

Physician 2751

Chapter 2751

"Magic sword!"

Yuan Jiuyi pulled out a long sword from his waist. His evil spirit was fierce and the cold light flashed. His spiritual power was burning wildly. He ran regardless of his body's burden. His whole body was full of blue veins and bulging. He made every effort to cut out the top sword!

Under the enormous pressure, Yuan Jiu's sword has broken through his own limit!

This is an extremely amazing sword. The sword light is rampant, the killing intention is roaring, and the boundless evil spirit is rolling. It is like a giant devil, roaring at Ye Chen with the breath of killing all living beings!

The space trembles, on the earth, there are deep sword marks, and the strong wind rolls around, turning the surrounding trees into sawdust!

The icy and surging sword light covers the sky and the earth. Almost instantly, ye Chen will be swallowed up. All the martial artists, even the girl named as his highness, are shocked and appreciated!

Although yuan Jiu is only an ordinary bodyguard, her bodyguard, even the most ordinary one, is the elite and strong in the extremely evil country!

With this sword, Yuan Jiu was even qualified to serve as the chief bodyguard!

You know, to be a bodyguard chief, most of them need the cultivation in the middle of chaos! Yuan Jiu has the qualification to become a bodyguard commander because of his chaotic environment. It can be seen that his martial arts talent has gone against the heaven!

Yuan Jiu himself was ecstatic, with a glimmer of hope in his dark eyes.

This sword is very strong!

Even ye Chen is also a pick on the eyebrows. In terms of the other side's realm, it is really a very good sword. Even, it has surpassed the martial arts of many warriors in the kingdom of God!

However, it is just a pick on the eyebrows.

Perhaps, Yuan Jiu is a genius in this extremely evil country and will rise in the future.

But in his eyes, Yuan Jiu is still a mole ant, nothing has changed.

The next moment, sword light and ye Chen's meat fist collide.

With a loud sound, the invisible waves spread out. Ye Chen's whole body's strength surges infinitely, just like gluttonous food coming into the world, devouring all things, shaking the void. Countless dark cracks appear, and the evil spirit diffuses in this world, as if boiling up!

The rolling sword light was broken like glass under Ye Chen's fist power. In an instant, it turned into nothingness!

Boundless fist force, compressed the air, and hit yuan Jiu hard!

"Poof!"

Yuan jiukou spits blood. His body looks like a high-grade black armor, which is extremely solid. In an instant, it turns into a smash, and his bones are broken quickly. His whole body is dyed red with blood. The whole person flies out like a shell. It is Ye Chen's fist that directly blows him to the horizon and disappears!

But it's not over!

The fierce wind pressure swept over, just like a wild animal that chooses people to eat. With boundless power, they roar to Murie and others!

Murray and others look crazy, their eyes are full of puzzled color!

Is it not to say that outsiders are rubbish, so weak that they can't even bear the extremely evil spirit?

The youth in front of us, how can we have the slightest waste and weak appearance?

A breath of extreme danger, tearing their nerves!

At this time, where is there anyone else? What is the most noble highness?

"Tiansha sword!"

"Wansha Guiyuan sword!"

"You Long Quan!"

One by one, they were all full of spiritual power, and their bodies were flying back, running away in the direction far away from ye Chen. At the same time, all kinds of martial arts were around, and the light of Taoism burst out. They used the strongest means to attack the coming wind pressure!

Originally, a girl who was still aloof and wanted to take ye Chen as a pet at will, at this time, her delicate face was full of stupidity. After an instant, in her deep eyes, fear was like a tsunami, slapping her eyes wildly, and her tears twinkled. Regardless of her appearance, she was facing the fleeing people and cried out in despair:

"you Come back to me! The palace orders you to come back to me! Don't leave me

Shouting and shouting, it was the voice of a coagulation, aggrieved to cry.

At this time, several figures in the air all gave out a scream. The meanings of Daodao boxing, sword and palm were crushed under the wind pressure. The bones burst and the body softened. They fell from the air and fell to the ground, dying.

There was only one shadow. After being hit by the wind, the black armor was broken, and the whole body was shaking. The body was covered with blood. However, it persisted!

He can still run away though he is hurt!

This man, it is Murray!

At this time, the color of ecstasy appeared in Murie's eyes, and his body flashed wildly. He was about to flee towards the distance!

This young man is really terrible. What kind of monster can he rely on the pressure of a fist to seriously injure many warriors in the early stage of chaos?

He would rather betray the royal family of Jisha state and be wanted and killed by the whole country all his life, rather than stay in front of Ye Chen for even a second!

Ye Chen looks light, looking at the man, the corner of his mouth raised a strange smile, but there was no intention to move. He bent down and picked up the collar on the ground, with a trace of evil light in his eyes, and walked towards the girl kneeling on the ground with a smile. Seeing this, the girl trembled with fear. She wanted to run away, but on her slender legs, she had no strength at all. She could only move her body backward like a rabbit and stammered, "no Don't come here! Don't come here! "

Ye Chen said with a smile, "don't you like pets? Don't you want to be my pet

At this time, when Mu lie's figure is about to disappear from ye Chen's vision, the space fluctuates and blooms in the void, and a graceful figure suddenly appears in front of Murray. The woman who doesn't know where to come from, glances at him and says lightly: "those who betray your highness will die."

Looking at the woman, Murray's eyes trembled, showing a look of horror!

At the next moment, even without waiting for Murray to react, a sword was rising and cutting towards him!

With a roar, Murray turned into a blood mist and floated in the air. The strong man of the chaotic two layers of heaven was so dead that he could not die again!

The girl, who was still crying and trembling, saw the woman appear, but she was surprised and called out to the woman, "sister long, you are here!"

The woman in the air, with a flash of figure, came to the girl's body and bowed slightly and said, "Your Highness You're surprised. "

Ye Chen was not surprised. He had already sensed that someone was hiding in the void. However, when he looked at the woman, he could not help but feel a little stunned. The speed of blood flow all over his body was accelerated!

Ye Chen has seen a lot of beautiful women who can be called the acme now, but even with Ye Chen's vision of women, his mind can't help shaking a little

The young lady, known as her royal highness, is quite vulgar compared with this woman named dragon!

What's more, the beauty of this girl is different from that of that noble girl. It's a mature beauty with fatal temptation to men!

Chapter 2752

The woman in front of her, who looks like twenty-three or four years old, is dressed in a piece of glittering brilliance, just like countless stars. On it, the beautiful gauze makes her graceful and extremely moving figure more attractive, just like a group of cold flame, burning the souls of men in the world silently!

Women's skin color, like the people in this extremely evil country, is that kind of abnormal pale, but this strange skin color, in its exquisite to impeccable peerless appearance, but exudes a kind of maddening charm!

Ye Chen's eyes, slowly flowing through the woman's long black and soft hair, flowing through her outline slightly deep, but each line is like the face of the ultimate beauty ensemble, flowing through her appropriate size of beautiful eyes, pretty nose, and under the pale skin, more colorful vermilion

Along with that delicate and soft neck, delicate and attractive clavicle, fell on the pride of the woman's chest, even ye Chen, heartbeat, can not help but slightly accelerate!

Even among his women, Sun Yi, whose figure is the most infuriating, is not as large as the woman before him

The thing in that eye, it is like a heavy hammer general, bombard in Ye Chen's nerve above, let him cannot help but swallow saliva.

The woman obviously felt Ye Chen's sight. In her beautiful dark eyes, she was full of frost and drank coldly to ye chenshen: "what are you looking at?"

Her name is long Jingyan. Although she serves the royal family in this extremely evil country, her status is extremely respected. Even if the royal family sees her, they dare not have the slightest transgression and rudeness. When can a man dare to stare at her like this?

And, still staring at that kind of place

She bit her silver teeth, and her chest rose and fell slightly. She gazed at the outsider who had been practicing to cut the three layers of adversity in front of her!

"Cough..." Ye Chen takes back her sight awkwardly and coughs twice. Just as he is about to say something, Long Jingyan turns her wrist and holds a slender sword that sends out chills. She can't help but kill Ye Chen!

On Long Jingyan's sword, the intention of killing is concise. When Ye Chen looks at the place he shouldn't look at, it is a crime of death. Besides, he also attacks his highness?

You want your highness to wear a slave collar? What's more, it's worse to die!

Ye Chen's pupil shrinks, looking also cold. Come down, have a look to want to kill? What if he gave the girl a collar? Is it not that the girl who opens her mouth will take him as a pet and ask for trouble?

Ye Chen, although he doesn't like to start with women, he is not a kind-hearted person!

What's more, the woman in front of her is extremely powerful!

Long Jingyan at this time on the delicate body, broke out a strong momentum, impressively is a chaotic state of the existence of six layers of heaven!

Ye Chen sneers at the corners of his mouth. From the accomplishments of those bodyguards just now, we can see that the martial arts here are even better than the present Shenguo.

It seems that the girl's identity is more noble than he imagined.

Long Jingyan's supernatural power converges on the thin sword. The sword lights up and turns. A sense of true martial arts flows through it, and one sword comes out.

The void is broken, and the whole kingdom of extreme evil seems to be turbulent in the light of the sword. The rolling evil spirit in the air is devoured by the sword light crazily. The cold sword Qi makes everything freeze!

The seemingly simple sword shows boundless power!

The young girl who was shivering just now was smiling with excitement. Although her martial arts accomplishments were not high, she was born in the royal family and had a high vision. She was sure that the sword of long Jingyan, even the powerful one in chaos, would feel a bit of threat. Even if she had the strength of bandits, she could not resist the sword ?

"Well, I'll let you scare me!"

The girl thought bitterly.

"Let's go to our palace to regret it."

Just, a rare pet, so no, let her a bit of a pity.

The cold light in Ye Chen's eyes is more and more strong. Although long Jingyan's sword is extremely strong, it can't pose any threat to Ye Chen now!

He took a deep breath, and his whole body was full of spiritual power. The golden awn of breaking the sky was shining in the meridians. The red gold Xuan Yan was burning in the elixir field. The heat of the divine fire broke out in the blood. The power of the divine blood was boiling in Ye Chen's body. Seven blood lights were blooming silently!

"I'm the only one to soar to the sky, and the butcher God will break the sky!"

He flipped his wrist and held a bloody sword. Although it was much worse than Qinglian mietian sword, it was barely able to be used. The light of the sword was like thousands of stars. It fell from the sky, and the real martial spirit swept out. It collided with the martial spirit of long Jingyan!

At the next moment, the bloody sword collided with the slender sword in the hands of long Jingyan!

The strong light explodes, the earth shakes, and the earth breaks in an instant. The void is like glass, and the spider web like cracks are spreading rapidly on it. The most terrifying aftershocks sweep all over the country. All the warriors of the extremely evil kingdom are looking at Ye Chen and long Jingyan's direction in disbelief!

Originally, long Jingyan's face was like frost, and her killing intention was awe free. Her sword holding wrist was shaking wildly. Her strong sword intention, which directly pointed to the origin of martial arts, was quickly defeated! For the first time in her life, she felt a trace of fear!

How could the outsider, who only cut through the three layers of disaster, possess the power comparable to the gods and demons?

Is it not to say that outsiders are all frail?

In front of the man's strong, but almost will break her mind!

Long Jingyan's silver teeth clenched, and a bloodstain spilled from the corner of her mouth. The sword was covered with cracks. Her body turned and flew back. Facing Ye Chen's violent sword, she had no resistance at all!

The light of the sword disappeared, and she flew away towards the direction where the girl was. Jiao said, "Your Highness, go quickly!"

"Go?" Ye Chen said with a cold smile, "why don't you kill me?"

At this time, the girl with a smile on her face was completely stupid. She wrapped her body with gray light. Otherwise, she would have been swallowed up by the aftershocks

She heard long Jingyan's delicate drink. She was excited and cried with tears on her face: "elder sister Sister, I can't leave you... "

Long Jingyan show eyebrow a frown, beauty eyes reveal the color of determination, the whole body breath together, unexpectedly is to explode!

But at this time, a fist with a black awn, but in her dark eyes, rapid amplification!

Long Jingyan originally pale pretty face, seems to be more pale a minute, can not help but exclaimed: "how possible!"

After chopping out that extremely peerless sword, unexpectedly, can you still punch?

With long Jingyan's martial arts, you can clearly feel how terrible the destructive power is contained in this fist!

Ye Chen looks at long Jingyan coldly. Even those who understand the meaning of Zhenwu, it is very difficult for them to change their moves as quickly as ye Chen.

Chapter 2753

Because, force to change, the burden on the physical body, extremely huge!

Only Ye Chen's physical quality against heaven can be realized!

This fist, mercilessly hit on long Jingyan's chest!

At this time, the gauze that long Jingyan is wearing is surging with stars. It is a burst of extremely strong energy, which turns into a bright star river to protect long Jingyan!

Ye Chen eyebrow tip a pick, eye dew surprised color, even he did not see, this gauze, actually is a protective magic weapon!

However, even the bright star river can't bear Ye Chen's fist. The violent power beyond imagination will extinguish the star light, as if the stars are broken in the power that makes the Universe tremble

In the crack, the Star River collapses and collapses, turns into a little light and dust to dissipate

All of a sudden, ye Chen, who is preparing to continue his hand, is shrinking his pupils. His face is dull and he stops in the same place in shock

Incomparably fragrant scene, emerged in front of Ye Chen!

With the disappearance of the stars, long Jingyan's beautiful body, which has no shelter, is also revealed in her domineering fist power!

My eyes turn on the bright red on the white scroll. Even the gods and demons will be intoxicated with the beauty

Time, as if there is a moment of stillness, the world, fixed in this moment.

Long Jingyan's delicate body flew upside down and landed in front of the girl who was full of tears. At this time, ye Chen finally came back to God.

"This...!"

Ye Chen's eyes are wide open, staring at the beautiful jade body exposed in front of his eyes. He can't help but exclaim.

He can guarantee, this, absolutely is an accident!

Who could have thought that the gauze was actually a defensive weapon, and that it was broken by one's own blow?

However, it has to be said that although this woman does not agree with each other, she will kill, but she is indeed a rare creature

"You! Shameless

Long Jingyan vomites out a mouthful of blood, and her breath rapidly weakens. But at this time, she doesn't care about her injury. Instead, she covers her body in a panic. She is so injured that her spiritual power can't work, and she can't even take out her clothes!

Long Jingyan's beautiful face flashed with a deep sense of killing. She bit her teeth and tried to suppress her inner feelings. But her chest was still violently fluctuating. Her beautiful eyes twinkled, but she was extremely resentful. She said to Ye Chen in a boiling voice:

"you'd better kill me now. If there is a chance, I will definitely use the most cruel means You have to pay for it

Ye Chen smell speech, strong from calm down, recovered before the heavy cold, smell speech light way: "Oh, that you go to die."

After that, he raised his hand and chopped at long Jingyan with a sword!

Some people have moved to kill him, why should he let go of each other? What does beauty have to do with him?

But at this time, a figure, suddenly knelt in front of Ye Chen.

It is the noble girl who will let Ye Chen be a pet.

At this time, she trembled all over her body and did not dare to look up at Ye Chen. She just opened her mouth with a crying voice: "Gong Young master, my name is you xuan'er. I'm the seventh Princess of the extremely evil kingdom. Please let sister long go. I'm I would like to respect the young master. "

Although she is a princess, usually, she is pretty pretty pretty, but she is not stupid. She knows that for a strong person like Ye Chen, moving out of the background to deter the other party will only accelerate his own death.

"Your Highness!"

At this time, long Jingyan finally takes out a long skirt and puts it on. When she hears you xuan'er begging Ye Chen for mercy, she exclaims.

You xuan'er, as the royal family of the extremely evil Kingdom, can imagine how noble you are. But now, for her own sake, she bows to this outsider!

Ye Chen looked down at you xuan'er and said, "do you think you are qualified to refuse me and bargain with me?"

You xuan'er's shoulder trembled. At the next moment, she suddenly raised her small head. Her eyes showed a resolute look and said: "young master, if I guess well, you should, do you need my help?"

Sister long has been with me since I was a child. If you insist on killing sister long, xuan'er will not let the young master Ruyi even if she dies!

Moreover, I can assure you that if I die, the extremely evil country will never be indifferent! Even if you are not afraid, there will be a lot of trouble! "

Long Jingyan seems to still want to talk, ye Chen at this time, but coldly swept her one eye, deep voice drinks a way: "shut up!"

Long Jingyan is stunned. Her eyes are full of anger, but in the end, she really doesn't open her mouth.

Ye Chen stares at you xuan'er with her eyes slightly narrowed. After a moment, he suddenly glances at long Jingyan and says, "I can promise you, but there is one condition."

"Young master, please say so?"

In you xuan'er's big eyes, a touch of joy emerges.

Ye Chen threw the collar into you xuan'er's hand and said, "put this on the woman."

What! Long Jingyan and you xuan'er look at each other, and they are both surprised!

Especially long Jingyan, the anger in her beautiful eyes will turn into substance!

Deep in the eyes, there is a strong fear!

With her pride, she would rather die than be a servant!

However, you xuan'er didn't say much. Instead, before long Jingyan broke out, she put the collar on long Jingyan's soft neck, and the collar melted into her skin.

She looked serious and said to the crazy dragon Jingyan: "sister long, if you are disrespectful to the young master, not only you but also I will die! You should listen to what the young master says

Long Jingyan gradually calmed down after hearing the speech. However, she glanced at Ye Chen coldly, but she still didn't have a good face. She seemed to have no expression, but in her beautiful eyes, there was a trace of grievance that could not be suppressed.

Ye Chen smiles. The look in long Jingyan's eyes naturally can't hide from his eyes. This woman is obviously extremely arrogant. Death is nothing to her. Isn't it the best punishment to let her be a slave?

You xuan'er respectfully asked Ye Chen, "young master, we were going to return to the palace. Is there anything you need us to do? If you don't mind, you can come back to the palace with me

Ye Chen asked, "you this extremely evil country, extremely evil spirit is so rich, do you know, where does this evil spirit come from?"

You Xuaner said with a smile: "childe, this is a secret only our royal family and a few people know. The source of the extremely evil spirit comes from the Zhenjian stone of our extremely evil country!"

"Sword stone?" Ye Chen eyebrow tip a pick, "this town sword stone is what, how can I get it?"

You xuan'er and long Jingyan are both stunned when they hear this. Ye Chen wants to get zhenjianshi?

Chapter 2754

Long Jingyan sneers at Ye Chen's ignorance.

You xuan'er said: "since the founding of our country, there has been a Sha sword which has been handed down to this day. It is said that this Sha sword was forged by the evil god who created this world. The Sha sword can communicate with the spirit. In order to prevent the evil spirit from escaping when he was sleeping, he sealed it with the sword stone!

In fact, this extremely evil country exists to suppress that evil sword

"Therefore, Sha sword and Zhenjian stone are very important to the extremely evil country. If you want to get the Zhenjian stone, it is not easy and extremely dangerous!"

"But it's not hopeless at all..."

You xuan'er said hesitantly.

"Every year, our royal family will hold a ceremony of zhensha. At that time, you will have a chance to get in touch with zhenjianshi and shajian!"

"And this year's zhensha ceremony is just three days later!"

"Zhensha ceremony?" Ye Chen frowned slightly.

"The so-called zhensha ceremony, as the name suggests, is a ceremony to suppress evil spirits."

You xuan'er held out her long finger and stirred the strong evil spirit in the air: "although our Sha people live in the extremely evil country all the year round, their physique has changed and they can bear the strong evil spirit. However, if the evil spirit is strong enough to a certain extent, it will hurt the people of the whole country."

"Zhenjian stone and shajian are sealed in a holy land in Jisha's country, which can only be opened once a year. Only our royal family can open the gate of the Holy Land!"

"The evil spirit of the extremely evil Kingdom comes from zhenjianshi, and zhenjianshi will produce a strong evil spirit by itself. Therefore, every year, our royal family will hold a ceremony of zhensha!"

"After the holy land is opened, the royal family will send envoys to enter the holy land to relieve evil spirits! The so-called "Jiesha" is to directly absorb the horrible evil spirit in some Zhenjian stones! "

She pointed to long Jingyan and said, "sister long is one of the holy envoys. The evil spirit concentration in the holy land is extremely terrible. Even if ordinary Sha people enter it, they will die instantly!"

You can imagine how dangerous it is to absorb the evil spirit from the sword stone

"What's more, there will be many evil spirits who are greedy for flesh and blood in the Holy Land! Therefore, the strength of a saint must be very strong, at least, he must have the strength of chaos! Our royal family will try our best to cultivate them

"Even so, every year, there are envoys who die in the process of relieving evil spirits. Therefore, the status of holy envoys is extremely high in the kingdom of extremely evil spirits."

Ye Chen nodded and his eyes flashed. It seemed that he wanted to get the Zhenjian stone. He had to attend the zhensha ceremony three days later.

He looked at you Xuaner and said, "how to become a saint?"

You xuan'er said with a smile: "every time zhensha ceremony, only 12 people can enter the holy land. The top 12 royal families will appoint people. If you want, I can recommend you to attend the zhensha ceremony."

Long Jingyan on one side did not show any opposition at this time. Originally, she should have participated in the zhensha ceremony. However, ye Chen's strength is superior to her. It is better for the extremely evil country to participate in the zhensha ceremony.

As for, will ye Chen take away the Zhenjian stone?

Hehe, if Zhenjian stone is so good to get, it will not exist for so many years.

"Do it like this."

You xuan'er said with a smile, "the entrance of that holy land is in the palace. Young master, will you go back to the palace with us first?"

"Good."

.....

Under the leadership of you xuan'er, ye Chen enters the palace of Jisha kingdom without hindrance. Along the way, many people point to Ye Chen. Obviously, they are quite curious about the outsiders brought back by the seven princesses!

At the same time, they also looked at long Jingyan with astonishment. The star river god yarn worn by the Dragon fairy is one of the most precious treasures of the extremely evil kingdom. It was given by the king of the extremely evil kingdom. In the past, the Dragon fairy never changed. Today, why can't she wear it?

At this time, ye Chen sits on the main seat of Xuanxin Palace which you Xuaner is in charge of. You Xuaner, who is standing on the side, respectfully asks, "do you want tea, sir?"

If you let the people in the palace see this scene, I'm afraid it will shock you to death!

Most people just regard Ye Chen as a pet brought back by the seventh princess. But now, the seventh princess, who is very popular in the palace and always has a high attitude, actually stands up to let this outsider sit on the main seat?

What's more, he asked if he would like tea?

Even the seven princesses are not so respectful to the king of the extremely evil kingdom!

What a ghost!

Ye Chen did not think so. He took a look at long Jingyan and said with a light smile, "go and pour me a cup of tea for you."

"You

Long Jingyan glares at Ye Chen, what identity is she? Even if the emperor was here, he would treat her with courtesy, and ye Chen even asked her to carry tea and water!"What? No? "

Ye Chen looked at long Jingyan with great interest and said, "who attended the zhensha ceremony this year? Have you forgotten? If I can't drink this cup of tea, I'll be in a bad state. I'll absorb less evil Qi. It's not me. "

When you xuan'er and long Jingyan hear the speech, their faces change slightly.

"If you are obedient, I may be able to absorb more evil spirit."

Long Jingyan's silver teeth clenched, a pair of eager to swallow Ye Chen's appearance, but still take a deep breath, quietly turn around, toward the teahouse.

Jiesha is the mission of the holy envoy. Long Jingyan is not willing to let the whole people suffer because of herself.

At the same time, long Jingyan's heart, also can't help but a burst of grievances, this ye Chen seems to be her hit killer general! In front of him, bow head, as if forever is oneself!

This feeling, she has never experienced in her life! Ye Chen is the only one who can make her bow her head!

Ye Chen smiles. Anyway, he wants to absorb all the evil spirit in the sword stone. Let the cold and gorgeous woman make a cup of tea for herself. Isn't it too much?

Soon, long Jingyan will bring a cup of hot tea, ye Chen playfully looking at her extremely embarrassed appearance, the smile on the face, more rich a minute.

But at this time, Xuanxin palace outside, suddenly sounded a song and said: "big prince to!"

Outside the palace gate, there was a laugh. Then, the figure flashed and two men stepped into the hall.

One of the men is handsome, wearing a yellow robe embroidered with dragon patterns. He is full of noble spirit. His eyes are shining and his dignity is looming. His hands and feet are full of breath of staying at the top for a long time!

The other man, half a step behind the man, looks dull and ordinary. On his hands, he is covered with sharp black nails, and his whole body exudes a very gloomy death!

Ye Chen's eyes from the big prince's face, see that the gloomy man above, but slightly flicker, this person's cultivation and long Jingyan are comparable!

Chapter 2755

But originally, the big prince with a smile on his face, when he saw the hot tea in long Jingyan's hand and walked to Ye Chen, who was sitting on the main seat, his smile was stiff!

You Xuan Er sees this, but on her pretty face, there is a flash of panic!

The eldest prince, named Youxuan, and you Xuaner are half brothers and sisters. In the whole palace, no one but long Jingyan knows that you Xuan has loved long Jingyan since she was a child!

However, long Jingyan is arrogant and immersed in martial arts. She has almost no feelings about men and women. Therefore, even if you Xuan keeps making friends, long Jingyan doesn't respond at all.

Originally, you Xuan didn't care, just as long Jingyan was cold-blooded. He believed that one day, long Jingyan would be moved by herself!

But at this time, he saw long Jingyan, serving tea and water to other men!

You Xuan, as the great prince of a very evil country, has a very high status, almost only under the emperor. From small to large, no one dares to compete with him for what he likes!

He, no one is allowed to argue with him!

And long Jingyan, it can be said that you Xuan, the only woman who can't get it!

In his mind, it was like a goddess!

Now, the goddess, who can't ask for it, is like a slave in front of other men?

It can be imagined that at this time you Xuan, how angry and unwilling he is!

His face was covered with frost, his eyes were bloodshot, and his dark eyes were rolling with the ultimate killing intention. The blue veins on his forehead were beating wildly and angry, which almost dried up his whole blood!

You Xuan looked at you xuan'er and said coldly, "sister Qi, what's going on here? How do you make him sit on the main seat? An outsider is nothing more than a noble's plaything. Seven younger sister, you usually make a fool of yourself, even if you don't!

It would be a disservice to my royal majesty to let such a humble existence sit on the main seat of the palace now

Ye Chen hears the speech, the vision instantaneous ice cold comes down.

This big prince, what a great imperial power?

You xuan'er said in a quick voice, "brother! What are you talking about! Mr. Ye, my guest! I want you and Mr. Ye to apologize! "

When you Xuan hears the speech, she is shocked and looks at you xuan'er in disbelief.

Qimei, what did you say just now? Let yourself and the man who has cut three layers of trouble apologize?

Did he hear right?

He is the existence of the status of respect ah!

Why, no matter long Jingyan or you xuan'er, it seems that they are more respectful to this young man who comes out of nowhere than to herself?

What's more, the boy still looks like an egotist, sitting on the main seat, standing on his own, this boy is sitting?

He can't stand it!

You Xuan's whole body breath surging, toward Ye Chen suddenly drink a way: "outsider, see this prince, still don't come to salute! Still sitting there? Do you know that disrespect to the royal family is a great crime to punish the nine clans? "

You xuan'er is more anxious. Her eyes are full of tension. She has experienced it personally. How terrible Ye Chen is!

Her pretty face sank down and said to the prince, "brother! I said, Mr. Ye, is my guest! How dare you be so presumptuous to him in my Xuanxin palace! I don't care what you do on weekdays. The Xuanxin palace is up to me. Whoever I let sit in the main seat will take the main seat. If you are not satisfied, you can go out of Xuanxin palace! "

You Xuan looks at you xuan'er, completely silly, seven younger sister actually and oneself turn over a face?

For this kid?

It's not only long Jingyan, but also her sister who doesn't care for her anymore?

What kind of infatuation did you give them!

He stares at Ye Chen and says: "my prince is talking to you. Are you deaf?"

At this time, ye Chen took the cup of hot tea from long Jingyan's hand. He tasted it leisurely and leisurely. His eyes were bright and he praised: "good tea."

It seems that, really will have been angry big prince, as the air!

Looking at ye chenpin's tea with long Jingyan's own hands, he felt that the nerves in his brain were about to collapse!

He almost madly yelled: "my prince gives you one last chance. Now, for your rudeness, I kneel down to apologize! My prince, you can be spared a dog's life, this, or in the face of seven younger sister! Otherwise, I want you to die without a burial place

Ye Chen slowly put down his teacup and stood up with a sense of killing. From his eyes, the temperature of the whole Xuanxin palace seemed to drop suddenly!

Ye Chen coldly looked at you Xuan and said: "you have repeatedly offended me. It's better that I give you one last chance to kneel down and kowtow ten thousand loud heads. I can spare you a dog's life. This is for xuan'er's sake, otherwise, you will be a dead man."

Xuanxin palace, suddenly fell into a dead silence!

In addition to the wooden man, all of us can't believe to look at Ye Chen! Even long Jingyan's pretty face flashed with surprise.

Two women know that ye Chen is really strong, but, after all, it is still in the palace, ah, for you Xuan is not the slightest face?

You want him to knock ten thousand heads?

Crazy beyond description!

And you Xuan, is completely crazy!

The spirit will be burned to ashes by the anger! For the first time in his life, he was scolded as a bastard. Moreover, the foreign waste even asked him to kowtow? Or 10000?

Even if you Xuaner's attitude towards Ye Chen makes him feel a little different. Even if you Xuaner makes a rash move in Xuanxin palace without you Xuaner's consent, you Xuan may be punished in front of his father and the emperor. You Xuan can't bear it any longer!

His eyes are bloodshot, look incomparably ferocious ground to drink a way: "no skeleton, kill him for me!"

"Yes

The wooden man responded, his face was expressionless, his whole body was full of spiritual power, his breath was rolling, and he was howling in Xuanxin palace. His body suddenly flashed, and he killed Ye Chen!

The man named no skeleton, just like a god of death from hell, is surrounded by the breath of extreme terror. In his movements, he seems to be carrying many corpse mountains and a sea of blood!

Condensed Black Light condenses on both hands, his arm is held high, mercilessly toward Ye Chen, a claw grasps!

"Stop it!"

Long Jingyan, at this time, is a delicate drink. She is beautiful and wrinkled. She turns her wrist and holds a long sword. The light of the sword tilts out like water. It is actually in front of Ye Chen's body, and a sword meets the sky's claw shadow!

She knows, if really let Ye Chen hand, the matter will be out of control!

Even, the whole extremely evil country, will face the huge crisis!

With a loud bang, the whole palace was in a state of shock. This sword blocked the blow without bones, but long Jingyan retreated quickly and vomited a big mouthful of blood with a whoop!

Chapter 2756

Long Jingyan's strength, originally, was between Bozhong and Wuru, and even slightly better than Wushi. The reason why she was injured and retreated after a fight with Wuske was that she was not good enough to fight with Ye Chen, and her strength was less than 60%!

Suddenly long Jingyan Jiao body a meal, she kept stepping back, but just fell into the arms of a man.

This person, of course, is Ye Chen.

Long Jingyan suddenly raised her head, just in time, on Ye Chen's eyes, can't help but blush, quickly out of Ye Chen's arms.

At this time, the eldest prince's face was full of disbelief. His voice trembled and he said to long Jingyan: "Jingyan! What's the matter with you!

For this outsider, just serve tea and water! Now, for the sake of this trash, you've got no bones? To this extent? What is the relationship between you and me

"Jingyan, I know that you are addicted to martial arts and have no experience in getting along with men and women. However, don't be cheated by villains! And what's the matter with your injuries? "

He's really going crazy!

He grew up with long Jingyan since he was a child. He has never seen her defend any man!

Long Jingyan's eyebrows are locked, and she is trying to explain to the prince when a man's voice reverberates in Xuanxin palace.

"I took a taxi."

Ye Chen picked up that cup of tea again, tasted a mouthful, light way.

Looking at Ye Chen, the eldest prince is in a state of confusion. When he glances over the faces of you xuan'er and long Jingyan, and looks at the two women's faces, he knows that ye Chen's story is true!

At this time, he didn't have time to think about how ye Chen, who killed the three layers of heaven in the troubled state, hurt the Dragon Jingyan of chaos state. The whole person was swallowed up by jealousy and anger!

You Xuan completely out of control, face ferocious to the Dragon Jingyan to drink: "bitch! You're a bitch! My prince, from small to big, I will do everything for you! Do you think, how did you get that star yarn? I asked my father to give it to you

"But what about you? I don't know how to be confused by this outsider, so cheap? They've been beaten by him. Do you want to defend him? Do you want to fight for him?

Just now, you fuckin 'blush? I've never seen you blush. Have I ever done anything with this trash? "

"My prince, what on earth can't compare with this outsider! Long Jingyan and you xuan'er, you two bitches, are you crazy about this guy? For him, fight with my son, do it?

Good, very good, this prince son today, will be in front of you, will this outsider fragment ten thousand pieces! Let you know, this outsider is nothing more than a roadside dog's excrement compared with my own prince! "

"Boneless, kill him for me, kill him recklessly!"

"Yes

No skeleton answered without any emotion. All of a sudden, he was dead and rolling. On that pair of black nails, the cold light flashed and the whole body of spiritual power rose from the sky, and even broke the roof of Xuanxin palace!

For a moment, it seems that there are thousands of ghosts moaning. On this boneless body, I don't know how many lives have been taken and how many wronged souls have been contaminated!

At the next moment, the skeletonless figure flashes, and it appears directly in front of Ye Chen. The claw awn explodes and turns into a sharp claw net covering the sky and the earth. It looks like the devil of hell and stretches out his claws, and goes towards Ye Chen!

At this time, Yu Yanlong pushes out the range of her hand, which is not covered by Jingshi.

Ye Chen turns his wrist and holds a long bloody sword. With seven times of blood light, his body surface explodes. The golden awn flashes in the blood. The true martial intention startles the sky. The boundless sword is like stars shining. He roars away towards the dark claw net with the momentum of opening the sky!

There was a loud noise, and the cold light exploded, and the aftershock was concussion. Even though the protection array of Xuanxin palace was shining, it resisted most of the remaining power of their fight.

Long Jingyan, you xuan'er and you Xuan are still stepping back, pale.

The claw net is broken and there is no skeleton. The ten black fingernails seem to be made of several precious materials. Their hardness is not below the level of ancient artifacts, but they are broken one after another!

At the same time, his whole body was struck by the sword!

He smashed the dome of Xuanxin palace, smashed the dome to pieces, fell to the ground, and vomited a big mouthful of blood!

"No way!"

You Xuan's eyes trembled wildly and roared in disbelief.

Did the outsider suppress no bones with a sword?

At this time, it seems that there is a basin of cold water, poured down, the original full of anger, have been put out, you Xuan gradually restored to reason!

What followed was fear!

What kind of monster is this kid

Well, no bones!

Although, because of his repeated exorcism, the spirit was damaged, and people became very numb and could only obey orders, but his strength did not decrease at all! Three thousand years ago, wurui was the first God of death in the kingdom of Jisha!

Harvest countless lives on hand!

Now, it was an outsider, a sword wound?

At this time, ye Chen looked down at the bloody sword in his hand and frowned slightly. The sword was damaged when he fought with long Jingyan. Now it is full of cracks and has been completely damaged

Wuskeleton got up from the ground, still in that wooden appearance. With a move, he rushed to Ye Chen again, and hit Ye Chen's face with a fist!

Ye Chen smiles coldly. He raises his fist to meet him, and the two fists collide with each other. It is also a shocking explosion. Under the bombardment of Ye Chen's huge force, ye Chen's unfruitful arm twisted backward into a very strange shape!

Ye Chen is surprised in the eye color a flash way: "the strength of flesh body, pour is good."

It is not easy to defend Ye Chen's fist without being directly beaten into blood mist.

Wu Gu's face is blank, as if it was broken, not his own hand. The other fist, in an instant, flashed towards Ye Chen's temple!

Ye Chen's body shape flashed, avoided the fist, and quickly reached out his hand. He grabbed the boneless wrist directly. He drank and pulled hard to break the arm!

Not waiting for no skeleton to continue to move, ye Chen's mouth, outlines the meaning of obliteration. On the top of the fist peak, the black light flickers, and a fist blows out. The huge force is surging, which severely hits the boneless sternum!

His eyes suddenly burst out, and his body suddenly flew back and forth. The blood mist exploded all over his body. His bones were constantly broken. He broke several palace walls and finally fell to the ground. He was dying and could not get up again.

But the big prince, at this time, is already legs soft, whole body trembles, even the soul, because of Ye Chen that extremely terrible strength, and in howling!

Ye Chen, step by step, goes towards the big prince. At this time, the big prince's heart is going to collapse. He is even willing to use all his status to exchange for an opportunity to escape Ye Chen!

But, looking at Ye Chen, with a smile on his face, he walked towards him. He even moved, and did not dare to move. His breath would forget, let alone run away!

Ye Chen sneered: "what I said just now, do you still remember?"

The prince's body trembled, and his eyes were filled with ecstasy!

The next moment, he did not hesitate to kneel down on the ground, facing Ye Chen, exhausted the whole body strength, heavily kowtowed a head!

Quickly one after another, with all one's strength, kowtow to Ye Chen!

Ye Chen looked at the big prince, but shook his head and said, "this is what you call royal majesty?"

The eldest prince was so humiliated, but he did not dare to refute it. Once, he fought harder!

Ye Chen sits back on the main seat. The cup of tea made by long Jingyan is still warm at this time. He is enjoying the tea while enjoying the performance of the great prince. He is extremely comfortable.

An hour later, the thumping sound of kowtow stopped. At this time, the prince's face was covered with blood, his head was smashed, and his original handsome face looked disgusting. He fell on the ground and was dying. He kept whispering: "master ye, please forgive me, Mr. Ye, I'm wrong..."

He, enough to Ye Chen, knock ten thousand sound head!

It seems that the mind is broken down and the mind is in confusion. I'm afraid that even if the injury recovers, Daoxin will not be able to heal.

You xuan'er sighs and secretly sends his confidant to send the eldest prince and Wugu to be cured. She doesn't blame Ye Chen.

The eldest prince has repeatedly offended Ye Chen, but ye Chen has not killed him directly. To tell the truth, he has already given you xuan'er enough face.

Strange only strange, you Xuan own, have eyes but no eyes.

.....

At the same time, the first Kingdom.

An ancient temple with a dusty atmosphere.

In the palace, there is a huge ancient text floating in the sky.

Ye!

The power of reincarnation that countless powerful people yearn for is circulating all over the text.

Here is the remains of the Ye family where the reincarnation Lord was once located.

The periphery was covered in dust in ancient times.

No one can step in.

But!

At the moment, there are two people standing on the hall!

An old man in green with white hair! The old man's waist is hung with a special jade card!

is as like as two peas in the sky!

If ye Chen is here, he will surely find that the old man is his dead grandfather!

And the old man stood beside him a great man.

The man carried his hands behind him with a sword behind his back. The sword did not come out of the sheath, but it made people have the meaning of death.

Look carefully, man's pupil actually circulates a round of blood month.

Looking at the statue in front of him, the old man said, "Mr. Ren, those ancient demons have completely disrupted our plan I'm really afraid that all this layout of ten thousand years will turn into dust. "

The man did not speak, eyes narrowed, his whole body covered with light starlight. It seems to be a very special kind of blood.

Suddenly, the man said, "don't you believe in Ye Chen?"

"Ye Chen was the first to get in touch with the ancient devil. If the ancient devil disrupted our plan, it would be better to say that ye Chen disrupted the plan of the ancient devil."

"Don't worry, ye Chen. We won't be disappointed."

"What's more, those ancient demons could never have imagined that the ban set by them actually made Ye Chen a success."

"Maybe Ye Chen will erase the ancient devil with what he got there."

"Well, it's almost time. We should go there."

"Ye Chen is growing fast, and our plan is ahead of schedule."

With that, a star gate appeared in front of the man.

One step across, completely disappear.

And the old man took a deep look at the statue of the reincarnation God of the Ye family, and finally followed up.

Everything returned to calm.

Chapter 2757

Nine heaven dragon hall.

An extremely luxurious palace.

A girl knelt on the hall, her face full of dignity.

And above this temple, there is a dignified man with dragon spirit all over his body.

The man is dressed in a Golden Dragon Robe, with a faint blood in his eyes. His hands are behind him, staring at the girl kneeling in front of him.

After a long hesitation, he suddenly opened his mouth and said, "are you the baby girl born to the pregnant woman who was brought to Jiutian Shenlong temple in those years?"

Ye Luo Er lowered his head and nodded earnestly.

She knew she had to be respectful.

I'll tell you so.

Yonglao told her that she was the only one who could freely go in and out of the nine heaven dragon hall.

Her blood comes from the nine heaven dragon hall.

If you want to help Ye Chen or find the secret of his blood, you must come here!

She has no choice!

Yonglao said some words when sending her into here, which deeply shocked ye Luo'er's heart!

She doesn't want brother ye to fail!

Don't want to see brother ye die!

Longwei man step by step went to ye Luo'er's front, stretched out his hand, and pointed on ye Luo'er's chin.

His chin rose slightly, and he could see Yeluo's face.

"Very much."

"But not enough!"

The next second, Longwei man points at ye Luo'er's eyebrow.

A pale gold ray of light penetrates the whole body of Ye Luo'er in an instant!

And ye Luo Er's face is also full of pain!

Longwei man's strength is too terrible, her body simply can't support!

"Ah

Ye Luo'er suddenly called out, and covered with golden dragon scales!

Under the pain, ye Luo Er will turn into a dragon!

At the same time, a red gold dragon shadow rushed out of Ye Luo'er's body!

Suspended above the hall!

He looked at the Longwei man from a commanding position.

Longwei man's expression is stunned, and the hand in ye Luo'er's eyebrow is even shaking!

The next second, he released it directly and took a step back: "sure enough..."

The vision disappeared.

Everything is quiet.

Ye Luo'er opened her eyes. After experiencing such pain, her eyes were even firmer: "is this enough to prove it?"

Hold on to the shock of the man That's enough... "

Ye Luo Er step forward: "I come to get things, you should understand what I mean."

"At the beginning, you forced me to plant in my body and change my destiny. Now, I think my destiny is in my own hands."

Longwei man has a dignified expression, but he turns around and walks towards a mural in Kowloon.

His fingers touched one of the murals.

In an instant, the wall opens!

The originally dark corridor was completely exposed.

Each candle lights up automatically.

Everything is clear.

Longwei man looked at ye lu'er and said respectfully, "come with me..."

Yelor's body did not enter the corridor.

One minute later.

Ye Luo Er and Long Wei men stop.

Because, in front of them, there was a demon dragon who was imprisoned and sleeping!

And this dragon is similar to that in the abyss!

But stronger!

Longwei man said: "what you want is on the devil dragon."

"He is asleep. Close your eyes and touch him according to your blood. You will understand."

Though ye Luo'er was afraid, she also moved forward step by step.

When facing the magic dragon, ye Luo'er swallows and salivas, stretches out the slender hand, and instantly touches.

At the moment of touching the dragon scale, ye Luo'er's whole body was covered with bursts of bright light.

And the chain vibrated.

As if the dragon was going to wake up.

What's more strange is that ye Luo'er's face is full of shock!

As if to see something incredible!

.....

Extremely evil country.

Midnight.

In a very luxurious bedroom, bursts of women's weeping sound.

A middle-aged man, dressed in a Dragon Robe, with a majestic face and dark eyes, was sitting on the main seat with a heavy face!

In front of him, kneeling in front of him is a young woman who looks less than 30 years old, with a good face and a noble demeanor. At this time, she is facing the man on the main seat, constantly weeping.

The middle-aged man is the king of the extremely evil Kingdom you yuan!

The woman kneeling in front of him is Youxuan's mother Mingfei.

With a sad look on her face, Mingfei said in a sad voice to the emperor, "my xuan'er, my xuan'er, is actually a foreigner brought back from nowhere by old seven. She has been tormented like this! Emperor, you must make decisions for xuan'erThe emperor snorted coldly: "be the master? Hum! You Xuan this bastard, for a woman, even can't use the brain? How dare you provoke such a evil star? Give him a lesson

When the young woman heard the speech, she cried more bitterly.

The king of extremely evil Kingdom, however, was infuriated in his eyes and cried out: "noisy, get rid of me!"

Although the imperial concubine was full of resentment and could not help but revenge Ye Chen immediately, she had to follow the emperor's order to retreat.

In the palace, only the emperor was left. At this time, his face was extremely ugly!

Just now, although he said that, you Xuan is his own son after all!

What's more, it's still the prince!

It's a knock for an outsider?

This boy called Ye Chen is rubbing the royal face on the ground!

He said in a cold voice: "Wu Ming, that battle, you see, how strong is this boy?"

The shadow behind the emperor, a twist, emerged the figure of a man.

The man was wearing a blood red mask with swirls and a black robe. He was thin and looked a little weak.

But! No one will really think so!

Because, this man, is a strong man!

At this time, he respectfully opened his mouth to the Emperor: "although this man can only cut through the three layers of heaven in the troubled land, his actual strength is probably comparable to that of the six layers of heaven in the chaotic state. What's more, although he is not a member of my evil clan, he seems to have no influence on him."

The emperor's eyes, more gloomy, said: "that is to say, even if you are not his opponent?"

The man named Wu Ming nodded slightly.

"Well, well."

The emperor snorted coldly. Then, a heavy smile appeared on his face and said: "everything, after three days, the zhensha ceremony will be over. Besides, after this zhensha ceremony is over, those old ancestors should also be out of the customs?"

"Then, Ben Wang, we must let this boy pay the price!"

"Let him know that no one can afford the kowtow of the royal family!"

.....

Three days later, the whole country of Jisha was full of excitement. Everyone was celebrating the arrival of this day.

In the past, the Imperial Palace was once in a blue sky. On this day, however, from time to time, a luxurious dragon car drove into the palace.

Chapter 2758

Today is the day of zhensha ceremony. All the nobles and ministers from all over the country will come to watch the ceremony!

Moreover, the process of the grand ceremony will also be transmitted to all parts of the extremely evil kingdom through the transmission of Shadow crystal, for the people of the extremely evil country to watch!

At this time, he stood in front of the great gate of the kingdom of Sha, and was in front of him!

And around the gate, there are also a group of noble princes and important ministers of the state who came to watch the ceremony.

At this time, all of them looked at the seventh saint with a very strange face.

This man is Ye Chen!

When they looked at Ye Chen, there were sarcasm, doubt, disgust and contempt. Many people even directly said, "this outsider who has cut through the three levels of adversity will also participate in the zhensha ceremony?"

"It's said that it was brought by the seventh princess. I think it's the emperor who dotes on this girl. It's the zhensha ceremony. How can you make a fool of yourself?"

"Hehe, if you think that you can bear the evil spirit in the air, you will be invincible, and you will be ecstatic? In a moment, he will regret it. "

"It's a pity that a quota has been wasted. I can only hope that other envoys can absorb more of the extremely evil spirit of zhenjianshi."

"I'd like to see how quickly the waste dies after it enters the holy land."

"To let outsiders participate in the zhensha ceremony is a blasphemy to the ceremony."

The other eleven envoys also looked at Ye Chen with a sneer. In their eyes, ye Chen's existence was an insult to them!

Even all the people of the extremely evil Kingdom have been shouting and scolding!

All of us are looking forward to seeing ye Chen enter the Holy Land and be killed by the evil spirit of the extreme!

And ye Chen at this time, but the look is light, as if to people's words, do not care about the general.

Ye Chen's attitude makes people more angry!

The emperor coughed and said, "the grand ceremony of zhensha is about to start. Behind this gate is the holy land, which is divided into 12 areas! The concentration of evil spirit and the number of evil spirits in each area are different! "

"On the whole, it can be divided into four grades!"

"The first level is from the first to the third. This is the area where the evil spirit is weakest and the evil spirit is the least. It is the easiest to finish dispelling the evil spirit."

"The second level is from the fourth to the sixth. In this stage, the number of evil spirits and evil spirits is medium."

"The third level is from the seventh to the eleventh. This one is full of evil spirit and the number of evil spirits is not a small number. However, on the whole, the difference from the second level is not too big."

"The only thing that needs special attention is that area 12 is listed as a separate file! Twelve district is very rich in evil spirit, even the first three areas, together, also can not compare with twelve district! The number of evil spirits is the same! "

The so-called completion of relieving the evil spirit is to reduce the brake gas in the area to a certain extent, so as to prevent the brake gas from overflowing! The Zhenjian stone is located in the center of the holy land. The closer to the Zhenjian stone, the stronger the extremely evil spirit!

Although a number of holy envoys had known for a long time, they could not help but change their faces when they heard the emperor mention the twelve districts!

If you can, no one wants to go into zone 12!

It's a pity that after entering the holy land, all the holy envoys are randomly assigned in which area they want to complete the detoxification. Moreover, if you want to enter the holy land, you must enter twelve people at a time. There is no possibility that the twelve districts will be empty!

Over the years, the success rate of eliminating evil spirit of the holy envoys entering the twelve districts has been infinitely close to zero. The success rate only exists in ancient legends. Therefore, although every year, the kingdom of Jisha holds a ceremony to suppress evil spirits, the concentration of Jisha Qi in the air is still increasing!

Because, today's twelve districts, the evil spirit is too strong to imagine, there is no way to solve the evil spirit!

Generally, as long as Saint envoys find that they are assigned to 12 districts, they give up Jiesha completely and just think about how to survive!

But even so, for thousands of years, the survival rate of the twelve district envoys is less than one thousandth!

In other words, an average of 1000 years, only one can survive!

Entering District 12 is almost death!

The emperor once again said, "zhensha grand ceremony, time, for an hour!"

"When it's time to go, whether it's successful or not, you should go back to the entrance! Otherwise, they will be imprisoned in this holy land, and if the gate of the holy land is opened again, it will be only until next year! "

Everyone hears the speech, is in the heart a cold!

Imprisoned in the holy land for a whole year!

Even if they are super strong at the top of chaos, they will not be able to resist the erosion of evil spirit and become the food of evil spirits?

The safest way, of course, is to absorb the evil spirit near the entrance. However, if you do this, it is impossible to complete the detoxification in an hour!

If you fail to remove the evil spirit, you will be removed from the saint, and lose all status and privileges! Therefore, generally speaking, the holy envoys will approach the Zhenjian stone in the center of the Holy Land and choose a more moderate position with extremely evil Qi concentration to relieve the evil spirit!

All of a sudden, the emperor looked up at the position of the gray sun and said in a loud voice, "zhensha ceremony, officially opened!"

He murmured, and his whole body was filled with gray evil spirit and spiritual strength. A virtual figure of a man who could not see clearly appeared behind the emperor. The shadow stretched out a little, and a rune shot towards the dark gate!

The next moment, the dark door issued a roar, in front of the public, slowly opened!

Behind the door, there was a very deep darkness!

A group of envoys gazed at the darkness with heavy eyes. After a moment, they stepped forward and slowly disappeared into the shadow.

Ye Chen's expression is light, even with a trace of smile in the corner of his mouth.

After they enter the holy land, twelve large shadow transmission crystals are suspended in the air. These twelve shadow transmission crystals correspond to the twelve regions in the holy land respectively!

At this time, a number of nobles, ministers, the people of the extremely evil Kingdom, even the emperor, all looked at the twelfth Shadow crystal in an instant!

All of them, in their eyes, are nervous. I don't know which holy envoy will enter the death zone!

At this time, on the Shadow crystal of the twelve districts, the light flashed, and a young man with a cool look appeared in the picture!

Everyone, after seeing the man's face clearly, was stunned. His face became a little strange

The next moment, the whole extremely evil country, broke out a burst of shocking laughter! Very happy laugh!

The man who appeared in the twelve districts was Ye Chen!

Chapter 2759

Countless voices of schadenfreude reverberate in the land of the most evil.

"The outsider was actually assigned to District 12?"

"Even the evil spirit wants him to die soon?"

"This is the punishment for blaspheming the grand ceremony of zhensha."

"Ha ha ha, do you think that the outsider will be crushed by the extremely evil pressure, or will he be devoured by the evil spirit alive?"

At this time, ye Chen, in the holy land, is slightly squinting his eyes and looking at the front covered by the dark and gray evil spirit.

In the palace of the extremely evil Kingdom, a young woman is full of joy at this time. She is the Ming imperial concubine!

At this time, with a ferocious smile on her mouth, she looks at you xuan'er and says, "seven princesses, it seems that this zhensha ceremony will be very wonderful, don't you think so?"

"Thanks to you, we can get a garbage stranger to participate in the zhensha ceremony, which will save us a precious envoy! Is it not that the seventh Princess knew for a long time that outsiders would be assigned to the twelve districts and deliberately arranged for this waste to die? "

Ye Chen let his son knock ten thousand sound head, Dao heart collapse, how can she not hate?

At the same time, you xuan'er, who takes Ye Chen into the palace, also hates him!

Now, ye Chen is assigned to the twelve districts. Naturally, we should make a good laugh at it!

When people heard that they all looked at Princess Qi with a sneer, they would not really think that the seventh Princess recommended Ye Chen to attend the zhensha ceremony to let Ye Chen die. You should know, the status of royal family members is related to the performance of the recommended saint in zhensha ceremony!

Seven princesses recommended such a waste, and was doomed to die in the holy land, in the palace, will be out of favor?

Hearing this, you xuan'er looked at Princess Ming angrily in her beautiful eyes and said, "hum, die? Your son looked down on Mr. Ye that day. What happened? Don't you need me to tell you? "

Although you xuan'er recommended Ye Chen to be a saint, it can't be said that it was entirely out of her intention. However, no matter what the purpose of Ye Chen's entering the holy land, in terms of results, he was helping the extremely evil state to relieve evil spirits and benefit the people!

It is not too much to say that he is a meritorious official of the extremely evil kingdom!

However, they are insulted by the spectators who do nothing?

This is too unfair to Ye Chen!

Even you xuan'er can't read it any more!

Although she is a little bit coquettish, she still has a clear distinction between right and wrong. Since she was a child, she has shown respect to those who risked her life to relieve evil spirits. No matter what the status of Ye Chen, she should not be treated like this!

When Mingfei hears this, her face darkens. She thinks of her son. She resents her teeth. Now, you xuan'er is defending the garbage in front of her?

The evil light flashed in her eyes. Suddenly she calmed down and said with a smile: "it seems that the seventh princess is very confident about the strength of Ye Shengshi. In this case, can the seventh Princess dare to bet with me?"

A group of nobles, ministers smell speech, are Shua to see you xuan'er.

When you xuan'er hears the speech, her beautiful eyes sink. After a moment's silence, she says, "how to bet?"

She knew that if she showed weakness and retreated, these people would insult Ye Chen even more severely!

Although you xuan'er and ye Chen can't talk about friendship, since Ye Chen has become a saint, she won't allow anyone to insult Ye Chen at will!

In Princess Mingfei's eyes, a glimmer of joy flashed. This stupid girl, actually has the meaning of promise?

Since, you let my Xuan son hurt, the boy surnamed Ye wants to die, you also have to pay the price!

Ming Fei said coldly: "bet, this childe, can you come out of the Holy Land alive?"

When people around him heard the words and looked at each other, they all looked strange and came out of the holy land? How is that possible? Although the overall survival rate of the 12 districts is 1 in 1000, most of them happened tens of thousands of years ago!

In the past tens of thousands of years, because of the accumulation of extremely evil spirit, none of the holy envoys survived.

However, you xuan'er said without expression: "where's the bet?"

People are slightly stunned. They look at you xuan'er in disbelief and listen to the tone of the seven princesses. Does she want to agree?

What medicine did this boy give to the seventh princess?

Seven princesses, fascinated by this? No common sense?

"Seven princess, I heard that this boy likes to be kowtowed and apologized to? If he does survive, I will make the decision. Just now, we who have insulted him, regardless of our status, kowtow and apologize to him. How about that? "

Said, the imperial concubine's eye sweeps toward the public humanity: "you can agree?"

Those nobles, ministers, are the face of a playful color, a casual smile: "agreed."

"Yes."

"Everything is arranged by the empress Ming Fei."

Anyway, this boy, 100% will die, what about promise?

Can you please Ming Fei, why not?Ming Fei's smile on her face was more intense, but her eyes became colder and colder: "if so, this boy is dead! I want you to kowtow and apologize to xuan'er, and give up the position of the seventh princess! "

When people heard this, they all changed!

Shocked to see Ming Fei, this, play a little big?

Ming Fei, this is to really play dead seven princesses!

In the kingdom of Jisha, the ranking of the royal family is not in the order of birth, but the contribution of these princes and princesses to Jiesha!

The biggest contribution, the top 12!

The status and privileges of the top 12 royal families in the kingdom of Jisha are not comparable to those of other royal families!

Now, Princess Mingfei wants the seventh princess to give up her status as the seventh princess. To put it worse, it is almost equivalent to expelling the seventh princess from the royal family!

Lost the seventh place, even if the seventh princess is still a royal family, can Ming Fei and big prince's identity, can make her better?

They were all staring at the seventh princess.

Seven princesses, even if is called Ye Chen's boy, again infatuated is dizzy, also can't agree this kind of condition?

The next moment, you Xuan er's beautiful eyes twinkled at Princess Ming and said coldly, "yes, but..."

"If you lose, you Xuan, also want to give up the position of the prince!"

People are totally stupid!

You xuan'er, you really agreed!

Is it worth it for an outsider who comes out of nowhere?

It seems that the seventh princess is doomed to end!

"No problem," she said with a light smile

It's a spirit contract!

"Make a deed of spirit."

Mingfei laughed maliciously. Since she agreed, she would not give the other party the chance to repent.

You xuan'er takes a deep breath and leaves his own spirit mark on the spirit contract.

Chapter 2760

Around a crowd of nobles, ministers are unable to help but swallow a mouthful of saliva

Now, Princess Ming and Princess seven are really fighting together

At this time, the image on the transmission crystal changed.

Ye Chen moved!

In the holy land, ye Chen gazed at the heavy evil spirit in front of his eyes and said to Lao Cang: "what a strong and extremely evil spirit, Lao Cang, the Zhenjian stone mentioned by Ren elder should be at the end of that evil spirit?"

At this time, ye Chen's pores are frantically absorbing the evil spirit around him. In his meridians, the power of breaking the blood vessels of the Heavenly God ape collapses and his body feels comfortable.

If you let the people of the extremely evil country know, you will shake your chin to the ground!

Even the Sha clan, generally speaking, because the evil spirit of the twelve districts is too strong to bear, they are forced to close the whole body meridians, waiting for the holy land to open!

Even so, for tens of thousands of years, no one has survived!

And ye Chen, directly ignore to absorb?

It's like nothing?

It's hard to describe!

Laocang said with a smile: "yes, boy, according to the words of the elder, if you absorb the extremely evil spirit of the sword stone, you will not only have a higher level of strength, but also, perhaps, you will get a great benefit!"

"Great benefits?" Ye Chen's eyes flash slightly.

"Boy, isn't your green lotus sword broken? Well, a new weapon is needed. "

"I've seen the things that senior Ren gave you on the top of the gods The origin of this sword may be extremely amazing. "

"He used to kill the gods on the top of the gods! You can imagine its power

"If you re integrate the things here, your future achievements Unimaginable! "

There was a flash of excitement in Ye Chen's eyes. However, the legendary ancient existence and the things left behind are not inferior to the real ancient objects. Even, they may reach the level above the ancient Jue ware!

However, he soon calmed down and frowned: "Lao Cang, isn't that the evil spirit left? Just the sword stone that suppresses the evil spirit can kill the existence of chaos by the evil spirit. Can I subdue it? "

"Ha ha, boy, you look down on your own blood. You are the world's highest reincarnation blood. In short, find the Zhenjian stone first!"

Ye Chen nodded, immediately the body shape is certain, swaggering toward the depth of evil spirit, flying away!

But ye Chen thinks nothing of himself, but others are different!

The whole kingdom of extreme evil fell into a dead silence, as if the cold winter of freezing all things had arrived!

Innumerable audience, see ye Chen toward the scene of the depth of the evil spirit, are stunned, completely stupid! The brain is going to burst like a balloon!

Ye Chen, what are you doing?

Do you think you have a long life?

They've been assigned to the 12th district. Why don't you settle down?

The only trace of the original, the possibility of survival, are broken?

At this time, do you dare not to see the other eleven points moving forward cautiously?

"Ha ha ha ha ha!

” In the Imperial Palace, after seeing ye Chen's action, Ming Fei laughs regardless of the image!

Now, she's in the bag!

Even she did not expect that ye Chen should die by himself?

She looked at you xuan'er and sneered, "seven princess, do you still think this boy can survive? It seems that you will not be called the seventh princess in the future

You xuan'er doesn't pay attention to Ming Fei's words, because her mind now is all on Ye Chen!

At this time, her beautiful tight wrinkle, beautiful eyes, full of worry color!

She knows Ye Chen is going to look for zhenjianshi, but! It's a bit rash!

Originally, in her conjecture, ye Chen was not afraid of the extremely evil spirit for what reason, but the threat in the holy land is not only extremely evil spirit!

Sure enough, the people around him also sneered scornfully.

"Fool, still running in? The brake concentration It won't be long before we can see that he's blown up by the evil spirit? "

"Running, still very fast, reckless look, think you are invincible? When the ignorance reaches the extreme, it's the twelve districts. There are countless evil spirits in it. Even if they don't get blown up by evil spirit, the boy will become the food of evil spirits immediately? "

"In either case, in short, the boy will die soon."

At this time, on the Shadow crystal of the twelve districts, suddenly came out the piercing and terrible cry of ghosts!

People see this, showing a trace of cruel smile, come!

Evil spirit, I'm attracted by this boy!

In the holy land, experienced envoys will try their best to avoid fighting with evil spirits. Who dares to die like this boy? First of all, because the extremely evil spirit is too strong, the saint envoy is in the holy land, and his strength is greatly suppressed!

Secondly, although the strength of the single evil spirit is not too strong, there are so many evil spirits in the holy land that it is hard to imagine! If there is a battle, it is very easy to attract many evil spirits. The evil spirits in the holy land are extremely fierce monsters. In order to devour the flesh and blood of living creatures, they don't know what fear is!

Once they are entangled, let alone to be disembodied, even in time, it is difficult to return to the entrance!

What's more, ye Chen's area, twelve districts! The number of demons is three times that of the first level area!

Even if ye Chen is not devoured by evil spirits, don't you want to come out alive?

To sum up, ye Chen is already a dead man!

.....

In the holy land, ye Chen's eyes congealed, the rolling evil spirit in front of him surged forward. Hundreds of heads were pale, bent, skinny, less than half a person high, with slender arms and sharp claws. On his extremely ugly face, there was a pair of big and strange bloody eyes!

The hundreds of evil spirits, as soon as they saw Ye Chen, gave out a shrill ghost cry. The blood eyes twinkled with the desire for flesh and blood, and rushed towards Ye Chen!

Hundreds of evil spirits roll around, condensing on the sharp claws, countless claw shadows, and in a short time, ye Chen's figure will be completely submerged!

In the face of the shadow of claws, ye Chen never retreated, and even his expression did not fluctuate. He took out a long sword at will. His real martial spirit was surging, and his whole body poured out with great strength. He chopped out a sword at the hundreds of evil spirits!

When a sword comes out, the cold light rises everywhere. The strong sword spirit roars, the endless evil spirit stirs, and countless sword marks permeate the void. The whole holy land trembles slightly for it!

The envoys of other regions, with their eyes suddenly open and their faces tinged with horror, look at the direction of twelve districts in disbelief!
