

Physician 3371

Chapter 3371

In the light column, an incomparably holy, solemn breath, diffuse and open!

An incomparably graceful figure appeared in front of the demon subduing mountain!

That is a woman, a woman in a white robe, beautiful face!

Even Tu Lanxin and long Jingyan, almost impeccable top beauties, are not as good as before!

Words, has been unable to describe her beauty, people only think, between mortals, can not appear such a woman, only the legendary fairy, goddess, can have such a look?

Originally already despairing people, looking at this suddenly appears the extremely beautiful woman, I do not know why, in the heart, actually is floats a wisp of faint hope!

Countless demons, looking at the woman, yelled, and would jump at it, but at this moment, malingchuan suddenly drank a voice: "all back to my highness!"

Mo Lingchuan looked at the woman and said with a grin: "my highness is the son of the devil emperor. Who are you?"

Thousands of demons, smell a burst of doubt!

Did the devil emperor report his name? This is a kind of respect for the opponent!

Is this woman qualified to let the devil emperor's proudest son report his name?

The woman in white frowned slightly and said in a voice, "Jin Shuhui."

The strength and breath of this son of the foreign devil emperor is so terrible.

It was much more difficult than she had imagined!

Mo Lingchuan said with a cold smile, "are you from the upper world? Come here specially, what is the so-called? As far as I know, your cultivation exists once, but the cost is not small? "

When people heard this, they all looked at Jin Shuhui with incomparable shock. She was a son of the devil emperor!

Jin Shuhui showed her thin lips and said only two words.

"Kill the devil."

For a moment, the whole battle field of Fumo mountain fell into a dead silence!

What is this woman saying?

Kill the devil!?

The remaining soldiers of the demon hall are excited!

Such a terror of the upper world strong, unexpectedly at this time, to lend a helping hand!

What a blessing!

Tu Lan's beautiful eyes trembled at Jin Shuhui's figure and exclaimed, "jinxianzi, it's her!"

At present, the whole battlefield, originated from the armistice, everyone is watching the confrontation between Jin Shuhui and malingchuan.

The sword King situ Xin could not help but ask: "Tu girl, do you know this golden fairy?"

Tu Lan's face was full of disbelief and nodded: "ten thousand years ago, there was an extreme genius who suppressed the whole kingdom of God. In the whole kingdom of God, he left countless legends, and his influence is not even under the influence of Ye Chen today."

"She is also a guardian! All the guardian families, as well as the top powers of the kingdom of God, believe that the era of the rise of the seventh kingdom has come, and even under the leadership of Jin Shuhui, there is a chance to surpass the first one! "

"But Some people said that Jin Shuhui was trapped in exploring the ancient secret place. Some people said that Jin Shuhui was trapped in the mysterious place of ancient times. Some people said that Jin Shuhui was dead after encountering powerful demons in the void After that, no one has seen her again!
"

In Tu Lan's beautiful eyes, Tu Lan's heart is shining. She doesn't even care about her injuries. Jin Shuhui, the legendary talented woman, has always been her idol!

"Kill the devil?"

But at this time, malingchuan licked his lips, full of cruel color to open his mouth: "you think you are the holy ancestral realm, you are qualified to fight with my highness?"

His bloody eyes suddenly became cold and said, "ha ha, it's OK. My highness hasn't devoured the human women of the holy ancestral realm for a long time!"

The next moment, magic Lingchuan suddenly shot!

A huge sword appeared in the hand of malingchuan. On the huge sword, there was a dark green flame burning, emitting an extremely hot breath!

As soon as the giant sword was put out, countless warriors felt that they were in the sea of fire, and their whole bodies would burn up. Every time they breathe, the blood in their bodies will be burned to the ground! The five element Fumo mountain, which was almost collapsed, turned into a piece of scorched earth!

Golden Book beautiful eyes a coagulation, this magic fire is strong, has surpassed the ancient divine fire of the kingdom of God!

The whole body of malingchuan is full of evil Qi, whistling out. Originally, it has already submerged the whole sea of magic spirit of the kingdom of God and Lingwu. Suddenly, it has become a hundred times stronger!

Suffocate! Countless warriors are suffocating in the torrent of evil Qi!

Evil Qi is harmful to ordinary martial arts. Even if the magic cultivation exceeds a certain concentration, it can't bear it!

One after another, the warriors fell down, their faces were livid, some of them were red eyed, their spirits were eroded by the evil spirit, they were possessed by the devil, they became crazy people who only knew how to kill!

The reason why the evil spirit sent out by the demon army this time is so strong, for one thing, it is because the number of demons is the elite among the elite!

However, the more important thing is the existence of malingchuan! His realm and strength, is the terror to this level!

It's not too much to say that he can easily destroy Lingwu land!

And in this evil spirit, there is the sword, ferocious, fierce demonic sword!

Even Jin Shuhui, who came from the upper world, felt the ultimate sword meaning, but her pretty face changed slightly!

Mo Lingchuan's martial arts charm seems rough, but it is extremely pure and implicit. It has a feeling of returning to nature!

This powerful demon clan is not so simple as having a body of brute force. His martial arts cultivation is not low!

The son of the devil emperor is so terrible!

What's more, the supreme devil emperor!

Countless demons, looking at the red figure, on the surface, are the color of incomparable reverence!

Demons, is a very rebellious race, their hearts, usually there is no loyalty, you strong, I will subdue you, you weak, I will replace!

But for the first time in his life, he wanted to follow from his heart!

Moringchuan not only has the most rebellious blood of the devil, but also has incomparable martial arts talent!

It can be said that he was born to inherit the position of the devil emperor and become the master of all demons!

Even beyond!

"The devil heaven cuts the pole sword!" Moringchuan murmured and chopped with a sword!

The blood flashed and the magic fire was raging. The green fire on the huge sword turned into the fire rain which covered the sky and the earth. In the fire rain, the sword spirit was extremely fierce!

Under the impact of the red sword spirit, the whole sky of the kingdom of God and the land of Lingwu suddenly appeared bloody cracks!

The void storm roars out, the earth's crust vibrates, the volcano erupts, the tsunami unceasingly!

Countless huge mountains and many buildings have either turned into nothingness under the sweeping of void storm, or collapsed in the earthquake, or were submerged by rolling magma, or engulfed by surging waves

Thrilling!

Incomparably incomparable earthquake horror!

The seventh kingdom is going to be destroyed!

All the demons looked at each other, laughed, and laughed sarcastically!

No matter what the genius of ten thousand years ago, whatever you are, you will die in the face of your highness!

Among the top ten martial arts skills of the demons, the top one is the magic sword!

For tens of thousands of years, no one has been able to cultivate it except for Mo Lingchuan. Even those demons who boast of their unique martial arts skills can't even be introduced to it!

Can be magic Lingchuan, but directly its cultivation to the extreme!

How can this sword not be strong!

"Damn it!" Jin Shuhui scolded. Her slender wrist turned and a jade white sword fell into her plain hands!

White clothes flutter, sword sense ups and downs!

Chapter 3372

Sword King situ Xin, dull!

He gazed at Jin Shuhui in the air. His eyes were full of reverence and sacredness!

The sword of Mo Lingchuan is very strong. However, the sword is more of a kind of brute force and a kind of destruction. Although the use of the sword and the understanding of the sword belong to a very high level, it has not surpassed the cognition of situ Xin!

However, Jin Shuhui's sense of sword has completely surpassed the thinking of the king of swords who killed Qingming in those years!

In his mind, only worship!

On the meaning of sword, situ Xin even thought that the level of Jin Shuhui might be above Ye Chen!

In a flash, the light of jade white sword was like wind and lightning. It was so fast that everyone could not keep up with it!

However, this sword is also very clearly engraved in the spirit of the people!

The goddess in white has a peerless appearance. Her jade sword is like a rainbow. She flies out of the sky!

Jin Shuhui, even her hand, is beautiful!

One kind, lets the human heart not have the evil idea, the pure beauty!

People looked at this sword, almost crazy!

The next moment, jade white sword light, into the shape of a dragon, roaring up to the sky, even in the face of the long rain of fire and bloody sword, there is no retreat!

There was a huge bang and a powerful afterwave swept around. Some weak warriors and demons on the mount Fumo were in the afterwave. They could not even scream and evaporate in an instant!

The number of dead and wounded warriors, extraterritorial demons, is amazing!

This is the battle of the strong in the holy ancestral land!

In fact, both of them have been extremely concise in their martial arts. However, just a little bit of residual power leaked out, they have such power!

Jin Shuhui's face is white, her breath is slightly disordered, her white dress is flying, and her body is retreating. Rao is so, her mouth is still overflowing with a wisp of blood!

The first blow, the winner, is undoubtedly Mo Lingchuan!

However, such a result, but already enough to let the soldiers of the demon hall boiling for it!

The sword of Mo Lingchuan, even if the whole earth is cut off, they are not surprised, but they are blocked by the Golden Book Huisheng!

Jin Shuhui wiped the bloodstain on the corner of her mouth and said in a coagulative voice: "Mo Lingchuan, this is not suitable for fighting. Do you dare to follow me into the void to fight?"

When they heard the speech, they were stunned again. Then, their eyes could not help shining!

It's moving!

In the void, fighting with morlingchuan will undoubtedly increase the danger. After all, the extraterritorial demons are far more familiar with the void than the Terrans, and their resistance to the void storms is also stronger!

But why did Jin Shuhui do this?

Naturally, she didn't want to be affected by her fight with malingchuan to the soldiers in the fumor hall below!

Mo Lingchuan said with a cold smile: "a battle in the void? Hehe, facing my highness, are you still worried about these animals? However, my highness does not want the rare same rank to be distracted in the battle? "

In his blood eyes, he suddenly flashed the color of banter: "the whole army obeys orders, continue to kill me, kill all these animals to my highness!"

"Jinxianzi, if all these wastes are dead, you Can you concentrate on fighting? "

That innumerable demon clan hears the speech, roars, once again plunges into the battlefield, with the remaining tens of millions of Fu demon hall soldiers, fight together!

For a time, the wind rose again, and the blood rain was shaking!

"Xuannu sword!" Jin Shuhui's pretty face was chilly. In her beautiful eyes, she had an opportunity to kill her. She no longer said anything. She drank a little, and with a sharp sword, she chopped at Lingchuan!

She can do now, only one thing, that is, as soon as possible to defeat malingchuan, end the battle!

The stronger the cultivation, the more powerful he will be, the more he will be able to suppress, and the more difficult he will be to recover.

This is also one of the reasons why the queen of the upper Kingdom and the emperor killed heaven did not come to the kingdom of God!

Jin Shuhui's coming to the kingdom of God is of no benefit to her!

There was only one reason for her to do so, that is, she accidentally entered the mysterious place, after several twists and turns, but she entered the outer world and the upper world, but she never forgot that she came from the kingdom of God!

As a guardian, Jin Shuhui can feel something when the kingdom of God encounters a real disaster. She even knows a little about the process of the first two wars with the demons!

This time, the son of the demon emperor, the most powerful evil spirit of the heaven demon family, came. The kingdom of God and Lingwu were facing unprecedented crisis. Jin Shuhui did not hesitate to break the boundary directly!

Magic Ling Chuan Li drink a way: "come good!"

The magic fire sword in his hand danced one after another, fighting with Jin Shuhui!

The sword light overflows, the magic fire burns the sky, the void breaks!

The strength of the two exceeds the seventh kingdom too much, and the law of martial law has already been defeated by them!

If it goes on like this, the holy land of martial arts, once full of aura, will be beaten into waste soil by two people!

But, worst of all, this is not it! In a moment, Jin Shuhui and Mo Lingchuan have been fighting for more than a thousand times!

The slender jade sword and the magic fire sword collide again. A graceful figure, with jade feet connected in the void, broke through ten miles of space, and was able to live!

"Poof!" Another mouthful of blood, from Jin Shuhui's mouth!

At this time, Jin Shuhui, although still beautiful, but beautiful, but with a touch of desolation!

That white dress, already dyed red by blood, by her own blood!

Jin Shuhui's skin is extremely white, just like porcelain, without any defects. But at this time, she presents a kind of morbid pallor, and even the breath has begun to decline!

Jin Shuhui is really strong, but he is not as good as the one who has the body of the real devil

And the whole mount Voldemort, is also bleeding thousands of miles, ambush corpses countless!

Most of them are the corpses of soldiers in the demon Hall

On the ferocious face of Mo Lingchuan, an extremely happy look appeared. He sneered at Jin Shuhui and said, "don't you say you want to kill the devil? Is it a butcher? My highness is standing here, jinxianzi, why don't you move? Yeah? Can't it be that I fell in love with my highness and would not like to do it? "

That innumerable demon clan hears speech, all is to burst into laughter, although in battlefield, but these demon clan, already had the margin of laughter!

It can be seen that it is a huge disadvantage of the hall of subduing demons

Now, even if ye Chen appears, it's useless, right?

Golden Book in the eyes of beauty, anger burning, pretty face, suddenly flash a trace of abnormal red, originally weak breath, it is an instant rise up!

She obviously used some kind of desperate trick!

"Disgusting demon, die for me!"

Jin Shuhui drinks, and her sword Qi is stirring. The jade dragon is boiling. She turns into a startling rainbow, and she cuts away at Lingchuan!

This sword is the ultimate sword. Jin Shuhui has already burned everything of her own!

She's going to die, she's going to die in a big way!

Chapter 3373

At the same time, the hall of demon subduing is in the picture of the netherworld.

Ye Chen is surrounded by countless Ancient Runes!

The breath of breakthrough is gradually breaking out!

The whole world seems to start shaking at this moment!

This is the key point of his breakthrough!

Naturally, he couldn't feel everything about Mount Voldemort!

Only through breakthrough can we be qualified to fight!

Boom!

At the next moment, ye Chen suddenly realized that his whole body was full of chaotic breath, and the black, brown, ancient and obscure breath broke out from his body.

The surrounding heaven and earth suddenly vibrated violently, and there were six Yellow Springs, the nether underworld, the hell ghost flower, the void holy lotus and so on.

These visions interweave with each other, forming a unique picture.

"Seven layers of heaven in chaos!"

Ye Chen suddenly opened his eyes. In an instant, he only felt that heaven and man met, and his cultivation had broken through. He had stepped into the chaotic state of seven layers of heaven.

Click!

Ye Chen clenched his fist, only felt the whole body airflow rotation, the strength was infinite.

After breaking through seven levels of chaos, he made a great breakthrough in his understanding of the xuanbei tablet of reincarnation, the six ways of reincarnation, and the painting of blue and yellow springs.

In particular, if the method of six reincarnation is used again, although it will also suffer from regurgitation, at least it will not be as serious as the injury of viscera and viscera and hematemesis.

"Six ways of reincarnation, open!"

Ye Chen's heart was moved, and the reincarnation veins in his palm twinkled. Suddenly, the shadow of a reincarnation disc appeared behind him. The edge of the wheel was as sharp as a blade, rumbling and rolling, and a series of dark lights were rolling out.

"You Ying ghost weasel, wake up for me!"

Ye Chen gives a violent drink. As soon as he opens the six ways of reincarnation, he sacrifices the blood essence of the Youying ghost weasel. The light of reincarnation is poured down continuously.

Whoa!

Suddenly, the drop of blood essence, floating in the air, continuously twisted and expanded, and gradually evolved into the appearance of Youying ghost weasel.

As long as it is not used for fighting and simply reviving life, it will not cause too much abnormal fluctuation and there is no risk of exposure. Moreover, this is the world of the chart of the yellow spring. Naturally, there is no need to worry about exposure.

Under the concussion of the samsara light, time goes by. Finally, the Youying ghost weasel gradually resurrects and finally stands in front of Ye Chen.

If there was no drop of life essence left by Youying ghost weasel, it might not be so easy to revive.

"My lord..."

Youying ghost weasel stood in a daze, raised his hands and looked at it in amazement. He couldn't believe that he was really revived.

"I use reincarnation to reverse life and death and revive you. Are you ok?"

Ye Chen smiles, the six samsara method, has the effect of reversing life and death, even if others only have a drop of life essence blood, he can recover.

But if, like Jin Luan Tianxi, he completely explodes and nothing remains, he can't help it.

Unless he can surpass the highest strength in his previous life, he will be able to ignore all the rules and follow his words. In a word, he can decide the life and death of others.

"Thank you very much! I'm fine! "

The Youying ghost weasel was overjoyed and didn't expect to revive so soon.

After a pause, he asked, "where's my younger brother?"

"Your younger brother, it..."

Ye Chen is slightly dignified and sighs. He briefly tells the story of Jinluan Tianxi's self explosion and falling in order to resist Tianxin sword butterfly.

"Really, my younger martial brother is dead..."

The Youying ghost weasel was dejected, the golden Luan Tianxi died, and the nine you tiger was bewildered by Xuanyuan ink evil. It was quite distressed.

"We still have very important things to do."

Ye Chen gives a sigh of relief. The war situation in this division killing meeting is very tragic. However, people's eyes must look forward after all. Now he has to prepare for the Holocaust.

Not only before he continued to close the door, he planned to return a favor from the God.

"Yes

The Youying ghost weasel calmed down and restrained her mood.

Suddenly, the Youying ghost weasel seemed to find something. Her eyes coagulated and said, "my Lord, the evil spirit of the Fumo mountain is so heavy!"

Ye Chen's face changed. He has been in the picture of the yellow spring, isolating everything. In addition, restoring the Youying ghost weasel requires six ways of reincarnation, which makes him pay no attention to the outside world!

At the moment, he felt all the things of Fumo mountain!

An invisible anger burns!

When he closed the door, those demons unexpectedly surprised everyone and made a move to the kingdom of God!

"Damn it!"

The next second, ye Chen rushed out of the picture of the netherworld and disappeared in the demon hall!

.....

At the same time.

The atmosphere was dignified over Mount Fumo.

In the face of Jin Shuhui's sword, Mo Lingchuan's look is still the same. The magic fire sword in his hand dances wildly and the heat waves roll out. The whole kingdom of God is almost ignited by this sword! The ocean evaporates and the river dries up! The red sword light, accompanied by the magic fire, turns into a green and red sword Qi, which is cut out wildly!

Then, the jade sword Changhong and the green and red sword Qi collided with each other like stars!

The fury of the power swept around, the already almost ruins of the mount Voldemort, is completely smashed!

A burst of blood mist, from Jin Shu Hui's delicate body, at this time, this beautiful woman, like a withered flower, fell from the sky.

Why is it strong?

It's because it's very difficult to die at this level!

But at the moment, Jin Shuhui raised a bitter smile and said to herself, "is this the feeling of facing death?"

Today, she is so injured that she can't even operate her spiritual power

I'm afraid that she can't use the strength of her body in the battle, so she can't bear it?

Jin Shuhui slowly closed her eyes like the Star River and let her body sway in the wind.

She doesn't regret it.

The kingdom of God used to be her home.

She was born here, spent her childhood here, and spent her time in love.

Here are her memories.

There is her struggle here.

Here, she died to guard.

Is this patriotic?

To be precise, it's a home that loves her.

But at this time, the magic Ling Chuan, actually issued a roar!

"You mean woman, how dare you hurt me

At the moment, the blood of the blood hole!

In the eyes of Mo Lingchuan, he is the son of the emperor of the foreign demons!

It is an extremely noble and perfect existence!

Since I was born, I have almost never suffered any injury, at least, I have not been injured by the same level existence!

But now, a humble human, or even a woman, even let him hurt?

What's more, the injury is not light!

Jin Shuhui has left the only stain on the brilliant life of Mo Lingchuan!

Chapter 3374

How does it make him bear it!?

With a roar, Malingchuan took up his huge sword and rushed at the fallen Jin Shuhui like a wild animal. He yelled angrily: "my highness, I will tear you into pieces, tear out your internal organs and chew them up. This is the price of hurting my highness!"

The remaining soldiers in the Fumo hall could not help but close their eyes and did not want to see this extremely cruel scene.

But, all of a sudden, this battlefield full of corpses, but strangely quiet down

Jin Shuhui was ready to die, but the expected pain and cold did not come.

Even, there was no impact on the ground

Her delicate body light, originally because of blood loss too much, but gradually cold Jiao body, fell into a warm arms.

Jin Shuhui shows her eyebrows and frowns slightly, and slowly opens her eyes. When she enters her eyes, she is a man's face.

A pale, handsome face.

Jin Shuhui is not unfamiliar with this face, and even has a good impression.

She knew that the man's name was Ye Chen.

Jin Shuhui once felt that the kingdom of God was fighting against the invasion of the demons. Naturally, she had no impression of the man who had carried the whole kingdom and the land of Lingwu with his own strength.

Any woman, to such a man, will hardly feel disgusted.

But now!

In Jin Shuhui's mind, it is a blank! Don't say it's about ye Chen's memory, even his own serious injury, as well as the strength of the terror of Mo Lingchuan, still aside these things, all forget!

Originally pale matchless pretty face, it is a flash of red clouds flying!

Jin Shuhui has been a talented martial arts talent since she was young. Her mind is always on martial arts. In addition, her cold personality makes her feel like white paper!

But now, she was held in the arms of a man!

What's more, it's the first time I met a strange man!

When did she have such close contact with the opposite sex? Not to mention being held in the arms, even close to her within three meters of the men, in addition to relatives, are very few, even hand, have never been with people!

But now, ye Chen is taking advantage of her injury, so rude to her!

In Jin Shuhui's beautiful eyes, there is a look of shame and anger. Subconsciously, she will raise her hand and hit Ye Chen's face. However, her hand is caught.

Ye Chen grabs Jin Shuhui's hand, frowns slightly, and says faintly, "what are you doing?"

He saved Jin Shuhui's life. Did Jin Shuhui even beat him?

Jin Shuhui bit her lips gently. In her beautiful eyes, she felt a little aggrieved. The man hugged herself at will, but she still had this attitude!

She knew that ye Chen had saved herself, but with Ye Chen's strength, there were 10000 ways to take her. Moreover, she hugged her. Why didn't you let her go!

This This is not to take advantage of her, what is it!

Jin Shuhui's face was even redder. She was about to say something, but suddenly, a very fierce murderous spirit rolled towards them like a hurricane!

Not far away, malingchuan is coldly looking at Ye Chen, with a cruel smile on his face.

CHEN Ye?

It is said that this man is the most gifted man in the kingdom of God!

Some even said that he could stand by his son of the devil!

It's an insult to him!

This Terran genius, it seems, is very weak!

Ye Chen's cultivation after his seclusion has broken through the seven layers of chaos. However, in the eyes of Mo Lingchuan, such cultivation is no different from waste.

He knew that ye Chen could almost jump the level and fight madly, but his strength was estimated to be at the top level of the heaven God realm, and the highest level would not exceed the level of the heaven God realm. He could never be his opponent!

Jin Shuhui's face sank, knowing that it was not the time to worry about whether ye Chen had taken advantage of her.

Ye Chen's strength is not weak, martial arts talent, but also make Jin Shuhui shocked!

However, according to Jin Shuhui's memory of the last invasion of the demons, ye Chen's strength is about six or seven layers in the heaven God realm, and the gap between Ye Chen and malingchuan is like a heavenly abyss!

Now, how long has it been since the last mob invasion?

Even if ye Chen's martial arts talent is abnormal again and can be promoted again, it is absolutely impossible for ye Chen to cross the barrier between the heaven God realm and the holy ancestor realm in such a short period of time!

Not to mention, the strength of malingchuan is not weak in the early days of Shengzu territory!

Even he can't defeat him, so, ye Chen is not even a silk victory in the face of malingchuan!

"Ye Chen, listen to me. You are not the opponent of Mo Lingchuan, but you are the only one who has the chance to defeat him in the future."

"Just now, you caught me and gave me a chance to adjust my breath a little bit. Although I can't fight yet, now I have a chance to explode myself!" "After a while, you quickly leave my side. Although malingchuan is strong, it is impossible for him to exist in a holy ancestral realm, still intact, and you want to escape!

When you are strong enough, revenge! Ye Chen, do you understand? "

Jin Shuhui knows that to do so is to abandon the soldiers in the Fumo hall and the people he loves. However, the reality is cruel. This is the only way ye Chen has a chance to defeat Mo Lingchuan!

If you stay here, you can only die in vain. Nothing can be changed

Ye Chen looked at Jin Shuhui lightly, but shook his head and said, "I don't understand."

He really did not understand, in the face of an extraterritorial demon in the early days of the holy ancestral realm, why did he escape?

Jin Shuhui showed a frown. She thought Ye Chen was going to waste her life in vain. She was ready to talk.

However, in the moment when she opened her lips slightly, a finger reached into her mouth and blocked her mouth

That finger, of course, is Ye Chen's.

All people are stupid, ye Chen, what are you doing?

But ye Chen, however, didn't think of it, and said faintly, "bite my finger."

In the void, he had sensed some things. Naturally, he knew that Jin Shuhui was seriously injured in order to defeat Mo Lingchuan, and he also used the secret arts with great side effects.

Even in terms of the foundation of the holy ancestral realm, such serious injuries, if not treated in time, are likely to leave sequelae!

Although Ye Chen didn't say that, he was extremely grateful to Jin Shuhui. If it wasn't for Jin Shuhui, the kingdom of God and the land of Lingwu, they might have been extinct now, and the people he wanted to protect might have died.

Jin Shuhui, be kind to him!

Ye Chen naturally doesn't want anything wrong with her.

But ye Chen has just applied the six ways of reincarnation to the Youying ghost weasel. Now that the enemy is not far away, he can't let himself fall into excessive weakness.

Therefore, ye Chen let her bite his finger, his blood is the most precious!

Chapter 3375

Zhibao contains reincarnation and strong recovery ability!

But Jin Shuhui doesn't know all this!

At this time, her pretty face is already blood red! She wants to struggle and resist. She doesn't let Ye Chen put her finger in it. However, in Jin Shuhui's present state, how can she resist?

She looks at Ye Chen, beautiful eyes, already full of anger!

What is this man doing?

Even if I hold myself, I suddenly put my finger in someone else's mouth and ask her to bite her finger?

This is not frivolity, what is frivolity!

Originally, in her heart, ye Chen was still quite fond of, but now, Jin Shuhui only thinks Ye Chen is a lecher, abnormal!

She kept struggling to reprimand Ye Chen, but because she had Ye Chen's fingers, the words she said were vague, and she could only make a sound of Mm-hmm.

For a moment, the scene is incomparably ambiguous!

Jin Shuhui is really worried. Ye Chen is Even if you really want to take advantage of her, you should also divide the occasion and opportunity?

Now, in the face of this extremely powerful and terrifying foreign magic emperor's son, Mo Lingchuan, do these things to himself?

Is this guy crazy?

Ye Chen saw that Jin Shuhui refused to bite his finger for a long time. He frowned and said, "don't get me wrong. I just want to help you heal. My blood is more effective than any healing pill."

The reason why he put his finger directly into Jin Shuhui's mouth was that he knew that he would never drink his blood with Jin Shuhui's pride. Therefore, he could only put his finger directly into Jin Shuhui's mouth and force her to bite her.

Even ye Chen's blood will consume a lot if he wants to recover the wounds of the strong in the holy ancestral region. Ordinary pills and even Hongmeng ancient skills are not so good.

But Jin Shuhui struggled harder to heal her wounds?

Ye Chen's blood can heal wounds, and is more effective than pills?

Are you kidding?

In order to bully themselves, even made up such a lie?

The green emperor, Yu Zhenzi and others on the Fumo mountain are also very anxious. They can't hear what ye Chen says, but they can see that ye Chen can't fight well with Jin Shuhui in his arms!

The green emperor couldn't help shouting: "Ye Chen! what are you doing? Put down the jinxianzi quickly. The son of the foreign devil emperor is very strong. He is not an enemy to be distracted from

If the Qing emperor was not seriously injured at this time, he would like to give ye Chen a blow directly. The enemy is in front of him, and is he still flirting here?

Tu Lanxin, Sun Yi, Chu Ying and other women are also looking at Ye Chen coldly. They don't object to Ye Chen having other women around. However, is it time to find a woman now?

Feeling people's sight, especially his women's sight, ye Chen felt a huge pressure inexplicably. He couldn't help but smile bitterly: "bite quickly, I didn't cheat you, you try to know, I promise you, you bite, I will pull out my finger."

Golden Book Huimei eyes, full of grievance color, if ye Chen is not the only person to fight against evil Lingchuan, she is going to directly blow herself up!

Forced by helplessness, she had to admit to life in general, bite Ye Chen's fingers, as if to vent the dissatisfaction in the heart, revenge Ye Chen, this bite, exhausted all her strength!

Ye Chen dark scolds a, this woman belongs to dog?

Rolling blood, from ye Chen's wound, flows into Jin Shuhui's throat. In a flash, it turns into a warm current and rushes to her limbs and bodies!

However, Jin Hui's body is getting better and faster!

It's dull. It's completely dull!

How could this happen?

I am afraid that even the healing pills of foreign countries and the upper world do not have such adverse effects, right?

She has seen everything in foreign countries and in the upper world, but she has never heard of anyone whose blood is comparable to pills!

Jin Shuhui swallows Ye Chen's blood and looks at Ye Chen apologetically. She misunderstands Ye Chen.

However, Jin Shuhui's heart is still a little embarrassed.

Just at this moment, a roar with towering anger exploded in the ears of Ye Chen and Jin Shuhui.

"Have you had enough?"

Ye Chen did not pay any attention to Mo Lingchuan.

Mo Lingchuan's eyes are bloodshot and staring at Ye Chen. A waste man dares to ignore him and make love with a woman there?

Does Ye Chen really think his life is too long?

Mo Lingchuan sneered: "little waste, you just, didn't you hide very well? Your highness, thought you had escaped? Why is it all of a sudden? "

"Hide?" Ye Chen finally looked at the magic Lingchuan, and said without expression: "you don't deserve to let me hide."

Mo Lingchuan was very angry and said with a smile: "ha ha ha, little scum, my highness, I will let you know whether I deserve it or not!"

Mo Lingchuan's whole body was full of evil Qi, and the magic fire sword reappeared in his hands. "The devil heaven cuts the pole sword!"

This evil Ling Chuan, unexpectedly is direct hand!

The fire and rain reappear all over the sky, and the red sword Qi is surging. It looks like a net of heaven and earth. It is shrouded in the leaf Chen. You can't avoid it!

At this time, under the influence of Ye Chen's blood, Jin Shuhui's injury was relieved a lot, and finally got rid of Ye Chen's finger. Looking at the sword, she looked extremely dignified.

She said in a deep voice: "Ye Chen, support for a moment, when I will breathe smoothly, you and I will not necessarily have the strength to fight with this demon emperor!"

Ye Chen's blood is really strong, her injury has been very good, as long as a few breathing time, mix up the breath, you can recover 90% of the strength!

In that case, if the two join hands, it may really be possible to defeat malingchuan!

What she worries most is that these breathing times, with the strength of Ye Chen's chaotic environment, want to hold on, I'm afraid it will be extremely difficult!

What is support?

Support, to put it bluntly, is to try our best to dodge and resist!

However, at this moment, all the people who survived on Mount Fumo, as well as Jin Shuhui, were stupefied, as if frozen by the cold wind from the North Pole!

Why?

Because ye Chen stood still in front of the magic Lingchuan, even the existence of the holy ancestral realm, could suppress a sword!

Everyone is watching this scene with disbelief!

Then there was anger!

Ye Chen, at this time, do you still need to install? Do you want to be big?

They know that ye Chen is very proud. It is a shame for a warrior to avoid fighting!

However, we can not be proud of the bottom line, right?

Even if they fight with the most gifted child of the holy ancestral land devil emperor, they believe that with Ye Chen's strength, if they dodge, defend with all their strength, and then rely on the vitality against heaven, they will have a chance to wait for Jin Shuhui to recover!

But?

Ye Chen, however, stands still because of his blind arrogance. In this way, ye Chen will not only die, but also lose the only chance to turn over the whole kingdom and Lingwu

How can they not be angry?

Chapter 3376

If there is no chance to win, if you want to die openly and upright, that is even if, but now, clearly have a chance, but ye Chen so wasted!

Countless soldiers of the demon subduing hall can no longer bear it, and burst out in an instant!

Even if they respect Ye Chen again, they can't help shouting and scolding!

"Damn arrogance, dodge for me!"

"Face the challenge? You think it's very dignified? This is not your fight alone

"Are you worthy of the dead soldiers?"

Jin Shuhui was so angry that she trembled a little!

She was wrong, really wrong, she never thought, ye Chen is such a gross person!

Do you like the dignity of a warrior, and you like a decent fight?

No problem, but this is the battlefield! It's not a fighting field!

Ye Chen is carrying the whole kingdom of God and Lingwu, not a person's life and death!

At this time, Jin Shuhui a pair of beautiful eyes staring at Ye Chen, eyes, is a thick color of disappointment.

But even so, ye Chen is still unmoved, still, standing in place!

Countless soldiers, all closed their eyes, sighed

Ye Chen, ye Chen, ye Chen

It's over, it's all over

Mo Lingchuan, is also extremely contemptuous looking at Ye Chen, as if looking at a wild dog who seeks his own death!

Dare to face their own sword, it is indeed very brave, but in the eyes of Mo Lingchuan, ye Chen's courage stems from his stupidity!

Don't you dodge in front of your own sword?

Hehe, that's because, from the perspective of this waste, we can't see how terrible the holy ancestral realm is!

The next moment, a dark long sword appeared in Ye Chen's hand. It was Sha Jian!

Oh! Boom! How about it! Come on! Baa! Moo! Oh! Boo!

A series of terrible notes, with the earth shaking pressure, swept across wildly, gathered Ye Chen's whole body!

Ye Chen waves the evil sword, and the destruction Shinto converges. The blade cuts the air and sends out a series of Hongmeng ancient sounds. One by one, the ancient Hongmeng notes linger on his sword like a butterfly. The breath of Tianlong eight gods sound comes into play at this moment!

Not only that!

The extremely strong evil spirit soared into the sky, the blood light burst out, rolling dark flame, burning on the body surface. Ye Chen, with a pair of deep eyes, gazed at the evil Lingchuan, and cut out with a sword the red light fire rain swept by the rough waves!

In an instant, all those who closed their eyes felt that the original smoke was as bad as the world of the devil's abyss, and the world was back to the pure and bright!

They all subconsciously reopened their eyes and looked at the figure in the sky.

All people's eyes are glowing with dazzling brilliance.

As if, a round of sunrise, slowly rising, lit up the eyes of all.

That is a very amazing sword!

"Destroy Shinto, open!"

The destruction Shinto is like a ripple on the calm lake. Centered on the sword light, it ripples toward the seventh kingdom. The evil spirit dissipates. All the warriors struggling in the evil spirit are stunned. All the pain is accompanied by the evil spirit and turns into nothingness in an instant.

Not only that, ye Chen even used a trace of six reincarnation method!

He has confidence in his sword!

The soldiers of the Fumo hall, even those ferocious extraterritorial demons, opened their eyes one by one!

The bloody sword spirit that covered the Fumo mountain, as well as the torrential fire and rain, disappeared at the moment of touching the sword light cut by Ye Chen!

The attack of Mo Lingchuan, the son of the magic emperor in the holy ancestral realm, was actually crushed by Ye Chen's sword!!!

This is Ye Chen in the seven layers of chaos!

This is Ye Chen who has experienced the first battle of tiandaogong!

"No way!"

Malingchuan roared, the original face under the irony, waiting to see ye Chen was his own sword melting cruel smile, instant collapse!

How could this happen?

He didn't leave a hand in this sword!

But still be crushed by Ye Chen?

What's more, the sword light cut by Ye Chen is full of strong breath of death!

This, but even Jin Shuhui can't do it!

For the first time in his life, Mo Lingchuan, the son of an extraterritorial devil emperor who was extremely powerful and could destroy a small world at will, retreated for the first time in his life!

Yes, did you return it?

The sword light that ye Chen cuts out, actually is like a shadow to follow the form in general, appeared in front of Mo Lingchuan!

The evil spirit is sweeping across the river! Try to stop it!

But with the roar of a startling beast! He was shocked!

Between heaven and earth as if a nightmare was born!

The void in front of him suddenly opened, and a nightmare beast with red and blue pupils came with the power to destroy the heaven and earth!

What a monster this is! For the first time in his life, he felt fear!

The red and blue pupils are filled with eyes far beyond the ancient ferocity!

The vision seems to surpass the cruelty and tyranny of the demons!

The threat of the eyes, even vaguely with the father devil Wutian's anger some similar!

"I can't die!"

Malingchuan in this moment completely disordered!

At this time, Ye Chen opened his mouth: "Xiao Huang, you don't have to do it! Son of the devil emperor, I can solve it

Ye Chen has absolute confidence!

Xiao Huang looks back at Ye Chen, but she doesn't do it at last!

However, the sky behind Malingchuan was like a scarlet vision, suppressing him!

Xiao Huang doesn't want Ye Chen to get hurt. It's best to suppress part of the power of Malingchuan!

But now the magic Lingchuan because of the appearance of Xiao Huang, the mood is completely chaotic!

Seeing ye Chen like this, malingchuan was furious and roared. His whole body was full of evil Qi, which turned into a black shield, which blocked the cold sword. With a loud noise, the red blood rain poured down!

That's the blood of malingchuan!

One hand, one foot, half body

Half of the body of Mo Lingchuan disappeared in horror!

Serious injury!

Ye Chen is actually with the power of a sword, then will evil Lingchuan cut into a serious injury!

The real battle field of Fumo mountain has fallen into a dead silence!

That million demons, are unbelievable looking at the malingchuan!

However, what shocked them most was not his injury, but his look!

In the impression of these demons, the devil emperor, Mo Lingchuan, does not know what fear is!

But now?

Timid, extremely clear timid color, but appeared on the face of Mo Lingchuan!

He, scared!

Not only afraid of Xiao Huang!

More afraid of the most extreme genius youth in the kingdom of God!

Ye Chen looked at the magic Lingchuan, light way: "now, do you think you still have the qualification to let me hide?"

Said, ye Chen body shape a flash, then appeared in front of the magic Lingchuan!

The son of the evil emperor outside the territory, his pupils suddenly contracted. Facing the young man with a cold look, his mind was broken down!

Mo Lingchuan roared: "get out of here, don't get close to me!"

As soon as his voice fell, morlingchuan broke the void with one hand. In the void, it sent out a desolate and corrupt atmosphere. This is the breath that all demons are very familiar with, and the breath of foreign countries!

Chapter 3377

Mo Lingchuan was scared by Ye Chen to flee back to foreign countries!

Ye Chen's face was expressionless, and his hand flashed with brilliance. He actually put away the evil sword.

All of them were shocked. Should ye Chen let go of the evil Lingchuan?

Let it go?

Ye Chen's mouth suddenly raised a very evil smile.

What he needs is venting!

How could so many disciples of the demon subduing hall have an accident if they were not shut up by themselves!

Although the road of martial arts is so cruel!

It can't be avoided!

But he still wants to vent!

Ye Chen suddenly raised his hand and punched out. He stepped into the seven layers of chaos. With Zixiao stone and Hongmeng technique, his physical strength has reached the level of incomparable terror!

If the body of the demon, the blood of God, the formula of burning blood, the power of breaking the sky, the formula of reincarnation of gods and demons! Tianlong eight gods sound and so on to display together, even can double!

Now ye Chen's strength is indeed in the seven layers of chaos, but in terms of power, ye Chen has surpassed the two layers of heaven in the holy ancestral realm!

The seriously injured malingchuan can't exert the power of the second heaven in the holy ancestral realm!

With this fist, the void torn by malingchuan collapsed in an instant!

Even the void is broken. With one blow, the whole world will be directly locked in!

A big bang, this blow, severely hit the devil Ling Chuan's body!

Malingchuan uttered a scream, the flesh and blood were broken, the bones burst, the internal organs were shocked to fall out of its wound!

However, in this fist, there is no destruction Shinto!

Therefore, it is not difficult to bear the terrible vitality of demons!

Why not use the destruction Shinto?

Ha ha, if, so soon the end of the word, can be counted as vent?

Mo Lingchuan just took a breath, and before he had time to celebrate, the second punch came!

Ye Chen sent out a wild animal's roar, one punch, one punch, and another, just like a storm, he hit malingchuan's body crazily!

At this time, Mo Lingchuan only felt that he was trapped in a hell composed of heavy fists!

His body, again and again broken, reorganization, broken, reorganization, bring, is unimaginable pain!

Collapse, complete collapse, the son of the foreign devil emperor, looking at Ye Chen's eyes, is full of pleading color, he does not want to live, just hope Ye Chen quickly kill himself!

Ye Chen roared and smashed his fist. Even though he had already smashed malingchuan into a pool of meat mud, he still had no intention of stopping!

Every punch, with boundless anger, boundless grief!

The death of Hai clan leader! Death of many shenjizong disciples!

Countless soldiers of the demon subduing hall died in the hands of the demons outside the country, and the suffering suffered by the Shenguo and Lingwu people was overstocked in Ye Chen's heart.

Although Ye Chen did not say much in the face of these things, how could he have no feeling at all?

He was already angry, and he was going crazy with grief!

So, he needs to vent!

Ten thousand punches!

Ye Chen, hit a million fists!

Even if we didn't use the destruction Shinto, the incomparable heavy fist bombardment would completely destroy the body of Mo Lingchuan!

In the blood mist, a demon's soul flashed and seemed to want to escape. But at this moment, a dark sword flashed with blood, which locked the ghost and dragged it into the body of the sword.

Between heaven and earth, only a very sad, unwilling cry

This holy ancestral land, extremely proud, was placed by the devil emperor's son of unlimited hope, completely disappeared from the world.

Jin Shuhui, as well as those remaining soldiers of the demon subduing hall, are sluggish, unable to think, and the brain is blank!

They just understand at this moment, where ye Chen is what blind arrogance, where is what does not dodge?

Just like Ye Chen said, Mo Lingchuan has no qualification to let him dodge at all!!!

Can you crush it, and dodge?

Among them, the most frightening is Jin Shuhui!

She is very clear about ye Chen's strength. Not long ago, she was still in chaos!

How long has this just passed, has been able to wipe out the genius of the early days of the holy ancestral realm?

This is across two whole realms!

You should know that the road of martial arts, the more difficult it is to cross the realm!

What kind of monster is this? The reincarnation of reincarnation is not so exaggerated!

With such a terrifying speed, even in the outer and upper realms, no, even in the universe, can we find a second one?

Jin Shuhui is very proud, for her martial arts talent, she has a strong confidence!

As early as ten thousand years ago, Jin Shuhui had already broken through the heaven God realm!

However, because of an accident, she drifted to other planes, and even fell asleep for a long time, until a hundred years ago, she just woke up again! After waking up, she went through several twists and turns, and entered the outer and upper realms. In only a hundred years, Jin Shuhui broke through from the heaven God realm to the holy ancestral realm!

This, even in the outside world and in the upper world, can almost be called genius!

So, she has the right to be proud!

However, after seeing ye Chen, Jin Shuhui is knocked down

Compared with Ye Chen, what kind of genius is she?

How long did ye Chen's leap take?

Less than a year, right?

How to compare?

At the moment, the countless demons are desperate

One by one, they all ran away in all directions with great fear, and they had no idea of fighting any more!

Mo Lingchuan has been crushed by Ye Chen. What are they fighting for?

They have to escape back to the outside world, under the protection of the devil emperor!

They can survive!

The soldiers in the hall of fumor all changed their faces!

If you let these demons escape to the kingdom of God or the land of Lingwu, you will have endless troubles!

At this moment, in the void, the waves come together, and the sound of killing is shaking the sky!

The reinforcements of the six kingdoms are coming!

Countless warriors, toward the fleeing demons, hang and go!

Zhong Qixuan and Song Jinyi glanced at the battlefield, but they were a little stunned. Then, they looked at each other and said with a bitter smile at Ye Chen: "brother ye, it turns out that we are late."

If the demons launch such forces to invade the seventh kingdom, it's impossible for them to prepare for nothing. The whole space of the seventh kingdom is closed by Morlingchuan!

Until Ye Chen killed it, the six gods finally arrived.

Ye Chen said with a smile: "it's just right. If you don't have your support, you can chase and kill so many foreign demons at one time, even I may have missed something."

Yun Zi's eyes flashed, and he asked Ye Chen excitedly, "Mr. Ye, the son of the foreign devil emperor is..."

Ye Chen looked at the bloodstain on his fist, light way: "already dead."

Zhong Qixuan, as well as the most powerful Shenguo, alliance leader and others, looked at each other and saw the color of ecstasy in each other's eyes!

The next moment, cheer!

Everyone, cheering!

Chapter 3378

The son of the demon family outside the country is a representative of the devil emperor's identity. This time is not a heavy blow to the devil!

It's the devil king behind the devil!

I believe that the pain of losing a son will surely make the demon emperor angry! Let the devil emperor know that the kingdom of God can not be humiliated!

If the devil comes! Ye Chen may completely destroy the whole demon!

Once, lost the foreign magic emperor, that demon clan is really finished.

Even if there are still some foreign demons, but without the magic emperor, how can they survive for a long time?

It's just a matter of time before the demons die.

Soon, the countless demons who lost their fighting spirit were completely killed by the Allied forces of the seven kingdoms, and they did not let go!

Ye Chen stood in the air, looking down at the extremely tragic battlefield covered by the broken limbs. He took a breath and murmured: "it's over."

"It's just The evil emperor is not dead. The danger of extermination is still there. "

"May the devil emperor understand today's warning."

"Otherwise, if he comes, even if I give everything, he must die!"

.....

Two snow capped mountains stand high.

The mountain, named wangshenfeng, is the highest peak of the seventh kingdom. Standing on the top of the mountain are a woman in white and a young man with a cool look.

It is Jin Shuhui and ye Chen.

Ye Chen looked at Jin Shuhui sincerely in his eyes and said, "thank you. If it wasn't for you, the kingdom of God might have been destroyed."

Jin Shuhui shook her head and said, "I should thank you. Don't forget that the kingdom of God is also my home."

They couldn't help but smile at each other.

Ye Chen said, "so fast, you left? You haven't returned to Shenguo for a long time, haven't you

Hearing this, Jin Shuhui lowered her head and said: "after ten thousand years, although the kingdom of God is still the same as the kingdom of God, people are not those who used to be. My relatives, even teachers, are no longer there, let alone..."

Ten thousand years, too many changes have been made. There is really nothing in the kingdom of God that can make Jin Shuhui nostalgic.

Moreover, even if Jin Shuhui has the status of guardian, she comes from the upper world after all, and her luck will be more or less affected and can not stay for a long time.

Ye Chen said, "what's more?"

Jin Shuhui white Ye Chen one eye, some angry said: "what's more, know you such a martial monster, I still have the mind to relax?"

She is really stimulated by Ye Chen. Since her talent is not as good as ye Chen, Jin Shuhui can only redouble her efforts!

At this time, a white light column suddenly fell on the Wangshen peak above the sky.

Jin Shuhui stepped into the light column and suddenly turned to Ye Chen and asked, "have you decided when to go to the outer world and the upper boundary?"

Ye Chen was silent for a moment, then said in a deep voice: "although this time, the demon king is not dead, and I can't leave."

"If I go one day, I'll come to you for a cup of tea."

On hearing this, Jin Shuhui felt a joy in her heart. On her pretty face, she burst into a beautiful smile. When she moved, she flew towards the sky and disappeared at the end of the sky.

Ye Chen stood at the top of the kingdom of God, his eyes flashed. Before he went to the outer world and the upper world, he still had a lot of things to do.

Reincarnation of the cemetery can not be saved, Xuanyuan Mo Xie and Mo Xueming did not kill!

Even according to yonglao's idea, when time is ripe, he must go to China.

I don't know what happened to those old friends of Huaxia.

Jin Lengyan, bailibeng, Lu Lingfeng, Lu Hanshuang, Zhu ya, and his parents, master Duan Huai'an

.....

At the same time, Lingwu was a desolate place.

A girl sitting cross legged suddenly opened her eyes.

Her face was pale and obviously weak.

She felt the strong evil gas and blood around her, and her face changed slightly: "why did this land have such a strong evil gas just now?"

"Is something wrong with Lingwu?"

Juya hesitated for a long time, or to go in one direction.

Even if the land was strange and dangerous, she had to go on.

She must get in touch with Mr. Ye, who believes in Kunlun Xu people as soon as possible.

Yuan Daofeng is just the beginning of the change of the virtual pattern of Kunlun.

No one knows what's going to happen behind this.

There is also the risk of Reiki change in China.

Zhu Ya has never been to Lingwu land in the future. She can only pick up a stone on the ground and throw it gently. The tip of the stone points in a direction.

"It seems that I can only go in this direction."

"Meeting Mr. Ye a few years ago proved my luck."

"I think, this time, I can also see Mr. Ye smoothly." This is the only way for Zhu ya to enjoy herself in such a strange place.

She didn't know if she would meet any monsters in the next second.

Or will there be those despicable people in martial arts the next second.

However, Juya thought more.

When the demons come to the kingdom of God, the land of Lingwu will be affected naturally!

Countless monsters choose to return to their own resting place, no longer come out.

And the people of Lingwu mainland either hide or get the news of the fall of the son of the devil in advance and prepare to celebrate.

For two hours, she did not see a single life.

She even doubted that she was really transmitted to Lingwu land?

Just as JUA hesitated, her steps stopped.

Her rugged body was shaking.

His eyes were red, and even tears came out.

In front of her is a huge statue ten meters high!

The statue is lifelike!

He is a young man with both hands on his back!

The young man's eyes are firm and resolute, and gaze at a huge peak like a torch.

This youth, Zhu Ya is too familiar with!

It's Mr. Ye!

In China, in Kunlun Xu, I haven't received any news about ye Chen for several years!

Most people who once believed in Mr. Ye were shaken.

All people suspect that Mr. Ye fell on the land of Lingwu!

Even Sun Yi and ye Lingtian, who are looking for Mr. Ye, have an accident!

Lingwu land is a huge abyss of death!

Kunlun virtual again strong people step into, is also a dead land!

Now, Zhu Ya knows that ye Chen's action is like an invisible slap in the face of those people!

Because, this statue says the spirit and martial Guardian God!

The God of killing demons!

The most evil genius in Lingwu mainland for ten thousand years!

Mr. Ye is not only alive!

Also got Lingwu mainland proof!

This is more exciting than Juya's own affirmation!

Juya doesn't think much about it any more and goes in one direction quickly!

Since Mr. Ye has such a statue and achievement, it proves that people in Lingwu mainland know Mr. Ye!

It would be so easy to find Mr. Ye!

Now all she has to do is find someone!

If there is someone, there will be news!

Originally weak, Zhu Ya's face glowed red at this moment, as if with inexhaustible strength!

Even with flying steps!

This is the power of faith!

Chapter 3379

.....

Kunlun Xu, a mountain directly into the sky.

At the top of the mountain range sits a huge temple.

There are several strong and powerful characters carved on the temple!

Daofeng hall!

This is the place of yuan Daofeng's cultivation!

On the square of Daofeng hall, there are thousands of martial arts practitioners practicing!

This quantitative development of the situation, may surpass the Kunlun virtual first force Guangming hall!

In fact, it has exceeded!

Because, yuan Daofeng and Han Yun had a great reputation!

Many of the strongmen of Guangming hall were shaken by yuan Daofeng's strength!

Ye Chen's life and death is unknown, it is undoubtedly the most advantageous for them to choose a strong one!

Although martial arts cultivation is the first important thing, standing in line is also extremely important!

If you choose a strong supporter, you may go on the road of martial arts for a long time!

Therefore, more and more powerful people of Guangming hall and Kunlun Xu's free cultivation have joined Daofeng hall!

This is the reality!

Now, deep in the hall.

Four middle-aged men stand with their hands down and their eyes fall on the old man on the high platform one after another.

The old man is yuan Daofeng!

"Lord yuan, we really don't understand why you wanted to do it yourself at that time?"

"What about Zhu Ya's strength when he went to Lingwu

"What's more, the risk of the transmission array is so great that whether Zhu Ya can succeed or not is a problem."

Yuan Daofeng's eyes narrowed slightly, as if thinking about something.

For a long time, yuan Daofeng opened his eyes, glanced at the four people, and said, "I asked that person to measure a divination."

"I will have a bloody disaster soon. It is said that this bloody disaster does not belong to Huaxia and Kunlun

"I suspect it has something to do with Lingwu."

"So, I have to destroy that girl to Lingwu land."

"Even if it's one in ten thousand possible!"

The four men were stunned and immediately said, "Lord yuan, you are so powerful that who can give you the bloody disaster of Huaxia and Kunlun?"

Yuan Daofeng's eyes shrunk and he said, "this world is not as simple as you think."

"It was only after I disappeared that I found that there were people out there, and there was a heaven out there."

"What's more, there are at least ten people who are better than me in China, but they are not likely to do so."

"What's more, two years ago, Jiang Peirong and ye Tianzheng began to close their doors. A year ago, there were many strange phenomena in the world. Although they have no sign of going out of the customs, they should not be underestimated."

"After all, ye Chen's talent comes from both of them."

"Well, it's a big deal for you to come this time."

Then the four men became serious, and their momentum spread out: "the Lord of the temple said that we would go through fire and water at all costs."

Yuan Daofeng stood up and continued: "this time, you four go to the spirit city and destroy all the transmission arrays!"

"Whether the girl is alive or not! I don't want anyone to come to this land. "

"What's more, I'm going to go out for a while, and the Daofeng hall will be handed over to my apprentice. You just need to tell the world that I will be closed for a few days."

"No one comes to me."

The four were puzzled, but they did not dare to ask.

Soon, the four leave!

Yuan Daofeng arched in one direction: "master, you can come out!"

In an instant, a black gas converged and formed a figure.

The figure was in black!

There is a strange Rune on the black robe!

From the shadow came a cold voice: "the rules here are strange, I am not convenient to move, I may have to control your body for a few days."

"But don't worry, according to the old rules, I will give you countless cultivation resources, and even let you cross a great realm again!"

Yuan Daofeng's eyes flashed a trace of displeasure, but still piled up a smile: "if it wasn't for adults, Yuan would have died in that place."

"I'm willing to give everything in this trip to China."

"You can control my body."

The man in black nodded and threw out a blue pill: "take this pill first. The gap between you and me is too big. I'm afraid it will burst your body."

"You are still very important to this game of chess."

Yuan Daofeng took a look at the blue pill and swallowed it without hesitation!

Next, a miracle happened!

Yuan Daofeng's body actually overflows the rich Aura!

And came a strong sense of breakthrough!

Yuan Daofeng was extremely ecstatic, although he did not know his real identity!

But he is very clear, this person is in the world, martial arts far more than Huaxia and Kunlun Xu!

Follow this man, you may step on the top of martial arts!"Well, close your eyes and don't resist." The cold voice came again.

Yuan Daofeng did not dare to hesitate, but closed his eyes.

Soon, the black robe turned into black gas and penetrated into yuan Daofeng's body.

And Yuan Daofeng's pupil also changed.

It's evil and extreme cold.

Like the abyss.

"There are too many secrets in Huaxia."

"If you break the game, you have to find the cause."

"This is the reason for this game of chess."

"If there is no cause, where is the fruit?"

.....

Outside, the land of demons.

A hall full of evil spirit, killing and darkness.

The hall is full of blood and bodies!

There's only one man standing!

The whole body of man seems to be surrounded by a red flame!

It's anger!

Outrage!

He is the proudest son of the demon emperor and the devil Wutian!

The one who is most likely to surpass him and lead the demons to the highest place in the future!

Dead!

Dead in the place he disdains most!

Kingdom of God!

Died of a mole ant he always despised!

Why!

A waste of chaos can cross two realms and kill the best genius ever!

Why!

Devil Wutian roars like crazy!

His eyes are bloodshot, tens of thousands of years, his heart has never wavered!

But at this moment, because a mole ant like human clan wavered.

He clenched his fists, rolled his whole body with evil Qi, and hit the void with one fist!

In an instant, the sky is shaking and the void is breaking!

The whole hall seems to be in ruins at any time!

The dust rolled, and the shadow of the devil was revealed again.

His expression is extremely ferocious: "Ye Chen, Jin Shuhui, do you think I will give up because of this?"

"You are wrong

"I'll show you what nightmares are!"

"I want all the people in the kingdom of God to bury my child's death!"

At this moment, the sky was covered with dark clouds outside the country, just like the end of the day.

Jin Shuhui, who has just passed through foreign countries and went to the upper bound, feels the fluctuation and changes her face slightly.

"It seems that ye Chen and I underestimated the anger of a father."

"I am afraid that the destruction of the kingdom of God will be advanced."

But this time, Jin Shuhui was doomed to be unable to help the kingdom of God.

If you break the Qi and foundation again, she can only drag Ye Chen.

She turned her head and looked in a direction, murmured: "Ye Chen, this time depends on you."

"I hope you can become stronger before the devil's anger comes."

"You must lead the kingdom of God to live!"

Chapter 3380

The fire around the demon emperor and the devil Wutian was gradually extinguished.

Three failures, of course, make him angry, but as a demon emperor, he has his own reason.

Ye Chen is so weird.

Three times the destruction of the demon family, coupled with the fall of the son, shows that the other side has the strength of the holy ancestral realm.

Not long ago, it was chaotic, but now it is the holy ancestor. This span of growth is really incredible.

If the other side has no cards, he doesn't believe it.

There is not much left by the strong of the demon clan.

This group of people had no effect on the destruction of the kingdom of God.

The key is still him.

The territory outside the territory is huge, and the devil emperor is enough to dominate in this land of demons. But if you look at the outer world and the upper world, it is not enough.

Otherwise, he would not be afraid of the palace.

But if you look at the whole kingdom of God, he can crush everything!

If he did not dare to crush this realm, it would be ridiculous!

On the one hand, it is because of the restrictions of the rules!

On the other hand is the fear of several unstable factors!

Mo Xueming and Xuanyuan moxie of Tiandao palace.

The opportunity of the two is terrible, and their strength cannot be underestimated!

If they work together, he will be in danger!

Fortunately, according to his news, the two people are not compatible, and they pay great attention to their own interests. They have never made a move after several times of demon invasion!

In addition to the fact that both sides of the division killing meeting were defeated not long ago, it was extremely beneficial to him!

This time, he intends to come to the kingdom of God himself!

"This time, there can be no more mistakes."

"I only have one chance."

"So, I will use my extreme state!"

The devil emperor and devil Wutian did not go to the kingdom of God for the first time, but went to a blood Lake in the opposite direction.

Soon, the blood Lake did not pass his body, the lake water seemed to feel something, unexpectedly crazy rotation up!

Gradually, a huge black hole appeared in the center of the vortex.

"I didn't want to take this step! Because this step has a huge impact on my foundation. "

"But I will destroy the whole kingdom of God. Even if I fear death, I will let the kingdom be submerged in the fear of demons!"

"I will tell the kingdom of God that even if you have ye Chen, you can't escape the disaster of extermination!"

After roaring, the magic emperor did not hesitate to go toward the black hole vortex.

The black hole devoured the devil emperor's body!

The whole land of demons has changed.

It turned into a desolate, dead, rotten land.

On the earth is a blood red sky, boundless evil spirit, death and bad gas, floating in this blood, can survive in such an environment, very few creatures.

An extreme chill seemed to be brewing.

Like death's countdown.

.....

Ye Chen naturally did not know all this.

At the moment, he is in the picture.

Although he defeated the son of the demon emperor this time, he felt uneasy.

If we can control the chart as soon as possible, we may be able to relieve the so-called uneasiness.

This uneasiness may come from the extraterritorial evil emperor, Xuanyuan moxie and moxueming, or even from Huaxia.

He can't be sure, he can only make himself stronger.

Ye Chen left alone in the yellow spring map, flying around to explore, familiar with the environment of this piece of world.

All of a sudden, he found a misty canyon on the edge of the world of the yellow spring.

This misty gorge is full of dense fog. Outsiders can't go in at all. Only the reincarnation Lord himself is qualified to enter.

"There seems to be something strange about this canyon."

Ye Chen was surprised and flew down into the canyon.

Within the canyon, a quiet, silent vegetation, there are no birds, animals and insects, a dead one.

Step, step, step.

Looking around, only the footsteps of Ye Chen.

Finally, he went to the middle of the canyon, where there was a huge altar!

On the altar, carved with pieces of Ancient Runes and reliefs, but also stained with ancient blood, it seems that some ceremony has been held.

"Open your eyes to the devil's cave

Ye Chen immediately opened the eye of Tianmo cave, and his eyes shot out. He traced back along the altar, through the dense fog of cause and effect.

But maybe the restrictions here are too big!

He could feel that the aura of the elixir field was rapidly passing away after he used the Tianmo cave to clear his eyes!

Finally, he saw a great figure!

That is his past life, the figure of reincarnation Lord!

In the previous life, the reincarnation Lord had a special ceremony here.

This ceremony cut off the mark of the blue and white spring map, which led to the drawing being used and controlled by outsiders. The painting of blue and yellow spring is the magic weapon of the reincarnation master. He was born with him, and outsiders can't touch it.

Therefore, when you see Xuanyuan moxie offering sacrifices to the yellow spring, xuanjiyue and the emperor Shitian will have such a big shock. They will recognize that Xuanyuan moxie is the reincarnation of the reincarnation master!

"Self cutting mark! In my previous life, it seems that I did it deliberately to confuse the queen and the palace of emperor yuan! "

Ye Chen peeps into the numerous causes and effects, and is immediately shocked.

Vaguely, he found that his previous life was not simply killed.

The reincarnation master of the past life seems to be in the layout!

Before being killed by xuanjiyue, he seems to have anticipated what he has to do.

Maybe, xuanjiyue's killing is part of his plan!

Therefore, he made a good layout in advance and cut his mark. After he fell, the chart of the yellow spring fell down. Because the mark was chopped, it could be used by outsiders.

Once someone dares to use the chart of the yellow spring, he will be mistaken by the upper world and the emperor yuan hall as the reincarnation of the reincarnation Lord, thus shifting hatred and striving for opportunity time for the growth of the real reincarnation Lord!

And the painting of blue and yellow spring is the magic weapon of the reincarnation master. Only the reincarnation master has enough great Qi and magic power to control these treasures.

Even if it is captured by an outsider for a short time, the chart will eventually return to the master of reincarnation!

This time, the picture of the yellow spring returns to its original owner. Ye Chen sees many causes and effects, and is suddenly extremely shocked.

"Are all kinds of ancient gratitude and resentment, are my previous life, quietly set up the bureau?"

Think about it. The master of reincarnation holds the six ways of reincarnation, as well as the picture of the blue falling and the yellow spring. How invincible are the supernatural powers? How could they be so easy? They were killed by xuanjiyue and emperor yuan hall.

There must be something wrong with this!

This is a bureau!

In order to counter the hidden in the dark, and any extraordinary level, those supreme existence, a bureau arranged!

"Hiss..."

Ye Chen took a breath of cool air, only felt creepy.

In his previous life, how invincible, there is actually fear.

Those who are at the top of the world are afraid to be in charge of the supreme source technique and the supreme source soldiers, and they hold the existence of the ultimate secret of cultivation. Even the reincarnation masters can't resist, so they can only deliberately arrange the fall and Practice for another life.

In this life, he must get the supreme skill and step into the supreme realm, in order to make up for the regret of the previous life and challenge the edge of those in charge behind the scenes.
