Chapter 3651

A middle-aged monk in a black cassock clasped his hands and said, "two benefactors, please be calm. We are not here for fighting."

As soon as the voice fell, a colorful light of Buddha poured out from his palm, enveloping all of them.

Covered by the light of Buddha, even Songwu and Hongyin felt their anger subside and their mood gradually calmed down.

When they looked at the middle-aged monk, they could not help but feel awe in their hearts!

The monk's methods are strange!

This man is the abbot of the great freedom Buddhism. Although his accomplishments are similar to those of the two, he seems to have a high level of strength.

At this time, all the people looked at the sky and saw a flying boat out of the void and landed on the lake.

A man with golden hair and golden eyes, led by several young men, fell from the air.

It is Ye Chen, Huang Rushan and others!

Huang Rushan clasped his fist at the crowd and said, "gentlemen, there is something on the way. Please forgive me for the delay."

All the leaders of the six schools in ancient times all nodded to Huang Rushan with a smile. Even Song Wu snorted coldly, but he didn't make any more sarcasm!

Generally speaking, the strength of the demon clan, especially the powerful demon clan, is stronger than that of the same rank. Moreover, their personality is extremely hot. Song Wu will not be so stupid as to provoke Huang Rushan in person.

"Well, since all of you have arrived, let's have a rest first and wait for the time to be ripe. Let's do it together."

Hearing this, they all sat down on their knees and closed their eyes.

Ye Chen looked at the lake and his eyes flashed. At the moment, it was daytime, but in the lake, it seemed to reflect a scarlet blood moon!

As like as two peas of blood and moon, the blood moon is cut off.

It must have been left by senior Ren!

.....

In the twinkling of an eye, the night comes, and the moon is high in the sky.

At this moment, there seems to be some mysterious power in the heaven and earth, which has produced subtle changes. The people who originally closed their eyes to the moon in the sky opened their eyes.

I saw a dark shadow, emerging from the edge of the moon, slowly nibbling at the bright moon wheel!

Eclipse, it's on!

The moon reflected in the lake was gradually swallowed up by darkness.

Ye Chen suddenly feels that the lake is emitting a wisp of strange aura wave!

At the moment, all the leaders of the six schools in ancient times are staring at the moon in the lake with incomparable concentration. Soon, on the moon wheel, the last ray of light also fell into darkness!

Huang Rushan yelled: "now, let's go!"

At the next moment, the six top men burst out without reservation!

For a moment, the whole world seems to be stirred by it!

At the same time, a simple token appeared in front of the six people. Under the infusion of infinite aura, the original shabby and mottled token suddenly burst into a strong aura, turning into six golden rainbow, and bombarding away towards the center of the lake, where the moon shadow was originally!

There was a tremendous sound of earth shaking. The originally extremely calm lake surface turned into a whirlpool. In the whirlpool, a moonlight rose from the sky, as if to resist the six golden lights!

However, at this moment, the eclipse of the moon has already appeared, and the power of the Taiyin in the heaven and earth has almost dissipated. At last, the moon China is still a sad cry, which dissipates under the impact of the golden light!

In the whirlpool, the shadow of a gate looms. Under the impact of the golden light, the gate opens slowly!

At the moment when the gate opened, a terrible space storm roared out!

Bai Hao, the leader of Wanhua sword sect, said in a deep voice: "the moon gate has opened. Please enter the gate for me!"

A group of six genius, looking at that seems to be able to swallow up all things in the space storm, the heart is not help but a burst of fear!

Even with their strength, they are not confident that they can get through the storm!

Although Lin Hongya, the leader of Fangtian sect, is a woman, she has a very strong temperament. When she sees that people stop moving, she can't help but shout: "what are you afraid of! The colorful jewels for you are specially used to control the space storm. If so, you can't survive, you will simply die! "

Ye Chen smell speech, eyes a congealed, to Xu Shenglong and other humanitarian: "let's go!"

Immediately, the body moved, and then directly into the space storm!

When Xu Shenglong and others saw this, they all changed their faces and cried out in a hurry: "wait a minute, young master!"

He followed Ye Chen!

At the same time, they look at Ye Chen's eyes, also more and more admire up!

Ye Gongzi is the Holy Son of XuanZhen, but he can set an example and set a good example in all aspects, such as courage, strength, wisdom and imperial power!

They even felt that if such a demon wizard did not become the emperor, it would be the misfortune of the whole demon clan!

For a moment, the people of the nine saints demon sect strengthened their determination to follow Ye Chen! Even Huang Xingtian and she Jingjing are like this!

In fact, ye Chen just wants to enter the secret realm of moon god as soon as possible and seize the opportunity just because the things of YUEYE Lingshen and Ren are too important.

What's more, with Ye Chen's vitality, even if he doesn't have a protective pearl, he may have a chance to cross the moon gate. What's to worry about?

At the moment, ye Chen's whole body is wrapped up by a group of seven colors of light, resisting the space storm, and entering the moon gate. Rao is guarded by the Guanghua. Ye Chen can't help but frown slightly. On his body, there are still countless small wounds scraped by the wind blade!

With Ye Chen's strong and incomparable physique, this injury is nothing, but it can also prove that the space storm is so terrible!

Soon, ye Chen and a group of demon clan's figure, then disappeared after this moon gate.

Seeing this, a young man of the Yin Yang Lingdao sect completely relaxed. He sneered and said, "have you seen it? Just that day, all the boys in the divine realm entered the moon gate with great ease. It seems that the body protecting jewel is really good. He can enter by himself, not to mention me

This young man, named Yan Huan, is less than 1000 years old. He is also a genius in his family. Naturally, he is extremely proud!

In Yan Huan's opinion, can he be inferior to a waste of heaven and God realm?

A lot of people heard the speech, they were all looking at it. The boy in the God state didn't know how to get in. He even got a place to enter the moon god's secret state with the nine saints demon sect?

They even suspect Ye Chen is the illegitimate son of Huang Rushan!

Originally, the fear of space storm has dissipated in an instant.

In Song Wu's eyes, there is also a flicker of doubt. There are strong and weak space storms in the moon gate. Are they lucky enough to encounter a very weak storm this time?

Chapter 3652

The other leaders of the six schools in ancient times were frowning. They knew that the moon gate was not so easy to break into!

Huang Rushan even glanced at Yan Huan of the Yin Yang Lingdao sect with a sneer on his face. Can these people imagine the physical strength of the son of God?

Even the son of God is slightly injured. What if we let the originally weak Terrans into it?

For example, Yan Huan, in Huang Rushan's opinion, is 90% likely to die in front of the moon gate!

Although the speed of practice of the disciples of the Yin Yang Lingdao sect is quite fast, their foundation is inevitably unstable because of the growth of their accomplishments by collecting and supplementing. Their physique is originally weaker than that of the same level!

At this time, Yan Huan also had a movement, in the seven colors under the Guanhua, toward the moon gate.

A seemingly pure girl of Yinyang Lingdao sect wants to follow Yan Huan, but she is held by another woman!

The girl looked at a beautiful woman with cold temperament and charm beside her and asked, "elder martial sister, what's the matter?"

This beautiful woman, named Li Qingyu, is also the most talented girl sent by Yin Yang Lingdao sect this time.

At the moment, Li Qingyu's beautiful eyes flashed with light and said, "the boy in the God state that day is not so simple, let's have a look first and then!"

On hearing this, the pure girl was somewhat unconvinced. Elder martial Sister Li is good at everything, but she is too cautious. She was born with such a unique appearance, but because she was worried about the influence of the foundation of martial arts, she didn't even practice the art of tonifying?

With Li Qingyu's martial arts qualification, if he had practiced the art of collecting and mending, he would have already reached the peak of sky mending realm.

Now, even a god realm boy, let her feel not so simple?

This day, even if you are against the weather, you can't be better than elder martial brother Yan?

In her heart, she disdains Li Qingyu. She thinks that Li Qingyu is just pretending. She has joined the Yin and Yang Lingdao sect. What else can she do? When you're a whore, you want to build a memorial archway?

In the young girl's eyes, Li Qingyu just wants to pack himself into a pure jade girl and raise his status.

Now, do you want to pretend that you know everything?

However, the girl did not refute it. Li Qingyu was the first genius of the Yinyang Lingdao sect and had the highest status in the sect. Therefore, she just stood by the lake in silence, waiting for Yan Huan to enter the moon gate.

At this time, Yan Huan has reached the gate of the moon gate!

The girl smiles, turns her head and is ready to speak to Li Qingyu, but suddenly, a scream resounds from the sky!

The girl's face changed wildly, and she suddenly looked into the lake. Yan Huan at the moment saw that the whole person had been cut into blood by the space storm and would be turned into a pool of meat mud!

This scene, too frightening!

All around the lake, a moment of silence down!

A group of martial arts, are scared to watch this scene!

Yan Huan's figure, although disappeared in the moon gate, but that kind of terrible injury, even if it is the mid-term existence of mendianjing, also can't survive?

He should be dead!

Even if the disciples of Yinyang Lingdao sect are weaker, they are still the talents in the middle period of mending the heaven!

So dead?

Song Wu's face became ugly for a moment. Where is the space storm weaker than usual?

It's just a few points!!!

At the same time, people's hearts are also surging strong shock

If even Yan Huan died in front of the moon gate, how did the boy in the God state get in that day!!!

This, too fantastic!

Several other demon clans, it's OK to say, after all, the body of the demon clan is very strong!

But what about the boy?

How abnormal was his constitution that he could withstand the storm of space with the cultivation of heaven and God!

The seemingly pure girl, already legs still, paralyzed on the ground

Although her appearance is pure, but in fact, most of her accomplishments depend on the skill of collecting and mending!

Constitution, even weaker than Yan Huan!

If Li Qingyu didn't hold himself

Now, she has turned into mud like Yan Huan!

Just think about it, she will be incontinent!

Li Qingyu looked at the girl and said, "Xiaocui, you don't want to go in. You can't break through the moon gate."

When Xiaocui heard the speech, she looked at Li Qingyu with shame. Before that, she was full of disdain for Li Qingyu's dissuasion. She even ridiculed Li Qingyu in her heart. However, she was really stupid!

Li Qingyu takes back her eyes. She knows that she is not treated by her peers in the clan. However, she just wants to be good at herself.

The same door, is the same door, can save, she will save.

As for Yan Huan?

Although Xiaocui is a bit loose, but at least you love me, and Yan Huan?

I don't know how many women have been harmed by despicable means in order to practice martial arts! This kind of person is the most disgusting of Li Qingyu!

Li Qingyu is a man of yin and Yang Lingdao sect. He can't fight Yan Huan, but he wants Yan Huan to die early. How can he remind him?

.....

After a while, ye Chen opened his eyes again. His first feeling was cold!

At the moment, his eyes are full of snow!

Ye Chen murmured: "is this the secret place of the moon god?"

The whole mysterious place of the month, completely submerged by the wind and snow!

However, in the wind and snow, vaguely, you can see the outline of some pavilions and palaces.

At this time, he was standing alone on a snowy mountain. Although Xu Shenglong and others came in together with Ye Chen, the space storm was so strong that it disturbed everyone's position.

He looked up and his face changed slightly!

There are nine blood moons in the sky!

Is this the acme of blood moon killing heaven?

Is this the ninth blood moon left by Ren?

In today's world, I'm afraid that only senior Ren can use the force of nine rounds of blood moon!

Ye Chen asked Xuan Hanyu, "Xuan fairy, do you know the connection between Ren and this place?"

Xuanhanyu shook his head: "how do I know that?"

Ye Chen was a little lost and continued: "that Xuan fairy, do you know where the spirit marrow of moon liquid is?"

Xuanhanyu said: "even in the Yueshen clan, the spirit marrow of YUEYE belongs to the sacrifice of ancestors. If I guess correctly, it should be placed in the ancestral hall in the secret place of moon god."

Ye Chen hears the speech, eyebrow tip a pick way: "put in ancestral hall? If so, have not these treasures been taken away by others

Xuanhanyu chuckled: "boy, do you think anyone can get the essence of this month's liquid? For others, this month's spirit marrow is not only a treasure, but also something to avoid!

That is to say, your constitution against the weather, as well as the special blood can be obtained! Otherwise, let alone these demons who have entered the secret realm of the moon god. Even if the patriarch of the six ancient sects came in personally, if he wanted to touch the spirit marrow of the moon liquid, he would only die! "

Ye Chen can't help being surprised at his speech!

This month liquid spirit marrow, unexpectedly so terrible?

Chapter 3653

Xuanhanyu said again, "have you seen the snow and the nine round blood moon?"

Ye Chen does not understand a way: "this flies snow and blood month how?"

Xuanhanyu said: "the snow is brought by the spirit marrow of the moon liquid! It's easy to find the ancestral hall of the moon god clan. You can go to the coldest and most snowy places

Immediately, ye Chen spirit a shock, surging out of the mind, feeling the temperature around.

After a moment, he opened his eyes and sped away in a certain direction!

.....

In a valley covered with ice and snow, there is a figure, flashing rapidly, which is the talented woman of the Yin and Yang Lingdao sect, Li Qingyu!

At the moment, she was holding a miraculous medicine which was carved by ice crystal. There was a very strong moon power on the elixir!

This miraculous medicine, named snow moon god flower, can only grow in the moon god's secret state. If it is refined into pills, it can even strengthen the martial arts foundation of the sky mending realm!

Although Li Qingyu has never practiced the art of collecting and mending, the skill of lingdao itself is a kind of method which is eager for quick success and instant benefit. Although the speed of practice is fast, the foundation will inevitably be unstable. This snow moon god flower is exactly what she needs very much!

However, although he got the snow moon god flower, Li Qingyu's pretty face was full of gloomy color, and the Qi of yin and Yang was running at a high speed!

At this time, behind Li Qingyu, suddenly came a dragon roar!

A whole body of ice crystal scales, the two corners on the head, the majestic ice jade dragon, flying from the canyon, carrying the snow all over the sky, and the extremely cold spiritual power, rushed towards Li Qingyu!

The snow moon god flower, but this ice jade dragon has been guarding for tens of thousands of years. It is only a hundred years before it is fully mature. But now, it is taken away by a bug who doesn't know where it comes from!

The ice jade dragon gazed at Li Qingyu's figure with his eyes. His intention of killing became more and more intense. A terrible dragon power spread out. Under the impact of the dragon power, several snow capped mountains around him tended to collapse!

This ice jade dragon is a monster that fills up the three layers of heaven!

Moreover, in its blood, although dragon blood is not so pure, but with a strong divine breath!

This Jiaolong's real strength, can cross the better several days to fight!!

Feeling the distance between Jiaolong and himself, and constantly shortening, Li Qingyu's heart is gradually cooling up

With her strength, she is not the opponent of the ice jade dragon!

But at this time, Li Qingyu's beautiful eyes brightened and looked into the distance. A figure flashed through the snow!

This is the man in the heaven and God realm?

The next moment, Li Qingyu's beautiful eyes appear a certain color, she actually is a mouth directly swallow that snow moon god flower in the mouth!

In an instant, Li Qingyu's delicate body, then scattered out a burst of rich moon!

After seeing this scene, the ice jade dragon was more furious and roared. The whole body was agitated with cold light, and its flying speed was suddenly accelerated by one point!

Now, it just wants to eat the damned bug and swallow it in its stomach!

On Li Qingyu's pretty face, a look of great pain appeared. Her powerful medicine almost burst her channels!

Not everyone is as abnormal as ye Chen!

However, the infinite medicinal power poured into the body, which made Li Qingyu's breath stronger and faster, and the speed of the Yin and yang qi movement around his body doubled!

His body moved and ran away towards the front. He left the ice jade dragon behind him for a time!

Ye Chen was moving towards the direction of the cold air, but all of a sudden, he turned his head and looked at his side, and saw a figure flash in front of him!

At this time, Li Qingyu could not control his powerful aura and could not stop his body completely. His delicate body fell into Ye Chen's arms.

Ye Chen's eyes flashed, and he hugged Li Qingyu's soft body. A dragon roar sounded like thunder in his ears.

Li Qingyu's pretty face was red. Although she came from the Yin and Yang Lingdao sect, she was almost a piece of white paper emotionally. However, at the moment, she didn't care so much. She raised her pretty face and said to Ye Chen, "this young master, I'm Li Qingyu, the Yin and Yang Lingdao sect. Please help me kill the ice jade dragon!"

As she spoke, her eyes and eyebrows were filled with charm. In Li Qingyu's beautiful eyes, a trace of shame flashed through her eyes

The martial arts practitioners of Yinyang Lingdao sect would have possessed extremely powerful power of enchantment, but in Li Qingyu's opinion, he has always been extremely shameless to seduce men!

Therefore, since she set foot on the Martial Arts Road, she has never exerted this enchantment skill!

But now, life and death are at stake, but Li Qingyu does not care so much!

With its unique appearance, coupled with the powerful overhaul, how can its charm not be strong?

In Li Qingyu's opinion, even if Ye Chen is not as simple as it seems to be just the existence of heaven and God, he can never refuse himself in this situation! The power of charm is also skillful to use. For example, in a reasonable environment, create an atmosphere that the other party can easily accept. In this case, the effect of the power of charm is more like a hint than a complete loss of the other party's mind!

For example, hero saves beauty!

If you meet Li Qingyu, such a charming beauty, in the face of the fierce beast's pursuit and fall into your arms, any man may have a trace of hero's idea of saving beauty.

At this time, it is very difficult to refuse the convenience if you use the power of charm!

At this time, Li Qingyu is confident that even if he is facing a later existence of mendianjing, the other party will also agree to his requirements!

After all, it's not entirely impossible for her to ask, is it?

She believes that with the potential shown by Ye Chen and her cooperation, she has 80% confidence to successfully kill the ice jade dragon!

However, at this time, Li Qingyu in front of this indifferent man, but smile.

Ye Chen slowly let go of Li Qingyu in his arms and said faintly, "is this your attitude of asking for help?"

Li Qingyu smell speech, slightly a Leng, why does he ask so?

There should be no dissatisfaction with your tone and manner?

What does this mean? What offence is there in my wife

Ye Chen glanced at her, and said coldly: "what do you mean? When you ask for help, you like charm? Oh, if so, I'm sorry. I'm not interested in helping you

Hearing this, Li Qingyu's brain boomed like a hundred thousand thunderbolts, which broke the spirit and soul at the same time!

Her eyes were black, and she felt a whirl of heaven and earth. She was so ashamed that ye Chen found it!

How could that be possible?

Although Li Qingyu has never used the art of enchantment, to tell the truth, she has unimaginable talent together with charm, and her judgment is right!

Chapter 3654

In this secret state of moon god, no matter who she meets, she can basically make the other party help, even if it is a woman!

But met Ye Chen!

It can only be said that Li Qingyu is a bit unlucky

Ye Chen has the body of reciting demons and reincarnation blood, as well as the extremely tough heart of Tao. He has a very strong resistance to the power of enchantment. What's more, his spirit has been refined and pure, and there is a refining peak in the sea of knowledge. Even if the legendary Nine Tailed Tianhu, who is famous for the power of enchantment, is here, I'm afraid that his accomplishments will not be shaken Ye Chen's mind and mind.

Besides, Li Qingyu?

Li Qingyu was really flustered. She bit her lips and didn't know what to do. She watched Ye Chen turn away. She felt a pang of grievance in her heart. She was always cold in the Yin and Yang Lingdao sect. She was always cold, not to mention asking others. From childhood to adulthood, she hardly said a few words with the opposite sex. But now she asked for help for the first time and was turned down!

If ye Chen really leaves, she will die here! Now the power of the snow moon god flower has gradually begun to fade. She can't escape far if she wants to escape

Li Qingyu felt a burst of sorrow. Would his road of martial arts stop here?

Ye Chen takes a look at the ice jade dragon roaring at Li Qingyu. His spirit swings around him and he wants to use his body method to leave. But at this time, a light Yi rings out in Ye Chen's mind.

Xuanhanyu suddenly said, "wait a minute, boy."

Ye Chen smelled the speech and asked, "what's wrong with Xuanxian?"

At this time, Li Qingyu saw Ye Chen stop. In her beautiful eyes, she could not help but appear a ray of expectation.

Ye Chen is her only hope now!

Xuanhanyu said with a smile: "your luck is really good. Originally, even if you want to refine the spirit marrow of moon liquid, it is quite dangerous. But it's so clever that you come across the virgin who has the body of Yuanyin. It will be much safer if you have her devouring the spirit marrow of moon liquid."

Ye Chen is silent for a moment. Suddenly, his figure flashed and he pulled Li Qingyu to one side!

Li Qingyu was slightly stunned, but his face changed slightly at the next moment. When he saw where he was, a claw awn suddenly flashed over, tearing the void to pieces!

She pays too much attention to Ye Chen. She doesn't even notice that the ice jade dragon has entered the attack range!

If it is not ye Chen to help, even if she will not die under this claw, the injury is sure!

The Dragon saw this, roared, a pair of eyes, staring at Ye Chen, full of resentment!

Another worm!

If it had not been for the sudden appearance of the insect, it would have revenged itself now!

The dragon was cold all over his body, and his spirit was surging. He chased Ye Chen at a very fast speed!

Ye Chen flies back with Li Qingyu and says to her, "if you want me to save you, you can also..."

Li Qingyu heard the speech and said with great joy: "I'll wait for my hand together!"

Say, want to break away Ye Chen's hand, attack that ice jade dragon.

But ye Chen did not let go.

Li Qingyu looks at Ye Chen anxiously. What is he doing?

Didn't you see that the dragon has already caught up?

If you don't, it's too late!

Ye Chen is not slow to say: "but, you have to sign the spirit contract first."

After all, a piece of brilliance appeared in front of the two people. It was a spiritual contract of high rank!

This spirit contract is from the hands of the fairy from Lishan Mountain. Even if there is a peak of the sky mending realm, it has a strong binding force!

Li Qingyu is really going to be crazy by Ye Chen's attitude!

Is it time to talk about conditions?

The dragon, even if they fight with all their strength, may not be able to defeat it?

In the face of such a powerful opponent, there is no difference between distraction and death!

But what spiritual contract should ye Chen sign at this time?

Isn't it a joke to take their lives!

Li Qingyu said in a hurry: "you! At this time, we still need to discuss the conditions? The dragon has caught up with me

Ye Chen is full of indifferent color, smile way: "in this case, Miss Li or quickly sign this spirit contract for better."

Li Qingyu for a time, are some speechless, this man how to bully people!

Ye Chen glanced at the ice jade dragon that was approaching rapidly and said leisurely, "Miss Li, if you don't make a decision, I'm afraid there will be no chance."

After hearing this, Li Qingyu's pretty face turned pale. She quickly glanced at the contents of the spirit contract, but she could not help but change her look and exclaimed: "what! You want me to be in the moon god secret state period, to your word obedience, must not have the slightest resistance! This How can this work? "

Ye Chen said faintly: "Miss Li, it has been written on the spirit contract that you will not do anything that endangers your life. Of course, if you don't want to, I can turn around and go now."

Li Qingyu looks at Ye Chen with a pair of beautiful eyes. She is the first genius of the Yin Yang Lingdao sect. Even the leader of the sect has always been very supportive of her. When has she been treated with such an attitude? For the first time in her life, she was bullied by a man. There was no way to do it!

At the same time, Li Qingyu that beautiful face, also floating a touch of red, will not endanger their own lives, but also their own obedience?

This

It sounds like Ye Chen is going to treat her

On the other hand, Li Qingyu's cultivation of martial arts is also harmful to her character!

But now, in order to survive, does she have to abandon her principles?

Li Qingyu doesn't want to be like this, but she doesn't want to be buried in this jiaolongkou!

At this time, ye Chen is some playful smile and said: "Miss Li, don't think nonsense, you have no time."

Li Qingyu suddenly woke up. At the moment, the Dragon had come to them!

Looking at the bloody dragon kiss, and the pair of eyes full of killing, Li Qingyu's brain is suddenly blank!

The horror of death filled her heart in an instant. Li Qingyu screamed and left her own spirit mark on the spirit contract. When she responded, there was a kind of bondage on the spirit!

However, at this time, the ice jade dragon has opened its mouth and spit out a cold dragon breath. It seems that the dragon breath has been brewing for a long time. Once it appears, it will freeze the void of thousands of miles!

Li Qingyu saw this, the color of despair appeared in her beautiful eyes. It's over, it's all over!

Even if she signed the spirit contract, it took too long. Now, there is no chance for her to make a move!

She and ye Chen are going to die here!

Chapter 3655

Thinking of this, Li Qingyu's heart, a burst of anger, actually is a small mouth, toward Ye Chen's arm bite!

Ye Chen's arm aches, and opens his mouth with a bitter smile on his face: "you want to bite and wait for the dragon to be killed and bitten again, OK?"

Li Qingyu smell speech, beautiful eyes flash, what is this guy talking about?

Just now, they delayed too much time. In the face of the long brewing attack of Bingyu Jiaolong, there should be no room for counterattack

At this moment, a strange wave came out of Ye Chen's body. He looked at the dragon breath coming from his body. His eyes were frozen and he said in a deep voice: "evil animal, get out of here!"

The next moment, a strong wave of killing intention, falling dust dragon sword out!

What are the strongest martial arts skills in the moon god secret land?

Blood moon butchers the sky!

Ye Chen is the only one who can master this skill. Even if he has the lowest level of cultivation, he is not afraid of everything!

A round of blood month convergence, blood month suddenly enlarged, even more powerful than ye Chen usually used! The force of the blood moon thundered on the body of the ice jade dragon in an instant!

Heaven and earth, if fixed!

Li Qingyu, stupidly looking at that extremely fatal, can easily take his own life of ice cold dragon breath, in front of his eyes, inch by inch collapse, followed by a very bleak roar!

The ice jade dragon was in the seven orifices, blood gushed wildly at the moment, and even his body could not be controlled to fall to the ground!

Li Qingyu was completely stupid and looked at this scene with incomparable shock

Ye Chen is actually a hit and then wounded that incomparably strong ice jade dragon!

Seeing ye Chen pass through the moon gate, Li Qingyu knows that he has extremely strong physical strength, which is due to the blood of the demon clan.

However, the Terran is not completely without its own strong place. For example, compared with most demon clans, the Terran warrior is slightly stronger in spirit and martial arts

But! This bully likes to bully people. How can his martial arts skills be so terrible!

Although Bingyu Jiaolong is a monster, don't forget that its blood has a strong blood moon divinity!

With the protection of the blood moon divinity, the dragon may not be able to be seriously injured by a blow?

But ye Chen did it!

Li Qingyu looked at the indifferent man in front of him and forgot his breath! ·

to what extent does this guy want to be a monster?

Originally thought that they had fallen into a desperate situation, and they would die. But the crisis that made her heart collapse was solved by the man in front of her?

Li Qingyu inexplicably remembered the spirit contract signed with Ye Chen. Jiao's body was a burst of hot and dry!

Ye Chen light way: "when are you going to bite?"

Li Qingyu this just reacts to come over, oneself to now still bite Ye Chen's hand!

Her pretty face turned red in an instant, and she let go of her mouth!

At this time, the Dragon roared, and again, it rose from the ground!

At this moment, although the breath of the dragon has been weakened for several minutes, a wisp of white light is blooming in the center of its eyebrows. In the white light, pure divine power is surging!

Ye Chen looks, slightly frowns, the origin of this dragon is also quite extraordinary, can actually unite a divine essence?

One blood month is not enough?

Is it necessary to display two rounds of blood moon?

Li Qingyu obviously saw this, and she said in a hurry: "childe, this guy is very strange. It is extremely difficult to rely on you to kill him. You and I should fight together to kill him head on!"

As soon as the voice fell, a black and a white jade thorns appeared in front of Li Qingyu, rolling the Yin and Yang Qi into it. The black and white light flashed and turned into two black and white rainbow, which whirled around Li Qingyu's delicate body!

However, when Li Qingyu looks at Ye Chen, he is stunned again!

Ye Chen is actually standing in situ motionless, as if there is no meaning to move!

What's this guy doing?

Li Qingyu is almost driven mad by Ye Chen!

What they are facing now is a terrifying monster with a strong divinity. Can you be more serious?

When Li Qingyu was ready to get angry, ye Chen opened his mouth and said, "three breaths."

Three breaths?

Li Qingyu looks at Ye Chen and asks, "what do you mean?"

Ye Chen said: "you block the dragon's three breathing time."

Li Qingyu frowned. What is this guy going to do?

Now his attack has failed to work. Should we join hands with ourselves to fight the ice jade dragon?

Just when Li Qingyu is ready to ask, ye Chen's eyes are closed, and he doesn't care about everything!

Li Qingyu was angry again, but he couldn't do anything with Ye Chen!

Now, there is no other choice but to believe in Ye Chen

As soon as Li Qingyu bit her lips, she was one of the six ancient sects and the first day of Yin Yang Lingdao sect. She was led by this guy by the nose! Although he was dissatisfied with the dragon, Li Qingyu still drank it. His aura flowed like a river of heaven. He poured into the black-and-white jade thorns crazily. The jade finger pointed at the ice jade dragon, and the pair of jade thorns turned into two black-and-white rainbow and stabbed at the Dragon quickly!

This pair of Yinyang jade is as fast as thunder, and one flash has reached the ice jade dragon's side. A strong force of yin and Yang suddenly erupts. What Li Qingyu aims at is the key of the dragon's eyes!

When the ice jade dragon saw this, its pupils shrank, and a force of absolute cold turned into a rolling cold air, which gushed out from its mouth. The moment the cold air touched the air, it condensed 1800 daoxuan ice walls and blocked it in front of the ice jade dragon!

Yin and Yang jade spines interact with each other and turn into a black-and-white spiral aura, which bombards the ice wall hard. The sound of click is endless. The eight hundred mysterious ice walls are all pierced by this jade thorn!

However, it also blocked the yin-yang jade sting for a moment. The head of the ice jade jiao quickly sank to avoid the yin-yang jade sting!

And the Yin and Yang jade sting seems to have run out of power at last

This is the first breath!

Although the Dragon had not yet completely rushed to Li Qingyu, he also entered the range of attack. With a roar, a dragon's mouth spewed out countless cold lights, which turned into cold rain and shot at Li Qingyu!

Li Qingyu's pretty face changed a little, and every cold light was a fragment of ice crystal that condensed the frightful chill!

Fortunately, the Dragon concentrated all his divine power in the sea of knowledge, so the power of the ice crystal was reduced by a few points!

Li Qingyu took a deep breath. A black and white bell appeared in front of her. She bit the tip of her tongue and sprayed a mouthful of blood essence on the bell.

In an instant, there was a strange sound wave in the bell. Li Qingyu's face was pale, but he didn't dare to stop. His spiritual power poured into the black and white bell without reservation!

At the next moment, the rolling sound waves broke out from the bell, which turned into a barrier. Countless pieces of ice crystal broke into a mass of cold air at the moment of touching the sound wave!

Chapter 3656

But Li Qingyu, the imperial envoy of the bell, had a look of incomparable difficulty on his pretty face!

It seems that it takes a huge aura to exert this sound wave defense, and it can't last long!

However, a moment later, the cold air filled all the ice crystal fragments in the sky. Finally, before Li Qingyu was exhausted, all of them burst!

Li Qingyu breathed a light breath. Her spiritual power was almost at the bottom, but she finally blocked the dragon's attack!

This is the second breath!

But soon, Li Qingyu's face was ugly!

There's another breath. What should I do?

Seeing that his ice crystal was invalid, the Jiaolong was more angry. When he moved, he rushed at Li Qingyu again. The most powerful monster was still close combat!

Li Qingyu, looking at the Jiaolong, for a moment, did not know what to do. She nervously looked at Ye Chen. Until then, Ye Chen still closed her eyes, as if there was no intention of doing anything!

Li Qingyu is flustered, and her beautiful eyes are shaking wildly. She even thinks that this guy may be fooling himself. In fact, he has no skills?

Just bluffing?

But anyway, it's over

Li Qingyu laughs with a lonely smile. At the next moment, on her pretty face, she suddenly appears a decisive color. Her whole body breath suddenly becomes manic!

Blow yourself up!

She's going to blow herself up!

Even if it's death, we must not let the Dragon devour itself in vain!

The Dragon saw this, but in the eyes of the dragon, there was a touch of cunning. When the Dragon turned, he opened a little distance from Li Qingyu!

It is not in a hurry to deal with this desperate prey, it has a wealth of experience!

After the dragon was far away from Li Qingyu, it was a mouth, rolling cold, stirring in its mouth, the dragon, once again brewing that terrible dragon breath!

Li Qingyu smiles bitterly. Unexpectedly, he can't even hurt the animal by self explosion

But at this time, a man's voice sounded in Li Qingyu's ear.

"Well done, you."

It's Ye Chen's voice!

In Li Qingyu's beautiful eyes, the color of ecstasy emerges!

Ye Chen, do you want to do it at last!?

But soon, Li Qingyu's look was dim again

Well done?

Is this guy really confused?

Now, what's the point?

When ye Chen's martial arts can not play a role, is there any means to compete with the ice dragon breath?

When Li Qingyu fell into despair, ye Chen slowly raised the falling dust dragon sword and killed the ice jade dragon with a sword!

Two blood moons gather in the sky!

The wind blows!

The whole secret place seems to collapse!

Li Qingyu's delicate body suddenly trembled!

A breath that makes him extremely palpitating blooms from ye Chen's sword!

That is a kind of destructive power that can destroy the world and return to nothingness!

Two blood months!

He is the strange blood moon in the sky?

The third breath, the ice jade dragon roared, and the breath of the Dragon gushed out. At the same time, ye Chen's two rounds of blood moon shot towards the dragon like scarlet thunder!

Ye Chen's face appeared a cold smile.

Two rounds of blood moon cast time, although a little longer, but once hit is almost inevitable.

Didn't the Dragon brewing just now? Was the Dragon breathing very happy?

Now, still dare to spit dragon breath to oneself, want to fight?

Ha ha, then die!

The next moment, an unforgettable scene appeared in front of Li Qingyu!

The force of the blood moon was to see the breath of the ice jade dragon as if it was nothing, and directly pierced through it and contacted the dragon's eyebrows!

Then, the beast against the sky, the huge dragon body in the air a stiff, the eyes of the Dragon appear extremely afraid, unwilling color.

Finally, it did not even have a chance to scream, so under the gaze of Li Qingyu, its head collapsed, and even the dragon's body was in the wind and snow, turned into ice white fragments and scattered with the wind

Li Qingyu felt that he really had no way to think

This Butian Jiaolong with divine blood was killed by one stroke and a second?

What kind of supernatural power, martial arts?

It's a terror that the devil can have!

At this moment, Li Qingyu had a strong fear of the man beside him!

At the same time, the name of the man who appeared on the spiritual contract was deeply imprinted in her mind!

Ye Chen!

This unspeakable horror is called Ye Chen!

What do you say to Li daifa? Come with me. "

Li Qingyu was a little stunned and said with a smile: "Ye Mr. Ye, look, can I give you some treasures, or can I reward you with martial arts? If we can't, we can make another spiritual contract. After returning to the Yinyang Lingdao sect, I will certainly thank you for saving your life! "Ye Chen looked at Li Qingyu and said, "how can you go back on your regret?"

Looking at Ye Chen's eyes, Li Qingyu's shoulder trembled for a moment, and quickly shook his head: "no No, Mr. Ye misunderstood... "

She used to be quite cold, but after seeing ye Chen's performance of killing the Dragon against the sky, Li Qingyu was really scared by Ye Chen for fear of upsetting Ye Chen!

Looking at Li Qingyu's appearance as a rabbit, ye Chen can't help but give birth to a tease heart. His body shape flashes, and he gets close to Li Qingyu's body and reaches the point where he can breathe!

Li Qingyu's heart rate suddenly speeds up, Jiao's body trembles slightly, and she's afraid to go to see ye Chen.

Ye Chen evil evil smile, holding Li Qingyu's chin, forced his pretty face up, overlooking Li Qingyu's beautiful face, and said, "I don't want anything else, I want you, understand me?"

When Li Qingyu heard the speech, her white skin turned red in an instant. The whole person seemed to have been roasted and steaming. She only felt her own consciousness, as if floating in the strong wind, and her breath would stop!

Ye Chen a Leng, pour is unexpectedly to this kind of pure feeling of the woman who displays enchantment to oneself unexpectedly?

This kind of state, can't even fly away?

He shook his head and had to stretch out his hand to hold Li Qingyu and take her to the moon god temple.

Ye Chen has no time to waste. He can only stay for three days in the moon god's secret place, but how long does it take to devour the spirit marrow of moon liquid!

Half a day later, in the howling wind and snow, two figures flashed down.

They are ye Chen and Li Qingyu.

Although it is covered with snow, it can be seen that there were countless exquisite buildings here.

Can experience countless years, under the destruction of the wind and snow, has already turned into ruins.

At the same time, the chill here is even stronger than ever!

Chapter 3657

It's so cold here that even Li Qingyu, who mends the sky, can't help but hug her shoulder and tremble slightly.

Ye Chen's eyes swept around him, and he looked happy. It seems that this is where the moon god temple is.

However, when he saw Li Qingyu's appearance, he frowned again. Li Qingyu was very useful for him to devour the spirit marrow of moon liquid. He could not be frostbitten by the cold air until he found the soul marrow of moon liquid.

Ye Chen suddenly said to Li Qingyu, "close to me."

Li Qingyu was stunned and quickly shook her head. How could she be so close to a man

Before, ye Chen teased himself, and even hugged his body, she has not yet settled accounts!

Now, I have to take the initiative to approach him

This guy likes to take advantage of himself!

However, after half a day of getting along with each other, Li Qingyu was relieved. She knew that ye Chen should not be the kind of person who possessed her body by virtue of the spirit contract.

Ye Chen face color sink a minute way: "this is an order."

After hearing this, Li Qingyu's face changed slightly. A force of bondage loomed in the sea of knowledge. After a moment of hesitation, she still approached Ye Chen wrongfully.

As soon as Li Qingyu approached Ye Chen, a burst of vigor and vitality burst out of Ye Chen's body, just like a thousand dragon spirits. It turned into a rolling pure Yang atmosphere and shrouded in Li Qingyu's

body. Li Qingyu, who was still slightly trembling, immediately felt her delicate body immersed in a burst of warmth, isolating the boundless cold from the outside!

Li Qingyu looks at Ye Chen foolishly, and her face gradually turns red

This bad thing who likes to bully people, unexpectedly is not to take advantage of their own, but, in order to help themselves resist the cold, just call themselves close to him?

Li Qingyu's beautiful eyes can't help but fluctuate. The cold air is far more intense than other places in the moon god's secret place. Even if ye Chen's vitality is strong, it is not an easy thing to resist it completely!

Moreover, will consume own vitality slowly!

Why should ye Chen treat himself so well?

At the first meeting, in order to let Ye Chen help himself, Li Qingyu used the enchantment technique to him!

Ye Chen glanced at her one eye, light way: "you have no right to choose."

No matter how hard Li Qingyu struggled, he walked toward the remains of the moon god temple.

He knew that the farther he went, the stronger the chill was. It was too difficult to resist with Li Qingyu's constitution.

He has the yellow spring water, also has the reincarnation blood, should be able to resist reluctantly.

.....

At this moment, ten thousand meters above the Moon Temple.

The two figures were suspended in the sky.

A mysterious man of great stature.

An old man with a bent white beard and a very ordinary look.

If you look closely, you will find that the sky of nine blood moon around the mysterious man's body!

This man seems to control everything here!

The nine blood moons seem to be born for men.

The man is Ren extraordinary!

Ren extraordinary hands behind him, staring at the two voices in the wind and snow, opened his mouth and said: "this boy's understanding of the blood moon Tu Tian chop is much deeper. It is estimated that the triple blood moon can gather in less than half a year."

"This boy's talent is really amazing. I spent three years on double blood months."

Side of the ye old Mou son a sink, open a way: "in fact, leaf boy and you are really like."

"Oh? Where is it like? " Ren fanrao has an interesting taste.

Ye Lao pondered for a moment and then said, "talent, potential, means, wisdom."

Ren fan agreed with Ren, nodded: "this boy is indeed the reincarnation of reincarnation. Although the memory is not awakened, but the layout is deep, he played a step of chess before entering the moon god temple, which is meaningful."

Ye Lao obviously did not finish, and continued: "there is still a point most like."

"What?" Ren extraordinary turns head to see to leaf old, also quite curious.

Ye old strange smile: "peach blossom robbery a little more."

"If I guess correctly, Miss Su Mo Han also appeared in foreign countries not long ago. She must be looking for you."

Ren fan heard Su Mo Han three words, showing a smile: "it is right."

"Well, don't talk about me. Take a look at this boy. This boy's chance is not so easy to take."

"There's a guy in there. There's a problem."

.....

In the temple of the moon god, two young men, wrapped in a group of fire, walked slowly.

But even so, their bodies still trembled slightly. Obviously, it was quite difficult to resist the cold in the moon god temple with this fire!

Both of them are young talents to mend the sky!

One of them was handsome, tall, elegant and elegant. In his actions, there was a rhythm of the road around his body, wearing a black Taoist robe. This man is the first genius of Qixuan dao, Li Xiuyuan!

And the man beside him is bigger than Li Xiuyuan. Although he is also wearing a Taoist robe, his whole body is full of solid muscles. He doesn't look like a Taoist, but looks like some fierce beast!

His skin is dark and his face is handsome, but it is full of scars!

He is the existence of Qixuan daocong, second only to Li Xiuyuan, and also known as the Wu disaster of destroying Taoism and killing gods!

Compared with Li Xiuyuan's low-key, Wu disaster is very famous in the whole moon soul domain!

In order to prove the truth by killing, he once exterminated several evil sects inherited from the blood and the evil way in the name of eliminating the demons and defending the Taoism. He slaughtered all the people in the clan, regardless of their strength, even the newborn babies!

You can imagine how cruel this man is!

However, few people know that Wu Fu and Li Xiuyuan are brothers of the same mother and half father!

As Wu Fu walked, he opened his mouth to Li Xiuyuan and said, "brother, are you sure that the spirit marrow of the moon liquid is in this ancestral hall?"

Li Xiuyuan nodded his head and said, "if I hadn't got the handwriting left by an ancient great energy in that ruins, I would not have got the news. The spirit marrow of the moon must be here!"

However, after saying that, Li Xiuyuan's eyebrows suddenly slightly wrinkled

Seeing this, Wu couldn't help asking, "brother, what's the matter with you? Any questions? "

Li Xiuyuan said: "it's just that the cold power of this month's liquid spirit marrow is still ahead of my expectation. I didn't expect that even the two blazing sun sky fires I prepared could not completely offset the cold air by refining the Zong Chunyang secret method of the seven xuandao. As a result, it would be extremely difficult for us to obtain the liquid spirit marrow of this month."

"But what else can we do

When Li Xiuyuan heard the speech, his eyes flashed slightly: "yes!"

For this trip to the moon god's secret place, he had been preparing for a hundred years. After reading numerous ancient books, he learned that the virgin with the body of Yuanyin could greatly restrain the cold of the spirit marrow of the moon liquid!

It's a good body?.

Chapter 3658

Wu has been searching for hundreds of years, but he has not found

Until he came to the lake and met Li Qingyu of Yinyang lingdao zong!

Li Xiuyuan said: "Li Qingyu, the first genius of Yinyang Lingdao sect, has the body of Yuanyin. If we can get her, our chances of taking away the spirit marrow of this month will be greatly increased!"

At the same time, his face appeared a bit of fun. Who could have thought that the genius of Yin Yang Lingdao sect was actually a virgin?

On hearing this, Wu Fu's face was full of scars, showing a ferocious look. He hated these heretics most. If it wasn't for the strength of the Yin Yang Lingdao sect, he would kill all his disciples by the most cruel means!

However, Li Xiuyuan shook his head again and said: "unfortunately, with the old thing of songwu, I don't think it is possible to leave a mark on Li Qingyu. This space storm is so strong that it is far beyond my expectation. Even after she enters the moon gate, we immediately follow her, or we fall into a different position with her..."

Just as Li Xiuyuan was talking, suddenly, he and Wu Fu's looks were moving. They turned their heads and looked behind them

I saw two figures looming in the majestic wind and snow

When the breath of one of them was clearly sensed, a touch of ecstasy appeared on Li Xiuyuan's face!

It's Li Qingyu!

If you don't look for her, does this woman come to her door by herself?

It's providence!

Even God, they are helping him!

There was a sinister color in Li Xiuyuan's eyes. If you want to make the most of Li Qingyu's Yuanyin body, the best way is to fully stimulate his blood power with the secret method of Qixuan daocong. Of course, this is not only extremely painful for Li Qingyu, but also completely abandoned even if Li Qingyu is alive!

Of course, after doing such things, Li Xiuyuan would never let Li Qingyu leave the secret place of moon god alive.

It's just a woman of an evil cult. Let alone dead, she deserves to torture and abuse her, isn't she?

It is her good fortune that she can use her own life to provide some help for such righteous children as them, so that she can repay her sin in the world.

Wu Fu's eyes were full of excitement. From the first sight he saw Li Qingyu, his heart was filled with heat. In his opinion, Li Qingyu must be a coquettish whore who pretends to be noble. Otherwise, how could she join the yin-yang Lingdao sect?

Abusing and killing this kind of whore, looking at this kind of whore's miserable begging for mercy, is a very pleasant game for Wu!

Of course, this is after using Li Qingyu.

Soon, ye Chen and Li Qingyu came to them.

Looking at Li Xiuyuan and Wu Fu, who are surrounded by flames and look chilly, ye Chen's eyes flash. He finds that they are not looking at themselves, but like two hungry wolves, staring at Li Qingyu!

So he stopped.

Li Xiuyuan glanced at Ye Chen. Since he wanted to fight Li Qingyu, it was impossible to leave any witnesses.

However, when he saw the young man holding Li Qingyu in his arms and resisting the extreme cold with his surging vitality, he could not help but shrink his pupils!

How strong is this kid's life?

What they managed to do with blazing sun and sky fire. The young man in front of him did it on his own?

Li Xiuyuan is not a fool. Although Ye Chen is only a god realm, this is enough to prove that he is absolutely not simple!

And Wu Fu's face is even more dignified than Li Xiuyuan!

He has been floating in blood all his life. He has an extremely accurate intuition about danger. He was still thinking about how to torture Li Qingyu's Wu disaster. When he noticed Ye Chen, he instinctively concentrated all his mind on Ye Chen!

His whole body muscle, slowly wriggles, the whole body pure Yang spiritual power flows indefinitely, an extremely pure killing intention faintly rises!

At the moment, Wu disaster is like a wild animal facing natural enemies!

The atmosphere between the four became tense in an instant!

But at this time, Li Xiuyuan suddenly put out his hand to stop Wu Fu. A smile appeared on his face and saluted Ye Chen: "this young master, I'm Li Xiuyuan. This is my younger martial brother Wu Fu. We are both disciples of the seven Xuan Taoism sect. Can you ask your name?"

Ye Chen said nothing, but looked at them coldly.

Li Xiuyuan said with a smile: "this childe came here, I'm afraid it's also for the spirit marrow of the moon fluid?"

Ye Chen smell speech, although the face has no facial expression, but, the vision is slightly heavy.

These two people actually know the existence of the spirit marrow of moon liquid?

Li Xiuyuan continued: "childe, I don't think you want to meet me and others here, do you? Fighting here, even if we can make a winner, is it really good for the winner?"

It is not a simple thing to get the moon liquid spirit marrow. If you are injured in the battle, it will be even more difficult to obtain the moon liquid spirit marrow! Therefore, we don't want to have a conflict with Childe! "Ye Chen finally said, "what do you want to say?"

Li Xiuyuan said with a smile: "it's very simple. I want to join hands with you."

Wu disaster hears the words, but he looks at Li Xiuyuan with a startled look, and joins hands with this boy?

That moon liquid spirit marrow, but the treasure!

Just give it to this kid?

Li Xiuyuan's eyes flashed. He knew that ye Chen was very dangerous. This indifferent young man was full of strange things from the very beginning!

If he could, he didn't want to fight against Ye Chen!

However, if you want to get Li Qingyu, you can't let Ye Chen disclose it!

So there is only one way, that is to win over Ye Chen!

At the moment, Li Qingyu's face is changing. Although she doesn't know what YUEYE spirit marrow is, ye Chen brings her here, not to go shopping!

What does Ye Chen want to do by himself?

Li Xiuyuan's eyes flashed: "as long as the young master can hand over the woman, I guarantee you will not suffer losses."

Hearing this, Li Qingyu changed her face and said to Li Xiuyuan Jiao, "what are you talking about?"

Li Xiuyuan said with a cold smile: "Li Qingyu, you are just a cult girl. Do you dare to shout at me? Hehe, why do you think this child brought you here? But I want to use your Yuan Yin body to take away the spirit marrow of moon liquid! Are you rude to me now? Soon you will regret your stupidity!"

Young master, am I right? Young master, do you know that Qixuan Taoist sect has a skill which can greatly burn the potential and stimulate the power of blood. If you are willing to hand over this woman, you and I will be much more relaxed to obtain the soul marrow of moon liquid! "

Li Qingyu looks at Ye Chen. She hopes Ye Chen will refute and deny it!

I really hope it's not Xiuyuan!

But when she saw the look of Ye Chen, she couldn't help but feel cold in her heart!

I saw that ye Chen was silent at the moment, but there was no refutation!

Chapter 3659

Li Qingyu lowered his head and left Ye Chen's arms. He was like an old stone statue standing in the wind and snow.

Along the way, although she felt that ye Chen was domineering, strong and always bullying herself, she didn't think ye Chen was a bad person

Even, I have a good feeling for him!

Since she was a child, she has entered the practice of Yin Yang Lingdao sect, and has seen too many ugly sides of men. Therefore, she has always been reluctant to have any contact with men!

However, ye Chen gave her a special feeling, as if he was different from other men

She felt that since it was written in the spirit contract that her life would not be endangered, ye Chen would at least not violate her promise.

But now, if ye Chen is to make use of his spirit body, he should promise Li Xiuyuan, right?

After all, it's the ability to make the most of yourself, isn't it?

Hehe, as for the spirit contract?

It's not a violation of the spirit contract if you just leave a breath, do you?

There is a self mocking smile on Li Qingyu's pretty face. She is just a tool for ye Chen after all

Ye Chen is no different from other men.

But at this time, all the people on the scene felt a chill on their spirits!

A long black sword and falling dust and dragon sword appear in Ye Chen's hands one after another!

Li Xiuyuan and Wu disaster, can not help but look a Lin!

What is this kid doing?

Ye Chen holds two swords. The power of blood and moon converges. The soul swallowing rhyme looms around. The evil sword turns. It seems that he can do it at any time!

"I'll give you a chance to leave, and now disappear from my face," he said without expression

Li Xiuyuan's face sank and said, "young master, are you sure you want to fight us both? This is not a wise decision! "

Ye Chen gazed at Li Xiuyuan. The chill on his face was heavy for a minute and said, "I'll give you three breathing time, disappear from my eyes.

Otherwise, you will all die. "

Boom!

Invisible, a torrent of killing will instantly cover Wu disaster and Li Xiuyuan!

"You

Stimulated by this killing intention, Wu Fu's face suddenly became ferocious, just like a wild beast. A sense of terror and killing also broke out from Wu Fu's body. His eyes were red, and he seemed to be about to fight ye Chen!

But at this time, Li Xiuyuan grabbed Wu disaster's arm. If there is anyone in the world who can stop the fury of Wu disaster, it may be only Li Xiuyuan!

Ye Chen turned a blind eye to their performance and said coldly, "one."

Wu Biao roared at Li Xiuyuan: "brother, even if this boy is weird, you and I will not have the strength of World War I. the evil cult witch has tried her best to resist the cold. It is useless. What are we afraid of him for?"

Wu disaster is a cruel man who is said to destroy the way and kill the gods!

In this life, few people dare to threaten him like this!

And those who do, are dead!

At the moment, his nerves are going to be burned by anger, and there is only one idea in his brain, that is to kill Ye Chen and kill Ye Chen cruelly!

However, Li Xiuyuan was holding Wu disaster to death, and said with a cold smile to Ye Chen: "ha ha, childe, you are really brave. This time my brothers and I have been planted. However, childe, I hope you will not regret your decision now!"

Ye Chen smiles at Li Xiuyuan and continues: "two!"

Li Xiuyuan's eyes were completely gloomy. He grabbed Wu Fu and whispered, "let's go!"

The next moment, the two of them were full of fire, and they flew away towards the distance.

Li Qingyu looks at this scene with great dullness. She really doesn't understand

Since ye Chen just wants to use her words, why not allow Li Xiuyuan?

She seemed to want to say something, but just then, her cold body was pulled into a fiery embrace.

Ye Chen said faintly: "I didn't say, close to me, is it an order? Who allowed you to let go? Have you forgotten that you have promised to obey me completely in the secret land of the moon god

Li Qingyu snorted softly. This guy still has to teach himself

Just when she was a little depressed, ye Chen's voice rang out again: "I don't like people breaking their promises to me, but I don't like breaking my own promises to others. Since I said, I won't hurt your life, I will certainly do it."

Li Qingyu was stunned at the speech. Her heart seemed to be hit by something. She slowly raised her face and looked at the man. There was a smile on her pretty face that she could not control.

This man, it seems, is really different from others.

.....

The moon god temple thousands of miles away in a mountain, two figures flash, through the wind and snow, fell in a cave.

These two people are Li Xiuyuan and Wu Fu! At the moment, Wu Shina's scarred face was filled with unwilling and angry color, and called to Li Xiuyuan: "brother! You just let that kid go? In order to get the spirit marrow of this month's liquid, we have prepared for a hundred years. Are we going to give it up like this? Not to mention that the enchantress has been delivered to us

Li Xiuyuan looked gloomy and incomparable. He said with a smile: "let it go? Younger brother, do you remember when you let go those who offended you? "

When Wu Bing heard this, he was awed in his heart. All the people in the moon soul domain called him the God of destruction. But in his heart, his brother was far more terrifying than himself!

In his memory, those who had offended Li Xiuyuan, without exception, had a miserable ending than death!

Li Xiuyuan said coldly: "however, it's also necessary to divide the time. It's not a wise choice to fight with this strange boy near the moon god temple. Brother, do you know what skills I practice?"

Wu Fu nodded his head and said, "if I remember correctly, elder brother, you are practicing one of the three Zhenzong methods handed down by Qixuan daocong from ancient times, Tianxuan Yandao Jue!"

Li Xiuyuan said: "yes, it's Xuanyan's formula! There will be a link between practicing this skill and the way of heaven. Even, I can feel the existence of the heaven's Qi. However, I have been practicing martial arts for so many years, but I have never found anyone who has this kind of Qi, until today! "

Wu Fu was surprised and said in disbelief, "brother, you mean this boy..."

Li Xiuyuan nodded his head solemnly: "good! This kid has a lot of luck! Fight him head-on. I'll probably die! "

Even if Wu Fu is such a cruel person, who is called "destroying the way and killing the God", he can't help showing a trace of horror. The fate of heaven is very lucky. That's what the legendary characters have!

One of them is the God of reincarnation!

Chapter 3660

According to the legend, the existence of the heaven's Qi is just like God's help, which is incomparable. Anyone who is hostile to it is hostile to the way of heaven. The end will not be better!

It sounds as though it is illusory. If you can cultivate yourself to their level, you can feel the horror of the way of heaven!

Li Xiuyuan said: "however, the heaven's qi movement is also high and low, which is related to the cause and effect. It is not always at the peak. Whenever any chance comes to this person, his heavenly way and Qi will be reduced for a while, and it will take some time to recover to the peak..."

His voice suddenly became overcast and said, "so, if we want to make a move, we should choose when he collects the spirit marrow of moon liquid!"

Wu disaster hears the speech, the face shows happy color, heavy order nods!

.....

Now, the temple of the moon.

Ye Chen and Li Qingyu look at the scene in front of them, showing a rather shocking look!

I can see that in a very strong cold air, there is a clear pool, which is made of some kind of jade which emits the power of pure moon, and in the pool is a pool of spirit like moonlight!

This is the spirit marrow of moon liquid!

Even if they have not really gone to the Qingchi, an extreme spiritual and divine breath will almost submerge their spirits!

Treasure!

This month liquid spirit marrow is the real treasure!

However, it is not a simple thing to get the spirit marrow of this month!

Just around the pool, the frightful chill is a mountain hard to conquer!

Ye Chen asked xuanhanyu, "xuanxianzi, how to do it now."

Xuanhanyu said: "even if you have a way to get through the cold, you can't refine it directly. At most, the two people you met should have the same idea. Therefore, I want to cooperate with you. After all, even if you get a trace of YUEYE spirit pith, it's hard to imagine the harvest! "

with a playful smile, she said: "but how could they think that someone in this world could swallow up the spirit marrow of moon liquid directly? Ye Chen, it's not difficult for you to cross the cold barrier. Have you not practiced a formula of burning blood and put it to the extreme? "

Ye Chen hears the words, secretly urges the dark flame, a faint blue flame, instantly ignites on Ye Chen's body, in the flame there are seven blood light, burst out!

A stream of pure divine nature gushed out!

Li Qingyu looks at Ye Chen in disbelief

This How can this guy still have such a powerful divinity?

However, ye Chen shocked her so much that she was numb

Even if ye Chen smashes the moon god's secret place with his fist, maybe Li Qingyu can accept

All of a sudden, both of them had a look!

After using the burning blood formula, the cold influence on Ye Chen and Li Qingyu was weakened a lot!

Xuanhanyu said with a smile: "the spirit marrow of YUEYE is the thing worshipped by the moon god family. Its cold air has no influence on the Protoss. The stronger the divinity is, the less the influence of the cold spirit will be."

Although the extreme burning blood formula consumes a lot of money, it is more than enough to cross the cold barrier. In fact, if he was the only one, he would be able to cross the cold barrier with his terrible constitution even if he didn't use the formula. However, if we want to take Li Qingyu into it, we can't do it only by his strong vitality.

However, ye Chen did not immediately take a step, toward the moon liquid spirit marrow to go.

But with a wave of his hand, several miraculous lights flew out of his hands and fell in different directions, forming an array!

At the same time, ye Chen suddenly turned his hand and held the evil sword.

The sword of falling dust and falling dragon is also tightly behind his back.

Li Qingyu saw Ye Chen take out the long black sword and the sword behind it. She was surprised. She didn't understand what ye Chen was going to do. She looked around with her beautiful eyes. Is there any enemy hiding here?

Can, the next moment, ye Chen is long sword a turn, cut to own wrist!

With a stroke, the blood light flashed and a shed of blood came out!

Seeing this, Li Qingyu exclaimed, "what are you doing! Are you crazy? "

At the moment when the blood rain rose, ye Chen's sword fingers connected, and the blood beads in the air condensed into a whole body, which turned out to be a bloody Rune!

At the next moment, the bloody rune is hidden in the void!

Li Qingyu quickly pulled Ye Chen's wrist and looked at the wound. He was stunned again. He saw that the wound on Ye Chen's wrist was almost healed in a moment!

She breathed a sigh of relief and looked at Ye Chen with some incomprehension. Along the way, ye Chen seemed to leave such a bloody Rune from time to time. However, only a drop of blood was left before, which was not as exaggerated as it is now.

What is Ye Chen going to do?

Although Li Qingyu was curious, he did not ask much.

At this time, ye Chen said, "OK, let's go in."

After that, he took Li Qingyu into the cold air!The rolling cold air, in the moment Ye Chen stepped into it, was like a moth to a fire, whistling towards Ye Chen. This not only brought the cold force and strong impact, but also made Ye Chen's feet extremely heavy!

Ye Chen doesn't think so, but even though Li Qingyu has the divinity of burning blood formula to resist the cold, he is still shivering with cold. He feels that his blood will be frozen!

Ye Chen's eyes congealed and drank violently. A breath of reincarnation stirred up in an instant. He actually used the six samsara methods!

However, in this secret place, xuanjiyue and Diyuan hall should not be found.

Under the impact of the cold air, the huge force in his body rushed towards the clear pool of that side!

After a few breaths, ye Chen came to the edge of the clear pool!

The jade made of Qingchi is also quite magical. It is clear that the spirit marrow of the moon liquid emits frightful cold air. However, around the Qingchi lake, where the moon flowers are shrouded, it is calm. Not only is it not cold at all, but it is filled with a light warm current.

Ye Chen looks at the month liquid spirit marrow in front of the eyes, also can't help but emerge a touch of excited color!

If you devour the spirit marrow of the moon liquid, its foundation, body strength and divinity will be upgraded to a higher level again?

His strength will soar again!

Xuanhanyu said at this time: "Ye Chen, you not only want to swallow the spirit marrow of the moon liquid, but also practice a magic power in the process of swallowing, which is called spirit moon Dharma body! In this way, the effect of this month's liquid soul marrow can be brought into full play! After entering the clear pool, operate the aura according to the way I said

Ye Chen smelled the speech and nodded secretly. Suddenly, he turned his head and said to Li Qingyu, "take off your clothes."

Li Qingyu smell speech, slightly a Leng, ye Chengang just said what?

Did she hear right?

In an instant, Li Qingyu's pretty face was scarlet and shook his head desperately!

It's hard Is Ye Chen finally going to show his true colors and start with himself!
