

## Physician 3061

### Chapter 3061

"If you don't worship the emperor, heaven will kill the earth. Will you kneel down for me?"

Xuanjiyue's eyes are cold. If before, she would never easily reveal her identity. Otherwise, she would be detected by the designer behind the scenes, and she would be in great trouble.

But now, the thunder is boiling all over the sky, and the breath of thunder robbery covers everything. Even if she is exposed, she will not be in danger of being found.

"Joke, I don't have blood. Who would kneel down for you?"

After a brief shock, Mo Xueming soon recovered his composure.

"Don't say you're just a filthy person. Even if the queen comes in person, you're not qualified to let me kneel down."

Mo Xueming finger calculation, even if out of Xuanji moon is just a dirty soil, not the real body.

With his arrogance, it is absolutely impossible to kneel down to anyone.

A scholar can be killed, not disgraced.

He can be killed, but never kneel down.

"Ha ha, a bit of backbone."

Xuanjiyue also did not care too much, indifferent way: "only hope that after the catastrophe comes, you can still have such arrogance."

After a pause, xuanjiyue waved her hand: "well, time is pressing. I don't have time to talk to you. I'll borrow the reincarnation star stone for a few more days. Goodbye." Turn around and want to go.

"Slow down!"

Mo Xueming called her in a cold voice.

"Why, you won't lend me?"

Xuanji moon eyebrows sullen.

"I can lend it to you, but what about the martial arts magic you promised me?"

Mo Xueming rubbed his fingers and asked.

"Take it!"

Xuanjiyue was a little impatient. With a wave of her slender hand, countless runes condensed into magical powers and flew to Mo Xueming's eyes.

"The sword of breaking the moon in the great wilderness, the sword of Zhentian Imperial City, and the sword of killing the emperor in a flash?"

Mo Xueming glanced at him and immediately showed a disdainful look: "on this point, do you want to send me away?"

"What else do you want?"

Xuanjiyue is more and more angry. She doesn't have the heart to talk to Mo Xueming any more. Every time she delays, her crisis is aggravated by one point.

We must go to the nine heaven dragon hall as soon as possible to find out everything!

"Hongmeng ancient Dharma, give me a Hongmeng ancient Dharma."

Mo Xueming carried his hands on his back and slowly opened the condition.

Xuanjiyue's trip to the nine heaven god dragon hall is not sure how dangerous it will be. His reincarnation star flame is also in danger of being lost at any time.

If Xuan Jiyue doesn't give him enough benefits, he can't let her take the star stone.

"Wanton, do you still want Hongmeng Gufa? Dream

Xuanji moon silver teeth bite.

Thirty three Tianhong Mongolian law, even in the upper realm, is not weak.

In the kingdom of God, the ancient method of Hongmeng is close to the existence of heaven. It is extremely destructive. If you practice it, you can be unique in the world.

Now when Mo Xueming opened his mouth, he asked for Hongmeng ancient Dharma. It was like a lion's mouth.

"It is impossible to learn the ancient method of Hongmeng. I can teach you at most one or two rules of the upper bound. Are you interested?" Xuanji moon road.

"Hongmeng ancient method is my bottom line. If you want to take away the star stone, you must give me an ancient law, otherwise you don't want to leave here."

Mo Xueming is still carrying his hands, not a bit backward.

"Good, good!"

Xuan Ji Yue snorted, time is pressing, she also did not have the mind to bargain.

Whoa!

With a wave of her slender hand, xuanjiyue offered a jade slip and gave it directly to Mo Xueming.

"You have offended me today. If you go to the upper world, I will certainly tear you to pieces."

In the eyes of xuanjiyue, she doesn't cover up the murder.

"Ha ha, I'll go to the upper world one day, and it's not sure who will kill them."

Mo Xueming also laughed. He also knew that he had offended xuanjiyue today. When he went to the upper world, there would be endless killing opportunities.

But he doesn't care. As long as he gets Hongmeng ancient method and devotes himself to practice, his strength will certainly advance by leaps and bounds. It is not easy for Xuan Jiyue to kill him.

Mo Xueming took the jade slips and swept his mind. Suddenly, he found that inside the jade slips, there was a very powerful magic power sealed on it, which was just a shock to the world.

"Zhutian Shenjian Jue, refining blood into flying sword, wonderful, wonderful!"

The magic power in the jade slips, called Zhutian Shenjian Jue, is a genuine Hongmeng ancient method. Among the 33 Tianhong Mongolian methods, it is enough to be in the forefront, much more powerful than his giant elephant Zhentian strength.

There are 100000 drops of blood in the whole body of the human body, which is the magic power of cultivating blood. All the blood of the whole body is refined into flying sword.

As long as you practice, every drop of blood can evolve into a flying sword!

One hundred thousand flying swords, all cut out, are enough to destroy the heaven and earth, to break the stars and the moon. They are so powerful that they are simply terrible.

In order to borrow the reincarnation star stone, Xuanji moon did not hesitate to give the precious ancient method of Hongmeng to Mo Xueming directly.

Mo Xueming's eyes twinkled with light. If he practiced such a powerful magic power, he would be able to fight against Xuanyuan ink evil!"Hongmeng Gufa has given it to you. Can I go now?"

Xuanji moon cold way.

"Wait a minute."

Mo Xueming clapped his hands. In the void, there were two strong men in the heaven God realm, both of them were the Dharma protectors of the Ming Temple.

"It's very dangerous to go to the nine heaven dragon hall. Both of my subordinates are strong in the heaven and God realm, and can help you."

There is no light blood.

Xuanjiyue's life and death, he naturally does not care, she died the best.

However, reincarnation star stone, Mo Xueming is regarded as the lifeblood.

Xuanjiyue's death is not a pity, but if his reincarnation star stone is destroyed, he will cry too late.

Therefore, sending two celestial masters to help is just to protect the reincarnation star stone.

"Thank you very much."

Xuanji Yue snorted, but did not refuse. She tore up the void and rushed to the nine heaven dragon hall.

And the two Dharma protectors of the heaven God realm closely followed her.

Boom!

At this time, the nine days dragon hall, thunder robbery finally fell!

Thunder clouds rolling all over the sky, a bucket of thick lightning, with the horror of blowing out heaven and earth, severely bombed down.

The endless thunder light directly penetrated the prohibition of the nine heaven god dragon hall, and directly exploded into the deep sea of dragon blood.

Bang bang bang!

The whole dragon blood deep sea, water mist billows, aroused the towering water column.

Countless creatures were crushed by thunder and turned into fly ash in an instant.

The whole sea was boiling, beating with countless dragons and snakes like lightning, raging thunder everywhere, in an instant, the sea water was evaporated directly!

Boiling water mist, curling into the sky.

The power of thunder robbery is beyond description.

Now the dragon blood deep sea, completely turned into a dry abyss pit!

Once all the creatures in the sea have been destroyed!

At the bottom of the sea, ye Chen is sitting with his knees crossed, and his body is surrounded by spiritual runes, guarding himself.

Boom! Boom! Boom!

Under the constant bombing of thunder, ye Chen clenched his teeth and suffered the impact of thunder robbery.

His skin was directly cracked by thunder and lightning, and wisps of blood seeped out.

Chapter 3062

Turbulent thunder robbery, also want to drill into Ye Chen's body, crush his internal organs.

"Ye Chen..."

Ji Siqing stands in the distance, looking at Ye Chen being engulfed by thunder robbery, and her eyes suddenly show great worry.

She would like to help, but ye Chen has to survive the thunder robbery. This is a cocoon breaking butterfly. How can outsiders intervene?

In the nine heaven dragon hall, ye Luo'er and the supreme dragon emperor also saw the horrible picture of thunder robbery coming into the world.

"Elder brother Ye is going to be robbed!"

When ye Luo'er sees this scene, her pretty face suddenly shows the color of shock.

She originally wanted to go back and continue to torture the Dragon God, but now seeing the thunder rolling down all over the sky, she knew that ye Chen was crossing the robbery.

"No, I'm going to help. You go back first."

Ye Luo'er looked at the supreme Dragon Emperor and ordered him to rush to the deep sea of dragon blood alone.

"Master, I will go with you."

The supreme dragon emperor called out, worried about ye Luo'er's safety, and hurriedly followed him.

But outside the hall, a man with a long eye in his brow, wearing armor and a long knife on his waist, came quietly.

His body, faintly sends out the endless evil spirit wave.

It's the ancient fierce, three eyed Sirius!

Entrusted by Xuan Yuan Mo Xie, I came to the nine heaven god dragon hall to investigate the disappearance of the Dragon God in the hot sky!

"The thunder robbery is not simple."

Sirius's eyes were deep, and his sculptural bony palms were clear. He tightly held the handle of the knife and looked up at the bombing raids.

"I don't know what danger is hidden behind the thunder robbery. I have to be careful."

Sirius calmed down, drew his sword out of his sheath, and rolled out of the ancient devil Qi. With a strange breath, he chopped at the prohibition of the nine heaven god dragon hall.

Hiss!

All of a sudden, the ban was cut open a crack.

Sirius put his knife into the scabbard and quickly flew into it.

Although he didn't have the blood of the Dragon nationality, he still mastered some special secrets and could break the prohibition.

What's more, now that the thunder robbery has come into the world, the prohibition of the nine heaven god dragon hall has also been shaken. It's easier for him to break it.

At this time, ye Chen was absorbed in the robbery and did not know what happened outside.

Boom!

Thunder robbery more and more strong, ye Chen whole body electric light burst, countless thunder and lightning into a big cocoon, firmly wrapped him.

If he can break the cocoon and kill out, his cultivation can step into chaos and make rapid progress.

Once the cocoon is broken, it will be broken to pieces!

"Red dust God pulse, open!"

"Ling Feng Shen Mai, open up!"

"Destroy Shinto, open!"

Ye Chen roars in his heart and immediately pushes the energy of his blood to the extreme.

Red dust God pulse, Ling Feng God pulse, all crazy broke out the breath of heaven.

On his body, the golden light is vast, the divine haze blooms, and he tries his best to resist the bombing of thunder robbery.

This thunder robbery is not as complicated as the original Taixu thunder robbery, only one wave.

But this wave of thunder robbery is a very powerful wave!

Even a planet is going to explode.

Ye Chen's blood pulse all urge, but still can not resist, a trace of violent lightning, crazy into his channels.

All of a sudden, ye Chen's muscles and bones were in sharp pain and paralyzed.

"Suppressed by me!"

Ye Chen's eyes are sharp, the star tree dust in the center of his brow bursts out vast energy, and constantly suppresses the thunder robbery that rushes into the body.

In fact, there is a small chaotic world hidden in a little dust. Under the suppression of the power of the world law, the thunder robbery in the meridians suddenly disintegrates.

Ye Chen's pressure is loose. Fortunately, he has thoroughly refined the chaotic star tree, and his muscles and bones have degenerated and expanded a lot. Otherwise, he would be hard to bear the impact of thunder robbery.

But it's not time to breathe.

Thunder robbery, still fierce!

I am afraid it is difficult to solve the disaster of thunder disaster by relying solely on the energy of chaotic star tree.

Ye Chen calm mind, continue to resist.

At this time, ye Luo'er and the supreme Dragon Emperor arrived.

"Brother Ye!"

When ye Luo'er sees the man crossing the robbery, he is indeed ye Chen, and his body suddenly shakes.

This thunder robbery, the breath is really terrible.

Around the void, full of raging electric light, there are many ball lightning, constantly exploding.

If you are an ordinary warrior in chaos, in such a violent thunderstorm disaster, it is absolutely necessary to instantly turn into fly ash.

Ye Chen, however, is in the center of thunder robbery!

You can imagine the pressure he has to bear.

Ye Luo'er bit his teeth and waved his slender hand. He was ready to go. He wanted to resolve some thunder robberies and relieve Ye Chen's pressure.

"Let him bear it."

Ji Siqing sees the situation, a brush of sleeve robe, a smooth air wave, like an iron wall, blocks Ye Luo'er's hand. This thunder robbery, is Ye Chen's Doomsday.

If outsiders help, they will not only help him, but also harm him.

Ye Luo'er's body trembled and looked at Ye Chen's thunderous appearance. Her eyes were slightly red, but she also knew that she had to rely on Ye Chen to cross the thunder robbery.

She and Ji Siqing look at each other, and the two women have a tacit understanding. They guard the law for Ye Chen and protect him from the influence of the outside world.

Boom!

In vain, a very strong breath wave, such as mountain collapse and sea extinction, came from the outside.

God breath!

There are enough three gods' breath, killed in the nine days' god dragon hall!

"Someone's coming!"

Ye Luo Er's face changed slightly.

"Xuanjiyue, it's her!"

Ji Siqing suddenly has a cold face. She instantly senses that this is the breath of Xuanji moon, and she also brings two masters of the heaven God realm.

"Xuan..."

Ye Luo'er wants to ask who Xuanjiyue is, but she is surprised to find that these three words are taboo, with infinite opportunities, and she can't speak.

"The queen of the upper world."

Ji Siqing's tone is cold and his eyes are full of murderous spirit.

"Queen of the upper world, how did she come to the kingdom of God?"

Hearing this, Ye Luo'er was shocked.

She has also heard of the legend of the queen of the upper Kingdom, which is the supreme existence of the upper world. How could it appear in the kingdom of God?

Next to the supreme Dragon Emperor, is also shocked.

The queen of the upper world, that is the presence of the powerful and powerful people in all parts of the world. When she comes to the kingdom of God, I don't know how shocking the waves will be.

"It's not the real body, it's just a dirty soil, and the strength is in the four layers of heaven and God."

Ji Siqing pulled out his sword and said.

"There are four layers of heaven, which is not weak."

Ye Luo'er has a pretty face and a dignified face. The martial arts in the four layers of heaven and God realm can not be underestimated.

"I'll meet her. You stay here to look after Ye Chen."

Ji Siqing held the sword in his slender hand, pointed his feet, and flew out like a meteor.

Absolutely can't let Xuanjiyue kill here, otherwise it will affect Ye Chendu's robbery and the consequences will be unimaginable.

"Sister Siqing!"

Ye Luo'er called and wanted to follow him, but he looked back at Ye Chen and decided to stay.

She must guard Ye Chen!

Never let anyone disturb you! Fear of death!

Chapter 3063

At this moment, Xuanjiyue, with two powerful Dharma protectors of the underworld temple, directly breaks through the prohibition of the nine heaven dragon hall and breaks in.

"These thunder robberies are really earth shaking. It must be Ji Siqing's bitch who is crossing the robbery!"

Xuanjiyue bit her teeth and arrived at the nine day dragon hall in person. She deeply felt the horror of thunder robbery.

The atmosphere of violent thunderstorm is raging in the sky and the earth, as if to destroy everything.

Now, she just thinks it's Ji Siqing.

Once Ji Siqing succeeds in robbing and reviving the ancient female warrior God, she will surely die.

Stop it!

It has to be stopped!

"Come with me!"

Xuanjiyue didn't dare to neglect her. She immediately took the two Dharma protectors of the underworld palace and rushed to the source of thunder robbery.

Flying over a mountain forest, xuanjiyue found in vain that there was a fine awn, such as a meteor chasing the moon, which killed her instantly.

"Qu Chenyan, it's you!"

Xuanji moon beauty eyes a shrink, this fine awn, is Ji Siqing!

Ji Siqing, holding a long sword, stabbed him like a star and moon, pointing straight at Xuanji Yue's eyebrows.

Xuanjiyue quickly offered a long sword and danced the sword to block her.

Ding!

The two swords hit each other and scraped out a string of sparks.

Ji Siqing's body is like pianhong and flies back for a distance.

And Xuan Jiyue, also back.

This confrontation, two people felt that the other side breath is strong, obviously is the injury completely recovered, and the strength each has the progress.

"Aren't you robbing?"

Xuanjiyue looks at Ji Siqing and is in a state of disbelief.

She thought Ji Siqing was the one who took the robbery.

But unexpectedly, Ji Siqing appeared in vain.

Looking at Ji Siqing's appearance, it is obvious that she wants to stop her step and prevent her from going to the source of thunder.

Who was the one who was responsible for the robbery?

"It's none of your business."

Ji Siqing stood with the sword, and his eyes glanced at Xuan Jiyue. He wondered in his heart:

"this bitch has been hit by my fiery sky rosefinch sword. He has recovered from such a serious injury. I don't know what means he has used."

Her blazing sky rosefinch sword is a Mongolian method of thirty-three Tianhong. It is powerful enough to kill xuanjiyue's filthy body. But unexpectedly, Xuan Jiyue survived, and her strength was improved. I don't know what means she used.

This place is only four or five miles away from the source of thunder disaster, almost in an instant.

Ji Siqing holds the hilt tightly. No matter what, she won't let xuanjiyue break through the defense line and hurt Ye Chen.

"Get out of my way. Don't stop me."

Xuanjiyue's body is like a streamer. She wants to break through Ji Siqing and go to the source of thunder.

Since Ji Siqing was not the one who took the robbery, there must be someone else.

Xuanjiyue just wants to find out the cause and effect and solve the crisis as soon as possible.

"If you want to leave here, kill me first!"

Ji Siqing, fearless and fearless, killed xuanjiyue with his slender hand and waved his sword.

Xuanjiyue was shocked when she saw that her sword was fierce and her movements were more fierce than before.

"You cunt, you have been poisoned by my star fire, but you still don't die. Who saved you?"

Xuanji moon frame sword return, in the heart is very curious, in the end is who, has such a powerful ability, actually can dissolve her star flame fire poison, saved Ji Siqing.

"Is it the man who took the robbery behind his back? What is the identity of the robber? "

Xuanjiyue asked repeatedly. She sensed that the crisis was becoming more and more intense. If she did not solve the cause and effect mystery, she would be in danger of being destroyed.

It's very important for her to suffer from depravity.

"You don't deserve to talk nonsense!"

Ji Siqing's cold eyes will not expose Ye Chen's identity.

Oh!

A crow of rosefinch broke out from her sword.

Ji Siqing used a trace of the energy of hongmengfa to kill xuanjiyue.

Xuanjiyue knows how powerful she is. A wisp of reincarnation star flame envelops the long sword and stabs her out with her sword.

Ding Ding Ding!

The two women were like lightning. In a flash, they killed each other thousands of times with their swords. Their swords collided with each other and blew up a torrential wave. The sparks scattered everywhere, but they fought a close match.

"This bitch is really hard to deal with."

Xuanji moon beautiful eyes a cold, although on the surface of the battle, is a close match, but in fact, it is she who fell behind.

Because, she has the strength of four layers of heaven, while Ji Siqing has only one layer of heaven.

She can't suppress Ji Siqing when they fight a decisive battle. It can be seen that Ji Siqing's martial arts background is so strong.

"What are you two doing in a daze? Do it for me!"

Xuanjiyue looked back at the two Dharma protectors of the underworld hall and yelled.

With her arrogant temperament, she doesn't want to rely on outsiders for help. However, with the crisis looming over her, she just wants to kill Ji Siqing as soon as possible, and go to the place where the thunder was robbed to find out the cause and effect. She really can't delay any more. Otherwise, the victims will break through smoothly, and she will be in great danger. "Yes, my Lord!"

The two Dharma protectors of the temple of the underworld immediately accepted their orders, each offering a chain, sweeping through the air and killing Ji Siqing fiercely.

Their weapon, this chain, is very unique.

On the chain, there are endless demonic Qi burst out, plundering the void, actually sent out the ancient magic sound, stirring people's soul.

"It's a giant elephant, it's a giant elephant!"

Ji Siqing's face is dignified, and under the harsh sound of magic sound, all kinds of purgatory illusions appear in her mind.

It's a great way to protect the heaven.

Obviously, Mo Xueming taught two people a part, although it is a small part, but at this moment, it is enough to threaten.

Juxiang Zhentian Jin is also the 33 Tianhong Mongolian Dharma. It belongs to the ancient evil spirit. Although its power is not as powerful as that of the fiery sky rosefinch sword, it also has powerful killing power.

Naturally, these two Dharma protectors of the underworld hall are not qualified to practice. However, under the instruction of Mo Xueming, they have grasped a trace of ancient Dharma tricks. Now they are put into practice, and the chains are plunging into the air and the magic sounds are heard. They are very difficult to deal with.

Ji Siqing keeps his mind and spirit. He bursts out of his body the fighting spirit of the ancient warrior God. He blows his sword and kills him. He is one enemy and three.

"Not yet? Look for death

Xuanji Yue snorted coldly. She thought Ji Siqing would step back and give way, but she didn't give in at all.

In this case, xuanjiyue didn't leave her hands. She joined hands with the two Dharma protectors of the underworld hall, and they fought wildly.

Bursts of shocking collision, continue to break out.

At the bottom of the dragon's blood, ye lu'er and the supreme dragon emperor also heard the sound of collision.

Their eyes, with a trace of worry, looked at the distant sky.

"Elder Dragon Emperor, elder sister Siqing seems to be a little bad. Go and help her quickly."

Ye Luo'er is afraid of Ji Siqing's accident and hurried.

"Master, I will guard by your side."

The supreme Dragon Emperor lowered his eyebrows and lowered his hand, but he did not want to leave her.

Ye Luo'er said: "I can stay here alone. Go to help quickly, or sister Siqing has an accident. Elder brother ye will certainly not spare me."

Chapter 3064

At the end of the day, her tone was a little sour.

Ye Chen and Ji Siqing together, she is after all meaning difficult to Ping.

She has grown up, that ignorant heart is constantly colliding.

"Yes, master."

The supreme Dragon Emperor didn't say anything more. He immediately flew out to help.

Ye Luo'er stays in place, guarding Ye Chen.

Ye Chen's whole body thunders violently, thunder rob more and more intense.

One by one lightning, actually gradually evolved into a dark color, such as the chain of punishment.

Black thunder and lightning, showing a very terrible atmosphere of destruction, frantically bombing Ye Chen's body.

"Want to kill me? It's not that easy! "

Ye Chen clenched his teeth to support him, and his mind moved. He sacrificed the evil sword, and the sword spirit rolled like black fog burst out to counter the crazy thunder around him.

Sha sword absorbed a lot of dragon spirit, and the breath was greatly enhanced. Now she was fighting against thunder robbery, and she was barely able to share part of the pressure for ye Chen.

Chuckle!

In vain, an amazing scene appeared. The evil sword actually sent out a whirlpool like suction, absorbing the thunder and lightning around.

All of a sudden, the pressure of Ye Chen is greatly reduced.

"Master..."

Ye Chen is stunned, but he feels the change of the evil sword. It turns out that Xuanxian, the master of the sword soul, braved the risk to absorb the fluctuation of thunder robbery.

Xuanxianzi should have been sleeping, but apparently forced to wake up.

"Don't talk. Keep your mind."

The sound of the sword soul is deep, and the Taoist breath is released. On the one hand, it absorbs the thunder robbery and at the same time dissolves the tyranny of thunder.

This chaotic sky thunder, the pressure is very terrible, the sword soul also felt the huge pressure.

However, ye Chen is kind to her, and now she pays a little sacrifice, naturally it's no problem.

Ye Chen is secretly grateful and continues to guard his mind and resist the impact of thunder robbery.

On the other side, Ji Siqing, with one enemy and three, fell into a bitter battle.

Under the pressure of xuanjiyue and the two Dharma protectors of the underworld temple, she looks rather embarrassed. There are many sword marks on her arm, showing her skin as bright as blood, and blood stains can be seen clearly.

"Damn it."

Ji Siqing has bitten her teeth. If it continues like this, sooner or later she will die.

"The war spirit revives, the ancient great power, comes to me!"

At the critical moment, Ji Siqing took a deep breath, his eyes were firm, and his eyebrows flashed with bright light. He was ready to summon the ancient female martial god's energy.

The ancient female warrior God, Weili is so powerful that she has to suffer huge side effects every time she uses it. But at this juncture, she can't control so much.

"Miss Ji, I'll help you!"

In vain, a powerful cry startled the sky.

I saw a towering man, with the mighty dragon power, roaring through the air, is the supreme Dragon Emperor.

Ji Siqing is a little pleased. She knows that the Longwei man is guarding ye lu'er, and his strength is quite strong. He is willing to help, but he doesn't need her to take the risk of using the cards.

"This breath Ancient Longwei! You are the supreme Dragon Emperor

Xuanjiyue stepped back, only to feel that the man's power, very strong, there is a towering dragon spirit, dragon blood quality is very pure.

She instantly recognized that this man was the supreme Dragon Emperor, who also showed his edge in the ancient wars. After endless years of vicissitudes, her strength has regressed to the early days of the celestial realm, but still has the power of shocking the sky.

"You are Xuan The queen of the upper world

The supreme Dragon Emperor glanced at Xuanji moon, and suddenly there was a great pressure. He seemed to be facing a big mountain.

If fighting, he is not xuanjiyue's opponent.

"Well, since you know the prestige of this seat, don't you kneel down and worship?"

Xuanjiyue's eyes are cold and arrogant. In ancient times, the dragon clan was also a very important force. However, now, she ascends to the Queen's throne and dominates the upper world. Even the dragon clan, she does not pay much attention to it.

"My dragon blood, arrogant over the world, even if the heaven and earth do not kneel, how can you kneel down a woman?"

The supreme Dragon Emperor's rage broke out, his fists clenched, his fists exploded with towering majesty, and a succession of dragon lines appeared on his skin.

"Miss Ji, I'll deal with the two attendants."

The supreme Dragon Emperor's two fists together, like a dragon ascending to heaven, severely hit the two Hades behind xuanjiyue.

He knew that Ji Siqing would not lose to xuanjiyue if he fought alone.

So, as long as he drags the two Dharma protectors of the underworld hall and doesn't let them help xuanjiyue.

Roar!

The front of the fist burst and the Dragon roared to the sky.

The supreme Dragon Emperor's body is like Mount Tai, rolling in the air, and his fist falls down suddenly.

The two Dharma protectors of the underworld hall all changed their faces. They quickly waved the chains and quickly returned them.

The strength of the supreme Dragon Emperor is not as good as xuanjiyue, but it is not difficult to deal with the Dharma protectors of the two Ming temples.

Whoa!Unexpectedly, he grabbed the two chains and threw them away.

The ancient sounds of demons attached to the chain could not shake his mind at all.

The two Dharma protectors of the Ming Palace looked at each other with astonishment. They didn't expect the supremacy of the supreme Dragon Emperor.

At this time, the supreme emperor of the dragon stood in the sky with his arm muscles bulging one by one, and his blue veins suddenly protruding, which showed his absolute strength, which made people dare not look up to him.

The two Dharma protectors of the underworld hall immediately gave up the chain and drew out a short knife with poison. They attacked each other and killed the supreme Dragon Emperor.

They know that the supreme Dragon Emperor's power is amazing, and there is no chance of winning by hard hitting. Only when they swim close to each other can they have a chance to win.

Hoo Hoo Hoo Hoo!

The supreme Dragon Emperor wielded his fists to stir up stormy weather waves. Each blow was like a cannon ball, which stunned the two men and gave them no chance to get close to each other.

"This man has a legacy of ancient martial arts. Unfortunately, he can't be used by me."

Xuanjiyue looks at the supreme Dragon Emperor's fierce and domineering appearance. It's a pity.

These figures are indeed bold and aggressive, but they are not her subordinates.

"Since it can't be used by me, it's better to kill as soon as possible."

Xuanjiyue's eyes flit over the killing opportunity and stabs out the sword, pointing directly at the back empty door of the supreme Dragon Emperor.

"You are my enemy

Ji Si snorted coldly, and immediately stopped xuanjiyue's sword.

"Damn it."

Xuanjiyue bit her teeth. Now the supreme Dragon Emperor intervenes, but she can't bully less with more.

She has no chance of winning by herself.

Two startling women, again entangled with each other.

The war situation, suddenly fell into a standoff.

The supreme Dragon Emperor fought with two Dharma protectors of the Ming Palace with one enemy.

Ji Siqing, on the other hand, is on a par with xuanjiyue.

The two women did not use their cards, because the last fight, the consequences were too serious, two people almost fell, are palpitations.

And ye Chen, also in a standoff with thunder robbery.

"The thunder robbery seems to have come to an end!"

Ye Chen's eyes were shining, and he felt that the wave of the thunder robbery was coming to an end.

But ye Chen's face did not have the slightest joy.

The sky before dawn is the darkest!

Chapter 3065

At the end of the thunder robbery, there will be a strong impact. He may not be able to bear it.

Boom!

The dark lightning, with a strong sense of disaster, is raging wildly.

In the void, the thunder bombarded out the cracks.

On the earth, there are also cracks.

The surrounding land has completely turned into scorched earth.

Ye Luo'er stepped back and swung his body into a dragon.

She also saw that the last thunderstorm disaster was about to break out.

Once it breaks out, it will lead to tremendous fluctuations. If it does not turn into a dragon ahead of time, once it is crushed by a thunderstorm, she may be destroyed!

"Thank you very much, master."

Ye Chen bit his teeth and put away the evil sword first.

The soul of the sword has helped him a lot. In the last thunderstorm, he doesn't want to let the soul of the sword fight again. Otherwise, the soul of the sword will die, and he can't bear it.

Hum!

Ye Chen's mind moved and offered a red bead. It was the ancient treasure of Ye family, and the blood spirit of the Pearl!

Wisps of hazy red light, covering Ye Chen, the strong breath of life, formed a layer of absolute protective cover, firmly guarding him.

"Senior Chongguang, thunderstorm is coming. I'm going to sacrifice this bead. Please come out and avoid it."

Ye Chen's eyes are firm, and he has made a decision in his heart.

If you want to survive a thunderstorm, you have to pay a price.

This blood soul sealing pearl is an ancient magic weapon of Ye family. It has very strong energy of life law.

As long as the bead is sacrificed, it may be able to resist the crushing of thunderstorm and successfully cross the robbery.

This is Ye Chen's plan.

As for whether we can succeed or not, we have to leave it to fate.

"Ye Xiaoyou, although it's a hard time, you've got a lot of luck. There won't be any danger. You can rest assured."

The figure of Chongguang emperor floats out from the blood sealed beads and looks at Ye Chen with a smile.

Others worry about ye Chen, but he doesn't worry at all.

In his eyes, ye Chen is a son with deep vitality.

Moreover, in Chongguang tomb mansion before, ye Chen killed one horned Dryad one after another, as well as Mo Xueming's black evil spirit and scorpion, which were all great murderers in ancient times. After being killed, ye Chen could get the amazing Qi reward.

Ye Chen killed two fierce people, and his luck soared. In the heart of Chongguang emperor, ye Chen was sure to be safe and sound due to the thunder disaster.

"I hope so."

Ye Chen laughs bitterly, the air luck says, illusory, he can not be careless, after all, his own life, only one.

Boom!

Suddenly, the black thunder burst, and the disaster light was raging.

The last thunder disaster, finally came!

Ye Chen converges his mind and tries his best to activate the blood spirit and seal the spirit bead.

And Chongguang emperor, also floated to the outside, so as not to suffer from the disaster of the pond.

He lived in the blood spirit seal pearl for a period of time, his breath has recovered a lot, fully recovered to the four layers of heaven and God.

"Master, you are..."

When ye Luo'er saw the figure of Chongguang emperor, her pretty face was shocked.

She felt that Chongguang emperor had the ancient majesty of God, which was only the breath of the peak of heaven and God realm!

"My badge is Chongguang. Girl, are you ye Xiaoyou's companion?"

Chongguang emperor smiles, ye Chen is affected by the disaster, but he talks and laughs about such a dangerous thing. Obviously, he has great confidence in Ye Chen's good fortune.

"Taoist priest? No, it's not. "

Ye Luo Er's eyes are flustered and he denies.

"It turns out that elder brother Ye is the legendary emperor Chongguang. If you protect me, you will be safe."

Ye Luo'er naturally heard the name of Chongguang great emperor, the latter was among the seven ancient god emperors, which could not be ignored.

However, she did not expect that the soul of Chongguang emperor was born, which was hidden in Ye Chen's body.

Since ye Chen has such giants behind her, she is also relieved.

Boom!

Thunder raging, countless thunder and lightning, severely exploded in Ye Chen's body.

Whoa!

The shield of the law of life on his body was suddenly smashed, and black lightning suddenly fell down, which instantly made his skin and flesh burn.

This last thunder disaster, the lethality is simply terrible.

"Brother Ye!"

Ye Luo'er looks at Ye Chen's sufferings and is very fond of him.

Endless black lightning, crazy explosion, the surrounding world, completely become ruins of scorched earth.

Even the sky has been blown through several holes, through which you can see the sky, the Milky Way aurora and other weather.

Ye Chen clenched his teeth and felt sharp pain all over.

The thunderstorm rolled down and almost instantly knocked him out, and his bones made an unbearable sound, which seemed to be broken at any time.

"What a strong pressure!"

Ye Chen takes a deep breath and hastens to activate the blood spirit and seal the spirit bead, rolling the breath of life, continuously treating his injury. However, the thunderbolt is still exploding wildly. This treatment can not keep up with the speed of his injury.

"Well, it's still a sacrifice."

Ye Chen's eyes are firm, there is no hesitation, and his whole body is inspired by spiritual power, and he detonates the blood spirit seal God bead directly!

This bead, however, is an ancient treasure of the Ye family. It has a very powerful law of life. It can live a dead person and be white and white.

This time, ye Chen did not pity, directly detonated!

Suddenly, the majestic breath of life, such as the Yangtze River and the sea, filled with madness.

Around the thunder, and this breath of life, suddenly collided together.

On the one hand, it is black, while on the other is the vitality of blood.

The two breath, like black dragon and red dragon, collide with each other on Ye Chen's body, and the strength actually offsets each other!

"This boy is so brave."

Emperor Chongguang stood with his hands down, staring at this scene, and secretly admired Ye Chen's decision.

Blood soul seal God beads, these ancient treasures, also willing to sacrifice.

In order to survive the thunder disaster, ye Chen is really out of his way.

The blood spirit seal God bead was sacrificed, and the breath of life released just offset the disaster of thunder disaster.

Whoa.

Finally, the thunder disaster is over!

The blood soul seal God bead, turned into a pile of powder, thoroughly dispersed with the wind.

And all over the sky, but also clean up.

The sky, restored the blue color.

The terrible thunder robbery is finally over!

Hiss!

Ye Chen's eyebrow center, the mark of chaos star tree, burst out the towering light.

His body, also burst out the breath of incomparably strong.

This is the breath of chaos, grand, ancient, majestic, crushing everything!

"Chaos, I finally stepped into chaos!"

Ye Chen clenched his fist, only felt the strength in his body, unprecedented surge.

One step through the thunder disaster, he is simply a step up, instant transformation!

His fingers, lingering strands of chaotic waves, as if to crush the stars.

Now his strength, I do not know how much stronger than before.

The vast breath, straight into the sky.

In the sky, falling petals.

The earth, gushing out one after another golden lotus.

The land is full of Golden Lotus!

Ye Chen thoroughly breaks through to the chaos, and the vision of heaven and earth caused by Ye Chen is simply invincible.

Since ancient times, there has never been anyone who, when promoted to chaos, has caused such a vast astronomical phenomenon.

Chapter 3066

Even at this time, ye Chen only had a layer of cultivation in chaos, but his comprehensive combat effectiveness was enough to crush ordinary gods. He was simply arrogant and unruly!

"Brother ye..."

Ye Luo'er was deeply shocked. Unexpectedly, ye Chen's chaotic atmosphere was so strong that it was so strong.

"Good. I'll clean up the door and get revenge. I'll be there soon."

Emperor Chongguang stroked his beard with a smile, and ye Chen's talent did not disappoint him.

As time goes by, ye Chen will surely become a big tool, smash the Tiandao palace, kill Xuanyuan Moxie, clean the door for him, revenge and hatred!

"Is this the power of chaos?"

Ye Chen clenched his fist and felt the violent breath in his body. His face was also full of joy.

When he broke through the chaos, his strength was advancing by leaps and bounds. If he met a strong enemy in the future, he would definitely not be as hard as before.

However, ye Chen, ye Luo'er and Chongguang emperor did not notice that in a hidden corner, a man with vertical eyes in his eyebrows, wearing armor and sabre, and haunted by demons, was quietly attacking.

.....

At this time, the battle between Ji Siqing and Xuanjiyue is still inseparable.

"Thunder robbery disappeared, ye Chendu robbery success?"

When he saw the thunder robbery disappear, Ji Siqing was slightly stunned.

Then, she sensed a strong chaotic breath, and roared to her eyes with great joy.

There is no doubt that ye Chendu succeeded in hijacking and successfully broke through to chaos! One step metamorphosis against the sky!

"No!"

Xuanjiyue looked up and saw the thunder cloud disappear all over the sky, and her pretty face suddenly faded.

However, she did not expect that the man behind her was so successful.

That strong chaotic breath, crazy attack her mind.

Danger!

Absolutely dangerous!

Xuanjiyue retreated again and again. Although it was only the breath of chaos, she felt the great crisis.

"Damn it, it can't be delayed any more!"

Xuanjiyue decided in her heart that if she procrastinated, she would die.

Now it's time to make a decision, and there's a chance to turn the tables!

"Reincarnation star flame, rise!"

Xuanji moon beauty eyes sharp, no longer hesitated, directly released the reincarnation star flame.

All of a sudden, the vast atmosphere of star fire wrapped her delicate body. Her whole person was like the immortal in the fire, incomparably brilliant, incomparably bright, like the sun and moon in the sky.

Hiss!

Xuanji moon stabbed with a sword, with the sword spirit of reincarnation star flame, it is sweeping the world, showing the supreme divine power.

In the middle of the sword, xuanjiyue waved her left hand and summoned the reincarnation star stone.

The bright stars are constantly pouring into her sword.

Under the infusion of reincarnation star stone, the power of her sword Qi suddenly surges forward. There are sound explosions of sword Qi tearing between heaven and earth, and all the white clouds are torn to pieces, which makes her extremely powerful.

"Not good!"

Ji Siqing's eyes shrunk, only to feel that xuanjiyue's sword is so powerful that it can't resist the power of reincarnation star stone.

"Ji girl, be careful!"

Seeing this, the supreme Dragon Emperor was also shocked. Unexpectedly, Xuan Jiyue would suddenly try her best.

He wanted to help, but he was entangled by two Dharma protectors of the underworld temple and could not get away.

Xuanjiyue's eyes are like electricity, and this sword is as powerful as a broken bamboo, pointing directly at Ji Siqing's eyebrows.

She did not know how much danger she would face if the people behind her succeeded in the robbery.

Therefore, Xuan Jiyue didn't leave her hand at all. She just wanted to kill Ji Siqing with one sword and then solve the crisis.

Ji Siqing flies back, constantly avoiding the killing of xuanjiyue.

"Ji Siqing seems to have an accident."

Dragon blood deep-sea side, ye lu'er also aware of the wave, immediately for Ji Siqing worry.

"Is the breath of reincarnation star flame! Is that woman coming? "

Ye Chen sensed the fluctuation of reincarnation star flame, and his face suddenly changed.

He was just passing through the robbery. He didn't know that Xuanji moon had already arrived.

"Brother ye, I'll go and have a look."

Ye Luo'er dragon body swings, flies directly to the battle place.

The supreme Dragon Emperor was also there, and she was worried about his accident.

Anyway, Ye Chen has passed the thunder disaster, and she doesn't need to protect her.

"Master, let's go and have a look."

Ye Chen clenched his fist and had just been promoted to chaos state. He also wanted to try his present combat effectiveness.

"Well."

Emperor Chongguang nodded slightly and was about to get up. In vain, his face changed, his facial features twisted violently, and his throat gave out a hoarse voice.

"Master..."

Ye Chen was shocked and felt something was wrong.

In the next moment, however, a knife point with the meaning of killing the soul pierced through the body of emperor Chongguang. This knife stabs in from the back and goes through the front abdomen. It is extremely fierce.

Hiss!

When the blade is pulled out, the soul of Chongguang emperor suddenly shakes and falls to the ground. The shadow of the soul becomes very thin and seems to disappear at any time.

"Master!"

Ye Chen was shocked, but he saw a figure emerging from the void behind Chongguang emperor.

This man is full of evil spirit. He has a vertical eye in the middle of his eyebrow. He is wearing armor. He is carrying a sword full of magic symbols in his hand.

"Three eyes Sirius, it's you!"

"Hiding from the sky, thirty-three Tianhong Mongolian method..."

"This is Xuanyuan is evil

"You When did you turn to him? "

Emperor Chongguang's eyes were startled, staring at the attackers.

This sneak attacker is the secret subordinate of Xuan Yuan Mo Xie, Sirius! One of the ten ancient killers!

"If you want to plant flowers, you don't want to plant willows."

A smile appeared in the corner of Sirius's mouth: "Chongguang emperor, I didn't expect to meet you here. When the palace master wanted to kill you, you should have fallen. Why struggle to this time?"

Sirius came to Jiutian Shenlong hall just to investigate the trace of the Dragon God.

He just happened to encounter the thunder robbery. He felt that there was cause and effect behind him, so he hid his figure and sneaked to investigate. Unexpectedly, he saw Chongguang emperor.

Ye Chen and Chongguang emperor did not find his breath.

Because his magic power, called duntian sneaking skill, is one of the 33 Tianhong Mongolian methods, and it is a very special existence.

Even an ant and a leaf can't be destroyed by this stealth technique.

However, it has a very wonderful stealth effect.

Once displayed, the body is hidden, and the natural mechanism cannot be seen.

At that time, Xuanyuan moxie used this move to deceive the world and kill his teacher on his back. He hit Chongguang emperor hard.

This time flow, Chongguang emperor soul recovery, did not expect or planted in this move.

The reincarnation of cause and effect, the fate of fate, the doom to come, after all, can not be avoided.

Emperor Chongguang gasped violently. If he faced each other head-on, Sirius would not be his opponent. But the problem is that Sirius had no interest in fighting at all. Instead, he attacked and assassinated him with a magic knife and killed him.

Not willing!

What a pity!

Emperor Chongguang's eyes widened, only to feel that his breath was collapsing.

Chapter 3067

He is a remnant of the emperor's soul, without physical support. Once he is injured, it will lead to very serious consequences.

Now he was attacked by the Sirius magic knife, there is no possibility of survival, and his soul will soon disappear.

Ho ho

Chongguang emperor's throat uttered a voice of extreme collapse, intense unwilling, huge resentment, surging in his eyes.

The second time!

This is the second time!

It's a great humiliation to be attacked by people's back stab twice!

If he died, Chongguang would not have the slightest regret, but he would not be willing to die in such humiliation!

"How are you, master?"

Ye Chen hurried over and offered a sacrifice to the evil sword. He wanted Chongguang emperor to enter the evil sword to recuperate.

But Chongguang emperor's soul and body, like smoke, fluttered and swayed, and continued to fade.

"Remember The promise of revenge! Kill Xuanyuan moxie for me

Emperor Chongguang gazed at Ye Chen, his palms trembling, as if trying to grasp something.

Oh!

But the next moment, the wind whimpered, his emperor soul body, but with the wind dispersed.

I'm totally out of my wits!

"Master!"

Ye Chen is shocked, and his heart vibrates violently. He never thought that Chongguang emperor would pass away.

"Well, the old man is finally gone."

The Sirius licked his lips, his eyes full of scarlet rage.

"Boy, your death is not far away."

Then, the Sirius looked at Ye Chen, and with a cold smile, he ran into the darkness and wanted to leave.

This time he came to Jiutian Shenlong hall to investigate the disappearance of the Dragon God. It was an unexpected surprise that he was able to kill Chongguang emperor.

Although, this man may be the enemy of Tiandao palace, Sirius also wants to kill him.

However, the problem is that ye Chen has just broken through the chaotic situation, and he is not sure if he will fight.

So, Sirius was very cautious and left directly.

He remembered his task, only to investigate the trace of the Dragon God.

As for ye Chen, Xuanyuan Mo Xie will naturally find a way to deal with it, and he doesn't have to worry about it.

"Leave it for me!"

Ye Chen's eyes were angry, and he held the evil sword tightly, and then he cut into the void with a sword.

Bang!

The sword is shining and the void is broken.

The figure that Sirius wanted to escape was shocked out.

Click.

There was even a crack in his armor.

"What a powerful momentum!"

Sirius secretly frightened, looking at Ye Chen's eyes, like looking at a monster.

You know, ye Chen was just promoted to chaos.

And he has the strength of four layers of heaven.

But, ye Chen one sword cuts down, unexpectedly ruthlessly frightens him, this is simply unimaginable.

Ka.

Sirius's eyes were concise, holding the hilt tightly, and his eyes were filled with murderous opportunities.

Ye Chen is so strong. If you delay it and wait for him to break through the heaven God realm, then the whole heavenly way palace will be in danger of being destroyed.

Sirius thought constantly flashing, want to fight a decisive battle, kill Ye Chen.

Hiss!

He has not yet started, but ye Chen is once again a sword, broken empty crushing.

"Well, I don't want to pester you."

Sirius sighed and put his knife into the scabbard.

Ye Chen's momentum is too strong, he really has no chance of winning.

Even if you can win by luck, you can't kill Ye Chen at most.

"Hongmeng ancient method, hiding from heaven and sneaking skill!"

Seeing that ye Chen's sword Qi was killed, Sirius quickly displayed his magic power, and his body suddenly disappeared into the endless void.

He is very clear that ye Chen has stepped into chaos and it is very difficult to kill him. He still has more important things to do.

"Damn it!"

Ye Chen stands with his sword, sensing the surroundings carefully, but he can't catch the slightest sound.

As soon as it is put into practice, it is really invisible and unpredictable, and there is no trace at all.

"It's a pity that he ran away."

Ye Chen is a little sad. Emperor Chongguang was assassinated, but he can't even get revenge. He's a little guilty.

"Don't worry, master, one day, I will step on the heavenly way palace to clean up the door for you and take revenge and revenge!"

Now, Chongguang emperor completely returns to nothingness, not even a breath left, completely dissipated in heaven and earth.

But ye Chen still remembers what he said before he died.

The promise of revenge!

His agreement with Chongguang emperor!

Kill Tiandao palace, kill Xuanyuan Mo Xie! Clean up the door, revenge!

This agreement, ye Chen will not forget!

Boom!

Boom!

Boom!

At this time, in the distance, the sound of the battle was constantly coming.

Xuanjiyue stabbed wildly with a sword. The sword Qi and star flame burst, and the breath of reincarnation was towering. She wanted to kill Ji Siqing with one sword.

Ji Siqing, however, was always backward and difficult to breathe.

"Queen of the upper world, I don't want you to be arrogant with me here!"

In vain, a burst of startled dragon roared.

Ye Luo'er's body is like thunder, and flies fiercely.

At this time, she completely incarnated as a dragon, with endless dragon power and momentum all over her body.

The extremely majestic body of the Dragon seems to cover the sun and the moon, showing absolute arrogance.

Hiss!

Ye Luo'er records a dragon claw, suddenly shrouds, wants to suppress Xuan Jiyue's long sword.

Bang!

The sword and claws collide and stir up surging weather waves.

The star flame sword light, entangled with the Dragon Wei, turned into a straight light column, and rose into the sky, penetrating the void, making a huge hole in the sky, and the Galactic weather emerged.

Xuanjiyue and ye Luo'er, one man and one dragon, both retreated and fought a close match.

"Sister Siqing, are you ok?"

Ye Luo Er looks at Ji Siqing with a complicated tone.

"It's OK. Thank you very much."

Ji Siqing took a deep breath, his chest was slightly undulating, and his body was gradually filled with the martial spirit of ancient women.

This got a breath, Ji Siqing did not hesitate, immediately used the bottom card!

Boom!

Her body, the explosion of towering martial intention.

Behind him, emerged a valiant and valiant shadow.

It is the ancient female warrior God, Qu Chenyan!

At this moment, the ancient spirit of war is revived completely.

The virtual shadow of female martial god is completely integrated with Ji Siqing.

Between Ji Siqing's eyebrows, he suddenly exudes a vigorous heroic posture, and his fierce fighting spirit spreads out. Ye Luo'er and the supreme Dragon Emperor are shocked.

"Is this the momentum of the ancient goddess of martial arts?"

Ye Luo'er murmurs, Ji Siqing at the moment, just like a woman general, sharp and fierce.

"I can't believe that today, I can see the ancient martial god Tianwei again."

The supreme Dragon Emperor's eyes were slightly frozen. During the ancient wars, he had witnessed the majesty of the female warrior God. Now, after years of separation and vicissitudes, he did not expect to see the female warrior God again.

"Xuanjiyue, you must die today!"

Ji Siqing waved his sword, and a brilliant figure of rosefinch suddenly emerged.

The ancient charm of Hongmeng is floating on her sword.

Chapter 3068

The tempestuous flame, rolling explosion, the surrounding temperature soared rapidly.

The clear and crisp call of the rosefinch also shakes Jiugao and pierces the clouds and rocks.

"Flaming sky rosefinch sword!"

Ji Siqing, with a tender drink, directly uses the hongmengfa. Without any more hands, he kills xuanjiyue fiercely.

"The sky dragon kills the intention, runs through the star river!"

Ye Luo'er's body also blew up a fierce breath. The whole body of Tianlong seems to have turned into a flying sword, which was cut out fiercely.

"Damn it."

Xuanjiyue's face suddenly changed, and she stepped back.

Even if Ji Siqing is the only one, she is hard to deal with.

And now, ye Luo Er also hands.

One is an ancient female warrior God, the other is a strong dragon blood, her pressure can be imagined.

"Reincarnation star flame, rise!"

At the critical moment, Xuanji Yueqing drinks and releases the reincarnation star flame without reservation.

The fiery smell of stars, burning like a volcano.

The sword in her hand, under the intense energy of the star flame, actually melted into steam directly!

Chuck!le!

The white steam rises slowly.

The surrounding void, baked by the star flame, is also distorted by terror.

Xuanjiyue held a bare hilt in her hand.

But the next moment, the rolling star flame condensed, directly evolved into the sword body.

Xuanjiyue's green silk, one by one flutters, each hair, all burst out the towering flame rune.

At the moment, Xuanji moon, like a phoenix in the fire, has reached the extreme of brilliance and hegemony.

What's more, the reincarnation star stone suspended in the back of her head also bloomed with bright star awn, endless reincarnation breath, madly poured into her body.

Her whole person, momentum soared, behind the emergence of a phoenix shadow, a sword swing out, fierce sword light surging sun and moon, sweeping the world, straight cut in front.

Ji Siqing and ye lu'er see that the beautiful eyes are all shrunk.

At the moment, Xuanji moon, breath is too strong, reincarnation star flame and reincarnation star stone, energy all burst out.

This sword of hers is almost to destroy the heaven and earth, which is irresistible.

"Spell it

Ji Siqing and ye lu'o'er look at each other with determination.

The two girls didn't flinch, and they fought hard.

The martial god Zhuque, the ancient sky dragon, the star flame Phoenix, three majestic incomparable breath, severely collided together.

Boom!

There was an earth shaking noise.

The sky is falling!

At the moment of collision, the terrible air wave diffused out and swept across the sky, crushing the void directly, and black cracks emerged.

The sky above the nine sky dragon hall was smashed and lost its blue color. The atmospheric wind layer was washed away, and the heavy aurora in the starry sky fell like Ruixia.

Under the mountains and forests, the earth cracked, the earth rolled over and became ruins directly.

Puff!

Puff!

Puff!

Ji Siqing, ye Luo'er and Xuanji yuenu are all spitting out blood, which is greatly impacted, and their bodies are thrown out in confusion.

Oh.

A wisp of white smoke floated from Ji Siqing's head. The shadow of the female warrior God completely dissipated, and the man fell to the ground, exhausting his strength.

Whoa.

Ye Luo'er's body glitters, can no longer maintain the appearance of the dragon. He returns to the human form and falls to the ground in confusion.

Xuanjiyue's body, like a shell, smashed hard on the ground and made a deep hole.

All three were seriously injured in the collision.

The terrifying collision waves also spread to the battle circle on the other side.

The two Dharma protectors of the netherworld hall shook violently like leaves in the wind.

And the supreme Dragon Emperor, towering like a mountain, only slightly shaken.

His physical body and body, is simply terrible, by such a terrible wave impact, but also not shaken.

"Good chance!"

The supreme Dragon Emperor's eyes congealed and his fists were smashed out.

"Not good!"

The two Dharma protectors of the underworld hall were stunned, and there was no time to resist them.

Bang! Bang!

The supreme emperor of the dragon one punch, hit two people's bodies on the spot, into a blood mist.

"Master!"

After killing two Dharma protectors of the Ming Temple, the supreme dragon emperor did not have the slightest joy. Instead, he looked at ye luo'er, who was injured and fell to the ground, and rushed to rescue him.

"Don't mind me. Kill her!"

Ye luo'er points to Xuan Jiyue and shouts.

In this decisive battle, she and Ji Siqing both suffered serious injuries.

But xuanjiyue, also seriously injured!

Now she is weak. It's a good time to kill her! As soon as the emperor's eyes brightened, he looked down and looked at the Xuanji moon on the ground. Suddenly, there was a killing opportunity on his face.

"Yes, master!"

Without any hesitation, the supreme emperor of the Dragon immediately clenched his fist and fell down in the air. He smashed his fist at xuanjiyue.

"Dare you

Seeing this, Xuanji Yue drank coldly, and the arrogant empress's imperial power filled out fiercely, like an iron wall, blocking the supreme Dragon Emperor.

The supreme Dragon Emperor's mind was suddenly shaken. The empress's power was so great that he could not breathe.

"Don't be afraid, just kill her!"

Ye Luo Er cold channel.

"Yes

The supreme Dragon Emperor's eyes were in vain, and his body was full of fierce dragon power. He was forced to withstand the pressure of xuanjiyue and smashed out with a hard blow.

"Ha ha, you're dead this time."

Ji Siqing smiles.

She was very familiar with the scene in front of her.

The last time she fought with xuanjiyue, they were also seriously injured. She asked Qu Xueyong to deal with xuanjiyue's life.

It's a pity that the emperor dare not do it.

Naqu Xueyong, the head of the family, also has an outstanding position in the kingdom of God.

But even he, faced with xuanjiyue's Diwei crush, did not dare to hand.

It can be imagined how strong and tyrannical the emperor was.

But this time, xuanjiyue is not facing Qu Xueyong, but the supreme Dragon Emperor!

Others are afraid of the empress, but the supreme dragon is fearless.

Under pressure, the supreme Dragon Emperor's incomparable punch will blow xuanjiyue's head!

Whew!

But in vain, Xuanji Yuejiao's body flashed, like a phoenix in the sky, and ducked the fist of the supreme Dragon Emperor.

"What!"

Seeing this scene, ye lu'o'er and Ji Siqing were shocked.

The supreme emperor of the dragon was also shocked. According to reason, xuanjiyue was injured and should not be able to move, but now she has escaped.

Even, the breath on her body is still recovering madly, and her wound is also recovering madly, and the whole person exudes dazzling radiance.

"You want to kill me, too

Xuanji Yue snorted coldly and waved her slender hand. Her hand was covered like a thunderbolt. With a bang, she beat back the supreme Dragon Emperor.

Puff!

The supreme Dragon Emperor vomited blood on the spot, and his eyes were full of horror.

Xuanjiyue's face is full of sneer, and the reincarnation star stone behind her is exploding with bright light.

Bursts of powerful Starstone energy, continue to heal her wounds, restore her breath.

If it is a reincarnation star stone, it can not have such good effect.

But the problem is, Xuanji moon body has reincarnation star flame, and this reincarnation star stone, perfect fit!

Chapter 3069

Under the influence of the breath of samsara star stone, her reincarnation star flame also sends out warm energy and nourishes her muscles and bones.

"Fortunately, I borrowed the reincarnation star stone, otherwise I will die today."

Xuanji moon secretly congratulates.

Star flame and star stone complement each other.

She has a reincarnation star stone in her hand, which is just like a tiger's wings.

Even if the injury is serious, as long as there is one breath left, she can recover quickly.

"It's over

When ye Luo Er saw this scene, she was frightened.

Ji Siqing also bit his lips tightly. He didn't expect that the reincarnation star stone would bring so much gain to xuanjiyue.

"I won today."

Xuanji moon suspended in the sky, such as the sun and the moon brilliant, proud voice with towering joy.

"Qu Chenyan, kneel down and kowtow to me. I may spare your life!"

Xuanjiyue looks at Ji Siqing with her eyes on her head, and she is full of victorious posture.

"If you want to kill me, you can kill me. Why should I be afraid?"

Ji Siqing's eyes were sharp, but he didn't give in at all. He gritted his teeth in his heart and said:

"Ye Chen, run quickly!"

Her own life and death, not on the heart, only worried about the safety of Ye Chen.

Now ye Chen has passed the thunder robbery and is making great progress. As long as you give him enough time, he will be able to kill to the upper bound sooner or later.

Even if she is really killed by xuanjiyue today, ye Chen will take revenge for her.

"Well, when you die, talk back."

Xuanjiyue's eyes are cold and she kills Ji Siqing with a sword.

She wanted to torture her heart to vent her resentment, but the people who robbed her from behind gave her a huge breath of danger, which made her very uneasy.

Now, she just wants to kill Ji Siqing as soon as possible, as well as ye Luo'er and the supreme Dragon Emperor, to solve the crisis behind.

A sharp sword blows up the Phoenix Tianming and points to Ji Siqing's eyebrows.

Ji Siqing, however, is too weak to resist.

Ye Luo'er saw the shape, and her beautiful eyes suddenly shrunk.

She is very clear that after killing Ji Siqing, Xuanjiyue will kill her.

"Today, sister Siqing and I are going to die here?"

Ye Luo'er is full of panic. She still has a lot of things to do. She has not solved the mystery of ancient times and life experience. She doesn't want to die.

The supreme emperor of the dragon was also injured by Xuanjiyue, who could not even stand up.

But he crawled slowly towards Yelol, trying to protect the Lord.

"Stop it!"

Ji Siqing was about to be killed, but all of a sudden, a startling drink exploded.

I saw a figure of a young man, whistling like lightning. With a wave of sword light and a clang sound, it was the sword that defeated xuanjiyue.

"Ye Chen!"

"Brother Ye!"

Looking at the figure of the youth, Ji Siqing and ye lu'o'er are surprised to call up.

It's Ye Chen!

"Are you all right?"

Ye Chen's big hand waved, and the spiritual power of Taoism came out and poured into the delicate bodies of the two women to stabilize their injuries.

Just after he heard the sound of the battle, he quickly rushed over and saved Ji Siqing from xuanjiyue's hand.

"Ye Chen, you Did you break through? "

Ji Siqing felt the breath of Ye Chen and was full of joy.

At the moment, ye Chen, with a very strong sense of chaos, has obviously stepped into the chaotic situation, the strength has become much stronger.

"Well."

Ye Chen nods gently. Although his cultivation is only chaotic state, the actual combat effectiveness is not weaker than xuanjiyue, the four layers of heaven and God realm.

One step breakthrough, his strength, is simply by leaps and bounds, against the sky like soaring, than before I do not know how much stronger.

"You You are... "

Xuanjiyue steps back again and again, looking at Ye Chen's appearance and body, her head explodes with thunder.

So familiar!

Even the appearance of Ye Chen, as if to pull her to ancient times!

"Reincarnation Lord, you are the reincarnation Lord! How can it be! "

Xuanjiyue yelled, her delicate body shaking violently.

's appearance is as like as two peas!

Xuanjiyue only looked at him and recognized that he was the inheritor of the reincarnation master. There was no mistake.

She didn't expect that ye Chen was the one who took the robbery behind her!

"No wonder, no wonder, no wonder Qu Chenyan, this bitch, wants to protect you so hard. I should have guessed that you are the robber behind you!"

Xuanjiyue's eyes flickered and her sense of crisis grew stronger and stronger.

In a previous life, she killed Ye Chen.

Between the two, there is a tremendous cause and effect.

No doubt, this life, ye Chen must kill to the upper bound, revenge snow hate. Therefore, when ye Chendu robbery is about to break through, she will feel such a strong danger.

Once Ye Chen breaks through and becomes a climate, she is in danger of being destroyed at any time.

Now, ye Chen's breakthrough is successful, and he has the strength to shake the gods.

She was in great danger at once.

"You are the queen of the upper kingdom?"

Ye Chen's eyes shrink and gaze at xuanjiyue's face.

He naturally knew that the woman in front of him was a dirty part of xuanjiyue.

Looking at xuanjiyue's face, ye Chen's heart is full of complicated hatred.

The anger of being betrayed, the unwillingness to be killed, and various emotions of the previous life were interwoven violently in his mind.

In a previous life, xuanjiyue was his fiancée.

I don't know why.

But now, what ye Chen has in his heart is just outrage.

If he comes later, I'm afraid Ji Siqing has been poisoned by Xuan Jiyue!

"It's up to you to repay the gratitude and resentment of the previous life today."

Ye Chen's eyes are burning with anger. He holds the Sha sword tightly. With the terrible sword that extinguishes the weather, he cuts towards Xuanji moon.

He knew very well that if he wanted xuanjiyue to really repay his sin, he had to kill to the upper bound.

Today, he just wants to ask for a little interest!

If you can kill this filthy land, you'll beat Xuanji moon in the face!

"What a fierce sword spirit!"

Xuanjiyue looks at Ye Chen's sword Qi, and her beautiful eyes are shocked.

Ye Chen's cultivation is clearly only a layer of chaos, but his sword, however, has a devastating breath. It seems that he wants to kill heaven and earth. Even she has to fear it.

Zheng!

Xuanjiyue quickly raised the sword case to block, but was shocked back two steps.

"This guy is a monster."

Seeing ye Chen's powerful appearance, the supreme emperor of the dragon can't help but marvel.

He is strong in body and blood, and now he has recovered a little. He stands up, walks to ye lu'er and lifts her up.

Looking at the adoration of Ye Luo'er's eyes, the supreme Dragon Emperor finally understood that the man who could make his green eyes add up was really outstanding.

It is inconceivable that only one layer of chaos can shake back the Xuanji moon, which is the fourth layer of heaven.

"Ha ha, I thought that the queen of the upper world was so powerful that she was nothing."

Ye Chen holds the sword in his hand and is full of vigor and vitality. He cuts out the sword again.

Now he has broken through into chaos, his muscles and blood vessels are transformed against the sky, and his combat effectiveness is much stronger than before.

If he met Xuanji Yue yesterday, it was almost impossible to win.

But today, he survived the thunder disaster and made great progress. He could crush Xuanji moon.

Chuckle!

Sword light like electricity, crazy kill.

Under the suppression of Ye Chen, Xuan Ji Yue retreats again and again, and has no chance to fight back.

"Damn, how could he be so powerful?"

Xuanji Yue is deeply frightened. She is a master of four layers of heaven and God state. She is actually suppressed by a boy in chaos state and can't breathe.

This is incredible!

## Chapter 3070

At the moment, xuanjiyue even thinks, if ye Chen proves the God of heaven and even kills her to the upper world, does her real body still have a chance to live?

The reincarnation master of this life, in terms of potential, may have surpassed the previous one!

Terror!

It's terrible!

Ye Chen didn't even use any martial arts skills. He killed him with his sword in hand. He blew up a towering sword spirit. The whole man was arrogant, arrogant and powerful.

Xuanjiyue's clothes were suddenly torn by the sword spirit, revealing a piece of snow-white and bloody skin.

"Mietian Jian Jue!"

Ye Chen doesn't have the slightest intention of showing mercy and cherishing jade. He blows his sword and blows it down. The whole sword is black and haunts the hell like evil spirit.

Xuanjiyue hastily urges the reincarnation star stone and blocks Ye Chen's sword with the star stone as the shield.

Puff!

Under the awe of Ye Chen's sword power, she took three steps in succession and vomited out a mouthful of blood.

"Where did you get this reincarnation star stone? Reincarnation star stone you are not qualified to be in charge! Give it to me with your life! "

Ye Chen's eyes are cold, and his sword blade is slashed wildly. He directly cuts the key of xuanjiyue.

Xuanjiyue has to say that the beauty is amazing, but this kind of person is doomed to be his enemy!

On the moon, he didn't expect to see him.

In fact, if xuanjiyue is in full bloom, she may not be so embarrassed.

But it's a pity that she has just fought with Ji Siqing and ye lu'er, and her injuries have not been completely healed, and the breath of reincarnation star flame and star stone has not been fully recovered.

Facing Ye Chen's crushing step by step, she has no chance to resist.

Ye Chen's sword is clearly about to kill her, without leaving any hands.

"This bitch, at last, is going to die."

Ji Siqing and ye lu'er are both happy.

"Burn my body, burn my blood, keep the holy fire, and extinguish the heavens!"

Suddenly, her eyes were burning.

It's burning blood!

He must be killed today

Xuanjiyue's eyes and eyes are full of murderous spirit, and her heart repeatedly drinks violently.

She is very clear, ye Chen's potential is too great, give him a hundred years, if he killed to the upper bound, her real body is absolutely dangerous.

Today, we must kill Ye Chen to solve the threat forever.

This blood burning method has been used by twelve elders of Tiandao palace, Xuanji and ye Shaoqiu. It is a very powerful magic power to temporarily increase combat effectiveness at the cost of burning blood essence.

But what they use is only a part of the upper world left in the kingdom of God, and xuanjiyue is all!

Ye Chen's gaze shrinks. Unexpectedly, xuanjiyue has put out the method of burning blood.

Boom!

In an instant, Xuanji Yuejiao's body was covered with a layer of blazing blood.

Her whole strength, like the sun and the sun, soared wildly.

"At such a high price, I really don't want to keep me."

Ye Chen stepped back slightly and stood with a sword. His face was dignified.

Xuanjiyue used the secret method of burning blood, and it was burning crazily. She was so dirty that she didn't need Ye Chen to do it, and the lamp would run out.

"Ye Chen, be careful. She will try her best."

Ji Siqing staggered to his feet, and his breath recovered slightly.

This time, although she was also seriously injured, she was not poisoned by fire. She was just an ordinary injury. She could recover by her own breath, so she didn't have to trouble ye Chen to treat her.

Now xuanjiyue uses the method of burning blood. She shows that she wants to burn both jade and stone and kill Ye Chen at the cost of sacrificing her dirty land!

This dirty soil is separated from her body and mixed with the Qi and blood of Xuanji Yue's real body. If she falls, she will suffer from the wound of regurgitation.

However, it is not very cost-effective to change Ye Chen's life just by swallowing the wound.

"Oh! Come on! How about it! Boom! Baa! Moo! Oh! Boo

Ye Chen's eyes suddenly sharp, decisive, all over the body concussion, throat open, spit out an ancient syllable.

Tianlong eight gods sound!

Without hesitation, he directly displayed the voice of the eight gods of Tianlong and wanted to strike first and kill xuanjiyue.

Roar!

The roar of the Dragon suddenly exploded.

On Ye Chen's body, the golden light blooms, and eight heavenly dragons rush out, mingled with endless sound killing waves, and fiercely suppress xuanjiyue.

The eight heavenly dragons are also filled with starlight, implying fierce chaos and majesty.

This is the breath of the chaotic star tree!

Ye Chen has thoroughly refined the chaotic star tree. At the moment, he displays the sound of the eight gods of heaven and dragon. In the magnificent breath of Hongmeng, he reveals the wisps of chaotic Star gas, which is vast and majestic. It is almost to cover the heaven and earth, showing the supreme majesty. If ye Chen faces the black dragon in the deep sea of dragon blood again at this moment, he can kill the other party with one move of tianlongbashenyin.

Now that he has broken through his realm, the lethality of Tianlong eight gods sound is also madly improved.

"You have practiced the thirty-three Tianhong Mongolian method!"

Xuanji's beautiful eyes shrunk. Unexpectedly, ye Chen had such a big chance to practice the legendary 33 Tianhong Mongolian method.

Whew!

At the critical moment, Xuan Jiyue stabbed her sword wildly and danced with her slender hands. In an instant, she turned out thousands of sword lights and killed Ye Chen fiercely.

At this time, her blood essence was burning wildly. The power of this sword was also very amazing.

"Break it for me!"

Ye Chen is not afraid at all. The continuous syllables burst out of his throat, forming a layer of old and domineering sound killing waves, accompanied by eight heavenly dragons, mercilessly kills down.

Bang!

The fierce holy sound of Tianlong is like a god like a Buddha. In one blow, it is the infinite sword light that crushed the Xuanji moon.

Puff!

Xuanjiyue spurts blood, and Jiao's body flies backward in confusion.

"No way, how could your power be so domineering?"

Xuan Jiyue is completely flustered.

She used the secret method of burning blood to burn the blood essence of her whole body. The sword she wielded was powerful enough to penetrate the stars and the moon.

But even so, her sword spirit was crushed by Ye Chen in an instant.

Ye Chen's strength, in the end is fierce to what extent.

"The power of Hongmeng's ancient method is not a child's play. Today is your death date!"

Ye Chen's eyes suddenly sharp, straight stabbed xuanjiyue heart.

After he was promoted to chaos, his strength soared. With the help of the power of 33 Tianhong Mongolian Dharma, he directly crushed xuanjiyue. Her blood burning method had no effect.

Thirty three Tianhong Mongolian method is so destructive that it can't be resisted.

If it was before, ye Chen would be exhausted and unable to fight again.

But now, he has stepped into chaos, and his strength has increased dramatically. Even if he used the thirty-three Tianhong Mongolian method, the consumption is extremely huge, and there is still a trace of aura in the elixir field, which gives him the power to fight again.
