Chapter 3481

As for enhancing our strength in the battle?

This is a joke, a breakthrough in a battle, become stronger, although bizarre, but it is still possible to happen, but, twice in a row?

It's just a dream!

Gu Han lowered his head, patted Zhang Chi on the shoulder and said, "Zhang Chi, let's go. There are many restaurants in Yunxuan city. The Yunlong is making trouble in the sea. We Come again next time. "

Zhang Chi nodded and quietly put away the gold card in his hand. He was about to get out of the door of Baoxiang Pavilion.

Zhou Zixun three people, looking at Gu Han and Zhang Chi's appearance, the disdain in the eye all wants to flow to the ground!

Li Yichuan pondered and said with a smile, "that's right. How good would it have been earlier? Garbage should look like garbage

When Zhou Zixun and Yuan qiongtian heard the speech, they burst into laughter. Zhou Zixun clapped his hands and said, "Yichuan, well said, you have spoken the words of my childe's heart!"

Yuan qiongtian also echoed: "it's a pity that a lot of garbage has no self-knowledge. Only when people trample on the ground can they learn how to make a garbage."

Gu Han and Zhang Chi smell the speech, both of them are physically stagnant, staring at Li Yichuan with bloodshot eyes, just like a wild animal about to go mad!

Ridicule!

Even more severe ridicule!

They have already decided to give in. Zhou Zixun, Li Yichuan and Yuan qiongtian still refuse to give them the last trace of face!?

In this unbridled laughter, suddenly, sounded a indifferent man's voice.

"You two, what are you doing in a daze? Aren't we going to eat in?"

In an instant, the laughter of Zhou Zixun stopped abruptly!

Gu Han and Zhang Chi also looked at Ye Chen in disbelief

What did ye Chen say?

Go in and eat?

At this time, would you like to go in for dinner?

This is a direct warning and threat from Zhou Zixun and others as a fart!

According to Zhou Zixun's character, this matter will never be over!

Two people, straight stunned!

Sure enough, the atmosphere in front of the Baoxiang Pavilion suddenly died down!

At the moment, around, also surrounded by a lot of spectators!

These people, looking at Ye Chen's eyes, are like looking at a fool

In their eyes, the boy of God's realm is over!

The next moment, Zhou Zixun's eyes, suddenly burst out a burst of cold light, incomparably cold and hard to say: "go in? You didn't hear me. I told you to get out of here and let you out? The heaven and God realm is you. I didn't expect that you could be the best one? Don't you see that the two holy ancestral regions are going to roll with their tails in front of me. What are you still loading here? "

Ye Chen glanced at Zhou Zixun faintly, opened his mouth and spat out a few words.

"Come on, some dogs are barking too loud outside."

Around the martial arts, one by one are stunned, just like a stone carving looking at Ye Chen!

Ye Chen, even directly on the Zhou Zixun explosion rude?

Zhou Zixun is so old that no one has ever dared to talk to him?

This extreme contrast, to the stimulation of people, it is like directly in their brains, detonating tens of thousands of nuclear bombs in general!

This day, the boy in the God state really doesn't take his life as his life!

For a moment, even Zhou Zixun was stunned. Some didn't respond. What did ye Chen say?

A moment later, Zhou Zixun's face turned red!

His eyes, like sharp swords, stabbed Ye Chen, his eyes were full of killing intention. His anger almost melted his thinking. He was so crazy that he wanted to smash the whole Yunxuan city with one hand!

He is Zhou Zixun, the ultimate genius of jijianzong. He is very hopeful that he can step into the moon soul realm and write a legend in a wider world and be respected by all people!

In this life, the halo of his Zhou Zixun has always been extremely dazzling and spotless!

But now, ye Chen has become a stain in his life!

He was insulted by a god state!

Even if he was the leader of jijianzong and the elder of jijianzong with the same identity, his own grandfather never scolded him, and even, he was always welcomed with a smile!

"I, will, you, die!"

With a roar of Zhou Zixun, an extremely fierce sword spirit poured out from his body like a flood burst from the dike. Nine sword shaped virtual shadows appeared around Zhou Zixun and revolved around him. Each of the nine swords exuded the ultimate sword spirit!

Many people, see this scene, are pupil contraction!

Nine yuan Guiji sword! Nine yuan Guiji sword with nine swords!

Is this true!?

Is Zhou Zixun's qualification so terrible?

It's too cold to feel the wind! No wonder, these people, will have such performance

It is said that many years ago, jijianzong was also one of the forces in the moon soul domain!

The reason why jijianzong can stand firm in the moon soul domain is that it relies on the secret unique skill created by the founder of the family, the nine yuan Guiji sword!

Unfortunately, although this sword technique is very strong, it also has a high demand for the practitioner's Kendo talent!

Over the past ten thousand years, there have been countless amazing talents and gorgeous people in the school of Jijian. However, no one can cultivate the nine yuan Guiji sword to its present state!

Therefore, jijianzong completely declined. In order to continue the orthodoxy, he had to retreat to xingxuan.

But now, nine swords reappearance, although the strength does not match, but the Daoyun a bit, belongs to the era of jijianzong, is coming!

They seem to have seen that ye Chen is vanishing into slag under the power of nine swords!

But at this time, yuan qiongtian, standing beside Zhou Zixun, opened his mouth and said, "young master, why should you be angry with such a vulgar thing? How can you handle this rubbish yourself? Kill him, dirty your hands! Give it to your subordinates

When Zhou Zixun heard the speech, he looked at yuan qiongtian, nodded slightly, and turned back the powerful sword spirit. He looked at Ye Chen with a haughty look on his face.

Yuan qiongtian is right. This boy is not even qualified to die in his hands!

With a smile, yuan qiongtian had been following Zhou Zixun for so many years. He had already understood his master's idea.

Then, that ferocious face, then appeared a ferocious smile, just like the devil of hell, looking at Ye Chen.

Ha ha, how can he miss such a good thing that he can please Zhou Zixun by killing a waste of heaven and God?

At the next moment, yuan qiongtian stepped directly towards Ye Chen, and a burst of golden light broke out all over his body, flowing on his body surface, just like gold plating on his skin! The terrible pressure of the six layers of heaven in the holy ancestral land actually made the people around him collapse to the ground!

And Yuan yuanqiongtian every step out, the whole Yunxuan City, is a fierce tremor!

It can be imagined that the power of yuan Yuantian was so great that it was so terrible!

In a flash, yuan qiongtian has come to Ye Chen. His eyes narrowed and he sneered at Ye Chen and said, "boy, offending the young master is the death penalty among death crimes. How should I punish you so as to wash away your sins?"

All the people around were looking at Ye Chen with interest, ready to appreciate how frightened and humble he would be when he was faced with the strong man in the six layers of heaven in the holy ancestral realm. However, ye Chen just glanced at yuan qiongtian lightly, and then he made a sudden move!

Compare strength?

The six layers of heaven in the holy ancestral realm must be crushed by him!

In the face of yuan qiongtian, he was too lazy to say more.

Ye Chen's spiritual power is condensed all over his body. The power of the burning stele gathers in the palm of his hand. His right fist burns with fire. The power of breaking the sky roars in the blood. The

extremely strong power surges out and pours on the right fist. Then, he blows out directly towards yuan qiongtian!

Compared with strength, he won't lose anyone!

Just when everyone thought Ye Chen was going to be crushed by yuan Yuantian, an incredible scene appeared!

Yuan qiongtian's expression changed rapidly and became pale. Then, the arm surrounded by golden light broke into pieces in an instant!

The whole Yunxuan city seems to be quiet down!

Suffocate!

The real suffocation, around the martial arts, one by one is to see a ghost in front of this scene, the brain will burst!

Is there something wrong with this?

Why is it that a warrior in the heaven God realm can smash the opponent's arm with one fist when facing the physical training of a holy ancestral realm!

What's more, it's still in the case of yuan qiongtian's all-out effort!

Yuan qiongtian's figure flashed, and he retreated wildly. He yelled: "Li Yichuan, help me!"

As a dogleg, he did not dare to ask Zhou Zixun to take the initiative, so he called Li Yichuan!

At this time, Li Yichuan came back from his astonishment!

Yuan qiongtian and his friendship is not shallow, he will not watch yuan qiongtian die like this!

Li Yichuan had a flash of cold in his eyes, and his sword was like a tornado. His sword fell into his hands without a sound. He held his breath and concentrated, and his spiritual power was refined. In the blink of an eye, his wrist shook wildly. Even Zhang Chi and Gu Han, the martial Arts of the holy ancestral realm, could not see the movements of Li Yichuan's wrist for a moment, We can see how fast the speed is!

Although Zhou Zixun is strong, his speed is not as good as that of Li Yichuan!

Therefore, at this time, Li Yichuan may be more suitable for rescue than Zhou Zixun!

A moment, a thousand hits!

In a flash, Li Yichuan has stabbed out thousands of swords!

Each sword, like thousands of icy needles, shot away at Ye Chen!Not only fast, Li Yichuan, for the control of this sword, but also very strong!

All the people around were stunned!

In a flash, thousands of swords were played, and the control of the sword was so accurate?

The most important thing is that every sword shot by Li Yichuan is not weak!

Gu Han and Zhang Chi, looking at each other, saw the cold and fear in each other's eyes

Li Yichuan, how terrible!

As far as sword cultivation is concerned, its qualification can be regarded as against the heaven!

Chapter 3482

However, ye Chen was still indifferent to the thousands of swords. When he moved, he pursued yuan qiongtian. He didn't care about the fatal sword light!

On that thousand sword awn, about to touch Ye Chen's moment, ye Chen's hand suddenly more than a dark sword!

And then it moved!

Ye Chen's wrist turns, and the sword's intention is surging. The intention of destroying Shinto and Zhenwu turns into a condensed sword and cuts it out with one sword!

This sword is a very fast sword!

Li Yichuan's face changed completely!

Originally, in his eyes, there was only some strange sword. At the moment, it seemed that he had turned into the abyss of death. His blood was cold, and every pore of his body was emitting the smell of fear, and his mind was shaking!

Until now, he just wake up, what ye Chen's sword light contains is the breath of destroying Shinto!

Li Yichuan bit the tip of his tongue and spat out a mouthful of blood essence, which was sprayed on the thin sword. After the sword was stained with blood, a sharp breath of people's soul suddenly burst out!

He looked extremely dignified and said in a low voice, "counter flash sword, kill word Yue!"

In an instant, Li Yichuan seemed to infuse his whole body's spiritual power, blood, spirit, even vitality, Shou yuan and so on into his thin sword in his hand, and the sword that condensed Li Yichuan's whole body energy, in a flash, flew out in a violent wind!

This sword seems to surpass the speed of light!

Zhou Zixun looks at Li Yichuan, his eyes are turbulent, and his sword is one of the three taboo sword techniques in Jijian clan!

Although, compared with his own nine yuan Guiji sword, it can only be regarded as a heresy, but since it is known as the three taboo sword techniques, naturally, it has its horror!

It can melt almost all the energy of sword cultivation, including those potential energy, into one sword. In an instant, it can increase the strength of sword cultivation by at least ten times!

If Li Yichuan, a Kendo genius, practices this sword technique, his power will be stronger, and his instant explosive power can be increased by dozens of times!

We can see how powerful this sword is!

But the next moment, an extreme force of destruction erupted!

Li Chuan's whole body was destroyed!

On the back of all the people, there is a chill!

Is this a man or a ghost?

All of them are looking at Ye Chen with strange faces and even fear!

Human beings are full of primitive fear for the unknown, even the warrior!

And ye Chen, now in their hearts, is the most incredible and mysterious monster in the world!

Even Zhou Zixun, who has been struggling to maintain a stable mood, has completely changed his face at this moment!

Originally, in his opinion, ye Chen is just an ant that can be crushed easily, but now, it seems that the ant has become a cannibal beast!

That kind of reversal, impact, let his brain crack!

At this moment, ye Chen's body suddenly accelerated and appeared in front of yuan Yuantian. His face was cold, and a strong sense of killing suddenly shrouded him!

At this moment, yuan qiongtian seemed to be facing a god of death standing on the corpse mountain made up of countless corpses!

His heart will be cold and broken!

It's a thunderbolt. Ye Chen has a burst of bone roaring sound in his body. His muscles are shaking wildly. Against the sky, he pours into his fists without reservation. He bombards yuan qiongtian like a storm!

In those fists, there is the power that makes the whole Yunxuan City tremble. At the same time, there is a breath of destruction on the fist!

A few seconds later, to our horror, yuan and Li Yichuan were both dead.

At the next moment, ye Chen turned his head and threw his eyes at Zhou Zixun. Just now, he was very angry and wanted to tear Ye Chen to pieces. Now, facing Ye Chen's cold eyes, Zhou Zixun unconsciously stepped back!

Shock!

The unique genius of the extreme sword sect has been completely awed by Ye Chen!

From Yuan Yuantian to Ye Chen, it seems that a lot of things have happened. In fact, it's just a few breaths!

Take a few breaths and kill two martial arts talents with their own strengths. Even Zhou Zixun, he may not be able to do it!

This kid is so weird!

No matter how crazy and domineering Zhou Zixun is, he is not a madman who does not know what fear is!

He was frightened by Ye Chen's performance

Ye Chen said coldly, "Mr. Zhou, are you not going to kill me? Why don't you do it? Yeah? Hurry up, Mr. Zhou. Aren't you going to eat in Baoxiang pavilion? If you don't hurry up, the last table may be robbed? "

Provocation!

Ye Chen, too wild!

In the face of Ye Chen's provocation, Zhou Zixun's intention to kill broke out! Violent power gathering! Ye Chen's face turned pale, come! He needs to improve his martial arts strength now!

Fighting is the best choice! He has been waiting for this moment!

And Zhou Zixun is definitely a better companion!

This time, a sword appeared in his hand!

Ren extraordinary's falling dust and falling dragon sword!

He wants to try to stabilize the first blood month, even touch the threshold of the second blood month!

If it is true to achieve in the battle, in the face of Xuan Yuan Mo Xie, he is absolutely qualified to shake!

At the end of the sword drawing and crossbow stretching, Zhou Zixun looked ugly, but he said nothing!

Silence! Zhou Zixun's killing intention suddenly disappeared!

All of us can't believe that Zhou Zixun, a genius of jijianzong, who is famous for his domineering and powerful power, is actually in front of Ye Chen and counsels him?

Originally, even if ye Chen's strength had reached such a level against the heaven, Zhou Zixun would not really admit that. Why?

Because there is someone behind Zhou Zixun!

It's not about his background, but behind him, where there seems to be nothing, in fact, there is an old man with gray hair and drooping eyes!

This is the protector of jijianzong, named jianlao!

Just a moment ago, sword old suddenly spread a voice to tell himself, let him face Ye Chen's provocation, don't have any confrontation!

What does that mean?

It shows that even jianlao doesn't have confidence to keep himself in the face of Ye Chen, or the forces that may exist behind him!

At the moment, the old man with grey hair hidden in the air behind Zhou Zixun has some turbid eyes staring at Ye Chen.

Sword old breath is extremely terrible!

I don't know the depth!

At least the holy ancestor peak!

It may even be the sky mending!

What is sky mending!

Hole the beginning of heaven and earth, make up for the lack of heaven and earth!

Although Ye Chen's strength is strong now, there is a great gap between Ye Chen and jianlao.

But why did the old swordsman have to endure Zhou Zixun?

To be exact, it is the old sword who found the falling dust and subduing dragon sword in Ye Chen's hand!

He seems to have seen this sword in ancient books!

What the ancient books record are all taboo myths that can't be touched in the whole foreign and upper world!

It's impossible to determine whether the person who once matched Chen's sword is the one in his hand!

If it is that person, the thing behind Ye Chen is too big!

When the man is angry, don't say that jijianzong is destroyed!

The whole territory may be reduced to a sea of blood!

What's more, why does jijianzong exist?

It's because the founder of Jijian sect once observed the sword that the man used abroad and realized the essence of kendo! Shut up for thousands of years, break through the shackles, and establish jijianzong!

Chapter 3483

Ye Chen's eyes naturally notice that the old man is staring at the falling dust and descending dragon sword.

For the falling dust and descending dragon sword, ye Chen just allows the elder to say that it is sealed with the power of blood moon.

And it was once left on Mt. wanshen.

Now it seems that although the falling dust and subduing dragon sword was obtained by ourselves in the kingdom of God, it must have appeared outside the territory.

And the old man is likely to guess the Ren extraordinary behind him through the falling dust and falling dragon sword!

This is by no means a good thing.

Ye Chen doesn't think much about it any more and takes back the falling dust and dragon sword.

What did the old swordsman notice? He did not hesitate any more. He stepped forward and said, "this little brother, the momentum of your sword just now is amazing. Could you let me take the palm of my hand?"

Ye Chen shakes his head and refuses directly!

There is no displeasure.

Even if you are wrong, this son has nothing to do with that one, and this son can never be despised!

The reason is very simple. In his twenties, a man who has cultivated the destructive Shinto to to such a level, and has the medium-term strength of leapfrogging against the holy ancestral realm, the incomparably terrifying power, and the existence of life force against heaven, can be so casually cultivated?

Jianlao, as one of the old monsters of the clan, has far more insight than ordinary martial arts. He knows about the demons in other places outside the country.

He knew how crazy a big family would be in order to cultivate a talented son!

If not, how are the most evil spirits created?

But even those families he knew could hardly find the existence of Ye Chen!

How can old swordsman not be frightened?

Originally, although he was the protector of Zhou Zixun, yuan qiongtian and Li Yichuan were also the genius of jijianzong!

So dead, he is also extremely heartache, but, still live to hold back, did not hand!

Is afraid to offend the existence behind Ye Chen! And the legendary man!

When ye Chen and Zhou Zixun were against each other, he vaguely felt that the young man was somewhat strange, so he secretly ordered the people of jijianzong to investigate Ye Chen's background

And now, the news has come back

The intelligence network of jijianzong can't find out anything except ye Chen from Xuanjin city!

From the experience of Jian Lao, we can see that this identity is fake!

But ye Chen, why do you want to hide your identity? Why can't you find anything in jijianzong? It seems that ye Chen, such a terrifying evil spirit, did not exist outside the territory before?

In his opinion, the most reasonable explanation is that ye Chen is a disciple of a large family!

And the power that can cultivate Ye Chen is absolutely beyond the reach of jijianzong and even the whole xingxuan realm!

Of course, he misunderstood these

Ye Chen began to practice martial arts. He never relied on any family or background

But himself!

If you let the old swordsman know about it, I'm afraid his chin will fall to the ground

Even if there is a very strong family support, ye Chen can be said to be an amazing monster, and if only relying on himself, he has come to this step?

That's not what ordinary people can do

Looking at Zhou Zixun's appearance, ye Chen didn't take an inch. He could feel the existence of the Taoist protector behind Zhou Zixun. In such a state, even if he had a reincarnation cemetery and sword soul, there was no small risk to him.

Since Zhou Zixun has bowed his head, that's enough.

Of course, if Zhou Zixun wanted to die, ye Chen would not really be afraid of anything.

The next moment, ye Chen turned around and walked into Baoxiang pavilion with Gu Han and Zhang Chi, who were petrified.

Not far away, Zhou Zixun looked at the back of several people, and his eyes showed a look of bitterness!

When did he suffer such injustice?

No matter what the reason is, if there is a chance, Zhou Zixun must let this boy pay for today's affairs!

After ye Chen and his three men entered Baoxiang Pavilion, a woman standing in the crowd also said with some doubts:

"how could Zhou Zixun be so counselled? Even if he thinks his strength is not as good as that boy, isn't there a protector behind him? "

This girl is Zhang Qiaoling!

She also came to this Yunxuan city. Originally, she saw Ye Chen in conflict with Zhou Zixun. She also wanted to see what ye Chen would do when facing the protector of jijianzong!

Hum, when the time comes, the boy will have to bow his head in front of himself and ask her to help him, right?

Unfortunately, to her surprise, Zhou Zixun counselled.

At this time, a middle-aged woman standing next to Zhang Qiaoling, dressed in white, still in charm and without a trace of breath all over her body, her eyes flashed slightly and said, "linger, do you know that young man? Do you know his origin?" Zhang Qiaoling looks at the middle-aged woman beside her. In her beautiful eyes, there is a color of surprise. Aunt Ming never cares about these things. How could she ask Ye Chen?

This middle-aged woman is the protector of qianlei sect.

However, Zhang Qiaoling still replied: "he It seems to be from Xuanjin city. "

"Xuanjin city?"

Aunt Ming frowned slightly, but soon she stretched out and said to Zhang Qiaoling, "Qiaoling, if you have a chance to get closer to this young man, I have probably guessed the reason why Zhou Zixun would admit his advice in front of him."

Zhang Qiaoling can't help but look at Aunt Ming and get close to Ye Chen?

Aunt Ming, could she say such a thing?

On weekdays, even if she is the favored one among the big powers, she will stop her from getting close to her. Now, she lets herself get close to Ye Chen?

Aunt Ming looked at Zhang Qiaoling's expression and said with a smile: "the origin of this young man may not be simple."

Obviously, aunt Ming and Jian always want to go together

At the moment, in Baoxiang Pavilion, ye Chen is enjoying the cloud dragon making the sea!

The cloud dragon is supposed to be made of some kind of monster meat containing dragon blood. It is fragrant. Once it is eaten, it will turn into a surging aura and pour into all kinds of bones. The remaining dragon power in the food materials shakes the mind. It seems to see a looming dragon in the clouds!

Ye Chen nodded, very satisfied.

.....

When ye Chen and others are having dinner in Baoxiang Pavilion, there is an attic in the quiet bamboo forest somewhere in Lianshen peak. On the second floor of the attic, there is a man with elegant temperament and a brocade robe embroidered with green bamboo patterns. He is drinking tea, and the rich fragrance of tea permeates all around.

At this time, he raised his eyebrows and said with a smile, "Oh? Zhou Zixun is trampled on? I'm a little surprised. Is the information accurate? "

, a cool looking woman standing in front of him, nodded, "yes, master, you let me notice if there are any interesting things happening in the cities around. So, the slaves have already arranged the eye liner in the city of cloud and Yucheng, and this is what the maidservant just got."

"It's kind of interesting."

The man in the brocade robe said with a smile: "although Zhou Zixun is nothing in my eyes, he is also a good genius in the xingxuan area?

Originally, I just wanted to attend the meeting and have fun. Now it seems that the meeting may bring me some surprise.

Who did it? Have you found out? "

The beautiful woman replied, "reply, young master, according to the investigation of the maidservant, this man is from Xuanjin City, but this should be his false identity. As for the specific origin, I have not found out. This person simply does not exist..."

Chapter 3484

Jin Pao man's eyes flashed slightly and said, "I can't find out the relationship of Zhan's family? It seems that the boy named Ye Chen is not the disciple of those old monsters who live in seclusion in the mountains, but he is the son of a big family. "

He tasted the Lingcha in his hand, and didn't seem to care much about it: "since he only appears in the xingxuan region, that is to say, the influence behind him is nothing more than that. It is not worth mentioning in front of Zhan's family outside the territory."

The beautiful woman agreed: "what the young master said is very true."

Obviously, the man in brocade also came to attend the meeting. However, the meeting has not started yet, but he has directly entered the refining peak!

You know, in order to ensure fairness in the meeting, Lian Shenfeng closed the mountain gate directly during this period of time. Even the evil spirits of the powerful forces in xingxuan domain could not go to the mountain. The major forces in xingxuan region basically acquiesced to such rules, which is why Zhou Zixun appeared in Yunxuan City.

But the young man is now in the refining peak!

In other words, its identity has been strong enough to ignore the rules of the whole place!

This young man, named Zhan you, is the second son of the Zhan family.

The Zhan family is a family of the moon soul domain!

The main body outside the territory is divided into four domains! They are xingxuan, yuehun, Yangzhen and Tianren!

The more to the back, the more terrifying the strength and sphere of influence of its warriors!

And the heaven and man domain is a foreign taboo!

Even the emperor yuan hall and the queen of the upper world can not intervene in the affairs!

Even if several forces in the moon soul domain come to xingxuan domain, they are comparable to the first-class forces!

Just the name of the Zhan family is enough to make the whole xingxuan area tremble for it!

To tell you the truth, Zhan you wants Jin Shuhui, but it's just a matter of one sentence. The reason why the meeting is going to be held is that Zhan you wants to see what the so-called xingxuan evil spirits are.

It's like a tiger mingling with a flock of sheep.

While drinking tea, Zhan you's eyes twinkled with cold light, like a hunter staring at the prey.

.....

The sky is clear and the wind is smooth. On top of a huge peak that goes straight into the sky, there are dragon carts and Phoenix driving from time to time, and the dazzling Rainbow Falls. Today, it is the day of refining Shenfeng to recruit a bride for the Xuannu Jin Shuhui!

Ye Chen, Gu Han and Zhang Chi also came to the refining peak. After handing in the invitation cards, they were led to a hall on the top of the mountain by the disciples of Lianshen peak.

At this time, the hall decorated with lanterns and red embroidery, a festive atmosphere.

The table is full of all kinds of spiritual fruits, spirit wine, cakes, dishes, and young people with good temperament are talking and laughing with each other.

Ye Chen and his three men stand in an inconspicuous corner of the hall. Ye Chen looks at all these things coldly. Lian Shenfeng has made great efforts for this marriage meeting.

Just then, a young man with pale face, floating feet and gorgeous clothes appeared at the entrance of the main hall. The hall, which was originally noisy, was quiet for a moment. All the talented men with pride on their faces changed into a pair of smiling faces and said, "young master an, you are here."

"Ha ha, I knew that brother an was also interested in the Xuannu of Shenfeng, so I would not join in the fun."

"Since Mr. an has appeared, it seems that we have no hope."

On hearing this, young master an laughed, but he did not refuse to flatter everyone.

Zhang Chi, next to Ye Chen, whispered: "elder brother ye, this man is an Zai Yi, and his strength is average. However, you can't underestimate it. Although the strength of an Jia ranks the last among some big forces that have come this time, it is also a famous family.

More importantly, Anjia has mastered a very high Xuanyuan stone vein! In terms of financial resources, settling down in the whole xingxuan region is one of the few! "

Zhang Chi then pointed to a man standing alone in the corner, looking a little gloomy, like a snake: "that man, named Zhao Bin, has cultivated into the seven layers of heaven of the holy ancestral realm, but it is said that his actual strength is more than that of the same level!

Although Zhao Bin is just a casual practitioner, he has no family and no school. As everyone knows, Zhao Bin is a close disciple of a reclusive old monster. Even if he is a first-class force, he is not willing to provoke him!

What's more, it seems that Zhao Bin's foundation has been damaged in the cultivation of poison skill, which is extremely necessary for that day's spiritual power. "

Ye Chen nods slightly, Zhang Chi is introducing him to the hall, those worthy of attention.

All of a sudden, another figure appeared at the door. People looked at the man for a moment, then their eyes showed a look of fun.

This is Zhou Zixun.

Zhou Zixun looked at the people's eyes and snorted coldly. He went to a place and sat down.

The news that he was trampled on by a God in Yunxuan city has been spread all over the world, which has greatly reduced Zhou Zixun's reputation in the circle. However, with his strength and status, no one dares to make a mockery of him. The meeting is about to start, and the people who should come are almost there. But at this time, a man in brocade, with a beautiful woman, slowly stepped into the hall.

On the brocade robe, embroidered with green bamboo, is Zhan you!

All the people in the hall frowned at the man in the robe.

What a show this guy is?

Don't you see that these young talents who are famous in xingxuan area all arrive early, but he comes late?

You look so good?

So many people are waiting for him?

But at the moment, none of these arrogant talents came forward to question Zhan you, not because they were broad-minded, but because they could not see through Zhan you's strength!

At this time, when Zhou Zixun saw Zhan you, he was inconceivable. At the next moment, he strode to Zhan you with ecstasy and saluted him respectfully: "you are less. How did you come here?"

When they saw this, they were surprised. In the past, Zhou Zixun, who was extremely domineering in the past, even took the initiative to salute others, or was this attitude of self degradation?

Zhan you light smile, did not pay attention.

Zhou Zixun is not qualified for him.

The reason why he met Zhou Zixun was that he had spoiled Zhou Zixun's sister a few years ago.

Although he didn't give his sister the title of a concubine's room, it was enough for the Zhou family to be overjoyed!

They are in a relationship with the family of the moon soul domain!

Zhou Zixun also from that time on, more and more arrogant.

Zhan you looked at Zhou Zixun and said, "I heard that you were trampled on?"

Zhou Zixun's face changed, but he still nodded.

"Who is that person? Has he come to this meeting?" he asked

When Zhou Zixun heard the speech, his face showed the color of ecstasy. He was worried about the boy?

Immediately, his eyes swept across the hall. Soon, he found Ye Chen in the corner. Zhou Zixun's eyes twinkled with bitterness. He almost pointed to Ye Chen and said, "worry less, that's the boy!"

Zhou Zixun stares at Ye Chen with a cold smile.

Hehe, boy, aren't you crazy? Now, be less concerned about, even if your background is strong, all useless!

Zhan you glanced at Ye Chen with a smile in his eyes.

It's really the heaven?

Although Ye Chen conquered two talents of the six levels of heaven in the holy ancestral realm, he still completely crushed him. However, the martial arts of yuehun domain were one level higher than that of xingxuan domain. In Zhan you's opinion, it was just the martial arts of xingxuan realm, which was too weak to explain anything.

At this time, a woman in a white robe appeared in the hall, with several men and women around her.

The woman looked about thirty years old. Her temperament was cold and her appearance was beautiful. However, she showed a kind of old-fashioned manner.

Obviously, the woman's age, even in terms of the warrior's Shou yuan, is already very old. She only used some special means to maintain her appearance.

This daughter, named Song Ziqing, is the God of refining peak! A few years ago, on a trip to the secret realm, the cultivation fell to the eighth heaven of the holy ancestral realm!

After the holy ancestral realm, each level has a huge difference!

Seven layers of heaven and eight layers of sky, although only a small realm!

But many practitioners have to spend thousands of years to cross!

Even some people, life can not cross!

Moreover, because of the difference of aura and gravity, there is a big difference between the holy ancestral realm of the kingdom of God and the holy ancestral realm of foreign countries!

And in Song Ziqing's side, there are two men and two women, they are all the elders of refining God peak.

Refining Shenfeng, some prestige around, these people, naturally will not be weak!

And the big elder Zhou Hong, the second elder Li Changxin, the Third Elder Chen Ying, the fourth elder Xu Xiaofang, are all very strong!

And in a few people, there is a beautiful woman, eyes dull, like a walking corpse in general, in the traction of a few people, into the hall!

That woman, of course, is Jin Shuhui!

Although Jin Shuhui's condition is not normal at this time, everyone is still shocked by her appearance!

Even, originally a pair of indifferent look Zhan you, is a bright eye!

As Zhan you, you can play any woman you want!

But, his vision is extremely high, can be really looked upon by him the woman, few just!

But now, Zhan you is in love with Jin Shuhui!

In xingxuan domain, the woman he likes will definitely get it.

Song Ziqing said with a smile: "everyone, you are the most favored children of xingxuan region, with unlimited potential. Now, we can come to our refining peak for the sake of Shuhui. As the God of refining peak, I feel very honored. Well, there will be no more nonsense. Now, the wedding ceremony officially begins!"

"The rules of the meeting are very clear to all of you. Those who give the most betrothal gifts will get Shu Hui, who will refine Shenfeng with me and become relatives. Is there anyone who is interested in it?" As soon as this was said, the hall was filled with excitement. The talented children were obviously looking forward to the beauty. What's more, there was spiritual power as dowry on that day, isn't it?

Chapter 3485

Immediately, a blue robed man could not wait to stand up. With a wave of his hand, a long sword was suspended in front of him. On top of the sword, a strong and sharp breath was blooming. Even though most of the warriors present were in the holy ancestral land, they could not help but feel cold in their hearts!

Song Ziqing looked at the sword and was excited in his eyes!

Ancient ware, Jue ware, Dao ware, imperial ware Nine points each!

And the sword in front of us is the third class emperor's tool!

Good sword!

There are many imperial wares in this area, but most of them are first-class and second-class, and few are third-class!

Even better than song Ziqing's own sword!

The blue robed man, with a proud look on his face, said, "my betrothal gift is this sword!"

For a moment, the whole hall was silent.

Song Ziqing nodded with satisfaction and said with a smile, "yes, which child would like to become Shuhui's husband?"

Ye Chen looks at Song Ziqing, and his eyes become colder and colder. The God of refining Shenfeng really regards Jin Shuhui as an item at auction!

Don't treat Jin Shuhui as a human being at all?

However, ye Chen felt that the sword was ordinary.

After repairing the falling dust and descending dragon sword, it should be higher than this sword, let alone contain the power of blood and moon!

Although shajian was almost at the level of Dao tool at the beginning, it should be higher than this sword at present with the release of seals and absorption of other people's power!

Even all the seals of Sha Jian have been untied, which is absolutely beyond the nine grade emperor's ware!

Ye Chen's eyes fall on Jin Shuhui. Jin Shuhui, at the moment, is imprisoned because of her body's restraint attack, her whole body's spiritual power, not to mention resistance. She can't even speak. Her limbs are no longer under her control and can only be a puppet at the mercy of others.

Jin Shuhui's beautiful eyes are full of despair and desolation.

She was accidentally exiled to the upper world, but finally she was taken in by Lianshen peak of the extraterrestrial Xuanyu. She had a great deal of gratitude to her sect, master, God, and a number of elders and peers

Jin Shuhui has made the refining peak his second home! She can even die for the sake of refining the spirit peak!

But

Since she got the divine power and was seriously injured, she returned to Lian Shenfeng, and what she got was not care and maintenance, but betrayal and betrayal!

In the past, the amiable God turned into a devil who pushed her into hell at this moment!

Song Ziqing not only did not heal Jin Shuhui, but took advantage of Jin Shuhui's serious injury and was unable to resist, he directly launched the Xuannu ban, and then released the news that a marriage conference would be held!

Jin Shuhui's heart was cold and frozen. She didn't expect that in the eyes of her relatives, Jin Shuhui was just an object that could be exchanged for benefits

Jin Shuhui's heart is dead. She doesn't care about everything that happens all over her. She doesn't find Ye Chen standing in the corner.

Song Ziqing took a look at her, close to Jin Shuhui's ear, and said with a sneer, "Shuhui, don't blame me. Who told you to cause so much trouble for the clan?"

And at the beginning, it was not my refining peak who took you in. How could you have a foothold in the outer world and the upper world? Now, it's time to give back to the family. "

When Jin Shuhui heard this, her pretty face turned white. She closed her eyes slowly. Her tears slipped from the corner of her eyes.

At this time, another white haired man stood up, holding a brocade box and said, "I'll give you 100 holy ancestor level Xuyuan pills!"

The next moment, the man opened the brocade box, a strong smell of medicine, filled the mountain top!

All the people in the hall were shocked. The man in blue looked at the white haired man with ugly face.

Xuyuan pill is a kind of elixir which can improve the cultivation. Even the martial artists in the later period of Shengzu territory can use it, which is of great value!

And this white haired man, one shot is a hundred?

The value of one hundred Xuyuan pills is far beyond the sword in the hands of the man in blue robe!

Blue robed man's eyes, full of unwilling color, but in the end, or can only cold hum a, sit down.

And song Ziqing is a great joy!

Good, very good. It seems that the harvest of this meeting is far beyond her expectation. Just at the beginning, someone has given out 100 Xuyuan pills?

If you get these pills, their accomplishments can be improved to a small level, right?

And

Song Ziqing, a young man in brocade who was sitting on the table drinking tea with a pale face, had a look of great expectation in his eyes.

This is the child from the moon soul domain. He hasn't made a move yet!

If he ascends the mountain, he wants to see the book!

"200 holy ancestor level Xu Yuan pills!"

"Three hundred thousand year old wufengcao, plus ten Longfeng bailing pills!"

"200 holy ancestor level virtual yuan pills, plus 100 holy ancestor level magic elixir!" Bursts of treasure gas, rippling in the hall, at this time, a man stood up, light way: "a thousand holy ancestor level Xu Yuan Dan."

The whole hall is in a dead silence!

What did the man say?

1000 Xu Yuan pills?

The value of each Xuyuan pill is on top of the five million yuan stone! A thousand, that means five billion yuan stone. It's not as big as this?

But when the public can see clearly who the speaker is, they will know that there is nothing wrong with them in this meeting.

The one who speaks is in righteousness!

Although an Zai Yi's strength is general, the main reason for this meeting is the background and financial resources!

The background of settling down is strong enough, and the financial resources are not comparable!

An Zai Yi has a smile on his face. Although Xu Yuan Dan is precious, it is not something that can't be bought. The 5 billion yuan Xuan Yuan Stone is not a small amount for an Jia, but it is still within the scope of an Zai Yi's bearing.

When an Zai Yi thought that the victory was in hand, a hoarse voice sounded in the hall.

"Two thousand yuan."

Zhao Bin, who has been silent, spoke.

At the same time, he also slightly narrowed his eyes, coldly looking at an Zai Yi, full of the smell of threat.

On this day, he is bound to get spiritual power!

An Zaiyi shudders all over, but Zhao Bin is a crazy man! If he really annoys him, he may be desperate to fight against himself

After hesitating for a moment, an Zaiyi finally sat down.

No matter how good the heavenly spirit and spiritual power is, life is not important. This time, although the strength of the family worship he brings is higher than that of Zhao Bin, Zhao Bin's poison skill is too strange. If he really tries his best, the sacrifice he brings may not be able to protect himself.

Just when everyone thought that Zhao Bin was going to take the beauty home, the beautiful woman sitting next to Zhan you stood up slowly, looked at Song Ziqing and said, "a real extreme pill."

For a moment, the whole refining peak seemed to tremble slightly!

This time, even song Ziqing could not hide the shock and ecstasy on his face!

Zhenji Dan, but it's a miracle medicine of half step tonifying the sky!

There are not many stars in the whole xingxuan region!

What's more, Zhenji pill is an elixir that can make great progress in cultivation!

If she got a Zhenji pill, her accomplishments could be improved several small realms at once?

A congenital aura that she can't get and can't keep, in exchange for a Zhenji pill, this business is worth, it's really worth it!

The most important thing is that the young master of the Zhan family really did it! If she holds the leg of Zhan's family, is she afraid that she can't rise?

Chapter 3486

Zhao Bin took a gloomy look at Zhan you and said in a cold voice, "brother, this day's spiritual power is of great use to me. I don't know who you are, but I advise you that you'd better not move what I like, understand?"

"Bold!" Zhou Zixun stood up abruptly and said, "Zhao Bin, what kind of thing do you think you are? Dare to talk to you so much?"

Zhao Bin's fierce and fierce color flashed: "Zhou Zixun, do you want to start for this boy?"

"Come out?"

Zhou Zixun heard the speech, but he laughed and laughed sarcastically: "Zhao Bin, I am not qualified for worry less, do you know, where does worry less come from?"

"Worry less, from the moon soul domain!"

As soon as the voice falls, the sound of cool air is falling one after another!

Moon soul domain!

For ordinary warriors, it may be just a name, but for these talented monsters full of potential, it is not the same!

Most of them know something about the moon soul domain outside the territory, so they know more clearly how terrible the power of the moon soul domain is!

The forces from the moon soul domain are all the existence that need to look up to!

Even Zhao Bin's body trembled. The fierce color in his eyes melted in an instant and became a strong fear and regret!

He took a look at Song Ziqing. He saw song Ziqing, but he looked indifferent. He seemed to have known Zhan you's identity for a long time. His heart sank to the bottom of the valley!

He knew that what Zhou Zixun said was true!

The next moment, Zhao Bin gnawed his teeth and knelt down directly to Zhan you! In front of these young talents, kneel down!

In this way, he Zhao Bin can't get along in the upper circles, but even so, he still chooses to kneel down!

Zhao Bin lowered his head and said respectfully: "I'm sorry, sir. Just now, villains have offended many people. Please forgive me!"

Zhan you drinks tea as if he didn't hear Zhao Bin talking

Zhao Bin, however, could only kneel and said nothing.

After a moment, Zhan you just light way: "leave a hand, roll."

Just because a sentence slightly offended Zhan you, he asked others to leave a hand?

However, Zhao Bin seems to have got some kind of gift, and he thanks Zhan you with joy. I don't know how kind Zhan you is!

At the next moment, Zhao Bin cut off one of his arms without hesitation. With a movement of his body, he walked out of the hall and disappeared into people's view.

People swallow saliva and look at Zhan you with deep fear in their eyes

In a word, he asked for the hand of a holy ancestral land, the youth from the moon soul domain is too terrible!

Ye Chen's eyes are dignified.

There are more strong people here than he thought.

How can he save Jin Shuhui from leaving?

The God refining peak master is not what he can shake.

With the help of the sword spirit, he should fight against the seven layers of heaven in the holy ancestral realm.

When ye Chen doubts, the reincarnation cemetery is a vibration!

The three people's voices sounded faintly: "apprentice, we three ancestors of the yellow spring water, can give you strength!"

Ye Chen one joy, the vision falls on three people body!

But soon, he was depressed!

The strength of the third ancestor of huangquan is good!

But if you give yourself strength, the distance will be closer!

Besides, it is not enough to solve the situation in front of us!

At this time, let Ye Chen's surprise is that the seven stone tablets of the samsara cemetery vibrate one after another!

Seven shining lights!

Seven people appeared in front of him!

It is the Seven Saints of heaven!

Ye Chen was completely shocked this time. It was the first time he saw so many great powers!

The key is that these seven people can be activated. Why didn't he feel it at all?

However, the seven men repeatedly arched their hands: "we have seen the reincarnation Lord of the Seven Saints of heaven!"

At this moment, ye Chen is confused!

In the past, the powerful temper of samsara cemetery is extremely strange!

Now these seven people should take the initiative to see him?

And you know who he is?

"Lord of reincarnation, when you broke through the gods and fought against thunder robbery, we have already appeared, but we will soon return to the stone tablet, and you will not notice it!"

"This time, it seems that it is difficult for us to see the reincarnation master. Anyway, we are willing to take the initiative."

"The seven of us have a special skill, which is suitable for refining Shenfeng."

Ye Chen Mou son one Xi: "how to say this word?"

Among them, Wen Sheng stepped out and arched his hand and said, "under the refining peak, there seems to be a heaven gathering spirit stone, which has the power of heaven."

"I'm afraid the first peak master of refining Shenfeng made the mountain protection array with this stone."

"And one of the seven of us can absorb the power of the spirit gathering stone of the heavenly way, give part to the reincarnation master, and suppress others present." "But it will take some time."

"What's more, after that, the cost will be huge and even damage the foundation. The reincarnation Lord can consider..."

However, before Wen Sheng's words were finished, Ye Chen said, "don't think about it."

"Seven elders, with your help this time, I have a better chance of winning."

At this moment, Ye Chen's body contains invincible momentum, just like the reincarnation master of the previous life, majestic atmosphere and supreme majesty.

When the Seven Saints of heaven saw Ye Chen, his face changed slightly and his eyes were excited. All the rules of the road around him were in shock. All the Golden Lotus fell down and they all looked at Ye Chen with their fists.

"We are honored to be able to help you." Wen Sheng looked at Ye Chen and said in a loud voice.

"I'm so proud of you. It's my good fortune that I can get help from seven elders." Ye Chen said quickly.

In the outside world!

Naturally, Song Ziqing didn't know about the time of the reincarnation cemetery. She didn't want to wait for a second. She said happily: "In this case, then, Shuhui may be allotted..."

But the words have not finished, a big drink, but like spring thunder in general, in the hall exploded!

"Wait!"

The crowd looked in the direction of the voice, and it was Ye Chen who spoke.

Song Ziqing looked at Ye Chen coldly and said, "who are you? Is this a place where you can be presumptuous. Get out of here

She is about to take Zhan's thigh. At this time, a boy from heaven's realm is running out to make trouble?

This makes the snobbish song Ziqing, how can not be angry?

Ye Chen didn't care about song Ziqing's anger, and said with a smile, "if I say, I have a more valuable gift?"

More expensive gifts?

People look at Ye Chen, the eyes are incredible!

What's more valuable than Genji Dan?

So, there are only real top-level magic weapons, pills, martial arts and so on?

Any one of these things can make the first-class forces envious!

Song Ziqing's expression, this just relaxed a minute, incomparably excited ground asks a way: "what is it?"

Ye Chen gazed into song Ziqing's eyes and said only one word.

"Life!"

"Life?" Song Ziqing smell speech, eyes, flash thick disdain!

She said coldly, "this seat does not need your life, your life, also has no that kind of value!"

Waste is waste. There's nothing you can do with it, right? Unexpectedly, you want to exchange your life for the spirit power?

In Song Ziqing's opinion, ye Chen is not worthy! Not at all!

But at the next moment, ye Chen said again, "who said it was my life?"

I'm talking about your life! Are you satisfied with such betrothal gifts? There should be nothing more important than life? "

Chapter 3487

For a moment, the people on the refining peak felt that their brains could not turn around

Want song Ziqing's life?

What does that mean?

When Jin Shuhui saw Ye Chen, she flashed an incredible look in her beautiful eyes, and then she was ecstatic!

It's like a drowning man who catches the last hope!

Ye Chen, in her most need of help, appeared!

Just when people were still thinking, and even thought that they had heard the wrong thing, a great sound came through the hall!

"Bagua Tiandan skill! Fahua is dead! Tianlong eight gods sound

The map of eight trigrams looms behind him, and the light of Buddha is enveloped. The notes of Hongmeng fly out with the strong air of Hongmeng.

And then the spirit and killing suddenly burst out of Ye Chen's body!

A long black sword appeared in Ye Chen's hand, and he actually made a direct hand! Not even a chance to speak to song Ziqing!

Hongmeng ancient method, the body of the heavenly demon, the formula of burning blood, and the power of breaking the sky, are all used!

Even, there is a strange breath on the evil sword, even the power of Xuanhan jade is used!

Ye Chen does not reserve this sword!

The intention of destroying the sword, like the wind of hell, swept over the whole refining peak. All the warriors in the hall looked at Ye Chen as if they had seen a ghost. Even Zhan you's eyes were full of shock!

Ye Chen's sword is very terrible, but what people can't believe most is that ye Chen, a boy in the heaven God realm, has taken the initiative to refine God Feng?

Is this guy suicidal?

Song Ziqing's pupil, crazy contraction, but, in the face of this as if the world can be chopped into a sword of nothingness, she did not have the slightest intention to retreat!

Song Ziqing held a long ice blue sword and said with a sneer, "what do you dare to do to me

The absolute power burst out, and song Ziqing murmured: "Shenfeng sword!"

A powerful sword came suddenly, and in this sense, the whole refining peak seemed to have come to life, as if it had turned into a supreme sword pointing directly at the sky. In a flash, people in the hall felt that there was a huge sword in front of them!

A huge sword, which can sweep the world, lies between heaven and earth!

And they all look very small in front of this huge sword!

These evil spirits in the holy ancestral realm, however, are all looking at Song Ziqing with fright at the moment!

The God of refining Shenfeng is too strong! I was seriously injured in those days, but now the eight layers of heaven in the holy ancestral realm still has such power!

If there is no protector, song Ziqing's sword is enough to kill most of them!

Song Ziqing sneered, and his eyes were full of fun. This Shenfeng sword is the Zhenzong martial art of refining Shenfeng. Only the gods of all ages are qualified to practice it!

Shenfeng sword is originally a very high level of martial arts, but its most powerful point is that if it is used on the refining peak, it can produce several times the power!

At the next moment, a huge, magnificent and heavy sword light burst out from Song Ziqing's ice blue sword and shot at Ye Chen!

In the blink of an eye, song Ziqing's sword light and ye Chen's eyes, which are like the God of destruction, collide with each other!

Two lights, tearing each other, light interwoven space, instant fragmentation, countless dark cracks, spread rapidly, the whole hall, are tending to collapse!

If not for the suppression of many road protectors present, the hall would be turned into dust in the aftershocks!

Finally, the sword that ye Chen cuts out is broken under the impact of the Shenfeng sword. Although the Shenfeng sword is dim, it still hits Ye Chen!

With a loud bang, the blood mist burst from ye Chen's body surface. His whole body, like a broken kite, was blown upside down by song Ziqing's sword, smashing a huge stone outside the hall into pieces!

Gu Han and Zhang Chi, both faces changed!

Ye Chen's ultimate sword was defeated?

Broken by song Ziqing?

And Jin Shuhui, beautiful eyes also emerged a thick color of worry!

She found that ye Chen's strength has become stronger again!

Can, even now ye Chen, face song Ziqing is still too reluctant!

Moreover, its strength can soar on this refining peak!

With a sneer on his face, song Ziqing said sarcastically: "with my life, do betrothal gifts? Hehe, can you take my life with you? "

She slowly put away the long sword in her hand. In her opinion, ye Chen had no chance to survive after she had hit her all-out sword.

And all the people present were smiling, thinking the same as song Ziqing.

Zhan you shook his head, only as a clown jumping beam.

Zhou Zixun was ecstatic!

Originally, he was still thinking about how to let Zhan you, to Ye Chen, unexpectedly, the boy himself jumped out to find death! But at this time, the boulder was smashed, the formation of soil gravel, suddenly, a strange sound came out!

Yeah?

The whole hall, for a quiet!

All the people in the hall could not help holding their breath and staring at the gravel.

What did they hear just now?

Under the people's gaze, a figure suddenly jumped from the soil and gravel and fell in front of the hall!

The man was covered with blood. There was a ferocious sword wound on his shoulder. He almost took off the whole arm, but he seemed to be nothing!

Not ye Chen, who else!

The most frightening thing is that the sword wound on the shoulder is healing at a very fast speed!

This is a blow from the eight layers of heaven in the holy ancestral land!

Can it heal?

Many demons have heard of Ye Chen's battle in Yunxuan city. They all know that he has strong vitality, but unexpectedly, he is strong enough to resist the existence of one sword on the eighth floor of the holy ancestor

Ye Chen, once again refreshed their understanding of vitality!

"Coming!" Zhang Qiaoling stares at Ye Chen, and shows a slightly excited look on her pretty face!

She knew that what ye Chen was really afraid of was not the vitality against the heaven, but

The next moment, ye Chen, let's go again!

Thirty three Tianhong Mongolian law! The meaning of Zhenwu swept the whole mountain of refining spirit in an instant. Everyone felt the momentum of cutting through the blue sky!

On the Sha sword, the breath of destruction almost turned into substance. The surging spiritual power was surging in the air. People could not believe that the man in front of him was actually a warrior in the heaven God realm!

Ye Chen wields the evil sword with the force against the sky. The wind pressure is frightening. The dark flame burns on the surface of the body and bursts out the energy contained in the blood. The formula of mietian sword is put into practice. It blows out a world shaking sword against song Ziqing!

This sword also uses a trace of six samsara methods!

Ye Chen doesn't dare to use too much, otherwise xuanjiyue and emperor yuan hall will definitely realize their existence!

"Three ancestors of huangquan, three masters, give me strength!"

"The Seven Saints of heaven, let's go to the heaven's spirit gathering stone of the refining peak!
Suppress the crowd, gather me

There is a roar in the samsara cemetery!

This is Ye Chen's only qualification to fight against the public!

He has a samsara cemetery!

Although let him use the samsara cemetery less, but at the moment, he has no choice!

With the power of terror, it is like a Warcraft born in the sky, roaring at Song Ziqing!

Han Qing, she didn't expect to die in changzichen's hand.

But not dead, so what?

It's rolling again. Can this boy get up after being crushed 100 times and 1000 times?

But just as song Ziqing was ready to take out his sword, he could not help frowning and staring at the flash of the sword. In his eyes, there was a trace of doubt.

Indistinctly, she actually felt that the power of refining God peak to her blessing began to weaken?

Even the blessing of Lianshen peak seems to flow from the bottom of the earth to Ye Chen?

What's more strange is that ye Chen's sword is stronger!

What the hell is this?

Is Ye Chen the real God refining peak master?

Chapter 3488

Normally speaking, ye Chen is injured. Even if he can recover, his strength will inevitably be affected. Even if he is not affected, he cannot suddenly become stronger?

However, song Ziqing did not care too much about it. After mastering Shenfeng sword, she had absolute strength!

Just a boy in the heaven God realm, how strong can he be?

It's impossible!

On the ice blue sword, the charm is rolling, and the whole refining peak is echoed by it. For a time, on the top of the mountain, the wind suddenly rises, rolling aura, condenses on this sword!

"Shenfeng sword!"

Song Ziqing murmured, and the shadow of a huge peak flashed behind it, and then the sword came out like electricity!

The light of the sword is surging. It is like a mountain connecting heaven and God. It will crush the whole world into ruins!

With a roar, the shadow of Shenfeng sword crushed Ye Chen's sword light again, and his body was violently blasted out and his blood splashed everywhere!

But, this time, many people in the hall, but all eyes flash!

These people are all powerful people in the hall. They all found that

This time, under the shadow of the Shenfeng sword, ye Chen's sword light persisted for a longer time, which also offset the more power of the Shenfeng sword!

For a moment, everyone's eyes, have emerged a horror color, including Zhou Zixun and Zhan you!

The stronger the Vietnam War?

Zhang Qiaoling's beautiful eyes twinkled and her pretty face turned red!

This is more terrifying than what she faced before!

Not only the Vietnam War is getting stronger, it seems that ye Chen's breath is also soaring wildly!

Although Zhang Qiaoling said that she wanted to see ye Chen offend someone who shouldn't have been provoked. She bowed her head to herself and asked herself to save him and wash away the shame of losing to Ye Chen

But!

In fact, the most real idea in her heart is to see ye Chen again, which is almost miraculous!

The more powerful they are, the better they are!

Just watching is enough to make people excited!

With a roar, ye Chen collapsed a hill this time, but soon rose again from the rolling rubble. Although his face was a little pale, he still had a cool smile on his face.

The way of the Seven Saints of heaven is so cool!

Song Ziqing's pupils shrank and her face became gloomy. The effect of this sword was not as good as she imagined!

But in the hall, originally, they all thought Ye Chen was just a waste seeking death. But now, they are looking forward to the battle between Song Ziqing and ye Chen!

Heaven God realm one layer of heaven versus eight layers of heaven in the holy ancestral realm? Still alive?

If this news is spread out, it will be enough to shock the whole xingxuan area!

Not to mention Ye Chen's mastery of the God of destruction and his life force against the sky. Even the moon soul realm will be flocking to Ye Chen's evil spirits, right?

In Song Ziqing's eyes, the killing machine explodes to flash. Of course, she also knows this. Ye Chen is so excellent!

Therefore, ye Chen must die here today!!!

Otherwise, in less than a year or two, the whole xingxuan region will have to submit to the feet of such monsters, right?

Song Ziqing took a deep breath. He didn't care about his own breath. Before he was completely stable, he turned his spiritual power again. His sword was condensed. Almost at the moment when ye Chen rushed out of the broken stone pile, he cut it out again!

She doesn't want to give ye Chen any chance to breathe!

Ye Chen's face was frozen. He took the two swords of song Ziqing one after another. Even with his vitality, he was somewhat reluctant. If he hit another sword at this time, his combat effectiveness might be affected!

At that moment, ye Chen's body moved. He dodged back and waved the evil sword. He used the formula of mietian sword. The light of the sword flashed like a Fallen cold star!

With a roar, the moment around Lian Shenfeng collapses, and ye Chen's body also retreats in the air, and the void is broken by it!

Although he avoided part of the power of Shenfeng sword and had the blessing of refining Shenfeng, ye Chen's face was still paler and his breath was faint and disordered!

Song Ziqing said with a cold smile: "hmm? Not to kill me? How did you start running? It's too late to run!"

She moved, jumped out of the hall, toward the sky to kill Ye Chen!

The shadow of Shenfeng sword rises again, just like the hand of a demon that covers the whole sky. Ye Chen's eyes are slightly heavy. The breath of the six ways of samsara and the spirit of destroying Shinto escape from the blade. The sword is cold and fierce!

When the two swords collide, the aftereffect of their fight will shatter everything above Lianshen peak. The dark cracks are like spider webs, and the space turbulence stirs around them!

Ye Chen's body flies backwards again, and the blood mist bursts out from within itself!

Ye Chen's whole body is like being hit by a huge mountain. He is fractured everywhere and his ribs are cracked. He has broken many ribs and stabbed into his internal organs. The blood gushes out! However, this time, song Ziqing's eyebrows, but wrinkled deeper!

She looked at her slightly trembling wrist. This time, song Ziqing clearly felt that the blessing of Lian Shenfeng to herself had disappeared!

On the contrary, they suppressed their own strength strangely!

But ye Chen's strength, actually promoted one level!

In the end what ghost, refining the strength of the bottom of Shenfeng how to run to a stranger?

Something's wrong!

This boy is too evil!

Song Ziqing also felt a trace of fear!

Ye Chen wiped the bloodstain on the corner of his mouth and looked at Song Ziqing coldly. He felt the power of heaven's gathering spirit stone and his eyes were full of fighting spirit!

What he needs is a fight like this!

In such a high-intensity battle of life and death, zixiaoshi and huangquan water in his body are rapidly turning into combat power. However, there is another reason why Ye Chen's strength can be improved so quickly, in addition to Tiandao spirit gathering stone.

That is, in the secluded land to get the destruction of the great emperor inheritance!

Today's Ye Chen has made great progress in the destruction Shinto, but now his understanding of the destruction Shinto has exceeded his own strength!

In other words, ye Chen's strength is not enough to play out the real power of destroying Shinto!

Therefore, with the improvement of Ye Chen's fighting power, he is playing a more and more powerful role in destroying Shinto! This is the reason why Xuanhan jade wants Ye Chen to fight constantly!

In Song Ziqing because too shocked, and fell into a moment of sluggish, ye Chen took the initiative to hand!

All the people in the hall are looking at Ye Chen who is rushing to kill song Ziqing. These evil spirits of xingxuan domain tremble again!

Counterattack?

He fought against song Ziqing's four swords and fought back!

Ye Chen, is it a man or a devil?

Now ye Chen looks like a fighting devil!

Song Ziqing's face changed slightly. However, she still bit her teeth and took a jade white pill. With her sword dancing, the shadow of the sacred peak appeared again with the sword of heaven!

Boom, a strong momentum, from the body of song Ziqing burst out!

The light of the sword is shining and the shadow of the sword startles the sky. The figures of Ye Chen and song Ziqing are constantly shuttling through the void. Although Ye Chen is constantly moving, his body is still being bombarded by the shadow of Shenfeng sword, which tends to burst and aggravate the injury!

But at the same time, people all found that the power of Ye Chen's sword light was constantly improving at the speed visible to the naked eye, as if there was no end to it!

The battle, so that people are shocked, can not breathe ah!

In a flash, two people, have fought hundreds of times!

Song Ziqing, injured for the first time!

The shadow of the sword is like a mountain, roaring down. With the disappearance of the sword, ye Chen's left arm is almost smashed!

But!

Song Ziqing that because of the consumption is too large, and gradually pale up on the face, suddenly flash a trace of pain!

She slowly lowered her head and looked at the pain

See, a bloodstain, along song Ziqing's waist, flowing down!

Her waist, was a ray of broken sword, cut open a bloody wound!

Song Ziqing's face was suddenly ugly. The pure breath of destruction Shinto penetrated into the body along the wound. Even though she took the top healing pills, the wound still did not heal!

Not only did not heal, blood, but more and more flow!

What's more, the suppression of Lian Shenfeng is more and more terrifying, and she is about to be suppressed to the seventh heaven of the Holy Father!

How could this happen!

Chapter 3489

Song Ziqing's eyes are full of disbelief and anger!

The last sword!

If she wants to resist the destructive breath in the meridians in time, she can only make the last sword!

Song Ziqing raised his head and looked at Ye Chen again, but he couldn't help being slightly stunned!

At this moment, only one armed Ye Chen, above the body, that pale blue flame, gradually faded down, the breath, also began to weaken!

Face, have been slightly shriveled, a pair of oil exhausted lamp dry appearance!

Song Ziqing, a moment of ecstasy!

This kid, to the extreme?

In their own, have to be desperate, ye Chen, first step to the limit?

Ha ha, it seems that even God is helping himself!

Song Ziqing's face, emerged a very fierce smile, this is the best chance to kill it!

Then, at this time, ye Chen was a light glance at Song Ziqing, and then did not hesitate to turn around and run away!

In the hall, Zhang Chi looked extremely nervous and said to Zhang Qiaoling: "elder sister, elder brother Ye is in danger! Let the protector of qianlei sect, let's go! "

On the way to Lian Shenfeng, ye Chen made two moves. Although it can't be said that it was for Zhang Chi, Zhang Chi thought that he was obviously helped by Ye Chen!

Therefore, he has already regarded Ye Chen as his elder brother in his heart!

Zhang Qiaoling, who was originally quite excited, is also looking deep at the moment. Ye Chen's performance, to tell the truth, has been far beyond her expectation and can even hurt song Ziqing!

But now, it seems to have come to an end

No matter how evil Ye Chen is, it is still too difficult to defeat song Ziqing with his current cultivation!

She turned her head and looked at Aunt Ming beside her.

Aunt Ming nodded. She was also very optimistic about ye Chen. She helped to save Ye Chen, a demon with infinite potential. Once, she made a good relationship. In the future, she might bring unimaginable benefits to qianlei sect. It was nothing to offend a refining peak.

But just as aunt Ming's body moved, ready to chase Ye Chen and song Ziqing in the direction, a figure, but in front of her!

Aunt Ming's face sank, and she was the protector of jijianzong!

With a gloomy smile on his face, he opened his mouth to Aunt Ming and said, "mingdaoyou, what do you want to do? This battle is really wonderful. Mr. Zhan is also very interested in it. I don't want anyone to spoil his fun! "

Zhang Chi, Gu Han, and Zhang Qiaoling all changed their faces!

Jijianzong, I even got involved!

The strength of Jianlao and Mingyi is between Bozhong. If Jianlao insists on obstructing her, she can't do anything at all!

More importantly, Mr. Jian mentioned Mr. Zhan!

That is to say, it is not only Jijianzong who stops Mingyi's action, but also the meaning of Zhan's family!

Although Jianlao suspects Ye Chen's background, it is a guess in the end, and Zhan's family actually exists.

For a while, aunt Ming can't help but stand still and can't move forward or backward. Even if she wants to save Ye Chen, she can't help

After a breath, Song Ziqing has arrived behind Ye Chen!

And at this moment, Ye Chen, as if to recognize life in general, stopped body shape.

The people in the hall looked at the scene with different faces, some regretful, some Schadenfreude, some pleasure and ridicule.

Song Ziqing said with a smile, "why, can't you run? Don't you say you want to use my life as a bride price? I'm not going to take this betrothal gift from you, but you're here to take my life away? "

After all, Song Ziqing didn't even give Ye Chen a chance to open his mouth. The ice blue sword in his hand flashed with light and the sword of Shenfeng came out!

A shadow of a huge mountain appears in a flash, accompanied by rolling sword Qi, rolling down towards Ye Chen!

But at this time, Song Ziqing's eyes, suddenly flashed a glimmer of color, as if, what's wrong?

In Song Ziqing's hand at the same time, ye Chen also moved!

The spirit of destruction Shinto was released from the evil sword in his hand again. The power of xuanhanyu, the soul of the sword, poured into it. The most terrifying sword light suddenly appeared!

All people, eyes are the emergence of incomparable shock color!

Ye Chen actually chose to fight!

Zhang Chi and others are freezing their blood!

Ye Chen's state at the moment is not pretending. He has been attacked by song Ziqing one after another. His injuries have accumulated to a critical state. Although it only takes a little time to recover, he can recover. But if he is killed by song Ziqing, he will lose his fighting power even if he is not dead!

However, on his face, it is not the decisive color of fighting to death!

It's about

Indifferent!

At the next moment, the sword light, which exudes a destructive atmosphere, collides with the sword shadow of Tongtian Shenfeng!

The extreme cold awn, burst out, stabbed everyone's eyes, but at this moment, no one, squint eyes, but will eyes, more and more open!Almost will eyeball, all stare out of the eye socket!

On all people's faces, there is a color of horror!

In that light, an incredible scene was deeply engraved in their minds!

Broken

The holy peak of the sky is broken

Ye Chen cut out the peerless sword, this time, it is song Ziqing's Shenfeng sword, suppressed ah!

"No way Song Ziqing exclaimed, and several defense weapons flashed around him, but they were useless!

In front of Ye Chen's sword, it's useless!

The light of the magic weapon disappeared in an instant. The sword was cut on the body of song Ziqing!

Boom!

Song Ziqing's body, like a shell, was blown away by the incomparable power among the swords and hit the front of the hall at the top of the refining peak.

Smashed a deep hole in front of the hall!

In the wound, the wound is broken, in the heart, is dying!

This is the most powerful person in the eight layers of heaven in the holy ancestral realm. At this moment, his face is getting old quickly and sending out the breath of dying

Ye Chen moved, then appeared in front of the hole, overlooking song Ziqing, eyes a cold.

Song Ziqing looked at Ye Chen in despair. Her face was full of puzzled color.

Why does Lian Shenfeng help Ye Chen? Instead of helping the peak master who has lived for thousands of years?

Ye Chen strange smile way: "do not understand why you will lose?"

He turned around, pointed to the position of the two people just now, and said faintly, "you think you can become stronger in the refining peak, but now the heaven gathering spirit stone under the refining holy peak is named after me!"

All the people in the hall had a strange look on their faces!

They also found that their realm was suppressed! Ye Chen is the only one who has been blessed by Lian Shenfeng!

How could that be possible!

They look at Ye Chen's eyes, more shocked

Song Ziqing's eyes, full of shock, is extremely hostile to look at Ye Chen.

Ye Chen glanced at her one eye, light way: "I said, your life is betrothal gift, since you refuse to accept, then I took away."

With a flash of sword, the God of refining Shenfeng turned into a blood mist and disappeared from the world.

And this moment of time, ye Chen's injury, also gradually began to recover, toward the palace.

In the main hall, several elders of refining Shenfeng are all stiff. Looking at Ye Chen coming, they are full of fear!

Song Ziqing, dead

The God of refining Shenfeng is so dead!

They, where dare to attack Ye Chen?

Immediately, the four looked at each other, and they all retreated to both sides in silence. They wanted to escape!

To stay away from this strange to unspeakable devil!

Ye Chen glanced at them coldly and said, "who let you move?"

Hearing the speech, the four people couldn't help being sluggish and sweating, and their clothes were soaked through

This meeting should be advocated by song Ziqing. Although these elders are not as damned as song Ziqing, they also acquiesced in selling Jin Shuhui as a commodity!

But at this time, a voice sounded in the hall.

Ye Chen will not kill them, but will not let them go easily.

That's Zhan you's voice.

Zhan you put down his teacup and squinted at Ye Chen and said, "boy, I don't care what kind of grudges you have with Lianshen peak, and no matter why we are all suppressed by the rules of Lianshen peak, but you have absorbed the power of refining Shenfeng. But, this woman, I want it."

Ye Chen turns around and stares at Zhan you. In his eyes, there is a sharp light.

Other people can't see through Zhan you's strength, which does not mean that ye Chen, who controls refining Shenfeng, can't see through.

Zhan you's cultivation is also the eighth heaven of the Holy Father!

However, the martial arts of yuehun domain is higher than that of xingxuan domain. Therefore, Zhan you's comprehensive strength should still be on the top of song Ziqing who is refining Shenfeng!

However, Zhan you didn't immediately attack Ye Chen

To be honest, Zhan you is not sure whether the power of xingxuan domain is behind Ye Chen

After all, judging from ye Chen's performance in the battle with song Ziqing, it is a monster to put it in the moon soul domain

But Zhan was not afraid.

Even if ye Chen is behind the forces of the yuehun domain and even the Yangzhen domain, ye Chen's presence in the xingxuan domain indicates that the power has gone wrong, and even has perished!

Ye Chen, not only does not have any shelter, but also is likely to be pursued by his enemies!

Otherwise, such a monster, why stay in xingxuan?

"Do you want it?" Ye Chen smell speech, face, but can not help but emerge a trace of cold: "what are you?" The whole hall is silent again!

All people, are looking at the monster general, looking at Ye Chen.

After killing the God of refining peak, he directly challenged the son of Zhan family in the moon soul domain?

Ye Chen is crazy to what extent!

When Zhan worried heard the speech, his eyes were completely overcast. He hissed: "boy, your talent is very strong, but in this world, no matter how strong a person is, sometimes, it is useless, you know?"

Don't you understand the truth that the wind will destroy the trees? If I guess right, there is no force behind you that can stand out?

Are you sure you're going to offend my family for a woman? If you are gifted and can't be a man, you will die faster than ordinary people! "

After that, he took out a jade cup and poured a spirit tea. Looking at Ye Chen, he said, "however, I still appreciate you very much. I advise you not to be impulsive. This cup of spiritual tea should be my respect for you. If you will give up this woman, I will recognize you as a friend, how about it?"

Chapter 3490

When this was said, all the people in the hall were shocked!

The son of Zhan's family in the soul of the moon should take the initiative to make friends with Ye Chen?

If it's the same thing, it's not the only thing that can't be replaced by the spirit of heaven and moon.

Zhan you refused to let go, mainly because of face!

If ye Chen is willing to promise Zhan you that he drinks this cup of Lingcha, he can not only get on well with Zhan's family, but maybe even Jin Shuhui and Zhan you can give it to Ye Chen!

Everyone is either envious or envious to look at Ye Chen. Now, as long as you sell Zhan you for a face, ye Chen can fly into the sky, right?

This kind of opportunity, only the fool, can let go?

Even Zhan you is looking at Ye Chen with a smile. He believes that ye Chen will never refuse.

Proud people, he saw many, including himself, are very proud!

Pride, after all, is measured. In front of sufficient interests, pride can be put down.

At this time, ye Chen opened his mouth.

A little low voice, just like the cold wind blowing from Jiuyou, the air in the hall seems to be solidified for it!

"What are you, I said, that you didn't hear me?"

A group of talents in xingxuan domain have their mouths wide open, their eyes are straight, their thinking is about to collapse, and their brains seem to be cooked and unable to work

Madman

This man is really a madman!

Even Zhan was worried about himself. For a while, he didn't respond. What did ye Chen say

The next moment, when he understood, anger, the moment will be all the blood in the body, are boiling ah!

But!

Although Zhan you was furious, he did not intend to move!

He looked at Zhou Zixun.

Ye Chen, it is too strange, even Zhan you, has not been able to defeat Ye Chen's self-confidence undamaged!

When Zhou Zixun saw Zhan you's eyes, he was overjoyed!

He knew that Zhan you wanted him to kill Ye Chen!

In his opinion, it is an honor to help Zhan you do things!

What's more, Zhou Zixun himself hated Ye Chen!

Immediately, Zhou Zixun said with a big drink: "sword old, let's go! Kill me these disrespectful odds and ends

Zhou Zixun is now suppressed to six layers of heaven by the rules of refining peak. He is definitely not ye Chen's opponent.

After hearing the speech, the old swordsman flashed and appeared in front of Ye Chen with cold eyes. If ye Chen is really like Zhan you said and there is no power behind him, killing him and climbing up to Zhan's family is the best choice for jijianzong!

However, in the face of Ye Chen, a chill rises from the old sword's back inexplicably!

His eyes trembled, looking at the indifferent youth in front of him. His intuition as a warrior told him that ye Chen still had a second hand!

But even so, the old swordsman can't retreat!

How can Zhan you disobey his orders?

The old swordsman said to Ye Chen in a deep voice: "boy, do you know how much good it can bring you to make friends with Mr. Zhan? With your talent, there will be no shortage of women in the future. In my opinion, your arrogance is just a fool!

In the future, you will regret it! Now, if you are willing to bow your head and apologize to Mr. Zhan, I can still plead for you. Maybe with Mr. Zhan's mind, you can still have a chance! "

In the hall, many people nodded, and their ideas were the same as those of the old sword!

Zhan you smell speech, but also did not oppose, acquiesce!

This is a second chance for ye Chen!

However, at the next moment, ye Chen glanced at the old sword indifferently and said, "if you want to fight, you can fight. Don't talk nonsense!"

Everyone's breath will stop!

Ye Chen, too overbearing!

Jianlao, though also suppressed by the strange rules of refining Shenfeng!! And his realm will suppress more terrifying!

It may even suppress the eight or nine layers of heaven in the holy ancestral realm!

But it's not that Ye Chen, who has blessed the power of refining God peak, can fight against it!

The sword old body sends out the gust of murderous spirit, several cold light flash, three long swords, then appeared in front of him!

The old swordsman gazed at Ye Chen with red eyes, and said, "soon, you will regret it, boy. Do you think that if you defeat song Ziqing and control the power of refining Shenfeng, you will be invincible in the world? I, is you, unimaginable terror! Die to me

At the next moment, three long swords burst out, and at the same time, a dragon chant was heard. The terrible sword spirit was surging out, and in an instant, the whole refining peak was filled!

All the demons in the hall changed their faces!

At this moment, they seemed to be involved in the whirlpool of sword sea. Even the air became extremely sharp and hurt their lungs! In the whirlpool of sword sea, they feel that they have lost control of their body, just like a grass mustard drifting with the tide!

Mr. Jian, if you want them to die, it's just a thought!

Even a lot of road guards have changed their faces slightly!

The attack power of Jianxiu is the best in the same rank. What's more, it's a great school of Kendo with a long history like jijianzong!

What's more, Jian Lao has been immersed in kendo for many years!

The old sword pointed to Ye Chen and said, "three unique sword array!"

In an instant, the sound of the three swords was loud, and then they trembled and turned into three streamers. They whirled and whirled with the spirit of the sky shaking sword, just like a dragon stirring the heaven and earth!

On the body of the sword, there are runes and three swords intertwined. In an instant, they form a killing array with endless evil spirit!

The sword array is only emitting the air of determination. In an instant, it is full of killing opportunities!

Many evil spirits in xingxuan domain are shaking and convulsing!

They felt the shadow of death and covered their heads. Although they didn't attack them, the powerful sword array was enough to make them cold hearted!

At the next moment, the three Jue sword array will take the sea of sword Qi and cut towards Ye Chen!

Void, under this sword array, madness vanishes!

Even, the whole refining peak is shaking violently. It seems that the strength of this sword array tends to collapse!

Ye Chen looked at the three unique sword array, and his look was extremely dignified!

The protector of jijianzong's road is strong enough to be expected by Ye Chen!

However, ye Chen's face, although dignified, but in the eyes, is excited!

Good!

Now he is eager to fight to death!

If there is no rule of refining peak, he can not face such a strong man!

In the face of the three Jue sword array, ye Chen suddenly drank: "break it for me!"

The evil sword in his hand flashed with blood, and the spirit of the sword became more and more intense. The destruction of Shinto and the sword light mingled and turned into an abyss of plundering all things!

Ye Chen, holding the evil sword, rushed directly to the three Jue sword array. His whole body was full of muscle, and part of the six samsara method broke out. He fiercely attacked the three Jue sword array and chopped down!

The strong shock wave, whistling out, instantly turned the hall into a smash. All the protectors of various forces were calm in their looks and took actions to suppress the aftereffect of their fight!

At this moment, the whole refining peak seems to turn into a sword mountain under the cover of the three unique sword array!

In this sea of sword Qi, there are some cold stars, just like the swimming fish in the deep sea. It's cool for everyone to see!

That cold star is actually a small sword with a handle. This little sword is the product of the transformation of the sword when the meaning of the sword is extremely pure!

The strength of the old sword is really terrible!

Although Ye Chen's destruction is strong, it gradually begins to collapse under the dissipation of these three sword ideas!

In a flash, the sword light cut by Ye Chen dissipated in the air, but it also greatly weakened the power of the three Jue sword array!

On those three long swords, the sword spirit like the sea has faded a lot!

Ye Chen's eyes congealed, his whole body blood, gradually cold down, the three unique sword array, give him a very dangerous feeling!

At the next moment, with a roar, three long swords were cut hard on Ye Chen's body, and passed through Ye Chen's chest. At the same time, the huge power also lifted Ye Chen from the ground, flew backward and fell heavily on the ground.

The blood, the fountain like blood, gushed from ye Chen's body, the dazzling red, I can't believe that a person's body can flow out so much blood!

But it's not over!

Although this attack exhausted all the strength of the three Jue sword array, the three flying swords could still attack!

On top of the three flying swords, the sword's spirit surges and turns into three sky shaking rainbow. Like a laser, ye Chen's body is constantly punctured. In a flash, the body, which was already in the blood, was broken down by the three flying swords for thousands of times?

Ye Chen, the whole person, is like a piece of blood red rag in general!

Too cruel!

It's too cruel to attack!

Not only with the three unique sword array, but also with the flying Sword Pierced Ye Chen's body thousands of times!

Even with Ye Chen's vitality against the sky, it's hard to survive, right?

Even if it has survived, the pain is self-evident!

Zhang Qiaoling and others are anxiously looking at Ye Chen in the pool of blood. However, at the moment, aunt Ming is still unable to make a move!

Zhan you didn't directly attack Ye Chen because he was afraid of his strangeness. However, for Qian Lei Zong, he didn't have any scruples!

On the contrary, Qian Lei Zong did not dare to fight Zhan you

To Zhan you, it means disrespect to the Zhan family in the moon soul domain. That, however, will bring disaster to destroy the clan! Although aunt Ming is optimistic about ye Chen, she doesn't dare to gamble on the survival of zongmen. What's more, she may not be Zhan you's opponent

And at this time, a completely blood dyed figure, slowly from the pool of blood, stood up.

Zhang Chi and others all look happy!

Ye Chen is not dead yet!

But the old Jian's face was more gloomy. Just now, he didn't leave any hands!

This boy, after the war with song Ziqing, could he resist his all-out attack?

Even the reincarnation of the reincarnation master who controls reincarnation and is nearly immortal does not have such abnormal vitality?
