

Physician 311

Chapter 311

"You pretended to sleep?" Ye Chen Dao.

Xia Ruoxue blinked her beautiful big eyes, and a red glow appeared on her white face. She said with a smile, "I didn't pretend to sleep. When you hold me, I just wake up."

Ye Chen put Xia Ruoxue on the soft big bed: "have a good rest."

He just wanted to leave, Xia Ruoxue's arm like jade lotus root was hanging on Ye Chen's body.

"Don't you want to do something exciting at night? If you don't want to, I do

The next second, summer if snow that soft lips directly toward the leaf Chen.

The body is instantly bound into a powerful embrace, and the unfinished voice is drowned in a kiss full of affection. In the cold tongue sliding entrance, greedily grabs the breath belonging to each other, and explores every corner vigorously.

This moment of throbbing makes each other forget everything around.

Xia Ruoxue's body is soft, she moved her fat buttocks, took off her pants, and her slender thighs directly wrapped around Ye Chen's waist.

Ye Chen, after all, is full of vigor and vitality, and his desire for fire in his heart is also outlined.

He directly and violently ripped off Xia ruoshue's white T-shirt, and two soft things directly bounced out.

It is magnificent.

Ye Chen buried in the heart of Xia Ruoxue, enjoying himself.

Everything is in silence.

Soon, the two men met candidly.

"Eh ~"

Xia Ruoxue whispered softly. Although reserved, she couldn't control it.

Her eyes are like water. At this moment, she wants to possess the man in front of her.

Suddenly, she felt a sense of fullness and her body moved.

The sound of collision and her uncontrollable voice resounded throughout the room.

.....

There was no word all night.

The next day, ye Chen got up very early. When the second daughter didn't wake up, he went downstairs to cook porridge.

This porridge is not ordinary porridge. Yesterday, he got a lot of medicinal materials from Yaowang valley. These herbs are used to cook porridge, which is of great benefit to er'nu's health.

Even the accomplishments can be improved by leaps and bounds.

Soon, the whole villa is wrapped by a refreshing fragrance, Xia Ruoxue and Sun Yi smell up, when ye Chen is busy in the kitchen, he is shocked.

"Xiaochenzi, this porridge is cooked by you. It's too fragrant..."

"This porridge is not only fragrant, you will know after eating it."

The second daughter quickly filled a bowl of porridge and ate it.

There are countless auras in the bowl!

After taking them, they even feel that their limbs are filled with a force!

It's a blast!

At this moment, the second daughter, regardless of any manner, gobbled up.

Ye Chen looks at two people, eyes with a smile.

However, the smile soon became dignified, because the samsara cemetery was shaking again!

"Boy, come in!"

A cold voice sounded.

Ye Chen a Zheng, quickly find a reason, toward the third floor of the villa.

Close the door, took out the black stone, an instant came to the samsara cemetery.

The old man in black has appeared in front of Ye Chen.

Ye Chen found that the breath on the black robed old man was weak a little bit.

Is it because of Yaowang Valley?

Just then, the old man in Black said, "do you remember what you promised me yesterday?"

Ye Chen naturally did not forget that he broke Xiang Chengdong's technique with the help of the old man yesterday, but he needed to promise the old man a condition.

At that time, ye Chen didn't think much about it. What kind of great man in ancient times could he do?

"Not forgotten."

"Good." The black robed old man nodded and continued, "I've been watching the Chinese stars these days and nights. Tonight, there will be five stars in a row, and the heavenly dog will eat the moon. No accident. There must be something in China tonight that will be born in the sky. Go and get him. I need this thing. I need it very much."

Ye Chen did see the eclipse report on the news these days, but what is the ghost of the five-star Lianzhu?

But since he has promised the other party, he will do it naturally.

"Master, where is the specific location?" Ye Chen has a wonderful way.

The black robed old man grasped it with five fingers, and a map of China in the reincarnation cemetery that ye Chen had placed before was completely opened and suspended in front of Ye Chen.

Then, he pointed, and a star light flashed in one of the places.

"Right here, you're going now."

Ye Chen glanced at him with a dignified expression.

"In Hui'an province."

Later, ye Chen returned to reality and called out the specific location on the mobile phone.

No accident, it should be in the area of qianjue mountain in Hui'an province.

This is a famous mountain in Hui'an province. He vaguely remembers going to visit with his parents when he was seven years old. Ye Chengang wants to call Xiao Deng, and Zhu Ya calls in.

"Mr. Ye, are you free today? I just got the news... "

Before Zhu Ya finished speaking, ye Chen said strangely: "you don't want to talk about Hui'an Province..."

Zhu ya at the other end of the phone was stunned. His expression was like a ghost. He exclaimed, "Mr. Ye How do you know! "

She just got the news!

The key just happened!

If it was not for her close relationship with the person in Hui'an Province, she would not have the right to know!

Looking at the whole Jiangnan Province, she is definitely the first group of people to know. Even if ye Chen is very powerful, she can't be more informed than her!

But it happened.

Can she not be shocked?

"Do you have friends in Hui'an province?" Ye Chen Dao.

Zhu Ya woke up and nodded fiercely: "Mr. Ye, the little girl's good friend is in charge of power in Hui'an province. The family behind her has a certain voice in the martial arts circle of Hui'an province. Just a few minutes ago, a vision appeared in qianjue mountain of Hui'an province! It is estimated that this vision will soon be known by the various forces in the Chinese martial arts circle! If Mr. Ye wants to go, I have arranged for a private plane. "

Ye Chen thought for a few seconds, or nodded: "good, you come to pick me up."

"Mr. Ye, I'm on my way. I'll be at Mingcui villa in five minutes."

The phone hung up.

Ye Chen didn't even want to change clothes. He said a word with her and left.

Soon, Zhu Ya's Bentley car appeared at the door of the villa, ye Chen got on the car, Zhu Ya stepped on the accelerator fiercely, even at the expense of speeding!

Ten minutes later, we arrived at kongyun private airport in Jiangnan province.

The plane took off.

When the plane is in midair, ye Chen looks at the direction of Hui'an Province, and finds that there are huge dark clouds, and there is a trace of lightning between them.

Just then, a very serious voice sounded!

"Remember, take this thing at all costs. It's not only about me, but also about the reincarnation cemetery. I don't have much time!"

For the first time, he heard the urgent tone of the old man in black.

This time, the qianjueshan incident must be very serious.

"I can tell you one more thing. The power of that thing can open two tombstones at the same time!"

Chapter 312

Ye Chen only thought it was important, but when he heard that, he could move two tombstones and was completely stunned.

The more the reincarnation cemetery is, the more terrifying the strong people are!

The time for the black robed old man is coming, but the fourth tombstone is not moving.

Losing this card, he faced the Chinese martial arts Bureau, the capital Jiang family or the Lin family, and his chances of winning were extremely small.

If he is accompanied by two strong men when he goes to the capital, he will not be afraid to face the top forces and families in the capital.

"Master, what exactly is that thing?"

Ye Chen has a wonderful way.

But the samsara cemetery no longer has the sound, as if completely silent.

.....

45 minutes later, Huian Province, HuangYun airport.

The private plane landed directly.

Ye Chen and Zhu ya got off the plane and noticed that there were many more people at the airport.

These people are filled with a strong sense of martial arts.

Obviously, it is for the vision of qianjue mountain.

"Sir, some of them are from the outside world, no matter how they come from the outside world."

Juya reminded.

Ye Chen ignored, he raised his head and looked at the dark clouds above the sky, and fell into deep meditation.

Dark clouds are pressing down on the city, and the vision is more and more dignified.

"Xiaoya!"

At this time, a clear voice sounded!

Then a young girl came to Juya.

girl has long and elegant flaxen curly hair on her shoulders. The eyes of her double eyelids sparkling men's crazy autumn waves. The face of the melon seed is covered with a faint makeup, which is just the eye shadow. The red lips of water and water are sexy and charming, so that the men who pass through are not fixed by their eyeballs.

The beige clothes will be her original white skin appears more white and slender, her small waist decorated very perfect.

The girl hugged Zhu Ya directly, and her beautiful eyes twinkled with surprise.

"Xiaoya, looking forward to the stars and the moon, I finally hope you come. I haven't seen you for a year. I almost forget what you look like. But my Xiaoya is still so pretty. "

The girl put her arms around Zhu Ya's waist and even stretched out her hand to pinch her buttocks.

Zhu Yajiao was angry and said, "if you are not serious all day long, we just had a video last night, OK?"

An Ruo Ying flashed her eyelashes and said with a smile, "no matter, I'm going to sleep with you today."

All of a sudden, she found something. She looked at Ye Chen beside Zhu ya, frowned and said, "Xiaoya, this is Don't tell me about your boyfriend... "

Zhu Ya waved her hand and said excitedly, "Ruoying, I haven't introduced you yet. This is Mr. Ye. The main purpose of my coming to Hui'an province is to accompany Mr. Ye..."

As soon as this word comes out, an Ruoying feels more and more wrong.

She knows the character of Juya. In all these years, there has never been a man who can make her so careful.

What's more, Zhu Ya also called this man Mr. Ye?

What kind of master is it?

No way. The other party is only in his twenties. Even if he is a top talent in China, he can't be stronger.

"Xiaoya, didn't I ask you to keep that secret? You told others?" An Ruoying's tone is a little unhappy.

After all, the matter of qianjueshan is of great importance, and she does not want people she does not know to be involved.

Zhu Ya quickly explained: "if you misunderstand me, Mr. Ye knew this matter a few minutes earlier than I did, and we were on our way."

An Ruoying shook his head: "Xiaoya, you lie is too far off the mark. As soon as the vision of qianjueshan appeared, I'll call you. You said that the boy knew it a few minutes earlier. Could he not have predicted it?"

"Well, I won't talk about it with you. The elders of the family said that things should appear at night. It's still early. I'll take you to settle down. Then we went to qianjue mountain in the afternoon.

We can't count on that baby. There are too many masters in China. Those top masters in Hui'an province have already set foot on qianjue mountain, but it's worth seeing this kind of baby come out in this life. "

With that, an Ruoying took Zhu Ya's hand and was ready to go outside.

But she found Juya still.

She just wanted to ask, Zhu Ya turned her head to look at Ye Chen and asked, "Mr. Ye, what do you think?"

Yeah?

Zhu Ya's head is pretty funny. Why do you ask that boy about everything?

Ye Chen looked at the mountains under the dark clouds, pondered for a few seconds, and said, "Juya, go to your friend's house. I want to go to qianjue mountain to have a look now."

It's about reincarnation, and he has to be careful.

Hearing this, Zhu Yasi did not hesitate to look at an Ruoying and said, "Ruoying, I will go to settle down another day. Now I want to accompany Mr. Ye to qianjue mountain first."what!

Ann Ruoying is confused!

Is Juya so obedient to a boy? Zhu Ya's identity, treat people and things have enough qualifications to be proud!

But at the moment, facing this man, she put the posture to the lowest.

An Ruoying deeply looked at Ye Chen and said, "since you want to go, I will accompany you. Today I will go to qianjue mountain."

She was curious. What kind of ability does Mr. Ye have to change Zhu Ya's character!

Even let Juya refuse himself!

.....

An Ruoying called an SUV.

Three people got on the car, and the car went directly to qianjue mountain.

Hui'an province is a mountainous area, and qianjue mountain is one of the three famous mountains in Hui'an province.

The green mountains overlap, just like the sea waves, surging and magnificent.

The SUV stopped at the middle of the mountain. The next step was a steep ladder. The car could not get up at all. It could only be climbed step by step.

An Ruoying and Zhu Ya both have a foundation of cultivation, which is not difficult for this kind of ladder.

Instead, ye Chen has been walking behind, observing everything around.

He could clearly feel countless cold eyes staring at him.

Or bad intentions, or fear of him.

It seems that the baby is not so easy to take! At that time, it must be the competition for one thing!

While ye Chen was thinking deeply, an Ruoying stopped and looked at Ye Chen, who was far behind, and sneered: "Xiaoya, this Mr. Ye's physical fitness is too poor, it's not as good as the two women of us. In other words, who is this guy? Your little white face? "

Zhu Ya took a look at Ye Chen and said seriously, "if you are a shadow, don't talk nonsense. Mr. Ye is the first person in Jiangnan province. His means are very good. Maybe he will be the first person in China in the future."

"Puff An Ruoying said with a smile, "Xiaoya, men are all pig hooves. You are afraid that you have been infused with some enchanting soup by this man. If he is the first person in China, then I will be a warrior..."

"Xiaoya, I advise you to keep some distance from that man. Some men just pretend to be deep and lie in front of you. Once you are cheated into bed, this kind of person will be revealed."

Juya looks at an Ruoying and shakes her head. She doesn't want to explain.

Compared with Ye Chen, the gap is too big.

If ye Chen wants to, the whole Hui'an province can be shrouded in his fear!

Chapter 313

When Zhu Ya and an Ruoying are talking happily, suddenly, there is a strong wind on the stairs.

The wind howls, straight to the top of the mountain!

Ann Ruoying naturally felt something and looked behind him!

I saw a dark shadow coming quickly!

The whole body strength circulates!

"How strong..."

Seeing that the shadow was about to rush to the two people, a voice of indignation rang out: "two stinky bitches, get out of here!"

At this moment, an Ruoying felt as if her body was shrouded in a stream of pressure!

They want to move, they can't!

The momentum of the other side is too strong! Strength far surpasses them!

The shadow is getting closer and closer!

An Ruoying finally saw each other's face, but it was because of seeing clearly that her body trembled!

Black shadow is Chen Bao of Hui'an province!

This person has a great reputation in Anhui Province, not because of strength, but because of style!

The killing is decisive and inhuman!

It is said that there are not ten thousand but one thousand people who died at his hands!

Chen Bao had no father or mother. He was adopted by a strong man of martial arts. Over the years, the strong man trained Chen Bao into a sharp knife to kill for him. However, he did not expect that the strong man was killed by Chen Bao himself!

At the moment, Chen Bao must have known about qianjue mountain, so he wanted to rush to the top of qianjue mountain at the first time!

And those who stand in his way were thrown down!

It's a cliff below!

In a few seconds, eight people died!

For a moment, the crowd was leaning towards the edge! For fear of being affected!

But an Ruoying and zhuya want to hide from the root!

They even saw a cold smile on their lips!

Kill!

Violent!

"Die!"

Violent fists smash out, but also into claws to two people BUCKLE!

The momentum is too strong!

Ten fingers is the sound of air explosion!

I was about to touch two people. Suddenly, a hand stretched out of thin air and directly buckled Chen Bao's neck!

Chen Bao's body almost stopped!

Ten fingers from an Ruoying and Zhu Ya less than three centimeters!

An Ruoying's face turns white with fear. Looking along that hand, he finds that it is master ye in Zhu Ya's mouth!

How could it be!

Chen Bao saw that someone even dared to move himself, killing the opportunity to release, there was a dagger in his sleeve!

The dagger crossed the icy arc towards the arm!

But still did not touch the arm, a faint voice sounded: "even the gesture of holding the knife is not correct, this hand does not exist necessary."

Language down, ye Chen's other hand, such as the general wind and rain, caught Chen storm's wrist!

"Click!" A sound, the wrist breaks directly!

That bone crack sound incomparably clear.

Visible to the naked eye, the blood of Chen Bao's hand is blurred and the bones are exposed!

It looks terrible.

"Ah

Chen Bao roared, and his right foot was fiercer toward Ye Chen's vital point!

Ye Chen Mou son is cold, say again: "still want to resist, then I tell you, how to use a knife!"

Language down, ye Chen step on the steps of the dagger directly shake up!

He is holding it in his hand!

In the back of a dagger, Chen Dao Dao is fierce!

It's too fast. It's dazzling!

Knife up, knife down!

Chen Bao's body actually appeared a hole!

Blood keeps oozing out!

At this moment, Chen Bao was completely afraid!

He didn't notice this kid on the edge all the time!

The point is that he can't resist this kid!

"My Lord, I was wrong..."

Words have not finished, ye Chen cold voice sounded: "now, you have no value to me!"

Language down, ye Chen hands strength swept, Chen Bao was directly thrown down by him!

I don't know life and death!

This scene, completely frightens an Ruoying! Her chest is constantly ups and downs, beautiful eyes are staring to the extreme!

Chen Bao was killed by this ugly master ye?

And it's so crushed!

Before she reacts, ye Chen's figure has already missed two people and goes towards the top of the mountain.

The closer Ye Chen is to the top of the mountain, the more you can see the violent meaning of thunder clouds on top of your head!

And it's completely dark!

The sun sets and the moon takes over!

The only moonlight seems to be gradually swallowed up!

The end of the day!

I'm afraid that the exotic treasure mentioned by the old man in black will appear ahead of time. Ye Chen and the second daughter came to the top of the mountain!

It's a hundred!

Everyone is surging with strong martial arts!

There is a temple in the distance, the door is closed! It's all solemn!

No one of the martial arts and Taoism dare to knock at the gate of the temple! Even most of the strong people are far away from the temple, dare not to make a loud noise, even dare not to do it in front of the temple!

Ye Chen clearly found a little fear from the eyes of those strong!

He frowned and had some doubts in his heart.

At this time, Anluoying came over, and she had made a great change to Ye Chen, and said directly: "Mr. Ye, you should not know the origin of the temple, this is one of the three temples in Huian Province, Jingfo temple! The host inside is not a general person, the French master of Jingdao. Ten years ago, he was the 11th in the list of Chinese masters. Ten years later, no one knows how his strength is!

Because of the existence of master Jingdao, this place has become one of the forbidden areas of the martial arts and Taoism in Huian province. If it is not for the vision, those martial arts people dare not come here at all. "

Ye Chen lightly points head, suddenly, he found what, eyes a shrink, eyes fell in a direction!

And the place he sees is a robe old man!

He knows the old man! It is the strong Chinese martial arts bureau who took Zheng Yi away!

The old man in the robe is surrounded by the presence of the same breath of sixorseven!

At this moment, the cold eyes of those people seem to want to penetrate the body of the leaf Chen!

Zheng Zongshi's anger, they were jointly and severally!

And all the culprits, is not far away from the leaf Chen!

The old man in the robe clenched his fist, and the killing machine was released, and he walked step by step towards Ye Chen!

Not only he, the other strong Chinese martial arts Bureau strong people also closely follow the long robe old man behind!

As long as they do, they will certainly mercilessly kill Ye Chen!

Soon, the old man stopped: "Ye Chen, you want to watch the baby too? Are you sure you are qualified?"

"Zheng Shao's affairs, the General Administration has been angry, if you take it yourself, you will die very miserable!"

Ye Chen didn't care about the plan, he could feel the blood dragon rolling in the body! It's surging!

Grumpy and restless!

It's like something is coming out!

The Dragon roars in the cemetery of reincarnation, which makes people feel throbbing!

Suddenly, the voice of the old man in black robe rang!

"Boy, in the southeast, go!"

Ye Chen eyes a shrink, foot of the true gas is violent, like shell shot!

The old man in the robe wanted to stop in front of Ye Chen and continue to talk. Ye Chen roared and went straight with violent anger!

"Get out of here!"

Chapter 314

Ye Chen's crazy behavior makes everyone confused!

An Ruoying and zhuya are also shocked.

At the same time, countless bad eyes towards this side!

This is in Jingfo temple! Who dares to shout here!

It's not killing me!

Once you offend the one inside, you don't know how to die!

The crowd talks in succession, is to cast the disgusting vision to Ye Chen! Wish to kill Ye Chen with his eyes!

But in the direction of his head, he ignored the sound!

If we delay it, it will be too late!

When the old man in robe heard the word "roll", his eyes were angry. What's the attitude of the other party?

Get him out of here?

Ye Chen is just a person. What qualifications do you have!

"Hands on, take this one!"

The robe old man and the others just wanted to make a move, and suddenly there was a loud noise in the sky!

A series of thunder fell directly from the sky!

Terrible!

More than ten giant trees around were directly broken by lightning! Even a flame came out!

Not only that, some ancient warriors standing on the edge could not be killed. The thunder and lightning broke down and turned into a blood mist!

Can't resist at all!

At the same time, the whole Hui'an province seems to be shrouded in darkness!

The moon was completely engulfed!

The wind blows on the top of the mountain!

Around the air surging, they are under the cracks!

"This is..."

The eyes of the robed old man in Wudao bureau are full of panic!

He did not care about ye Chen, staring at the thunder and lightning, exclaimed: "that thing has come out!"

Then, he looked at several powerful Chinese martial arts Bureau behind him and ordered, "in any case, we must get that thing! Zheng Shao's affair has already made master Zheng angry. If we can't get this thing, we will surely die! "

"Yes

At this time, a huge fireball appeared on the sky!

The fireball delimits the sky, like the foreign meteorite falls to the earth! Drag out a long flame mark!

The speed of fireball is faster and faster, and the flame around is getting smaller and smaller!

The whole qianjue mountain was filled with a strong breath. All the ancient warriors could not help feeling the blood in their bodies!

It's so hard!

"Bang!"

Fireball directly hit the southeast of qianjue mountain!

The whole qianjue mountain seems to have ushered in an earthquake, all things topple, rocks flying! A hundred meters of boulders directly disappear!

The oppressed crowd burst out at this moment!

"To the southeast of qianjue mountain! Come on

After a roar, all the people surging under the feet of strength, rapidly toward the direction of the accident!

Those Chinese martial arts Bureau people noticed something was wrong, and without much thought, they rushed out.

Ahead of everyone!

But only one person didn't move.

It's the old man in the robe!

His whole body seems to be filled with a sense of fear, because the direction that ye Chen rushed out a few minutes ago is the direction of that thing falling!

It's a coincidence.

Does that kid have the power of prophecy?

"Hiss."

The old man in the robe took a breath of cold air, no longer thought about it, but also went to the place where the accident happened.

An Ruoying also responded, took Zhu Ya's hand and said seriously, "Xiao Ya, follow me!"

.....

Two minutes ago.

According to the voice in his mind, ye Chen came to the central place of qianjue mountain.

"Boy, take ten more steps forward!"

The old man in black continued.

Ye Chen nodded and stepped out of ten steps. When the tenth step fell, his eyes suddenly enlarged!

"This is The core of the array

He was shocked to find that qianjue mountain was a huge array!

The eyes are at his feet!

From his point of view, there are countless lines in all directions!

Every tree, every path, and even the distant Jingfo temple are the key to the array!

If someone looks down at the height of 50 meters at the moment, it must be found that everything on the top of qianjue mountain has gathered an ancient text!

"Boy, there was an ancient killing array here, but with the passage of time, this array has been completely damaged! It doesn't work at all! And the only thing that can trigger this array again is the five-star continuous beads, when the heavenly dog eats the moon

"If I don't make a mistake, then there will be a foreign spirit stone falling here! What you want is what you want to get! What's more, there's a secret under your feet! Next you must be careful, or you will die! ""Now, here it is!"

With the voice of the old man in black! Countless thunder and lightning fell from the sky!

It's directly above this array!

Around the air waves continue to sweep, the storm broke out completely!

And ye Chen is in the center of the storm at the moment!

The blood in his body surged up, and the whole blood seemed to be rolling, and a series of air waves were crashing towards him!

Ye Chen pinches her finger, wants to condense the gas wall to block, but finds it impossible!

"Poof!" Ye Chen vomited out a mouthful of blood, pale to the extreme.

At the same time, he saw a blazing ball of fire falling directly at him!

Great momentum!

He is very clear, this is the foreign spirit stone in the mouth of the old man in black robe!

The key is that the target of the foreign spirit stone seems to be the position of his array eye!

Ye Chen no longer think much, the body quickly toward one side to withdraw!

Before we withdraw to the edge, a great noise burst in my ear!

A strong air current seems to condense into a hundred Zhang sword, and it cuts horizontally towards Ye Chen!

"Grass!"

Ye Chen found that he did not even have a chance to dodge!

Can only watch this cold force penetrate his body!

Are you going to die?

Just then, a startling dragon roared!

A blood dragon burst out of his body! Blood dragon with Ling strong evil spirit, swept the world! What's more, it's the death block in front of Ye Chen's body, guarding what!

Although blocking most of the force, but the air flow is too terrible!

Wherever you go, just like a bulldozer, it will be razed to the ground directly!

Finally, the blood dragon could not bear the power and was torn apart directly!

And ye Chen's body is also hit to fly out again!

Ye Chen vomited out a mouthful of blood, because the blood dragon resisted most of the forces. He didn't hurt much. He took a look at the position of array eyes, and a crystal clear red spirit stone fell there steadily!

To all directions of terror.

"Go

The voice of the old man in black sounded again.

Ye Chen Mou son a congeals, knee bends, if leaves the string arrow general to shoot out!

In an instant, he came to the foreign spirit stone. He just reached out and said, "hiss!" The sound, a cold light directly shot over!

Ye Chen kills the opportunity to release, in the hand cuts the dragon sword, one sword splits!

The chill was cut off directly!

At the same time, ye Chen's body is also shaken back a few steps!

Ye Chen stares at a piece of darkness and says: "hide for so long, it's time to come out and see people."

"Pa Pa Pa Pa Pa!"

There was a burst of applause in the dark, and then a middle-aged man in a suit came out.

"Ye Chen, the first person in Jiangnan Province, was born by Jiang Peirong and ye Tianzheng. It really deserves the reputation. I'm really curious. How did you determine this place in advance?"

Chapter 315

Ye Chen heard the voice in the dark, the whole person was stunned.

From each other's words, the other side not only knows himself!

I know the relationship between myself and Jiang family!

He stares at the man in the suit, only to find that he has never met this man.

And there's a hint of danger on the other side!

The strength is very strong!

"Who are you?"

Ye Chen's cold voice rings out!

He wanted to get the extraterritorial meteorite, but as long as the man in the suit is still there, he has no chance!

The only way is to kill this man!

The man in the suit smiles and looks very elegant and gentleman. His eyes flow on Ye Chen. After a few seconds, he says, "Ye Chen, please make sure that I am asking you a question!"

"As for my identity, if you want to know, I'll tell you that I'm just a guest Secretary of the Jiang family. I'll take the foreign spirit stone!"

Jiangjiakeqing!

Ye Chen Mou son one shrinks, originally a trace of fear turns to kill meaning directly!

Although Jiang family in Jiangnan province is the family behind the mother!

But he didn't like it at all!

That piece of foreign spirit stone, he is determined to get, no one can stop!

He held the dragon sword in his hand tightly, and the blood evil spirit condensed on the sword, and an incomparable momentum was sent out.

"It depends on whether you are qualified to take it!"

Language down, ye Chen's body directly rushed out, in the lightning, like ghosts!

The suit man's eyes are indifferent, looking at Ye Chen, who is rapidly plundering, but shakes his head: "you are not my opponent at all. Why do you have to seek death?"

"It's just a villain. Even if you are the first person in Jiangnan Province, you are as humble as dust in the eyes of Jiang family! Go back

The suit man closed his eyes, then, suddenly opened!

A strong momentum rushed out of the body!

"Fierce tigers defy mountains!"

Under a roar, the man in suit rushed to Ye Chen!

This is a set of advanced martial arts skills, extremely overbearing. A blow out, like a tiger down the mountain, roaring mountain forest! Practice to the extreme, but also can open mountains and land!

"Boom!"

With this blow, the power of terror exploded!

In a flash, the suit man turned into a tiger, as if to tear and swallow Ye Chen.

"Bang!"

The two forces suddenly collide, and ye Chen only feels a strong air wave surging!

The power of dragon sword is completely cancelled!

Ye Chen retreated three steps, the suit man also stepped back three steps! There was a trace of horror on the latter's face.

"Well? The power You are even better than I thought. It's interesting... "

"But no matter how strong you are, you will die! If I kill you, maybe the Jiang family will reward me a lot!
"

"Huangquan Road, remember, the man who killed you is called Jiang biewang!"

Jiang biewang yelled, and his suit burst into pieces! The steel wristband of his right arm is exposed!

His five fingers in the air, suddenly protuberant, his hand even appeared a pair of steel gloves!

Five fingers are replaced by sharp and cold!

Once hit by this steel glove, you will die!

"Son of a bitch, enjoy the despair

Jiang biewang knee bending, then burst out, blink of an eye came to Ye Chen in front of!

The steel fingers twinkled with cold light, and the whole body was full of vigor! Momentum like a rainbow!

Ye Chen feels something wrong, even if the body retreats, or is torn out of a hole!

"Ha ha! What is it like, son of a bitch? "

Jiang biewang five fingers close, a fist toward Ye Chen smash!

Helpless, ye Chen can only real gas surging, a fist to boom! The wind of fists is roaring, and the fallen leaves are flying around!

With this blow out, ye Chen every piece of flesh and blood, all shake up. The whole body's skeleton, also faintly trembles! All the power is perfectly mobilized and poured into the fist.

"Bang!"

The power is extremely violent, and the wind blows! The air wave of terror exploded, and the whole world seemed to fall into the vibration.

Ye Chen only felt a slight numbness from his arm!

At this time, the voice of the black robed old man sounded in his ear: "there is something wrong with that glove. Don't use genuine Qi, use the blood evil spirit in your body! Blood dragon! I will give you strength

Ye Chen Mou son a congeals, whole body blood evil spirit surging! Red light flashing!

And Jiang biewang turns the whole person into a fierce tiger, just like a king in the world.

In the roar, he was like a tiger pouncing on food, showing his sharp claws and teeth!

The momentum is terrible!

Jiang biewang showed a ferocious smile at the corner of his mouth. He was so excited that he would touch Ye Chen with a blow! He even thought of bringing Ye Chen's head back to Jiang's home!

The old man hated this family so much that he might have killed Ye Chen. In addition, with the foreign spirit stone, his status in the Jiang family would certainly rise!

"Son of a bitch, I might as well tell you one more thing. When you were born, I took it from your mother's hand. It's really ridiculous that your mother begged so hard! If it wasn't for you, she couldn't have left the Jiang family! This kind of woman is mean! "

This words a, ye Chen eyes are full of anger!

The dragon will die if it touches the scales!

And his parents are ye Chen's scales!

Anger needs blood to wash away!

"Boom

The original dissipated blood dragon suddenly condenses. Maybe it is because ye Chen is angry. This time, the blood dragon agglomerates more and more!

The cold death covers the whole scene, and there are even frost all around!

"Burn the sky palm!"

Ye Chen a roar, a flame virtual palm suddenly formed!

As the burning palm blows out, in an instant, the strong wind surges, and bursts of roar come from the air, just like the explosion of Xuan thunder.

Rolling as the essence of the general air waves, this palm, mercilessly straight to the river do not look.

At this moment, Jiang biewang's eyes are frightening! His speed is even slower!

Because he saw a blood dragon circling around the youth in front of him!

The blood dragon is so powerful that its cold eyes seem to break everything!

How could it be?

He wanted to take back his fist, but it was too late!

"Bang!"

A moment later, there was a dull crash.

"Ah..."

Accompanied by the sound of heart rending screams.

"Click!"

Don't look at the steel gloves completely smashed! A blood dragon seemed to stir in his arm!

Not only the glove is broken, but his hand is broken by Ye Chen's burning sky palm!

After that, ye Chen's attack was more powerful and fell on the body of Jiang biewang!.

"Click, click, click!"

Blood shattering, bone spraying.

Time seems to stop.

Jiang biewang's body flew out and smashed on the ground!

The earth shakes, a deep pit suddenly forms!

"Why Will So... "

Jiang biewang's eyeballs seem to stare out of the general, head broken blood, whole body convulsion, powerless, paralyzed on the ground, difficult to say.

Chapter 316

This moment, he found that the strength of the other side suddenly increased!

Key that blood dragon empty shadow exactly how to return a responsibility?

Isn't this kind of evil! Isn't it a famous waste in Jiangcheng!

Even if it's so terrible, he can't be on his way!

Soon, ye Chen came to his body, a very cold sword on the neck of Jiang biewang.

Jiang biewang saw a pair of extremely cold eyes, which made him palpitation and panic!

"You Who the hell are you? "

Jiang biewang said in a low, calm voice. At the same time, he felt that the sword had gradually cut his neck. If he went deeper into it, the great artery would break and bleed to death, unable to return to heaven!

The key leaf Chen behind that blood dragon dead stare at him!

This makes Jiang biewang's heart tremble. As if, before this momentum, oneself become dust! The gap between the two is obvious.

Cold sweat instantly soaked Jiang biewang's back.

Jiang biewang wants to leave here with the secret skill of Jiang family, but he finds it impossible. A force covers him!

"Ye Chen, you and I are Jiang family members. You can't kill me..."

Jiang biewang can only do so, but the sword in Ye Chen's hand has no reaction at all, which is eroding his life step by step.

"You're wrong. I'm not the Jiang family. I wasn't, and I'm not, and I won't be in the future."

"Originally I didn't want to kill you, but if you tell me what happened then, I can't keep you."

There is no emotion at all.

The next second, the cold light flickered.

"Ah..."

Then, there was the sound of heartrending screams.

"Poo Hoo..."

Blood spray, Jiang biewang's head is directly cut off! Become a headless corpse.

Ye Chen originally wanted to ask Jiang biewang some things about the Jiang family, but he had already felt several breath coming towards this side. If he didn't do it himself, it might be too late.

No longer hesitating, ye Chen's real Qi on both feet condenses and goes directly to the foreign spirit stone in the center of the array eye!

Five fingers open, directly holding the foreign spirit stone in the palm of the hand, a strong burning feeling even makes Ye Chen's palm appear a trace of burning.

At the moment, he seems to hold a mass of spirit overflowing magma!

"Put it down!"

Just then, a voice of exclamation rang out!

More than a dozen strong breath directly fall down!

In addition to those in the Chinese martial arts Bureau, there are also some top strong people in Anhui Province!

At the moment, their eyes are full of anger and hot, after all, all people regard this thing as their own treasure, but now ye Chen is the first to get ahead, how can we not be angry!

Ye Chen ignored the group of people and directly threw the foreign spirit stone into the reincarnation cemetery.

Looking at the things in Ye Chen's hands disappeared, the eyes of those top powerful people shrunk and yelled: "boy, where have you hidden the foreign things? Hand them over quickly!"

One of them even showed a long sword, the blade pointed at Ye Chen: "there are some things you can't spy on, young man, we can spare you from death if you hand over the things!"

Ye Chen put his hands in his pocket, glanced at the crowd and asked, "first come, first served. Since I have got the baby, what qualification do you have to take away from me?"

The strong man who showed his sword sneered: "the vision of Hui'an Province, which has fallen here, should be taken care of by the people of the wudaojie of Hui'an province. I have never seen you in the wudaojie of Hui'an province. That's enough! I don't want to say a third time. Hand in the things. You can leave qianjue mountain alive. "

There was no doubt in his tone.

Soon, more and more strong people rushed to come, and people formed a circle, full of 100 people!

It is to surround Ye Chen thoroughly!

It's hard for him to fly!

Everyone's body is full of breath, and there is constant pressure towards Ye Chen, but he is directly ignored by Ye Chen.

An Ruoying and zhuya are also in time to see this scene, two girls face a big change.

"I'm dead. The man with the sword is the owner of Zhangjia family in Hui'an province. He is very powerful and has a say in this area..."

An Ruoying said subconsciously.

"How did Mr. ye take that thing? He alone, how dare to peep at the treasure in front of so many powerful people? These strong men are much better than Chen Bao. Xiaoya, please persuade Mr. Ye quickly!

ZHU Ya shakes her head and frowns. She is worried about ye Chen.

Hui'an province is not Jiangnan province. There is no Dragon Soul here, nor any other force willing to help Ye Chen. How can ye Chen face so many powerful people?

But let Ye Chen hand over that thing, simply impossible! On the plane, she clearly felt Ye Chen's determination to fight for this thing!

Want Ye Chen to hand it in? No doubt it's a tiger's mouth!

Suddenly, she thought of something, grabbed Ann Ruoying's wrist and said excitedly, "if shadow, are we good girlfriends?" An Ruoying frowned and said, "aren't you nonsense? We have known each other for more than ten years. "

"Ruoying, I have never asked you, but this time I hope you can help Mr. Ye Settling down has a wide influence in Hui'an Province, and can certainly help Mr. ye speak. "

An Ruoying just wanted to speak, several figures came out of the crowd, the head of a middle-aged man with a full face of beard, full of dignity.

"Dad..."

An Ruoying's voice is very light, but also with a trace of fear.

The man with beard is an Ruoying's father, Ansu Mountain!

Ansu Yamamoto's eyes fell on Ye Chen in the middle. When he heard the sound, he turned his head fiercely, staring at an Ruoying, and said in a deep voice, "if shadow, how can you be here?"

Then she noticed Zhu Ya and said, "this is not the place for you two to come. Xu Bo, send them down the mountain."

An old man came to an Ruoying and just wanted to talk, an Ruoying said, "I have something to say to my father!"

"Dad, that boy is Zhu Ya's friend. Can you help him save him? He's in a dangerous situation..."

An Su Shan was stunned, looked at Ye Chen, and sneered: "as long as the boy hands over his things, the people in the martial arts circle of Hui'an Province won't hurt him, but if he doesn't know the phase, there's only one way to die!"

Immediately, he looked at Juya and said, "Juya, since that boy is your friend, you may as well persuade him. If he goes on like this, he will not live for five minutes."

Zhu Ya's face became more and more ugly. She stepped out and came to Ansu Mountain. She said in a low voice, "Uncle ANN, this is the first thing Mr. Ye found. Why did he hand it over? Isn't this kind of ownerless thing first come first served?"

Ansu mountain sneered, and the majestic voice came out: "Zhu ya, this is Hui'an Province, not Jiangnan province! What's more, the rule of Chinese martial arts has always been the law of the jungle. Since the boy doesn't have the strength to guard this treasure, he doesn't deserve to have it! "

Chapter 317

After that, ansu mountain went to Ye Chen and asked, "little brother, I am an Su mountain from Hui'an province. Since my daughter and your friends are pleading with you! I promise you, as long as you give me that thing, I Anshu mountain will send you out of Hui'an province! Keep you safe

Although majestic, but the fire in his eyes betrayed him!

As long as you are an ancient warrior, who doesn't spy on Ye Chen's treasure!

Standing in the middle of the crowd, ye Chen glanced at ansu mountain, then took a look at the embarrassed Zhu Ya and an Ruoying, shook his head and said faintly: "for the sake of my friend, now you leave, I can give you a way to live."

When this was said, not only ansu mountain was stunned, but also everyone was!

They even wonder if they are dreaming. What happened just now?

This boy is already in a state of death, and even threatens ansu mountain in turn?

Settling down in Hui'an province is the existence of the top families!

No more? brain-impaired?

"Ha ha, Lao an, it seems that other people don't pay attention to your face!"

A Taoist robe man laughed, and immediately looked at Ye Chen and said, "boy, it seems that you haven't seen your situation yet. You have only one person. On our side, there are eight families and twenty-one sects and forces in Hui'an province. What are you going to fight against us?"

"Wrong, and our Chinese martial arts Bureau."

An old man in robes stepped forward.

When the man in Daopao heard these words, his expression became frightful to the extreme!

Chinese martial arts bureau is also involved in it?

Is it possible to confiscate to the state what is left behind?

Countless eyes were hostile to the robe old man for a moment.

The old man in the robe naturally thought of something, and said, "don't worry. Compared with this boy's life, our Huaxia Wudao bureau is more inclined to the latter. This son has killed many people in our Huaxia Wudao Bureau, which is extremely heinous! If he had not been protected in Jiangnan Province, he would have been dead! "

"Hiss -"

hearing this, the major forces in Hui'an province can't help but take a breath of cold air!

There are people who dare to kill Huaxia Wudao bureau?

Is this crazy?

For a while, those strong men in Anhui province changed their expressions when they saw Ye Chen.

In the distance, an Ruoying and Zhu Ya watch were chilly.

An Ruoying tightly grasped Zhu Ya's hand, which was covered with sweat. He said, "it's over. This time it's really over. Your Mr. Ye has offended eight families and more than 20 forces in Hui'an province. Now there is another Chinese martial arts Bureau. He To tell you the truth, he can't get out of qianjue mountain at all

"If he refuses to hand over that thing, he will certainly become the target of encirclement and suppression by the major forces! How does he live? Xiaoya, really, go and persuade him, or he will He is really dead

An Ruoying is very anxious. After all, ye Chen saved her when she went up the mountain just now. She didn't want the other party to have an accident.

Zhu Ya clenched her fist and looked at Ye Chen without saying a word.

She knows Ye Chen very well. Since he refuses to hand it over, there must be his reason.

At the moment, she can only choose to trust Mr. Ye!

I believe without hesitation.

Far away.

Ansu mountain was livid by Ye Chen's face and said: "in this case, I take back my words! I want to see how you can survive tomorrow

"Gentlemen, this son has nothing to do with my family. There is only one treasure. An may as well set up a rule here. Apart from the boy, whoever comes into contact with that thing first will be the one who owns it. This will also avoid hurting the harmony."

Once this is said, everyone applauds!

Ansu mountain has a great say in Hui'an Province, no one will refute his opinion!

And there's a good reason for that! It is good for all major forces!

The only disadvantage is Ye Chen!

"In that case, my Li family wants to be the first to eat crabs!"

Two figures from the crowd in an instant, toward Ye Chen swept away!

When a person rushes to the leaf Chen in front of, the body leaps, soars a leg to sweep away! Rolling with strength, this leg is as fast as lightning! Sweep Ye Chen's footwall, once hit, the powerful momentum can even kick people into two sections!

Another person in the Li family holds a machete in his right hand. The machete is white and penetrating, extremely sharp and rippling in the air, as if to cut the air in front of him in two! The visual effect is terrible!

The powerful Sabre Qi cuts directly at Ye Chen's head!

If the Li family's two strikes hit Ye Chen accurately, they must be divided into three sections!

Those around Anhui Province strong people have a lot of discussion, the Li family this time really a little too much!

For that treasure, how shameless!

Br >

looking at the two men in the storm, you can see that the two men are extremely weak! If he wants to leave with something, he must fight his way!

He wrote down the ugly faces of these people one by one!

Since everywhere kills the move, that he Ye Chen also did not have to stop hand!

Kill!

Li family holds the machete that person sneers: "boy, show your weapon, lest say we bully you."

Ye Chen stepped out, facing two people and roared: "my weapons, you two are not qualified!"

Language down, ye Chen body side, to avoid the fatal blow of the machete, at the same time, a punch toward another person's leg skills!

With the blow out, ye Chen's arm came a burst of sharp crisp sound, every joint, as if in this moment burst out of infinite strength! Powerful Qi rolling! Although the blood dragon did not appear, but the blood evil spirit is extremely frightening!

Roar

This blow is like a dragon roaring and swallowing thousands of miles!

"Boom!"

Two forces suddenly collide!

The whole earth is shaking! It seems likely to collapse at any time! In the wind, dust is all over the sky!

"How could it be!"

The Li family's man with legs fixed! The complexion quickly twisted, became extremely painful and frightened!

He felt as if his right leg had been torn by a mountain climbing force!

"Die for me!"

The next moment, a roar, in the other party's frightened look, ye Chen cried out.

Roaring like thunder! The blood evil spirit and the true Qi in Ye Chen's fist continuously collide and go!

"Puff!" One sound!

Blood stained sky, under the impact of this force, the people of the Li family turned pale!

"Click!"

Faintly, everyone clearly heard the bone fracture sound!

"Ah

Then, it was the heartrending scream.

The man flew out directly, hit the ground heavily and died on the spot!

The rest of the people holding the machete are also confused, just want to react, ye Chen has appeared in front of him!

The hand full of genuine Qi held the blade back directly!

A big push!

"Tear A, that person has not responded, the head falls on the ground!

Blood on the ground!

Finish all this, ye Chen step out, cold eyes scan people: "who dare to step forward, I Ye Chen will be burned to kill the body!"

Chapter 318

At this moment, the whole qianjue mountain was quiet.

The cold wind whistling, let this square kilometer land become like the cemetery general.

Such a quiet, even people feel suffocated!

Until a cool wind blows, all the people just hit a spirit of excitement, come back to God.

"Wow

The next moment, the scene was boiling.

Li's family died, so they died without warning.

Two moves!

Ye Chen used only two moves to directly kill the two top strong men in Hui'an province!

It's so weird, too.

Just now, he was clearly in a state of death, and he turned the tide in the blink of an eye?

"Are the Li family really dead? I have learned from each other. Although their strength is not the top level in Hui'an Province, they will not be killed so easily... "

"I'm not wrong. The body Am I dazzled? "

"Are the two of the Li family too weak, or the boy too strong?"

"I heard that there was a hunter in Jiangnan province. He was powerful and killed countless people. This guy is not the one in front of me."

This result is quite surprising.

Several people over there held their breath and were completely covered with fear.

Those two people can't rival each other's two moves in practice?

Nima, are you kidding me!

An Su Shan's expression is a little strange, but not too surprised. In his opinion, the death of the Li family is entirely due to contempt for ye Chen.

Ye Chen can get the baby, obviously some strength.

He didn't make the first move, just waiting for ye Chen to collapse.

Mantis catches cicada, yellow finch is behind!

He doesn't believe that ye Chen has a chance to win under the wheel battle?

The same attitude was shared by several members of the Chinese martial arts Bureau. They sat firmly on the Diaoyutai and were not in a hurry.

For ye Chen's strength, they naturally know better than anyone else!

Because of Ye Chen's violent hand, no one dares to stand out for a moment!

Everyone is waiting!

Ye Chen looked at all people and said faintly, "since everyone has nothing to say, then leave!"

When ye Chen is ready to leave, three old men in Taoist robes block Ye Chen's body.

"I want to learn about the strength of the first person in Jiangnan Province in the legend."

The old man in the middle said that they obviously learned the identity of Ye Chen from the nearby population.

Although the heart is afraid, but that foreign thing is too important!

It's worth their risk!

Besides, any one of them is better than the two of the Li family!

And from the very beginning, they put away their contempt, ye Chen wants to kill them, it is impossible!

"Ye Chen, in fact, handing over things is good for you and me, and..."

Words have not finished, ye Chen started!

"As I said, whoever dares to step forward will be burned and killed!"

A cold language resounds through the sky, making people palpitating!

Ye Chen's whole body seems to roll up one after another of the wind, blink of an eye came to three people in front of!

His whole body was shaking, all the energy broke out, and his body was suppressed to a very small real Qi like a long river!

This momentum is really terrible!

Everyone did not expect that ye Chen would take the initiative to attack!

The three men looked serious to the extreme, and quickly blocked!

The three people's whole body strong Qi surging, blocked Ye Chen's all murdering machine, direct one palm toward Ye Chen's vital point and go!

One of them is a high jump, fall from the sky, five fingers into claws, want to insert into Ye Chen's head like steel bar!

The next second, ye Chen hands flashing out a cold light!

As soon as the sword of chopping dragon comes out, the long sword makes a crisp sound with the genuine Qi surging.

The light of the sword!

"Whew, whew, whew!"

When the sword technique is used, the cold wind howls.

In an instant, the sword shadow is everywhere on the whole qianjue mountain.

In the twinkling of an eye, those swords, like the torrential rain from the sky, go straight to Jiuyou huangquan, covering the world.

The three wanted to block all the vitality of Ye Chen, but in turn, they were blocked by Ye Chen's sword intention!

"What kind of sword technique is this?"

"Why so terrible!"

Shrouded in the sword light, the three felt cold all over.

The cold sword spirit seems to be deep into the bone marrow and makes people stiff.

The blood in their bodies surged, as if frightened by this breath! It's very hard!

Gradually, the swords stopped quietly!

However, there are countless blood holes in their bodies!

Blood spills like a fountain!

It's over before it starts!The pupils of the three suddenly shrink to the extreme!

Ye Chen in front of them is like a God coming down to earth in their eyes! Like the master of Jiuyou!

If you don't kneel down, you'll never be scared.

"Master ye, spare your life. We really dare not, and we will not dare again!"

"As long as master Ye is willing to let us go, we are willing to serve the cattle and horses!"

Ye Chen glanced at it and snorted coldly. The Dragon Sword condensed his true Qi and swept away with a sword!

A white sharp air wave draws an arc of death!

The voice of three people begging for mercy suddenly stopped!

Two seconds later, three heads fall down!

The headless corpse still presents the posture of kneeling!

This scene is extremely frightening, frightens everybody present!

They have seen people who are decisive in killing, but they have never thought that this young man in his twenties will not let go of people who ask for mercy!

This scene seems to be familiar with each other. Just now, the people of the Li family were killed so decisively.

Who dares to go on?

The air fell into a strange silence.

All people look at Ye Chen again, only horror and panic.

Five strong men in Anhui Province have been killed mercilessly. The result of each key person is the same, even Ye Chen's attack can not be resisted.

What the hell are you doing!

Although Ye Chen has only one person, it's because of one person that scares people!

Ye Chen takes back the sword dripping with blood, and glances at people, just like looking at mole ants.

This look makes most of the strong people in Anhui Province bristle with sweat and tremble in their hearts.

At first, they didn't pay any attention to Ye Chen at all, but when they saw the five incomplete bodies and the blood all over the ground, they were only afraid!

Ye Chen, a man standing tall, is afraid of the crowd.

"I don't want to kill again. If anyone has any objection, he should first ask whether my sword agrees or not."

Leaving this sentence, ye Chen went directly to Zhu Ya's direction.

"Let's go."

Juya responded and nodded: "yes."

Ye Chen left with Zhu ya like this. The sword technique he just displayed consumed most of the real Qi in the elixir field!

He wants to frighten everyone, and then take advantage of this group of people can not react to leave!

Otherwise, he will suffer from the next wheel battle.

Suddenly, more than ten breath surged to the bottom of the mountain!

"If you want to go, have you asked us about Huaxia Wudao bureau?"

"If you want to go, I won't allow you to settle down!"

"I Hui an Province cold family also does not agree!"

This time, more than a dozen strong breath toward Ye Chen!

The snipe and clam fight for each other, and the fisherman gains profits!

They have found that ye Chen's breath is a little weak. If they don't kill them now, when will they wait?

Although Ye Chen can kill those people, can he still kill more than a dozen of them with one sword?

Chapter 319

Looking at the more than ten people attacked by this killing opportunity, ye Chen frowns slightly.

He knew it wasn't so easy!

A group of old foxes deliberately stay at the end!

Grass!

He can understand that China's martial arts Bureau and other forces have made moves.

This ansu mountain also started, it seems to be really greedy.

These ten people, including four forces! The key is that everyone has made a killing move!

Don't give ye Chen a chance to think about it!

Ye Chen no longer hesitated, pushed Zhu ya to one side, and then quickly retreated.

Sword chant comes from the dragon sword. Stop in front of you!

"Ye Chen, even if the 10th place in the Chinese martial arts list exists, it may not be able to resist the most powerful attack of more than a dozen of us! I want to see how you live this time

That Chinese martial arts Bureau's robe old man said darkly!

In the cold sound, the wrist trembled, and the sword suddenly became sharp.

Countless killing intention, as if into a net, directly toward the Ye Chen cover and down.

Don't give ye Chen the right to resist at all!

"Bang!"

Those forces directly hit the dragon sword!

A dozen strong people's strike is too terrible!

Ye Chen body directly shakes flies out! The corner of the mouth is overflowing with blood!

He stepped on a giant tree, barely holding his figure, coldly looking at the group of dignified masters!

Mean! Sinister!

But martial road is so cruel!

"Boy, it is estimated that such a blow will make your viscera uncomfortable. Hand over your things and avoid the pain of flesh and blood!"

Ansu mountain said coldly, his face ferocious!

An Ruoying on one side saw this scene, her fingers tightly grasped the corner of her clothes, and could no longer help it: "Dad, you are too much, you..."

Before she finished speaking, an old man appeared beside her and directly touched one of her acupoints.

In an instant, an Ruoying's body fell down and could only sit on the ground and watch this shocking scene.

It's clear that the young man will be killed.

This war, although he died, but an Ruoying will tell the whole Hui'an Province martial arts world today!

Let Ye Chen's name ring Hui'an province!

At least he died with equanimity and glory.

More than a dozen figures are moving towards Ye Chen again. This time, the dreary palm wind and sword shadow burst open, with a terrible breath of death, sweeping towards Ye Chen.

Ye Chen looked at the reincarnation cemetery and found that the old man in black was not there at all!

He doesn't care what, condenses all the true Qi of Dantian in one sword!

The blood dragon appears again, the Dragon chants!

Endless evil spirit rushed out from the dragon sword!

Ye Chen roared: "bloodthirsty!"

Seeing ye Chen, an Su Shan and the old man in long robes laughed at Ye Chen's struggle again!

"And dying! This sword will kill you

Face Ye Chen's resistance, all people are disdainful.

A wounded man, with a sword, would like to fight with more than a dozen masters? What a joke!

But soon, the smile on their faces solidified!

The sword in Ye Chen's hand is under the gathering of all the aura left in the elixir field, and bursts of sharp light chanting sound comes.

It is in the dark world, suddenly burst out a bright light!

In a moment, the sword of chopping the dragon has been swelling and expanding several times in an instant!

A cold breath from the nine hell is released from the sword.

The meaning of bloodthirsty, burst out!

As if a sword cut off the spring of death and death!

A sword breaks through hell and the world!

Not only that, they saw a blood dragon looming around their body!

This sword is not an ordinary sword!

Ye Chen is angry!

Although bloodthirsty to him to pay a great price! It will make him hurt even more! But even if he died, he would have to pay for it!

Everyone looked at the change in front of their eyes and widened their eyes.

Astonished!

"Right now, break everything!"

With a roar of Ye Chen! Bloodthirsty chop with incomparably bright light, such as comet across the sky, and all people's one hit collision together.

In the clear sound, the cold light flickers.

All weapons are broken directly! It's smashed!

Some people who use fists and feet, their arms and feet break apart and turn into a blood mist!

How against the weather!

"Boom

The powerful air waves are pounding in all directions!

Ansu mountain flies out!

The old man in long robes sits on the ground in confusion!

The rest of the people with low cultivation directly spit out a mouthful of blood, weak to the extreme! The power of this sword is extremely frightening!

But ye Chen is the most miserable of all!

There was no trace of genuine Qi in his elixir field, and the strong sense of exhaustion came!

Sorry!

Blood, the whole person and soil dust mixed, miserable can not be described.

He did his best!

Without the help of the samsara cemetery, he could only do such a blow.

Even the top ten masters in China can't bear it in his situation!

He leaned against the wall behind him, gasping.

Seeing this, Zhu Ya rushed over and protected Ye Chen in front of her.

"How are you, Mr. Ye? Don't scare me... "

Ye Chen nodded and wanted to reach for the pills in his pocket!

"It's OK."

He clenched his teeth and enunciated.

His blood red eyes are like a hungry wolf, cold and crazy, which makes people dare not look directly.

His body, only the smell of blood!

Only crazy!

Only violence and killing!

But now, the robed old man and Ansu Mountain have stood up!

These two people are the most powerful people on the field, even if they have carried the attack of Ye Chen, they are not good!

They hold the knife on the ground and walk towards Ye Chen step by step!

Is the individual can see that Ye Chen has no possibility of counterattack!

This son has reached the limit!

"I only want the head of this son, and the foreign things belong to you." The old man said.

Ansu Mountain was stunned and nodded: "this kind of mole ant's life has nothing to do with me. I only want to set up a home. You can take the head!"

The two have reached a deal!

Soon came to Ye Chen's front, at the moment of Zhu Ya open arms in front of Ye Chen!

"Don't you blush at your actions! So many strong martial arts to deal with a younger generation! Where is the sense of shame

"If you want to move Mr. Ye, kill me first!"

Juya raised her head and straightened her chest, and was determined to reach the extreme!

"Pa!"

With a slap from Ansu Mountain, Zhu Ya was directly fanned to one side, which could not be stopped at all.

Ye Chen's eyes are scarlet and angry to the extreme!

"Ye Chen, I will take your head back to the capital today! Ha ha

Knife down! The killing broke out!

At this critical moment!

"Creak!"

The dust-laden gate of Jingfo Temple in Qianjue Mountain suddenly opened!

A sound like the ancient bell rings leisurely!

"This son, Master Jingdao wants to stay. Who has any objection?"

In the moment, the invisible power is hanging!

Because the legendary figure of qianjue mountain appeared!

Chapter 320

Everyone did not expect that when ye Chen was doomed to die, the legendary figures of Hui'an province and even China appeared!

And the attitude is very clear!

Is to protect Ye Chen in front of everyone!

At this moment, the whole mountain top of qianjue has no breath!

Everyone's bodies are almost petrified! Is to stare big eyes, stupidly stupefied in place!

How could it be?

The strong man of this level actually personally came forward to protect a small generation who had no strength to bind a chicken!

Everyone can't help but look at the gate of the temple!

Jingfo temple! One of the three temples in Hui'an province!

It is also a forbidden area in the martial arts circle of Hui'an province!

Just because of a strong man called master Jingdao!

Ten years ago, he was the 11th in the list of Chinese masters. After ten years, no one knows what his strength is!

There is even a legend that master Jingdao once had a battle with the third most powerful master in China today!

It's a draw!

Although it is a legend, but enough to make people afraid!

In all people's hearts, there is only one roar: he Ye Chen by what!

How can he get the favor of his predecessors? Why can he be saved by such a strong man?

Gradually, an old man in cassock came out, walking lightly, without breath.

Even if there is no strong breath, but every step he takes, it seems that he is stepping on the heart of the ancient warrior on the spot!

Split!

The old man Mou Zi of Huaxia Wudao bureau is very serious. He knows that this is the best chance to kill Ye Chen! He doesn't want to give up!

He also ignores the existence of master Jingdao and wants to gather all the strength and chop it on Ye Chen's neck, but he finds it impossible.

"You didn't hear me, did you?"

Yuluo, the robed old man in Huaxia Wudao Bureau, the knife in his hand is directly broken!

A piece of debris is shot into his abdomen!

"Go away!"

Master Jingdao held out his hand and grasped it with five fingers. A strong momentum burst out, and the old man in the robe was thrown out directly!

Heavy hit on the ground, spit out a mouthful of blood, completely passed out.

This scene, frightens the human stupidly!

The master in the temple should not be a poor monk or a monk all day, let alone take the initiative to hurt people?

But what kind of ghost is master Jingdao!

In this way, a shadow shrouded in everyone's mind.

Master Jingdao has come to Ye Chen's face. He takes a look at the ansu mountain beside him and says faintly: "I want to take him away. Do you have any opinion?"

The whole body of an Su mountain trembles with fear. In front of the strong man of this legendary level, he dares to have any opinion!

"No No.... "

"Good."

Master Jingdao nodded and stretched out his hand. He helped Ye Chen up and went towards the temple.

"Miss, you should be able to walk by yourself. If you don't mind, you can have a night's rest in the temple."

This sentence is obviously for Juya.

Zhu Ya covered half of her face, nodded and followed directly.

In this way, the three walked toward the Jingfo temple.

No one dares to stop walking around in idle court!

"Gollum."

All the people looked at the three far away back, swallowing saliva!

Their hearts are shaking!

Even most people haven't responded!

Ten years, ten years!

Master Jingdao has never appeared!

Nothing let that door open!

They don't even know how master Jingdao lived in these ten years!

There is only his legend in the martial arts circle of China, but there is no real person. For a time, the strong men in Hui'an province think that master Jingdao doesn't exist at all!

But at this moment, he not only appeared, but even took away Ye Chen, who was surrounded and suppressed by countless forces, in an aboveboard manner!

If this son does not die, he will come back in the future, and the whole Anhui Province Wudao boundary will surely be shocked!

The key moment, who dares to stop!

The strong man of China martial arts Bureau has no strength to fight back! They're bullshit!

At this time, master Jing stopped.

He turned his back to everyone, and a faint voice sounded: "after so many years, someone finally let me have a glimmer of hope for the martial arts world of China! Good. "

"But all of you, I'm very disappointed. You gangsters are not worthy to stand outside the Jingfo temple! In ten seconds, if I find you are still there, I will kill you. "

Words fall!

"Bang!"

When the gate was closed, the top of qianjue mountain was covered with an extremely cold chill.

One second.

Two seconds.

By the third second, the crowd was in uproar!The next second, people are carrying injured companions, have to go down the direction of the mountain!

Ten seconds later.

There is no one on the top of qianjue mountain!

Master angry, no one dare to stay!

.....

Jingfo temple.

Ye Chen is directly supported on the bed by master Jingdao.

Then, he took out a pill, put it directly in Ye Chen's mouth, and said, "this pill is good for you. Don't resist."

Ye Chen nodded and the pill was imported. The wound was relieved.

"Thank you."

Ye Chen spits out these two words.

Master Jingdao didn't pay attention to him, but looked at Zhu Ya beside him. He said faintly: "this boy will be taken care of by you this evening. I will go to collect some herbs for him. His injury is very serious."

Then he went out.

At this time, ye Chen opened his mouth and said, "why do you want to save me?"

The door closed, leaving only a leisurely voice.

"I'm just trying to save people. If there's one reason, it's just your appetite for me."

Soon, the whole room is left with Zhu Ya and ye Chen.

Although the room is very simple, but there should be something, Zhu Ya went outside to get hot water, wrung out the towel, carefully wiped Ye Chen.

"Mr. Ye, I'm sorry. I can't help you just now."

After all, she brought Ye Chen.

Ye Chen took a look at Zhu Ya and held out his hand stiffly. It was very difficult for him to touch her red and swollen face and said in a soft voice, "does it still hurt?"

"No pain."

Ye Chen nodded, then his eyes were suffused with a trace of coldness. Word by word, he said, "you slap me because of me. When I am hurt well, Anshu mountain will die miserably."

Zhu Ya shook his head: "Mr. Ye, it's just a slap. It's no big deal."

Ye Chen did not continue to speak, but closed his eyes and lay down.

He went straight to the samsara cemetery.

The old man in black has already appeared in front of Ye Chen.

"Boy, can you blame me for not doing it at that time?"

The old man in Black said.

Ye Chen shook his head. He took a look at the blood dragon on his head and said in a cold voice, "I've been so smooth all the time. It's a good thing for me to do this time. What's more, the blood dragon has more than doubled because of this time."

"Also, I should be able to break through again."

The black robed old man's eyes narrowed slightly and appreciated Ye Chen more and more. Then he opened his mouth and said, "you still have the biggest advantage that you haven't said! That's the foreign spirit stone

With a big wave of the black robed old man's hand, a bright foreign spirit stone is directly suspended on the top of the reincarnation cemetery!

Red light shining on the earth, nearly a hundred tombstones shake violently!

Two of the tombstones have a crack!
