Chapter 2981

"Not yet, but not far."

Xia Ruoxue, with eyes full of eyes, wields his sword to cut down the Dragon God in the sky. The sword is wrapped with wisps of fire of reincarnation star flame. The momentum is earth shaking. It is almost to roast the universe stars, showing the incomparable ferocity.

Ye Chen concentrated on a look, immediately found that Xia Ruoxue's reincarnation star flame breath, is not the most perfect state, just a little residual force.

Obviously, Xia Ruoxue has not yet succeeded in refining, but has stripped off a trace of the energy of the reincarnation star flame and turned it into his own use.

Just a trace of the energy of the reincarnation star flame, it broke out a towering divine power.

The whole void, the temperature soared.

Mountains and rivers, sun and moon, as if to be boiling.

Xia Ruoxue's sword, like purgatory magma, is unstoppable.

This is not a vision that can be aroused by her realm, but she has done it!

You can see the horror of reincarnation star flame!

"Ah, reincarnation star flame! You have a breath of reincarnation

The voice of the Dragon God is shaking!

The reincarnation star flame is the divine fire of heaven and earth. The origin of this kind of fire is in the body of the queen of the upper kingdom. A little energy of this level of fire is enough to burn the sky and destroy everything. He should also be in awe.

This reincarnation star flame is part of the reason that the queen of the upper world can live forever and shake the world forever!

I didn't expect to be controlled by a goddess now!

Puff!

Caught off guard, the Dragon God was chopped by Xia Ruoxue's sword.

A sword with reincarnation power and star flame breath broke his dragon scales and flesh to the bone, almost roasting all the bones into charcoal.

The energy of this reincarnation star flame is so terrible that even if the flesh of the Dragon God is strong, it can't resist it.

A deep sword wound suddenly appeared on his dragon body.

"Lucky for you."

The Dragon God bit his teeth. The Dragon swung its tail, tore the void, and flew away quickly.

If he entangles again, ye Chen and Xia Ruoxue join hands, he has no chance of winning.

Even if he tried his best to use all the cards of the God to kill them, he would surely have to pay a huge price.

"Sister Xue is so good."

The star spirit is flying, and the voice is pleasantly surprised.

Summer if snow bitter smile, pale face, a trace of purplish blood overflow.

Reincarnation star flame is too powerful after all, now she displays, the price is too big.

"What's the matter?"

Ye Chen quickly helped her, concern asked.

"Reincarnation star flame, I haven't succeeded in refining."

Xia Ruoxue exudes sweat on her forehead, and the reincarnation star flame is also suppressed in her abdomen. She has just stripped a trace of energy and successfully defeated the Dragon God.

But now, it's not time to celebrate.

Because, she did not fully refine the success.

Only by thoroughly refining the reincarnation star flame, can she get rid of the danger and master the supreme heavenly fire.

"If snow, then you refine, I will protect the Dharma for you."

Ye Chen took Xia Ruoxue's arm and helped her to the deck.

Reflecting the early morning sun, Xia Ruoxue sits cross legged, eyes closed and breath regulating, and continues to refine the reincarnation star flame.

Now it's the last moment. With a little more time, we can finish the job.

Ye Chen, on the other hand, guards beside Xia Ruoxue. He also silently adjusts his breath to recover his lost spiritual power.

"Brother Ye Chen, you don't know how dangerous it was just now."

The star spirit floats to Ye Chen, chirps, and tells Ye Chen one by one what happened in the nine days god dragon hall.

"Shangjie Zun clan, empress supreme, Xuanji!"

Ye Chen listened to the words of the star spirit, and his eyes immediately lit up a raging anger.

When he heard the news from the ancient world, he was filled with resentment.

"What is the queen of the upper world? Did I have any enmity with her in my previous life?"

"Is the woman who lost herself in the last life the queen of the upper world?"

Ye Chen Mou son is dignified, kill the machine overflow.

He felt that the anger and resentment in his heart was the residual breath of previous life.

"Well, no matter what, Xuanji dares to hurt ruoshue. I will never let her go!"

Ye Chen clenched his fist, and Xia Ruoxue suffered so much danger, which was all caused by Xuanji.

If it wasn't for her, Xia Ruoxue might have refined the reincarnation star flame and made great progress in cultivation.

"However, Xuanji is a noble family in the upper world, and has extremely terrifying strength. Even if he is seriously injured, I can't defeat him."

Ye Chen's eyes twinkle, he also knows his own strength.

In the face of the Dragon God, there is still the power of a war.

But if you meet Xuanji, you won't win. After all, the gap is too big.

Even if Xuanji at the moment has been seriously injured by the demon emperor, he can't shake him.

"Well, leave here first. One day, I'll let her die!"

Ye Chen bit his teeth and controls the boat to leave quickly.

The top priority is to leave here first and let Xia Ruoxue tide over the difficulties.

As for revenge, there is no need to rush for a moment.

Ye Chen is very aware of his potential. If you give him a little time, he can kill any heavenly way palace or Xuanji in one fell swoop.

Even, one day, he can kill to the upper limit!

Time, now what he needs most is growing time.

The dragon scale flying boat shuttles through the void without any disturbance, and quickly runs away.

.....

At the same time.

After the Dragon God escaped, he intended to leave Jiutian Shenlong temple and return to Tiandao palace. On the way, he was blocked by a beautiful shadow with a trace of blood.

It's Xuanji!

"Lord Xuanji!"

The Dragon God called out in the hot sky, but he saw that Xuanji's breath was quite different from before.

Obviously, the power that the queen of the upper world had brought to her has been completely dissipated.

Even she was bitten back.

However, not too bad, even with injuries, in the nine days dragon hall, she also has enough right to speak!

"Lord Xuanji, you..."

"By the way, is that blood dragon dead?"

The Dragon God asked carefully. What he cared most about was the life and death of the blood dragon.

After all, the blood dragon's blood suppression made him very uncomfortable.

He just wanted to see the blood dragon fall.

Just in the Jiutian dragon hall, Xuelong has been seriously injured by Xuanji. He is about to die. Is there an accident?

"No, the devil is coming."

Xuanji's voice was deep and tired.

Now the mark of Diwei on her eyebrows has completely disappeared. She is definitely not the enemy of the demon emperor.

Therefore, she plans to go back to the upper bound and report this matter.

Let the queen decide for herself!

But now the queen ordered things, she has done all wrong, if the queen knows, she does not know how to die.

"Is the devil coming?"

The Dragon God's eyes shrank in the scorching sky. Unexpectedly, such a change happened.

"What's the matter with you? The guilty woman, has already committed a crime? Where are your men?"

Xuanji's eyes were cold. Seeing that the Dragon God was alone, he suddenly had an ominous premonition.

If Xia Ruoxue is put to death for her crime, she will be a little confessed in front of the queen.

But if Xia Ruoxue ran away, it would be troublesome.

Chapter 2982

"Lord Xuanji, this

The Dragon God Laughs bitterly in the hot sky, so he comes to Ye Chen and kills all the elders with invincible divine power. Finally, Xia Ruoxue stripped off a trace of reincarnation star flame energy, and mercilessly chopped him to death.

"What, the guilty girl is still alive? Can you even use the samsara flame? "

Xuanji was very angry. Unexpectedly, an accident happened to the Dragon God.

"The reincarnation star flame is the thing that the empress reveres. There is no one in the world who is entitled to touch it. The guilty girl actually stripped off a trace of the energy of the star flame, blasphemous to the empress's majesty, and will never be redeemed!"

Xuanji's eyes are sharp and fierce, and his killing intention is extremely fierce.

"Lord Xuanji, do you want to..."

The Dragon God shivered in the hot sky. He had never seen Xuanji look so angry.

"Where have they gone? I want to kill Ye Chen and Xia Ruoxue in person, or they will escape. How can I tell the empress? "

Xuanji's teeth clenched, and his murder became more and more intense.

"Lord Xuanji, it seems that your injury is not serious. It's better to wait for the wound to heal and then go after it."

The Dragon God said cautiously.

But Xuanji said in a loud voice: "even if I am injured, I also have tremendous divine power, which can not be resisted by those two mole ant wastes."

"Lord Xuanji, no, I always feel that things are very dangerous."

The Dragon God showed a bitter smile and showed deep fear.

These days, he Tiandao palace and the mysterious youth Ye Chen had countless fights, but each time, ye Chen can kill everything.

The other side's body, as if with a day of great luck.

No matter how you crush him, you can't kill him.

At the moment, the Dragon God is really afraid.

He is afraid that Xuanji will not only kill the other party, but also be killed by the counter!

Therefore, he wants Xuanji to go back to Tiandao palace or the upper world to recover from the injury and then take action.

Xuanji in his heyday is powerful enough to crush everything. Even if ye Chen is against the sky again, he will not be able to survive.

"Stop talking nonsense and tell me where they are."

Xuanji looked at the Dragon God coldly: "that woman is about to refine the reincarnation star flame. If she is successful in refining, it will be tantamount to blaspheming the empress. This is a great sin. I can't afford it."

"....."

Looking at Xuanji's decision-making appearance, the Dragon God of the hot sky sighed:

"they have escaped from the nine heaven god dragon hall. You should still have time to catch up with them."

Now he tells Xuanji the coordinates of the last appearance of the dragon scale flying boat.

Xuanji pinches his fingers and immediately deduces the position of the dragon scale flying boat.

"Wait, I'll bring back the head of that man and a woman and give it to your heavenly way palace."

Xuanji's voice is indifferent. With a wave of his slender hand, he tears the void and instantly pursues him.

Her biggest goal is to kill Xia Ruoxue.

However, since the boy is the enemy of Tiandao palace, she doesn't mind cutting off Ye Chen's head and giving him a favor.

"Better."

The Dragon God Laughs bitterly in the hot sky, and his spirit is deeply frustrated by his repeated failures.

At the thought of Ye Chen's figure, he was frightened.

"I just hope that the boy's luck will come to an end today."

The Dragon God murmured in the hot sky, his body swaying, and flashed to the direction of Tiandao palace.

At this time ye Chen and Xia Ruoxue are sitting on the dragon scale boat, constantly shuttling through the void, far away.

Boom!

In vain, the void around him was shaking violently.

A majestic majesty, from the void diffuse out.

Stars, sun and moon, in this majestic shock, seems to be shaking.

Ye Chen Mou son a congealing, looking at the void, holding the evil sword in hand, a sense of danger spread all over the body!

The next second, a woman with a big sword rips through the void and flies out of the sky, descending over the dragon scale flying boat.

"Here comes the woman!"

The star spirit uttered a cry of surprise.

The woman with sword in the sky is Xuanji.

At the moment, Xuanji's clothes, with the traces of fragmentation, revealed an inch of snow-white skin, but on the skin, there are blood scars.

She didn't even have time to change.

Obviously, she's not in good shape either.

However, her breath, still incomparably grand, incomparably vast.

The whole person, like a scorching sun, is suspended in the sky.

"Are you Xuanji?"

Ye Chen's eyes shrank and he was on guard.

At present, his spiritual power has been fully recovered, but he still has a feeling of insignificance in the face of Xuanji.

Xuanji, the strength must be terrible!

At least in the middle of the celestial realm!

Even with serious injuries, it is still as high as the sun and the moon, as big as heaven and earth, which makes people extremely afraid. "Damn it, this woman is so haunted."

Xia Ruoxue opens her eyes and sees Xuanji's figure. Her teeth are clenching her lower lip. Her pretty face is dignified.

Now she is about to completely refine the reincarnation star flame, but unexpectedly, at the last moment, Xuanji appears to obstruct her.

"What's your name, boy?"

Xuanji sees Ye Chen for the first time. His body vibrates violently and his eyes are shocked.

She found that ye Chen's face was very familiar.

In the palace of the empress, Xuanji saw the portrait of the reincarnation master in his youth.

At the moment, she was surprised to find that ye Chen's appearance was very similar to the reincarnation Lord.

The breath between the eyebrows is almost the same.

"It's impossible!"

Xuanji's heart set off a huge wave.

"The Lord of reincarnation has long since fallen, completely dissipated between heaven and earth, and can not be reborn again."

Xuanji's eyes twinkle constantly. She is sure that the reincarnation master has fallen and there will be no chance of rebirth.

But now, the appearance of Ye Chen breath, but very similar to the reincarnation of the Lord, let her completely shocked.

She also wanted to see ye Chen and Xia Ruoxue, she would kill her with a sword.

But now, seeing ye Chen's face, she is hesitant.

"What does this man have to do with the reincarnation Lord?"

Xuanji, with his slender hand tucked in his sleeve and robe, secretly pinched his fingers and calculated it. All at once, he deduced a very complex fate of heaven. It was tangled up, cut constantly, and the reason was still chaotic.

"Hum! What are you doing here? "

Ye Chen looks at Xuan Ji's gaping appearance, and does not know what she is thinking.

"If you want to fight, just fight. Why am I afraid of Ye Chen?"

Ye Chen's seven times blood light burst out, the red dust God pulse condenses, the Sha sword sends out the towering evil spirit, concentrate on waiting.

Although Xuanji's strength is very strong, but in order to protect Xia Ruoxue, he will not have the slightest retreat.

What's more, Xuanji is not in a good condition now. If he really fights, with the help of the reincarnation graveyard, he will not have no chance to turn the tables.

"You You... "

Xuanji has always been decisive in fighting, but now he looks a little uneasy and confused when he sees Ye Chen.

"You go, I will not kill you for the time being. I will only kill the guilty woman who blasphemes the queen."

Taking a deep breath, Xuanji regained his composure and opened his mouth slowly.

Chapter 2983

Think about it carefully, or put it aside first and kill Xia Ruoxue first.

As for the matter of Ye Chen, she needs to consult the queen and dare not make a decision easily.

After all, ye Chen's appearance and breath are too similar to the reincarnation Lord. I don't know how many causalities are involved behind her, which she can not easily touch.

"Oh? But I won't let me go! If you want to move my woman, first ask me whether the evil sword in my hand will say yes or not! "

Ye Chen clenched the handle of his sword and sneered.

But in the heart secretly doubts, I don't know what Xuanji is trying to calculate, actually willing to let him go.

Xuanji's eyes are concise, but he just stares at Xia Ruoxue regardless of Ye Chen.

At the moment, Xia Ruoxue is sitting on the deck with his knees crossed, stripping away the energy of the reincarnation star flame, and will soon be finished refining.

"Queen's fire, how can you defile it? Die to me

Xuanji's eyes are cold. He grabs the sword in vain. His body flashes and kills Xia Ruoxue.

"Kill the emperor's sword instantly!"

Xuanji shouts, and the huge sword blows up the majesty of the emperor's way. The sword's edge is full of murderous spirit and cuts Xia Ruoxue's head.

"How fast

Ye Chen's face changes suddenly. Unexpectedly, Xuanji's sword technique is so fast that it tears the void in an instant, which makes people unable to react.

Fortunately, ye Chen is full of mind, all in Xia Ruoxue's body.

As soon as he saw Xuanji's figure disappear, he knew that the event was not good. He immediately grasped the evil sword and released the power of breaking the sky to the extreme. He only heard a loud noise! He even blocked Xuanji's sword attack.

But in the body, I feel the blood rising!

The power of the moment is too overbearing!

At the next moment, ye Chen rushes to Xia Ruoxue, summoning sword and staring at Xuanji coldly:

"I said, if you want to move my woman, kill me first."

"Ye Chen..."

Summer if snow beautiful eyes flash, there is not willing, there is no tolerance.

She left shenjizong this period of time, just want to make herself stronger!

She hopes that one day, she doesn't need Ye Chen's protection!

She doesn't want to be a burden to Ye Chen!

"Oh, what an infatuated man."

Xuan Ji laughs coldly. Looking at Ye Chen's deep feeling, he has a decision instead.

"This guy is not the reincarnation master."

"In those days, the reincarnation Lord and the empress had countless relations."

"If he is the reincarnation master, he will not be attracted to other women."

Xuanji's mind is constantly flashing, and Lingtai is clear and bright.

"Yuanyang, I'll give you a chance to leave."

Xuanji converges. Just now she is in a mess. I don't know what origin Ye Chen has with the reincarnation master.

But now, see ye Chen so maintain summer if snow, she is decisive.

Even if ye Chen is the reincarnation of the Lord, so emotional to other women, this to the queen, is a great betrayal, sin is not forgiven!

"Moon breaking sword in the wilderness!"

Xuanji, with his sword in his hand, is like a meteor in the ancient world.

A trace of green light burst out of her sword, rolling the ancient breath of the wilderness, sad people's heart and spleen.

Extremely barren, incomparably fierce sword, is straight to cut Ye Chen.

This time, Xuanji did not have the slightest entanglement. He was very aggressive and did not drag his feet.

The strength of the sword is more powerful than that of a sword just now.

"What an overbearing sword spirit

Ye Chen's eyes shrink, and Xuanji's all-out attack is really a terror.

Even if Xuanji's state is not at its peak, this sword still has the power against the sky.

In the sky, countless stars are pierced by sword light and become meteorite dust wandering in the sky.

It's an endless sword.

"Red dust God pulse, open!"

"Ling Feng Shen Mai, open up!"

"Destroy Shinto, open!"

In the face of such a terrible sword move, ye Chen dare not have the slightest carelessness.

When you drink up to the sky, the energy of the two divine veins in your body will explode.

Hum!

Suddenly, ye Chen's body, out of incomparably bright golden light, just like wearing gold armor.

In his hand, he is also holding the evil sword tightly. The spirit of destroying Shinto is mixed with the spirit of Lingxiao martial arts, and he swings it wildly.

Ding Ding Ding!

Ye Chen kills with his sword and collides with Xuanji's sword.

Between the electric light and flint, the two swords collided for many times, sending out a series of crisp sounds.

The surrounding space, in this sword front collision, unceasingly collapses and smashes.

Under the influence of the sword, the mountain peaks burst into dust. Two people's collision, is simply earth shaking, ghosts and gods cry.

And every time, ye Chen's body is burst out of a blood mist!

Every blow is a heavy blow to Ye Chen!

But ye Chen insisted on, he knew that he had to fight for time for summer snow!

Ye Chen bit his teeth and felt the powerful force, mingled with the power of God, constantly impacting his body.

His pulse of red dust is constantly under the impact of Xuanji's sword force.

And Ling Feng's pulse, also played to the extreme, madly absorbed Xuanji's attack energy.

But even how, ye Chen also felt the tremendous pressure.

The whole body skeleton, all issued the unbearable creaking sound, seems to be ready to break at any time.

At the mouth of the tiger, it is also directly cracked and bleeding.

Ye Chen clenches her teeth and supports her. She blocks Xuanji's attack and doesn't let her hurt Xia Ruoxue.

For the first time, he felt that the gap was like a natural moat.

He wants to be strong!

Where is the upper world? Even if Xuanji is injured, he can still break out a towering power. His sword cuts the stars and the moon and moves the whole world. It's lawless.

"I don't know when I can reach this state."

At the critical moment of hard struggle, ye Chen's mind suddenly became bright, as if the ancestors looking up at the stars in ancient times, thinking of the majesty of the gods.

"Broken!"

In vain, Xuanji gave a cold drink and suddenly increased his strength.

The fierce sword power is pounding towards Ye Chen.

"Puff!"

Ye Chen opens his mouth and spits out blood. The golden armor on his body suddenly collapses and disperses.

The blood vessels in the body also vibrated violently and seemed to tear.

His whole person, directly fly out, hard fall on the deck of the boat, in a mess.

"Ha ha, it's just a mole ant. It only knows how to brag about it."

Xuanji laughs coldly and looks at Ye Chen's death in guarding Xia Ruoxue. She is very uncomfortable and just wants to kill Ye Chen immediately.

"Ye Chen!"

Xia Ruoxue saw Ye Chen injured and quickly stood up and protected in front of Ye Chen!

Protect it!

Her reincarnation star flame somehow gathered into Ye Chen's body.

Ye Chen Mou son is full of surprise!

Because, he found that the appearance of reincarnation star flame, even let him feel the same breath as the place of leaves!

This means that he can use the 33 Tianhong Mongolian law!

This is his chance!

Chapter 2984

"Lower bound sin girl, die for me!"

Xuanji's eyes fall on Xia Ruoxue, hums, grabs the hilt of the sword, shoots it in the air, and cuts Xia Ruoxue.

Xia Ruoxue's beautiful eyes shrunk, and suddenly felt the incomparable sword power, like the Thunder God's punishment, fell down without any strength at all.

"Oh! Come on! How about it! Boom! Baa! Moo! Oh! Boo

In vain, the old and desolate syllables vibrate between heaven and earth.

Ye Chen got up and opened his throat, singing out the incomparable ancient sound wave.

He was once again covered with gold.

A layer of golden light, turned into eight dragon, showing incomparably fierce, extremely fierce momentum.

"What! Tianlong eight gods sound

"Thirty three Tianhong Mongolian law!"

"No way. How can you master this magic power?"

Xuanji was shocked.

Thirty three Tianhong Mongolian Dharma contains the initial energy of Hongmeng, and its power is unimaginable.

Even in the upper world, this magic power is not weak!

There are only 33 kinds of ancient methods of Hongmeng, which can be imagined how rare they are.

Every ancient method of Hongmeng can shake heaven and earth and run through the whole world.

She did not expect that in the kingdom of God, someone had mastered the ancient method of Hongmeng.

Since the calamity of the gods and demons, all the ancient methods of Hongmeng have been lost, but ye Chen now has mastered this magic power which has been lost for many years.

As soon as the sound of the eight gods of the dragon was displayed, it immediately penetrated the void and deeply shocked Xuanji's mind.

Xuanji only felt his eardrum tingling and his soul shaking. He hastily held his mind and stepped back three steps.

"Are you all right?"

Ye Chen comes to Xia Ruoxue and looks at her with concern.

"It's ok..."

Xia Ruoxue's eyes are firm. Even if she was shocked by Xuanji's pressure, she didn't show any discomfort.

"If snow, quickly refine the reincarnation star flame."

"Here, there is me."

Ye Chen is quite relieved to say.

At this juncture, only when Xia Ruoxue successfully refined the reincarnation star flame, and the two people joined hands to attack, could they escape from the heaven.

As for defeating Xuanji, ye Chen is not so arrogant.

After all, the latter is a super master, even if he and Xia Ruoxue in his heyday, it is almost impossible to win.

The best way, of course, is to leave alive.

"Well!"

Xia Ruoxue nodded, gritted his teeth, and continued to refine the reincarnation star flame.

"I'll die for all my wishful thinking!"

Xuanji snorted coldly. Naturally, she knew their plan.

She would not sit back and watch, immediately dance a huge sword, fiercely and violently cut.

Ye Chen only let her fear, is that day dragon eight gods sound.

That's a magnificent ancient method. Even if she was a God, she would be shocked.

Fortunately, it takes a lot of effort to apply the hongmongolian law.

Ye Chen at the moment, obviously did not have the ability to display again.

Ye Chen bit his teeth and looks at Xuan Ji, who is flying with a sword. However, he kills him with his sword.

"Lingxiao martial arts! Lei Huang dominates the star sword

Ye Chen drinks violently, and his spiritual power vibrates in his body. He releases the inside power of Sha sword crazily.

All of a sudden, the whole sword, blowing up a towering evil spirit, as if to annihilate the whole universe.

The breath of fury distorts the void.

The thunder and heavenly power of Lei Huang dominates the star sword. There is a little bit of star light spirit, which is mixed with rolling evil spirit. It condenses into an incomparable sword Gang, and cuts to Xuanji wildly.

"What a ferocious spirit

Xuanji's face suddenly changes. She thinks Ye Chen has used the eight gods of Tianlong and has no means.

Unexpectedly, the weapon in Ye Chen's hand is also very powerful.

It's not just antiques!

The key is that this sword is full of mystery. If you recover your full strength, it will be of great value in the upper world!

It's very impressive to kill with one sword.

"It's a pity that the gap between you and me is too big. Break it for me!"

After a short period of shock, Xuanji recovered his cool and arrogant appearance.

If ye Chen is also a celestial realm, relying on the heavenly power of this evil sword, it will be enough to frustrate her.

However, it is a pity that ye Chen's strength is only to cut down the nine layers of heaven in the adversity realm. Even if she dominates the heavenly power and evil spirit, she can not be shaken in front of the huge state gap.

Zheng!

Xuanji cut wildly with his sword. With only one sword, he broke Ye Chen's evil spirit and dignity, and one sword sent him flying.

"Ye Chen!"

Xia Ruoxue wants to calm down and refine the reincarnation star flame, but she is worried about ye Chen and can't calm her mind at all.

"Ye Chen, you leave first, don't mind me."

Xia Ruoxue is completely desperate. Xuanji is so powerful that there is no possibility of victory at all. She just wants Ye Chen to leave quickly now, she bears the death.

"Silly girl, how can I leave you?"

Ye Chen opened his mouth with a smile, and his mouth was full of blood, but he didn't mean to withdraw from life.

Today's situation is nothing but death.

To die with the woman you love is not to live up to this life!

Ye Chen, leaning on his sword, staggers to his feet. His eyes are still firm and he looks at Xuan Ji coldly.

"This guy is really stubborn."

Xuanji bit his teeth, and his heart was filled with hatred.

The more Ye Chen loves Xia Ruoxue, the more disgusted she is.

It was as if her most respected queen had been betrayed.

It made her very angry and hated.

"Well, by this time, you've run out of cards, right? You can take it. "

Xuanji breathed out a breath. Holding the sword handle, Xuanji cut out a sword Qi in the air, and wanted to kill them.

"Don't hurt my Lord!"

In vain, space tears, a towering figure emerges.

Ye Lingtian!

Ye Lingtian's eyes are like electricity, and his body is like a mountain. He holds a gun for breaking a crime in the abyss and swallows up thousands of Li.

Zheng!

As soon as he showed up, he waved a gun to stop Xuanji's sword.

"The power of a bully!"

The huge sword force is conveyed with great force.

Ye Lingtian felt numb at the mouth of the tiger and could hardly hold the gun. He was deeply shocked.

Xuanji is very powerful. He can't resist him.

His cultivation is only chaotic state, which is obviously not Xuanji's opponent.

"Ling Tian, why are you here? Don't you handle the affairs of Ye family? "

Ye Chen sees ye Lingtian and frowns.

Ye Lingtian's eyes dodged, but still said: "Ye Xueqing's matter, I have told those several, the hall master need not worry."

"I wanted to stay there, but I knew the Lord might be in danger, so I disobeyed the order Please punish the Lord of the temple

Ye Chen sighed, and he knew ye Lingtian meant well.

"That's it."

Although ye Lingtian is here, he can't defeat Xuanji.

"Temple master, you and miss ruoshue leave quickly. I'll stop the female devil head."

Ye Lingtian is arrogant and arrogant. He comes alone. In fact, he has already held the belief that he must die.

As long as ye Chen can be protected from leaving, he will not hesitate to die.

"Ling Tian, what are you talking about?"

"Today's matter, only death, we brothers, fight with her

Ye Chen stares at ye Lingtian and waves his evil sword. The atmosphere is magnificent.

Chapter 2985

"Master of the temple!"

Ye Lingtian was deeply shocked and excited.

"Kill!"

Ye Chen doesn't have any nonsense. He cuts Xuanji with his sword.

"Well, have a good fight!"

Ye Lingtian tightly holds the gun of breaking sin and follows Ye Chen closely behind him, and attacks wildly.

They are like a dragon and a tiger. They are going to kill Xuanji.

Xuanji was shocked and a little jealous.

She is jealous of the friendship between Ye Chen and ye Lingtian!

"If the queen and I were in danger, would she fight with me?"

Xuanji is a little lost.

When she was in a trance, ye Chen and ye Lingtian killed her in front of her with a sword and a shot from ye Lingtian. With the momentum of shocking the sky, she was shocked back two steps.

"Damn it!"

Xuanji bit his teeth. Now is not the time to think wildly.

She was in a hurry to calm her mind, abandon her inner thoughts and dance with a sword.

The way of the ancient sword light, mixed with a sharp breath, mercilessly chopped to Ye Chen two people.

Ye Chen and ye Lingtian feel great pressure immediately!

There is a huge gap between them and Xuanji.

I'm afraid the victory of this war is very slim.

"Boy, I'll help you!"

In vain, a sharp voice sounded in Ye Chen's mind.

It's Lingtian arrow God!

Seeing ye Chen and ye Lingtian's determination to go to the enemy together, he was deeply shocked and moved, and finally decided to go.

Whoa!

The power of Lingtian arrow God's mind is projected onto Ye Chen without reservation.

Boundless breath, rolling explosion.

Ye Chen's body is full of fierce and sharp light. The whole person seems to be a sharp arrow to penetrate the sun and the moon.

"What is that smell?"

Xuanji's face suddenly changed.

She immediately felt that there was a very strong breath in Ye Chen's body, and she woke up violently.

At the moment, ye Chen, it is a complete transformation, as if a fish leaping over the dragon's gate, a step against the sky metamorphosis.

"Hall master..."

On the sky, Ye was shocked.

He knew that ye Chen would never let him down.

Boom!

The fury of the breath, from ye Chen body diffuse out.

Countless bright lights, constantly flashing.

Ye Chen big arm, hand appeared on a giant bow.

The Ancient Runes of law are constantly flowing on the giant bow, and their sharp edge is extremely fierce and shining fiercely.

Ye Chen holds a huge bow, as if incarnated into the Legendary God who shot down the sky.

"I am short of an arrow! Give me the felony gun. "

Ye Chen looks at ye Lingtian, and her eyes are full of golden flame burning with rolling majesty.

"Yes

Ye Lingtian didn't hesitate to throw the valuable abyss guilt gun directly to Ye Chen.

Click!

Ye Chen grasped it with five fingers and caught it directly. He felt the strong breath from the abyss crime breaking gun and could not help but take a deep breath.

His right hand pulls the strings of the great bow!

The surrounding air seemed to burst at this moment!

The gun of the abyss is above the bow!

It's a terrible shot!

He knew that if it was an ordinary arrow, it would not hurt her at all.

Only the abyss judgment gun, this kind of weapon, has enough terrifying lethality to defeat Xuanji.

"Not good!"

Xuanji's face suddenly changes, and suddenly feels his Qi is locked by Ye Chen.

Her hair was cold, and all of a sudden she was cold.

At the moment, ye Chen is as lofty as a mountain.

One bow and one gun will swallow the whole world.

The reincarnation in his body is burning wildly.

A trace of blood essence is infused into the conviction gun.

In a flash, the abyss judgment gun burst out with bright blood runes. Before it was shot out, it sounded sharp whistling, as if to run through the whole world.

Xia Ruoxue witnessed Ye Chen's figure and was deeply moved.

She believes that this unyielding man can absolutely protect her safety.

She is completely at ease, calm, closed eyes refining reincarnation star flame.

"Die for me!"

Xuanji drinks heavily, and she feels a great threat.

Ye Chen's body, seems to have the breath of ancient power, let her very uneasy.

And this bow and a gun, has not been issued, the momentum shook the world, let her deeply fear.

She can't wait to die, immediately cut the sword, preemptive, to kill Ye Chen, not to give him a chance to attack."Hum!"

Ye Ling snorted coldly and stood in front of Xuanji with his bare hands to fight for time for ye Chen.

"Go away!"

Xuanji takes a sword and cuts it out.

Zheng!

Ye Lingtian crossed her arms to resist her attack.

Xuanji's sword edge falls and collides with his arm, which makes a sound like gold and iron horse.

"Puff!"

Ye Lingtian felt a burst of power, and opened his mouth to spray blood.

The whole person is forced to kneel on the ground by Xuanji's sword power.

But he still kept his arms crossed and did not flinch.

"Ling Tian's arrow! Kill all evil! I am the Lord of heaven

Finally, ye Chen accumulates the strength to complete, looks up to the sky a violent drink, loosens the string to release the arrow!

This arrow is the abyss judgment gun!

Ye Chen has accumulated all his strength. The gun is sharp and sharp, and the tip of the gun explodes with an extremely terrifying spirit. With the momentum of traversing the heaven and earth, penetrating the sun and the moon, and piercing the whole world, he roars away.

The whole dragon scale flying boat made a sound that could not bear the burden.

Under the influence of this arrow, the dragon scale flying boat seems to disintegrate.

The void of thousands of miles collapsed in an instant. The gun swept by, tearing out cracks in the space. The momentum was so great that it was earth shaking.

This is Ye Chen's most powerful strike, which integrates all the energy of Lingtian arrow God, and is likely to kill Xuanji with one strike.

"Moon breaking sword in the wilderness!"

Xuanji's eyes are shocked. Seeing ye Chen's terrible attack, she doesn't dare to be slighted and cut it out.

Her sword body, a little green hair burst.

Old moon, old sky.

Numerous green awns, condensed into a layer of hazy awn, covering the blade.

Boom!

One sword, one shot, hard collision!

The sky shaking waves burst out in an instant.

The whole dragon scale flying boat was directly torn up and turned into countless pieces and eliminated in the void of the universe.

The star spirit has been on guard for a long time. She seems to have become a stone slab, carrying her to the sky and protecting her to continue refining the reincarnation star flame.

And ye Lingtian was completely shaken out.

Ye Chen's eyes are sharp, standing upright in place, staring at Xuan Ji.

Xuanji is also motionless, such as an ancient statue, holding the hilt of the sword to resist the attack of the crime breaking gun.

With one sword and one shot, they were locked together.

Innumerable rule runes, entangled and collided.

A fierce spirit, crazy interweave shuttle.

The surrounding void, like a sieve, was broken, and there were holes in the space, which directly became a piece of ruins.

The collision between Ye Chen and Xuan Ji seems to have broken the void Road, which has led to the fall of the law.

Terror, the breath of incomparable terror, swept over countless miles.

Fortunately, there is no living creature in this void. Otherwise, in such a violent collision, all living creatures will be covered with charcoal, and there is no possibility of survival.

Chapter 2986

Even ye Chen knows that Lingtian arrow God helped him this time, and he is likely to dissipate! Before the shot, the figure has been dim a lot.

Laocang and laomania have not dissipated, a large part of the reason is that their remaining power has not been used!

But now it is a critical moment, facing this kind of superior, he has no other way! In any case, he will soon rescue the body of Lingtian arrow God, and he will still be able to meet at that time.

"Puff!"

"Puff!"

When the collision reached the peak, ye Chen and Xuanji both spewed out a mouthful of blood at the same time.

The figure both retrogressed.

Click!

In an incredible scene, there is a crack in Xuanji's sword.

Hum!

The abyss judgment spear, also defeated grass flies back, falls in Ye Chen's hand.

This collision, the two sides are evenly matched!

Ye Chen relies on Lingtian arrow God's divine power, forcefully and Xuan Ji's war has become a tie!

After Jingtian's collision, ye Chen and Xuan Ji are both injured.

Here, ye Chen feels the whole body skeleton wants to crack, Qi and blood churn.

Xuanji, who was originally wounded by the dark devil emperor, has become more serious. His pretty face is pale, and his strength is not one.

"There's a chance."

Ye Chen's eyes light up. Xuan Ji, who seems invincible, is finally shaken by him!

It seems that the people in the upper world are not so invincible.

Just wait a few more minutes, and wait for Xia Ruoxue to melt the reincarnation star flame. It's time for them to fight back!

"No more delays."

Xuanji bit his lower lip and looked at Ye Chen with indignant eyes, feeling a deep crisis.

This boy is really too difficult to deal with, if Xia Ruoxue refining reincarnation star flame, then, and ye Chen joint hands, then her crisis will continue to rise.

After all, her injuries were too serious.

And ye Chen, in the Lingtian arrow God's attachment, the strength soars violently.

The balance of the battle has been reversed.

"Bury me in heaven, dye my blood essence, reverse life and death! The upper boundary burial Dharma, open

Xuanji raised his voice to the sky and sang.

Whoa!

The gate of heaven opened, a series of magnificent splendor poured into her body crazily.

The wound on her body was healing rapidly at a speed visible to the naked eye.

Originally decadent breath, also quickly restored to perfection.

The whole person, the divine light is magnificent, showing incomparably powerful divine power.

"Heaven burial in the upper world! This woman is crazy

Lingtian arrow God deeply afraid of the voice, in Ye Chen's mind.

"This burial Dharma is at the cost of cutting the future, in exchange for the power of the law in the underworld and restoring one's wounds."

"This is a very powerful supernatural power in the upper world. It can be cured no matter how much the injury is, but the cost is also huge. The future of self-cultivation is completely cut off, and there will be no progress in future cultivation."

"She did everything to kill you!"

Rao is the God of Lingtian arrow. He is well-known, but he is also deeply shocked to see Xuanji's determination to cut his future.

For practitioners, the realm and future are more important than life.

All people want to climb the supreme Road, crush all living beings, and get rid of the shackles of the fate of heaven.

In order to kill Ye Chen, Xuan Ji is just crazy. He even wants to practice his forbidden secret method.

In an instant, Xuanji's injury completely recovered!

Her breath has reached the peak of perfection.

With her eyes moving, I don't know how many rule runes have been annihilated, and wisps of divine splendor have turned into thousands of auspicious Qi and wanchongxia light, which permeated her.

She seems to have become the sun and moon shining on the universe. Her divine power is boundless, which makes people have the impulse to kneel down and submit.

Ye Chen is completely surprised.

At the moment, Xuanji's strength has been fully restored, and his breath is no less than that of the dark emperor.

Powerful, incomparably powerful!

As high as the way of heaven, as big as the law, can not be shaken!

It seems that there is no way to shake Xuan Ji's figure.

It is really too strong, ye Chen looked at it and knew that he could not win.

Even with the help of Lingtian arrow God's power, it can not be defeated.

Moreover, she is also a person of the upper world, and she knows how many secrets of the upper world.

Her strength will only be more terrifying.

"You are proud to be able to force me to this point, even if you are dead."

Xuanji showed a resolute look, a sad face.

In order to kill Ye Chen, she paid the price of blood.

Now her future of cultivation has been completely destroyed, and there will be no possibility of any progress when she returns to the upper world. In the eyes of the empress, a person who has lost the value of cultivation is just like a waste, and must be abandoned like a pig or a dog.

But she doesn't care.

As long as the Queen's order is completed, even if the ending is sad, it is worth living.

Her life is to live for the queen, so even if it is dead, as long as she can make some contribution to the queen, it is also valuable to die.

"Moon breaking sword in the wilderness!"

Xuanji drinks a lot, and his sword blows.

The fierce power is poured into the sword.

The whole sword, the divine light explodes, the momentum is towering.

The traces that have just been shaken and cracked are instantly restored under the pouring of the sky's divine light. They blow up a series of rule runes and flow with incomparably bright light.

This is the most powerful sword!

Xuanji regained all his strength. Even the demon emperor was afraid of this sword.

Before the blade arrives, ye Chen feels that the universe has been cut open. It seems that there is no force in the sky and the earth to resist this sword.

"Damn it, am I going to die like this?"

Ye Chen clenched his teeth, his face was deeply unwilling.

Deep in my eyes, I was still angry.

Anger at your lack of strength!

Compared with Xuanji, he is too weak!

I don't have enough strength to protect my beloved.

Chapter 2987

He has only one thought in his heart, become stronger! Become more powerful!

If you can escape from the heaven this time, ye Chen will definitely practice madly and make himself stronger.

But it is a pity that there is no way to reverse the current situation.

Under the crushing of Xuanji Zhiqiang's sword, ye Chen's whole body is locked, even his hands and feet can't move, and he can't resist at all.

"Ye Chen, be careful!"

Suddenly, a clear voice sounded.

I saw a beautiful figure, flying across the air, blocking Xuanji's sword.

It's summer snow!

At the moment of Xia Ruoxue, the green silk is flying, the clothes are dancing, the whole body breath is pure and strong, incomparable.

On her delicate body, there are wisps of bright flame, revealing wisps of obscure samsara breath.

Reincarnation star flame!

At the last moment, she actually succeeded in refining and mastered the energy of reincarnation star flame!

Reincarnation star flame, what a powerful flame.

A refining, instant against the sky.

Xia Ruoxue's breath, incomparably powerful, endless flame, burning in her body, seems to burn the sky and earth, breaking through the universe.

"No way!"

Seeing Xia Ruoxue's figure, Xuanji is deeply shocked. He has no idea that Xia Ruoxue has succeeded in refining.

Under the huge shock, she shivered all over her body, and her sword spirit decayed instantly.

"If snow, you..."

Ye Chen is also a big surprise, did not expect the critical moment of life and death, Xia Ruoxue actually refined reincarnation star flame.

No!

Take a closer look at Xia Ruoxue's head, and there are wisps of star flame energy, constantly venting out.

She was not completely refined!

To be precise, she refined 90% of her energy.

She doesn't want the remaining 10% energy!

At the most critical moment, Xia ruoshuefu was in her heart. She decided to give up part of the energy of the reincarnation star flame and refine only 90%.

In this way, refining and chemical industry has become a lot easier, and finally at the last minute, it is finished!

Full moon is easy to lose, sometimes too much pursuit of perfection is a drag!

This time, Xia Ruoxue gave up, but it is in line with the way of heaven, and his merits and virtues are complete!

"This sinful woman is willing to give up part of the energy of the reincarnation star flame."

Xuanji bit his teeth, and saw a continuous stream of stars and flames, which were constantly flowing out of Xia Ruoxue's head, flowing into the vast void and becoming a bubble.

Reincarnation star flame, this is the top divine fire between heaven and earth. Even if it is a trace of energy, it has the power of startling the sky.

But now, Xia Ruoxue has made such a decision, abandoning part of his energy and achieving refining ahead of time.

"Very well, ruoshue, you have finally achieved your merits and virtues."

Ye Chen stroked Xia Ruoxue's face and looked at the star flame energy released: "this heaven and earth thing can't be wasted!"

Boom!

In Ye Chen's body, the breath of fire breaks out.

An ancient stone tablet, burst out in an instant.

On the stone tablet, engraved with an ancient text:

Yan!

This is the burning stele in the ten reincarnation xuanbei!

The endless flame breath burst out from the burning stele, and the flames turned into chains of flame, lingering around the burning stele and constantly flowing.

Chuckle!

A burst of majestic suction diffused from the burning stele.

The star flame energy abandoned by Xia Ruoxue is like a hundred rivers returning to the sea, pouring into the burning stele crazily.

"What!"

Seeing this, Xuanji was deeply shocked.

The stone tablet of reincarnation is the main thing of reincarnation.

But now, the burning stele actually appears on Ye Chen's body!

"Is he the real reincarnation master?"

Xuan Ji's eyes widened.

Ye Chen, at the moment, dominates the burning stele, as if he is the God Emperor who is in charge of the heavenly fire road. His majesty cannot be violated.

In the dark, Xuanji saw the shadow of the reincarnation master!

Yes, ye Chen is the master of reincarnation!

this breath, as like as two peas, is the same as the Lord of reincarnation.

The power of the law of the burning stele is very strong. The abandoned energy of the star flame would have turned into a bubble and returned to the void, but now, it has been absorbed by the stone.

Boom!

Reincarnation star flame, how powerful.

Even if it is 10% energy, it has very strong power.

The burning stele absorbs the breath of star flame, and immediately explodes into the sky. The power contained in it is aroused fiercely.

"Sword

Ye Chen looks up to the sky and drinks violently. The breath of the burning stele explodes, and countless flames are burning, which turns into a towering flame epee.

On the Epee, there is a powerful fire dragon, which is arrogant and swallowing thousands of miles. "Die for me!"

Xuanji's eyes are sharp, calm, and cut down with a sword.

Ye Chen is fearless and flies up with his sword.

The burning stele contains terrible energy, which is hard to use at ordinary times.

But now, absorbing the breath of the star flame, with the help of the power of the reincarnation of the star flame, is the power of the burning stele, crazy burst out.

This sword, containing the law momentum of reincarnation burning stele, is unstoppable.

"Ye Chen, I'll help you!"

Xia Ruoxue's beautiful eyes were awe stricken, and she put up her sabre. Suddenly, the flame of reincarnation exploded on the sword and turned into a fire phoenix.

Oh!

The sound of a phoenix startled nine days.

Xia Ruoxue cuts out with his sword, and the Phoenix's sword spirit roars past, crushing the endless void.

And ye Chen, too, waved his sword wildly.

The huge flame Epee blows out a fire dragon sword, which can be killed severely.

One dragon and one phoenix, the sword spirit interweaves, reflects the sun and the moon!

Two sword Qi, and Xuan Ji's sword edge, hard collision!

Push the pedal.

Xuanji's body was shaken back three steps!

"Temple master They have shaken the gods of the upper world

Next to ye Lingtian, see this scene, deeply shocked.

Ye Chen and Xia Ruoxue return to their hearts with a combination of swords. With the help of the energy of the reincarnation star flame, they actually beat Xuanji back!

It's just incredible.

You know, Xuanji is not an ordinary master of the celestial realm. He is very powerful.

There was hardly anything that could shake her.

But now, ye Chen and Xia Ruoxue have done it!

Xuanji's face was pale, and he was greatly frustrated. He felt a shame in his heart.

It is absolutely intolerable that she is repulsed by two ants like characters!

In fact, the power of Ye Chen and Xia Ruoxue is very different from Xuanji, and there is almost no possibility of shaking.

But, reincarnation star flame and burning stele, these two things, the power is too strong.

It is not the strength of Ye Chen and Xia Ruoxue that can shake Xuanji just now, but the law energy of reincarnation star flame and burning stele.

Reincarnation star flame and burning stele are the most precious treasures between heaven and earth. Even Xuanji can't compete with the heavenly power of these two things.

"If snow, Ling Tian, let's go!"

Ye Chen put up the burning stele, and he wanted to leave with two people.

After all, Xuanji's strength is too strong.

It was just luck to be able to shake her back just now.

If the fight goes on, three people will die!

Therefore, the best way is to stay away from the edge.

Chapter 2988

"Want to run?"

Xuanji snorted coldly, waved both hands, and played a magic formula, which blocked the surrounding void directly.

Aware of this scene, ye Chen's face suddenly changed.

"Stinky woman, do you want to burn both jade and stone?"

Ye Chen's voice is cold.

Now Yan Bei's energy, he has been able to mobilize a lot, and Xia Ruoxue, also successfully refined reincarnation star flame.

If they are really put together, Xia Ruoxue and ye Chen can kill Xuan Ji. They can't be easily crushed. At most, both sides will be hurt.

"Ha ha ha, how about burning all the jade and stone?"

Xuanji looks up to the sky and laughs like a mad man.

"Lord of reincarnation, you must die today! Even if I put my life to death, I can't let you leave alive! "

Xuanji is very clear that the queen does not want to see the reincarnation of the Lord.

At the cost of her life, she wanted to kill the reincarnation master and share her worries for the queen.

"You know who I am?"

Ye Chen's eyes twinkle, looking at Xuanji's resolute appearance, obviously knows that he is the reincarnation master's inheritor's identity.

"What are the enmities between the queen and me? Why do you hate me so much? "

Ye Chenning voice asked, he always felt that his previous life, and the empress of the upper world have countless relations, but the chance is so vague that he can not figure out the cause and effect.

"Ha ha ha, you want to know, go to hell and ask!"

Xuanji's eyes are fierce. He floats in the air with his sword, and his whole body glows with fire.

"Burn my body, burn my blood, keep the holy fire, and extinguish the heavens!"

Xuanji's hands were sealed and he sang repeatedly. He actually used the secret method of Tiandao Palace:

the blood burning method!

This blood burning method, at the cost of burning all your blood essence, can improve the combat effectiveness for a short time. The actual combat effect is very terrible.

"Not good!"

Ye Chen's face suddenly changed.

Xuanji's Qi and blood were burning wildly without any reservation.

She actually burned all the blood essence and accomplishments.

In order to kill Ye Chen, even life!

"Lord of reincarnation, I've put my life to death today, and I'm going to frustrate you!"

Xuanji's voice is loud and his words are like thunder, shaking the world.

Her head was covered with green silk and turned into snow in an instant.

The whole body essence blood life span, intense burning, she unexpectedly for a moment white head, revealed incomparable vicissitudes breath.

Click!

Xuanji grasped the handle of the sword, and when his Qi and blood were burning, the sword exploded with a fierce light. The sword turned into Asura, Hades, skeletons, flying night fork, ten palace Yama and so on.

At all costs, she seems to have fallen into the devil's way, but also to kill Ye Chen.

It's a terrifying determination.

No one can stop it!

Boom!

Finally, Xuanji's whole body Qi and blood cultivation, all burned out, the original beautiful and rich body, become shriveled and thin, with white silk on the head.

But her sword, however, explodes the bright fierce light.

"Kill!"

The fierce light condenses, and the black air is towering. It turns into an incomparable sword light and cuts Ye Chen straight.

Ye Chen's pupil shrinks, and his whole body bristles.

Xuanji's sword is too powerful to imagine.

Her lifelong accomplishments, Qi and blood of her whole body and eternal life are all infused into this sword.

The power of the sword is to crush the heaven.

Even if she is a master at the top of the heaven God realm, she will fall down in an instant with her sword, and there is no possibility of survival.

No one can shake such a terrible sword.

All of a sudden, ye Chen was in despair.

And Xia Ruoxue and ye Lingtian are also desperate.

They didn't expect that Xuanji was so determined to kill them.

Boom!

Boom!

Boom!

Before the sword Qi is killed, the sky and the earth are empty, and they collapse and smash.

All around the void, become endless ruins.

Countless space turbulence, crazy diffuse out, whirring.

Between heaven and earth, there is no trace of life, only endless dead gas.

All laws and all existence will be destroyed by Xuanji's sword, and there is no possibility of survival.

A smile appears in Xuanji's mouth. Although she has paid the price of her life, she has finally completed the Queen's trust, and she has lived up to her trust.

Ye Chen can only wait for death in despair.

But in vain, ye Chen felt an old stone pillar shaking in the samsara cemetery.

A hazy shadow suddenly appears in front of Ye Chen.

This shadow, the breath is misty and misty, with the air of the boundless way of heaven. His eyes are full of the breath of seeing through the vicissitudes and the way of heaven. His clothes and robes are floating all over his body. Endless runes of law are flowing around his body. Every hair of his seems to be full of supernatural mystery, which is shocking.

Anyone who looks at him will have an impulse of submission.

It's just an empty shadow. The breath that erupts is enough to shake the way of heaven. If it is the real body coming, I don't know how strong and terrible it will be.

"Elder Ren, it's you!"

Ye Chen looks at this empty shadow, immediately sent out a surprise cry.

This person is the mysterious Ren extraordinary!

In the most desperate moment of Ye Chen, Ren extraordinary appeared.

Hiss!

Ren Feifan stretched out a finger, swept across the void, and caught Xuanji's blade.

Xuanji's sword is enough to cut through the whole world and crush the sky. It is so powerful that even the top experts in the heaven God realm will be destroyed.

But now, any extraordinary one finger, actually clamped her weapon.

As if walking on the road, casually caught a fallen leaf!

This method of lifting heavy as light suddenly shows the absolute strength gap.

Xuanji is strong, very strong.

But Ren extraordinary strength, more powerful than she does not know how much!

"Ah..."

Xuanji's sword spirit is eliminated, and the supreme strike is thus dissolved.

She lost all her spirit in an instant.

Originally clear eyes, completely dim.

At this moment, she seemed to be dead, and her throat made an obscure voice, like a howl, as if it were a cry.

Anyone can hear her resentment, her anger, her suffering, her unwillingness.

The sword of her burning life, just like a child's play, has been defused by Ren extraordinary.

Her heart was completely dead. She did not howl, but knelt in the void, looking up at the sky above, not knowing what she was thinking.

"Xuanji, you shouldn't have come ahead of time before the catastrophe has arrived."

Ren extraordinary light looks at her.

Xuanji, however, was dazed and did not respond.

"I am an extraordinary man, even your master, who is not qualified to kill."

Any extraordinary point out, a crystal awn shot, such as through the void, the world pale, mercilessly toward Xuanji to kill.

Xuanji feels the momentum of this finger and wakes up completely.

She dodged away, any extraordinary fingers, through the unknown number of miles of void, will be far away in the sky, a planet, a finger crushed.

Chapter 2989

Terror!

This person's strength, very terrible!

Xuanji is deeply shocked. She knows that there is a big gap between her and Ren extraordinary strength, and there is no possibility of any resistance.

"Who are you and why do you want to protect a mole ant who kills the enemy?"

Xuanji bit his teeth and thought he could kill Ye Chen with one blow, but he was stopped by Ren Feifan at the last minute.

Ye Chen is just a cultivator who cuts through the adversity, but he hides such a giant in his body, which Xuanji didn't expect.

She knew that she was bound to die today. She just wanted to find out the news of Ren extraordinary and report it to the queen before she died.

"You have no right to inquire about my name."

"The people behind you have no right to know."

Ren Feifan looks cold and arrogant. He bends his finger again and shoots out a crystal light that is extremely horrible and hits Xuanji's eyebrows directly.

This time, he directly locked Xuanji's gas engine.

Xuanji's eyes widened and he was in despair.

Puff!

One finger through, brain burst.

Xuanji's eyes widened and trembled. He looked at Ye Chen and uttered a voice of lingering thoughts:

"Lord of reincarnation, in the previous life, her majesty could kill you."

"In this life, you must die too!"

After that, Xuanji's body fell into the endless void, and there was no sound in an instant.

Under the pressure of any extraordinary finger, her body also turned into fly ash, completely eliminated between heaven and earth, leaving no trace.

Boom!

Hearing Xuanji's words before his death, ye Chen's spirit vibrates violently.

"In my previous life, was I really killed by the queen of the upper world?"

He caught a trace of the fate of heaven and seemed to see the secret of the previous life.

"Boy, you are targeted by xuanjiyue. Be careful later."

"This chessboard is in chaos."

Ren extraordinary indifferent looking at Ye Chen, light way.

"Xuan..."

Ye Chen is about to ask who xuanjiyue is, but before the name is said, he feels a strong pressure from heaven.

This name, is actually can't say clearly existence!

"Xuanjiyue is the queen of the upper world!"

Ren extraordinary Mou son a Ning, also know ye Chen wants to ask what.

"You were enemies of life and death in the past."

"In this life, I'm afraid it will be tangled up."

"Boy, you can do it yourself."

"By the way, if I have a chance to recover my falling dust and dragon sword, there may be some answers."

Ren extraordinary figure, fade away gradually.

Xuanjiyue's name, even ye Chen can't say it clearly, but he calls it casually without any pressure.

The power of fate seemed to have no effect on him.

"Elder Ren!"

Ye Chen called a, but Ren extraordinary has disappeared, do not know when will appear again.

"Ye Chen..."

"Hall master..."

Xia Ruoxue and ye Lingtian come to Ye Chen.

That Ren surname man is extremely ethereal, as vast as the shadow of the sky, but also deeply shocked their hearts.

Fortunately, this man appeared and killed Xuanji at last.

"Let's go back."

Ye Chenshu took a breath and fought Xuanji. He finally felt the power of the upper world.

Xuanjiyue, a servant of empress xuanjiyue, has such terrible fighting power. It is conceivable that there are many masters in the upper world.

"How many enmities did I have with xuanjiyue in my previous life?"

Ye Chen thought silently in his heart, but he couldn't feel what was happening.

Ye Lingtian came over and said, "Lord, what should we do next?"

Ye Chen Mou son tiny Mi: "originally wanted to go to that abyss to see the blood dragon first, but since the blood dragon can get out of trouble, it should come to me."

"The matter of Ye's family has not been solved. You might as well go to Chongguang first."

.....

At the same time, in the abyss of Jiutian Shenlong hall.

The eyes of the blood dragon opened and devoured the last remaining body of the foreign demon dragon. He held up his head and looked at the prohibition in the sky: "covering the sky, we should also leave."

The evil emperor glanced at the bones of the foreign magic dragon and said, "it's incredible to swallow this foreign magic dragon trapped here in ancient times with your strength."

"What kind of existence are you?"

The blood dragon's whole body shimmered with blood, and replied, "now I have swallowed that foreign magic dragon and got some memories. I can't tell what kind of existence I am."

"But these are not important. The important thing is that I will try my best to protect the young man from Jiangcheng."

The demon emperor nodded and just wanted to say something. Suddenly, his dark and cold eyes shrank and quickly came to the countless chains lying on the ground. That's the chain that holds the demon dragon.

There are only bones left in the foreign magic dragon, and the chains are naturally stacked in one place in the abyss.

It's like a mountain.

"What's the matter?" The blood dragon felt something was wrong and asked.

The emperor did not answer, but held his right hand, and a violent evil spirit gathered and turned into a pair of giant hands.

The giant hand forcefully placed the chain on the other side.

A mountain wall full of murals and countless runes is revealed.

Covering the sky devil emperor hands behind him, eyebrows slightly wrinkled, to the blood dragon way: "have you seen this place before?"

The blood dragon gazed at the mountain wall and shook his head: "before, this place was covered by chains and the bodies of foreign magic dragons. I have never found it."

"There's something wrong with the contents of the murals on it?"

"It's not the mural, but these runes. I'm very familiar with them. I stayed abroad for a while. These runes contain the power of space."

"If I'm right, there's something behind this wall."

"Even the secrets of that era."

The blood dragon seemed to understand something: "well, since these runes have a certain power of space, are they arranged by the foreign magic dragons? Why doesn't he leave here? "

After a few steps, he reached out and touched the mountain wall full of runes. The waves of space were rippling.

After a few seconds, he said, "if I'm not wrong, this dragon came here because of this thing."

"It's a pity that when he wanted to cross this place, he was permanently suppressed by the strongmen of the kingdom of God!"

"Chains, restraints, tyranny, let it stay here forever."

"It's impossible to cross this place again."

"As for what's behind this, let's go in and have a look."

Speaking of this, the evil emperor offered a bead.

The bead is full of rolling evil gas, and in the next moment, there is an empty door in the wall.

No one knows what is behind the door of void.

The devil emperor stepped out one step: "go, maybe we can find something interesting."

"I had a hunch that it would be interesting."

The blood dragon took a look at the sky, and finally, without any hesitation, got into it!

Chapter 2990

.....

Do not know how long, ye Chen with ye Lingtian and Xia Ruoxue, return to Chongguang burial ground.

This war, ye Chen gains a lot.

With Xuanji, an expert, his physical blood has been greatly trained, and his reincarnation power has become more and more pure and powerful.

After the fierce battle, the red dust and Lingfeng pulse were greatly strengthened.

There are also burning steles, which absorb part of the energy of the samsara flame and become more powerful.

I don't think it will be long before we fight for him!

It may even awaken the divine pulse of Yan stele completely!

Summer if snow harvest, the same rich.

Now she has thoroughly refined the reincarnation star flame. Her accomplishments can be described as rapid progress. With the help of the reincarnation star flame, her comprehensive combat effectiveness can not be underestimated.

In the evening, the three returned to Chongguang burial ground.

"Ye Chen, what is this place?"

Xia Ruoxue looks at the continuous mountains in front of her eyes, boundless auspicious gas, and suddenly a burst of surprise.

She felt that there seemed to be something terrible hidden in this place, which was much more terrible than Xuanji.

"In this place, there is a God Emperor buried. I will tell you slowly tonight."

Ye Chen touched Xia Ruoxue's hair and said with a smile.

"Lord, I will step down first."

Ye Lingtian is also very witty, boxing line a gift, immediately turned away.

Ye Chen nodded slightly, and immediately took Xia Ruoxue's hand and returned to the residence.

The space is quiet.

Xia Ruoxue leans on Ye Chen's shoulder and enjoys the tranquility that this period of time has never enjoyed.

"Ye Chen, I sometimes think, if I didn't disobey my family and went to Jiangcheng to start a business, would I not have met you?"

Ye Chen slightly one Zheng, looked at the summer like snow beside.

That crystal clear snow muscle jade skin, coupled with the eye, skin like snow, vermilion.

The woman in front of me is more beautiful than that of a few years ago.

Even the thrilling beauty.

"Fool, even if you don't go to Jiangcheng, we will still meet."

"Fate is a wonderful thing, let us meet, let us know each other."

"Even if fate or heaven comes to hinder us, I will step on the sky and come to you."

Hearing this, Xia Ruoxue Jiao's body was stunned and raised her head, which was like the eyes of stars.

The next moment, a turn around, is sitting on the body of Ye Chen.

Jade hand is gently pushed Ye Chen to the edge, lying down.

Under the lips.

Flexible and moist package.

"Ye Chen, I want to visit Huaxia."

Ye Chen breathes heavily, and he thinks of the Xuan stele of reincarnation in China.

Yonglao's separation has not been investigated clearly, but he vaguely feels that it is the little girl who triggered the Cloud Lake Villa.

If there is no news in a few days, he will go there in person.

"Ruoshue, I don't know what's wrong with the first Shenguo Tianmo. When ye's affairs are finished, I'll go there and finish that day's evil. Would you like to go to China with me?"

This is Ye Chen's plan.

Summer if snow beautiful eyes tassel: "good."

Then, Xia Ruoxue jade hand flows on Ye Chen's body, and gradually fades Ye Chen's coat.

That is full of charm and attractive voice in Ye Chen's ear: "Ye Chen, I want to..."

The next moment, ye Chen body a turn, two people identity exchange, heavy voice slowly ring out.

Blend, fill.

Infinite beauty.

Both of them did not notice that in the time of blending, Xia Ruoxue's reincarnation star flame bloomed a bright light.

It's like lighting up the whole world.

And Xia ruoshue's accomplishments are climbing!

A few hours later.

Ye Chen opens his eyes and looks at the picturesque jade body beside him. Xia Ruoxue has a sweet smile on his mouth.

Full of satisfaction.

Ye Chen is very clear, this may be this period of time summer if snow sleep the longest time.

He stood up and put on his clothes, the warmth of his eyes turned into perseverance.

"Extraterritorial demons!"

"Tiandao palace, Xuanyuan ink evil!"

"The temple of the underworld, don't be bloody!"

"Queen of the upper world, Xuanji moon!"

Ye Chen's eyes are concise, and he is not intoxicated in the gentle countryside.

He is very clear that his strength is not enough, only continuous training, crazy training, can defeat the strong enemy, against the heaven to change his life.

He found a secluded mountain forest, facing the morning sun, and sat quietly on his knees.

Then, ye Chen took out a fruit, a trace of green and quiet aura, the tide like diffuse, there is a violent imperial breath, slowly emanating from the fruit.

This fruit is the green fruit of God Emperor! Before that, he broke into Chongguang tomb mansion and picked the fruit. Before refining, he felt that there was something wrong with the blood dragon.

Now that the war is over, Tiandao palace is defeated severely, and Xuanji is killed. Finally, there is a moment of silence, and you can refine the green fruits of the God Emperor.

Ye Chen calmed his mind and immediately ate the green fruit of the God Emperor.

The green fruit of the God Emperor has no stone. It is the spiritual thing nourished by the spirit power of the God Emperor. It is full of aura.

As soon as ye Chen ate it, he immediately felt that his four limbs and a hundred skeletons were comfortable, and his spiritual power was constantly flowing in his meridians.

He immediately closed his eyes slightly, operated his internal skill, and refined the spiritual power in his body.

Boom!

The powerful spiritual power poured into his elixir field.

All of a sudden, ye Chen, the whole person, are blooming out of the vast green.

A head of auspicious beast, dragon and Phoenix, white tiger fairy fox, Shou deer and birds, etc., haunted him and kept running.

The vast weather, shining forever.

He even found that his own realm was pounding towards chaos!

Now he is almost a step into chaos!

It's a pity that when we are about to break through the chaos, the spiritual power around them disappears completely.

Ye Chen's eyes are a little dignified.

Did chaos break through?

At this time, Ling Tianjian's voice sounded: "your chaotic state is some special, as if there are some restrictions."

"If you are an ordinary person, the green fruit of God Emperor is enough to make him cross the three layers of chaos. But to you, it seems that there are some extremely strange restrictions in the world."

Ye Chen one Xi: "Ling Tian elder, you have not dissipated?"

Lingtian arrow God glanced at Ye Chen faintly: "although it hasn't dissipated, it's almost the same. I can't stay here for too long."

Ye Chen has five tastes in his heart. If it hadn't been for Ling Tianjian, he would have died under Xuan Ji's sword.

Lingtian arrow God seems to see ye Chen's idea and smiles: "no problem, maybe you and I can meet in Tiandao palace."

"My body is trapped in the heavenly palace, not only me, but more people."

"We will meet after all."

"I always believe it."

Ye Chen felt a little better. What did he think of and asked, "master Ling Tian, how can I break through the chaotic state?"

Lingtian Archer frowned slightly and shook his head: "I feel you need to use some foreign object. As for what it is, I am not sure."

"In fact, there are some differences between your realm system and the realm system of the kingdom of God, which is why you can jump over the level and fight."
