

Physician 2701

Chapter 2701

Ye Chen looked down at the Confucius immortal at his feet and said without expression: "originally, whether you want to kill people from other countries of God or rob things from other countries, as long as you don't involve me or the seventh kingdom, it's none of my business, and I won't care."

"But, you know, what's wrong with you?"

"Chen Yida, if you offend me, I will kill it. It has nothing to do with you."

"You are wrong not to look down on me, should not think that you can decide my life and death at will, understand?"

"You can exterminate the geniuses and demons of the great gods, and occupy all their divine resources. Perhaps, you will not have anything, and you will have a great harvest."

"But if you offend me, ye Chen, you must die!"

Ye Chen said word by word, that in the town god tower fantasy, sharpened out of the spirit of killing, burst out, just like the God of war coming out of the sea of corpses, terrifying, people can't help but remember his words, giving birth to a sense of worship!

Tu Lanxin and Luo's poems, including many female martial arts practitioners, are shining in their beautiful eyes.

Ye Chen of this moment, too dazzling!

What he is stepping on is the demon of the first Kingdom.

Confucius, the strength may not be the most terrible of the seven divine kingdoms, but the background of Confucius is too terrible!

In addition to fearing to reach the heavenly way palace, what dare they dare not?

Who dares to fight Confucius?

"I, I was wrong..."

Kong Xian, who had been so arrogant, was full of fear and said, "Ye Mr. Ye, let me go. You can even plant a slave mark on me. I promise that I can take you to the first Kingdom of God, and let you have an unimaginable position

"Mr. Ye, I was confused for a moment! The disaster of extermination is coming. Killing me will not do you any good, will it!

I have a lot of energy in the first Kingdom, and I won't let you down! If you can let me go, not only you, your relatives, friends, even the whole clan, can be taken away!

The number of the first God kingdom is far more than that of the seventh God kingdom. At that time, the reincarnation Lord divided the territory, which was also the largest existence. We do not lack such people. Moreover, the first God Kingdom, which is countless strong, is the last fortress of each major kingdom! We are fully confident that we will be able to survive the disaster of extinction! "

"With your qualifications, you are too wronged in the seventh kingdom. Only when you get to the first Kingdom will you be able to make great achievements!"

His eyes, showing a strong desire to survive, Ye Chen's strength, really let him shock, fear, even despair!

When a group of warriors heard the conditions of Kong Xian, they all held their breath in an instant, and they could not help but appear excited! Countless eyes, staring at Ye Chen's face!

The conditions offered by Confucius are too attractive!

It's so rich!

Even if it was the practitioners who had been killed, their eyes were shaking. They didn't know whether they could refuse Kong Xian if they were standing in the position of Ye Chen?

To be honest, what kind of hatred is more important than having immediate interests?

The world of martial arts practitioners is so realistic!

What's more, although Kong Xian targeted Ye Chen and chased Ye Chen, he did little real damage to Ye Chen!

If they were Ye Chen, I'm afraid they would accept such conditions in an instant

But!

At this time Ye Chen, in the heart is very insipid, does not have the slightest emotion fluctuation.

He looked at Kong Xian and said, "don't worry."

Everyone's eyes were wide open, and there was a glimmer of hope in Kong Xian's eyes.

Don't worry?

Is Ye Chen going to let Kong Xian go?

Although the soldiers who were killed by their companions flashed through their eyes, they didn't blame Ye Chen. If they were them, they would probably do the same.

Can, all of a sudden, ye Chen's face appeared on a wipe of fierce color way: "where I go, all can make a great leap forward!"

After that, the sword in his hand was lifted up, and he was about to behead Kong Xian!

"No! Don't do it Confucius howled bitterly, as if, had collapsed because of the approaching death!

Can be at this time, ye Chen, but suddenly look a change, body explosion flash, toward the rear to retreat!

Everyone was surprised!

What's wrong with Ye Chen?

Did you change your mind again?

What's more, why do you look so scary?

At this time, the kongxian, the original collapse of the expression, but gradually dissipated, into a cold smile: "ha ha, intuition is quite accurate."

"Unfortunately, it's too late. The ceremony has been completed! You still have to die

He suddenly burst out laughing and said, "ha ha ha ha ha ha ha! God descending spirit, help me kill demons

People's faces, are thick puzzled color, this hole fairy all to hit like this, also said to let Ye Chen die? Was it a fool to be beaten? Crazy?

At this time, in the cave behind Kong Xian, a column of blood light suddenly rose to the sky and went directly to the end of the sky, as if breaking through the barrier of this secret place!

An incomparably magnificent breath, instantly diffuses and the heaven and earth, all people are the mind big tremor!

This What is this breath?

Just being touched by this breath makes people tremble from the soul!

Don't say it's resistance or something!

Almost Daoxin will collapse in the extreme shock!

At this time, Confucius's eyes, is ecstasy, mouth raised a crazy smile!

It's a success!

It's a success!

Now, ye Chen no matter how strong, how adverse, there is only one result!

Die!!!

Is this the successor of Confucius!

In fact, his previous weakness, fear and so on, are pretended!

This is the moment he's waiting for!

"Ye Chen Tu Lan's heart was pale and exclaimed. He was about to rush towards Ye Chen, but he was held by Luo Shishi!

"Lan Xin, calm down, you go now, there is no help to him!"

"Maybe even die!"

"He can offend the Kong family, but you can't offend him!"

After the blood column dissipated, it was replaced by a huge blood figure!

This figure, like the God of heaven, looks down upon all living beings, and seems to have only indifference in his eyes.

Ye Chen stares at the old man's shadow with his hair fluttering and wearing a Taoist robe. His pupils shrink wildly and his face is extremely dignified!

He knew that the shadow was not the body of the old man, but a charm that came to the secret state of the divine source through the secret method!

But this charm gave him a feeling that he could not resist at all!

"Laozu Zong, kill him!"

Kong Xian roared with a ferocious look on his face!

Chapter 2702

Wanfazong is the power of the first divine kingdom.

Moreover, it is an unshakable force!

Because there is an ancestor in Wanfa Zong!

He is not only the ancestor of Wanfa Zong, but also the grandfather of Confucius!

He is kongchi, the martial arts strongman of the first Kingdom!

The ancient medical God of samsara cemetery also felt the threat: "boy, the power of this virtual shadow is far more than that of me and the crazy overlord!"

"You can't fight! This war is very difficult. "

"If I haven't used the power of mind, maybe I can fight against it."

"But now, there's no way to fight."

"Unless --"

the mad overlord and the ancient medical God looked at a tombstone in the samsara cemetery.

In the tombstone, a spear and a huge bow with a desolate meaning are shown.

It's very mysterious.

"Damn it!"

Ye Chen takes a deep breath, and his brain is spinning rapidly. This virtual shadow is too terrible. Even if he uses the atomization magic power, he can only be killed by one stroke and a second, right?

At this time, that blood color virtual shadow, lightly swept Ye Chen one eye, moved.

He slowly raised his hand, to Ye Chen, played a palm.

It seems to be light and floating, there is no hard palm!

But!

The whole Shenyuan secret place, however, was shaking wildly!

The spirit source breath, becomes incomparably disorderly!

A palm like the sky collapse, with endless destruction, toward Ye Chen dumping!

The palm print passes, the void collapses, even the air vanishes for it!

Just palm meaning, let the countless talented warriors around the scene spit blood and get hurt!

"Ah, ah, ah, ah Ye Chen is like a wild animal forced into a desperate situation. He gives a roar and bursts out a burst of fog all over his body!

People's pupil shrinks, this atomization magic power, they have seen, ye Chen is using this move, hard to resist Kong Xian's extreme sword, and defeated Kong Xian!

Now, ye Chen again with this move, hard resist that startles the world, sobs the ghost God's palm?

But the next moment, all people, are the face of incomparable shock!

They're wrong!

A figure, with a sword in hand, sprang out of the fog and roared wildly. The power of the forbidden spirit broke out wildly, turning into a blue chain and heading for the Jingtian palm print lock!

At this time, ye Chen, like a hell fighting ghost, turned his eyes into blood, and his whole body was full of fighting spirit. He cut the bloody palm print with a fierce sword!

All of us are moved by it!

Ye Chen, even in the face of such a terrible palm, unexpectedly still choose a war!

This is what kind of courage, what kind of mood?

Ye Chen's martial art is admirable!

Admiration from the bottom of my heart!

All people, looking at Ye Chen's eyes, have taken a trace of respect!

This is the martial arts practitioner!

They will never forget today!

Even, many people began to hope that ye Chen could survive!

The next moment, ye Chen's sword, cut to the palm print above!

The cold sword light that once convinced these geniuses turned into nothingness without any resistance at the moment of touching the palm print. Even, it was the long blue sword in Ye Chen's hand and flew out at the same time!

There are even cracks on the sword!

The blue chain, which was twined on the giant palm with the power of forbidden spirit, was broken in an instant!

Giant palm touched Ye Chen's body, time, as if there was a moment of freezing!

Ye Chen, who had suffered countless sword lights from Kong Xian, turned into a blood mist in an instant when he touched his palm print!

It's completely blown up!

Even a trace of flesh and blood, did not leave the explosion scattered!

But the giant palm, after smashing Ye Chen, did not stop, but continued to roll down, with a loud bang, shaking the sky and earth. The palm print fell, the storm raised, and all the fog on the high cliff was blown away!

Even many warriors were overturned by the strong wind!

And the blood mist that ye Chen burst and scattered naturally disappeared with the wind, leaving no trace

Seeing this, Kong Xian's face was full of crazy pleasure, and he laughed wildly: "ha ha ha ha, waste. Don't you mean that you can make a great success wherever you go? Don't you mean that I underestimated you by mistake? Anyone here? What the hell are you? Continue to be arrogant? Continue to pretend in front of Laozi! "

Two lines of clear tears slide down Tu Lanxin's pretty face. At this time, her face is pale, her beautiful eyes are dim and her delicate body is soft. She can't even stand.

If it was not for Luoshishi's support, she might be paralyzed on the ground.

Ye Chen, how could you die like this? Even those martial artists sighed and shook their heads, feeling extremely sorry.

A warrior like Ye Chen died, but a warrior like Kong Xian survived?

Sometimes, the reality is so cruel.

The blood color shadow, after hitting the palm, became thin and thin quickly, and disappeared completely in less than a breath.

Kong Xian took a pill that was full of precious light. His broken body was wriggling. Although he looked very weak, he could barely stand up. He even changed into a neat white robe, which was very calm.

The four layers of chaos have extremely terrible recovery ability.

Although it is not to the degree of metamorphosis that Ye Chen can ignore everything, it is not too difficult to recover as long as he does not die, spend some time, or have some excellent pills.

Just at the moment when Confucius stood up, there was a dark sword light, which suddenly chopped at him!

A beautiful woman's figure, with a startling and murderous spirit, flies from the crowd!

It's Tu Lanxin!

At this time, her beautiful eyes lock Kong Xian, a piece of cold!

She wants to revenge Ye Chen!

She knows that a lean camel is bigger than a horse!

Even though Kong Xian has been seriously injured, those who are stronger than her dare not rashly attack!

However, even if there is only one chance, or even no chance, Tu Lan Xin will take revenge on Ye Chen!

Kong Xian is dignified, he can feel Tu Lan's heart is very strong!

He can't fight!

But why is he on his own?

He sacrificed a jade card in his hand, which turned into a terrible sword spirit!

It's not his power!

Although not so overbearing shadow! But it's not that Tu Lan Xin can compete with now!

So we can see how terrible the inside story behind Kong Xian is!

When the jade brand sword Qi was cut out, the black sword was turned into nothingness. Tu Lanxin himself was shocked and flew upside down, half kneeling on the ground, with a trace of blood spilling from his mouth!

Obviously seriously injured!

When people saw this, they could not help but swallow a mouthful of saliva

What kind of monster is this?

Under the serious injury, still have such inside information?

Confucius is too terrible.

Chapter 2703

Ye Chen, how could you defeat such a monster?

Unfortunately, it was Kong Xian who won in the end.

With a sneer on his face, Kong Xian walked towards Tu Lan Xin step by step, licked his lips and said, "ha ha, it seems that you know that my childe's real anger is so hurt that you came here to see you off? How do you know that this young master is proficient in the method of double cultivation. At this time, I need a good cauldron furnace? "

"You are very beautiful, but it is in line with my childe's appetite. If you are willing to be obedient, I will not only not kill you, but also give you a lot of benefits. What do you think?"

Tu Lan Xin's face changed, and Jiao said, "beast! Kill if you want to

Say, whole body breath is irascible, unexpectedly want to explode directly!

But the next moment, Kong Xian's body flashed, and he appeared in front of Tu Lan's heart. He grabbed her throat with one hand and lifted her body up. The original angry breath disappeared in an instant. Even the spiritual power in Tu Lan's heart was suppressed by Kong Xian!

In the eyes of Confucius, a touch of greed appeared. He was about to open his mouth and say something.

"Poo Yi" a light sound, under the high cliff, with the wind.

The smile on Kong Xian's face solidified

Blood, along his chest, continued to spread, instantly dyed his white robe.

He lowered his head and saw a long red sword pierced his chest!

Behind Confucius, a cold man's voice sounded.

"She is not the woman you can touch."

A silence

All of us are lost

At this time, behind Kong Xian, stood a figure, like a corpse, all flesh and blood, as if just grow out of the figure!

Although, this person looks, extremely terror, breath decline appearance, but, everybody, all recognized this person is who!

Ye Chen!

Ye Chen, not dead yet!

I can't believe it. Tu Lanxian's heart pierced.

It's not a dream, is it?

"No way..." Confucius turned his head reluctantly, with an incredible look in his eyes, "you can't be alive..."

Ye Chen's eyes flashed, and the palm that he was able to subdue was extremely terrifying. Even if he tried to use his physical strength and means, if he resisted, there would be only one way to die!

And the "Ye Chen" who was smashed by the palm print, of course, is not him!

At the same time, it's not only the spirit body that has been seriously injured, but also the spirit spirit body!

When the hand blows down, ye Chen knows that even if he uses the magic power of atomization, he can't resist it at all!

So, he used the spirit beast!

Let the spirit dividing beast exert its full strength and use the forbidden spirit Dharma body to resist the palm print's attack, weakening the power of the palm print. At the same time, his body quickly escapes after melting the fog!

Even so, he was almost killed by the hand of Yu Wei!

Relying on the art of God's exuviation, he barely survived!

However, it was also the original damage, which could not be recovered for a moment. Until Kong Xian seized Tu Lanxin's throat, ye Chen's body came out again and penetrated the defenseless Kong Xian with a sword!

Fortunately, Fenling beast is a very special existence. As long as ye Chen doesn't die, the contract between him and Fenling beast exists. Even if Fenling beast is bombarded into slag, it can be condensed again. It's just a matter of time.

At this time, looking at the frightened Confucius, ye Chen has no expression.

"Ye Chen, you can't kill me, the forces behind me..."

"Shut up!"

Ye Chen doesn't want to listen to his nonsense any more. With a slight effort on his wrist, the Confucius immortal in front of his body disappears into a blood mist.

He picked up Tu Lan Xin on the ground and took dozens of pills in one breath. The powerful genuine Qi poured into his body, and the shriveled flesh and blood gradually became rich and restored a trace of vitality.

Looking at TU Lan Xin, whose eyes were red, ye Chen said with a smile: "Tu Xianzi, did you cry?"

Although he had not recovered completely and his body was on the verge of collapse, he could feel everything. From the moment Tu Lanxin wept, he knew that Tu Lanxin really cared about himself.

Tu Lan's face was slightly red, and she seemed a little shy. But soon, she returned to her cold look and said, "I'm just worried about the future of the kingdom of God..."

Ye Chen has a smile on his face and doesn't go into it.

At this time, luoshishi also came over and said with embarrassment: "Mr. Ye, i..."

Just now, she thought that ye Chen would die, preventing Tu Lanxin from rushing over. However, Tu Lanxin's strength was superior to her. When she was determined to avenge Ye Chen, Luo Shishi failed to stop

Ye Chen waved his hand and said faintly, "you are right. I want to thank you."

If not for Luo Shishi, Tu Lanxin might have been shocked into nothingness by the boundless palm power. And the practitioners on the scene, after a brief silence, burst out a burst of cheers!

Ye Chen, kill Kong Xian!

Although, they don't know how ye Chen survived that palm, but he just did it!

The Revenge of their companions, of their kingdom, has finally been avenged!

"Ye Chen! Ye Chen! Ye Chen Some of the great gods and warriors even couldn't help shouting Ye Chen's name!

Now ye Chen, in their hearts, is a hero!

Those who looked down upon the seventh kingdom of God had completely changed their views!

Changed because of Ye Chen!

At this time, several figures flashed out of the crowd and walked towards Ye Chen. Their bodies were full of various verve. Obviously, they were the people of various gods!

The first one exudes the light golden verve, cultivates chaos four layers of heaven, a red robe, looks heroic man, the complexion extremely respectfully salutes to Ye Chen: "the first divine kingdom is in charge of Tianmen, Han Feiyu, met Ye Gongzi."

Behind him, several other youths with silver, blue and other verve flickered all over him. They also saluted: "Huo Yuanbing, the shadowless sect of the second Shenguo, have seen Mr. Ye."

"Chen Kui, liebingmen, the fourth God Kingdom, has met Mr. Ye."

"Yu Xiong, the fifth Shenguo yuan Yaozong, has met Mr. Ye."

"The sixth kingdom of God, Bai Feng taught Zhen Mo, and met Mr. Ye."

All of them are representatives of the great gods. They bow their heads to Ye Chen and show their love!

Tu Lanxin and Luo Shi Shi Shi take a look at each other, they are extremely excited!

This means that the other gods have finally recognized their seventh kingdom again!

This is the dream of every guardian descendant, but no one can do it!

Now, because of Ye Chen, it has come true!

Ye Chen lightly nodded, did not say much.

However, the people of the great gods did not dare to be dissatisfied with this, but looked relieved.

Then, ye Chen said to Tu Lanxin's second daughter: "let's leave. I'm hurt a lot in this war. I need to recover well."

After that, they left here with a flash of body shape!

Chapter 2704

After ye Chen's three men left, a group of martial artists slowly turned their eyes to those of Kong Xian's men

And a group of kongxian's men, in the face of one after another bloody eyes, face a ferocious color of martial arts, is incomparably afraid, trembling.

.....

In the next month, ye Chen, Tu Lanxin, and Luo Shishi were frantically in the Shenyuan secret land, sweeping up all kinds of Shenyuan foreign treasures. Naturally, ye Chen's ability to find treasure against heaven scared the two girls to be silly!

They now, is some understand Ye Chen's strength, why can soar to such a point!

What they couldn't believe was the speed at which ye Chen refined all kinds of exotic treasures

ordinary people, even those who are strong in chaos, divide the exotic treasure into several parts and slowly refinish it. Otherwise, they will probably not be able to bear the essence of the essence of the gods.

What about ye Chen? A phagocytosis is to swallow dozens of them, as if, the divine source of exotic treasures, as if they were snacks

It's hard to describe

Ye Chen also gave Tu Lanxin and Luo Shi Shi Shi some rare treasures that he could not use. Although they were only a small part, they were enough for them to digest!

After all, not everyone can devour foreign treasures like him.

A month later, the three people came to the top of a high mountain.

At this time, ye Chen, all over his body, has been condensed to an unimaginable degree, and his body and spirit have been greatly improved!

Just for cultivation, you have reached the realm of cutting off the three levels of heaven!

It's very difficult to break through after cutting the enemy!

And ye Chen's breakthrough in this period of time can be said to be unimaginable!

Unfortunately, there are too few such secrets in the world.

Otherwise, he would like to break through the chaos and leave again.

Moreover, he found that the later the cultivation, the more terrifying the suppression of reincarnation!

He can probably understand the purpose of reincarnation and hope that his foundation is very solid!

Solid enough to be fearless of everything!

In his eyes, he was brilliant. Now, if he faced Confucius again, he would never fall into a bitter battle, but would kill him directly!

With his current strength, he is confident to fight with the chaotic strongman Bai Yuhuang of Zhenlong palace, which was about to be held for half a year!

Even if he didn't rely on the spirit animal, he might bear it and not die!

Think of that blood color virtual shadow, in Ye Chen's eyes, flash a cold light, Wanfa Zong ancestor?

Ha ha, this revenge, he Ye Chen must revenge!

The breath of Tu Lanxin and Luo's poetry standing behind Ye Chen is also several times stronger. Tu Lanxin is already in the state of chaos, and Luo's poetry is six layers of chaos.

Don't look down upon it. It's very difficult to upgrade the chaotic state to a higher level!

If ye Chen did not have the supernatural and exotic treasures given by Ye Chen, they could not have done it at all.

At this time, in the high altitude, the spirit of Shenyuan was turbulent and intangible, which filled the whole Shenyuan secret place!

Ye Chen's eyes brightened. Today is the day when Shenyuan secret place will be closed again. All the martial arts practitioners in the secret place will be sent out of the secret place. It's time for the three of them to return to the seventh kingdom!

However, the light came, Tu Lan Xin left!

Luo Shishi left!

The whole secret place is gone!

Only Ye Chen did not leave!

Ye Chen looked at the lonely and quiet around, some muddled.

What's the situation?

Is he sealed here!

Touched the fury?

Soon, ye Chen sensed something, turned his head fiercely and looked in a direction.

Three old people appear in front of Ye Chen.

Ye Chen's eyes are dignified!

Because, the strength of these three people, caused the extreme danger to him!

These three people are not chaos!

At least it's the heaven!

Through chaos, fight through the sky!

If you say that chopping is against erley!

And the heaven God realm is against the sky!

He also learned from Tu Lan Xin, and according to Tu Lan Xin's understanding, there are not many gods in the present kingdom.

Any one of them can not be ignored.

"Lao Yun, is that the man you are talking about?"

"Are you sure it's him?"

"The appearance is somewhat similar But there are too many bad accomplishments... "

"I don't believe it."

Two of them saw Ye Chen, frowned slightly, and asked the old man in the middle.

And the middle of the green robed old man looked at Ye Chen, but it was incomparably dignified.

Even in awe.

"It's him."

In the middle, the voice of the old man in green robe sounded.

Ye Chen is slightly stunned.

This voice, he is very familiar with! Isn't it the sound in the darkness of the temple!

He helped himself?

Just then, the old man on the far right stepped out: "who are you?"

Ye Chen did not speak, his hands were behind him: "I am Ye Chen, the seventh kingdom of God, ye Chen is the God level master!"

He had no intention of fear.

Even an idea of the other party can kill him in seconds.

The old man on the right was angry when he heard Ye Chen's attitude. He was about to open his mouth. The old man in green robe stepped forward and said, "Mr. Ye, I only want to ask you one question. Are you the Lord of reincarnation?"

Ye Chen Mou son shrinks, did not speak.

This identity is so important.

Once revealed to the enemy, you will die!

The old man in green robe seems to see ye Chen's hesitation and pinches the formula with his fingers, and a drop of blood essence emerges.

There is a trace of contract in the blood essence.

"Mr. Ye, the matter of identity is too important. I also know your caution. This blood essence has the meaning of my contract. Please accept it."

"Although the Ye family in the kingdom of God is destroyed, there are still three of us in this world, and we are all attached to the Ye family."

"We'd rather stay here forever than do anything to hurt the Ye family."

The other two were completely confused.

Contract blood essence, how can you sacrifice at will!

"Lao Yun, you are confused! Why do you do this to this boy? "

"Take back the blood essence quickly!"

"I think you are regressing in endless years!"

The two old men quickly advised.

When two people are ready to forcibly take back the essence of old cloud, the essence blood flies to Ye Chen's palm.

Direct refining.

The world is silent!

The next second, the two old men suddenly killed: "bold! Not only blasphemy the Lord of reincarnation, but also dare to refine our blood essence! Today I will make you suffer from samsara! "

In an instant, the violent power is released!

The whole secret place is shaking!

Dark clouds cover the sky!

This momentum, ye Chen has never seen!

It's the ultimate horror!

At the moment when the two extreme killing intentions are going to erase Ye Chen, ye Chen steps out and his blood is boiling!

"Kneel down!"

Simple two words, even contains a strong power!

Three reincarnation xuanbei around!

Red dust God pulse! Lingfeng's pulse is fully activated!

The terrible vision vanished in an instant!

The killing intention of the two old men was suddenly stiff, and their expressions were extremely frightening!

The next second, actually knelt directly in front of Ye Chen!

Chapter 2705

They can clearly feel that the power just released by Ye Chen is the reincarnation blood!

The world is qualified to have reincarnation blood, only reincarnation Lord!

And the middle of the green robed old man was very excited, but also directly knelt down: "see the reincarnation Lord!"

Ye Chen Mou son a congealing, ten thousand did not expect these three such terrible existence to kneel down in front of oneself!

If it is seen by people outside, it will shake the kingdom of God!

As for the breath.

Ye Chen doesn't know.

The power of the two old men even triggered the reincarnation blood!

Obviously, these two people have the power of reincarnation.

In other words, it must be the Ye family!

Ye Chen Mou son is dignified, open a way: "I am reincarnation Lord, what happened in those years? Why did the reincarnation Lord fall

Hearing Ye Chen's question, the old man in green robe was stunned, and then asked, "my Lord, have you not awakened your memory?"

Ye Chen shook his head: "No

The old man in green robe raised his head, but his eyes were firm: "my Lord, you told me that you should not account for anything in that year before the new reincarnation master awakens his memory!"

"Although we want to tell history, we are not qualified!"

Ye Chen eyebrows a frown, really don't understand at the beginning of their own is how to think!

Wake up memory, what else need to explain!

What is the reincarnation Lord afraid of?

Afraid of his revenge, afraid of his own premature death?

Ye Chen doesn't think much about it any more. For these three people, it's obvious that if you can follow them out, it will be of great benefit.

"Would you like to go out with me?"

However, let Ye Chen's surprise is that the three people shake their heads together: "we always guard here, this life can't leave."

"It's destiny."

"But If it is a critical moment, we can tear up the void, burn three people, and illusions will come to help the reincarnation Lord. "

Ye Chen has a dignified expression.

Three people's death can only be converted into a blow.

It's too sad.

Ye Chen is not a cruel person, naturally not.

He suddenly thought of the blood dragon and said, "do you know the whereabouts of a blood dragon in the nine heaven god dragon hall?"

The old man nodded: "I know!"

In an instant, ye Chen breathes quickly: "where!"

The old man in green robe shook his head: "the blood dragon is tainted with the spirit of reincarnation, and we can't say anything about it. This is what you once explained."

Ye Chen is a little angry!

Why give yourself hope and give yourself disappointment?

Why do you want to be like this?

"Since you don't say anything, send me out."

The old man in green robe nodded: "I'll come to you later, just to confirm one thing."

"The three of us should have fallen, but our hearts are clinging and waiting for hope."

"But I didn't expect that the hope came, the era was restarted, and the reincarnation Lord appeared."

"We welcome the Lord of reincarnation in the secret realm, step on the throne and take charge of reincarnation."

Words drift away.

A column of light shrouded, ye Chen disappeared.

After ye Chen leaves, three people still kneel, a long sigh rings.

"This time, this game of chess can't be lost again."

"I suddenly understand why the reincarnation master of that year fell."

"Maybe it's part of the plan itself..."

.....

Half a day later, the seventh kingdom, the God level sect.

In the hall, a group of elders and yuzhenzi gathered together in the hall, but all of them were extremely calm!

At this time, Yu Zhenzi's cultivation has soared a lot, but on his face, there is no joy at all. On the contrary, in his eyes, there is a strong worry!

And a few elder's cultivation, also is exalted many!

According to the law, when we are in chaos, it is extremely difficult to improve a small level. Without thousands of years, it will take hundreds of years. There are some martial artists with a little less qualification, and they can't make any progress in their whole life!

The reason why many high-level gods can have such a huge promotion is because of the relationship between the moon and the jade ring!

Now, in the night sky of the kingdom of God, on that bright and huge full moon, it has been fully surrounded by seven halos!

And the green light and fog that fills the air of the whole kingdom of God is also strong to an unimaginable degree. Almost everything is stained with a light green brilliance!

The aura of the whole kingdom of God has been increased thousands of times!

In such a stimulation, not only the high-level of the God level sect, but also the tens of thousands of martial artists in the whole Lingwu continent are in crazy promotion!

Moreover, if you really care about it, the growth rate of yuzhenzi and others' cultivation is still slow!

Good, but slow! They are the older generation of strongmen in the kingdom of God, and the real power of them is rising fastest among the young people of the kingdom of God!

Now, in the whole kingdom of God, there are even demons who have just risen and broken through the chaos!

Because of this, originally, because of the legendary moon appeared in Yuhuan, and worried about the imminent destruction of the world, the major doors also relaxed again.

According to legend, it will take at least 10 years for the moon to appear and the disaster of extinction comes.

At the current rate of promotion, what level of terror will be reached in ten years?

Ha ha, when the time comes, no matter how big the disaster, they will be able to pass it?

Therefore, the people in the kingdom of God do not regard the so-called disaster of extinction as one thing, but are immersed in the joy and excitement of the soaring strength!

All people regard the change of the kingdom of God as an opportunity, not a precursor of disaster!

Although this is not a good phenomenon, what Yu Zhenzi and others are worried about at this time is not this

At this time, the elder said with a heavy voice: "patriarch, I have just received the news that other first-class forces, even many second-class and third-class forces, have absorbed the awakened ancient strongmen, while our God Jizong, up to now, there is no ancient strong one..."

In ancient times, the strong people didn't join any forces at will. Generally, it depends on the origin

However, none of those who were awakened in advance by the demons, and some of the strong ones who have been awakened in the past three months, have no connection with the God Jizong!

What does that mean?

In recent months, in addition to the ecstasy brought about by the soaring strength, the kingdom of God is also in turmoil!

It is inevitable that so many ancient strongmen and various forces are fighting with each other

Although shenjizong was not involved in the struggle because there was no strong person in ancient times, the strength of the whole clan was also greatly expanded with other forces!

"And At this time, the two elders also said with a sad face, "not only the ancient strong, but also the ancient god body genius. There is only one in our family! It is said that several other clans have appeared! "

Chapter 2706

Three months ago, yuzhenzi ordered to vigorously cultivate the disciples of the sect. Although the strength of the disciples has been greatly improved, but

Compared with other big forces, it's a long way off!

Why?

Because of the existence of ancient god body genius!

Some martial artists, after accepting the original power brought by Yuexian Yuhuan, have a strange resonance with this original force!

After the resonance appeared, their physique had a great variation and awakened all kinds of ancient deities which only existed in ancient times in the legend!

Ancient deities, any one of them, can crush the existence of the supreme deity!

Those who may have a trace of connection with the ancient warriors who possessed ancient deities in ancient times, and who are extremely lucky to awaken the ancient deities under the stimulation of the original power are the most terrifying existence!

Their cultivation speed, strength growth speed, is not other martial arts, can match!

Even if the original, ordinary, or even extremely poor martial arts, once awakened to the ancient spirit body, it is a general transformation! No matter how rebellious the genius, can not be compared with them!

The ancient deities not only bring the most powerful strength and qualification, but also, most importantly, their physique is completely different from that of the present Shenguo warriors. They are extremely compatible with the original power of the divine kingdom which pervades the heaven and earth!

In the environment of the moon and jade ring, the ancient god body genius, in many people's hearts, is the real son of destiny, unshakable!

However, if ye Chen is here, we can see that the so-called ancient deity is not really awakened to the ancient deity, but a pseudo ancient deity which is similar to the real ancient deity through the power of the God kingdom!

Although these hypocrites also have extremely powerful power, surpassing the supreme deities, they are not comparable to the real ancient deities.

Not even like him.

What's more, the most important thing is that with the help of external forces, this kind of pseudo ancient deity can be condensed by force. It may have a very strong strength for the time being, and the cultivation progress is also very fast. However, just like the descendants of guardians, doing so will seriously affect the foundation of martial arts cultivation!

Even more serious than the descendants of guardians!

Even if ye Chen was given away for nothing, ye Chen would not want it. However, most people in the kingdom of God could not detect all this.

Yu Zhenzi sighed. At this moment, it is the time when the sects merge with each other and the divine power redefines its status. At present, the shenjizong, which had just become the zenith of the divine Kingdom, was suddenly widened by other first-class forces!

Surely, let alone the first-class sect, countless second-class sects are waiting to stare at the seat of God Jizong. Do you want to replace it?

There are more things that yuzhenzi worries about!

That is Zhenlong hall!

In recent months, the strength of Zhenlong hall has been greatly shocked because of the ancient deity body and the ancient powerful ones!

And the strength of baiyuhuang is not what it used to be!

The half a year's appointment with Ye Chen is coming soon!

Bai Yuhuang even threatened to humiliate Ye Chen in the battle of life and death!

Even cut off Ye Chen's head and hang it high in the sky!

Let the world spurn!

As master Ye Chen, yuzhenzi is angry and angry!

Yu Zhenzi kneaded his forehead and said, "if we go on like this, we will be in great trouble for God Jizong."

He thought of Ye Chen

Ye Chen, who has created countless miracles!

If ye Chen is still there, surely, the situation will be very different!

But at present, ye Chen is not here!

Three months ago, ye Chen said that he wanted to investigate something, and he never came back!

The great elder hesitated and said, "Lord You say, ye Chen, is he... "

Ye Chen, the existence that originally sparkled the whole kingdom of God disappeared for three months

Although, during this period, shenjizong was basically in a closed state, but ye Chen has not been seen, or it has caused a very bad impact on the atmosphere in the clan!

Even, many people are wondering whether ye Chen is dead!

Otherwise, why didn't you show up in three months?

Even a group of elders couldn't help but have the same idea

Yu Zhenzi, however, said firmly: "Ye Chen, he will come back soon!"

That day, after ye Chen left, he just publicized to the outside world. Ye Chen went out and closed down.

The two elders could not help but frown and said, "Lord, where is Ye Chen? On the one hand, we have not been attacked by other forces. On the one hand, it is because we have not been involved in the gratitude and resentment between the ancient strongmen. On the other hand, it is also because of the existence of Ye Chen

"Ye Chen, his performance in the divine light ceremony is amazing! What a shock! Three months later, Yu Weiyu is here! However, there is no airtight wall in the world! If it goes on like this, sooner or later, it will be noticed! At that time, our God Jizong will be really over! "The three elders also nodded: "good! No matter how important it is, let him be a monk for a while

"Yes! Now, let alone outsiders, there are many people in our clan who wonder whether ye Chen is dead, or because after the appearance of Yuhuan this month, his strength has not improved, and he is no longer the evil spirit that once attracted the attention of the public. Therefore, he dare not see people? "

"Nonsense "Ye Chen, he will always be the pride of our God Jizong!"

He also knows that recently, due to the strength of shenjizong's disciples, many people have even surpassed Hua Jingtao's strength on that day, so naturally, ye Chen is not so much in awe!

Some people began to feel that ye Chen was just like this!

Shenguo, in essence, is an extremely cruel and realistic place!

However, although Yu Zhenzi was angry, in fact, he was also worried!

Where did ye Chen go? Why hasn't it appeared yet?

Now, it's a great opportunity to improve our strength! If ye Chen missed it, it would be a pity!

And in that case, even if ye Chen returns, it is likely that the gap will be widened by other disciples of shenjizong and those talents in Shenguo

At that time, can ye Chen compare with those ancient deities?

And where did Tu Lanxin go? Three months ago, he suddenly appeared, leaving a jade amulet to protect the safety of a little girl!

No reason! Don't tell me where to go!

He is really in a hurry now!

Can't Tu Lan Xin have an accident.

That God Jizong really has a nightmare!

While all the elders were talking to yuzhenzi, there was a lot of noise on the square of shenjizong!

Almost all the disciples of the sect are surrounded here.

At the center of the crowd were five women and a smiling young man.

These five women are Sun Yi, Fen Ying, Lin Yaqin, Chu Ying, and Yin Ming!

As for zining and Xia Ruoxue, three months ago, I don't know why, they left directly.

As if to look for something!

Chapter 2707

These five women are also the most beautiful five women in the supreme sect of God!

By a group of disciples, known as the God of the five fairies!

Break out for five nuns!

Sun Yi has red dust spirit pulse!

There are ancient Protoss blood in burning cherry!

Lin Yaqin's inborn murderous spirit is completely evolved to kill gods! This body of killing God is also a very high Dharma body, which is not under the body of life and death. Its cultivation has also been promoted to the later stage of the state of disaster!

At this time, Chu Ying five people, but are face if frost, cold eyes glaring at the body in front of the round face man!

The man, however, was Qin Yuming, a servant disciple who had followed Ye Chen!

But strangely, now, a group of disciples look at Qin Yuming's eyes, but with a faint look of awe!

Like, once looked at Ye Chen's eyes!

The vision changed the fate of all the people in the kingdom of God!

It also changed Qin Yuming, the first person in the true legend of shenjizong!

At the beginning, ye Chen saved two people in the hands of cold Jiuxi.

Wind Ling Su and thunder soul Qin Yuming!

Qin Yuming also became a supporter of Ye Chen!

But he has ambition, once, he has always been the first true biography!

The appearance of Ye Chen deprived him of all his honor.

He thought that he could not surpass Ye Chen in this life, so he also supported Ye Chen.

At least it's good to be a vassal of the strong.

But the appearance of the vision changed everything about him!

At this moment, the weakness of human nature is completely revealed!

No matter who it is!

Chu Ying said coldly to Qin Yuming, "Qin Yuming, what do you want to do?"

"What are you doing?" Qin Yuming's smile grew stronger and stronger. He pretended to be innocent and said, "Miss Chu, don't make it so bad. I just want to invite you five to have a drink. Why are you so angry?"

Chu Ying also said coldly, "drink? We refuse! "

"Don't be so heartless?" Qin Yuming raised his eyebrows. "Now, at least I am the first genius of shenjizong. In front of so many disciples, it's not good to refuse me, right?"

At this time, Qin Yuming, standing in front of Chuying and others, has reached the cultivation of chaos!

Yuexianyuhuan, although it is a great opportunity for everyone to improve their strength!

However, everyone, for the original power of the kingdom of God, adaptability, absorption speed, are not the same!

Qin Yuming, no doubt, is placed in the whole kingdom of God, all belong to the power of origin, extremely compatible existence!

In the absence of Ye Chen, he is worthy of the first genius of shenjizong!

And not only that!

If you look at it carefully, you can find a green Rune flickering in Qin Yuming's eyes!

What is the rune?

That's the symbol of the owner of the ancient deity!

Qin Yuming is the only one who awakens the ancient deity! Since he awakened the ancient deity, his position in the clan is invincible!

After a moment's silence, Yin Ming said, "Qin Yuming, aren't you a tutor who likes zongmen? Can you do this to her? "

Hearing this, Qin Yuming burst out laughing and said, "ha ha, it's normal for a good man to have many women around him? Yeah? Brother ye, isn't it?"

Why can't I, Qin Yuming?

Besides, now, can my identity be compared with before? That old woman is worthy of me now? Only women like you, known as the five fairies of the gods, can match my ancient body genius

"Qin Yuming!" Sun Yi stopped drinking: "we are ye Chen's women! Ye Chen, what did you do to you? He saved you! Because ye Chen, how much benefit did you get?"

Now, you say that? Do you know what you're doing! If ye Chen comes back, he will never let you go! "

"What's more, with Ye Chen there, you'll never be entitled to call yourself the first genius of Jizong!"

"You don't deserve to be compared with Ye Chen at all!"

In the square, there was a dead silence!

All the disciples are looking at Sun Yi and other girls in disbelief!

Now Qin Yuming is not Qin Yuming before!

Sun Yi and others dare to talk to Qin Yuming like this?

Isn't it killing you?

You know! Since Qin Yuming awakened the ancient god body, his cultivation soared, and his strong rise, what he hated most was that others mentioned Ye Chen in front of him!

Now, Sun Yi not only mentioned it, but also directly said that Qin Yuming was not worthy of being compared with Ye Chen?

This, is to touch Qin Yuming's scale!

Qin Yuming, can't you be angry?

Since he has the most powerful strength, he will never be like Han Jiuxi before. Even if he is insulted, he will still bear it! On the contrary, it is like to wash away the humiliation that once was. Now Qin Yuming is extremely domineering and ruthless!

These two days, in order to prove his own strength, he has successively beaten those disciples who once supported Ye Chen in the clan to be seriously injured!

Sun Yi and her daughter are going to be miserable!

Sure enough, after Sun Yi finished speaking, Qin Yuming's face was suddenly gloomy. In his eyes, a thick anger was surging wildly, and his breath became extremely cold!

He stares at Sun Yi, sneers: "you say, this child does not deserve to be compared with Ye Chen?"

He suddenly laughed at all the disciples around him and said, "have you seen Ye Chen in these three months?"

They all looked at each other and said, "no!"

Qin Yuming turned his head and looked at Sun Yi again and said, "do you hear me? No! Can you tell me why your Ye Chen didn't show up for three months? "

His face suddenly appeared a touch of fun, disdainful color said: "can't be in these three months, too little progress, scared by my child's talent, hide?"

You can persuade Ye Chen to let him come out earlier. It's not a disgrace, isn't it? "

"What's more, I can let him follow me because he saved me before!"

In Lin Yaqin's beautiful eyes, she said, "hide? Qin Yuming, do you think highly of yourself? Ye Chen is just practicing in seclusion and can't show up for the time being! "

"Closed door practice?"

On Qin Yuming's face, a strong sneer appeared. He said: "a few days ago, Peiyong, the demon of the second-class Lei Guang sect, came to worship the mountain. He crushed the original genius of shenjizong, who was called the second-class zhenzhan, and trampled on his feet. The dignity of the whole shenjizong will be crushed. Is this ye still in seclusion

"If it wasn't for me! Kill that Pei Yong directly. I'm afraid the God Jizong will give the thunder light gate, break the mountain gate, and swallow it directly? Mr. Ye, what about people

When the disciples heard the speech, their eyes twinkled. Many people's faces flashed with discontent and sorrow.

It is because of this incident that ye Chen's reputation in the clan has declined rapidly!

And many people are convinced by Qin Yuming's terror power!

Chapter 2708

As a result, many shenjizong disciples became supporters of Qin Yuming!

When they heard Qin Yuming's words, they could not help shouting.

"Ye Chen, the pride of God level sect? Hehe, the pride of not seeing people? "

"I think it's just that the progress is too small. I'm sorry to meet people?"

"Now ye Chen, and dead, no difference!"

Five women smell speech, are slightly frown, they do not know, ye Chen this period of time, why did not come back after three months?

Chu Ying light way: "Qin Yuming, we are not interested in drinking with you."

After that, the five girls turned and left without any intention of staying.

But at this time, a strong breath rose to the sky. Under the pressure of the breath, the bodies of the five girls in Chu Ying suddenly froze. They suddenly turned around and stared at Qin Yuming!

At this time, Qin Yuming's chaotic breath was surging, and his eyes were full of green light. Step by step, he walked towards Chu Ying and others, and said coldly: "my childe said that it's not good to refuse me in front of so many people. Today, you are willing to drink with me, you have to accompany me, you don't want to accompany me to drink, you have to accompany me!"

Feeling the terrible atmosphere that swept through the whole God level sect like a storm, everyone was crazy. Qin Yuming, relying on his breath, gave everyone a feeling that his life would be extinguished at any time, just like a weak candle!

This is Ye Chen did not let them feel the pressure ah!

At this time, Qin Yuming's strength has surpassed Ye Chen!

"Red dust God pulse, open!" Sun Yi burst into a light all over her body! Covering the rest of the women.

"Murderous body!" Lin Yaqin also drank, and she was so strong that she sent out. After awakening the body of killing God, she had been able to control the innate murderous spirit in her body!

Sun Yi protects the public, so he has to fight directly!

In Lin Yaqin's beautiful eyes, the color of blood red, a head of black hair, also changed to red, no wind automatic, a river of blood, emerged out of thin air, wrapped around the body, the murderous spirit rolling, it was an instant, then entered the original fight with Ye Chen, the release of the seal of God!

What's more, in his eyes, the divine light flashed, and his mind was not affected by the murderous spirit at all!

When Lin Yaqin danced the sword in his hand, the river of blood rose into the sky and turned into a bloody dragon, roaring and leaping towards Qin Yuming!

In Chu Ying's eyes, seven colors of light flashed, and he also used the power of life and death. With one sword, he attacked the point of destruction!

Yin Ming had a pair of daggers in her hands. Her body shape flashed. She was actually integrated into the shadow under her feet. She flashed rapidly in the void. Countless black shadows emitting dignified Yin Qi rushed toward Qin Yuming. This is the ability of the body without seclusion! To shadow the shape!

Although the remaining two women did not awaken to the special Dharma, their own martial arts talent was extremely high, and their strength was not weak. They had no expression on their faces, and their swords were turbulent all over the body. With one sword cut out, the sword light was surging, just like stars all over the sky!

People were shocked to see this!

Five women, unexpectedly in an instant, all burst out of a terrifying strength!

Such strength has surpassed most of the warriors of the divine level sect!

But!

Qin Yuming, disdain on the face of the color, but more rich!

His breath together, toward Lin Yaqin and others, suppress and go!

In a moment, the blood dragon, sword light, shadow and so on, which seemed to have infinite power, were like smoke, and dissipated in the air

It's horrible!

Their attack, even one tenth of a breath, did not persist? It's just broken?

Besides, Qin Yuming didn't even lift his hand!

Just with breath, it's completely crushed!

Lin Yaqin's five women, the move was broken, I also suffered a bite, back and forth, the corner of the mouth spilled a trace of blood!

They also looked at Qin Yuming in horror!

Qin Yuming is very strong. He and others are not rivals at all. They know that.

Just! Did not expect, the gap is so big!

Completely, one day and one place!

Qin Yuming said to the five girls without expression: "my child's patience is limited."

At this time, suddenly, a wave came out of the protective array of God level sect, which opened a channel on its own!

All the people, including Qin Yuming, looked at the opening place of the array with astonishment on their faces!

Now, only two people can get in and out freely!

One is Tu Lanxin.

And the other is Ye Chen!

Is Ye Chen back?

At the moment when the channel opened, a figure fell on the square!

At the same time, the man's indifferent voice echoed in the ears of all.

"Qin Yuming, what are you doing?" On the square, the moment fell into silence!

Some of the disciples looked at Ye Chen with great excitement, while the others looked scornful and sarcastic!

Ye Chen, come back!

Really back!

Tu Lanxin and Luo Shishi didn't follow him. Because ye Chen killed Kong Xian this time, their status as the seventh God kingdom was again recognized by the major deities. After leaving the Shenyuan secret land, they were invited to attend a Shenguo convention.

When Qin Yuming saw Ye Chen, his face changed in an instant. He even stepped back. A look of fear appeared in his eyes. However, he soon calmed down!

Why?

Because he found that ye Chen's cultivation was nothing more than three layers of heaven!

Closed for three months, but it's a three-tier war?

Qin Yuming laughed, disdained to smile, this is the so-called genius?

He knows that ye Chen can fight beyond the level, and the realm does not represent everything!

But!

After Qin Yuming really stepped into chaos, he could feel that there was a huge gap between chaos and non chaos!

What's more, Qin Yuming is the ultimate evil spirit with ancient deities!

Now, in the whole kingdom of God, are the top existence!

This, of course, is not only because of his speed of cultivation, but also because of the terror of ancient gods!

Qin Yuming now, even in the face of chaos, two layers of heaven, also have the confidence to fight one!

How could he be defeated by an enemy chopper?

What a joke!

Qin Yuming gazed at Ye Chen and said with sarcasm: "Oh? Mr. Ye, I haven't seen you for three months. Are you finally out? Good ah. Cultivation has been promoted to three levels of heaven? Where have you been shut up all this time? "

When a group of disciples heard the speech, they all made a burst of laughter!

"Three layers of heaven? Hehe, it's a big promotion. "

"Why, can't you hide? It will take another year and a half to break through the chaos and come back again? "

"The devil? It's very funny. "

Ye Chen, however, still looked pale and said, "I Ye Chen has acted all my life. Why should I explain it to you?"

Chapter 2709

Above the square, there was silence again!

Quiet as if in the deep sea!

At the next moment, some disciples burst out laughing!

Ye Chen, can't you see the strength of Qin Yuming?

It's not about death. What is it!

Qin Yuming said with a smile in his eyes: "although you have saved me, do you know that I can't bear to see you so crazy all the time. Do you think you can go on crazy all the time? You are blind and can't see the gap between you and me

Ye Chen corners of the mouth, floating up a trace of smile: "I may, really read wrong."

When people heard this, they were stunned again.

Many of the original excited looking at Ye Chen, eyes full of expectations of the shenjizong disciple Wen Yan, are unable to help, a dim eye, with disappointment to shake his head.

In their mind, the God who can't stand down and never bow down, finally, does not exist?

Qin Yuming's face showed a trace of satisfaction.

But at this time, ye Chen, but again opened his mouth.

"I didn't expect that I, ye Chen, also have time to look away from my eyes..."

"I shouldn't have saved you."

"Before, why didn't I find out, you Qin Yuming, such a brute?"

Silence

As if the pure silence before the birth of the universe

A group of martial arts practitioners, looking at Ye Chen, were so frightened that they even forgot to breathe

Ye Chen, has insulted Qin Yuming directly?

Qin Yuming awakened the ancient deity and cultivated himself into a chaotic state?

"You! Say it! What! Do you think so?" Qin Yuming's eyes are bloodshot, his veins are straight, and his expression is ferocious!

Now, he is a genius of ancient deities, a strong man of chaos, and the first evil spirit of God level sect!

He now, is not once that, with Ye Chen side of the vassal!

Now, he should be pursued and respected by thousands of people!

Ye Chen, how dare you!

He has been, very jealous of Ye Chen, not easy, turned over, but ye Chen, treat himself, even as if he had been treated!

"Oh?" Ye Chen looked playfully, "dog, you can't change eating shit. Do you want to hear it again? It seems that you are really mean? Have you forgotten the picture of being tortured by the cold Jiuxi

When Qin Yuming heard this, he was furious and couldn't bear it any longer. He roared like a wild animal out of control. In his eyes, his intention to kill flashed, and countless green runes surged in the depths of his pupils. The breath of God and heaven turned three times, like a tsunami, burst out in all directions!

Many of the disciples of the God level sect were shocked to vomit blood and seriously injured by the breath!

Qin Yuming turns his wrist and holds a long sword with a half step Jue ware. At the same time, an ancient breath spreads from his body to the edge of the sword!

For a moment, Qin Yuming, as if with the sword in his hand, melted into one!

The sky shaking sword, whistling and galloping, seems to blend into the cold light of Qin Yuming's sword!

All the spirits of the people felt a chill!

As if, by the sword idea through the general!

What a sword against heaven!

Qin Yuming gazed at Ye Chen, and said with anger in his eyes: "Ye Chen! Today, I will show you the horror of ancient gods and swords! I will make you regret every word you said to me

"Gods flying sword!"

The next moment, Qin Yuming suddenly sword!

A very fast sword!

Like lightning, almost no time interval, they arrived in front of Ye Chen!

The ultimate streamer, pouring out, in an instant, the martial law, trembling for it, endless void, return to the vanishing!

Just like the gods in the world, the sky is dead in front of you!

Because of this sword, the whole holy mountain where the God level sect is located tends to collapse!

The patron saint level sect, after countless precious material reinforcement of the body protection array, under the terrible sword idea, began to break!

Countless white swords make up the world of death, devouring Ye Chen thoroughly!

Chu Ying and others, at this time, pretty face is already a pale, bloodless, beautiful eyes, are incomparably worried color!

Qin Yuming's sword, strong to the extreme!

Indeed, the whole kingdom of God seems to be able to be penetrated by his sword!

Many shenjizong disciples have already sneered at Ye Chen as if they were looking at a dead man.

Even those disciples who supported Ye Chen couldn't help but feel sad. They didn't think ye Chen had the ability to resist this sword beyond the limit of his thinking!

At this time, ye Chen, moved.

The green lotus destroys the sky sword, I do not know when, appeared in his hand.

He cut a sword at will.

Even though the meaning of the sword was not used, it was just a simple sword. Although simple, it does not mean that this sword is not strong!

That, but contains Ye Chen, that beyond imagination's formidable sword!

Space, it seems, can not bear the weight of Ye Chen's sword, but compressed!

This random sword, but the whole mountain around the air, was madly stirred!

The huge storm of a sword, from the square of the God level sect, diffuses outwards. Even the fog of the protective array can't resist the force of the strong wind. With the hurricane, it keeps spinning!

A group of disciples, even if their whole body spirit power breaks out and they try their best, they can only barely keep their body shape and not let themselves be blown away by the wind pressure. At all, they can't even stand firm!

Sword to sword!

It looks like a pile of powder, but it's like a sword

What's more, the boundless force surged out. Qin Yuming's long sword with half step Jue tool broke with a click!

This is a weapon of half step jueju!

It's so tough that it can't be described. It's a treasure of the same rank as Xuanyuan's sword!

Unexpectedly, ye Chen so casually a sword, directly, cut off!

Qin Yuming, at this time, has been completely pale, where, there is still half of the arrogance, anger?

Even under, only thick fear, and regret!

"Poof!" Qin Yuming spits blood, and his body flies backward. He is very fast, just like a shell coming out of the chamber!

There is a big bang and the mountain is shaking, just like the earthquake of magnitude 10!

Even the mountain protection array was almost smashed by Qin Yuming!

Qin Yuming's body, from the fog barrier, slowly slide down, leaving a trail of blood, this collision, as well as ye Chen into his body of terror, Rao is he has the original power to stimulate the ancient god body, physical fitness has been greatly enhanced, also simply can not bear!

At this time, Qin Yuming's bones, meridians, flesh and blood were all broken in a mess, barely leaving a life, dying of serious injury.

as like as two peas in the seven cold schools, he was just like a picture of his injury.

But this time, ye Chen will not be saving.

Ye Chen looks at Qin Yuming spitting blood. In his eyes, he can't help flashing a trace of complex color: "I finally understand the mood of Lao Cang."

"Saved a man, but hurt himself."

"Man is the most complex existence in the world."

"However, I, ye Chen, hate betrayal most."

Next second, green lotus sword flies out!

And then from the sky!

A cloud of blood appeared.

That is the good of death and ye Chen!

Chapter 2710

Qin Yuming's death has shaken Ye Chen's mood.

Lao Cang saved a man in those years, but it caused the fall of countless powerful men in the kingdom of God.

This is the heartbreak of Lao Cang's life.

However, ye Chen will not be allowed to become his heart robbery.

"Let's go."

After that, ye Chen took five girls and disappeared in a flash.

Only a disciple of Jizong of gods who has been completely frozen, like an ice sculpture, is filled with cold all over his body, his soul is scattered, his brain is blank, and he is shocked beyond description

Qin Yuming, who has an ancient deity and is rapidly rising, is regarded as a God by them

That's it. It's a failure?

Was Ye Chen, a sword at will, a sword that had not been used, and was seriously injured?

And erase it!

How did ye Chen practice these three months?

If ye Chen is a dragon, compared with the growth rate of Ye Chen's strength, each one is proud of his growth speed. The so-called ancient god body genius is not even an earthworm?

In the gate of the temple, there was a shadow of God.

At this time, yuzhenzi and one of the gods, Jizong elder, have been smiling and waiting here.

They have just heard that ye Chen is back!

Moreover, as soon as he came back, he defeated Qin Yuming with a sword!

That's Qin Yuming, the genius of ancient shenti!

Strength is not what it used to be!

Of course, if ye Chen doesn't come back in time, yuzhenzi will show up!

After all, several girls are brought by Ye Chen. As a teacher, he will naturally protect them!

But for the sake of the family, yuzhenzi could not do anything to the only ancient deity of shenjizong!

During this period of time, although Qin Yuming always claimed to be the first genius of shenjizong, yuzhenzi and others were helpless.

It's not that you don't want to manage it. You can't manage it!

If there is no Ye Chen in shenjizong, Qin Yuming is needed!

Ancient deities, in this era, is so terrible!

Originally, they were also worried about whether ye Chen missed the opportunity to improve his strength and whether he would be widened by others

Now it seems that it's totally groundless!

Ye Chen, no matter in what era, where, are the most brilliant existence!

Even if Qin Yuming, who has the ancient deity body, is defeated by Ye Chen at will. It can be seen that ye Chen's strength has gone against the heaven!

The crisis of the original God Jizong can be said to be lifted in an instant!

How can they not laugh?

Ye Chen said with a smile, "master, all elders, my disciples are late."

Yuzhenzi stroked his beard and said with a smile, "just come back, just come back!"

Ye Chen suddenly thought of Ji Lin and said, "master, what about the child that Tu Xianzi asked you to take care of?"

Yu Zhenzi suddenly said, "that girl's temper is strange. I wanted to bring her to shenjizong. Even if she handed over the keepsake, she would not return."

"Before this, I had to protect myself, but later, too many things happened in zongmen, so I could only come back."

"But before I came back, I set up the array for the girl. It's not that the strong chaos can't break the array, and the God Jizong elder is watching in the dark. I can rest assured."

"Not long ago, the elder sent news that the girl was in seclusion."

"With her, there is xuanlingzi of Cangu gate."

Ye Chen nods.

Yu Zhenzi is at ease when he does things.

Although yuzhenzi is expected to protect himself, yuzhenzi has to control the whole shenjizong, so he can't take care of Ji Lin.

At present, Ji Lin's seclusion should be related to the poison tablet.

I can't even see Ji Lin now.

Just wait for Ji Lin to close down.

I don't know how powerful Ji Lin is with the poison tablet.

Then, ye Chen walked toward a temple.

There lies the unconscious ye Lingtian.

Ye Chen opens the door, is to feel countless wild gas surging.

It's horrible.

And ye Lingtian has been quietly lying in bed, eyes closed, surrounded by a group of light blue light.

There are many ancient runes floating above the glory!

Ye Chen Mou son a congealing, this is a bit like Qin Yuming's ancient spirit body.

But the breath is far beyond the ancient spirit.

Ye Chen closed his eyes and felt everything around him. He found that countless auras of heaven and earth flowed into ye Lingtian's body!

"What did ye Lingtian's ancestors give him?"

Before ye Chen's words fall, an old figure appears around Ye Chen.

Yuzhenzi, of course.

Yu Zhenzi, with both hands behind him, looked at ye Lingtian and murmured, "disciple, this friend you brought is very special." "You also find the strange flow of aura in the sky of shenjizong."

"I thought ye Lingtian wanted to awaken the ancient deity, but it was unscientific to be unconscious for such a long time."

"During this period of time, I looked up some ancient books and felt that this person's condition was like someone from the ancient Ye family..."

"You don't know much about the Ye family. Its ruins are in the first God kingdom. At that time, the kingdom of God was an extremely powerful one, named the Lord of reincarnation, so..."

Ye Chen opens a way: "master, these I know, Tu Xianzi and I said."

Jade Zhen son suddenly, nodded: "at present, only to wait, I always feel that this person wakes up, not general."

"By the way, it hasn't been long since half a year. Don't relax. The Lord of Zhenlong hall is not as simple as you think..."

Ye Chen's eyes flashed a trace of killing meaning: "master, don't worry, no matter how strong he is, I will let him understand, what do I mean by Ye Chen's two characters!"

.....

At the same time, in the secret land of Shenyuan, a place near the Jiutian Shenlong temple is extremely rich in aura. The trees are lush and huge. It spans thousands of miles of overseas islands. From time to time, you can see the shapes of Jiaolong in the waves around the island and walk through the mountains and forests on the island.

The whole island is filled with a strong sense of dragon nationality!

In the center of the island, there are countless imposing buildings, and a huge giant dragon statue carved from large blocks of extremely high crystal stones, shining with dazzling light!

Here is the first-class sect gate of the kingdom of God, where the Zhenlong temple is located!

The appearance of Zhenlong hall in the history of the kingdom of God originated from the nine heaven god dragon hall.

It is said that a strong man came out of the Jiutian dragon hall and built a first-class sect with the supreme resources in ten years!

But the legend is a legend after all, and the truth cannot be studied.

This clan has experienced ups and downs in endless years, but it has never stepped out of the ranks of the first-class sect!

Originally, Zhenlong hall belonged to the first-class forces, and its status was incomparably respected in the kingdom of God. However, at this time, there was a huge crowd from the sky towards the island where the Zhenlong hall was located!

Blink of an eye, that crowd, has arrived at the island before, will the whole island, round and round!

This is in the past, but can not imagine a scene!
