Chapter 301

The miraculous vision of Yaowang Valley is naturally detected by people from ten miles around!

Those who are still resting in the valley of medicine king, fiercely open their eyes, the body directly rushed out!

Come to the open land, staring at the thunder and lightning from the sky.

Their eyes are full of horror!

They have never seen such a sight!

There were even several strong men with terrible breath, staring at the lightning and holding their breath.

A trace of fear spread through their hearts.

They know very well that the one who can trigger such visions must be a powerful man!

The strength far surpasses their strong one!

Is there another strong man in Jiangnan province?

The rest area of several Chinese martial arts Bureau of people, frowning.

The old man who once accused Ye Chen in the square just wanted to take out his mobile phone and take this picture.

Suddenly, his mobile phone seems to be out of control. At the moment of pressing the shutter, a strong burning feeling penetrates everything.

"Bang!"

The next second, just blow it up!

Some parts of the mobile phone even shot into his eyes!

"Ah

A scream rang through the valley of medicine king.

Is it possible for ants to spy on the strong?

.....

At the same time, there is a straw house deep in Yaowang valley.

An old man with a good moral character sits cross legged. He is the strongest alchemist in the Chinese medicine League!

Not only the alchemy method is very strong, but also the martial arts strength can be ranked in the top ten of the Chinese masters list!

Of course, there is no name for him in the list of Chinese masters, and he doesn't care about the false name.

He is devoted to practice.

At the moment, his eyes open, his turbid eyes twinkle with light.

It's amazing after all of them are gone!

"How can such a strong man appear in Yaowang Valley? Has the weather changed in Jiangnan province? Or is it that the weather has changed in China? "

In the Dan room.

Xiang Chengdong realized that something was wrong and opened his eyes. He was completely shocked!

Looking at the whole body is twined by lightning Ye Chen, "plop!" He knelt down on the ground!

He doesn't care about the chairman of the Chinese medicine alliance and the master!

At this moment, he just wants to live!

he boasted of seeing some markets, but at this moment, all the world is in front of us!

He even felt that the young man in front of him was a God!

A thought between, can let him vanish in the dust of God!

Ye Chen looks at Xiang Chengdong kneeling down, frowns, steps on the ground, the air current surging, Xiang Chengdong's body directly suspended out!

Then, ye Chen clapped the golden Rune in his hand directly into Xiang Chengdong's body!

Golden light!

Xiang Chengdong's chest actually appeared a black Oracle seal!

Ye Chen sneered: "just rubbish technique, dare to disgrace! Broken

A ray of light penetrated Xiang Chengdong's body. Ye Chen's five fingers, holding the thunder and lightning, opened his fingers and directly grasped the oracle bone inscriptions in his palm!

Oracle seals even want to escape, but even if ye Chen's five fingers loose!

Strong prohibition also makes it not eligible to escape!

Suddenly, ye Chen's five fingers closed!

"Click!" Once, the black seal disappears! To dust.

.....

Now.

The capital city thousands of miles away.

Ghost prison!

It's so dark here!

There was a smell of danger everywhere.

It's full of violence and crime. If you don't have strength, you'll fall to the bottom.

In the depths of the ghost prison, an old goat bearded man in a robe sits in a stone chamber.

In front of him was a couple.

Be bound by special chair, imprison freedom.

The man's face is full of determination, the Chinese character face, although weathered, but can feel a trace of pride.

And the woman is about 40 years old, still charming!

If ye Chen is here, he will surely find that these two are the parents he has been searching for!

Ye Tianzheng!

Jiang Peirong!

The old goat bearded man looked at the two men and said, "for such a long time, don't you really intend to say it?"

"Do you really want to stay here for the rest of your life?"

Ye Tianzheng snorted coldly: "I said, I don't know anything. If you want to be imprisoned, we will have nothing to say even in a few decades!"

"Anyway, we are living like a walking corpse. You can kill if you want, torture if you want, whatever you want!"

The old goat bearded man shook his head, his eyes fell on Jiang Peirong again, and said, "Miss Jiang, you are a golden branch and jade leaf. It is estimated that you have suffered a lot in this ghost prison. As long as you let go, I can promise you all conditions." Jiang Peirong looks at the leaves near Tianzheng, and his beautiful eyes are all gentle: "I am willing to follow him to suffer, besides, we have nothing, and there is no significance to live."

Goat Hu old man finger knocked on table, eyes slightly narrowed, opening way: "even your son Ye Chen also does not care?"

Hearing this, the couple face is full of struggle, eyes have a deep complex color.

"Our sons are dead, you say nothing!" Jiangpeirong cold road.

In that year, Yunhu mountain villa was her hand to push Ye Chen down Dongqian Lake.

She knew better than anyone the rapidity of the current and the height of the cliff.

She had no choice but to push her son down, better than to be killed by the man.

"If I say, your son is not dead?"

The goat Hu Laozi speaks a startling humanity!

This words out, husband and wife heart raised waves, the same voice: "what do you say!"

The goat Hu Lao man smiled as if he had won the lottery: "tell me, the secret I want to know, I may be in a good mood, and will bring your son to see you."

They glanced over and determined!

"No thought! Even if Chen son lives, I believe he will find us in person! "

A little annoyance flashed over the face of the old goat, and his fingers were gently placed on a red button.

"As long as I press, you will be tortured by electricity, and it doesn't feel good," he threatened

The couple still ignore the goat Hu Lao!

"Well, since you find death, I will be with you all!"

Next second, the goat Hu Lao man takes a hand to the button!

But it hasn't fallen, and there is a thunderbolt in his body!

A terrible breath wrapped him!

"How could it be!"

The old goat Hu changed his face greatly. What did he perceive!

His technique is broken!

He was turned back!

Looking at the lightning around him, his eyes have a strong fear!

Someone is thousands of miles away, breaking his skill!

The key is that he doesn't even have the right to resist!

The thunder and lightning make him feel so hard that he is mad and angry!

Blood is rising, he can no longer control, directly spit out a blood!

It's amazing!

He has been in ghost prison for a hundred years, and he has never been so embarrassed!

At this moment, he was black, and countless lightning passed through his body.

He fell on the ground, convulsing, his face grim and pale.

"Gulu --"

when you see this strange scene, ye Tianzheng and jiangpeirong are confused.

This old man is not to deal with them with electricity, how instead of being caught by lightning?

Is this the legendary retribution?

They looked at each other, somehow, and laughed.

Chapter 302

Ye Tianzheng and Jiang Peirong were sent back to their captivity shortly after the accident happened to the old goat bearded man.

It's a room of ten square meters.

Simple and dark.

The sound of banter and the sound of fists beating in the cage rang out.

The power of prohibition rippled.

"Oh, the two scumbags are back, and nothing happened?"

"Bastard, come here and die!"

Ye Tianzheng glanced at the group of speakers and said to Jiang Peirong, "the man just said chen'er was still alive..."

Jiang Peirong nodded: "I don't know why. For so many years, I have been vaguely feeling that some kind of connection has not been broken. I am a mother. I know very well that it is a flesh and blood connection. I really think chen'er is not dead."

Ye Tianzheng was lost in thought and raised his head for a long time: "even if chen'er doesn't die, he's hurt when he falls down from such a high place. I don't know if it will..."

He sat on the bed, a little hard, and then rolled up the trouser leg, which was a mechanical leg!

Ye Tianzheng broke a leg!

One of his hands spun around the injured thigh and the prosthetic leg was taken off.

"Now I've become a waste man. In fact, I'm living here very well. I just hope chen'er doesn't involve too many things..."

"Pei Rong, I once promised you that I would take you back to the river home. Now it seems that this wish will never come true."

Jiang Peirong shook her head fiercely, and her tears whirled: "Tianzheng, what about Jiang family? After all these years, I found that one thing has not changed, that is, home is where you are."

"Besides, we still have chen'er. I don't know why. I always feel that chen'er will come to the ghost prison to find us. This feeling is getting stronger and stronger."

Ye Tianzheng is stunned and takes out a picture from his pocket and falls into a long meditation.

Two teenagers standing in the middle.

Although the youth is still young, his eyes are twinkling with something that does not belong to his age.

And now, in the stone chamber of the ghost prison.

The thunder and lightning on the goatee old man disappeared completely, and five more powerful men of fairyland and moral character were around him to heal his wounds.

He opened his eyes and looked at several people around him. He arched his hands and said, "thank you for your help."

"What's going on? How could you be injured in the ghost prison?" one of the strong men asked

The old goat bearded man's eyes still had a trace of fear, and said, "my Lord, the origin of my skill has been broken, and all the marks of those who have been in the ghost prison have disappeared I feel that my accomplishments have fallen down and I have been seriously injured..."

The five strong men frowned: "thousands of miles away, break your technique? Is there such a strange person in the world? "

Goat beard old man nodded: "the strength of the other side is too terrible, the key is that I don't even have the right to resist, but also ask a few adults to make decisions."

There was a long silence in the stone chamber.

All of a sudden, one of the strong white haired men said, "the man broke the origin of your skills, naturally to cover up something. It seems that the other party is investigating the ghost prison. In this way, if you count all the people who have entered the ghost prison in the past 30 years, the problem must be one of them!"

"When you come to contact one by one, you will surely find clues! I dare to know who the ghost is

Goat beard old man eye son a bright, nodded: "yes, adult, I am going to do."

.....

Jiangnan Province, Yaowang valley.

Dan room returned to silence.

Xiang Chengdong's body also fell down. He could clearly feel what he had been deprived of.

This feeling relieved him.

Xiang Chengdong took a look at Ye Chen and arched his hand and said, "Mr. Ye, it's really a magical move."

"Tell me about the ghost prison. Your skills are broken, and there is no harm to you."

Ye Chen's cold voice rang out.

Xiang Chengdong nodded and even said, "Mr. Ye, the ghost prison will only be opened once a month. At the beginning of the month, the entrance is constantly changing, and it is just around the early morning. My first entry is near Qianling Park in the capital city, the second entry should be in the West of Xihongmen, and the last time is in the west of Beijing's Happy Valley."

"Every time you open it, there will be a person wearing a mask to receive the lead. If you want to enter it, you must receive it."

"It happened that a few days ago, someone in the ghost prison contacted me again and said that the ghost prison would open again next month and let me go again. This time, he asked me to find a hotel near Beijing Normal University."

"I guess the next time you open the ghost prison, it should be near Beijing Normal University."

Ye Chen's body is stunned, and then, his body's strength disappears completely.

The black robed old man has left his body, and the samsara cemetery has fallen into silence.

With his eyes slightly narrowed, he murmured: "Beijing Normal University? It seems that Jiangnan province has been dealt with. After a while, it's time to go to the capital." Xiang Chengdong thought of something and said curiously, "Mr. Ye, you are not going to force yourself into the ghost prison. It's hard to make a fuss about it. I heard that the ghost prison is not so simple, and even the head of Huaxia is not qualified to intervene in the affairs of the ghost prison."

"Also, there are many strong men stationed in the ghost prison. When I entered the prison, I saw with my own eyes that the strong man crushed an existence with similar strength as me. Terrible. Although Mr. Ye is very strong, I think we should be careful."

Ye Chen did not answer positively, but said: "when you leave for the capital, remember to remind me."

"Yes, Mr. Ye." Xiangcheng East Road.

"I'll go to Baicao Valley to get some medicinal materials. Is that ok?" Ye Chen opens the door and prepares to leave.

Xiang Chengdong nodded again and again: "Mr. Ye, just go and get it at will. I have the right to decide the affairs of Huaxia medicine alliance. No one dares to say anything, but..."

Xiang Chengdong suddenly hesitated.

"Just what?" Ye Chen Dao.

Xiang Chengdong's eyes congealed and determined: "I don't know whether Mr. Ye is willing to join the Huaxia pharmaceutical alliance, even if he wants me to be the chairman of the board of directors, I have no second words."

He would like Ye Chen to join the drug alliance, which could be said to be a top-notch existence at that time.

"Mr. Ye's means are so profound Once we join the Huaxia pharmaceutical alliance, we will surely come back from the dead! "

Ye Chen shook his head, refused: "I don't like to be bound, do not like what position, sorry."

Xiang Chengdong was a little lost. Suddenly, he thought of something. He even said, "Mr. Ye, do you think it's OK to do this? You only need to pay a few visits to the honor granted by our Huaxia pharmaceutical alliance to your chief consultant. The identity of the chief consultant of Huaxia pharmaceutical Alliance is not ordinary. It can use all the resources of the drug alliance in China, or in any pharmacy authorized by Huaxia pharmaceutical alliance, Schools and regions have absolute privileges! "

Chapter 303

"I know that Mr. Ye and Huaxia Wudao bureau have some disputes. If there is such a level of identity, I believe that Huaxia Wudao Bureau will also be afraid of it."

"I beg Mr. Ye."

Xiang Chengdong excitedly said, he is very clear, if this time in the medicine King Valley does not tie Ye Chen together!

Then the Chinese medicine alliance will not come to the fore!

Comparatively speaking, master Zhao's refining of Sanpin pills can hardly be mentioned!

Ye Chen thought for a while, then promised to come down: "OK, I will explain first, I won't do anything for the medicine alliance, and I can leave at any time."

At present, he needs a large number of herbal medicine cultivation, and it is not a bad thing to establish a relationship with the Chinese medicine alliance.

What's more, it's just an empty name.

But ye Chen didn't know that there were only two positions with absolute power in Huaxia pharmaceutical alliance!

One of them is the chairman!

As for the last one, it is the chief consultant of the pharmaceutical alliance!

Xiang Chengdong sees Ye Chen to agree unexpectedly, between Mou son shine another kind of brilliance.

Yao Meng, there is a chance

Ye Chen left the danfang, originally he just wanted to collect some medicinal materials.

Now that he is named the chief consultant of the pharmaceutical alliance, he is not polite.

Crazy plunder.

In this scene, the people who watched the drug alliance were shocked.

"Well, Mr. Ye has taken away one of the shuras, and there are only three left."

"No, broken soul grass has also been taken away!"

"You see, there is only one qingyueshen left in Yaowang Valley in that corner. He found it. Damn it, we have cultivated it for nearly a hundred years!"

A member of the staff of the drug alliance all went to make small reports, but Xiang Chengdong only left a word!

"What Mr. Ye did in Yaowang Valley can't be stopped! Those who violate the rules will be expelled from the Chinese medicine alliance

This sentence is extremely important! It's not the staff who can afford it!

For a moment, everyone became curious about ye Chen's identity.

They can only helplessly watch ye Chen take away the extremely precious medicinal materials.

Fifteen minutes later, ye Chen left satisfied.

He looked for a circle of Zhu ya, but did not find the figure, guess that Zhu Ya should be in the rest area.

Now that he got the news of ghost prison, he didn't need to stay in Yaowang valley.

The next estimate is master Zhao's second alchemy, which has nothing to do with him.

Ye Chen came to the rest area and found Zhu ya at the end of the corridor.

But at the moment, a tall and straight man was standing in front of zhuya, and they were obviously arguing about something.

Zhu Yu was not happy with her.

Ye Chen walked past, vaguely heard something about casting swords, as if the Zhu family had violated the treaty.

"Juya, what's the matter?"

Just when they were arguing, ye Chen said.

The man naturally noticed Ye Chen, and his eyes shrank slightly. Just now ye Chen's action in the square was too weird, which made him have to fear.

But even so, he said: "Ye Chen, this matter has nothing to do with you, I hope you don't interfere."

"I didn't ask you." Ye Chen said politely.

Then he looked at Zhu Ya and said, "I have something else to do. I don't intend to stay in Yaowang valley. Please go back to the city with me. Of course, if you want to stay here, I'll take a taxi back

As if she saw the straw, she knew it was Ye Chen who was helping her out. She even said, "Mr. Ye, I come to Yaowang Valley to go through a process. Since it's almost finished, I'll send Mr. Ye away."

With that, she went to Ye Chen.

The man's eyes pan cold, naturally will not let Zhu Ya leave, stretched out five fingers, originally wanted to grasp Zhu Ya's wrist, a wind blade fell directly!

The man had to retract his hand and stare at Ye Chen.

"Ye Chen, I know you have some research on alchemy, but this is the entanglement between Deng Yuanxiao and Zhu family. If you do something, it will only do you harm, not good!"

"At that time, the Zhu family had promised me to cast swords, but so far there is no following. How can Deng Yuanxiao explain to the Deng family?"

Ye Chen snorted coldly: "cast or not is the Zhu family's power, not out is my power, what do you do?"

"You --" Deng Yuanxiao was extremely angry!

If Zhu Ya is allowed to leave this time, it will be impossible to cast a sword!

At this time, Zhu Ya said: "Mr. Ye, this is the Deng family's violation first, my Zhu family..."

Before he finished speaking, ye Chen said, "don't say much. I believe you. If Deng Yuanxiao dares to move you, I will let him pay a heavy price!"

The cold words are full of supreme pressure!

Deng Yuanxiao has felt countless eyes shooting out!

If there is no one to explain today, how can he stand on the Deng family in Southern Fujian!

A person who knows pills may care a little bit about Chinese medicine alliance, but he is nothing in his eyes."Ye Chen, I repeat, you'd better not interfere in this matter, or you will bear the consequences!"

Threat!

A naked threat!

Ye Chen waved his sleeve and said to Zhu ya, "let's go."

Just as they took five steps, a strong wind swept through!

The cold opportunity to kill Zhu ya!

Obviously preparing to leave Juya!

Ye Chen shows a smile of senhan at the corner of his mouth!

Seeing Deng Yuanxiao's five fingers grasp Zhu Ya's shoulder, ye Chen moves!

One blow out!

There's no fancy.

It's extremely simple.

"Bang!"

Deng Yuanxiao fell out directly! And ye Chen Wen silk did not move!

But this is only the beginning. Ye Chen moves forward, like a fierce tiger descending the mountain. His speed is amazing, and he directly comes to Deng Yuanxiao who falls out!

Change fist into claw and catch the wrist!

"Click!"

It's just such a simple retraction!

How can Deng Yuanxiao bear the power of a thousand jin!

The wrist breaks directly!

The voice was clear to the fingertips!

"Ah Deng Yuanxiao had no idea that ye Chen's strength was so terrible. The ferocity and violence of his original face turned out to be pale and frightened.

He can't even carry a move! And they're not doing their best!

Is there such a terrible young man in Jiangnan province?

He roared in pain and fell to the ground.

Ye Chen goes step by step, regardless of others.

"You What do you want? Don't Don't kill me

Deng yuan howled.

This young man is so terrible that he feels that he will be killed at any time.

"Kill you?"

Ye Chen coldly smile: "kill you or dirty my hand just."

The smile on his face changed from cold to warm.

This is the chill that Deng Yuanxiao has never felt in his life.

At this time, there were many people around.

After all, this is Yaowang valley. Most people are invited here. Even in Xiang Chengdong's face, they will not start here.

Chen's excessive behavior is obviously in their eyes.

After a while, Xiang Chengdong is also in a hurry. When he sees Ye Chen, his expression becomes extremely strange.

Chapter 304

Seeing Xiang Chengdong appear, Deng Yuanxiao held out his hand and asked for help: "elder Xiang, help me. This boy is making trouble in Yaowang Valley..."

Words have not finished, ye Chen opened his mouth: "I just gave you a warning, you do not listen to yourself."

Language down, ye Chen stepped on Deng Yuanxiao's body.

The sound of bone fracture came.

It's like it's all smashed.

"From now on, you will be a complete waste man!"

Seeing this scene, everyone thought Xiang Chengdong would be angry.

After all, ye Chen started in the valley of medicine king. This is Tai Sui's breaking ground!

With Xiang Chengdong's character, ye Chen and Zhu Ya must be kicked out!

But something unexpected happened to everyone. Xiang Chengdong glanced at Deng Yuanxiao and told the people around him: "throw this man out. Since then, the Deng family in Southern Fujian has nothing to do with Huaxia medicine alliance! The Chinese medicine alliance will not provide any medical assistance to the Deng family in Southern Fujian! "

What!

When this was said, everyone was in a daze!

Xiang Chengdong not only did not deal with Ye Chen, but directly drew a line with the Deng family in Southern Fujian!

It is to throw Deng Yuanxiao out of Yaowang Valley!

This is like to make friends with Ye Chen!

At the moment, as the parties Ye Chen and Zhu ya have quietly left!

A person looked at two far away back, deeply shocked in his heart.

At the same time, they had a very firm idea:

it's better to offend Yama than to offend Ye Chen!

.....

Outside Yaowang valley.

Zhu ya got on the car in shock, her chest slightly undulating.

Magnificent, chest gully is also very clear, let people imagine.

She looked at Ye Chen behind her, her face flushed a little.

Hero sad beauty pass, but how can beauty pass hero pass!

Only a few things about the medicine King Valley, ye Chen's figure in Zhu Ya's heart is infinitely high!

She bit her lips and wanted to go directly to the back seat to take over the man!

Her heart hate ah, if in summer if snow before contact Ye Chen should be good?

Maybe she took the initiative a little, the woman around Ye Chen should be her.

Unfortunately, there are so many ifs in this world!

She knew very well that once she left Yaowang Valley and returned to the city, it was impossible to get along with Ye Chen alone.

Just now ye Chen helped her because of her friend's angle, not because she was interested in her.

At this moment, she was entangled to the extreme.

Her appearance and temperament and Xia Ruoxue gap is not big, if you take the initiative, Mr. Ye will refuse?

Looking at sitting in the back of Ye Chen, she bit teeth, opened the driver's door, is to the back.

Ye Chen naturally heard the movement, just opened his eyes, he found Zhu Ya sitting beside him.

"Are you not feeling well? Why is your face so hot? "

"Mr. Ye I... "

Zhu Ya hesitated for a few seconds and hinted: "I want to thank Mr. Ye for his action just now. If Mr. Ye wants me to do anything in the future, I will Even that... "

With that, she blushed as if she could force bleeding.

Ye Chen a Zheng, nature understood what, he laughed: "I want you to do a thing for me now."

Zhu Ya Mei's eyes were flowing and she was short of breath. She said, "do it in the car?"

Ye Chen nodded: "with your hand on the line."

Zhu Ya thought of something and wryly said, "in fact, I can help Mr. Ye with my mouth..."

Finish saying, then stretch out slender hand, want to untie the belt for ye Chen intimately.

But soon, he was stopped by Ye Chen.

Ye Chen pointed to the steering wheel: "I mean you send me back to Mingcui villa, what do you think in your head."

Juya's neck was red at the words!

She got out of the car and went back to the driver's seat with a shaking voice: "yes, Mr. Ye..."

.....

Just after Bentley left, more than a dozen strong breath toward Yaowang Valley!

The vision of the ten thousand thunderbolts directly attracted the powerful people in the hidden world near Jiangnan province!

They are very clear, this kind of vision, can only be the strong come!

More than ten days ago, there was also a light column in Jiangnan province!

It's just that the light beam is fleeting, they can't determine the exact location!

But this time, they knew it was in Yaowang Valley at the first time! It's more of a nonstop rush!

A Taoist robe old man and a hunchback old man arrived first.

The two looked at each other, and the Taoist robe old man said coldly, "brother Qiushui, don't be hurt. I remember you closed up at Yuewang mountain. Why did you leave the pass ahead of time?"

The hunchback old man replied: "Yuansheng, why did I come here? Don't you count it in your heart? You're after that man, tooThe Taoist priest touched his beard and said, "if I can break out such a strange phenomenon, he is definitely the top strong man in China. If I don't do anything in the changing days of China, I'm afraid my Taoist temple will be difficult. But I'm sure that if the adult wants to choose between us, he will definitely choose me! It is an eternal truth that strength is respected in the course of martial arts! "

The hunchback old man glared at the Taoist robe elder: "hum! It depends on who finds the adult first! "

The words fall, the wind under his feet, quickly rushed in!

Seeing this, the Taoist robe old man was also full of genuine Qi under his feet and went towards the depth of Yaowang Valley!

Today, Yaowang Valley is doomed to be restless!

.....

Mingcui villa.

Bentley car slowly stopped, ye Chen opened the villa door, thought Sun Yi and Xia Ruoxue would be inside, but found no one!

The table was in a mess. The second daughter seemed to be planning to bake, but she didn't know what happened suddenly and left the villa directly.

Egg white was also sprinkled on the floor.

Ye Chen frowned and just wanted to go upstairs, Zhu Ya rushed in and said excitedly, "Mr. Ye, something has happened!"

"You haven't gone yet?"

Ye Chen asked, Zhu Ya then hurriedly handed the mobile phone to him.

He glanced. It was a news video.

The title is: Tianzheng Group in Jiangnan province has a major medical accident! Among the 27 consumers taking Tianzheng Group products, two have died, and 25 of them have entered the intensive care unit! The situation is not optimistic! China drug administration and industry and Commerce Bureau have been involved in the investigation!

Among them, the picture in the video is a hundred people's rights protection! Everyone blocked the entrance of Tianzheng Group Jiangnan Branch!

Tianzheng Group's office location is smashed a mess!

Huayuan International Trade building is full of water!

Even if the police are maintaining order, it is still useless!

Ye Chen Mou son gloomy to the extreme!

Now the products issued by Tianzheng Group are developed and designed by him! It is a fusion of danfang! There's absolutely no question.

Either there is a problem in the process of selling the product, or someone deliberately uses this method to deal with him!

"Juya, drive me to Tianzheng Group."

Ye Chen's cold voice rings out!

"Yes, Mr. Ye!"

Chapter 305

Twenty minutes later, ye Chen and Zhu Ya arrived at Huayuan International Trade Building in Jiangnan province.

At the door of the building, Sun Yi and Xia Ruoxue are blocked by several security guards. They hold microphones in their hands. It seems that they are holding an emergency conference to clarify this matter!

But the people outside didn't listen!

Every word of abuse and insult is towards Sun Yi and Xia Ruoxue!

It's hard to hear!

What's more, they insulted their parents!

Sun Yi bit her lips, and her face had a trace of anger.

They wanted to send someone to suppress it, but it was too much!

When the news broke out, 27 people had an accident, and now it is 100 people! And it's getting worse!

Not only in Jiangnan Province, but also in the whole of China, the problem of Tianzheng Group's products has been exposed!

This is even more troublesome!

Even with the Xia family and Qin family power and contacts to pressure, but also useless!

One hand seems to be controlling the direction of public opinion!

The power in the hands is far stronger than that of Xia family and Qin family in Jiangnan province!

Xia ruoshue and Sun Yi can only use pale words to explain, but it is no use at all!

The abuse continues to break out!

All of a sudden, a man with a hat in his hand was so angry that he smashed an egg directly on Sun Yi's face!

Sun Yi's hair is thick egg white!

It's a mess!

That group of reporters is crazy to capture, they are sure, this picture must be spread all over the social network overnight!

See this scene, ye Chen is angry!

He stepped out step by step, and his whole body was full of vigor!

Straight into the crowd!

Everywhere you go, people are tumbling!

Master's anger can not be tolerated by ordinary people!

Things developed to this point, ye Chen has been very clear where the problem is.

From the outbreak of the Tianzheng Group scandal, to the demonstrations, smashing, destroying and even the media, this process is obviously aimed at the Tianzheng Group!

The key is that the ability of the Qin family and the Xia family can not be suppressed, which shows that the threat comes from the capital!

All this is aimed at him ye Chen!

Some people want to ruin the reputation of Tianzheng Group. Let him be ruined!

The wind whirled, ye Chen came directly to the man who threw eggs!

How can troublemakers have Gu Wu!

Ye Chen five fingers directly clasped the neck of the other side, the man noticed the danger, just wanted to dodge, but found it was too late!

"Bang!" the wind howled in his ear With a loud bang, the man who threw the egg hit the ground directly!

Strong anti shock force is to let him spit out a mouthful of blood!

The man suffered to the extreme. When he saw that it was Ye Chen, he quickly roared: "hit people, everyone, look, Tianzheng Group has hit people!"

"I know this man. He is Ye Chen, the legal person of Tianzheng Group!"

"Everyone, look, Tianzheng Group not only sells poison, but also starts to beat people!"

These words directly ignited the audience!

Around the abuse constantly toward Ye Chen!

It's hard to hear!

Blame! Rude! Insult!

Those reporters are crazy to press the shutter!

This is absolutely big news!

"Who asked you to come?"

Ye chensi ignored, the cold voice fell down!

The man was not afraid of Ye Chen at all, and his expression was ferocious: "if you have a problem with the medicine, don't let people say whether you have a ghost in your heart."

before finishing his words, ye Chen stepped on the other side's arm directly, "click!" A sound, directly crushed.

Strong pain, almost make men twitch.

But the words in his mouth are still the same!

Obviously trained!

"The hand you touched my woman just now is broken. Where do you want to break it next?"

"I'm really puzzled that you, an ancient warrior, still come to protect your rights?" Ye Chen said with a smile.

The man was stunned and pretended to be at a loss: "I don't understand what you're talking about. I'm a damn consumer. My parents took your Tianzheng Group's medicine and are still lying in the intensive care unit. If something happens to her, I will fight for you! Grass! What the hell

Such words, the crowd mood burst, men and women, old and young, have toward Ye Chen scold.

It's getting worse.

Ye Chen's cold eyes swept all the people: "noisy!"

Two words fall, a strong sound wave surging away, those people are one after another to retreat behind.

Some even fell to the ground directly!

The tide is surging!

When they stand up and just want to say something, a killing idea covers Ye Chen!

Wrap them up! At this moment, they seem to fall into nine hell!

Even in front of them seemed to have given birth to a pair of hands, the dead clasped their necks!

They are hoarse, they have no right to speak!

"If I ask him something, I don't like to be interrupted. Who dares to say one more word? Die!" Ye Chen's light way.

It's a threat!

But extremely effective!

There was no sound outside the building!

Ye Chen Mou son again falls on the man's body: "I only give you a chance, if you don't say, you will regret."

A man is not afraid at all. If he can't finish the task, he will die!

"I will tell you the truth of the three days."

Ye Chen's mouth a touch of cold, a flash away.

"I know your choice."

There was no temperature in his voice.

It is like the ice.

Ye Chen, without warning, raised his feet and stepped on the man's chest directly.

"Bang!"

This heavy foot, like a shell on the other side of the body.

Man is spitting out a mouthful of blood.

"Ah, ah..." He knelt on the ground, screaming heartrendingly.

This feeling is extremely hard!

"You think it hurts? You're wrong. It's just the beginning. "

Ye Chen's hand appeared a leaf, this is the medicine King Valley picked.

It's called broken body grass. It's a kind of poisonous grass. If you take it alone, your spirit will vibrate and your body will bite like thousands of ants! But if mixed with other herbs, it will have a great detoxification effect.

Ye Chen directly pried open the mouth of the other side, mercilessly fed down.

Man cold hum, just want to speak, a force in the viscera spread, his body directly twitch, mouth is spit out foam!

He was pale and wet!

He just curled up and shivered. He was almost peeing in his pants. His heart was bursting!

He suffered to the extreme! He's really scared!

This feeling is worse than death!

He even felt rotten all over!

He did not care about anything else. His voice was shaking: "I said, I said, it was Zheng..."

Words have not been said, a gun shot down!

High speed spinning bullets are coming!

Ye Chen Mou son shrinks, sneer: "dare to use a gun in front of me, I want him to live, no one has the qualification to deprive him of his life!"

Language down, ye Chen hands shot a dart!

Darts through!

Just break the bullet!

The bullet is broken, the intense Mars explodes in the air!

The man's voice dropped completely.

"Zheng Shao, Zheng Shao in the capital city..."

Chapter 306

I heard Zheng Shao.

Ye Chen thought of the cuntou man he met in Yaowang Valley for the first time.

It seems that someone called him Zheng Shao at that time.

The key is that he has personally admitted that behind him is the Chinese martial arts Bureau.

The authority of Huaxia Wudao Bureau wanted to create such an event. It was extremely relaxed.

There is no possibility of counterattack by Xia family and Qin family in Jiangnan province.

The corner of Ye Chen's mouth outlined a cold smile, and immediately her eyes fell on the rest of the people.

Subconsciously, those who demonstrated took several steps back.

Not only the people who demonstrated, but also the reporters were shocked to see this eye.

Ye Chen is determined, these people come here so quickly, there must be someone behind the control.

It's a lot easier to pull things out of these people.

Ye Chen calls Lei Shuwei directly: "you should have seen the news."

Lei Shuwei nodded: "Mr. Ye, I generally know who did this. I have sent people here. All troublemakers will be isolated and investigated."

The phone has not been hung up, ye Chen will find several special cars appear!

Soon, a group of armed soldiers came down, and the leader was even Ying Qing.

The dragon soul appeared in person.

In fact, it only needs people with general military background to deal with it.

Ying Qing and the dragon soul soldiers come forward to show their attitude.

Chinese martial arts bureau can control the direction of public opinion, but he even forgot that ye Chen is the chief instructor of dragon soul.

What stands behind him is the whole dragon spirit!

Those who denounced and remember to see a large number of armed personnel surrounded them, completely confused!

Is it against the law to protect rights these days?

The reporters smelled something wrong and just wanted to run away, several armed men put one hand on their shoulders.

A document and documents appeared in front of them.

"You are suspected of divulging state secrets and need to be brought back to assist in the investigation."

Hearing this, those reporters were completely confused!

Divulging state secrets?

They just took a few photos here. What kind of state secrets are leaked!

Sleeping trough!

These guys are poisonous!

"Gollum!"

A few reporters pharyngeal saliva, the eye son is full of horror!

One of the short hair reporters even questioned: "who knows if your certificate is true or false..."

The dragon soul soldier snorted: "you have no right to question! There's an explanation on it. If you resist, you'll be killed! "

As soon as these words were uttered, those journalists and even those people defending their rights took a breath of cold air one after another!

They were scared!

I didn't expect it to be so serious!

Shoot?

That's too much of an exaggeration.

They just collected some money and came here to cooperate. As for personal safety!

Some of the most ferocious aunts who just scolded were completely flustered. They didn't want to go to prison, and they didn't want to commit their lives here because of tens of thousands of yuan.

"Plop!" They knelt down on the ground and begged for mercy from Ying Qing and others. We really didn't commit any crime. Please don't take us away. I'll pick up my grandson later... "

Ying Qing glanced at Ye Chen. Seeing that there was no fluctuation in the other party, he went straight: "no matter who it is, take it all away! No one can think of it without investigating the specific matter clearly! "

At the command, howl!

Scream again and again!

This group of people are open to money, but they don't know who they are offending!

The first person in Jiangnan Province, ye Chen!

Chief instructor of dragon soul, ye Chen!

After taking all the people away, Ying Qing came directly to Ye Chen: "Mr. Ye, this group of people should be collecting money and handling affairs. The investigation results can be sent out in an hour. I will sort them out and send them to your mobile phone. Tianzheng Group should need it later."

"What's more, we will deal with the influence of these people on Mr. Ye and Tianzheng Group."

Ye Chen nodded and patted the shoulder of Ying Qing: "it's hard."

Ying Qing shook his head: "when Mr. Chu Ye rescued me from the ghost gate, Ying Qing knew how to be grateful! In my dictionary, there is no word for hard work

"What's more, the chief asked me to remind you that although there are traces of actions taken by the Chinese martial arts Bureau, it is definitely not the behavior of the high-level people. This kind of low-level defamation should be done by the younger generation."

"According to the preliminary investigation of longhun, Zheng Yi, the son of Zheng renjue, the General Administration of martial arts in China, is most likely to be Zheng Yi! Zheng Yi's appearance in Jiangnan province this time is suspected of committing a crime regardless of its layout or remote control. "

"Of course, all this is just our guess, there is no evidence yet."

Ye Chen's eyes flashed a trace of cold, and said faintly: "no evidence, it's him! Today I'm going to break his wrist, and now I'm sorry I didn't kill himHearing this, Ying Qing's face changed greatly, and he even said: "Mr. Ye, Zheng Yi's identity is special, and the lesson is enough. If you kill him, the one from the General Administration of martial arts in China will be furious Please think twice. "

Ye Chen ignores Ying Qing and goes directly to Xia Ruoxue and Sun Yi.

Xia ruoshue is wiping the egg white on Sun Yi's face and hair with a napkin.

When Sun Yi saw Ye Chen coming, her face was somewhat innocent, and she turned around.

"Xiaochenzi, don't come here. I'm so ugly. I don't want you to see me in such a mess."

Ye Chen smiles and pulls out a paper towel to clear some mucus in Sun Yi's ear directly.

While clearing away, he said: "I am to blame for this matter. I am a legal person of Tianzheng Group. If something goes wrong, I should smash the eggs most."

"Or, return to Mingcui villa later, and I'll give you ten eggs, so that you can blow me out?"

Hearing this sentence, Sun Yi "Puff Chi!" A laugh.

"Those ten eggs can make two cakes. What a waste to smash you."

Xia Ruoxue suddenly thought of something and said to Sun Yi, "ah, we haven't finished baking yet..."

Sun Yi sighed: "there must be no time to do it today. Tianzheng Group is in a mess. Let's talk about it in a few days. At present, public opinion is under control, but the hospital side..."

Ye Chen opened his mouth and said, "have those patients been checked? Is the doctor sure it was caused by something from Tianzheng Group? "

Xia Ruoxue explained: "that's not true. The people who had problems happened to be those who took our products. In addition, I just received a phone call from the hospital. The cause of the disease has come out. It should not be caused by drugs. However, the condition of those patients is very strange. It seems that they are imprisoned by some force..."

At this moment, ye Chen completely suddenly.

It should be Zheng Yi who asked the masters of the Chinese martial arts bureau to use strength or some kind of technique.

However, this seems to be able to ruin the reputation of Tianzheng Group. In fact, it is of no use at all.

"Zheng Yi, it seems that the lesson in the morning is not enough, even if you are standing behind the General Administration of Chinese martial arts? Offend me ye Chen, I will let you feel what is desperation

Chapter 307

Capital city, Huaxia Wudao General Administration.

Listening to the narration of the middle-aged man in front of him, Zheng renjue's face became more and more blue.

Suddenly, Zheng renjue's ceramic teacup directly hit the ground!

A roar rang through the office!

"Bastard! The killers of Xuemei hall can't kill that boy. That bastard even uses such dirty means! It's really a shame for me, Zheng renjue! "

Zheng Ren decided to stand up, shaking with anger.

Ye Chen did not intend to deal with it for the time being, because the power of the Chinese martial arts Bureau was in the capital, and Jiangnan province was too far away.

There is dragon soul over there. In addition, ye Chen is the first person in Jiangnan province. It is impossible to move Ye Chen on the other side's territory!

So he didn't plan to take action recently because he knew Ye Chen would come to Beijing!

When ye Chen reaches the capital, it's easy to move him!

As a result, that bastard went to annoy Ye Chen!

Don't you want to die!

Suddenly, what did Zheng renjue think of and asked the middle-aged man, "is Xiaoyi still in Jiangnan province?"

The middle-aged man nodded: "the young master should be in Yaowang Valley, maybe on the way back."

"Not good!"

Zheng renjue's face suddenly changed!

He knows Ye Chen's character and is decisive in killing him. If he offends him, he will suffer a lot!

Key at the moment Ye Chen must know that this matter and his son can not get rid of the relationship!

Zheng Yi, danger!

Zheng renjue quickly took out his mobile phone and dialed Zheng Yi's phone.

The phone is on.

"Dad, what's the matter?"

In the telephone, the sound is very noisy, like in the romantic place.

"Bastard, come back! Back to Beijing! Now! Now

"Besides, always be with those masters I sent!"

Zheng Yi at the other end of the phone obviously couldn't hear clearly, and said in a loud voice, "Dad, what do you say? My signal is not good. I'll go out and call you back later."

"Dudu Dudu -" the phone is hung up!

"Grass!"

Zheng Ren is definitely angry!

He quickly dialed the other people's phones: "put down anything you have and find Xiao Yi for me right now! Protect him back to Beijing! Remember, be careful, ye Chen

The phone hung up, but Zheng renjue was still restless!

He's panicked. He's really flustered.

For so many years, few people could disturb his mind!

But since the appearance of the devil, the whole situation of China seems to be stirred by him unconsciously!

First, Jiangcheng storm, now Jiangnan province. If that boy comes to the capital, he will not have an accident in the capital!

What did he think of and called Lei Shuwei.

"Lei Shuwei, the well water of the Chinese dragon soul and the Chinese martial arts Bureau will not invade the river. I hope you can help me warn Ye Chen that if he dares to move my son, I will make him worse than dead!"

Lei Shuwei, on the other end of the phone, laughed bitterly and replied: "Zheng renjue, I hope you know one thing. From the beginning, the dragon soul has no ability to command and warn Mr. Ye. On this matter, my attitude is the same as you, but Mr. Ye's character, we can't stop the dragon spirit. You can ask for more happiness by yourself."

Hang up!

"Bang!"

Zheng renjue directly hit the table with one punch!

Anger in the sky!

.....

Pearl one, Jiangnan province.

Zheng Yi wanted to stay a little longer, but he was threatened and taken away by seven or eight Chinese martial arts Bureau elders.

He touched his inch, but found that his hand was still bandage!

There was another fury in his heart!

Although his hands were saved, the humiliation in the morning made him angry to the extreme!

He is Zheng renjue's son!

In the capital, in the martial arts world, who dare not give him face!

But ye Chen wants to die!

"Zheng Shao, get in the car."

Several people have come to a Hummer.

A strong man in China martial arts Bureau opened the door for him.

Zheng Yi takes a vicious look at the road signs in Jiangnan province.

"Ye Chen! You bastard! As long as you dare to step into the capital, I will not only kill you, but also torture your women in front of you

His other hand was clenched tightly, with a low roar.

Then he stepped into the car with one foot. Just as he wanted to sit down, a cold voice sounded behind him.

"You may not have the chance."

Hearing this sudden sound, Zheng Yi's body suddenly froze!

He is so familiar with the sound!

He suddenly turned around and saw a cold and proud man come out of the darkness.

The corner of a man's eye has a cold light, so strange, like a dagger!The corner of the mouth is like a blade of cold arc!

No special camouflage, but let the public clearly see his eyes that little bit of cold and indifference!

Ye Chen!

The other several Chinese martial arts Bureau People's facial expression also suddenly changed!

What they fear most is happening!

One of the old men with terrible breath pushed Zheng Yi into it!

Close the door!

"Go! Come on! We'll deal with this kid! "

Words fall, the car will spread a huge roar, just want to leave!

Ye Chen hands shot out four cold light!

A flash of cold light! Straight into the Hummer's tires!

Four big bang suddenly burst out!

The fast-moving Hummer lost its heavy weight and flipped!

At the same time, several figures toward Ye Chen quickly swept, killing the explosion!

"Ye Chen! Zheng Shao is the son of master Zheng of the General Administration of martial arts and Taoism in China. Master Zheng ranks the seventh in the list of Chinese masters. I urge you to turn back and be saved! "

A cold exclamation rings in Ye Chen's ear, and then the sharp blade rolls with the radian of death and vigor!

The man thought Ye Chen would dodge, but found that he was wrong!

Ye Chen didn't mean to avoid from beginning to end. Instead, he raised his right hand and became an eagle claw, tearing the air and holding the sharp blade fiercely!

The palm of his hand is full of red light!

Killing gas!

The man was a little confused when he saw this scene!

He is very clear about the power of this knife, but ye Chen holds it directly!

Is this still human!

When that person flustered, ye Chen's killing gas has already rushed out!

"Anyone who stands in my way will die, and you are no exception!"

The blade was crushed by Ye Chen directly!

One of the fragments appears between Ye Chen's two fingers!

Double finger vibration!

The debris was wrapped in a killing atmosphere and rushed out directly!

Red light flashing!

The man noticed something was wrong and turned sideways, but it was too late!

The fragment penetrated his body and the man fell into a pool of blood.

See this scene, the rest of the eyes a shrink, no longer hesitant!

Otherwise, Zheng Shao is in danger

A strong man of Chinese martial arts Bureau was wrapped up in his whole body, and his fierce fist was smashed directly at Ye Chen!

See is about to hit Ye Chen's body, ye Chen moved!

Same blow out!

This punch, no martial arts skills! But under a blow, it even sent out a terrible bloodthirsty gas!

Even the powerful man in China's martial arts Bureau seemed to hear a dragon roar!

How could it be!

"Bang!"

Two fists! The old man flies out directly, seriously injured! The internal organs are almost broken!

Ye Chen, unstoppable!

Chapter 308

The people sent by Huaxia Wudao bureau are not very strong this time.

I thought it was enough to cope with some special circumstances.

But no one thought that Zheng Yi would offend Ye Chen, the evil god, inexplicably!

The old man with the most terrible breath on the field glanced at the Humvee.

Zheng Yi and several old people have already climbed out of the car.

There is not much danger.

Then, he said to the rest of the people around him: "give me this son, you go to protect Zheng Shao and leave!"

"Looking for the old!"

"Don't talk nonsense, get out of here! If anything happens to Zheng Shao, we can't afford all our lives! There are already some experts from the general administration to take over! "

Look for the old man to roar!

As soon as the rest of the people's eyes congealed, they went to Zheng Yi one after another.

On the field only leaves the Chen and seeks the old.

Two strong breath collided in the air, and the sound came.

"Boy, I have to admit that your strength is very strong, even let me have a sense of danger, but I'm sorry! I won't let you go. If you want to move Zheng Shao, just step on me

Language down, looking for the old hand appeared a knife!

As soon as the dagger comes out, it's full of Aura!

It's a spirit tool!

Although it can't be compared with the dragon sword, it must be of great value in China!

"Chop!"

Looking for the old one to roar, backhand a turn, blade rotation 180 degrees, aimed at Ye Chen's chest, mercilessly split!

This knife directly changes the surrounding magnetic field, which makes a light golden light overflow.

The golden Sabre air seems to tear the air!

The sound of whistling never stops!

Ye Chen doesn't hesitate to cut the dragon sword out!

In a moment, the dust is flying, and ye Chen stands against the wind, with a flash of cold light. A faint white light is formed, and it is expanding and condensing.

The white light and shadow go directly to the golden Dao Qi of looking for the old!

Violent Mars surge!

"Bang!"

Ye Chen and looking for the old one after another shook back a few steps!

Looking for the old man's blood, the corner of his mouth has overflowed with blood!

"The first person in Jiangnan province deserves his reputation as expected."

Look for the old wipe off the blood stains on the corner of the mouth, and go to Ye Chen again!

Ye Chen Mou son tiny MI, already noticed Zheng Yi toward a car but go!

If you don't catch up with him, he may really run away.

His eyes fell on the old man and said in a cold voice, "give you three seconds. If you don't get out of the way, you will die."

After three seconds, looking for the old not only did not leave, but rushed to Ye Chen again.

"Bloodthirsty chop, break!"

All of a sudden, there was a roar of dragon howling around!

Vaguely, ye Chen's hand seems to have become a blood dragon. The blood dragon's ferocious mouth opens and bites towards the old man!

At the same time, a bloody sword fell into the sky!

Cold, suffocating, killing.

Looking for the old pupil to enlarge, he exclaimed: "top martial arts! This is the top martial art! How could... "

"Click!" A sound, the blood dragon empty shadow roars out!

The knife in the old man's hand is broken directly!

Aura explodes!

His face is extremely pale, endless panic, shivering, subconsciously step back!

His eyes are staring at Ye Chen in front of him!

He also felt a bloodthirsty sword penetrating his body!

A cold blood dragon seemed to be in front of him!

He can even feel the breath of the blood dragon!

The blood dragon exudes a terrible smell.

As if only a look can devour him!

"The blood dragon is..."

Before he finished speaking, his body was full of blood, like a fountain, soft and soft, red and warm.

It's shocking.

After all this, ye Chen turns into a shadow in situ, and quickly goes towards Zheng Yi!

Seeing that Zheng Yi is about to get on the bus, ye Chen doesn't care about everything. His arm Qi condenses and a torrent of weather breaks out!

With a trace of red light, the sword of chopping dragon rushed out directly!

Far away.

Zheng Yi is about to get on the bus. He breathes heavily!

Although he is eager to kill Ye Chen, he knows his strength very well!

No way!

At the moment, he was wrapped up in fear and fled back to the capital is the only possibility!

"Hiss!"

Suddenly, there was a sharp sound of breaking the sky in the air, and a long sword like a flame flashed across the sky like a meteor!

Come with a roaring flame!

Go straight to Zheng Yi!

Seeing this scene, a strong man of the martial arts Bureau changed his face and could only strike the sword with all his strength! The sword is slightly offset, but still furious!

"Ding! "

the long sword with the rolling air waves directly inserted in front of Zheng Yi!

A deep sword mark is shocking!

The key is the sword. The ground is split in all directions! It's like a spider web.

Zheng Yi was overturned by the violent air wave!

Zheng Yi's body directly hits the ground. He raises his head slightly, his eyes twitch fiercely, and the waves in his heart are constantly rising. It's like seeing a ghost. He can't help looking at the sword not far away!

Fear is spreading!

Just as he was about to get up, a dark shadow had already fallen!

It's Ye Chen!

"Bang!"

Ye Chen stepped on Zheng Yi's chest!

Zheng Yi felt concussion in all the internal organs!

It's the feeling again!

"You can't kill me!"

Zheng Yi's frightened voice rings out!

"Well, you said that the second time!"

Language down, ye Chen's five fingers with strong wind directly buckle Zheng Yi's neck!

Zheng Yi's body is hanging in the air, filled with a strong sense of suffocation!

He couldn't say anything. His neck was blue and his face was red and blue gradually!

Eyes are full of blood, ferocious to the extreme!

"I gave you a chance, you didn't cherish it. Even if your father is Zheng renjue, if he offends me, the consequences will be the same! "

Ye Chen's five fingers are getting tighter and tighter. Zheng Yi feels that his brain is going to lack of oxygen!

It's horrible to be watched by death!

The rest of the Chinese martial arts Bureau rushed to Ye Chen, but somehow, a wall of gas formed around him!

The air wall is blocking everything, and it is constantly approaching them!

They can't move!

All of a sudden, ye Chen pocket rang a mobile phone ring.

Ye Chen has one hand around Zheng Yi's neck, and one hand connects the phone.

It's Lei Shuwei!

"Mr. Ye, please spare Zheng Yi's life! Once he's dead, you'll have to face the anger of the whole China martial arts bureau! It's not a joke! And... "

Words have not finished, was Ye Chen Hang up!

Then there was another phone call!

This time not Lei Shuwei, but a number from the capital!

The key number is so weird!

Because from Zhongnanhai, China!

It's the chief!

Ye Chen totally did not think of this matter, will disturb that!

After hesitating for a few seconds, he pressed the answer button.

"Ye Chen, listen to me and put down Zheng Yi."

Old voice sounded, some helpless, but more is admonishment.

Ye Chen sneers and doesn't speak. He glances at Zheng Yi. At the moment, Zheng Yi is only one step away from the ghost gate!

A sigh came from the other end of the phone. Knowing that ye Chen would not listen, he said, "put down Zheng Yi, I will tell you that the real identity of the Ye family was destroyed in Yunhu villa in those years! How about it

Chapter 309

This moment.

The right holder in China has no choice.

Ye Chen is a man he is extremely optimistic about.

He put all his bets on this young man.

He knew the pattern of China better than anyone else, and he knew more about Zheng renjue of the General Bureau of military affairs of China.

Zheng renjue is a little modest, but if Zheng Yi dies, his sense of propriety will disappear completely.

Then it will become a roaring lion, which is the disaster of China!

In recent years, the situation in China is strange and changeable, and the martial arts and Taoism circles have a tendency of chaos.

If ye Chen kills Zheng Yi this time, then the General Bureau of Chinese martial arts will fight ye Chen thoroughly!

This battle, no matter what the outcome, is a great loss to China!

Therefore, he would stop Ye Chen at all costs!

And at the moment of Ye Chen, eyes flash through a trace of determination!

Although Zheng Yi should be damned, he can't bear mentioning the Dragon Lord who destroyed him in Yunhu mountain villa!

Such a waste, he can kill at any time!

He came out of Kunlun for such a long time just for revenge, but he tried his best, but he could not touch the news of the Dragon Lord!

At present, the condition of the old man on the phone is the only possibility!

Ye Chen pondered for several seconds. He had the answer in his heart. He gathered his five fingers and directly threw Zheng Yi, who was on the verge of death, on the ground.

Zheng Yi's body is soft and prone, "bang!" The sound of a powerful impact, let him suffer to the extreme!

Several of his bones are completely broken!

He breathed with a big mouth.

From childhood to adulthood, there was not a moment when he was so eager to breathe!

His remaining light saw the cool and proud youth in front of him! Fear covers the whole body!

Without those two calls, he would die!

At this critical moment, he found that his cultivation in his body was gone!

Completely abandoned!

The limbs also have no strength, this kind of feeling must die is uncomfortable!

Just as he was palpitating, "kneel down!"

Dead in the general silence, ye Chen drink, voice is not big, but full of no doubt.

Hearing these two words, Zheng Yi's eyes widened to the extreme!

He didn't even kneel down to his father, but he wanted to kneel down to the boy in front of him?

Although he resisted, but in fact, his heart had already been scared to tremble, his knees bent and his posture adjusted!

"Plop!" One sound!

Chen's kneeling directly in front of Ye!

He has no choice at all!

That phone call only saved himself temporarily. The devil in front of him may change his mind at any time.

Ye Chen at the moment, the aura is full of the audience.

He wants Zheng Yi to be deeply afraid. Although this kind of means can make him live, it makes him worse than death!

A lifetime of silence in the shadow and nightmare, this is the price of offending him!

His murderous spirit is constantly towards Zheng Yi, and the low roar of the Dragon rings!

Zheng Yi feels that there is a blood dragon empty shadow in front of his eyes, which is very light. Only he can see it!

The other side's eyes are extremely cold, which makes people palpitation and fear.

"What is this..."

As soon as he spoke, he found that the blood dragon had already climbed on him!

Ferocious to the extreme!

He even felt that he was in a pool of magma at the moment, which was extremely painful.

His legs are completely wet!

Scared to pee!

Zhongnanhai, who saw this scene from the video, sighed: "Ye Chen, it's almost over. If you go down, something may happen."

Ye Chen snorted coldly and looked at Zheng Yi, who was almost crazy. He said to the phone, "OK, now you can tell me the identity of that person. I won't kill him."

"Ye Chen, what's the difference between you and killing him? If Zheng renjue saw this, he would not have any gratitude to you

The voice of the old man rang out.

Ye Chen mouth outlines a cold radian: "I do not need Zheng renjue's gratitude, say it, I only care about the answer."

There was a pause on the other end of the phone. I don't know how long it took to spit out a few words.

"Chinese martial arts world, Lin Juelong, he is now the leader of the Lin family! That's the answer I promised you. "

"I know you want revenge, but if you look at the whole of China and the martial arts world, the Lin family is a top-level family, and it is like a overlord. What's more, he is still the leader of the Lin family. It's impossible for you to maintain your current strength."

"You can't touch that level yet. When you are qualified to touch that level, you will understand."

"What's more, I might as well tell you one more thing. The Jiang family behind your mother is not ordinary. It's one of the top families in the martial arts world in China. But even the Jiang family doesn't dare to move Lin Juelong. This is a reminder to you. I hope you can listen to it."The phone hung up.

Ye Chen fell into deep meditation.

Is Lin juelung the Dragon Lord of Beijing?

Lin family? Jiang family?

If Zhongnanhai doesn't hang up, he would like to ask about the third family involved in Yunhu villa.

Just then, a strong wind came!

Ye Chen sees a dark shadow falling from the sky, with five fingers and one button, and grabs Zheng Yi who is giggling.

It's an old man in a robe.

"Zheng Shao! It's the master who asked me to come. With me, no one dares to move you. "

Zheng Yi was directly mentioned by him!

The old man in the robe looked at Zheng Yi. He found that he had been tortured. The other side stretched out his hand and drew a circle on the old man's chest and said, "Wow, you also have a dragon in your chest..."

The old man in the robe frowned, and a knife clasped on Zheng Yi's neck!

Zheng Yi was in a coma on the spot.

The old man in long robes set up Zheng Yi and stared at Ye Chen: "Ye Chen, I have heard your name many times. This time, if Zheng Shao has any faults, the General Administration of martial arts of China will never let you go!"

"I advise you not to step into the capital in this life, or you will understand the pain of death and torture."

Ye Chen smiles. His eyes have already noticed that Lei Shuwei and Yingqing are trotting towards this side.

He said to the old man lightly: "don't worry, I'll come to the capital in a few days, and then I'll come to see the General Administration of Chinese martial arts."

The eyes of the old man in the robe shrunk and snorted coldly. He took Zheng Yi to one side and quickly reached the extreme speed.

He wanted to kill Ye Chen, but he was qualified to kill him with his strength.

But don't know why, he felt a sense of danger from ye Chen.

This feeling is very strong, as if as long as he hands, there is no doubt that he will die!

For the sake of safety, it's better to take Zheng Shao first.

This ye Chen is full of strangeness.

.....

After the old man and Zheng Yi leave, Lei Shuwei and Ying Qing come to Ye Chen.

"Mr. Ye, Zheng Yi is not dead." Lei Shuwei said excitedly.

Ye Chen Mou son with a trace of spirit: "you can say that he is dead, can also say that he is not dead."

Lei Shuwei was stunned, and his expression was strange to the extreme.

However, judging from the signs just now, it should be that the matter has not reached the extremely serious level.

Chapter 310

Lei Shuwei took a piece of information from Ying Qing and handed it to Ye Chen directly. He said, "Mr. Ye, this is the result of this investigation. As we expected, these things can be used as evidence."

"Public opinion has also been temporarily controlled. Unexpectedly, many people who took the medicine have come forward to speak for Tianzheng Group, and even more involved in conspiracy theory, saying that this is the design of competitors of Tianzheng Group..."

"But now the most important people are those in the intensive care unit. These people are actually innocent. The key doctors are at a loss. I don't know Mr. Ye..."

Words have not finished, ye Chen nodded and ordered: "send me to the hospital."

"Yes, Mr. Ye."

Ye Chen didn't want to be in charge of this group of people, but after careful consideration, these people are just lying in the gun inexplicably. The problems are more or less related to themselves.

Huaxia Wudao Bureau doesn't care about the lives of these people.

Twenty minutes later, ye Chen arrived at the seventh floor of the second hospital of Jiangnan province.

Standing in front of one of the patients, he saw the problem at a glance.

Remember, there's a black spot in the center of their forehead.

It looks like a mole, but it is actually an operation!

Control their mind and mind! Let them be half dead!

This will last for one or two days, there will be no big problem for the human body, but if it lasts for more than three days, it will inevitably lead to brain death!

At that time, it will be difficult to save Dara Jinxian.

Huaxia Wudao Bureau has done too much this time.

Ye Chen gives Lei Shuwei and Ying Qing the way to solve the problem, and asks them to go to other hospitals to save people. After all, it is not only in Jiangnan province that there are problems in all parts of the country.

The good thing is that it's not too difficult to crack it, as long as some people with ancient martial arts background can use it.

Three hours later, the patients continued to wake up. At the same time, everyone revealed that their accident was not due to taking Tianzheng Group's medicine. Before the accident, they met a man wearing a mask!

Everything is clear.

Longhun handed over some powerful evidence and suspects to Jiangnan police station.

After the police report, the disturbance of Tianzheng Group was completely stabilized.

This storm, although the impact is quite huge, but after all clarification, but let the products of Tianzheng Group more popular!

Everyone's heart is very clear, why is Tianzheng Group so framed? It's all because of Tianzheng Group's business!

Those who didn't pay attention to the products of Tianzheng Group also collected the official website in silence, and set up alarm clock to grab the products after three days.

It's a blessing in disguise.

.....

At the same time, the capital, Huaxia Wudao General Administration.

Zheng renjue looked at Zheng Yi, who was almost mentally retarded in front of him, and looked gloomy to the extreme.

A miracle doctor from the General Administration of martial arts in China is giving Zheng Yi a pulse. The situation is not optimistic.

After a few seconds, the doctor released his hand and looked very dignified.

"What's the situation?" Zheng Ren asked

The miracle doctor knelt down on the ground and explained: "master Zheng, Zheng Shao's condition is a little serious. The wound on his body may be cured, but it's more troublesome for those outside his body..."

Zheng renjue was stunned. His five fingers caught the doctor's collar and lifted it up!

"What's his main problem? Is there any help? "

The doctor trembled with fear and said, "Zheng Shao was scared It's usually only when you see something terrible His soul has been shaken by fear, and his body can be healed with medicine, but his soul has problems. It's very difficult! "

"Waste!"

Language down, the miracle doctor was directly thrown out by Zheng renjue! Hit the wall hard!

"How can my son be scared? It's obviously that you are not good at medicine!"

The miracle doctor spat out a mouthful of blood and knelt on the ground: "master Zheng, I don't cheat at all. You can see from Zheng Shao's eyes that the pupil is tiny, which is much smaller than the normal pupil. In this case, it is usually because of panic."

Zheng Ren decided to take a look at Zheng Yi, who was giggling. His anger was burning in his heart. He immediately turned his cold eyes to the miracle doctor and said, "I don't care what method you use, he must return to normal within three days, otherwise, you will come to see me!"

The doctor's face was pale to the extreme. Isn't that embarrassing!

Suddenly, he thought of something and said, "master Zheng, I heard that there is a very precious medicinal material in Yaowang Valley, which is called ninghuncao! At present, only one such plant has been found in the whole of China. If there is conghun grass, maybe Zheng Shao can be saved... "

"Are you sure?"

"Confirmed by subordinates!"

Zheng renjue Mou son a congealing, dialed directly the Chinese medicine alliance Xiang Chengdong's telephone.

After some greetings, Zheng renjue directly said his intention, but after hearing Xiang Chengdong's reply, Zheng renjue directly dropped his mobile phone on the ground! Because China's only one Ning soul grass in the morning, has just been taken away by Ye Chen!

Ye Chen destroyed his son with his own hands, and even deprived him of his only chance!

The blood of Zheng Ren's determination gas surges up, the eye son wants to shoot out a flame!

For a long time, he pressed a button in his office. Soon, a robed old man appeared in front of Zheng renjue.

"What can I do for you, my lord?"

Zheng renjue said directly: "from today on, we will issue an announcement in the whole Chinese martial arts circle. If anyone has a soul setting grass in their hands, the Chinese martial arts bureau is willing to exchange all conditions! What's more, those who contribute to ninghuncao will become the most distinguished guest of Huaxia Wudao bureau! "

"Yes

Soon, Zheng Yi was taken away by his servants.

The doctor and the robed old man also left.

Zheng renjue is the only one left in the office.

He came to the French window, staring at the southeast direction of China. His eyes were cold to the extreme: "Ye Chen, when you step on the capital, you will fall!"

.....

Mingcui villa.

Ye Chen first went to take a look at Luocho and found that the hand of Luocho had been completely reborn.

Even the bandage on my hand was removed!

Luocha was excited to the extreme: "my Lord, I feel that the strength of the broken arm hand is several times stronger! What's going on? "

Ye Chen explained: "it's normal. It's normal to unite your hands and adapt to the atmosphere around you. It's a perfect fit for your body and cultivation. Naturally, it's better than before. But in recent days, remember to burst out too much power..."

"Yes, my Lord."

Subsequently, ye Chen then returned to the villa, the mess of the living room has been cleaned up by two people.

He thought they would go on baking, but they fell asleep on the sofa.

Obviously, I'm tired of what happened today.

Ye Chen shook his head and picked up the two girls and sent them back to the room directly.

Sun Yi did not respond at all, sleeping extremely heavy.

But when she sent Xia Ruoxue back to her room, her eyes suddenly opened.

The red lips came straight up.
