Chapter 3641

Ye Chen doesn't want to kill Su Yunyan. It's just that Su Yunyan didn't mean to kill him just now. Otherwise, Su Yunyan will be dead.

Since they are not here to kill him, the people in the Moon Palace naturally have other things to do.

Su Yunyan stood up slowly and saluted Ye Chen: "Mr. Ye, I am the emissary of Xingyue palace. My name is Su Yunyan. It was Yunyan who was rude just now. Please forgive him. The reason why he took action on Mr. Ye is just a little curious. Is Mr. Ye as powerful as the rumor..."

In qingliao City, ye Chen has been called the God of war!

Originally, Su Yunyan still disdained the title, but now she thinks that the name of God of war is not enough to describe Ye Chen's terror, and should be called the demon God!

Ye Chen looked at Su Yunyan and said with a smile, "now, what do you think?"

Su Yunyan is so staring at by Ye Chen, some embarrassed to tidy up his clothes, and said with a bitter smile: "it is Yunyan who has overstepped his own strength. With my strength, he is not qualified to measure Mr. Ye..."

Ye Chen turned around and said, "in this case, if there is nothing, I will leave."

Su Yunyan saw that ye Chen was going to leave, but he said in a hurry: "wait a minute! Mr. Ye, the main purpose of my coming to you this time is to ask if you are interested in joining the star moon palace

Ye Chen and Jin Shuhui smell the speech, they are all footstep meal!

Ye Chen turns around and looks at Su Yunyan. His eyes flash slightly

Xuanhanyu suddenly said with a smile, "this woman is very clever. She doesn't just draw you along and bring Shuhui with her."

Su Yunyan also has beautiful eyes. She knows that Jin Shuhui, such a beautiful woman, is likely to be ye Chen's woman. If not, she is very close to Ye Chen. With Ye Chen's strength and martial arts talent, it is very easy to join any force in the moon soul domain. Even if you have the heart, you will be promoted to the Yangzhen realm in the future It's not difficult!

So this kind of person will not necessarily join the star moon palace!

However, with Jin Shuhui is different. Even if ye Chen doesn't join the Star Moon Palace, with Jin Shuhui's relationship, he can be regarded as a half Star Moon Palace person.

Looking at Ye Chen's silence, Su Yunyan said with a smile: "why don't you go back to Xingyue palace with me first? When the time comes, you two want to join us or not. You are all demons from xingxuan region. Xingyue palace is very welcome to xingxuan martial artists!"

When ye Chen heard the speech, he said, "what is the distance between the Star Moon Palace and the six Taoism schools?"

Su Yunyan heard that liudaozong was stunned, a lonely sect. Did he want to join liudaozong?

It should not be possible!

After all, liudaozong is no longer the peak of the past.

However, the distance between liudaozong and Xingyue palace is not too far.

"It's very close." Suyun flue.

Ye Chen nodded and said, "if only Shuhui joins you in the Star Moon Palace, is it OK?"

He couldn't forget the gratitude and resentment between liudaozong and his previous life. He wanted liudaozong to become the most powerful force in the moon soul domain, so he did not intend to join any forces for the time being.

Ye Chen never said it, he will be responsible for his commitment!

However, Jin Shuhui is not the same. If she can join a first-class force to practice, it will be of great benefit to her!

Moreover, it is not a good thing to let Jin Shuhui follow her all the time. Ye Chen's side is too dangerous!

When Jin Shuhui hears the speech, her beautiful eyes flash. She knows that the most important thing now is to become stronger!

Have strength, can have dignity!

Su Yunyan said with a smile: "of course, this is no problem."

As soon as she raised her hand, she let out a purple light. The purple light was long when she saw the wind. In an instant, it turned into a purple boat with incomparably exquisite and luxurious construction!

"Two, please!"

When the three people moved, they boarded the boat. When the purple light was filled, they turned into a Purple Rainbow and left!

.....

As time went by, a gorgeous boat was flying through the clouds. A man with a cool look stood at the bow of the boat. It was Ye Chen.

He looked down through the rolling clouds, and there was a slight shock in his eyes!

I saw, under the sea of clouds is a very towering City, even in this high altitude, the city seems to be close in front of the general!

In particular, a palace in the center of the city!

Originally, he thought that the Star Moon Palace that he saw in the xingxuan area was extremely exquisite and magnificent, but compared with the palace in front of him, it was nothing!

There is only one word in Ye Chen's mind, which can describe the impression of this palace. It's marvelous!

Su Yunyan suddenly appears on the side of Ye Chen's body. At this time, she has changed back to a lavender gauze skirt, showing her full appearance. Even if ye Chen saw it, her mind could not help being one of them!

Although Ye Chen is not influenced by Su Yunyan's charm, his innate temperament is different. Su Yunyan, as if born into a man's heart in general!

Even if there is no natural charm, Su Yunyan is still an overwhelming existence!

Su Yunyan said with a smile: "Mr. Ye, this is Xuantian City, where my Star Moon Palace is. Let's go down now."

The boat, like a purple meteor, fell towards Xuantian city. Over Xuantian City, the city guardian, who was in charge of patrolling and guarding, looked at the boat. His face changed, and he quickly took out his token and opened the city fortress ban!

When ye Chen sees this scene, his eyes flash. It seems that Su Yunyan's identity is more complicated than he thought!

Even the disciples of Xingyue palace, ordinary people can't let the guards open the city guarding array in such a hurry.

Soon, under the leadership of Su Yunyan, ye Chen and Jin Shuhui entered the Xingyue palace.

As soon as he entered, ye Chen and Jin Shuhui looked at each other and both eyes were bright!

The aura of this Star Moon Palace is too rich!

When they first entered the moon soul realm, they felt that the aura here was very rich, but what about the Star Moon Palace?

It's a thousand times stronger than other places in the moon soul realm?

I'm afraid it's difficult to cultivate slowly here!

Su Yunyan said with a smile: "there is a heaven level spirit pulse in the moon soul domain under the Star Moon Palace. Although it is only inferior to the heaven level, it is better than most places in the moon soul domain. Moreover, the whole Star Moon Palace is covered by an ancient spirit gathering array, which was built by the founder of Xingyue palace and other predecessors with countless efforts. Therefore, the aura here is The concentration is much higher than that in other places. "

Ye Chen and Jin Shuhui nodded their heads. This Xingyue palace is a treasure land of cultivation!

Chapter 3642

Su Yunyan walked toward the palace with Ye Chen and Jin Shuhui, and said, "Mr. Ye, Miss Jin, let's meet the elder of Xingyue Palace first. He is in charge of the affairs of the disciples in the palace. You can rest

assured. With my guarantee, if you join the Xingyue palace, you can become the inner disciples directly. If you are chosen by any elder to become the true disciple, it is not impossible It's something. "

Ye Chen nods. He knows that Jin Shuhui is the main one.

Although Su Yunyan's strength is not strong in the Xingyue palace, it can be even more common. However, her identity seems to be very special. Along the way, those disciples of Xingyue Palace are extremely respectful to her!

Even some of her more powerful disciples are like this!

Gradually, they have penetrated into the interior of the palace. There are no disciples here. Obviously, it is not a place where ordinary people can come.

Walking here, Su Yunyan's pretty face also appeared a smile, came to a wooden door with many arrays engraved on it.

Su Yunyan didn't even knock on the door, so he pushed the wooden door open.

After the wooden door, an old man with a handsome appearance and a crane hair and childish face appeared in the eyes of all.

Seeing that the wooden door was pushed open, the old man's face first appeared a touch of anger, but when he saw clearly who the visitor was, he immediately changed into a smiling face, and his eyes were full of spoiling color!

Su Yunyan called out to the old man with great intimacy: "grandfather, I'm back!"

Ye Chen and Jin Shuhui are both stunned!

The so-called elder of Xingyue palace is Su Yunyan's grandfather!

Moreover, this old man is an extremely terrible existence of cultivation!

The old man laughed and looked very happy. However, he also reproached him and said, "Yunyan, I have told you many times that the secret envoy's task is dangerous. You should not do it casually, you always don't listen to it."

Su Yunyan pouted and said, "well, I can't do nothing in the sect. Besides, there are many interesting tasks for the secret envoy. The two friends behind me are ye Chen, ye Chen and Jin Shuhui. They came from xingxuan region, and I recognized them in this mission.

Grandfather, ye Gongzi and jinxianzi are all martial arts talents with extremely high qualifications. If you want to join the Star Moon Palace, you should have no problem entering the inner door? "

The old man grinned bitterly and shook his head. Then he turned his eyes to Su Yunyan and nodded to Ye Chen and Jin Shuhui with a smile. He looked very kind.

However, there was a trace of doubt in his eyes.

Although some of her grandchildren have temperament, their vision is extremely high. Even the talented disciples in Xingyue palace may not be able to appear around her. They seem not even able to mend the sky. How can they become friends with Yunyan?

However, the elder didn't ask any more questions. Instead, he said with a smile to Ye Chen: "my name is Su Wu. Since you are from xingxuan region, you can join me in Xingyue palace. However, some procedures still need to go. Please follow me to see the palace master first."

Su Wu dotes on his granddaughter very much. Since he is recommended by his granddaughter, it is necessary to let them join the inner gate. It is not absolute that the inner gate of the Star Moon Palace can join only after reaching a certain level. Naturally, there is no such restriction for those real demons.

Ye Chen and Jin Shuhui saluted Su Wu and said, "there is elder Lao su."

With that, the four people went to the hall where the Star Moon Palace master was.

Come to this hall, ye Chen is again a Leng, only to see a young woman sitting on the main seat!

This woman's face is also very beautiful, cold expression, temperament is somewhat similar to Jin Shuhui.

However, this woman looks young, but her strength is not weak at all!

I can't even see through the cold heart of samsara cemetery!

She is the master of Xingyue palace, nanfengyin.

In the main hall, there are several other people, one sitting on the left lower head, slender eyes, broken fat middle-aged man, his face with a kind smile, looks like a businessman, not a warrior.

This man, named Yuan Ping, is the second elder of Xingyue palace. His accomplishments are still unpredictable. However, he is not as good as Su Wu.

The other, sitting at the lower head on the right side, is a man in a black robe with a dark temperament and a scar on his face. This man, named Wu Fei, is the three elders of Xingyue palace. His accomplishments are still unable to be checked.

However, the evil spirit on this man is very strong. Presumably, the actual combat strength is higher than his realm!

Behind Wu Fei, there is a handsome young man with a long black sheath sword in his hand. Although he is young, he is already the five layers of heaven in the sky!

This man is a disciple of Wu Fei, Chen Mingyu.

As soon as Su Yunyan entered the palace, he directly said with a smile: "see the palace master. I know two friends. They are rare talents from the xingxuan region. If they want to join the palace, the palace

master can't refuse, but we lost the star moon palace!"The seemingly cold nanfengyin also smiles when she sees Su Yunyan. Even though Su Yunyan seems to be a bit impolite, she is not angry at all. She looks at Su Yunyan with intimacy in her eyes.

Just as nanfengyin was about to speak, a disciple came in and said, "master of the palace, master Xu of the nine sage demon sect is here!"

Nanfengyin heard the speech, but she said with a look: "please come in Mr. Xu!"

It's no wonder that nanfengyin is like this. The nine saints demon sect is a powerful force in the moon soul region, even stronger than the Star Moon Palace. All of the nine Saint demon families are demon family disciples!

Of course, if you are a general disciple of the nine saints demon sect, you will not let nanfengyin do so. The key is that Xu Shenglong's identity is not ordinary at all. He is the nephew of the demon king of the nine saints demon sect!

Su Yunyan smell speech, but slightly frown way: "how did he come, in this case, I take ye Gongzi and jinxianzi, go down and have a rest."

Su Yunyan and ye Chen are preparing to leave, but outside the hall there is a man's voice saying: "Yunyan, this young master is specially here to see you. How can I come here and you are going to leave?"

Outside the door, a tall, golden robe, eyes like two rounds of the sun, golden eyes, the most heroic appearance of the young man, although the man is transformed into a human form, but a body of evil spirit, but as strong as the waves!

This person, it is Xu Shenglong, the palace master and elder of the Star Moon Palace. After seeing this person, his pupil shrinks!

Today's Xu Shenglong is even more than the last time he met!

Moreover, Xu Shenglong is less than 1000 years old this year!

The stronger Xu Shenglong is, the more noble he is in the demon clan!

Chapter 3643

When Su Wu looked at the Xu Sheng dragon's face, he laughed bitterly. Who said that the cultivation of the demon clan was slow? That's just the general demon clan. For those demon clans with strong blood, the cultivation speed is much more terrible than the talent of human race!

Xu Shenglong's eyes at Su Yunyan are extremely hot, and they are not covered up. The demon clan is a straightforward character, and there is no need to cover up his identity!

Su Yunyan is slightly frown, did not speak, in the beautiful eyes still take a minute anxious!

Obviously, she didn't want to stay!

In her opinion, ye Chen's value is much higher than Xu Shenglong. Compared with Ye Chen's rebellious talent, what is Xu Shenglong?

You know, ye Chen is only 20 years old this year!

She brought Ye Chen this time. She didn't ask Ye Chen to join the Star Moon Palace, but at least she wanted to leave a good impression on Ye Chen?

But now, let Ye Chen go back to the guest room by himself?

It's not a snub. What is a snub?

Moreover, she is more fond of Ye Chen!

Seeing this, Yuan Ping, the second elder, said with a smile: "what Mr. Xu said is right. Yunyan, Mr. Xu has just arrived. It would be a bit impolite for you to leave like this. As for those friends, let them go down by themselves. The disciples at the door will take them back to the guest room to rest."

He looks at Ye Chen and Jin Shuhui with a faint disdain. With the strength of Ye Chen and Jin Shuhui, they can at most be a servant disciple in Xingyue palace. Even, ye Chen can't even be a servant!

Also do not know how these two people are to Su Yunyan this wench to cover, unexpectedly want to let them join the Star Moon Palace?

Join, also join it, anyway, like Ye Chen two people, no strength existence, in the Star Moon Palace simply can't hold on for long.

But now, Su Yunyan still has to sweep the face of Mr. Xu for these two people?

This is a little too much!

Nan Fengyin didn't say anything, but obviously she had the same idea with Yuan Ping, even Su Wu, who always loved her granddaughter!

Let Ye Chen and ye Chen join the Xingyue palace just to see Su Yunyan's face, but for ye Chen they offend Xu Shenglong, it's not worth it!

At this time, ye Chen to Su Yunyan, with a smile: "it's OK, we'll leave by ourselves."

In any world, treatment is linked with strength. In China, it is wealth and power, while in the world of martial arts, it is strength!

Ye Chen looks very weak. He is despised by Nanfeng Yin and others. It's normal that he doesn't care.

"But..."

When Su Yunyan heard the speech, he bit his lips, and his beautiful eyes were full of unwilling color. Finally, he looked at Chen Mingyu behind Wu Fei and said, "Mingyu, you can send Mr. Ye off to them."

Chen Mingyu heard this, but his face changed. His eyes were full of discontent. He glanced contemptuously at Ye Chen and said, "elder martial sister Su, it's unnecessary. Can't you tell the East, the west, the north and the south?"

He is a great disciple of Xingyue palace. How can he lead the way to a little scum in the heaven God realm?

Moreover, there are not many opportunities to get in touch with the nephew of the nine sage demon emperor. If we can take advantage of this opportunity to have a good relationship with Xu Shenglong, it will be of great help to him in the future!

How could Chen Mingyu give up such an opportunity for a scum?

On Su Yunyan's pretty face, she was really angry!

Why don't everyone understand the value of Ye Chen?

She has a premonition that if ye Chen is dissatisfied with today, she will only look up to Ye Chen in the future!

Star Moon Palace, now has begun to decline, and may even be removed from the influence level!

Ye Chen is the best chance to rise again!

Su Yunyan's look fell into people's eyes. They were all puzzled. Why are these two people so important to Su Yunyan?

Ye Chen didn't say anything more. He turned around and walked to the door with Jin Shuhui.

He didn't want to embarrass Su Yunyan.

But at this time, a big drum sounded in the hall!

With a pair of eyes, Xu Shenglong, like a wild beast, roared at Ye Chen: "boy, stop for me! Does Yunyan like you! Did you rob a woman from me

Su Yunyan's look, Xu Shenglong also saw!

Can, in the understanding of demon clan, this is like!

Otherwise, how could su Yunyan care so much about ye Chen?

As soon as this is said, everyone is stupid

Even ye Chen looks at Xu Shenglong strangely. The brain circuit of the demon clan is really strange

However, he still light way: "you misunderstood."

Then he continued to walk towards the door.

Can, with the character of demon clan identified a thing, which has so easily changed?

He moved, then came to Ye Chen's side, one hand toward Ye Chen's shoulder to grab, deep voice way: "you want to escape? Since Yunyan likes you, I'm going to fight with you today to see who is better. I won't allow you to escape! Excellent women belong to the strongWith the action of Xu Shenglong, the wind blows up. The air of the whole Star Moon Palace is stirred by it. Even the earth begins to shake!

Can be seen that this toward Ye Chen shoulder down a grasp has what terrible power!

It's enough to kill Yuan Shengyu. It's enough to kill Chen Shengyu. It's not enough for him to kill Chen Shengyu?

But!

The next moment, the hand fell on the shoulder of Ye Chen, and the unexpected scene appeared!

Ye Chen, is actually a frown, shoulder a shake, will Xu Shenglong this contains infinite power of the palm shake open?

People, some can't believe their eyes

This day, God realm boy, in this catch, not only did not get hurt, but also shook Xu Shenglong's palm open!!!

What does that mean?

It shows that Ye Chen's power is not under Xu Shenglong, or even above it!

Of course, it's just that Xu Shenglong didn't do his best

However, the cultivation of heaven and God can shake Xu Shenglong's hand, which is enough against the sky!

Ye Chen looked at Xu Shenglong and said again, "you really misunderstood me. I have no special relationship with Miss Su."

Then he continued to walk towards the door.

Xu Shenglong looked at his palm. Suddenly, his body moved again and blocked Ye Chen. He looked at Ye Chen with dignity and said, "I can't believe that you are such a powerful opponent. It seems that Yunyan likes you for no reason. Just now, it was my carelessness. Please give me another chance!"

Ye Chen for a time some laugh and cry, this boy does not listen to people to speak?

Chapter 3644

However, he was also a little angry. Ye Chen was not a good-natured person. He was entangled by Xu Shenglong for many times. He didn't break out. He had already given Xingyue palace face!

At the next moment, Xu Sheng's dragon mouth let out a roar of a tiger. In Xingyue palace, some weak disciples screamed bitterly, and their ears were shocked with blood!

The endless evil spirit comes from Xu Shenglong's body. The golden robe of Xu Shenglong's body radiates in an instant. The huge force rolls in his body and blows at Ye Chen again!

This fist, Xu Shenglong still did not use any Demon power, but with pure physical strength to play a punch!

However, it is not at all the previous random grasp, can be compared to ah, more than five times stronger?

With one blow, the hurricane roared, and the furniture made of the best materials in the hall turned into powder in an instant!

Nanfengyin, Yuan Ping and others are all pupils with crazy contraction. Is this the strength of Jiusheng Yaozong's disciples?

This fist seems to use only physical strength, but in fact, the perfect control of power has already taken on the meaning of the road!

The meaning of the Tao is not consciously understood, but is similar to the instinct, after the control of power reaches the extreme, it enters the realm by itself!

In this way of returning to nature, the power of divinity is far stronger than that of normal comprehension!

Because, only in this way can we understand the essence of the road, and there is almost no complexity!

However, ordinary people can't learn such a method even if they want to learn it, because only martial arts talents, the most extreme martial arts, can naturally master it!

Nanfeng sound, can become a palace master, its qualifications need not be said much, but even in the tens of thousands of years of cultivation career of Nanfeng sound, naturally, the number of times to understand the road itself is not more than three!

What about Xu Shenglong?

From the strength of its meaning of the road, at least, it also needs hundreds of times of perception, understanding, in order to achieve!

Of course, there is something wrong with mastering the power of Shinto completely in this way, that is, the time required is too long, which may be thousands of times of normal comprehension!

However, the longevity of the demon clan is extremely long. Xu Shenglong has a lot of time, doesn't he?

And he's not over a thousand years old this year!

As a demon clan, he has such a talent for martial arts, which can be called against the sky, and the future is limitless!

The most important thing is that Xu Shenglong is not the most talented demon clan of the nine saints

They can't help shaking their heads. Ye Chen can shake Xu Shenglong's arm, which is beyond their expectation, but that's all

Although Xu Shenglong still used pure physical strength in this attack, the victory or defeat was basically determined from the moment when he took on the incomparably pure connotation of the road.

When everyone thought that ye Chen would be defeated by Xu Shenglong, a strange spirit suddenly appeared in the hall of Xingyue palace!

When Nan Fengyin and others felt the evil spirit, their faces changed and they were not clear. Therefore, they were shocked

Why?

Because, this evil spirit does not come from Xu Shenglong!

But from ye Chen body sends out!

Ye Chen looks at Xu Shenglong coldly, and his anger looms in his eyes!

More evil than strength? He won't lose any mending the sky!

His body surging against the sky, a blow in the chest, destroy Shinto breath, from the top of the fist peak, ready to go!

Ye Chen is really fed up with Xu Shenglong. He wants to defeat Xu Shenglong thoroughly and won't give the other party a chance to stand up again. Therefore, ye Chen even uses the body of the heavenly demon!

He gazed at Xu Shenglong's blow and gave a cold smile. It seems that Xu Shenglong is also extremely proud. If he loses to himself in pure strength, he will win back with pure strength?

Ha ha, unfortunately than strength, he Ye Chen has never been afraid of anyone!

The next moment, a punch!

This fist, also without any spiritual power fluctuation, can still make people's brains tremble!

The people present, without the weak, can naturally feel how powerful the fist contains!

However, the most shocking thing for the people in Xingyue palace is that ye Chen has the blood of demon clan, and it seems that ye Chen has the blood of demon clan!

Even when ye Chen releases his evil spirit, Xu Shenglong's whole body trembles. The golden light in his eyes dissipates in an instant, and his face appears a color of fear!

It seems to be suppressed by blood!

It's really beyond their expectation

Xu Shenglong is the nephew of the demon emperor of the nine saints demon sect. His blood is not weak. If you want to suppress Xu Shenglong, you can imagine how terrible it is!

In a flash, all people look at Ye Chen's eyes have changed!

Since ye Chen has such a terrifying demon blood, it is likely that ye Chen has a good position in the demon clan! However, Xu Shenglong is the biggest change!

Just a second before the collision between the fists of the two sides, Xu Shenglong actually clenched his teeth fiercely and forcibly reversed his fist regardless of the injury, and his whole person bumped into Ye Chen's fist unprepared!

That star moon palace people, see this scene, consciousness will be frozen!

What's going on?

Even ye Chen, also slightly frown, in the fist is about to explode in Xu Shenglong's moment, will a sound of strength scattered, take back the fist.

If on the understanding of Tao, ye Chen is still far above Xu Shenglong!

Otherwise, how can we understand the way of destruction?

As a matter of fact, ye Chen's great road charm has almost no impurities, but the breath is more restrained, and ordinary people can't feel it.

As for the reason, even xuanhanyu was very puzzled. Ye Chen relied on his own understanding. The road of practice should be the same as that of ordinary martial arts. The power of Shinto is not pure enough. However, ye Chen's understanding seems to completely fit the essence of the Tao of heaven!

Ye Chen is actually able to understand the way of ordinary people, to achieve the effect of natural understanding!

In xuanhanyu's opinion, this may also be related to Ye Chen's previous life!

At the moment, Xu Shenglong has broken his hand bone because he forcibly reverses the power of his fist, but this small injury is nothing to the demon clan.

At the moment, he was even fracture are not care to deal with, in full view of the public, did not hesitate to kneel in front of Ye Chen!

The whole hall was quiet, and all the people were staring at the scene

Has always been extremely proud, even if it is dead, also unwilling to be humiliated, actually knelt down?

Even ye Chen looks at Xu Shenglong with a look of surprise. Even by the standards of demon clan, Xu Shenglong is definitely the existence of a few tendons in his mind

The first moment, but also all out, tit for tat, the next moment, directly kneel?

Chapter 3645

Xu Shenglong, however, lowered his head and said with great respect: "master son, I have no eyes. I have offended you. Please punish me!"

He clenched his fists, as if he were ready to die!

The son?

Ye Chen can't help but ask Xuan Hanyu: "Xuan fairy, do you know what he said?"

Xuanhanyu pondered for a moment and then said, "the forces of demon clans outside the territory are very complex. The demon clans in different boundaries may be related to each other, not as much as the Terrans pay attention to the separation of boundaries.

They can communicate with each other.

Therefore, if I guess correctly, the son in his mouth refers to those who come from the demon Kingdom outside the kingdom! And this demon family holy land is the Xuanyao real world of heaven and man!

Xuanyao Zhenjie is a space opened up by the ancient demon clan's great power in the heaven and man realm. If you want to live in the Xuanyao real world, you don't look at the background, the strength, or even the martial arts qualification! The only requirement is blood!

As long as you have the blood of the demon clan, you can not only enter the real world of Xuanyao, but also have the supreme status in the whole territory, especially in the demon clan!

After all, blood is the lifeblood of the demon clan. The demon clan in the real world of Xuanyao is related to the future of the demon clan! Being disrespectful to them is to have trouble with the whole demon clan!

And these demon clans, also known as Xuanyao Shengzi, this guy should be shocked by your spirit of heavenly demon, mistaking you as Xuan demon Saint son! "

The blood of the heavenly demon is obtained by Ye Chen in the kingdom of God, but even if it is put outside the territory, it is still superior to most demon families!

After hearing this, ye Chen said faintly to Xu Shenglong: "I'm not a Xuan demon son. You misunderstood me."

Then he turned and left.

But when Xu Shenglong heard the words, he was stunned. Then, tears came out in his golden eyes. He worshipped Ye Chen and said, "I will never forget the kindness of the son today."

Ye Chen looks at a fool and looks back at Xu Shenglong. What's the matter?

This wonderful flower, still think oneself is Xuan demon Saint son? What more kindness? Where did it come from?

However, the reason why Xu Shenglong misunderstands him is not entirely without reasons besides his single minded personality.

First of all, the real world of Xuanyao is very secret among the demon clans. Most people have no way to know. At least, in the moon soul domain, no one can name this name except the relatives of the demon emperor of the nine saints!

If ye Chen is not the son of Xuan demon, how can you know the real world of Xuan demon?

Therefore, in Xu Shenglong's opinion, ye Chen is one hundred percent Xuan demon Saint son!

The reason why Ye Chen didn't admit it was because ye Chen was kind-hearted and didn't want Xu Shenglong to be punished!

The price of offending the son in the demon clan is not light at all!

So ye Chen denied his identity!

Before ye Chen hit himself before the moment, suddenly stop boxing is not the best proof?

Xu Shenglong's golden eyes flashed in his heart and said to himself, "look, the son's eyes are full of appreciation now? I guess Xu Shenglong is right

Thinking of this, Xu Shenglong not only did not realize his mistake, on the contrary, moved to tears!

He has always heard the elders say that Xuanyao Shengzi is extremely noble and overbearing, and should never be provoked. But who would have thought that he would meet such a kind and virtuous son in his lifetime?

When Xu Shenglong looked at Ye Chen, he felt as if he had seen the eternal Ming emperor. His eyes suddenly flashed a decisive color and said in secret:

"only a person like the son of God is the best person to dominate our demon family. Since Xu Shenglong has been appreciated by the son with my humble body, I should repay him with my life and help him On the throne of the demon clan

This throne does not refer to the position of the demon emperor of the nine holy demon sect, but the existence of the real demon family master in the whole territory, which is called the existence of the demon emperor!

In the view of Xu Shenglong, only Ye Chen is qualified to be the emperor!

Xu Shenglong suddenly worshipped Ye Chen and said, "please, master son, allow your subordinates to follow you around."

Ye Chen looked at Xu Shenglong and felt a burst of weakness. He waved his hand at will and said, "whatever you want As long as you don't call me a son, I'm Ye Chen

He is really too lazy to explain. Anyway, with Xu Shenglong's character, no matter how he explains it, he can only describe it more and more.

When Xu Shenglong heard the speech, he stood up excitedly and said, "yes!"

Well, the Holy Son is walking alone in the soul region of this month. If you expose your identity at will, it is likely to cause danger for the adult! I was abrupt!

Xu Shenglong felt a sense of "master Shengzi, not only is his benevolence and virtue outstanding, but also his intelligence is superior. I, Xu Shenglong, can follow the saint It's a blessing to have been cultivated for several years by Mr. Ye! "Later, he bowed to Su Yunyan and apologized: "I'm sorry, Su Xianzi. I don't know that you are Mr. Ye's woman. From now on, I will never have any irreconcilable desire for you!"

When Su Yunyan hears the speech, he just looks at Xu Shenglong foolishly and forgets to refute it!

Then, Xu Shenglong suddenly looked at Nanfengyin with an extremely serious look and said in a deep voice: "Nangong master, today's affairs, especially the identity of Ye Gongzi, I hope no one will know, otherwise, I can guarantee with you that the nine saints demon clan and even the whole demon clan will never die with you in Xingyue palace!"

After that, he rushed to chase Ye Chen and called out: "childe, Mr. Ye, wait for me!"

All the people in Xingyue palace have dull faces. Even Su Yunyan didn't expect such a development!

Why did ye Chen become a saint?

Nanfengyin suddenly yelled to Su Wu: "elder elder, if you are ye Gongzi and that jinxianzi, you want to join our Xingyue palace and let them become the disciples of zhenzhuang, and the master of this palace will be their master himself, you know?"

No matter what ye Chen is, it is not easy for Xu Shenglong to treat him like this!

In a flash, the whole Xingyue Palace People's attitude towards Ye Chen has changed!

Before that, Chen Mingyu, who had made a mockery of Ye Chen, was shaking with fear and offended such a big man. Where could he, a little disciple of Xingyue palace, bear it?

Only Su Yunyan was alone. His face was strange, and his pretty face was full of doubts.

.....

Ye Chen is holding a cup of spirit tea, and his face is full of bitter smile. He takes a look at Xu Shenglong standing beside him holding the teapot. He is speechless for a while

Does this kid really treat himself as a servant?

One side of Jin Shuhui saw that, even though she was always cold, a funny color appeared on her pretty face.

This is Xu Shengbao

Chapter 3646

Ye Chen couldn't help sighing: "Xu Shenglong, you go back first, I want to practice."

Hearing the speech, Xu Shenglong replied respectfully, "yes!"

He put down the teapot and was about to walk outside the door, but suddenly he stopped. He turned his head and looked at Ye Chen and said, "by the way, Mr. Ye, two days later, the moon god's secret place will open. Do you want to participate?"

Ye Chen smell speech, eyebrow tip a pick, what is this moon god secret place again?

At this time, xuanhanyu's voice suddenly rang out in Ye Chen's mind: "Ye Chen, you must go to the moon god's secret place. The moon liquid spirit marrow in the moon god's secret place is a good thing. Moreover, after you get the moon liquid spirit marrow and cooperate with the spirit of the owner of the sword spirit body, you should be able to untie the next seal on the palace!"

"More importantly, this moon god secret place It may have something to do with that elder... "

Mr. Ren?

Blood month?

Moon god secret place?

Ye Chen thought of what, look move, taste a hand of the spirit of tea, to Xu Shenglong way: "tell me about this moon god secret land."

When Xu Shenglong heard this, he was very flattered and said: "this secret land of moon god was opened up by a top powerful man named Ren with some deities. It is said that in ancient times, the outside world was controlled by the gods, and the four kingdoms were dominated by the sun, the moon, the star and the sky. But later, for some unknown reason, the gods left the region, and the moon god was the God of the moon Secret place, in ancient times, is probably the residence of the moon god clan!

Originally, the moon god's secret place is impossible to enter. Even though countless years have passed, the prohibition of guarding this secret place still has incomparably terrifying power!

However, every ten thousand years, there will be a total lunar eclipse in the moon soul domain! At this time, the forbidden power of the moon god's secret place will be greatly weakened, which is our only chance to enter the moon god's secret place. The total eclipse of the moon will last for three days. These three days are the time we can stay in the moon god's secret place! "

Ye Chen smelled the speech, and his eyes flashed slightly: "the mysterious state of this month is quite meaningful. What conditions do you need to enter this mysterious place?"

Such a mysterious place of extraordinary origin can not be anyone who wants to enter it.

Hearing this, Xu Shenglong said with a smile: "don't worry, sir. Just leave this matter to me. You don't have to expose your identity. Your subordinates will certainly win a place for you to enter the moon god's secret land."

Ye Chen raised his eyebrows and said, "Oh? What can you do? "

Xu Shenglong, somewhat proud of himself, raised his spine and said, "young master, there are many forces in the soul realm this month. However, there are only seven that have been handed down since ancient times. However, one sect has declined and the sense of existence is very low."

What did ye Chen think of, he opened his mouth and said, "I'm afraid the seventh one is six schools."

Xu Shenglong was stunned and nodded: "it's just that the glory of liudaozong in the past is not there. The patriarchs and disciples in the sect are somewhat inexplicably arrogant. They seldom participate in the affairs of the moon soul domain, and some of them are closed to the outside world."

"In addition to the six schools, the remaining six forces are also known as the ancient six schools! This ancient six sects, no matter in details, or strength are relatively strong!

For example, only the six ancient sects knew the existence of the moon god's Secret realm, and only the six ancient sects combined could be able to crack the prohibition of the moon god's Secret realm during the total eclipse of the moon!

Nine saints demon sect is one of the six schools in ancient times. Hehe, as a subordinate, we can still get a quota for the young master!

The aura of the moon god's secret place is a little strange. Only martial artists who are no more than 1000 years old can enter it. Otherwise, the aura will turn into poison!

Therefore, the six ancient sects only sent their own young demons into the secret place, but the young master was just in line with the conditions! "

Ye Chen looks at Xu Shenglong. He looks strange. Unexpectedly, the little brother who falls from the sky is really useful

Otherwise, with Ye Chen's current strength, it's not easy to get a quota.

He was a little curious. If the moon god's secret place was opened, would senior Ren appear?

So far, he has never seen Ren's real life.

But one thing can be sure that the most mysterious senior Ren is now outside the territory!

He did not think much, nodded his head: "that trouble you, and later don't call me what childe, call me ye Chen."

Ye Chen is a man of clear gratitude and resentment. No matter whether Xu Shenglong helped himself because of misunderstanding or not, he could not really make use of Xu Shenglong's misunderstanding to take advantage of Ye Chen's character. Although Xu Shenglong is a bit naive and a living treasure, he is not bad in nature. It is OK to make friends.

Ye Chen will not let his friend call himself.

When Xu Shenglong heard this, he was stunned. Then, in his golden eyes, he burst into tears again. He wiped his tears and said with great sincerity: "I am very grateful to you for treating me so much! However, this title can not be changed. Otherwise, it is not disrespectful to the young master

In Xu Shenglong's opinion, it is the biggest recognition for him to call himself by his name as the Holy Son of Ye Chenxuan demon! How can we not be moved? Ye Chen is even more determined!

Ye Chen shook his head helplessly and waved his hand and said, "it's just it. You are happy."

For the next time, ye Chen practiced in Xingyue palace, waiting for Xu Shenglong's arrival.

And Jin Shuhui, also officially joined the Star Moon Palace, even directly became a disciple of nanfengyin!

Two days later.

In a very exquisite attic built in the bamboo forest, a indifferent man was sitting in the training room with his eyes closed. His whole body was full of colorful lights, and he was rushing to get into his body!

This man is Ye Chen naturally.

All of a sudden, ye Chen's eyes opened, his eyes were full of spirit, just like two sharp swords out of the body!

There was a trace of joy on his face, and he said to himself, "the aura here is really abundant. In just seven days, my cultivation has advanced one more point! It's only half a step from the breakthrough! "

The loft, named Yuehuang Pavilion, was prepared by the Xingyue palace for entertaining guests with extremely distinguished status.

Yuehuang Pavilion is built on the eye of the gathering spirit array of Xingyue palace. The aura here is the strongest in the whole Xingyue palace. It is even stronger than the residence of the palace master!

Since the farce in the main hall of Xingyue palace, nanfengyin's treatment of Ye Chen and Jin Shuhui has changed dramatically. She almost confessed them as their ancestors!

Ye Chen and Jin Shuhui also moved into the Yuehuang Pavilion!

Ye Chen stood up and moved his body. At this time, he suddenly looked moved, and a strong breath suddenly rose from the Yuehuang Pavilion!

Ye Chen smiles and Jin Shuhui breaks through!.

Chapter 3647

Jin Shuhui's martial arts ability is also extremely against the heaven, especially after refining the spirit power of heaven, his martial arts foundation is more solid.

In recent days, in order to attract Ye Chen, nanfengyin has also sent many martial arts cultivation resources. With the help of these martial arts cultivation resources and the extremely rich aura of Yuehuang Pavilion, nanfengyin has successfully broken through!

A door in the attic opened, and a beautiful woman walked out of it and came to Ye Chen. She was originally a little cold and pretty, and she was rarely brought with a touch of excitement on her pretty face.

Ye Chen said with a smile, "Shuhui, congratulations."

Hearing this, Jin Shuhui said, "Congratulations, ye Chen, are you strong again? In these seven days, even if you don't have those martial arts training resources, your promotion is much higher than mine? "

Only in front of Ye Chen can Jin Shuhui speak in this tone.

Ye Chen touched his nose and said, "eh A little bit of harvest... "

Jin Shuhui pouts and pouts her lips. She thinks that her martial arts talent is pretty good. She can follow Ye Chen, but she seems to be under attack all the time! They've been beaten to pieces!

Compared with Ye Chen, a demon who transcends ordinary people's understanding, he is nothing

However, Jin Shuhui's heart, in addition to sigh, is more proud!

Be proud of Ye Chen's excellence!

When a woman is proud of a man's excellence, it means that the woman's heart has fallen on the man.

Especially, such as Jin Shuhui, a woman with extremely simple feelings.

Ye Chen smile, just at this time, under the attic, sounded a man's voice.

"Young master, I've come to pick you up!"

Ye Chen's expression moved and said to Jin Shuhui, "Shuhui, you can practice in this star moon palace for the time being. I'll go out and come back three days later."

When Jin Shuhui heard the words, a touch of reluctant color appeared in her beautiful eyes. However, she nodded and said, "be more careful."

To tell you the truth, in recent days, although she and ye Chen are almost all practicing, it's really good to be in the same place with Ye Chen, having tea and talking with heaven after practice.

These two short days are the happiest days in Jin Shuhui's life.

At this time, naturally do not give up, but, she knows, like Ye Chen such a man, no matter how strong, he will not stop, but forward and forward again!

Jin Shuhui's pretty face can not help but appear a lonely color, which for his woman, is a kind of luck, but also may be a kind of misfortune.

Ye Chen looks at Jin Shuhui's expression, and his eyes gradually soften down. He suddenly reaches out his hand and stops Jin Shuhui's slender waist and pulls her delicate body into his arms.

Jin Shuhui exclaimed, and a touch of red rose from her pretty face. However, after a little struggle, she fell obediently in Ye Chen's arms, and even held Ye Chen tightly, feeling the heat from him.

Ye Chen smiles and whispers, "Shuhui, give me a little time."

He said nothing more.

But sometimes a word is enough!

Ye Chen has a lot of responsibilities. Whether it's Rescuing Da Neng from the samsara cemetery, or solving the mystery of his previous life, or finding Xia Ruoxue who is lost outside the country, breaking

the seal on xuanhanyu, avenging the emperor yuan palace and xuanjiyue, the empress of the upper world, and even defeating the villain who escaped from the hopeless world

And want to fulfill these responsibilities, rely on strength!

Great strength!

Very likely, need to be able to surpass the strength of the entire territory!

Therefore, he seems to have made great progress in strength, but for ye Chen, time is really urgent!

He didn't know when the enemies of previous lives would come to take their own lives. He did not know when the trapped power of the samsara cemetery would suddenly dissipate

He, can only move forward, go forward desperately!

In this way, his chances of survival will be greater

All he could do was promise to end all this as soon as possible. At that time, even if ye Chen wanted to pursue the ultimate of martial arts, he would not be so anxious. Instead, he would take his women and friends and accompany them well

Golden Book Huimei eyes, tears flash, she hugged Ye Chen more forcefully, but, the next moment, she broke away from ye Chen's arms, stepped back half a step, and said with a smile: "OK, go quickly, I know this moon god secret place is very important to you."

She is willing to wait, for ye Chen such a man, even if waiting for thousands of years, how about you?

There are a lot of time for martial arts practitioners. More importantly, ye Chen is a man worthy of waiting for any woman!

Ye Chen is silent for a moment, a turn around, walk toward the building, eyes more firm a minute!

Faster!

He wants to, progress faster!

Because, in this world, there are not only the responsibilities he should bear, but also the people waiting for him! Seeing ye Chen coming, Xu Shenglong said, "you are here, young master."

Ye Chen nods a head way: "matter, how?"

Hearing this, Xu Shenglong laughed, and suddenly reached out his hand and handed a bead overflowing with colorful light to Ye Chen and said, "young master, fortunately, you are not disgraced. I have obtained a quota for you. This treasure is the certificate to enter the secret land of moon god."

Xu Shenglong is easy to say, but ye Chen knows that things are not so simple. With Xu Shenglong's character, if he gets the quota, he will tell himself in the morning. Why wait until now?

It is estimated that he worked hard until the last minute to get this quota!

Ye Chen accepted the seven color pearl, did not say anything more, but all this he remembered in his heart.

He is a very simple person. If others treat him well, he will treat others well. Although Xu Shenglong calls him a child, ye Chen has already regarded Xu Shenglong as a friend.

Ye Chen said, "let's start now."

Xu Shenglong replied: "yes!"

At the next moment, his whole body was full of gold, and a terrible evil spirit was stirring up in the bamboo forest. Xu Shenglong's body shape disappeared from the original place and replaced by a tiger with pure gold fur, which was extremely powerful and the size of a hill!

This is Xu Shenglong's noumenon, and also a kind of extremely powerful demon clan outside the territory, named golden light God tiger!

Xu Shenglong turned his head to Ye Chen and said, "young master, please sit down on your subordinates."

In the demon clan, it is a common thing that the lower level people act as mounts for the superior ones. Even, it represents a kind of trust and glory to be able to act as the mount of those noble demon families!

Ye Chen was stunned and couldn't help smiling bitterly. At first, he wanted to refuse. Seeing Xu Shenglong's expectant, glittering golden eyes, he shook his head. Finally, he moved his body and sat on Xu Shenglong's tiger back.

It has to be said that the fur of the golden tiger is extremely soft and comfortable to sit on. It is not comparable to any top sofa on earth.

Xu Shenglong's eyes are full of joy!

You know, the general demon clan, want to become the mount of the son, are a kind of extravagant hope!

Xuanyao Shengzi can only ride on the demon clan that he recognizes and is close to!

Mr. Ye is willing to let himself be his mount now, which shows that he has been partially recognized by the young master!

In a flash, Xu Shenglong's golden eyes, burning up a fierce fighting spirit, in this case, he can't let the young master down!

The golden tiger let out a thunderous roar. When the golden tiger was full of gold and its claws were flying, it turned into a golden giant and broke through the sky at a very fast speed!

Xu Shenglong ran very hard in the air. It was just like fighting for life and death!

Ye Chen smiles helplessly when he sees this. He doesn't know whether Xu Shenglong is a tiger or a horse

Chapter 3648

In the moon soul region, a very remote forest, at this moment, there are several figures flashing.

One of the middle-aged men, dressed in a gold robe, full of golden hair, even a pair of eyes is also golden color, his every move, are sending out an incomparably powerful power, at the same time, this prestige also has a frightening evil spirit!

This man is Huang Rushan, the elder of nine saints demon sect!

Huang Rushan was accompanied by several young people with extraordinary bearing. Although they were human, their appearance had some special features. However, what attracted more attention was their strength!

Huang Rushan is surrounded by three young people, all of whom have two characteristics. First, they are all no more than 1000 years old. Second, their accomplishments are not lower than that of mending the heaven!

There is no doubt that these people are the talents of the nine sage demon sect!

At this time, a young man with a pair of green vertical pupils, a pair of emerald sharp horns on his forehead, and his body exuded the aura of dense wood attribute, coldly hummed: "Xu Shenglong, that

guy, is going to take a quota. What is it that this quota can determine the future of the demon clan?
Hehe, how come it hasn't appeared yet

Standing behind Huang Rushan, a handsome young man with the same golden hair and golden eyes said with a smile: "Xiaomu, you don't have to worry. Although Shenglong is a bit naive, he will never make fun of the quota for entering the secret land of moon god."

The last demon genius was a woman, a woman in a dark blue dress with long black hair hanging down to her waist.

Although this demon family woman is extremely beautiful, she exudes a very cold breath all over her body!

The Yellow haired youth is Huang Rushan's son, named Huang Xingtian. His body is also a golden tiger, but more pure than Xu Shenglong's blood!

His accomplishments surpass Xu Shenglong!

The boy with two horns, named Mu Mingxuan, is the youngest of the three. He has just reached 700 years old this year, but he has reached the middle stage of mending the sky. He can be called a rare martial arts genius among the demon clan. His body has some origin with the Qing emperor, and also comes from the Yimu Qinglong clan. However, the blood of Mu Mingxuan has undergone a variation!

There are two kinds of variation. One is because of the complexity of blood vessels, and the variation is good and bad.

The other is atavism!

Mu Mingxuan belongs to the latter!

There is a trace of ancestral dragon in his blood!

What is ZuLong? That is the ancestor of all dragons!

Although it's just a little bit, it's scary enough!

However, if this aura of ancestral dragon is compared with ye Luo'er, it may be the difference between giant dragon and insect.

The last woman, named she Jingjing, is a very rare giant snake. It is said that she has something to do with the legendary Ba snake, and her accomplishments are not low.

Of course, demon clan can not be measured by realm, their strength and physical body are the key.

Suddenly, there was a flash of gold in the sky. In a flash, it fell in front of everyone and turned into a golden tiger.

People see, first is a joy, this Xu Shenglong finally came!

But then, the smile is stiff!

Why?

Because, on Xu Shenglong's back sits a indifferent young man, moreover, this man is a human!

The demon clan can become the mount of the demon clan whose identity is higher than its own, but it would rather die than be ridden by human beings!

This is a real shame for the demon clan!

But now, Xu Shenglong has a human sitting on his back?

And you look so happy?

This is a disgrace to their nine saints demon clan, even to the whole demon clan!

Even Huang Rushan, who is always calm and steady, stares at Xu Shenglong with a very ugly face. If it wasn't for the boy's identity, he would have hit Xu Shenglong seriously!

Mu Mingxuan was the youngest and most impulsive. Immediately, he was very angry and said to Xu Shenglong: "Xu Shenglong! Is this what you call the future of the demon race?"

Ha ha, you really give us the face of demon clan leader? Entrust the future of our race to a human? Do you want us demon clan to become human's Mount like you to be happy?

What's more, is it a human being with such rubbish? Xu Shenglong, my Mu Mingxuan is different from you. I haven't been so humble as to be like this! "

When Xu Shenglong heard the speech, his eyes suddenly became cold. He let out a roar, and he was about to pounce on the wooden Mingxuan without saying a word!

Mu Mingxuan can say that he can, regardless of Xu Shenglong Han, but what he pays most attention to is the affection of the same clan. He always has a good temper when dealing with the demon clan

But!

Mu Mingxuan mocks Ye Chen and insults him?

This is absolutely unacceptable to Xu Shenglong!

Looking at Xu Shenglong's body full of evil spirit, he pounces at himself with all his strength. Mu Mingxuan is also a little stunned. He didn't expect that Xu Shenglong really wanted to fight himself for a human being!

Immediately, Mu Mingxuan was really angry, and his whole body was thundering. The green light flashed into his body, and he also flew towards Xu Shenglong!

This dragon and tiger, claws and teeth, Demon power surging, we will fight!

Can be at this time, a figure but stopped in the wood Mingxuan and Xu Shenglong!

Ye Chen's eyes twinkle, and his whole body's spiritual power is surging. Suddenly, he reaches out and presses toward Xu Shenglong and Mu Mingxuan!

Huang Rushan and others smile coldly when they see this. The Terran boy is too much of his own, right?

Xu Shenglong and Mu Mingxuan are still brothers of the same sect. Although they are all above the spirit, they don't really mean to fight for life and death. This attack only uses physical strength!

However, even so, it is not a small human being that can withstand it!

Or to block two big demons at the same time?

What's more, if they're right, the Terran kid has only used his physical strength?

That's even more funny!

But in the moment of Ye Chen's hand, his body suddenly burst out a strong evil spirit!

Mu Mingxuan and Xu Shenglong were the first to feel the evil spirit. Their expressions were shocked. The anger in their eyes quickly dissipated. Their muscles were slightly stiff. It was the suppression of blood!

Mu Mingxuan looks at Ye Chen in disbelief, how is this possible?

He is a demon family with a trace of ancestral dragon blood. He was suppressed by this strange boy with blood breath!!!

And Huang Rushan, Huang Xingtian and others are also the face of horror!

How could the boy in the divine realm have such a strong and pure evil spirit!

Even the elder of the nine saints demon sect, the powerful existence of the breath of terror, faintly gave birth to a trace of obedience to Ye Chen!

This time, people see ye Chen's look completely changed!

Chapter 3649

The stronger Ye Chen's strength is, the more he can exert the power of the heavenly demon's blood. Now the body of the heavenly demon is far more powerful than when he was in the kingdom of God.

Huang Rushan looks awe inspiring. At the moment when ye Chen sends out evil spirit, his brain begins to run at full speed!

Connected with a series of actions before Xu Shenglong, a frightening fact gradually surfaced in Huang Rushan's heart!

Is this young man coming from the holy land!

Huang Rushan, the elder of the nine saints demon sect, thought of going with Xu Shenglong!

Immediately, a look of anxiety appeared on his face, and he had to take measures to stop the fight among several people. If this person is really the son of Xuan demon, if there is any damage, the whole nine saints demon clan can not afford it!

But it's too late!

At this time, Mu Mingxuan's Dragon claws and Xu Shenglong's tiger claws collide with Ye Chen's palm!

Huang Rushan's face turned pale!

Can, the next moment, the incredible scene, but emerged in front of everyone!

Blocking

Ye Chen actually blocked the wood Ming Xuan and Xu Shenglong at the same time, with that terrifying force, the blow out!

Even, it's not just blocking!

The two huge demon bodies are actually under Ye Chen's palm, and fly out in an instant, smashing countless trees, and then barely stopping their body shape!

For a moment, the whole forest was silent!

All people, are staring at Ye Chen, brain, will not work

What does it mean to block both Mu Mingxuan and Xu Shenglong with the power of the body?

It means that ye Chen's pure power is more powerful than these two demon family talents!

This time, Huang Rushan in the eyes of the divine light, completely determined Ye Chen that Xuan demon Saint son's identity!

Why?

If it was not for the mysterious demon son, with the incredible blood force, which demon family could have such physical strength against the heaven in the heaven God realm?

Whether the demon clan blood is strong, often can see from the body strength!

What's more, ye Chen seems to be only 20 years old!

It's unbelievable. Only the blood of Xuanyao Shengzi can explain the origin of Ye Chen's strength!

There is also a point, in Huang Rushan's view, ye Chen should be the hybrid of demon clan and Terran, so, the breath is so similar to human beings!

Most demon clans are not willing to mix blood with human beings, because in the view of demon clan which pays attention to blood inheritance, human is a kind of extremely low blood!

Mixed blood with humans often makes the blood of demon clan more complex and reduces the blood strength!

But can it be so terrifying to be mixed with humans?

What's more, it proves that ye Chen's lineage of demon clan is so terrible!

Several other demon geniuses, and Huang Rushan's ideas are basically the same!

Xu Shenglong fell dizzy for a while, but he immediately got up and turned into a human figure. He half knelt in front of Ye Chen and said, "my subordinates have taken action without authorization. Please punish me!"

However, Xu Shenglong said that, but on the surface is incomparably excited look!

There are two reasons for the excitement.

1、 Ye Chen is actually in order to stop him and Mu Mingxuan's fight, condescend to lower your own hand!

General Xuan demon son, but will never do so!

Just like, when the emperor saw two civilians fighting, would he go up to persuade them?

2、 Because of Ye Chen's strength!

Xu Shenglong has always believed that Shengzi is very strong, but after all, he has never seen Ye Chen really make a move. Now, seeing ye Chen show his strength and confirming his idea, he is naturally very excited!

Xu Shenglong couldn't help but look at Huang Rushan and others who suddenly appeared somewhat restrained at the moment and said with a smile: "do you usually say I'm stupid? Hey, I'm very smart. Otherwise, how can I see through the identity of the son at a glance? From now on, will you look at me differently? "

Ye Chen was surprised by his own strength. After all, he and Mu Mingxuan still had some gap. But he was relieved when he thought that his heavenly demon blood had suppressed the demon clan.

He light way: "get up, Shenglong, you do things too impulsive, this is not a good thing for you, after the hand before, think more."

To friends, ye Chen has always said something directly, as long as it is helpful to his friends, he will not hide when he thinks about it.

He's not trying to teach Xu Shenglong a lesson. He's just a friend's advice.

But to Xu Shenglong, it's just like the imperial edict!

The excitement on his face dissipated in an instant, leaving only fear in his eyes!

Childe, this is to abandon oneself too rash?

For a moment, Xu Shenglong recalled all kinds of things in the past, and suddenly found that he was really reckless!

It's like doing things without a brain!

Is a person like himself qualified to assist the son and ascend to the throne of emperor? Xu Shenglong, who has always been fearless of heaven and earth, suddenly trembles slightly. He is afraid that ye Chen has no place beside him!

Xu Shenglong quickly raised his head and said to Ye Chen sincerely: "young master, please give me another chance. I swear to heaven that I will never act rashly in the future! Young master, don't drive me away

Ye Chen grinned bitterly and shook his head: "OK, get up."

Where do you want to go?

After Xu Shenglong got up, ye Chen looked at Huang Rushan and said, "under Ye Chen, this moon god's secret place is very important to me. I hope you can allow me to enter it."

Hearing this, Huang Rushan looked flattered and surprised. He even said, "where, since Sheng long is going to get a quota for Mr. Ye, he can naturally enter the secret place of moon god."

At the same time, Huang Rushan is also interested in Ye Chen!

Originally, as long as ye Chen carries out his identity, how dare they not let Ye Chen enter the secret realm of moon god?

Can, ye Chen not only did not like this, but treat each other with courtesy!

Such as Huang Rushan, a strong man who has been in the upper position for a long time, eats this set of food most!

For a moment, he was as loyal as Xu Shenglong!

Huang Rushan whispered to Huang Xingtian and other people: "I don't need to tell you more about the identity of Ye? It's not important for you to enter the secret place of the moon god this time. The most important thing is to ensure the safety of Mr. Ye. Do you hear me

Everyone looks a Su, is nodding!

At this time, Mu Mingxuan, also restored the human form, slowly walked back from the distance.

Xu Shenglong looked at him and said in a deep voice, "Mu Mingxuan, you just offended Mr. Ye. Now, apologize to me! Otherwise, our friend, we have nothing to do! "

Don't insult the son!

This point, Xu Shenglong will not give in, even if Mu Mingxuan is a friend who grew up with him since childhood!

Huang Rushan hears the speech and looks at each other with a slight frown and a look of anxiety.

In terms of qualification, Mu Mingxuan is the best of these demon geniuses, but at the same time, he is also the proudest of several people!

In this life, Mu Mingxuan has never apologized to any humanity. He has lowered his head!

Chapter 3650

However, ye Chen seems that although he belongs to the kind of magnanimous son, if Mu Mingxuan apologizes, it may be possible to let bygones be bygones, but if he doesn't apologize, the nature will be totally different!

No son can be insulted at will. In the demon clan, there is only one end, death!

People can't help but get nervous, for fear that Mu Mingxuan is young and full of vigor and make stupid things!

Can, after a moment of silence, this proud demon family genius Mu Mingxuan actually kneels down to Ye Chen directly under the gaze of the public!

Mu Mingxuan gnawed his teeth, as if he had been greatly humiliated. This kneeling is more painful than death!

On his face, however, there is no resentment

He knew that he deserved the kneeling!

This is not because of Ye Chen's identity, but because he knows very well that if ye Chen wants to kill himself, he is dead now!

Blood is more terrible than the threat of strength. For a moment, he even felt that his cultivation fell five layers in front of Ye Chen!

He offended him, but ye Chen, not only did not kill him, but also prevented him from fighting with his friends!

Mu Mingxuan, this life has never served who, but this time he did!

Ye Chen is the only one he has ever served, so even if he is humiliated again, he has to kneel down!

Otherwise, he Mu Mingxuan is not worthy of being a demon!

Mu Mingxuan opened his mouth and seemed to want to apologize. However, he could not say it. He struggled to raise his tongue, but at the moment it seemed that there was a huge mountain pressing on his tongue. However hard he tried, he could not move!

Xu Shenglong was also shocked by this kneeling. He could see that Mu Mingxuan was eager to speak but stopped. He was also worried and cried out: "Mingxuan, what are you doing in a daze? Apologize!"

He said this for the sake of Mu Mingxuan. When the son was angry, let alone Mu Mingxuan. It was just a matter of one sentence that the whole nine holy demon sect disappeared from the moon soul domain.

But at this time, ye Chen is a hand, stop in front of Xu Shenglong, stop him.

People see this, heart rate instant acceleration, do not know how ye Chen will deal with wood Mingxuan!

Ye Chen gazed at Mu Mingxuan for a moment and said faintly, "forget the past, but you should remember that this is the first and last time. Don't treat my tolerance as cowardice."

If Mu Mingxuan is not Xu Shenglong's friend, ye Chen may really kill him with the help of TIANYAO's blood.

But he knew that although Xu Shenglong scolded Mu Mingxuan and even started, if Mu Mingxuan died, he would be sad.

Otherwise, Xu Shenglong in a rage, how can only use the physical strength of the hand?

Therefore, ye Chen gave Mu Mingxuan a chance, only once.

Moreover, he knows that men, some words are not to say, to death may not say, Mu Mingxuan since kneeling, has enough.

When Mu Mingxuan hears the speech, he looks very grateful. Sometimes, it is more important to give a man face than to save his life!

He stood up slowly, lowered his head and said nothing. However, he swore secretly in his heart that ye Chen's kindness, even if it was for his own life, would surely repay him!

Huang Rushan, with a smile on his face, is very satisfied with the result, and admires this ye Shengzi even more from the bottom of my heart!

In Huang Rushan's opinion, the most important thing is to know how to control the emperor!

After all, whether you can ascend the throne of the emperor in the future depends on one person's strength. What ye Chen needs is support!

Countless demon clan support!

Then, it is very important whether you can resist the emperor!

And ye Chen in this respect can be said to be the pinnacle of ah!

The first time I saw Mu Mingxuan, I saw through the strange temperament of Mu Mingxuan? Also properly disposed of the wood Mingxuan, not only did not let his dignity damage, but also let the wood Mingxuan completely convinced!

Even if he has been in the number of nine sage demon sect elders for thousands of years, he can't do better than ye Chen!

If ye Chen knew what Huang Rushan thought, he would certainly be unable to help laughing. In fact, he was just spontaneous and did not think so much.

At this time, Huang Rushan opened his mouth and said, "well, those old guys should be in a hurry. I'll go to the forbidden place now."

After that, he sent out a huge flying boat. Several people moved and fell on the boat. On top of the boat, the yellow light flowed over. At the next moment, he ran into the void and moved forward in the space!

Every flash is over tens of thousands of miles!

.....

In the center of a dense forest surrounded by fairy mist, there is a blue lake as smooth as a mirror. Around the lake, there are five waves of people gathered.

Among the five waves, most of them looked quite young, and each looked proud and extraordinary.

These people are the talented disciples of the ancient six schools!

At this time, a middle-aged Taoist with fair skin and round face suddenly snorted: "are those demon clans coming? Is this for me to wait here for them? What a big noodle! His name is Songwu. He comes

from the Yin and Yang Lingdao sect, one of the six schools in ancient times. This sect is good at, besides the way of yin and Yang, it is the art of taking and tonifying!

Song Wu is the leader of Yin Yang Lingdao sect!

Behind songwu, there are three men and two women. All of them are extremely beautiful, and they exude a strange charm. Both men and women seem to be attracted by them!

Not far from the left side of songwu, an old man with a thin face and a Taoist robe, glanced at songwu without speaking, but his disgust flashed faintly.

This old man is the leader of Qixuan daocong. His name is Hongyin. His breath is mysterious and terrifying. His accomplishments are unpredictable.

The seven xuandaocong inherits the authentic Taoist skills. Therefore, in Hongyin's eyes, he is even more disgusted with the unconventional martial artists like songwu who practice the art of collecting and reinforcing than the demon clan!

At this time, he could not help but get the way: "ha ha, it seems that Taoist priest song has just arrived, right? According to your opinion, it seems that your noodle arrangement is not small? "

When song Wu heard the speech, he looked at Hong Yin and said, "what do you mean, old man? Towards the demon family? Is there any collusion with that demon clan secretly? It turns out that you claim to be orthodox, and you are no higher than our Yinyang Lingdao sect? "

After hearing this, Hong Yin's face suddenly turned angry. The surging aura all over him burst out faintly. He looked at Song Wu and said, "what are you talking about! Are you such a heresy that you can stigmatize me

Song Wu said with a cold smile: "what? If I want to do it, I'm afraid of you? "

After all, yin and Yang and two Qi surged behind him, which turned into a fish shadow of yin and Yang. Under the interaction of yin and Yang, it was terrifying and powerful, and filled the world!

The two strong men in the six schools of ancient times are on the verge of starting!
