

Physician 2851

Chapter 2851

"Um ~"

What's more strange is that the comatose dragon Jingyan miraculously makes a sound.

The cheeks were flushed.

Like delicate flowers.

The turbulent double objects are constantly stimulating Ye Chen's mind in the water.

It's enough time for a stick of incense.

The spring of Xie Sha returns to peace.

Ye Chen, embarrassed, rushed out of the water and took out a suit of clothes again.

At the same time, the Dragon Jingyan in her arms is also wrapped and put into the jade coffin.

Ye Chen slowly exhaled a breath, such a hot figure, is really the absolute thing!

If long Jingyan was his woman, he might not be able to control it.

But they have nothing to do with each other, and ye Chen will hold the heart of Tao.

.....

Ten days later.

Ye Chen is practicing in the residence of the dragon family at this time. In the past ten days, he and Longxiao have gone to Jiesha spring three times.

The effect is quite satisfactory to Ye Chen.

All of a sudden, ye Chen's expression moved, looking in a certain direction, the corner of his mouth, raised a faint smile.

Finally, are you here?

At this time, a strong and terrifying breath fell from the sky and covered the whole dragon family. Countless warriors and servants of the dragon family were shaking uncontrollably in this breath!

The face of the dragon family's master has changed wildly. This This breath is!!!

Without delay, he brought a group of worshippers and elders to the front yard. In the middle of the air, there were two figures standing, two figures floating!

A handsome face, elegant temperament, is now the first genius of Tianhui City, Wu Liuyuan, the second son of the Wu family!

The other is a tall and thin man with prominent cheekbones, pale face and full of Yin Qi!

All the people of the dragon family, when they saw the man in black robe, were shivering all over and cold in heart!!!

This man is not Wu Fei, the eldest son of Wu family who went to the first-class thousand corpse cult many years ago!

He Why are you back?

Moreover, also a pair of aggressive appearance, came to the dragon house!

The most important thing is, Wu Fei's cultivation!

Wu Fei, you are already a chaotic state of the existence of the eight layers of heaven ah!!!

Moreover, in his eyes, the golden light is shining, and he is obviously an ancient god body genius!

Everyone's spirits will be scared away!

Long Yue took a careful look at Wu Fei. He looked extremely respectful and said, "two young masters of Wu, what's the matter with your coming to the dragon's house this time?"

Wu Fei didn't speak, but just glanced at him lightly. Wu Liuyuan, on the other side, sneered and said, "master of the dragon family, what a great prestige?"

Dragon jump a Leng, prestige?

Their attitude, have to humble to the dust, where the prestige?

He said, "Mr. Wu, I don't understand what you mean..."

Wu Liuyuan said coldly: "old man, you dare to stand up and talk when you see my elder brother? It's not prestige. What is it? "

When people heard this, they all changed their faces!

Wu Liuyuan is so overbearing!

Stand up and talk, even if the prestige? That is, they should have been on their knees?

This, too bullying

Although the dragon family is not a big force in the first Kingdom, Longyue is still a master of the family

Long Yue was sweating all over. After a moment's silence, his knees softened. He knelt down in front of the Wu family!

What if you don't kneel?

It's just death!

As for dignity, ha ha

If you die with dignity, isn't it death?

At this time, Wu Fei opened his mouth in a gloomy way: "ask Long Xiao and the boy he brought back, get out of here!"

The Dragon leaps to smell speech a Leng, immediately, facial color incomparable resentment color!

Wu Fei and Wu Liuyuan were provoked by Longxiao and ye Chen?

It is not enough for them to cause their son Daoxin to collapse for three thousand years. They have to bring such enemies to the dragon family!

If it wasn't for them, they wouldn't have to kneel in front of the public like this!

Now he would like Wu Fei to tear Ye Chen and Longxiao into pieces!

Long Yue turned his head and yelled at his back: "Long Xiao, get out of here with your" guest "

At this time, two figures flash, appeared in the front yard, it is Longxiao and ye Chen.

Long Yue pointed to the two men and said to Wu feidui with a flattering smile: "Mr. Wu, these two people have provoked you. I don't know anything about them. If I had known, I would have taken them to Wu's house and apologized at the door.

How can I trouble you to come in person? You are free to deal with them, my dragon family absolutely support! It's better to say that I've long wanted these two people to die

He stares at Longxiao and ye Chen, the last word, but it is in his heart!At this time, ye Chen and long Xiao are watched by Wu Fei. Long Yue's heart is filled with joy and joy!

The boy named Ye Chen, even if he is against the sky, can't be Wu Fei's opponent, right?

His son became like that, the Dragon leaps on the mouth not to say, in the heart, already hated Ye Chen extremely!

Now, his son's revenge can be avenged!

Wu Fei looked down at Ye Chen and said coldly, "you two, why don't you kneel down when you see me?"

He is a true disciple of the thousand corpse cult. In Tianhui city and other small cities, he is a god like existence. What's more, he has awakened to the ancient deity!

Even the elders in the clan, the strong, should be courteous to him! Therefore, the pride of Wu Fei, who had been extremely conceited, rose to an unimaginable level!

A waste, and a mole ant from other countries who cut the bad situation, don't kneel when they see themselves?

In Wu Fei's opinion, not kneeling is an insult to his identity!

Ye Chen looks light, and Longxiao is a puff, directly laugh out the sound!

Longxiao looks at Wu Fei with sarcasm in his eyes, and he is in chaos? Ancient spirit body genius?

Since seeing ye Chen's terrible strength, Longxiao has already had a brand-new understanding of power!

Is Wu Fei strong?

It may be quite strong, but in front of Ye Chen, he is not even qualified to be a dog!

Wu Fei had a flash in his eyes. His whole body was killing, his anger was raging and his breath was manic. He gazed at Longxiao and said, "what are you laughing at?"

But long Xiao at this time, is full of indifferent, to Wu Fei's eyes, the slightest let, ponder a smile way: "smile what? Hehe, I'm laughing. Let Mr. Ye kneel? Do you deserve it? "

.....

At the same time, the entrance to the first Kingdom.

Two figures flashed out.

It was Ji Siqing and Qu Xueyong.

Qu Xueyong closed his eyes and felt slightly. He could not help but say: "sure enough, the first God is the root of the kingdom."

"It's so familiar."

"When the reincarnation Lord divided the kingdom of God into seven, perhaps he wanted to keep the last pure land."

"There is a big gap between the seventh and the first in terms of the moon ring and aura."

Ji Siqing under the veil is surprisingly quiet.

Chapter 2852

Her eyes look in one direction, extremely complex and affectionate.

That's the Ye family.

Where the Lord of samsara was.

There, the man once took up his own hand in the last life and crushed a piece of stars and turned them into Starrain.

Romantic memories, although this life Ji Siqing did not experience, but it is unforgettable.

She still does not understand why Ye Chen of the last life did this.

Layout?

What is the secret behind this bureau?

"Grandfather? Are you listening to me? "

Qu Xueyong repeated.

Ji Siqing woke up from the memory.

She shook her head in despair, suppressed the memory, and then said, "listening."

"By the way, what happened when I asked you to use Qu Jia's investigation?"

Qu Xueyong took out a jade slip and handed it to Ji Siqing carefully. He said, "Xia Ruoxue, who you asked me to investigate, has some clues."

"After Xia Ruoxue left shenjizong, she went to several forbidden areas and killed several strong men, but just half a month ago, she completely lost her trace."

"It's like disappearing into the seventh kingdom."

"Even if I use all the resources of the Qu family, I can't determine the whereabouts of this person."

"Laozu, do you think if snow in summer will fall

"After all, the moon ring vision appears, the seventh God kingdom is strong, and the ancient strong people wake up I'm afraid she will not be able to protect herself after she enters the forbidden area as a girl! "

"Besides her strength..."

Ji Siqing shook his head and said, "Xia Ruoxue can't have an accident, but it's strange. She is very harmonious with the reincarnation star stone of Xia Lingqiu. As long as the reincarnation star stone is not lost, she will be able to keep Xia Ruoxue."

"What's more, I feel vaguely that Xia Ruoxue didn't leave shenjizong voluntarily, but was driven by the reincarnation star stone."

"You should know that reincarnation star stone is not a common stone, it has spirituality, and may even contain Xingling."

"I'm afraid the spirit of the reincarnation stone is older than us."

"Xia Ruoxue's character should not have left shenjizong. She left suddenly. She must have told Xia Ruoxue something."

"I have a hunch that she will come to the first Kingdom."

"By the way, how about the other thing that God Jizong did?" Ji Siqing said again.

Qu Xueyong immediately thought of something, and even said, "don't worry, I've sent someone to inform ye Lingtian, and also told him how to enter. He should soon find Ye Chen."

Ji Si counted and nodded: "the family of Ye Lingtian has been guarding Ye Chen for generations. The burden of this life will be heavier."

"However, I guess the original reincarnation Lord also expected that ye Lingtian would be the strongest one in their family."

"Now, ye Chen has too many variables, which the previous life could not have. This is our advantage."

"Maybe when they show up in front of us."

"Let's go. Now go to samsara valley."

When Qu Xueyong heard about samsara Valley, his face changed greatly, and his pupils shrank:
"ancestor, would you be too anxious? Samsara Valley is one of the forbidden areas of the first divine kingdom."

"And it has been sealed by several powerful people in the later stage of the first Kingdom. It's not good for us to go now."

Ji Si snorted coldly: "if you don't go, I will go myself."

"From now on, don't call me" Laozu "

"I think it's a shame to have descendants like you!"

With that, Ji Siqing went to the north of the first Kingdom.

Qu Xueyong's face turned red, hesitated for a few seconds, and hurried up with him: "grandfather, wait for me."

"Can't I go yet?"

"I Qu Xueyong is not afraid of betraying the heavenly way palace, but I am not afraid of the samsara valley."

.....

At the same time, the seventh God Kingdom and the nine heaven god dragon hall contact place.

It's very hidden, and it's full of chaos.

The breath is violent, which makes people dare not approach.

There's no such light in the mire.

In the mire, there is only stillness!

There are many skeletons!

And before the mire stood a fair faced girl.

The girl's skin light is better than snow, and her eyes are picturesque and beautiful.

It's just strange that the girl is carrying a huge stone on her back.

The stone is dotted with faint starlight.

Some are not vulgar, but some are special.

It's a bit out of the ordinary.

If ye Chen is here, she will surely find that she is Xia Ruoxue.

Xia Ruoxue looked at the dark mire, as if to himself: "Xingling, really want to pass from here?"

"I don't feel very good." Words just fell, Xia Ruoxue behind the reincarnation star stone even spread a tender voice!

"Sister snow, believe me, you have some trouble getting into that place now."

"The nine heaven dragon hall belongs to the most taboo place in the kingdom of God, which ordinary people can't enter. This is the most special road to the other six kingdoms and the nine heaven dragon hall. "

"You are not a dragon vein. Naturally, you can't enter by the usual means. This mud pool is called blood corpse pool. Later, I will protect you with the light of reincarnation, and you will be able to enter safely."

The next moment, reincarnation star stone even gushed out a bright starlight.

Starlight envelops Xia Ruoxue!

Let summer snow like a star fairy.

And the blood corpse pool actually outlines a bridge of stars.

Xia Ruoxue stepped on the bridge of starlight and instantly came to the opposite side of the mire.

The stars faded.

A black, no light through the space cracks appear.

"Sister Xue, through this crack, you will arrive at the nine heaven dragon hall."

Samsara star stone road.

Xia Ruoxue's eyes flash through a trace of firmness, and step into that space crack.

In an instant, the blood corpse pool froze and turned into a piece of dry cracked soil.

The surrounding vegetation is extremely withered.

And Xia Ruoxue's body also completely disappeared in this piece of heaven and earth.

Don't know how long, Xia Ruoxue opened his eyes, ears unexpectedly came to bursts of dragon chant!

She has reached the legendary nine heaven dragon hall!

"Xingling, what's the next step?" Xia Ruoxue asked.

Reincarnation star stone slightly turn, unexpectedly from the back of summer if snow fell at the foot of summer if snow.

"Snow elder sister, you come up, I take you, my speed is much faster than Dragon."

"Good."

Summer if snow nodded, concave and convex body fell on the reincarnation star stone!

In an instant, the reincarnation star stone soars to the sky and flies in a direction rapidly!

Like thunder and lightning!

Even far beyond the sky above a breath of terror dragon!

Countless dragon tried to catch up with the light, but found no qualification at all!

At the same time, in the abyss of the nine heaven dragon hall, a head was constantly gnawing at the demon dragon. The strong breath blood dragon suddenly opened his eyes and was slightly surprised. It raised its head and looked at the end of the abyss filled with countless prohibitions.

There is a blue sky.

There are dragons flying for nine days.

"Well? How did she come here? "

Chapter 2853

.....

An hour later.

The reincarnation star stone stopped over a huge lake.

Strangely enough, the water of the lake turned out to be blood red.

There was a breath of killing.

Xia Ruoxue stood on the reincarnation star stone with a dignified look and said, "Xingling, are you sure it's below?"

Samsara star stone from the immature voice: "just below."

"Just to my surprise, these evil spirits are so strong that it's very difficult to enter with your strength."

"It could even hurt."

Xia Ruoxue stared at the blood lake for a long time, or said: "I only have such a chance to go down and have a look."

Reincarnation star stone hesitated for a few seconds, and then rushed down!

And the faint starlight covers the summer like snow!

Seems to be protecting summer snow!

Just when one person and one stone want to rush into it, the sudden change suddenly rises!

There is a bloody whirlpool in the whole lake!

The whirlpool is getting bigger and bigger!

The next second, a black dragon came out!

The black dragon is a thousand feet tall, with ferocious eyes and sharp barbs hanging on the Dragon scales all over!

Shocking!

Especially the smell of the black dragon!

At least half a step into heaven!

Such a realm, Xia Ruoxue, even if there is reincarnation star stone guard, also has no resistance qualification!

"Oh, there is a human race in the blood meteorite lake?"

The ferocious black dragon gazed at Xia Ruoxue on the reincarnation star stone, showing a cruel smile.

Nine days god dragon hall, take the dragon as the respect!

As for human warriors, a large part will become the prey of these dragons!

After all, the spirit and flesh of the warrior's Dantian is also a great tonic for the dragon!

"Not good!"

"The blood meteorite lake was occupied by this black dragon! Sister ruoshue, let's go

The next moment, reincarnation star stone burst out a burst of bright brilliance!

A void was torn apart by force!

When the reincarnation star stone is about to take Xia Ruoxue away, a huge dragon's palm comes directly!

An invisible pressure surging!

The torn void was closed by force!

Not only that, the violent air waves touch the summer snow!

Summer if snow beautiful eyes flash a trace of determination, blood burst!

Hold a glimmer of starlight in your hand and chop it with a sword!

The storm was split in two!

"Oh? It seems that this clan has a good lineage. "

The next second, the ferocious black dragon even spits out a mass of gray flame!

The flame with a strong force of restraint, into countless flying arrows, dense shot at Xia Ruoxue!

Xia Ruoxue's face was full of solemnity, without fear. He held a cold sword in his hand, and a sword gushed out, as if to split this huge lake!

However, the gap between the two is too obvious!

Although the flying arrow has cut off part of it, there is still a part of it penetrating Xia Ruoxue's hand!

In an instant, the white clothes were dyed red with blood.

It's shocking.

Her delicate body is also slowly landing!

Hit directly on the blood lake!

The waves are surging!

Amazing momentum!

The ferocious black dragon didn't want to waste time. He opened his mouth and went to Xia Ruoxue!

He wants to swallow people and lake water in one gulp!!

Xia Ruoxue lies on the lake with reincarnation star stone suspended under her body!

The instant of falling just now, reincarnation star stone blocks most of the damage for Xia Ruoxue!

But for now, what to do!

Summer if snow spit out a mouthful of blood, red lips more and more bright.

There was no fear in her pupils.

She held the sword and a figure came to her mind.

That man, gave her courage!

If ye Chen meets this picture, will he give up?

Definitely not!

The next second, Xia Ruoxue stood up, light starlight covered the whole body, holding the sword, eyes closed!

Release all the power!

A startling sword rises from the sky!

Although powerful, but Xia Ruoxue's heart is very clear, this power is not enough!

But even if she died, she would die in resistance!

This is Ye Chen's belief!

As a woman of Ye Chen, she must not die of fear and abandonment!

"Ridiculous, the light of fireflies dare to contend with the sun and the moon."

The ferocious black dragon laughs, and his fangs are approaching step by step. The extremely strong dragon spirit makes the lake around ten miles shake!

However, when it is about to touch Xia Ruoxue, the seemingly contemptuous Jingtian sword suddenly enlarges!

The key is also accompanied by a thundering dragon chant!How is that possible?

Such a mole ant even broke out the power of transcending the heaven and God!

The next moment, the ferocious black dragon felt a flash of light on his body!

Then, it watched his body in the gradual dispersion!

Finally, it must be a blood mist.

Before it turns into blood mist, its eyes shrink constantly.

Because Because it saw an amazing existence!

It was the shadow of a blood dragon.

The shadow of the blood dragon!

A look of contempt makes it feel small!

It It's like the God of the nine heaven dragon hall!

One second.

Two seconds.

Three seconds.

Xia Ruoxue is surprised to find that her body has not been torn, and she is still alive.

She opened her eyes in disbelief, but she saw the fearsome eyes of the ferocious black dragon!

As if afraid of something!

"Bang!"

The black dragon instantly turned into a blood mist.

Xia Ruoxue's brain is blank. She is very clear about her power. This sword can't have this effect at all!

How to explain what happened in front of you?

"Snow sister, look behind you."

The voice of the spirit of samsara star stone comes.

Xia Ruoxue was stunned and her rigid body turned. Finally, she saw an unforgettable picture in this life.

A ten thousand Zhang blood dragon stands proud and proud, and its body runs through the blood lake and the sky!

The awe inspiring breath is awe inspiring!

The blood of the dragon scale directly attacked her spirit.

And those countless dragons flying in the sky actually dive down one by one, with their heads slightly low, as if they were doing some kind of ceremony of submission.

Xia Ruoxue covers his mouth and feels a trace of familiarity with the blood dragon.

It's like we've met before.

Suddenly, she thought of what, trembling voice: "you are the blood dragon virtual shadow in Ye Chen's body?"

The dragon's body slowly fell down, and the dragon's head slowly approached Xia Ruoxue.

A familiar voice came: "if snow girl, I'm late."

"No one dares to touch you with me."

However, the words are still declining. On the lake of blood, the void is torn, and an angry dragon chant spreads out!

As if the blood dragon's behavior angered something!

The other side's breath is still strong.

The blood dragon turned to protect Xia Ruoxue, then gazed at the void and said, "if you tear the void, it will be earth shaking!"

"Think it over."

Threat!

A naked threat!

This is the foundation of blood dragon!

And the torn void pauses for a few seconds and then closes.

Everything was calm.

At the moment, Xia Ruoxue's brain is still blank, she reaches out her hand and touches the virtual shadow of blood dragon unreasonably.

The virtual shadow scattered, the body condensed, and finally gathered into a dragon scale.

Under the crystal clear dragon scale, a voice came out: "miss Ruoxue, I'm trapped in the abyss now, and I can't break through the forbidden abyss, but this dragon scale can protect you, and you can rest assured."

Chapter 2854

Xia Ruoxue clenched the Dragon scales and showed a smile.

This dragon scale gives her peace of mind, as ye Chen gives her.

"Xingling, let's go to the bottom of the lake."

Summer snow road.

Reincarnation star stone nods, instantly with the summer snow dive.

Soon, the figure disappeared and the lake was calm, as if nothing had happened.

.....

At the same time, the first Kingdom, the dragon family.

The whole dragon family, because of a once waste sentence, seems to have fallen into the cold winter of below zero several Baidu in an instant. The souls of all people will be frozen for it!

What did long Xiao say?

All the people in the dragon family are looking at Longxiao with horror on their faces. They suspect that something is wrong with their ears!

Since he lost his martial arts talent, he has always been submissive, like a servant. At this time, he even ridiculed Wu Fei, who could destroy the whole dragon family by breathing?

Or naked ridicule Wu Fei is not worthy!

This, is to die?

Don't you see them all on your knees!

The look on the main face of the dragon family quickly changed from horror to horror!

It doesn't matter if Long Xiao kills himself. But what if he annoys Wu Fei and implicates the whole dragon family?

Thinking of Wu Fei's hairy background and the strength against the sky, Long Yue couldn't help shivering, and his body began to soften!

Moreover, as far as he knows, the thousand corpse cult is very good at refining corpses

The dragon family, are not all good materials?

Long Yue's face was pale. He was scared to be in a coma. He immediately roared at Longxiao: "Longxiao! Are you crazy! What kind of infatuation did you get from that boy named ye? How dare you offend Mr. Wu so much?

Please get down on your knees and apologize

For fear of being implicated by Longxiao, a group of worshippers of the dragon family yelled at Longxiao with ferocious faces: "things that don't know how to live or die, kneel down!"

"How dare you offend Mr. Wu? Apologize now

"Why do you kneel down for Mr. Wu? It's an honor for you to kneel for Mr. Wu! "

At this time, a very cold breath broke out in an instant. All the people of the dragon family who were still drinking were shivering and shivering and shut their mouths!

Wu Fei's eyes are covered with blood, and his anger seems to burn up the whole world!

Wu Fei, a genius of ancient deity and true disciple of thousand corpse cult, was insulted by a lowly waste who was kneaded at will?

"You say, this childe, unworthy?"

He was livid, just like a fierce ghost, staring at Ye Chen, almost roaring and sneering: "ha ha, you seem to trust the strength of that boy around you?"

His eyes suddenly became grim and said, "Longxiao! I'll show you now whether I deserve it or not

Wu Liuyuan, on the other side, also said cruelly: "brother, leave them one breath. I promise that they will soon be allowed to kneel down in front of you, kowtow and apologize for today's stupidity."

The next moment, rolling gray Yin Qi, like a flood, swept across the world. Wu Fei's whole body flashed with gray light, and ghosts appeared in the Yin Qi!

All the people in the dragon family are astonished and shocked again and again!

The whole body blood, is frozen for it, the fear has arrived indescribable!

In the gray air, there were thousands of monstrous and ugly corpses and skeletons in different shapes!

The corpse stinks and spreads all over the world. Even if they smell a trace of their accomplishments, they are purple and almost faint!

But at this time, they even forgot to flee. In other words, they were so shocked that they could not even move in front of Wu Fei!

How could this happen?

These thousands of zombies, each of them, is not in chaos!

Although Qianshi cult is good at refining corpses, it has never been heard that the martial arts of Qianshi cult can manipulate so many zombies!

At most, three, five or six, it should be to the limit, right?

If every martial artist of the thousand corpse cult can control thousands of corpses, how can such a terrifying sect be a force that ordinary people can provoke?

All of a sudden, all the people in the dragon family all showed a sudden color

Because they saw Wu Fei's eyes!

In those eyes, the golden light explodes!

Wu Fei must be able to control so many zombies because of his ancient body power!

Thousands of corpses come into the world, think about it, it makes people cold all over!

Seeing this extremely frightening scene, even long Xiao couldn't keep calm, his eyes trembled slightly

Wu Fei had a good look at Longxiao's expression and said with a scornful smile: "Longxiao, what's the matter with you? Just now, didn't you say that I didn't deserve it? Why, I'm so scared by my child's body? "

"Now, do you dare to repeat what you just said to me?" he sneered. The body of controlling corpses was not a very powerful Dharma body in ancient deities. The most important power is to manipulate corpses!

But!

For Wu Fei, the body of controlling the corpse is the most suitable Dharma for him, because the body of controlling corpse is very consistent with the skill of thousand corpse cult!

This is not entirely a coincidence. After all, the reason why Qian Shi Jiao took a fancy to Wu Fei was that he had excellent talent in controlling corpses!

Anyway, after awakening the body of controlling corpses, Wu Fei's strength has soared like a rocket. Now he even has the confidence to fight some elders of zongmen!

Long Xiao opened his mouth, but for a while, he couldn't speak!

Although, Long Xiao believes in Ye Chen very much, but after all, he has experienced too little. When did he see such a scene?

It's normal to be shocked for a while!

Wu Fei's face is even more proud. He turns his eyes and looks at Ye Chen.

This boy, at the beginning of his appearance, he looked indifferent. He was very upset. Now, after seeing his terrible power of controlling thousands of corpses, he should have been nearly paralyzed by fear, and could not bear it completely?

But when Wu Fei looks at Ye Chen, his face is stiff!

In my eyes, I can't believe it!

At this time, the young man who had cut through the adversity was still a light look?

As if, did not notice oneself to summon this terrible corpse army general!

Wu Fei's eyes almost burst out fire. He bit his teeth and swallowed Ye Chen!

Why isn't he afraid and begging for mercy?

Why, or a face that does not put oneself in the eye completely!

Ye Chen's attitude, like a sharp needle, stings Wu Fei's self-esteem. His already tense nerves are completely broken, and his eyes turn red with blood and are filled with violent killing intention!

his mouth gives out an inhuman roar, which is almost possessed by demons!

Chapter 2855

The thousands of corpses seemed to feel the master's anger. In their eyes, the blood flashed and sent out a shrill roar. For a time, the wind was blowing everywhere, and the ghost roared incessantly. The whole city of Tianhui was filled with creepy breath, just like a hell city full of fierce ghosts!

Even Wu Liuyuan, on the other side, saw this scene, his face changed slightly, and a trace of fear appeared on his face!

He knows his elder brother's character very well. Although Wu Fei is always cold and cold, in fact, Wu Fei's nature is more cruel than himself!

Once Wu Fei really gets angry and exposes his nature, he can't torture one or two people and can solve it!

Wu Liuyuan swallows his saliva. If he doesn't do it well, Wu Fei will butcher the whole city of Tianhui, so that he can regain his senses!

At this time, the thousands of heads were covered with green hair like steel needles. Their skin was blue and black, their tusks were exposed outside their mouth, and their eyes were red with blood. All of them were full of yin and roared towards Ye Chen!

Seeing this scene, even long Xiao couldn't help crying out in horror: "be careful, Mr. Ye!"

Although Long Yue, the leader of the dragon family, was also extremely frightened, he could not help but show a little joy of revenge. He showed a twisted smile, and he was looking forward to seeing ye Chen being eaten by the corpses. His lips trembled and muttered:

"die! Die now! That's what you've done to break my son's heart! "

That thousands of zombies, like the army of destroying the sun, blink of an eye, they came to Ye Chen's body!

At this time, ye Chen's face, finally had a trace of change.

Not dignified, not frightened, but

A faint smile.

As if, to see a group of ants, is climbing towards themselves, to eat their own general!

The combat effectiveness of these thousands of zombies is not weak even in terms of the martial arts level of the first Kingdom. Not only are all the strength above the middle stage of chaos, but also there are three corpse kings in the later stage of chaos!

Wu Fei, who can control the thousands of zombie battles, is already an elite among the elites, although he can't be compared with the real genius of the first Kingdom.

Unfortunately, he met Ye Chen!

A man who can't be measured by common sense!

A breath, suddenly burst out of Ye Chen's body. The Yin wind, which was originally howling in Tianhui City, subsided without warning at the moment when the breath appeared!

In Tianhui City, those people who are shaking their eyes and shivering for fear and Yin Qi are stunned. On their faces, there is an unknown color

That almost will freeze their bone marrow Yin Qi, how, suddenly, disappeared?

And within the Dragon House, time seems to have a moment of stillness!

Freeze frame in thousands of zombies, rush to the moment in front of Ye Chen!

Bang

The next second, an explosion broke the stillness, time, and began to flow again

What was that explosion?

In people's eyes, a touch of blood floating!

Then, all the people of the dragon family, Wu Liuyuan, and even Wu Fei in his rage, couldn't help but open their eyes!

Burst

The one closest to Ye Chen, with white hair all over, looks like a zombie with dry skin, just burst!

Coagulated in the body, the extremely smelly black red blood turned into a blood flower. This fierce looking zombie turned into a blood mist before everyone's eyes!

Even the blood mist can't touch the corner of Ye Chen's clothes!

Wu Fei's whole body was excited. On his back, he was cold. In an instant, he recovered his composure from his rage!

He looked at the scene in disbelief, even panic!

No one knows better than him the horror of the zombies he manipulates!

That, but a white hair blood corpse, grade, although in the army of thousands of corpses under his control, it can only be regarded as medium-sized, but the most powerful white hair blood corpse is its hard body like steel!

Even Wu Fei has no confidence to smash the white haired blood corpse into a blood mist. Now, ye Chen is shattered by his breath?

It's impossible, right?

Don't say ye Chen is a martial arts person who cuts off adversity. Even ordinary strong people in chaotic environment can't do it?

What is the origin of this boy!?

Wu Fei has long forgotten what self-respect, pride, only shock and madness!

However, the explosion of the white haired blood corpse is just the beginning

Bang

Another explosion, another black Zombie turned into blood mist

The explosion, like a fallen domique, the whole corpse group, in an instant, like firecrackers for the Chinese new year, exploded constantly!

BAM, BAM, BAM, BAMIn one breath time, thousands of people are so terrible that they can kill all the zombies in Tianhui City effortlessly. In this way, in the explosion, they turn into thick blood fog and disperse with the wind

Even the three dead kings in the later stage of chaos are no exception!

All of them looked sluggish. For a while, they didn't respond. What happened

With a puff, Wu Liuyuan trembled all over his body. His face was even more ugly than those dead corpses who had already disappeared. He was so frightened that he could not even control his spiritual power. He fell directly to the ground from the air!

This fall, it seems that finally, awakened the people around!

"It's impossible! All this is an illusion

Wu Fei screamed in terror, and Daoxin was on the verge of collapse. Although he said it was an illusion, he turned around without hesitation and ran with all his strength. His body turned into a shadow and flew towards the sky!

In a twinkling of an eye, a thousand heads of corpses were killed just by the breath. This is a magic like means. Even with the martial arts of the first Kingdom, it is unimaginable terror power!

Wu Fei, where is there any sense of resistance? He just want to, leave Ye Chen far away, this life, never see ye Chen again!

Wu Liuyuan's eyes trembled, and he cried out in despair: "brother! Help me! Don't leave me alone

But Wu Fei, who has always cared for Wu Liuyuan, seems to be deaf and runs away with all his strength!

Ye Chen scornfully glanced at Wu Fei, reached out to his back, slightly empty grip.

Originally, Wu Fei, who was still rushing at a high speed, suddenly became a congealed figure. The space around him seemed to be imprisoned in an instant, unable to move!

Ye Chen takes a move at will, and Wu Fei's body shape will be several times faster than when he ran away. He flies backward and smashes in front of Ye Chen with a roar!

This smash, let this chaos state eight layers of heaven's ancient god body genius, covered with blood, dying!

Ye Chen looked down at Wu Fei on the ground and said, "now, do you still think you deserve it? Well? "

Chapter 2856

Match?

Everyone was stunned at the hearing of the speech, and then remembered that Wu Fei wanted Ye Chen to kneel down just now!

Their hearts trembled, just think about it, let Ye Chen such a god like existence kneel, these people, will be scared to disperse

They now fully understand why Longxiao believes and respects Ye Chen!

They just hate, they know, it's too late!

Thinking of the previous ridicule of Ye Chen, all the people of the dragon family almost fainted

Wu Fei, on the other hand, is completely crazy. His eyes are filled with fear, and he shakes his head madly and says, "I am not worthy, I am not worthy, I am not worthy at all. Please forgive me, forgive me!"

Looking at Wu Fei's humble appearance, ye Chen even lost his interest in meeting him. He offered a Sha sword without expression, and fell down heavily. The evil intention of Sha Jian surged, turning Wu Fei on the ground into a cloud of blood.

Before the first World War of Qing emperor, he might not be able to fight against the eight layers of chaos.

But after the first World War, his understanding of everything was ahead of time.

Not only that, Wu Fei can't be compared with the general chaotic state of eight layers of heaven.

It's just a heresy to control a corpse.

The strong man of martial arts comes from himself!

You are the most powerful weapon!

Then, he looked at Wu Liuyuan and walked slowly towards him.

Every step, ye Chen's look is gloomy!

From Wu Liuyuan's body, he felt the breath of the blue robed youth!

Although Ye Chen was not related to the blue robed youth, he was poisoned by Wu Liuyuan. In the final analysis, he solved his doubts and helped himself!

Ye Chen, the most intolerable, is to help their own people, because of their own and suffered harm!

Wu Liuyuan, who always enjoyed torturing people, finally realized the feelings of those victims!

Behind Ye Chen, there seems to be a sea of corpses floating in the sea. It looks like the most terrible executioner in the world!

"Don't come here, don't come over!"

Wu Liuyuan trembled and moved back. The whole person was almost burst by fear!

Ye Chen's face flashed with a sharp flash and a fierce foot. He stepped on Wu Liuyuan's body with a roar. Wu Liuyuan's bones were completely smashed, just like a pool of rotten meat, paralyzed in a pool of blood!

Ye Chen said in a cold voice, "what have you done to the man in blue robe?"

Wu Liuyuan vomits the blood, hears the speech, but the eye trembles, avoids Ye Chen's vision.

"Say it

Ye Chen suddenly drinks a sound, huge force gushes out, instantly will Wu Liuyuan's Dantian, all stirs up!

Wu Liuyuan vomited blood and said, "death Dead, Mr. Ye, I didn't mean to. Please, please give me a chance. All the martial arts resources of Wu family can be given to you. Please spare my life, please... "

In Ye Chen's eyes, he was angry and said with a sneer: "do you still want to live? Hehe, then, I'll let you live. "

When Wu Liuyuan heard the speech, his face was overjoyed and said gratefully: "thank you, Mr. Ye! I'll get in touch with my father and ask him to send me martial arts training resources! "

Long Xiao hears the speech and frowns slightly. Is Mr. Ye so snobbish?

Do you really want to let this scum go for martial arts resources?

But the next moment, ye Chen is a wave, took out a big black tripod!

As soon as the tripod comes out, a strong evil spirit will sweep all directions!

Wu Liuyuan looked at the tripod and the cruel smile on Ye Chen's face. In his heart, he felt a sense of foreboding

This smile, he is very familiar with, every time he wants to torture others, will show such a smile

Wu Liuyuan forced a dry smile at Ye Chen and said, "Ye Mr. Ye, what are you doing? "

Ye Chen looked down at Wu Liuyuan and said, "don't you want to live?"

He cut down many strong men, but got a lot of good things in his hands.

This big tripod, from the extremely evil country you mieyun's hand, is called the cooking tripod!

What is cooking tripod?

As the name suggests, it is to put people into the cauldron and boil them to death!

This cooking is different from ordinary cooking. It will not kill the martial arts practitioners, but will constantly decompose and melt every trace of the martial arts practitioners' flesh and blood. Even the spirit and spirit will become seasoning and be gradually eaten away!

That kind of pain, can't imagine, how terrible!

Finally, the martial arts practitioners in the tripod will survive in a state of blood and water, forever, and suffer torture in the process of cooking people's tripod!

As long as you enter the cooking tripod, after three breaths, I'm afraid anyone has only one idea, that is, let them die!

Unfortunately, the chance to enter the cauldron and even die has been completely deprived!

Wu Liuyuan, don't you want to live? Then, let him live. The longer he lives, the better!

Ye Chen slapped the lid of the tripod, and the heavy lid flew away. A stream of blood light absorbed Wu Liuyuan into the tripod. The blazing breath escaped from the tripod. Almost a short breath, Wu Liuyuan's scream came out of the tripod!

The second breath, Wu Liuyuan, began to beg Ye Chen, kill himself!

Ye Chen's face is extremely indifferent, but will cook the tripod, put away again.

Treat people in their own way.

Then he looked at the dragon family.

Those people, after seeing Wu Liuyuan's fate, only felt that their brains would coagulate. They knelt down in succession shaking and kneeling in front of Ye Chen and constantly kowtow to ask for his forgiveness!

Especially, the Dragon jump!

Almost smashed my head!

Ye Chen said faintly: "from today on, Longxiao is the master of the dragon family. Anyone who dares to be disrespectful to him, you know the end."

He knows that after long Jingyan recovers, he and long Jingyan will leave. Although Long Xiao has recovered his martial arts talent, it will take some time for him to catch up with Long Yue and others. Ye Chen simply goes ahead and helps him to conquer the dragon family.

How dare the people have the slightest disobedience?

Even survived, are lucky ah!

Under the leadership of Long Yue, they knelt on the ground one by one, climbed to the front of Longxiao, and begged: "master, before we had no eyes, we offended you, please punish me!"

They know that their lives are now in the hands of Longxiao.

Long Xiao smell speech, light way: "before the matter, I forget the past, but this is the first time, also the last time!"

His eyes twinkled. Although he was relying on Ye Chen to recapture the dragon family, he would only practice harder with the pride of Longxiao and subdue the public with his own strength!

"Yes," they said

Ye Chen saw this, but he said with a smile: "Longxiao, we should also go to Jiesha spring."

"Yes, Mr. Ye!" Longxiao said

Every time in Jiesha spring, and ye Chen Jiesha, he has a lot of harvest!

The two men disappeared from the dragon's house, but all of them still knelt on the ground and did not dare to look up.

Chapter 2857

.....

Ten days later, the evil spirit in Jiesha spring was rolling. A long sword was hanging on the spring, and the whole evil spirit was suppressed. A young man with a beautiful face was standing at the edge of the spring, concentrating on the strong and incomparable evil spirit.

In the hot spring fog, there is a man and a woman, immersed in the spring.

All of a sudden, ye Chen's face moved, and a glimmer of joy flashed in his eyes. With a wave of his hand, he put the Sha sword away. The boy beside the spring stopped immediately, and no longer stirred the evil spirit in long Jingyan's body.

Longxiao glanced at Jiesha spring with some doubts. There should be a little gap between the two. Ye Chen, how did you stop?

Do you mean

Think of here, the same vision of Longxiao!

At this time, ye Chen in the arms of the beautiful woman, beautiful light Cu, slowly opened her eyes.

She looked around in some doubt, as if she didn't understand what had happened.

Just then, a man's voice sounded in her ear.

"Are you awake?"

At this time, long Jingyan suddenly realized that she I feel as if I was held by a man, and I am still in the hot spring, and my skin is close to each other!

This picture, too ambiguous!

If it was not for her body, still wearing clothes, long Jingyan, I'm afraid she would lose her mind on the spot!

However, even so, she is also full of crimson, killing the whole body rolling!

Longxiao at the edge of the spring felt the strong killing intention. He could not help but turn pale. He stepped back a few steps and was slightly stunned. This What's going on?

Ye Chen is a light smile, long Jingyan or and the original meeting the same, motionless, want to kill the appearance.

The woman in his arms suddenly turned around, and her whole body was agitated by the spring water in Jiesha spring. In her hand, she also held a long sword!

But when she saw clearly the face of the man in front of her, a look of amazement appeared on her pretty face. Some of them couldn't believe it and said, "Ye Chen?"

The idea of killing heaven and earth dissipated in an instant. The two people stood in the hot spring and looked at each other. The water mist floated. The atmosphere was beautiful for a time.

Ye Chen looked at the beautiful woman in front of her and said: "how? Was it a surprise? Or do you regret coming out of my arms so soon after you saw me? "

"You Long Jingyan smell speech, pretty face more crimson a minute, bashful ground Jiao drink a, but the bottom of the heart, can't help but gush a warm current.

On that day, she used the body of sealing evil spirit. What she absorbed from ye Chen's body was the extremely pure Qi of extremely evil spirit, which originated from Zhenjian stone. But it was not easy to resolve. It must be that ye Chen spent a lot of efforts to save herself?

Ye Chen suddenly moved and came to the side of long Jingyan and said with a smile, "let's leave here first. You should also tell me the reason why I was saved that day."

Long Jingyan is still blushing. For one thing, she still has some residual extremely evil Qi in her body, which is not suitable for using spiritual power at will. Secondly, ye Chen may have touched herself many times in order to help her relieve the evil spirit these days.

Besides, her father has already told her

The three soon return to the dragon's home. Ye Chen and long Jingyan tell each other about killing you mieyun. You Xuaner tells him about his life experience. He enters the first divine Kingdom, finds the dragon family, and carries out Jiesha.

And long Jingyan also told her father's advice.

It turns out that long Jingyan's father found that the people of the dragon family had the body of sealing evil spirits. Although they could refine the evil spirit, they also became the restrictions of the dragon family!

The more powerful his cultivation was, the more he needed to absorb the extremely pure spirit of evil spirit. Therefore, he left the dragon family to find a place with pure evil spirit. Finally, he came to the country of extreme evil spirit.

Long Jingyan's father found that if he wanted to solve the problem of sealing the evil spirit once and for all, he had to use the Sha sword sealed in the holy land to plant evil spirits!

As the name suggests, it is to plant the extremely pure evil spirit into the body. Over time, the evil spirit can be combined with the blood. In the body of a martial artist, evil spirit can be generated by itself, once and for all!

In this way, the body of sealing evil spirit will also be upgraded to a higher level, and the physical fitness of the martial arts practitioners will be strengthened all the time. Even if it is very small, it will bring unimaginable benefits after years of accumulation!

But in the end, he failed, but before he died, he told long Jingyan that if there was a man who could take out the evil sword, he would be the one that long Jingyan must follow!

Even for this man!

That is to say, long Jingyan's father decided everything many years ago!

In long Jingyan's mind, taking out the evil sword has always been a very sacred thing. After all, her father paid his life for it, but even her respected father did not do it. Ye Chen did it!

When ye Chen holds the evil sword and appears in front of her, the heart of long Jingyan is faint and shaken

Moreover, this is not only for her own sake, but also for the whole dragon family and future generations, which is also her father's dream. The more Ye Chen listened, his expression became more and more strange, and long Jingyan, blushing, had already lowered her head and looked at the ground.

Long Jingyan's figure and hot degree are few people comparable in the kingdom of God, and long Jingyan has saved Ye Chen.

If ye chenruo said that there was no feeling, it was false.

However, this kind of thing, ye Chen always thinks, let it be.

Immediately, he took a jade slip handed to him by long Jingyan, which recorded the method of seed evil created by her father.

Three days later, ye Chen stands in the courtyard holding a Sha sword, while long Jingyan and long Xiao sit in front of him, eyes slightly closed, holding yuan Shou Yi.

All of a sudden, the Sha sword in Ye Chen's hand flashed with blood light, and turned into two black runes under the control of Ye Chen!

On this rune, a flash of dark light shot into longjingyan's eyebrows!

Both longjingyan frowned, and a trace of reluctance appeared on her face. The evil spirit in her body rolled and penetrated into the bone marrow. She and she had to operate the body of sealing evil spirit and suppress it with all her strength to prevent the outbreak of evil spirit!

Ye Chen stares at the two people, in case of an accident, he can make an instant move.

After another three days, long Jingyan and long Xiao finally opened their eyebrows. They opened their eyes one after another. In their eyes, there was a color of ecstasy!

You've made it!

From then on, they no longer need to rely on external evil spirit to satisfy the body of sealing evil spirit. It can even be said that their martial arts qualification has been upgraded to a higher level!

At this time, ye Chen's face suddenly moved. A jade card appeared in his hand. It was song Jinyi's sacred alliance keepsake!

At this time, the jade plate is flashing a light of gold!

Chapter 2858

Ye Chen sank his mind into the jade plate. After a moment, he said, "Jingyan, your body has not been fully recovered. You should stay at the dragon's home for a rest. I have something to deal with, so I have to leave for a while."

.....

At this time, more than ten young men and women gathered in a large and magnificent hall.

In the hall, there is a long table with 12 seats on both sides.

In addition to the first Kingdom, the other six kingdoms sent two people to help.

Don't underestimate these two people. One of the two sent by each kingdom is the guardian of the kingdom. After all, it will be much easier to return the two countries and have their own guardians.

The key is another person!

This time, it's very important to ask for demons. Each kingdom of God has no slightest contempt!

The other person who came to beg for the devil was the young genius who could take the hand among the great gods!

This hall is a meeting room for visitors from the six kingdoms of God.

However, many people in the hall did not look very good at this time, because one of the twelve positions on the long table was empty

And beside the empty seat, there is a beautiful woman with cool temperament, who is Tu Lanxin!

There, the seat of the seventh kingdom!

This meeting was organized by the most powerful people of the second God Kingdom, but ye Chen did not show up. They have been waiting for ye Chen here for half an hour

Many people from all over the world, especially among the most powerful, have a gloomy face!

As the most powerful youth in all countries, they are the supreme existence in their own country. When did they wait for others?

However, it is strange that some of them, and most of their guardians, are calm and lifeless.

Why?

Because, these people have entered the Shenyuan secret place!

Ye Chen killed Confucius in the secret place that day, which left a deep impression on them!

Sitting on the first seat, there was a man and a woman.

The man is handsome, fair complexion, slightly sharp chin, but not losing his heroism. He has a tall nose, a long silver hair, and shoulders. He is wearing a black robe with luxurious fabric, which forms a sharp contrast with the white skin of silver hair, and adds coldness and coldness!

The most striking thing is that the young man's eyes are filled with silver!

This man is a genius of ancient divinity in the second Kingdom, and he has never entered the secret realm of Shenyuan!

Generally speaking, the martial arts practitioners who enter the Shenyuan secret realm will not be stimulated by the forces of the plane and awaken the ancient deities. Their foundation of martial arts will be more stable. As time goes on, they will gradually open a gap with the genius of ancient deities.

In the early days, some talented people may be crushed by the gods!

This second god man, obviously, is such a existence!

He is now the second God of the genius of martial arts, wind Shaoyu!

Feng Shaoyu is also the most powerful one among all the warriors on the scene. He is a nine layer heaven in chaotic state!

Moreover, it is said that the ancient deity awakened by fengshaoyu, though awakened under the stimulation of the original power, is also an extremely powerful existence, even comparable to the real ancient deity!

Real combat effectiveness, even immeasurable!

Now, it seems that the representatives of the first God Kingdom have not met with the people because of some special mission.

Therefore, in the case of No.1 Shenguo Zhiqiang, they unanimously recommended Feng Shaoyu as the temporary leader!

The reason why we want to choose a leader is that they seem to have found the trace of the demon!

In the next period of time, the strongest of the six kingdoms should act together. Since it is a joint action, naturally, it needs a leader.

Even though they are extremely proud, they also know that it is not a good thing to face the strange demons who survived the last war between man and devil!

Feng Shaoyu lived in the second Shenguo for a long time. He was born in a first-class family and was trained as a leader since he was a child. Therefore, the children of the big family often have a different desire for power!

Therefore, for the team leader, he will not refuse!

Even as soon as he was elected as the team leader, Feng Shaoyu immediately organized the meeting!

And sitting next to Feng Shaoyu is a woman with black hair and bloody eyes. Her face is very delicate and lovely. She is tall and wears a white gauze skirt.

She is the guardian of the second Kingdom, named Yunziying.

At this time, Yun Ziyang's pretty face is quite calm. She just looks at Xiangfeng Shaoyu with some worries. She knows that Feng Shaoyu has always been a bad temper!!'m afraid he would have broken out if he hadn't stopped him secretly!

However, she knows that wind Shaoyu is about to reach the limit. If it goes on like this, even she can't stop it!

Feng Shaoyu's handsome face is covered with clouds, and his eyes flash with thunder. His eyes seem to be splitting the whole world into pieces!

A trace of violent breath, from its body, rippling out!

Originally, it was a pleasure for him to be able to command the powerful existence of the major divine kingdoms, but who would have thought that at the first meeting, he would be stood up!

What's more, he is the weakest warrior of the seventh kingdom!

Although he had never entered the Shenyuan secret realm, he also heard about ye Chen's deeds. After all, ye Chen killed Confucius on that day and fought against the Spirit descending breath of the ancestor of Wanfa sect. His attack was so shocking that he was taken back to his country by the warriors who had already returned from the Shenyuan secret place and spread it all over the major Shenyuan kingdoms.

And more pass more mysterious, wind little feather want to know hard!

However, the wind less feather, does not regard Ye Chen as one thing!

It's amazing to enter the secret land of Shenyuan? Ha ha

The warrior of Shenyuan secret realm is not trampled on by him?

What about killing Confucius? In his opinion, Confucius is just like this!

Moreover, it is very likely that there is some element of false information. Maybe, this boy is not as powerful as people think!

But now, he was pigeoned by a boy from the seventh kingdom!

In Feng Shaoyu's opinion, ye Chen is not satisfied with him, that is to say, if he kills Confucius, he will be invincible, and he is qualified to challenge his majesty and power!

Ha ha

This, for Feng Shaoyu, is undoubtedly an insult!

From small to large, to hand power, he never let go!

Finally, Feng Shaoyu can't bear it anymore!

Chapter 2859

He ignored Yun Ziying's hint in his eyes, and his face sank. He gave Tu Lanxin a sharp drink and said, "Tu Lan Xin, you seventh kingdom, who is called Ye Chen, why don't you come! I don't know how much time has been lost because of him?"

If it's about asking for demons, what's wrong? Can you afford it? Ha ha, your seventh kingdom of God, it's really the mud that can't help the wall. The laggard is always the existence of the laggard! "

Tu Lan's heart heard the words, and her eyebrows frowned slightly. The attitude of the wind and little feather was too bad!

Even, they insult the seventh kingdom directly!

Although they elected him as the leader, in essence, the warriors of the great kingdoms are equal!

The leader, can lead, can decide the direction, but does not mean that Feng Shaoyu can use this tone to ask her! Not to insult her kingdom directly!

Tu Lan Xin heard the words and said coldly, "Mr. Feng, I have already said that ye Chen had something to do before. Now he has come here with all his strength. I apologize for his being late. If you don't want to wait, you can start the meeting first.

Even if you want to exclude the seventh kingdom, we have no opinion. At that time, the seventh kingdom can act alone! "

She knows that the reason why Feng Shaoyu is angry is not because of discussing the matter of asking for the devil, and ye Chen is not there!

What if ye Chen is not here? Can't you convey the content of the meeting?

Feng Shaoyu is angry because he feels that his power has been shaken!

For Feng Shaoyu, who likes to play with politics, Tu Lanxin thinks that it may not be a good thing for him to direct the demons. Moreover, even if Feng Shaoyu wants to exclude the seventh divine Kingdom, Tu Lanxin doesn't think it's a big deal. For ye Chen's strength, Tu Lanxin has absolute confidence!

Ye Chen, enough to be on your own!

"What are you talking about?"

Feng Shaoyu, with blue tendons on his forehead, is tense and angry. He stares at TU Lan Xin, like a wild animal that wants to eat people!

This woman, however, is an existence in the later stage of chaos. She dares to disobey herself in front of the most powerful countries!

He is now more convinced that ye Chen is to challenge his authority and win the post of leader with himself. All this is arranged by Ye Chen!

"Shaoyu!"

Yun Ziying quickly grabbed Feng Shaoyu, who was almost ready to stand up. She dissuaded him and said, "everyone is here to beg for the devil. It is also a matter of reason that ye Gongzi is late. Tu Xianzi has apologized. Why hurt the harmony?"

It's ok if she doesn't persuade her. However, Feng Shaoyu is more angry!

Even Yun Ziying is not on his side?

What's the big deal about this kid? Can't you compare yourself to the waste of a seventh kingdom?

At this time, sitting at the head of the second God Kingdom, a young man in a red robe, with a pale and obscene face and a lustrous look in his eyes, said with a scornful smile:

"ha ha, you don't know, this young master Ye's extravagance is very big, do you know? During this period of time, he never appeared in the alliance. All the tasks assigned by the alliance were completed by the butcher fairy. "

He glanced at TU Lan Xin, and a trace of greed flashed in his eyes. He said playfully, "Tu Xianzi, what's good about such a man? Why don't you follow me to join our third kingdom? Ha ha, I promise you won't regret it

This man is the first young man of the third kingdom, Xiao Bao!

Third, the kingdom of God was completely destroyed in the secret land of Shenyuan. Xiao Bao, of course, did not witness the battle between Ye Chen and Kong Xian. For ye Chen, it can be said that he did not have the slightest awe, but was as contemptuous as Feng Shaoyu!

Tu Lan's heart and eyes in the eyes of the Han mang flash way: "you speak, had better pay attention to a bit!"

Xiao Bao shrugs his shoulders indifferently. He doesn't care about Tu Lanxin's threat. If his accomplishments are not low, how can he be afraid of Tu Lanxin?

On the contrary, he looked at TU Lanxin's eyes and became more unscrupulous. Xiao Bao sneered in his heart and said, "Stinky girls, dare you contradict me? Hehe, if you have a chance, you must get it. Then, you will cry and admit your mistake to me? "

The reason why Xiao Bao said this is to please Feng Shaoyu and make a stand!

At this time, standing in line is very important. After all, it is extremely dangerous to ask for demons. He has no interest in making cannon fodder.

Sure enough, Feng Shaoyu gives him an appreciative look.

The others hesitated for a moment, and then someone said, "yes, Mr. Feng is our leader now. Tu Xianzi, you don't respect the leader too much when you say that!"

"Yes, I should admit my mistake to Mr. Feng!"

"The seventh kingdom of God has just been recognized by our major theocracies. Is it going to be special?"

Under the influence of Xiao Bao, these people have also expressed their attitudes, for fear that they are too late to stand in the team, which will arouse the disgust of fengshaoyu!

All martial arts practitioners are extremely realistic. Ye Chen was very strong and terrifying in the Shenyuan secret place!

But what about the strength now? Wind less feather, but the real chaotic situation, nine layers of heaven exist!

Chaos beyond the horizon, a layer of sky gap is the natural moat!

Nine layer sky strong person can even kill a hundred eight layer sky strong person!

Ye Chen is against the sky again, also very likely is not the opponent of Feng Shaoyu!

Therefore, they all choose to stand on the side of fengshaoyu!

When Feng Shaoyu heard the words, he looked at Tu Lanxin's eyes more and more satisfied. He said with a sneer and sarcasm on his face: "Tu Lan Xin, did you hear that? I'll give you a chance to apologize for your impoliteness just now. I don't need to kneel down. I'll go and pour me a glass of bar! "

There was a silence in the hall.

A moment later, Tu Lanxin actually stood up. Feng Shaoyu saw this, and the irony of his mouth became more and more obvious!

Some other martial arts practitioners are slightly stunned. Tu Lanxin is in the Shenyuan secret place. But for Ye Chen, the woman who fights with Kong Xian is really going to pour wine for Feng Shaoyu?

But at the next moment, Tu Lanxin turned around and went directly to the gate of the hall!

They all changed their faces. They were shocked to see Tu Lanxin's leaving

This is to give Feng Shaoyu no face at all!

It's equivalent to, straight in the face, right?

They quietly look at fengshaoyu. At this time, fengshaoyu is full of ferocious color. Obviously, their anger is extreme!

He suddenly stood up, with a roar, the breath of the eight layers of chaos broke out, and he said, "who allowed you to leave?"

For a moment, the air in the hall seemed to be solidified. Originally, Tu Lanxin, who was walking towards the hall, was white in face and flashing with horror in her beautiful eyes. Under this terrible breath, she did not even take a step, but she did not have the power to move her fingers!

As if, was frozen in this hall in general!

Chapter 2860

People look at TU Lan Xin with interest. This is the end of confronting Feng Shaoyu and not giving him face at all!

Only cloud Ziyang anxiously dissuades Feng Shaoyu: "Shaoyu! what are you doing? Tomorrow, we have to act together. How can the leader treat the members like this? "

But the wind little feather, in the eye is flashing fierce fierce color, sink a voice to drink a way: "you give me shut up!"

Yunziying is frightened by the tone of wind Shaoyu, and her beautiful eyes are shaking at him.

Feng Shaoyu was full of resentment and cried: "cloud purple English, do you still have some dignity? The boy surnamed Ye is just a warrior of the seventh kingdom with low cultivation. Are you scared to be silly by him? What are you afraid of?

This is how I treat this woman. What can he do with Ye Chen? You don't really think this kid can threaten me, do you? It's just a waste that doesn't even have the courage to appear in front of me. It's not worth mentioning! "

"As for team members? Hehe, I don't think the seventh kingdom is qualified to form a team with us! "

He said to Tu LAN: "you are going to leave? Why don't you go? Yeah? Do you want me to help you

At this time, Tu Lanxin has tried his best to run the spiritual power. But in the face of the threat of terror, there is no use at all

But at this time, Tu Lan Xin's whole body was filled with pressure, which suddenly coagulated, like a chain, around her delicate body.

On Tu Lan's pretty face, a startled look appeared. Suddenly, Tu Lan's body suddenly turned, and she walked unnaturally towards the place where the wine pots and glasses were placed in the hall!

People's eyes flash slightly, they know, this is Feng Shaoyu, the so-called "help you"!

This is Tu Lanxin's physical action under strong pressure!

This will do great harm to the body of the martial arts practitioners!

In particular, they can see that Tu Lanxin is desperate to resist. The damage caused by this, even worse, may affect the foundation of martial arts cultivation!

Moreover, even if Tu Lanxin is struggling to resist the control of fengshaoyu, it still doesn't help!

Shaking her jade hands, she picked up the wine pot on the table and poured it!

With the shaking of her wrist, the wine drenched her body. Not only that, Tu Lanxin's face became more and more pale, and even the corners of his mouth had overflowed with blood!

But the wind little feather, in the eye is to emerge a touch of cruelty and pleasure!

Bitches, this is what happens when you disobey me!

But at this moment, Tu Lan's wine pot in her heart fell on the ground with a splash, and the red wine slurry like blood was scattered all over the floor!

All of a sudden, a piercing sound of breaking the air resounded through the hall. The figure outside the hall flashed, and a man instantly stepped into the hall!

At the same time that the man appeared, he was filled with the hall. The terror and pressure in the later stage of chaos suddenly dissipated!

Tu Lanxin, however, is also completely free from the bondage. She is weak and weak, so she will fall to the ground. But the next moment, she feels that she has fallen into a warm embrace.

Ye Chen looked at her with concern and said, "Tu Xianzi, are you ok?"

Tu Lanxin said with a smile: "I'm ok. You'll be fine if you come."

Ye Chen nods a head way: "I come."

As he said this, he helped Tu Lanxin to one side of the chair and sat down. Slowly, he raised his head. On his face, it was like an ice sheet for all ages!

In his eyes, the intent of killing flickered. He looked at his own wind Shaoyu and said in a cold voice, "since I'm here, then, the person who hurt you, I will let him pay the price!"

The air in the hall seems to be sticky, cold and bloody in an instant!

Several other deities in the hall, looking at Ye Chen, were all trembling. At this moment, they seemed to see the man who cut the hole with a knife again, standing like the God of war!

However, these people do not include Feng Shaoyu and Xiao Bao!

When Feng Shaoyu heard this, he couldn't help laughing. He seemed to hear the funniest joke in the world: "pay the price? Boy, are you really capable of acting?"

I thought, who are you? In the end, you're just a little piece of rubbish to cut through the bad situation? It's been such a long time since you came out of the Shenyuan secret place. Do you want me to pay for this progress? "

"Ha ha, you don't think that if you kill a Kong immortal, you will be invincible in the world? Boy, because of you, my son's wine is all over the ground?"

I suggest you, now, pour me a glass of wine to make amends to me. I can forgive you, otherwise... "

His voice, suddenly Yin Li down, burst out: "sprinkle, is not only wine, but also, your blood!"

"Is it?" Ye Chen looked at the wind without expression and said, "it's a pity..."

"What a pity?" Feng Shaoyu's eyes are slightly narrowed. It seems that he wants to see through his heart from ye Chen's face.

Ye Chen said coldly: "it's a pity that if you pour me one million or ten million cups of wine, I still want to let your blood sprinkle in this hall!" All the people in the hall couldn't help swallowing their saliva, and their hearts could not help getting nervous!

Ye Chen, sure enough, ye Chen was once that ye Chen!

Still so arrogant, still, I don't know what retreat and compromise are!

For a moment, people from all over the world who had no confidence in Ye Chen had a feeling that Ye Chen would not be defeated!

Even though, they simply can't imagine how to fight against the existence of a powerful chaotic state in the middle of the disaster!

Of course, these people are all warriors who have witnessed the battle between Ye Chen and Kong Xian.

Feng Shaoyu looks more and more ferocious, and his whole body breath is violent. Obviously, under Ye Chen's unbridled provocation, he has to go ahead regardless of everything!

But at this time, a little frivolous voice sounded near the ears of Feng Shaoyu.

"Mr. Feng, be calm and don't be impatient."

Feng Shaoyu's eyes swept, and Xiao Bao stood up. His face was gloomy and he said, "even you, want to stop me?"

As long as Xiao Bao admits, he will not hesitate to fight Xiao Bao!

But Xiao Bao said with a smile: "Mr. Feng, you misunderstood me."

Said, he extremely scornfully glanced at Ye Chen and said: "this kind of waste, give it to me, child Feng personally to him, isn't it, damage your identity?"

"Oh?" Wind little feather hears speech a smile, the vision is tiny twinkle way: "do you mean?"

Indeed, this kind of rubbish, why should he do it in person?

Xiao Bao stares at Ye Chen with cold eyes and says, "if Feng Gongzi allows, Xiao is willing to do it for you!"

Ye Chen is nothing but a waste of cutting off the bad situation. Even if he once really killed Confucius, how strong can he be now?
