

## Physician 2901

### Chapter 2901

In his opinion, if ye Chen had a good temper, he would have killed the whole Taiyuan sword sect if he was himself?

However, thanks to these cerebral palsy, he was completely relieved. Ye Chen would never join the Taiyuan sword sect.

But at the moment, he is ready to open his mouth to explain, but ye Chen is a hand, will Ouyang Xi block.

He looked at Lin Siqi faintly and said, "yes."

People who believe in him will naturally believe it. Why say so much?

What's the use of explaining it to people who don't believe him?

All of them are staring at Ye Chen with a ferocious look on their faces. How can this waste admit it?

Lin Siqi burst out laughing and said, "yuerou, now, do you still think we are slandering him?"

Ye Chen looks at yuerou. Yuerou's face is white at this time, and her beautiful eyes fluctuate for a while. But after a moment, she still says firmly: "I'd like to believe Ye Chen! Meeting Ouyang Xi doesn't mean that he colludes with Ouyang Xi! "

In Lin Siqi's eyes, there is a sense of resentment. Yue Rou is stupid, and there should be a limit, right?

For this ye Chen, repeatedly against yourself?

She couldn't vent her anger on Yue Rou, so she angrily cursed at Ye Chen and said, "look what this villain has done to rouer? To say that he is a waste is to flatter him. This man is not even as good as rubbish

At this moment, ye Chen's look finally darkened. For a moment, a cold feeling swept through the whole fighting field. Originally, Lin Siqi, who wanted to continue to chatter, closed his mouth in an instant, and his blood felt frozen!

The reason why he ignored Lin Siqi again and again was that he was too lazy to argue with this kind of mole ant. Secondly, it was the most important thing because Yue Rou!

Yuerou is kind to him, but Lin Siqi, though extremely unbearable, is yuerou's elder martial sister after all!

But it's no more than three! Anyone's tolerance is limited!

He ridiculed himself again and again. He would not kill Lin Siqi!

But Lin Siqi, however, can't believe that she will be shocked by a bad situation. She still tries to be brave and says: "you What are you doing? Get angry? Before, have not always endured? Why, with Ouyang Xi, standing behind you, you will have a temper? "

Ye Chen looked at Lin Siqi coldly and said in a deep voice, "the reason why you are not dead should be well appreciated by Yue rou. The person who saved me is Yue Rou, not you. I'm not related to you. You can't come to me. You can't be a person or your own face. However, you have to take the face that others give you?"

"Give face, no face, you know what it's called? Well, it's called cheap! You should be humble, not sword?"

Lin Siqi, stunned, Yue Rou, stunned, all the people present were shocked!

Lin Siqi is the zhenzhuang disciple of Taiyuan sword sect. Now, ye Chen is abusing zhenzhuang disciples in front of the people of Taiyuan sword sect!

More importantly, Lin Siqi is Li Kun's favorite woman!

Sure enough, a cold, cold voice sounded from the fighting field.

"Now, kneel down and apologize to Scarlett. I can spare you one life."

It's Li Kun!

Li Kun at this time, the injury has been healed down, he stares at Ye Chen, like a poisonous snake!

From ye Chen, when he said that there was a big gap between him and Ouyang Xi, his mind was full of killing intention!

Even if he really has a big gap with Ouyang Xi, he is not a waste and can say it!

Said, will pay the price!

The reason why he dares to ask Ye Chen to kneel is because he believes that Ouyang Xi will not really fight for such a waste.

At most, Ouyang Xi only used this waste to ridicule the Taiyuan sword sect. What's funny is that he really thought he was holding his thigh and began to be arrogant?

So there is no harm in his doing so.

On the contrary, if you crush this rubbish, you can rebuild your image in front of all the disciples, and help Lin Siqi speak. Obviously, you can get the favor of Lin Siqi!

More with one stone!

Li Kun raised a sneer at the corner of his mouth. There's a reason why he doesn't step on the ants at his feet?

Ouyang Xi looked at Ye Chen and said, "brother ye, what should I do?"

When they heard the speech, a chill flashed in their eyes. This boy, it's over!

Ouyang Xi, instead of defending Ye Chen, asked what to do?

Meaning, obviously, I don't want to do it!

In Lin Siqi's eyes, she is full of complacency. Has the waste judgment been wrong?

Ye Chen himself, but light way: "I solve."

Everyone, almost burst into laughter!

This kid, you're starting to pull through?

Their own judgment error, Ouyang Xi do not hand, in the heart, are panic about to urinate out? On the surface, there is a sentence, I solve it by myself?

Actors, really actors! They seem to be enjoying a funny show.

Solve? You take care of it! Li Kun, can you solve it?

Ouyang nodded his head. He really didn't intend to move.

Why?

Because, I don't have that qualification.

For ye Chen, he does not have that qualification! It's like playing a big knife in front of Guan Gong.

However, if ye Chen is too lazy to deal with ants like Li Kun, he doesn't mind. He solves this small trouble for ye Chen, so he asks what to do!

Yue Rou, at this time, her heart is already tight. For the first time in her life, ye Chen was saved by her. Naturally, she would not want Ye Chen to be injured again!

However, the matter develops to this step, even she, also can't stop!

While she is nervous, she has a trace of expectation in her heart

Looking forward to Ye Chen's performance!

Although yuerou is simple, she is not stupid at all. Ye Chen, who fell in the valley in the battle a few days ago, has always had a light look. Everything seems to be connected together.

This result, though seemingly, is the only one that can explain all this existence!

That is, ye Chen's strength is against the weather! I can't imagine it!

Ye Chen looked at Li Kun and said faintly, "I thought you were mud, and you couldn't help the mud on the wall. Now, I found that I was wrong."

"You, not even mud, you're just a lump of existence that makes me sick."

.....

Silent, the whole world, as if quiet down, even the sound of breathing, have disappeared

All of you are going crazy!

Scold Li Kun as a Tuo Xiang? Even Ouyang Xi, dare not say so?

The next moment, Li Kun was furious! Angry like a mad beast, on the ice blue sword in his hand, suddenly the sword's intention is surging, towards Ye Chen, like the general waves, mercilessly chopped!

The meaning of Zhenwu and Taiyuan sword are intertwined and diffused. The flood comes with the abyss, and all ye Chen's things will be swallowed up!

Chapter 2902

This sword is extremely violent. It is more ferocious and terrifying than the one cut by Ouyang Xi. The whole space is trembling and unstable under the power of this sword!

After all, it's just a contest with Ouyang Xi, but it's killing to Ye Chen!

This sword, in the twinkling of an eye, came to Ye Chen. Although Li Kun was furious, he did not forget to glance at Ouyang sunset. Sure enough, Ouyang Xi did not move!

The sneer on Li Kun's face was ferocious and even more striking. His judgment was correct. This rubbish was already a dead man!

At this moment, ye Chen also moved, but his hands, empty, did not use any weapons!

Instead, he took up his sword and finger and chopped at Li Kun!

Li Kun is not qualified to let him out of the evil sword!

Fingertip, a breath of destruction bloom, into the blade light with Ye Chen's sword finger cut off, the next moment!

The abyss on Li Kun's sword, the violent waves, dissipated in an instant!

Almost inexplicably dissipated, let alone the people present, even Li Kun himself did not understand what happened at that moment!

"Come on Ye Chen murmured.

Li Kun's pupil shrinks, that will his sword, into the nihility of the terrorist force, again appeared!

Without waiting for Li Kun to react, in an instant, his body directly flew backward and hit the protective light curtain. The whole fighting field was shaking!

Blood, burst out, Li Kun like a pool of mud, slowly from the light screen, sliding down

Until this time, Li Kun, just sent out a scream!

It's a very sad scream!

The breath of destruction, invading his body, is destroying his body madly!

Meridians, flesh and blood, Dantian, are all destroyed by that ray of breath, stirred to pieces!

But this scream, is shocked to think nearly collapse of the Taiyuan sword school people, pull back to reality!

Seeing Li Kun's horrible appearance with blood all over his body, they all shivered involuntarily, from the shaking of their soul!

Ye Chen, how terrible is it?

Is this still human?

With only two fingers, Li Kun's sword was crushed to pieces?

Ye Chen looks pale. The reason why he didn't kill Li Kun is that he can't recover from his destructive breath. Not everyone is as rebellious as himself.

Although Li Kun didn't die, there was no difference between Li Kun and death. From then on, the amazing genius of his generation has become a waste that can't move. To let him live is more painful than to kill him directly.

At this time, a burly man stood up and looked at Ye Chen fiercely.

He is Xu Zhao, an elder of the Taiyuan sword sect. It seems that although he is still a middle-aged man, he has been on the Wanshou. Many years ago, he was in the middle of the heaven God realm. Unfortunately, he was injured in a big war and fell to the half step heaven God realm! Can't recover! You can only set up a sword school and give your understanding to your disciples!

Of course, it's not something that ordinary people can shake!

Xu Zhao is also Li Kun's master!

Li Kun saw Xu Zhao stand up and screamed: "master, revenge for me!"

Xu Zhao, however, did not even look at Li Kun, but said to Ye Chen extremely sternly: "young man, Li Kun is my disciple and the hope of the Taiyuan sword sect. Don't you think it's too much for you to beat him like this?"

Ye Chen said faintly: "what if it's too much?"

Arrogant!

Xu Zhao is different from Li Kun. He is an old strong man in the half step heaven God realm. He can face Xu Zhao, but ye Chen still refuses to let him go!

Xu Zhao said coldly: "if you go too far, naturally you have to pay the price. Now, you can pay the price in two ways. One is to become a disciple of Taiyuan sword sect and also a disciple of Xu Zhao. Second, I will make you suffer the same serious injury as Li Kun. You can choose by yourself."

People, speechless

Xu Zhao a pair of stern tone, but clearly is to want to attract Ye Chen!

And, directly is the true disciple! Replace Li Kun directly!

Originally, Li Kun, the pride of Taiyuan sword school, is like a piece of garbage. No one is willing to see him more

This is the reality. The reality is so cruel.

There is no value in lost genius.

Li Kun was stunned, collapsed, despaired, and even ignored the pain on his body. His eyes were completely darkened, and his mood collapsed

But Lin Siqi, is also pretty face pale, the whole body blood backflow, unceasingly trembles, she did not expect, ye Chen unexpectedly has such strength against the sky!

Just now, he mocked Ye Chen, colluded with Ouyang Xi, and mocked Ye Chen. Did you swallow his anger?

What a joke!

With Ye Chen's strength, need to collude with Ouyang Xi to play these small means? With Ye Chen's strength, need to swallow her anger? Ye Chen, is really tolerant, lazy and her care ah! But she regards Ye Chen's tolerance as cowardice!

This, it's all for death!

She was so frightened that she would lose control. If ye Chen really joined the Taiyuan sword sect, she would be tortured to death from now on?

The best result may be to be expelled from the clan!

But the next moment, ye Chen but light way: "I also have a way, do you want to listen to it?"

Xu Zhao nodded his head and said, "you say so."

Ye Chen, a genius of this level, is qualified to discuss conditions with the Taiyuan sword school.

Ye Chen stretched out a finger way: "a move."

"A move?" Xu Zhao has some doubts. What does Ye Chen mean?

Ye Chen said: "as long as you can support a move in my hands, I will join the Taiyuan sword sect."

"On the contrary, you Taiyuan sword sect wants to give me something, anything except the treasure of zhenpai."

Stupid eyes

People feel that ye Chen is going to drive them crazy

There is no limit to this person. Everything will be unexpected and unpredictable!

However, Xu Zhao was slightly stunned. At the next moment, a angry face appeared on his face and said, "are you sure? You don't look down on me, boy? "

At the same time, in Xu Zhao's eyes, he is happy. He has lived for tens of thousands of years. How can he be so angry?

A move, can accept Ye Chen such disciple, that is he makes a lot of money! It's too late to be happy! What's a little humiliation?

However, he did not relax, this move, he intends to give all his strength, in the case of not killing Ye Chen!

Otherwise, he is not sure, win Ye Chen!

As for the serious injury, it's nothing. If you are seriously injured, the Taiyuan sword sect will be ruined and ye Chen will recover!

What about Li Kun? Although Xu Zhao and Yue Qingshan don't know how ye Chen did it, it can be seen that it is very difficult for Li Kun to recover. Even if he loses his family, he may not be able to do so.

Moreover, Li Kun, although a monster, but no evil spirit to let the Taiyuan sword faction to the point of ruin.

Ye Chen, but has this qualification, this is the gap!

Ye Chen smell speech, light a smile way: "before this, let me rest 10 minutes."

"Good." Xu Zhao naturally agreed.

.....

Soon, ye Chen came to a quiet room.

The room is surrounded by aura.

He took out the black stone, placed his mind in it, and instantly came to the reincarnation cemetery.

Although Xu Zhao's accomplishments were only half a step into heaven and God's realm, his martial arts and Taoism were extremely terrible. After all, his accomplishments were not low. Ye Chen knew that it was impossible to defeat the opponent with one move.

As for why he said this condition, it is entirely because of the voice of the samsara cemetery!

Voice from Lingtian arrow God!

The biggest advantage of this period of time is that Lingtian arrow God has more recognition of himself!

At least willing to do for themselves!

At the moment, ye Chen looked at the Lingtian arrow God in front of him and said, "master, why do you want me to propose such a crazy promise?"

Lingtian arrow God's eyes narrowed slightly and showed a smile: "if not, how can you get the good things of this clan?"

Ye Chen one Zheng: "what good thing?"

Lingtian arrow God's eyes fell on the half handle of falling dust and falling dragon sword from the top of gods!

All of a sudden, he said, "it's interesting that another part of the falling dust and subduing dragon sword is in the Taiyuan sword school!"

"If you condense it and extract it again, maybe you can gain the power of the master."

This moment, ye Chen is excited!

The master of the falling dust and falling dragon sword is master Ren!

It's very mysterious, and it's the strongest existence he's ever seen!

One power can destroy the whole kingdom of God!

If you get the strength of the other side! It's enough to save your life!

How can he not be excited!

Chapter 2903

The key is, why did part of Ren's falling dust and subduing Dragon Sword appear in the Taiyuan sword school?

Lingtian arrow God seemed to have guessed what ye Chen was thinking, and said: "the Taiyuan sword school takes the sword as its respect. However, in the first battle of the hall of gods, it is estimated that Taiyuan sword school participated in the battle, which was unexpected."

"And from all kinds of signs, we can see that part of the meaning of Taiyuan sword school's martial arts comes from that half of the falling dust and subduing dragon sword."

"This makes the Taiyuan sword school not weaker than the first Shenguo

Ye Chen suddenly.

He even wondered whether yuerou's inexplicable favor for herself was due to the half of the fallen dust and dragon sword lying in the samsara cemetery?

Yue Rou has a good aptitude and special blood. It's not impossible to have such a keen sense.

But the problem comes. At present, although I know that Taiyuan sword sect has that half of falling dust and subduing dragon sword! But he is not necessarily the opponent of the Taiyuan sword sect elder!

The strength and perception of the other side is not something you can match!

Although the opponent's cultivation is in the half step heaven God realm, but the strength is absolutely in the early days of the heaven God realm!

Ye Chen has never met such an opponent.

Ye Chen raised his head, and his eyes fell on Ling Tian Jian Shen: "elder, are you willing to move?"

Ye Chen knows that among the many great powers of reincarnation cemetery, Lingtian arrow God is the only one that can rely on now.

However, Lingtian arrow God shook his head: "I don't do it."

What!

Ye Chen is confused!

Lingtian arrow God doesn't make a move. How can he do it? The elder of Taiyuan sword sect!

The cow is blowing too big!

The key is that the energy of Lingfeng's pulse has not been absorbed completely!

Ling Tian Jian Shen smiles and reaches out his hand. He points to a direction rather natural and unrestrained. He says faintly, "don't you wonder about the new power of the reincarnation cemetery?"

"New big energy?"

Ye Chen eyes a shrink, this just feels some is not right.

In the samsara cemetery, there is a tombstone flashing light!

This is the standard that can be triggered!

Ye Chen is short of breath, walking towards the tombstone step by step!

Not close, is to feel a tremor of the world's Dragon chant ring! Straight to the eardrum!

"This is..."

Ye Chen's eyes fall on the gilded words on the tombstone!

The four characters of the Immortal Dragon Emperor seem to describe the dignity of an ancient strong man!

How many people dare to call the Dragon Emperor!

How many people dare not die!

Ye Chen reaches out his hand and touches the tombstone with five fingers!

Suddenly, a very strong air wave swept over!

Ye Chen was so cultivated that he was shocked back dozens of steps!

And samsara cemetery, rolling smoke! Cover Ye Chen's sight!

After a few seconds, the smoke gradually dispersed!

The figure of a big man is revealed!

A man with black hair, eyes covered with cold blood, naked upper body, the body is covered with extremely bloody and dignified Dragon Tattoos.

Dragon pattern is a man's armor!

But the dragon pattern that fills the whole body actually sends out the light purple awn.

Only this temperament, ye Chen will feel the emperor personally!

Even far more than that demon clan green emperor!

If the demon family green emperor to give ye Chen the prestige is ten, then this immortal Dragon Emperor brings Ye Chen's feeling is 100000!

The Immortal Dragon Emperor glanced around him and then gazed at Ye Chen for five seconds!

Finally, he said, "it seems that there is something wrong with my body, otherwise this divinity will not appear here so quickly."

"I don't have much time left for my body."

"Boy, would you like to go to Tiandao palace for me?"

Ye Chen a Zheng, he is still the first time to meet the big can wake up to put forward the condition to him!

However, ye Chen didn't talk nonsense. Tiandao palace was his enemy. He should have gone: "this elder, if I have enough strength, I will surely break Tiandao palace! I'm willing to help you with this! "

The emperor Bu Mie looked at Ye Chen with admiration, and then said, "if you are in a bad situation, you dare to step on the Tiandao palace. You may be the first one."

"However, don't worry, my body can still support some days, this matter must be arranged slowly."

"Right now, you seem to be in trouble."

"In that case, I'll give you a gift to meet you for the first time."

At the next moment, there was a drop of blood in the hands of the Immortal Dragon Emperor!

That drop of blood once appeared in the samsara cemetery, unexpectedly brought the extreme pressure to Ye Chen!

Even the reincarnation blood and the body of the heavenly demon began to boil!

The arm of Bu Mie long emperor shakes, that essence blood is toward Ye Chen's eyebrow heart to rush!

The next moment, the breath of Ye Chen rises instantly!

Both hands seem to hold endless force!"This is..." Ye Chen's eyes are unbelievable!

The Immortal Dragon Emperor's hands were behind him, and the dragon patterns were flowing around him. He said faintly: "this is the dragon soul blood of the emperor, which can improve your strength in a short time. The one outside is enough to cope with it."

"This dragon reads the soul blood extremely precious, you must not lose the emperor's face!"

Ye Chen's eyes congealed, incomparably confident: "the Dragon Emperor is at ease, with the Dragon read soul blood, to deal with the elder, more than enough!"

At the same time, the first Kingdom, a figure suddenly rushed in.

He gasped heavily, with some blood on his body.

It's just someone else's blood.

If ye Chen is here, he will surely find that he is ye Lingtian.

Here is the first time ye Pei murmured

"Can this thing break through the obstacles of the seventh and the first gods?"

"How do you find it, Lord?"

At this moment, ye Lingtian is in trouble!

If in the seventh kingdom, he has the means to determine the location of the temple master!

But the shadow of the first God is very strong!

When ye Lingtian is worried, the void in front of him suddenly fluctuates!

Then, the figure of an old man appeared in front of him!

This old man is no other than the eternal king!

"Forever old!"

Ye Ling Tian Yan Mou a Xi, but he knows Ye Chen all the way, there are always old shadow!

When you see yonglao, you will know the whereabouts of Ye Chen!

The eternal holy king looked at ye Lingtian and said in surprise, "I thought it was an illusion. I didn't think it was you."

"How did you enter the first Kingdom of God?"

Although many people have successfully entered the first Kingdom, the barriers of the first and seventh kingdoms can not be broken by ordinary people.

It is almost impossible for ordinary people to cross this barrier unless they are guardians and some special status people.

Even if God Jizong's present status is not good.

Ye Lingtian took out a jade card and said excitedly, "yonglao, this was sent to me by shenjizong. He said that the Lord of the temple is in the first Kingdom of God. Let me go there quickly."

"As for what happened after coming to the first Kingdom of God, the man did not account for it."

The eternal holy King glanced at the jade card and thought: "it seems that it's Ji's intention. You can come to the first Kingdom of God. In a sense, the first kingdom belongs to you and ye Chen. Maybe you should go and see the past."

Chapter 2904

The next second, his waist wine pot suddenly sacrifice!

The wine pot magnifies instantly, just like a flying boat!

"Ye Lingtian, come on, I don't have much time. I'll send you there to meet Ye Chen."

Ye Lingtian heard this sentence, Mou son a joy, step on the huge gourd!

"Ling Tian is here to thank yonglao!"

The words have not finished, giant gourd is like a thunder disappeared in place.

It's as if it never happened.

.....

Taiyuan sword school.

Outside a gate, countless disciples stare at the door.

Keep your eyes on.

Only because everyone here knows that once the door is opened, there will be a world shaking war!

They are also curious about how a mole ant who cuts through adversity can challenge the once strong man in the half step God state in one move even though he is against the weather!

It's almost impossible!

Even though what happened just now, everyone on the scene dare not despise ye Chen.

But ye Chen will face the elder of Taiyuan sword sect next!

"Creak!"

Suddenly, the door opened!

A young man appeared in front of everyone!

The young man's expression is indifferent, his hands are behind him, and his whole body exudes a misty breath.

This man is Ye Chen, that's right!

But all people feel that ye Chen seems to be a little different!

As for the difference, they can't tell!

What can ye Chen change in such a short time?

Close your eyes and close your eyes.

"Let's go."

If he was in front of the Immortal Dragon Emperor, ye Chen might not dare to do so.

But when the blood of the Immortal Dragon Emperor converges to the whole body, ye Chen has this confidence!

And the power of this drop of blood has a time limit!

Ye Chen must make a quick decision!

However, ye Chen's words, it is to let all people at the scene take a breath!

He even let Xu Zhao, who is an elder, take the initiative?

This is too crazy!

Xu Zhao's eyes twinkle with coldness and prudence!

He even put out his tongue and licked his lips as if staring at prey.

The next moment, Xu Zhao moved!

He did not say any more nonsense, ye Chen let him go first, he would like to!

In order to accept Ye Chen, what is the importance of face?

His wrist turned and a gray Epee appeared in his hand!

Epee has no edge. It's too skillful!

Xu Zhao murmured, and his whole body was half step of the spirit power of the heaven God realm. His strong muscles, like angry dragons, swam on his body. The terrible power made the void around Xu Zhao slightly distorted!

At the next moment, the surging spiritual power and the great power pour out on the gray Epee, and the sword will be cut out!

The meaning of Zhenwu, accompanied by Taiyuan sword, swirls over the gray epee and turns into a towering sword power!

As ye Chen's eyes narrowed, Xu Zhao also practiced Taiyuan sword meaning!

However, compared with Li Kun, it can be said that one day and one place!

This sword has both the depth of the abyss and the sharpness of the sword!

Good, sharp!

Who says Epee can't be sharp?

If you want to cultivate Epee to the extreme, it is necessary to be heavy and sharp!

With the power of a sword, the heaven and earth are shaken and twisted, but they are extremely introverted!

It's so terrible, so terrible, it makes my scalp numb!

Even as a unique genius, Ouyang Xi is full of horror, so strong, is this the strength of the old strong?

Even though he was very approbated to Ye Chen, he felt that ye Chen was too big to face Xu Zhao.

At this time, ye Chen also moved!

A dark sword appears in Ye Chen's hand!

If someone looks carefully, you will find that ye Chen's arm is swimming with an extremely mysterious Dragon Tattoo!

This time, ye Chen didn't use the body of the heavenly demon and the reincarnation blood. Instead, he was looking for the flaw of Xu Zhao's sword!

All of a sudden, ye Chen's eyes brightened, and his whole body was full of fierce force. The real martial spirit was surging out. On the evil sword, the blood was shining and the sword light was rolling. It was like the stars falling from the sky, and he was beheading Xu Zhao wildly!

In the light of sword, there is a breath of destruction!

Even with a startling dragon roar!

In a flash, ye Chen's sword collided with Xu Zhao's sword!

It is this instant contact that makes Xu Zhao's pupil shrink, almost madly!

Ye Chen's sword actually contains a breath that makes him tremble for it!

What is that? He has never heard of this kind of meaning and power of martial arts!The only thing you can feel is terror!

Terrible!

Taiyuan sword meaning, as well as Xu Zhao's true martial sense, at the moment of touching Ye Chen's sword, they began to rout!

However, Xu Zhao is a veteran strong man with rich combat experience. Even if his sword spirit and sword light were defeated, he did not flinch. Instead, he broke out the heaviness of the gray epee and his dragon like power!

Xu Zhao's mouth, raised a trace of complacent smile.

Ye Chen, you are really terrible. In terms of martial arts, you have surpassed me too much, but after all, you are still too young!

I am not only a sword practitioner, but also a physical practitioner!

Xu Zhao's strength has broken through his limit!

Can ye Chen bear it?

But at the moment when the strength of the weapons in their hands was completely transmitted, Xu Zhao's expression solidified.

If his power is like a waterfall across the sky, ye Chen's power is a vast ocean!

Incomparable!

He thought that his own strength, breaking through everything, even if it was the limit of human beings, but today, he only knew that he, originally, had always been a frog in the bottom of a well!

And what he is facing seems to be a giant dragon!

There is not much time left for Xu Zhao to reflect and sigh. The next moment, his body will fly back and forth in an instant. The roar and noise will collapse the Taiyuan sword school and countless buildings!

And this fighting field, almost by this collision, hit into ruins!

Silence, after a long silence

Among the soil and gravel, there was a sound of movement

Xu Zhao climbs out, looks at Ye Chen's eyes, a burst of fear!

At this time, he was hurt, but he was very happy!

He knew that Ye Chen would stop. Otherwise, he would be a dead man

His mind is still in chaos, but looking at the young man in front of him, his heart is filled with awe!

Subconsciously, I said, "I lost!"

This time, the original silence was broken in an instant. The disciples of Taiyuan sword sect were shocked!

The elder of Taiyuan sword sect was defeated by Ye Chen's sword when he was once in heaven and God state, and then fell to half step heaven God state?

This spread out, the whole first Kingdom will be turbulent?

Even Yue Qingshan had a look of seeing a ghost, while Yue Rou was extremely excited and excited!

She guessed right, sure enough, that day's terror wave, is Ye Chen causes!

Chapter 2905

Lin Siqi, however, collapsed completely on the ground. She was so frightened that she was in a coma!

In the Taiyuan sword school, this beautiful woman was originally a star studded woman. At this time, no one cared about her. Like Li Kun, she was directly ignored by the public.

Yue Qingshan appeared in front of Ye Chen with Yue rou. With a polite smile on his face, he said to Ye Chen with a polite smile:

"Mr. Ye, you are polite. I heard that rouer met ye when collecting herbs? Ha ha, it's fate. Today, a lot of unhappiness has happened. On behalf of the Taiyuan sword sect, I apologize to Mr. Ye. I hope Mr. Ye will look on rouer's behalf and forgive me for waiting! "

As soon as everyone was stunned, Yue Qingshan, the leader of the Taiyuan sword sect and the hidden power of the first Shenguo, took the initiative to apologize to Ye Chen?

Yue Qingshan's status as the first God kingdom is of vital importance. Even Kong Chi, the ancestor of Wanfa Zong, may not be qualified to ask Yue Qingshan to apologize, right?

But now, facing Ye Chen, a young man in his twenties, Yue Qingshan apologized. Moreover, he apologized when ye Chen destroyed Li Kun, a genius of Taiyuan sword school, and seriously injured the elder Xu Zhao!

All of them couldn't help but swallow their saliva. No one believed them, did they?

To tell you the truth, Yue Qingshan, are you angry?

Gas! He would like to kill Ye Chen directly and force him to join the Taiyuan sword sect

However, he dare not

Well, the best choice for now is to apologize to Ye Chen, and make a good relationship with Ye Chen through Yue Rou's kindness to Ye Chen!

Ye Chen, is the terror to this point! To be able to let the top strong of the first Kingdom yield to it by mere prestige!

Yue Rou was also pretty and blushed at this time. She said to Ye Chen shyly: "Ye Chen, I'm sorry. On behalf of elder martial sister, senior brother Li, and all the disciples, I apologize to you!"

Ye Chen looked at yuerou, and his eyes softened and said, "it doesn't matter. Let's forget the past."

Yuerou saves him, and in the end, they all insist on believing him. Ye Chen is still very fond of Yue rou. Since yuerou has pleaded for mercy, ye Chen does not intend to pursue him any more.

Hearing the speech, Yue Qingshan said with great joy: "ha ha ha, good, Mr. Ye. In the future, you will regard the Taiyuan sword sect as your own home. You are not welcome. You are rouer's friend, and you are our own Taiyuan sword sect!

By the way, Mr. Ye, I think you are hurt. We Taiyuan sword sect has a Yangxin garden. Living in it is very good for recovering the injured. If you don't dislike it, please stay in Yangxin garden first. "

Hearing this, ye Chen nodded his head and said, "thank you very much, master Yue."

Ouyang Xi's face changed. The old fox is really able to attract people!

However, he also has no way, who called Yue Rou to save Ye Chen?

Yue Qingshan said with a smile, "well, rouer, you should take Mr. Ye to Yangxin garden to have a rest."

He was determined that although Li Kun was damaged, compared with his friendship with Ye Chen, maybe they made a profit from Taiyuan sword sect!

This time, Yue Rou has made great achievements!

However, ye Chen did not leave, but his eyes slightly coagulated and said, "master Yue, before you and I had a bet, can you still count?"

Yue Qingshan was stunned and immediately said with a laugh: "natural counting! I'll help you decide what you want

Ye Chen didn't intend to say anything about the falling dust and subduing dragon sword. He could only say, "I stepped into Guizong and felt something that once belonged to the top of the gods. Do you have it?"

Yue Qingshan's face changed slightly, hesitated for a few seconds, and then said, "I know what ye Gongzi wants. It must be the God's stone."

"Spirit stone?"

Ye Chen is a little confused. What he wants is a broken sword, not a stone!

Is the broken sword hidden in the spirit stone?

.....

Yangxinyuan is not only a good place for healing, but also the highest standard housing in Taiyuan sword school.

It's much more advanced than the master's residence!

Originally, only when the noble guests of the ancestral level come, can they be qualified to stay in Yangxin garden.

But Yue Qingshan did not hesitate to let Ye Chen live here.

As the Lord of a clan, he knew that this man's achievements in the future were absolutely extraordinary!

Yue Rou takes Ye Chen into the Yangxin garden and makes a pot of spirit tea for ye Chen. They sit at the table. The luxurious and spacious room looks a little empty.

For some reason, as she sat, Yue Rou's face became more and more red. From the beginning, she was attracted by Ye Chen inexplicably. In the martial arts arena, ye Chen's elegant demeanor left an indelible impression in yuerou's heart.

And What's more, his father also asked him to get along well with Ye Chen and improve the relationship. What should I do?

She didn't understand it very well, but at this time, she was sitting in the room with only one man and one woman. She felt something. She didn't know whether the tea in her hand was too hot or whether the temperature was rising. Yue Rou only felt that the room seemed to be getting hotterYe Chen looked at Yue Rou's appearance, and was amused. He could not help saying, "what are you thinking?"

"Ah

Yue Rou is startled, and her little hand trembles. The tea in her hand is sprinkled a little.

She raised her hair in her ears. It seemed that she wanted to hide her nervousness. She said in a hurry: "I was thinking, ye Elder brother, can you give me some advice on the sword technique... "

Ye Chen said with a smile: "this naturally has no problem, however, not now, I have injuries, to first heal."

Ye Chen communicated with Lingtian arrow God a lot, and understood the relationship between the spirit stone and the falling dust and dragon sword.

I'm afraid that the power of elder Ren comes from the spirit stone.

What is the spirit stone?

The so-called spirit stone is a kind of treasure that can contain the charm and artistic conception. The reason why the sword meaning of the former generation has not disappeared for thousands of years is that it has been preserved up to now.

Of course, there is another point, people do not know!

I'm afraid someone in the God's mind stone has moved his hands and feet!

Put the tip of the falling dust and descending dragon sword into it!

And the tip of the sword contains the power of senior Ren!

Yuerou saved himself, and ye Chen naturally wanted to repay him. His intention was to take away the tip of the sword after his body was completely recovered, and leave a sword meaning of his own in this divine stone!

Don't underestimate the sword meaning of Ye Chen. It contains the sword meaning of destroying Shinto and Lingxiao martial arts, and it is extremely suitable for the Taiyuan sword school to understand! This is a great creation for Taiyuan sword school!

As long as you can understand one of them, it is enough for the strength of the whole Taiyuan sword sect to improve a lot!

But yuerou heard the words, but a sense of loss flashed through her big clear eyes, like a wounded rabbit. She stood up and said, "well, brother ye, you have a rest first, I'll see you again tomorrow. "

Chapter 2906

In fact, she wants to get along with Ye Chen more, but ye Chen's words seem to drive her away.

After that, Yue Rou turned around and walked toward the door as if running away.

Ye Chen looked at yuerou's back, and with a helpless smile on his face, he shook his head and said, "come back."

Look at this girl's appearance, ye Chen some can't bear.

Wang yuechen turns his eyes.

Ye Chen said: "you first show me a sword technique, let me have a look."

Yue Rou hears the speech, in the beautiful eye, appears the color of great joy: "good!"

In fact, she is not happy that ye Chen instructs her sword technique, but that she can get along with Ye Chen more.

At the next moment, Yue Rou holds a white sword in her hand. Her body is elegant and flexible. The sword in her hand is also extremely light!

Good one.

However, ye Chen's figure suddenly appears beside Yue rou. One hand grabs her delicate white wrist, and the other touches yuerou's shoulder. The two bodies are close to each other and breath can be heard.

Yuerou's face, suddenly like the sunset, red gorgeous! The body is burning!

For the first time, she was so close to the opposite sex!

At the same time, you don't want to correct my sister's way of opening his mouth. At the same time, you don't want to correct my sister's way of doing it again

Ye Chen didn't have any other ideas. She did it just to help Yue Rou correct her bad habit of making swords and teach her how to use her spiritual power correctly to make the sword perfect.

Yuerou is stunned. She nods and takes out a sword. Ye Chen grabs yuerou's wrist and slightly changes the path of the sword light. At the same time, she grabs yuerou's waist and arms to drive yuerou's body. She whispers in yuerou's ear to teach her how to use her spiritual power.

At the beginning, Yue Rou could not calm down and her whole body was hot and dry, but she soon entered the state. In the final analysis, she was also a martial artist, and she was also an excellent martial artist!

Immediately, he was attracted by Ye Chen's teaching!

Soon, a strong sword spirit came out of the Yangxin garden. Yue Rou looked at her sword in disbelief. Did she cut that amazing sword?

It's incredible!

With Ye Chen's simple guidance, her sword technique has been upgraded to a higher level!

Ye Chen said with a faint smile: "go back to understand it. When you have mastered this sword completely, I will teach you something else."

Yue Rou nodded heavily: "I know! Brother ye, you are so good! "

After that, he rushed to the room.

Ye Chen shakes his head, this wench, return really simple, however, this kind of disposition, ye Chen is not disgusted.

He sat in the room with his knees crossed. Instead of immediately starting to heal, his wrist turned and the Sha sword appeared in his hand. At this moment, the light flashed on the shajian.

A purple crystal fell into his hands.

Ye Chen stares at the purple crystal stone in his hand. Is this the thing that inspires the power of the upper world? However, he has never heard of such things in the corpses of the demon clan.

Lingtian arrow God, who had been dealing with demons in ancient times, said: "maybe, since ancient times, after the death of these extraterritorial demons, the purple crystal stones in their bodies were absorbed by the power from the higher plane."

Ye Chen frowned and said, "but even so, no one should have ever found it?"

According to Ling Tianjian, the power of the whirlpool is extremely hidden, and ordinary people can't find it at all. However, even if no one pays attention to the power of the whirlpool, someone should pay attention to the purple crystal stone?

Don't say it's the disappearance of purple crystal. Even the existence of purple crystal has not been handed down!

Hearing this, Lingtian arrow God said solemnly, "in this case, there is a possibility..."

"What?" Ye Chen has a wonderful way.

Ling Tianjian said: "that is, people who know this matter have been killed!"

Ye Chen hears the speech, in the heart is surprised!

Anyone who knows about it has been killed?

He looked at the purple crystal stone in his hand, and his eyes flickered. What is this thing? It's so important that people from the upper world would not hesitate to come across the border and kill those who know it?

"Lingtian arrow God, do you know this purple crystal?"

After meditating for a moment, Lingtian arrow God said with some uncertainty: "if I guess correctly, this crystal stone is probably the legendary Zixiao stone!"

"Zixiao stone?"

Ling Tianjian said: "Zixiao stone is said to be originated from the origin of reincarnation of the heaven and the universe. There are three kinds of divine stones in the origin of reincarnation, namely Zixiao stone, Yuxiao stone and Shenxiao stone.

Zixiao stone, is one of the lowest kind of God stone, but also very precious! For the warrior, refining it has endless benefits, whether it is the body, spirit, spirit, can get a lot of improvement! If this thing is really Zixiao stone, it is really possible to attract the upper bound to fight! "

Ye Chen nodded his head and said, "so, the extraterritorial demons may be related to the origin of reincarnation?"

If so, the war between man and devil tens of thousands of years ago is likely to be a plot to plunder Zixiao stone!

It is very likely that some upper bound exists and discovers the secrets of the extraterritorial demons, but somehow, they can't kill the demons themselves, so they have to start a war and rely on the blood of countless human beings to satisfy their desires!

Ye Chen's eyes, broke out a cold awn, if, really have such a person's existence, that person, can be said to be damned to the extreme!

"By the way, ye Chen, there is one more thing you need to know!" Lingtian arrow God hesitated for a moment.

Ye Chen a Zheng, surprised way: "what?"

Ling Tianjian said: "the reincarnation star stone and the structure of this samsara cemetery may be related to the highest level and the rarest Shenxiao stone."

"Although I haven't seen the Shenxiao stone, it is only possible for the world to construct a reincarnation cemetery in such an adverse way."

"Even, I vaguely feel that the destruction of the Ye family had something to do with the people in the upper world..."

What!

The next moment, ye Chen's heart is burning with anger!

The fierce killing intention sweeps the entire samsara cemetery!

"Ye Chen, don't get excited. This is just my guess! And whether the stone in front of you is Zixiao stone is not sure." Lingtian arrow Shinto.

After a moment, ye Chen calmed down for a while, staring at the purple crystal stone in his hand. Is it Zixiao stone after all, refining for a while, don't you know?

The next moment, ye Chen, actually is directly that purple crystal stone, swallow in the mouth!

Chapter 2907

Also in this moment, his eyes suddenly burst out a burst of purple light, ye Chen face showed incredible color!

What a powerful and pure energy!

The energy in the purple crystal is not only faintly improving Ye Chen's body, spirit and spirit, but also the wound hurt by the breath of destruction, which is extremely difficult to recover, is rapidly recovering!

This is really Zixiao stone!

Ye Chen's face was ecstatic. He concentrated and began to refine the energy of Zixiao stone. In this way, his recovery time could be greatly shortened!

.....

Shenmeng, in a secret room, two men are sitting opposite each other with dignified expression.

A man with a fairyland, crane hair and childish face, dressed in black and white robes, is the leader of God alliance Ge Shan!

The other is a kind-hearted middle-aged man. He was once the leader of blood thorn, Xiang Yuan!

Now, the blood thorn has been destroyed by Ye Chen!

Xiang Yuan came here naturally because of what ye Chen told him.

Ge Shan took a deep breath and asked Xiang Yuan, "brother Xiang, in this case, the ten thousand Dharma sect is likely to have joined the heavenly demon clan?"

Xiang Yuan nodded and said, "good."

Ge Shan's eyes flashed, pondered for a moment and then said, "brother Xiang, can other people know about this matter?"

Xiang Yuan shook his head and said, "no more."

Xiang Yuan is a man of great ingenuity. The so-called joint people are actually puppets who have been brainwashed.

Ge Shan nodded his head and said, "in this case, brother Xiang, you can go and die."

"What do you say?"

Xiang Yuan was a little stunned and didn't seem to react. At the next moment, he seemed to think of something. His face suddenly changed. He turned into a shadow and flew away towards the outside of the secret room.

At the same time, the hands of a lightning wrapped axe, mercilessly toward the gate, a chop and down!

Xiang Yuan is not a strong man, but his commanding blood stab does not rely on force!

Facing Ge Shan, he has no confidence!

At this time, he had already reflected that the reason why Wanfa Zong could easily introduce Ye Chen into the magic gate array was that there were spies in the divine alliance.

But no matter he, or Ye Chen, there is a blind spot in his thinking!

That is, subconsciously, they did not doubt the leader of the alliance, Ge Shan!

After all, those who can serve as the leader of the alliance are selected by thousands of people. The most important thing is loyalty to the kingdom of God!

However, there are always exceptions to everything, and goshan is an exception!

There was a big bang, and a light appeared above the door of the chamber of secrets, which blocked the axe. However, there were cracks all over the light curtain. Obviously, it can only resist for a moment. The next blow will shatter!

Ke Ge Shan, but a cold smile, this moment, it is enough!

A long sword appeared in his hand, and the black and white light rippled out. Zhenwu's intention was to interweave in the narrow secret room. The rolling sword light turned into a startling sword awn, facing Xiang Yuan under his head!

Xiang Yuan saw that he didn't care to attack the exit any more. He turned back suddenly. His whole body's spiritual power broke out 200% and his essence and blood were burning. In a moment, all his life-saving secrets were put into full play. All his skin turned into blood. The thunder light on the big axe became powerful for a moment!

Xiang Yuan raised his axe with both hands, and roared with fury. The axe's intention was surging, and he cut away at the sword net on his head!

But at the next moment, the fierce axe fell into the net of swords, but it died quietly, even without a trace of fluctuation!

"How could it be!"

Xiang Yuan exclaimed and looked at GE Shan. It was impossible!

Ge Shan, even if he is much better than him, it is impossible to have such a big gap!

Xiang Yuan didn't even have a chance to think about it. The sword net had already submerged his body.

"Why do you..."

The sound stopped completely.

In the chamber of secrets, there was a scream.

With a wave of his hand, Ge Shan swept away a burst of blood mist in front of him. This generation of heroes who once dominated the first Kingdom of God disappeared, as if there had never been such a man in the world.

After finishing his robes, he left the chamber of secrets.

At this time, in the main hall of the alliance of gods, there were the top strongmen and guardians of various countries.

Their faces were ugly!

They had been trapped for several days in the magic gate array, and they just got out of the trap!

In addition, there are several guardians, died in the array

When have these countries suffered such losses?

If they know who set the trap, they will definitely let the other party pay the price at all costs!

At this time, Feng Shaoyu opened his mouth and said, "do you think it's strange this time?"When they heard this, they all frowned slightly. It's strange to be trapped in the array this time!

They don't know the origin of the magic gate array, but they also know that this kind of array cannot be completed without preparation in advance.

But why would anyone know they were going to the mangshen mountains?

Feng Shaoyu's eyes flashed: "if I guess well, there are spies in us or the alliance. After all, no one knows about going to mangshen mountain except the elite of Shenmeng League and me!"

When people heard this, their faces changed slightly!

Spy!

Collusion with the demons, such charges, even the most powerful countries, can not afford it!

This is the death penalty of capital crimes!

At this time, Xiao Bao said darkly: "Ye Chen and Tu Lan Xin have not appeared yet?"

They all shook their heads. Ye Chen, Tu Lanxin, and song Jinyi of Shenmeng all disappeared in the riot, and even their bodies were not found.

Xiao Bao frowned and said, "don't you think there is a problem? With Ye Chen's strength, this magic gate array, and those killers, it is no problem for him, but why did he not appear? "

Feng Shaoyu, also a flash of silver in his eyes, said: "good! Even if ye Chen could help us break the battle, we would have been out long ago. Why have we been trapped for so many days? "

Xiao Bao and Feng Shaoyu are both shining in their eyes. They have been beaten seriously by Ye Chen. Although they have already admitted defeat, it is impossible to say that there is no resentment in their hearts!

These two people are the talented children of their respective gods!

Or the genius of the second and third God, when did he suffer such humiliation?

Ye Chen, it's not too much to say it's the shadow of their life!

Don't say it's them, even the rest of the public, eyes are flashing a haze!

They have great trust in Ye Chen's power. Even in the magic gate array, ye Chen has always been their hope and pillar!

But?

In the end, ye Chen still didn't show up

Chapter 2908

The atmosphere in the hall became heavy and strange for a time. The faces of the people became more and more ugly. A terrible idea could not help but emerge in their hearts

But no one said it

They dare not say!

Finally, Xiao Bao clenched her teeth and said, "you don't appear in the magic gate array. Now you're playing missing? If there are spies among us, I need to say, who is the most suspicious? "

This word, as if aroused a thousand waves!

People's eyes flash, so it seems that ye Chen is really full of doubts!

People, for better than their own existence, often try their best to see from each other's shortcomings, deficiencies, in order to meet the balance of the heart.

Xiao Bao's words, like a fuse in general, detonated the suspicion in people's hearts!

What is the biggest doubt about ye Chen?

It's just that he's so good!

This is also the most unacceptable fact for those who are strong in the kingdom of gods!

Therefore, they all hope to see ye Chen's stain in their hearts. They all hope that ye Chen's strength is not coming from a correct way!

In this way, the gap between them and ye Chen seems not to be that big, isn't it?

Feng Shaoyu said coldly: "how can a guy from such a rubbish place as the seventh kingdom have such incredible power? I think ye Chen has a lot of problems! "

People also echoed: "yes, this person is too strange!"

"That is, maybe, this power is obtained by trading with demons!"

"How can we overcome adversity and have the strength of the late chaos? Ha ha, in addition to selling my soul and conscience to the demon clan, I can't think of the second possibility! "

These people, in fact, do not know much about extraterritorial demons, but they all know that extraterritorial demons have strange means to enhance the strength of warriors!

Just then, outside the main hall, there was a majestic man's voice.

"You are indeed the most powerful deities. Indeed, you are very observant. I can prove that ye Chen is the spy of the demon clan."

When they heard the speech, their eyes flashed. They all looked at the entrance of the hall. Outside, they saw a middle-aged man and an old man with white hair and childish face.

The old man is the leader of God alliance, Ge Shan!

Ge Shan at this time, behind the middle-aged man half step, obviously that middle-aged man's identity, not ordinary!

The middle-aged man held his fist to all the people in the hall and said, "this seat is the great elder of Wanfa Zong, Tian Feiming. I've met you all."

The powerful people of all countries are all pupils, and they are not unfamiliar with the name of Wanfa Zong!

That is, the giant that occupied the first Kingdom and the first force. Its reputation, even in other divine countries, is like thunder and thunder, and the existence of legend is general!

Yun Ziying, the guardian of the second kingdom of God, frowned slightly and said, "Mr. Tian, do you think Mr. Ye is a demon spy? Do you have any evidence? What's more, does this matter have anything to do with Wanfa Zong? "

If we say that among the people present, the one who believes Ye Chen's innocence most is Yun Ziying!

She doesn't believe Ye Chen is a demon spy at all!

Why?

The reason is simple!

If ye Chen is a demon spy, they can't survive in the magic gate array, right?

At this time, Tian Fei showed a trace of sadness on his face and said: "to tell you the truth, Gao Yin, my disciple, and Song Jinyi, the divine alliance, have fallen into the hands of this spy! As for the evidence... "

The LORD looked at him.

Ge Shan nodded his head and said, "before Jin Yi died, he had already sent back the news that ye Chen was a demon spy!"

Ge Shan sneered in his heart. Song Jinyi did send back news that he had found the demon spies. However, what he said was naturally Gao Yin, not ye Chen.

However, even Song Jinyi didn't expect that the collusion between Wanfa Zong and the demon clan had already been known by Geshan!

Feng Shaoyu and Xiao Bao looked at each other and saw the joy in each other's eyes. They agreed with each other and said, "it's true!"

If this is from the seventh kingdom of God, only the waste of cutting through the difficult situation, not joining the demons and getting their own strength, how can they be crushed!

Two people's faces, have emerged a grim smile!

Ha ha, ye Chen, at the beginning, you didn't fight us. You were very happy and arrogant?

Now, you're done!

It's all over!

From today on, countless warriors of the seven kingdoms will become your enemies!

No matter how strong you are, you have to die!

Yunzi Yingxiu frowns and her beautiful eyes twinkle. Obviously, she doesn't fully believe what Tian Feiming and Ge Shan said, but she doesn't refute

At this time, it is useless to refute. Both the great elder of Wanfa Zong and the leader of the alliance of gods say ye Chen is a spy, and she is only the guardian of the second kingdom of God. Can we still question the supreme existence of these two identities and positions? In that case, it's just looking for death

Feng Shaoyu couldn't wait to say: "Ge alliance leader, Tian Changlao, can you find the trace of the spy now? Now that we have determined that he is a spy, we should spare no effort to eliminate him! "

He's excited and can't wait!

This is a good opportunity for him to revenge Ye Chen!

In fact, does Feng Shaoyu really believe Ye Chen is a spy?

Not necessarily, but he doesn't care at all!

Whether ye Chen is a spy or not, he just wants to see ye Chen die!

Tian Feiming shook his head and said, "the spy is hidden very deep. However, if you want to deal with him, there is no way out."

"Oh?" Feng Shaoyu's eyes brightened and said, "Tian Changlao, what's your plan?"

Tian Feiming gently stroked the short beard under his jaw and said with a smile: "the first God is as strong as clouds. We only need to issue the order of reincarnation and pursuit."

"If anyone can capture Ye Chen, I will take out an ancient thing!"

The leader of the alliance was also Mou Zi Yi Ning, and said: "in order to safeguard the justice of the first God Kingdom, and also to prevent this kind of evil from polluting the first Kingdom where the reincarnation Lord once lived for a long time! My God alliance will take out an eternal gold elixir! Add three rare things of the divine alliance

At this moment, everyone breathes fast!

It's too big! Don't talk about chaos! I'm afraid even those gods can't refuse!

This time, ye Chen will surely die!

Wind little feather incomparably excited, but he thought of Ye Chen's horror, or way: "if still did not find Ye Chen?"

Tian Feiming smiles: "that still has the last plan!"

"Ha ha, this waste comes from the seventh God Kingdom, the God Jizong. There must be many of his accomplices and followers there?"

People smell speech, slightly a Leng, immediately, look is cruel down!

With a smile on his face, Ge Shan then said, "ha ha, you can run a monk, but you can't run the temple! Our Shenmeng and Wanfa Zong have decided that if ye Chen can not be seen within one month, they will call on the warriors of all countries to invade the seventh kingdom and attack a number of evil parties headed by Ye Chen! "

Chapter 2909

A cruel color flashed in his eyes and said, "if all his accomplices and Party members are going to die, even the spy can't hide?"

When Feng Shaoyu and Xiao Bao heard the speech, they both applauded and laughed: "good! Elder Tian and elder Ge have come up with a good idea

Tian Feiming said: "it should not be too late. I will release the order of reincarnation and killing! It is estimated that in a few days, the strong men of the first Kingdom will look for ye Chen! Ye Chen will not be able to fly in time

When they heard the speech, they all cried out: "ha ha, kill Ye Chen, step down the God Jizong!"

Yunziying is silent, she slightly lowered her head, no one can see her expression, and at this time, yunziying's beautiful eyes are burning with fury!

Kill Ye Chen? Stepping down on shenjizong?

These people are joking!

This, where is to act on behalf of heaven and punish evil spies?

This is clearly to stir up internal strife among the great gods!

Now, the invasion of foreign demons is imminent, these people, even for their own hatred, and internal fight?

Yunziying is both angry and desperate!

Can't the Terrans really survive this disaster?

If the supreme reincarnation Lord is still alive, who dares to fight inside?

It's a pity that the Lord of reincarnation has fallen.

Live forever in the legend.

It can't happen again

This is Yun Ziyang's regret, but also the regret of the people in the kingdom of God.

.....

Taiyuan sword school.

In Yangxin garden, a man sitting in the room with a faint purple light shining all over his body. At this time, he suddenly opened his eyes, and the purple light in his eyes almost shot through the roof of Yangxin garden and went straight to the sky!

A strong breath rose up, and instantly filled the whole Taiyuan sword school. All the people in the Taiyuan sword sect were trembling slightly, and they looked in the direction of Yangxin garden with horror on their faces!

This breath, too terrible!

After a moment, the breath, slowly convergence, ye Chen feel the powerful power in the body, this Zixiao stone is indeed the most precious!

Not only that quickly, he recovered his injury, but also greatly improved his strength, spirit, physical strength and spiritual power!

What's more important is to let his realm cross to the eight levels of heaven!

It's a pity that he has been able to break through long ago, but he has been suppressing it!

Now break through to eight days, strength is not growth, too terrible!

But on the whole, his combat power has been increased by 30% again!

If you face the half step of heaven, you should be able to shake!

Even the heaven God realm one layer of heaven, also can try!

But he didn't have many hands with God realm. I'm afraid the span of God realm is extremely large!

The more behind the realm, the more terrifying the distance will be!

It will be more and more difficult for him to fight beyond the level!

Now he wants to win a layer of heaven, but also extremely difficult!

If you want to really change, I'm afraid you have to wait for yourself to step into chaos!

He murmured: "it's almost recovered. It's time to leave Taiyuan sword sect."

But before he leaves, he has one more thing to do!

The next moment, ye Chen's figure flashed, and he appeared in front of yuerou's room and knocked on the door.

However, he did not respond. He frowned slightly, sensing that Yue Rou was in the room, but why didn't he respond?

Is it that you are hurt to understand what you taught yesterday? The next moment, he pushed the door straight in.

At this time, Yue Rou holds a long sword in her hand, but stands in a daze in her room, looking a little lost.

Ye Chen asked, "rouer, what's the matter?"

Yue Rou is surprised. She finds Ye Chen. She doesn't know when she is coming to her room!

Although she was young, she was not very happy, but she was not very angry at her first time.

Yue Rou sighed: "elder martial sister Lin and elder martial brother Li have been expelled from the school."

Ye Chen nodded, not surprisingly.

If the Taiyuan sword sect wants to win over itself, it is impossible for them to stay.

And the reason why they have come to this stage is that these two people have taken their own blame.

However, no matter what their moral character is, in the final analysis, they grew up with Yue Rou, and they still have feelings. Yue Rou, unlike those high-ranking people of the Taiyuan sword school, only values interests and ignores feelings.

Ye Chen likes Yue Rou more.

However, Yue Rou does not blame Ye Chen. Although she is lost, she also knows that it is not ye Chen who is wrong, but Li Kun and Lin Siqi.

Ye Chen said with a smile: "girl, don't think about the past. Martial arts are against the sky. For the real strong, no matter what kind of difficulties they can overcome." He suddenly grabbed Yue Judo: "I'll take you to a place."

At the same time, disappear from the next room.

.....

In the Taiyuan sword sect, a man and a woman appeared in front of a ten meter high boulder.

It is Ye Chen and Yue rou.

Yue Rou glanced at the huge stone and said curiously, "brother ye, isn't this the divine stone of our Taiyuan sword sect? What did you bring me here for? "

Shenyi stone can be regarded as a wonder in the Taiyuan sword sect. However, the sword meaning here is too strong. Even the disciples of the Taiyuan sword sect can't bear it. They seldom come here. Only occasionally, some highly qualified disciples come here to understand.

At this time, there was no one around Shenyi stone except ye Chen and Yue rou.

Ye Chen smile way: "show you a good thing."

"Good stuff?"

Yue Rou's face looks curious. There is nothing here but the two of them and this big stone. What good things can I see?

All of a sudden, Yue Rou's little face turned red. She remembered what Lin Siqi said to her a long time ago. Is it possible that a lonely man and a widowed girl would be the best thing to see when there was no one else

Yue Rou's beautiful eyes are a little flustered. She grabs her long skirt and breathes faster.

However, she still plucked up her courage and said to Ye Chen, "brother ye I've never seen your boy's thing, but if you want me to see it, I'd like to have a good look! It can even help you..."

Ye Chen slightly a Leng, ten thousand did not expect this wench a word not to drive?

He shook his head helplessly and said, "what are you thinking? What I said is, let's show you my martial arts charm

"Ah?"

Yue Rou hears the speech. Her white face turns red in an instant. It's like a piece of red iron!

Shame!

He even and ye Chen, said that kind of words!

"You wait here first."

Ye Chen finish saying, it is toward the spirit of stone to go!

He took out the broken falling dust dragon sword from the samsara cemetery!

As soon as the sword of falling dust and dragon came out, the whole stone of God's mind trembled violently!

Chapter 2910

And the spirit of the stone burst out a bloody awn!

Blood red light column straight into the sky!

And ye Chen is also hard to fly out of the shock!

Ye Chen is confused!

What power is this!

Fantastic to the extreme!

Even if he didn't activate the body of red dust God pulse and sky demon just now, he might turn into blood fog!

This is just a little bit left, and I don't know how many years of power?

Unfortunately, Ren's martial arts is too advanced!

The Taiyuan sword sect can't absorb it! Martial arts even formed a kind of suppression!

Let the Taiyuan sword school go astray!

I'm afraid that's why the sword of Taiyuan came from!

Ye Chen stood up, wiped the blood from the corner of his mouth, and walked to the falling dust and dragon sword step by step!

A drop of his blood essence fell into the falling dust and dragon sword!

Next second, the void vibrates!

There is a crack behind the stone!

Suddenly, a sword point burst out of the stone!

And the spirit of the stone is also a moment dim!

A strong sense of sword seems to make the whole Taiyuan sword school fall into an endless earthquake!

Ye Chen is short of breath, the next moment, the reincarnation graveyard is to spread an extremely terrible vibration!

It's so terrible that I can't help but absorb it!

Everything is calm and calm.

Ye Chen takes away Ren's sword meaning and part of the falling dust and dragon sword, naturally leaving something behind.

Something more suitable for Taiyuan sword sect.

At the next moment, ye Chen had a long black sword in his hand and said in a deep voice: "rouer, take good care of it!"

The meaning of Zhenwu is surging out, and the sword flash like a cold star all over the sky, falling to the earth!

Originally, Yue Rou, who was still ashamed, was immediately attracted by Ye Chen's sword!

A sword cut out, such as the sea in the sword light, a palpitating rhyme, in the sword light emerged!

It is the spirit of destruction!

Ye Chen's sword has no reservation!

Sword light, instantly poured on the God's stone, but the dark stone, but did not turn into a smash.

The next moment, the sword light converged, and a deep sword mark appeared on the surface of Shenyi stone!

Suddenly, another powerful, domineering, breaking sky in the sky, with a sense of destruction, emerges from the stone which originally exudes a faint sword meaning!

This is Ye Chen's martial arts charm!

In Yue's soft and beautiful eyes, her spirit flashed. At the same time, she grasped a long sword. Her body spread out, and the light of the sword overflowed all over the place!

Yue Rou's sword, it seems, is very messy and disorganized, but gradually, there seems to be something more in the light of the sword!

Ye Chen nods, but Yue Rou's aptitude is very good, and her pure and clear mind is also very suitable for kendo.

It seems that she has learned something from ye Chen's martial arts and is exploring.

At this time, several figures appeared in front of the Shenyi stone. It was Yue Qingshan, the leader of the Taiyuan sword sect, and a group of elders!

Not only they, but also more and more Taiyuan sword sect disciples have been attracted here!

And these people, at the moment, are incomparably shocked to look at the sword mark on the God's stone, startled by heaven and man!

That is Ye Chen's martial arts charm!

Incomparably terrible martial arts charm!

And more suitable for their rhyme!

What does this mean for a school, especially for a sword school that values martial arts and Taoism?

That means that this rhyme will probably bring countless powerful disciples to the Taiyuan sword sect in the years to come!

That's just like giving Taiyuan sword school a chance to rise!

Don't say it's a disciple. Even these people may make progress with their understanding!

Before the spirit of stone is powerful, but there is a sense of oppression!

And everyone knows, it's not for them!

After training, only can the sword go sideways!

But they have no choice! There is no suitable martial arts charm!

But now, there is!

Ye Chen's kindness is too great!

Yue Qingshan, as well as a group of elders, have been excited to tears!

At this moment, they were collective, knelt down to Ye Chen and said, "thank you for your great kindness. We will never forget it!"

Those disciples of Taiyuan sword sect were shocked and completely stunned when they saw this scene, just like suffocation!

These people, placed in the first Kingdom of God, can hold up a piece of sky. How can they kneel down to others?

If we take the earth as a comparison, it is like the high-level people of various countries suddenly kneel down in front of others!

Ye Chen's martial arts charm has this value!Ye Chen, but the expression light way way: "nothing, if someone can have harvest, that is their own ability."

"Besides, I also got what belongs to me."

Ye Chen, just equivalent to give a chance.

Moreover, to tell the truth, although Ye Chen has left his own martial arts charm, it is his own understanding and only belongs to his own things. No matter how others imitate and how they understand, they can not match Ye Chen's martial arts charm.

The most powerful martial arts connotation is realized by oneself.

Yue Qingshan, they also know this, but still, very grateful ah!

After all, how many people can understand Ye Chen's true martial arts and Shinto by themselves?

Don't talk about the kingdom of God. There are not necessarily many in the upper world and the outside world!

With Ye Chen's reference, it has been able to make the charm of countless martial artists powerful and even ten times stronger!

Not everyone wants to pursue perfection, and not everyone is qualified to be compared with Ye Chen's evil spirits.

At this time, several people in Yue Qingshan look at Yue Rou, who is dancing a sword. They all admire Yue rou. They know that Yue Rou has witnessed the whole process of Ye Chen's leaving meaning, and what they have learned. To say, Yue Rou has gained the most this time!

At this time, ye Chen suddenly said: "all up, in fact, I also have one thing to ask for."

Yue Qingshan and others got up and said, "Mr. Ye, it's OK to say so."

Ye Chen said: "the disaster of extermination is imminent. If circumstances permit in the future, I hope the Taiyuan sword sect can help the seventh kingdom of God to survive this disaster."

Although all the great kingdoms have to bear the disaster of extermination, on the whole, the pressure of the first Kingdom is the least, while the seventh one is the biggest!

Yue Qingshan did not hesitate to head the way: "let Ye Gongzi send!"

To tell you the truth, if ye Chen had nothing to do and left such a great benefit, they would not be at ease.

Ye Chen nodded his head and said, "thank you very much. I have something important to deal with here. I'm going to leave now."

Said, he looked at Yue Judo: "rouer this girl, very good, good training her."

At this time, Yue Qingshan suddenly said, "Mr. Ye, do you want to go to the holy land of Taiyuan sword sect before you leave?"

All the elders around Yueqing mountain were shocked!

The holy land of the Taiyuan sword sect can only be opened once in a thousand years. Before, even Li Kun and Yue Qingshan, known as the eternal genius, were reluctant to let him enter. Now, ye Chen, who does not belong to the Taiyuan sword sect, should be allowed to enter it?

The key is that the holy land has something to do with that one!

In fact, before ye Chen left the martial arts charm, Yue Qingshan did not have such an idea, but now, he has decided!

It's worth making friends!

What is heart to heart? That is, we can't put interests in the first place, but get along with each other sincerely!

Let Ye Chen enter the holy land of Taiyuan sword school, which is the way to show sincerity!

Ye Chen slightly a Leng way: "holy land?"

Yue Qingshan nodded: "this holy land is very mysterious. In those years, only one person entered it once."

Ye Chen is a little strange: "who?"

Yue Qingshan hesitated for a few seconds and said, "the fallen Lord of reincarnation!"
