

Physician 2821

Chapter 2821

Ye Chen asks ye Lingtian about the specific process of obtaining the abyss conviction gun, and Ye Ling Tiansi has no reservation.

"The hall master, the remnant soul of Ye's ancestors, told me that I would follow the reincarnation master for generations and never betray!"

Ye Lingtian paid homage to Ye Chen and said.

"Ling Tian, you and I are all from the mortal world. Even if you are not the descendants of Ye family, and I am not the reincarnation master, can we still change the relationship between our brothers? You don't have to be so polite in front of me. "

Ye Lingtian can have this adventure, ye Chen is also happy for him, but now ye Lingtian is obedient to him, just like to the gods, which makes him feel a little unaccustomed.

Ye Lingtian laughs and obeys his orders. His heart is warm.

"Let's go, hurry up and get out of this land of right and wrong as soon as possible."

Two people from the pavilion out, about to escape, when ye Chen suddenly saw, a figure appeared in the rear distance, several miles away.

The figure walked step by step, seemingly very slow, but each step seemed to shorten the kilometer distance directly.

Just a few steps, the man appeared in front of Ye Chen.

"Don't be bloody!" Ye Chen exhaled his voice and said solemnly.

At the same time, the voice of the ancient medical God sounded at the bottom of Ye Chen's heart, "it's the real body coming!"

Who would have thought that Mo Xueming's real body would find Ye Chen so quickly!

Mo Xueming stares at Ye Chen without saying a word. Ye Chen dare not move easily, and secretly condenses the ultimate strength.

Even if the strength gap between two people is one in the sky and the other in the ground, ye Chen will not give up a trace of opportunity.

Although it can not compete with it, but when it comes to the face, absolutely fearless!

Mo Xueming fully gazed at Ye Chen's half cup of tea time, and then opened his mouth.

His voice was hoarse and thick. He just opened his mouth simply, which gave Ye Chen a sense of pressure facing the thunder.

"Who are you? Tell me your name Mo Xueming light way.

"Ye Chen!" Ye Chen replied.

Mo Xueming frowned, "what I asked is your origin."

Ye Chen and Mo Xueming's eyes collide, but they don't answer.

No matter whether Mo Xueming has seen through or not, ye Chen will not admit the identity of the inheritor of reincarnation!

There are samsara star stones of the same material as the samsara cemetery in the forbidden area of the hell hall. It can be imagined that there must be a complex relationship between the hell hall and samsara.

"Why kill my disciple?" Mo Xueming is unexpectedly good at talking. He doesn't ask Ye Chen any more and changes a question.

This matter involves the ancient medical God, ye Chen naturally will not give the answer.

"If you don't, I know. Because I can feel that man's breath from you

Mo Xueming chuckled, and then said, "Canggu medical God, are you his disciple?"

Ye Chen's pupil shrinks, but he is resolute and does not intend to open his mouth.

"Ha ha, some meanings..."

Mo Xueming moved and only took a step forward, but ye Chen reacted like an enemy in an instant. He was about to burn everything and hit his life, but a big hand fell down on his shoulder.

Then, ye Chen feels all the strength in the body is sealed, unable to move!

At this moment, Rao is Ye Chen's heart is firm, and there is a trace of despair in his heart. His strength is inferior to that of a man. Even if he wants to go all out, he is not qualified.

The body reincarnation cemetery is about to change, Mo Xueming seems to be aware of something, patted Ye Chen on the shoulder, then took back, tied hands and stood on Ye Chen: "don't be nervous, I won't kill you."

Ye Chen Leng, surprised, this Mo Xueming real body out to find him, unexpectedly so easy to let him go?

"You go, the temple of the dead It's not where you should be right now

"Maybe one day, you and I will meet."

"I hope you can shake me then."

"Instead of being killed by me."

"I owe my life to the ancient god of medicine, and I will pay it back today."

Mo Xueming smiles at Ye Chen, and then gradually dissipates and leaves directly.

"Go, go! What are you doing

Lao Cang's anxious voice sounded, and he really pinched the sweat for ye Chen.

If Mo Xueming had just planned to capture Ye Chen or kill him directly, ye Chen had to break out the details of the reincarnation cemetery, but the consequences would have been unmatched by Mo Xueming. He could not escape!

Ye Chen is palpitating and greets ye Lingtian. They fly up and disappear in the sky.

.....

The main peak of the temple of the underworld is a place surrounded by clouds and clouds. A token flies out of the place where Mo Xueming is closed.

Soon, a woman came here with a token and knelt down to Mo Xueming after entering the hall.

"Tan'er, please see the master of the temple!"

Woman Yingying kneels down, delicate body exquisite, graceful posture, just look at the back, give a sense of beauty.

"The adoptive father."

Mo Xueming stretched out his hand and lifted the woman up with a strong breath. This is a girl with a delicate face, which makes you feel suffocating at a glance. However, the girl's eyes are extremely cold and indifferent, which adds to the charm of the girl. It is like fire and ice, which can be called a beautiful beauty.

The girl's eye wave flows, looking at Mo Xueming's eyes turn to be gentle. Her eyes seem to drip out of the water, but her eyes and movements are so intoxicating.

"Tan'er meets his adoptive father and congratulates him on his great achievement and breaking through the barrier."

The maiden, whose surname is Qu and whose name is tan'er, was accepted by Mo Xueming a thousand years ago. Because of her excellent talent, her blood against the sky, her accomplishments have been rising steadily over the past thousand years. Now she is a strong person in the later stage of chaos. Therefore, Mo Xueming attaches more importance to her and takes her as an adoptive daughter.

"Tan'er, your little mouth is very gratifying. If your adoptive father's door god skill has been practiced, you will not be summoned at this moment." Mo Xueming said to Qu tan'er with a smile.

Qu tan'er was filled with a premonition and asked, "why did my adoptive father call me here?"

"If you can get close to a person, it would be better if you could make him prostrate under your pomegranate skirt." Mo Xueming's words are light, but Qu tan'er is stunned.

This is

Let her use her beauty to seduce someone?

"Who is that man? How about your accomplishments?" Qu tan'er asked suspiciously.

If that person is the most powerful or the most powerful person in the kingdom of God, Qu tan'er will not be too ostracized if she wrongs herself.

As if seeing through Qu tan'er's mind, Mo Xueming draws up a meaningful smile.

"This man's name is Ye Chen. He is a genius who can't cut the five layers of heaven."

"Great achievements will be made in the future."

"I need this person to be my nemesis, not my enemy."

"And you are the key to being."

Qu tan'er looked up at Mo Xueming with her lips slightly open. Her eyes were filled with anger and said, "adoptive father, are you kidding me?"

In Qu tan'er's eyes, it is a mole ant like existence!

How can she be willing to seduce such a person!

Chapter 2822

As for Mo Xueming's "genius", Qu tan'er ignored it directly.

Regardless of her beauty, Qu tan'er has the blood of colorful Tianhuang. If it comes to genius, Qu tan'er thinks that no one can go beyond her.

And

The meaning of Mo Xueming's words is not only to let her seduce this person, but also to commit to him and offer his own innocent body if necessary!

"You think I'm kidding you?"

Mo Xueming got up from his seat, wrapped in blood, and went to Qu tan'er. The smile on his mouth slowly disappeared. Instead, he looked indifferent.

"Tan'er didn't dare, but he didn't understand. Maybe the man named Ye Chen was so valued by his adoptive father. But his adoptive father asked tan'er to get close to him, and tan'er was not willing to... "

Bang!

Qu tan'er had a palm print on her beautiful face. Before she finished her words, she was slapped by Mo Xueming!

"My will, you only have to comply with, not allow to question! Qu tan'er, if you can't do this task well, you don't have to come back! " Mo Xueming's cold voice rings.

Qu tan'er knelt on the ground again with her cheek covered. Her delicate body trembled, and she did not dare to speak back.

There is no need to come back again, not to expel the hell hall; with the way of doing things in the temple of the underworld, Mo Xueming expressed a very clear meaning that she must complete this task, or she will die!

"My adoptive father, Taner is at your command."

Qu tan'er was afraid and had to obey.

"Don't feel aggrieved. Although Ye Chen's cultivation is only to cut down the five layers of heaven in the troubled area, his combat power is not inferior to you. Moreover, his identity is very important. "

Mo Xueming's mind was unpredictable. He just slapped Qu tan'er, and then he comforted him with warm words.

"Don't forget, it's just Adoptive father, what will I do when I get close to him? "

Asked Qu tan'er.

Qu tan'er wants to know the purpose of Mo Xueming's arrangement. She is confident in her beauty and means. She thinks it is not difficult to get close to Ye Chen.

"Let him fall in love with you and die for you. You don't have to worry about the rest. When the time is right, your father will give you new orders

Mo Xueming reaches out and points his hand at Qu tan'er's eyebrows, ye Chen's appearance, and the current position, and so on, which instantly floods into Qu tan'er's mind.

In the sphere of influence of the Ming Temple, he Mo Xueming is the absolute master. However, his attitude towards Ye Chen is quite puzzling. He deliberately lets him go and arranges Qu tan'er as a chess piece.

Qu tan'er flies out of the temple of the underworld. After thinking about it, he makes up his mind and goes to Ye Chen.

"Ye Chen, you can't escape from my palm! After taking you down completely, I can let the adoptive father know that I Qu tan'er is not worthy of a mole ant! "

Qu tan'er said in her heart.

.....

After an hour, ye Chen and ye Lingtian are on their way all the time. Finally, at dawn, ye Chen feels that they can use the power of space!

This means that they have gone out of the sphere of influence of the temple of the underworld. Next, ye Chen can rush to shenjizong as soon as possible by using the power of space and flying boats.

Even Mo Xueming can no longer lock his whereabouts.

"Ye Chen, I'm not sure about one thing. Just now, I've confirmed it. I found that you have been planted by Mo Xueming. You need to be stripped off as soon as possible. Otherwise, even if you leave here, you may be visited by Mo Xueming at any time." The voice of Lao Cang rang out.

"Was he the one who slapped me?"

By the ancient medical God remind, ye Chen immediately understood when the mark was planted.

"A good Mo Xueming, what is the purpose of his doing this?"

Ye Chen is surprised and angry. Under the careful perception, he realizes that there is something wrong with him.

Let him leave, but left a mark in his body, Mo Xueming such behavior, more than the direct enemy let Ye Chen fear.

In short, Mo Xueming is an enemy but not a friend, and he has a big plot. It is difficult to deal with such a deep-seated figure.

"Xuanyan! Come out

"What a fire

Ye Chen sat down with his knees crossed, and then summoned two sacred fires. According to the instructions of the ancient medical God, he began to peel off the internal imprint.

On one side, ye Lingtian holds an abyssal sin breaking gun to protect Ye Chen's Dharma.

Another hour passed, during which ye Chen, who had been sitting with his eyes closed, suddenly opened his eyes.

"Lord, have you succeeded?" Ye Lingtian asked in surprise.

Ye Chen nodded, saying hard, and threw ye Lingtian several bottles of healing pills refined by Lao Cang.

Ye Lingtian then put away the abyss judgment gun and took pills to treat the injury.

These days, he did not dare to relax, in case of the strong in the temple of the underworld suddenly attacked.

Ye Chen was moved by such loyal people.

The temple of the underworld. Mo Xueming, who is walking in the core of the forbidden area, seems to feel a little surprised."Unexpectedly, he stripped off the mark I planted so quickly. This ye Chen is full of Qi and has a lot of treasures."

Mo Xueming sighed with emotion, showing a smile and a clear color: "Canggu medical God, you are still alive Only you can detect my mark so quickly. Sure enough, the one left behind. "

"How much of the power of the Ye family has been mastered by this inheritor? And the ultimate secret, it's a real expectation

Mo Xueming's breath inspires the reincarnation star stone of the size of the mountain, with deep eyes and hidden madness!

Half a day later, ye Chen and ye Lingtian both recovered to their prime state.

"Let's go, come back to Jizong!" Ye Chen said.

Ye Chen takes out the boat, and ye Lingtian flies in. Ye Lingtian takes out some of the best stones and throws them into the core array of the flying boat. There is a layer of chaotic force on the flying boat.

The force of space fluctuates from ye Chen. There is a big hole in the space in front of him. The boat is about to enter it. At this time, there is news coming from not far away.

Not far in the sky, three old men are killing a beautiful woman wearing a veil.

The three old men, awe inspiring, have the chaos state, the later period of cultivation fluctuation! But the besieged woman's breath was high and low, and she was obviously seriously injured and exhausted.

Under the siege of three old men in the late stage of chaos, the veiled woman fought with blood, which was already in danger. With only a dozen breaths, her real body was broken twice!

The strong in the chaotic state can be reborn by dripping blood, the spirit will not die out, the law will not be endless, and the road will not be broken easily.

The power of the law and the road pervaded the veiled woman, which was the expression of her burning details regardless of the cost. After several real body reorganization, her spirit was also seriously injured.

The masked woman saw the flying boat in front of her and ye Chen and ye Lingtian standing on the boat. They broke out again and forced back the enemy. They came straight to Ye Chen.

"Childe, help me!"

The voice of the veiled woman is so beautiful that it makes people feel pity and sympathy, which makes people unable to resist the idea of guarding.

This daughter is the adoptive daughter of Mo Xueming, Qu tan'er!

Chapter 2823

Her approach to Ye Chen is to stage the drama of hero saving the United States. In order to achieve the effect, she does not hesitate to be seriously injured.

When she wanted to come, she should be able to let Ye Chen do it for her, but to her surprise

She frowned at the sky and saw the sky.

It happened that someone was being chased and killed, and it was also a fight between the strong in the later stage of chaos. Ye Chen did not hesitate and directly made a decision: ignore it!

Ye Chen is not cold-blooded, and his strength can be timely. He has done a lot of such things.

But where is this? Just out of the sphere of influence of the temple of the underworld, I met such a thing!

Even if it's just by chance, ye Chen thinks that it's better to leave here as soon as possible.

As for the masked girl calling for help Don't say it's just a sad and tender call for help. Even if she intends to make a promise afterwards, ye Chen will not be moved at all.

I don't know you well enough to risk my life for you!

Qu tan'er is stunned, but she quickly reacts and transmits the voice to the three old men who "pursue" her.

"Just a little boy, since you have seen the matter of my Ming Temple, then stay!"

One of the old men actually broke away from the battle group and flew to Ye Chen. At the same time, he shook his hands and hit the boat.

Boom!

With the collision of two extreme martial arts, ye Chen's space force is defeated. The black hole in space is unstable and slowly closed, and the boat is forced to squeeze out of the chaotic space.

Ye Chen is furious!

Over there, the masked woman, facing the siege of the remaining two powerful men, was still completely inferior, but there was no longer any concern for her life.

"Ye Lingtian, you go to help that woman, this guy is handed over to me!" Ye Chen said to ye Lingtian.

I didn't want to meddle in my business. However, the powerful men of the Ming Temple were too arrogant and arrogant. Just because they saw them chasing down the masked woman, they yelled at Ye Chen!

In this case

If you want to die, you will be finished!

Ye Lingtian's body shape is a twinkle, appearing in the side of a strong man in the underworld hall. While waving, the abyss sin breaking gun pierces the heart of this person.

The powerful man of the Ming Palace couldn't dodge. He screamed and collapsed. Then he gathered his origin again. His eyes were red and he looked at ye Lingtian. He said fiercely: "how dare you attack me secretly. You die for me!"

Two people fight together, masked woman's opponent, only one person, she no longer fight like fighting, and the opponent tangled up.

"Devil's pupil!"

"Cangyan mieling palm!"

Ye Chen's hand is the top-level skills of two great shielding demons. Under the scanning of a pair of magic eyes, the opponent suddenly falls into an illusion, and his heart is full of demons. A huge palm blocks the sky and the sun, isolating all forces under the palm, locking in the enemy, and directly destroying the spirit of the other party!

The old man in the chaotic state was shocked, and his body was full of white mansions. All kinds of martial arts and the power of laws were interwoven together to form a huge hand to meet Ye Chen's attack.

Two giant palms collide with each other, but in a flash, ye Chen's cangyan mieling palm directly defeats the enemy's defense, and continues to fall down

Boom!

Where they stood, a hill below the void turned into fly ash, leaving a palm print on the ground!

As for those who are strong in the temple of the underworld, their bodies are directly scattered and turned into flying ash.

"Ah, ah! I'm going to kill you

The law of the road was brewing, and the old man's body was reorganized and appeared in the air again. But at this time, his breath was only in the early stage of chaos

Just one move, he was knocked down by Ye Chen a few small realms!

How can he accept the fact that his accomplishments have been knocked down and the foundation destroyed!

"Kill me? What a joke! Do you think you can go today? "

Ye Chen offered sacrifices to Xuanyan. Since he made a move, he planned to leave these people alive!

After the old man's vent like roar, he saw Ye Chen's sword attacking him again. He was scared to death and ran away.

"Want to go! Extremely powerful! Flash

Ye Chen soon catches up with him, but after three moves, the man is killed and his spirit is completely destroyed!

On the other side, the other two powerful men in the later stage of the chaotic state of the hell hall were also frightened by Ye Chen's fighting power, and they started to retreat and ran while fighting.

Ye Lingtian's opponent was entangled by his death. The opponent of the masked woman took the opportunity to escape, and his body was far away.

Ye Chen's eyes flashed, chasing the man.

After a while, ye Chen came back from the blood bath and added another ghost under the Sha sword!

"I am the ancestor of Feipeng in the temple of the underworld. If you dare to kill me, you will not die easily in the future."

Only the last one left, seeing no hope of escape, the fierce threat.

However, an extreme intention to kill came to the sky!

"Jiwu: heavy fist!"Ye Chen shouts violently. On top of his fist, a burst of vanishing breath erupts. The martial law is all in Ye Chen's fist, shaking slightly!

The two fists hit each other with a loud bang. The fist power is endless, sweeping all directions!

Dust and smoke, a bloody figure, was blasted back to fly back!

The old man opened his mouth and spewed out blood essence, but ran to the direction of the masked woman.

That's his only hope of life. Chasing down a masked woman is a drama for them.

"Saint, help me!"

The old man spoke to the masked woman.

The masked woman was floating in the air, as if she had lost her mind. She didn't feel it. She didn't stop her. The old man was so happy that she flew by her side.

At this time, he was unprepared, so that he didn't even sacrifice the body protection spirit treasure. Suddenly, he felt a cool heart, and a colorful light penetrated into his body.

And then the seven colors of his power began to melt.

"You..."

The old man turned around and couldn't believe his eyes. Finally, he looked at the masked woman. Then his breath dissipated and he died!

Qu tan'er doesn't even look at the corpse of this person, but she trembles and staggers to Ye Chen.

"Qu tan'er would like to thank you for your help

Qu tan'er bowed to Ye Chen, and the clothes on her graceful body were broken, and her snow-white skin was faintly visible.

That chest gully, is extremely attractive, even one side of the ye Lingtian are shaken, hurriedly dispel the mind should not have in the mind, turned to look at one side.

"You go away. You can't bear the saving grace."

Ye Chen has just killed two strong men in the later stage of the chaotic state. He is still in the aftertaste. He has many feelings of fighting in his mind. He just takes a look at Qu tan'er and doesn't care too much about her.

Qu tan'er's jade hand lifted up and lifted the veil on her face. Her moving eyes gazed at Ye Chen affectionately. She was full of "moved" and said: "young master is narrow-minded and does not seek to repay you. Tan'er is more and more admired by you. Great kindness is not appreciated. No matter what you pay, I will repay you."

That beautiful face, but let ye Lingtian lose consciousness for a moment.

However, at the next moment, the voice let ye Lingtian and Qu tan'er completely confused.

"Is there anything wrong with you? Or bad ears? I let you go, don't you understand? "

A indifferent voice sounded like this!

This is Ye Chen's voice!

Chapter 2824

At this moment, Qu tan'er is confused.

Over the years, she has been extremely confident in herself.

In her cognition, the temple of the underworld and the people outside the kingdom of God could not resist her temptation.

In her opinion, this time's arrangement is absolutely infallible.

The man named Ye Chen, I'm afraid his mind has been swaying.

However, she never thought that she was turned down.

"Ling Tian, let's go."

Ye Chen spoke faintly.

How can Qu tan'er let Ye Chen leave? If the mission fails, she may not even have the right to live!

"Well..."

Qu tan'er suddenly spilled blood from the corner of his mouth, and his face became pale and incomparable. It seemed that he had been forced to suppress the injury. His body was unsteady and staggered. He fell into the arms of Ye Chen.

Seeing is the warm fragrance nephrite into the bosom, ye Chen is a corner of the mouth outline.

No psychic power was used.

Subconsciously block with both hands.

"Since you want to play, I'll play with you. I want to see who is losing," he said

The next second, the hands are touching a burst of softness.

Extremely soft.

"You

Qu tan'er's eyes flash a trace of killing intention, and instantly the spirit power runs, and ye Chen keeps a distance.

The anger of her eyes flashed away!

Even wish to kill Ye Chen!

But at the thought of her adoptive father's explanation, she could only suppress everything in her heart!

"Qu tan'er, I have some pills here. You should take them and pay close attention to healing."

"Do you want me to feed you?"

Ye Chen said with a smile.

Qu tan'er grasped it with five fingers, and the pill appeared in her hand: "don't bother Mr. Ye, I can."

"And Thank you, young master Please call me Taner

Then, she was extremely trusting to Ye Chen, without a glance, swallowed the pill directly into her mouth.

At this time, ye Lingtian obtains the two intact Qiankun rings and gives them to Ye Chen.

"Temple master, these two storage rings may be the biggest harvest."

In the later stage of chaos, the powerful people had extremely rich wealth. Even ye Chen could not regard them as nothing in the face of their "heritage".

"Hall master, congratulations on your breakthrough in cultivation and great progress in strength!"

Ye Lingtian sensed the fluctuation of Ye Chen's breath and was overjoyed.

Ye Chen just a faint smile, not much surprise.

"Temple master, what to do next?" Ye Lingtian asked.

Qu tan'er is in a state of settling down and is healing. Ye Lingtian's implication is, how to deal with Qu tan'er who has been rescued.

Ye Chen just glanced at Qu tan'er, and then summoned the boat, the force of space broke through the chaos.

Two people fly up and fall into the flying boat, ye Chen is actually regardless of Qu tan'er.

Let Ye Chen's surprise is, at this time Qu tan'er unexpectedly also flashed into the boat inside.

"What do you mean, girl?" Ye Chen holds his chest in both hands, which is very interesting.

"Young master, tan'er is seriously injured and needs several days' recuperation to recover. However, the people in the hell hall are always chasing me Young master, can I go with you

Qu tan'er's pleading tone makes Ye Chen hard to refuse.

"So you trust my master?" Ye Lingtian on one side is also aware of the strangeness, interposed and asked.

He felt that tan'er seemed to covet the master of the temple.

"Tan'er is naturally trustworthy. What's more, tan'er said that he would repay his life-saving kindness. How could he leave like this Qu tan'er replied.

"Whatever you want, this place is not suitable for a long time. Let's go."

Ye Chen moves the force of space, the boat into the black hole, this time no one to stop, but let him breathe a sigh of relief.

Originally, ye Chen was going to return to Jizong, but considering Qu tan'er as a time bomb, he asked ye Lingtian to drive the boat around the seventh kingdom.

An hour later, Qu tan'er knocked on Ye Chen's room.

Now she is still breathing unsteadily, sometimes strong or weak, but she is not in a hurry to heal the wound, but in the first time to find Ye Chen after stabilizing the injury.

"Young master, why do you appear near the temple of the dead? The temple of the underworld is an organization that kills people without blinking an eye. The seventh kingdom and even the other six kingdoms are very afraid. "

"And I heard that the underworld hall has already touched the temple of heaven."

Qu tan'er asked knowingly.

Ye Chen smiles: "then how can you be chased by the temple of the underworld?"

Qu tan'er hesitated for a moment and sighed: "I don't know, young master, tan'er was originally a disciple of hanyanzong. Hanyanzong was slaughtered by the underworld hall a hundred years ago, and only Taner survived. When I practiced in chaos, I thought of revenge, but I never thought that the strength of the hell hall was so terrible."

"After that, you will know."Ye Chen and Qu tan'er go around and talk about the Kung Fu of a cup of tea. After that, he euphemistically says that he needs to meditate.

Qu tan'er didn't linger on and left the room.

"Ye Chen! I don't believe you can always be such a gentleman! Well, I'm really interested in you now Qu tan'er said in her heart.

Ye Chen with his own power to cut two big chaos in the late strong, this makes Qu tan'er shocked incomparably!

If she can fully stimulate her blood, she can also break out stronger combat power with her later accomplishments in chaos state. She is confident that her strength is not weaker than ye Chen, but you should know that ye Chen is only cutting the five layers of heaven in the troubled state.

This means that ye Chen's potential is much greater than her. In terms of the degree of genius, he is indeed a monster, as Mo Xueming said.

This inspires Qu tan'er's competitive heart and captures Ye Chen's heart, which is more challenging and exciting than defeating him!

Three hours later, Qu tan'er took the initiative to look for ye Chen and enjoy the tea. The atmosphere was harmonious between them.

After a continuous day, Qu tan'er's injury has been greatly improved, and ye Chen's relationship is no longer alienated and unfamiliar.

Ye Chen even felt that if he went back to China, he would have no problem choosing an Oscar best actor.

The only thing that made him wonder was what purpose Qu tan'er had come for.

Kill yourself?

Or as the surveillance of Mo Xueming?

At the same time, Qu tan'er also revealed that she knew some core secrets of the temple of the underworld, and the other party sent so many elders to kill her.

Although Ye Chen is curious about her so-called "core secrets", she does not take the initiative to inquire. Instead, Qu tan'er shows great interest in Ye Chen's related matters.

This night, Qu Tan Er just left the room, ye Chen then a wisp of thought into the reincarnation cemetery, found Lao Cang.

"You can see the problem, Cang'er. I thought she would assassinate me, but for so long, there was no action. " Ye Chen said.

Lao Cang sneered at Ye Chen, "you are not confused. I thought you would be fascinated by the beauty of this girl. In a few days, the soul will be hanged by her!"

Since Qu tan'er appeared, Lao Cang has not been in active contact with Ye Chen.

"I'm not that kind of person..."

Chapter 2825

Ye Chen was embarrassed and was about to explain, but he understood the hidden meaning in Lao Cang's words. Then he asked, "Lao Cang, do you mean that this girl's approach to me has another purpose, but it's not an assassination?"

Laocang nodded: "there is a point to be sure, this Qu tan'er and Mo Xueming have a great relationship."

"As for approaching you, it seems that I want to cooperate with you."

"If you take this girl, I'm afraid it's exactly what Mo Xueming thinks."

"I don't think you need to spend time with this girl."

"It's better to return to Jizong as soon as possible."

Ye Chen moued with a congealing, nodding headway: "good."

After consulting Lao Cang for medical advice for a moment, Ye Chen returns to his mind and thinks about it. He gets up and walks out of the room and knocks on the door of Qu tan'er's room.

Qu tan'er in the room is conscious of Ye Chen, and a smile of pride rises from the corner of his mouth.

"Hehe, it really helped to please him. You've come to me on your own initiative. "

A ray of light flashed, Qu tan'er changed her dress. Her delicate body was covered by white silk lining, full of hazy temptation. The fullness in front of her body seemed to be ready to come out. Then she opened the door of the room.

"Mr. Ye, please come in."

Qu tan'er's shy face and expectant eyes seem to invite her lover into her boudoir.

Ye Chen, seeing her posture like this, immediately abandoned the fragrant miscellaneous thoughts, and positively said to Qu tan'er, "I won't go in, miss tan'er. There's something I forgot to say to you just now, so I'm looking for you."

"Go ahead, young master."

Qu tan'er thinks Ye Chen is ready to catch him, and she indulges in the flow of gorgeous waves, which makes her more obsequious.

"You have recovered from your injury, so you don't have to go with me any more."

Ye Chen said the words, let Qu tan'er suddenly surprised!

This Is this a direct drive?

It's totally different from what she imagined!

Qu tan'er, in a hurry and panic, asked wrongly, "what's the matter with you, young master? Did tan'er do something wrong to annoy you? "

Ye Chen shook his head, "that's not true. It's just that men and women are different. I've never met a girl before. I still have other important things to do. It's really inconvenient to take you with me. It's better to say goodbye."

Ye Chen's tone is firm. After a while, he will be able to return to shenjizong. He doesn't want to take this girl back, so as not to add trouble.

"Young master Tan'er hasn't repay you for saving your life... "

Qu tan'er still wants to say more, but ye Chen frowns and interrupts her words, "I save you just conveniently, don't need your reward."

Seeing ye chentie's heart to drive her away, Qu tan'er is also flustered. She takes two steps to get close to Ye Chen and says, "childe, tan'er is alone now. She wants to follow you around and help you share your worries and solve your difficulties, or Or a tea shop quilt. "

Ye Chen takes a deep look at Qu tan'er.

The more eager she was to guess, the more true she was.

This girl There is something else!

In retrospect, the process of the death of Qu tan'er, who was the last to escape from the dark palace, was also strange.

But at this glance, Qu tan'er thinks Ye Chen is moved. She thinks of Mo Xueming's advice. Even if she is sacrificing her own color, she must seize the opportunity.

So Qu tan'er stretched out her jade hand and took Ye Chen's arm. Jiao's body leaned forward. The clothes on her shoulder slipped down a little

"Young master, tan'er fell in love with you at first sight. Let me serve you..."

Qu tan'er pulls Ye Chen to the room. She has made up her mind to give ye Chen more sweetness this time.

But the next moment, she was stunned.

Because, ye Chen footstep grain silk does not move, she unexpectedly did not pull him?

Qu tan'er and ye Chen look at each other. Ye Chen's eyes are clear and clear, and there is a sneer on his face!

She is so active, ye Chen is actually sitting still, which makes Qu tan'er crazy.

"Miss tan'er, I can't afford such a good fortune. You'd better find someone else."

After that, ye Chen shook hands and broke free of Qu tan'er.

This makes Qu tan'er angry in his heart. He can't help but lose his temper. He angrily says to Ye Chen, "do you think I'm a casual person?"

Ye Chen sneers, the heart way just now your action, already proved this point, why still use more to say?

This is more exciting Qu tan'er, the beauty trick is not effective on Ye Chen, and ye Chen dare to look down on her so much!

But she forced down her anger and reluctantly said with a smile to Ye Chen: "Mr. Ye, it's so-called to see people's hearts for a long time. Since you don't want to see people's hearts for a long time, tan'er can't do it, so let me stay with you for a while, and with my strength, I will definitely not be a drag on the childe..."

After that, I would like to ask tan'er to leave if I was ashamed

Qu tan'er takes retreat as an advance. As long as he can stay, there will be many opportunities in the future."Ye Lingtian, pause for a moment!"

Ye Chen a divine sense to the outside, the boat slowed down, is slowly stopped.

"Miss tan'er, please."

Ye Chen makes the posture of inviting guests to go out, and shows his hand to Qu tan'er.

Qu tan'er's face changed greatly, and her delicate body fluctuated violently. At this moment, she wanted to start directly on Ye Chen!

She knows, leaf Chen this is iron heart, want to drive her to leave, let her again how to say, all useless.

If you don't know what's good or bad, I'm afraid Ye Chen will turn against her directly!

Qu tan'er flies out of the boat, the jade palm paddles through the chaos, and a gap is opened in the space.

"You You really don't care about me at all? "

Before leaving, Qu tan'er asked with hatred.

Ye Chen's voice is ye Lingtian. The boat rises again and shuttles forward.

When the boat disappeared, a cool voice came: "by the way, Qu tan'er, please say hello to Mo Xueming for me."

"If he really wants to cooperate with me, he might as well come to me in person."

"If I get down on my knees, I may really be shaken."

When he said this, Qu tan'er was completely confused!

Originally, his plot has long been seen through by this man!

She even felt like a clown at the end of the day!

Not only is cheap occupied, but in the end it's a waste!

Her eyes were filled with anger, and a sword was offered in her hand!

Endless killing intention surging!

Her blood burst out!

Like a phoenix rising from the sky.

The surrounding space seems to be mercilessly torn!

"This mission seems to have failed."

"Since I failed, I have no way to live."

"Then ye Chen, you will die under my sword!"

At the next moment, Qu tan'er chases Ye Chen away!

However, just as she started, her face changed and she suddenly stopped!

She found a strange smell behind her.

Chapter 2826

She suddenly turned around and saw a veiled girl gathering in the void and appearing in front of her.

If ye Chen is here, she will be very surprised, because this daughter is Wei Ying who left!

"Mo Xueming began to use this method?"

Wei Ying's first words made Qu tan'er feel shocked.

Her identity was discovered by this mysterious woman who suddenly appeared!

"Who are you? What does it have to do with Ye Chen? "

Qu tan'er inquires about Wei Ying's accomplishments, but she is shocked to find that she can't perceive the depth of Wei Ying's accomplishments!

This means that Wei Ying is probably better than her!

Wei Ying didn't seem to hear Qu tan'er's question. He said to himself, "you have too many questions. I don't want to answer them.

But if you really want the answer, I'll give it to you!

You shouldn't have any intention of touching my man

What!

Qu tan'er is confused!

Ye Chen's woman?

Although Wei Ying was wearing a veil and could not see her face clearly, Qu tan'er thought that the woman's face might not be inferior to her in terms of her posture and the outline of her facial features that could not be covered by the veil!

Even better than yourself!

Ye Chen, a mole ant who cuts the five layers of heaven, is there such a beautiful talented girl?

The key point is that this woman has seen through her intention and what happened in the boat. Does this woman have a way to observe it?

When did you expose yourself?

It is very likely that when performing the "hero saving the beauty" drama with the three old men of the underworld hall, this girl will hide in the side, and her various behaviors and purposes have already been controlled by others!

Qu tan'er is frightened and angry. She has just experienced the unprecedented frustration from ye Chen, and also experienced a kind of indignation that has been seen through from Wei Ying, and nervous!

All of a sudden, Qu tan'er's heart is killing!

In the face of this situation, the simplest and most direct solution is to obliterate the opponent.

The other party will never let her go, it depends on which side is stronger or weaker.

Strength is the fundamental solution to all problems.

Colorful light straight into the sky, Qu tan'er behind the emergence of a phoenix's virtual shadow, threatening heaven and earth.

Qicai Tianhuang's blood is directly inspired. Qu Taner doesn't intend to try it out, but starts with all her strength to give Wei Ying a colorful and chaotic light.

Wei Ying's eyes are cold. The chill of her eyes makes the temperature of the whole world drop suddenly!

Under the sky is falling flakes of snow!

With a trace of killing snow!

This is Wei Ying's Artistic Conception!

This Qu tan'er has crossed her bottom line. She can't be left!

When the light of chaos is coming!

Wei Ying moved and offered a cold sword full of Ancient Runes!

Show hand outline, two women instantly entangled fight together, each hit, space collapse, river evaporation, landslides!

However, after ten moves, Qu tan'er tries to escape from the battle, because she finds that even if she uses the inside information, she is not Wei Ying's opponent!

"I am the holy daughter of the temple of the underworld. The adoptive father will avenge me if you dare to kill me!"

Qu tan'er couldn't escape. Wei Ying was not only astonished by his fighting power, but also had many means. She took time to arrange the array during the fight. Qu Taner tried to break through many times, but failed.

After a while, Qu tan'er was seriously injured and threatened Wei Ying.

"If you say that, you have to kill you. Kill you and wait for Mo Xueming to come to me for revenge. "

Wei Ying's hand is more fierce, beating Qu tan'er's heart is afraid.

However, she couldn't escape. The feeling of powerlessness and fear that she was about to die made Qu tan'er feel desperate!

"I didn't do anything to Ye Chen. Why do you have to work hard? If I try to kill you, even if you can live, you won't have a good end!"

Qu tan'er screamed in a shrill voice.

If a fish is killed and the net is broken, it can only explode itself. Even if it is dead, the enemy will not be better off.

"You and ye Chen's affair, sin not to die. But you are the person of the temple of the underworld and the adopted daughter of Mo Xueming, so Surely you will die today

Wei Ying's five fingers pinched Jue, and there was a crack in the sky!

In the crack, a huge ice sword comes!

Pressure alone is enough to swallow everything!

In a flash, Qu tan'er was blown away with a blow, and her real body was broken. The shadow of colorful Tianhuang became more and more dim.

Qu tan'er didn't expect that her proud patron, the master of the temple of her adoptive father, could not only protect her, but also kill her today.

"Ah, ah! I don't like it!! The adoptive father will revive me, you Die with me

With a sad cry, colorful Tianhuang burst into Qu tan'er's body. Then, she set fire to the power of the road and the law, sending a final blow to Wei Ying. Wei Ying is not afraid at all, and Jiao's body also rushes straight to Qu tan'er, not dodging or dodging, but directly bumping hard.

Boom! Boom!

In this blow, the land of ten miles was shattered into nothingness, and the chaotic force gushed out of the broken space, forming a Jedi here.

The aftereffects of the two women's magical powers and the imprints left by various martial arts laws will make this place extremely dangerous.

Wei Ying's body shape appears with a faint light in her hand. There is a ghost shadow of a beautiful woman.

A flame ignites Qu tan'er's remnant soul. Wei Ying quietly looks at each other's spirits.

"When the palace of juechan emperor was destroyed, Mo Xueming could not get rid of his connections. Many of the elders and disciples of juechan emperor palace have already lost their souls, so don't try to revive."

Wei Yingmei's eyes twinkle with the flame of hatred, said indifferently.

Mo Xueming is one of the targets of her revenge.

One day, she will ask Mo Xueming to repay the blood debt.

Qu tan'er's death is just a beginning.

"Mo Xueming sent this daughter. He knew Ye Chen's identity. Even if he didn't fully confirm it, he should have already noticed The temple of the underworld, can't help it at last? "

Wei Ying's figure faded away from here, leaving the curly sound.

As if it never existed.

.....

Shenjizong, a flying boat in the mountain gate array outside the trace, attracted a number of on duty disciples and elders.

This kind of top-level thing that can travel through the space and break through the chaos can only be owned by the leader and the supreme elder in shenjizong. However, this flying boat is very strange. It should be an outsider to visit shenjizong.

The people in the boat must be very important people with extremely high status.

Ye Chen and ye Lingtian two people came out, and the boat was also collected into the reincarnation cemetery by Ye Chen.

"It's brother Ye!"

"Welcome ye back to shenjizong!"

When the disciples saw Ye Chen, they were all relieved and looked at Ye Chen with awe and worship.

Although Ye Chen is a disciple in shenjizong after all, everyone knows that ye Chen can be equal with the leader yuzhenzi.

Chapter 2827

Even if ye Chen had a word, yuzhenzi would give ye Chen the position of the leader in his hand.

Not only is the status, ye Chen's strength, in their eyes, is also unfathomable.

Several transmission jade slips lit up. Soon, the news of Ye Chen's return was known by the high-level of shenjizong.

In shenjizong, there is a rule not to break the space. Although yuzhenzi had already given Ye Chen the privilege and the rules of shenjizong were not used for yechen, ye Chen never used this "privilege".

As the saying goes, people respect me a foot, I respect people a foot. In front of his own people, ye Chen always abides by the rules and rules, treats others and things with his own rules.

Outside the main hall of shenjizong, yuzhenzi, the patriarch, went out to meet him personally. Several supreme elders also showed up and gave Ye Chen great courtesy and kindness.

"Ye Chen, you are back. We are worried about being late these days." Yu Zhenzi said with a smile to Ye Chen.

Ye Chen politely said two words. After a few greetings, people gathered around Ye Chen and went into the main hall. Lingcha was presented. Ye Chen briefly described some things he met during his trip.

About the experience of the underworld hall, ye Chen jumps over and doesn't want to cause trouble for the God Jizong.

He chose to carry some things by himself.

All of a sudden, yuzhenzi and many long-term old eyes fell on ye Lingtian's body!

Because ye Lingtian's cultivation and strength are far behind before he left!

How long has this been!

Looking at the whole kingdom of God, even if there is a moon ring vision, it is impossible to have such a fantastic speed of cultivation!

Cultivation is not important, Yu Zhenzi also found that ye Lingtian's blood is extremely incredible!

Ancient spirit pulse!

Yu Zhenzi looked strange and asked, "ye Lingtian But the younger generation who guarded the Ye family before the kingdom of God? "

As the leader of the first-class forces in the kingdom of God, yuzhenzi naturally has countless news!

Ye Lingtian's blood breath is consistent with the description in ancient jade slips!

Ye Chen has long regarded yuzhenzi as his own, and this master is willing to protect himself with his life!

For ye Lingtian's blood, there was nothing to hide. He nodded and said, "he has been recognized by his ancestors and awakened the ancient spirit."

As soon as this speech comes out, Yu Zhenzi and others are shocked and look at ye Lingtian's eyes, which adds a bit of dignity.

Although Tiandao palace has never stopped hunting for related forces and blood vessels, it is said that the wild ancient divine vein has not been cut off.

Yuzhenzi didn't believe it. Now it seems that someone has escaped the disaster?

Ye Lingtian stood there quietly, upright and upright, looking sad or unhappy. When he looked at yuzhenzi and others, he had a calm look, which made them feel a kind of imposing pressure.

This is not ye Lingtian's intention, but the divinity of blood burst out!

Even for the lonely soul, adhering to the will of our ancestors, we are born to recover the glory of Ye family and fight for the Lord of reincarnation! He has the ancient spirit vein, the status is noble, is not inferior to the human!

Yu Zhenzi at this moment, looking at ye Lingtian and ye Chen, is not any lost, but only gratified.

He knew that in the future, the story of the rise of shenjizong would be written by two people!

As a leader of the generation, having these two disciples is the glory of God Jizong!

"Ye Chen, you may have worked a little hard all the way. We won't disturb you. You can have a good rest."

Yu Zhenzi's eyes were flushed for some reason.

Ye Chen didn't refuse this time. He really gained a lot. He wanted to close down for a few days and digest the feeling of this period of time!

Soon, ye Chen went back to the villa of God Jizong and kept warm with the women for several times and chose to close down!

.....

Time flies!

Three days later!

In a secret room of shenjizong, a indifferent man suddenly opened his eyes, and his whole body exuded a strong breath, which rose from the sky!

The eyes of several people in Zong were bright, showing a trace of joy.

Ye Chen broke through again!

Cut the six layers of heaven!

Although this realm is still in the lower level in the zongmen!

But this is Ye Chen!

They know that although Ye Chen is trying to cut off the adversity, it is extremely difficult to make a breakthrough every time!

Even if the moon ring vision does not have any promotion effect on Ye Chen!

The terror of the breath, even if it is Jin tianog, Yang Chiyuan, such a chaotic environment, can not help but tremble!

Ye Chen smile, astringent breath, wrist a turn, Sha sword then appeared in the hand.

Holding the dark sword, ye Chen was able to bite his teeth gently, his whole body was shining with gold, his blood was shining, and his hands were full of blue veins. He was quite reluctant to move it!

He gazed at the evil sword in his hand, and his eyes flashed with joy!

In the past three days, Sha Jian has completely digested the soul of the slayer!

In particular, he finally digested song Ze, one of the ten evil spirits of ancient times, who was killed many days ago! You know, the evil sword can break the seal and restore its own strength by swallowing the soul!

After swallowing the souls of many powerful people, although it is still far from being fully restored to the ancient power, it has to be said that song Ze is worthy of being called one of the ten evil spirits in ancient times and the fierce ghost among the fierce ghosts!

The reason why it can hardly be eliminated is that the soul power of its noumenon is surging to an unimaginable level!

To some extent, song Ze is the best strengthening material for Sha Jian!

It is better to swallow it than to kill hundreds of strong people in chaotic environment!

After swallowing song Ze, the weight of Sha Jian was doubled!

If I don't break through to cut the six layers of heaven, I'm afraid I can't take it!

Even with Ye Chen's current strength, they can only barely move it!

However, as a weapon, it can not be more appropriate!

With his power, the increase of his martial arts skills, and so on, using this Sha sword, ye Chen's strength will be increased by one more point!

Don't underestimate this point. It's extremely difficult for ye Chen to improve a little bit!

Ye Chen said with a faint smile: "it seems that with my present strength, I can go to the first Shenguo to walk."

"Ye family It is said that it is in the first Kingdom. "

"I don't know what happened there in ancient times."

"Who has the power to destroy the Ye family?"

"Which woman can stab into the body of the reincarnation Lord with one sword?"

"Is it the people around you?"

Ye family, there are too many secrets in the first God kingdom.

He had planned to go to the first Shenguo for a long time, but the affair with Wanfa Zong was not settled. What's more, long Jingyan was so angry that she fell into a coma. If he wanted to find a way to save long Jingyan, he had to go to the dragon's house of the first Kingdom.

But

Before that, there is another place to go!

The ancient Grottoes!

Jin tianog has stressed it for countless times!

Even back to the shenjizong, still talking!

Chapter 2828

Ye Chen's eyes twinkle with excitement! Looking forward to the ancient Grottoes!

He had an inexplicable premonition that this trip to the grottoes would be a great success!

.....

The seventh God Kingdom, the center of Wanyao God capital, is a magnificent capital city. Outside the capital city, the city wall is high and the weather is strict. Countless warriors with strong evil spirit are walking back and forth on the top of the city. Here is the imperial city of Wanyao God capital, TIANYAO City!

At this time, in the sky demon city, an incomparably huge fighting field, is sending out bursts of loud noise, earth shaking, at the same time, also accompanied by countless mixed with the roar of animals cheering!

Tens of thousands of spectators will be surrounded by the arena seats are all filled, countless demon clan, face, with a very excited look!

This arena is not an ordinary arena. It has not been opened for thousands of years!

Because, this fighting field, only when the demon clan competes for the throne, will use!

The demon clan, more than the Terran, advocates strength and jungle law. The demon emperors of all ages have been on the top by challenging their predecessors!

Except for the accidental death of the contemporary demon emperor, there is almost no possibility of direct succession!

And the battle of the demon emperor will be carried out under the witness of countless people of Wanyao God!

Whenever a new demon emperor is born, the demon family of Wanyao gods will be extremely excited and even celebrate!

Because, that means that the demon clan has a stronger emperor!

Therefore, the audience on the scene, are extremely looking forward to this battle!

There are two young men standing in the arena!

He was dressed in a black robe. His face was cold and cold. He had a pair of Danfeng eyes. He held a slender sword in his hand. His whole body was full of horror. The black flame of Taoism was all around him!

This man is the contemporary demon emperor!

The contemporary demon emperor comes from the Heifeng clan, named Fengtian. He has been in power for thousands of years. In terms of Shou yuan of the demon clan, he is still very young. However, thousands of years ago, Fengtian has become the first powerful person of the demon clan!

Over the years, there is no one demon clan that can shake the majesty of Fengtian!

Unfortunately, all of this, after the moon appears jade ring, all no longer exist!

The moon appears on the jade ring, not only has a great influence on the Shenguo people, but also on the demon clan!

Even, the influence on the demon clan is far more than that of the Terran!

The whole demon God, now, has undergone earth shaking changes!

Compared with the awakening of the ancient gods of the Terran, the blood variation of the demon clan, the atavism and so on, the improvement is more obvious. The whole demon gods are in full bloom at one time, and countless talents emerge!

The demon emperor Phoenix day, although also because the moon appears jade ring, obtained the great benefit, but!

Gradually, there are still a lot of demon genius, born in the sky, vaguely above the Phoenix Sky.

Finally in today, Fengtian ushered in the first challenger!

Standing opposite Fengtian is a young man in a white robe. His skin color is even whiter than that of his robe. His golden hair is scattered. His blue eyes like gems are shining with pride.

Deep in the blue eyes of the youth, it is as impressive as the genius of the ancient god body, and the green light floats.

This young man, is a demon family genius who is stimulated by the power of the origin and returns to the ancestral lineage!

The boy's name is Bai Xie Fei!

Feng Tian looks very dignified. She suddenly drinks, and rushes into the long sword in his hand. The sword is immediately covered with a layer of black flame. His wrists move, and the sword's intention is surging. With a sword, the black flame rushes toward Baixie like a huge wave!

The roar of a phoenix resounded through the sky, and the rolling black flame turned into a huge black phoenix, emitting infinite heat, which instantly twisted the surrounding void! With the intention of Jingtian sword, dive down!

This sword is so amazing!

It's hard to believe that such a terrible sword came from a demon clan!

Fengtian, as a demon emperor with thousands of years, is not in vain!

However, such a stunning sword, but did not win the slightest applause of the audience, on the contrary, sent out bursts of boos!

Why?

Because, using martial arts is not the fighting style of demon clan!

What the demon clan advocates is to crush everything with powerful demon body and talent!

Martial arts?

It's just a trick created by weak human beings. They are proud and noble demon clan. They don't need such tricks at all!

Phoenix day demon emperor, at this time the face color, is also incomparably ugly!

If not, he would never use his martial arts!

He is a demon emperor! To suppress a challenger, you have to use martial arts? Even if you win, you won't get a good reputation, right?

After all, using martial arts is to show weakness!

That is to say, the young man with white robe in front of him has already driven him to the end! Many people even directly ridiculed: "ha ha, so fast, you are going to use this skill?"

"It seems that the Phoenix heaven demon emperor is really going to give way?"

"Return the demon emperor? What's your qualification to be a demon emperor with this kind of human skill? "

But Bai xiefei, in the face of such a terrifying sword, is not moving, a little dodge meaning, on his face, is a smile!

The next moment, a tiger roar, ring through the entire arena!

Bai Xie Fei's body, unexpectedly, is rapidly expanding and changing. It's amazing that the Demon power is booming. A pair of white wings spread out behind it. In a flash, the boy turned into a flying tiger with white body, wings on his back and blue eyes, flashing the extremely cold Flying Tiger!!!

That innumerable demon clan saw this, and cheered one, for a time, that huge cheering sound, resounded through the whole demon God!

Bai xiefei, turn into noumenon to fight!

This is what they want to see!

Many people began to cheer for Bai Xie Fei!

The huge white tiger, with its wings outspread, flew towards the black flaming Phoenix without hesitation. The terrifying claws of the tiger were aimed at the head of the Phoenix. The huge force smashed the void in an instant, and the violent wind pressure swept around!

The tiger roared to the sky, the cold light of claw awn, frozen into the heart, roared with a loud noise, and the claw of the white Flying Tiger severely hit the head of the black phoenix!

The powerful aftershocks are pounding the whole world. On the protective light screen of the fighting arena, there are cracks, flames rolling, and the earth turns into a dark color. The audience, which was originally extremely noisy, is dead at this time!

Just this fight, a wisp of prestige leaked through the protective light curtain, made them tremble and burst into thinking, as if falling into the abyss of death!

It's horrible!

After a few breaths, the demons came back to their senses and looked at the fighting field. Their eyes shrunk fiercely!

Chapter 2829

At this time, a huge white flying tiger, tiger eyes, is full of proud color, under the huge tiger claw, treading on a phoenix full of black feathers!

This black phoenix was originally supposed to be a high-level demon clan with incomparable supernatural power. But at this time, how could there be a half supernatural and majestic appearance?

For thousands of years, the Phoenix emperor, who once created countless legends, is just like a black chicken to be slaughtered. His breath is weak, his body is scarred, and his feathers have lost luster. He is seriously injured and dying. Under the tiger's paw, he has no resistance!

That white tiger, sends out a tiger roar, just will innumerable demon clan, wake up from the shock!

What followed was that the clouds at the end of the sky were all shaken out and cheered like a tsunami!

The new demon emperor is born!

Or a former generation of demon emperor easily crush, incomparably terrible big demon!

They demon clan, will rise again!

At this time, however, the white tiger looked down at the Phoenix Sky at his feet with great disdain and sneered: "hum, using human's martial arts skills, is there only this level of strength? Such waste, also deserve to be a demon emperor? Compared with my master, it's just one day

In the fighting field, there was silence again!

Bai Xie Fei, what are you talking about?

Master?

Innumerable demon clans, as if they were suddenly struck by lightning, were so frightening that their souls would dissipate!

Like Bai xiefei's strength is so terrible, almost beyond their imagination, and extremely proud of the demon clan, actually willing to bow to others?

And it looks like, even a trace of dissatisfied appearance, have no ah!

How terrible is the master in his mouth?

Even if it's the legendary demon God, it's just so?

At this time, the man dressed in the jade robe, however, appeared in the scene of the fight!

When countless demon clans saw this man, they all felt that the whole blood was coagulating. The heart stopped beating, and the muscles all over the body trembled involuntarily!

This feeling, they are very familiar with!

This, this is the pressure of blood!

However, the blood pressure, is generally extremely strong blood demon clan, when releasing breath, only then can appear right!

But this young man, just standing there, even his face, was extremely calm, without any change. Unexpectedly, this countless demon clans had a sense of fear!

Originally, Bai Xie Fei, who was still full of arrogant color, at this time, he was transformed into a human figure, and saluted the young man respectfully: "master."

He is the master of Bai Xie Fei!

Only rely on a subordinate, will the demon emperor Phoenix Sky crush the strong!

The man that pair of blue vertical eyes, lightly swept a group of demon clan, mouth way: "my name is green emperor."

"I am the ancient demon emperor. Now I wake up and ascend the throne again. From now on, we will become the real masters of the seventh kingdom of gods."

"Not even afraid of the damned heaven's way palace!"

What did he say?

Ancient demon emperor?

The green emperor is the ancient demon emperor!!!

The minds of the demons have been completely unable to work. Today's shock is too much, even with the powerful nerves of the demon clan, they can't bear

What's more, what the Qing emperor said was to become the master of the kingdom of God

The green emperor said: "we have allowed those weak and low-level human beings to act recklessly in the seventh God kingdom for too long. Now, the disaster of extermination is coming, and these mole ants can't resist this disaster on their own.

Since the emperor returned to the throne, he naturally took on the responsibility of saving the demon clan. The first step is to completely conquer these weak human beings!

Perhaps, they become a disaster, our demon clan used cannon fodder, dead, still can have some value

"Seven days later, I will hold a grand ceremony to ascend the throne in dijueshan. At that time, I will invite all the first-class forces of the seventh kingdom of gods to come to attend!"

"On dijue mountain, the emperor will trample any strong man of the Terran under his feet and let them know that in front of our demon clan, they have the right to survive only if they submit themselves!"

That innumerable demon clan hears speech, instantaneous, blood boils, excited to spirit all want to burn ah!!!

Demon clan, the most important thing is blood, and human beings, in their eyes, is just a kind of creature with extremely low blood!

It's the bottom of the bottom!

If compared with the average strength of individuals, the demon clan is much higher than the Terran!

Why do these creatures occupy more land than them in the kingdom of God?

Why should we be equal with these noble demons?

Aren't these human beings just worthy of being their slaves? So, demon clan, always look down on human beings! In their hearts, they all have the idea of conquering the Terran and coming to the kingdom of God!

However, it has been unable to achieve

Because they have a nightmare in their hearts!

That is the old reincarnation Lord!

Reincarnation of the Lord for mankind, is to suppress all demon clan!

Even if the reincarnation master falls down, the demon emperors of all ages dare not make the second!

But now, everything has changed!

Although the individual strength of the demon clan is far more than that of the Terran, it is much more difficult for the demon clan to breed offspring than the Terran. Generally speaking, the growth process of the demon clan is relatively slow, and the number of the demon clan is far less than that of the Terran.

Besides, for most of the demons, there is no difference in tactics, tactics, and tactics to crush the demons.

Therefore, if a great war breaks out between the two clans, it is still difficult to say who will win and who will lose.

Over the years, the two clans in the kingdom of God have basically maintained a certain balance. Although the demon clan still looks down on the Terran, it has to admit that the brains of these lower creatures are really very useful. The houses built by the Terrans, the weapons forged and the pills refined are far beyond the original level of the demon clan. The exchange of materials between the two clans has brought benefits to both sides Benefit.

But!

All demon clans have primitive wildness in their bones!

What they yearn for is not common prosperity and harmonious development, but plunder, aggression and enslavement of the weak!

This is the nature of the demon clan!

The heroic words of the Qing emperor completely awakened the nature of these demon clans. The whole demon gods all fell into a kind of passionate atmosphere!

This is the Emperor they want to have!

A king who can lead them and release their nature!

They can't wait, can't wait to see seven days later, on the ceremony of the demon emperor's accession to the throne, human beings bow down to the throne!

Chapter 2830

The Qing emperor saw this and laughed.

Sure enough, the demon clan is always the demon clan. Even though today's demon clan has weakened a lot compared with tens of millions of years ago, the savageness and ferocity from the depths of the soul has never changed!

In his green eyes, the essence flashed!

Human beings are just a group of scoundrel ants who are good at using intrigues and tricks. Can any plot and any trick still be useful in front of absolute power? It's all crushed!

Only they demon clan should be the real master of the world!

He glanced at Bai xiefei and said, "is there any amazing talent in the seventh kingdom of gods? Is it clear?"

"Oh, by the way, except for two people, Xuan Yuan Mo Xie and Mo Xueming."

Bai xiefei nodded his head and said, "it's clear that there are many powerful gods in the kingdom of God. But recently, there is a talented man who has astonished the whole seventh kingdom. This person, named Ye Chen, seems to be very young, but in his twenties, he comes from the first-class door God Jizong of the human race."

He said, floating on his face a trace of scorn from the heart and said, "I heard that this man is just a soldier who cuts the enemy's border, but he has the super strength of leaping over the level to fight? Hehe, it is estimated that only those waste human beings can fight beyond the level? "

.....

Shenjizong.

Inside the main hall, the figures are graceful.

Although the clothes they wear are different, they all exude a strong breath!

What's more, every action has the prestige of staying in the top position for a long time!

These people are all the masters of the first-class sects in the kingdom of God!

At this time, the air of the whole hall was extremely heavy. The strong men at the peak of the kingdom of God were without exception. Everyone's face was extremely grim!

Huo Quan, the head of the crazy bone sect, looked at Shen Jinkun, the leader of the Shenmeng League, and said, "brother Shen, if you say that this time the green emperor and the demon emperor ascend the throne, we should not only participate in it, but also bring all our disciples with us?"

Shen Jinkun sighed and nodded: "it seems that the new demon emperor is going to break the balance between our two clans."

The head of SHAOHAO's family snorted coldly: "hum, at present, these stupid demon clans are even provoking internal fights!"

"Otherwise, we will fight with these damned demons! It's too risky for all the first-class forces to go to their territory! "

Another man shook his head and said, "if we don't take part in the ceremony, we will fight directly with the character of demon clan Besides, we don't have no chance at all, do we? "

After all, everyone is looking at yuzhenzi!

The person that the green emperor demon emperor wants to challenge is Ye Chen. If the Terran wants to be safe and sound this time, you can only see ye Chen's performance!

Otherwise, they will be the first to be destroyed.

Jade true son light vomit a breath, coagulate heavy way: "at present, we only believe Ye Chen is good."

Everyone hears the speech, is the spirit to shake!

If we say that the green emperor is the emperor of the demon clan, ye Chen is the pride of the human race!

Today's young people are worthy of being strong!

A rising legend!

Now, they have no other feelings for ye Chen, except respect!

If, the gap between two people is 10, maybe you want to catch up with and surpass, but what if the gap between two people is 100000?

Then, we can only worship!

It is said that the demon emperor Qing emperor is a very powerful ancient demon clan. With only one subordinate, he completely crushed the former demon emperor Fengtian!

It's hard to imagine the terror of strength. It's hard to even mention the idea of resistance

However, with Ye Chen, everything is different!

It can be said that all the people present have absolute confidence in Ye Chen!

Otherwise, those in charge of the first-class forces will not even consider going to dijueshan!

At this time, a figure appeared at the entrance of the main hall. A man's voice, which was slightly indifferent, sounded in the ears of all.

"Master, do you want me?"

When they heard the speech, they all looked at the man with a look of joy!

Ye Chen looked at the powerful people of the same class, slightly stunned, how could it be so grand?

Yu Zhenzi said with some solemnity: "Ye Chen, after seven days, the new demon emperor Qingdi will fight with you on the grand ceremony of his accession to the throne..."

After listening to people's explanation, ye Chen looks strange and smiles. He really wants to do what he wants!

He was thinking about how to enter the city. After all, the people in the city are extremely exclusive. If they break through, they will not only expose the traces, but also, with the character of the demon clan, it will easily lead to war between the two clans.

Originally, he was going to ask God Alliance for help and let him get into the city of demons and gods. But now, there is such a good opportunity to send him to the door?What's more, this place is just on Mount dijue!

This is a chance from heaven!

Ye Chen said faintly to everyone: "since so, then fight, I am also very curious, what kind of strength is this so-called ancient demon emperor?"

People heard the speech, eyes, all revealed a strong joy!

They look at Ye Chen, heart all gush out a kind of inexplicable confidence.

As long as ye Chen is still alive, the Terran will not fall down!

.....

Seven days later.

In a certain sea area of Wanyao God, a towering mountain, straight into the sky!

From a distance, it looks like a high tower. It is extremely precipitous and imposing!

Here is mount dijueshan!

At this time, in the past few people to visit the dijueshan, it was the sound of people, and from time to time, there were bursts of animal roar!

Countless monsters, who either turn into human form or reveal their original body, walk in the mountains and look at their appearance, and they are extremely excited!

Suddenly, the sky is dark, a very huge, almost will cover the whole sky, from the sky!

In the twinkling of an eye, they reached the sky of the emperor Jue mountain!

Thousands of figures fell from the boat like rain. These people are the disciples of the first-class sect of the kingdom of God!

Those monsters look at each other, eyes, are filled with a thick bloodthirsty, ferocious meaning!

These humble human beings, finally come!

On the flying boat, ye Chen looks down at many demon families, but her eyes are shocked.

Seventh, he knows about the demons.

But there are so many demon clans?

And under the moon ring vision, the strength seems not weaker than the Terran!

It's kind of interesting!

It seems that the peace that has lasted for a thousand years will be broken again.

When ye Chen pondered, a vibration came from the samsara cemetery!

This vibration is not from the tombstone!

It's from Xiao Huang!

At the moment, the red and blue smell of Xiao Huang's whole body has condensed into a strange shape!

"Master Next There seems to be a source of my blood below... "

"Something seems to attract me!"

Ye Chen Mou son one Zheng, he thought of what!

Xiaohuang is also a demon clan to some extent!

Is there any secret that belongs to Xiaohuang under the ground!!
