocious wound appeared!

Kong Xian's eyes opened wildly, which was very frightening. The sword disappeared thousands of swords. Unexpectedly, he still hurt himself?

At the same time, a blood stained figure rushed out of the smoke and dust aroused by the sword Qi, just like a sea of blood Shura, and rushed to Kong Xian in the air!

Chapter 2700

This is Ye Chen!

Although Ye Chen is covered with blood at the moment, he looks fierce and incomparable, and doesn't look like he was seriously injured!

Some sharp eyed warriors even found that ye Chen's wounds were healing rapidly!

It's amazing!

What is the ultimate monster?

"Damn it!" Kong Xian angrily scolded, but he moved back and left!

All of them were stunned!

The Confucianist immortal in the four layers of chaotic state retreated in the face of Ye Chen?

At the same time, kongxian points his finger to the sky and roars out again. All the swords are cut!

At this time, on Ye Chen's face, however, a crazy color appeared. After cutting out most of the sword light, he let the residual sword light bombard his body, and also approached Kong Xian!

A crowd of martial arts people are going to fall out of their eyes!

This way of fighting, too crazy, too terrible!

Everyone, looking at the blood demon like Ye Chen, is a shiver!

Ye Chen, is this crazy?

People do not know, at this time, ye Chen's eyes, but the essence of light flashing, incomparably rational!

He knows, close combat, in order to maximize their physical advantages!

Kong Xian, although spirit power, breath and so on, was banned 70%, but still higher than ye Chen now!

And ye Chen, can really crush Kong Xian, is the body!

In addition, the forbidden spirit Dharma body consumes a lot and is not suitable for long-term war. If you want to make quick decisions, it is also the best to fight in close combat!

Kong Xian's face was extremely ugly, and ye Chen almost killed himself. Moreover, he obviously mastered an extremely advanced body skill and martial arts. His speed can be regarded as frightening! How can he get rid of it?

Soon, he will be blood people like Ye Chen, deceive close body side!

Ye Chen evil one smile way: "caught you."

The next second, a sword to head off!

As soon as Kong Xian gnawed his teeth, he had to hold the sword in his hand, and his whole body was filled with spiritual power without reservation. Thousands of false shadows of swords merged into one. On the long sword, there was a dazzling white light flashing!

Sword to sword!

With a loud bang, I saw that the condensed sword light was suddenly collapsed, and the figure of Kong Xian was directly blasted by Ye Chen's sword!

His hand shaking the sword, the mouth of the tiger was broken, even the bones, there were cracks!

His pupil wavered and looked at Ye Chen in disbelief

What terrible power!

Not waiting for Kong Xian to relax his strength, ye Chen's mouth is grinning. He has just cut out the sword of Zhiqiang, but he seems to have endless strength. He doesn't need any rest at all and recovers. He rushes up again!

Ye Chen now, do not know how much blood shed ah!

Even if it was a giant beast in ancient times, it was on the verge of exhaustion, right?

But what about ye Chen?

It seems that there is infinite power in general

This physical quality, even the gods, should look at it

It's another sword with extremely accurate and fatal angle, and it's fast!

Confusedly in his eyes, Kong Xian had to bite his teeth and barely lift his sword to meet him!

With a roar, Kong Xian's body suddenly retreated again! In the eyes, already appeared the color of panic! Can't keep calm any more!

Close combat, he is not ye Chen's opponent at all!

If he goes on like this, he will be defeated without a thousand tricks!

It seems that there are many moves. However, with Ye Chen's sword frequency and ye Chen's deadly fighting method, his physical strength is almost infinite

It's just a matter of an instant!

Sword and sword collide, the sound of roar is endless. In a flash, ye Chen has cut out hundreds of swords!

At this time, Kong Xian's face was extremely ugly, even pale and bloodless. His whole body breath was extremely disordered. His arms were dripping with blood, almost useless!

It's another sword. It's a blow down!

"Ah, ah, ah

Kong Xian roared and held the sword in both hands. He ignored it. With his strength, he resisted the sword. At a very close distance, he cut out a sword that had been brewing for a long time!

He knew that even if he raised his sword to defend himself, he could not block Ye Chen's sword in his present state!

Well, it's better to fight!

But at this time, on Ye Chen's face, there is a strange smile. In his body, there is a road of white fog. The thousand swords, directly from the fog, pierce through!

"Poof!" At the next moment, Ye Chen's figure recovers. Rao shows his magic power of atomization. He completely bears the sword, and is also injured.

But! He knew that Kong Xian would be worse than him!

With one sword, Kong Xian, who just broke out with all his strength, had no time to dodge and defend himself!

There was only a copper coin shaped body protecting magic weapon, which suddenly burst out a burst of yellow light, protecting Kong Xian under it! However, the yellow light, which was extremely solid, collapsed in an instant when it came into contact with the blade of Qinglian mietian sword!

The corner of Ye Chen's mouth, with a sneer, is also greatly restricted in the forbidden spirit realm!

With a roar, the sword fell on Kong Xian's shoulder!

A scream rang through the sky. Kong Xian's face was pale. Half of his body was suddenly soft. His blood ran wild and his bones were broken. The whole man was paralyzed and dying!

Time and space, as if frozen, everything, into stillness!

People, looking at the fallen Confucius, silly

Totally stupid

The Confucius genius of the first Kingdom can control the life and death of the demons in each kingdom at will. He has become a chaotic four layer heaven, and can almost destroy the genius of other gods Is that a failure?

Looking at Kong Xian, that extremely miserable appearance, all people can't help but look at Ye Chen.

At this time, ye Chen stood with a sword and his long hair fluttered in the wind. He was covered with blood, but his eyes were extremely fierce. His temperament was very cool. He was like a god of war who had experienced thousands of years of bloody battles.

Their eyes, can not help, floating up a strong awe!
