

Physician 2801

Chapter 2801

Because, ye Chen is each of them, the greatest pride, is their spiritual, forever pillar!

They would rather go out of their wits than commit any betrayal of Ye Chen!

As soon as song Ze's voice fell, the fog dragon, who was perched on the sacred mountain, actually lit up his eyes and roared, and took the initiative to fly towards song Ze!

Heaven and earth tremble in the roar of the dragon! The wind is blowing all over the place!

"Well?"

Song Ze's face flashed a glimmer of surprise. His ghost language has the power to shake other people's minds. Isn't it so easy to ignore it?

But, also did not care too much, ignore again, mole ant is just mole ant just, what, also can't change.

His whole body is full of Yin Qi, lightly, toward the seemingly powerful fog dragon, one hand to shoot!

The palm is surging and Yin Qi is surging. In a flash, it turns into a huge ghost head and collides with the fog dragon!

An incredible scene appeared in front of everyone!

This brings together the power of the people of shenjizong. There is also an ancient existence who plays the fog dragon through the array. It is just like noodles, which is sucked into the mouth by the ghost!

The color of incomparable horror flashed in people's eyes, and their faces turned pale in an instant!

The next moment, that ghost, then bombarded in the vigorous fog!

There was a big bang, and the whole holy mountain trembled violently. Countless buildings in shenjizong began to collapse. The students' screams and screams came and went one after another!

The fog was so crazy that it broke up. After reinforcement, it was able to resist the ancient existence of the big array, and was directly broken by the other party with a palm?

In ancient times, it was also hierarchical

Song Ze, the ghost king, shows his strength against the sky in the later stage of chaos!

"Poof!"

Several people who were in charge of the formation spat out blood one after another. In addition to Yang Chiyuan, several others were seriously injured and dying in an instant. If there was no breath, they fell into a coma!

And Yang Chiyuan is also like gold paper. Even though most of his power is absorbed by the array, he can hardly bear it. If song Ze is more serious, he will be seriously injured!

However, at this time, Yang Chiyuan is standing up. In his eyes, red light explodes and stares at Song Ze in the air!

Breath all over the body, the ultimate explosion!

Song Ze looked down at Yang Chiyuan and said with a sneer: "Oh, it seems that you are the existence of shenjizong. However, you have not completely recovered your strength. What kind of breath do you

have? In front of me, you have to pretend? What do you have that's easy to put on? I advise you that I'd better take advantage of my good mood and tell me where the boy named Ye Chen is.

Otherwise, you will regret, incomparably regret. "

Just now, the mind swept through the shenjizong and did not find the breath similar to Ye Chen in the impression of Yin Zun.

Yang Chiyuan, however, was indifferent. He murmured and shot at Song Ze!

Gun out like a dragon, the sun explodes!

This gun, incomparably amazing, seems to be able to shoot through the sun in the sky, instead of general!

But in Song Ze's eyes, it flashed a look of incomparable contempt. With a wave of his hand, the blazing and incomparable meaning of a gun turned into nothingness!

However, the next moment, song Ze's facial expression is solidified!

In the eye, even, flashed a trace of fear color!

At this time, Yang Chiyuan, the sun tattoo on his chest, seems to have come alive, emitting red gold light, spread to the whole body of Yang Chiyuan!

The whole red sun, like a big ball of light!

He gazed at Song Ze and said coldly: "in ancient times, the ghost king song Ze ravaged the kingdom of God and devoured countless creatures as blood food. Three powerful warriors who were good at suppressing ghosts joined hands to seal it at the cost of their lives."

"And one of them is the ancestor of our Yang family. My Yang family is born with the most Yang body, and has always been the killer of all kinds of ghosts!"

Song Ze's face changed wildly and roared: "you, you are Yang family? impossible! It's impossible! "

Yang Chiyuan's eyes are shining. Now, song Ze's strength should not be fully recovered. To kill him, there is only this chance!

He burst out a drink: "evil, on that day, my ancestors of Yang family, can suppress you, now, I Yang Chiyuan, the same can make you crazy!"

After that, he moved, just like a red meteor, shooting towards song Ze!

Song Ze, the ghost king, was one of the ten evil spirits that made all living beings tremble. At this time, however, his face was full of panic, screaming and fleeing towards the distance!

Yang Chiyuan's eyes flashed, fiercely toward song Ze's back, a boxing out!

That fist, the red gold light is extremely strong, almost, will light up the whole world in general, to the Yang Qi condensed to the extreme!

Before the boxing, song Ze's body has been out of continuous smoke, as if, to melt in general! Yang Chiyuan's face is happy. The ancient ten evils will die in my hands!

But at this time, song Ze's body suddenly stopped, a head, a strange twist, directly turned behind him, to the rushed Yang Chiyuan, showed a very sad, extremely gloomy horror smile!

One of his hands, click, twinkle, joint twist, with an incredible angle, toward the back of the back, a hand, it is direct, Yang Chiyuan that contains the ultimate Yang Qi of a fist, directly grasp!

Yang Chiyuan's face, instant solidification, eyes, are dim down, the heart suddenly a sink!

What's going on?

Isn't the body of Zhi Yang the killer of all ghosts?

Didn't his ancestors suppress this fierce ghost?

Why is it so easy for him to get a punch!!!

Song Ze holds the palm of Yang Chiyuan's fist and makes a sound. The smoke is floating like a barbecue.

However, his look did not change in the slightest. He sneered at Yang Chiyuan, who was completely shocked. "Zhiyang body is also hierarchical. You are far worse than that damned old thing."

At the same time, Yang Chiyuan's limbs began to twist mysteriously, and his head was moving towards his back uncontrollably. Even though he tried his best to resist, he could not stop it!

Yang Chiyuan uttered a painful roar, and his eyes showed fear. Was he going to die like this?

The feeble feeling of slowly ushering in death made his heart almost crack!

But at this time, Song Ze suddenly turned his head, looked to a certain direction, pupil shrinks!

There, a golden light, is rushing towards him!

There was a big bang, and the void was broken. Song Ze's body flashed, standing in the air and looking at the place where he had stood.

I saw a one hundred meter long crocodile with two horns and a whole body of gold. There was a young man with a cool look standing on his head.

This person, of course, is Ye Chen!

Chapter 2802

At the moment, the atmosphere was dignified.

And at Ye Chen's side, Yang Chiyuan is half kneeling on the ground, his face is very gray, it seems that the essence of his whole body is about to be absorbed.

He coughed and reluctantly said, "Mr. Ye, I'm sorry, I didn't protect God Jizong well..."

"If you're disappointed, I'm willing to hold on to each other with death."

Ye Chen is a little surprised that he didn't kill Yang Chiyuan and chose to repay good for evil. He never thought that Yang Chiyuan would be like this.

Now it seems that the decision was right.

Yang Chiyuan is protecting God Jizong at the cost of his life.

He cast a gratifying look, light way: "you have done very well, rest here, next, give it to me."

Jin tianog looked at Song Ze, his eyes trembled slightly, and said in a deep voice: "young master, this is song Ze, the ghost king who is known as one of the ten evil spirits in ancient times! Terror, be extremely careful. "

Ye Chen nods and stares at Song Ze's eyes, getting colder and colder!

He could see that although the person in front of him was driven by the body of Yin Zun, it was not Yin Zun! It's some kind of weird existence that makes him feel disgusted and disgusted involuntarily!

And, in fact, the force is extremely terrible!

Even if their full strength, may not be able to fight!

However, no matter who this person is, no matter what purpose he has, the people who have moved the shenjizong must die!

The next moment, he moved, and went to song Ze.

Song Ze looked at Ye Chen and said with a contemptuous smile, "are you ye Chen? My whole body is full of blood, and I feel that your blood is special Hehe, how about it? Do you want to accept the usurpation voluntarily? In that case, my Lord, maybe you will be killed? "

"Such blood, if I swallow, if I control, I'm afraid I can go to heaven!"

Jintianog and yangchiyuan smell speech, are a change in face!

Naturally, they are not worried that ye Chen will accept this request, but because song Ze's words contain a kind of extremely strange power, which makes their spirits feel dizzy and can't help but want to do what the other side says!

Is this the legendary art of ghost language?

It's so easy to shake the spirit of chaos. It's really terrifying!

And ye Chen is even more miserable!

His whole body was enveloped in a mass of black blood.

Blood black gas more and more rich, instantly covered Ye Chen's world!

And ye Chen's eyes also fell into a brief absence.

Song Ze's smile is extremely ferocious: "boy, although you have amazing talent, you are still worse than me."

"I admit you are a genius."

"But you have to figure out what kind of existence is standing in front of you!"

"Come here, let me plunder your blood!"

The next step, ye Chen even stepped out!

But in the samsara cemetery, Lao Cang and Lao mania are anxious.

They desperately call ye Chen's name in Ye Chen's mind!

But ye Chen's knowledge of the sea actually has a black wall barrier!

Song Ze's method is too strong!

Old Cang's eyes were dignified, and suddenly thought of something. He looked at the tombstone of Lingtian arrow God!

He arched his hand and said, "Lingtian arrow God, the power of our two gods has been lost. Please do it once!"

Lingtian did not answer.

When the old man is depressed!

The huge bow by the tombstone, move!

Open the strings!

Then suddenly let go!

A virtual arrow full of fire suddenly launched!

Through the samsara cemetery!

Into the outside world!

In an instant, the blood black Qi that wrapped Ye Chen's knowledge sea and body was torn!

It's torn!

What level of power is this!

Fantastic!

And now ye Chen's eyes suddenly open!

A cold chill shot like a sharp arrow!

Thank you, master

At the moment, song Ze is confused!

Subconsciously, he stepped back, his pupils dilated, and he said, "how could it be Your strength just now impossible! It's not your strength! "

"What is there in you?"

Ye Chen, however, raised a smile on his face, and said in a cold voice, "are you sure you have this qualification to know?"

After that, ye Chen's body surface broke out seven times of blood light, with a strong divine nature and golden thunder. With a sword, he was beheaded towards song Ze!

It seems that the power that can devour the heaven and the earth, the evil sword controlling the endless gravity, rolling huge force, like the boundless wave that wants to swallow up the whole universe, pours out towards song Ze!

The meaning of Zhenwu is surging out and turning into starlight, which is sprinkled on the body of the sword. The blood color Rune makes it startle the sky. The sword meaning is diffuse. It crisscrosses with the great power and forms a terrible force that destroys the heaven and the earth! One sword has reached the acme of Ye Chen!

This time, song Ze's face color, is really changed!

Completely changed!

The original scorn, cruelty, and gloom disappeared in an instant!

In this sword, song Ze seemed to see the moment when he was suppressed by the three most powerful men!

His body suddenly retreated, and he had a long sword full of Yin Qi in his hand. The boundless and ferocious Yin Qi and dead Qi rose to the sky, rendering the heaven and earth around shenjizong as if it were a hell in the netherworld!

Countless dead souls who died in Song Ze's hands seem to be howling and cursing, hoping that all living creatures in the world will realize the pain they have experienced!

With a sword cut out, Yin Qi condenses, as if the whole nether world converges on this sword!

Two swords collide, as if two worlds, crazy impact!

With a loud bang, thousands of dead souls, in the aftereffect of the impact, turned into smoke to dissipate, all things in that terrible power, constantly shaking!

Ye Chen and song Ze's figure, a touch is divided!

The sword in Song Ze's hand broke with a crack!

Even ye Chen's sword is unbearable!

With the breaking of the long sword, song Ze's arm with the sword turned into a burst of blood mist!

However, at this time ye Chen, is slightly frown!

His face was blue, and there was a terrible sword wound on his chest, and the rolling Yin Qi and dead Qi penetrated into his body from the wound.

At this time, song Ze, who had lost an arm, actually let out a wild laugh, as if he didn't care at all. He opened his mouth to Ye Chen and said, "ha ha ha ha, I'm afraid I'm scared. Almost, you can threaten me?"

"It's a pity..."

On his face, there appeared an extremely dark and fierce color and said: "as long as it's a little bit worse, you can't completely kill me!"

The next moment, an incredible scene, appeared!

Rolling Yin Qi condenses in Song Ze's broken arm. In the rolling blood, a brand-new arm is born!

People see, all eyes sink!

Ghosts, if they have reached the level of song Ze, they are almost immortal!

At that time, the three strong men who were good at suppressing ghosts and things either possessed the power of supreme Yang and could restrain Yin Qi to a great extent, or they had the power to expel evil spirits and cause essential harm to ghosts. But even so, they did their best and sacrificed their lives to suppress song Ze!

Chapter 2803

And they can't really kill them.

"How about it? Is it weak? "

Song Ze sneered at Ye Chen and said: "boy, you are really strong, but in the face of an immortal opponent, ha ha, you can only despair?"

When ye Chen heard the words, the evil light in his eyes flashed. He raised his head slightly and looked down at Song Ze with all his eyes killing. He said, "can't you kill me? I Ye Chen never believed that there was any real immortality. "

Song Ze looks at Ye Chen and suddenly changes his face!

In his eyes, the ferocious sword wound on Ye Chen's chest was healing rapidly!

And the dead Qi in the body, Yin Qi, also disappeared in an instant!

Ye Chen sneered: "compare with me to recover? I want to see who you and I can live to the end! "

"Open my veins to me!"

"How could it be?" Song Ze's eyes trembled and couldn't believe what he saw!

The reason why he recovered so quickly was that in ancient times, he had slaughtered everything and absorbed endless blood and gas!

As long as his noumenon is immortal, he can make use of his blood and anger to constantly remodel his body!

This is a magic power only possessed by ghosts!

But ye Chen can also recover at such a terrible speed?

What body and soul is this!

What he did with his sword was not an ordinary wound!

The endless stagnant Qi, Yin Qi, even if the living creature with strong vitality, as long as it is infected, the vitality will be rapidly eroded?

Can ye Chen even immune?

Ye Chen's face is disdainful. He has a special constitution. He also has reincarnation blood, Gengjin Qi, Jisha Qi, Xuanyan, Shenxue and so on. If he can control the Yin Qi and dead Qi, why should he be afraid of it?

"Jiwu: Shenshan!"

At the next moment, he moved and rushed towards Song Zefei again!

He knew that the reason why ghosts could recover continuously was that they had swallowed up a lot of blood gas, but this was definitely not equal to immortality.

Why?

Even if the life that Song Ze devours, no matter how much blood, as long as it is constantly injured, those blood will always be exhausted?

At that time, what did he do to recover? What do you want to keep alive?

Seeing this, Song Ze was all flesh and blood, shriveled quickly, his limbs twisted and his head whirled. He turned into a terrible ghost. His whole body was full of Yin Qi, and he gave out a shrill scream. He met Ye Chen!

Song Ze was the head of the ten evil spirits in ancient times, but he devoured hundreds of millions of living creatures. Could he not spend more than a boy in his twenties to cut the bad situation?

No matter how strong the vitality of Ye Chen is, can it surpass the total vitality of hundreds of millions of living creatures?

He mercilessly claws out towards Ye Chen, and the shadow of claw appears all over the sky, like a net in the sky, facing Ye Chen under the hood!

Ye Chen looks the same, and he is a strong sword. He cuts it out wildly!

Song Ze's body was cut upside down, and a sword mark penetrated his abdomen. Not only that, but also the boundless force surging, it made the whole body of Song Ze collapse!

He roared wildly, his blood was rolling, and instantly stabilized the injury!

Song Ze a pair of full of resentment, resentment, blood filled eyes, to Ye Chen, the corner of his mouth floating a smile!

At this time, Ye Chen's arm a large amount of blood was torn by his claw, even the bones are clearly visible, and the bones are also covered with cracks!

Half of Ye Chen's body was dyed red with blood!

But, at this time Ye Chen, the look has not changed a bit, the flesh and blood on the arm, also began to heal quickly!

His body shape is a flash, almost no time interval, again toward Song Ze a sword to cut!

One sword, one sword, one sword!

In a flash, Ye Chen has cut out hundreds of swords!

And Jin Tianog and Yang Chiyuan, eyes are full of shock!

At this time, Ye Chen was covered with blood and had countless wounds. However, he ignored the general situation and blindly fought with Song Ze, exchanging injuries for injuries and giving up defense completely!

Even though, they are very confident in Ye Chen, but at this time, they can not help shaking!

Both of them came from ancient times. They were very clear. How much blood did Song Ze devour!

Ye Chen, no matter how strong his vitality is, is just a person. Can he really consume Song Ze's nearly infinite blood?

They were all nervous!

Once Ye Chen can't support it, then the whole kingdom of God will be finished!

Song Ze is a real evil spirit, a fierce ghost, and even, it is hard to say that he is a human being. He has become a kind of evil thing completely transformed by resentment!

If he devoured Ye Chen and restored his strength, he would not let go of any living creature in the kingdom of God and devour all things!

In a sense, this Song Ze is even more terrifying than those extraterritorial demons! Song Ze's eyes, Yin Li color, more and more strong, he looked at the whole body of Ye Chen, cruel smile!

Ye Chen can support up to now, it has been very surprising to him. To be an ordinary warrior, he would have died tens of thousands of times, right?

Red dust God pulse?

Song Ze suddenly realized that the red dust God pulse is the legendary god vein.

It's impossible for ordinary people to control.

If the boy didn't have the divine pulse of defense against the sky, he would have been turned into blood fog.

However, with such a heavy injury, even the genius of the red dust God pulse is about to reach the limit, right?

Although, this war, he consumed a lot of blood, but as long as the success of swallowing Ye Chen, he believes that not only can he recover his strength, but also these blood can be made up for!

Two figures, in the void, constantly shuttle, space fragmentation, martial law, tend to collapse!

Their bodies, countless blood, splashed down, actually in the whole kingdom of God, down a blood rain!!!

Thousands of swords, tens of thousands of swords, with the battle, ye Chen's injury is more and more serious, even with his rebellious constitution, the speed of recovery, is gradually unable to keep up with ah!

But until this time, that song Ze, unexpectedly still a pair of intact appearance?

For anyone, fighting so far, the other side is still not a bit injured, will be shaken, retreat, even, into despair?

It's hard for anyone to keep going, right?

But!

Ye Chen in the eyes of the war, but even a trace, have not weakened!!!

Thousands of swords, tens of thousands of swords, unable to kill your opponent?

Then, cut hundreds of thousands of swords, millions of swords, tens of millions of swords!!!

Ye Chen will never fall down before killing the ancient ten evil spirits!

He has been seriously injured, almost to the edge of death, but his attack, is even a second, even a breath, did not slow down!

Even if he will die in the next second, this second will never give song Ze a chance to breathe!

Chapter 2804

In the samsara cemetery.

Old Cang and old maniac were shocked, even wet eyes.

They can also be regarded as the overlord on one side, but when they see ye Chen, they find that there is something wrong with them.

Not only these two people, but also Ling Tianjian God came out of the tombstone.

The figure above heaven and earth looked at the outside world bit by bit, fell into meditation.

His huge bow and spear exude strong Dao rhyme.

As if because of Ye Chen's action, and feel what!

"At this moment, I understand why you say this son is your hope."

"I'm afraid that if you look at the whole kingdom of God, it's the only one who can challenge Xuanyuan's Mo evil."

"The point is, this person is still under 30."

"Such an age is enough to be described as Tianjiao."

And outside, song Ze's eyes completely changed!

Ye Chen's madness, let this devour innumerable creatures, once, make the whole kingdom of God tremble for the fierce ghost, all for its shock!

In the world, how can there be such a crazy person?

Originally, he thought that ye Chen would be the first to despair

However, now he found that the first despair is himself!

His eyes trembled and he gazed at the broken figure which was almost turned into blood

That is, as if there is no death

Another big bang

Song Ze roared, his lower body was cut into pieces by Ye Chen's sword!

Innumerable Yin Qi rolls, condenses in his cut waist!

However, this time, song Ze's face was stiff, and his face was frightening

This time, song Ze's injury did not recover

This What's going on?

Song Ze's eyes trembled, which is known as one of the ancient ten evil spirits. At this time, his heart suddenly sank!

He looked down at his lower body

Why, no recovery?

Can't be?

Is

He accumulated hundreds of millions of life and blood, are ye Chen cut to the end!

I was forced to a desperate situation first?

That's equivalent to hundreds of millions of lives! Was Ye Chen killed before he fell?

In front of me, how terrible is this young man with blood all over his body and raging at night?

"Impossible!!! As one of the ten evil spirits in ancient times, how could I be defeated by a mortal like you? "

Song Ze appeared on the face of a trace of horror, almost crazy roar, Yin Qi rolling, is a claw, toward Ye Chen grab! Claw shadow all over the sky, instantly tears up the void, and even the air disappears in the claw awn!

Ye Chen's eyes are only dignified.

His injuries are extremely serious.

It's covered in blood.

Have to admit, song Ze is very strong! It's far from what you can do now.

But will he give up?

No!

Ye Chen stepped out one step, holding the evil sword in his hand! Open to the extreme!

He just wanted to start, suddenly, he found that there was a strong sense of martial arts.

His whole body seems to be pregnant with a strong blow.

"This is..."

Ye Chen's eyes are wide open!

"This is part of the power of Lingtian arrow God!"

"Thank you, master Ling Tian!"

Ye Chen thanks way!

But the samsara cemetery has no response!

At this moment, ye Chen raised a sneer at the corner of his mouth?

Whatever the ten evils and the hundred evils, those who stand in front of me will be cut off with one sword!

"I'm the only one to soar to the sky, and the butcher God will break the sky!"

Ye Chen murmured, his blood was boiling and his power was surging. The true martial intention was like a huge wave to drown the whole world. He roared towards Song Ze!

With a loud bang, the claws were engulfed by Ye Chen's sword light, and Song Ze's face changed wildly. At this time, Ye Chen's attack was not weakened at all! It's even stronger!

He felt a little familiar with the power! But I can't say!

Suddenly, a figure appeared in his mind!

That's the Arrow God that existed in the ancient kingdom of gods!

A bow and an arrow, above the sky!

"Are you the descendant of Lingtian Arrow God?" Song Ze exclaimed.

Even the descendants of this person, it is too abnormal!

It seems that the extremely serious and extremely tragic injury has no effect on him at all?

Song, like a strange wave in his heart

What does it feel like?

Since he turned into a fierce ghost, his heart has been filled with resentment, outrageous resentment, and almost never felt any other emotion

But at this moment, a kind of resentment, more intense feelings, is raging in Song Ze's heart! Song Ze was stunned suddenly. There seemed to be a flash in his eyes

Is this despair?

At this time, the sword light that seems to be able to wipe out the universe has come to Song Ze's face!

Once upon a time, the ghost king Song Ze, who was feared and feared by countless people, sent out an incomparably shrill roar. Infinite Yin Qi was condensed on the corpse-like hands and crossed to block the sword of Ye Chen!

In the sound of earth-shaking sound, the blood splashes, the mountains collapse, the wind rolls around, and the void collapses!

A voice of ugliness, terror, and misery appeared in the dust.

Song Ze's whole body is covered with countless terrible scars, and his hands used to resist the light of Ye Chen's sword have also been completely broken and turned into blood mist!

At this time, Song Ze has been forced to the end!

Even if, no matter how fierce the devil is, he can't fight without his hands?

Another sword

With another sword, Ye Chen will be able to completely crush Song Ze!

Jintianog and yangchiyuan are so unbelievable that the ancient ten evil spirits are really going to be defeated!!!

Even the ancient strong, can not do things, to be realized by Ye Chen!

Ye Chen's tenacity has made them thrilled to think that they are going to explode!

This man is a crocodile, his eyes are flashing with ecstatic light, looking forward to Ye Chen, they are witnessing the history, witness the rise of a legend!

Song Ze stares at Ye Chen's figure and trembles uncontrollably

But all of a sudden, song Ze's face suddenly appeared incomparably ferocious look, to Ye Chen's wild smile way: "ha ha ha ha ha, boy, do you think you win like this?"

"Do you think that if you cut off all your blood and destroy your body, you will be able to kill me?"

"The reason why I was called the ten evil spirits in ancient times is not only because of this blood!"

After saying that, song Ze's whole body's breath, actually is instantaneous becomes violent, restless!

Yang Chiyuan and Jin tianog are all looking crazy

Song Ze wants to blow himself up!

The remnant, turned into a missile, flew to Ye Chen!

Ye Chen's pupil shrinks. He can see that song Ze really wants to blow himself up. It's not a bluff at all!

"Atomization magic!"

At the next moment, ye Chen murmured, and his body turned into a rolling white fog. At this moment, there was a huge bang, and the whole kingdom of God was shocked!

Chapter 2805

Infinite glory, swept around, lit up the whole sky, a huge mushroom cloud, emerged between heaven and earth!

This level of existence of self explosion, such as terror!!!

It's like a 100000 ton nuclear bomb exploding at the same time!

Is this power enough to destroy an earth?

Jin tianog and Yang Chiyuan both spit blood and their breath quickly decays. Even though they tried their best to defend themselves, they were still seriously injured!

But at this time, they did not care about their injuries. Their pupils contracted and quickly scanned around, looking for ye Chen's figure with great tension!

They are only suffering from aftershocks!

Have been seriously injured, almost, may have died directly, and ye Chen!

Completely bear the energy of the explosion, is it thousands of times, tens of thousands of times the power they bear?

What's more, ye Chen was already in the battle with song Ze, and he was hurt a lot!

No!

Not everywhere!

Two people's mind a tremor, ye Chen will not be song Ze's self explosion, disappear?

At this time, a burst of white fog crazy roll, condensation, into a man's figure, appeared in the two people's vision.

Ye Chen gasps, chest, opened a big hole, blood crossflow!

The power of the explosion was really terrible. Even if the atomization magic power was used, it was still seriously damaged!

However, this degree of damage, for ye Chen, is not what!

An almost transparent gray shadow flashed through the smoke formed by the explosion, and flew away towards the distant sky.

That gray shadow is the essence of song Ze!

He is full of resentment. Even if he tries his best to blow himself up, he can't even kill Ye Chen?

But soon, his mouth, then raised a trace of ferocious smile.

He turned into a fierce ghost, and his soul was almost immortal. Even the terrible self explosion did not hurt his origin. This is the biggest dependence of song Ze!

In this world, there is hardly any means to extinguish his soul!

If not, how can it be called the first of the ten evil spirits in ancient times?

This is the ghost king song Ze, the real terrible place!

Gray shadow eyes, flashing faint fire, song Ze surface, emerged incomparably cruel color.

Ye Chen, you give me a good wait, when I swallow up all living beings in the kingdom of God and completely recover strength, I will let you pay for what you have done today!!!

Ye Chen looks at the direction of the gray shadow, his whole body is blood.

The breath fades to the extreme.

He can't stop himself.

Can only helplessly watch song Ze leave.

This person leaves, if meets again, oneself will certainly die!

Not only that, the people around him, Xia Ruoxue, Sun Yi, zining, Ji Lin and so on, may have an accident!

This evil thing must die!

What to do!

A feeling of powerlessness welled up in my heart!

On the sky, however, song Ze's smile rang out!

"Ye Chen! ha-ha! I said, you can't kill me

"Give me three months, I will roll the earth and I will devour the people around you one by one! Let you watch them die

"Remember, I song Ze will become a nightmare for your whole life!"

Ye Chen bit his teeth and spit out a mouthful of blood. He chased song Ze step by step, but it was too slow!

"Bang!"

Ye Chen fell to the ground.

Ye Chen raised his head, eyes stained with blood, suddenly, his blurred vision, saw a figure.

Behind the figure is a huge bow and a long gun, with both hands behind him, which makes him feel the utmost.

It's like a God.

"Lingtian arrow God..." Ye Chen opened his mouth.

Lingtian arrow God showed a smile! This is the first time ye Chen saw Lingtian arrow God smile!

"Boy, you are very good. Next, give it to me. I'll teach you a move today. This is the demon soul killing arrow!"

"With one arrow, all demons will be destroyed!"

Ye Chen closed her eyes.

Then, all of a sudden!

He stood up! But the momentum has changed completely!

Jin tianog, Yang Chiyuan was slightly stunned and subconsciously stepped back: "what a strong sense of martial arts Why did it suddenly soar? "

Ye Chen didn't pay attention to them. In his eyes, the cold light flashed, staring at the gray shadow in the distance. A whole body streamer, and a huge bow with countless runes on it suddenly appeared in the palm of his hand!

After that, the devil gun jumped up!

At the moment, ye Chen is full of evil spirit, just like killing God.

Ye Chen opens the bow string with great strength, and breaks through the sky with the idea of startling the sky!

But at this time, song Ze, who turned into gray shadow, was stiff, with a strong breath, which was firmly locked in!"Demon killing arrow, go!" Ye Chen murmured, and his whole body was full of spiritual power. The torrent poured into the string of the giant bow in his hand. Suddenly, the giant bow uttered a clear sound, a strange flavor, and surrounded the Zhutian magic gun!

"Go for me

His muscles moved, blood burst all over his body, and the golden thunder blazed, just like the God of heaven came into the world. He poured out his huge force and shot the God killing magic gun in his hand at Song Ze!

On the gun of killing the gods and demons, the intention of killing turns to be like a flash of blood. It turns into a rainbow and shoots towards the gray shadow. It is several times faster than song Ze's full fleeing speed. In a blink of an eye, he will be killed behind song Ze!

Seeing this, song Ze noticed the rank of Zhutian magic gun and breathed out a breath. "I was almost scared by you. The momentum just now reminds me of a strong man in ancient times, who nearly scared me to death. But, is this kind of spear useful?"

"Ignorance, if the real body of the Buddha is so easy to be eliminated, do you think I can still live to this day? Even if it's the power of Yang and the power of exorcism, you can't destroy the Buddha. What can you do with your garbage spear?"

In my opinion, it's just a joke

At this time, the bloody rainbow of Zhutian magic gun hit song Ze's real body!

Time, as if there is a moment of stillness!

Originally, song Ze, who was still laughing wildly, was almost transparent and illusory, but suddenly appeared an incomparable real fear and frightening meaning!

What is the meaning of Zhutian Shenmo?

At this moment, the martial and Taoist runes of Zhutian Shenmo gun are so brilliant that they seem to turn into a black hole and devour the immortal real body of song Ze wildly!

"This is the demon killing arrow! impossible! Are you... "

Song Ze's body trembled, twisted, crazy, desperate to escape the long gun's devouring!

Demon soul killing arrow, but he is the most afraid existence in the world!

This spear is not of high quality, but Daoyun is Lingtian arrow God!

Song Ze at this time, where there is any ancient ten evil spirits, the appearance of shocking ghosts?

Already despair, fear to collapse!

Chapter 2806

After a breath, this ancient ghost king, which existed in the legend, was completely engulfed by the ghost killing arrow and disappeared from the world without leaving a trace

Ye Chen hand a move, will kill the God devil gun to take back, said to himself: "thank you, master."

Jin tianog, Yang Chiyuan is totally stupid

Song Ze, dead

I can't die any more

Ye Chen's figure, for a moment in their eyes, became incomparably tall, as if holding the wind and cloud, the king of the earth's God General ah!

Any impossibility, in front of this young man, seems to exist

He has the power to make the impossible possible, just like the strong men who only exist in the legend.

"Bang!"

The next second, ye Chen fell down and completely passed out.

He is too tired.

Jin tianog and Yang Chiyuan look at each other and hold Ye Chen directly. They go toward the inner part of the God Jizong.

.....

Tiandao, a dozen days later.

A golden light rose to the sky.

The light column pierces the sky! Endless clouds surging!

In a flash, there was a huge whirlpool!

The breath of this whirlpool seems to be annihilating.

Accompanied by a Jingtian dragon chant, a calm.

In the heavenly way palace, a man who lies on the Dragon opens his eyes!

There is a strong implication and dignity in the eyes!

As if a look can destroy everything.

Staring at a stone tablet of reincarnation in front of him, he murmured:

"it seems that the failure of this blood array has given me many benefits."

"At last, my cultivation has gone further."

"It won't be long. I can break the ban set by the Ye family and those guys. "

At this time, the Dragon God opened his mouth: "Xuan Yuan Mo Xie, these days, the kingdom of God many changes."

"It's not good news for us."

Xuanyuan ink evil eyes slightly narrow, light way: "you said is the moon ring vision, this vision I already know who opened."

The Dragon God was stunned: "do you know who it is?"

Xuan Yuan Mo Xie nodded: "those demons want to make a comeback after all."

"The kingdom of God has been a complicated chess game since ancient times."

"The chess game was originally controlled by the Ye family, but the power of the Ye family was too great. He not only controlled the kingdom of God, but also controlled the mysterious power of the upper world."

"The Lord of reincarnation wants to make the kingdom of God, the world quiet and deep, and no longer have war and deprivation."

"I want to let the world be free from oppression, and I want to bind all warriors with the so-called law."

"It's a big joke!"

"The world of martial arts is the law of the jungle! Do you want to control everything with your own power

"Stupid!"

"The key, this powerful ambition, touched the interests of some people."

"However, I have been closed these days, thinking about the past, I always feel that the death of the reincarnation master is a little strange It's like his death, as he expected I can't think of it. "

The Dragon God slightly hung up in the hot sky and said in surprise, "what did you find?"

Xuanyuan Mo Xie shook his head: "no, but I want to send someone to visit the Ye family ruins in the first Shenguo."

"Maybe, what can be found there."

At this moment, the solemn voice of the Dragon God sounded: "Xuan Yuan Mo Xie, I think before this, I want to send someone to nine days god dragon hall."

"I feel There is an ultimate force to come It makes me feel scared in the dark... "

Xuanyuan ink evil look a change, hesitated a few seconds, nodded: "good."

.....

At the same time, ye Chen also opened his eyes from the bed.

He sat up and breathed.

Looking at the women in front of him, ye Chen was surprised and said, "how long did I stay in the God Jizong?"

Chu Ying quickly replied, "Ye Chen, you scared us to death. You have been in a coma for 15 days. If the leader didn't say you were OK, we would all plan to..."

"And when you're in a coma, you seem to have broken through a bit."

Ye Chen slightly surprised, he glanced at himself!

Sure enough, the realm has broken through to the five layers of heaven!

Is it because Lingtian arrow God controlled his own body to release an arrow?

Wait!

More serious thing to think of CHEN Ye!

I was in a coma for 15 days?

Ye Chen Mou son shrinks, immediately rises.

His agreement with Jisha kingdom is 15 days!

In these 15 days, I'm afraid ye Lingtian should have broken through!

I don't know what happened to ye Lingtian! Ye Chen quickly got up, and the women simply exchanged a few points, and then is with Jin tianog toward the extremely evil country and go!

.....

Extremely evil country.

Ye Chen comes to ye Lingtian's place of seclusion and breakthrough.

You xuan'er is waiting at the door.

"Mr. Ye, you are here at last..."

You xuan'er's voice is worried.

Ye Chen Mou son a congealing: "what's the matter? Is something wrong with the extremely evil kingdom

You xuan'er shakes his head like a rattle drum: "Mr. Ye, who is he? In these 15 days, 27 earthquakes have occurred in Jisha's country."

"The fluctuation of the earthquake is extremely big. If not for the suppression of many saints, the consequences would be unimaginable!"

"But fortunately, not long ago, the tremor disappeared."

"I was afraid of delaying the breakthrough of the gentleman inside, and I didn't go in."

Ye Chen nods, also does not nonsense, pushes the gate directly!

When the gate was pushed open, a sense of desolation came.

Even if ye Chen is ready, he can't help but step back.

What an overbearing breath!

Not far away, a burly man came towards Ye Chen!

It's ye Lingtian!

Let Ye Chen startled is, ye Lingtian now body actually circulation chaos meaning.

Ye Lingtian actually cut the peak of E!!

Have you surpassed yourself in the realm?

It's incredible, isn't it!

"Master of the temple!"

Ye Lingtian kneels down on one knee and conveys the meaning of ancient times.

"Lingtian, your breath..." Ye Chen was surprised.

Ye Lingtian showed a smile: "I don't know why, but I feel it has something to do with the stone tablet handprint of the Jedi."

"The ancestors' luck deepened."

"And my ancient blood is a little special, with the meaning of ancient times, can communicate the power of ancient ancestors That's how fast it's broken. "

"Also, I feel that I can fight against chaos and become a strong man now!"

"It's terrible to see the ancient spirit pulse!"

"According to the ancestors, this is the biggest dependence of Lingtian family to guard Ye family."

"It's a pity that I know the enemy the Lord is facing is strong, and I'm not qualified."

"But I have a way to be stronger!"

Ye Chen Mou son tiny Mi: "you say, you can also become strong?"

"When I inherited the memory of my ancestors, there was another way to improve my strength in addition to the ancient spirit pulse."

"Oh? Tell me. "

"This method is to absorb the power of our ancestors' belief. We can absorb the power of our ancestors' belief through the images of ancestors scattered in the temples of the seven kingdoms, so as to enhance our strength."

Chapter 2807

Ye Chen pondered for a moment. Now ye Lingtian may be able to fight against the strong of chaos, but his help is still too small. If he can quickly improve his strength, he will help himself differently.

He needs ye Lingtian to be powerful!

"Where are these temples?"

"The memory is too confused. I only remember that the first temple was in, in At the top of xuanmo mountain! " Recalling the previous memory, it seems that ye Lingtian has a great burden. It took a long time to name this place name.

"Xuanmo mountain..."

If ye Chen remembers correctly, it should be on the territory of Xuanyuan family. It has been guarded by the people of Tiandao palace all the time, and no one has ever been in it for thousands of years.

Not to mention the defense, there are Xuanyuan family nearby where Xuanyuan Mo Xie is located. There are ancestors of chaos in it, and their strength is not small.

Ye Chen thought about it for a while, and then said to ye Lingtian, "I know. Make good preparations. Three days later, we will go to meet the Xuan magic mountain for a while."

"Yes Ye Lingtian's excited way.

Ye Chen planned to take Jin tianog to Xuanyuan City, but unexpectedly Jin tianog wants to go back to the place where ye Chen met at the beginning and finish some things.

Ye Chen naturally agreed, but he did not let Jin tianog deal with things after going to xuanmo mountain to find himself, but let him guard in the God Jizong first.

What happened 15 days ago is still fresh in my memory.

Shenjizong needs the protection of the strong.

.....

Three days later, Xuanyuan City, ye Chen and ye Lingtian two people into the city, they look for someone to inquire.

After hearing all kinds of legends about xuanmo mountain, the most reliable one is that it was said to have been the training place of a powerful family. However, after offending some people, the family disappeared, and then the cultivation place was divided into forbidden areas.

This powerful family should be the Ye family!

When ye Chen and ye Chen entered the Xuanyuan city under the control of Xuanyuan family, an old man opened his eyes anxiously in the direction of the city Lord's house, and ordered humanity: "strengthen the hands of xuanmo mountain."

"Yes, grandfather."

I don't know what's going on recently. He always has a feeling of uneasiness. It seems that there is some danger coming to Xuanyuan City, so he doesn't feel at ease.

However, after careful deduction, he could not find any chance. It was strange that he could only choose to give up after some fruitless exploration.

Although Xuanyuan city is very prosperous and the urban area is very large and abnormal, ye Chen and ye Chen are not in a hurry because there are special flying boats here, which can quickly fly to xuanmagic City, which is nearest to xuanmagic mountain.

When he came to xuanmo City, the palpitation in Ye Chen's heart became more and more obvious. The reason why he did not hesitate to look for the stone statue was that he might be able to help him find some traces of the reincarnation Lord.

Xuanmo mountain is towering into the clouds and inserted into the sky. The clouds are only half way up the mountain. It is very mysterious and makes people yearn for it. However, it is a forbidden area controlled by Xuanyuan family. Therefore, no one dares to challenge their dignity even if they are more curious.

To deal with these so-called "heavy soldiers" handle, ye Chen is also ha ha smile, easily with ye Lingtian mixed into Xuan magic mountain, those guards did not find Ye Chen at all.

Also have no qualification to discover Ye Chen.

From the foot of the mountain to the top of the mountain, there seems to be a mysterious power. Every step up the ladder, the space is more stable. It seems that the purpose is to prevent the powerful people from breaking up the space here.

"It seems that in the past, there were many strong people in the Ye family."

This writing must be the result of the joint efforts of countless powerful people in chaos and even in the heaven and God state. Unexpectedly, these strong people are willing to follow the reincarnation master, and ye Chen has a deep admiration for ye Lingtian's ancestors.

"Who dares to intrude into xuanmo mountain without permission?"

All of a sudden, a strong man with a huge sword was sitting on the top of xuanmo mountain, patrolling around, and seeing ye Chen and ye Chen, they were even drinking.

Just when ye Chen wants to make a move, ye Lingtian has already done it for him.

"Savage fist!"

On top of Ye Lingtian's fist, there is golden light blooming, gathering countless savage Qi between heaven and earth. With a powerful fist, ye Lingtian suddenly attacks, aiming at the top man who is sitting on the highest step.

The middle-aged strong man did not care, and the sword spirit of the giant sword formed a shield in front of him, and said in secret: "I don't know what means have been used to mix up with the mountain in two areas of disaster."

With his cultivation, crushing such weak people is like crushing an ant.

However, when the savage fist approached his body, a fist technique that shook the heaven and earth hit him. It was like countless sharp weapons cutting at him. Before the strength arrived, he had already realized the thick danger.

"Not good!"

When it was too late to detect something wrong, it was too late. The magic boxing smashed the giant sword and directly smashed the middle-aged man who had cut the peak of adversity into nothingness.

Ye Chen nodded: "it seems that your blood is really good. It's not the same as before. Let's go."

If someone hears Ye Chen's words, it is estimated that his chin will fall down. It's just good to kill the strong people in the same environment easily? This should be a genius among the geniuses. Of course, compared with Ye Chen's ability to compete with chaos, he can only barely say "not bad".

It didn't take long for them to stand on the top of xuanmo mountain. Looking down, they could see the xuanmo city the size of an ant through the clouds. It was so high that they seemed to have a panoramic view of the whole world.

But they didn't go any further.

Because there is a strong array guard in front of us.

This array seems to exist in ancient times.

No one in the world is allowed to disturb.

Ye Lingtian frowned: "Lord, this array It seems to block us. I'm afraid we can't get in... "

However, ye Chen showed a smile and patted ye Lingtian on the shoulder: "speaking of array, I know a most professional existence."

Ye Lingtian frowned: "professional existence?"

The next second, a huge red and blue light beast appeared in front of them!

No one else, just Xiao Huang!

At the moment, Xiao Huang's whole body circulates the breath of chaos, extremely terrifying!

After breaking the egg, Xiaohuang's accomplishments are soaring in the samsara cemetery!

"Xiaohuang, can you swallow this array?" Ye Chen Dao.

Xiao Huang shows his ferocious fangs. Without a word of nonsense, she rushes directly to the array!

Red and blue shine to the extreme!

In a flash, the ancient array was forced to bite a hole!

Even if ye Chen is prepared in the heart, he is still scared.

Does Xiaohuang's so-called phagocytic array become stronger?

With Xiao Huang's entry, the nine major formation appeared in front of both of them. The big array absorbed the general trend of heaven and earth, and almost followed the trend. It can be seen that the people who set up the array have high attainments in the array.

"Who is it? How dare you break into the forbidden area

Chapter 2808

When Xiao Huang began to break through the Xuanyuan killing array, several figures hidden in xuanmo mountain were startled and came one after another. Ye Lingtian had a close look, and he was astonished to be five old men in the early stage of chaos.

"I didn't expect that the Xuanyuan family attached great importance to this place. They sent so many people here."

Ye Chen smiles and doesn't care about the huge gap between the two sides.

"They killed xuanyuanting and the two people who broke into the forbidden area!"

The old man of Xuanyuan family, the head of the family, said that even if the two were not in a high level, the five people still showed a trend of encircling each other. They started to kill the two without leaving any hands!

Ye Chen, who has broken through the five layers of heaven, feels that the chaotic initial stage, which used to be extremely powerful, is now too weak for him to resist his own attack.

"Evil realm, open up!"

In ye Lingtian's eyes, ye Chen's evil spirit field covers them all in a moment. Countless evil spirits rise from the air and set off a torrent of waves.

Boom!

Evil intention swept through, the five launched their strongest defense, and the cultivation of chaos in the early stage broke out with all one's strength, which made ye Lingtian feel the pressure in an instant.

If a chaotic early he may be able to fight a fight, but five words, the loser must be him.

But at the beginning of the five chaos, which made him feel the pressure, they struggled in the evil spirit field of Ye Chen. When he could not defend himself, there was no point left to be burned in time. His body faced the endless evil spirit, and the end was self-evident.

Until the five chaos completely dissipated between heaven and earth, ye Lingtian's whole person had not come back to God. For him, ye Chen gave him too much impact.

"This..."

At first, he thought that ye Chen's strength came from the reincarnation master, but now he understands that he not only has the inheritance of the reincarnation master, but also is a demon. Who can cut the five layers of heaven will instantly kill five chaotic people. At the beginning of the chaos, ye Chen turned all these impossibilities into facts.

"What are you doing? The array is broken. Let's go."

"Don't you want to see your ancestors?"

At this time, all the nine arrays have been broken by Xiao Huang. For the array, she is naturally restrained by Xiao Huang. Ye Chen is used to it.

Fondly touched Xiao Huang's head, and then put it into the space, the two continue to explore.

When the array was completely broken, Xuanyuan moxie's eyes opened.

"That boy went there."

Xuanyuan moxie stood up and thought for a while, and soon ordered him to go down: "use the notes quickly, let the three ancestors and ten hidden strong men who are sitting in xuanmo city to attack, and make sure to kill the people who break into xuanmo mountain."

.....

When ye Chen and ye Chen go forward, they find that there are countless remains and remains on the top of xuanmo mountain. At a glance, they look bleak. Some buildings even touch them with their hands, and they fly into the distance.

In the ruins, ye Lingtian saw a plaque and recognized the ancient Chinese characters on it. It seems that this is the original Ye family.

However, this ye family is not ye Chen's Ye family, but ye Lingtian's collateral Ye family.

This place used to be the place where ye family practiced.

After stepping through a piece of ruins, they saw a complete building. This temple like building is in perfect condition. It seems that even time can not shake this place.

"After so long, it's not easy to preserve it so well."

Here, should be ye Lingtian said temple, inside should be ye Lingtian ancestors of the gods.

"At last."

Ye Lingtian is a little excited. His ancestors passed it on from generation to generation. Many years later, a lot of information has been lost, but there is always one that every ye family's descendants must remember.

"Guard the Lord of samsara."

This is not a slogan, this is the faith of Ye Lingtian family.

Ye Chen walked forward, but found that no matter how long he walked, the temple in front of him couldn't step in. It seemed that there was a kind of power hindering it.

"It's a kind of prohibition used by the ancestors. Only my blood can enter it."

With that said, ye Lingtian took the lead in stepping out, and at the same time, he shot two drops of blood essence into the front of the prohibition, and the invisible prohibition dissipated, and the two entered smoothly.

As soon as the ban disappeared, there was a sacred breath in the temple. It seemed that there was a Buddha worshipped in it, which made people feel respect.

"The ancestors of Ye family followed the reincarnation master to fight in the world, so they were worshipped by countless people, and the statues also had the power of faith." Ye Lingtian walks in and says to Ye Chen at the same time.

Through a flat road and 49 steps, they stood in front of the temple and looked ahead. However, there were not only the stone statues of Ye family, but there were two different gods.

"This one is the original reincarnation master..."

Ye Ling Tian as like as two peas, and has not yet heard that ye Chen has already received a familiar breath from the stone on the right side, which is exactly the same as the spirit of the God seen in the secret of the Dragon Palace at the nine day. It's just a little weak here.

With his hands behind him, the statue seems to be sketching out a mysterious rune. What makes Ye Chen most frightened is the body of the reincarnation Lord, which seems to be pierced by a startling sword.

At this time, ye Chen felt a faint pain all over his body, and the place of pain seemed to be the place where the reincarnation Lord was pierced by a sword.

"The reincarnation master of the last life, is that how he died..."

Even after thousands of years, even if the statue is destroyed, ye Chen can vaguely see from the statue that the reincarnation master who once looked down upon the world, stood on the top of all living beings, challenged the world and made all living beings submit.

That kind of arrogant world, who dare to fight with me invincible and lonely, are deeply shocked Ye Chen, but he believes that one day, he will also become that existence.

Even the invincible God can fight!

At this moment, ye Chen's fighting spirit is high, his eyes are as bright as stars, and he is not afraid to look directly at the front, which is a kind of heart understanding.

When ye Chen is stunned, ye Lingtian steps forward and appears in front of the statue of Ye Lingtian's ancestor. Although it is not as shocking as that of the God of reincarnation, it is also very frightening.

Then, ye Lingtian kneels down in front of the statue of Ye's ancestors and kowtows respectfully.

Buzz.

The light surged, and a shadow began to condense in front of the statue. Soon, there was a huge shadow in front of them, and then their closed eyes slowly opened.

"How many years..."

There are endless vicissitudes between the words. He can know that the Ye family outside has turned into a group of ruins that can be destroyed by touching.

When he opened his eyes and saw the moment of Ye Chen, Xu Ying knelt down on one knee and made a salute, saying, "see the reincarnation Lord."

Chapter 2809

Ye Chen gazed at the empty shadow in front of him, but there was no doubt. He stretched out his arm: "get up."

My last life as the Lord of reincarnation!

When the shadow sees itself, it's time to salute.

"Yes."

Even if ye Chen only has the cultivation of chopping the five layers of heaven, the virtual shadow has no slightest neglect.

Ye Chen thought for a while and asked, "do you know what the wound of the God of reincarnation is?"

This is Ye Chen's biggest doubt.

"This The Lord of reincarnation has explained it before, and will not let his subordinates tell you. "

"There are some things that are not good for you to know too early."

"The Lord of reincarnation, the layout at the cost of death, no link can be wrong."

Ye Chen did not have a lot of accidents, after all, involving ancient things, there is no need to force.

But he guessed something.

In my memory, I once saw a mural, which is myself vaguely, and I was stabbed by a woman behind her.

This woman doesn't know who she is. She doesn't know her origin?

Is it related to the death of a previous life?

Ye Chen looked dignified and continued: "you can not tell me the death of the reincarnation Lord, but I just want to make sure that the fall of the last life is due to a woman?"

This word, that does not change suddenly!

But in Ye Chen's opinion, this is the answer!

Sure enough!

The last life of their own fall, because of a woman!

As for who this woman is, he has enough time to investigate!

Xu Ying doesn't want to reveal too much. He looks at ye Lingtian, the only surviving member of the Ye family in the world, and says, "ye Lingtian obeys orders. Next, I will instill all the power of faith into you. The process will be very painful, but you must not be comatose, or you will lose all your previous achievements."

"Thanks to the ancestors."

Ye Lingtian nods.

They have a tight schedule now.

As early as the moment of breaking the array, ye Chen guessed that Xuanyuan Mo evil had been discovered. I'm afraid that he will send strong men to encircle him now.

Therefore, we can only seize the time to absorb the power of this belief and reminisce about the past until we find other temples.

However, outside the temple, three closed ancestors of Xuanyuan family, who lived in chaos and had seven levels of heaven, surrounded it with ten strong men who had awakened to the ancient deity.

Endless killing intention surging!

"Who dares to break into the forbidden area of Tiandao palace and come out to die?"

The three chaotic ancestors did not know that ye Chen was in it. They thought it was a strong man in the chaotic environment who broke in. They immediately cried out that the sound wave which should have caused the mountain collapse was blocked by mysterious forces outside the Taoist temple.

Ye Lingtian looks suddenly changed, just want to get up, ye Chen is pressed ye Lingtian: "next, give it to me."

Ye Chen asks ye Lingtian to absorb the power of faith and go out to stop these guys.

This is the chance of Ye Lingtian.

Ye Lingtian strong, is equal to their own strong!

When ye Chen stepped out of the gate, the three ancestors of chaos were slightly shocked. The big man who let them go out was the boy who cut the five layers of heaven in front of him?

Seeing this scene, one of the ten strong men who awakened the ancient deity, flowing green runes all over his body, took a step forward and said, "this opponent is not worth the ancestors' hand, so let me do it for you."

Then he approached Ye Chen with a sneer. What he had in his hand was a weapon of Tiandao palace, which was full of dignity. There was a part of the power of the heavenly way. He said, "even a mole ant dares to enter here. I'm really impatient to live."

"Since you don't know what's good and what's wrong, I'll know where to go in my next life. I don't need to be taught."

Ye Chen slightly nodded and said with a smile, "this sentence will be returned to you intact."

"Boy, look for death!"

The power of the heavenly way weapon was activated, and the sword in his hand seemed to be twining with thunder arc, which was the thunder of punishment that could make all living creatures feel afraid.

A shot, of course, is to be crisp and neat, so as to leave a good impression in front of the ancestors.

Unfortunately, he is facing Ye Chen!

A guy who can't be measured with common sense.

The man is getting closer and closer, and the thunder of punishment has already been launched. It blows to Ye Chen at a speed several times faster than the weapon.

"Die."

The man's face shows ferocity, in his eyes, ye Chen is afraid is not to react at all.

"Just for ye Lingtian, I'll do it once."

Sha sword, ye Chen's gentle face turned into indifference, faintly spit out a few words: "only I soar to the sky, butcher God breaks the sky!"

Sword light flash, blood light rolling, huge force surging, the meaning of Zhenwu burst out!

The person who can't react is not ye Chen.

The man's eyes were unbelievable. He wanted to open his mouth and say something, but he fell down in the middle of the opening. When people looked at the past, they had already separated. Ye Chen's strength and serious mismatching state caused the caution of the three ancestors. He was able to kill an ancient god body genius so easily that he was no less powerful than the chaos strong one.

However, how can this be possible? Clearly, he is to cut the five layers of heaven!

"Let's do it together! Kill this son

With the reprimand of another ancestor, the remaining nine ancient deities came forward one after another, surrounded Ye Chen in the center, holding the heavenly weapon in their hands, and launched their strongest attack. The endless pressure was to attack Ye Chen.

Ye Chen disdains a smile, Sha sword stands in front of the body, sending out light energy fluctuation.

"Six swords! Six swords return to one! "

Ye Chen shows his extreme martial spirit, and the six swords are unfolded. The light of the six swords is flashing. The Lingxiao sword is like a giant dragon sweeping across the sky!

The nine people in front of me instantly turned into blood mist!

Vulnerable!

Until ye Chen collected the sword, they didn't understand how they were defeated.

"It's a terrible sword, and it's a powerful martial art."

One of them, a chaotic ancestor, was surprised.

"But that's it. No matter how strong it is, if it doesn't reach chaos, it will be futile."

The three ancestors of the chaos state looked at each other without hesitation. They all stepped forward. The power of chaos in the body surged out, and the three powerful fields immediately surrounded Ye Chen.

This is the realm of heaven inherited by Xuanyuan family from generation to generation!

As soon as the realm of heaven came out, ye Chen felt his body sink and felt as if there was a big mountain pressing on him.

The breath of repression seems to cover everything!

According to the principle, reincarnation should not be affected by everything!

But on this mountain, it seems that all the pressure converges at this moment!

Up!

Ye Chen gritted his teeth and stood up abruptly, looking at the three ancestors with firm eyes.

"Do you think you're the only one with a field?"

"Evil realm! Dark flame impact! Open it

In a flash, a vision came out!

In the realm of heaven, it is occupied by a mysterious force. The field composed of pure killing fire has its own set of operating rules. The fierce evil intention blocks the external pressure and is no longer affected by it.

Chapter 2810

The three ancestors are like gods in the realm of heaven. They are covered with holy light and hold the Angel Sword in their hands. They look down on Ye Chen like ants.

At this moment, they have already surpassed their own realm, enough to kill everything.

However, when ye Chen's evil spirit field appeared, they could not help it any more. Their eyes showed a strong shock. They could have the power of the field before they reached the chaotic state, which was unheard of.

But this is more firm three people want to kill Ye Chen's idea, this son does not die, grow up in the future, I'm afraid it will be a big worry for Xuanyuan family.

"The light is killing!"

The big swords in the hands of the three people fuse together to form a huge sword that can cover the sky. With endless power, it cuts to Ye Chen. This sword seems to be able to cut off the sun, moon and stars!

"Thunder wasteland dominates star sword!"

Ye Chen felt the master's fighting intention in his hand, and the body of the sword began to vibrate happily. At the same time, it also sent out the sword meaning which was no less powerful than the three.

Because of the mutual cancellation of the forces of the field, the gap between chaos and disaster is reduced to the greatest extent. Ye Chen may not be unable to fight with the three men!

Bang!

Sword and sword collision, let Xuan magic mountain can't help shaking a little, wild and holy confrontation, let the sky can't help but fade.

The three ancestors all showed an unbelievable look in their eyes, because they found that they and others were suppressed by Ye Chen. They could compete with them in the field, but in terms of skills, they lost.

The sword of the holy light is constantly forced back, and ye Chen's evil sword is more and more advanced. Even in the realm of heaven, ye Chen is forced to cringe in front of the three people.

"The three ancestors of the late chaos besieged a small area of disaster, and said that I would be ashamed of you."

Ye Chen's words make the three faces white and blue, and even dim black.

One of the ancestors snorted coldly and said, "you two, this son will not die. I'm afraid that in the future, my Xuanyuan family will not have a birthday again. Let's go all out and burn the blood essence. You must kill it!"

The other two people are dignified nod, such strength, have to let people worry.

The three ancestors all looked at each other and sacrificed their blood essence. At this moment, the power of the field was stimulated.

"Battle of heaven's way!"

The three ancestors stand in different positions to form a strange array, and the power of endless array and the power of heaven are condensed to the extreme.

Tiandao array pays attention to follow the laws of all things in nature, and can make the field into a stronger field array.

Ye Chen's eyebrows wrinkled, which is really very troublesome. The joint forces of the three chaotic states in the later period are not what he can fight against now.

But he Ye Chen is not afraid at all!

"Evil realm! The sky breaks the sky

"Xuanyan, come out!"

The next moment, ye Chen's hand "boom"!

A flame different from that in the field appeared in his palm. It was Xuanyan!

What is wrapped in the dark flame is a flame with extremely evil spirit!

Taigu Shiyan!

A trace of archaic flame is enough to burn out everything!

"Melt it for me!"

Ye Chen gently drinks, the flame in his hand gradually becomes violent, and the temperature of the flame rises sharply. However, the evil spirit field which could not resist originally broke out after it began to blend into the archaic evil flame.

Boom!

Endless flames are raging everywhere, and the violent energy factor is swimming irregularly. Even if it is the joint efforts of the three late ancestors of the chaotic state, ye Chen can't do anything about it.

Ye Chen's mouth hook, the power of the field began to expand, and each expansion of the heaven's domain will shrink one point.

If the field power is not too different, it can not achieve such an effect at all. It can only be said that after ye Chen's evil spirit field has been added to Xuanyan, its power has been greatly increased. I don't know how many times this can be achieved.

"How is it possible, a boy who only cuts through the bad situation, how can he apply the power of the field that chaos can achieve to such a degree?"

An old ancestor was unwilling to roar. He couldn't believe it. Ye Chen not only beat them in martial arts, but also was better than them in the field, which was far beyond their expectation.

Now, the look of panic on their faces is in sharp contrast to the initial disdain of ants.

The three ancestors are struggling to support them, and they are almost unable to support them. This boy is also a little abnormal. His strength is not a place where he should be killed.

Until now, they finally understand why Xuanyuan Mo Xie asked them so many people to encircle such an insignificant boy. If not so many people, they would have died on the spot.

All of a sudden, the void here fluctuated, and the three old people in chaos were overjoyed. This shows that their reinforcements have come. Before they set out, the reinforcements they resisted very much became their last straw.

Ye Chen is also aware of something wrong. There is space fluctuation here. It must be someone who wants to tear the void and cross over from thousands of miles away."Boy, I admit you're strong, but that's it."

An old voice came, and then, the void tore open a hole, countless empty turbulence filled the hole appeared.

At the entrance of the cave, a man stepped out, dressed in the white robe of Tiandao palace, with white hair and whiskers, and his whole body was filled with an extremely strong breath.

Great strength!

Then another man stepped out, and then, until the tenth old man came out of the cave, the hole was slowly closed.

At a glance, they are ten strong people in the later stage of the chaotic state. The chaotic state rarely seen in ordinary times is everywhere at the moment. The inside information of Tiandao palace is really shocking.

Ye Chen also frowned. The strength of these ten powerful people in the chaotic situation can not be ignored in the whole kingdom of God. The heavenly way palace is really a great stroke!

Although the other side's strength is strong, ye Chen is not afraid at all: "in order to kill me, the heavenly way palace has spent such a great price, but I really look up to me."

"Oh? It seems that you are the reincarnation master of this term? "

The head of a chaotic situation, the late strong man's eyes calmly swept over Ye Chen, opening a way.

When other ancestors heard the name of reincarnation master, they looked at Ye Chen with burning eyes. The first three ancestors of Xuanyuan family were even more frightened. It was not surprising that they were the reincarnation masters.

If you want to think about the power of the reincarnation Lord, you will crush the chaotic state like an ant. Even if it has been so many years, that scene is still engraved in the heart, unforgettable for a long time.

"Ha ha, if you want to kill me, why do you involve any reincarnation master? I think you are afraid?"

Ye Chen doesn't care about these chaotic ancestors' iron green face and light way.

What he has to do now is to delay time for ye Lingtian!

"Well, since you are determined to die, I will help you!"

That's true, but the next scene is a bit surprising.

"Line up
