

## Physician 3131

### Chapter 3131

Jidu demon Jun's eyes are slightly coagulated. He has a wide range of knowledge. As soon as he sees Wei Ying's sword spirit, he knows that she is from Jue Han Emperor's palace.

"No, it's not a disciple. Ordinary disciples don't have such accomplishments."

"Your breath is so powerful that it has six layers of heaven."

"You are, at least, a core elder."

"Even, you are the master of juechan palace!"

Jidu demon Jun's palm shrank in his sleeve robe, constantly deducing, trying to infer Wei Ying's identity.

But Wei Ying's breath is so mysterious that he can't see anything.

"Demon sin, die for me!"

Wei Yingmei eyes a cold, no nonsense, directly a sword blast out.

She felt that the breath of Jidu demon king was weak, which was a good time for her to kill.

Jidu demon Jun's face was indifferent and stepped back.

He has just used the seal of demons subduing dragons. This is the 33 Tianhong Mongolian method, which needs a lot of breath. He has not yet adjusted his breath. Facing the killing of Wei Ying, he is in a crisis.

"All the disciples obey the order and kill this girl for me."

Jidu demon Jun did not have the slightest panic, a shout, behind the mountains and gullies, then out of a piece of evil spirit into the sky, mercilessly toward Wei Ying to kill.

This valley is a territory of the demon family, where a large number of powerful demons live.

What Wei Ying killed just now is the small minion outside, the real core of the strong, only now appear.

There are hundreds of powerful demons, dense, blocking the sky and sun, rolling down like a black tide.

Suddenly, Wei Ying's face changed greatly. If she fought alone, she could kill the demons with one sword.

However, the problem is that hundreds of demons are enveloped in the sky, and the breath is connected into a cloud, which is really not easy to deal with.

"Wumang, you go out first."

Wei Ying worried about wumang's accident and let it out first.

"Palace master, let's go."

Wumang looked at the figure of demons all over the sky, and was shocked.

It is very clear that Wei Ying is in a very dangerous situation. If she fights, she will hardly survive. Now the best way is to escape first.

"No, Xiao Huang is in front of me. How can I escape?"

Wei Yingmei has sharp eyes. She knows that Xiaohuang is very important to Ye Chen.

Now that she has found Xiao Huang, she will never give up.

Wumang is full of anxiety. Seeing that the demons are killed, wumang has to flee to the outside in a hurry, so as not to drag Wei Ying down.

Hundreds of demons, like the purgatory of the Kuroshio, roared in.

The strange whistling sound of Gaga reverberates between heaven and earth.

The rolling and turbulent evil Qi is constantly raging.

In the sky and the earth, it was all dark, and there were no fingers.

"Kill!"

Wei Ying put up her long sword and suddenly killed her with her sword.

A piece of cold sword light, such as lightning through the clouds, scattered slash.

The demons around her were killed by her sword light, and they screamed and were cut to death.

But the number of demons is too much, it is simply too much to kill.

Wei Ying couldn't stop her. She was attacked by the demons. Her clothes were covered with blood. Her eyes were covered with blood.

"Hum, who dares to intrude into the territory of my bogey demon king alone? Who gives you the courage?"

Jidu demon Jun looked at Wei Ying's embarrassed appearance and immediately sneered.

The Youmo gorge is the territory of the demons. I don't know how many dangers are hidden. But Wei Ying killed her alone. She was so bold that she didn't pay attention to him.

In this case, Jidu demon Jun doesn't mind dismembering her and letting her taste the price of offending the devil.

Whoa!

Suck!

Breath turns between, bogey all evil gentleman gradually restores, but he negative hand but stands, did not hand.

Because his powerful demons were enough to tear Wei Ying to pieces.

In the distant sky, there is a trace of fish belly white.

It's morning.

But Wei Ying did not see any light.

Under the attack of hundreds of demons, her eyes were full of magic, full of dark mist, and there was no light at all.

"Girl..."

Seeing this, Xiao Huang bit her teeth and wanted to help.

Unfortunately, he was so injured that he could not move.

"Damn it."

Wei Ying clenched her teeth and wielded her sword to kill her. However, there were too many demons and there were new ones flying out of the canyon. She could not kill them all even if she was weak.

"Jue Han Emperor's reverence, supernatural power passes through the world, has been suppressed by me!"

At the critical moment, Wei Yingqing drank and offered a drop of blood essence.

This is a drop of blood essence of the first juechan emperor palace master in ancient times! As soon as the blood essence of emperor Zun came out, the magnificent emperor's light came out like thunder and lightning.

The fury of destruction almost crushed the whole world.

"What!"

Jidu demon Jun saw this scene, and immediately glared at her eyes. Unexpectedly, Wei Ying still had cards.

All the demons were crushed by the blood essence of emperor Zun. Their bodies were crushed to pieces and screamed repeatedly. In a moment, they were crushed into black fog and scattered between the heaven and the earth.

That is to say, in the blink of an eye, hundreds of demons disappeared, leaving no trace.

Wei Ying's eyes finally saw the light.

A trace of warm sunshine, shining on her body, she was bathed in blood and stood with a sword. She was as sacred and proud as a fairy, showing supreme dignity.

"You are proud to be able to force me to this point, even if you are dead."

Wei Ying looked at Jidu demon Jun coldly. The emperor respected the essence of blood, which was her card. Now she sacrificed it. Although she killed all the powerful demons, the light of her blood essence was also rapidly fading down and would soon dissipate.

Hiss!

Emperor Zun's blood essence was burning wildly, releasing tremendous energy.

The long sword in Wei Ying's hand suddenly blooms with incomparable ferocity.

With a sword.

The sword spirit is like the Star River in the universe. It is magnificent and unstoppable. It can't be resisted. It can't be resisted.

"Very good, so you got the inheritance of juechan emperor, who controls the supreme mystery. Unfortunately, there is a big gap in strength between you and me. You are not my opponent."

Jidu demon Jun's eyes were gloomy. He saw Wei Ying kill with a sword. He didn't panic at all. He slowly pulled out a sword from his waist and pulled it out.

A touch of magic Qi was condensed on his sword, and the mighty golden light of the great emperor was also exploding.

This sword, actually combined with the magic power of the emperor and the devil, showed an incomparably strong breath.

Zheng!

When the two swords hit each other, Wei Ying was shaken back more than ten steps.

She integrated the sword of emperor Zun's blood essence, but could not defeat the casual attack of Jidu demon king.

Powerful!

This person's strength is too strong!

Wei Yingmei's eyes are dignified. If it is just a layer of poor state, she can barely make up for it by relying on the divine power of emperor Zun's blood essence.

However, this Jidu demon king had a very important identity. He was not only the high priest of the demons, but also a disciple of the emperor yuan temple. He had a very deep relationship with the emperor yuan hall.

Chapter 3132

This man's magic power, double cultivation of the emperor and the devil, is extremely powerful.

This confrontation, Wei Ying judged that the strength gap between himself and Jidu demon Jun was too large, and there was almost no chance of winning.

"Put down your weapons and I'll give you a good time."

Jidu demon Jun looks at Wei Ying with a sword and says coldly.

"Spell it

Wei Ying clenched her teeth in secret and set up her long sword. The body of the sword was close to her nose. Her delicate body stood still like a sculpture. Wisps of ancient Hongmeng gradually came out of her body.

She looked at the shadow of Jidu devil, just like looking at the mountains and mountains. If she wanted to win, she could only use the last card.

"This This is... "

Jidu demon Jun felt Wei Ying's breath. Her plain face suddenly changed color.

"Thirty three Tianhong Mongolian law! You can't believe that you can master the Mongolian law of thirty-three days! "

Bogey all demon Jun scalp numbness, immediately exclaimed.

From Wei Ying's body, he felt a strong sense of Hongmeng, which was just overwhelming, killing everything.

If just Wei Ying, or a young Huang, then at this moment, she is the real flying phoenix, brilliant, unmatched.

"Cut off the cold emperor!"

Suddenly, Wei Ying opened her eyes, endless Hongmeng breath, endless ancient charm, from her eyes.

The long sword in her hand exploded with a terrible chill.

With a sword.

The extreme Hongmeng flavor has evolved into an extreme cold sword light. With the momentum of penetrating the heaven and earth and destroying the universe, it cuts down at Jidu demon king.

This sword is the secret skill of juechan emperor palace in ancient times.

Thirty three Tianhong Mongolian law, the cold emperor cut!

Wei Ying became the palace master of Jue Han Emperor's palace. He had already practiced Jue Han Emperor's chop secretly.

But she hasn't done it before.

Because, juechan Tiandi beheading is an ancient method of Hongmeng, which consumes a lot of breath. If it's not about life and death, Wei Ying will never use it.

Now, Wei Ying never left her hand any more and used her strongest sword.

The blood essence of juechan emperor is completely burned.

A wisp of golden light converged on her sword spirit.

It seems that even the Star River can be killed by the endless sword Qi with the mighty Hongmeng Diwei. One sword is needed to kill Jidu demon king.

Jidu demon Jun was deeply shocked. Unexpectedly, Wei Ying became the absolute cold emperor of heaven.

This sword was cut by the emperor of heaven. It would destroy the stars. It was absolutely impossible for him to resist it.

If he could use the seal of demons subduing the dragon, Hongmeng and Hongmeng would be able to fight against the ancient Dharma.

But the problem is that he has just used it once. Even if his spiritual power is restored, he can't gather Hongmeng breath and display it for the second time in a short time.

"Senluo huaxue chop, break it for me!"

At the critical moment, Jidu demon Jun suddenly drinks, and slashes out with his sword, directly attacking Wei Ying's sword spirit.

On his sword body, the blood awn explodes, countless Senluo evil Qi erupts.

This move of Senluo huaxue chop is the best martial skill of the heaven demon clan, and its lethality is very strong.

However, compared with juechan emperor's cutting, it is undoubtedly rotten grass fluorescence, which can not compete for glory.

Bogey all demon Jun also knows this, left hand pinches Jue repeatedly.

But listen to bursts of screams, from all over the canyon, and the sound of flesh and blood burst.

Wisps of evil Qi, like black electricity, flew and gathered on the sword of Jidu demon king.

All of a sudden, Jidu's sword Qi soared.

Compared with Wei Ying, his sword light is not weak at all.

"It's a cruel way to sacrifice thousands of demons."

Wei Ying is aware of this scene, beautiful eyes suddenly shrink.

It turns out that all the demon disciples have been planted with soul seals by Jidu demon king.

This time, Jidu demon king detonated all the soul seals and sacrificed thousands of demons. His Senluo blood chopping suddenly soared to the extreme.

Boom!

Jue Han Emperor sword, Senluo devil chop.

The two swords collided fiercely.

A terrible collision gas column, burst instantly.

Wei Ying and Jidu demon king under the foot of the earth, instantly split.

The whole Canyon, rumbling.

The mountains collapsed.

The earth cracked, the mountains collapsed, the sea water poured back, and the mountains and forests were destroyed.

This piece of demon territory collapsed into ruins under the shocking collision of the two people.

The vast atmosphere of collision soared up to 90000 Li, broke through the sky and burst through a big hole. A little starlight, Aurora and magneto-optical of the universe poured down.

Puff!

Puff!

Wei Ying and Jidu demon Jun both vomited blood, and their bodies shot out and fell deeply into the sea water.

This collision is a direct loss to both sides."It's a pity."

Wei Ying swayed out of the sea water. Her white clothes were wet through the water, and she stuck tightly to her delicate body, drawing a thrilling curve.

There was a trace of regret on her face.

Originally, she used Jue Han Tian Di to cut, which was enough to break through the gap of realm and kill Jidu demon king with one sword.

But I didn't expect that Jidu demon king was very resolute. He sacrificed all the demons under his command, and enhanced the power of the sword force. He and she were both defeated.

"Palace master!"

Wumang rushed to come, looking at the ruins of the scene, it is also very shocked.

The whole Canyon, now completely occupied.

Xiaohuang's body also sank down.

The battle between Wei Ying and Jidu demon king directly broke the heaven and earth and made the world pale.

"Let's go!"

Wei Ying's eyes are dignified. With a wave of her slender hand, she quickly runs away with Xiao Huang.

"Want to go? This is my fiend's territory. Where can you go

A cold voice suddenly rang out.

I saw the shadow of Jidu demon Jun, also emerged from the sea water.

He was seriously injured and his eyes were red.

Wei Ying destroyed his territory, killed all the demons under his command, and took Xiaohuang away. His mood is so angry and fierce.

"The demons of all directions listen to the orders and chase down the master of juehan palace. There must be no mistake!"

Jidu demon Jun roared up to the sky, bent his fingers and popped up a signaling.

This signal, the magic gas rolling, a fly to the sky, it exploded.

The atmosphere of cause and effect contained in the signaling immediately permeated the whole dark sea area.

Hidden in the sea, a head of demons, have received the news, out of the nest.

"Not good!"

Wei Ying's pretty face suddenly changed. She only felt the terrible crisis and came to her in a flash.

"Hum."

Bogey all demon Jun negative hand and stand, in his eyes, Wei Ying is already a corpse.

He was seriously injured, so he couldn't stop Wei Ying.

However, as the high priest of the demon family, he has great power and can command the demons.

This time, the order for the pursuit of demons was issued, and all the demons in the nether sea area were killed at the news.

At that time, black gas and shadow came from all directions. The roar of the devil shook Jiugao, which was frightening.

"Wumang, run!"

Chapter 3133

Wei Ying's eyes are dignified and she points to a direction in a hurry.

At the critical moment of life and death, she only caught a faint breath of natural chance. Only by running away in this direction, could she live.

"Yes, Lord."

Wumang didn't dare to neglect him. He took Wei Ying and Xiao Huang and ran away quickly.

Hoo Hoo Hoo Hoo!

The sky was covered with black air and the clouds were rolling.

In the netherworld sea, thousands of demons poured out and formed a raging black tide, chasing Wei Ying crazily.

Wei Ying's face was cold, and she was deeply worried. So many demons were just blocking the sky and the sun. Unless it was the God Emperor's master coming, she would never be able to win.

Under the background of endless demons, her body is even smaller than mole ants.

Even if he is the master of juehan palace, even if he is six layers of heaven and God realm, and even if he has practiced 33 Tianhong Mongolian law, he is still small in the face of tens of thousands of demons and black tides.

"Palace master, what to do?"

Wumang looked around the dense shadow of the devil, but also completely flustered.

"Do your best and listen to the destiny. If you are really exhausted today, the three of us will die together."

Wei Ying's eyes were flat, but she recovered her composure.

"Girl, I will blow my own blood, maybe I can blow a way out and send you out."

Xiao Huang's voice was weak and she said slowly.

"No need. I will not be the Supreme Master of the Han Emperor's palace. Who is the leader of the palace? How can you live a life of idleness and idleness?"

Wei Ying's eyes were resolute. She knew that she was trapped today, and was hard to escape. She was ready to fall.

It's a pity that she still has many wishes, many ambitions, which have not been realized.

It's a great pity that we've just fallen.

Soon, wumang carries Wei Ying and Xiao Huang to the deep of the dark sea.

Here, however, is floating a strange island.

On the island, there is no vegetation, no life, full of desolation.

Endless evil spirit, endless dead air, constantly diffuse from the island.

Forbidden soul island!

An old stone tablet, standing on the island, is engraved with three big characters, each of which is filled with the evil spirit of death. It is very strange.

"Gaga!"

Around the demons, see the forbidden soul Island, immediately issued a scream.

The pursuit stopped in vain.

It seems to be deeply worried.

"Palace master, they seem to be afraid."

Wumang also found anomalies.

"Forbidden soul Island, they seem to be afraid of the breath of this island."

Wei Yingmei looks at the forbidden soul island in front of her eyes. However, in the middle of the island, there stands a huge sword with two words on it:

Diyuan!

"Is this island the forbidden area of the palace of emperor yuan?"

Wei Ying was surprised for a while. She only felt the stillness on the island, which was very terrible. If she stepped in, she would die.

This place stands the huge sword of the emperor yuan, which seems to be a forbidden area arranged by the emperor yuan hall, so the demons dare not get close to it.

"Well, wumang, let's go and talk about it first."

Wei Ying had a resolution in her heart.

"Palace master, but..."

Wu mang hesitated, because the breath on the forbidden soul island is too strange. If you break into it, you may be in danger.

"Get in, or we'll be torn to pieces by demons."

Wei Ying bit her teeth. Now the sky is full of demons.

If they don't go, they will be drowned alive.

Although the breath of the forbidden soul island is very dangerous, at this juncture, there is no way out, so we can only take refuge first.

"All right."

Wumang had no choice but to carry Wei Ying and Xiao Huang and quickly flew into the forbidden soul island.

Brush, brush!

The demons around them roared to the periphery of the forbidden soul Island, but they were afraid to step in because they felt the evil spirit on the island.

.....

I don't know how long it took.

Ye Chen slowly opened his eyes. He vaguely remembered that the Taoist had forced him into the gate of emptiness, and explained himself that the gate of emptiness, which was the convergence of his skills, was extremely unstable.

Ye Chen looks at all around, Mou son sinks.

It's not stable.

He was sure that he did not arrive in the dark sea in the first time.

As for where he was, he didn't know.

There was a frenzy of void all around.

Even a myriad of winds, like blades, pierced his skin.

His body is extremely strong, but he is also injured, which shows the horror of this place.

"Is it the chance of heaven that the Taoist opened up a void by accident?"

Although Ye Chen doesn't understand the strength of the Taoist, he is absolutely terrible.

Ye Chen doesn't dare to stay here more because the pressure here is too great. If he stayed here, whether his body would be crushed is still a question.

When ye Chen is ready to leave, he discovers the problem.

There are ten empty caves leading to the outside world!

There is a light behind these ten.

Mysterious and deep.

"Which one is the dark sea area among the population of Tianji road?"

When ye Chen ponders, the samsara cemetery changes!

The next second, a giant stone with dragon pattern flew out!

Stand in front of one of the void turbulence.

And even more strange things happened on the giant stone.

"Why are the stones of the sea people coming out at this time?"

Ye Chen's eyes are slightly coagulated. The reason why he took this stone was that it was closely related to Ren's falling dust and subduing dragon sword.

Master Ren left half a sword of falling dust and descending dragon on the top of gods. After he told himself to take it, he got another half by accident.

Now, with the giant stone of dragon pattern, ye Chen feels vaguely that Ren's goal is to be achieved.

Does Ren want to teach himself martial arts in this way.

"Well Is the void turbulence near the boulder the area where the elder Ren is now

It's absolutely possible.

This place may have been opened accidentally by the Taoist priest of Tianji. Even today's Taoist priest is not sure about it!

Ye Chen goes to the void in front of the dragon shaped stone. He can feel the extremely rich aura overflowing immediately.

Strong curiosity drives Ye Chen closer and closer.

Ye Chen knows very well that once he leaves here, he will never arrive here again!

This is his only chance.

Ye Chen stretched out his hand and gradually penetrated the cave with light.

His fingers had touched the barrier.

Penetrate

The next moment, a sense of extreme pain hit!

At the same time, the whole space tunnel is shaking, as if it is about to collapse at any time!

In the end, a tremendous impact!

This collision is like the power of the later stage of the celestial realm!

Ye Chen can't resist now!

His body heavily smashed on the dragon pattern boulder!

The earth is shaking.

If it is not the last moment, the light of the red dust God pulse will explode to the extreme!

Ye Chen will surely die!

.....

At the same time, the four sides shake!

A big earthquake is about to start!

Outside, a palace with the power of endless abyss.

The deepest part of the temple.

A black robed man sitting cross legged suddenly opened his eyes.

Chapter 3134

His eyes were surprised and frightened.

He hasn't had that look for tens of thousands of years.

How noble his identity is!

His hand seems to be able to control everything in the whole foreign territory!

It's not too much to say that one hand covers the sky!

And this man is the current emperor yuan hall master!

What makes this noble and supreme man so unexpected?

"Was it an illusion? Why do you feel that guy's breath? "

"At that time, I watched him disappear from the world, and I would never be able to step into samsara."

"But that feeling I'm so familiar with... "

For a long time, the man in black stood up and held his five fingers slightly. An ancient Rune was gathered in his hand.

Runes flow faster and faster, and finally converge into a virtual shadow.

"What can I do for you, Lord?"

The empty shadow opened its mouth and its voice was cold as if it were coming from hell.

The black robed man's eyes were heavy, and he said, "at the beginning, the Lord of reincarnation fell down, and you witnessed it with your own eyes. I also ask you, is it possible for the reincarnation master to step into the outer world and the upper world again?"

Virtual shadow raised his head, face extremely ferocious and unexpected.

But he still firmly said: "don't worry about the master of the temple. The spirits of the reincarnation Lord are all destroyed. Let alone reincarnation, there is no trace of his consciousness in the world."

"It's impossible even to be a part of it."

"The Lord of the temple suddenly mentioned this matter today. Did you find anything?"

The man in black shook his head, returned to his position and closed his eyes again.

There was an old and evil Rune in the center of his brow.

And the shadow disappeared.

As if it never existed.

"Maybe I think too much."

.....

The same moment, the upper bound.

A magnificent and godless temple.

In the palace, a gorgeous dress, containing the supreme imperial power of the woman is also suddenly opened eyes.

She is the queen of the upper world, xuanjiyue!

Not long ago, she was severely hurt by her separation.

She shut up and healed.

And now, he suddenly stopped healing!

It's full of cold and solemn.

It was as if I had seen something extremely frightening.

Just now, her divine consciousness seemed to feel the familiar existence on this vast land!

She can't believe, a man who was finished by her own hand seems to be back!

Even at that moment, a sense of extreme fear enveloped everything.

It's like a nightmare.

Xuanji moon red lips light open: "is Xuanji and Fenshen both in trouble, let me think more?"

"How could that man come back?"

"If he comes back, I'm afraid there will be an unprecedented earthquake in the upper boundary and outside the territory."

"What qualifications do I have to sit here Recent events have disturbed my mind It's ridiculous. "

With that, xuanjiyue closed her eyes and her whole body lit with flames.

The light of the flame was very special, as if it were the brilliance of stars.

It is the samsara flame.

And she did not know that the unprecedented earthquake that she felt afraid of was coming!

.....

A ruin in the upper bound.

The atmosphere of battle is full.

The earth was dyed red with blood, all over the bones of Warcraft.

On top of countless corpses and blood, there is a man with his hands behind him, and his dragon tattoos are swimming.

There are nine blood moons in my eyes.

Blood moon scarlet, like a god of death.

The sun above the sky seems to be covered by a mysterious force.

Only blood month.

If you look carefully, you will find that there is not a drop of blood on the man!

Killing ten thousand demons without a drop of blood is incredible.

Men's clothes, some, only light star.

Quiet to the extreme.

And this man naturally is Ren extraordinary.

Any extraordinary indifferent Mou son tiny a congealing, the line of sight suddenly shot to a direction.

"How could this boy suddenly touch the upper bound and the outer boundary?"

"No

"He can't step in here now."

"Otherwise Those bedbugs hiding in the dark will be excited

And at this time, the void behind Ren extraordinary tears, an old man stepped out, came to his side.

The old man's eyes were dignified, and his voice rang out: "did you also find it?"

Any extraordinary nods: "can let this boy enter that place unexpectedly, estimate also only the heavenly chance Taoist can do."

"But it was a chance for the boy." "After all, that place, hidden in the deepest void of the kingdom of God, is rarely visited."

"If you look at the history of the kingdom of God, no more than five people will enter it."

"And those people, all of them, eventually become the existence of the whole era."

"It's just that if someone finds out that the reincarnation Lord is back again, I'm afraid it's not good for the situation."

The old man hesitated for a few seconds and said, "well, ye Chen has been beyond our control. I thought I could see through his future."

"But the further back, the more I can't see."

"Even I'm not sure that he is really the key to surpassing you in this game of chess?"

Ren Feifan showed a smile and looked at the sea of blood. "Ye Lao, do you know what the ultimate meaning of my star God pulse is?"

The old man shook his head: "I don't know."

Ren fan continued: "I have set foot on thousands of stars and fallen into the forbidden soul abyss. These are not my most precious wealth."

"For me, the most precious treasure is that I have touched the pulse of God, triggered the divine way of stars, and saw the future of a flash of light and shadow."

"The kid of the future is so dazzling."

"Bright light, all things are dim."

"Including me."

"I can't mistake people."

"Ye Chen, it's worth looking forward to."

.....

The screen rotates.

Ye Chen hard to stand up, he was crushed by the rules of the injury, has recovered a few points.

But the pain is still there.

"What was there just now? Was it because I didn't practice enough and forced myself out?"

"Ah, it seems that my cultivation is not enough. Even such a law can be severely damaged."

Ye Chen moved the lower body, found that the void chaos hole has been closed.

There was only darkness left.

Ye Chen just wanted to touch it, but suddenly found that the dragon stone disappeared!

Instead, there is a blue ball of light.

The sphere of light contains the meaning of holiness.

What's more surprising is that there is a dragon pattern on it.

"Falling dust and falling dragon sword!"

Ye Chen instantly thought of what, no longer hesitated, take out the reincarnation tomb in the falling dust dragon sword!

The next second, the dragon pattern light ball seems to encounter some ultimate attraction, wrapped in the falling dust dragon sword!

Even ye Chen can find that the dragon pattern actually flows into the falling dust and subduing dragon sword.

A sword, even a part of it gave birth to a faint brilliance!

Brilliant.

"Is this the meaning of completely repairing the falling dust and descending dragon sword?"

"Or is it that the rules in the void and disordered cave have broken the dragon pattern Boulder, showing the core of things."

"And this thing is just the key to repair the falling dust and descending dragon sword."

Chapter 3135

"I'm afraid that master Ren's falling dust and falling dragon sword used a lot of resources of the sea people. Based on the sea people's temperament and their performance on that day, what they did in those years can be said to be extremely overbearing!"

"That's what gives birth to their most real fear."

"In other words, although Tianji Taoist didn't send me to the dark sea at the first time, he gave me a great chance."

Ye Chen wants to take the falling dust and subdue the dragon sword again, but he finds that the falling dust subduing dragon sword is resisting his touch!

There are even bursts of dragon chant!

"Is it because it has not been completely combined with the falling dust and dragon subduing sword?"

Ye Chen doesn't think about it any more. Anyway, this is the best result of falling dust and subduing dragon sword.

As for when to combine completely, he has enough time to wait.

The next second, falling dust and falling dragon sword will return to the samsara cemetery.

After all this, ye Chen found ten empty holes, and now there are only two left.

The rest are closed.

One of the places that must lead to is the dark sea.

As far as ye Chen's eyes are concerned, he discovers one of the empty and disordered holes, and a crack appears!

On one side of the crack, the word Youming is written!

As soon as ye Chen thought of Xiaohuang's whereabouts unknown, he prepared to enter it, but when a foot stepped in, he stopped instantly.

Because he found that there were countless chains in another void.

And these chains actually let him have a sense of familiarity!

As if the fate of cause and effect are in an instant!

Ye Chen hesitated for a few seconds, and finally turned around to drill directly into another empty hole.

And in the moment of stepping in, a dark cover came!

Ye Chen even felt great pressure, so that he couldn't breathe!

Even the strength of the body is suppressed by a special existence!

"What is this place?"

Ye Chen took a look at the entrance behind him and felt at ease.

As long as this void is not closed, he will certainly be able to return to his original place.

The space here is not as exclusive as the previous one. It should still be in the kingdom of God.

I just don't know where it is.

Around too dark, ye Chen can only sacrifice a divine fire, the whole world seems to illuminate.

Ye Chen saw a dense chain.

Chains spread around like cobwebs.

There are countless runes on the key chain.

This rune is similar to the altar of emperor yuan Temple seen last time. It does not belong to the kingdom of God.

How could there be such a place in the kingdom of God?

Ye Chen no longer hesitates to walk toward the end of a chain.

He's not sure what's going to happen here, but a strong curiosity drives him.

Suddenly, ye Chen Mou son shrinks, because he saw three words on a wall!

Tiandao palace!

The land under my feet is the heavenly way palace!

Tianji Taoist asked himself to go to the dark sea area and escape from the heavenly way palace, but he did not expect that he came to the heavenly way palace with the help of that strange void!

Ye Chen has never been so nervous!

Tiandao palace is bound here with such a strong chain, which only shows the importance of this place!

"Is this part of the necropolis of reincarnation?"

Ye Chen is short of breath, the hand is to sacrifice the evil sword!

He trod along the chain.

Soon, his steps stopped.

In front of him is a prison with countless runes.

A beautiful woman in prison.

The woman was wearing a red dress, the broad dress was embroidered with phoenix pattern, white arm with some smoke Luo purple light gauze, Qianqian thin waist, a red belt around the waist.

There is also a red sword at the waist. The long black hair floats slightly, and the hair falls on the cheek. The facial features are extremely beautiful. There is a bright pattern in the center of the eyebrow.

The woman was chained and her eyes closed.

Beautiful.

If a normal person sees such a young girl trapped in such a prison, he will feel pity!

But ye Chen didn't!

Ye Chen's body is shaking at the moment!

Red eyes all over.

His fingers are so hard that they even bleed!

Why is he so excited!

Because the woman in front of him is no one else, it is a great power of his virtual awakening in Kunlun!

Mo Ning'er!

If Mo Ning'er had not awed everything in Kunlun, ye Chen would have died at that time!

Now ye Chen sees Mo Ning'er, how can he not be excited!Is the direction that this dense chain leads to represents a great power!

At the moment, Mo Ning'er obviously found someone coming and snorted: "Xuan Yuan Mo Xie, you are dead heart..."

Before she finished speaking, her eyes opened, but the next moment, her voice stopped suddenly!

That graceful body stood up here, red lips slightly open, the next moment was covered by a pair of white hands: "Ye Chen You..."

The next moment, the chain vibrates.

One move, all move.

In the endless darkness, the sound of the chain swing, like death's death song!

At the same time, Tiandao palace, Xuanyuan ink evil eyes open!

That is a pair of extremely surprised eyes!

Just now, the place of captivity changed!

It just means someone stepped in there!

How could it be!

Xuanyuan Mo Xie no longer hesitated, and released the pressure beyond the gods. He did not hesitate to open the secret door on the hall!

No matter who it is, they are not qualified to discover the secret here!

If we say what is the most important thing in the heavenly way palace, it is those people who are trapped in the deepest place and infected with countless causes and effects!

.....

In a cage.

Ye Chen stepped out, then came to Mo Ning'er, just want to say what, Mo Ning'er directly said: "Ye Chen, there is no time to explain."

"Get out of here

"The vibration of the chain must awaken Xuanyuan moxie and even the stronger existence of Tiandao Palace at the first time!"

"This is a forbidden area with many trigger mechanisms!"

"Let's go!"

Mo Ning'er naturally discovered Ye Chen's cultivation and the spirit of martial arts!

For her, ye Chen is very strong!

But this breath is ten times, even a hundred times, terrible on Xuanyuan ink evil body!

If ye Chen meets Xuanyuan Mo Xie now, he will surely die!

Ye Chen Mou son a congeals, already felt has a black shadow to be rapidly toward this side.

If it is not suppressed with prohibition, the other party will resist instantly!

He has no time!

"Ye Chen, this place is extremely special!"

"He has only one entrance, which is the main hall of Tiandao palace."

"I'm glad to see you again! But you must leave as soon as possible now! "

"If you enter the realm of heaven and God, you may have enough strength! Step on the Tiandao palace again and open the entrance with a sword

"I look forward to this day, but not now!"

"I'm really happy that you've grown into what you are now, but you have to go now!"

"What's more, when the heavenly way palace moved us from the blood spirit clan to this place, an old man came to see us."

"The old man said that he was a monk and he came from the upper world. He knew the whereabouts of the remaining part of the reincarnation cemetery

"He also said

However, the first word toward the sword is not finished!

There's no time to think about it!

"Be careful! Let's go

Chapter 3136

Ye Chen naturally felt the ultimate sword light.

The other side is very strong.

Even if this place limits the strength of the other side!

This blow is enough to kill yourself!

Mo Ning'er in prison is extremely nervous!

If ye Chen falls like this, then the hope that they wait for is completely over!

However, at the moment, ye Chen has a congealing, endless killing intention and war spirit surging!

At the next moment, ye Chen's whole body is shining with seven times of blood light. The power of breaking the sky is surging in his body. On the evil sword, the concise God of destruction flows on the edge of the sword!

Cut it out with one sword!

Countless chains, actually with Ye Chen this sword, and tremble up, the wind and cloud color change, the earth shatters!

"Touch!"

Two extreme forces collide!

Ye Chen stepped back three steps!

And the sword light dissipated in front of me!

At the moment Ye Chen is not good, he can feel the fishy smell in his mouth.

It's the smell of blood.

He would not have been so devastated if it had not been for the bizarre prohibitions here that suppressed most of his power.

However, he was limited, and the one who took out the sword would not feel well.

It's just that they'll be here soon.

If he doesn't leave, he may really have an accident!

On the occasion of Ye Chen pondering, a figure unexpectedly rushed out!

Ye Chen's face shrinks, this figure is not other people, unexpectedly is one of the tests of heaven machine Taoist!

The emperor of heaven!

How did the other party follow me!

Tiandu emperor's eyes are flat, without any words, but ye Chen knows that the other party is dragging time for himself!

It seems that the Tianji Taoist "nephew" sent Tiandu emperor to protect himself.

.....

At the same time, Xuanyuan Mo Xie stopped.

Looking at the expressionless Tiandu emperor in front of him.

His eyes were horrifying.

"Tiandu emperor?"

Soon, his eyes slightly narrowed, the person in front of him was not the Tiandu emperor who had already fallen.

But it is the existence of a part of the strength of Tiandu emperor.

There are only three people in the world who can refine this.

One of them was his master, Tianji Taoist.

Xuanyuan Mo evil looked at the sky in front of him and snorted: "no matter who sent you, get out."

The next moment, Xuanyuan ink evil move!

A point out, fingers around the bright light, as if to erase everything.

And Tiandu emperor is not nonsense. He throws out his long sword and falls into an array. The emperor's intention of martial arts forms a brilliant boundary, which spreads out in an instant and covers Xuanyuan's ink evil!

The prohibition here has the power to suppress the living creatures!

The same is true of Xuanyuan ink evil!

Even if the power of Xuanyuan ink evil is beyond the heaven God realm, it can only play the power of the later stage of the heaven God state here!

However, Tiandu emperor is not a creature!

He is not bound by this place!

He has enough qualifications to shake the people in front of him!

Whoa!

Countless emperor's light bloomed, the towering divine power crushed the whole audience, and a white rainbow like sword Qi broke out from the sky and the earth everywhere, sweeping all over Xuanyuan ink evil!

Xuanyuan ink evil slightly surprised, also think of this so-called Tiandu emperor has not been suppressed!

Looking at the fury of martial arts, his fist lingers in the bright flame, one fist toward the emperor Tiandu!

The blow was almost suffocating.

Instant collision, Tiandu emperor was blasted to fly, chest is also broken a hole!

But the next moment is completely healed, again toward Xuanyuan ink evil and go!

He knew that the only thing he had to do was to procrastinate!

.....

At the moment, ye Chen takes back his eyes, clenches the evil sword, and cleaves towards Mo Ning'er's prison!

Today, he does not seek to rescue all the samsara cemetery powers!

But to save one is one!

Kill the sky sword formula and reincarnation blood are activated to the extreme. This amazing sword, even if it is suppressed by the rules here! It can also devour everything!

"Ye Chen, it's useless."

"All the prisons here, any details, are God stones from the outside world and the upper world. They are so hard that even the peak of the heaven and God realm can not be shaken."

"Touch!"

A great shock!

Strong anti shock force is coming! Even the five fingers of Ye Chen are bleeding!

Sha Jian flies out!

"Ding!"

Finally, it's on the ground.

Ye Chen has seen many hard things, but he is still shocked by the hardness of the prison.

The key is that he found that the whole prison seemed to be tailor-made, even without any key entrance. Mo Ning'er's eyes are full of anxiety, she naturally noticed the void crack not far behind Ye Chen.

She knew this was where Ye Chen came from.

"Ye Chen, no power can break through here, only Xuanyuan ink evil knows how to open it."

"Besides, he is only qualified to open three seats!"

"Your friend can't hold on to each other for too long. It's time to leave now."

"Isn't there an old saying in China that it's not too late for a gentleman to take revenge?"

Ye Chen pondered for a few seconds. His eyes were dignified. For a long time, he raised his head and looked at the familiar and strange Mo Ning'er and said, "OK! I'll leave first! Enough power to split the chain in front of me! It won't be long before I come to save you. "

"Since I know that the masters are trapped in the Tiandao palace, I will break it!"

"Xuanyuan ink evil block, I will kill him with a sword!"

Language down, Ye Chen deeply looked at Mo Ning'er, then toward the void chaos hole and go!

He has no choice!

If blindly stubborn, is to harm themselves, as well as harm many masters!

Only by improving our strength can we be qualified!

Ye Chen knows that this day will not be too far away!

When ye Chen stepped into the void and disordered cave, Tiandu emperor, who delayed Xuanyuan's moxie and was injured all over, quickly retreated and displayed some secret arts and disappeared in front of Xuanyuan moxie.

"Not good!"

Xuanyuan ink evil heart a sink, a kind of ominous premonition convergence, he instantly appeared at the entrance of the empty chaos hole.

He saw the back of a young man!

He put out his hand fiercely, endless huge force surging, want to pull the youth out!

But still a step late!

Empty and disordered holes are closed!

Everything returned to silence.

His body fell into the darkness and could not see it.

I don't know who stepped in, but it's not a good message.

The prohibition here is so terrible that no one can tear up the void and appear here.

Nobody in the kingdom of God can do it.

How to explain what I saw just now?

For a long time, Xuanyuan Mo Xie turned around and his eyes fell on the girl in red who was in prison.

His feet kept approaching, his cold eyes staring at Mo Ning'er, and said, "who entered here just now? You should have seen it. "

However, Mo Ning'er's eyes are slightly open, quite surprised: "Xuan Yuan Mo Xie, what are you talking about? I'm locked up in chains, and I've been in a closed state. How can I break through because of something outside? "

"I don't understand what you're talking about!"

Chapter 3137

Xuanyuan Mo Xie did not show any disrespect, showing a rather evil smile.

"I know you don't know."

"I know that I can't do anything about it."

"But I can tell you exactly that anyone who goes against the will of the heavenly palace will die."

"That figure I'll find him and kill him."

"Don't try to get out of here."

"There is no hope in your world, only despair."

"Mo Ning'er, do you know why there is no light here?"

"Because I don't want you to see light, and you don't deserve hope."

"You will be trapped here forever, enjoying the endless darkness!"

The next second, Xuanyuan ink evil hands out a rune, the rune fell on the prison!

Instant innumerable thunder light spreads!

Thunder light along the chain toward Mo Ning'er, but Mo Ning'er's face does not have any pain color.

Yes, only a smile outlined by red lips.

She Mo Ning'er is a thousand unique Xuannu, and she doesn't believe Xuanyuan's words.

Because, just today, she saw hope.

That is the hope that the hundred great powers of samsara cemetery have been longing for!

.....

Ye Chen returns to the original place.

He watched the void close in front of him.

There was some loss in his heart.

This may be the closest place since stepping into the kingdom of God.

I'm afraid those chains lead to a great power.

Luo Yuntian, Lin Qingxuan, dancing overlord, six swords, the wind is clear wait.

As for the heavenly way palace, he will eventually be destroyed.

At present, from Mo Ning'er's words, we can see that Xuanyuan Mo Xie doesn't dare to move these masters.

That's the question. Why does Tiandao palace control these masters?

The only explanation is that they are tainted with their own cause and effect.

People behind the scenes want to kill themselves through these powers.

Trapped in the real body, maybe they can't teach themselves anything.

However, the people behind the scenes did not expect that there is such a strange thing as reincarnation cemetery in this world.

He can learn the martial arts and everything of the hundred great powers.

Tiandu emperor has come to Ye Chen's side. Ye Chen looks at his wound and asks, "do you need me to cure you? Thank you this time

However, the emperor of Tiandu shook his head, and his face was expressionless, as if he were a machine carrying out tasks.

He only obeyed the orders of Tianji Taoist.

Tianji Taoist asked him to guard Ye Chen, and his duty was to guard Ye Chen.

Even if you burn yourself.

Ye Chen looks at the last void in front of him.

"It seems that this is the place leading to the dark sea."

"Follow me."

Ye Chen beckoned, and then with the emperor Tiandu, he quickly went to the void in the dark sea.

The last void closes.

As if it had never appeared in this world.

.....

Kingdom of God, Temple of the underworld.

Mo Xueming is sitting on the high platform and the blood robe is flowing with dark runes.

And he is standing in front of him is the long disappeared Sirius!

Mo Xueming took a sip of wine, and his eyes narrowed slightly: "Sirius, I give you enough time to consider, again and again."

"Now, you should have an answer in mind."

"Today is your last chance."

"Join me in the temple of the underworld, or die."

At the moment, the Sirius gazed at Mo Xueming. He had no choice.

He knew it was the limit of his procrastination.

For such a long time, Xuanyuan moxie has not found here.

There are only two possibilities. Mo Xueming has already reached the goal.

Or, Xuan Yuan Mo Xie gave up on himself.

Either way, it's not good for him.

With the invasion of demons and the coming of disaster, the kingdom of God is doomed to be in peace.

He can only choose to laugh to the last existence.

"I choose the former, and I will submit to you."

The hoarse voice of Sirius dropped slowly.

He has his thoughts in his heart and he has to live.

Mo Xue meditates and uses himself. Why can't he use Mo Xueming?

"Are you sure?"

Mo Xueming Mou son a joy, the next second, sacrifice a contract full of countless strange runes.

"You should know this contract, blood sacrifice. From now on, you will be a member of my temple of the underworld."

Sirius looked at the suspended contract in front of him, bit his teeth, gathered blood essence, and fell on the contract instantly.

The contract is closed and everything returns to peace. Sirius felt that there was a shadow in his sea of knowledge, and he knew that he could not be expelled.

It belongs to Mo Xueming's control.

Once betrayed, there will be more terrible waiting for themselves.

However, Sirius is not afraid. If Xuanyuan moxie wants to save himself, he can break the contract with the help of the skills and rules of the upper world.

He looked at Mo Xueming, seemingly respectful: "Lord, what do I need to do next?"

Mo Xueming drank a mouthful of wine, light way: "wait."

"The time of extinction is when the temple of hell rises."

.....

At the moment, ye Chen has come to the entrance of the dark sea.

Looking at the entrance in front of him, he could sense the strangeness of the Kingdom's borders.

I'm afraid there are many demons in the dark sea.

Of course, the borders of the kingdom of God do not belong to the domain of demons!

But step into it, the danger is unknown!

"Tiandu emperor, let's go!"

Ye Chen has no choice to step into it.

He could feel the endless evil Qi rolling around him, and an extreme sense of depression swept over him!

The next moment, ye Chen's spiritual power runs to the extreme! He's showing his eyes in the devil's cave!

As 33 Tianhong Mongolian law!

Now he and Xiao Huang are in the same area, should be able to insight!

Endless evil Qi seems to dissipate at this moment.

Ye Chen's face is pale, but in his pupil, reflect countless hazy pictures!

There is his answer in the picture!

He saw the injured Xiaohuang, wumang, and the mysterious girl who has been helping himself secretly!

More importantly, he saw an island!

In the island is a huge sword inserted into the sky!

On the giant sword, there is the word "emperor yuan"!

"Well? When did the emperor yuan Temple get involved

Ye Chen no longer talks nonsense and goes towards the island!

.....

In the dark sea area, the fierce waves are sweeping and the fishy wind is blowing. I don't know how many dangers are hidden.

Ye Chen is flying on the sea, crushing the void with extreme speed and sending out bursts of sonic boom, leaving a deep gap on the sea.

Tiandu emperor followed him closely, his eyes empty, just like a sculpture.

Against the backdrop of the dark sea, they are as tiny as ants.

Bang bang bang!

In the process, ye Chen suddenly heard the sound of fighting from the front.

Concentrate on a look, but see a dozen demons, dense, is besieging a woman in white.

The woman clenched her teeth and fought with her sword.

There are outsiders in this dark sea area?

"Outsiders, why struggle."

"Put down your weapons and give you a good time."

"Hehe, if such fresh flesh and blood are refined, there must be great benefits."

A group of demons have cold eyes, their hands are like lightning, and their moves are direct to the key points, and the wisps of evil Qi are constantly surging.

The woman was in a bitter battle and was about to be torn to pieces.

Chapter 3138

"Bai er."

Ye Chen saw that woman, suddenly surprised, unexpectedly is Bai er.

"Mr. Ye!"

White son saw Ye Chen, eyes surprised.

"Well? Have outsiders come in again? "

A crowd of demons frown, look at Ye Chen's breath, also chaotic state, not for fear.

But behind Ye Chen, that head corpse puppet, the breath is a bit wrong.

"Six layers of heaven and God realm!"

All the demons were so locked in their eyes that they couldn't believe their own eyes.

"A corpse puppet has the cultivation of six layers of heaven in the heaven God realm!"

"It's impossible!"

"What corpse puppet is this? How can it be so powerful?"

Almost in an instant, all the demons flew back in unison.

Danger!

Extreme danger!

It's absolutely impossible for them to crush them.

"Withdraw!"

In the blink of an eye, more than a dozen demons made a quick decision and fled to the outside.

"Do it."

Ye Chen's eyes are cold, lightly waved his hand.

"Well."

The emperor of Tiandu nodded stiffly and threw out a long sword. The palm of his hand turned and the sword fell into an array. A bright sword array spread out on the sea.

Chuckle!

At the next moment, a sword like spirit, with a very sharp murderous spirit, even filled with a trace of imperial power, crazy cut out.

Puff!

Puff!

Puff!

The sword Qi is surging, shaking the world.

The more than ten demons were killed by the sword in an instant. They screamed and fell into the sea and became a cold corpse.

Even if they were dead, they would not have guessed the origin of the corpse puppet.

"Mr. Ye, you corpse puppet..."

Bai'er was also shocked. He had never seen such a terrible puppet. He actually had the strength of six layers of heaven in the heaven God realm. Moreover, he seemed to have mastered very powerful martial arts skills. Killing people is like cutting grass, which is invincible.

Naturally, she would not have thought that the corpse puppet was contaminated with the flavor of the ancient Tiandu emperor, implied the power of the God Emperor, and the power was terrible to the extreme.

Ye Chen didn't answer. He didn't want to expose too much information about Tiandu emperor. Instead, he asked, "Bai'er, how can you be here?"

"Mr. Ye, there is something wrong with my palace master. I feel the crisis and come here specially."

Bai'er takes out the jade pendant. The blood light on the jade pendant is still fierce and dangerous.

"I hesitated for a long time, or planned to enter the dark sea to look for the palace master, but I didn't expect to encounter a demon and was almost killed. Fortunately, Mr. ye saved me."

Bai Er gave a gift, very grateful.

Her perception of Ye Chen also changed slightly.

She may have disdained before, but now she knows very well that the only one who can save the palace master is the man in front of her.

"Well, let's go and save people."

Ye Chen's face is dignified. The mysterious girl is looking for Xiao Huang to enter the dark sea area. He has owed this girl a great favor.

And Xiaohuang and the mysterious girl together, to find the mysterious girl is to find Xiaohuang.

"However, I don't know where the palace master is now. It will take me some time to deduce."

Bai'er looks helpless. She may feel Wei Ying's breath, but she doesn't know the specific location. If you want to find out, I'm afraid it will take some time to deduce carefully.

"There's no time. Come with me."

Ye Chen a wave, take the lead to fly forward.

"Mr. Ye, do you know the position of the palace master?"

Bai ER was surprised.

"Well."

Ye Chen nodded slightly, and did not explain too much.

Not long ago, he slightly moved and used the eye of the demon cave to roughly find out the location of Xiao Huang and the mysterious girl. Although he only roughly explored, it took a lot of hard work.

Now the time is urgent. He just wants to save people quickly.

After all, Xiao Huang and the mysterious girl are likely to be trapped.

Life and death are unknown.

On the island, there is a huge sword left by the emperor yuan palace, which obviously hides the great danger.

If the delay goes on, I'm afraid Xiao Huang and the mysterious girl will die.

Whew! Whew!

Ye Chen, Bai'er, and Tiandu emperor are three figures, and they are swept across the sea.

Tiandu emperor's extremely strong breath, vaguely diffused out, the hidden demons in the sea area did not dare to come out to stop.

"High priest, another intruder has broken in."

On the other hand, a demon disciple reported the situation to Jidu demon king.

At the moment, Jidu demon Jun is healing on a desolate island.

In the war with Wei Ying, he was badly weakened and even his territory was destroyed. He looked very embarrassed."Keep an eye on them."

Jidu demon Jun's tone was low, and he didn't have enough energy to cope with these changes.

"Yes."

Gongsheng, the demon disciple, retreats.

"Elder martial brother Han, should you show up?"

Jidu demon Jun's eyes are gloomy. He is more worried about cold longevity than outsiders.

His resentment with Han Changsheng was too deep to be tolerated.

This time, he was seriously injured. Han Changsheng would never miss this once-in-a-lifetime opportunity.

Once the cold life comes, I'm afraid he will be in danger.

But pinch a count, Jidu demon Jun was surprised to find that he did not feel the breath of disaster.

In the dark, he did not find a trace of disaster.

Wei Ying, Xiao Huang, outsiders, these suddenly intruded pieces, may disturb the whole chessboard.

"It's kind of interesting."

Jidu demon Jun narrowed his eyes and looked at the distant sky. He didn't know what he was thinking.

.....

Ghost Island, black fog.

Endless evil spirit, endless fierce breath, lingering on the island.

Even in broad daylight, there was no sunshine, and the darkness was to the extreme.

Only in the middle of the island, the huge sword with sky shining and powerful imperialist power rolled over the eight wastelands, as if to suppress all the enemies.

Under great pressure, Wei Ying and Xiao Huang both fainted. They were seriously injured. They couldn't stop the breath of imperial sword and fainted directly.

"Palace master."

Wumang called in a hurry, but there was no response.

Boom!

At this time, the huge sword of emperor yuan in the center of the island sent out a terrible shock.

An old figure gradually emerged on the top of the sword.

This is an old man in a gold robe. His whole body looks like a rainbow. His cultivation has reached the level of heaven and God!

"What a strong breath!"

The only sober beast, umandon, was shocked.

The eight layers of heaven and God are really incredible and terrifying!

It's only one step away from the peak of the heaven God realm, the Legendary God Emperor!

Compared with Wei Ying and Jidu demon Jun, this golden robed old man is more powerful!

Wumang eyes are full of horror, it has never seen such a powerful master.

Boom!

The golden robed old man stood on the top of the sword. Compared with the huge imperial sword, his body looked very small.

But his momentum, but crushed the heaven and earth, the emperor sword can not compare.

He was haunted by endless wind, thunder, and majesty.

Chapter 3139

Wumang shivers all over. As long as the old man in golden robe hands, there is no doubt that he, Wei Ying and Xiao Huang will die, and even the dregs will not be left.

It's really terrible. I want to fight against it unless Wei Ying and Xiao Huang recover their strength.

But at this juncture, both were seriously injured and had no resistance.

"Run

Wumang is heartbroken. He is afraid to be found by the old man in gold robe. He takes Wei Ying and Xiao Huang to a cave in the distance.

"Well? Three mole ants have broken in? "

Jin Pao old man's breath shrouds the eight wastelands, and captures Wei Ying's breath in an instant.

"Just, a few mole ants, let them go, business matters."

The gold robed old man squinted at the distant sky.

He felt that the enemy he hated most in his life, Jidu demon Jun, had been seriously injured and it was a good time for him to kill him.

"Traitor, today is your death time!"

The words of the old man in the golden robe are like thunder, and their voice is so vast that it spreads far away.

Boom!

Under the concussion of his voice, the dark sea area stirred waves, countless demons hiding in the dark, shivering.

"Han Changsheng, you are here at last."

On the desolate island, Jidu demon Jun stood with his hands and looked at the direction of the forbidden soul island.

Forbidden soul Island, the old man standing on the giant sword, is the elder of emperor yuan hall, Han Changsheng!

At this time, wumang has taken Wei Ying and Xiao Huang to the cave to hide.

It looked up at the figure of Han Changsheng, and was afraid to the extreme.

As long as Han Changsheng hands, the three of them will die.

Fortunately, Wei Ying and Xiao Huang are seriously injured, and their breath is weak. Han Changsheng doesn't find anything different. They just think it's an ordinary mole ant. They don't pay attention to it at all.

Whoosh!

Han Changsheng's body plunder violently, like thunder like crushing the void, instantly rushed out of the forbidden soul Island, to kill Jidu demon king.

At this time, ye Chen, Bai'er and Tiandu Dadi all arrived at the same time and ran into Han Changsheng head-on.

Puff!

Bai'er opens his mouth and spits out blood. His body flies back like a shell and falls into the deep sea.

The breath on Han Changsheng's body is really too terrible. Just a little pressure, it severely damaged Bai'er and made her lose her combat effectiveness.

"Heaven and God realm, eight layers of heaven!"

Ye Chen's eyes shrunk and his body fell back.

What is the concept of the eight layers of heaven? It's like the sun, the moon, the sky and the stars. You can't climb up and look up to it.

Even if it's the demon emperor, there are only seven layers of heaven and God.

The old man in golden robe is even more powerful than the devil emperor!

However, if he goes abroad, he will have a great chance. When he comes again, his strength will reach the level of the ancient God Emperor, which is not comparable to that of ordinary people.

"This man is the elder of the temple of emperor yuan?"

Ye Chen gazed at Han Changsheng, and immediately felt the breath of emperor yuan palace.

With his current strength, he can kill four layers of heaven in a second.

Under the hard struggle, we can defeat the five or six layers of heaven.

If you use a large number of cards, it is estimated that you can barely hold on for a while under the ordinary God level seven days.

However, it is almost impossible to overcome the eight layers of heaven.

The masters of this level are really terrible. They are only one step away from the realm of the God Emperor. They can crush the void and suppress the stars between their hands, which is just unimaginable.

"Well, you On you... "

Han Changsheng looked at Ye Chen, his old face, and suddenly revealed a huge surprise.

He felt that ye Chen had a lot of causal atmosphere in his body, and had countless ties with emperor yuan palace.

"Is it you who destroyed the altar we set up in the nine heaven dragon hall?"

Han Changsheng's eyes are wide, staring at Ye Chen.

At first, ye Chen, Zha Tianmo Di and Xue long were trapped in the altar under the ground in Jiutian Shenlong hall. Later, they broke out and destroyed the altar.

Therefore, there is an altar of cause and effect on the body.

Han Changsheng looked at it and saw the gratitude and resentment behind it.

At the beginning, the altar was destroyed, and the whole gate of emperor yuan hall appeared disaster.

He who destroys the altar must be a great threat!

In time, the palace of emperor yuan may be destroyed!

Han Changsheng did not expect that he would meet a person who echoed the cause and effect here.

His body fell back and his face was full of wonder.

"How could a mole ant in the early stage of chaos have such a large causal weather

Han Changsheng can't believe it.

Looking at Ye Chen's breath, it's just a chaotic situation. In the eyes of emperor yuan temple, mole like existence, as long as he is willing, a finger can be crushed to death.

However, it is just such ants that the gate of the palace of emperor yuan was destroyed. It is just incredible. Han Changsheng's eyes twinkled. If there was anything strange, it was the corpse puppet beside Ye Chen. His breath was quite strong, reaching the six levels of heaven and God.

However, no matter how powerful the corpse puppet is, it is only a corpse puppet. It belongs to foreign objects and can't turn the sky.

"Well, as long as you are killed, all cause and effect can be destroyed."

If Han Changsheng calms down, as long as he kills people, he will be able to eliminate any cause and effect disaster.

Hiss!

With a wave of his hand, the sky and the sea are filled with countless GUI water essence and fierce evil spirit, forming a dark blue long sword.

Han Changsheng held the long sword in his hand, and his whole body was full of breath. The strange runes came out from the sword.

In the face of countless evil deeds, we can see that countless people are covered with misfortune, which makes them feel difficult to roll away.

"Well, it's the law of heaven and punishment!"

Ye Chen is slightly surprised.

He had seen these runes.

At the beginning, when he rescued the Immortal Dragon Emperor, he had seen these runes on the scaffold of the prison of Longfeng heaven, which had a very strong sense of punishment. He could even crush the ancient fierce blue candle dragon.

Whew!

Han Changsheng waved his sword, a wisp of fog like sword Qi, with a violent and rebellious atmosphere of natural disasters, and mercilessly chopped at Ye Chen.

At the moment, he seems to be the emperor who dominates the punishment of God's punishment by thunder, and his momentum is extremely strong.

Ye Chen's eyes shrink. Han Changsheng's sword is just a simple sword, with no complicated changes.

But it was such a simple sword that he felt tremendous pressure.

The eight layers of heaven and God state are really too powerful and against the sky, which is simply invincible.

"Mietian Jian Jue!"

Ye Chen did not dare to neglect, seven blood light burst out, Sha sword waved, an extreme sword light, with a ferocious atmosphere of destruction, whistling out.

In the face of these masters, he directly used the mietian sword formula.

Zheng!

The light of mietian sword and the spirit of Tianxing sword collide with each other and blow up a huge air wave, and then both dissipate.

Ye Chen only feels the breath surging, all the internal organs seem to be broken, the pressure is too big.

"Why, it's impossible to block my casual sword!"

Chapter 3140

Han Changsheng's face is shocked. What strength is he? It is easy to kill a mole ant in the chaotic environment.

But now, his sword spirit is blocked by Ye Chen.

Even, the other side is still standing well.

It's incredible!

"Hoo..."

Ye Chen gasped for breath. Although he was not injured, his Qi and blood were churning under the suppression of Han Changsheng's sword Qi. It was very hard for him.

His current strength is still too big compared with the eight layers of heaven and God realm. It's just like the clouds and mud in the sky. Being able to catch a sword is already a very strong achievement.

"It's kind of interesting."

Han Changsheng narrowed his eyes: "if I give you some time, your achievements in the future will definitely surpass me."

"It's no wonder that your threat to our palace is so great that it even causes disaster."

"It turns out that your martial arts background is so deep that it can block my sword."

"But you're not lucky to meet me today."

"Die!"

Han Changsheng, with a violent drink, swung his sword again.

Countless heaven punishment runes, mixed with rolling thunder and punishment breath, concussion Xiao Yu and cut Ye Chen's head in the air.

Under the shadow of the sword Qi, ye Chen breathes slowly and is even difficult to breathe. Suddenly, he is in danger.

"Be careful."

One side of the Tiandu emperor, his voice was low and hoarse, and he ran fiercely with his sword.

The movement of his sword is very stiff, but the sword is very heavy, like the giant mountain of Mount Tai, which can't be shaken.

Zheng!

Han Changsheng cut off with a sword and was blocked by him.

"Hurt my great uncle, damn it!"

In Tiandu emperor's empty eyes, a sudden explosion of murderous spirit, throwing out the long sword, the strength of a spit, the sword like a flying rainbow, straight to the heart of Han Changsheng's eyebrows.

Although he was a puppet, he was infected with the cause and effect of the ancient God Emperor, and had already born a wisp of simple wisdom, knowing that the protector killed the enemy.

"This sword control method!"

Han Changsheng was surprised. Tiandu emperor's sword defense method reminded him of a man.

Even the face and facial features of Tiandu emperor made him feel very familiar, as if he had seen it before.

Hiss!

Flying sword.

Han Changsheng flicks his finger and repels the long sword of Tiandu emperor, and his body is still.

His strength is two levels higher than Tiandu emperor.

Although Tiandu emperor's sword means are profound, it is almost impossible to shake him.

"Uncle Tai, I'll hold him down. Go in and save people."

Tiandu emperor condensed sound into a line, quietly spread to Ye Chen's ear.

Even if the long-term strength of the two people is too terrible to win.

For today's plan, only let him delay time, ye chendeng island to save people.

Anyway, the purpose of Ye Chen's trip is to save people, not to kill Han Changsheng.

As long as you save people, you're done.

Smell speech, ye Chen heart a Lin, if let Tiandu emperor alone battle cold long life, I am afraid there is the danger of destruction.

But at this juncture, I can't care so much.

"Well, I see."

Ye Chen secretly agreed.

"When the sword falls into an array, ten thousand swords will return to the clan, and all the swords will be killed!"

The emperor of Tiandu suddenly gave up his eyes. He held the sword formula in his hand, and the sword whined. Like a white dragon, it surged up into the sky, and then fell violently on the sea.

The original undulating sea surface, with the fall of his sword, was suddenly calm.

The waves stop, the storm stops, and a huge sword array suddenly emerges.

"Return to the sword! You are the emperor of heaven

Han Changsheng's eyes shrank. Seeing the method of falling the sword into an array, he finally remembered.

Tiandu emperor!

This is the method of Tiandu emperor!

"You corpse puppet, you are actually contaminated with the breath of Tiandu emperor and inherited by Tiandu emperor. No wonder you are so powerful!"

Han Changsheng's face suddenly became dignified. In ancient times, the emperor Tiandu killed many demons and powerful men with a sword array that was almost against the sky. He was also famous.

At the moment, seeing the sword array of Tiandu emperor, Han Changsheng is deeply afraid.

Chuckle!

The emperor Tiandu kneaded the formula with both hands, and saw countless sword Qi coming out of the sword array. It was like a torrential rain in the sky, and he was mercilessly chopped at Han Changsheng.

Just calm sea water, with the killing of sword spirit, was immediately aroused surging waves, roaring waves, constantly shaking.

Under the explosion of the sword, a series of startling water column, straight into the sky.

Between heaven and earth, the sea is full of water, the sky is full of huge waves, and the storm is howling. It is a scene of doomsday.

Han Changsheng's eyes were heavy, and he saw the swords, with the dignity of the ancient God Emperor, breaking through the air and exploding. "Heaven punishment five Jue array, water Jue, kill!"

At the critical moment, Han Changsheng drank a lot and stepped on his feet. Countless kuishui essence exploded at his feet and instantly turned into a dark blue array.

As soon as this array emerges, there will be countless terrible snow disasters, floods, frost and ice rain, with a rolling atmosphere of natural disasters, crazy diffuse out.

There is also a trace of mysterious Hongmeng breath, emanating from the array.

"The thirty-three Tianhong Mongolian law is actually the thirty-three Tianhong Mongolian law."

Ye Chen saw the magic power of Han Changsheng, and his pupils shrank.

This Tianxing Wujue array is one of the thirty-three Tianhong Mongolian laws.

The tianxingtai on the lunlong peak, as well as various penalty rules, all originate from this Tianxing Wujue array.

Tianxing Wujue refers to dijue, shuijue, huojué, fengjué and leijué. It includes five kinds of natural disasters, including the earth, water, fire, wind and thunder. Each of them has the lethality of killing thousands of corpses and destroying mountains and rivers.

This time, Han Changsheng used the water Jue array in the five Jue li of Tianxing to see countless ice disasters, countless snow disasters and countless frost, covering the world in an instant.

The sea water is frozen into ice.

The temperature around, it dropped sharply.

The sword spirit of Tiandu emperor was frozen into ice sculpture and fell down.

Sword spirit has no substance, just a breath.

But the water Jue array is so powerful that even the sword Qi can be frozen. It's against the sky.

"Uncle Taishi, I can't hold on. Let's do it!"

The emperor of heaven roared.

Under the crushing of shuijue array, his puppet body is also creaking, which seems to be frozen into ice sculpture.

"Broken!"

With a roar, Tiandu emperor's fury broke out, and all his breath and all his powers were released.

Chuckle!

Countless sword Qi soared to the sky.

The emperor of Tiandu has no reservation, and the magic power of sword array is displayed to the utmost.

The towering sword Qi breaks through the shackles of water ice disaster, and mercilessly cuts to Han Changsheng.

Thank you very much

Ye Chen bit his teeth: "Jiwu: Shenshan!"

Body a twinkle, instantly rushed to the forbidden soul island.

He knew that the emperor Tiandu was fighting hard. Only in this way could he win the chance to land on the island.

"Just in chaos, how dare you board the forbidden soul island and seek death."
