Chapter 3471

Gu Han's face shows a satisfied look. Now, this boy can't put on any more, right?

But who knows, the next moment, ye Chen is opening a way: "with you what to do? What do you think you are? How did I become friends with Jin Shuhui? I need to report to you? "

Naturally, he would not say that he came from the kingdom of God. After all, with his current strength, it was too early for shanglengjia, Shangjie empress and Diyuan hall, and only stayed for 15 days. Therefore, ye Chen did not want to reveal his identity!

As for names, I don't know how many people with the same name and surname exist in the whole territory and in the upper boundary. Those people need to check, and the names are useless!

But the people in the Golden Night pavilion are totally stupid!

One by one, they all look at Ye Chen in an incredible way

This boy, what's the matter? This attitude, changing?

Gu Han, however, laughed, cold and cold!

Ye Chen, what is he?

He was born in Yuanshan, not to mention the whole Yuanshan mountains. Even in the cities near the Yuanshan mountains, no one dares to speak to him in this manner!

Don't you see the very good face of Chen Yang, are respectful to themselves?

Now, a waster of the heaven God realm, not only has an irreconcilable desire for the woman he likes, but also directly humiliates him?

Good, good!

Gu Han's whole body sent out bursts of icy white air. The whole person, like the incarnation of the God of winter, yelled at ye Chenli: "boy, you're so angry that you can't choose what you say? If you have offended those who should not, die

The next moment, Gu Han's eyes, incomparably cold to kill, splashed out, as if a sword cast by tens of thousands of years of dark ice, appeared in his hand!

Gu Han holding a long sword, the power of the holy ancestral realm, broke out completely!

All the people in Xuanjin city feel that the snow is flying all over the sky and they are drowning themselves. Even the spirits are going to be frozen!

Gu Han's fear was even stronger than Chen Yang!

Chen Yang has a sneer on his face. This is a boy named Ye Chen. Gu Han stares at him, but he is even worse than himself!

Gu Han is not only the legitimate son of Yuanshan Gu family, but also the famous genius of Yuanshan Gu family!

The whole Yuanshan family, also only care for the family master, and the strength of the ancestors, to surpass Gu Han.

And Gu Han, now, is less than 1500 years old!

At such an age, it would be considered a monster to have such accomplishments even in the whole xingxuan region. However, Gu Han has not only excellent martial arts talent, but also Xuanhan blood!

Xuanhan blood, born with a very strong cold in the body, at the same time, practice ice skills, martial arts, have unimaginable advantages!

This blood, in the whole xingxuan region, can be regarded as a higher blood!

Therefore, even if Gu's family is not very strong, Gu Han is invited to refine Shenfeng!

At the moment, Gu Han whispered: "ice cloud sword!"

A sword out, dark ice sword, cold light glare, with endless cold, just like covering the sky and cold clouds, hanging towards Ye Chen!

Sword light floating between, actually like the whole Jinxiao Pavilion, are frozen!

This is not only freezing the Golden Night Pavilion, but also freezing the void!

We can imagine how strong and cold Gu Han's sword is!

The warriors in the whole Xuanjin city are going crazy!

I was scared crazy by the ice cloud sword!

They know that if Gu Han's sword is aimed at them, they will be frozen to pieces of ice in an instant?

At this time, it was the midsummer, but the temperature of Xuanjin city fell to hundreds of degrees below zero!

As if ushered in the cold winter of freezing all things!

Even Chen Yang on one side was crazy about the corner of his eyes and his eyes were flickering. Even he had no confidence that he could take Gu Han's sword without any damage!

At the same time, the joy of Chen Yang's noodles is more intense!

The stronger Gu Han is, the more miserable Ye Chen will die!

Look at Ye Chen again, at the moment, it is still standing in place, as if really frozen in general!

Gu Han with a sneer, the disdain in the eyes of the color, almost into the essence!

Just at the moment when the ice cloud sword is about to be chopped, a long black sword appears in Ye Chen's hand!

Gu Han sneered. At this time, do you still want to resist?

However, I do not know why, ye Chen that indifferent look, fall in Gu Han's eyes, but let him feel particularly eye-catching!

Gu Han's eyes sank. In his blood, a stream of extremely cold gas gushed out and turned into an ice crystal cyclone around the dark ice sword. The power of the ice cloud sword has been improved by another point!

"Die for me!" Gu Han suddenly drinks, a sword directly points to Ye Chen's eyebrows. The cold air is frightening, and the sword light is like electricity!

At this moment, ye Chen finally moved!

Bagua Tiandan technique, Tianlong eight gods sound, two Hongmeng ancient methods swept out in a moment. At the same time, ye Chen's body surface burns a layer of blue flame, and in the flame, layers of blood light bloom!

In a flash, ye Chen's body, there is a very terrible pressure, whistling out!

Chen Yang and Gu Han see, pupil is suddenly contracted!

Fear!

Fear from the soul!

At the moment when ye Chen starts to work seriously, they are instinctively feeling extremely clear fear from ye Chen!

How could this happen?

In their eyes, both of them showed a look of incomparable horror, and their thinking began to run rapidly

Can, how can't think of, why the breath of Ye Chen, can suddenly become so terrible ah!

But!

It's not over yet!

On the dark sword in Ye Chen's hand, there is an inexplicable, ancient and obscure atmosphere, which is full of air!

The whole Jinxiao Pavilion in the public, feel the moment of this breath, are a dark eye!

The next moment, the face will be pale and bloodless!

Why?

Because, in that breath, they feel the destruction, feel the death!

Among them, also include Chen Yang and Gu Han!

Gu Han's face was hard to see the pole, and he was staring at the sword in Ye Chen's hand. He knew that the real spirit of destruction was coming out from it!

The destruction Shinto, one of the original three ways, is an existence that many powerful people yearn for!

Don't say it's the xingxuan realm. Even the forces in the heaven and man domain are all flocking to those who understand the destruction of Shinto!

Originally, Gu Han, who had been selected by Lengyan sect, had a sense of superiority. He even looked down on Chen Yang, the city Lord of Xuanjin, whose strength was similar to that of himself and was an elder!

Therefore, when he was humiliated by Ye Chen, he would lose his mind!

Now, Gu Han is back

Why?

Master the way of God, because of the destruction!

Compared with Ye Chen, what is he Gu Han?

To tell the truth, Gu Han has already regretted, and even wants to retreat and take back his sword!

Can, he, have this chance?

Ye Chen, will you give him this chance?

Chapter 3472

In a flash, the sharp bloody light erupted on the evil sword. It was like a meteorite that had been destroyed. It fell from the end of the universe and hit Gu Hanci's dark ice sword hard!

He roared and destroyed the Shinto like a beast who had been hungry and thirsty for tens of thousands of years and had just come out of poverty. He devoured and torn the extreme cold that Gu Han had cut. In front of Ye Chen's sword, it was like a lamb to be slaughtered!

A little bit of resistance has not been smashed!

"No

Gu Han screamed, he has Xuanhan body, since he was born, has never felt, what is called cold!

However, at this moment, the dark ice sword in his hand collided with the evil sword in Ye Chen's hand!

Gu Han, for the first time in his life, understands how cold is!

Even the blood, even the bone marrow, even the soul, should be frozen for it!

With a loud bang, a tremendous force surged out of the shajian, and a burst of blood mist burst out of his body. His whole body, like an arrow from the bow, flew backward and directly hit the wall of Jinxiao Pavilion into a big hole and fell heavily on the ground!

Silence

Even the breath, even the heartbeat, can't be heard!

In front of Ye Chen's most terrible sword, these warriors were so scared that they could not control their own life activities!

One by one, they are pale, empty eyes, just like stone sculptures, standing in the same place.

Pretending to be dead is an instinct of living creatures. When they encounter a powerful and terrifying force that is absolutely impossible to confront, they will instinctively pretend to be dead

In everyone's mind, is endless chaos, completely unable to understand, just what happened!

Is it true?

A warrior of the heaven God realm, one sword, second defeated a holy ancestor realm existence?

One by one, they turned their necks rigidly and looked at Gu Han.

At this time, Gu Han's bones were completely broken, blood dripping, like a pool of mud, fell on the ground

Miserable, too miserable!

However, they know that this is the result of Ye Chen's keeping hands!

Ye Chen at the last moment, convergence of a point of strength, otherwise, Gu Han has died!

Ye Chen slowly walked to Gu Han's body, overlooking the man whose eyes were full of fear to the extreme, and his mind was almost broken.

"Now, do you believe that I am a friend of Jin Shuhui

As soon as this speech comes out, all people look at Ye Chen's eyes, there is no doubt any more!

Gu Han, on the ground, cried and cried: "I believe it! Mr. Ye, I believe it! It is I who have been watching the sky and doubting you because of my ignorance! Please give me a chance. I really know I'm wrong

In his twenties, chaos state has the strength to crush the strong in the holy ancestral realm. Most importantly, ye Chen has mastered the way of destruction!

It's easy to join the forces of heaven and man with such martial arts qualifications?

Gold? Relationship?

If ye Chen says that he is Jin Shuhui's friend, then the gold on his face should be Jin Shuhui, right?

Ye Chen looks at Gu Han coldly. Finally, he still takes the evil sword in his hand, and takes it back without killing him.

There are two reasons why he didn't kill Gu Han. First, he wanted to keep a low profile before he had enough strength outside the territory and in the upper world. Gu Han, at first glance, was a man of some status. Although Ye Chen was not afraid of the power behind Gu Han, it would be bad if he made too much noise to attract the attention of those potential forces.

2、 He wants to inquire with Gu Han about the marriage of Xuannu in Lian Shenfeng.

In Gu Han's capacity, he must know more about this matter than those hearsay youths.

Suddenly, behind Ye Chen, there was a puff.

He slowly turned around and saw Chen Yang, the Lord of Xuanjin City, kneeling in front of him.

Chen Yang trembled all over his body, and lowered his head with great force, showing the lowest posture

People see, are a pair of ghost look

Chen Yang is a man of great face. Even once, he killed the city master of a nearby city because he played a joke. He also paid a great price!

But now, he kneels to Ye Chen?

Or take the initiative to kneel without saying a word?

In a sense, this is more than ye Chen crushing Gu Han, but also shocked them

Chen Yang's face was full of fear, and his body trembled slightly. However, he gritted his teeth and said, "Mr. Ye, you have offended me before. Please forgive me! If there is anything I can do for you, I will try my best to share my worries for you

When people heard this, they became more sluggish. Chen Yang almost recognized Ye Chen as the main one

Chen Yang's eyes flashed. He really wanted face, but it was also in the case of life!What's more, it's not ye Chen's strength that really scares Chen Yang!

But ye Chen's background!

What kind of forces can cultivate such extreme talents?

There is also, ye Chen hands, the burst out of the body that Hongmeng gas!

Ye Chen, by no means a small Xuanjin city can be provoked by the existence of ah!

Ye Chen pondered for a moment, then opened his mouth and said, "I really have one thing to do..."

Chen Yang hears the speech, the face appears the color of great joy!

If, can climb up the relation with Ye Chen, his Chen Yang's future, must be incomparably bright!

Immediately, Chen Yangfei quickly nodded his head and said, "young master, you are welcome to tell me!"

Ye Chen light way: "get up."

Then, he glanced at Gu Han, and with a finger, dissolved the destructive breath in his body and said, "take him with you."

Chen Yang helped Gu Han on the ground. Soon, under Chen Yang's leadership, ye Chen entered the city Lord's house.

The holy ancestral realm exists, and its vitality is extremely strong. Ye Chen recovers the breath of destruction. Now Gu Han, although his breath is extremely weak, has taken some excellent healing pills and cultivated for a while, at this time, he can barely walk around.

Three people, came to the living room of the Lord's house and took their seats.

Ye Chen looked at Gu Han, who was as if a gust of wind could blow it down. He said, "tell me about Lianshen peak's marriage for Xuannu. What's the matter?"

Gu Han said: "well, Jin Shuhui, the Xuannu of refining Shenfeng, is a little famous in the xingxuan area. She not only has extremely rebellious martial arts talent, but also her appearance is the best among the best. There are many pursuers of Jin Shuhui in the whole xingxuan region..."

"However, the girl's sex is extremely cold. In order to practice martial arts wholeheartedly and not be disturbed by others, she even chose to become a Xuannu of refining Shenfeng, and no longer contacted with the opposite sex. She spent all her time in the secret realm of refining Shenfeng and the upper world, and faded out of people's vision."

Chapter 3473

"However, not long ago, Jin Shuhui didn't know what kind of stimulation she was stimulated by. She appeared frequently in the secret places of xingxuan region and madly improved her strength. Naturally, people's attention was aroused again!"

When ye Chen hears the speech, she smiles bitterly, saying that Jin Shuhui was stimulated not long ago

It's very likely that because of his stimulation, Jin Shuhui's pride doesn't want to catch up and work hard?

Even if the hope is extremely slim, Jin Shuhui will be desperate to narrow the distance with Ye Chen.

Gu Han continued: "just half a month ago, I didn't know whether she was lucky or not. Jin Shuhui got a wisp of heavenly spirit in a secret place of heavenly spirits."

Ye Chen frowned and said, "Heaven spirit secret place? The spirit of heaven? What are these? "

Gu Han was stunned. He didn't expect that ye Chen didn't know the secret state of heaven and the spirit of heaven?

However, he didn't think much about it. He explained: "Tianling secret land is one of the top secret places in xingxuan region. According to legend, Tianling is a kind of existence similar to spirit, but much higher than that! Even in the outer world and the upper world, it has been a long time since I saw the spirit of heaven.

It is said that this heaven spirit secret place is the place where a heavenly spirit sits.

Every hundred years, the heaven spirit secret place will be opened once, and those who hold the jade soul stone will be able to enter it.

There are a lot of precious materials and even exotic treasures in this heaven spirit secret place. However, if we say that the most precious treasure is the spirit of heaven! The spirit of heaven is the foundation of the few who can strengthen the heaven God realm, the holy ancestor realm and even the martial arts of the heaven realm! "

"What?" Ye Chen hears the speech, also can't help but be surprised!

Can you strengthen the foundation of martial arts?

This is really the treasure!

Can, very quickly, ye Chen is eyebrow a frown, ask: "refine divine peak, what level is existence?"

Such treasures, let alone xingxuan domain, may even attract the attention of powerful people in other places. They are not ordinary forces that can stay!

Therefore, it may not be a good thing for Jin Shuhui to get the spirit of the day!

Gu Han said: "Lianshen peak is powerful in xingxuan area. However, it is not enough to protect the spirit of the day."

When ye Chen heard the speech, his eyes were icy cold and said with a sneer: "so, refining Shenfeng, decided to marry Jin Shuhui?"

Gu Han nodded his head and said: "yes, Lian Shenfeng knows that Jin Shuhui's spirit and aura can't be preserved. In this case, it's better to take advantage of this opportunity to marry Jin Shuhui!

And the spirit of heaven, as Jin Shuhui's dowry! After all, the spirit of heaven has a peculiar attribute. If it is not fully refined, even if it is absorbed into the body, it can be plundered through the method of double cultivation.

Therefore, they held this meeting and invited all the talents of xingxuan region! Hehe, it's very smart to refine Shenfeng. By doing so, you can not only make friends with a young talent who comes from a big power and has a promising future, but also get a valuable betrothal gift!

After all, they all use the spirit of heaven to make dowry, don't they? "

Gu Han said with a wry smile on his face. To tell the truth, although he was invited, he basically did not hold any hope that he was selected by the refining peak.

Although, he will soon become a disciple of Lengyan sect, which can be regarded as a high status, he can not be compared with those real big power demons.

The main purpose of this meeting is to get together and get to know some famous people.

Ye Chen's face is even colder. This refining Shenfeng is really able to do business?

This is to use the disciples of one's own family as commodities for trading!

What ye Chen hates most is this snobbish clan.

"Is Jin Shuhui not against it?" he asked with a faint look

"Against it?" Gu Han shook his head with a bitter smile and said: "she just wants to oppose it, but she can't. Jin Shuhui is seriously injured in the heaven and spirit secret realm, and she escapes back to the refining God peak very reluctantly. Now, maybe she is still in a coma. Moreover, the Xuannv refining Shenfeng will be forbidden by planting in her body."

Gu Han suddenly showed a trace of sarcasm and said: "ironically, this prohibition was originally intended to prevent Xuannv from breaking the commandments and have intimate contact with the opposite sex. Now, Lian Shenfeng is afraid to use this prohibition to force Jin Shuhui to marry!

For the sake of profit, it seems that even the tradition and face are not going to be taken for the refining of Shenfeng! "

Ye Chen hears the speech, in the eye, a wisp of killing opportunity blooms!

Jin Shuhui is seriously injured. As her teacher, Lian Shenfeng wants to marry people out under such circumstances?

Hehe, maybe I'm thinking that they won't be responsible for Jin Shuhui's healing, right?

What a refining peak!

Shameless, there must be a limit!

Gu Han looked at Ye Chen's expression and asked, "Mr. Ye, if you plan to attend the meeting, I can take you there." Anyone who receives an invitation can take one or two people with them.

Ye chensen said with a smile: "of course. Since Lian Shenfeng likes to do business, how can I not take care of their business? How long is it before the start of marriage recruitment? "

Gu Han said: "three days later, it will take about two days to go from Xuanjin city to Lianshen peak."

Ye Chen nodded his head and said, "OK, let's start tomorrow, you go to cultivate yourself."

Said, ye Chen a wave, a blood red pill fell into Gu Han's hands.

"Take this pill. It's good for your injury."

Gu Han looked at the pills in his hands with a frightful look on his face. Among them, there was an incomparable breath of life!

Immediately, his face showed the color of ecstasy, and said thanks to Ye Chen: "thank you, young master!"

After Gu Han left, ye Chen looked at Chen Yang and said, "Lord Chen, can you help me get an identity of Xuanjin city?"

Chen Yang was stunned at the smell of speech. What is the identity of Xuanjin city?

Ye Chen, is this to conceal identity?

All of a sudden, Chen Yang's face showed a glimmer of a sudden color. Is Ye Chen the son of a big family who ran out to play? Worried about being discovered by the family, so guess to hide your identity?

In this way, it is reasonable.

Thinking of this, Chen Yang said with a smile: "please don't worry, young master Ye. Leave it to me. Haha, I can promise you that I can handle it. Even the top forces in xingxuan domain want to find out the identity of the young master, it is not a simple matter. I can do it in one day!"

Ye Chen nodded. He knew that Chen Yang had misunderstood something, but it was better.

I'm afraid that at the meeting of recruiting relatives to Lian Shenfeng, it's necessary to contact with people from outside the territory. By means of these people, it's possible to expose his identity as the reincarnation Lord and the divine kingdom. Therefore, ye Chen has to make some preparations.

After dealing with all this, ye Chen returned to the guest room Chen Yang had prepared for him. Instead of practicing, he went straight to sleep. Although he was not injured, he also spent a lot of energy. In this meeting, ye Chen had to face the evil spirits standing in this area outside the territory, although he could not contact the cold family and the emperor yuan hall To the queen of the upper kingdom.

But he has to adjust himself to his best!

But in the dream, the seven figures appeared in the leaf Chen's left and right.

It is the Seven Saints of heaven!

They looked at Ye Chen, nodded slightly, and said in the same voice: "although the realm of the reincarnation master of this world is too much lower than that of his peak period, his foundation is extremely solid. Maybe he can easily overcome the shackles in the face of that layer!"

Chapter 3474

.....

The next day, ye Chen and Gu Han left Xuanjin city.

At this time, Gu Han is energetic and energetic. Although his breath is still a little unstable, his strength has only recovered 70% to 70%, but compared with yesterday, it has been much better!

At the same time, he looked at Ye Chen's eyes and became more and more awed!

Casually, you can take out an excellent healing pill. How can ye Chen's identity be general?

Just out of the gate, Gu Han said to Ye Chen, "Mr. Ye, we need to go to the purple Ling City first."

"Ziling city? Don't you go directly to lianshenfeng? "

Ye Chen's eyes flashed. He knew that purple Ling City was not too far away from Xuanjin city.

Gu Han said: "I have a friend in Ziling city. Originally, we agreed to go to refining Shenfeng together. His family is engaged in the business of walking on behalf of monsters. He has raised several very pure Qinghuang. We take Qinghuang to refine Shenfeng, and the speed is even faster than taking a space airship!"

With the speed of two people, half an hour later, they came to the purple Ling City.

Ziling city looks more prosperous than Xuanjin City, with a large area of nearly half. Obviously, it is a city with higher grade.

Ye Chen to the guard at the gate, after showing Chen Yang's ID card for him, he easily enters the city.

Under Gu Han's leadership, ye Chen came to a grand mansion before.

On the plaque of the mansion, there are two big characters, Zhang Fu.

Gu Han nodded to the porter of Zhangjia, and they entered the mansion and headed for the reception hall under the guidance of a pretty looking servant girl.

Gu Han looked at the people in Zhang's house, but he frowned slightly. He asked the servant girl who was leading the way: "xiaorou, what's wrong with Zhang Fu? Why do you look strange? "

The woman named xiaorou turned her head and said, "master Gu, the second miss is back..."

"What?" Gu Han smell speech, but suddenly stopped the pace, the face changed greatly.

Ye Chen looked at Gu Han and said, "what's wrong with you?"

Gu Han's face was a little ugly and said, "Mr. Ye, things are a little troublesome. My friend, Zhang Chi, is the third son of Zhangjia.

Zhang Chi is a man with a good personality. However, his second sister is the most terrible woman in Ziling city! "

Ye Chen frowned: "what do you mean?"

Gu Han's eyes flashed with fear and said, "although Zhangjia is the first family in Ziling City, it is only a middle-sized family in xingxuan region. However, even some powerful people will sell Zhangjia a little face! Because Zhang Qiaoling has come out of Zhangjiakou! "

"Zhang Qiaoling, known as the first genius of Ziling city in the past ten thousand years, broke through the peak of the heaven God realm at the age of 15, which caused a great sensation in the whole xingxuan region. Later, she was accepted as a disciple by the famous qianlei sect elder. In a short period of ten years, she broke through to the seven levels of heaven in the holy ancestral land. It is said that today's Zhang Qiaoling is already qianlei sect She has been almost trained as the next leader

"And Zhang Qiaoling is Zhang Chi's second sister!"

Compared with Zhang Wuling's talent, Zhang Wuling doesn't think he has enough talent

Ye Chen doubts: "even if Zhang Qiaoling is more powerful, what does it have to do with us?"

Gu Han opened his mouth as if he wanted to say something, but just then, in front of them, the figure flashed, and a pretty young man in a red robe appeared.

This young man seems to be young, but his whole body breath is not weaker than Gu Han. He is also a six layer heavenly warrior in the holy ancestral realm!

Gu Han was surprised and said, "Zhang Chi!"

This is Zhang Chi!

Zhang Chi, however, was startled. He quickly blocked Gu Han's mouth with his hand and said in a low voice: "don't talk! My sister is out, let's take advantage of the present, hurry to pull a head of green Huang on the road! If she finds out, things may be in trouble! "

Said, he looks to one side Ye Chen way: "this is?"

Gu Han quickly introduced: "this is Mr. Ye. This is Mr. Ye. This time, Mr. Ye is going to the Shenfeng meeting with us."

"Heaven and God state, a layer of heaven?" Zhang Chi picked his eyebrows and said, "brother, I advise you not to go. I'm afraid you will encounter a lot of trouble when you arrive at the refining peak with your cultivation."

Gu Han, however, patted his head and said, "what do you say, Mr. Ye's strength is far above you and me! You'd better worry about yourself

At the same time, he looked at Zhang Chi crazily, indicating that he did not provoke Ye Chen.

Hearing the speech, Zhang Chi couldn't help laughing and said, "Gu Han, did you drink too much yesterday? Not yet awake? Is it better than you and me? Why don't you say ants can kill elephants

He glanced at Ye Chen, who stood quietly beside him, and said with a smile, "brother ye, I'm a little curious. How did you fool my brother around..."Gu Han covered Zhang Chi's mouth and apologized to Ye Chen: "Mr. Ye, please forgive me. Although this boy is good, his mouth is a bit cheap..."

Ye Chen nodded his head indifferently. He could see that the man named Zhang Chi didn't mean to ridicule him, although his speech was a little ugly. He really reminded him that it would be dangerous to go to the Shenfeng recruitment meeting.

Zhang Chi broke away from Gu Han's palm, waved his hand and said, "well, since it's your friend, let's go together. It's a big deal that what's going on at that time. I'll hold it for you!"

He slapped his chest with feigned boldness and said, "even those demons of the great power of xingxuan domain, would you like to sell my second sister some face?"

Ye Chen faint smile, this pool, although publicized, but, seems to be heavy affection.

A moment later, a phoenix with green feathers and incomparable divine steeds, like a small mountain, issued a clear cry. It rose from the backyard of Zhang's house, carrying Ye Chen and three people, and flew toward the refining peak.

The strong wind moves rapidly between her wings. Her body trembles slightly and turns into a blur of green shadow. It disappears at the end of the sky in an instant. Its speed is incomparably fast!

Even ye Chen, sitting on the back of Qinghuang, looks slightly shocked. Even this kind of demon beast is far beyond the reach of the kingdom of God.

But this green Huang, has not been flying out for a long time, behind the three people, but suddenly sounded a more loud and clear Feng Ming!

Ye Chen three people under the head of the green Huang heard the sound of Feng Ming, was scared to a shudder, immediately stopped in the air, dare not move again!

Chapter 3475

As soon as they turned around, they saw a green shadow, which was like a thunderbolt. In the hurricane, a huge green feather Phoenix appeared!

The sudden appearance of Qinghuang is three times bigger than that of Ye Chen!

At the same time, the whole body of this green Huang is actually emitting a light King's prestige!

Looking at the giant green Huang, Zhang Chi couldn't help swallowing his saliva and stammering: "Qing
The king of Qinghuang... "

There is only one head of King Qinghuang and only one person in Zhangjia, who is qualified to travel by King Qinghuang!

That person, of course, is his second sister, Zhang Qiaoling!

At the moment, a woman in red with a wisp of heroism is standing on the top of King Qinghuang's head, looking down at Ye Chen!

Ye Chen looks at Zhang Qiaoling and her pupils shrink!

In front of the heroic woman, actually let him feel the threat!

Very strong!

Zhang Qiaoling's strength is very strong!

Is this the holy daughter of qianlei sect in xingxuan?

Zhang Qiaoling, she is a holy ancestor of seven layers of heaven!

To the level of the holy ancestral realm, each level of small state, strength, are different!

And the same small realm, the perception of martial arts, martial arts, foundation, weapons surprise, will also be very different!

In the face of Zhang Qiaoling, even ye Chen, there is no assurance of victory!

Zhang Qiaoling's eyes swept past ye Chen, revealing an unabashed look of disgust. Her beautiful eyes fell on Zhang Chi and said coldly:

"Zhang Chi, I didn't say that I would let you wait for me to come back, and I would send you to Lianshen peak? How many times have I told you? Don't you get mixed up with these bad people, don't you understand?"

Ha ha, now, not only the boy who cares for his family, but also the martial arts of heaven and God are all around you? If you stay with the garbage for a long time, you will also become garbage, understand? "

Zhang Chi and Gu Han both changed their faces when they heard the speech. However, they both lowered their heads and did not dare to refute Zhang Qiaoling's ridicule!

Not to mention Gu Han, even Zhang Chi is extremely afraid of his own sister

Zhang Qiaoling is known as the most terrifying woman in Ziling City, but it is not only because of her talent in martial arts, it is so simple.

At the same time, there is her incomparable cold, cruel, domineering character!

Once upon a time, Zhang Qiaoling was born just because a few men looked at her a little more, laughed playfully and said some dirty words. She cut off the limbs of those people and hanged them on the gate of the city and tortured them to death!

Even some people who are slightly disrespectful to Zhangjia will come to a miserable end

Over the years, Zhang Qiaoling's fierce name has been deeply rooted in the hearts of Gu Han and Zhang Chi!

Don't say it's an outsider. Even the people in Zhangjia are afraid of her

Zhang Qiaoling looks at two people's facial expressions, sneer, oneself this younger brother has never disobeyed her.

She told Zhang Chi to go east. Did Zhang Chi dare to go west?

Zhang Qiaoling said coldly: "what are you doing? Come here!"

Just when everyone thought that Zhang Chi would pass

On Zhang Chi's pale and frightened face, a decisive look suddenly appeared. He suddenly raised his head and said to Zhang Qiaoling in a somewhat shrunk voice:

"elder sister They are my friends. Please don't do this. To Give them some respect... "

Zhang Chi summoned up his courage and looked at Zhang Qiaoling. He always obeyed what his sister told him to do. He knew that even if his sister was more severe, he still wanted to be good for himself

But!

For his friend, Zhang Chi's heart does not allow him to be silent again!

Gu Han is stupid, Zhang Qiaoling is stupid, and even ye Chen looks at Zhang Chi unexpectedly

Zhang Chi, did you speak for them?

Although there is no sense of confidence, but in the face of Zhang Qiaoling, it is very, very great to be able to say such a thing!

There are not many young people who dare to refute Zhang Qiaoling in the whole xingxuan area

Gu Han looked at Zhang Chi and was moved!

This boy, although his mouth is a little bit cheap, he likes to pretend to be forced, but he is really good

He Gu Han didn't make this friend for nothing!

Even ye Chen, also slightly nodded, with a trace of appreciation in his eyes.

However, Zhang Qiaoling's pretty face with a bit of heroism is a gloomy color!

What she hates most is the people around her, disobeying herself!

Now, she has always been very obedient brother, even for a few garbage against himself?

Zhang Qiaoling said with a cold smile: "Zhang Chi, it seems that I haven't taught you a lesson for some time. I have to help you to recall the memory well. What's the end of disobedience?"

At the next moment, Zhang Qiaoling's whole body felt a terrible pressure, which suddenly rose to the sky. The strong pressure made the air in the whole world become extremely sticky. As soon as the pressure coagulated, she went towards Zhang Chi, Gu Han and ye Chen! Zhang Chi and Gu Han are both crazy changes in their faces!

What a terrible pressure!

Is this the strength of the seven layers heaven in the holy ancestral land?

The pressure alone makes them stiff and their blood almost freezes!

If this pressure comes, I'm afraid they will all be seriously injured?

Gu Han and Zhang Chi can't help shaking up. At this moment, they all recall the fear once dominated by Zhang Qiaoling!

When both of them are ready to close their eyes and bear Zhang Qiaoling's anger, a figure comes in a flash and blocks them in front of them!

This person, of course, is Ye Chen!

A gust of wind swept by, which was enough to bring Gu Han and Zhang Chi seriously injured by the seven layers of heaven, fell on Ye Chen, but it was as if nothing was in general, and dissipated

Zhang Chi and Gu Han look at Ye Chen in disbelief

Especially Zhang Chi!

Originally, he thought Ye Chen was just a kind of guy who could pretend to be a little bit clever. He played some tricks to turn Gu Han's bluff around

But now, ye Chen is faced with the pressure of his second sister, even without pressure to bear it?

This This is not a charlatan. It can be done!

Zhang Qiaoling's pupils contracted slightly, and she frowned slightly. She didn't expect that a mole ant in the heaven could block her own pressure?

However, ye Chen's action, on the contrary, completely angered Zhang Qiaoling!

It seems that she has been away from Ziling city for a long time. What kind of cat and dog dare to stand on their own head?

In Zhang Qiaoling's beautiful eyes, she rolled and said in a cold voice to Ye Chen, "little waste, do you want to die? I teach my brother a lesson. I'm going to get you to be a top dog? Want to be a hero? "

Ye Chen looks at Zhang Qiaoling indifferently, opens his mouth and spits out a word

One, earth shaking, make Zhang Chi and Gu Han, the brain must melt the word!

"Go away."

Chapter 3476

Zhang Qiaoling's strength is good, but don't forget, ye Chen's body, can still have extremely terrible Zixiao stone's energy and the yellow spring water has not been refined!

Therefore, for Zhang Qiaoling, ye Chen did not have much fear.

As for Zhang Qiaoling's identity is terrible?

Can there be cold house, emperor yuan hall, and the empress in the upper world?

Even cold home, he is on, still afraid of a Zhang Qiaoling?

First, he felt that Zhang Chi was right. Second, Zhang Qiaoling was in his way. So, why can't he ask Zhang Qiaoling to go away?

Between heaven and earth, it seems that there is a breath of freezing everything. Everything tends to be still and dead!

Ye Chen asked Zhang Qiaoling to go away!

Let the holy daughter of qianlei sect, the most terrifying monster in Ziling city for thousands of years?

This is against the weather!

At this moment, even Gu Han began to tremble

Although, he knows Ye Chen's strength, very strong, but in his heart, or Zhang Qiaoling, more terrible!

After all, Gu Han and Zhang Qiaoling have been in contact for decades. The fear is deeply rooted

To be honest, if there is a conflict between the two, he is not optimistic about ye Chen

But at the moment, Gu Han was afraid to say anything. He was silent and trembling. None of them could be provoked by him!

At this moment, the killing intention in Zhang Qiaoling's eyes was almost real. The whole sky was in the raging rage, and the wind and cloud surged and thundered!

Zhang Qiaoling under the head of the green Huang king, are afraid to keep shaking, almost unable to maintain flight, fell down!

This day, the boy of God realm just blocked his own breath. Unexpectedly, he dared to call her Zhang Qiaoling. Get out!

Zhang Qiaoling has been a proud girl since she was born. Even her parents dare not be too strict with her. When did anyone ever talk to her like this?

With her talent, appearance, from small to large, the men around her are not all respectful to her, dare not have the slightest impoliteness, even squeeze the head, all just to be able to say a word with her, to know just ah!

She is always among the crowd, the most dazzling existence of the general women!

Even some people, because of her words, even risked their lives and broke into the extremely dangerous Jedi alone because she said that the flowers growing there were good.

But what about ye Chen?

Tell her to get out of here

Moreover, she can see that ye Chen is not pretending to attract her attention. It is true that ye Chen doesn't care about her or even hates her I really feel that she is in the way of her own, so tell her to roll!

Zhang Qiaoling felt that her dignity had been offended for the first time!

Or by a humble to the extreme of the heaven God realm offended!!!

Zhang Qiaoling clenched her silver teeth. She almost lost her sense of anger. She couldn't bear to go on any longer. She directly took her hand!

She wants this damned boy to kneel down and beg her!

A long sword full of blue and purple lightning suddenly appeared in Zhang Qiaoling's hand. The blue purple thunder, which was very dazzling, broke out from Zhang Qiaoling's whole body!

In that thunder, actually is sends out the rolling vanishing breath!

Gu Han's face turned white and exclaimed: "the way of nine days of thunder? It's the way of nine days of thunder

What is the way of nine days thunder?

The way of nine heaven thunder, among many Tao, also belongs to the higher Taoist rhyme. The martial man who has the way of nine heaven thunder will bring the vanishing power of the nine heaven God thunder in the thunder!

This vanishing power is somewhat similar to the destruction Shinto. Of course, on the level, it is far less than the destruction Shinto. It can be said that it is a weakened version of the destruction Shinto!

But even so, it can be imagined that the nine days of thunder, how strong!

The reason why Qian Lei Zong is famous in xingxuan is that he has mastered the cultivation method of the nine days' thunder. However, is it so easy to cultivate these nine days' thunder?

In the last 100000 years, qianlei Zong has no more martial arts practitioners. Many people say that Qian Lei Zong is going to decline

But I didn't expect that Zhang Qiaoling did it!

Moreover, the realm is not low!

Ye Chen Mou son tiny MI, suddenly, the voice of the sword soul Xuan Hanyu came from the ear!

"It's not many days since the first battle of Mt. wanshenshan."

"You can't make another breakthrough in a short time! But the powerful martial arts can let you have a stronger ability to cross the level combat!

If you want to fight against Xuanyuan moxie and Mo Xueming in wanshen mountain, you must strengthen your own martial arts. This overseas trip is undoubtedly the best choice! "

"Seek your way of destruction and strengthen it."

"Fight, get stronger!"

"Now is the best way!"

"You should only be able to fight against the sixth heaven, but if you have my help, you should be able to fight against the seventh heaven!" "If you need a part of my strength, just talk!"

"After all, the stronger you are, the better I can ask you to do it for me!"

"As for what, you don't have to ask now! Not yet! "

At the moment, Zhang Qiaoling is also moved, really angry, unexpectedly to Ye Chen, even the nine days thunder of the road all make out!

However, Zhang Qiaoling's sword has not yet been cut out, but ye Chen takes the lead!

"Geng gold iron wall! Fahua is dead

The impregnable iron wall of Geng gold and the sound of Buddhist light suddenly appear around Ye Chen, blocking the endless thunder.

Bagua Tiandan technique, Tianlong eight gods sound, two Hongmeng ancient methods swept out in an instant!

In addition, ye Chen's eyes flashed, and his mind said to Xuan Hanyu, the soul of the evil sword:
"xuanxianzi, borrow my strength!"

Ye Chen is not enough to fight against Zhang Qiaoling now!

But someone can, xuanhanyu!

Since coming to foreign countries, xuanhanyu has absorbed some foreign aura and recovered part of her strength!

This is Ye Chen dare to challenge each other's confidence!

"Good."

Xuan Hanyu did not refuse at all!

An inexplicable breath, suddenly from the evil sword, diffuse!

Zhang Qiaoling is stronger than he imagined. Facing Zhang Qiaoling, ye Chen can't keep his hand!

Gu Han looks at Ye Chen, but he is slightly stunned

I thought Ye Chen would be dignified and nervous after feeling the breath of the nine day thunder, but

Laughing

Ye Chen, is actually laughing!

In his eyes, even burning with the spirit of war!

Completely, like a fighting madman

Ye Chen, how can you not laugh?

The stronger Zhang Qiaoling is, the better it will be to fight with Zhang Qiaoling!

He is in great need of life and death!

At the next moment, the spirit of destruction is condensed on the blade of Sha sword, and the ultimate destruction sword comes out in a violent wind!

This sword, as if the sun in the sky, were eclipsed by it!

"Destroy Shinto?"

Zhang Qiaoling's beautiful eyes flashed a color of shock. What she practiced was the way of nine days of thunder which was similar to the destruction Shinto. How could she be unfamiliar with this destructive Shinto?

Chapter 3477

This day, the boy in the state of God understood the way of destruction!

You know, even if she has mastered the nine days Thunder Road, she is enough to be called the eternal genius, not to mention the real destruction Shinto?

This, originally she looked down upon the indifferent youth, seems not as simple as imagined!

However, although Zhang Qiaoling was shocked, she didn't panic at all in her sword formula. After all, she was a monster of Xuanyu. Although she was not a big grade, her fighting talent was naturally one of ten thousand.

On the blue and purple sword, thunder flashed and the whole sky was suddenly covered by dark clouds. In the dark clouds, electric light overflowed everywhere, which seemed to echo Zhang Qiaoling's sword formula!

At the next moment, Zhang Qiaoling pointed at the sword in her hand. The sword light was surging and the thunder was roaring. The blue and purple electric light was hissing in the air, and the void was for the moment. What's more, thousands of thunder were chopped down in the rolling clouds. The suffocating force of thunder instantly gathered in Zhang Qiaoling's thunder sword!

A sword can trigger the sky!

It can be seen that Zhang Qiaoling's nine days of thunder has been cultivated to such a profound level!

Although Ye Chen's destruction Shinto is countless times higher than that of the nine days Thunder Road, others don't know. Zhang Qiaoling can see that ye Chen's practice level of destroying Shinto is not so profound!

Then, she has the power to fight!

Extremely thunder light, and ye Chen cut out of the icy sword, in a flash, they hit a place, the void instant rupture!

In the sky, issued to destroy the nearby city, eardrum all want to shatter terrible thunder sound!!!

"Poof!"

Gu Han and Zhang Chi are both looking at the scene of the thunder lightsaber. At the moment, they have fully supported the aura shield, and even the body protecting magic weapons have been used!

However, the corner of the mouth is still overflowing with blood!

Only Ye Chen and Zhang Qiaoling fight, send out a wisp of aftershocks, have let them hurt a lot!

Dong Dong Dong Dong!

Ye Chen treads on the void, even retreats several steps, each step, will step on the void!

Thunder light and sword light finally dissipated. Gu Han and Zhang Chi, looking at Zhang Qiaoling, saw Zhang Qiaoling, still standing in the same place, pretty face. Although there is a pale, breathing a little short, but, generally speaking, ye Chen's terrible sword, did not hurt her!

What about ye Chen?

They, looking at Ye Chen

See you! Ye Chen at the moment, the chest is actually a scorched black color! Flesh and blood, smoke!

Even her heart was scorched by Zhang Qiaoling's terrible blue thunder!

Gu Han and Zhang Chi took a cold breath!

Even in terms of the physical strength of the holy ancestral land, such injuries are among the most serious!

Not to mention the celestial realm!

Is Ye Chen going to lose?

Zhang Qiaoling raised a sneer at the corner of her mouth. She just wanted to make a few sarcasm, but the next moment, her smile solidified!

Why?

Because, at the moment, ye Chen seems to be seriously injured, but on his face, it is a light color. What's more, the burnt black heart is recovering its blood color at the speed visible to the naked eye. On his chest, the flesh and blood are growing rapidly. In the blink of an eye, the terrible injury has just recovered?

Zhang Qiaoling, Gu Han and Zhang Chi are all stupid

Absolutely stupid!

Although, the vitality of the existence of the heaven God realm is extremely strong, but I have never heard of it. Which God state exists, with a big hole in the chest and a burned heart, can be recovered in the blink of an eye in the battle?

Is this still human vitality?

Even the top demon clan, even the extremely powerful true spirit in the sky, may not be able to reach this level, right?

Ye Chen faint smile, vitality is one of his biggest dependence, this injury in his view is nothing.

As for the vanishing power in the thunder road of nine days?

Hehe, he has mastered the spirit of destruction. What is this power of annihilation?

At the same time, ye Chen's eyes appear a touch of excited light!

He felt that his body was not completely absorbed a trace of the energy of zixiaoshi into the blood!

Just now, he fought with Zhang Qiaoling. Vaguely, ye Chen's understanding of the martial arts and the destruction Shinto became clearer. As long as his martial arts can keep up with him, absorbing the energy of Zixiao stone will not have any side effects!

Ye Chen's eyes are full of magic, licking his lips, looking at Zhang Qiaoling, just like looking at the prey!

Since childhood, no one can reach her. Zhang Qiaoling, who has always been extremely proud, shivered in the face of Ye Chen's eyes!

Why?

Why does this kid, clearly in the fight, fall behind, but still show this kind of eyes ah!

Zhang Qiaoling, feel a tingle in her scalp! Even if she is as proud as she is, now I can't help asking myself a question

Oneself, did you get what shouldn't be provoked?

However, there is no time to think about it. Ye Chen's body shape has always been, but he has taken the initiative to rush to the side of Zhang Qiaoling. The sword light is rampant and flies out quickly!

The extremely heavy evil sword, driven by Ye Chen's terrifying power, came with a concise breath of destruction!

Vaguely, the void, all in this sword, is divided into two!

Zhang Qiaoling's beautiful eyes shrink, a drop of cold sweat, sliding from the forehead, close to Ye Chen's sword, her pressure is even greater!

She took a deep breath and said, "nine days of thunder and Yuan chop!"

In the face of Ye Chen's sword, Zhang Qiaoling made an unreserved move!

She didn't dare to reserve. Although, she was only facing a warrior in the heaven God realm, if she didn't do her best, Zhang Qiaoling felt that she would lose, and she would definitely be herself!

What's more, I don't know if it's an illusion. How does she feel that ye Chen's sword's destruction Shinto is stronger than before?

The thunder light converged and turned into an incomparably concise sword. The thunder in the sky turned into a sea of thunder light. It poured down with terrifying energy into Zhang Qiaoling's sword!

Turning around, the purple green sword collides with the evil sword in Ye Chen's hands, which is black and shining with blood!

At the moment of the blade touching, Zhang Qiaoling could not help but get a pretty face!

The whole body muscle, began to contract up!

How heavy!

What a heavy sword Ye Chen!

Zhang Qiaoling was shocked by Ye Chen's sword technique, the charm of Tao and the meaning of Zhenwu. Even her strength was so strong that she was so powerful?

Even the body cultivation of xingxuan domain doesn't have ye Chen's power to surpass the extreme?

There was a big bang. This time, ye Chen still retreated

Yes!

Compared with the first time, ye Chen at the moment is just a blood hole on his shoulder, which is much lighter!

Moreover, in front of Ye Chen's absurd vitality, this injury is not called injury at all!

Zhang Qiaoling took a deep breath. She was in a hurry!

It seems that, now, it is their own advantage, but, how long can it last?

How long can she stay in the face of this seemingly immortal and indifferent youth?

Chapter 3478

Zhang Qiaoling drinks, and the sword moves in her hand. In a blink of an eye, the sword formula has changed thousands of times. Countless sword lights interweave with the roaring silver electric light in the rolling clouds above her head. It turns into a three color power grid of green, purple and silver, covering the sky and the earth, and falling towards Ye Chen!

Even Zhang Qiaoling couldn't help gasping after the sword was cut out. The sword consumed too much!

Facing the strangled power grid, ye Chen's eyes were even more dazzling. He took a deep breath, and the dark flame on his body and the Shinto of destruction were blazing. The sword started and the limit operation. The destruction Shinto above the Sha sword was more concise!

At the next moment, his body moved, even with a sword, and turned into a streamer. He actually took the initiative to rush to the power grid that could crush the whole world and destroy all things!

With the application of mietian Jian Jue, the light of the icy cold sword bursts out, and the true martial spirit is surging. The momentum of indomitable, only I soar into the sky, permeates the Six Harmonies and eight wastelands!

In a flash, just like the Star River flying down, ye Chen's sword, chopped in the Jingtian power grid!

Strong light, toward all directions, flying away!

Even Gu Han and Zhang Chi, the holy ancestral realm, could not help but close his eyes slightly!

At the next moment, the heaven and earth return to Qingming. Gu Han and Zhang Chi reopen their eyes and see that the power grid, which seems to be able to destroy the world, has disappeared, leaving only a broken void! It proves how strong the impact was just now!

But in the air, coagulates stands a figure, a whole body dye blood, but laughs incomparably to publicize the male figure!

Ye Chen's body, covered with large and small, scorched sword marks, blood, along the toe, dripping to the earth, looks, seems extremely miserable, but, in Ye Chen's smile, it is self-confidence!

Extremely strong confidence!

That kind of real strong person, has the self-confidence!

Regardless of his injuries, he moved his steps. Every step left a bloody footprint in the sky and walked towards Zhang Qiaoling!

At the moment, Zhang Qiaoling's face is completely pale!

She bit teeth, beautiful eyes staring at Ye Chen, in the mind, it is impossible to suppress the birth of a retreat!

In her eyes, what kind of scarred warrior is coming?

But, a whole sea of corpses and blood!

What's it like?

In Zhang Qiaoling's beautiful eyes, there is a reluctant color

Myself, is this afraid?

In battle, scared?

She has never been afraid of

Even in the face of a much stronger than her, have not been afraid of

But I don't know why, looking at the Ye Chen coming towards him, is afraid!

How can you be afraid?

How many foreign demons died in Ye Chen's hands?

Countless, right? Moreover, the extraterritorial demons are not ants, but really powerful creatures!

After killing so many demons, ye Chen's evil spirit is far more than ordinary martial arts can match!

Even extraterrestrial star Xuan domain, such as Zhang Qiaoling, a martial artist in the seven layers of the holy ancestral realm, will be affected!

"Damn it!"

Zhang Qiaoling let out a big drink. She is the holy daughter of qianlei sect, the next leader, and the proud girl destined to be qualified to go to the moon soul region. How can she be afraid?

Her pride, she is not allowed to be afraid!!!

Zhang Qiaoling's whole body was full of electric light, and with the breath of vanishing, she made a move again, almost frantically!

Ye Chen sees this, but she smiles faintly. The more anxious and irrational Zhang Qiaoling is, the easier he is to control the rhythm of the battle!

In fact, if Zhang Qiaoling does not rush to fight with herself, ye Chen will not be defeated if she has zixiaoshi energy and huangquanshui blessing, and xuanhanyu, the soul of the sword. However, it is not easy to win easily.

After all, if zixiaoshi's energy is absorbed directly, it will affect the foundation of martial arts. Therefore, he will only absorb it a little bit in the process of fighting with his martial arts level rising. In that case, it will take time to make up for the gap between him and Zhang Qiaoling.

But ye Chen's present situation, whether it is the value of huangquan water and Zixiao stone, or even the power of sword soul Xuanhan jade, is not suitable for a long war!

In other words, time is standing by Zhang Qiaoling.

Zhang Qiaoling, however, was stimulated by him, lost her reason and wasted her strength

Ye Chen can't help shaking his head, some disappointed.

Although, in this way, he can win more easily, but it also means that his martial arts promotion is lower.

He's only been here for 15 days.

After returning to the kingdom of God, there are not so many strong people in the holy land to practice with!

It seems that if you want to improve your martial arts more effectively, you need a stronger opponent!

Zhang Qiaoling, not enough! Not enough!

Ye Chen eyes a congealed, since so, then, quickly end this battle!

Zhang Qiaoling, although do not know ye Chen's idea, but, ye Chen's shaking head, as well as that disappointed look, actually deeply stimulated her! You're disappointed to fight yourself?

For Zhang Qiaoling, such a very proud genius, there is no greater insult than this!

The anger in her eyes almost turned into substance!

The next moment, the body shape of the two people, again meet, sword light and electric light dance together, in a flash, two people will fight for hundreds of times!

Gu Han and Zhang Chi had already left far away with their Qinghuang and the king of Qinghuang. Otherwise, under the impact of the aftershocks of the battle between Ye Chen and Zhang Qiaoling, they might not have been injured, but would have been shocked and killed by the aftershocks!

And at the moment, the more they look, the more frightening!

Zhang Qiaoling has been holding down Ye Chen for a long time

But gradually, they found that ye Chen's disadvantage seemed to be gradually weakening?

Now, ye Chen and Zhang Qiaoling are so close to each other!

What's going on?

They have heard about those who are gifted and can become stronger and stronger in battle

But, that's just a legend!

And, even if it's a legend, it's not so exaggerated, right?

Before the hundred moves, ye Chen was still blasted by Zhang Qiaoling, his chest burst and his heart was blackened. Although relying on Ye Chen's anti heaven vitality, he was not greatly affected, but the gap between the two can be seen!

Now, how long has it been?

It's just a hundred moves. Ye Chen has been able to fight with Zhang Qiaoling in the seventh heaven of the holy ancestral realm?

I've never heard of it!

That is to say, with the knowledge of foreign military men, they are completely shaken. It's unbelievable

How to fight such an opponent?

Not only can't fight to death, but also can he get stronger all the time?

What a pervert!

What a despair!

The third move!

At the moment, ye Chen was actually suppressed from the original, reversed, completely suppressed Zhang Qiaoling!

Ye Chen smiles coldly, the sword light turns, a sword flies out!

In the face of this sword, Zhang Qiaoling, pale and disorderly in breath, finally appears a look of fear in her beautiful eyes!

Ye Chen suppressed the moment, it means that the battle is over!

Zhang Qiaoling doesn't have the life force of Ye Chen to bear the attack of the other side

Even if there is, she can not be in the fight, constantly become stronger, reverse the situation

Zhang Qiaoling's silver teeth clenched, her long blue and purple sword, her electric light was wild, her blood essence was burning, and she cut out a sword regardless of the consequences!

Blue and purple lightning, into Thunder Dragon, Teng turned out!

This sword is very strong!

But!

Among the broken swords, it is Jue Qiang

Chapter 3479

The turbulent sword light, constantly advancing, has come to Zhang Qiaoling in an instant. For the first time in her life, Zhang Qiaoling felt the breath of death!

Is she dying?

Zhang Qiaoling's beautiful eyes are full of reluctance and sorrow. She is a genius. She is still very young. Her brilliance has not yet begun. Is she going to die?

The sword flash, a burst of pain, from Zhang Qiaoling's waist, the power of terror, invasion of the body, let Zhang Qiaoling like flying flowers in the wind, whirling down, blood, scattered empty!

Zhang Chi in the distance exclaimed, "sister!"

A flash of body shape drives Qinghuang to flash towards Zhang Qiaoling. The soft body covered with green feather firmly catches Zhang Qiaoling.

Zhang Qiaoling slightly a Leng, oneself, unexpectedly did not die?

She looked at the bloodstain on her waist, where there was a sword wound, and her eyes became complicated.

Zhang Chi looked at her and asked with concern, "sister, how are you? Is there anything wrong? "

Although Zhang Qiaoling is strong, she always treats her younger brother with a condescending attitude. Even Zhang Chi knows that Zhang Qiaoling doesn't think highly of herself in her heart

However, blood is thicker than water. Zhang Qiaoling, after all, is her sister.

Zhang Qiaoling took a pill and said, "I'm ok He, at the last moment, stopped

She knew that if Ye Chen wanted to, that sword would have cut off her waist. It would not be just a sword wound on the waist

At the moment, Zhang Qiaoling's pride has been completely broken up by Ye Chen

Compared with Ye Chen, who in her twenties mastered the way of destruction, was able to fight against the existence of the holy ancestral land, had incredible vitality, and could still fight in the Vietnam War. What could she be proud of?

What else can look down on others?

What is the holy daughter of Qianlei Zong and the genius of Ziling city? It's ridiculous to think about it!

Compared with Ye Chen, Zhang Qiaoling is nothing

Zhang Chi took a breath and looked at Zhang Qiaoling's lost appearance. After a while, he said, "second sister, do you still go to the refining peak?"

Zhang Qiaoling said faintly, "go."

After that, her eyes flashed toward Ye Chen.

Originally, Zhang Qiaoling attended the meeting of Lianshenfeng to help her brother get the spirit of that day. But now, she has changed her mind!

She, want to see, this beat their own God realm boy, in the marriage meeting, whether can still be strong like this!

This meeting has attracted many evil spirits from the whole Xingxuan region to attend, and even more powerful and terrifying than Zhang Qiaoling!

What's more, these people are all accompanied by road protectors. Some of the road protectors around some talented people, but the real old brand strongmen of xingxuan domain, can almost stand on the first and second layers of the pyramid of xingxuan domain!

Originally, Zhang Qiaoling was also accompanied by the Taoist protector of qianlei sect. It just happened that the Taoist protector had some important matters to deal with these days.

She knew that, with Ye Chen's character, it was almost impossible that there would be no conflict. At that time, could ye Chen still win?

Zhang Qiaoling can't help looking forward to seeing ye Chen defeated and seeing ye Chen need to bow his head!

She murmured coldly: "when the time comes, when I am rescued by my girl, can you be so proud?"

Zhang Qiaoling stood up, took a look at Zhang Chi and said, "you go on the road with them."

After that, he returned to his own king of Qinghuang and turned into a green shadow and disappeared in the sky.

Zhang Chi breathed a light breath. To tell the truth, if Zhang Qiaoling asked him to go with him again, he could not refuse.

But in his heart, Zhang Chi wants to follow Ye Chen!

Although Ye Chen hurt Zhang Qiaoling, Zhang Chi is full of gratitude instead of resentment!

You know, at the beginning, Zhang Qiaoling didn't keep her hands. Ye Chen didn't kill Zhang Qiaoling, which was the end of benevolence and righteousness. She gave him face!

What's more, Zhang Qiaoling has always been arrogant and extremely superior. In Zhang Chi's opinion, sooner or later, something will happen. Now she has been treated by Ye Chen for a while. It is a good thing for her talented sister who is extremely proud!

He Zhang Chi is not a fool. Ye Chen, such a demon, will soon step into the realm of the holy ancestor and even mend the heaven!

Ye Chen will surely become the existence of the whole xingxuan region, even the whole outer region and the upper world!

Can he not hold such thighs tightly?

Zhang Chi drives Qinghuang and flies to Ye Chen's side. Originally, some of his flamboyant temperament is completely restrained. His delicate face is full of flattering smile and says: "Mr. Ye, I will be your most loyal subordinate. Let me follow you. I will be your cow and horse, no complaint or regret!"

Gu Han mouth a spasm, this boy, not long ago also said Ye Chen is a liar, coax oneself round and round? How can you flatter your mother in a twinkling of an eye?

Ye Chen also smiles and shakes his head, this pool face pour is thick enough, change a face to become not muddleheaded at all.

However, ye Chen didn't have much antipathy. Although Zhang Chi was the cheapest, he didn't want to face a little, but the essence was OK.

"Thank you, Xuanxian."

Ye Chen said in his heart.

If there was no Xuan fairy, ye Chen could not have won.

He wanted to use the power of reincarnation cemetery, but when he thought of Ren extraordinary's explanation, he could only suppress it.

If you rely too much on the samsara cemetery, it will be very dangerous!

The key samsara cemetery is still trapped in a world taboo!

Let Ren extraordinary so serious, ye Chen must be careful.

Although the seven heavenly leaves can be found in this period of time, it has not moved.

The green Huang under the three people moved and went on towards the refining peak.

A few days later, a towering mountain appeared in front of the three people. This is where the holy peak of xingxuan is located!

Chapter 3480

Gu Han said to Ye Chen, "Mr. Ye, the meeting will start tomorrow. Today, we need to find a place to live first."

Zhang Chi said: "there are many cities around Lian Shenfeng. Let's go to Yunxuan city. It is said that there is a famous dish named" Yunlong naohai "in Baoxiang Pavilion of Yunxuan City, which is very famous in the whole xingxuan area."

Gu Han frowned slightly. Yunxuan city is the largest and most prosperous city near Renshen peak. There is also a delicious dish of Yunlong naohai. I think it will attract many martial artists with a good background?

After all, these days, the evil spirits of the major forces should also come

At that time, if there is any trouble, what to do?

But at this time, ye Chen is nodding: "since so, go to this cloud Xuan city."

For ye Chen, according to the meaning of sword soul xuanhanyu, if you want to have the strength to fight Xuanyuan Mo evil and Mo Xueming quickly, you should look for strong ones to accompany you to practice abroad! Strengthen martial arts and destroy Shinto!

Zhang Chi hears the speech a joy, under the foot green Huang one acceleration, then toward a imposing city falls!

As soon as they entered Yunxuan City, they headed for Baoxiang Pavilion!

Zhang Chi took out a gold card and said with a rather ostentatious smile: "Hey, this gold card is the VIP card of Baoxiang Pavilion. Before I came here, I asked my second sister-in-law to get one for me. Baoxiangge needs to make an appointment, but it's normal to make an appointment. If you want to go in for a meal, you don't know it's going to be a long time. With this gold card, we don't need to make an appointment Go straight in and eat! "

Soon, the three people came to a building incomparably exquisite, gorgeous loft, the plaque of the attic, the three characters of Baoxiang Pavilion were written on the plaque.

Smelling the delicious dishes from Baoxiang Pavilion, the three people were all in spirits!

The waiter at the gate of Baoxiang Pavilion politely smiles at the three people and says, "how many, can I have an appointment?"

Zhang Chi pretended to take out the gold card and said, "we have a VIP card. Can we go in?"

Seeing the gold card in Zhang Chi's hand, the waiter looked respectful and said with a slight smile: "this young master, it's really the right time for you to come. Our Baoxiang pavilion has been booming these days. There is only one empty table left today. Please come inside."

Just as the three of Zhang Chi were ready to enter the Baoxiang Pavilion, a very overbearing man's voice suddenly sounded behind them.

"Well? There's only one table left? Sorry, this table, we'll take it

Gu Han and Zhang Chi smell speech, are face a sink, only Ye Chen is still a pair of strange smile.

Isn't it coming?

That's what he's looking forward to!

Three people turn to go, see behind Ye Chen 3 people, also stand 3 men.

There was a purple gold scabbard hanging from one's waist. It was a very expensive thin sword. He was tall and handsome, standing on the left side.

He stood on the right side of his body, full of flesh and muscles, tall and several points higher than the tall man.

But standing in the middle is a young man who looks on Ji as younger than Zhang Chi last year. He is holding a jade bone fan full of precious Qi. His eyes are full of pride!

The three men looked at Ye Chen and their faces with displeasure.

However, Gu Han and Zhang Chi, who were preparing to break out, could not help but change their faces when they saw these three people! To the mouth of the words, Sheng Sheng swallow back!

Looking at Gu Han and Kong Chi's looks, the displeasure in their eyes became more and more intense.

Zhang Chi's eyes trembled slightly at the young man holding the jade fan. He swallowed his saliva and stammered: "you Are you Zhou Ziji

The young man sneered and said, "Oh? Do you know Ben? "

Gu Han and Zhang Chi look at each other, and the fear in their eyes will turn into substance!

Zhou Zixun, a great swordsman, is hard to know!

This is a monster younger than the second elder sister Zhang Chi, but her cultivation also breaks through to the seventh heaven of the holy ancestral realm!

In other words, Zhou Zixun's potential of martial arts is even more terrifying than Zhang Qiaoling!

However, more famous than Zhou Zixun's martial arts talent is his hegemony!

Jijianzong is one of the most powerful forces in xingxuan region. In fact, its strength is higher than that of qianlei sect where Zhang Qiaoling is. It is famous for its kendo.

And what was Zhou Zixun's tyranny?

It is said that there is a rule in jijianzong that when Zhou Zixun appears in the gate, all the outer disciples of jijianzong should take the initiative to stop and salute Zhou Zixun!

If Zhou Zixun wants to do something, everyone should make way for him unconditionally!

Of course, he does have the capital to be proud.

With Zhou Zixun's qualifications, even if he is tyrannical, unscrupulous and does whatever he wants, jijianzong will protect him!

Why?

Because Zhou Zixun is the most promising demon to upgrade the jijianzong to the power of the moon soul realm for tens of thousands of years! According to Zhou Zixun's potential, in less than a thousand years, he will be able to step into the existence beyond the realm of mending heaven!

What is it to indulge Zhou Zixun for the future of zongmen?

Not to mention, Zhou Zixun is the grandson of the great elder of jijianzong!

This kind of person, the whole xingxuan region has seen a little bit of the world, can't you know?

At this time, the strong man standing beside Zhou Zixun said coldly to Ye Chen: "since you recognize Mr. Zhou, why don't you go away? Waiting for me to invite you? "

The burly man was named yuan qiongtian, while the handsome young man with a thin sword on his waist was named Li Yichuan. Both of them were friends of Zhou Zixun. They had been following Zhou Zixun for hundreds of years, but they also had some fame.

Can follow Zhou Zixun's side, two people's strength, naturally also is not weak at all!

Zhang Chi and Gu Han were so humiliated by yuan qiongtian that they both clenched their fists, and their forehead was full of blue veins, and their eyes were burning with anger!

They are all amazing talents. Before meeting Ye Chen, they have always been talents whose eyes are higher than the top. Now, they are called to and fro like this. Can they not be angry?

Can, even if it is angry, also have to bear!

The strength of our side is not as good as that of the other side!

I can't bear it. What can I do?

Do you want to reason with each other and say that you come first?

In the world of martial arts, strength is the truth!

What's more, with Zhou Zixun's tyranny, do you want to reason with him? I'm afraid, will only let oneself, more embarrassed, even, pay the price!

Yes! Just bear it?

They are really not willing to!

Both of them couldn't help but cast their eyes towards Ye Chen. In their eyes, there was a glimmer of expectation

Perhaps, with Ye Chen's strength, can defeat three people?

After all, ye Chen has given them a sense of omnipotence after defeating Zhang Qiaoling!

However, soon, Gu Han and Zhang Chi shook their heads

In the previous war, they could see that ye Chen was reluctant to win

Facing Zhou Zixun alone, they may not be able to win. Besides, Zhou Zixun has two helpers around him?
