

## Physician 3011

### Chapter 3011

However, at this time, dongfangsheng is full of blood red, look extremely reluctant, obviously can not support for too long!

And at this time, a figure, actually with a very fast speed, swept to the several strong body!

Tian Feiming, Feng Shaoyu and others are all pupils shrinking!

This person's eyes, beating blue flame, is Xing qianhan!

At this time, Xing qianhan obviously used some secret method. His whole body exuded the breath of heaven, just like the God of war. In his hands, the ice hammer flashed with cold light, and he smashed down several people who were bound!

That terrible power makes the whole space tremble wildly!

Originally a mockery, indifferent color of the public, face color is a big change!

In a twinkling of an eye, Xing qianhan came to Xiao Bao and smashed it with a hammer!

Xiao Bao screamed in horror. A red light burst out of her body and blocked the hammer in Xing qianhan's hands!

However, the red light, in an instant, was smashed into pieces by Xing qianhan's giant force!

There's a big bang!

Xiao Bao was hit hard by this hammer. His bones were broken and his flesh and blood were scattered. He hit the huge spaceship heavily. He smashed countless cracks on the spaceship. He was hit by Xing qianhan's hammer and was on the verge of death!

All the people of God Jizong saw this, and they were happy and successful!

The counterattack of the three kings of the Terran is successful!

In their hearts, they could not help but give birth to a touch of hope!

But at this time, a body shape flash, but on that spaceship, there is another person to kill toward the shenjizong.

At the next moment, the shadow appeared directly in front of Xing qianhan. He smashed a big black iron stick in his hand!

Xing qianhan roared and smashed it with a hammer!

People's face, showing a touch of joy, war King Xing qianhan, the most powerful is power!

This person, unexpectedly compared with Xing qianhan?

Even if his strength is higher than Xing qianhan, he may not be able to get benefits, right?

But

The next moment, Xing qianhan's body shape, but suddenly a shock!

Above the mouth of the tiger, blood flowed, and the whole human skeleton, too, was hit by this stick and flew upside down!

People see, a burst of horror, this person unexpectedly in strength, won Xing qianhan!

I saw in the sky, standing a man half man and half ape, all covered with golden hair, majestic!

He looked down at Xing qianhan with a pair of golden eyes, and a trace of irony flashed in his eyes.

He is the demon king of the first Kingdom, yuan Shengtian!

At this moment, several roars were heard. The wind Shaoyu's body was covered with silver. Tian Feiming's body was full of spiritual power. The bloody hands were broken quickly!

Dongfang Sheng vomited out a mouthful of blood and fell from the air.

To control so many strong men by force, he has reached the limit

The faces of the people of shenjizong were completely defeated. The three kings of the human race tried their best, but they still failed

The last glimmer of hope was lost

After solving the three kings of the Terran family, Tian Feiming waved his hand and yelled: "gentlemen, it's time to eradicate the evil party. Kill!"

The 100000 warriors, cheering, extremely excited, now, the other side's strongest people have been solved, now, is the real time to kill!

They have discovered for a long time that there are quite a few extremely beautiful female disciples of the shenjizong, aren't they?

The martial arts of the six countries have a very greedy look in their eyes. This kind of excellent beauty is first come first served. Later, it may be ruined by others!

Jin tianog took a deep breath, and a ray of determination flashed in his eyes. He had already recognized Ye Chen as the main one. Before he died, he would never allow these scum to defile the God Jizong!

At the next moment, Jin tianog suddenly turned into his original body and roared. The whole body of crocodile dragon Jinyan was like a wave, and it was vented towards the first wave of martial arts!

"Ah, ah, ah, ah

Countless screams rang out. The ancient fire was a lethal weapon for those who had cultivated under Jin tianog, or even slightly stronger than him!

But at the next moment, a roar rang out, and Yuan Shengtian's body swelled and turned into a golden ape with a height of ten feet. The black iron stick in his hand was thrown at Jin tianog!

The seemingly heavy black iron stick instantly turned into a black arrow. Jin tianog's eyes shrank, and even there was no time to dodge. So the iron stick penetrated into his body with a loud noise and inserted it in front of the Mountain Gate of shenjizong.

The whole shenjizong, a sudden silence

Countless shenjizong disciples are ready to blow themselves up. Instead of being insulted by these shameless people, we'd better die clean

The golden haired giant ape stepped on Jin tianog's head with a fierce foot. In his eyes, the color of bloodthirsty flashed. He could see that Jin tianog's blood was very strong. After swallowing Jin tianog, his own strength might be even higher! Immediately, he reached out his hand and grabbed Jin tianog's head. With both arms, he was going to tear Jin tianog in half from his mouth!

In the eyes of all the people in shenjizong, there was a strong color of intolerance

Jin tianog fought for them to the last moment, but this is the end?

But at this time, Jin tianog's eyes, but there is no fear, some just deep self blame.

Blame yourself for not protecting Ye Chen when he is not here!

On that day, Jin tianog may only recognize Ye Chen for his life, but gradually, he has already followed Ye Chen from the bottom of his heart. Once the demon clan really recognizes a person, he is extremely loyal!

The corner of Jin tianog's mouth was torn, and the blood gushed wildly. The bloodthirsty color in Yuan Shengtian's eyes became more and more intense. On his arms, his muscles trembled and his veins were like a dragon. He was about to tear Jin tianog in two completely!

But at this moment, a space wave, suddenly in the void, rippling out!

The whole sky was dyed red and blue!

Extremely weird!

Even on the spaceship, kongchi, who was indifferent, frowned slightly.

Just a moment ago, he was afraid!

It's a special kind of repression.

Is it a monster?

The seventh God Kingdom, in addition to the demon emperor, there is a stronger existence?

Just when kongchi and others were wondering, a giant beast covered with red and blue light rushed out of the sky!

The giant beast is huge, with ancient lines flowing all over its body, and the giant palm falls to the ground. It seems that the seventh kingdom of God has ushered in an earthquake!

Fantastic earthquake!

The most intuitive is yuan Shengtian!

The moment that the giant beast landed, the strong wind suddenly forced him to step back!

At the same time, a strange spirit broke out!

The figure, almost without any time interval, rushed towards yuan Shengtian, shining all over. Under the red and blue light, there were golden thunder!

This giant beast is Xiao Huang!

Chapter 3012

At this moment, Xiao Huang's eyes, angry, killing like the sea!

The red and blue pupils are like cold nightmares. At this moment, they want to die.

Xiaohuang naturally knows Jin tianog!

At that time, the emperor Jue mountain is Jin tianog with Ye Chen and Xiao Huang!

Xiaohuang not only knows Jin tianog, but also knows that the land under his feet is shenjizong!

Ye Chen's family!

Is Ye Chen's Guardian!

Now master Ye Chen's guard becomes so, how can he not be angry!

He regretted that he was late!

He regrets that he didn't stop him!

Now Jin tianog is so hurt that he wants the other party to bear his towering anger!

A hard hand, blue light Rune cover, hard toward yuan Shengtian, bang smash out!

Xiao Huang's sudden appearance made yuan Shengtian scared.

Especially, it's Xiao Huang who is full of evil spirit!

However, when he saw clearly Xiao Huang's slap on himself, all the fright disappeared.

He yuan Shengtian, the body is a tyrannosaurus ape with the blood of breaking God ape!

Compare strength with him?

It's just that I think my life is too long!

Yuan Shengtian roared, and his body was even bigger!

His fists were lifted, and the same day of death!

At the moment, Xiao Huang's palm is very small before yuan Shengtian's big fist!

Those powerful people who encircle and exterminate shenjizong all look scornful at this scene. Almost all of them have already seen the sudden giant beast crushed into powder by yuan Shengtian's fist!

At this moment, Xiao Huang's flashing and rolling blue light's palm collided with yuan Shengtian's giant fist!

Their bodies were in the air for a moment, then!

It's shocking to see that the eyeballs are about to burst out!

Blood stains, on top of yuan Shengtian's big fist, the wind speed diffused, as if a hill was in the process of breaking.

The next moment!

The huge fist, which contains tremendous power and seems to be able to sweep everything, is broken in front of everyone

It's really broken!

First, it was broken into pieces of flesh and blood, and then, the pieces of flesh and blood, and then into bursts of blood fog!

In the blood rush, yuan Shengtian's giant body is also flying backward quickly!

Flying towards the spaceship in the air!

Yuan Shengtian was defeated by an inexplicable beast with one move?

This is yuan Shengtian, the first God Kingdom demon emperor known for his power!

In the confrontation of strength, not only was it defeated, it was simply crushed completely!

A burst of horror, yuan Shengtian's body is extremely huge, if hit the spaceship, they will be injured, right?

But is that the end of it?

The power of Xiaohuang's attack is not over yet!

Yuan Shengtian, the fearless ape on this day, was frightened to the point where his eyes trembled and his spirit disappeared!

Why?

Because, Xiaohuang's strength, not only broke his fist, even, penetrated into his body!

The blood cracks, in his whole body above, continue to spread!

"No way! How could that be so

Yuan Shengtian roared wildly. At the next moment, his whole body fell on the spaceship like mud!

Earth shaking and mountain shaking!

Even a part of the affected warriors turned into blood fog on the spot!

This extremely frightening scene makes the world quiet!

Of course, yuan Shengtian is not dead!

He vomited blood, he was extremely painful, he just looked at the mighty beast covered with red and blue light on the sky!

As a demon emperor, he has never seen such a blood crush existence!

Countless eyes focused on Xiao Huang's body.

Xiao Huang's extremely cold eyes swept everyone!

Xiaowu and most of them can't say to them!

Because of the strange red and blue pupils!

As if a pair of eyes, the heart's infinite fear will burst out!

Even some people who are unstable in their mind fall to the ground on the spot and practice straight-line landing!

One second!

Two seconds!

In the third second, Xiao Huang suddenly moved!

He step out, it is with that bright light came to Jin tianog in front of.

An invisible force holds it up.

Xiaohuang forcefully put Jin tianog on his body.

Jin tianog's eyes are full of disbelief. It is short of breath, bleeding, and even can't say anything.

Xiaohuang's cold eyes showed a trace of good will and said in a soft voice: "don't say anything. If the master hasn't come, I'll take you back to the court." Words fall, Xiao Huang rises from the sky! In a twinkling of an eye, they came to the vast Spaceship!

"Touch!"

The ship vibrates!

An invisible air wave, just like the ten thousand Zhang waves, hit every warrior on the scene!

The only calm is kongchi!

But kongchi is really calm or false calm, no one knows!

Little yellow, red and blue pupils glanced at the crowd!

What kind of eyes are those!

The world!

Just like the real God in the world!

Even if a look can kill people, they will believe it!

"Go away."

Just a word, so spit out from the small yellow mouth.

Everyone was shocked!

Then, the one hundred thousand warriors gave up a road spontaneously!

Incomparably wide road!

At the end of the road is the dying yuan Shengtian!

"Touch!"

"Touch!"

"Touch!"

It was like the steps of death.

Xiao Huang drags Jin tianog towards yuan Shengtian slowly.

At this moment, the air is heavy.

The world is quiet!

Everyone in the room even felt like they couldn't breathe!

Who could have thought that a giant beast came to the center of the crowd so blatantly!

Fearless!

Like the king of the forest in China, strolling through the sheep!

This is absolute authority!

This is a killing intention!

Unstoppable!

The long journey ended in an instant.

Xiaohuang stood in front of yuan Shengtian with Jin tianog on his back.

Step by step close has made yuan Shengtian extremely afraid!

That huge force made him cry!

He looks in the direction of kongchi!

"Help me..."

Yes! In response to him is Kong Chi's indifference!

Yuan Shengtian knows that he has been abandoned!

He looked at Xiao Huang and said in a trembling voice, "master, I really don't know..."

However, before the words were finished, Xiao Huang's huge hand trampled on Yuan Shengtian's feet!

In an instant, the blood mist exploded.

Yuan Shengtian lost his legs!

"Are you desperate?"

The deep voice rings in Yuan Shengtian's ear!

Yuan Shengtian quickly nodded: "I am desperate! I regret it! I'll never dare! Please let me go

Xiaohuang that red and blue pupil tiny MI, after a few seconds, suddenly opened his mouth: "despair on the right."

"I want to die in despair!"

The next second, little yellow eyes circulation Rune!

An invisible hand seems to appear!

Yuan Shengtian's, and then his mouth is full of blood!

This picture is extremely familiar!

Isn't that what Yuan Shengtian did to Jin Tianog just now!

Chapter 3013

Just, this moment that invisible hand seems to be more cruel!

Because the whole world resounds with Yuan Shengtian's miserable cry!

The cry lasted ten seconds, and at last, a tearing sound resounded! Yuan Shengtian was torn in two!

Even because the power is too strong, the two halves have turned into blood fog.

At this moment, the people in the shock and horror just came back to their senses

Yuan Shengtian, dead

I was killed by the mysterious beast in front of me!

There was a chill in their souls!

The wind is coming!

Everyone in the room was shaking! In fear!

Xiao Huang raised his head and glanced at all the people present. This sweep made everyone step back three steps!

Kong Chi couldn't sit still any longer. When he stepped out, his sight fluctuated and he felt cold: "I don't care who you are! You should not be involved in this matter. If you leave, I can let go of Yuan Shengtian's death! "

Once this was said, everyone could not believe it!

Did Kongchi shrink back because of this mysterious beast?

But the next moment, Xiao Huang is smiling, his red and blue eyes staring at the hole pool, and then word by word: "what are you?"

"Today, I am going to guard the God Jizong!"

"Who dares to approach God Jizong half a step, there is no amnesty to kill!"

Threat!

A naked threat!

But it is like a huge iron inserted into the body of all the people present! Keep them from moving!

Most of the soldiers dare not step forward!

Kongchi's eyes are killing. Although he doesn't know the origin of the giant beast, he can only erase it since the other side blocks it!

Even at the cost!

"In that case, let's fight!"

"I'll hold on to this giant beast, and you'll break through shenjizong!"

At the command, countless warriors hesitated for a few seconds and did it!

We can see the status of kongchi in their hearts!

Xiao Huang's eyes are serious. She puts down Jin tianog and sends out a roar. She rushes to Kong Chi!

In fact, Xiao Huang's breakthrough has not yet been successful, but he feels that there is something wrong with shenjizong and he breaks the barrier ahead of time!

He was not sure whether he could defeat Kong Chi, but he had to fight for time for ye Chen!

Two extreme forces collide at this moment!

This time, Xiao Huang stepped back three steps!

But the hole Pool Pattern silk has not moved!

Kongchi was suspended in the sky, his hands were behind him, and he gave a smile: "are you hurt? It seems that before you were in a breakthrough, critical moment, even give up the breakthrough to enter here? Do you want to help shenjizong at all costs? What is the relationship between you and shenjizong

Little yellow silk doesn't pay attention to it, and the running Rune rushes towards kongchi again!

This time, Xiaohuang's rune is blooming with countless lights, red dazzling! It's like turning into a peerless sword and cutting towards kongchi!

Once and twice!

Xiao Huang has blood on her body!

And kongchi is not happy!

I got hurt too!

His clothes were broken, and he looked a little embarrassed!

However, although Xiao Huang is hot, he is involved in kongchi! However, it is a great disaster for shenjizong!

Countless warriors are rushing to shenjizong!

And the God extreme sect people felt the austerity which had been done before!

This giant beast alone is not enough!

Seeing that those warriors will rush into the supreme sect of God, kill and plunder everything!

Even their eyes are greedy and crazy!

Just then, the void vibrates!

A breath of the ultimate landing!

Everyone was surprised and stopped!

Just now the void vibrated and a giant beast landed, which made them fear infinitely!

What's landing again this time!

At the time when people are confused, the three figures have appeared in front of them!

One of the young men, holding a sword, stared at them like this!

The eyes, like the nine you of the Shura God of death!

"Who dares!"

A voice like that falling from the sky is so resounding!

In front of the people, in addition to Ye Chen, who else!

Originally, those who shout to remove the devil, ridicule Ye Chen is a demon spy, at this moment, a little voice, do not dare to make ah!

And ye Chen's sword in his hand pointed to the people on the spaceship and on the land, and said in a deep voice: "I am Ye Chen. I kill the devil with the sword. Those who block me will die, those who fall will not kill me!"

This burst of drinking, like thunder, exploded in people's minds. In an instant, countless people almost knelt down in front of Ye Chen and bowed their heads to admit that they were wrong!

At this time, ye Chen is simply the supreme god of war who has come from the divine world and is invincible forever!!!

What's more, ye Chen's sentence of killing the devil with a sword makes everyone's mind shake!Killing demons with swords

A lot of people have responded! If ye Chen is not a demon spy

In other words, Wanfa Zong and Shenmeng, who provoked the invasion, may have betrayed to the demons!

But Jin tianog looked at Ye Chen, and in his eyes, there was a touch of excitement. He felt guilty and remorseful and said, "my subordinates are incompetent and can't protect the master's clan."

When ye Chen's sword was drawn, he directly chopped the part of the iron stick left on Jin tianog into nothingness. His eyes sincerely said to Jin tianog, "Xiaojin, you have done a good job."

This simple sentence, but as if, let Jin tianog reborn in general!

Get up from the ground, almost keep fighting!

However, ye Chen stopped him and turned a pill mixed with his blood into Jin tianog, Qingdi and three kings of the human race.

In the distance, the battle between Xiaohuang and kongchi stopped because of the arrival of Ye Chen!

And, a red and blue light, just like a giant beast with two flames, the beast of countless people's nightmares! In this way, in full view of the public down to Ye Chen's side!

People wonder and wonder!

Is this beast going to attack Ye Chen?

Is this beast good or bad?

In the confusion of the people, a very strange scene appeared!

That innumerable person's nightmare thus came to Ye Chen's side, half kneeling down, the huge head actually rubs Ye Chen's thigh!

It's like courting!

This visual impact, the difference between the giant beast before and after, even makes people suspect that it is a dream!

This mysterious and powerful beast is Ye Chen's pet?

How could this be possible!

Ye Chen's eyes and eyes were gentle. He reached out and touched Xiao Huang. He was quite excited and said, "Xiao Huang, thank you."

Along the way, the importance of Xiaohuang is self-evident!

At the critical moment, Xiao Huang gave him too much security!

Xiao Huang hears Ye Chen's voice and also sends out a roar of beast, as if in response!

"You still have a wound. I'll take it next."

Ye Chen pats Xiaohuang's head, and Xiaohuang stands behind Ye Chen quite cleverly.

At the moment, ye Chen's eyes changed, and he looked at the martial arts of the six countries, especially Tian Feiming, Feng Shaoyu, Ge Shan and others!

In the eyes, the killing intention is boiling!

Other people who are instigated and lost by greed may spare their lives, but these people must die!!!

If it had not been for the doomsday, ye Chen would have killed all the 100000 people who did not stay. However, it is not possible now.

Chapter 3014

If he did, he would have wiped out the top warriors of the six kingdoms and greatly weakened the strength of the Terrans!

In the end, only those extraterritorial demons will benefit!

Feng Shaoyu, Tian Feiming and others are all thrilled

However, at the next moment, Feng Shaoyu is biting his teeth and flashing a bitter color in his eyes!

This is the last chance to revenge Ye Chen!

He roared at Ye Chen: "Ye Chen! What can you be arrogant about? Your strength is only gained by taking refuge in the demons! "

Then, he appeared a touch of sarcasm on his face and said: "ha ha, but your life is over. Ye Chen, even if you sell your soul, you can't be the opponent of so many strong people, right? Hehe, it's just bluffing! "

Tian Feiming and Yu Qian, the most powerful of the divine kingdoms, are all full of spiritual power when they look at each other. Facing Ye Chen, these people actually want to join hands to fight against one another!

At this time, Feng Shaoyu and the most powerful deities all looked gloomy. When things got to this point, they had to kill Ye Chen to survive!

Ye Chen who let go, will not let them these people who provoked the invasion?

Therefore, ye Chen must die!

At this time, they have completely ignored whether ye Chen is a demon spy. What they want is how to save their lives!

But at this time, a woman appeared in front of Feng Shaoyu's body. Then, she raised her hand and slapped her face to fan it!

"Pa" of a big ring, this record loud slap in the face, let everyone is slightly a stay.

This daughter, is the cloud purple English!

She looked at the stagnant Feng Shaoyu and others coldly, and said in a cold voice, "fengshaoyu, you should be sober up!"

"Demon spy?" Cloud Ziying said with a cold smile, "if ye Chen is a demon spy, can you still live to now?"

At the same time, she said to the old master of Chuang Tzu, not knowing how to reply

"On the contrary, you suspect that ye Chen, who still gave you a way of life under your provocation and rudeness? Feng Shaoyu, are you a pig? I see, even pigs are smarter than you! You are just a fool blinded by revenge

Said, actually is without hesitation, toward Ye Chen flies!

A group of warriors on the spaceship seemed to be awakened by the words of yunziying.

Yeah

If ye Chen is a demon spy, there are too many doubts

These people's conscience, until now finally discovered!

They look at me and I look at you. Finally, most of the 100000 warriors are going towards Ye Chen!

In their hearts, there is only one idea

Even if they again scum, no matter how shameless, they can not really betray the Terran, and evil spies, right?

But Ge Shan, Tian Feiming, Feng Shaoyu and others, their faces are hard to see and can't be described

One by one, they look at Ye Chen with trembling eyes

How could this happen?

Why, ye Chen appears, with a word, let the whole situation completely reversed ah!

Feng Shaoyu, Tian Feiming and Ge Shan all roared: "you come back! Don't be deceived by this boy and this slut

However, those warriors were not moved. No matter how stupid they were, they also understood that the real spies of the demon clan were wanfazong and Geshan!

At this time, Kong Chi, who was wounded in the battle with Xiao Huang, finally moved. His body flashed and appeared in front of Feng Shaoyu and others, overlooking Ye Chen on the ground.

Feng Shaoyu, Tian Feiming and others are all showing a happy look on their faces!

Feng Shaoyu said in a hurry: "Master Kong, this boy is here to bewitch the public? Now, please tell us, are you a demon spy? "

He knew that kongchi's strength was incomparably strong. As long as kongchi opened his mouth, he might be able to save people's hearts!

At the next moment, Kong Chi said faintly, "yes, I've joined the demon clan."

The whole world seems to be in a dead silence

Kongchi, admit it?

Feng Shaoyu, the most powerful of the divine Kingdom, looked at Kong Chi in disbelief.

Kongchi looked at Xiangfeng Shaoyu and said with a faint smile: "what's the matter? You don't really think that I'm here to attack the demon spies, do you? In that case, it would be pitifully stupid. "

"You

Feng Shaoyu and others are about to say something.

However, without waiting for them to speak, a terrible evil spirit has already risen from the sky!

Kongchi's body shape is actually in the evil spirit, instantly twisted, turned into a ferocious demon family with purple skin all over the body!

He casually stretched out his hand, the next moment, that arm, then pierced Feng Shaoyu's chest, took out his heart. Feng Shaoyu's eyes trembled, then turned into a pool of blood, into kongchi's body.

On kongchi's face, a satisfied color appeared and said: "ha ha, stupid human beings originally intended to swallow up all of you after exterminating the God Jizong. It seems that it will be ahead of time now."

Tian Feiming, Ge Shan and others, look at each other, eyes are flashing a touch of horror!

Kong Chi, just said All?

Does it include them!!

All of a sudden, several deep purple tentacles stretched out from kongchi's body, and instantly penetrated into Tian Feiming, Ge Shan, the most powerful bodies of the major divine kingdoms. Several people screamed and turned into bloody water and were swallowed up by kongchi!

All of them trembled!

Kongchi, incarnated as a demon, is so horrible that it is suffocating!

These strong people, as well as the most powerful countries, are just like snacks in front of kongchi!

Only Ye Chen looks the same.

However, his eyes also flashed a dignified color!

Kongchi's strength is very strong!

Although Xiao Huang and Kong Chi exchange injuries for injuries! But now the hole pool is dangerous enough!

He must not be taken lightly!

Even with the help of the power of the reincarnation cemetery!

"Don't kill the Dragon Emperor, are you willing to kill the devil?"

Ye Chen asked.

A brief silence.

A voice suddenly sounded from the samsara Cemetery: "good."

A simple word gives Ye Chen great confidence!

At the moment, Kong Chi said with a cold smile: "Ye Chen, you killed my grandson, can you make up for me?"

Ye Chen said faintly, "Oh? Do you want to avenge Confucius? "

Even if it is transformed by human beings, it is no longer human.

Kongchi was stunned at the speech, then he laughed and said, "revenge? Are you kidding? You know, the feeling of swallowing the host's relatives and friends is the most exciting and satisfying. You let me lose this pleasure. Then, when I swallow you, I must not be disappointed! "

When ye Chen heard the speech, a smile appeared on his face and said, "is that right? Then I hope that when I absorb the purple cloud stone in your body, you will not let me down

Chapter 3015

Originally, Kong Chi, who was extremely arrogant and tyrannical, looked at Ye Chen in a fright after hearing the three words of zixiaoshi. At the next moment, he looked at Ye Chen with incomparable astonishment and roared: "shut up! You mean human, shut up

He seems to have been stabbed to the point of pain, and will lose his mind!

The one who is most hated by Zixiao stone is outside the heaven!

And at this time, ye Chen hands!

The reason why he wanted to stir up kongchi was to seize each other's flaws and take the lead!

One sword!

With the meaning of Zhenwu, with the destruction of Shinto, with infinite power, beyond the ultimate sword!

On the body of the sword, there is even a golden dragon!

This is the power of the Immortal Dragon Emperor!

Bumielong emperor did not choose to control Ye Chen's body, but covered Ye Chen's whole body with the power of divinity!

Ye Chen's breath and cultivation are climbing at this moment!

Incredible climb!

This sword is the most perfect sword Ye Chen can achieve now!

The sharp sword light will split the whole void in an instant!

Originally, Kong Chi, who was still furious, instantly calmed down. A pair of purple eyes looked at Ye Chen in disbelief, and a purple sword appeared in his hand.

Kong Chi's whole body was full of evil Qi. He poured into the long sword crazily. He drank hard and cut off with one sword!

This sword not only has Kong Chi's martial arts cultivation, but also contains the ancient demons' martial arts!

With kongchi's strength, it has the power to destroy the heaven and the earth!

The power of this sword is enough to turn countless powerful people into dust!

Unfortunately, he was injured, seriously injured by the mysterious beast.

Otherwise, this sword will be stronger!

At the next moment, ye Chen's sword of destruction collides with Kong Chi's supreme sword light!

There is no imagined loud noise, aftershock, the two people's attack, actually are condensed to the point that even fluctuation, voice will not be issued!

People's hearts, are incomparably nervous!

If ye Chen doesn't defeat kongchi, not only they will die. I'm afraid that none of the warriors of the seven kingdoms of gods will be able to compete with him?

In a flash, ye Chen's sword light and Kong Chi's sword light are at the same time, and belong to the extinction.

The only existence is a strange dragon shadow!

People are stunned, is it a draw?

And how can there be dragon shadow?

Ye Chen and Kong Chi do not have dragon skills!

Yes!

At this time, Kong Chi's dark purple arm holding the sword fell directly from his shoulder!

His arm was cut off by Ye Chen's sword!

In kongchi's eyes, a trace of fear flashed. Ye Chen's sword, the cut wound, actually possessed a kind of power that could not make his body reborn!

Even with the vitality of the demon clan, his arm will not grow out!

The key is why the power just now has dragon shadow!

It's like the power of the nine heaven dragon hall!

Ye Chen's eyes flashed with joy, and his body moved. He instantly appeared in front of Kong Chi's body. Since this sword has taken the lead, he doesn't want to give Kong Chi a chance to breathe!

Although his strength is strong, he is still a lot worse than this kind of strong one. Therefore, ye Chen can not be relaxed in this war!

On the long sword, the spirit of destruction and the dragon's shadow are surging. This is also his biggest dependence on Kong Chi!

But at this time, the voice of the Immortal Dragon Emperor suddenly rang out in Ye Chen's mind: "be careful!"

"Well?" Ye Chen looks a change, suddenly toward one side flash, but, still slow!

A purple light, instantly from behind, pierced Ye Chen's chest!

Ye Chen's pupil shrinks, and the purple light is actually the sword that just fell with the arm of kongchi!

How could it be!

Kong Chi said with a cold smile, "do you think that we can't make swords without hands?"

Ye Chen glanced at the end of the sword, which was connected with a purple tentacle!

This kongchi actually cut out this sword with his tentacle!

Ye Chen cuts off the tentacle with a fierce sword. Although this sword is strong, it is nothing to bear with his body of heavenly demon and reincarnation blood.

But kongchi broke an arm and a tentacle, but he was still a pair of indifferent appearance!

At the next moment, a burst of evil Qi surged up, and behind kongchi, like a peacock opening its screen, stretched out a tentacle!

This horrible, disgusting scene, almost all people's eyes, shocked ah!

How many tentacles are there?

Enough, thousands?

Moreover, on each tentacle, there is a sword full of evil spirit!

Ye Chen's vitality, no matter how strong, can't resist thousands of swords, right? Tu Lanxin, Chu Ying, Yin Ming and other women, as well as Yu Zhenzi and Yang Chiyuan, are too nervous to breathe!

However, at this level of fighting, they can not intervene at all!

Otherwise, if they give their lives and create a silk edge for ye Chen, they will not hesitate to do so!

Although Xiao Huang wants to make a move, he still hesitates!

He followed Ye Chen all the way, knowing that ye Chen experienced life and death.

It's not right for him to do it now!

Kong Chi said with a smile: "boy, you are really strong, and you don't know why you have the power of the dragon clan. Unfortunately, you can't kill me.

However, if you are willing to surrender and join the demon clan, can your strength go further? Boy, the kingdom of God is over and there is no hope. Joining the demon clan is your only chance to live! "

The warriors of the six kingdoms could not help swallowing a mouthful of saliva. If ye Chen really joined the demon clan, they would die to death

"Live?"

Ye Chen hears the speech, but looks at Kong Chi without expression and says: "if Kong Chi's consciousness still exists, I would like to ask him if he still feels alive?"

Kong Chi's eyes flashed and he snorted coldly: "boy, I thought you would be smarter. Since you are so stupid, then go to die!"

He suddenly low drink a way: "ten thousand methods return to the clan, all swords cut mystery!"

At the next moment, ten thousand swords will move and cut out at the same time!

That tens of thousands of purple sword light, turned into a sea of swords, overwhelming, toward Ye Chen, surging away!

But ye Chen, facing this ten thousand sword one blow, actually did not have the slightest intention to retreat!

Ha ha

How about more tentacles?

One sword can't be cut off completely. It's OK to make a thousand swords and ten thousand swords?

The dark sword in Ye Chen's hand suddenly dances, and the whole person, accompanied by the sword light, faces the sea of sword light, and goes up against the current!

There is no shocking sound, no aftershock, but the scene in front of us is incomparable, shaking the hearts of people!

Once, again, again!

Ye Chen's body is constantly pierced by Kong Chi's hands!

Once, again, again!

Chapter 3016

Most people think ye Chen is going to fall

But!

In front of him, the man stood all the time, and even, against the impact of the ten thousand swords, he stepped forward step by step towards kongchi!

Every step, forward, there must be a tentacle, broken under Ye Chen's sword!

The back, which was covered with blood and in the turbulent sword light, was like a hot iron, deeply imprinted in the depths of their souls!

Some of the warriors of the six countries surrendered just to save their lives, some surrendered just for the last trace of conscience, and some surrendered just because they were afraid to follow others!

But this moment!

They looked at Ye Chen's back, but their eyes gradually became bright

What they saw in that figure was

Human dignity!

A stream of hot blood, surging in their bodies, instantly poured into the brain!

"Ah, ah, ah, ah, ah!"

One hundred thousand martial artists, unexpectedly, coincidentally, under the stimulation of Ye Chen's back, he sent out a thunderous roar!

Human dignity, that is the glory worthy of their lives!

Ye Chen, ignited their fighting spirit with action!

At this time, Kong Chi, who was originally indifferent, couldn't laugh anymore

Why, ye Chen has not fallen?

His purple eyes trembled wildly. At this time, ye Chen was covered with blood holes, and countless long swords were inserted into his body

However, ye Chen is still moving forward!

Suddenly, kongchi found that all his tentacles had disappeared!

And ye Chen, also came to him!

"No way!"

Kongchi roared in panic!

"How can human beings, a lower race, be the rival of the demons! No way, this is an illusion

The only hand he had left, he held a long sword and chopped it hard at Ye Chen.

"Die! Die for me! Humble man! Die to me

Ye Chen light way: "humble, not human."

"Kong Chi, humble, it's you!"

The next moment, the sword flash!

A ferocious purple head, when the head and fall, blood flowing!

Heaven devil kongchi, die!!!

With Kong Chi's death, ye Chen shows a smile of relief.

Then he fell.

He fell down heavily.

He is too tired.

This time, although with the help of the Immortal Dragon Emperor's power, but still across the limit.

And when ye Chen was about to fall, a red and blue light flashed by!

Xiao Huang holds Ye Chen and flies in a direction.

The world of repression, burst out suddenly at this moment!

Countless warriors shout!

Only because someone got back their honor!

Temporarily alleviated the crisis of the Seven Kingdoms!

That man's name is Ye Chen!

The scenes of today's development are destined to live forever and can not be erased in people's memory!

.....

A few hours later.

There is a secret room which has not been damaged in the depth of God Jizong.

Ye Chen wakes up, in his hand, holding a purple crystal stone, it is Zixiao stone.

This is what he got after he killed Kong Chi.

The existence of pore pool is special.

At this time, ye Chen is deeply frowned, because this time, he witnessed the appearance of the strange vortex!

After experiencing it personally, he can be sure that what is sent out in the whirlpool is the martial spirit from the upper world and the outside world!

After a moment, ye Chen shakes his head and swallows Zixiao stone into the mouth.

Now, no matter how much you want, it's useless!

The key is to enhance our own strength and then upgrade it!

As long as the strength is strong enough, even if the strong people in the upper world come, like Xuan Ji, what will happen?

To suppress by force is!

He even had a premonition that Xuanji's death would eventually be reflected by the queen in the upper world.

At that time, I'm afraid it will not be weaker than the disaster of extermination.

.....

Upper bound, a grand palace.

There was silence in the hall.

A graceful and graceful woman in golden dress sits on a chair with dragons and Phoenix dancing.

All over her body, there are ancient rules shining. Her eyes are open and closed. If the Star River is dead, the majestic majesty is surging out, which is shocking.

This woman is the ruler of the upper world. She is the queen of the world, xuanjiyue!

Click!

Suddenly, a jade card of life and soul emerged from the void, burst instantly and fell to the ground.

On the jade plate, there are two words clearly printed: Xuanji!

"Xuanji is dead?"

Xuanji moon beauty eyes slightly open, a burst of shock.

Previously, she sent Xuan Ji to Shenguo to investigate the causes and effects of reincarnation star flame, Xia Ruoxue, and Xuelong.

With Xuanji's strength and her imperial seal, it is reasonable to say that there will be no accident.

But now Xuanji is dead.

"Who killed her?"

Xuanjiyue is furious. In the upper world, although Xuanji is only a small person, she is after all a servant under her command. However, someone dares to kill Xuanji. This is a blasphemy to challenge her majesty as the empress.

Hiss!

Xuanjiyue flicks her finger and pops up a silver crystal awn, mixed with wisps of law aura, which runs through the void layer by layer, trying to spy on the cause and effect.

Boom!

But all of a sudden, a strong anti shock force came suddenly.

The crystal light she released was crushed in an instant.

Even, she herself also suffered a trace of reverse, the chest Qi and blood churning.

"Kingdom of God, something happened!"

Xuanji moon beauty eyes a change, suddenly realized that the kingdom of God had an accident.

There must be a giant sitting in the seat, with supernatural powers, shielding her from prying, so that she can not see through the fate of cause and effect.

"Xuanqing."

Xuanji moon calmed down and sent out her cold voice.

"Your Majesty, Xuanqing is here."

The void is torn, and a woman in black emerges with a Epee on her back.

Her appearance and dress up are somewhat similar to Xuanji, and she is obviously the bodyguard of xuanjiyue.

"You go to the kingdom of God to investigate the cause of Xuanji's death, the culprit of refining the reincarnation star flame and the cause and effect of the blood dragon."

Xuanjiyue opened her mouth slowly, with supreme dignity.

Now her thoughts could not be transmitted to the kingdom of God, so she had to send people to investigate.

"Yes, I do."

Xuanqing Gongsheng takes orders and turns to leave.

"Be careful, don't do it carelessly. Your purpose is to investigate the cause and effect."

Xuanjiyue tells her that she doesn't want Xuanqing to repeat Xuanji's mistakes.

"Yes."

Xuanqing should a sound, Jiao body dissipated in the void.

.....

At the entrance of the kingdom of God, Xuanqing has not yet appeared, but the two figures have come in advance.

The two figures, one of which has a vague chance, is permeated with the breath of vast and supreme laws, and the other is an old immortal bone with Taoist runes lingering on his body.

If ye Chen was here, he would be able to recognize it.

These two people are Ren Feifan's real body and his mysterious grandfather who has already died in China!

They are all the planners of this ancient chess game!

They looked at each other, did not say anything, but stood with negative hands, as if waiting for something.

Soon, the void is torn, and a sword girl in black emerges, which is Xuanqing.

Chapter 3017

"The mole ants of the upper bound are still here."

Ren Fanfan sees the sword girl in black, her eyes squint slightly, and she can't see the expression.

This sword girl in black is Xuanqing!

"Girl, go back. This is not where you come from."

Ye Chen's grandfather narrowed his eyes and advised with warm voice.

Obviously, both of them sensed the breath of the upper world and knew that someone was coming, so they came to the entrance of the kingdom of God in advance and stopped them.

"Two elders."

Xuanqing was surprised and didn't expect anyone to be here.

She looked at Ren extraordinary, and then looked at the old man, only to feel that these two people, breath majestic, magnificent to unimaginable extent.

In front of them, she was as small as a mole ant.

It seems that there is no royal family.

"On the order of the queen, I have come here to investigate the cause and effect. I have no intention of disturbing the order of the kingdom of God. Please let me go."

Xuanqing arched his hands, and his lips opened gently. His courtesy was very considerate.

She also felt that the old man in front of Ren Fanhe was too powerful. There was no doubt that, like her majesty, they were taboo like existence and could not be resisted by her.

"Girl, I repeat, go back, you have no right to refuse."

Ye Chen's grandfather stood with his hands in his eyes.

"If you really refuse to be accommodating, the younger generation will have to offend you."

Xuanqing beautiful eyes a cold, slowly pulled out the Epee behind her.

In terms of strength, she is far better than the former extraordinary and ye Chen's grandfather.

However, she has a noble family in the upper world and holds the law of the upper world. With the power of the law, she may be able to shake Ren extraordinary two people.

What's more, she was ordered to come here. If she couldn't find out anything and went back to the upper bound, xuanjiyue would definitely punish her severely. She didn't dare to bear it.

Boom!

Strike first.

Xuanqing holds the Epee tightly, fiercely explodes to kill, straight cuts Ren extraordinary two people.

Hum!

A series of strange dark rules exploded on her sword, and the smell of terror and corrosion almost crushed the void and destroyed everything.

"Bury the heaven and destroy the soul, corrode the law, break it!"

Xuanqing a Jiao drink, sword light such as prison, go forward.

What broke out on her sword was the unique law of corrosion in the upper world, which was very powerful.

At the beginning, Chongguang emperor's body would collapse and decay under the erosion of the law of corrosion. We can imagine how powerful the law of corrosion is, even the body of the God Emperor can be erased.

However, looking at Xuanqing's terrible sword, Ren Feifan and ye Chen's grandfather are indifferent.

Even, there was a trace of compassion in their eyes.

Ren Feifan is still standing with negative hand, without a hand.

"Definitely!"

And ye Chen's grandfather, slowly stretched out a finger, the ancient law wave, with the ancient Hongmeng breath, formed a layer of iron wall.

Bang!

Xuanqing cut down with a sword and was directly blocked by Hongmeng iron wall.

The huge anti shock force shook her back more than ten steps.

The power of law, which is enough to corrode the planet and destroy the God Emperor, has no effect on this layer of iron wall.

"Girl, your obsession is too heavy. I can't keep you any more."

Ye Chen's voice was solemn, and his old eyes burst out with killing intention. Then he pointed out that a Rune of Hongmeng came down, like a god like a devil, and fell on Xuanqing.

Xuanqing eyes shrink, suddenly feel the body empty, and then nothing to know, the world in front of the dark.

At the moment of Hongmeng Rune falling down, her body directly turned into powder, and her form and spirit were destroyed and completely dissipated between heaven and earth.

Click!

The jade plate of life and soul with Xuanqing's name on it burst in front of xuanjiyue.

"Xuanqing is dead, too?"

Xuanji Yuemei eyes startled, the whole body emperor Qi slightly fluctuated, deeply moved.

She has just sent Xuanqing, and there is no time before and after a stick of incense, but Xuanqing has completely fallen.

Obviously, the kingdom of God is guarded by the strong.

There is no doubt that it is not the general strong!

Only the ancient strong, the existence of the kingdom of God, can have such a strong strength, without any effort, directly crush Xuanqing, just like a mole ant.

This is a little more threatening.

Strike the mountain and shake the tiger!

The purpose of killing Xuanqing is to warn her that xuanjiyue should not go too far.

"It's kind of interesting."

Xuanji's beautiful eyes twinkled, thinking about what.

"I control all sides and threaten everything. Will you still frighten me?"

Xuanjiyue stood up from her seat, her eyes full of law and energy, penetrating the void, and her throat uttered an ancient voice "Heaven and earth, reborn forever, rise!"

Boom!

The moment when Xuan Jiyue's voice falls.

The first Kingdom, deep in the mountains.

An old sarcophagus vibrated in vain.

Bang!

Then, the sarcophagus opened and a graceful and graceful woman stood up slowly.

this woman looks as like as two peas!

It's a part of her!

The breath on the body is full of the majesty of the gods and has the strength of the four layers of the heaven.

Limited by the rules of the kingdom of God, the power of this separation is far from comparable to that of the real body of Xuanji moon. However, the four layers of heaven in the heaven and God realm are not weak enough to help her investigate everything.

"Fortunately, after killing the reincarnation Lord, I left a dirty soil in the kingdom of God. Today I wake up and investigate the cause and effect for me."

In the palace of the upper Kingdom, Xuanji moon gasps and her chest waves rise and fall.

She has just used the anti heaven technique to break through the limit of the boundary wall and awaken the dirty earth. She also spent a lot of strength.

The first God Kingdom, xuanjiyue's dirty soil awakes, lotus step moves gently, and slowly walks out of the deep mountain.

"Blood dragon and that girl, dare to offend my dignity, I will make you pay the price."

Xuanji's eyes are cold.

Although she was dirty, she had all the memory of her real body and knew her mission at the moment of awakening.

.....

The first Kingdom, the valley of samsara.

A woman with beautiful skin and beautiful face is in the process of cultivation.

On her body, countless auras linger, floating like the goddess of heaven, and her eyebrows twinkle with incomparably bright light, which is Ji Siqing.

Boom!

All of a sudden, Ji Siqing opened her eyes, and her aura was surging. It turned out to be a series of runes of the laws of the gods, such as flying butterflies, which haunted her delicate body and kept spinning and dancing.

Her realm, actually broke through to the heaven God realm!

The endless runes of the law of heaven and God are constantly flying. The power of Taoism is like a chain of flying swords. It roars up into the sky, tearing up the clouds in the sky and seems to shake the sun and moon in the void.

At this time, Ji Siqing's breath is extremely strong. Compared with the ordinary masters in the celestial realm, I don't know how many times stronger he is.

In her previous life, she was the legendary female martial god song Shen Yan.

At this moment, when we break through the realm of heaven and God, part of the memory of the previous life will also wake up.

Chapter 3018

Whoa!

Ji Siqing's delicate body immediately exudes an ancient sense of war.

This is the fighting spirit of the female warrior God!

Grand, majestic, powerful, crushing everything!

"The sky has changed..."

Ji Siqing has deep eyes and looks far away.

At the moment when Xuanji and yueloutu separate and wake up, she catches the danger of heaven and all kinds of ominous omens come.

"I don't know what kind of danger lies behind such a natural fate."

Ji Si, with a delicate eyebrow and a trace of reincarnation, wants to deduce the cause and effect behind it.

However, with the boundless mystery, she could not pry into anything.

All she knew was that the crisis was coming, and it seemed to have something to do with the upper world.

However, she did not know that xuanjiyue awakened the filth.

The source of this crisis is the queen of the upper world, xuanjiyue!

"Congratulations to my ancestors, and finally preach to God!"

An old man came out, respectful and joyful. It was Qu Xueyong, the master of the Qu family.

"The great danger is coming. Let's go and find out with me."

Ji Si is pure and beautiful, her eyes are solemn, and there is no nonsense. She tears the void with her slender hands, and she directly takes Qu Xueyong to look for the crisis.

At this time, xuanjiyue covered her face with a veil and came to zhuhanzong, the closest to the first divine kingdom.

This zhuhanzong, a first-class sect, also occupies a place in the kingdom of gods.

"Stop, who are you? Name it."

The two mountain guarding disciples of zhuhanzong stopped xuanjiyue's step and asked aloud.

"Little girl Xuan Qingyue."

Xuanji moon beautiful eyes flow, gently spit sound.

She didn't give her real name. After all, Xuanji moon has three characters, which is very important to heaven and earth. If she gives her real name, Tianfa Xuanji will be caught by the designer behind her in an instant, causing endless trouble.

Therefore, she simply changed her name to xuanqingyue.

"Zhuhanzong is the important place of the mountain gate. People who are not allowed to get close to it. Please go back."

The two mountain guards were not released.

Xuanji moon covered her face with light gauze, but she was graceful and graceful with elegant eyes. She had an extraordinary bearing. These two mountain guards just stopped her. They didn't do anything too much and didn't do anything.

"Oh."

Xuanjiyue gently responded, but did not turn around to leave. Suddenly, a huge killing opportunity broke out in her eyes. With a wave of her slender hand, a divine law turned into a flying sword, and she turned into a flying sword.

"You

When the two mountain guarding disciples saw that the flying sword of the law had been killed, they were immediately shocked.

I didn't expect that the woman in front of her was actually an expert in the heaven God realm.

They didn't react at all. When they hit the blade, they immediately splattered with blood and became two cold corpses.

Xuanjiyue's eyes were indifferent, without any fluctuation, and she stepped into zhuhanzong Mountain Gate.

"Enemy attack!"

"Someone killed up the mountain!"

Zhu hanzong, sounded the warning sound.

Many elite disciples roared out one after another, sacrificing the magic power of flying sword and killing Xiang Jiyue.

"A group of ants."

Xuanji moon has a strong breath. Her fingers are bent and her fingers are bent. She can shoot according to the law of the gods. She is like a flying sword, a shell, a meteor. She is brilliant and murderous.

Puff!

Puff!

Puff!

One after another, the body was killed by her law, and instantly her body was broken and killed.

In front of her majesty, flesh and blood were more fragile than paper, and no one could stop her.

Blood is pouring into the sky.

Murderous.

The whole zhuhanzong fell into a bloody storm.

Xuanji's body was like glass, spotless, and the blood splashed around her did not defile her dress.

Her whole person, bright and clean as the moon, vast as the starry sky, majestic graceful, elegant demeanor.

Soon, xuanjiyue killed the zhuhanzong hall.

And behind her, dense, piled up with bodies.

Su Guanghan, the leader of the Han clan, and many elder Dharma protectors are in the hall.

They also saw the bloody picture outside, and everyone was shocked.

Xuanjiyue was too quick to kill people like cutting grass. They didn't react at all. Many elite disciples were ruined.

At this moment, xuanjiyue is standing in the center of the hall. Her breath is magnificent and magnificent, like the starry sky in the universe, shaking everyone's mind.

There is no lack of experts in zhuhanzong.

Su Guanghan, the patriarch, is a master of the heaven.

But in the face of xuanjiyue, everyone was shocked and did not dare to start.

Although xuanjiyue is just a dirty soil, she has the strength of four layers of heaven, far surpassing Su Guanghan and crushing the whole zhuhanzong. "Su Guanghan, the villain, is the master of the Han clan. I don't know how to offend you."

Su Guang shivered and trembled and asked.

"You didn't offend me. I just want to ask you something."

Xuanji moon stares at Su Guanghan with a light way.

"What do you want to ask?"

Su Guanghan lowered his head and did not dare to look directly into xuanjiyue's eyes.

Many old Dharma protectors around him are also full of atmosphere and dare not breathe. They secretly speculate on the origin of Xuanji moon.

"What has happened recently in your kingdom of God?"

"Heavenly way palace, what's the action?"

"A blood dragon, have you ever heard of it?"

Xuanjiyue slowly opened her mouth, with many questions in her heart. She just wanted to investigate the cause and effect truth.

"Recent events in the kingdom of God..."

Su Guanghan is slightly stunned and looks at each other with the elder Dharma protectors around him. Unexpectedly, xuanjiyue asks such questions.

As long as people in the kingdom of God are aware of the recent events in the kingdom of God.

But Xuan Ji Yue is ignorant.

Where did she come from?

Su Guanghan did not dare to speculate, but said in a hurry: "reply to your excellency, recently, many great things have happened in our kingdom of God. Many giants of Tiandao palace besieged the place of Juye and wanted to kill the Ye family. As a result, they were killed by the Ye family."

Xuanjiyue's eyes shrunk slightly.

Su Guanghan then said: "at present, no one knows where ye's family is hiding. There are nine Heavenly Dragon halls, and great events have taken place. I heard that there was a superior family coming. I don't know what the final result is. I only know that the heavenly way palace has damaged twelve elders."

"The Dragon God is mysteriously missing in the hot sky, and the heavenly way palace is also looking for it."

"By the way, not long ago, the six kingdoms besieged the seventh kingdom, and ye Chen of shenjizong turned the tide and shook the sky! Kill kongchi, the traitor of the first Kingdom of God

"Ye Chen's cultivation is far from reaching the level of heaven and God. He has to cut through nine levels of adversity, but his strength is so strong that he is against the heaven. I'm afraid you..."

"Ha ha, you want to say, I also can't beat Ye Chen?"

Xuanjiyue smiles softly. She has the strength of the four layers of heaven and God realm. It is not easy to kill one of the nine layers of heaven?

"No, it's not."

Su Guanghan shuddered and said: "it's just Ye Chen, that boy. You can't underestimate him. If you see him later, you must be careful."

Chapter 3019

"Well, I see."

Xuanjiyue nodded slightly. Her eyes were like a thousand year old ice lake. No one knew what she was thinking.

"Thank you so much for telling me that I'm leaving. Please keep it a secret and don't reveal my trace to anyone else."

Xuanjiyue smiles and turns away.

Seeing that she was going to leave, Su Guanghan immediately breathed a sigh of relief, and even said, "please rest assured, the whole family of villains will be tight lipped."

Many elder Dharma protectors are also relieved and sweating profusely.

This time, Zhu hanzong lost a lot. I don't know how many disciples died.

Fortunately, there were no casualties among these high-ranking figures, and they would be able to revitalize the clan at any time in the future.

Now the witch head is finally leaving, and everyone is relaxed.

Suddenly, xuanjiyue stood still and slowly turned back.

Clunk!

Su Guanghan's heart beat hard and asked in a hurry, "what's your order?"

Xuanjiyue said with a smile, "I'm sorry, I think about it. Only the dead can keep a secret forever."

With that, xuanjiyue's eyes showed a strong killing opportunity. With a wave of her slender hand, countless divinity rule runes turned into an incomparable crystal awn, and with the momentum throughout the universe, she fiercely exploded and killed.

Boom!

Su Guanghan's body burst in an instant under the influence of jingmang. His body and spirit were destroyed, and there was no room for resistance.

The gap between him and xuanjiyue is too big.

Directly killed by seconds!

Whoa!

When the crystal light vibrates, countless runes of laws fly out, like flying swords and crossbows. They kill the elders around and protect the Dharma.

"Run

They cried out in dismay, and tried to tear up the void and flee.

"Stay."

Xuanjiyue uttered her voice gently and swept her sleeves. She felt a tremendous pressure from the gods. As the sun and the moon came, she roared and killed the audience directly.

All the elders in the hall were killed alive.

All the remaining disciples and servants of zhuhan sect burst out, bleeding from their seven orifices, and lost their vitality in an instant.

In the blink of an eye, Zhu hanzong was completely washed with blood, leaving no living mouth.

Boom! Boom! Boom!

Zhu hanzong's palaces, buildings, pavilions, courtyards, and all the buildings collapsed and collapsed under the pressure of xuanjiyue.

And xuanjiyue, spotless, stands in the center of the ruins, brilliant, vast and magnificent, like the sun, moon and stars, swallowing the sky and earth.

"Ye Chen, the nine heaven dragon hall, the Dragon God disappeared in the hot sky..."

Xuanjiyue pinches her fingers with a slender hand. Based on the information just provided by Su Guanghan, she constantly deduces and calculates the hidden cause and effect mystery behind it.

For a long time, she probably pushed the show.

What we can see at present is only the surface.

But on the surface, the news is rich enough.

Xuanjiyue flies across a secluded place and sits cross legged. She takes out a jade pendant and pinches it with a delicate hand. The jade pendant is full of Taoist spirit. Gradually, it becomes a virtual shadow of a phoenix with half head, and cries with high head. It is more and more startling.

As long as there is enough time, she can use this method to transmit information to the upper world!

All she has to do now is wait!

Wait for the Phoenix to condense completely!

Of course, it will cost her a lot of strength!

After three hours, the Phoenix finally made it!

Xuanjiyue also gently exhaled a mouthpiece:

"go back and tell me my real body and the causes and effects of the kingdom of God."

Xuanjiyue murmured softly, holding the formula with a delicate hand, and imprinted all kinds of causal information on the jade pendant.

"Oh!"

The Phoenix looks up to the sky and flies up to the sky with the jade pendant.

Xuanjiyue narrowed her eyes slightly. Because of the limitation of the boundary wall, she was separated from the real body and could not share the memory with the real body of the upper world. Therefore, she wanted to use the Phoenix jade pendant to send a message to the upper bound of everything she had investigated.

Seeing the phoenix flying into the sky, it is necessary to break through the barrier of the boundary wall, but suddenly, a strong will, with the ancient Hongmeng flavor, evolved into a sky thunder, mercilessly cut down.

Boom!

The whole Phoenix shadow was split into nothingness in an instant.

And that piece of jade pendant, also completely disintegrated, reduced to powder.

"Damn it!"

Xuanjiyue saw this scene, her body suddenly vibrated, her teeth biting her lips, and her beautiful eyes showed anger and surprise.

Obviously, there are giants who smashed her plan.

There is no doubt that the person behind Ren Zhiren's hand is Yezheng.

The two men guarded the kingdom of God and prevented Xuanji from reporting on the moon, thus directly closing the contact between the kingdom of God and the upper world.

She can't!

"Damn it!"

"Do you really think you can stop me" You can break up a phoenix shadow! Can you break up the Phoenix shadow that condenses my essence and blood? "

The next moment, xuanjiyue forces out a drop of blood essence. She even plans to refine the blood essence Phoenix!

.....

The seventh kingdom of God.

One day later, a breath of startling heaven gushed out of the secret room. All the people in the whole shenjizong felt their soul trembling slightly in the breath!

Even if it was the Qing emperor who was recuperating in the shenjizong, it was the same!

However, what is strange is that this is actually an atmosphere of a warrior who kills the enemy?

All the people in shenjizong are strange. There is only one person in the world who can send out such a terrifying atmosphere after cutting the bad situation?

That person, nature is Ye Chen!

In the chamber of secrets, ye Chen's eyes, there are two purple mansions which are just like substance, and the color of ecstasy emerges on his face. This purple cloud stone is indeed the most precious treasure!

Although he did not break through the chaos!

Also not thoroughly refining chaos star tree!

But the Zixiao stone has almost made him have everything in the chaotic state!

Although in a sense, this is a false realm!

But as long as you refine the chaotic star tree! He can step into chaos without hindrance!

Ye Chen no longer wants to close his eyes and sacrifice the chaotic star tree!

His whole body is covered with the light of chaos!

Chaos star tree in his refining, extreme germination!

"Why? How is he? "

At this time, ye Chen suddenly looked and stopped refining the chaotic star tree. His body flashed and disappeared in the chamber of secrets.

The next moment, ye Chen appeared outside the gate of shenjizong. At this time, there was a man in blood robe, coming at a high speed.

This man is Ouyang Xi!

Ye Chen said unexpectedly, "brother Ouyang, how did you come to my seventh kingdom?"

When Ouyang Xi saw Ye Chen, a light of joy flashed on his face. However, he said in a very deep tone: "brother ye, the reason why I came to this seventh kingdom of God is to ask you for help. Taiyuan sword sect is dangerous!"

"What! What's going on? " Ye Chen is surprised at the speech. As one of the hidden forces in the first Kingdom, kongchi, the ancestor of Wanfa Zong, is dead. What other force can really threaten the Taiyuan sword school?

There's something wrong with Taiyuan sword sect. What about Yue Rou?

Chapter 3020

Ye Chen has a lot of affection for Yue Rou, a little girl.

After all, Yue Rou has saved his life!

If something happened to Yue Rou, he would be upset all his life.

Since he owes yuerou a favor, he will pay it back at all costs!

Ouyang Xi sighed: "brother ye, do you still remember the martial arts spirit you left behind in the Taiyuan sword sect? On that day, after you left, Yue Rou successfully possessed his own true martial arts meaning by understanding the martial arts meaning you left behind. Moreover, he also understood some extremely powerful Tao! "

"The news was soon known to Zhangjia."

"Zhangjia is the family of yuerou's mother. As early as ten thousand years ago, it was already the first-class family of the first God kingdom. When Yue Qingshan was young, he was just an ordinary disciple of the fifth class sect, but he fell in love with Yue Rou's mother Zhang Xiao.

Zhangjia, of course, is strongly opposed to this relationship! However, not only did they not give in, they even had Yue rou. "

"In his rage, the master of the Zhangjia family directly beat yuerou's mother 10000 sticks for the sake of family law. He abandoned his martial arts accomplishments and expelled him from the family. He completely broke off the relationship with him!

Yue Rou's mother was seriously injured and died shortly after she was born. Even Yue Qingshan was chased and killed by Zhang Jia. If it was not by chance, Yue Qingshan would have died if she was taken as a disciple by an elder of Taiyuan sword sect! "

"But now, after Yue Rou showed his martial arts ability against the heaven, an important person from the Taiyuan sword school came to the Zhangjiakou to let Yue Rou rejoin the family!"

Ye Chen's face has been completely gloomy at this time. Yue Rou is his Savior. Moreover, he is very fond of this simple little girl and has taken her as his own.

Zhang Jia killed Yue Rou's mother. Now, do you want Yue Rou to go back?

How could he not be angry?

Ye Chen sneered: "ha ha, re-enter the family? There must be a limit to the shamelessness of the zhangjias, right? Yuerou has already done her utmost to be benevolent and just before she enters the family! "

However, he slightly frowned and said, "since the zhangjias are so hateful, why didn't yueqingshan take revenge?"

Yue Qingshan is also a leader of hidden forces. Zhangjia is only a first-class family. Its strength should be under the Taiyuan sword sect!

Ouyang Xi sighed: "because there are hundreds of broken doors behind Zhangjia! There is something special about the existence of hundred broken doors in the first God kingdom!

There are few documents, and even they never allow themselves to be ranked by the first God kingdom. In their opinion, there is no sect to compare with them!

Many first-class families are afraid to hear a hundred broken doors! Even if Wanfa Zong wants to give baichuang some face!

Don't say it's the Taiyuan sword sect. Even if it's the Taiyuan sword sect and my xueyuanzong, they're not necessarily the opponents who have broken through the door! "

"With the support of hundred broken doors, Zhang Jia's attitude can be described as arrogant and domineering. Now, the whole Taiyuan sword sect dare not act without authorization, for fear of being caught by Zhangjia and provoked by the hundred broken doors. Therefore, I can only ask brother ye for help."

Ouyang Xi is very clever. He knows that because of Yue Rou's existence, the relationship between Ye Chen and the Taiyuan sword school has been firmly established. Therefore, all he can do is to win over the Taiyuan sword school!

How to attract?

Add to the icing on the cake, it's better to send charcoal in the snow!

Ye Chen nodded. In his eyes, the cold light flashed: "let's go!"

Zhangjia? A hundred broken doors?

Today, he wants to let the whole first Kingdom know that as long as ye Chen is there, no one can win the Taiyuan sword sect!

No one can move Yue Rou!

At the next moment, the two men went straight into the void. Now, song Jinyi has become the leader of the alliance of the first God Kingdom, and ye Chen, with his help, also has the right to enter and leave the first Kingdom freely.

.....

At this time, the atmosphere in the hall of Taiyuan sword sect was extremely heavy!

In the main hall, there is a thin, dark, a pair of triangular eyes, flashing a cruel light of the middle-aged man, sitting on the seat, leisurely tasting tea.

Behind him stood a young man with a cold and proud face and a scornful smile on his lips.

This middle-aged man is the contemporary family advocate of Zhangjia!

As the head of the first-class family, Zhang Youyuan's strength will not be weak. He is a second-class heaven in heaven and God realm!

The young man behind him is the most amazing genius of Zhangjia generation. Zhang Zhuzhi, only 26 years old, has already possessed the terrifying power of half step heaven and God realm under the moon ring vision.

At this time, in the hall, the great elders of Taiyuan sword sect, such as Xu Zhao and Yue Rou, all stare at Zhang Youyuan with red eyes. Their bodies tremble with anger and seem to be trying to suppress their anger!

At this time, Yue Qingshan fell unconscious in the hall, his face full of black gas, a pair of poisoning has been deep, the breath is weak!

And that's why people are so angry!

Three days ago, Zhang Youyuan and Zhang Youyuan came to the Taiyuan sword school to let Yue Rou go back to Zhang Jia. They even sneered at Yue Rou's mother and Yue Qingshan! Yue Qingshan is almost unbearable!

At this time, Zhang Youyuan took the initiative to challenge Yueqing mountain, and wanted to compete with Yueqing mountain!

He claims that if Yue Qingshan wins, he will leave and will not harass the Taiyuan sword sect again!

Although Zhang Youyuan is the second layer of heaven, Yue Qingshan naturally has his own self-confidence!

How could Yue Qingshan refuse?

Who knows! It's a duel. Zhang Youyuan used the fighting method to kill Yue Qingshan!

If Yue Qingshan wants to defeat Zhang Youyuan, he can only have a chance to defeat Zhang Youyuan!

But Zhang Youyuan dare to kill Yue Qingshan, but Yue Qingshan dare not really kill Zhang Youyuan!

After all, the Taiyuan sword sect can't be provoked by a hundred broken doors!

Therefore, even if Yue Qingshan has the ability to win, he can only be forced to fall into the defensive!

After a long battle, Yue Qingshan was hurt by Zhang Youyuan

Yes!

The most hateful thing is that this friend Yuan is so despicable that he still poisons his weapon!

It is one of the top ten strange poisons of the first Kingdom, xuangui spider poison!

This mysterious ghost spider venom can't be tolerated even if it exists in the heaven and God realm. After all, not everyone has Ye Chen's constitution against the heaven.

Although Yue Qingshan has tried his best to suppress the toxin in the past three days, now xuangui spider poison has finally broken out, and he is in a state of serious injury and dying!

Zhang Youyuan, the chief culprit, has been drinking tea so leisurely. Watching Yue Qingshan poisoned is like watching a play!

At this time, Zhang Youyuan put down his tea cup, showed a brilliant smile to Xu Zhao, Yue Rou and others, and said, "you guys, don't be so angry. I didn't mean to give you three days to think about it. If Yue Rou agrees to go back to Zhangjia with me, I will give you the antidote of xuangui spider poison."
