

Physician 3531

Chapter 3531

"Hum!"

Seeing this Fu Zhao, Xuanyuan moxie's face suddenly changed and turned to gray. He once suffered a heavy blow under this Fu Zhao, leaving a very serious psychological shadow.

"Heart demon Fu Zhao!"

Xuanyuan Mo Xie's eyes were gloomy. Unexpectedly, Mo Xueming still had a Fuzhao. How many things did this damned guy hide!

"Xuanyuan ink evil is over, I am the Lord of the kingdom of God!"

Mo Xueming burst into laughter and ran into the Tiandao ribbon. But at this moment, it contained great power, which was incomparable. The great power that destroyed the heaven and the earth was dissipated. There was no strength in Mo Xueming's body.

Because the heart demon Fu Zhao has followed the heavenly way to come to Xuanyuan Mo Xie.

On the other hand, the breath of Xuanyuan ink evil completely collapsed, and the endless aura exploded in his body, and the infinite star emperor's Haoran gas even bombarded him.

"Bang bang bang!"

Blood spilled over the sky, Xuanyuan moxie held his head and roared constantly. In his mind, countless mental demons such as Shura ghosts, Hellfire, ants devouring the heart, demons in troubled times and so on, constantly swarmed up.

This is the most powerful force in foreign countries!

"Ah Xuanyuan moxie roared with pain, and his body was shaking in the sky.

"Ha ha ha ha ha!"

Mo Xueming looked at Xuan Yuan Mo Xie and laughed, "do you want to kill me? Let's see how we live first. "

The attack of Xuanyuan Mo evil dissipated because of the heart demon Fu Zhao, but the power of Mo Xueming was not hindered. At the moment, the Shura storm swept in like destroying the heaven and destroying the earth, instantly crushing all the Tiandao streamers.

"Boom, boom!"

Countless thunder thunders resound through the storm of Shura. Mo Xueming explodes and kills Xuanyuan moxie. It is like the most terrible thunder robbery between heaven and earth, which wants to destroy everything and eliminate the whole world.

"Die for me!"

Mo Xueming is carrying the Shura storm that destroys the heaven and earth. In the storm, Mo Xueming condenses a Shura sword again and stabs it fiercely at Xuanyuan moxie's chest.

When the Shura sword was about to pierce Xuanyuan's body and pierce his heart, Xuanyuan moxie suddenly opened his eyes, and his face did not show any pain and struggle, instead, it was an endless killing intention.

"You're in a trap!"

Xuanyuan Mo evil side of the body suddenly retreat, while looking at Mo Xueming evil spirit, said, showing a cruel smile.

For a moment, Mo Xueming's brain was buzzing and shaking. Xuanyuan moxie was not affected by the heart demon Fu Zhao. How could this be possible? Even the reincarnation master and the queen of the upper kingdom were afraid of three parts of the heart demon Fu Zhao. What can Xuanyuan moxie have to contend with!

And at this time, Xuanyuan Mo Xie's body, but suddenly dropped a crystal, in the crystal, is countless heart demons roar!

"Protect the soul of Tianjing!"

Mo Xueming's face changed greatly, his heart was shocked, and he sheltered the soul of Tianjing. It is said that there are only three pieces between heaven and earth, which are sacred objects to block the heart demons. Two of them have been used up, and the third one is in Xuanyuan moxie's hands.

"Those who regard me as the Lord of reincarnation give me good things."

Xuanyuan Mo Xie looks at Mo Xueming strangely. While his body suddenly retreats, the six Tiandao streamers behind him condense again.

The great power of heaven shakes the whole world, crushing the sky with great pressure, and the boundless power of heaven comes. At this moment, Xuanyuan's momentum of Mo evil reaches its peak. It is absolutely lawless and invincible in the world!

"Die for me

Xuanyuan Mo evil roared, the six heavenly way streamers gathered together, and suddenly burst out, pointing to Mo Xueming!

"If you want to kill me, you should die together!"

Mo Xueming looked at the frenzied Tiandao ribbon, and a touch of horror flashed in his eyes, and then endless madness surged up.

"Boom

It's another Fu Zhao. The master of the heart demon gave it to Mo Xueming. Three Fu Zhao, an extremely devoid pearl, is all used by Mo Xueming at the moment!

Endless and majestic divine fire emerges. This is the purest fire in heaven and earth. It can burn everything and destroy everything!

"Xiri Fuzhao!"

Xuanyuan ink evil eyes, this Mo blood Ming is really infinite means, contains the power of the source of the supreme imperial edict, even with no money, use up one after another!

Xiri Fuzhao burns, turns into a terrible sun, and rises slowly.

One after another, the source of terror, with the fiery power of the sun, swept out madly.

Under the light of the Xiri Fuzhao, the Tiandao ribbon constantly makes hiss, which is even eliminated. Even the most majestic Tiandao ribbon can't block such a terrible sun power.

"Xuanyuan ink evil, I am Shura! Master life and death

Mo Xueming looks ferocious, condenses all the strength of the whole body, and suddenly bumps into Xuanyuan ink evil.

"You damned lunatic

Xuanyuan ink evil also moved the real fire, Mo Xueming cards constantly, let him completely angry, at the moment just want to use all his strength to kill Mo Xueming, save a long dream, also can no longer care about hiding in the dark Ye Chen."Boom

The fury of the Shura storm, the Sun Fu Zhao, and the Tiandao ribbon instantly collided together.

Under the shadow of the endless sun, the spirit of Shura, which destroyed the heaven and the earth, broke out, and black thunder exploded in the sky, constantly falling on the earth, blasting out huge holes like bottomless abysses.

Tiandao ribbon destroys the sky and destroys the earth. The great power of suppressing the sky breaks through the sun and fire, shakes the air of Shura all over the sky, smashes the infinite black thunder, and directly blows on Mo Xueming.

"Bang!"

Mo Xueming is like being crushed by the myriad worlds in the sky. In an instant, he vomites blood and flies backward. His armor of Shura explodes and is extremely embarrassed.

At this moment, the Tiandao ribbon is also destroyed by the sun's divine power and the spirit of Shura, as well as the matchless black thunder.

At the same time, these terrible attacks also hit Xuanyuan moxie. Xuanyuan moxie mobilizes the infinite star emperor to protect himself, and 100000 flying swords surround him, but still can't resist the terrible bombardment.

"Poof!" The impact of destroying heaven and earth broke Xuanyuan Mo Xie's defense and suppressed him instantly. He couldn't help spitting blood and flying backwards.

"Bang bang bang!"

The two sides of the battle did not know how many mountains and rivers had been broken. The whole kingdom of God was swept up and shaken by the terrible aftershock of the battle. The next moment, it seemed that it was going to break up. All living beings screamed in terror and scurried.

In the Linglong Tianyin tower, Xiao Huang sees the collision of destroying the heaven and the earth. Mo Xueming and Xuanyuan moxie are in great confusion. His eyes are excited. It's really gratifying.

"Master, let's go out and kill both of them

Xiao Huang looks at Ye Chen eagerly.

"No Ye Chen said indifferently, her eyes were deep, "these two people are not as simple as you think."

"It's all like this. Do they still have a second hand?" Xiao Huang didn't believe it at all.

Chapter 3532

Hearing this, ye Chen's mouth curled up a radian. Before he could explain, a roar suddenly rang out thousands of miles away, resounding through the whole kingdom of God.

"You evil killing soul flag, sacrifice!"

Mo Xueming's voice diffuses, and then you can see the sky of infinite ghost gas thousands of miles away, as if hell came, and the breath of destroying heaven and earth swept over the world.

Between the gushing of ghost Qi, the endless evil ghost Shura was born out of the ghost gas, and the place where Mo Xueming was actually turned into a ghost field.

Seeing this scene, ye Chen's eyes are gloomy, and he knows that Mo Xueming is a guy who will do anything to win.

Before, Mo Xueming offered sacrifice to Shura Huaxue palace and Xuanwu Kaitian axe. Now it's your turn to kill the soul flag!

"Boom

Mo Xueming's body suddenly soared to the sky, carrying infinite ghost gas, like the supreme ghost emperor in hell, overlooking the heaven and earth, the violent breath vibrated in his body, and his injuries seemed to be healed at this moment.

However, this is just the effect of sacrificing the soul banner of evil spirits. Sacrificing such a precious treasure of Hongmeng will cause great cause and effect. Mo Xueming even sacrificed three pieces of Hongmeng treasure. Even if he survives the battle, he will be killed by reverse attack.

But at the moment, Mo Xueming obviously doesn't care so much. If he doesn't kill Xuanyuan moxie, he will surely die. The ghost killing flag is given to him by the Lord of the heart demon. He dares to sacrifice, and there is nothing he dare not do!

"Xuan Yuan Mo Xie, you coward, come out to me!"

Mo Xueming laughs wildly and bursts out in the sky like an invincible master.

"If you have the seed, you will sacrifice Chongguang Shenxia palace like me, or you will die today!"

Mo Xueming's eyes were dense, and then he said, "Ye Chen, you also give me out! You want to be a finch? Look at me roasting you

"Hum, fool!"

Ye Chen sneers and ignores Mo Xueming at all. He just turns his eyes to the direction of Xuan Yuan Mo Xie.

At the next moment, a terrible and magnificent breath shook the heaven and earth, and then the whole body was scorched and miserable. Xuanyuan moxie, who had no supreme dignity of the Lord of heaven, appeared.

"Mo Xueming, I will kill you!"

Xuanyuan Mo Xie's voice reveals endless hatred. At the moment, his Chongguang Shenxia clothes are dim. If it wasn't for the supernatural gauze clothes transformed from Chongguang Shenxia palace, he would be killed by Mo Xueming!

"Ha ha! You still can't give up your precious heaven palace

Mo Xueming saw the miserable appearance of Xuan Yuan Mo Xie and immediately laughed.

"To kill you, I don't need to sacrifice to Chongguang Shenxia palace!"

Xuanyuan Mo Xie snorted angrily. He even took the lead. Zhuxian sword appeared in his hand, and the light of Wushang sword broke out.

"Reverse practice Hongmeng, Xingdi Haoran gas, 100000 flying swords, give me fusion!"

At this moment, all of them poured into the killing immortal sword. The bright sword like destroying the heaven and the earth lit up, as if to penetrate the heaven and earth, endless time, and kill all enemies across the long river of time!

Xuanyuan ink evil looks miserable, but at the moment, he is covered with an endless and magnificent atmosphere of heaven. His momentum is as fierce as thunder, sweeping all directions, as if the law of heaven came, invincible in the world!

Seeing this scene, Mo Xueming's face was horrified. Xuanyuan moxie was able to integrate all the forces into the light of killing immortals sword. What a terrible attack it was, it was lawless and could not be resisted at all!

In a flash, Mo Xueming is still in a state of fright. The light of Zhuxian sword has already arrived, and Mo Xueming is not allowed to respond. The sword light penetrates Mo Xueming's chest in an instant.

"Cough!"

Mo Xueming's mouth is full of blood, his body is full of endless heavenly breath, the star emperor's Haoran gas, and the flying sword are shuttling and destroying. His body begins to expand continuously!

"Hiss, hisses!"

Blood holes emerge from Mo Xueming, and the blood shoots out like an arrow. Mo Xueming instantly turns into a blood man, and the breath of life passes quickly.

"Xuan Yuan Mo Xie, you, you..." Mo Xueming's eyes stare at Xuan Yuan Mo Xie, endless resentment in his eyes.

"Me?" Xuanyuan ink evil smile, his breath is dispirited, obviously the integration of all forces to use the sword light, his consumption is also extremely huge, but Xuanyuan ink evil at the moment seems to be the Supreme Master, looking down at Mo Xueming.

"I am the existence that you can never defeat. I will eventually step on the top of heaven and earth, and you can only be a small stone on the road of my holy ancestor!"

Xuanyuan moxie laughed wildly, and the magnificent breath of heaven was rolling around him, as if he were in agreement with what he said.

"I don't like it!"

Mo Xueming gnaws his teeth and looks at Xuan Yuan Mo Xie. Although his vitality is passing away, his eyes are more and more venomous and cruel.

"Since I can't live, you're going to bury me with me, and everyone will be buried with me!"

Xuanyuan Mo Xie's sarcasm reverberated in his ears. Mo Xueming was completely crazy. The Qi of infinite Shura exploded in his body, and his flesh and bones were all shot in all directions. Between heaven and earth, a destructive atmosphere of terror shrouded, endless ghost gas and Shura gas emerged out of thin air, and hell seemed to come at this moment.

"What are you going to do?" Xuanyuan ink evil aware of this strange change, the face changed dramatically, rage drink asked.

Xuanyuan moxie's sword of killing immortals should have wiped out Mo Xueming, but Mo Xueming held on for such a long time. Although his vitality passed rapidly, he still didn't die. He should have seen the problem.

At this moment, Xuanyuan Mo Xie had some regrets, so he should seize the opportunity to wipe out Mo Xueming completely and not give him a chance to make a mistake. Now, it is obvious that something has happened again.

"I'm going to take all of you to bury me!"

Mo Xueming hissed and roared, his eyes turned red at this moment, and then there was a green flame rising from his eyes, and the terrible ghost gas of destroying everything surged up on him.

"Boom

At this moment, the heaven and earth vibrated, and the endless darkness swept over. The ghost Qi shot out from the void and gathered to Mo Xueming one after another, and the breath of Mo Xueming became more and more strange.

"This guy!" Xuanyuan Mo Xie's face changed dramatically. He knew what Mo Xueming was going to do.

"Heaven prison Shura Dharma, you really practice this!"

Xuanyuan moxie is shocked in his heart. Tianyu Shura is an extremely evil magic power. The user will completely destroy the body and spirit, and there is no possibility of rebirth. At such a price, he can incarnate himself into the Tianyu Shura and become a killer monster. All consciousness is destroyed and only the idea of killing is left!

People only know hell, but they don't know that heaven is also prison. Heaven prison holds more terrible and crazy existence.

Heaven prison Shura, the most terrible existence in the Shura, only knows the killing machine, the butcher who annihilates everything, is the most loyal and effective executioner of the way of heaven, specializing in destroying the infinite world.

At the moment, Mo Xueming uses the Tianyu Shura method, and the whole person incarnates as Tianyu Shura, with endless killing intention left in his eyes. His eyes are burning with green flame and staring at Xuanyuan moxie.

Chapter 3533

"Boom

Mo Xueming moved, rolling the endless spirit of the Shura ghost. There is still a magnificent breath of the heavenly way in the body. This is the unique ability of the heaven prison Shura. The spirit of the Shura, the spirit of the ghost, and the Qi of the heavenly way exist together.

"Boom

Mo Xueming's hand burst out, and his broken limbs even broke out the supreme power of destroying the heaven and the earth. There was no trick. It was just a simple and simple palm, but it made the world tremble.

This palm seems to turn the world upside down, the mountains and rivers burst, and the endless great power inspires the spirit of Shura ghosts all over the sky. With the breath of heaven, it turns into a big fingerprint covering the sky and the earth.

"The great hand print of Shura!"

Xuanyuan Mo Xie's face was extremely ugly. This palm was even more terrible than his star emperor's big handprint, and even made him feel that he could not resist it.

"You forced me!"

Xuanyuan moxie angrily scolded, and his look also appeared crazy. He wanted to leave some cards to deal with Ye Chen, but he didn't expect Mo Xueming to be so crazy. He even preferred to die both physically and mentally and never have the possibility of rebirth, but he had to drag himself to be buried with him.

"Damn it, die for me!"

With a roar of Xuanyuan moxie, a huge array of Tiandao suddenly appeared behind him. Countless Tiandao arrays were even connected together and became more giant arrays.

As soon as the huge array was condensed, the dark sky covered by the ghost of Shura was pierced by a vast white light of heaven.

The white light of heaven swept down and gathered on the huge array. The array sent out endless incandescent light, and all the heaven and earth were illuminated at this moment.

"Boom, boom!"

The huge array is constantly shaking, and the sky is rippling and breaking.

At the moment, Xuanyuan ink evil gnawed his teeth and pointed out that the huge array actually emitted endless divine light, and the divine light converged to the finger tip of Xuanyuan ink evil.

A breath destroys the heaven and the earth, which makes people feel cold. The white light keeps solidifying, and the fingers of Xuanyuan ink evil are all defeated and broken at this moment.

The flesh and blood on the fingers were ablated by white light, and even the phalanx bones were exploded, countless bone stubbles splashed, and the sweat drops oozed from Xuanyuan moxie's forehead, bearing an unimaginable heavy pressure.

Obviously, the supreme divine awn condensed by this huge array is hard to support even Xuanyuan moxie, and his palm explodes at the next moment.

The terrible white mansions all vibrated and nearly out of control. Xuanyuan's heart trembled with fear. He tried his best to stabilize Baimang and then roared ferociously.

"The way of heaven kills the light!"

"Hiss!" The kingdom of God was in shock at this moment, and the endless mountains and rivers were inexplicably cracked, and the flying stones and water swept all over the place.

The terrible white mansions burst out, just like the supreme judgment of heaven. Everything along the way has been destroyed and eliminated. The breath of heaven destroying the earth and sky suppresses mountains and rivers, and threatens the world!

White mans passed, everything is lost, the unruly terrible power is incomparable, and instantly collides with the great hand print of Shura.

There is no sound, or even any collision and impact. The world is extremely silent at this moment. It seems that time has stopped passing and everything becomes static!

"Hum..." An inexplicable wave suddenly spread out, and now the Shura fingerprint has completely disappeared, as if it disappeared without any trace of existence.

"This..." Ye Chen is in the Linglong Tianyin tower, and his eyes are creepy. Xuanyuan moxie's move to kill the light of heaven makes him feel cold on his back. He has no possibility to resist the terrible heaven killing light.

"Unless we use the second round of blood moon to kill the sky, but it's not so simple to use the blood moon to kill the second round of blood moon." Ye Chen's eyes are dignified, and Xiao Huang beside him is stunned.

"Mo Xueming is completely finished!" Xiao Huang couldn't help saying.

"He is dead." Ye Chen's face is cold. From the moment when Mo Xueming uses the Tianyu Shura method, Mo Xueming has been completely wiped out of the world. At the moment, there is only a heaven prison Shura with the residual skin and flesh of Mo Xueming.

"Boom

In the outside world, the light of heaven's extermination came in an instant. Mo Xueming exploded to kill Xuanyuan Mo Xie, and his eyes burning with green flame did not even respond to the light of Tiandao's killing, so he made it penetrate his body.

"After all, it's a dead thing, no matter how strong it is?"

See this scene, Xuanyuan ink evil mouth hook up a touch of evil smile. All the limbs and bones of

are as like as two peas of blood. The next thing is that the blood is coming close to Xuanyuan, but his body is washed out of the white mans.

"Ah

The shrill and hoarse roar comes out from Mo Xueming's voice, and the next moment Mo Xueming is completely submerged by the endless white light emerging in his body.

But in this endless white awn, all people did not notice, a wordless Tianshu slowly floated out, and then broke into the space channel.

"What a useless waste."

In a place covered with endless darkness, as soon as the Lord of the heart demon raises his hand, a space passage appears, and the overlord heavenly book returns to his hand. The Lord of the heart demon looked coldly at the direction of the divine mountain, and his eyes were full of anger. He gave so much help to Mo Xueming, and even allowed him to sacrifice Youxie to kill the soul flag. However, Mo Xueming failed to wipe out Xuanyuan moxie successfully. Instead, he died, which disappointed him.

"Xuanyuan moxie, who is this guy? He shouldn't be the reincarnation master..." The master of the demon's eyes twinkled, and the next second he felt a pair of eyes staring at him, and his figure completely melted into the darkness.

At the same time, in the kingdom of God, the heaven and earth are covered by white light, as if turned into a white sea.

Every corner of the world is filled with fear.

After a moment, the white light dissipated, but the figure of Xuanyuan ink evil disappeared.

"This guy's gone!"

Xiao Huang angrily scolds, just now the white mang is too vast and dazzling, Xuanyuan ink evil is covered by white light, can't see the action at all, now the white mang dissipates, Xuanyuan ink evil has disappeared.

Obviously, although Xuanyuan Mo Xie killed Mo Xueming, he was already overburdened. Mo Xueming forced Xuanyuan Mo Xie to give all his cards. At the moment, he was afraid that his strength had been exhausted and his injury was extremely serious. He had no confidence to defeat Ye Chen and it was almost inevitable for him to take advantage of Baimang to escape.

For this, ye Chen is very clear, at the moment his face is also very calm, indifferent to look at the broken sky, the corner of his mouth hook up a radian.

"He can't run away."

Ye Chen's tone was full of confidence, and then he opened his mouth to the Seven Saints of heaven in the samsara Cemetery: "seven elders, depend on you."

"Give it to us!"

The Seven Saints of the heavenly way were solemn and solemn. At the next moment, they joined hands to pinch the rhyme. Between the flow of holy Qi, they emerged endless golden lotus from the sky, falling down in a myriad of ways, and their sacred majesty reached the extreme.

And on the Seven Saints of heaven, there is also a majestic breath of heaven. Finally, it forms a vast finger with endless heavenly power. The finger is aimed at the southeast.

"Xuanyuan ink evil is there!" Wen Sheng suddenly cheered, to Ye Chen.

"I see!"

The corner of Ye Chen's mouth draws up a radian, and the next moment suddenly flies out, and Xiaohuang follows Ye Chen in a hurry.

As the supreme guardian of Tiandao palace in the early days, it is easy to find Xuanyuan moxie, the leader of Tiandao palace.

I'm afraid Xuanyuan moxie can't think that ye Chen has the help of the Seven Saints of heaven, or he won't escape with the help of Baimang, because he can't hide in front of the Seven Saints of heaven!

Chapter 3534

"Boom

Ye Chen's towering momentum burst out and moved toward the southeast. His fierce aura swept all directions, and his eyes were sharp looking at a deep valley in front of him.

In the deep valley, there is a vast breath of heaven, and the corner of Ye Chen's mouth draws up a radian.

"Xuanyuan ink evil, don't hide it!"

"It's no use being a shrinking turtle. Come out and fight!"

Hearing this, Xuanyuan moxie, sitting in the deep valley, suddenly opened his eyes. His eyes were surprised. He didn't expect Ye Chen could find his own position accurately. He could hide it with the help of heaven. Ye Chen should not have found him.

Although in the heart doubts, but at this moment Ye Chen rushes directly, is obviously certain oneself is here, Xuan Yuan Mo Xie's face is gloomy to stand up, the body's Chongguang God Xia clothes all already the light no longer, is extremely gloomy.

And Xuanyuan ink evil breath is also extremely dispirited, the body's Qi and blood have withered, the whole person is extremely embarrassed.

"Damn it!"

Xuanyuan ink evil rises from the sky, strongly supports the body injury, draws on the endless heavenly way breath, and the violent momentum strikes the four sides and appears in front of Ye Chen.

"You want to be a finch?" Xuan Yuan Mo Xie looks at Ye Chen coldly, cold voice drinks to ask a way.

"Why not?"

The corner of Ye Chen's mouth curls up a radian, he can see that Xuanyuan ink evil state is not good, but it is just a strong support.

However, ye Chen will not relax any vigilance, Xuanyuan Mo Xie can kill Mo Xueming, which shows that Xuanyuan Mo Xie's means are more endless.

Mo Xueming holds the ultimate mintian pearl in his hand, the supreme imperial edict given by the Lord of three heart demons, and even mastered the idea of supreme sword. He is not the opponent of Xuanyuan moxie.

Mo Xueming's death has something to do with Ye Chen's hand, but it can't be denied that Xuanyuan's Mo evil is really terrible. This is an opponent that can't be underestimated. Any laxity may lead to his own doom!

"You are not qualified to be a finch!"

Xuanyuan Mo evil looks at Ye Chen cold voice to drink a way, after death suddenly floats six heavenly way streamer, does not hesitate to explode to kill and come out.

"Die for me!"

Xuanyuan Mo evil roared, and the heavenly ribbon fused together, and the vast heavenly power that destroyed the heaven and the earth swept over.

Ye Chen's face changed slightly. Even though Xuanyuan Mo Xie was seriously injured, his power was still strong. He could not stop him from breaking through the two layers of heaven.

"Master, master, help me!"

Ye Chen roared, and the three ancestors of the yellow spring and the Seven Saints of heaven responded with a loud voice, one after another, and the violent force poured into Ye Chen's body.

"Boom

Ye Chen from the body of the violent vibration sound, Xuanyuan ink evil at the moment a coagulation, before ye Chen against the extreme mintian Zhu, then broke out such a force.

Although it is not clear where the power of Ye Chen's explosion comes from, Xuanyuan Mo Xie's eyes are more and more solemn.

Ye Chen is so lucky that he can be carefree and happy in the fight between him and Mo Xueming, which shows that ye Chen is extraordinary. Even though ye Chen is only a heaven God state, he dare not underestimate it.

"Bang bang bang!"

With the roar of the heavenly way, the boundless heavenly power sweeps across the sky and earth, and the breath of the source overflows everywhere.

In the face of the frenzied Tiandao ribbon, ye Chen looks cold and suddenly makes a move.

"Tianlong eight gods sound!"

"Bagua Tiandan skill!"

"Fahua is dead!"

With the notes of Hongmeng sweeping, the light of eight trigrams explodes. The light of Buddha protects the whole body. At this moment, ye Chen looks like a supreme ancient Buddha, overlooking heaven and earth.

But in front of the Tiandao ribbon, ye Chen's attack is destroyed, the terrible Tianwei can not resist.

"Do you want to be a finch

The evil laughter of Xuan Yuan Mo Xie rang out.

"Master, I will help you!"

When Xiao Huang heard the words, he was furious, and suddenly rushed to him with a roar. He opened his mouth and shot out a red and blue god awn.

"Broken Yu!"

Xiao Huang's roar rang through the heaven and earth, and the red and blue god awn even burst out with endless power. It seems that the violent power can destroy all the heaven and earth, and the breath of destroying the heaven and earth flows out, and blows to the drift belt of heaven like lawlessness.

"Bang!"

The most terrible impact swept away, and the ribbon of heaven was almost broken up and darkened.

At this moment, the deep valley where ye Chen and his three people lived exploded, and the endless mountains around them collapsed one after another. The howling of birds and animals spread all over the fields, and the brown red blood gathered on the ground to form a river of blood.

At this moment, ye Chen looks at the greatly reduced power of the Tiandao streamer and kills him in front of him. His eyes are cold and his sword destroys Shinto.

"Boom The Tiandao ribbon is broken in an instant, and Xuanyuan ink evil is not in full swing. At this moment, the Tiandao ribbon is not as powerful as before, or I'm afraid it will not be so good to block it.

"You beast

Tiandao ribbon broken, Xuanyuan ink evil throat gush a touch of fishy sweet, look at the small yellow is full of fierce killing, there is a kind of angry appearance. Xuanyuan moxie originally wanted to gather all his strength and kill Ye Chen directly with the most powerful blow. However, he didn't expect that Xiaohuang's power was so strong that he failed his plan, which made him resent Xiaohuang incomparably.

"Don't struggle, Xuan Yuan Mo Xie!" Ye Chen cold drink a, unexpectedly take the initiative to hand, invincible momentum burst out, a sword to Xuanyuan Mo evil.

The destruction Shinto broke out, and the power of destroying heaven and earth swept out. Ye Chen was cold and fierce. He knew that it was difficult to damage Xuanyuan moxie by destroying Shinto.

But ye Chen's move is only to test Xuanyuan Mo Xie, want to see how Xuanyuan Mo Xie responds, and find out whether he has run out of oil and the lamp is dry!

At this time, Xuanyuan Mo Xie saw Ye Chen stabbed by a sword, and was furious, "are you insulting me?"

Xuanyuan Mo Xie angrily drinks, and the violent breath of heaven sweeps across. The sword of Zhuxian suddenly appears in his hand and stabs Ye Chen.

"Bang!"

The spirit of destruction collides with the spirit of heaven, and ye Chen suddenly flies out of the sky. The Qi and blood in his body are surging, and the Hongmeng Qi circulating all over the body vibrates and immortality.

On the contrary, Xuanyuan ink evil, on the contrary, stands steadily in place, with a touch of sarcasm between his looks, and his breath is stable and indifferent.

"I can't help myself!"

Xuanyuan ink evil cold voice ridicule way.

And ye Chen is staring at his arm, only to see that his arm is shaking constantly at the moment. Xuanyuan moxie is not as relaxed as it appears on the surface.

With a radian in his mouth, the light in Ye Chen's eyes flashed. In his heart, he opened his mouth again to the three ancestors of huangquan and the Seven Saints of heaven with the help of strength.

Hearing the words, the Seven Saints of heaven and the three ancestors of the yellow spring looked at each other, and a touch of determination flashed in the eyes of ten people. With the help of Ye Chen, they would also dissipate.

But ye Chen saw Xuanyuan ink evil state is not good, they also see, at this moment is a chance worth grasping.

"As long as we can kill this evil barrier, we can pay as much as we can! We'll be out of trouble by then! "

The Seven Saints of heaven roared and lent all his strength to Ye Chen. The furious aura swept through Ye Chen's body, surging like a river of the Yangtze River that destroyed heaven and earth.

Chapter 3535

The figure of the Seven Saints of heaven dissipated slowly, and the three ancestors of huangquan looked at each other, and they all lent the power to Ye Chen.

"Boom

Endless power is surging in his body. In the tomb of samsara, the Seven Saints of heaven and the three ancestors of the yellow spring have disappeared. A touch of sadness flashed in Ye Chen's eyes, but the next moment turned into endless murder.

"Xuan Yuan Mo Xie, today is your death date!"

Ye Chen angrily drinks, the falling dust subdues the dragon sword to appear in the hand, suddenly one sword raises.

"Not good!"

Seeing the falling dust and subduing dragon sword, Xuanyuan moxie's face changed greatly. Ye Chen used the blood moon butcher to kill the sky before. It was obvious that there was a certain relationship between the two. At the moment, ye Chen obviously wanted to use the terrible power of blood moon.

"Want to kill me! You can't do it

Xuanyuan Mo Xie was furious, and now it was time to fight back, he did not dare to have any hesitation.

"The blood moon slays the sky!"

Ye Chen cuts out with a sword, and a blood moon rises abruptly above the sky. The vast source gas overflows and spreads. The terrible wave that destroys the heaven and the earth sweeps all directions, and infinite great power comes.

The light of the magnificent blood moon falls from the sky and covers Ye Chen's body. Ye Chen flies up with the sword of falling dust and falling dragon, just like a Supreme Master who wants to cut open the sun and the moon and reopen the whole world, and cuts off Xuanyuan moxie with a sword.

"Die for me!"

Ye Chen roars and roars, and the terrible power of blood moon sweeps across. The sword of falling dust and descending dragon bursts out endless blood light, just like the supreme god awn that existed at the beginning of the opening of heaven and earth, penetrating into heaven and earth and reflecting forever!

In the face of the bloody moon butchering the sky, Xuanyuan moxie's face was gloomy to the extreme. His mind was trembling with the terrible power of blood moon. Before the sword of falling dust and falling dragon was near, the terrible edge of breaking the heaven and earth made him feel his body crack.

"You forced me!"

Xuanyuan ink evil was extremely angry, and suddenly roared, and the fury of heaven suddenly broke out, and the boundless star emperor's mighty spirit fell from the sky.

"Poof!"

Xuanyuan moxie overdraw too much physical strength. At the moment, his body almost broke down, his skin cracked, his blood flowed like a column, and he vomited blood, but a star emperor's big fingerprint appeared on his head.

"The water of the yellow spring!"

Xuanyuan ink evil urges the star emperor's fingerprint to kill Ye Chen, but in the center of the star emperor's fingerprint, there is a vast Yellow Spring rushing out.

"The water of the yellow spring?"

Ye Chen's heart vibrates. Such a vast water of the yellow spring is going to crush the heaven and the world. No one can survive in front of such a great power.

Obviously, when Xuanyuan ink evil was in charge of the blue and white spring, he left part of the water of the yellow spring on himself, and now he played it as a card.

"Damn it!"

The cold light in Ye Chen's eyes suddenly appears. The picture of the blue and falling yellow spring is his companion's treasure. The water of the yellow spring is also his own thing. At the moment, Xuanyuan Mo Xie used it to deal with himself, which made him extremely unhappy.

At this time, the star emperor's big hand print destroyed all the existence along the way, and the sky was crushed. In addition, the water of the yellow spring crushed the sky. The star emperor's big hand print was so terrible that it was almost lawless and invincible!

Faced with such a big hand print of the star emperor, ye Chen is shocked. The bloody moon butcher is not fake, but he can only use the power of a heavy blood moon. As he can exert the power of multiple blood moon, he must be able to block this palm, but it is impossible at this moment.

"The water of the yellow spring is mine. Suck it for me!"

Ye Chen angrily drinks a sound, suddenly uses the blue and yellow spring map, the body's reincarnation cemetery concussion endlessly, the blue and yellow spring map slowly vibrates.

Endless great forces emerge, and ye Chen's back opens a space channel, and the violent traction force actually pulls the yellow spring water above the star emperor's big fingerprint.

The vast and infinite water of the yellow spring is all introduced into the spring in the samsara cemetery. The heavy pressure of destroying the heaven and earth falls on Ye Chen, and ye Chen is almost unable to lift his head.

And at this moment, ye Chen also emerged from the endless fury of Hongmeng gas, completely shielding the passage behind him, so as not to let the breath of reincarnation graveyard and blue and yellow spring painting flow to the outside world.

But Xuan Yuan Mo Xie is very clear that ye Chen took away his blue and yellow spring diagram, and at the moment he became angry, "you thief!"

"I am a thief?" Ye Chen sneers at the words. It is his own thing, but he has no explanation. At the moment, he has no time to explain. The vast water of the yellow spring contains great power. He can hardly breathe.

At the same time, the star emperor's fingerprints have already arrived.

Although Ye Chen absorbed a lot of water from the yellow spring with the help of the blue and white spring diagram, the water left by Xuanyuan ink evil is too vast, which is just like the sea. Ye Chen has driven the drawing speed of Biluo Huangquan map to the extreme, but now it has only absorbed a fraction of it.

The star emperor's big handprint still has the supreme power to crush the sky. At this moment, Ye Chen can't avoid it. He holds the falling dust and descending dragon sword in his hand, and uses all his strength to cut on the big handprint!

"Boom

The fierce power swept over, and the power of the blood moon broke out, and the endless blood moonlight reflected on it, chopped the star emperor's big hand seal. The star emperor's big hand seal did not even set off any waves, it was directly broken, one side of Xuanyuan ink evil also spit blood again.

But the star emperor's fingerprints are broken, and the infinite water of the yellow spring can't be shaken at all. At this moment, with the infinite weight sweeping through, Ye Chen's figure is extremely small in front of the water of the yellow spring.

"I can't believe that I have to work hard with what belongs to me."

Feeling the heavy pressure of destroying the heaven and the earth, Ye Chen has a strange feeling in his heart. However, before he has time to think about it, the supreme power of crushing the sky will sweep over.

"Boom

Ye Chen madly stimulates the force of blood moon, but it has no effect at all. The blood moon on the sky explodes at this moment. Between the breath of destroying the heaven and the earth, Ye Chen suddenly flies backward, like a shell, crushed by the vast yellow spring.

"Boom, boom!"

At this moment, heaven and earth are constantly shaking under the suppression of the water of the yellow spring. The gullies that stretch for thousands of miles appear on the earth, and the sky bursts, and the endless starlight spreads in with the breath of nothingness.

Ye Chen only felt as if he was going to be crushed, and his whole body became soft and weak. There was no possibility of any resistance in front of the surface of the yellow spring.

No one can resist the vast yellow spring water that can crush the sky.

The passage behind him is still absorbing the water from the netherworld, but the speed is too slow. According to this trend, when ye Chen is crushed by the water of the yellow spring, the picture of Biluo huangquan can not absorb all the water from the netherworld.

Ye Chen has difficulty, Xiao Huang is also shocked, at the moment suddenly flies to Ye Chen.

"Master, I will help you!"

Xiao Huang roars, and her red and blue pupils burst into unprecedented brilliance at this moment. The endless red and blue light penetrates through the ages, and the breath of destroying heaven and earth sweeps through.

Chapter 3536

"Pour the sky pupil!"

Xiao Huang screams at the sky, and his red and blue pupils burst out with the terrible power of overturning the sky, reversing the earth, reversing the sun, moon and stars, and destroying the universe.

"Boom

The red and blue pupils burst out a dazzling and terrible red and blue light, instantly meeting the water of the yellow spring.

However, at this moment, the red and blue light that destroyed the heaven and earth could not block the water of the yellow spring. Even as soon as Xiao Huang appeared under the water of the yellow spring, she felt a terrible and irresistible force of confinement that enveloped her and could not get rid of it at all!

"Xiao Huang!"

Ye Chen can't help but be anxious when he sees Xiaohuang. The terrible pressure of the water of the yellow spring has already formed a terrifying and terrifying force of confinement. Anything close to the water of the yellow spring must be imprisoned. It will fall on the earth together with the water of the yellow spring, completely crushed and destroyed.

Ye Chen has been imprisoned by the water of the yellow spring. He doesn't want Xiaohuang to be in danger. He just didn't expect to be stopped by himself. Xiaohuang is in danger just like himself.

The power of the water of the yellow spring is too vast and terrible. It is almost invincible. Ye Chen even has a touch of despair in his heart.

"Do I really want to die in Xuanyuan ink evil hands? Be crushed by the water of your own spring

At the same time, Xiaohuang also felt the terrible pressure of the water of the yellow spring. The great power that could crush all the heaven and the world was incomparable and could not be countered at all. It was invincible.

"Ye Chen, your masters and servants are really of the same mind. Let's die together."

Xuanyuan ink evil see ye Chen and Xiao Huang are crushed by the water of the yellow spring, and immediately laugh, regardless of the body tumbling injury, laugh back and forth.

"When you're dead, I'll get my picture back!" Xuanyuan ink evil eyes shot a cold light.

"You deserve it too!"

Ye Chen scolded, Xuanyuan ink evil delusion, even want to take away the Biluo Huangquan map.

At this time, the sky suddenly burst out a fierce force to destroy the sky and the earth, and a space passage appeared beside Ye Chen.

"Roar!"

A terrifying roar rang through, and the whole kingdom trembled in the roar.

This is dragon chant!

The Dragon chant with great blood!

Hearing the sound of the Dragon chanting, Xuanyuan Moxie's face changed dramatically, while Ye Chen and Xiao Huang showed their joy.

"Blood dragon!"

Long time no see blood dragon back!

From Jiangcheng, the blood dragon's virtual shadow has come back!

Ye Chen moved in his heart and felt the surging dragon power sweeping over him. He couldn't help being excited.

"Master

A dull sound sounded in the space passage, and then a huge red, crystal like dragon claw emerged from the passage.

This dragon claw seems to be holding all the heaven and earth in the hand as a toy, and its powerful strength and momentum swept the four sides.

Xuanyuan moxie stares at the dragon claw. He can sense the power of the other party and the threat to himself. This guy even calls Ye Chen the master. How many cards does Ye Chen have!

"Bang bang bang!"

At the moment, the space passage is constantly cracking. The blood dragon is tearing up the void and forcibly comes to Ye Chen. Every time his claw reaches out, the space explodes. His power is too strong to stop the heaven and earth.

After learning that ye Chen was going to take part in the first World War of Mt.

And the blood dragon on the way to feel Ye Chen is dangerous, in a hurry to tear space, forced to come.

"Roar!"

There was another roar of the dragon, and the blood dragon suddenly rushed out of the passage. The dragon power of destroying heaven and earth swept the four sides, and the lawless momentum awed the mountains and rivers.

The huge dragon body blocks out the sun, and each dragon scale is shining with bright red light. The blood dragon looks at Xuanyuan moxie and sees endless killing intention in his eyes. It is Xuanyuan ink evil that makes Ye Chen in the crisis of life and death.

The blood dragon's eyes are sharp, looking at Xuanyuan ink evil, showing the supremacy and majesty.

While the blood dragon was staring at Xuanyuan moxie, Xuanyuan moxie was also looking at the blood dragon. Although the blood dragon's state was not as good as him, Xuanyuan ink evil felt terrible pressure, which made him feel threatened.

There are few people who can make Xuanyuan moxie feel threatened, but both Xuelong and Xiaohuang can make him feel threatened. Ye Chen is also included in this list. However, both Xiaohuang and Xuelong are ye Chen's companions, which makes Xuanyuan moxie wonder what chance Ye Chen is and why there are such abnormal subordinates!

Xuanyuan ink evil also found that on the forehead of the blood dragon, there was a bright pearl, emitting a trace of white clouds and thunder waves, and the vast emperor light was constantly blooming.

It is the legendary treasure of Hongmeng, the source of Dragon Spirit in the sky, and the Dragon bead of Yunlei emperor!

"I see!"

Xuanyuan ink evil face shaking, blood Dragon Master cloud Lei Di dragon beads, no wonder can burst out such a terrible momentum.

At this time, the blood dragon looked at Xuanyuan Mo Xie and then withdrew his sight. He wanted to kill Xuanyuan Mo Xie at one stroke, but ye Chen obviously needed his help at the moment."Master, I will help you!"

The blood dragon roared, and the endless dragon power swept out. At this moment, all the auras overflowing between heaven and earth turned into little dragons. This is the dragon power of the blood dragon, which is too vast. Give these auras a trace of dragon shape!

The whole body of the blood dragon is full of gold, and the power of the king of ten thousand dragons is displayed incisively and vividly. With one mouth, the five magic powers come out together!

Electric shock magic thunder sword!

Carefree feathering sword!

Green cloud cut God's awn!

Gengjia giant wooden needle!

Archean magneto-optical!

The terrifying source gas burst out, and the blood dragon has a majestic and magnificent dragon source. Under the great source gas, everything is destroyed.

The sword light, sword awn, God awn, giant needle and kindness light that destroy heaven and earth!

All the supernatural powers burst out in an instant, bombarding on the water of the yellow spring. The water of the yellow spring is constantly shaking, and the pressure of crushing the heaven and the world is stagnant at this moment.

"So heavy!"

The blood dragon broke out with divine power. Originally, he wanted to directly break the water of the netherworld. At the moment, he found out how terrible the power of the water of the yellow spring was. The incomparable heavy pressure made him feel like he was about to explode.

The blood dragon was full of blood and sweat, which was even more dazzling under the reflection of his red dragon scales.

With the help of the blood dragon, the falling degree of the water in the netherworld is greatly reduced, but ye Chen's three people are still pressed and sinking, still unable to resist.

"Ha ha ha ha ha!"

Seeing this scene, Xuanyuan Mo Xie's hanging heart was completely put down. Even if he did not dare to shake the vast yellow spring water, he would be completely crushed under the collision.

The water of the netherworld is stored in the space-time of the heavenly way by Xuanyuan ink evil. Otherwise, he could not bear such a heavy pressure, even the heaven could not bear it. The water of huangquan under the heaven's way of space and time was constantly collapsing and collapsing.

Chapter 3537

"All of you, die!"

Xuanyuan Mo Xie's excited shout, the light in his eyes flashed, and the three people who made him feel threatened died here today. What a good thing!

Hearing this, ye Chen's eyes are cold, looking at Xuan Yuan Mo Xie's eyes full of fierce killing.

Ye Chen can't let Xiaohuang and Xuelong be implicated by himself, and he has a card. If he can't stop it, he will use the method of six reincarnation. Even if he risks exposing his life experience, he should protect Xiao Huang and Xuelong and wipe out Xuanyuan ink evil completely!

When ye Chen is determined to use the six samsara methods, a clear drink suddenly rings out.

"Xuanyuan ink evil, you are too arrogant, even if all the people in the world are dead, ye Chen will not die!"

"Because I won't allow it!"

A figure floats to the scene, and the majesty of the ancient female warrior God sweeps across the world, just like the invincible God of war. The fierce momentum breaks out.

Xuanyuan Mo Xie's face changed dramatically, looking at Ji Siqing who suddenly appeared, his face was hard to see the extreme.

What is Ye Chen's great Qi? Why are so many people helping? First, blood dragon, and then Ji Siqing.

Xuanyuan moxie felt Ji Siqing's fierce and incomparable spirit of female martial arts, which ran through the universe. His heart was dignified to the extreme. This is the ancient female martial god, the supreme existence!

"Xuan Yuan Mo Xie, you let Ye Chen fall into such a predicament, I will kill you!"

Ji Siqing saw that ye Chen was crushed by the vast yellow spring water, and a touch of pity flashed in his eyes. Then he looked at Xuanyuan and said in a cold voice.

And ye Chen saw Ji Siqing, but he was also shocked in his heart. He didn't expect Ji Siqing to appear at such a critical moment.

Ji Si is pure and beautiful, with sharp eyes, stepping out of the lotus step, stopping time, thunder, eight wasteland, endless thunderstorm and turbulence.

"Ye Chen, I'll help you!"

Ji Siqing roared and killed at the water of the yellow spring. Behind her, there appeared an ancient virtual shadow of the female martial god. It was magnificent, majestic, vast, lawless and invincible.

"Sword

On the sky, Ji Siqing murmured, and the rosefinch flying cloud hairpin broke out and turned into a flying sword.

This flying sword is printed with clouds and clouds. It has all kinds of supernatural spirits. The vast air flow of Hongmeng is extraordinary. It is more powerful than the simple rosefinch sword.

Ji Siqing stabbed out a sword, and the sky was breaking. The edge of destroying the sky and the earth seemed to cut off the years, and it was suddenly cut down on the water of the yellow spring.

"Boom

When Ji Siqing was cut on the water of the yellow spring, she felt the terrible power of confinement. She could not help struggling and was shocked.

See this scene, originally dignified Xuanyuan Mo Xie smiles.

"Ha ha! No matter how many people help you, you are doomed to die, and these people will be buried with you! "

Xuanyuan Mo Xie's excited look is flying. If it's not too serious now, he would like to take advantage of this opportunity to kill Ye Chen.

"But if I don't, you'll die."

The corner of Xuanyuan ink evil mouth draws a cold radian. The vast water of the yellow spring is the most terrible card he left. It was originally useful, but now it is forced by Ye Chen.

At the beginning, Xuanyuan ink evil was able to collect the water from the vast yellow spring under the control of the blue and white spring map. Now it is impossible to collect the water from the vast yellow spring. This one-time killing tool is wasted by Ye Chen!

"You let me pay such a heavy price, let the water of the netherworld frustrate your bones and ashes, and crush them into ashes, which is also out of breath!"

Hearing this roar, Xiao Huang and Xuelong are extremely angry, and Ji Siqing is also very upset. She would like to rush out and kill Xuanyuan Mo Xie with a sword. However, the water of the yellow spring is so terrible that she can't make any action at all.

But at the moment, ye Chen looks calm and incomparable. He stares at the water of the yellow spring above, and his eyes are shining. Just when Ji Siqing stabs out his sword, he feels that the confinement of the water in the netherworld has a momentary tremor.

"Everybody, listen to my orders and get out of trouble at one stroke!"

Ye Chen suddenly gives Xiao Huang three voices, his body suddenly rises an invincible momentum that destroys the heaven and the earth, and the terrible pressure sweeps around, as if the reincarnation of the Lord comes.

Hearing Ye Chen's words, Xiao Huang's three people suddenly showed a color of excitement. It seems that ye Chen has a way out of difficulty. Ye Chen always creates miracles, and this time is no exception!

In contrast, Xuanyuan ink evil, feel Ye Chen overflowing with terror and pressure, suddenly his face changed dramatically.

"This guy, in such a state of death, does he have any means?"

Xuanyuan ink evil heart shock, dare not be careless, even regardless of the injury, mobilize the whole body strength, fingers pinch Jue.

"Burning blood day code!"

With a roar of Xuanyuan ink evil, the surging Qi and blood in the body actually began to burn violently. The violent power swept all directions, and the momentum of destroying the heaven and earth broke out, and the endless heavenly spirit covered the sky!

"Burning blood, this guy is crazy!"Ye Chen sees this scene and jumps in his heart. In order to kill himself, Xuanyuan Mo Xie ignores his own injury. Even if he is fighting for the risk of death, he should burn his blood and kill himself!

Xuanyuan Mo Xie's action makes Ye Chen unable to hesitate any more. He immediately roars, "gentlemen, borrow my strength!"

Ye Chen a drink, Xiaohuang three people do not have the slightest hesitation, they completely trust ye Chen, immediately pour all their strength into Ye Chen's body!

The red and blue aura of Xiao Huang, the majestic dragon power of blood dragon, and the supreme power of Ji Siqing, an ancient female martial god, all converge on Ye Chen.

"Boom

In an instant, ye Chen burst out the momentum of destroying the sky and the earth, and the terrible impact swept through, and the water of the yellow spring was turbulent again.

However, ye Chen is aware of the turbulence, his eyes are more firm, and he presses down his excited mood. The falling dust and dragon sword suddenly hovers in front of him.

"Deify the sword, and the blood moon will descend to the body!"

Ye Chen roared, and a blood moon rose again in the sky. At the same time, the endless blood moonlight was shrouded in the sky.

Ye Chen's body is now bursting out with endless edge. The water of the yellow spring rolled down from above is cut and turbulent, and the sword Qi that destroys the heaven and the earth emerges from ye Chen.

At this moment, ye Chen becomes a sword. With the help of the power of the blood moon, he wants to use his own body to kill the sky. This is incomparable atmospheric spirit and ye Chen's perception in the battle.

"That's how it works!"

Xuanyuan moxie's face changed greatly when he saw this scene. XueYue tutian was so powerful that he didn't dare to take advantage of it. Unexpectedly, ye Chen could turn his body into a sword and perform this move. It was invincible.

"Heaven's blessing!"

Xuanyuan ink evil burst to drink, the sky endless God light emerged, crazy poured into Xuanyuan ink evil body, in an instant, Xuanyuan ink evil momentum skyrocketed, body doubled!

"Boom

The six Tiandao streamers gather again behind Xuanyuan moxie. The sky bursts and the endless space collapses between the waving of Tiandao ribbon.

Chapter 3538

And at this moment, Xuanyuan ink evil again.

"Kill the immortal sword light, merge thousands of methods!"

Above the sky, the endless star emperor's mighty spirit fell down, and the sky collapsed into the sword of killing immortals, the breath of endless heaven was also integrated into the sword of killing immortals, and there were 100000 flying swords that destroyed the heaven and the earth.

In the end, it was the six heavenly ribbons that turned into a streamer into the sword of killing immortals.

In an instant, the light of the sword of killing immortals, which destroyed the heaven and the earth and suppressed the ages, burst out, shining on the mountains and rivers, shocked the whole world, and the invincible atmosphere of fury was surging out.

This sword is more violent and invincible than before when Xuanyuan Mo Xie killed Mo Xueming. It directly changes the color of heaven and earth and causes the mountains and rivers to disintegrate.

At the same time, the sword light condenses, Xuanyuan ink evil also suddenly spurts out a mouthful of blood, the body is pounding to burst, countless shocking deep scars like gullies emerge, blood flow like a column, instantly turned into a blood man.

Although he looked miserable and embarrassed to the extreme, Xuanyuan Mo Xie's momentum at the moment was more and more magnificent, just like a supreme master, an invincible supreme supremacy who suppressed all ages, and looked at Ye Chen with arrogant eyes.

"You're dead!"

"Kill me, sword light!"

With a roar of Xuanyuan moxie, the light of Zhuxian sword came out with a roar. The speed was as fast as the extreme. It was as if it penetrated through the universe, pierced the endless universe, cut off the long river of time, and crossed the eternal distance, and fell in front of Ye Chen in an instant.

The sword of zhuxianjian was suddenly killed. Ye Chen felt the endless threat of death enveloping him in an instant, as if he had fallen into a boundless hell, and endless fierce ghosts came up to kill him, and the shrill and shrill howls resounded in his ears.

Xuanyuan Mo Xie's sword is too terrible. It seems that it is an invincible sword that has crossed countless times and destroyed heaven and earth. It is impossible to stop it.

At this moment, when ye Chen's mind is in shock, a clear light comes to his mind, and all the illusions and sounds in his ears disappear, leaving only the ultimate sword light.

"As a sword, I'm just a sword. I want to kill me too!"

Ye Chen suddenly burst into a rage. At the moment, his momentum climbed to the extreme, and the power of Xiaohuang, Xuelong and Ji Siqing broke out completely.

Xuanyuan ink evil originally wanted to kill all four of Ye Chen with the help of this cohesive attack. However, he didn't expect that ye Chen turned into a sword and broke the shackles of the water of the yellow spring.

At the moment, ye Chen and Zhuxian sword light collision, although life or death is uncertain, but Xiaohuang, Xuelong and Ji Siqing have been out of trouble. Xuanyuan moxie's current state, no matter which of the three, he is no match.

"Damn it! The Lord of heaven is forced to flee by a group of ants

Xuanyuan ink evil looks extremely ugly, but uses up the last trace of strength, abruptly tears the void, turns around to escape into it!

"Want to go!" Xiaohuang saw this scene, immediately angry, drink a blast to kill to Xuanyuan Mo Xie.

At the same time, Xuelong and Ji Siqing were also furious. Xuanyuan moxie committed many evils and was the one to be killed by Ye Chen. Ye Chen paid so much to kill Xuanyuan Mo Xie. How could they allow Xuanyuan Mo Xie to escape.

"Leave it for me!" The blood dragon roared, and the fierce dragon power swept out. A divine awn suddenly penetrated the space, and the fierce invincible killed Xuanyuan Mo Xie.

At this moment, Ji Siqing also made a big move. The female warrior God's will came, and the speed was as fast as possible. A sword was thrust out to reflect the sky!

"Want to keep me? It's too late

Seeing this, Xuanyuan moxie laughed wildly. Xiao Huang discovered it too late. He had already stepped into the tearing space and disappeared completely in the next second. These people would never find him again! At this time, at the center of the impact, the endless blood moonlight and the atmosphere of heaven suddenly burst out the endless light of blood and moon like destroying the heaven and earth, and ye Chen's fierce and invincible momentum swept out.

"Xuan Yuan Mo Xie, you don't want to go!"

At the center of the impact, ye Chen's body is incomparable, and the light of Zhuxian sword can't stop Ye Chen. He is directly cut into two parts by Ye Chen and is suddenly broken.

Ye Chen is also furious when he realizes that Xuanyuan moxie wants to run away. Chongguang Shenxia palace in Xuanyuan's hand is trapped in part of the reincarnation cemetery. He must thoroughly kill Xuanyuan moxie and rescue these great powers. He will not waste the three ancestors of huangquan and the Seven Saints of heaven in order to help themselves!

"Die for me!"

The voice of Ye Chen spreads out at the same time, the person already appeared in front of Xuan Yuan Mo Xie.

At the moment when Xuanyuan Mo Xie wants to completely step into the tearing space, ye Chen bursts out with endless blood and moonlight. The speed is extremely fast, as if to penetrate through the ages and cross the endless river of years.

At this moment, Xuanyuan Mo Xie's face climbed into endless panic. He was completely panicked. The threat of death completely shrouded him. He felt his hands and feet cold. His consciousness seemed to be frozen at this moment, without any reaction. He looked at Ye Chen's sword blindly.

Ye Chen's speed is too fast, Xuanyuan ink evil root can't avoid originally, at this moment has already fallen into the realm of death!

At this moment, on the endless sky, a pair of gorgeous and incomparable bright eyes appeared like a mirage. Her body was filled with endless, oppressing the sky, frightening the supreme imperial power of all ages. Her momentum was unruly and invincible.

The owner of these eyes is the queen of the upper world, xuanjiyue!

Feel the fuzzy scene below, although the concrete is blocked by an invisible law, can not see clearly.

But at the moment xuanjiyue's eyes are sharp, she feels Xuanyuan ink evil is dangerous!

When Xuanyuan Mo Xie came to the upper heaven palace, she left a symbol of life and death on him.

You can feel the life and death crisis of Xuanyuan ink evil!

At this moment, in the moment when ye Chen is about to kill Xuanyuan ink evil, he suddenly makes a move!

Even if you threatened her!

But Xuan Yuan Mo Xie can't die!

Chapter 3539

Xuanyuan ink evil is also useful for xuanjiyue! Even a lot of doubts have not been solved!

"Boom

The supreme power of destroying the heaven and the earth swept out. At this moment, xuanjiyue completely ignored the extraordinary warning of her first appointment, and forced her to intervene in the affairs of the kingdom of God. Ye Chen and Xuanyuan moxie fought against each other!

Xuanjiyue's power is too terrible. At the moment, she suddenly takes action regardless of the consequences. Her fierce and incomparable strength suddenly breaks the sky of the kingdom of God, and the endless imperial power diffuses down.

At the moment of Ye Chen stabbing Xuan Yuan Mo Xie, he is covered with infinite power, which completely blocks Ye Chen's sword.

"Boom

The terrible concussion spreads, ye Chen's arm trembles unceasingly, falls the dust to descend the Dragon Sword almost not to grasp the steady bullet to fly out.

At the moment, ye Chen's mind is not in his hand at all. He just stares at the boundless glory of Xuanyuan Mo Xie, and the emperor's power diffuses, which makes Ye Chen's anger more and more turbulent!

"Xuanji moon!"

Ye Chen is too familiar with this power. It is the power of xuanjiyue, which is obviously xuanjiyue's need to protect Xuanyuan's ink evil!

Ye Chen couldn't help but look up at the sky, as if to see the figure of xuanjiyue from the cracked sky, and severely questioned her, but there was nothing on the sky except the countless broken void.

At the moment, ye Chen's sword failed to kill Xuanyuan moxie. Xuanyuan moxie also came back from the fear of death. Seeing the light flowing through his body, he could not help but smile with joy.

"Ye Chen, with the Queen's protection, you can't kill me!"

"This account, when I get to the upper bound, I will let you pay it back slowly!"

Xuanyuan Mo Xie looks at Ye Chen and reveals a smile. His words are filled with endless complacency and freedom.

Xuanyuan ink evil also did not expect, in their own has been completely desperate, that no longer possible to survive, xuanjiyue even to save themselves.

And at this time, Xuanyuan Mo Xie also heard a voice in his mind, like a mountain and river burst, the whole world broke, let his head completely blow open.

"If you have Xuanyuan evil, you can go to me immediately."

As the words fell, the endless light on Xuanyuan moxie's body was dimmed for a few minutes. Xuanyuan moxie's face suddenly changed, and he didn't dare to shout any more. He quickly retreated into the channel at the next moment.

But in the moment of dim light, ye Chen's eyes flashed with light, and suddenly took a hand. A sword broke out and instantly cut through Guanghua.

"Damn it!"

Xuanyuan ink evil face ferocious, quickly raised the arm to block, at the same time the body flash!

"Hiss!"

The terrible edge came in an instant, Xuanyuan Mo Xie's arm was directly cut off by Ye Chen, but he also successfully escaped Ye Chen's fatal sword.

"Ye Chen!"

Xuanyuan ink evil was cut off an arm, a mouthful of Qi blood directly spurted out, he was extremely happy and sad, ye Chen seized the opportunity, fortunately, quick reaction, otherwise he would have died at the moment.

"I will kill you, you wait!" Xuanyuan ink evil roars, the next moment directly into the channel.

The tearing channel closes abruptly. Ye Chen looks at him coldly and doesn't choose to shoot again. Just one sword has completely exhausted his strength, which is also the last chance. It's useless to take another shot. It's impossible to break xuanjiyue's protection.

And Xiao Huang's state is not very good, even if how angry, can only let Xuanyuan Mo Xie escape.

"This guy has a lot of life." At the moment, Xiaohuang came, but also can't help gnashing his teeth, would like to swallow Xuanyuan ink evil alive.

"Master, since it's over here, it's time for me to leave."

And at the moment, the blood dragon slowly came forward, unwilling to look at the place where Xuanyuan ink evil disappeared, and then Chong Ye Chen said respectfully.

He knew that Xuan Yuan Mo Xie had gone to the upper world or beyond.

The valley of the Dragon where he is located is the outer world.

He has to investigate this as soon as possible!

Moreover, in this war, he was proud of the strength, but not enough!

He wants to be stronger for his master!

Such as the original Jiangcheng, Jiangnan Province, Huaxia that brilliant blood dragon virtual shadow!

He wants to be above heaven and earth!

He should not be afraid of the empress xuanjiyue!

In this way, he is qualified to be ye Chen's card and guard!

"Go ahead." Ye Chen feels the anger and catharsis in the blood dragon's heart. He nods and doesn't say much. He also knows that the current state of blood dragon's staying in the kingdom of God will be too limited, which is not conducive to his cultivation.

Blood dragon turns to leave, Ji Siqing also comes forward at this moment, slender jade hand suddenly holds Ye Chen.

"Don't think too much. If you let him run away this time, he will die next time." Ji Siqing said.

"Well, I understand." Ye Chen looks at Ji Siqing and is very grateful. If Ji Siqing didn't come this time, his terror would have been suppressed by the water of the yellow spring.

"Well, I'm going to leave too. I use the power of ancient times and must adjust my skills as soon as possible, otherwise it will have a great impact on my foundation." Ji Siqing reluctantly released his hand, and then took a deep look at Ye Chen, as if to carve the appearance of Ye Chen in his heart, and then turned to leave.

Blood dragon and Ji Siqing are gone, ye Chen slowly falls from the air, and Xiao Huang is closely behind Ye Chen.

Although they got rid of the danger of repression by the water of the netherworld, the water of the netherworld was not completely absorbed by Ye Chen. At the moment, ye Chen looked at the endless water of the netherworld, and the passage of the reincarnation cemetery covered by the Hongmeng breath behind him poured out a stronger traction force.

Without the distraction of fighting, ye Chen can concentrate more on collecting the water from the netherworld spring. In this way, the speed of collecting the water will be faster and all the water from the spring will be recovered as soon as possible, which will make the huangquan river more powerful.

.....

At the same time, Xuanyuan moxie stood in the passage, his face was ferocious, looking at his bloody broken arm, his hatred for ye Chen reached the extreme.

This is a broken arm wound with the power to destroy the Shinto.

It's not easy to recover! Even pay the price of the foundation loss!

"Damned fellow, I will pay back the shame you have brought to me. I will make you worse than death!"

Xuanyuan moxie roared wildly in the passage, and it took him a while to calm down completely. At the moment, his face was gloomy and he woke up from his anger.

Xuanyuan moxie has been acutely aware that his tearing channel has been changed by xuanjiyue.

Xuanjiyue sets the end point of the space channel to the upper bound, and Xuanyuan moxie will eventually arrive at the upper bound, and then he will face what he does not know.

"Why did xuanjiyue save me? What did she want to ask? Is it for the glory God Xia palace in my hand Xuanyuan Mo evil eyes turn, now he wants to escape from this channel.

Chapter 3540

But Xuanyuan moxie didn't dare. He knew very well that his injury was too heavy at the moment, there was no residual strength at all, and he could not even break the passage.

What's more, even if he can do it, after escaping from the channel, it is very difficult for him to survive in this state, and Xuan Jiyue will be furious, and he will surely die at that time!

Originally Xuanyuan moxie wanted to escape to foreign countries, but he didn't expect xuanjiyue to intervene. Although he saved him, he was also trapped in another crisis.

Xuanyuan ink evil is very clear, xuanjiyue is aware of her ambition, so she wanted to kill herself for a long time. Xuanjiyue used to fight at the division killing meeting, but now the other party is not kind enough to save herself.

"Is it because of the identity of the reincarnation master..." Xuanyuan ink evil guess one after another.

But at this time, in the upper world, xuanjiyue was in the magnificent and magnificent hall. The invincible imperial power awed all directions, but her eyes were closed and her eyebrows were slightly wrinkled.

Xuanjiyue's mind at the moment are all fuzzy fighting pictures, but what makes her dignified is the breath of the blue and yellow spring.

Ren Feifan's prohibition rules to the kingdom of God are too powerful!

Xuanjiyue can't see the battle in the lower boundary, nor can she see the appearance of Ye Chen and Xuanyuan moxie, but she knows that someone is using the blue and white spring map.

She is more and more suspicious of Xuanyuan ink evil!

But he also has some doubts about ye Chen.

After all, it's amazing that there is a Xuanyuan ink evil in the kingdom of God. Now there is another Ye Chen!

"Who is Ye Chen? It's so mysterious that I can't see through it!" Xuan Jiyue's eyes flashed and she had countless doubts in her heart.

All this, xuanjiyue must ask to understand, so she will ignore Ren extraordinary warning to save Xuanyuan Mo Xie.

Xuanjiyue is extremely afraid of the reincarnation Lord. She will not let go of any information about the reincarnation Lord.

If xuanjiyue knew who was the reincarnation master, she would kill each other recklessly.

.....

At the same time, Xuanyuan moxie closed his eyes and folded his knees in the passage. He had to adjust himself to his best state as soon as possible. Otherwise, he could not control himself in the face of xuanjiyue. He could only be manipulated by xuanjiyue. He could not help himself!

And he didn't notice that there was a pair of eyes staring at him in the dark!

The eyes are as cold as snow!

Her master is a beautiful woman riding on a black flame beast!

In the eyes of the woman, the meaning of killing is like falling snow with blood.

And there was a white girl beside her. It was Bai er.

Bai er's eyes were worried. He stretched out his hand to pull Wei Ying's clothes and said, "palace master, you must not do it now."

"What you have done in foreign countries during this period of time has already shocked those big people."

"Someone has already guessed the relationship between you and juechan emperor Zun."

"You have already offered a similar reward in the underground world outside the territory."

"No, it's not the pursuit, it's the whole foreign blockade."

"If you do it now, those big people are very familiar with juechan emperor Zun's skills, and they will lock you in as soon as possible."

"At that time, although Xuanyuan moxie died, you would also fall into the realm of absolute death!"

"Palace master, please think twice!"

Xiaobai even has some crying.

She didn't know how many times she worried about the palace master during her stay abroad!

She even witnessed the palace master's white clothes gradually stained with blood!

Like a blossoming plum blossom withered, finally bright earth!

The palace master is relying on himself to survive in the pursuit of those big people outside the country!

No one knows what kind of pressure this seemingly cold girl is under.

"Bai'er, I don't need to say much. I've made up my mind."

"Xuan Yuan Mo Xie is enough to threaten Ye Chen. He must die today."

"Even if I was discovered by those people, what would happen?"

"If they dare to kill me, even if I die, I will let them understand what is the will of the Supreme Master of Juechan palace!"

"In my whole life, I'm doomed to be unable to even climb the moon of Xuanji!"

"In my whole life, there is nothing wrong with any behavior."

The next moment, Wei Ying's whole body was filled with cold. The strength in her hands was incredible to the extreme!

And the strength of the kingdom of God is too different!

Just when Wei Ying is going to do it!

All of a sudden, a sudden change!

A figure suddenly appeared in the channel of Xuanyuan ink evil.

Even someone is one step ahead of Wei Ying!

When Wei Ying saw the figure, her strength gradually dissipated.

Her cold star like eyes turned out to be unexpected.

"She's here."

"Who is it?" Xuanyuan moxie suddenly opened his eyes, and his eyes were frightened. How could he perceive other people's breath from this channel? This should not be ah. At this time, Xuanyuan moxie also looked forward to the front. It turned out to be a mighty dragon. The dragon was shining and golden, which was even more extraordinary than the blood dragon.

The endless dragon power diffused, and Xuanyuan moxie's mind was constantly shaken. His injury was not healed at all. At the moment, he met this guy who did not know his enemy or friend, and he was afraid to suffer.

"Who are you?" Xuanyuan moxie couldn't help but drink and asked. He tried to suppress the disordered aura in his body and adjusted his state a little better. It didn't look so miserable.

"Well?" Hearing Xuanyuan Mo Xie's words, the Dragon found that there was someone else in the channel. He couldn't help but turn his head.

The dragon's eyes are filled with endless killing intention. Just one glance makes Xuanyuan's ink evil cold. After all, the other party doesn't look like a good stubble. The dragon's momentum and strength are so extraordinary. If they really fight, it will be troublesome.

If ye Chen is here, he will find that the dragon in the passage is the real body of Ye lu'er!

"How could I be here?" Ye lu'er gives Xuanyuan Mo Xie a look with awe inspiring, and then looks around. This is actually a space passage. I don't know where she will go, and she has no idea why she is here.

It's like being forced here by a force.

She knew that it was probably the sealed idea in the deep of consciousness.

However, for some reason, ye lu'er felt an uncontrollable anger after seeing Xuanyuan Mo Xie. He wanted to tear up Xuanyuan Mo Xie completely.

"Where does this passage go?" Ye lu'er suddenly looks at Xuan Yuan Mo Xie and asks.

"I'm going to the upper world. I'm the Lord of heaven. The queen of the upper Kingdom has a talk with me. Who is the dragon?"

Xuanyuan Mo Xie pretended to be a domineering and extraordinary appearance, and said that he and xuanjiyue had something to do with him. There was no one in the world who was afraid of xuanjiyue.

Xuanyuan ink evil's abacus is very good, and he thinks that the dragon in front of him will be afraid of his words and dare not do it easily.

However, Xuanyuan Mo Xie did not expect that ye luo'er heard the names of the Lord of heaven and the queen of the upper world, and his endless killing intention suddenly burst out.

"Are you Xuanyuan moxie?"

Ye luo'er looks at Xuan Yuan Mo Xie coldly, and the golden glass like dragon pupil climbs up to a touch of red light at this moment, and his fierce and incomparable killing intention is almost condensed into essence.

"I..." Xuanyuan Mo Xie's face changed greatly, and ye luo'er's momentum broke out, which made him feel like an enemy. He had no idea why ye luo'er hated him so much. He didn't know the dragon in front of him.

"Hum! Since you are Xuanyuan moxie, go to death! "

Ye luo'er suddenly burst into a drink, and suddenly he took a hand. With a roar of a dragon, the endless golden light swept out of his mouth. Accompanied by the boundless power of the dragon, he suddenly killed Xuanyuan moxie.

The sound of dragon roar frightens the heaven and earth, and makes the channels tremble. The breath of destroying the heaven and the earth sweeps across, and Xuanyuan's face is extremely ugly.
