

## Physician 2711

### Chapter 2711

Who dares to be so presumptuous in front of Zhenlong hall?

Among these people, standing at the front is a young man with long hair, cold face, golden eyes and skin covered with strange tattoos!

The man was wearing a black robe, which was very different from that of the kingdom of God.

And its whole body, is emitting a strong sense of killing!

This person, is a awakening ancient strong man!

But compared with the one ye Chen had seen before, the breath was a few chips worse!

At this time, he looked down at the Zhenlong Palace on the island. In his golden eyes, a cold light flashed across his face!

Behind this man, there is a middle-aged man with a very respectful look. His cultivation is not weak, and his actions and actions reveal the unique power of the superior. But now, he is slightly bent down and stands behind the ancient man like a servant.

If there are other gods here, it is not difficult to recognize that this person is the leader of the second-class sect Taizhen sect, Wang Shaohua.

Wang Shaohua opened his mouth to the young man and said, "master Bu, this is where the Zhenlong hall is. Shall we start now?"

As he spoke, he could not help flashing a glimmer of joy in his eyes!

The young man in front of him, named Bu Yan, was a strong man in ancient times!

Even if Bu Yan is among the many ancient strongmen who are awakened now, it belongs to the existence of ordinary strength!

But it should not be ignored.

The reason why Bu Yan came to Taizhen gate and led Taizhen gate to Zhenlong hall is that Taiji gate was the predecessor of Taizhen gate in ancient times, and taijimen declined because of Zhenlong hall. Even though most of the clan orthodoxy was lost, it has become the second-class Taizhen gate now!

Bu Yan's coming this time is to revenge!

Wang Shaohua, how can we not be happy?

Bu Yan, in name, is also a member of taizhenmen. If Zhenlong hall is destroyed, its martial arts resources, etc., are not taken over by Taizhen gate?

From then on, taizhenmen will become one of the first-class forces in the kingdom of God!

Nabuyan did not speak, but raised his hand with a light complexion, and blew a blow to a transparent light curtain outside the island!

At this time, the four lights rose from the Zhenlong hall, and a loud and violent drink echoed over the Zhenlong hall!

"Where are the thieves who dare to fight against the Dragon Hall of our town?"

"I don't know how to live or die!"

"Get out of here!"

The four light convergence, Zhenlong Hall of four chaos, one or two layers of tianwu appeared in the air!

The four warriors, originally with scorn and cold murderous air, but when they saw Bu Yanzhi, they suddenly turned white!

At the next moment, I'm full of spiritual power. I don't want to pour into the island protection array! The transparent light curtain solidified hundreds of times in an instant.

But bu Yan only smiles coldly and still blows down with a fist!

There is a big bang, the whole island is shaking violently, the mountains are falling apart!

In that seemingly incomparably congealed light curtain, instantly appeared innumerable crack!

Four chaotic warriors, also spit blood one after another!

.....

At this time, the statue of a dragon in the center of the palace is filled with the shadow of a dragon!

And the man sitting in the chamber of secrets is the master of Zhenlong hall, baiyuhuang!

At this time, white jade huang, eyes slightly closed, body up and down, actually is from time to time appear a purple dragon scale, very strange!

Outside the chamber of secrets, there are several disciples who are anxious and pacing back and forth!

These disciples not only exude a strong breath, but also show green runes in their eyes. They are all talents with ancient deities!

A fair faced man, who looked a little feminine, could not help asking another tall man, "elder martial brother Zhao, master, when is he going to shut up?"

Another stout young man also said, "yes! Even with the blessing of the four ancient warriors, our island protection array will not last long! "

Thinking of the terrible blow of the ancient man, several people couldn't help shaking.

Just as a few people were talking, the whole island was shaking again. At the same time, the harsh sound of breaking reverberated in the ears of all!

Several Town Dragon hall genius, is the face color change!

Island protection array, broken!

It broke so fast!

Elder martial brother Zhao's face was startled. However, he soon calmed himself down and said, "go! We're going to stop the man. We have to hold on until the master leaves the pass! "

Several people nodded and were about to turn around when the door behind them suddenly opened

A figure came out of the chamber.

Three people a Leng, immediately, all is the face appears the color of ecstasy, to that person shout: "master!" White jade huang face with a trace of cold smile, appeared in front of the three people, the whole body exudes a very terrible breath.

The most striking thing is that the green runes are constantly shining in the eyes of the white jade. Moreover, the light is extremely concise, far from being comparable to other disciples!

White jade huang, unexpectedly also awakened the ancient god body! It seems that it is a very strong ancient deity!

No wonder these ancient deities are looking forward to the exit of baiyuhuang!

"Well? Is the island formation broken? "

White jade huang eyebrow tip a pick, induction of the situation in the Zong, that silk deep cold smile, in an instant, to kill!

With a flash of his figure, he appeared above the town dragon hall.

At this time, bu Yan was carrying a chaotic warrior with blood all over his body. He was one of the ancient strongmen outside the Zhenlong hall!

And at his feet, there are three other people!

These formidable strong men, in front of Bu Yan, are vulnerable!

How long has it been since the battle was broken? How much time to breathe?

These four people were defeated by Bu Yan?

This strength, too shocking!

However, to our surprise, Bai Yuhuang looked at Bu Yan faintly and said with a sneer: "Oh? Four layers of heaven in chaos

Bu Yan dropped the body of the warrior and gazed at Bai Yuhuang. He asked coldly, "are you the master of Zhenlong hall?"

"Yes, so what?"

He looked indifferent, as if he didn't pay attention to the existence of four strong men in a moment and the Bu Yan of the four layers of chaos!

"Then you can die!"

Bu Yan stares at Bai Yuhuang, as if he saw the suppression of the Taiji gate by Zhenlong hall and the bullying of the disciples of the Taiji sect by Zhenlong hall thousands of years ago! In my eyes, I was angry and killed all over my body!

"Master!"

The three ancient geniuses of Zhenlong hall appeared behind the white jade huang, and their eyes were full of horror as they swept over the ancient strongmen who were covered in blood and did not know their life or death!

Chapter 2712

The soul, will tremble!

Since then, I felt the cold and stiff heart of the genius!

Even move, dare not move!

Even, they can not help but fall into despair!

Bai Yuhuang is really very strong. Its strength is far better than several of them. But facing this, he is like a God. He is incomparable with PU Yan. I'm afraid there is only one outcome?

Is Zhenlong hall going to be destroyed like this?

Do they just wake up the ancient god body, and before they can really shine, they will die!!?

At this time, bu Yan made a move!

In his hand, there was a long sword, which was black all over, and was engraved with blood color rune. It was a long sword with the breath of antiquity!

He murmured, and his whole body was condensed with spiritual power. The aura of heaven and earth around the island seemed to turn into a funnel of one third, and a seven color whirlpool formed behind Bu Yan!

"Yin Yang chopping thorn sword!"

Black and white light, on the edge of the sword, is extremely shining, extremely strong sword meaning, covering the whole sea area!

The dragon, wandering in the waves and shuttling through the mountains, was in a flash of blood, with wounds tearing the hard scales of the dragon!

These strong Jiaolong were only affected by the sword meaning of Bu Yan, and they were seriously injured and dying one after another!

This sword is a real ancient martial art!

Moreover, bu Yan has obviously cultivated it to a good level!

If he hadn't condensed all the light of the sword on the edge of the sword, just a wisp of light from the sword would have been enough to smash the huge island of tens of thousands of miles?

Bu Yan's figure flashed. The black-and-white light was all around, and the strong sword was emitting the Qi of yin and Yang. In an instant, he reached the top of the white jade huang!

On his face, there is a strong ferocious and bloodthirsty color. With this sword, he has put all his strength into the sword. I'm afraid the master of the Zhenlong hall can't even leave any residue?

But at this time, in the face of this powerful sword, Bai Yuhuang gazed at Bu Yan's eyes and raised a smile at the corner of his mouth.

A scornful smile.

White jade huang, not even move, only a grand breath, from its body, sent out!

"The power of ancestors and the soul of Zhenzong should also be opened."

In a moment, time and space, as if still!

Countless dragon shadows twinkle in the whole island!

Gathered on the body of white jade huang!

The momentum of white jade huang has risen!

Originally, he was still in a ferocious sneer. The sword in his hand would be cut to bu Yan in the white jade huang face door, but his whole body was stiff in an instant!

In the eyes of killing, anger, instantly dissipated, the rest, only strong to the extreme of fear and shock!

"The breath of the nine heaven dragon hall, who are you?"

In ancient times, in the kingdom of gods, there is a place that can not be ignored!

That is the nine heaven dragon hall!

He can't touch the heaven!

But how could the Lord of the Dragon hall have such power!

Bu Yan screamed in fear. The sword stopped his life and ran in the opposite direction!

He, from ancient times, has a deep understanding of the horror of the nine heaven god dragon hall!

Although, he temporarily restored the power of the chaotic four layers of heaven, compared with the real nine heaven god dragon hall, he was not even a fart!

Now, he just wants to escape! Far away! Never appear in front of the white jade huang again!

But can you escape?

Bai Yuhuang sneered and raised his hand slowly. All of a sudden, purple scales appeared on his skin, rolling dragon power and emitting!

Now the white jade huang is very similar to Hua Jingtao in the divine light ceremony!

But!

If we talk about the strong degree of the real dragon's spirit, it is very different!

The spirit of the real dragon in white jade huang is tens of thousands of times that of Hua Jingtao!

Tianlong blood, is also graded!

The blood vessel Dharma body awakened by Bai Yuhuang was called the Bauhinia holy dragon body in ancient times!

Bauhinia holy dragon, can be far from the ordinary sky dragon can be compared!

Even in the dragon clan, it is a royal existence!

Bauhinia holy dragon body, in the ancient god body, are extremely frightening God body!

White jade huang, stretch out a finger, toward the figure a few flash, has turned into a small dark shadow, is about to disappear in the sky at the end of Bu Yan, a little far away!

A purple light, from his fingertips, flash away!

The next moment, the sky, a scream sounded, the small black shadow burst and dissipated.

Puyan, the ancient strong man in the four layers of chaos, has just died!

"Yes, it is the power of the nine heaven dragon hall." Bai Yuhuang's smile is stronger.

If it was not for the moon ring vision of the kingdom of God, the power under the Zhenlong hall could not be revived!

Heaven wants Zhenlong hall to be the ultimate existence of the first-class forces in the seventh kingdom.

There was a dead silence over Zhenlong hall

Whether they are Zhenlong hall disciples or Taizhen disciples, they look like they are stupid and look at the white jade huang with a sneer on their faces!

Just now, what happened?

In their mind, it is almost God, almost no one can rival Bu Yan, so dead?

In this way, by white jade huang, a finger, killed?

Moreover, before Bu Yan died, they could hear that sentence very clearly!

Nine heaven dragon hall?

White jade huang, it turns out to be a strong man in the nine heaven dragon palace!?

What is the nine heaven dragon hall?

That's the taboo of dragon people in the world!

Control the supreme resources and power!

Today's Shenguo is not the same as it used to be. In the past three months, the strength of Shenguo warriors has been increasing in an explosive way, but even so!

So far, there is not a warrior related to the blood of the nine heaven dragon hall, right?

Nine days dragon hall, still belongs to legend!

But now, there is a living legend in front of them!

How can we not be shocked?

White jade huang, is not the white jade huang of the past!

Can you even trample on God Jizong at your feet?

Wang Shaohua's body was like a sieve chaff. He was shaking wildly and almost fainted!

All of a sudden, he threw himself in front of Bai Yuhuang, knelt on the ground, and kept kowtowing:  
"white hall master! Please listen to my explanation. We are so real that we have nothing to do with this matter! It was nabuyan who forced me to wait! "

Bai Yuhuang looked at Wang Shaohua with a light smile and said, "from today on, Taizhen gate will be incorporated into our town dragon hall!"

Wang Shaohua was stunned. A trace of unbearable color flashed in his eyes

He is the leader of Taizhen sect. How can he bear to give up the orthodoxy of Taizhen sect?

Seeing Wang Shaohua's silence, Bai Yuhuang sneered and said, "why, don't you want to?"

"No..." Wang Shaohua slightly lowered his head and said respectfully, "the Lord of the temple is on. I'm too real to join the Zhenlong hall!"

Does he have the right to refuse?

## Chapter 2713

Even if they don't join Zhenlong hall, what can they do?

It's just a funeral with taizhenmen!

When Bai Yuhuang heard the speech, he laughed and laughed straight up into the sky. His eyes flashed with extreme cruelty, and he said to himself in a cold voice:

"ha ha ha ha ha ha, ye Chen, you killed my two most proud disciples. I will surely make you worse than dead, so as to comfort the soul of my beloved apprentice!"

"You can never imagine how terrible the fate of my town dragon hall is! That's the nine heaven dragon hall

"You can't step into and reach the existence in your life!"

The hatred in that voice made many warriors feel shivering!

He turned around and said to an ancient god body genius behind him: "Zhao Gu, you go to shenjizong now."

"Go to shenjizong?" Zhao gu asked: "master, what do you want to do with God Jizong?"

Bai Yuhuang said with a cold smile, "I have a half year appointment with that little beast. Although I said it verbally a few months ago, I don't want this little beast to forget. You go to make the next war report for ye Chen, who is the first day to God Jizong!"

"Twenty days later, let him enjoy the torture."

His face was ferocious, as if he had a fierce hatred in his heart. He said: "after 20 days, I will fight with him on the top of the gods."

"Spread this news. On that day, I want the whole kingdom of God to witness my victory and witness the process of my revenge for my two beloved disciples."

"Let everyone know what will happen to those who violate me!"

Zhenlong hall, once again into silence!

White jade huang, actually want to go to the divine light ceremony of half a year's appointment?

And on the top of the gods, let the whole kingdom of god witness this war?

The summit of gods is a mountain peak, and also a holy land of the kingdom of gods!

It has been under the care of the Alliance for many years.

Legend, more ancient than the ancient times, there was a youth surnamed Ren, to prove the killing of the way, attracted all the gods, and one of the war!

And this man, on the top of the gods, slaughters the gods with his own strength, proves the truth by killing, ascends to the summit, and becomes the God of killing in the gods!

This legend, I don't know whether it is true or not, but the name of the summit of gods has been handed down

Some people have done research. It seems that there is a very strange aura on the top of the gods. If someone dies here, the spirit will be permanently imprisoned here!

And, forever, suffer extremely cruel torture!

Someone once did an experiment here. He took an enemy to the top of the gods and killed him. As a result, an hour later, the soul of the enemy who had been tortured and did not bow down to him actually begged him recklessly!

Beg him to kill himself!

According to legend, the top of the gods contains the deep resentment of the dead gods!

This resentment, to the soul, is the most cruel torture!

Since then, the summit of the gods has become the holy land of the kingdom of God and has been taken over by the alliance of gods.

As for why they are not controlled by the Tiandao palace, there are rumors that those who are surnamed Wu have offended Tiandao palace, which is also a taboo of Tiandao palace.

Now, Bai Yuhuang wants to fight with Ye Chen on the top of the gods!?

Cruel!

Too cruel!

This is, even ye Chen died, do not intend to let Ye Chen go!

At this time, people's hearts, can not help but have an idea!

No matter who you offend, you can't offend baiyuhuang!

In fact, in the eyes of many people, the reason why the two disciples of Bai Yuhuang died in Ye Chen's hands was that they killed themselves!

But even so, white jade huang, still hate Ye Chen to such a point!

Although zhao gu was equally shocked, he did not dare to have any objection to Bai Yuhuang's order. He just frowned and asked, "master, although Ye Chen proposed a half year agreement at the ceremony of divine light, what should he do if he pretended and then died?"

People have this doubt in their hearts!

The white jade huang now, already is and nine days god dragon hall related strong person!

Not to mention, baiyuhuang also has the most frightening ancient body, Bauhinia holy dragon body!

In fact, the force is far more than that of the same order!

Is the existence that cannot shake!

Ye Chen, as they have heard, is also a very excellent evil spirit in the divine light ceremony. However, recently, it seems that it has disappeared?

Don't say that now disappeared, is not disappeared, again the ultimate evil spirit, can not be Bai Yuhuang's opponent?

As long as he has no problem with his brain, he won't keep the appointment?

Bai Yuhuang said with a cold smile, "don't worry, the boy will come."

"I did this just to add fuel to the flames. I wanted to trample the God Jizong and ye Chen under my feet, so that all the people in the seventh kingdom of God could witness it!" He knew, with Ye Chen's pride, how could he avoid fighting? Ha ha

"But

"If he doesn't come, or if he doesn't admit it, I'll step down the shenjizong in a short time," he said

Shenjizong.

Yuzhenzi, a group of elders, and Tu Lanxin, who returned to the sect after attending the national assembly, were all in the hall.

At this time, their faces look very ugly!

Because, a news, spread in the kingdom of God, quickly spread!

That is, Zhenlong Temple master Bai Yuhuang wakes up and nine days god dragon hall related power news!

Moreover, it is also rumored that Bai Yuhuang killed an ancient warrior who recovered to the four layers of chaos! The strength can be called horror!

Originally, this is a good thing for the whole kingdom of God!

What a wonderful thing!

If the kingdom of God can have one more strong man, it will be of great help to resist the coming doomsday!

But for the shenjizong, it is not!

Why?

Because, Bai Yuhuang and shenjizong, especially those who have a feud with Ye Chen!

Ye Chen, killed two disciples of Bai Yuhuang!

Even for a time, the town dragon Hall fell into the edge of collapse!

How can you not hate Ye Chen?

Now, the white jade huang has become the strong one of the nine heaven god dragon hall. How can ye Chen be spared?

Although Ye Chen is excellent, though he is against the heaven, and though he has defeated Qin Yuming, the ancient god body genius, he can tell them rationally that ye Chen can't be Bai Yuhuang's opponent!

Half a year's appointment, you can't keep it!

At this time, outside the hall, the figure flashed, ye Chen came in, looked at the faces of the people, and asked in some doubt: "master, what can I do for you?"

When Yu Zhenzi hears the speech, he looks hesitant. For a moment, he doesn't know how to talk to Ye Chen

What they mean is to let Ye Chen go out and hide first!

Stay away from the edge!

Even if the half year agreement was proposed by Ye Chen, at that time only a few people witnessed it. How about denial!

It's not reliable to make a pact between the elder and the younger!

However, with Ye Chen's pride, how could he agree?

Ye Chen frowned slightly, and looked more and more puzzled. He asked again, "what's the matter with master?"

Chapter 2714

Yu Zhenzi's eyes congealed and made up his mind to persuade Ye Chen no matter how. Just as he was about to open his mouth, there was a sudden Bang outside the Mountain Gate of shenjizong!

The whole mountain is shaking!

The exclamations of countless disciples come and go!

People look at each other, are to see the shock in the other's eyes!

They know that someone has broken down the mountain protection array of shenjizong!

As you know, Tu Lanxin exchanged a lot of precious materials from the great deities after he came back from the Shenguo assembly. Many of them were used to strengthen the mountain protection array of shenjizong!

Now, if there is no extremely terrifying force, it is impossible to shake this great array! Even the martial arts of the four or five layers of chaos are hard to do!

But just now, the other side clearly only shot once, which broke down the whole array?

Not waiting for the public to react, a figure, then walked into the hall, swaggering, with a casual smile, it was a look of unbridled!

This man is the disciple of white Yuhuang, the master of Zhenlong hall. He is a genius of ancient spirit body, zhao gu!

"Who are you! Dare you to be so presumptuous and intrude into our God extreme sect

However, in his eyes, it was shocking that the young man with heroic appearance, tall stature and dark complexion was actually an existence who had just stepped into chaos!

How old are you!

In each other's eyes, the green light looms, obviously is an ancient spirit body genius!

At this time, Tu Lan's body and mind flashed, and her beautiful eyes blocked Zhao Gu's body coldly, and her breath was slightly distributed!

Zhao Gu's pupil shrinks, his face changes slightly and stops his steps. In his eyes, there is a startling color!

In front of her eyes, this cold and gorgeous woman is actually the existence of a middle and later period of chaos!

With his own cultivation, plus the ancient spirit body, under the full outbreak, you can't fight the enemy!

If you really start, you may not be the opponent of this woman!

Immediately, he stepped on his feet and said with a smile, "please stop your anger. I'm the disciple of the Zhenlong palace. I'm coming this time..."

After hearing the words of "the God of the temple of the dragon", I heard the words of "the God of the temple of heaven and earth" and "the God of heaven"

Ye Chen looked at Zhao Gu without expression and said, "I am, what should I remind you of?"

"You are Ye Chen?"

Zhao Gu looked at Ye Chen, and saw that he was just a chopper. A strong smile flashed in his eyes!

No wonder, these months, Ye Chen disappeared!

Ha ha, what is the strength of this point in the kingdom of God?

Once the first evil, is nothing!

Wasting your master's life and death to fight for this kind of waste?

However, with a wave of his hand, he threw a red post to Ye Chen.

Ye Chen took over the red post, and his eyes flashed slightly. On the post, there was a huge word of war!

After the twenty days of the temple, the master of the temple of jade went to the cold palace of heaven and death

"This is the Battle Card! At the same time, it is also a spiritual contract! If you promise, you will leave your own mark on the spirit contract

"By the way, you will not forget the half year agreement you once proposed in the divine light ceremony."

"Of course, you can refuse now."

"After all, the gap between you and your tutor is like a natural moat."

On Zhao Gu's face, there was a trace of fun. He was very curious. How would ye Chen answer it? You know, this spiritual contract is extremely high. After signing the spiritual contract, even if the strong person in chaos disobeys the agreement, even if he does not die, he will be greatly affected!

And inside the hall, yuzhenzi and others heard the words, and they were thrilled, anxious and unbelievable!

This white jade huang just advanced, can't wait to fight with Ye Chen?

How many years did he practice and how many years did ye Chen practice?

Or on the top of the gods, life and death!

Shameless, shameless!

People look at Ye Chen, only see ye Chen, look light, looking at the battle post in the hand, it seems that there is no intention to refuse?

Well, what's going on here?

Ye Chen, don't you really want to fight?

Everyone's eyes trembled, thinking of Ye Chen's pride, is a sink in the heart!

With Ye Chen's character, it is really possible to accept the life and death war!

After all, he was the first to put forward it!

Even Tu Lan Xin, who has always been cold, can't calm down at this time!

The elder is more direct a flash appears in front of Ye Chen, incomparably impatient ground drinks: "Ye Chen, refuse him! Don't do anything stupid

"We didn't hear the words of the divine light ceremony!"

"And there are rules in the kingdom of God. You can't count on fighting with your elders!" "The elder can't make an appointment with the younger one!"

Yu Zhenzi also said in a deep voice, "Ye Chen! What are you waiting for! Give back the script to the boy

Seeing ye Chen didn't respond, he even got angry and said, "Ye Chen! If you still regard me as a master, don't accept this life and death war! "

Ye Chen, but the pride of their God Jizong, is to make the name of shenjizong ring through the existence of the kingdom of God!

Even if the whole God Jizong is destroyed, even if he is allowed to die a thousand times or ten thousand times, ye Chen can't have an accident!

As long as ye Chen is still alive, shenjizong will never be destroyed!

Tu Lanxin looks at Ye Chen's still indifferent appearance. In her beautiful eyes, a trace of anger flashed through her eyes, as well as a strong disappointment. She hates the disappointment that iron is not made of steel!

She came to Ye Chen's body in a flash. Her cold pretty face was flushed with anger. She yelled at Ye Chen: "Ye Chen! You forget what you promised me? Do you forget what I told you before entering the Shenyuan secret land? "

"I know that you are very strong and rebellious. Even if you are placed in the first Kingdom of God, you are extremely evil! However, baiyuhuang is now the strongman of Jiutian Shenlong palace! The power in that is not something you can fight against!

You have not really grown up before the existence of no provocation ah! You accept this life and death war, that is, to die! "

"You promised me to take up the responsibility of saving the kingdom of God! You can't even be responsible for your own life. How can you shoulder the responsibility of saving the kingdom of God!

I know, you are very proud, but, proud, also points to the situation, not without the bottom line of pride! It's not pride, it's recklessness! How can you achieve great things if you are so ambitious? How can the kingdom of God expect you

She spoke so excitedly that even her chest heaved slightly.

Yuzhenzi and others are all a bit silly when they see this

They have never seen Tu Lanxin because who is so excited

Zhao gu, it's almost like laughing!

Interesting, so interesting!

With his eyes narrowed slightly, he said with a strong smile: "Mr. Ye, it's your freedom to accept or not, but..."

In his eyes, the cold light flashed suddenly, and his voice suddenly became gloomy and cold for three minutes. He said, "if you refuse, I will step down on your God Jizong soon."

Chapter 2715

Inside the hall, there was a dead silence!

All of them looked at zhao gu with great indignation!

What a bully!

Zhenlong hall, deceiving people too much!

This is totally forcing Ye Chen!

Yu Zhenzi couldn't bear it any longer, and his whole body breath burst out: "go back and tell Bai Yuhuang that ye Chen refuses to fight life and death and flatten our God Jizong? I would like to see if you have the strength of Zhenlong temple! If you want to fight, you can fight

All the elders and Tu Lan Xin said in the same voice: "fight! Then fight

They would rather fight with the Dragon Town than fight with the dragon town!

As long as ye Chen is still alive, God Jizong is not destroyed!

Ye Chen, however, smiles at TU Lanxin, Yu Zhenzi, and a group of elders: "Lan Xin, master, all elders, I have confidence!"

"Besides, this is what I mentioned. Naturally, I will keep the appointment."

"Baiyuhuang chose a good place. I like it very much."

That is to say, regardless of the astonishment on their faces, all the people who want to stop them, a spirit wave, blooms from the center of their eyebrows, leaving a mark on the battle script in their hands!

People see, eyes, are a burst of violent shaking! Pale at the moment!

It's over

It's all over

Ye Chen signed this spiritual contract, so it can't be changed

Seeing this, Zhao Gu finally burst out a burst of laughter and said: "ha ha ha ha, master Ye, you are so happy! Zhao admires, really admires! "

What do you admire?

I admire Ye Chen's stupidity!

Did you really agree?

He's going to laugh him to death!

Ye Chen coldly threw the battle card back and said, "take this battle card, get out of my God Jizong!"

Zhao Gu took over the post and looked sarcastically at Ye Chen. Without much to say, he turned and walked outside the hall.

Ye Chen told him to go away. Although he was a little upset, the hero did not suffer from the immediate loss. Tu Lanxin was here, and Zhao Gu didn't want to fight with the Shenjizong people.

Just as he was about to go out, Zhao Gu suddenly turned around and said with a smile to Ye Chen and a group of senior officials of Shenjizong: "Oh, I almost forgot to say it."

"Two days later, the Dragon Hall of our town will hold a celebration ceremony on Dragon Island to celebrate the breakthrough of white jade Huang by my master! Please come to join us when the time comes. Ha ha ha ha

After that, without waiting for the public to answer, he flashed his body and broke down the mountain protection array again!

All of them were silent for a while. Now, Ye Chen has accepted the battle of life and death. What they said is useless.

Ye Chen, however, did not care, but his eyes flashed slightly and said with a cold smile: "celebrate the grand ceremony? It's kind of interesting."

Yu Zhenzi frowned and asked, "Ye Chen, you don't want to attend?"

Ye Chen said with a smile: "to participate, of course, not only to participate, but also to prepare a big gift for him!"

.....

On Dragon Island, inside the hall of Zhenlong hall.

White jade Huang, is sitting leisurely on the main seat.

At this time, the shadow outside the hall flashed, Zhao Gu stepped into it, came to the white jade Huang, and said with a smile: "master, that boy, has already accepted the battle of life and death!"

After saying that, I will present the battle script with both hands.

"Oh?" In Bai Yuhuang's eyes, a happy light flashed. He took the battle script and swept the spirit mark on it. It was the breath of Ye Chen. He couldn't help laughing and said, "this fool is as I expected!"

A little doubt flashed in Zhao Gu's eyes and asked, "master, I see this rubbish, but it's just a chopper. Why did the master agree with him to fight life and death in 20 days?"

The strongest one in the God Jizong is a woman! However, that's all. Other people are rubbish, and they are not the opponents of our town dragon hall. Why not crush the God Jizong directly? "

Bai Yuhuang's eyes twinkled slightly and said, "cut the adversity? Zhao gu, you look down on this boy

"What?" Zhao Gu was slightly surprised. Master, he even said he underestimated Ye Chen? A chopper?

Bai Yuhuang stood up and put his hands on his back. In his eyes, a haze appeared in his eyes. He said, "this boy is very special. In fact, his strength can't be judged by his realm. The reason why I set the life and death war after 20 days is that, even if I have already broken through, I can't be sure to kill Ye Chen now!"

"Teacher, master, are you kidding?"

Zhao gu, some stutters! Looking at the white jade huang in disbelief.

Master Bai Yuhuang, but now the only one in the seventh kingdom who has something to do with the power of Jiutian Shenlong hall. It's not too much to say that he is a strong dragon in the kingdom of God!

Even said, may not be able to kill this ye Chen?

This joke is not funny at all!

Bai Yuhuang looked at Zhao Gu and said, "I just received the news. As soon as ye Chen returned to shenjizong, he defeated Qin Yuming with a sword. Do you know who Qin Yuming is?" "Qin Yuming!" Zhao Gu's face was startled and said, "that ancient god body genius?"

Bai Yuhuang nodded: "Qin Yuming, I've known about it. Even if it's you, I'm not sure that you can defeat him in an instant?"

Zhao Gu's shock gradually turned into a horror

Defeat Qin Yuming with one sword

He asked himself that he could not

Ye Chen's strength, unexpectedly, is still above himself?

However, soon, Bai Yuhuang showed a smile of Indifference: "although this boy is extremely damned, it is undeniable that his martial arts talent is really terrible, but..."

"Twenty days later, everything will be different! At that time, this boy, even if he is a monster, will die in my hands

Zhao gu asked: "master, if ye Chen is really as evil as you said, shouldn't you give him time to improve his strength?"

Bai Yuhuang gave a cold smile and flashed a sinister look in his eyes and said: "don't worry. After 20 days, I promise that this boy will die in my hand. Do you know that there is a real dragon god fire bead inherited from the nine heaven god dragon hall in our town dragon hall?"

"This real dragon spirit fire bead, for many years, has been regarded as the symbol of this hall, because the ancient fire dragon soul in the magic fire bead has been sleeping for many years. Even, I think that the Dragon Spirit has long been dissipated, and the dragon soul has been lost. The magic fire bead is just a decoration!"

"But! A few days ago, the ancient dragon soul in the fire bead of the real dragon god began to wake up!"

"In another 20 days, the dragon soul will wake up completely! With this real dragon god fire bead, the strength of my Lord will soar several times! At that time, ye Chen, even if it is really the reincarnation of the demon God, I will burn it into nothingness!"

.....

Two days later, the Dragon Island, a burst of singing and dancing, decorated, very lively.

Today, there are countless guests in Pingjin.

Moreover, they are all guests of high status!

Chapter 2716

One by one gorgeous and incomparable dragon chariots come from different waves, and they come down from the sky with extraordinary momentum!

Today! It's the celebration ceremony held by the master of Zhenlong hall, Bai Yuhuang!

Those who can be qualified to participate in the ceremony are at least the third-class clan and the patriarchal level!

All of a sudden, a sound of Feng Ming rang out from the sky. The original lines, shaking their heads and wagging their tails, were extremely majestic. After hearing this sound, all the dragons shrank and their eyes showed a look of fear!

A big bird with white feathers, like a Phoenix, fell from the sky and jumped down from the back of the bird.

A man and a woman, a man of extraordinary beauty, eyes in the light of Zhan Zhan, elegant, female, white and soft, beautiful eyes, autumn wave flow, the posture of the city.

The man went to the disciple who was guarding the entrance of Zhenlong hall and said with a smile: "Xuanyuan family, Xuanyuan Cang, xuanyuanxia, come to congratulate master Bai!"

As soon as the man said this, the entrance of the town dragon Hall fell into a silence!

The gatekeeper and the guests who had just entered the Zhenlong hall were shocked to see xuanyuancang and xuanyuanxia!

These two people's names are very popular in the kingdom of God recently!

They are two ancient deities of Xuanyuan family!

Both are extremely young, but! But it can be regarded as the talent of Xuanyuan family!

The key is a man standing behind them!

That man, however, controls the existence of Tiandao palace!

Although over the years, tiandaogong has been declaring that there is no resource exchange with Xuanyuan family!

However, who knows!

the heavenly way palace, in the kingdom of God, is the imperial palace!

And Xuanyuan ink evil, is worthy of the emperor!

Although, this emperor has many restrictions!

Xuanyuancang, xuanyuanxia! These two people came to participate in the celebration. It was more grand than the Xuanyuan family owner!

You can see how much the Xuanyuan family attaches to this celebration!

How eager to make friends with Zhenlong hall!

Even the two most outstanding talents have been sent!

"Master Xuanyuan, Miss Xuanyuan, please follow me. I will take you to the main hall of the banquet."

In the main hall of the banquet, Bai Yuhuang sat on the main seat with a smile on his face. At this time, a disciple at the gate of the main hall sang and said, "Xuanyuan house, Xuanyuan Cang, xuanyuanxia, two distinguished guests are here!"

As soon as Bai Yuhuang's eyes lit up, he saw two young men and women with good temperament and came in.

Xuanyuancang respectfully saluted Bai Yuhuang and said, "Uncle Bai, on behalf of Xuanyuan family, congratulations on your breakthrough!"

White jade huang ha ha ha a smile way: "two virtuous nephews have the heart, sit down."

"The master of the ghost sword sect, Yin Zun comes!"

"Shenmeng zhenzhuan disciple, Li Sheng arrives!"

"Master of crazy bone sect, Huo Quan is here!"

"Master of the SHAOHAO family, shaohaoxuan is here!"

"Master of the Qu family, Qu Xueyong is here!"

.....

Originally, in the banquet hall, the people who were still drinking and chatting were suddenly quiet down!

These people are all great figures in the kingdom of God!

The identity of the master of the Qu family can be traced back to the existence of the taboo in ancient China.

Now, many places in the kingdom of God are spreading the myth of Qu Chenyan!

And for so many years, the master of the Qu family has never attended any banquet!

It's coming today!

All of these great people have come to the celebration ceremony of baiyuhuang?

What this means is clear to everyone!

In other words, Zhenlong hall, from today on, can be called the leader of the first force in the kingdom of God!

Bai Yuhuang laughed. This time, in addition to shenjizong, almost all the first-class and second-class forces of the whole kingdom of God came to participate in the ceremony!

Even the musician is here!

However, his eyes stayed on a veiled girl beside Qu Xueyong for a while.

Some familiar, but the other side seems to have some powerful skills to cover the breath, he can't guess what for a while.

This girl is Ji Siqing, of course.

And Qu Xueyong was also forced to bring by Ji Siqing, otherwise Qu Xueyong would definitely not attend such a banquet.

Take a seat for two.

Qu Xueyong was a little uneasy and said in a voice, "what are you doing with this excitement, ancestor?"

"Although the Lord of the Dragon hall in this town has been in high spirits recently, it is far from our Qu family at that time. In time, you will recover to the peak, and you will not be afraid of it."

Ji Siqing picked up the tea cup, lost a mouthful, and said faintly: "cultivation is boring. I want to see the excitement. If you have any opinion, get out."

I shake my head, and I think it's boring

"My grandfather is so wise! Along the way of martial arts, we should combine work with rest. "Ji Siqing put down the cup and said, "you are too noisy."

Qu Xueyong was stunned and stopped talking.

At the moment, he is not a patriarch at all, more like a child criticized by his parents.

Now, the time is almost over. All the people who should come are here. Bai Yuhuang stood up and was about to say something. But just then, two figures appeared at the gate of the main hall.

Strange is, this time, the disciple at the door, but did not sing!

Come in, is a man and a woman, look, are particularly young, men look calm, even can be said to be indifferent, female, full of frost, face peerless!

See this man's face, all people, is a pupil contraction!

Even white jade huang, all eyebrows a pick, the face is startled!

Seeing this, the man said with a faint smile: "shenjizong, ye Chen, Tu Lanxin, come to congratulate the white hall master on his breakthrough. How, everyone, are you not welcome to come here?"

These two people are ye Chen and Tu Lan Xin!

All of them are looking at Ye Chen in horror. How dare Ye Chen come?

Recently, after 20 days of Bai Yuhuang and ye Chen, the news of the battle of life and death has spread all over the kingdom of God!

Who doesn't know, Bai Yuhuang wants to kill Ye Chen?

Ye Chen's coming to the party is not looking for death. What is it?

When Bai Yuhuang saw Ye Chen, his eyes were filled with blood and hatred. He seemed to see the scene in which two lovers were killed by Ye Chen!

All of them were looking at Bai Yuhuang nervously. Did he want to do it?

They couldn't help but swallow their saliva, and their bodies trembled slightly. If Bai Yuhuang took a hand in anger, even if it was a wisp of aftershock, they would not have the confidence to bear it!

However, the next moment, Bai Yuhuang is calm down, looking at Ye Chen, sneering: "ha ha, ye Gongzi's words are heavy, take a seat."

After that, he looked at all the people present: "everyone, you are all famous and respectable figures in the kingdom of God. Today, I'd like to join you in this celebration ceremony. I'd like to propose a toast to you all!"

He raised his glass by the side of his hand and drank it in one gulp!

People looked at each other and wondered why Bai Yuhuang didn't kill Ye Chen. Didn't they want to see blood on the ceremony?

Chapter 2717

However, they did not think much about it. They raised their glasses one after another and said in unison: "congratulations to the master of the white hall, breakthrough in blood and strength!"

They, of course, would not think that baiyuhuang did not kill Ye Chen because they were not sure!

At this time, a disciple of Zhenlong Hall said in a loud voice, "now, please present your gifts!"

A third-class patriarch heard the speech, one step ahead, the first came to baiyuhuang, respectfully took out a brocade box, handed it to him with both hands, and said, "Lin Sheng, the leader of Baiyang sect, congratulates the Lord of the white hall."

In his look, there is both expectation and tension!

You know, if you can get baiyuhuang's favor now, even if it's just on the banquet, it will help his clan's development and make friends with other forces!

As a result, the disciple opened the brocade box, glanced at it and said, "Lin Sheng, the leader of Baiyang patriarch, has sent a root of Polygonum multiflorum with the age of 100000 years."

Lin Sheng quietly raised his head and took a look at the white jade huang. He saw that there was no look on the white jade huang face. Even, a trace of disdain flashed through his eyes!

Lin Sheng's heart is cold, and his face shows the color of undisguised disappointment. He angrily returns to his seat.

All the people around looked at Lin Sheng and said with a sneer: "Oh, Lord Lin, what a big pen? He Shouwu, a hundred thousand years old, ha ha ha

"Polygonum multiflorum, this common elixir I used to feed dogs has been used for thousands of years. Lord Lin, if you are short of it, I can give you some."

"Ha ha, this kind of person is also qualified to join the white hall master's hall? Ridiculous

Lin Sheng did not say a word and clenched his fists in the face of public ridicule. The one hundred thousand year old Polygonum multiflorum is the best panacea they can take out!

However, in the eyes of these high-ranking warriors, it is not worth mentioning at all!

From then on, Bai Yangzong could not raise his head in front of the upper class forces of the whole kingdom of God?

At this time, another patriarch of the third class came to Bai Zhentang, presented a gift and said, "Sima family leader, Sima Lian, congratulations to the white hall leader!"

He held a jade box in his hand.

The disciple in front of Bai Yuhuang opened the jade box, and a dazzling light filled the whole hall in an instant!

The disciple's eyes brightened slightly, raised a trace of volume: "Sima family master Sima Lian, send a healing pill Shengyuan pill refined by the ancient god of medicine!"

People heard the words, slightly shocked!

The healing pills refined by the ancient medical God belong to precious existence even in today's kingdom of God!

Among them, there are more than 10 kinds of materials with a value no less than 100000 years old, and several main medicines, even reaching 300000 copies!

Compared with the previous one hundred thousand years of Polygonum multiflorum, I don't know how many grades higher, it's totally one day!

Even Bai Yuhuang nodded to Sima Lian with a smile.

Sima Lian went back to his seat with his head held high. He glanced at Lin Sheng intentionally or unintentionally. His eyes were full of sarcasm.

Next, a famous martial artist, all came forward to offer gifts. For a while, some people were happy and others were sad!

Don't look at it. It's just a simple gift. It can even be said that it's a redefinition of the status of the divine power!

White jade huang a word, can let how many families, directly destroyed?

At this time, it was the turn of the first-class forces.

Yin Zun, Li Sheng and others also presented good treasures, which were basically a level higher than those given by others!

When Huo Quan returned to his seat, a handsome young man stood up.

Xuanyuan Cang, with a smile on his face and a long box in his hand, walked towards the white jade huang.

The disciple respectfully saluted: "Xuanyuan childe."

He opened the box and opened it slowly.

At the moment when the box was opened, a cold light, which was extremely cold, penetrated directly into the top of the hall and directly into the sky!

None of the soldiers present was weak. They could be touched by the cold light. They were all cold in their hearts!

What a terrible spirit!

Even Bai Yuhuang stood up at once, took over the long box with his own hands, reached out and took out a sword which was full of cold light and gold!

On the sword, there is a thrilling sword spirit!

Xuanyuan Cang's face showed a trace of proud smile, and said: "I wish uncle Bai an advance. This sword, named longhui sword, is a sharp weapon made by myself for uncle Bai, which is the Xuanyuan inscription of my old Xuanyuan father and known as a craftsman!"

"Top grade, top grade

Everyone hears the speech, is a burst of horror!

Top grade!

Although, this period of time, not only the martial arts crazy progress, under the stimulation of the power of the origin, all kinds of natural materials and earth treasures also emerge in endlessly!

But!

In the hands of those ancient people, there are hardly many top-quality weapons. It can be seen that top-quality Jue ware was of great value in ancient times! Now, xuanyuancang, a hand is such a long sword?

This wealth, inside information, the bold and forthright hand, absolutely have no match!

"Good, good, good!"

Bai Yuhuang's face was happy. He even said three good words. Then he put the sword away and said with a smile to Xuanyuan Cang: "good nephew, you're interested. In the future, our two families will walk around more."

Xuanyuan Cang respectfully said: "soon, my nephew and the master of my family will certainly come to the door and talk about it."

Then he took his seat.

All of a sudden, another person stood up, Shua, all people's eyes, are focused on this person's body.

This person, of course, is Ye Chen!

The crowd looked at Ye Chen with a faint smile and walked towards the white jade huang. They could not help but look curious.

Ye Chen, what do you want?

Do you want to apologize to Bai Yuhuang and bow your head?

Thinking of this, people can't help but flash a smile.

In that case, there will be a good show!

If ye Chen really wants to bow his head and reconcile, Bai Yuhuang does not agree. He doesn't know, but some humiliation is inevitable!

Bai Yuhuang looks at Ye Chen coldly, but in his eyes, there is also a trace of curiosity.

What does Ye Chen want to do?

Is it true that after signing the battle card, you are afraid? Regret it?

Want to apologize?

The white corner of his mouth is cruel.

How can he let Ye Chen go?

Ye Chen, under the gaze of the public, went to the white jade huang of Juli, where there were ten steps, but he did not move on.

He gazed at the white jade huang and said with a smile, "master of the white hall, take this great gift away!"

After that, he suddenly waved his hand, a flash of light, a heavy object, fell on the ground, issued a loud noise!

They all looked at the heavy object, but in an instant, the pupil was shrinking wildly!

The whole hall is silent!

You can't even hear the breath! It's too scary to breathe!

The soul, all began to tremble!

They, one by one, can't believe looking at Ye Chen's "gift"!

That gift is a coffin!

Qu Xueyong's face was strange, and said, "ancestor, this boy is crazy! A complete madman

A beautiful face under the veil, Gu Jing Bu Bo, light way: "sit down honestly."

Qu Xueyong was shocked: "but ye Chen..."

"Shut up."

Qu Xueyong remained silent.

Then, under the veil, a voice came again: "if the Lord of Zhenlong Temple moves him in advance, even if I expose my identity, I will erase the so-called Zhenlong hall!"

"A group of short-sighted people think that the nine heaven dragon hall is a symbol of power, but they do not know that it is just the blessing under the guidance of that one!"

"And now I'm trying to use one of these blessings to obliterate the supreme one!"

"Ridiculous!"

Chapter 2718

Qu Xueyong looks at Ji Siqing under the veil in horror.

Although he became a puppet of Ji Siqing during this period.

Ji Siqing will handle anything inconvenient for him.

However, up to now, he is unable to determine the strength of Qu Chenyan in this life.

Even his vision of chaos can't be seen through.

In the last life, the ancestor followed the reincarnation master, and cultivated the most top-level skills in the world.

Although Wu's age is still not a measure of his age!

He believed that since the ancestor said so at the moment, there would be absolute reasons and confidence!

Therefore, if Bai Yuhuang starts to Ye Chen in advance!

Even if he lost everything of the Qu family, he would protect Ye Chen.

He took a glance at the young people in the hall, and the shock in his heart was really indescribable.

On the celebration of the white jade huang, send coffins?

How dare you!

I don't know how to live or die!

Not only Qu Xueyong has such an attitude, but all the congratulators here are like this!

What makes them unhappy is that they think about how to please baiyuhuang and how to lick baiyuhuang happily!

What about ye Chen? Direct, no white jade face!

So what did they do? Isn't it, like a joke?

Ye Chen sneered and said, "don't get me wrong. I wish the white hall master a promotion and wealth."

He has always been a person you respect me, I respect you a Zhang, you offend me, I offend your hundred Zhang character!

Zhao gu, a disciple of Zhenlong hall, is very arrogant?

Come to our God Jizong and directly break the mountain protection array?

In front of the high level of shenjizong?

Threatening to flatten our God Jizong?

Well, I'll send the coffin on top of the celebration ceremony of baiyuhuang!

Let the warriors of the upper class in the kingdom of God see what gift Ye Chen has prepared for you!

White jade huang, at this time is full of cold, blue veins straight jump, eyes, are full of blood!

He's killing all over his body. He's going to lose his grip!

Originally, he was just at the moment of contentment when ye Chen suddenly delivered a coffin?

Who can stand it?

Just at this time, Lin Sheng slapped the table and yelled at Ye Chen: "what a jerk! How dare you deliver coffins on the celebration of the white hall master? Get out of here

He didn't give the right gift, but now, it's a good chance to show off!

Everyone was stunned and then reacted. All the people of the big forces on the scene actually yelled at Ye Chen: "to the white hall master, kneel down and apologize!"

"Ye Chen, the coffin, take it back to your own home. It's disgraceful to come here?"

"Ha ha, once a genius, now become a clown?"

"Don't you say something eternal evil? In my family, this kind of rubbish is only worthy of being a factotum

.....

At this time, xuanyuancang, who had been silent and drinking leisurely, stood up and walked towards the white jade huang.

For a moment, everyone consciously shut their mouths and looked at Xuanyuan Cang.

Xuanyuancang said with a smile to Bai Yuhuang: "Uncle Bai, you have even awakened the legendary power of the nine heaven dragon hall this time, and your martial arts attainments must have been greatly improved?"

Bai Yuhuang looked at Xuanyuan Cang with a puzzled look and said, "good nephew, what do you mean?"

Xuanyuancang turned around, looked at Ye Chen coldly, and said, "it's rare that all the top warriors in the kingdom of God are gathered here. Even, there are some talents in the rumor? Hehe, let's practice martial arts here. First, we can add some fun to the ceremony. Second, we can also ask Uncle Bai to give us some advice on martial arts. How about that? "

"Martial arts?"

White jade huang mouth, floating a smile, instantly understand the meaning of xuanyuancang, immediately nodded: "good, then practice martial arts!"

Xuanyuan chuckled fiercely, and the aura of the whole body broke out. He glanced at the coffin. His eyes were full of cold light and roared. The coffin was smashed in an instant under the impact of its breath!

Facing Ye Chen, he showed a cold smile and said, "ha ha, God Jizong? It's said that the martial arts of shenjizong have always been arrogant! Mr. Ye? As we can see today, it is true. "

"But I don't know, do you have such arrogant capital?"

His voice, suddenly cold down, said: "Xuanyuan family, Xuanyuan Cang, want to learn, God Jizong's skill!"

Xuanyuancang looks into Ye Chen's eyes, full of disdain and contempt!

Ye Chen? Once, maybe a genius.

But that's just the past!

In his xuanyuancang's opinion, ye Chen is just a waste! On the ceremony of divine light, awe the kingdom of God?

Xuanyuanjing of Xuanyuan family is also an amazing genius and the pride of the whole Xuanyuan family!

Once in Xuanyuan's house, it was extremely powerful. Anyone should be respectful to him!

But now?

After the moon appeared in Yuhuan, he awakened the ancient god body, and his strength soared!

The first thing he did was to challenge xuanyuanjing!

Xuanyuanjing's pride?

In his hands, even a move, can not hold!

Now xuanyuanjing, in his opinion, is no different from a dog!

Dog, how to live? Of course, I live with my tail between my legs!

Therefore, what he hated most, even hated, was that, like Ye Chen, Mingming had become history. Mingming had been trampled on by the rising stars. He had disappeared from the public, but he still couldn't recognize his position. He was still arrogant genius!

This kind of person is an insult to himself!

Even, not long ago, he also went to Tiandao palace and was received by Xuanyuan moxie!

His confidence is above everything.

Ye Chen swept Xuan Yuan Cang one eye, complexion light way: "you You don't deserve to fight me. "

When people hear the speech, the smile in their eyes will flow out!

Ye Chen, do you still need to install it at this time? Can you still hold it?

"I don't deserve it?" Xuanyuan Cang's eyes, anger gradually rising: "I'm the first day of Xuanyuan's family, don't I deserve to fight a cheap dog?"

After that, he turned his wrist and held a long sword shining with blood color. The momentum of chaos rose to the sky. In an instant, the figure of Xuanyuan was countless times higher in people's eyes!

As if the gods of heaven came into the world, most of the warriors present felt incomparable!

"Zhenxiao thirteen swords!"

Xuanyuan Cang drank violently and took his hand with anger. His fierce and fierce sword spirit swept all directions. Many martial artists of the third and second-class sects, under the impact of the sword idea, actually vomited blood and retreated! The face appears to be extremely frightening!

What a terrible sword!

It's against the weather!

Chapter 2719

The thirteen swords of Zhenxiao are obviously ancient martial arts!

Nowadays, although people's martial arts cultivation has been greatly improved, there are still a few who can understand this kind of martial arts skills so quickly!

And xuanyuancang, not only has practiced this kind of martial art, but also has explored and broken the realm!

It can be seen that xuanyuancang is not only a martial arts talent, but also a savvy one, which is superior to others!

The genius of genius!

His wrists trembled wildly. In a blink of an eye, he had cut out 13 swords. Each sword light contained the idea of startling the sky, which was enough to break the void and collapse the law of martial arts. What's more, the thirteen sword lights were not played randomly, but faintly, forming a sword array!

A sword array with ancient atmosphere!

A sword array that can suppress the whole sky!

Ye Chen, dead!

Even the white jade huang, is the pupil contraction, the face, emerged a trace of appreciation color!

Xuanyuancang's sword is really excellent!

Even zhao gu, the most excellent ancient spirit genius under his family, could only wait to die when facing this sword!

But!

Xuanyuan Cang's hand is not over yet!

In his eyes, there was a flash of green light, and countless runes were surging all over his body, which made his whole breath rise several times in an instant!

"True God body!"

Xuanyuancang murmured and used the power of the ancient god body to roll out of the sky like a hurricane, winding on the thirteen swords!

Originally, the power of the sword array, which is already powerful, has soared several times!

It is said that the ancestor of Xuanyuan family had the God body. Some people even said that the ancestor once suppressed the heroes and became the first emperor of ancient times for a short time!

It can be seen how powerful this body of heaven is, even among the ancient deities, it can rank in the forefront!

White jade Huang slightly pick eyebrows, Xuanyuancang's strength, is still above his expectation!

This sword, even, may shake the existence of the four layers of chaos!

How old is this guy?

How amazing!

Around the crowd, there are more than tens of thousands of years old, have seen countless waves of martial arts, but even they, are simply Xuanyuancang's sword, scared silly!

This

Is this still the level that human beings can reach?

But at this time Ye Chen, but still stood there motionless, even, did not take out the weapon!

Many people look at Ye Chen, eyes, are very strange!

"Ha ha, it's my first day. I'm so scared that I can't move?"

"I think it's just that you can pretend better than others. What's the big deal?"

"It's a pity that the coffin just now was broken by Mr. Xuanyuan. Otherwise, it's just for the waste?"

Xuanyuan Cang smile, more and more rich!

This is it?

Dare to pretend in front of my Xuanyuan Cang?

It's really disappointing. Originally, I thought this rubbish could surprise me a little?

Sword array, about to devour Ye Chen!

At this time, ye Chen moved!

"Jiwu: Shenshan!"

His body shape, strange and twisted, even most of the people present did not see clearly how ye Chen acted!

At the next moment, ye Chen suddenly flashed past the sword array which was like a net in the sky and there was no escape!

"How could it be!"

Xuanyuancang exclaimed, but he soon calmed down. With a dance of the sword, the green light in his eyes flashed, the real God body, the power burst out, and the powerful power of the real heaven whirled wildly. Everyone only felt that even the space was distorted under the effect of the real heaven's power!

And in fact, it is!

The original Zhenxiao thirteen swords, which originally hit the sky, flashed in a strange way and appeared on the top of Ye Chen's head again. There was no way to avoid it!

"Oh? It's kind of interesting. "

"I don't know why. I don't like Xuanyuan very much."

Ye Chen is shrouded by this sword array, but he is not in a hurry. Instead, he glances at the real power of heaven around the sword.

"Die for me!" Xuanyuan Cang drinks violently, and the sword spirit of Zhenxiao sword array is turbulent, surging like the sea, and suppressed!

And ye Chen, however, just casually raised a hand, to the top of the sword array, flat no surprise to hit a fist.

People saw this, but also a burst of sneer!

Ye Chen, indeed, has some skills. His strange body method is shocking!

But that's all.

In the face of such a terrible sword array, how could they fight with flesh? What's more, just a random punch?

This should be a desperate, powerless struggle, right? He doesn't die. Who dies?

Is it possible that this blow can even break the terrible sword array that all the fighters in the scene have been killed?

Their eyes are shining with cruel light, only waiting for ye Chen to turn into nothingness under the array of swords.

Just one thousandth of a breath, seems to become extremely long, finally, ye Chen's fist, and xuanyuancang's sword array, collide!

With a roar, the earth shaking sound, the whole Dragon Island is on the verge of collapse!

Thousands of dragons, howling, the waves rolling, set off a hundred Zhang waves!

A trace of the impact of the aftershock, it was so terrible!

However, this is not the most shocking!

What shocked them most was what they saw in front of them!

The extremely strong sword array composed of Zhenxiao thirteen swords and the power of Zhentian is broken!

That's it. It's broken!

By Ye Chen's random punch, broke!

People's thinking, in chaos, can only rub their eyes almost foolishly and suspect that they have seen the illusion!

It can't happen in reality!

Only white jade huang, face color changes instantly!

At this time, ye Chen looked at the broken sword array, had fallen into a dull, stiff xuanyuancang, and said with a smile: "the first punch."

As soon as the voice fell, ye Chen's body flashed and appeared in front of Xuanyuancang. With a fist, he went to his face!

It's still so simple and unadorned that even his martial arts skills are not used!

But now, no one will feel that this punch is just an ordinary one!

In this fist, there is a terrible force that makes the soul burst!

"Don't do it!" At this time, Xuanyuan Cang, where there is any contempt, arrogant look?

He exclaimed in terror. His body suddenly retreated, and his sword flew towards Ye Chen. At the same time, his spiritual power and the power of heaven poured into a jade pendant hanging around his neck!

It's a magic weapon to protect your body!

It's just that the body protecting magic weapon is incomplete and has been used many times.

In an instant, a majestic atmosphere pervaded the palace, and an almost transparent shadow of the old man appeared in front of Xuanyuan Cang, emitting a terrible pressure!

Chapter 2720

This shadow is similar to the legendary emperor of the ancients!

Soon, the sword and ye Chen's fist collided with each other. The sword, which seemed to be extremely sharp, turned into nothingness in an instant!

Ye Chen has a sneer on his face. If it's a complete magic weapon, he may be afraid of it, but this way is vulnerable to a blow!

His seemingly simple fist contains divine blood, burning blood formula, breaking the heaven power, true spirit blood, demon blood, reincarnation blood, all kinds of blessings!

One of the power, has been explored to the extreme!

Is it the sword that a boy with unstable foundation can block?

The shadow of the old man, moving, was actually a palm, toward ye chenyin!

The next moment, this blow, and the old man's slap, bang bang!

The virtual shadow, which was similar to the emperor, only lasted for less than one thousandth of the breath time, and then burst into pieces!

And ye Chen's figure is still moving forward!

His fist, in Xuanyuan Cang's eyes, is rapidly enlarging!

And Xuanyuan Cang look, also more and more panic, eyes, crazy shaking, almost despair!

Finally, the blow hit xuanyuancang's face!

With a click, the skull is broken, the face is sunken, and the flesh and blood are flying!

Xuanyuan Cangyuan's handsome face was smashed by Ye Chen!

His body was also blasted away in an instant!

"The second punch." Ye Chen said coldly, his eyes twinkled slightly. Although xuanyuancang was seriously injured by this fist, it did not completely kill him!

Although the shadow of the old man was smashed by his blow, the strength of the blow was removed!

At this time, Bai Yuhuang has stood up and seems to be ready to move!

Ye Chen evil smile, he, will let Xuan Yuan Cang live?

Xuanyuancang just made a move, clearly to put him to death!

If people kill me, I will kill them!

Not waiting for xuanyuancang's body to fly out completely, ye Chen unexpectedly is the body shape to flash wildly, catching up with xuanyuancang who has just been blown away by him, and he murmured: "the third fist!"

One punch, hit the xuanyuancang's chest!

This time, there is no old man's shadow, which can resist him!

The power of fury will devour Xuanyuan Cang directly!

There's a big bang!

This amazing whole kingdom, incomparably dazzling Xuanyuan family genius, on this, turned into blood mist burst!

Not even a trace left!

There was a cold silence in the hall

Shivering silence!

A group of martial artists, looking at Ye Chen, are pale and pale

With only three fists, he killed Xuanyuancang!

Moreover, Ye Chen obviously did not use all his strength!

Most of them took part in the divine light ceremony

They know, Ye Chen, the most powerful is the sword!

In other words

Xuanyuancang is not an opponent who needs Ye Chen's strength at all

Just like Ye Chen said!

Xuanyuancang is not worthy to fight with him!

What a shock!

It's horrible!

The name of the devil is branded on the souls of all!

Forever, never forget!

Even white jade Huang, at this time, is a body shape meal, standing in front of the main seat, staring at Ye Chen, but no further action!

Looking at the white jade Huang look, a group of martial arts, are in the heart of a Lin!

More certain, their own guess!

Ye Chen, who has cut through the adversity, has already possessed the strength comparable to that of the chaotic one!

At this time, Ye Chen turned his head and glanced at him. He was completely demented, just like Lin Sheng, a stroke patient. He said with a smile, "did you take the lead in scolding me?"

Lin Sheng's pupils trembled, but he showed a look of horror. He screamed wildly, foamed at his mouth, and fell to the ground directly!

Unexpectedly, was directly Ye Chen a word, scared to death in the past!

Then, Ye Chen's eyes glided over the face of a famous warrior!

These are the soldiers who insulted him just now!

Immediately, all these warriors felt as if they were falling into an ice cellar, and their blood would be frozen!

My eyes are full of fear!

Actually, they knelt on the ground without hesitation, kowtow to Ye Chen desperately and said, "please forgive me, I have no eyes, I offended you, please forgive me!"

They know that ye Chen's crushing them is no more difficult than crushing an ant!

Ye Chen said with a smile: "ha ha ha ha, white hall Lord, you are really interesting to celebrate the ceremony."

After that, he turned around and walked out of the hall with Tu Lanxin. In his figure, about to disappear in front of the door, the voice of Ye Chen, echoed in the hall.

"Bai Yuhuang, I'm looking forward to the life and death battle with you in 20 days' time. I hope it will be as interesting as this celebration."

"Ah White jade huang roared. At this time, his whole body breath was on the verge of explosion. The main seat made of precious materials behind him also turned into powder. He was extremely resentful and growled: "Ye Chen!!! Twenty days later, my God, you must die!!! I will torture you to death

Ye Chen and Tu Lanxin flew over the sea side by side. They didn't fly fast. The bright moonlight sprinkled on the sea surface, and under the jade like light gauze, they had a unique aesthetic feeling.

Ye Chen smiles at TU Lanxin and says, "Tu Xianzi, now, can you rest assured?"

Originally, the people of shenjizong unanimously opposed Ye Chen's coming to attend the celebration ceremony of baiyuhuang, but ye Chen was extremely confident and told them that he had the strength no less than that of baiyuhuang! Now the white jade huang, dare not and do it yourself!

Tu Lan Xin followed him to make sure that Bai Yuhuang would not make a move!

In case Bai Yuhuang really does something to Ye Chen, she will fight for her life. She will also attract the power of the kingdom of God to fight against Ye Chen and create a chance for ye Chen to escape

At this time, she could not help nodding: "I I don't know. Your strength is so strong that... " Thinking that he was in shenjizong at that time, he preached to Ye Chen and reprimanded him. At the moment, he was so ashamed that he wanted to find a hole in the ground!

She thought that she had greatly raised her expectations for ye Chen, but now she knows that she has underestimated

Ye Chen, can always bring surprise, fundamental, can not see where the limit is!

At this time, two people body shape a meal, a escape light, suddenly toward them.

Dun light convergence, a gentle woman, coagulation in front of two people, it is xuanyuanxia!

Ye Chen looked at xuanyuanxia and said: "you are the woman with xuanyuancang? What, do you want to avenge him? "

Xuanyuanxia didn't look much on her pretty face. She just shook her head and said, "I just want to tell Mr. Ye that what xuanyuancang has done is his own decision, which has nothing to do with Xuanyuan family."
