

Physician 3041

Chapter 3041

Even if the strength is much higher than ye Chen, it is difficult to completely avoid the damage caused by destroying Shinto!

And each attack is closely linked, just like the butterfly effect. A small wound, with little influence, can set off a storm of destruction under the control of Ye Chen!

At the next moment, ye Chen's body moves and appears in front of Yu Sheng's body. On top of the Sha sword, his blood flashes and he cuts off his head. It seems that he is disorganized and almost crazy!

At first, Yu Sheng, who was still nervous and worried, finally relaxed completely. The smile on the corner of his mouth became more and more ironic and cold!

This boy, finally can't bear the pressure, crazy?

It seems that the two swords just now are just coincidence. In his eyes, ye Chen, who has lost his mind, has no other possibility but to die!

A shot out, just like a gun that penetrates space and time, roars and shakes the earth. This shot directly penetrates Ye Chen's abdomen!

But!

Ye Chen, however, seemed to be unconscious of his injury, waving the sword in his hand all the time!

In the blink of an eye, he has cut out hundreds of swords! Each sword is cut to different positions!

What he has to do now is to collect intelligence. His vision is not as fierce as the soul of the sword. He can understand Yu Sheng's martial arts only with three swords. However, if three swords are not good, he can only use 30 swords and 300 swords!

Only in a flash, the two people, then hundreds of times, finally, blood and gold flash, two figures, a split.

At this time, ye Chen was covered with blood and gasped violently. On the whole body, there were countless wounds. Even if the blood hole showed the body of the heavenly demon, his face gradually became pale and his breath was slightly unstable.

From the outside world and the upper world, the martial arts of God realm are really powerful!

Bear the other side hundreds of attacks, even ye Chen, also some can not stand.

However, ye Chen's pale face did not have the slightest fear, the intention of retreat, but the war spirit!

Got it!

He has seen through the enemy's attack for a hundred times!

In the evil sword, a smile appeared on the cold face of the sword soul. After hundreds of attacks, did it succeed? This achievement was barely acceptable.

Yu Sheng, on the other hand, laughed scornfully, with a winning hand on his face and said sarcastically, "don't you like to play with your life? Keep playing with your life? I want to see how many attacks you can withstand? What's the matter with you

In his opinion, the reason why Ye Chen retreated was that he was afraid!

Ye Chen at this time, on the contrary, is calm down. He looks at Yu Sheng in front of him without expression and says, "726 moves."

"Well?" Yu Sheng frowned and said, "what are you talking about?"

Ye Chen said faintly: "after 726 moves, you will be defeated."

The temperature of the whole world, as if in an instant, fell below freezing point, cold enough to coagulate human blood!

.....

At this time, in the depths of Jiutian Shenlong palace, there was a palace.

A dragon in chains.

All his Majesty was suppressed by chains.

Even, some chains, such as swords, were deeply embedded in his flesh and blood, which made him miserable and almost fell into a coma.

This dragon is the Dragon God who disappeared after Xuanji arrived!

And it was yelor and the Longwei man who imprisoned him.

Ye Luo'er and Long Wei men have been in the nine heaven dragon hall.

Before that, ye Luo'er knew that the Dragon God was going to deal with Ye Chen, so she asked Longwei man to imprison him and not let him go back to inform him.

"Who, who, dare to offend the majesty of Tiandao palace and imprison this seat..."

The Dragon God's voice was hoarse and he opened his eyes slowly.

As soon as he opened his eyes, he saw two figures standing in front of him.

One is beautiful, the other is powerful.

It's Ye Luo Er and the Long Wei man.

"Who are you who dare to imprison this seat?"

In the hot days, the Dragon God's eyes were angry, and his eyes were like electricity. He looked at ye luo'er and Longwei man, and his body was suddenly shocked.

"You You are... "

The Dragon God's eyes widened in the scorching sky. This man's blood vessels fluctuated very similar to him. He was actually of the same race.

"The supreme Dragon Emperor, it's you!"

When the Dragon God was shocked, he suddenly recognized that this man was the emperor of the ancient dragon. His status was incomparable. In ancient times, he had participated in the war and killed countless demons.

"Summer, long time no see."

In ancient times, he and Yantian Dragon God were of the same clan. They used to fight side by side, but the situation has changed. Today, the two men are their own masters, but they have completely separated.

"The supreme Dragon Emperor..."Ye luo'er murmured in a low voice. Unexpectedly, the man who followed her had such a loud name.

"Who is this girl? Why do you submit to her?"

The Dragon God was deeply shocked in the hot sky. Looking at the appearance of the supreme Dragon Emperor with his hands drooping and his eyebrows lowered, he obviously worshipped ye luo'er.

This ye Luo Er, the identity is absolutely not simple, otherwise, the supreme Dragon Emperor will not bow his head.

It's also related to the dragon's daughter, but it's the Dragon God's secret.

The supreme Dragon Emperor was silent and did not reveal the identity of Ye luo'er.

"You don't care who I am."

Ye luo'er's eyes are cold, scanning the Dragon God.

Otherwise, I will not be merciless

Ye luo'er's tone is very cold, and his eyes are like frozen ice of a thousand years.

She felt that in the body of the burning Dragon God, there was a faint breath of ancient reincarnation, which was the breath of reincarnation xuanbei!

She imprisons the Dragon God. On the one hand, she prevents him from reporting news; on the other hand, she forces him to hand over the Xuan stele of reincarnation.

"Ha ha, I want to hand over the reincarnation xuanbei, dream!"

The Dragon God laughed coldly in the hot sky. Even if he was imprisoned, he didn't have the appearance of yielding at all.

"Hum."

Ye Luo'er snorted coldly, waved his slender hand, and turned into a flying sword, and cut it hard at the Dragon God in the hot sky.

Puff!

Puff!

Puff!

The sword Qi was cut off, and suddenly, the Dragon God's body appeared a ferocious sword wound.

If in peacetime, Yelior's strength may not be able to hurt him, but now, he is imprisoned, his breath is chained, and he can't resist at all.

Just spirit power flying sword, cut his blood blurred, miserable.

"You've killed me

The Dragon God is tough, even if he is tortured by flying sword, he doesn't bow his head to show weakness.

"Why, in the summer."

The supreme Dragon Emperor stood with his hands on his back and looked at the punishment of his former compatriots. His eyes fluctuated slightly, but he soon calmed down.

After all, at this time, he, and the Dragon God, no longer have any kinship, only hostility.

"Stubborn."

Ye Luo'er's beautiful eyes are sharp, and he kills with flying sword without any emotion.

Chuckle!

Endless sword light, with a piece of flesh and blood.

The Dragon God clenched his teeth in the scorching sky, supporting him to death, and roared in his heart:

"Xuanyuan Moxie, when will you come to save me!"

Chapter 3042

Ye Luo'er's beautiful eyes were full of killing intention, and said lightly: "This place is covered by the breath of the Nine Heavens Dragon Hall, not to mention Xuanyuan Ink Evil. Even the people outside the country can't detect it."

"If you expect Xuanyuan Ink Evil to save you, it's better to hand over the reincarnation Xuanbei!"

Reincarnation Xuanbei is in the body of the Dragon God. Ye Luo'er and the Supreme Dragon Emperor also want to take it out by special means!

But all failed!

In the body of the Dragon God, there are special prohibitions in Tiandao palace.

In addition to Xuanyuan ink evil, no one can untie it.

Of course, there is another way to let the Dragon God surrender!

But at the moment, the Dragon God's eyes are extremely ferocious: "you two should not be enemies with the heavenly way palace."

"If Xuanyuan ink evil breaks the seal, not only you will die, but also ye Chen."

"From the beginning, everyone looked down on Xuan Yuan Mo Xie."

"But one day you will understand that Xuan Yuan Mo Xie is the nightmare of countless powerful men in the kingdom of God!"

At this moment, the Dragon God in the hot sky was extremely ferocious!

Ye Luo'er looks dignified, in the hand sacrifices a red whip!

A whip down!

The air waves!

Even in the scorching sky, there was a bloodstain on the Dragon God.

"Dragon God, I don't care how powerful Xuanyuan Mo Xie is. If he dares to move my elder brother ye Luo'er will die with Xuanyuan moxie even if he burns blood vessels!"

A girl's determination was reflected in her cold voice.

Ye Luo'er is very clear, if there is no Ye Chen, she may still be in Kunlun Xu.

Without Ye Chen, she might not have seen her father!

If there is no Ye Chen, she does not know the secret of her body!

In this world, Ye Chen is already her most intimate person!

She does not allow anyone in the world to hurt Ye Chen!

.....

At this time, deep in the heavenly way palace.

In the hall, Xuanyuan Moxie paced back and forth, looking uneasy.

The Dragon God disappeared in the hot weather. He has sent many strong men to investigate. Unfortunately, he never heard from him.

The key piece of reincarnation Xuanbei in the body of the Dragon God!

If Xuanbei and Yantian Dragon God have an accident, it is really bad news for him!

The key, he used most of the power of the heavenly way palace, unexpectedly for such a long time, there is still no information!

A bunch of rubbish!

"Newspaper!"

An elder stepped into the hall in a hurry.

"What, did you find out?"

Xuanyuan ink evil even asked.

"Report back to the palace master. We haven't found any trace of the Dragon God, but we can be sure that he is in the nine heaven dragon hall, but we don't know where it is."

The elder lowered his head.

"Waste, a bunch of rubbish! What can I do for you if I can't find it after so long! "

Xuanyuan ink evil immediately angry.

"My subordinates are incompetent. Please stop your anger."

The elder trembled and trembled.

Jiutian Shenlong hall is dangerous everywhere. If there is no exact location, it is difficult for them to find the location of the Dragon God.

"Get out of here, get out of here!"

Xuan Yuan Mo Xie snapped furiously.

"Yes..."

The elder was frightened and bowed his head to withdraw from the hall. Xuanyuan moxie seldom lost such a big temper. It shows how important the Dragon God is to him.

"Sirius."

Xuan Yuan Mo Xie's voice calmed down and called to the void.

"Lord, Sirius is here."

A man with black armor, a knife on his waist and a sharp eye in his eyebrow, tore the void out of the void.

This man is full of evil spirit.

this is as like as two peas Han Ba and the black scorpion.

He was also a great murderer in ancient times!

One of the top ten fierce beasts! Three eyed Sirius!

Unexpectedly, he became a human figure and followed Xuanyuan Mo Xie.

"Live to see people, death to see the corpse, you go to find out the whereabouts of the Dragon God."

Xuanyuan Mo Xie is a little tired, Dao.

"Yes, my Lord."

Sirius body a flash, turned into a black shadow, eliminate in the void.

His identity is very secret, in the heavenly palace, almost no one knows his existence.

He has been guarding the dark void around Xuanyuan moxie, but now in order to find out the whereabouts of the Dragon God in the hot sky, Xuanyuan moxie actually sent him out.

.....

The screen rotates.

Lingwu continent, xuanyuezhong.

When Yu Sheng heard Ye Chen's words, "after 726 moves, you will be defeated."

His forehead is blue, his eyes are full of blood!

He was so angry!

What is this trash talking about? Obviously, I've suffered hundreds of attacks. I'm going to reach the limit. Do you dare to continue loading?

In his opinion, ye Chen should yield now and beg for mercy!

But?

Ye Chen, even want to win!

Even, even how many moves to beat yourself have been accurately said?

Make it as if you can do it!

How can Yu Sheng bear this attitude?

At the next moment, Yu Sheng burst out and said, "don't say more than 700 moves. I want to see if you can support 30 moves on my hand! Death

A dragon chant, ring through the sky, golden flash, a shot!

Ye Chen mouth corner, raised a trace of smile, this gun and he expected, exactly the same!

The blood on the evil sword broke out suddenly, and the meaning of real martial arts roared out!

A startling sword light, just like the hand of a demon God, is facing the dragon soul which comes with the gun intention and goes to suppress it!

At the moment of sword and spear attack, a startled color flashed across Yu Sheng's face

What's going on?

The feeling that made him uncomfortable came back

However, this is only the beginning!

Second sword, third sword, third sword

The heavy, containing the sword light of destroying Shinto, poured down towards Yu Sheng like rain!

At this moment, Yu Sheng's face changed completely!

Originally, the indistinct discomfort has been turned into substance!

Every time ye Chen goes out, Yu Sheng becomes passive in the battle. Gradually, Yu Sheng has fallen into the rhythm of Ye Chen's attack!

At the time of the 200th sword, Yu Sheng was completely suppressed by Ye Chen, so he could only keep on parrying. At the time of the 400th sword, Yu Sheng's injuries became more and more serious. Those small injuries that seemed insignificant at the beginning gradually became an extremely heavy burden in the battle!

Yu Sheng's expression, also from the beginning of calm, to now dignified and tense!

He was subconsciously, secretly calculating the number of Ye Chen's moves!

7001 sword

Seven hundred and ten swords

720 swords

With the number of Ye Chen's moves, he approaches 736 moves. Yu Sheng's look is more and more frightening. His whole body's blood is cold. On his tense nerves, he is under tremendous pressure!

Finally, 736 sword!!!

In this moment, a cold, black air, wind around the blade, hard to crack Yu Sheng's gold spear, cut down toward his chest!

On Yu Sheng's face, the horror, tension, thoroughly turned into fear!

Chapter 3043

A jade pendant, flying out of its chest, bursts out a strong white light and turns into a light curtain to protect Yu Sheng under it. This jade pendant is also a powerful defense weapon!

At the next moment, there was a roar, the powerful power and the atmosphere of destruction were eroding the white light screen crazily. On the white light curtain which looked extremely solid, there were cracks in the road!

Click

Even this weapon can't completely defend Ye Chen's attack!

A scream echoed, Yu Sheng's chest, blood flow, ye Chen that terrible sword, instantly his whole chest tear, even the heart, were cut in two!

If it had not been for the protection of that tool, Yu Sheng would have died already and could not die any more!

His whole body breath, rapidly decayed, a body strength, ten less than one!

In his present state, it is impossible for him to be the opponent of Ye Chen!

In other words, Yu Sheng lost

And

What makes people feel cold is that he is being defeated by Ye Chen with 736 swords!

One sword is not much, one sword is not many!!!

This, how can it be?

Yu Sheng, shocked to the point that his brain will evaporate!

Even with Yu Sheng, who was born outside the country and in the upper world, his understanding of martial arts is fantastic!

He has never heard of such a thing in foreign countries and in the upper world!

At this time, ye Chen's body of heavenly demon has reached the limit and cannot be maintained, which is also in Ye Chen's calculation.

He looked at Yu Sheng and said, "I said, 736 moves, you will be defeated."

.....

Yu Sheng looks at Ye Chen with trembling eyes. Suddenly, he bites his teeth and flashes a touch of flesh pain on his face. With a wave of his hand, a bloody chain flies out of thin air and shoots at Ye Chen.

Yu Sheng himself, however, tears the space in an instant and escapes into the space channel.

The bloody chain is a very rare fetter. Even in the outer world and in the upper world, it is also valuable. However, in order to protect his life, Yu Sheng can only use it to hold Ye Chen's feet for a while.

The color of the blood, the chain windward and long, was actually turned into a bloody net!

Ye Chen gazed at the bloody net, and a sneer floated on his face. With a sword, he chopped at the bloody net, and the breath of destroying Shinto was filled in an instant!

The huge net that seems to seal the heaven and the earth is actually in the breath of destruction, even a breath does not persist, then a hole is broken!

Ye Chen's body moves and passes through in an instant!

This thing, perhaps more powerful than ye Chen, can not easily get rid of its shackles, but, unfortunately, Yu Sheng met Ye Chen.

Destruction Shinto can be said to be all seals, shackles the power of the enemy!

The next moment, ye Chen in the space crack disappeared before a second, into which.

In the space tunnel, Yu Sheng, who originally relaxed a little, suddenly felt a strong breath behind him. He looked back in disbelief, and his pupils shrank in an instant. Ye Chen caught up so quickly!

Originally, with only one stick of incense, Yu Sheng was confident to escape from Lingwu land and return to the outer and upper world. Although the land of Lingwu and the kingdom of God have been sealed by the power of plane, he has special means to make these seals useless!

And ye Chen, even if he can find out the specific position, is not from the upper world or the outside world, and is repelled by the force of the plane, so he can't break in by force!

However, what Yu Sheng couldn't accept was that he couldn't even fight for this moment!

On Yu Sheng's face, he was bloodless in an instant. He was sweating wildly, and his clothes were completely wet!

He has been injured and his strength has been greatly reduced. His speed can not be compared with Ye Chen. In a blink of an eye, ye Chen will be close to his back!

In Ye Chen's eyes, the sword in his hand was raised slowly, just like the ghost weapon harvesting life!

Feeling the shadow of death gradually approaching, Yu Sheng's mind tends to collapse. He suddenly and intermittently roared: "you You can't kill me! If you kill me, the cold family will not let you go! "

"Cold home?" Ye Chen's movement in his hand is slow. The sword doesn't fall. Instead, he squints his eyes and stares at Yu Sheng.

Is this cold family behind the invasion of foreign demons?

Ye Chen wants to get more useful information from Yu Sheng.

Seeing this, Yu Sheng flashed a color of ecstasy in his eyes and said, "good! Cold home! Boy, I will tell you the truth, there is an elder of emperor yuan hall in Leng family! "

Ye Chen Mou son suddenly shrinks, he ten thousand did not expect, emperor yuan hall unexpectedly appeared again.

Lin Juelong mentioned the palace of emperor yuan.

Now there is emperor yuan hall again!

What is the organization of Diyuan hall?

What's wrong with the kingdom of God?Xuanjiyue, Queen of the upper world? What kind of role does the emperor yuan Temple play in this chess game?

Seeing ye Chen's hesitation, Yu Sheng's face became more and more wanton and sarcastic. His eyes became more and more bitter and said: "boy, from the moment you get the Zixiao stone, you have declared your own death penalty. Some things are not what you are entitled to have! Cold home terror, you simply can't imagine, even if killed me, you think useful? There is no doubt that he will die! "

"But

Yu Sheng suddenly said with a feigned smile: "your strength is very good. Even if you go to the outer world and the upper world, you can still be amazing if you have enough time to practice. However, you are a qualified person to join the cold family. If you want, I can find a way to take you out of the domain. Not only can you avoid the disaster of extermination, but also you can join the cold family directly. As far as it is concerned, it is a once-in-a-lifetime opportunity! "

Ye Chen's speech, light way: "is not a good opportunity, I don't know, but, you have no chance to take me into the cold home."

"Because, you will die here!"

The next moment, I cut the sword in my hand!

But in the face of this sword, Yu Sheng's face is full of indifference, and there is no fear just now. At the moment when the sword is about to hit Yu Sheng, a figure in front of him flashes, and a jade like green light floats to block Ye Chen's sword completely!

Yu Sheng said with a smile: "boy, don't you say that this young master is going to die here? Yeah? You think you've got a lot of information from me? Ha ha... "

Ye Chen at this time, but will focus on the sudden appearance of the middle-aged man!

This middle-aged man seems to be quite elegant. His face is ordinary and his skin is pale. But his eyes give him a feeling of incomparable antiquity and vicissitudes.

But ye Chen knows that this middle-aged man is not as simple as it looks on the surface!

Feeling the terror and pressure from the middle-aged, ye Chen's intuition is roaring wildly! Keep him away from the middle-aged man in front of him!

This middle-aged man is actually a real and real God state six layers of heaven strong!

Chapter 3044

Moreover, its whole body is contaminated with the spirit of the mainland, obviously, not any upper bound and foreign people.

He is a six layer heavenly warrior from Lingwu mainland!

How could that be possible!

How can Lingwu land have such characters hidden!

It's not scientific!

However, ye Chen is not a bit happy, on the contrary, extremely angry!

If he wants to, he can stop Yu Sheng from coming. Even if he wants to, he can kill the ghost that is still hidden in some place?

But the man in front of him didn't do anything. Not only that, now, he even jumped out to stop himself from killing Yu Sheng?

So, there is only one explanation

This man, obviously, has betrayed his own home, betrayed countless compatriots in Lingwu land and Shenguo, mingled with the cold family and became a dog of the cold family!

Yu Sheng sneered: "boy, his name is Zhao Tian. He is the only guardian of Lingwu mainland who has survived since ancient times. He is almost assimilated with the original power of Lingwu land. Do you think you can kill me now?"

"He not only has an identity in Lingwu, but also has a special identity in the kingdom of God."

Naturally, he doesn't really want to take ye Chen to other countries. How can a person of ye Chen's origin sit down with him Yu Shengping?

Ye Chen's eyes sank, and he really felt the same breath as Tu Lan's heart from the other side. The anger in his heart burned more fiercely!

As a guardian, Zhao Tian's duty is to protect the kingdom of God and the land of Lingwu!

But?

Now, in turn, they have become spies and accomplices in pushing the land of Lingwu into the abyss of destruction!

Zhao Tian, who had been silent all the time, suddenly said to Yu Sheng, "you should know the price of my hand, Mr. Yu."

When Yu Sheng heard the speech, he snorted coldly and waved his hand. A storage bag flew to Zhao Tian. His face was extremely painful.

It is impossible for Zhao to make more profits.

After Zhao Tian took over the storage bag, he opened his mouth and said, "Mr. Yu, you can leave."

"Leave?"

Yu Sheng sneered: "Zhao Tian, kill this boy, and I will leave again!"

Zhao Tian shook his head and said, "Mr. Yu, I just want to ensure your safety, not to kill for you."

Yu Sheng was stunned, and then he said angrily, "Zhao Tian, what do you mean? Take the money and don't work? "

Zhao Tian said indifferently: "Mr. Yu, if I hadn't done it just now, you'd be dead. I'm the guardian of Lingwu land and the kingdom of God, not a killer."

Yu Sheng glared at Zhao Tian fiercely. He stopped talking and was about to leave.

But at this time, a cold man's voice reverberated in their ears.

"Did I let you go?"

A strong intention to kill comes out of Ye Chen's body. He looks like an ancient Warcraft. His eyes are cold and staring at them. What if they exist like this?

If you want to kill him today, you can kill him!!!

Zhao Tian took a look and said without expression: "Ye Chen, you are excellent and have unlimited potential. However, you should know how to advance and retreat in life."

"Know how to advance and retreat?"

Ye Chen laughed: "you shameless traitor, what are you installing here? Do you still want to imitate the appearance of senior people and preach to me?"

Hehe, do you deserve it? As the guardian of the kingdom of God and the land of Lingwu, people from other countries invade Lingwu wantonly, but you turn a blind eye to it. If you don't care, the whole

kingdom and the land of Lingwu will be wiped out of life, and you still turn a blind eye. This is what you call "knowledge advance and retreat?"

"Today, those who stand in front of my eyes must die!"

This Zhao Tian makes Ye Chen feel sick!

It is clearly for the interests of the traitor, but also pretend to be a high sounding appearance, here to speak?

Hehe, when ye Chen was a three-year-old child?

Zhao Tian seems to be trying to stop him from fighting with Yu Sheng. However, when ye Chen was repeatedly seriously injured by Yu Sheng, where was Zhao Tian?

Now, Yu Sheng is no match for himself. If he wants to escape, Zhao Tian comes out to persuade him to fight?

Do you really know how to advance or retreat?

When Yu Sheng heard the speech, he laughed happily. He knew Ye Chen didn't know how to live or die. However, he didn't expect Ye Chen to be so ignorant!

Yu Sheng pretended to be innocent and said to Zhao Tian, "Zhao Tian, what do you want to do now?"

Looking at Ye Chen, Zhao Tian still had no change. He said, "Ye Chen, your martial arts talent is very shocking. I have lived for tens of thousands of years. You are the most rebellious evil spirit I have ever seen. Unfortunately, your vision is too narrow. Even if a person like you is strong and talented, he is doomed to live for a long time."

"You asked me why I didn't stop Yu Sheng from coming, why didn't I kill the demons? I tell you, even if I stop it, the land of Lingwu and the kingdom of God will still be destroyed. Some things can not be

changed by your efforts. No one can resist the power of the cold family, understand? If one Yu Sheng is stopped, there will be tens of thousands of them. If one demon is killed, there will be tens of thousands of them. "

"It's just a stupid struggle to see the reality."

Ye Chen's eyes, completely red, as if to drip blood in general!

Zhao Tian is so shameless!

As a traitor, he put down his self-respect and principles. On the contrary, he despised those who fought for the kingdom of God and the land of Lingwu and fought for the disaster of extinction?

All of his things are given by this land. Zhao Tian doesn't know how to be grateful. Even if he doesn't know how to be grateful, he takes his mother's betrayal for granted!

Is this the so-called white eyed wolf?

Ye Chen's anger, almost all to the essence!

Zhao Tian, Yu Sheng, and the cold family are all damned!

With a roar, a strong evil spirit and reincarnation breath surged up again. Ye Chen, however, disregarded the reverse, forcibly launched the body and reincarnation blood of the heavenly demon!

His whole skin turned to blood red, and on the surface of his body, even steaming heat, as if the blood was boiling!

Forcibly maintain this kind of state, to Ye Chen's body, side effect is very big!

But now ye Chen is desperate!

"Oh!"

In vain, ye Chen suddenly opened his mouth.

An old syllable, coming out of his throat.

This syllable is full of the atmosphere of the beginning of the world.

Ancient, mysterious, mysterious, can not be looked up to.

Ye Chen's whole body, every skeleton, every meridians, every pore, is vibrating.

This syllable, not simply from the throat, but to mobilize the strength of the whole body.

Even with a trace of reincarnation and the power of the demon!

Whoa!

There are ripples in the void.

The syllables break out and shake the void.

Chapter 3045

"Oh!"

"Boom

"Well

"Boom

"Baa!"

"Baa!"

"Moo!"

"Woo!"

"Boo!"

Rolling syllables, crazy concussion out.

The fierce breath of sound and killing turned into throwing knives, sharp swords, crossbows, shuras, bone thorns and other weather, which poured out all over the world.

Yu Sheng and Zhao Tian suddenly changed their looks, and Qi Qi exclaimed: "Hongmeng ancient method! How can it be! "

They are familiar with the ancient method of Hongmeng, which is impossible to appear in Lingwu land!

Zhao Tian Mou son congeals, finger pinches Jue, a drop of blood essence is forced out, the face is more pale a few minutes!

He even uses the guardian's blood to stop Ye Chen!

It also has an impact on his foundation!

The next moment, a huge shield shadow suddenly appeared! Stop the breath of Yinsha!

"Bang!"

The shield is broken and the air waves are shaking!

Ye Chen and Zhao Tian retreated together!

And ye Chen retreated more!

And there was a trace of blood in the corner of the mouth!

Injured again!

At this moment, ye Chen is extremely dignified!

It's too dangerous!

Even if he can not summon the Dragon Emperor, he is not necessarily the opponent of the people in front of him!

"Master Jianhun, if I untie your seal, can I kill Zhao Tian?"

During the first world war with Yu Sheng, the soul of the sword has been basically trusted by Ye Chen.

The soul of the sword was silent for a moment and said: "boy, with your current destruction of Shinto, you can only untie one tenth of the seal at the cost of swallowing. In this way, you can barely afford to fight with the other side. However, the other side is the guardian of the Kingdom of God and the land of

Lingwu. In this land, the strength of the other side can even go up to a higher level. I can't guarantee it
You can win

"To be honest, now, to leave temporarily is your best choice..."

The sword soul said, and there was a smile on her pretty face: "however, although it is the best choice,
for you, it is the choice you will never make, right?"

It's like

This young man named Ye Chen is really similar to the one who slaughtered gods with his own strength.

Just as proud, as crazy.

It's the same. It's glamorous.

Ye Chen said with a smile: "yes, if you don't kill these two people, it's not enough to calm my hatred!
Even if I pay all the price! "

"Good, but you still have one thing to do before you untie my seal."

"What's the matter?"

Is there anything else to do at this critical moment?

The spirit of the sword said: "I want to pass on a sword technique called mietian sword formula. Only by
learning this sword formula can you give full play to the power of destroying Shinto and have a real
chance to defeat Zhao Tian!"

Ye Chen is stunned. Do you still have time to understand the sword technique?

The sword soul said: "of course, it's not for you to sit down and understand, but to integrate it in the battle! Next, follow my instructions. You must be exactly right. If you make a little mistake, you will die!"

Ye Chen smelled the speech, licked and licked his lips. In front of such a desperate situation, he actually showed a trace of smile and said: "start it!"

The sword soul said: "the first sword, attack the opponent's left waist rib three inches!"

The next moment, ye Chen moved, just like a strong wind, in an instant toward Zhao Tian, swept away!

Seven times of blood light burst out, the power of breaking the sky was turbulent, and the breath of destruction was diffuse.

It was like thunder and lightning. In a flash, it cut Zhao Tian's waist. It was exactly the position indicated by the sword soul!

Seeing this, Zhao Tian snorted coldly: "originally, I wanted to let you live in your qualification, but since you want to die by yourself, you can't blame me!"

Originally, in Zhao Tian's opinion, ye Chen's life and death have nothing to do with him. If he were a mole ant, he might kill him. But is Ye Chen a mole ant?

Of course not. Ye Chen has created numerous miracles along the way in Lingwu and Shenguo. It is impossible to attract Zhao Tian's attention.

But the more he looked at Ye Chen, the more frightened Zhao Tian was!

Ye Chen even let him feel a trace of fear!

Why?

Because he can't see the limit of Ye Chen!

Every time, he thought that ye Chen was in a certain situation, but what was the result?

Again and again unexpected, again and again to break through the limit!

If you were another warrior, you would have died thousands of times?

But ye Chen, still alive!

Although Zhao Tian doesn't think ye Chen can overcome himself, after all, the gap between the celestial realm and the non celestial realm is just like ants and dragons. However, if it is not a last resort, he does not want to face such a strange opponent as ye Chen!

But!

Since you want to kill, you must completely kill the other party!

The next moment, a sword appeared in Zhao Tian's hand!

The whole body is like a purple jade, dotted with stars. It is a gorgeous sword!

This sword is a tool!

In an instant, the ancient, wild and broad sword idea rippled in the void. This sword meaning even made people have an illusion, an illusion of returning to ancient times!

This sword is extremely strong!

Even, it is far stronger than Yu Sheng's gun intention!

Even Yu Sheng, looking at Zhao Tian, is horrified. In this sense of sword, he feels that even if he is in the full state, he has no resistance! The guardian has such a great power blessing!

This is the ultimate sword meaning which seems to be precipitated and polished for tens of millions of years!

Black sword and purple jade sword collide!

The powerful sword will tear Ye Chen's body and fly in a flash. Several ferocious wounds almost cut Ye Chen into several sections are engraved on his body. Endless blood is poured out, just like a river of blood flowing in the void!

But the fatal wound healed quickly!

And ye Chen after suffering such a terrible sword, unexpectedly or recklessly to attack Zhao Tian!

Boom, boom, boom!

In the endless sound of the body, the sound of the empty leaves reverberates!

However, he relied on the body of the demon and reincarnation blood, that tenacious vitality, sustained down!

While he maintained the offensive, his brain was constantly deducing and comprehending the formula of killing the sky sword!

Every time he made a move, he was more refined, and every sword was more heavy!

Zhao Tian frowned slightly. How can this boy's sword become more and more sharp?

Gradually, ye Chen's eyes appeared a touch of excitement!

Although he has not yet thoroughly understood the secret of the sword of killing heaven, ye Chen can already feel the power of this martial art!

However, he knew that it was not enough to defeat Zhao Tian only by killing the sky sword. Although he seems to have fought back and forth with Zhao Tian now, it is not much different from ye Chen being crushed by Zhao Tian unilaterally.

In the final analysis, he is not relying on the hard life force!

Ye Chen's physical condition is very bad at this time!

Chapter 3046

His next hand, the body completely collapsed, into the blood mist dissipated, he will not be surprised.

But!

Even so, ye Chen's offensive, but there is no slightest pause, hesitation!

If you hesitate, you will lose!

"This sword, cut to his left eye, an inch below the eyebrow!"

A sword out, cold as the sea, but suddenly, ye Chen's sword light, a sword black light, gradually solidified!

The spirit of the sword felt the appearance of the black light. After a little pause, the cold pretty face also showed the color of great joy!

It's done!

Ye Chen, it was in such a short time, and still in the battle of death at any time, that he practiced the formula of mietian sword!

This speed is even far beyond the sword soul's expectation!

It's amazing!

Even he was a little surprised and shocked. Even he didn't expect that he could master the formula of killing Heaven Sword so quickly.

The secret of mietian sword gave him a very familiar feeling. Everything seemed to come naturally!

Facing this sword, Zhao Tian did not have any special reaction. He still held up the purple jade sword and sealed it towards Ye Chen!

He is not in a hurry.

Zhao Tian has a good understanding of Ye Chen's strength, all kinds of cards and backers. He even knows the limit time that the body of the heavenly demon can maintain!

He knew that ye Chen was just relying on the body of the heavenly demon. As long as the body of the heavenly demon could not be maintained, ye Chen would be killed instantly by him!

It won't be long.

However, at the moment when the purple jade sword and the dark sword collide, Zhao Tian's pupil shrinks suddenly!

How could this happen?

This sword gives him a completely different feeling from ye Chen's attack before!

Originally, the God of destruction, which was rather weak if there was nothing, was suddenly solidified!

This solidify, let this sword's attack power increase by geometry times!

"Not good!"

Zhao Tian murmured, and the stars were shining on the purple jade sword. At the same time, he did not hesitate to give up the long sword in his hand. His body shape was backward and he flew quickly!

On the long sword, the light was trembling. Zhao Tian wanted to let this Dao tool explode to block Ye Chen's attack!

But at this time, the spirit of the sword in the evil sword yelled: "boy, it's time to untie my seal! Or you will die

Ye Chen's eyes congealed, a god of destruction poured into the evil sword, turned into a long black sword, and cut off the chain around the sword soul!

In order to dissipate the light of ten chains!

A palpitating breath suddenly rises from the evil sword!

Zhao Tian and Yu Sheng are both face color change, in their mind faint ring a very cold female laughter, people shudder!

At the same time, there is a sharp and extreme meaning on the sword, which suddenly breaks out!

The sword, which had already had its power multiplied, was on a higher level in an instant!

Is this the power of the sword soul?

Ye Chen's eyes flashed with disbelief!

The terror of this sword almost makes Ye Chen unable to control it!

He even felt that even if he had the body of the heavenly demon, he would die on the spot if he was cut by this sword!

This extreme sword has already possessed the power to threaten the later stage of the heaven God realm!

What's more strange is that under the influence of the spirit of the sword, the purple jade sword, which should have exploded to stop Ye Chen, suddenly calmed down and the light converged!

A very concise dark sword, like the dark lightning that cuts through the sky, goes towards Zhao Tian at a high speed!

"No

Zhao Tian screamed wildly. The endless emerald light gushed out of his body. In front of him, it turned into a huge jade rune. The light of the rune was so brilliant that it seemed to contain the power of endless protection, just like a huge mountain that could suppress all attacks!

In order to destroy the green color of the jade, it was eroded by the color of the jade!

The next moment, completely burst into a little dust!

And this sword awn, also mercilessly cut Zhao Tian's left eye!

Blood splashing, a scene of incomparable terror, emerged in front of us!

This sword awn, unexpectedly is directly cut off half of Zhao Tian's head!

"Ah, ah, ah

Zhao Tian uttered a very painful scream. His face was no longer calm and unshakable, and his breath was rapidly withering down!

The whole void seems to be frozen! Zhao Tian and Yu Sheng look incredible to the extreme!

Ye Chen's sword is really a guardian of the six layers of heaven, seriously injured ah!!!

Their brains are going to explode! Deep in my eyes, fear is like a huge wave!

Especially Zhao Tian!

What happened to that sword just now?

He has clearly mastered all the backhand of Ye Chen, the real strength and so on!

But why, to the end, ye Chen's strength has skyrocketed again! Breaking the limit again?

Why? Why? Why?

Zhao Tian doesn't understand!

He used the remaining half of his face to stare at Ye Chen, his eyes full of resentment, and roared: "little bastard, I want you to die! I want you to die"

Ye Chen raised a sneer at the corner of his mouth, and finally exposed his nature?

Unfortunately, the power of the sword just now was offset too much, and Zhao Tian was not killed directly!

In Ye Chen, ready to continue to hand, the face is one of coagulation!

With a roar, ye Chen's body burst out a burst of blood mist, and his body actually began to collapse quickly!

The body of the heavenly demon has reached its limit at this time?

What's more, ye Chen's injury accumulated before was too serious, but now he has been bitten back. With his physical strength, he can't support it!

When Zhao Tian saw this scene, he was overjoyed. He held a blue sword in his hand and roared like a wild animal. He killed Ye Chen!

He wants to seize this opportunity, let Ye Chen not have a trace to turn over the possibility!

However, at this moment, on Ye Chen's face, there appeared an extremely evil smile. Instead of retreating, he rushed to Zhao Tian, completely ignoring his collapsing body, and slashed the sword in his hand!

What's more, it's still totally regardless of defense, and I'll kill you with one sword!!!

At this moment, Zhao Tian was completely afraid!

Even if that tens of thousands of years, sharpened out of the state of mind, are in front of this ghost like Ye Chen, there are cracks!

All the swords in my hands trembled

It was this shiver that made Zhao Tian lose the chance to kill Ye Chen at last!

Chapter 3047

With a roar, the terrible force made Zhao Tian spit blood and break his internal organs. However, this is not over!

Ye Chen did not care about the collapse of his body, but maintained his right hand with the sword and continued to attack!

And Zhao Tian's left eye, pupil crazy shaking, fear to the extreme!

He spared no effort to use all kinds of means to protect his life. Ancient tools and secret methods emerged one after another!

He resisted Ye Chen's one sword, two swords, dozens of swords!

Finally, will all hind hand, all exhausted!

However, to Zhao Tian's despair, at this time, his whole body has dissipated, leaving only half of his body. The whole person, like the skeleton of Ye Chen, has not stopped?

"Leave me alone! I was wrong! Ye Chen, stop it

Zhao Tian, finally beg Ye Chen for mercy!

But is it useful to ask for mercy?

The next moment, Zhao Tian's body, completely swallowed by the sword light!

The powerful God state that existed tens of thousands of years ago, the oldest guardian of Lingwu land, fell into the hands of Ye Chen. Even the spirit was completely swallowed up by the soul eating power of Sha Jian, and no trace was left!

In the void, except ye Chen, there is nothing left. Yu Sheng has already been scared to death. Taking advantage of Ye Chen's battle with Zhao Tian, Yu Sheng runs away.

In Ye Chen's eyes, a trace of reluctance flashed in his eyes, but now he has no more spare power to pursue Yu Sheng

He exhausted the last trace of strength, including a Zixiao stone, countless pills, Tiancai Dibao, all into his mouth!

The power of the sword soul is too strong to control! It's the most terrifying ever!

What is the identity of sword soul!

Moreover, he vaguely felt that this was only a small part of the power of the sword soul!

A fraction of the power!

Ye Chen was hoarse and said weakly, "master jianhun, I'll trouble you next..."

Then close your eyes and pass out!

This time, ye Chen has really reached the limit. If he wants to recover his body, it is extremely difficult. Even relying on the strength of a Zixiao stone and countless treasures, he is not sure that he will be able to save his life!

Is a real Guardian so easy to kill?

If there was no sword soul, he could not have been!

Even with the help of sword soul, you can't win without paying the price!

At the same time, ye Chen is in a coma. At the same time, a beautiful woman's virtual shadow appears on his body side. At this time, the body shape of the sword soul seems to be weak, and her pretty face is full of fatigue.

In the battle just now, not only Ye Chen, but also the soul of the sword consumed a lot.

However, she looked at Ye Chen's beautiful eyes, but appeared a touch of gratification, as well as a wisp of inexplicable fluctuations.

The mystery of this origin, only a wisp of remnant soul remains in the world of women, unexpectedly can not help but stretch out her hand, gently stroking Ye Chen's face, on the pretty face, the color of recollection emerges.

Ye Chen's last madness is the same as the man in her memory

The sword soul can't help but whisper: "reincarnation Lord."

At the moment when her transparent fingertip touches Ye Chen's cheek, the sword soul wakes up

There was a lonely smile on the corner of her mouth.

At the next moment, the spirit of the sword drove the sword to break through the void and return to the land of Lingwu. It fell in a deserted mountain and entered a cave.

In the depth of the dark, there is a nearly illusory figure of a beautiful woman, quietly guarding a man.

.....

In a valley filled with endless dark dead air, a figure loomed and shuttled among them. Suddenly, a blood light appeared beside the figure, which was a pair of incomparably huge bloody eyes!

A dark beast of the nether world opened its mouth to the figure of the man, as if to swallow it directly into the mouth!

This dark beast, like a black lion, is a terrifying beast in the five layers of heaven!

What is the ghost beast?

In some places full of dead spirit, if there are corpses of living creatures, they will often produce a kind of ghosts that only know how to kill. The ghosts formed by the powerful monster corpses are the ghost animals.

In addition to being tempered by death, the ghost beast is especially powerful. When it comes to fighting, it has no idea what fear is. Therefore, even the warriors of the same rank do not want to face the attack of a ghost beast!

And this black lion ghost beast is actually a ghost beast in the middle of the heaven God realm!

I'm afraid that most of the gods do not dare to fight against the black lion, do they?

However, at the next moment, a sharp sword light suddenly rose to the sky and cut the endless dead air around them into nothingness. The horrible ghost beast in the five layers of heaven in the divine realm on that day also sent out a huge roar in the sword light that shocked the whole world. Then

One divides into two!

The ghost beast has no blood, and even its bones and flesh are corrupt. After death, it turns into dust in an instant! Here, is one of the forbidden areas of the first Kingdom, death valley!

And just out of the sword is a light temperament of a handsome man, this man, is the first God into the valley of death, closed life and death of the most powerful demon Zhong Qixuan!

At this time, Zhong Qixuan's face with a trace of proud smile, in the eyes, the essence of the flash, the original frivolous temperament, at this time, it was swept away!

It looks like a sword that was originally covered with dust. It's just as sharp as it was!

For a long time, Zhong Qixuan, relying on his talent of cultivating martial arts against the heaven, has always lacked a certain enthusiasm for martial arts.

After all, he is the first in everything he does, and he can get the first place at will. In this way, what is the best effort?

Zhong Qixuan is not ye Chen. He doesn't need to overcome all kinds of difficulties and overcome one powerful enemy after another in order to climb up!

The Zhong family is also the most powerful family in the No.1 divine Kingdom, and the hundred broken gate is the most powerful one among the hidden forces. A martial arts master who has the natural talent against heaven and has enough terrible family background will not encounter much obstacles in the martial arts. He has always been in a favorable situation!

Therefore, compared with martial arts, Zhong Qixuan is more concerned about women.

Until ye Chen appears!

Originally, Zhong Qixuan, who always lacked a little enthusiasm for martial arts, felt Ye Chen's idea of killing heaven and the artistic conception of martial arts. For the first time in his life, he had the impulse to challenge and kill this man!

For the first time in his life, Zhong Qixuan felt the charm of martial arts!

For the first time in his life, he realized that The original world, there are more adverse than their own existence!

So he went into the valley of death.

As one of the forbidden areas of the first God Kingdom, Death Valley has not only the horrible dead breath that can't be endured by the warriors in the heaven God state, but also the most powerful ghost beast in the early and middle period of the heaven God state!

Chapter 3048

If it was not for the existence of these netherworld beasts, they would not be able to walk out of the valley of death because they needed the support of infinite dead Qi in the valley of death. I am afraid that the first Kingdom of God would be destroyed by these ghosts!

To tell you the truth, even with the strength of Zhong Qixuan, it is extremely dangerous to enter here!

However, he knew that if he wanted to make progress in a short time to reach the height of Ye Chen, the death valley was the most suitable place!

At first, just entering the valley of death, Zhong Qixuan encountered several life and death crises. His strength was suppressed by death and couldn't give full play to it. However, several ghost beasts appeared in succession all over his body!

In this case, Zhong Qixuan only forced himself to become stronger and push himself to break through the limit, so that he could survive!

As long as there is a little bit of error or bad luck, this generation of demons of the first Kingdom will probably fall down!

But at the moment, Zhong Qixuan knows what he has done is worth it!

He survived!

Not only survived, but also his strength has undergone a qualitative change!

In the edge of life and death again and again, Zhong Qixuan has broken through again and again!

What others may take hundreds, thousands, even tens of thousands of years to do!

He Zhong Qixuan never needs such a long time!

Now, also let him have a brand-new understanding of martial arts, let his strength, have earth shaking changes!

Zhong Qixuan said to himself with a smile, "thank you for all this, ye Chen. If it wasn't for you, I wouldn't have progressed so fast."

However, at the next moment, his smile suddenly became cold and said: "unfortunately, there is only one genius in the world. There are only a few places to be able to rise to the world and the upper world. However, I am not interested in giving this opportunity to you. I have to wait for hundreds of years before I rise!"

Today's Zhong Qixuan has put his eyes on the outside world and the upper world!

He really has the qualification! He is the greatest genius of the first Kingdom!

With a wave of his hand, Zhong Qixuan directly tore up the space in the valley of death. A dark space crack appeared in front of him.

This space fissure can lead directly to the seventh God kingdom!

The smile on his face deepened.

The space barrier between the great deities, for the strong at this level, is basically useless!

Zhong Qixuan moved, then entered the crack, leaving only a proud voice: "Ye Chen, don't let me down..."

.....

In a dark cave, a shocking scene appeared.

On the ground, is one after another corpse, even after death, still exudes a strong, chilling breath of the body!

These corpses, before their lives, were all monsters with incomparable strength!

But at this time, they can't die any more, and their causes of death are all the same.

All these monsters died of a sword wound in the middle of their eyebrows!

A terrible sword wound that directly penetrated their hard skull!

In the cave, a man is lying on the ground. Although his face is still a little pale, his flesh and blood have basically recovered.

This person, of course, is Ye Chen.

In front of Ye Chen's body, there is a long sword. After the sword, there is a virtual shadow of a beautiful woman.

The corpse of a monster is more than 10 meters away from the sword!

It seems that ye Chen's place is separated from the cave.

This, of course, is the work of the sword soul.

The reason why Ye Chen was able to recover the losses and injuries in the first battle with Zhao Tian was because of the constant protection of the sword soul.

But at this time, on the beautiful face of the sword soul, there is also a strong color of exhaustion.

She underestimated the attraction of Ye Chen's body to those monsters. Even though ye Chen's life was almost exhausted, she still attracted countless powerful demons hidden in the land of Lingwu!

Although the strength of the sword soul itself is extremely terrible, even if it is the top martial arts God, in its eyes, it is not much better than mole ants.

She doesn't even belong to the kingdom of God, she belongs to a more distant world.

However, today's she, after all, is just similar to the existence of the soul. Her energy is extremely limited, and most of her strength is sealed

In order to help Ye Chen in the battle with Zhao Tian, the spirit of the sword has spent almost all the strength that can be used. However, the protection of these days has made her residual strength at the bottom.

If she had not been able to use some of the remaining power of Sha Jian in the last battle, she might not even have been able to support it until now!

The soul of the sword looked at Ye Chen anxiously and said to himself, "boy, how come you haven't woken up yet?"

However, even if it has reached the limit, it may hurt the origin if it is forced to hold on, but the soul of the sword is still not shaken. At this time, Ye Chen's eyelashes suddenly moved, the next moment, slowly opened his eyes.

A beautiful face of some illusory, printed into the eye.

Ye Chen was stunned. Then, he saw the corpse of a demon beast on the ground and understood what had happened. He saw a warm feeling in his eyes and said with a smile to the sword soul: "thank you for protecting me during my healing."

In the beautiful eyes of the sword soul, a glimmer of joy flashed. However, it soon recovered to the cold appearance before, and coldly hummed: "it's just a little wound. It took so many days to recover. It's really disgraceful of me."

Ye Chen could not help but smile bitterly. The vision of the sword soul is too high. He killed such a terrible guardian and survived. It can be said that it is enough to record in the history of the kingdom of God?

However, in the eyes of sword soul, it is still disgraceful

"And..."

The beautiful eyes of the sword soul suddenly float and fluctuate continuously. They slightly turn their eyes from ye Chen's face and say: "don't always be an elder. I don't like such a name My name is Xuan Hanyu. "

Ye Chen is a little surprised when he hears the speech. The soul of the sword originally gives him the feeling of a cold sword, sharp, deadly and merciless.

After all, the soul of sword is essentially the fusion of the spirit of the warrior and the spirit of the instrument.

But now, how does he feel that the sword soul is more and more like a woman?

Or that kind of haughty beauty

What's more, the sword soul is also called Xuan?

After all, the surname Xuan is rare. What does it have to do with xuanjiyue, the empress of the upper world?

Ye Chen shakes his head. It should not be possible.

However, now ye Chen has completely trusted the spirit of the sword and regarded it as his own. Naturally, he would not have any opinions. He said with a smile: "I know, xuanxianzi."

Xuanhanyu, the soul of the sword, heard the speech. Although he was still dissatisfied, he did not say anything more in terms of address. Instead, he turned to his mouth and said, "Ye Chen, this time, my consumption is not small. I have to sleep for a period of time. During this time, I can't help you."

Ye Chen nodded his head and said, "I know, Xuanxian has a good rest."

Xuanhanyu also said: "also, you are just beginning to understand the secret of killing Heaven Sword I taught you. If you can fully understand it, even if you do not use my power, you will have the power to fight against the six layers of heaven in the heaven God realm."

Chapter 3049

Ye Chen is slightly stunned by the words of the sword soul.

Although he knew that he had the ability to fight beyond the level, he knew that he could not fight against the existence of the six layers of heaven in the heaven God realm!

Killing the guardian Zhao Tian is just because of the existence of the sword spirit.

Without sword soul, he may even fall down!

Now, according to the sword soul, the cultivation of mietian sword formula is so powerful?

If you completely step into chaos, plus the sword of death, reincarnation graveyard, and many cards, you may be qualified to face a stronger existence!

At this moment, in Ye Chen's eyes, the divine light surges!

He needs strength, need to face up to the strength of cold family related to emperor yuan palace!

"And Xuanhanyu said lightly, "if you can master the formula of mietian sword, you may be able to make a breakthrough on the way of destroying God. Then, maybe you can cut off the second chain on me."

When ye Chen hears the speech, there is a flash of joy on his face. The reason why he was able to kill Zhao Tian is largely due to the help of the sword spirit!

And this is just a sword soul that has cut off a chain!

If you can cut another chain, the help that sword soul can bring to him is not one plus one equals two, so simple!

Ye Chen can be sure that after cutting off the second chain, the strength brought by the sword soul will be increased by several times!

After saying that, the soul of the sword turned into a white light and blended into the evil sword and fell into a deep sleep.

And ye Chen also stood up and walked out of the cave.

.....

At the same time, the first Kingdom is a cave.

Qu Xueyong paced back and forth!

In the past few days, he felt that the breath of his grandfather was getting weaker and weaker.

If it wasn't for the grandfather's request, he might have gone to look for ye Chen.

Ji Siqing has all the opportunities for the musicians!

If Ji Siqing had an accident, Qu Xueyong would have been the culprit of the Qu family!

He hesitated for a long time, or could not help but say: "ancestor, your state is getting worse and worse!"

"Now the woman's identity is unknown. If it goes on like this, it will not be good for you or for the kingdom of God!"

"If that woman went to look for ye Chen, it would be more troublesome!"

"It really can't be delayed any more."

At this time, in the cave, a strong blood gas gushed out!

Qu Xueyong's face changed greatly. He no longer protected the Dharma and rushed in directly!

At the moment, Ji Siqing was pale and fell on the ground. On the wall in front of her, there was an incomparably bright red blood!

"Grandfather

Qu Xueyong no longer hesitated, and his blood essence condensed. He drew a rune in front of him, which instantly reflected in Ji Siqing's eyebrows.

A few seconds later, Ji Siqing opened his eyes.

Qu Xueyong, fully aware of the seriousness of the matter, stood up directly and walked outside: "Laozu, no matter what, even if you want to kill me today, I will go to Ye Chen!"

"Lao Zu, you can't be so ambitious. Ye Chen's medical skills are invincible in the world. He is the only chance!"

Ji Siqing wants to say something, but she really has no strength.

The reincarnation star flame of Xuanji moon is too powerful.

Fortunately, this is the gathering of xuanjiyue's body. If xuanjiyue's reincarnation star flame origin, she might have died long ago.

She got up and sat cross legged, covered with Ancient Runes, barely recovering.

But the more you suppress the reincarnation flame in your body, the more explosive the latter is!

Her whole dress was even instantly soaked!

Sweet sweat!

The whole cave seems to be burning with endless flame!

.....

The screen rotates.

Ye Chen is preparing to leave the cave, and the void around him is torn apart.

A slightly old and dignified figure suddenly appeared.

To Ye Chen's surprise, this man is no other than Qu Xueyong, the master of the Qu family!

Key song Xueyong is not staying well in Shenguo. How can he come to Lingwu?

Is it for Zixiao stone?

Or to convey Ji Siqing?

These days, he sent people to look for Ji Siqing, and the news was that Ji Siqing and the master of the Qu family had gone to the first God kingdom together.

No one knows what to do.

Ye Chen doesn't think much about it any more. Seeing Qu Xueyong coming, he says, "master Qu, you are all right."

"Ye Xiaoyou, something happened."

Qu Xueyong had no intention of being polite. His face was dignified and his eyes were full of anxiety.

"What's the matter, Siqing? Are you alone? "

Ye Chen is a little confused.

"Ye Xiaoyou, my grandfather, she Something happened to her... "

Qu Xueyong falls on Xuanji moon and fights Ji Siqing. As a result, both girls are hurt. Ji Siqing is roasted by reincarnation star flame, and he tells Ye Chen in a hurry."What, Xuan The woman, she came? "

Ye Chen is shocked. Unexpectedly, Xuanji moon has arrived. If such characters come to the kingdom of God, they will be turned upside down.

"It's not the real body. It's just a dirty soil. But it also has the strength of the four layers of heaven and God realm. It's really not weak. My ancestor was injured by her and is now in secret healing. The situation is not optimistic. Ye Xiaoyou has a good medical skill. Please help me with diagnosis and treatment."

Qu Xueyong bowed his head and arched his hands, and his face was respectful.

"Dirty soil is separated."

Ye Chen's face is dignified. He is just a filthy person. He has such a strong strength. How powerful is the real body of xuanjiyue.

"Find out where she is and take me to see her."

Ye Chen's busy way, only remember Ji Siqing's safety.

Reincarnation star flame, how powerful.

At the beginning, Xia Ruoxue, after refining the reincarnation star flame, joined hands with him to fight against Xuan Ji. It can be imagined that this flame is powerful.

And Xuanji moon's reincarnation star flame, the breath is more severe than Xia Ruoxue's.

Now Ji Siqing is burned by the star flame. If he doesn't rescue him, his life will be in danger.

"Ye Xiaoyou, please follow me."

When Qu Xueyong heard Ye Chen willing to move, he was immediately overjoyed. He immediately took Ye Chen and tore the void. He kept on driving, and soon returned to Ji Siqing's cave.

Standing at the entrance of the cave, they only heard Ji Siqing's slight sound of pain.

"Ye Xiaoyou, she's in there."

Qu Xueyong knew that Ji Siqing was seriously injured, and his posture was not very elegant, so he kept his head down and did not probe in to watch, for fear of blasphemy.

"The safety of your ancestors is up to you. I will protect the Dharma for you."

Qu Xueyong jumped out and fell into the mountain forest in the distance. He was alert to look around and watch out for the beasts in the forest, so as not to disturb Ye Chen and Ji Siqing.

"Siqing!"

Inside, the face strides into the cave.

Boom!

Suddenly, ye Chen felt the heat waves, whistling to rush.

Inside the cave, the temperature is very high, and the stones are red.

Ji Siqing was lying on a natural stone bed, sweating like rain all over his body, his skin was red, his clothes and hair were disordered, he was short of breath and his chest was constantly fluctuating.

Chapter 3050

Ye Chen thought about his meeting with Ji Siqing, but he never thought it would be like this!

From Kunlun Xu, Ji Siqing is the beautiful girl of heaven. Although he met Ji Siqing once, he took a bath!

But I have never seen this scene!

CHEN Ye is not wavering! He is more worried about Ji Siqing's situation!

"Ye Chen, you You're here. "

Ji Siqing looks at Ye Chen's figure, and suddenly has a kind of dreamlike feeling. He tries to endure the burning pain in his meridians and spits out his voice gently.

"Siqing, don't talk. Have a good rest."

Ye Chen's face sank, came to Ji Siqing, touched her forehead, immediately felt very hot, and then put her pulse, only feel the pulse is weak, gas if gossamer, at any time there is a danger of death.

Key reincarnation star flame is too overbearing! And very aggressive!

Even if he is reincarnated, he can't stop it!

"Why are you hurt so badly?"

Ye Chen is completely shocked. Unexpectedly, Ji Siqing's injury is so serious that it seems that magma is flowing in his meridians, and his whole body is boiling hot and hot. It seems that he will melt at any time.

Xuanjiyue's method is really cruel.

Even ye Chen, in the face of Ji Siqing's serious injury, also feel very difficult.

"Ye Chen, I Am I going to die? "

Ji Siqing has a wry smile on her pretty face. She overdrafts the power of the female warrior God. She bears a huge burden and is burned by the reincarnation star flame. Now the situation is very serious.

She felt deeply that her life was rapidly passing away.

At stake.

If the peak, she is not afraid of xuanjiyue that way!

Unfortunately, her growth time is still too short!

"It's OK. Fortunately, you have broken through to the heaven God realm, and your strength has become much stronger. There is still a chance to save it."

"In Kunlun Xu, you always cover me. In the kingdom of God, it's my turn to take care of you."

Ye Chen smile, gently for Ji Siqing wipe the sweat on the forehead, soothing her mind.

"You You don't have to lie to me

Ji Siqing's voice is weak, his chest rises and falls rapidly, and even his breathing becomes difficult.

"Don't talk. I'll treat you right away."

Ye Chen's face congealed, hurriedly took out the gold needle, fingers gently pinched, Daodao Lingli poured on the gold needle.

Whoa!

All of a sudden, the gold needle bloomed out a bright light.

Ye Chen holds his breath, holding a gold needle in his hand, and falls on Ji Siqing's snow-white wrist.

Whoa!

But an amazing scene appeared. Just after his gold needle fell, Ji Siqing burst out a powerful star flame energy, which melted the gold needle directly!

"Reincarnation star flame, incredibly powerful to this point?"

Ye Chen is suddenly surprised. He can't imagine that his gold needle will be melted directly.

His face also felt the intense heat.

This reincarnation star flame, the energy is too terrible, can easily melt the gold and iron, extinguish everything.

The gold needle under his cloth, before it had any effect, dissipated directly and could not be treated at all.

"Hum..."

Ji Siqing, however, was bitten by the reincarnation star flame, and his whole body was burning with fire, which was very uncomfortable.

"Ye Chen, I'm so hot..."

Ji Siqing groaned and subconsciously stretched out his thin and white hand and took off part of his clothes.

Suddenly, a faint, slightly white and jade run carcass, without reservation, emerged in front of Ye Chen.

Even if he took off his clothes, Ji Siqing still felt hot all over the body and couldn't stop suffering.

Ye Chen stares big eyes, looking at this beautiful body, immediately deeply takes a breath, heart bursts of fire.

But now, it's not the time to think.

Ye Chen took a deep breath, calmed his mind and thought of the burning stele.

At the beginning of Xia Ruoxue refining reincarnation star flame, Yan stele has absorbed part of the energy of star flame.

This stone tablet of reincarnation may have therapeutic effect on Ji Siqing's injury.

"Think clearly, bear with it."

Ye Chen immediately offered sacrifices to the burning stele. Suddenly, a stone tablet lingering with the raging fire was suspended in front of Ji Siqing.

Hoo Hoo Hoo Hoo!

As soon as the burning stele came out, it was crazily absorbing the star flame breath on Ji Siqing.

"Sure enough! It works

Seeing this scene, ye Chen was surprised.

In an instant, the star flame on the surface of Ji Siqing's delicate body was absorbed by the burning stele.

The whole piece of burning stele is shining brilliantly.

And Ji Siqing, after the surface of the star flame faded, her skin, restore bright and clean like snow.

Pretty face son, also faded red, become white and tender.

Very attractive.

"Ye Chen..." Ji Siqing opened her eyes, only felt that under the influence of the burning stele, the burning pain of her body was eased a lot, and her consciousness was also sober up.

"Are you all right?"

Ye Chen gently stroked her forehead.

Ji Siqing, with her beautiful eyes, looked at her naked appearance, and suddenly blushed with shame. She wanted to put on her clothes again, but her wound had just eased and she couldn't move a finger.

"I'll help you."

Ye Chen slightly wry smile, immediately picked up Ji Siqing's clothes, gently put them on for her.

When the fingertip across Ji Siqing's skin, inadvertently touch some soft places, ye Chen's heart is also a burst of agitation.

"Well..."

In vain, Ji Siqing grunted, and his cheeks flushed up, which made him very uncomfortable.

"What's the matter?"

Ye Chen's face changed slightly, and she pinched her wrist in a hurry.

The next moment, ye Chen is surprised to find that there is a very terrible fire poison in Ji Siqing Dan field!

These fire poisons belong to the samsara star flame!

Yan stele can absorb the pure breath of reincarnation star flame, but the fire poison precipitated down is completely violent poison, which can not be absorbed at all.

These pyrotoxins, like a time bomb, once exploded, Ji Siqing's just recovered body will be seriously injured again, even in danger of falling.

"The fire poison is still in my elixir field."

"It seems that Xuan Jiyue must kill me."

Ji Siqing's silver teeth bit, but also found their own bad.

"It's OK. Don't be afraid."

Ye Chen gently stroked her hair, urged the burning stele to suppress the fire poison in her elixir field.

Although burning stele can not absorb the fire poison, it can at least suppress it and prevent it from happening.

"I'm afraid this fire poison will follow me all my life."

Ji Siqing smiles bitterly, only feels that the fire poison is like the maggot of tarsal bone, firmly attached to her elixir field, lingering.

Ye Chen bit his teeth. Although his burning stele can suppress the fire poison, it is absolutely impossible to treat it permanently.

Reincarnation star flame residual poison, how powerful, even the body of the gods, can not bear.

As time goes by, the fire poison breaks out, and Ji Siqing will surely die.

"Boy."

When ye Chen is frowning, the voice of the Immortal Dragon Emperor comes from the samsara cemetery.

"Master, do you have a way?"

Ye Chen is happy in the heart and asks in a hurry.
