

Physician 3431

Chapter 3431

"Your guard will be broken." Ye Luo'er's eyes are fierce. At one glance, she can see that Wei Ying's Shenghan guard array is going to be unable to hold on, so he directly takes a shot.

"Hum..." A few drops of pure dragon blood suddenly appeared, and an incomparable force between heaven and earth suppressed everything. The mighty dragon power suddenly diffused out.

But these drops of dragon blood are integrated into the holy cold guard array, and suddenly the light dimmed down the guard array again.

Thank you very much Wei Ying took a deep look at ye Luo'er and said with a clasp.

"I..." Ye Luo Er at the moment is the eyes struggle up, she thinks of something, the figure of Ye Chen appears in her mind.

However, the next second, the figure will be instantly broken, ye Luo'er even broke out an impulse, rushed into the thunder to kill Ye Chen, but the impulse also dissipated in an instant.

"I'll leave when he's over." Ye Luo Er thought coldly.

But at this moment, the cracks above the sky have never stopped. The endless force of thunder has even condensed a revered life, which is the same as ye Chen's thunder robbery Tianjiao in the thunder sea.

"Thunder and arrogance, the momentum of destroying everything..." You Ying ghost weasel's eyes widened.

In the thunder sea, ye Chen has just wiped out a crowd of thunder Tianjiao. His whole body strength seems to be exhausted in an instant, and his body is softened.

Just at the moment, the breath of terror is gradually diffused out, so that ye Chen's breath is momentarily stagnant.

A huge eyeball, which ignores everything and obliterates everything, seems to have existed before the opening of heaven and earth. It is immortal and eternal. Just looking at it can make ordinary people die and make friars crazy and crazy slowly rise from the sea of thunder.

This is an eye with the power of thunder, but it is huge. It is like the sun, the moon and the stars. The thunder is converging to the eyeball.

Close to, ye Chen can feel the invincible momentum of destroying everything, breaking the heaven and earth, and lawlessness. He can even see the fine vein of thunder condensing from his eyes.

"What is this?" Ye Chen can't help but question, this eyeball let him feel dry mouth, the aura in the body even began to crazy, in the meridian.

"We don't know." At the moment, the three ancestors of the yellow spring also looked shocked and said, such terrible eyes come from the existence of such terrible taboos, which they have never seen before.

Ye Chen originally thought that after killing thunder Tianjiao, the thunder robbery would be over, but he did not expect that there would be a terrible eyeball. I am afraid this is the last thunder disaster of the great death of thunder robbery.

The eyeball is still growing, and the void around the eyeball is collapsing and dying. The endless breath of destruction surges out of the nothingness, and the terrible power of destroying the sky and the earth sweeps across the entire ocean of thunder.

In the face of such a lawless destruction, ye Chen's eyes are more and more fierce, suddenly angrily: "whatever you are, give me suppression!"

The circle of samsara behind explodes power, and the breath of samsara will crush everything, destroy all ages and stir up the whole world.

At this time, the eyeball also broke out completely. The endless colorful light actually lit up, converged into a vast and invincible colorful divine light, which was instantly emitted.

In their ears, however, there are more monstrous spirits in them.

In an instant, the power of reincarnation collides with the colorful light, and the terrible colorful light is erased. Even if it is the existence of destroying heaven and earth, it is not enough to see in the power of reincarnation.

But at this moment, the eyes around the emergence of a head, these heads are ferocious, empty eyes, emitting endless divine power, now all open mouth.

A string of Hongmeng notes fly out, and the power of Hongmeng pours into the colorful divine light. The eyeball suddenly explodes, and the fluctuation of active Qi pours into the colorful divine light.

"Boom At this moment, the colorful light broke through the power of reincarnation. The terrible power made the heaven and earth tremble, and all things howled. Countless people in the boundary city could not help falling to the ground.

They don't know what they are kneeling down to, or even why they are kneeling, but they all kneel down by ghosts and gods.

"It's over Ye Chen looks at the destructive momentum of the colorful divine light, and his face suddenly changes. At this time, the colorful divine light flies past ye Chen, penetrates the endless thunder sea, and pierces the guard array formed by Wei Ying and ye Luo'er.

Colorful divine light straight into the sky, pierced space, and even pierced time, everyone felt that time was stagnant at this moment.

The great power of destroying the heaven and the earth passed with a flash of colorful divine light, and then the colorful light penetrating the void rushed into the world, and countless stars turned into fly ash under the touch of the colorful divine light. All people were frightened by this scene, and their breath stopped.

At the moment when the colorful divine light pierced the array, Wei Ying and ye Luo'er, who were dealing with the cracks in the sky, changed their faces. The guard array was broken. If ye Chen used the power of reincarnation, he would be noticed by someone with intention.

Fortunately, before the battle array was broken, ye Chen had exhausted his strength, and the plate of reincarnation had been recovered. At the same time, the momentum of the colorful light was too terrible. The breath of reincarnation between heaven and earth had been washed away by the colorful light. In the sky, the thunder robberies slowly disperse, and the cracks in the sky also quietly fade away. Wei Ying and ye Luo'er look at each other and clearly perceive Ye Chen's breath. The thunder robbery has passed, and they don't have to stay here.

The colorful light is invincible. Ye Chen also sees this scene in his eyes. At the moment, his throat is rolling, and he feels like he has survived. Fortunately, he has not been hit by the colorful light, or even he will be instantly destroyed.

Just now, although the colorful divine light broke through the reincarnation force, it also deviated from the orbit, so it did not hit itself. This is also because the eyeball explodes, which is the reason why the colorful divine light converges into the source force.

Otherwise, if there is an eye control angle, even if the colorful light deviates, it will eventually hit itself. What happened is too coincidental.

Finally, after the thunderstorm, the thunder disaster that destroyed the heaven and earth began to dissipate, and the endless thunder sea around Ye Chen's body also disappeared.

Standing in the sea of thunder, ye Chen quickly adjusts his breath, and at this moment, the flow of brilliance, countless streamers made of immortal Qi fall from the sky.

The sky is full of golden lotus, and the figures of heavenly maids appear in the air. They hold flower baskets in their hands, but what they throw out are bright gods.

The divine awn flies to Ye Chen, and the spirit of immortality comes along with the trend. There is even a holy and dignified chant all around, which seems to be congratulating Ye Chen.

Ye Chen, however, broke through the chaos of the nine layers of heaven and earth, and even caused such a strange phenomenon. It was absolutely brilliant and dazzling. Let alone the ancients, even those who came later could not surpass it.

This supreme brilliance sets off Ye Chen's body. Standing in the fading thunder sea, there is a momentum of surpassing heaven and earth.

Chapter 3432

Ye Chen is very clear that when he was crossing the robbery, someone was guarding him. At the moment, the thunder sea was scattered, and ye Chen looked to the outside world, but only the dark devil emperor and Xiaobai, but there was no sense of breath.

"Ye Chen, congratulations on passing through the thunder disaster." The dark devil emperor said with a smile.

"The master is invincible You Ying ghost weasel can't help but admire.

"Are there two people coming?" Ye Chen nodded slightly, and then looked to cover the sky evil emperor to ask.

"There are two people, but they have left." He said immediately.

"Do you know who it is Ye Chen frowns, why help oneself but do not see oneself.

"You know that. Why ask me?"

"I know it too..." Ye Chen pondered, and at the next moment, he showed his bright eyes in the demon cave, but he couldn't see who was coming. He could not see through the vast and vast sky, and everything was like seeing flowers in the fog.

"Forget it. Go back first." Ye Chen shakes his head. He has made great achievements and encountered a lot of dangers. The ancient battlefield has triggered thunder robbery. I'm afraid some people have found out. Ye Chen doesn't want to show up in such a situation.

Later, ye Chen left the ancient battlefield quietly. While ye Chen left, Xuanyuan moxie opened his eyes slowly.

"When Xuanwu is dead, the breath of robbery is also coming from the place where Xuanwu lives and dies. Who is it?"

Xuanyuan Mo evil eye Sen Han, "big minmie thunder robbery under unexpectedly not dead, I'm afraid it's Ye Chen that guy again!"

.....

Lingwu continent, Fumo hall sub hall.

Jane passed by statues and finally came to the hall.

At the moment, Jane has changed her clothes, and even her injuries have eased a little.

Since entering the hall, her heart has been pounding.

Even though she knew that it was impossible for her to see her idol, she was still a little excited when she came to the territory belonging to the other party.

"I heard you're looking for Sun Yi?"

Suddenly, there was a cold voice coming from the hall.

It's Lin Yaqin.

At the moment, Lin Yaqin's eyebrows have a blood red mark, a red dress, will be concave and convex have the body set off incisively and vividly.

She walked the road of killing, and there was a trace of killing between her actions.

This is her most gentle tone, but still makes Jane a little flustered.

Zhen'er didn't know Lin Yaqin or the relationship between Ye Chen and Lin Yaqin. She hesitated for a few seconds and then said, "I want to see a sister named Sun Yi, or Mr. Ye Lingtian. I have something very important to do."

Lin Yaqin frowned slightly.

Few people in Lingwu know ye Lingtian, and even less know Sun Yi.

Why did this unknown woman take the initiative to name these two names?

At this time, a figure of some caressing quietly came to zhen'er.

The woman's red lips outline a smile, pat zhen'er, and signal to the other party to sit down, don't be nervous.

This woman is Zi Ning.

Purple Ning eyes such as water, soft voice whispered: "little sister, can you tell me what I want to find Sun Yi and ye Lingtian?"

"Sun Yi is a good sister to me. It's a pity that she is not in Lingwu land, but maybe I can convey it."

Jane looked at zining, her face was slightly red, and she was a little embarrassed to be watched by such a beautiful sister.

After hesitating for a few seconds, she still said, "it was a sister named Juya who asked me to look for these two people."

"I am a miscellaneous disciple of yujianzong. Now sister Zhu Ya is in danger. Please convey it as soon as possible."

Zining and Lin Yaqin look at each other.

They are a little strange to Juya.

Although Sun Yi often talked with them about Huaxia and Kunlun Xu, the name was never mentioned.

They can't be sure what the girl really came from.

It seems to see the hesitation of the second daughter, zhen'er quickly hands some crumpled photos to Zi Ning.

"Sister Zhu said that as long as you give this photo to Sun Yi and ye Lingtian, they will understand."

Lin Yaqin grasped it with five fingers, and the photo flew into her hand.

She gazed at the cheongsam beauty in the photo and didn't see anything different.

However, her eyes still stayed on the back of a young man for a while.

The back looks like Ye Chen.

But if you look closely, there seems to be a difference.

Then her eyes fell on Jane, who did not seem to be lying.

"Zi Ning, I'll go to the seventh kingdom."

Lin Yaqin has the answer.

Although this girl's choice is not her choice.

Zi Ning was a little dignified and said, "why don't you send others?"

"They're not as fast as me. I won't be long."

"Take care of this girl."The next second, Lin Yaqin disappeared in the sub hall.

.....

The seventh kingdom, the house of demon subduing.

Three times beat back the powerful demon, but also killed the son of the devil emperor.

There is no doubt that the Fumo hall has become the patron saint of the kingdom of God.

At the moment, there is a back garden in the hall of Voldemort.

Sun Yi sits cross legged, her whole body has a light radiance.

It is the power of the red dust God pulse.

The combination of yin and Yang of Ye Chen and Sun Yi changed Sun Yi's blood.

Sun Yi knew that her speed of practice was not as fast as her sister.

If so, why not develop the red dust God pulse!

Now her red dust pulse can resist the attack of the heaven and God.

Her whole body was covered with sweat.

Close to the skin.

Sun Yi that devil like body, even if dressed conservatively, but also shows the perfect figure peerless.

Breathing between the magnificent feeling, just like the most beautiful picture.

At this time, she seemed to feel something, a red dust light column rose from the sky!

It goes straight through the dark clouds and shoots into the sky!

And at the moment Ye Chen people have just returned to the demon hall!

This is the first time to feel the nature!

"Sun Yi?"

Ye Chen smiles slightly, the next second is to disappear in the hall above, and then appeared in Sun Yi's back.

"Who!"

Sun Yi's eyes open, the red dust God pulse burst out, a barrier full of runes guard in front of her body!

And there was a leaf floating in front of her!

"Broken!"

With Sun Yi's light voice, the leaves instantly smashed and dissipated between heaven and earth!

Then, a round of applause began to ring.

When Sun Yi saw the applause, her face turned red and her eyes were full of happiness. The next second, she rushed to the other side!

"Ye Chen, you scared me! I almost thought the devil was coming

The extremely plump figure fell into the arms of Ye Chen.

Ye Chen clasped her hands, stroked Sun Yi's hair with one hand, and said with a smile, "that leaf just now is just a test to see if you are lazy."

"The power I just used was probably in the middle of the celestial realm. I didn't expect that the red dust God pulse had a wonderful effect on you."

"It seems that xiaoyizi is very serious recently."

Sun Yi was stunned when she heard xiaoyizi.

At the beginning, they used to call each other that way.

However, after stepping into Lingwu land, that quiet life is no longer.

Chapter 3433

Sun Yi hugged Ye Chen tightly in her hands and enjoyed the warmth of the moment.

"Ye Chen, is the disaster of extermination completely over?"

Ye Chen touched Sun Yi's water snake like waist and shook his head: "if the devil emperor is not dead, it is not a complete end."

"Not long ago, Zha Tianmo Di told me that the magic emperor was mysteriously missing, and the land of demons outside the territory could not be found."

"I always feel like something bad is going to happen."

"The devil emperor's proudest child died in the kingdom of God. His anger is unimaginable."

"However, I Ye Chen will not allow him to fight against the kingdom of God!"

"Why did you ask that all of a sudden?" Ye Chen asked gently.

Sun Yi raised her head, looked at Ye Chen and said, "when the disaster of extermination is over, we will go back to China and have a look."

"I miss the Dadu apartment I used to live in, and there are many people, Wei Ying and Zhu ya..."

Ye Chen is in this moment to think of the Chinese reincarnation xuanbei things.

Has the eternal holy King's incarnation not determined the whereabouts of the reincarnation xuanbei?

Are the rest of the samsara xuanbei so cunning?

When ye Chen doubts, a pair of red lips are so close.

Ye Chen's eyes widened and found that Sun Yi had already kissed her.

What's more, Sun Yi's hands slowly approached her important place.

As a man, ye Chen naturally understood what Sun Yi meant.

He picked up Sun Yi and wanted to go to the house. At this moment, the void around him fluctuated!

A slight cough sounds!

This is Lin Yaqin's voice!

Sun Yi blushed like blood. She broke away from ye Chen's hand and landed on the ground.

Ye Chen felt nothing, looked at Lin Yaqin and said, "Yaqin, what's the matter?"

Lin Yaqin did not feel jealous when she saw this scene. She also knew that ye Chen was the first to know Xia Ruoxue, Sun Yi, Ji Siqing and others. She didn't ask much. Ye Chen had a corner of her own in her heart.

Of course, the most important thing at the moment is to identify one thing.

She looked at Sun Yi and asked, "Sun Yi, do you know a man named Juya?"

Hearing these two words, not only Sun Yi is confused, but also ye Chen!

They have never mentioned this name. Why would Lin Yaqin, who was born in Lingwu, know it?

Ye Chen one step forward, coagulate heavy way: "how can you know Zhu ya?"

The clever Lin Yaqin instantly understood what, handed out the photo in his hand: "Ye Chen, look at this, I think the figure of the man in this picture is somewhat similar to you."

Ye Chen takes the picture with five fingers, when the line of sight touches the elegant girl in the picture!

Ye Chen is not calm!

This is Juya!

The helmsman of Zhu family in Jiangnan province!

He was in Jiangnan province at that time. If he didn't have Zhu Ya's help, he would be in danger!

Juya defend herself everywhere!

She is the girl Ye Chen often dreams of in Lingwu land!

What's more, the man's back in this photo is himself!

That jacket is still lying quietly in the samsara cemetery!

The point is this is a picture!

Photos are only available in China. Even if the divine Kingdom and the Lingwu land are connected with each other, some things still can't match the technology of China!

Ye Chen held Lin Yaqin's hand and said excitedly, "Yaqin, where did you get this picture?"

"And you have seen Juya herself?"

Lin Yaqin shook her head: "it was given to me by a girl. You'd better ask her about the specific things. She is now in the subjugation Hall of Lingwu land."

Before Lin Yaqin reacts, ye Chen's figure disappears between heaven and earth!

Sun Yi and Lin Yaqin look at each other and disappear in the same place.

.....

Lingwu continent, Fumo hall sub hall.

Jane is pacing back and forth!

She's worried about JUA's safety!

She has been out for some time, and Wang Jiuxu and others are likely to start with sister Zhu in advance.

The blood sacrifice people in the sword Pavilion will die in pain in the end!

Those who are more powerful than sister Zhu died in great distress!

Not to mention sister Zhu!

She can't wait!

Finally, zhen'er summoned up her courage and said to zining: "sister purple, I'm afraid that sister Zhu will have an accident. Can you take the people from the Fumo hall to go with me to yujianzong."

"I beg you, sister purple."

The next second, Zhen Er actually knelt in front of Zi Ning.

Zining took a look at zhen'er, and quickly helped her up with her spiritual strength. She was quite fond of the girl, and there was a sense of innocence and simplicity in each other's body.

It's not like lying.

After all, it is necessary to divide the devil into two parts. Now Lin Yaqin has left. If he left, what would he do if someone had a hand at the temple?

Women are emotional.

Zi Ning couldn't bear to see zhen'er keep crying, but she promised: "OK, I'll go with you to yujianzong!"

Jane was so excited, just as they were leaving!

The whole hall vibrated!

At the same time, the void around is crumbling.

What terrible power!

Jane's face changed a little!

Just then, there was a void crack in front of Jane!

Then a young man emerged from the crack!

Young people are full of strong people's breath. Their sharp black eyes, thin and thin lips, sharp edges and corners, facial features and figures converge, and they have a kind of momentum that is superior to the world!

Jane is so familiar with this figure!

Zhen'er not only goes to talk to herself in front of a statue of yujianzong every day. Even in her room, she also depicts the murals of Ye Dianzhu.

This is a masterpiece she spent countless days and nights!

And now, when the real person appears in front of her.

She felt like she was suffocating!

"Younger martial brother, why are you here?" Zi Ning exclaimed.

She heard that ye Chen went to Jieyu City, how could she suddenly come to Lingwu land.

Chen son's eyes toward chen'er, should be excited to nod at the body of the purple zhen'er

"Tell me, what happened to JUA?"

"Where is she now?"

Zhen'er was a little flustered, but soon calmed down. She told her about Zhu Ya's appearance in yujianzong as a blood sacrifice!

The words are still declining, ye Chen's whole body blood gas burst out, and the strong killing intention soars to the sky!

It's cloudy outside the demon hall!

The whole Lingwu continent seems to be coming to an end!

"Yujianzong! A good Jianyu! If you dare to touch Zhu ya, I will let you understand what is burning heaven's anger! Go

The next moment, ye Chen disappeared with zhen'er in the Fu Mo sub hall.

.....

At the same time, yujianzong.

Juya looked dignified and looked around at a sword with a strong evil spirit.

The evil spirit seemed to devour her.

She lives here like a year!

It has been a long time since zhen'er left. She doesn't know if she has seen Sun Yi and ye Lingtian.

It doesn't matter if you don't see it, as long as there's nothing wrong with Jane.

She didn't want to owe her.

Chapter 3434

She knew that the so-called blood sacrifice is to neutralize the evil spirit in the sword with his own blood.

This is a terrible act!

She even saw a skeleton nearby.

There are thousands of them!

Is These people are all blood sacrifice people of yujianzong?

Like yourself?

Is this the land of Lingwu that many powerful people in Kunlun yearn for?

It's so careless of human life! There's no law yet!

Zhu Ya is not afraid of death, but she is worried that she has not completed her task!

She just needs to tell Mr. Ye about Huaxia, and she will die without regret!

But there was no chance.

Creak!

The door opened.

Several old men came in. They were dressed in refining clothes and looked dignified.

"It's almost time. The girl's accomplishments are a little lower, but she is more pure. She can neutralize the evil spirit of these swords."

"It should not be too late. Today is a good day. Let's do it!"

Several jade swordsmen nodded, just ready to walk towards Zhu ya!

At this moment, an extreme pressure came from the sky.

The people's faces changed, and they rushed out regardless of Zhu ya!

When you see the vision in the sky!

They were shocked!

"Is it Demons Here comes the devil again

And the house of Zhu Yaxiu eyebrows a frown, although she does not know what happened, but that kind of depression almost makes her unable to breathe!

What's going to happen in Lingwu?

"Ye Chen, where are you now?"

several weapon refiners came out, and many disciples of yujianzong also looked at the sky!

Fortunately, the dark clouds dissipated in an instant.

Wang Jiuxu and others also came towards the sword Pavilion.

"Elder Zhou, how is the ceremony of blood sacrifice?"

Wang Jiuxu said with a smile.

The leader of the perimeter always saw the cloud dissipated and breathed out: "the ceremony of blood sacrifice people should be on a lucky day. It was cloudy just now. I thought something had happened, so I came out to have a look."

"It's almost time to start."

"Although the girl's foundation is a little weak, but her blood is pure."

"This period of time, also neutralized a lot of evil spirit."

"However, the other party seems to be a little sober. You also know that the best state of blood sacrifice is Yin and Yang. Do you or we do it?"

Wang Jiuxu's eyes narrowed slightly and looked at Liu meihan, who was eager to try. He said, "don't labor the elder. Give us one minute, and we will let that girl give up resistance and live like immortality."

The next moment, Wang Jiuxu and Liu meihan and others came to the sword Pavilion.

Wang Jiuxu looked down at Zhu ya, whose face was a little pale, but opened his eyes. He sneered and said, "Zhu ya, Zhu ya, have you not given up?"

"Let me see, are you waiting for the girl named Jane?"

When she heard Jane, her eyes widened and she yelled, "what have you done to Jane?"

If anything happened to Jane, she would be the biggest culprit!

She's the one who killed Jane.

Liu meihan smiles. She squats down, grabs Zhu Ya's chin and instructs her to say: "that girl's life is hard too. She has been tortured by us for some time. I'm afraid she has turned into a pile of white bones."

"As a servant disciple, she shouldn't have done anything wrong. She just messed up our plans."

"Oh, by the way, before she died, I slapped her in the face. That poor look, her stubborn and angry eyes, ha ha, are really the same as you now."

"Sure enough, poor people are the same!"

Juya's eyes are covered with bloodstains, completely angry!

Jane is innocent!

Why do these people want to fight zhen'er!

Why!

Juya tried her best to catch Liu meihan with her hands, but she found that she was powerless at the moment!

"Oh, still want to resist?"

"A mole ant, who gives you courage!"

The next second, Liu meihan gathered the aura of her right hand and slapped her on Zhu Ya's chest!

Zhu Yana's soft and delicate body suddenly bumped into a huge iron!

A bright red blood spurt out!

Wang Jiuxu and others were indifferent, so their hands were negative behind him.

In their view, Liu meihan's action is just to let the blood sacrifice people have a better state.

This is the most common cruel game in mainland China!

Juya didn't lose the hope of life. Her anger seemed to ignite her elixir field!

She was a little embarrassed, but she stood up!

Those angry eyes swept Wang Jiuxu, Liu meihan and others, and even the weapon refining elders outside!

She wants to remember these people! If it falls, she must turn into a fierce ghost, so that these people can't die easily!

If she is absorbed by the sword of the sword Pavilion, she will turn into a sword spirit and kill these animals with her own hands!

"Stinky girl, do you want revenge?"

"Then I'll tell you the survival law of Lingwu land!"

"One of the rules is to kneel down when you see a strong one as a mole ant."

Liu meihan's ferocious face smiles. Her spiritual power rolls and her prestige inclines towards zhuya!

Julia's legs are shaking!

You can even hear the bone breaking under pressure!

But Juya is still standing!

How about the power of heaven!

The faith in her heart will never make her succumb to this rubbish!

"No kneeling?"

Liu meihan some anger, the next second, the hands of a flame!

The fire is like a dragon around Zhu ya!

But it didn't burn Juya.

What Liu meihan wants is this effect. She wants to torture and kill each other alive!

.....

At the same time, yujianzong's patriarch Yu Hanshan opened his eyes from the closure!

The rest of the elders also recovered.

Just now, he felt an extremely strong breath coming towards yujianzong!

The strong come!

The next second, the crowd is turned into a streamer towards the gate of yujianzong!

"What kind of strong man will suddenly come to our jade sword clan?"

"The breath, it seems, is a little hostile."

"Is it a demon?"

"Not long ago, there were dark clouds covering the sky. It seemed that there were some problems."

"We can only wait."

"If it is the enemy, we will guard yujianzong at all costs!"

The eyes of yujianzong patriarch and several Taishang elders are full of firmness!

And in the next moment, the void in front of them is torn!

Two figures show up!

It is Ye Chen and zhen'er!

The master of yujianzong and the elder Taishang are stunned!

As a senior member of yujianzong, they have met Ye Chen several times!

Even at the beginning, there was a supreme elder among them!

The establishment of Fumo hall, ye Chen's reputation is like thunder!

They even responded to the call to set up a statue of Ye Chen in the Fumo hall, hoping that jade Jianzong could produce a brilliant genius like Ye Chen!

The next moment, the master of yujianzong is excited!

The Lord of Fumo hall, the first person of Lingwu land and Shenguo, came in person!

Do you want Fu Ze Yu Jian Zong?

He rushed up to meet the elders, his face was ruddy and flattered: "Ye Ye Dian Lord! You can come to my family. It's really brilliant for yujianzong. Come on, we'll... "

Then the words have not finished, ye Chen that Tao Tian Sha intention breaks out on this!

"Go away!"

A word!

Chapter 3435

The fierce and destroying the heaven and the earth are like the waves of the sea, and they go towards the master and elder of yujianzong!

Ye Chen can even kill the holy ancestral realm!

An elder of Lingwu sect, even if the elder Taishang can't stop him!

The storm seems to come!

Several people together spit out a mouthful of blood!

The body is severely hit on the gate of yujianzong!

The gate is broken and blood is splashing!

People are confused!

Is not the master of Ye Temple guarding the kingdom of God and the land of Lingwu? How did he attack a small sect in Lingwu land!

When people want to ask what, the cold wind swept, ye Chen and zhen'er have disappeared!

At the same time, sword Pavilion!

Zhu Ya is scarred, and her white clothes are full of blood!

Shocking!

But she never gave in!

Wang Jiuxu was a little displeased: "if you don't solve it, I'll do it. There is a time limit for blood sacrifice."

Liu meihan was a little annoyed. She held out her finger to Zhu Ya and said, "life is really hard. It's just like your beautiful face. I'd like to see if you tear your cheek. Would you feel embarrassed and want to end yourself?"

The next second, Liu meihan's right hand curled the flame, so she patted toward Zhu ya!

This time, it's all her strength!

She even has the confidence to slap each other to pieces!

Juya mouth some blood, she looked at the palms closer and closer, self mocking smile.

There is some regret in the eyes.

Her mission to Lingwu mainland was not completed after all. She failed Jin Lengyan and implicated innocent zhen'er.

She is a sinner.

Maybe death is a relief.

However, one second, two seconds, three seconds

The shadow of the hand did not come.

The world is silent at this moment!

Are Liu meihan and Wang Jiuxu planning to let go of themselves?

Juya opened her eyes, and the light in front of her was constantly magnified.

In front of her is a great and indomitable figure!

This figure, let Zhu Ya suddenly!

So familiar!

This is This is Mr. Ye!

Here comes Mr. Ye!

Ye Chen grabs Liu meihan's hand with one hand and turns slightly, looking at the injured Zhu Ya in front of him.

Ye Chen some remorse, but more is angry!

"JUA, I'm sorry."

"I'm late."

This is what ye Chen wants to say most.

However, it was this sentence that Zhu Ya couldn't help it any more!

These days of loneliness and indifference, she has been hard.

But this moment, she really can't stand.

She is the patriarch of the Zhu family in China.

But she is also a girl!

She also hopes to have the dependence, she also fears the darkness and the death!

"Mr. Ye..."

At this moment, the expression of the people is strange to the extreme.

Wang Jiuxu, Liu meihan and others all recognize Ye Chen!

The legendary Ye Dian Lord!

Supreme existence!

The patron saint of Lingwu land!

How How could it appear in yujianzong?

It's impossible!

The first one, meihan, growled

"Do you know that it's a death penalty to disguise as the master of Ye Dian?"

Ye Chen did not pay attention to Liu meihan, but rather pitifully looked at Zhu ya, handed out a pill, fed into Zhu Ya's red lips, and then gently stroked her face: "is the wound on your body caused by this cheap woman?"

Julia nodded gently.

The next moment, ye Chen turned his head.

He laughed.

A grim and bloodthirsty smile.

It's been a long time.

But people who have seen Ye Chen know that this smile represents the devil!

Liu meihan's body chills, she can feel the other party's breath of terror, even her heart some faint believe that the other party is Ye Chen!

But, she still dare not say!

She can even feel Ye Chen holding her wrist more and more powerful!

"Let go

Liu meihan roared.

"Oh."

The next second, ye Chen five fingers suddenly force, and Liu meihan's hand is on the spot into a blood mist!

"I let go, and you are satisfied."

Liu meihan looked at the empty hand, fear engulfed the whole body: "this is yujianzong, you..."

But the words are not finished!

The wind blows!

Ye Chen's palm fell on Liu meihan's cheek!

Ye Chen doesn't use any spiritual power, but he has amazing power!

"Pa!" Liu meihan's body flew upside down and even broke a sword!

Even the huge iron was deformed!

Liu meihan only felt that the bones of his whole body were scattered!

She spat out blood!

She knows what kind of existence she has caused!

This man is really the master of Ye Dian!

The supreme god!

"I'm sorry Yes No, I don't know... "

Liu meihan was hoarse and wanted to beg for mercy.

However, ye Chen smiles.

Five fingers a grip, like a pool of mud Liu meihan was choked by him.

"Forget to introduce myself, my name is Ye Chen, ye Chen of the Fumo hall."

"I have a mysterious flame. I can not only kill the enemy, but also torture the soul. Do you want to try it?"

Liu meihan's eyes widened and wanted to shake her head, but found an invisible force controlling her!

She nodded!

"Good."

"But your disgusting face, I don't want to see it again!"

The next second, the air seems to gather a line of palm shadow, to Liu meihan shoot!

Ye Chen doesn't want to continue to work, because he is afraid that he can't control his strength and directly claps the other party into smoke.

However, the palm shadow of the gathering of spiritual power is the face fan of Liu meihan!

Ye Chen threw Liu meihan, who was almost unconscious, on the ground!

A mysterious flame was offered in the hand, which covered Liu meihan's body like this!

Xuanyan not only erodes Liu meihan's body, but also her soul!

Liu meihan's scream of fear constantly rings out in the whole sword Pavilion!

Then, ye Chen's eyes fell on Wang Jiuxu.

The corner of the mouth is still that cold bloodthirsty smile.

"Your name is Wang Jiuxu, right?"

The next moment, Wang Jiuxu, who had long been devoured by fear, knelt down!

Zhou Zhenxin and Jiang Lichun around him also knelt down!

The body is shaking!

Of course, Wang Jiuxu knows the seriousness of the matter!

He wants to run!

But can you run away!

He didn't have the spirit before!

Because he knew that he was facing God!

No, it's the devil from the deepest hell!

"Ye Dian Lord, it's all Liu meihan's idea. We don't know anything about it!"

"Ye Dian Lord, I am innocent, please..."

Zhou Zhenxin, Jiang Lichun constantly kowtow, even the forehead is full of blood!

But they still don't stop!

"It's too noisy."

Ye Chen's hands are behind him. With such an action, Zhou Zhenxin and Jiang Lichun seem to be in a fixed frame.

The next second, turned into a piece of dust.

A breeze rises and the dust dissipates.

Wang Jiuxu is the only one left!

Now, the genius of the past, completely afraid!

Wang Jiuxu knew that he would die today. What did he think of? The next second, he even sacrificed a cold sword in his hand!

Cold sword towards the injured zhuya!

He knows that he is definitely not ye Chen's opponent, but as long as he holds Zhu ya, he will have a chance to leave!

However, he found that he had just sacrificed his cold sword, and his sword was broken.

Ye Chen looked at Wang Jiuxu in this way, his eyes were deep: "how about giving you a chance to live?"

Wang Jiuxu suddenly nodded: "what! I can do anything! "

Ye Chen sacrificed the evil sword in his hand and motioned to Wang Jiuxu: "take this sword and kill me. I will never do it."

"Give you the strength to resist."

"As long as you hold on to the sword, I'll take it as if it never happened."

Wang Jiuxu looks at the evil sword in front of him, Mou son one joy!

He believed that the master could not cheat!

He stretched out his hand and held the sword!

And ye Chen is also a smile to release!

The next second, a tremendous force seems to come!

Wang Jiuxu is confused!

He felt that he was not holding a sword, but a huge mountain! It's a world!

"Bang!"

Wang Jiuxu's body directly fell down, Sha Jian crushed his hand into a blood mist!

Moreover, the sword Pavilion is like an earthquake!

There is a huge pit!

The inexhaustible gravity of the evil sword turned Wang Jiuxu to the bottom of the earth!

The fierce evil spirit completely devoured Wang Jiuxu!

Wang Jiuxu while feeling the pain of huge stones flying, as if into hell!

His mind is full of evil spirit and fantasy of evil sword!

He's ferocious. He's worse than dead!

After all this, ye Chen's eyes gently looked at Zhu ya: "come on, Zhu ya, I'll take you away." Zhu Ya can't bear it any longer, and falls into Ye Chen's arms and faints.

And ye Chen is like this, the princess embraces Zhu Ya and walks towards the sword Pavilion.

It's as if the earth and the earth vibrate at every step.

There is also a footprints left in the sword Pavilion.

The footprints of death.

Chapter 3436

Ye Chen holds Zhu ya to the gate of the sword Pavilion.

Cold eyes swept a few sword cabinet weapon refining elders!

Those weapon refining elders are ready!

Just a few elders did not enter the sword Pavilion, because ye Chen used a trace of spiritual power to block the entrance.

When several elders of Jiange heard the sound of tearing heart and lung inside, they knew that something had happened to the disciples of yujianzong!

If you break into the jade sword sect, you will kill people rashly!

What a madman!

In an instant, there were dozens of strong jade swordsmen holding jade swords, killing the sky!

But when he saw Ye Chen's face, he was completely shocked!

Isn't this the statue man of yujianzong!

The faces of several jade sword master's weapon refining elders soon recovered, because they saw the blood in the sword Pavilion!

Wang Jiuxu and others are really dead!

At this moment, endless anger seemed to sweep the whole body, and the elders roared: "do it!"

At the moment when many powerful jade sword masters want to fight ye Chen, the injured jade sword clan leader and the elder of the supreme emperor limp in!

"Stop it!"

"Stop it!"

When their eyes fell on the master of yujianzong, they were not calm at all!

The power of the emperor was hurt!

Before everyone could react, the yujianzong leader came to Ye Chen. His eyes stayed on Zhu Ya for a second. Then he respectfully said, "what is it that makes you so angry, master ye?"

Ye Dian Lord?

When these three words appeared in people's ears, those strong people who were waiting for the jade sword sect were confused!

This murderous young man is really Ye Chen, the Lord of the demon hall!

This

Who ever thought that such a level of existence would suddenly come to yujianzong!

Ye Chen's cold eyes swept through the crowd, and finally fell on the master of yujianzong, saying: "blood sacrifice is the tradition of yujianzong?"

Hearing the blood sacrifice, the jade sword patriarch looks very ugly.

Blood sacrifice is not rare in the land of Lingwu. It is the case in many sects. However, the whole land of Lingwu is tacit and silent. Now it is mentioned by Ye Dian Lord. How can we answer this.

The master of yujianzong turned his eyes, and finally said, "master Ye Dian, I don't know anything about the blood sacrifice people. If someone finds out by this means, I will check it out!"

"But now it seems that the master of Ye hall should solve the scum of yujianzong!"

Ye Chen smiles, he faces a direction way: "Zhen Er, come out."

He didn't show her the bloody scene. She was young, and he could feel the purity of her heart.

Soon, Jane came out of the corner.

However, perhaps for the first time, zhen'er is still a little nervous when she sees such big figures as yujianzong for the first time.

"Tell me, zhen'er, how long has the blood sacrifice existed in yujianzong?"

Jane looked at the crowd and hesitated for a few seconds, but still said: "from the day I entered the sect, the blood sacrifice has existed."

"There are some innocent people among them."

"Even the blood sacrifice became a means for the elders and disciples of the clan to torture others."

As soon as he said this, the yujianzong's patriarch and the public were pale!

Ye Chen looked at the master of yujianzong with interest and said, "don't you know it now as the master of a sect?"

"You should never, never should, be the one who moved me."

The master of yujianzong looks more and more ugly. At the next moment, he made a decision. He sacrificed a sword with a light red light in his hand and chopped it at those weapon refining elders!

Although injured, this amazing sword meaning is not that these elders can stop!

In a short time, there was a sound of begging for mercy and pain outside the sword Pavilion.

Those elders and disciples who had participated in the blood sacrifice were killed by the yujianzong leader one by one!

Not one!

Outside the whole sword Pavilion, blood stained the earth, shocking.

After all this, the leader of yujianzong looked at the elders behind him!

Between the eyes, as if formed a certain consensus, nodding each other!

Then, a cold light flashed by!

Yujianzong patriarch and several Taishang elders even killed themselves!

"Ye Dian Lord, from now on, yujianzong will not appear blood sacrifice, and will not harm innocent people! We will show our determination by breaking our arms! "

"I also hope that the master of Ye Dian can let Yu Jianzong live."

With these words, everyone in yujianzong knelt down!

They know that if yujianzong wants to survive, they must show enough attitude!

Either perish or live!

Ye Chen doesn't make a statement, so he stares at the crowd.

Looking at the scarred Zhu Ya in his arms, his anger has not been eliminated.

Although I don't know why Zhu Ya appeared in Lingwu land, he would not hesitate if he wanted to destroy yujianzong. At this time, a slender hand pulled the corner of Ye Chen's clothes.

Ye Chen turns head, discover is Zhen'er's hand: "how?"

Zhen'er's big eyes were hesitant, but she still said, "the master of Ye Dian, can you spare yujianzong?"

"The jade sword sect has done some mischief with Wang Jiuxu and those weapon refining elders. He has nothing to do with others."

Although zhen'er hated jade Jianzong, she knew that many of them were innocent people.

If ye Chen killed yujianzong, what's the difference between Ye Chen and Wang Jiuxu?

Of course, she didn't see any use in her persuasion.

"Good."

However, at the next moment, ye Chen is holding zhen'er's hand and going to the jade sword clan!

After a few seconds, the nightmare figure of yujianzong disappeared.

Seeing ye Chen leave, the master of yujianzong can no longer support himself and sits on the ground.

His eyes are a little complicated.

It never occurred to me that Yu Jianzong's life and death was ridiculously decided by a servant disciple.

Then, looking at the crowd, he said in a cold voice, "all the elders and disciples have closed their doors for self-examination after ten years of closure."

.....

Lingwu continent, Fumo hall, sub hall.

In a quiet room.

Zhu Ya lies on the ice bed, and ye Chen gathers his spiritual power.

Juya was full of gold needles, big and small.

Ye Chen did not use the power of the six samsara method, but used medical skills.

After all, Zhu Ya's body is too weak, and she may not be able to withstand the power of the six samsara Dharma.

A trace of gold needle shaking, and then, ye Chen two fingers together, a trace of red blood overflow.

His blood is better than all pills!

When a trace of blood gathered into Zhu Ya's body, her pale face turned red!

On the body big and small scar unexpectedly with the naked eye visible speed in the recovery!

In five minutes!

A shallow voice sounded, Zhu Ya gradually opened her eyes!

When the line of sight touches the smiling Ye Chen, Zhu Ya is like a dream: "Mr. Ye, is this a dream?"

Ye Chen smiles: "Juya, do I have such a handsome dream?"

"Yes."

Juya blushed. She knew it was not a dream. She stood up and felt the healing of her wound. It was unbelievable.

But soon, she thought that Mr. Ye's powerful medical skills in China were amazing, and she was relieved.

Chapter 3437

"Zhu ya, how did you come to Lingwu land?" Ye Chen said the doubts in his heart.

It's weird that JUA is here!

Zhu Ya thought of this mission to Lingwu mainland, and even said, "Mr. Ye, it was captain jinlengyan who asked me to come."

"Something has happened in China these years."

"First, there are some changes in Chinese aura. According to senior Duan and some professionals, the change may affect Chinese martial arts and ordinary people. This will become an extremely terrible problem. Ordinary people can't bear the fierce Aura!"

Ye Chen Mou son a congealing! Look serious!

Although he didn't know what caused the change of aura, it would be a great event if Zhu Ya said it!

If you inhale aura, you need to refine it!

If ordinary people, the consequences are unimaginable!

"What is the situation in China now? Is it serious?" Ye Chen continued.

Zhu Ya thought for a moment and shook her head: "now there is nothing wrong. Dragon spirit has a detection station under the ground, and the danger value is not high. In general, nothing will happen in Huaxia. Captain Jin is just thinking ahead of time."

Ye Chen exhaled a breath. If the situation is serious in Huaxia, he must leave the kingdom of God and rush to Huaxia at the first time!

But if at that time, the devil emperor came and he was not there, what should we do?

The space barrier between China and Lingwu is not too far, nor too close. It takes enough time to tear up the void.

This time, enough to determine everything!

Fortunately, Reiki change should still be early, there is enough time!

He must solve the problem of the devil emperor as soon as possible!

If the devil emperor does not come again, he must go to a foreign land of demons!

Only by solving this problem can we go to China at ease!

Zhu Ya saw the balance in Ye Chen's eyes and said, "Mr. Ye, you don't have to worry too much. The aura doesn't break out so fast. We have enough time to prepare. You can deal with the things here first."

"By the way, Mr. Ye, one more thing."

Ye Chen raised his head: "what?"

Juya takes a tablet from the storage ring, and she hands it over.

"Mr. Ye, please see, this is some monitoring of dragon soul transfer. Captain Jin found some clues from the monitoring."

Ye Chen starts to operate the tablet in his hand, but it is an unexpected discovery. The first video is Yunhu villa!

Seeing that year's experience, ye Chen can't help feeling.

Who would have thought that the boy who fell into the lake in those days would have grown up to this extent?

"Mr. Ye, pay attention to the little girl."

Juya is in a bypass.

Ye Chen will pay attention to the little girl's body, look a Zheng!

That's weird!

Is this little girl really a symbol of reincarnation?

"Mr. Ye continued to watch the rest of the video. The little girl appeared in different places in a very short time. This is something that no plane or high-speed rail can do. Even Han Yun's predecessors can't do it."

"Captain Kim thinks the little girl has a big problem!"

"What's more, the little girl seems to be near the core area of the Reiki change. I don't know whether the Reiki change is related to her, or she is also investigating the matter of Reiki change."

Ye Chen has watched several videos and has a 90% chance to determine that the other party is the reincarnation xuanbei that the eternal holy king has been looking for!

But what is the attribute of this reincarnation xuanbei?

Why in China, where aura is relatively scarce?

He now controls the reincarnation xuanbei basically all over the land of Lingwu and Shenguo!

Are the remaining reincarnation Xuan steles all transformed into human forms?

"Mr. Ye, what do you think of it?" Zhu Yadao.

Ye Chen thought for a moment and said, "actually, I have guessed a little bit about this little girl, but one thing is certain that the change of Chinese aura has nothing to do with her."

"She should be looking into it, too."

"As for when to leave for China, I will as soon as possible. In the kingdom of God, I have to wait for a person."

"Only when that man is destroyed can I leave at ease."

Zhu Ya Mei blinked her eyes and nodded: "I went to see the dragon soul data station in China. The numerical value is still preliminary and not serious."

"It's not too late to leave until Mr. Ye has settled the matter at hand."

Zhu Ya intended to talk about the change of the virtual pattern of Kunlun, but after thinking about it, he kept silent.

If Mr. Ye knew that Kunlun Xu had become like this, yuan Daofeng would have been even more unable to deal with the matter in front of him.

She doesn't want to give Mr. Ye too much trouble. Anyway, she has enough time to wait for Mr. Ye.

For a moment, the atmosphere was a little quiet.

Zhu Ya's heart was pounding, her chest was quite up and down. In addition, her clothes were torn, and there was a faint white and proud appearance. She swallows saliva, just want to say what, came a female voice outside the door: "Ye Dian Lord, sister Zhu awake?"

Hearing this sound, Zhu Ya's eyes were very excited!

This is Jane's voice!

Jane didn't die!

Feeling Zhu Ya's excitement, ye Chen waved five fingers, and the door opened. He patted Zhu Ya and said, "Zhu ya, you should have a rest here first. Lin Yaqin and Zi Ning are very easy to get along with. I will let them accompany you to stroll in Lingwu land."

Then, ye Chen looked at zhen'er: "and you, since you have left yujianzong, you will stay in the Fumo hall in peace and contentment. With me, no one dares to bully you in Lingwu land."

"I have something else to do now. I'm going to leave for a while. When I'm done with that, I'll come back to you."

When ye Chen is ready to leave, zhen'er opens her mouth.

"That Can you sign for me, master ye? "

Ye Chen a Zheng, looking at Zhen Er that look forward to the vision, ye Chen some laugh and cry.

How did it appear in Lingwu?

You're Jane's idol?

Ye Chen can't help but feel funny, but Zhen Er saved Zhu ya, this kindness, is priceless!

He took out two pieces of some dark red jade pendant, the jade plate engraved with Ye Chen's name and the Fu demon hall.

He handed the two pieces to Zhu Ya and zhen'er: "this is the jade pendant I refined. It not only has my name, but also can block the top of the heaven and God realm. It's a gift I gave you."

Zhen'er quickly accepted the jade pendant for fear that ye Chen would repent!

This is too important for her!

Ye Chen touched zhen'er's head and closed the door and left.

He has to go back to the kingdom of God.

Mo Xueming and Xuanyuan Mo Xie will never give up on the ancient battlefield!

According to the current situation, Mo Xueming is more threatening!

We must find a way to solve it!

.....

At the same time.

The sky is dark and the sky seems to be falling.

The two figures fly fast.

One is a beautiful girl riding a black beast with a foot on fire.

The girl's cold temperament is outstanding and extremely noble.

The other is a girl with some dragon scales.

Chapter 3438

The girl's eyes are full of light killing.

Because she found that the woman behind her had been following her for a long time!

Wei Ying did follow ye Luo'er since she came out of the ancient battlefield.

From the very beginning, she found Ye Luo'er's eccentricity.

Moreover, the state of Ye Luo'er makes Wei Ying feel something wrong, so she has been following her all the time. At the moment, she finds that Ye Luo'er in front of her seems to be shaking.

"It's not right." Wei Ying's beautiful eyes flow, showing a touch of doubt, Ye Luo'er's breath is even a little unstable.

Ye Luo'er, who was originally on the way, suddenly stops at this moment. The fierce murderous spirit surges forward and even reaches for a mountain peak.

"Boom

The towering mountain suddenly collapses under this palm, the earth trembles, and the screams of countless creatures spread out, just like a human ghost.

"What are you doing, lol?" Wei Ying was shocked and rushed out of the room. However, she saw ye Luo'er's face in pain, and her killing intention and struggle in her eyes disappeared and showed up from time to time.

"Kill!"

Seeing Wei Ying, ye Luo'er didn't hesitate, but suddenly made a move. A chain of heaven punishment suddenly flew out, carrying the terrible breath of natural disasters.

"You are possessed! Calm down Wei Ying sees the clue, while drinking a clear drink, at the same time, the body flash, a sword block Tianxing chain, and ye Luo'er distance.

"I..." When ye Luo'er hears Wei Ying's voice, her eyes recover in an instant, but the next moment is endless killing intention.

"Who are you? Why are you following me all the time?" Ye Luo'er looks at Wei Ying coldly, and a chain of punishment flies out behind her.

Looking at ye Luo'er's action, Wei Ying looks dignified and is about to meet ye Luo'er's stormy attack, but ye Luo'er suddenly spits out a mouthful of blood.

"No, you must adjust your breath immediately." Wei Ying's face changes greatly, and ye Luo'er's breath is in a riot. If she doesn't care, she will even die.

"All to die!" Ye Luo'er turns a deaf ear to Wei Ying's words. At the moment, she even kills Wei Ying regardless of the situation in her body.

Seeing this, Wei Ying's face was dignified, and a touch of determination flashed in her eyes. Suddenly she bit the tip of her tongue and vomited out a drop of blood essence.

"Nine cold days skill!" In Wei Ying's eyes, the divine light appeared, and the endless cold spirit surged. The emperor's dignity in ancient times broke out, and the heaven and earth seemed to be frozen at this moment.

Wei Ying's blood essence turned into a cold light, and suddenly flew to ye Luo'Er, and then covered her.

"Quiet!"

Wei Yingyi points out that ye Luo'Er's eyebrows are filled with cold Qi, and ye Luo'Er's spirit of rebellion stops at this moment.

"What's wrong with me?" Ye Luo'Er regains her senses and looks at Wei Ying suspiciously.

"Breathe quickly. You are possessed." Wei Ying said in a hurry.

Nine days cold technique can make people recover in a short period of time, so that people who have lost their sense to recover, but it is no use after a long time.

Hearing the speech, ye Luo'Er didn't have time to ask questions in her heart. She was also aware of the spirit uprising in her body, so she ran the skill to stabilize the aura in her body.

After a long time, ye Luo Er finally got rid of the risk of being possessed by the devil, and suddenly opened his eyes, and the lights flashed.

"Who are you?" Looking at Wei Ying, ye Luo'Er has a flash of sadness in her eyes. She doesn't know why she is sad. It's just an emotion from the bottom of her heart.

"What's the matter with you?" When Wei Ying saw ye Luo'Er, she saw that there was something wrong with her, so she always paid attention to her.

At the moment, ye Luo'Er is permeated with a sense of inexplicable vastness, which makes Wei Ying feel depressed.

"My memory is sealed by blood." A flash of grief and loss of memory in her eyes turned her into a ruthless killing machine just for revenge.

In front of his eyes, a flash of fragments, ye Luo Er also clear memory was sealed in this period of time, what he had done.

"Brother ye..." Ye Luo'er drops a tear from the corner of her eye. Fortunately, she went to help when ye Chen was robbed. Otherwise, if something happened to Ye Chen, she would never forgive herself in her life.

"Blood seal?" Wei Ying was surprised and thought of Ye Luo'er's vast dragon power, and she had some insight in her heart.

"Yes, I wake up to the blood, but I can't resist the seal from the blood. I'm afraid I will be the same before long." Lol's eyes are in pain.

Looking at the name engraved in his palm, ye Luo'er felt the pain in his heart, as if he had been beaten hard by a huge hammer in his heart, which made people stop breathing.

"Is there no way to untie the seal?" Wei Ying frowned, what a terrible blood force to have such a tyrannical seal, ye Luo'er's secret is not small.

"Yes." Ye Luo Er's expression is somewhat bitter, "two methods, one is my strength to break through the seal, but this condition is too harsh, want to break through the seal, I'm afraid it will take more than ten thousand years."

"What about the other way?" Wei Ying asked.

"The heart of the holy source." Ye Luo Er complexion complex open mouth said, this holy source heart is also this time just appeared in her mind. Hearing what ye Luo'er said, Wei Ying's face suddenly changed. The heart of the holy source, a sacred object of ancient times, was extremely terrible. Legend has it that if you can get the heart of holy source, you can master the most terrible power, the power of taboo.

This power is enough to destroy the heaven and the earth. It is lawless. Whoever gains it will be invincible in the world. However, the heart of the holy source only appeared once in ancient times, and there was no news of the heart of the holy source.

"It is said that the heart of the holy source has been left abroad..." Wei Ying looked at ye Luo'er deeply and said.

"Well, that's what I recorded in my awakening memory." Ye Luo'er shakes his head and smiles helplessly.

"But whether the news is true or not is not known. What's more, even if it is true, how can I look for it?"

"What's more, if such a sacred object appears, there will be countless great figures outside the territory. Even if I fight for it, I may not be able to seize it."

Ye Luo'er's words are even a little desperate. The sky is full of thunder. Ye Luo'er suddenly says, "promise me, you must protect elder brother Ye. If I get lost one day, you must kill me without hesitation."

"I hope not." Wei Ying is silent. Ye Chen is also very important to her. If ye Luo'er wants to hurt Ye Chen one day, she will not allow it.

At this time, ye Luo'er's eyes wipe of the sky to destroy the earth like killing the emergence, she quickly opened her mouth and said: "you go, I..."

"Die!" The endless dragon power erupted, and the chains of Tianxing were suddenly pierced out, with the breath of endless terror and natural disasters, and madness came through.

Chapter 3439

"Not good!" They were too close, Wei Ying did not expect ye Luo'er's seal to appear here, and she did not expect that ye Luo'er suddenly started to attack. At the moment, it was too late to dodge.

The momentum of Tianxing chain is really terrible. At such a close distance, Wei Ying felt the boundless breath of death completely enveloped her.

"Cut off the cold emperor!" Wei Ying did not have time to hesitate, and immediately raised his hand to cut out.

The extreme Hongmeng breath broke out, and the endless cold feeling swept across the heaven and earth, as if to tear the sky and cut open the sun and moon.

"Bang!"

Wei Ying's response was quick, but they were too close. She was suddenly attacked by Ye Luo'er without any precaution. Even if Juechan Tiandi was killed, she could not completely block the chain of Tianxing.

"Hiss!"

Wei Ying's body is pierced by a heaven punishment chain, and her red clothes are dyed with fresh blood. However, Ye Luo'er doesn't have any hands left at the moment, so she kills her again.

"Enough!" Wei Ying angrily drinks, a sword cuts off the chain of punishment in front of her body, and then the light blooms on her body.

"Boom

The roar resounded, and the light reflected on the 100000 mountains. Ye Luo'er could not help closing her eyes.

When the light dissipated, Wei Ying had already disappeared. Ye Luo'er glanced around indifferently in her eyes. Without finding Wei Ying's figure, she turned away with a cold hum.

Her eyes were cold.

However, under the cold, as if hidden a trace of tenderness.

Suppressed tenderness.

.....

The palace of subduing demons in the kingdom of God.

According to Ye Chen's cultivation, it will not be long before he returns to the kingdom of God from Lingwu.

Ye Chen first summoned Zha Tian Mo Di and others.

At the moment, ye Chen's eyes flicker at the sky, with a dignified look.

"Mo Xueming knows my true identity. Although he is trying to take away my fortune, he is like a time bomb, which is the biggest threat at present." In Ye Chen's eyes, the idea of killing breaks out.

Mo Xueming is too smart to see through Ye Chen's identity early. This worries Ye Chen. If this news is publicized by Mo Xueming, he will be doomed. At least, his identity can not be exposed before he recovers to the height of his previous life.

In the samsara cemetery, the third ancestor of huangquan also said at the moment: "disciple, Mo Xueming must die. His threat is too great, and this man is ambitious and can't keep him!"

"I think so." Ye Chen nodded, and at this time, the sound came from the ancient box.

Ye Chen's heart moved, and quickly sacrifice out of the ancient box, and then the fury of evil Qi surging out, nine you tiger out of the box.

"Recovery." Ye Chen mouth hook up a touch of arc, nine you tiger recovery, that he deal with Mo Xueming grasp is greater.

The Youying ghost weasel saw the nine you tiger and exclaimed in surprise, "master."

Hearing the sound, Jiuyou tiger coldly looks at the Youying ghost weasel, and doesn't pay any attention.

At the moment, ye Chen turned his eyes to cover up the evil emperor, "the elder of the devil emperor, Mo Xueming has already known my identity and can't keep him any more."

"I think so." With a wave of the sword, the fierce sword spirit exudes endless cold.

"Mo Xueming's injury has not yet recovered, and he has been killed by you and me. I'm afraid this is the most powerless moment for him." The eyes of the devil are deep.

"Only now can we have a chance!" Ye Chen's eyes burst out with endless killing intention. He stood up decisively and swept with great momentum.

"I won't give him a chance to recuperate. I'm going to start now. I have to kill him!" Ye Chen said coldly.

"Good!" Cover the sky evil emperor Lang Sheng said, looking at Ye Chen with admiration. What he appreciates most is Ye Chen's point. He is decisive and does not hesitate to do things.

"You also know that I can't stay in the kingdom of God for a long time. If I can help you solve the threat of Mo Xueming this time, it will be considered as the gratitude of the yellow spring water. Then I will leave."

Thank you very much Ye Chen sincerely thanks the way, the next moment Ye Chen informs Xiao Huang.

"Master." Xiao Huang hears Ye Chen's call and comes to see ye Chen curiously.

"Go to the temple of the dead with me. It's time to wipe out that guy." Ye Chen Ling ran said.

Hearing this, Xiao Huang was excited, "it's time to do this. Master, don't worry. I'll help you to make this guy die!"

"Ha ha." Ye Chen smiles indifferently, and then looks at Youying ghost weasel, Xiaobai and ye Lingtian.

"You stay in the Voldemort hall. If anything happens, let me know immediately." Ye Chen's eyes are deep, the magic emperor disappeared for a long time, he had to defend.

Fortunately, Xia Ruoxue's injury has recovered well. At present, he can withstand the crisis one or two, otherwise ye Chen really dares not take such a bold move.

Immediately, ye Chen will nine you tiger back into the ancient box, and then take the dark devil emperor and Xiao Huang quietly to the temple of the dead.

Although the power of the temple of the underworld lost a lot in the assembly of killing division of Xuanyuan moxie, the lean camel was bigger than the horse, so the existence of the temple of hell must not be underestimated. Therefore, ye Chen is not ready to bluntly and forcibly kill the past. He wants to take people to attack and kill directly. If he catches the thief, he will capture the king first and kill Mo Xueming directly. Everything is easy to say.

.....

At the same time, Mo Xueming, pale as a corpse, suddenly opened his eyes in the hall of the underworld. He had a feeling of uneasiness, which made him uncomfortable.

"It's not right."

Mo Xueming always believed in his sixth sense. It was his keen perception of danger that enabled him to survive in countless dangers until he stood at today's height.

"Give me an order at once! Everyone on guard! Tell me at the first time if there's anything wrong with it!
" Mo Xueming did not hesitate to use all his strength immediately.

Now, Mo Xueming is the moment of serious injury, and he is also worried that someone will take advantage of this opportunity to attack him.

Moreover, in his heart, Mo Xueming has already guessed that he died in that ancient battlefield. Besides Ye Chen, he was Xuanyuan moxie.

The state of Xuanyuan Mo Xie is not much better than himself. I'm afraid he dare not step away from Chongguang Shenxia Gong. At present, the only one who can threaten himself is Ye Chen.

Although Ye Chen's realm is not high, but the identity of the reincarnation master makes Mo Xueming very afraid, so he is extremely cautious at the moment.

"Anyway, I am in the temple of the underworld, and I am the Supreme Master. If you really dare to come, I will kill you on the spot and plunder your luck. I will be invincible in the world." Mo Xueming's body broke out a terrible killing intention.

"Mo Xueming has already noticed it." Ye Chen appeared in the vicinity of the temple of the underworld with the emperor of covering the sky and Xiao Huang. He saw that countless demon soldiers were ready for battle, patrolling all around, and even a few fresh faces with extraordinary momentum. They were obviously the hermit elders of the temple of the underworld.

Chapter 3440

"Well, there are a lot of antiques in the temple of the underworld." Ye Chen's eyes flicker. The strength of these hermit elders is basically in the holy ancestral realm. They are extremely powerful.

"It's just that, but it won't stop me." Ye Chen coldly smiles, the vision is determined.

"Now that it has been discovered, let's make a breakthrough!" Ye Chen suddenly said.

"Strong break?" Xiaohuang looks at Ye Chen in surprise, "does the master want to be simple and easy to look at?"

Ye Chen hesitated for a few seconds, or to take out a treasure, cover his face.

Mo Xueming has seen himself, but be careful, there is no mistake!

"This time, of course, we have to make a breakthrough. Since we are here today, we must kill Mo Xueming here. I want him to be destroyed both physically and mentally." Ye Chen said coldly.

"Go Ye Chen at a command, suddenly fly out, cover the sky devil emperor and Xiao Huang also quickly follow.

Soon, the temple of the underworld had a reaction!

Killing intention surging!

"Who is your excellency?"

A hermit elder of the underworld hall saw Ye Chen three people appear fiercely, his face suddenly changed greatly, and he quickly drank and asked.

At the same time, the hermit elder quietly pinched a seal and passed the message to Mo Xueming.

"Coming!" Mo Xueming receives the news. In fact, even if the hermit elder doesn't inform him, he can also detect the breath of Ye Chen.

Mo Xueming's eyes pass through the hall of the underworld and see ye Chen's three people outside. Their eyes are extremely cold.

"The reincarnation Lord, I didn't expect that the reincarnation master who was invincible in the past life is so weak now."

Mo Xueming sneers and orders the elder to kill Ye Chen.

"Who? I have come to take Mo Xueming's life Ye Chen cheered coldly and directly displayed the sound of the eight gods of Tianlong.

"Oh! Boom! How about it! Come on! Baa! Moo! Oh! Boo

Hongmeng notes fly out, the mighty Hongmeng breath sweeps across, and the hermit elders in the temple of the underworld seem to be faced with great enemies, and their faces become dignified.

Ye Chen's strength is no more than nine layers of chaos, but the sound of the eight gods of Tianlong makes them feel great danger.

"The dragon of the underworld rises A hermit elder suddenly angrily yelled, 100000 demon soldiers suddenly showed their long swords, and a lot of magic Qi surged out of the sword.

"Roar!" A dark dragon suddenly emerged from the heaven and earth, watching Ye Chen three people roar.

"How dare you break into my temple of the underworld

"Kill!"

A hermit elder gave a drink to welcome Ye Chen.

"Bang bang bang!"

The world trembled at this moment, but the ghost dragon was not damaged. On the contrary, its ferocious power broke out and became more violent.

The momentum of the dark dragon is lawless, as if the terror from the deepest part of the nether world exists.

But at the moment, Xiao Huang looked at the Ming dragon, but there was a flash of disdain in his eyes. "Just a miscellaneous insect, dare to be rampant, die for me!"

Xiao Huang's claw shows that heaven and earth seem to be breaking apart in a moment. Along the way, there are many cracks in space, and a violent and destructive atmosphere envelops the Ming dragon.

"Roar!" The Ming dragon howled, and was taken out by Xiao Huang's claw, and the light suddenly dimmed down.

However, it is not true that the little dragon can not block the formation.

At this time, the demon emperor of the sky also fiercely started. The evil spirit swept out of the sky, as if to destroy everything in the world. 100000 demon soldiers trembled at this moment.

"The evil spirit moves the sky, the dead spirit attacks, opens!"

The God of covering the sky roared up to the sky and roared. The evil spirit was rolling. A skull, a ghost, a Shura and other demons were killed out of the fog.

In a flash, these demons formed a magic army, collided with 100000 demon soldiers, and the Ming dragon array was also broken at this moment.

"Die for me!" Ye Chen suddenly stabbed out with a sword, and the heaven and earth seem to break apart at this moment. The sun, moon and stars are eclipsed at this moment, and the pressure of destroying the heaven and earth sweeps through.

"No!" Ye Chen stares at the hermit elder's face. He finds that under this sword, he can't even resist. His body is out of control. The crisis of death covers him.

Why, clearly is a chaotic state of nine layers of heaven, why so powerful!

The hermit elder roared in his heart. At this moment, he knew that he could not escape. He was totally crazy, and his eyes were full of red light.

"If you want to kill me, die together!"

The hermit elder roared, and even used the method of disintegrating the demons, and his body exploded in an instant.

"Boom The terrible power swept through the temple of the underworld in an instant, destroying the heaven and destroying the earth. 100000 demon soldiers and the demon troops of the great emperor were all killed in an instant.

He felt that the elder's body had fallen from the outside world, and Mo Xueming's face was livid. He didn't expect that in such a short period of time, a hermit elder had fallen.

"Stinky boy! What if you hide your face! " Mo Xueming could not help but roar and hate.

"Mo Xueming, you come out, don't be a shrinking turtle!" Ye Chensha's sword points straight to the hall of the underworld. Hearing Ye Chen call his name to Mo Xueming, the hermit elders in the temple of the underworld are livid and more angry.

"You guys dare to come to my temple of the underworld. Today I'll show you the details of the temple of the underworld."

"Join hands! Heaven and earth kill the cave

At the same time, the elders of the hermit world yelled at each other, and a huge and incomparable hole was formed on the ground.

In the pit, the endless atmosphere of destruction spreads out, and the howl of fierce ghosts resounds. In this dark pit, it seems that there is a great fear of destroying the heaven and the earth. The terrible will of death comes up from the pit.

"I'll break them all!"

All the elders roared, and a gray and dead air rose from the huge pit and rushed to Ye Chen three people.

"I dare to be presumptuous Xiao Huang's eyes disdain, the whole body Rune flow, a claw out.

"Tangle!" A hermit elder points to Xiao Huang, and the air of death is scattered at this moment, and then they gather together and tightly entangle Xiao Huang's claws.

Dead air turned into a huge palm, and powerful forces like the broken sky emerged, and they even wanted to drag Xiao Huang into the huge pit.

On the other side, the dark devil emperor was attacked by death, and he killed the immortal sword.

"Demon wolf smoke blade, chop!"

Endless smoke broke out, a sharp flying knife blade, fierce cut out.

At the place where the blade of the wolf smoke blade passes, the stillness disappears in an instant, but at the moment, another hermit elder points out.

"Swallow!" Infinite death turned into a huge mouth at this moment, which covered the demon emperor.

Both Xiaohuang and the emperor of covering the sky are dead, and ye Chen is no exception. At the moment, facing the endless stillness, the burning stele suddenly flies out.

"Long Yan Shen pulse! Open it

Ye Chen a sharp drink, a fire dragon emerged, endless fire instantly swept dead gas, terrible collision in this moment shaking the whole hell hall.

"Boom, boom!"

It seems that the world is going to crack at this moment, the mountains fall down, the animals wail, and the countless dead gas dies in a moment.
