

## Physician 2841

### Chapter 2841

Ye Chen's strength has smashed the pride of the demons.

Ye Chen put down the Qing emperor and looked down at the demons kneeling down. After a moment of silence, he said faintly, "from now on, the two clans of human and demon will be equal to each other."

Ye Chen knows that the disaster of extermination is coming. Only when the two clans work together can they survive the disaster. If any one clan, with arrogant attitude, treats other people as slaves and cannon fodder, it will be their own who will be attacked in the end!

That many demon clan smell speech a Leng, immediately, in the eye is to appear the color of disbelief!

Equal to each other?

Ye Chen, even gave them equal rights!

You know, they want to conquer mankind!

Ye Chen, return good for evil!

Countless demon clans, in the eyes, are gushing out tears, this time, they really took, from the heart to accept!

Ye Chen, the first strong man of Terran, is also the emperor of their demon clan forever!

.....

In the dark deep sea, a strange figure hides in the dark deep.

"Bang!"

The figure suddenly smashed his mouth with a pair of deep purple eyes and opened: "the Qing emperor was defeated? Well, if I had known that, I should not have untied his seal. "

Suddenly, he sent out a sneer and said: "ha ha, ye Chen, it seems that I underestimated you, but soon, I will give you a big gift."

As soon as the voice fell, the purple eyes closed slowly, and the strange figure was completely integrated into the darkness of the deep sea, as if it were the darkness itself.

The bottom of the sea is silent again.

.....

In the first battle of dijueshan, it was completely calm.

Shenjizong went back with many people.

And the demon clan of the seventh kingdom still guards here.

Although Ye Chen tells the people that the two peoples are peaceful.

But these demon clans of the seventh kingdom have quietly believed ye Chen as their king!

After all, the demon clan is a nation advocating force.

In their opinion, ye Chen has this qualification.

Of course, some people have doubts about how a young man in his mid twenties can shake the green emperor in the half step of heaven and God!

And, at the beginning, ye Chen lost completely!

The injury is extremely serious!

Why suddenly burst out!

It doesn't seem to belong to his power!

Of course, these doubts will eventually become the mystery of the seventh kingdom demon clan!

.....

At the same time, ye Chen did not leave. He just said to yuzhenzi and others that he wanted to see the scenery here.

Although Yu Zhenzi was suspicious, he did not ask much.

At this time, ye Chen has come to a cave before.

The cave is surrounded by a thick vegetation.

It's extremely hard to find.

And ye Chen is not a person to come here, his side also has Xiao Huang.

Are you sure this is Xiaohuang Ye Chen was surprised.

Xiao Huang nods, the red and blue eyes are more and more strange.

"I'm sure. Let's go in and have a look."

"Good."

Ye Chen didn't want to talk nonsense. He sacrificed his sword and cut it directly. The vegetation covered by it cut a trace.

"Well?"

Ye Chen Mou son is dignified, his strength just now is enough to open a huge hole!

But it's only a little bit broken!

It looks like this place is really weird.

Ye Chen's five fingers grip, Sha sword clenched, one sword after another!

Until the 37th sword, it broke everything!

What's more, ye Chen also found that the vegetation was extremely strange and did not look like the vegetation of the kingdom of God.

"Let's go, Xiao Huang."

Ye Chen looks at the dark cave and steps into it directly!

Darkness!

Ye Chen and Xiao Huang find that there is a full thousand steps!

But this step is not up, but to the bottom!

Even if ye Chen uses the extremely powerful God to flash, he can only arrive quickly and step by step!

There seems to be some kind of restraint.

It took half an hour.

Ye Chen and Xiao Huang arrive at the bottom of the ground.

To Ye Chen's surprise, the ground is extremely vast!

The most striking is a stone pillar in the center!

Around the stone pillars are statues of ten kinds of monsters.

There are green dragon, Xuanwu, white tiger, Phoenix, and many rare animal statues.

"Master, these statues are the core of the array."

"There is something in that pillar."

The next moment, small yellow eyes coagulate move, unexpectedly hard toward the stone pillar!

When Xiao Huang was close to the stone pillar, ten statues even flickered with flames! These flames are no less than divine fire!

"Are you here at last?"

Suddenly, there was a sound in the silent underground!

This voice, ye Chen is very familiar with!

It's Xiao Ling!

"Elder, is that you?" Ye Chen Dao.

The next moment, the ten flames separated a trace and rushed to the stone pillar! It's converging into a human shape.

Xiaoling is one of the great powers of reincarnation cemetery!

Ye Chen quickly arched his hand: "Ye Chen has seen the elder! If it had not been for your help, I would have fallen under the heavenly way palace

Xiao Ling mouth appeared a radian: "your life which has so easy to fall, everything is cause and effect."

With that, Xiao Ling came to Xiao Huang's body and stretched out her hand to touch her.

And Xiaohuang obviously enjoys it.

"It's grown up with you."

"It only makes sense to follow you."

A faint voice came out.

Ye Chen hesitated for a few seconds and said, "master, do you know we will meet here?"

Xiao Ling nodded: "from the very beginning, when I used part of my strength to Xiao Huang in Kunlun Xu, I knew that we would meet here."

Ye Chen was stunned and felt some goose bumps on his back.

It's like a pair of big hands pushing themselves!

Who are these big hands?

The maker of the samsara cemetery? Or the Lord of reincarnation?

Xiao lingsong opened the hand of stroking Xiaohuang, turned his back and came to the stone pillar:  
"boy, do you know the power source of Xiaohuang?"

Ye Chen nodded: "of course you know, the ancient lion demon God of war."

Xiao Ling turned around: "this answer is right and wrong."

"The ancient lion demon war god is just the name given to it by the warrior of the kingdom of God."

"What's more, it's not the general ancient lion demon war god In a sense, it is the ancestor of ancient lion demon and war god

"The ancient gods of lion, devil and war recorded in the kingdom of God and the land of Lingwu are not pure, but contain impurities Do you understand? "

"What I gave Xiao Huang in Kunlun is not ordinary, but the beginning of blood."

"And Xiao Huang has another name outside the territory."

Ye Chen looked at Xiao Huang and said, "what?"

Xiao Ling looked at Xiao Huang, and her voice dropped slowly: "it is known as one of the Archaean relic species in the world and in the upper world. People call him double pupil nightmare."

Ye Chen is stunned!

Xiao Huang is also in a daze!

Red and blue pupils twinkle with strange light!

It's like a picture of Tai Chi!

This moment, it seems to have a belonging!

Chapter 2842

"Boy, what do you think is the best thing about it?"

Xiao Ling looks at Xiao Huang and asks Ye Chen.

Ye Chen shakes his head. Xiao Huang, after breaking the shell, seems to be swallowing the array.

He's not sure now.

Even though that the broken shell of Xiaohuang, will be very strong, but in fact or some gap with the heart.

"Formation?"

CHEN Ye is not sure.

Xiao Ling laughed and said, "Ye Chen, you still don't understand what the Archean heritage represents."

"The swallowing array is just a subsidiary of double pupil nightmare."

"Double pupil nightmare, the most terrible is double pupil! Its double pupil can directly attack any soul and body! It's the nightmare of countless demons and warriors! "

"It's a pity that there should have been three drops at the beginning of the blood vessel, while Xiao Huang only had one drop."

"If you find the remaining two drops, you can activate Xiao Huang's double pupil nightmare."

Ye Chen has some doubts: "that elder, are you the noumenon of double pupil nightmare?"

Xiao Ling shook her head: "originally I wanted to hide you, but tens of thousands of years ago, you told me that if your next life arrived here, you could tell everything."

Ye Chen's pupil is enlarged!

Is Xiaohuang's change not from Xiao Ling, but from the reincarnation Lord!

Xiao Ling continued: "in fact, my presence in the samsara cemetery is of special significance. It is the arrangement of burying the Lord of reincarnation at the critical moment. Like me, there are still a few. "

"The whole samsara cemetery needs these people."

"As for the reason, I only know part of it. You were so powerful in the last life And layout capability, far beyond everything. "

Ye Chen calmed down and went on: "in the last life, I also explained what."

Xiao Ling looked at the stone pillar and continued: "there is one more thing."

"Don't investigate the cause of your fall until you don't have enough strength."

Ye Chen Mou son surging anger: "I already know the reason, a woman, a sword, right?"

This time, it was Xiao Ling's turn to be surprised. He hesitated for a few seconds and continued: "this woman's identity is somewhat special."

"At least, you don't have access to this person right now."

"As for her strength You'd better not know. "

"Not only did you die under that man's sword."

"Even Qu Chenyan died because of her..."

"But I think you should have expected this in your last life."

"It's just, why do you still do it, I don't understand."

"Well, you'll find out later."

"I'm a little curious. How would that look if I saw you in this life..."

Ye Chen originally wanted to continue to ask what, but Xiao Ling waved to Ye Chen and said, "you can't say more."

"It's not good for you."

"Leave double pupil nightmare, you leave."

"In the last life, the double pupil nightmare was also by your side in the last moment of life."

"I hope it will have a good home in this life."

"These ten fires are part of the original power of Shuangtong nightmare, which can restore it to some state."

"As for the return to the peak state of double pupil nightmare, I am afraid we have to find the beginning of the remaining two drops of blood."

Ye Chen mou son a congealing: "do you know where the beginning of the remaining two drops of blood is?"

Xiao Ling did not answer, an invisible force pushed Ye Chen away!

Ye Chen has come out!

"One should be in the first Kingdom or beyond, and the other may be in the hands of the woman. I'm not sure."

"You go. When Xiaohuang has absorbed the power of these ten kinds of fire, she will come to you."

Ye Chen digested the voice in his mind, and then he went to the direction of God Jizong!

He still has a little hurt and the first World War sense. He must go back to digest and recover quickly!

.....

Three days later.

Shenjizong.

Ye Chen, in the chamber of secrets, slowly opened his eyes, his eyes full of light.

A smile appeared on his face. The wound caused by the first battle with the Qing emperor has now been completely recovered.

He suddenly raised his hand and an ice coffin appeared in front of him.

He returned to Jisha country not long ago.

And lying in the ice coffin is long Jingyan.

Ye Chen stares at long Jingyan's beautiful face. He can't help but recall all kinds of things when they met and raises a smile at the corner of his mouth.

He still remembers that when they first met each other, they killed each other in life and death. In an accident, they smashed long Jingyan's clothes into pieces with one punch. They were very happy to see

He suddenly stood up and said in a deep voice to the woman in the sarcophagus: "long Jingyan, no matter what you did to save me, I Ye Chen will make you open your eyes!" Also at this time, a escape light, into the God Jizong, ye Chen spirit moved, sensing the familiar breath.

With a smile on his face and a wave of his hand, he put the ice coffin away. His figure flashed and disappeared from the chamber of secrets.

Tu Lanxin, finally back!

When they went to dijueshan, Tu Lanxin happened to attend the meetings of the great gods.

To save long Jingyan, you have to enter the first Kingdom and find the dragon family!

Even ye Chen doesn't know the way to enter the first divine kingdom. However, Tu Lanxin, as the guardian, should be clear about it.

Ye Chen appears in front of Tu Lanxin with a flash of body shape. However, he sees Tu Lanxin's expression, but his eyebrows are frowned.

At this time, Tu Lan Xin's pretty face is full of deep color!

What's the matter, Tu ziye

Tu Lanxin saw Ye Chen. A glimmer of joy flashed in his beautiful eyes and said, "Ye Chen, I was just about to find you. We got a bad news at the Shenguo Conference After the investigation of the guardians of the major deities, each kingdom has signs of being invaded by demons!

The most important thing is that this demon does not come from the outside world, but from our seventh kingdom

"What?" Ye Chen's pupil shrinks. Did the ghost invade other gods?

Tu Lanxin continued: "according to our investigation, this demon should be among the first gods now. Therefore, the first kingdom invites the most powerful people of each kingdom to go to the first Kingdom and jointly exterminate the invading demons!"

A demon who has mastered the method of shuttling between different deities is definitely the seven kingdoms, the common enemy!

First of all, the kingdom of God requires all the gods to work together.

Ye Chen is a bright eye, so that he just has the opportunity to enter the first God kingdom!

But he was thinking, what about Xiaohuang in dijueshan?

If it finished refining ten kindling, will it come to find itself?

.....

Three days later, ye Chen and Tu Lanxin arrived on a very remote island. According to Tu Lanxin, to enter other divine countries, one must first go to a transit station under the control of the alliance of gods. This island is the entrance of the transit station.

At this time, Tu Lanxin's green light flashed all over his body and made a green light towards a stone tablet in front of him.

Chapter 2843

The green light flickers, on the stone tablet, countless inscriptions shine, a space crack, opened in front of two people!

Ye Chen and Tu Lanxin look at each other, and they move into the crack.

Soon, ye Chen came to a strange land, which looked quite deserted. At this time, a young man in black and white robes and with a smile was standing in front of them.

The young man obviously knew Tu Lan Xin. Seeing Tu Lan Xin and ye Chen appear, he said with a smile, "Tu Xianzi, is this the young master ye?"

Tu Lanxin nodded and introduced to Ye Chen: "Ye Chen, this is the emissary of the first Shenguo Shenmeng, named song and Jinyi."

Among the seven God States, the alliance of gods has penetrated into them.

But in theory, the seven kingdoms are actually in charge of the heavenly palace.

However, the kingdom of heaven seldom interferes in the affairs of the first Kingdom.

It may be because of ancient things, or because Xuanyuan Mo Xie was afraid of the first God kingdom where ye's family once lived.

Ye Chen arched his hand at Song Jinyi.

At this time, ye Chen's face moved, and faintly, a kind of power of spirit swept over Ye Chen. If he had not possessed the body of reading demons, the spirit was extremely powerful and could not be found at all.

He looked at Song Jinyi. It seemed that the reason why the Shenmeng arranged for song Jinyi to receive him here was to prevent people from mixing into the first Kingdom. Although this young man named

song Jinyi was only a middle-term cultivation in the chaotic state, his spirit strength was not under the top of the seventh Shenguo!

It seems that the martial arts of the first Kingdom are really extraordinary!

Song Jinyi was slightly surprised, but soon calmed down. He stretched out his hand behind him and said, "two, please follow me."

The three of them went all the way. Soon, they came to a huge arch. Inside the arch, there was a golden whirlpool, emitting a strong force of space!

Ye Chen's eyes brightened, and the arch must be the entrance of the first Kingdom.

At this time, song Jinyi took out two jade cards with gold runes and gave them to Ye Chen and Tu Lan Xin: "you two, we are very grateful to help our first Kingdom to kill demons. These two jade cards are the keepsakes of our God alliance. We are trying our best to find the trace of the devil that day. Once we find out, we will inform you through this jade plate.

Through this arch, the two will directly enter the headquarters of Shenmeng. The person in the headquarters will tell you that when there is nothing wrong, you can freely explore and move in the first God's country. The jade card is universal in Tiansuan Pavilion and all major chambers of Commerce. You can use it at will if you need it. "

Tu Lan Xin and ye Chen arched at Song Jinyi and said, "thank you very much."

After that, they stepped into the golden arch.

After a whirl of the earth, the noise was heard in his ears, and ye Chen's look was moving. At this time, they were standing in an array. Around them, there were several people with strong breath. Those in black and white robes were the warriors of the first divine kingdom.

An old man came forward and said with a smile, "it's the butcher fairy and ye Gongzi of the seventh kingdom. Here is the headquarters of our alliance in the first Kingdom, which is located in Shengyuan city of the first Kingdom. I have arranged accommodation for you. Please come with me."

After they entered a very beautiful courtyard, ye Chen said to Tu Lanxin:

"Lanxin, I have something to deal with in the first Kingdom. Please deal with the task arranged by the alliance first." After all, before finding the ghost, they were just trivial tasks, and he could not waste time on it if he wanted to rescue long Jingyan as soon as possible.

Tu Lanxin nodded his head and said, "I see. However, the martial arts of the first Kingdom are far stronger than those of the seventh kingdom. Even if you are in danger, be careful!"

Ye Chen smiles slightly, nods, figure a flash, then leaves from the courtyard.

Seven days later, Tianhui City, the first God kingdom.

A cool looking man walks on the street. According to the information he got in tiansuange, this is where the dragon family is.

There are many dragon families in the first Kingdom. However, this is the only one related to the power of sealing evil spirits.

However, to Ye Chen's surprise, the dragon family of Tianhui city is not a first-class force in the first divine kingdom. In Tianhui City, it can only be regarded as a small family.

When ye Chen passes by a restaurant, suddenly, his face moves. At this time, there is a noise coming out of this restaurant.

Ye Chen's body moved and entered the second floor of the restaurant.

Just entering the second floor, a burst of laughter reached his ears.

At this time, a young man slightly lowered his head and stood in front of several young men in brocade robes. He was extremely nervous and could not help shaking.

Among those young men in brocade robes, the only one with a handsome face and elegant temperament was sitting in a chair. At this time, he looked at the young man in front of him, and his face was full of ferocity "Boy, didn't you tell me that you gave me all the sacred stones? Why, do you still have money to eat in this restaurant? So you lied to me? "

The young man's shoulder trembled and quickly explained: "it's not like this, Mr. Wu, it's It's a member of my family who told me to come out and buy some food and wine. I've really given you all the martial arts training resources allocated by my family this month... "

Standing next to Mr. Wu, a short fat man could not help laughing and said, "ha ha ha ha, Long Xiao, are you also a descendant of the dragon family? Unexpectedly, I was sent out to buy food and wine, and do such things as servants do? "

Another horsefaced man played with the jade pendant on his hand and said, "however, this is in line with the strength of this boy. After all, he is a waste!"

The crowd was laughing again.

When you are sitting on the chair of cold dragon, how do you want to compensate for the young man's appetite

Some diners around the second floor all shook their heads and looked at Longxiao with pity.

One of the young men in the blue robe sighed: "Alas, it's really bad luck for Longxiao. I'm afraid that the second young master of Wu's family will kill him alive."

At this time, behind the blue robed youth, a man's voice rang out: "brother, what's going on here? Can you tell me something about it?"

The blue robed man turned back and saw behind him a rather indifferent young man, it was Ye Chen.

Chapter 2844

The blue robed man looked at Ye Chen for a while and said, "you are not a local. The young man with a cup of wine, named Wu Liuyuan, is the second son of the Wu family in the first family of Tianhui city. Since childhood, he has a high level of martial arts cultivation. Relying on the family power, he is quite domineering in Tianhui city."

"And that young man is a descendant of the dragon family. His name is Longxiao. It's a pity to talk about Longxiao."

"What a pity?" Ye Chen's eyes flashed slightly: "what a pity?"

The blue robed youth said: "Longxiao, originally was the first genius of our Tianhui city! There are even rumors that he was admired by the xuanjianzong, who was the favorite son of Tianhui city since he was a child, and he has steadily stabilized the pressure of Wu Liuyuan.

Unfortunately, there was an accident in the course of his practice. Longxiao's accomplishments could not be increased any more. From then on, he became a waste material! "

"The xuanjianzong gave up on him completely. Even the dragon family regarded him as a servant. Wu Liuyuan had been oppressed by Longxiao all the time, and his heart was extremely jealous of him. Now Longxiao has become a waste and has lost the protection of xuanjianzong.

Wu Liuyuan started to retaliate against Longxiao with no scruples. Even though Longxiao tolerated everything, Wu Liuyuan became more and more fierce. "

Ye Chen nodded and looked at the Dragon Xiao. The young man had a delicate appearance. He was vaguely similar to long Jingyan. The most important thing was, his breath!

This youth named Longxiao seems to have the body of fengsha as well!

At this time, Wu Liuyuan suddenly gave a smile and poured the wine in his glass under his feet. He pretended to be surprised and said, "Oh, I spilled it carelessly, Longxiao. If you lick up the wine on the ground and there is not a drop left, I will forgive you for disturbing me to drink wine today, how about it?"

When the diners on the second floor heard the words, their looks changed.

Wu Liuyuan is too much

Longxiao, at least it was the first day of Tianhui city. He even asked him to lick the wine on the ground?

Is that what only dogs do?

If Longxiao really does, let alone the dignity of a warrior. Even the dignity of a human being will be lost!

Long Xiao's delicate face, full of pale color, cold sweat DC, pupil can not focus, eyes, full of fear!

Now, what to do?

If Wu Liuyuan is really fighting against himself, even if he is killed, no one will ask about it?

Do you really want to give up your dignity?

Longxiao hung his head, clenched his fist, and his nails were embedded in his palm!

The stout man snapped, "punk, are you deaf? Mr. Wu gives you a chance to lick up the wine. Don't you know how to cherish it

The horse faced man also said with a grim smile: "childe Wu, if this boy doesn't know what to do, why don't you let me break his limbs first and teach him a lesson?"

Wu Liuyuan looked at Longxiao with interest, and a flash of joy flashed in his eyes. He sneered and said, "ha ha, maybe this is the pride of once genius, right? Are scared to shiver all over, still not willing to lick? My childe's patience is limited. Chen Biao is careless. If I count to three, the boy will cut off his arm if he hasn't licked the wine on the ground! "

Long Xiao, don't you always step on my childe's head? When you are in the scenery, do you think you will have today?

The horse faced man and the short and fat young man laughed bitterly when they heard the speech. Their wrists turned over and each held a long sword!

On hearing this, Longxiao suddenly raised his head, glared at Wu Liuyuan with fierce eyes, and said angrily, "Wu Liuyuan, you are nothing but a waste that I stepped on and grew up under. Now you think that I have lost my talent and will take revenge?

Ha ha, you'd better kill me now! I tell you, as long as I don't die, I will be able to recover my talent one day. At that time, I will give you back the humiliation I have suffered today

On the second floor of the restaurant, there was a sudden silence!

Since then, it seems that Xiao Long's face has been destroyed by Xiao Long!

Also directly, insult Wu Liuyuan?

Although people admire the pride of Longxiao, they can't help sighing in their hearts

Pride, is pride, but the pride of this moment, but to let Longxiao, pay the price of life!

Wu Liuyuan hears the speech, the face appears the color of rage! All body spirit power surging, in the edge of explosion!

He is Wu Liuyuan. Now he is the first genius of Tianhui city! In front of so many people, I was bitten by this stray dog!

Moreover, he also mentioned the most taboo thing in his heart!

How can he bear it!

In his eyes, flashed the color of incomparable resentment and said in a cold voice: "killed you? A cheap dog has offended me. Do you think you can atone with your dog's life?"

Don't worry, Long Xiao. I will never let you die so easily! After that, Wu Liuyuan's breath soared to the sky, and the careless and Chen Biao standing beside him changed their faces and even stepped back!

Only Wu Liuyuan burst out of the breath, they can not bear!

It seems that Wu Liuyuan is very young. Under the vision of the moon ring, Wu Liuyuan is already a half step chaotic warrior!

Under the impact of that breath, Longxiao suddenly spits out a mouthful of blood and goes back crazily.

Wu Liuyuan sneered and laughed. His fist burst out and his spirit roared. He hit Longxiao with a hard blow!

One punch, all the people in the restaurant are scared!

This fist, contains the strength, must surpass the realm acme! Terror to the mind burst!

Long Xiao is just a martial artist who cuts off the bad situation. If this blow is hit, even if he doesn't die, his whole skeleton will be broken, right?

What's more, listening to Wu Liuyuan's meaning, abolishing Longxiao is just the beginning!

After that, I'm afraid there will be cruel to unimaginable torture, waiting for Longxiao?

At this time, Long Xiao, let alone Dodge, was stiff and unable to move under the power of the fist!

And at this time, a figure, suddenly flash, block in front of Longxiao body.

This man is Ye Chen!

Just as the punch was about to hit long Xiao, a figure suddenly flashed and blocked between them!

Wu Liuyuan's face changed. What's the matter with this man? Do you want to die?

As his eyes sank, he suddenly flashed a shred of fierce color. He had already seen the man in front of him. He was just a man who cut the enemy's territory!

Since, you suddenly run out to look for death, then, my childe will do you well!

Wu Liuyuan not only did not have the slightest intention of closing his fist, but also turned his spirit, which made his fist more intense. He hit Ye Chen hard!

The people on the second floor of the restaurant were shocked!

Is this kid crazy?

Do you want to stand out for Longxiao?

Even if you want to help others, you should also consider whether you have the strength!

How dare one stop Wu Liuyuan?

.....

.....

At the same time.

The seventh kingdom, the Naran family.

Once the Naran family was just a small family of the seventh kingdom!

But at the moment, it has become the second-class power of the kingdom of God!

Just because there is a talented girl named Ji Siqing!

Ji Siqing was brought here by Xia Lingqiu and became a servant girl in the family!

Be left out!

But gold always shines!

Ji Siqing's amazing talent has conquered everyone step by step!

Even the patriarch of Nalan family made her qualified to participate in the trials!

This is the day of Ji Siqing!

At the moment, Ji Siqing and Qu Xueyong stand outside the door of Nalan family, but they do not enter.

Qu Xueyong had some doubts: "Laozu, what are you doing here? If I have to deal with it, I can send someone to do it myself! "

"Now, let's go to the first Kingdom of God to find out about it."

Ji Siqing could not see his expression under the veil, and said lightly: "no hurry. Before I go to the first Kingdom of God, I have some grudges to deal with."

What did Qu Xueyong think of and asked, "is that Xia Lingqiu who brought you here?"

Keith counted and nodded.

Qu Xueyong's face became more and more strange: "now you can kill this person with an idea. What's more, this kind of mole ant doesn't need you to do it yourself."

Ji Siqing walked toward the Nalan family and said, "I have something to ask Xia Lingqiu."

"Behind her reincarnation star stone, there is no small secret."

"It should have something to do with that."

Chapter 2845

Hearing the four characters, the snow star turns to be serious.

As the leader of the Qu family, although the Qu family did not have the ancient prestige, it was not the ordinary first force that dared to provoke him.

He controls more information than the leaders of zhuduo and other forces.

It seems that the ancestor did not come here simply for revenge.

"Let's go."

Under the veil, Ji Siqing walked towards the Nalan family.

Soon, on the main hall of the Nalan family, there was a gathering of family leaders, elders, and even the closed Taishang elders.

Everyone is very clear, Ji Siqing back to what it means to them!

Rise!

Ji Siqing was sitting on the main hall, drinking tea, and his expression was indifferent.

At her side stood Qu Xueyong, who revealed a trace of authority.

The head of the Nalan family stood at the bottom, looking uneasy. He arched his hand and said, "Miss Ji, although you have been away from the Nalan family for some time, we have been thinking about you."

Ji Siqing took a sip of tea and said, "I understand."

After all, he knew that he and the girl in front of him were not of the same level!

Even the supreme elder of Nalan family is not qualified to be equal with this girl!

The silence of the main hall made him feel depressed and speechless!

All of a sudden, Nalan patriarch thought of something. He squeezed out a smile and said to Ji Siqing:  
"Miss Ji, we Nalan family have prepared a gift for you."

Ji Siqing looked indifferent: "Oh? What? "

"Bring it up!"

Patriarch Nalan to the people around him!

Soon, a woman wrapped in chains appeared on the hall!

This is no one else!

It's summer!

As the head of a clan, Nalan clan leader naturally knows what is the best way to please Ji Siqing!

Xia Lingqiu used to make trouble for Ji Siqing in the Nalan family, but now Ji Siqing returns strongly!  
Sending summer spirit autumn is more important than anything!

But at the moment, Ji Siqing has been flat.

As if I didn't care.

The patriarch Nalan was quite sensible and went out to the outside!

Soon, only Ji Siqing and Xia Lingqiu are left in the hall!

Even Qu Xueyong stayed outside and set up an array to keep the inside undisturbed.

In the main hall.

Ji Siqing gently moved his slender hand, and his veil disappeared, revealing his beautiful face.

Her starry eyes did not sweep Xia Lingqiu.

But Xia Lingqiu is shaking!

When Ji Siqing rose, she was ready to escape from the Nalan family!

but unexpectedly, she was trapped by many powerful members of the Nalan family!

It's a prison!

It's only today that we see the sun again!

But I didn't expect that I was given as a gift to this former disciple!

What a shame!

Xia Lingqiu's eyes were filled with anger and complex emotions, and for a long time she said, "Ji Siqing, how could you come out of the palace of Lingxian emperor?"

"Without me, without aura, there would be no today for you!"

"Do you understand?"

"Are you going to cheat your teacher and destroy your ancestors today?"

"You're going to get back."

Ji Siqing slowly put down the cup: "tea is good."

At this moment, Xia Lingqiu became more and more angry and almost roared: "Ji Siqing! You bitch! I should have killed you in Lingwu when I knew it would be this result

"You're burning, you're not dying!"

"You cunt

However, the words have not finished, a crisp applause rang out!

Xia Lingqiu's cheek appeared a hot, shocking fingerprint.

And in front of her stood a beautiful girl.

"Xia Lingqiu, if I say, from the beginning, you are doomed to be unable to kill me."

"Do you believe it?"

Xia Lingqiu's eyes widened: "you are just a mole ant from a small place. Do you really think you've become a phoenix after flying on the branches? Your blood and everything you have are ants

Ji Siqing smiles under his red lips.

It's beautiful.

"Xia Lingqiu, you are right about one thing. You and I do not belong to the same world."

"You don't belong to the kingdom of God, you belong to the land of Lingwu."

"And I, my last life, grew up in the kingdom of God."

"Even there are many legends about me in the kingdom of God."

"Oh, by the way, I forgot to tell you, I have a name, I sink smoke for qu."

This word a, Xia Lingqiu's eyes stare big!

A few steps back in her consciousness!

Of course she does!

There are only two explanations for the existence of such a powerful spirit, or it is taken away by the strong! Or reincarnation!

Looking at Ji Siqing's various performances, the latter is obviously the most likely!

Instant, everything is clear!

Suddenly, Xia Lingqiu's pupil keeps enlarging!

Smoke in the air!

Isn't this a legend of the seventh kingdom!

It is the belief of countless girls in the kingdom of God! The goddess of war in the road of martial arts!

Even when she first stepped into the kingdom of God, Xia Lingqiu knew everything about Qu Chenyan, and her heart was shocked!

At the moment, who could have thought that the legendary characters were their former disciples!

"No way It's impossible You little ant... "

Xia Lingqiu's words have not finished, Ji Siqing is a slap in the face of Xia Lingqiu.

Then a faint voice sounded: "this slap is like snow."

"Bang."

"This slap is Ye Chen's

"Bang."

"This slap is for the dead."

"Bang."

"There is no reason for this slap."

A few slaps down, Xia Lingqiu's face has been some beyond recognition.

Ji Siqing took out a handkerchief, wiped his white hand, sat back to his position and said, "OK, let's get to the point."

"Where did you get the reincarnation star stone from the Lingxian emperor palace?"

"What else have you found besides this thing?"

"I want to be honest. If there is any concealment, I can torture you in a thousand ways."

Xia Lingqiu looks trembling and full of fear.

The next moment, her whole body energy burst and full, unexpectedly choose to explode!

She knew she couldn't leave alive today!

Then death will end everything!

However, when the spiritual power in the elixir field brewed to the extreme, an invisible force bound her.

Her chains are broken.

Her eyes a joy, just want to escape, but found that the whole body was imprisoned.

Not only that, she felt her spirit burning!

This kind of painful feeling makes her ferocious and trembling.

She fiercely looks at Ji Siqing who is sitting, next second, kneels down directly!

"Miss Ji, I'm wrong. Please let me go!"

Ji Siqing Mou son is indifferent, still way: "give me the answer that I want."

Xia Lingqiu was stunned and immediately said, "I said, I said everything!"

"When I was in Lingwu land, I accidentally entered a secret place, and one of the secret places was left by the strong man from Nalan family."

"This is the ancestor of the Nalan family. According to the information left by this person, I found some clues."

"First of all, this person's real identity is just a servant."

"How can an ordinary servant have so many magic weapons?"

Chapter 2846

"Besides, her bones before she died were kneeling."

"Kneel before the samsara star stone."

"Not only that, the scene in the secret place is very strange, like some kind of ceremony."

"There are many doubtful points in it, many words I can't see clearly, and some ancient murals."

"I had a hunch at that time that there was a great connection behind this incident, so I drew all the murals and runes by hand."

At this moment, Ji Siqing stood up: "take it out."

"Yes, Miss Ji."

Xia Lingqiu dare not have any nonsense and takes out a huge picture from the storage ring.

Jisi Qingxiu hand, the picture unfolds, full of 10 meters long!

On the scroll, there are ancient words and a painting.

When Ji Siqing saw the contents of the painting, his mood was no longer calm.

An invisible anger burns in the hall! Like a flame!

The house is covered with endless killing intention!

A ray of blood rose from the sky!

He wants to break through the array arranged by Qu Xueyong.

Qu Xueyong's face changed greatly. He looked at the gate in surprise. He didn't know what happened inside!

He has been following his grandfather for a long time!

I've never seen such a big temper!

What did Laozu see!

In the main hall, countless spiritual furniture turned into powder!

How to bear the anger of Zhu Ji Siqing with Xia Lingqiu's cultivation!

An invisible air wave hard hit her on the wall!

A mouthful of red blood spit out!

Almost make Xia Lingqiu unconscious!

When Xia Lingqiu opened her eyes with difficulty, she only saw a shadow of a female warrior God floating behind Ji Siqing.

Endless killing intention surging!

She panicked at a single glance.

She looked up at the picture!

It's just a woman.

The woman sits on a golden dragon shaped chair with two ferocious animals on both ends!

The woman's eyes are cold, with the power of dominating the world. She is dressed in qiluo gold clothes and surrounded by divine light. She is like a empress who controls the stars and a empress who dominates the world.

The red lips of the women are bright, and they are extremely attractive and cold. Their skin is as white as clotted fat, and they have a string of extremely strange bracelets on their wrists.

On the bracelet, there are a little starlight, and even a wave of reincarnation.

Woman's face is as good as Ji Siqing!

Even in the temperament is also different!

Even if it's just a finger, it's wonderful.

The woman just sat there, surrounded by golden light, animals whining, and people knelt down!

...

all of a sudden, Ji Siqing sacrificed a long sword in his hand. Once the sword was turned, all the power of heaven was enveloped!

In an instant, through the picture!

The whole picture was torn in two!

The woman's face was completely destroyed!

Ji Siqing clenched his delicate fingers and said, "in this life, we will meet."

"I will show you what despair is!"

No one knows where Ji Siqing's anger comes from!

But the only connection is this painting!

After finishing all this, Ji Siqing's eyes fell on Xia Lingqiu's body and said faintly, "there should be something else on you, right?"

Xia Lingqiu was stunned and her eyes became dim. Her bloody hand took out a jade pendant.

There are extremely ancient lines on the jade pendant, which are full of mystery everywhere.

Ji Siqing five fingers a grip, the jade pendant appeared in her hand: "I just lack a piece of this thing."

After all this, Ji Siqing is walking towards the gate.

When the gate opens, Ji Siqing's figure disappears in Xia Lingqiu's sight.

Xia Lingqiu is short of breath. Does she survive.

Although she knew that she could not get revenge in this life, as long as she survived, everything was possible!

She even plans to go back to that place again!

Maybe there will be unexpected harvest!

The key, she knew the secret of heaven! If you sell the news that Ji Siqing is Qu Chenyan to someone who has a heart

Maybe, everything will be reversed!

She even has a chance to witness the fall of Ji Siqing!

.....

Outside the main hall.

Ji Siqing has put on his veil.

One side of Qu Xueyong came over, low body, respectful way: "ancestor."

Ji Siqing stopped, and the voice of icy cold came: "go to the first Kingdom of God."

"Before I go, I hope that no one in the world will know about the conversation."

Qu Xueyong was stunned: "I understand." Words fall, Qu Xueyong then toward the house.

Although he disdains to fight Xia Lingqiu, since the ancestor has said so, even if the Lord of Tiandao palace comes, Xia Lingqiu must die.

After a few seconds, Xia Lingqiu's voice of panic and pain sounded in the main hall!

A flame is burning from the main hall!

Under the blazing fire, there is no hope of survival.

The head of the Naran family and many elders also bowed their heads and did not dare to speak.

When the main hall was destroyed, they really loved it!

But compared with the value of Ji Siqing, there is no comparability at all!

Soon, Qu Xueyong came out, a trace of fire was bubbling all over his body: "ancestor, deal with it clean."

"Good." Ji Siqing nodded slightly and went outside the Nalan family.

All the Nalan family knelt down and sent Ji Siqing away.

When Ji Siqing passed the head of Nalan family, his steps suddenly stopped.

She threw out a storage ring and said, "this is the cause and effect of Nalan family and me."

"Take this, the Nalan family is enough to become a second-class force."

"But since then, I have nothing to do with you."

"Also, today, Ji Siqing has never stepped into the Nalan family, understand?"

Nalan clan leader trembled to take the storage ring. He felt it slightly, and his face was shocked in an instant!

The things in it are really valuable!

"Thank you Thank you, Miss Ji. I'm... "

Before Nalan had finished speaking, the two figures disappeared in front of the crowd.

It's as if it never happened.

The Nalan family gazed at the sky, shook their heads, and sighed, "maybe in the future, we can only look up to this woman like mortals."

.....

At the same time, the first Kingdom.

In the restaurant, the atmosphere is extremely tense.

At this time, ye Chen looked at Wu Liuyuan's fist, and a cold idea flashed in his eyes.

Judging from his current strength, this punch is too weak to be described.

Basically, there is no need to dodge.

Now he, even if he stands here to let Wu Liuyuan fight, I'm afraid Wu Liuyuan can't start?

Strength to a certain extent, invisible, will let the martial arts, instinctively fear!

Just when everyone thought that ye Chen would be killed by Wu Liuyuan, suddenly, Wu Liuyuan was standing in the same place with a stiff body. His eyes were full of shock!

A group of diners on the second floor looked at Wu Liuyuan.

What's wrong with him? Why doesn't the punch go down?

Is it that Wu, who has always been known for his ruthlessness, is suddenly kind-hearted?

It's impossible, right?

## Chapter 2847

Don't say that people do not understand what happened, even Wu Liuyuan himself is not clear ah!

His eyes trembled and looked at Ye Chen standing in front of him. Why couldn't he drop this fist?

Not only can not fall down, even at this time ye Chen, almost all of his body did not emit any special breath, but at this moment, Wu Liuyuan's heart inexplicably poured out a burst of fear!

On his face, there is an incredible color

As the first day of Tianhui City, I was shocked by a man who killed the enemy territory?

He was just a young man, but he felt like Wu Liuyuan. How could he look like a giant beast!

Ye Chen looked at Wu Liuyuan with interest and said with a smile, "why, don't you want to hit me?"

Wu Liuyuan's face was extremely ugly. No matter how hard he tried, he could not smash it. He had to withdraw his fist unnaturally and said to Ye Chen in a voice:

"who is your excellency? Why do you want to stand in front of me? Are you trying to get out for the trash behind you? Hehe, do you know that I am the second son of Wu family in Tianhui city! I advise you not to offend the wrong person

Ye Chen said with a smile, "what if I have to stand out for him?"

Although Ye Chen doesn't like to be nosy, the boy named Longxiao is obviously related to long Jingyan, so he won't sit back and ignore.

Everyone heard the speech, and was surprised again!

Wu Liuyuan finally gave up, let Ye Chen pick up a life, even to continue to challenge him?

How crazy are you? How crazy are you looking for death?

They look at Ye Chen's eyes, can't help but turn into helpless.

This time, the immortal can't save Ye Chen, right?

One's luck can't be so good forever.

To their surprise, Wu Liuyuan gazed at Ye Chen. His eyes were full of anger and his breath was furious. Almost all of them came to the edge of the outbreak. However, after his face turned blue and white, he turned around and left directly!

Wu Liuyuan turned his head and glared at Ye Chen fiercely and said: "boy, don't think this is over! I will make you regret what you have done today

Chen Biao and careless see a Leng, look at each other, immediately follow Wu Liuyuan to leave.

And a group of diners on the second floor are totally stupid!

Wu Liuyuan, who is arrogant, domineering and ruthless, has gone so far in the face of the provocation of a man who has cut the enemy's territory?

It's just fantastic!

That's weird!

They have seen a ghost to look at Ye Chen one after another.

Ye Chen is to other people's eyes, do not care at all, he turned around, looked at the whole body cold sweat dripping, the same full face shock color of Long Xiao way: "are you ok?"

At this time, Longxiao came back to God and quickly saluted Ye Chen: "no It's OK. Thank you for your help. In xialongxiao, I dare to ask you your name. I will repay you for your help in the future

Ye Chen said with a smile: "my name is Ye Chen. It's just that I have something to go to your dragon's house."

Long Xiao hears speech a Leng, ye childe goes to dragon house to do what?

However, he still reached out and said, "in this case, Mr. Ye, please follow me."

After that, they walked toward the dragon's house.

Soon, ye Chen, led by Longxiao, walked into a rather magnificent mansion.

However, ye Chen found that along the way, the servants of the dragon family and so on, when they saw the Dragon Xiao, they all said hello, but in their eyes, they showed a look of ridicule and contempt.

Two people walked into a courtyard, Long Xiao came to a cup of tea for ye Chen and asked, "Mr. Ye, why are you coming to the Dragon House this time? Is there anything I can do for you

Ye Chen tasted a mouthful of tea and asked, "do you know what is the body of sealing evil spirits?"

"Fengsha body?" The Dragon Xiao hears the speech, ponders for a moment, then shakes his head way, "did not hear, has anything to do with my dragon family?"

Ye Chen's eyes flashed, and it was so!

Long Xiao doesn't know that he has the body of sealing evil spirit. It must be that the dragon family deliberately concealed the information from him!

He suddenly reached out and caught Longxiao's pulse. Long Xiao was slightly surprised, but he didn't resist. After a moment, ye Chen nodded in secret and said to Longxiao with a smile:

"Longxiao, if I say that there is a way for you to recover your martial arts qualification, would you like to do me a favor?"

Long Xiao hears speech, after a moment of dullness, the face appears the color of ecstasy: "this word is serious!"

However, he soon calmed down and looked at Ye Chen and said earnestly, "Mr. Ye, please tell me first. What can I do for you?"

Ye Chen hands a wave, an ice coffin, appeared in the room!

Longxiao pupils shrink, staring at the woman in the ice coffin, inexplicably feel a kind of intimacy, as if separated for a long time in general.

"Who is this woman?" he asked Ye Chen with a startled look on his faceYe Chen said faintly: "if I guess well, she should be one of your relatives. I came to save her this time. Many years ago, did a man in your dragon family disappear? "

Long Xiao pondered for a moment. In his eyes, a touch of shock flashed through his eyes and said, "our dragon family is divided into two families. I don't know how many years ago, our family was originally the patriarch's family. Moreover, my grandfather was extremely gifted at that time, and even everyone thought that grandfather could lead the dragon family to rise!"

His face suddenly darkened and said, "but not long after my grandfather had my father and succeeded the master of the family, he suddenly left the dragon family, leaving only an ancient book. However, the ancient books, but left a seal, so far, I still can not crack.

But after my grandfather left, our branch was completely declined. Even, we were separated and won the power and took the place of the patriarchal family

Ye Chen smelled the speech, his eyes lit up and said, "can you show me that ancient book?"

Long Xiao nodded his head and said, "Mr. Ye, please wait a moment."

A moment later, Longxiao held a wooden box and handed it to Ye Chen.

When ye Chen opened the wooden box, he found an ancient book with no words on its cover. Lying in the box, when ye Chen reached out to take out the ancient book, a burst of light broke out on the cover without words, blocking Ye Chen's palm.

Ye Chen smiles and is about to crush the seal. But at this moment, a loud drink rings outside the courtyard:

"Long Xiao, I asked you to buy wine and vegetables. Where did you buy it! It's said that you also brought a layman into the dragon's house? Now get out of here with that man

Long Xiao hears speech, complexion a sink, in the eye fury surges!

The man who drank so much was Longshan, the eldest son of the dragon family!

Chapter 2848

Usually, Longshan bullied and ridiculed him by virtue of his status and asked him to do some things that servants did. He tolerated all these things!

After all, they are a family after all!

But now, even the friends he brought back, Longshan will be humiliated?

Does he have no qualification to join the dragon family!

This, where there is a little bit, take him as the dragon family?

At this time, with a bang, the gate of Longxiao residential courtyard was smashed directly. Three figures broke into the courtyard directly!

Longxiao teeth close bite, this is to plan a little face, do not leave him?

The head of a dark skin, broad skeleton, hand folding fan man, it is Longshan, he took two servants, directly into the room.

He almost disdains the essence of Xiao Long.

This Longshan is a warrior of half step chaos!

And also awakened a good ancient deity under the moon ring vision!

It seems that the first Kingdom is much higher than the seventh one!

Although Long Xiao is angry, he knows that he is not Longshan's opponent, moreover, is far from good!

At this time, he had to suppress his anger and said in a deep voice: "Longshan, Mr. Ye is my guest, please respect..."

With that, he looked at Longshan's eyes, and even showed a touch of pleading. Ye Chen was his benefactor, and he didn't want to implicate him because of himself!

But Longshan smelled the speech, but he glanced at Ye Chen with a sneer and said, "what kind of goods can you have if you mix with such rubbish? It's just a mole ant who cut the bad situation. How dare you let me respect it? Are you funny? "

He waved to the two servants who were in the middle of the chopping adversity behind him and said, "you two, please go out to my childe with the idle people."

"Yes

Two servants should be a body, body movement, then toward Ye Chen Chong!

Longxiao's face changed greatly. He didn't expect that Longshan was so direct that he didn't even leave any room!

He was about to get up to block the two servants, but at this time, a strong pressure suddenly enveloped Longxiao. In this pressure, Longxiao seemed to be pinned down by a huge mountain, and could not move a finger!

Longshan looked at him with interest, a former genius, now a waste, still want to resist?

Ha ha

"Damn it!"

Longxiao scolded and anxiously looked at Ye Chen, but at this, Longxiao couldn't help being stunned

At this time, ye Chen seems to have not seen Longshan and other people, his face is pale,

moreover, he did not know when he had cracked the seal on the ancient book, and was reading the broken ancient book!

The seal of this ancient book was easily broken by Ye Chen?

That seal, but even the dragon master can't crack it!

Otherwise, it will not stay in his hands until now

When the two servants were about to reach out to Ye Chen, a faint man's voice echoed in the courtyard.

"Kneel down."

Two short words, from the mouth of Ye Chen, flat light, seems, no momentum to speak of

However, it was this simple sentence kneeling down and falling into the ears of the three people of Longshan, but it was like the order of the gods. An indescribable terrible pressure exploded in the minds of the three people of Longshan!

Their thinking is blank in an instant, and their consciousness tends to dissipate. In the sea of knowledge, ye Chen's simple words are constantly echoing. In their eyes, where is Ye Chen, or what kind of warrior is he?

Behind the young man, who was quietly reading the ancient books, it seemed that there was a sea of corpse mountains and blood, and ye Chen was the God of killing who was sitting on the top of the corpse mountain!

Just a breath of time, the spirit of Longshan three people, then completely collapsed!

PATA, PATA, PATA, the three bodies a soft, instantly knelt in front of Ye Chen, eyes in a dark, lost, walking dead in general.

And standing by Ye Chen's side, Long Xiao is completely stupid, unable to understand

Just now, what happened?

Ye Chen just said two words and knelt down

Then, Longshan three people really knelt down? Moreover, or a pair of road heart collapse appearance, kneel in front of Ye Chen!!!

What kind of terror is it that only two words will crush the heart of Tao and those who are in the middle of chaos?

It's a magic trick!

When he was in the restaurant, although he didn't know how ye Chen forced Wu Liuyuan back. It was extremely strange. However, Long Xiao, like a crowd of diners, just thought that ye Chen was too lucky

Now, Long Xiao knows that he is wrong

What's more, it's wrong!

Where, is Ye Chen lucky?

Good luck, it's Wu Liuyuan!!!If Wu Liuyuan didn't retreat, but offended Ye Chen, I'm afraid now, he has already died, can't he?

Originally, Long Xiao also said to Ye Chen that he could restore his martial arts talent. At this moment, he completely believed it! Not even a trace of doubt!

At this time, the commotion in the Longxiao courtyard attracted many servants, peeping at the door. When they saw the appearance of the three people kneeling on the ground, their faces suddenly changed. They immediately turned around to inform the people of the dragon family!

Soon, a middle-aged man with three long beards, a dignified face and a pick from the corner of his eyes, came quickly. This man was the leader of the dragon family, Long Yue.

His face was anxious, his forehead was blue, his face was full of anger, and his figure flashed, and he entered the Longxiao room!

"This! Shan'er, what's the matter with you? "

But when he saw the state of Longshan, it was a cold in his heart! The anger on his face dissipated in an instant.

He knew very well that Longshan was not kneeling down, but Daoxin collapsed!

As the master of the dragon family, Long Yue is the second layer of chaos. Although his strength is far higher than that of Longshan, but!

He knew very well that Longshan's Taoist heart was not weak, at least with his own strength, even if he could crush Longshan, he might not be able to defeat it so thoroughly!

What kind of fear does it take for Longshan to become like this?

The Dragon leaped to swallow a mouthful of saliva, and his body began to tremble slightly.

Looking at Longxiao, he stammered and asked, "Longxiao, Shan'er What's the matter? "

Long Xiao glanced at him and said coldly, "Longshan has offended Mr. Ye. He has eaten the evil fruit."

This dragon leaps on weekdays to watch Longshan bully and insult himself, let alone, now suffer retribution?

Long Yue looks at Ye Chen and sees Ye Chen. At this time, he is reading an ancient book attentively, and his pupil shrinks again!

The seal of the ancient book, he exerted all his strength, roared wildly for a long time, but could not break it. It seems that the young man is just a murderer. How did he do it?

Chapter 2849

The chill in his heart was more intense. Somehow, ye Chen's figure in his eyes seemed more and more frightening!

The experience accumulated in this life is roaring at the Dragon jump. This young man is definitely not an existence that he can afford!

Immediately, Long Yue clenched his teeth and showed a resolute look on his face. He knelt down directly in front of Ye Chen and said with great respect:

"this childe, the dog is ignorant and offended you. Please forgive me!"

Although he is very worried about upsetting Ye Chen, after all, Longshan is his favorite son. Long Yue has always cultivated him as the next master!

How can he be willing to let his beloved son become like this?

Ye Chen did not say a word, but he still concentrated on reading the ancient books in his hand. From noon till sunset, Long Yue always knelt down in front of Ye Chen, without any change in his posture.

He knew that he could only show sincerity and look forward to Ye Chen's forgiveness.

And a group of servants outside the door, it is frightening to the extreme

In their eyes, the invincible master of the house knelt down for a whole half day in front of a chopper!

What is the origin of the young man brought back by Mr. Long Xiao?

Until the sun was almost completely set, and the house was covered with dim yellow sunlight, ye Chen slowly closed the books in his hand, glanced at the Dragon jump, and said faintly, "after 3000 years, it can be recovered. You can retreat."

Long Yue hears the speech, his heart trembles, and he almost falls into despair!

Three thousand years!?

Is it true that his son has been in a state of collapse for three thousand years?

What is Daoxin collapse? Only when a martial arts practitioner falls into a great terror can he collapse. That is to say, for Longshan, the three thousand years has been an unimaginable torture!

After 3000 years, even if it recovered, can it still be a normal person?

What's more, even in the case of Shou yuan, a half step chaos warrior, it's a long time!

Even after recovery, there will be no sequelae. The three thousand year blank has almost destroyed the future of Longshan!

Is this the price of offending Ye Chen?

In an instant, Long Yue seemed to be hundreds of times old, and his black hair began to turn white. The head of the family, at this time, looked like an ordinary old man who couldn't be ordinary any more. Even his eyes were wet and left tears.

However, even so, he still did not dare to complain to Ye Chen, but saluted him: "thank you for your high hand!"

After that, he supported his son and left. The two servants were also dragged away

He is very lucky to have saved his life!

Ye Chen looks light, Longshan offended himself, such punishment, can be said to be negligible.

Not to mention the collapse of Daoxin for three thousand years. If it were not for the dragon family and long Jingyan, if there were some origins, there would be no trace of Longshan surviving.

After all, in terms of Ye Chen's current strength, a casual breath is enough to kill the whole dragon family. If an ant bites you, will you be kind to him?

Maybe when you get angry, you just kill the whole nest?

And the people of the dragon family are not as good as the ants to Ye Chen.

However, ye Chen's eyes flashed with joy at this time. Sure enough, this ancient book records the method to save dragon Jingyan!

Similar to his original guess!

Originally, his idea was to use Longxiao's fengsha body to lead the evil spirit in longjingyan's body out of the body, and absorb it through himself.

After all, although Long Xiao also has the body of sealing evil spirit, but with his cultivation, he can't bear the huge evil spirit in long Jingyan's body. However, it is enough to lead the evil spirit out.

However, it is too risky to do so. After all, the meridians of the human body are too complex. If they are not well controlled, evil Qi will explode in their bodies!

Ye Chen with the vitality against the sky, but it doesn't matter, but long Jingyan and long Xiao are doomed to die!

Fortunately, in this ancient book, it is recorded a very stable method of relieving evil spirits!

Though the dragon is the medium, it is not the dragon.

But through a special spiritual spring named Jiesha spring!

According to the ancient books, using Jiesha spring as an intermediary to dispel evil spirit will never damage Longxiao and longjingyan. At the same time, it is also a way to restore Longxiao's martial arts talent!

.....

At this time, in the center of Tianhui City, an extremely large and luxurious mansion is located here.

Here is the first family of Tianhui City, where the Wu family is located.

And a young man, is looking gloomy sitting in the room, it is Wu Liuyuan!

Suddenly, a figure flashed outside the door. A beautiful woman stepped into the room and said with a smile to Wu Liuyuan: "the second young master, the eldest young master, my concubine has already contacted." Wu Liuyuan's eyes lit up and said, "brother, how can you say that?"

The woman said with a smile, "the eldest young master said that in ten days' time, he would just like to go home. If there is anything wrong, he will go home and deal with it."

Hearing this, Wu Liuyuan laughed, and his eyes flashed with a look of great pleasure. His face was ferocious and said: "the boy seems to be staying in the dragon's house now? Hehe, I hope he can stay longer. If he runs away in advance, I will be very unhappy. "

that beautiful woman way: "the child is assured, concubine body this arranges eyeliner, no matter where that person goes, we can grasp its whereabouts!"

Wu Liuyuan nodded his head and said, "go ahead, don't frighten the snake. Long Xiao's rubbish is nothing, but my intuition tells me that the other boy is a little strange! Let them spend the last ten days in peace. "

Wu Liuyuan's eyes twinkled with the flame of revenge and smile. His elder brother, Wu Fei, is the true disciple of the thousand corpse cult! Wu FeiGong is indispensable for Wu family to become a giant now!

Recently, Wu Fei has awakened to the rare ancient deity. His accomplishments have soared and his strength has improved rapidly!

That boy, even if it is strange, if he meets Wu Fei, he can only die!

Ha ha

Of course, on that day, Longxiao and ye Chen hit him in the face of Wu Liuyuan in front of the public. Naturally, he would not let them die easily.

Wu Liuyuan moved and walked into a dungeon. On a wooden table in the dungeon, there were all kinds of instruments of torture stained with blood. The whole dungeon was full of blood and putrefaction.

On the wall of the dungeon, a man was locked. His body was scarred and his eyes were full of despair and panic!

This man is the blue robed youth whom ye Chen talked to in the restaurant!

Wu Liuyuan picked up a pair of pliers after a while of careful selection, and showed a twisted smile on his face.

Tormenting people has always been his greatest interest.

Chapter 2850

.....

A lush mountain forest everywhere, suddenly flash two escape light, fall in one.

Light convergence, showing two body shape, it is Ye Chen and Longxiao!

The sound of bubbling was introduced into the ears of the two people. Not far from them, the warm water mist filled them. In the mist, there was a natural hot spring boiling from time to time! Here is the spring of Jiesha!

Jiesha spring is very close to the place where the dragon family is located. It must have been for this Jiesha spring that the owner of the dragon family established his family here.

Ye Chen said to Longxiao: "the reason why you can't practice is that the martial arts who possess the body of sealing evil spirit need to absorb certain evil spirit to fill the body after reaching a certain level.

The function of the body of sealing evil spirit is not only to seal the evil spirit, but also to devour the evil spirit and strengthen its own ability. With your current cultivation, you can't control it freely. If the body can't absorb the evil spirit, it will devour the spirit Qi of heaven and earth that you have practiced into your body, so as to strengthen yourself. This is the reason why you have been unable to make progress in your cultivation. "

He said with a smile: "but it's not completely without benefits. Although the aura of heaven and earth is not as good as the evil spirit effect on you, your physique will be greatly enhanced, and your martial arts foundation will be very solid."

Ye Chen waved his hand, and the ice coffin fell to the ground. He picked up long Jingyan from the ice coffin and said to Longxiao:

"next, I will take Jingyan and enter the Jiesha spring. You stand beside the spring and follow the method I taught you to stimulate the body of sealing evil spirit and activate the extremely evil Qi in Jingyan's body. The evil spirit in her body is too strong, even if the Jiesha spring is not complete Digestion.

It's too dangerous to stay in the spring. Even if it's a trace of evil spirit, it's enough for your body to absorb it! "

Longxiao solemnly nodded: "yes! I see! "

Ye Chen nods and walks into the hot spring with long Jingyan in her arms.

With his hands around long Jingyan's slender waist, he immersed her extremely graceful jade body in the boiling hot spring water, closely linked with his body, and only exposed her show head on the water surface.

He didn't do this to play with long Jingyan. The extremely evil spirit in long Jingyan's body was too strong to be compared with ordinary evil spirit. Even if there was Jiesha spring, it could not completely eliminate the evil spirit. Ye Chen entered the spring together to suppress evil spirit and prevent evil spirit from running away!

Ye Chen turned his head to Longxiao and said, "start it!"

Long Xiao nodded, with a dignified look. In a strange way, Lingli poured into all the acupoints. Suddenly, he murmured, aiming at the Dragon Jingyan in the hot spring!

There was a loud noise from the spring of Jiesha, which startled the heaven and poured out wildly. For a moment, the spring water of Jiesha spring turned into dark color.

But there is still evil spirit coming out of the spring!

This Jiesha spring can not completely control the pressure of Jisha!

Long Xiao's face suddenly changed. For a moment, he was extremely pale. His hands were determined and he kept shaking. The extremely evil spirit was really terrible. Even if he had the body of sealing evil spirits, he could not control his current cultivation!

Ye Chen's face sank, and a blood light rose from behind and hung over the spring of Jiesha. It was Ye Chen's evil sword!

He pointed at the sword and attacked the sword a little. He turned his spirit into a long dragon and poured it into the sword. In an instant, on the sword, the blood color runes were shining, and he suppressed the fierce evil spirit!

At this time, Longxiao is a look of pine, and then, like the color of ecstasy!

Although, most of the evil spirit is suppressed by Ye Chen into the understanding of the evil spring, but there is still a trace of loose out!

This extremely evil spirit was attracted by Longxiao's seal evil spirit. It was like moths fluttering into the fire. In a moment, Longxiao felt that his cultivation and physique were growing faintly!

Effect, too obvious!!!

After a few hours, the spring water of Jiesha spring was as black as ink and sticky. Ye Chen's eyes flashed slightly and said to Longxiao:

"Longxiao, let's call it a day. The Jiesha spring has reached its saturation state. It will take a few days to vaporize Jisha, and then we will relieve the evil spirit."

"You go back first. I'll deal with the Jiesha spring."

The evil spirit in long Jingyan's body is too strong. It can't be solved all at once. Ye Chen estimates that it will take 10 days to a month to reduce the evil spirit to the level that can make long Jingyan wake up.

Long Xiao nodded and decided to accept the Dharma. At this time, he was extremely excited. The practice of this short few hours was better than that of his previous closed door for a month!

In his eyes, a flash of light broke out. The first day of Tianhui city was coming back!

And, it is to return with a more rebellious attitude!

And all this, the reason that can be realized is because ye Chen!

Ye Chen changed the fate of Longxiao so easily!

Long Xiao looked at the man in the water, and his eyes were full of reverence. When he was reduced from genius to waste, he begged heaven and gods for change!But?

No matter how sincerely he prayed, the reality is still cruel, everything remains unchanged!

Originally, he almost died, until ye Chen appeared!

For Longxiao, ye Chen is heaven, ye Chen is God!

He doesn't believe in heaven, he believes in Ye Chen!

After long Xiao leaves, Xie Sha spring only leaves Ye Chen and long Jingyan!

Long Jingyan's eyes are closed and the evil spirit surrounds her.

There are some regrets.

Ye Chen shakes his head helplessly, and plans to take long Jingyan out of the water.

All of a sudden, Jiesha spring was full of arrogance!

The whole Jiesha is extremely violent!

Like a time bomb!

And ye Chen's body also stopped moving.

He knew that once he did something, the spring would burst!

Maybe I can survive by chance!

But long Jingyan!

There is no doubt that you will die!

It must have been untouched for a long time, but the two of them broke the balance here.

Maybe it will be stable next time!

But the key is that he should be qualified to survive!

Ye Chen breathes heavily, his whole body spirit strength condenses, wants to form a barrier, package two people!

The body of two people is more and more close!

Even ye Chen can feel the surge and softness in front of her body.

The scale is amazing

And Sun Yi did not show too much.

Ye Chen condenses his mind and no longer thinks much!

Suddenly, the water in Jiesha spring stirred up!

It's like a storm!

Spring water goes to the sky!

"Tear

More terrifying, ye Chen and long Jingyan's clothes can't bear the pressure!

Even double tear!

Two people completely Frank meet!

Nothing!

Ye Chen can even feel the close feeling of the two people, and the whole blood will burn!

He is a man after all!

How can you eat it!
