

Physician 3701

Chapter 3701

"If you can have six orders, you can't be an atmospheric carrier." Zhou Jiutong added a sentence in his heart.

However, wuduancang heard Zhou Jiutong's words, but he was still worried. He couldn't help but say: "there are so many methods in Zhenyuan hall. It's possible to test out Ye Chen's talent."

"Oh?"

Zhou Jiutong's eyes flashed, "no matter how strong the means of Zhenyuan hall is, are the detection methods more powerful than the six soul searching arrays of our clan?"

As soon as this was said, the arbitrary Cang was stunned. The six spirit seeking array was a large array brought by the founder of the six Taoism sect in its heyday. This array can detect all living creatures in the heaven and earth, and is the most powerful one in the array.

However, the six spirit seeking arrays could not detect Ye Chen's talent against the sky, and Zhenyuan hall could not do it at all.

Thinking of this, arbitrariness Cang could not help relaxing, and then nodded, "I don't worry about this point, but ye Chen is impulsive. I'm afraid that he will cause great disaster when he arrives at the Zhenyuan hall. He will be waiting for orders at that time."

"Ye Chen, this little guy, is much smarter than you think."

Zhou Jiutong shook his head at the moment, then his body flashed and disappeared from the six temples.

"I hope the boy is OK."

Seeing this, arbitrary Cang shook his head helplessly, and then left the six temples. Although Zhou Jiutong had told him that he didn't need to worry, he still couldn't put it down, so he had to make some preparations before ye Chen went to Zhenyuan temple.

Three days later, the news that ye Chen was going to Zhenyuan hall became the most lively topic of the six Taoist schools. I don't know how many people were ridiculing Ye Chen and determined that ye Chen was going to lose face in Zhenyuan hall.

"Hum, this boy had better die in Zhenyuan hall!" Lei Rong gnaws his teeth and looks at the direction of the yellow spring peak.

On the other side, Zhou Jin also stares at Huang Quanfeng and laughs insistently, "you are so arrogant that you will be constantly humiliated when you arrive at Zhenyuan hall. If you can't suppress it, you will be guilty!"

Ye Chen at this time of course did not know these people's ideas, even if he knew, he would not have the slightest care.

During these three days, ye Chen completely stabilized the six layers of heaven and God realm, and enhanced his strength again.

And ye Chen will leave, Liu yunmiao and Yang Qianyu are also very worried, even proposed to go with Ye Chen.

"No need."

Ye Chen looked at Liu yunmiao and waved his hand indifferently, "Zhenyuan hall is bound to be in trouble. You will also be in danger if you follow me. You'd better stay in zongmen."

"Senior brother, it is in danger that we will follow you."

Yang Qianyu shakes his head at the moment and says, while Liu Yunmiao looks at Ye Chen firmly with an obvious attitude.

At this time, however, the voice of arbitrariness and majesty rang out in the six Taoist schools.

"Ye Chen, come to see me."

Hearing the speech, Ye Chen's eyes flashed slightly, and then he said goodbye to Yang Qianyu and went directly to Liudaofeng.

Liudaofeng is the training place for the patriarch Wudaocang, and the Liudao temple is only for discussing the affairs of the sect. Therefore, Ye Chen has to go to Liudaofeng to see Wuduancang.

As soon as Ye Chen reached the foot of Liudaofeng mountain, a magnificent force appeared, tearing the space and directly sucking Ye Chen into it.

Ye Chen shuttles through the space, and suddenly appears in the hall of six peaks. At the moment, Wu Duan Cang is wearing a long robe, sitting at the table with a plain face and looking at Ye Chen quietly.

"Here it is."

Arbitrary Cang looks at Ye Chen to say.

"Well, I don't know why the Lord summoned him."

Ye Chen nodded after hearing the speech. He was curious. However, he also knew that the summoning of Arbitrary Cang must have something to do with going to Zhenyuan hall.

But the arbitrary Cang heard Ye Chen's words, but his eyes moved, and then he said, "I don't say you should also know that it's related to Zhenyuan hall, I have only one request."

"What are the requirements?"

When ye Chen hears the speech, his eyebrows are slightly picked. Don't you disgrace liudaozong? Just this kind of thing, even if is arbitrary Cang not to say, ye Chen also absolutely understands.

But at this moment, arbitrary Cang is solemn looking at Ye Chen, eyes gaze, "all other things are not important, as long as you come back alive."

"Come back alive..."

Looking at Wu Duan Cang's eyes, ye Chen's heart suddenly shakes. Wu Duan Cang is worried about his own safety. Obviously, Zhenyuan hall is very dangerous.

"I see." Ye Chen nods slowly, in the heart also clear arbitrariness Cang to own value, otherwise the other side also won't specially summon oneself, say such words.

But at this moment, arbitrary Cang complexion hesitated for a moment, and then his eyes were firm and took out a letter from his arms.

"Take this."

Wu Duan Cang handed the letter to Ye Chen. After he opened it, he looked strange. This letter was given to Zhenyuan hall, and the content was that he had been expelled from the six schools.

"Lord, what do you mean?"

"You have to know that there are many dangers in Zhenyuan hall. If there is an accident, you can give this letter to Zhenyuan hall and tell them that you are no longer a disciple of the six schools. You may be able to save your life at that time."Arbitrary Cang face is expressionless, clench a fist to say.

Obviously, arbitrariness Cang did not want to do this, but now the liudaozong is facing Zhenyuan hall. If ye Chen has an accident and wants to protect Ye Chen's life, he can only do so.

But ye Chen looked at the letter with a cold face, and suddenly tore it up. It seems that the six schools expelled themselves, but if it was passed on, the six schools could only expel the disciples in order to protect the next disciple.

This kind of thing spreads in the outside world, the six daocong will lose face, ye Chen does not allow this kind of thing to happen.

"What are you doing?"

Seeing this scene, Wu Duan Cang did not change his face and stood up directly.

"Do you know that your life is very important. It doesn't matter if liudaocong loses some face!"

In addition to the memory of the past, there are still six faces in the memory of the past.

Looking at the arbitrary Cang, ye Chen was expressionless, and then said, "Lord, before I joined the sect, I made a great wish to revitalize the liudaocong and make it the first sect outside the territory. I am not talking nonsense or joking about it!"

"Liudaocong has been declining for so many years. It's time to rise up. I don't need this letter, and I won't die!"

Ye Chen looked at Wu Duan Cang with firm eyes, "believe me, I can lead the rise of liudaocong!"

Hearing this, the arbitrary Cang complexion several times changes, looking at Ye Chen's eyes is gradually light up.

"Alas..."

Arbitrariness Cang suddenly sighed. He knew Ye Chen's talent and believed that ye Chen could lead the rise of liudaocong. However, it took time for ye Chen to grow up without accidents.

But at this moment, ye Chen is not willing to accept this letter from Wu duancang and venture to Zhenyuan hall. All this worries Wu duancang.

"That's it."

The arbitrariness Cang fiercely shook his head, then flashed a touch of Sen Han in his eyes, and then said, "it's time for six schools to make changes. Since you insist on doing so, it depends on you."

"If something goes wrong with you, the six schools will definitely not give up!"

As the patriarch of the six schools, arbitrariness Cang is also full of courage.

During these years of decline, liudaozong has been swallowed up for fear that the enemy of the past would attack liudaozong. Even the former Zhenyuan Hall of Shijiao began to humiliate liudaozong.

Arbitrary Cang is very clear that if this goes on, the six schools will lose their morale, and one sect will lose the faith of daring to fight, which is the beginning of the disappearance of this sect.

Chapter 3702

Seeing the outbreak of the arbitrariness Cang, ye Chen was moved in his heart. He was not only powerful, but also full of wisdom. However, today's liudaozong is not only declining, but also has numerous crises behind it, which makes it impossible for him to revitalize the sect.

Otherwise, under the leadership of arbitrariness Cang, even if liudaozong could not become the top power, it could also have a place in the foreign countries. Why should even Zhenyuan hall humiliate liudaozong at will like this.

At this moment, arbitrariness Cang looked at Ye Chen again and said, "set out in an hour. I will arrange two elders to accompany you to protect your safety."

"Two elders..."

Ye Chen hears the speech and ponders, then nods, arranges two elders, some guarantees, at the same time also can let Liu yunmiao two people who want to follow him give up this idea, honest stay in the zongmen.

Seeing ye Chen's promise, Wu Duan Cang asked Ye Chen to go back to huangquan peak to prepare, and then went to the six temples to hold a meeting.

When ye Chen returns to Huang Quanfeng, Liu yunmiao and Yang Qianyu still insist on going with Ye Chen.

Then ye Chen tells the two elders that Wu Duan Cang arranged for himself, and Liu yunmiao gives up.

At the same time, among the six temples, Wu Duan Cang looked at a group of elders with deep eyes.

"Lord, I don't know why we were asked to come here this time."

At the moment, the week forbids the eye to turn disorderly, can't help but say.

As a matter of fact, all the people present knew that it was the time for ye Chen to go to the Zhenyuan hall. It must have something to do with the matter that arbitrary Cang asked them to come. Therefore, they were reluctant.

After all, the attitude of Zhenyuan hall is very obvious. There is no goodwill towards liudaozong. No matter what they are asked to do by arbitrary Cang, it is definitely not a good thing.

At the moment, looking at a group of elders with changeable looks, the arbitrary Cang is a wave of his hand, and a bronze mirror appears above the sky.

"This is the magic mirror that Nansheng gave to his grandfather in the past. It was a keepsake when Zhenyuan hall and liudaozong made friends."

Arbitrary Cang looked at a tall and thin elder in white.

"Gao Changlao, I will give you the magic mirror of Baohua this day."

"Ah?" After hearing this, Gao Changlao's face changed slightly. At the moment, he took out the keepsake of Nansheng and his grandfather, which was obviously related to Zhenyuan hall.

But today's Zhenyuan hall is not what it used to be. I'm afraid it's no good to take out the keepsake at this time.

"Elder Lin."

At this time, Wu Duan Cang looked at a black elder with a green bamboo on his back and said, "this time, you and elder Gao follow Ye Chen to Zhenyuan hall."

"If ye Chen gets into any trouble and takes out the magic mirror of Tianbaohua, they will be more or less afraid of their past friendship and speak more easily."

As soon as he said this, Gao Changlao and elder Lin frowned at the same time. They just wanted to speak, but they were interrupted by arbitrary Cang.

"If you don't want to go to Zhenyuan hall with Ye Chen, you will not be the elders of liudaozong from now on."

Arbitrariness Cang facial expression is cold and ran, open a mouth to say: "two people think carefully about it."

At the moment, the six sects of cangzong were forced out of the temple, but they would not be much higher than the old ones.

What's more, I'm afraid that no other clan is willing to accept those who have been expelled by the liudaozong. They can't even serve as a guest minister. Their status has plummeted. Gao Changlao and Lin Changlao have no choice at all.

Thinking of this, many people are gloating at elder Gao and elder Lin. they are glad that they were not selected by arbitrary Cang.

After all, ye Chen promised to go to Zhenyuan hall. He must be humiliated. He is just a clown who is teased by a monkey. If anyone follows Ye Chen, he will surely lose face.

But at this time, the people did not know the mind of arbitrary Cang. He knew very well that Gao Changlao and Lin Changlao did not look up to Ye Chen, but they were loyal to liudaozong.

Therefore, the arbitrary Cang forced the two people by driving them out of liudaozong, believing that they would certainly agree, so he chose the two of them.

After all, they are loyal to liudaozong. Even if ye Chen is in any trouble, they will save Ye Chen because of his family. In this way, ye Chen is much safer.

People don't know about Wu Duan Cang's consideration. Gao Changlao and Lin Changlao don't know. They want to refuse at the moment, but they are blocked by Wu Duan Cang. After all, they can't give up the position of elder. They can only agree.

"Yes."

Elder Gao and elder Lin looked at each other. They were livid, but in their hearts they were more and more dissatisfied with Ye Chen. It was clear that the arbitrary Cang had already rejected the request of Zhenyuan hall, but ye Chen had to promise to come down. It was nothing to look for!

At the moment, seeing the two elders agreed to come down, the eyes of the two elders flashed and nodded.

"In this case, you will go to huangquanfeng and go on the road with Ye Chen."

Then, all the people in the six temples left. Gao Changlao and elder Lin were also livid and rushed to huangquan peak reluctantly. Gao Changlao came to huangquanfeng and put the magic mirror into his arms. Then he looked at the hall and cried, "Ye Chen, let's go!"

"Good."

Ye Chen walked out of the hall indifferently and looked at elder Gao and elder Lin. their faces were expressionless and their eyes were full of disdain for themselves.

"Thank you for your support."

The two elders of Gaolin are indifferent to Ye Chen. Ye Chen doesn't have a hot face and a cold butt. After politely saying hello, the three of them go straight with each other and leave liudaozong.

Zhenyuan hall is not far from the location of liudaozong, but there is a special transmission array. Soon, ye Chen and others arrive.

Along the way, there was no communication between the three people. The two elders of Gaolin were silent and indifferent. However, they cared about the protection of Ye Chen. Wherever they went, they were keen to explore the surroundings and eliminate all dangers.

Seeing this, ye Chen can't help nodding to himself. Wu Duan Cang is really good at selecting people. The strength of the two elders is in the middle of the six Taoism sect, and they are loyal to the six Taoism sect. This is enough.

Zhenyuan hall is located in a huge city, just like a god City falling from the sky. It seems to be the residence of a giant God. From a distance, it looks like a huge mountain that depends on the earth and the sky.

This huge city, named Nansheng City, is named after Nansheng, a good friend of Xiao shuihan, the master of the six patriarchs. It is magnificent and magnificent, and releases a brilliant light around it.

From a long distance, ye Chen saw the famous Southern holy city. As he approached, he couldn't help admiring his eyes. The city exuded a magnificent atmosphere of Hongmeng, which might be a magic weapon.

And such a vast and magnificent magic weapon, I'm afraid, has infinite power. It should have been used by Nansheng, and the details of Zhenyuan hall are quite good.

At this moment, the two elders of Gaolin look at the closer South holy city, and their faces are more and more gloomy. They can already imagine what kind of treatment will be given to Zhenyuan temple when they enter the southern holy city.

Chapter 3703

That is to say, knowing the attitude of Zhenyuan hall, the two elders of Gaolin do not want to go here. Ye Chen is just a clown. He delivers the door to others for ridicule, and he will lose the face of liudaozong.

The two elders of Gaolin are loyal to liudaozong. The more they think that ye Chen will disgrace liudaozong, the more angry they are. They would like to tie Ye Chen directly and take them back to liudaozong. The provincial people are disgraced here.

When he came to the South holy city, which was huge and magnificent, it radiated vast golden mansions. In front of the gate reflecting the sky, ye Chen saw a group of disciples in the clothes representing the Zhenyuan hall standing in front of the door to meet the guests from all directions. Several elders also stood here, greeting all the visitors with a smile.

But when they saw Ye Chen and Gao Lin, the elders and disciples who welcomed the guests in front of the South holy city gate showed a strange smile, and their eyes were full of evil intentions.

"Interesting."

Ye Chen sees this scene, the corners of his mouth curl up a radian, knowing that the people of Zhenyuan hall can't wait to humiliate themselves.

Later, ye Chen took the two elders of Gaolin to the South holy city. At the moment, the two elders of Zhenyuan temple also met them.

The two elders of Zhenyuan hall were all dressed in luxurious clothes and were full of red faces. Today, Zhenyuan hall invited guests from all over the country. All of them were very proud. The scenery of Zhenyuan hall was infinite, and they were also very proud.

One of the two elders had a black mole the size of a walnut on his face, and the other had long flowing hair. He looked like a woman.

At the moment, looking at the two elders of Gaolin, the elegant and long hair Zhenyuan hall elder is smiling, "I didn't expect that today are two people coming. Why didn't Hua Qingguang come?"

As soon as the words were said, the faces of the two elders in Gaolin changed slightly, and even a cold light flashed in their eyes.

Huaqingguang elder and tianyunyou elder of liudaozong were the last elders invited to dinner by Zhenyuan hall a hundred years ago.

After that dinner, Hua Qingguang and Tian Yunyou almost died of old age. After returning to liudaozong, they said that they would never go to Zhenyuan hall again.

At the moment, the elder of Yuandian in Changfa town said this, obviously deliberately humiliating. However, the two elders of Gaolin couldn't be angry and held back. They were even more dissatisfied with Ye Chen, who was coming to the banquet.

At this time, the one side of the black nevus elder saw Ye Chen, but he suddenly said: "two, what do you mean by the six way sect? When you come to the yuan Hall of our town for a banquet, you don't let the disciples come, but you send a servant? "

Hearing this, the two elders of Gaolin can't help looking at Ye Chen, looking at Ye Chen's six layers of heaven, and their faces are a little bit dark.

"This elder, disciple Ye Chen, I am the chief disciple of the six Taoism sect, not a factotum."

Ye Chen is not angry at all, looking at each other's elegant demeanor, indifferent smile way.

"Chief disciple?"

As soon as this was said, the elder nevus and the elder with long hair burst into laughter, while the disciples of Zhenyuan hall in front of the South holy city gate, and even those who came from other sects also laughed.

"Ha ha! Why didn't liudaozong come into being like this? A waste of six layers of heaven in the heaven God realm is actually the chief disciple? "

"Return to the top forces of the past? I don't think even the last-class clan can be ranked? The chief disciple of the heaven God realm is ridiculous. "

"Well, how could zongmen invite liudaozong to the banquet? They are also worthy of being our friends in Zhenyuan hall? It's a shame to our Zhenyuan hall! "

A famous guest and the disciples of Zhenyuan Temple constantly ridicule each other. Gao Lin's two elders are as deep as water. Before entering the southern holy city, they suffer from such humiliation. This time, Zhenyuan hall has gone too far.

And ye Chen in the face of all this, are pale, but the eyes are suffused with cold, quietly looking at the faces of these people.

At the moment, the elder of nevus looked at Ye Chen and pretended to be sorry and said, "I'm really sorry. I didn't expect that the chief disciple of Guizong should be the heaven God realm. I'm embarrassed. Please come in quickly."

The elder of nevus looks at Ye Chen strangely with a smile. At this moment, the disciples of the southern holy city all smile with bad intentions and look at the gate of the South holy city from time to time.

"What does that mean?"

Ye Chen's eyes narrowed slightly, looking at the gate of the South holy city, already found that there was a problem.

Meanwhile, the two elders of Gaolin are also keen to detect the strange place. At this moment, the gate of the South holy city has erupted a tremendous pressure, and it is extremely secret. It can not be found out without careful investigation.

This is the plot of Zhenyuan temple. They arranged the array under the South holy city. When they saw Ye Chen and the two elders of liudaozong coming, they immediately opened the array.

This array has no special effect and does not have the power to kill. However, under the effect of the array, anyone who enters the gate of the southern holy city will suffer terrible pressure.

Zhenyuan hall wants to see the people of the six Taoism sects kneel down under the gate of the southern holy city, which is absolutely a matter of great people's hearts for Zhenyuan hall.

At the moment, aware of something wrong with the two elders of Gaolin, the complexion changes, Gao Changlao suddenly pulls Ye Chen and whispers.

"There's something wrong with this door. Don't enter."

Although elder Gao's voice is small, the people here are not ordinary people, obviously they all heard it. At the moment, the elder of nevus and the elder with long hair frown. If ye Chen doesn't enter, the good play they are preparing will not be seen.

At this time, in front of the gate of the southern holy city, a disciple of Zhenyuan hall, wearing a gold robe, which looked more noble than the black robes of other disciples, squinted at Ye Chen's mouth and began to drink.

"Ye Chen, do you dare not even enter the city of Zhenyuan temple? Do you think that you, the chief disciple of the heaven and God realm of the six Taoism sects, do not deserve to enter our Zhenyuan hall, for fear that we will be humiliated!"

Hearing this, ye Chen's eyes suddenly flashed a touch of cold, and Gao Lin two elders are also momentum explosion, "bastard, what are you talking about!"

"Don't be angry, two elders. It's just a matter between the younger generation."

At the moment, the elder nevus looked at the gold robed disciple with appreciation, and then went forward with the elder with long hair to block the two Gao Lin bodies.

Seeing that the two elders of the black nevus block in front of them, the two elders of Gaolin look slightly cold. This is not the six Taoism sect. If they teach the golden robed disciples a lesson, they will be trapped here or even fall down.

The two elders of Gaolin are awed, but ye Chen looks at the gold robed disciple with a slight eyebrow.

"You are nothing, dare to say I am not worthy of it!"

When ye Chen said this, many Zhenyuan hall disciples were in a state of uproar. The golden robed disciple was a genius of Zhenyuan hall, named Huang Haowei. Although he was not comparable to the Saint fengyusi, he was also gifted. Ye Chen dared to talk to Huang Haowei like this, and he was just looking for death!

"Well, you are nothing, dare to talk to me like that!"

Sure enough, Huang Haowei hears Ye Chen's words, and immediately gets into a rage. He looks at Ye Chen coldly and scolds.

Chapter 3704

At the same time, Huang Haoran's momentum also broke out. When he reached this level at this age, he was really gifted.

"If you have the courage, go into the South holy city. If you don't have the courage, go back to liudaozong for me!"

Huang Haoran looked at Ye Chen coldly, worried that ye Chen would not dare to enter the battle, and then said, "why don't you and I make a bet? If you can stand and walk into the southern holy city, I'll climb over from your crotch!"

"Oh?"

Ye Chen heard here, the corner of his mouth can not help but hook up a radian, "that if I lose?"

"If you lose, just climb over my crotch." Huang Haoran has a gloomy smile.

See, ye Chen eyebrow tiny pick, indifferent said: "this bet is good, I like, I bet with you."

Hearing this, one side of the old Lin can not help anxious, quickly to Ye Chen said: "don't bet with him, don't enter the southern holy city."

Smell speech, ye Chen slightly shakes his head, turn to look to Lin elder to reply: "do not enter, want to go back not to become?"

Hearing this, Gao Changlao can't help but be shocked. Yes, they have all arrived in the South holy city. If they leave the six way sect, they will become a joke in the whole country.

When elder Gao was in a daze, ye Chen had already walked to the South holy city without hesitation. At the next moment, he stepped directly under the gate of the southern holy city.

The mighty pressure swept over, but ye Chen's eyes were extremely indifferent. Not only did he look the same, his body did not have any changes, and he stood upright.

"Well?"

Seeing this scene, the master of nevus and the elder with long hair frowned, and subconsciously looked at the disciples of Zhenyuan hall in front of the South holy city gate, and suspected that they had not opened the grand array.

At the moment, the disciples of Zhenyuan hall are also puzzled and shocked. They are sure that they have opened the big array. They can even feel the terrible pressure of suppressing the heaven and earth, making the sun, moon, mountains, rivers and the whole world crushed. Why is Ye Chen doing nothing? Can ye Chen really bear the pressure of the whole sky?

Huang Haoran was even more livid at this time. He couldn't believe Ye Chen had not been affected. If ye Chen stood and walked into the southern holy city, wouldn't he have to climb under Ye Chen's crotch?

Huang Haoran's murderous spirit surges and stares at Ye Chen, hoping that ye Chen will be suppressed and kneel down.

At this moment, ye Chen feels the tremendous pressure, but he is not affected at all, because his identity is far more terrible than this pressure. How can this array make him kneel down.

Ye Chen looks back and smiles at the black mole elder and the elder with long hair. Then he strolls under the gate of the southern holy city and comes to Huang Haoran's body.

"This younger martial brother, fulfill your gambling agreement."

Ye Chen is indifferent to smile, looking at Huang Haoran to say.

"You

When Huang Haoran heard this, his face was cold, and the murderous spirit in his eyes was about to turn into substance. He saw Ye Chen really calm and incomparable and walked in from under the gate of the southern holy city, so he was nervous.

Just thinking that this is the South holy city, which is the site of Zhenyuan temple, he calmed down and decided that ye Chen didn't dare to embarrass him in the South holy city, and let his talented disciple of Zhenyuan Temple get through his crotch.

Just did not expect at the moment, ye Chen actually dare to let him fulfill the bet, Huang Haoran for a time also stunned.

"What bets?! How dare you let me get through your crotch

Huang Haoran's momentum broke out, and the mighty aura emerged. He was staring at Ye Chen, "a mole ant in the heaven's realm, you deserve it?"

Hearing this, ye Chen's face was indifferent, but the cold in his eyes flashed, "so you are going to violate the gambling agreement?"

"Well, if I really fulfill my bets, I'm afraid you'll die!" Huang Haoran sneered and felt Ye Chen was bluffing.

At this time, ye Chen's eyes suddenly bloom dark god awn, Huang Haoran before a second also a face disdain, the next second see ye Chen eyes God awn, but suddenly look dull.

"Elder martial brother, what are you doing?"

At this moment, the disciples of Zhenyuan hall suddenly found that Huang Haoran fell on his knees with a thump, and then went to Ye Chen's crotch without hesitation.

This scene made all the people in Zhenyuan hall stupid. One second before, Huang Haoran was still arrogant. Why did he fulfill the gambling contract in a twinkling of an eye? It was not like what Huang Haoran could do.

The people in Zhenyuan hall know very well that Huang Haoran is arrogant and arrogant. In addition to Feng Yusi, he doesn't pay attention to him. How can he get into Ye Chen's crotch.

"What have you done?"

Many disciples of Zhenyuan hall were in a hurry and looked at Ye Chen.

"What did I do?"

Ye Chen looked at the disciples of Zhenyuan hall in surprise, pointing to Huang Haoran and saying, "he suddenly wakes up and fulfills the gambling agreement. What does it have to do with me? I didn't do anything about it."

Ye Chen said, the corners of his mouth hook up a radian, and then said: "I'm just heaven, where can he do anything?"

Hearing this, a group of Zhenyuan hall disciples nearly choked to death by Ye Chen. They decided that ye Chen must have moved his hands and feet, so that Huang Haoran suddenly fulfilled the gambling agreement. But they can't say it clearly. They can't say that Huang Haoran dare to gamble and dare not recognize it. Ye Chen is forced to use means to let Huang Haoran fulfill his gambling contract? This spread not only to shame Zhenyuan palace, but also to Ye Chen long face, even no one will believe what they said.

After all, ye Chen is only the six layers of heaven in the God state, while Huang Haoran is the existence of the three layers of heaven in the sky.

At the moment, looking at Ye Chen's smiling face, a group of Zhenyuan Temple disciples are itching fiercely. They want to rush up and tear up Ye Chen.

But at this moment, the black mole elder and the long hair elder are also frowning, see Huang Haoran to drill through from the crotch, the cold in the eyes burst out.

"Bastard, do you dare to let my Zhenyuan hall disciples do such a thing?"

The black mole's old-fashioned face was livid, and he suddenly opened his mouth to drink. With a wave of his hand, there was aura sweeping over the sky. He wanted to suppress Ye Chen.

Just at this moment, elder Lin suddenly pulled out the bamboo on his back. The bamboo touched the palm of the elder, and a touch of horror flashed in the eyes of the elder.

"Boom

At the moment, the aura of all over the sky dissipated. The elder, who was dead and dead, looked at elder Lin, and felt that the meridians in his body seemed to be frozen, and he could not use the aura at all.

"Elder Lin, you dare to attack me!"

The black mole elder is angry, looks at Lin elder anger to drink a way, and long hair elder also coldly look over at at the moment.

Hearing the words of the elder black nevus, elder Lin was indifferent with a smile. Looking at Huang Haoran drilling through Ye Chen's crotch, he felt extremely happy, and then said, "how can I do something to you? It's just a bet between the younger generation. As an elder, don't interfere? "

"Otherwise, the Zhenyuan hall will be ridiculed by outsiders. You and I are friends of the world, and I don't want to be laughed at."

Elder Lin looked at the nevus elder and said with a smile.

Hearing this, the black mole elder complexion a sink, but dare not again hand to deal with Ye Chen.

Chapter 3705

And the elder with long hair is the same at the moment. He can only watch Huang Haoran drill through the crotch of Ye Chen, gnashing his teeth in anger.

But at this moment, Huang Haoran from the hip of Ye Chen, suddenly regained the clarity in his eyes, and then looked at Ye Chen, who was ready to crack.

"What have you done to me?"

Huang Haoran is so fierce that he would devour Ye Chen alive! He felt as if his spirit had been suppressed in some way!

Is Ye Chen a soul cultivator?

Ye Chen looked at the killing intention surging, extremely angry Huang Haoran, but he was completely calm and said: "do you fulfill the bet because of what I did to you, rather than your voluntary?"

"Bullshit, how can I get out of your crap..."

Huang Haoran just said this, but he noticed that several murderous spirits were sweeping in. His body was stiff. He saw that the black mole elder, the elder with long hair, and many of his classmates did not blink, and a cold sweat suddenly appeared behind him.

At this moment, Huang Haoran only knew that he was furious and almost caused trouble to the town Yuan palace.

"Oh? How could you do that? "

At the moment, ye Chen is looking at Huang Haoran with deep disdain in his eyes.

Seeing this, Huang Haoran was furious and suddenly burst out, "bastard, I'm going to kill you!"

"Dare you

Seeing this scene, the faces of the two elders in Gaolin suddenly changed. Ye Chen's strength was no more than the heaven God realm, while Huang Haoran was a genius of Zhenyuan hall. He had extraordinary fighting power. He was afraid that ye Chen would be in danger.

At the moment, the green bamboo in elder Lin's hand is swung, and the two elders who want to rush forward are directly forced back.

The next moment, the two elders of Gaolin rushed into the South holy city, but the fierce pressure suddenly fell on them. They almost knelt down on the ground, which obviously could not support Ye Chen in time.

At the moment, the two elders in Gaolin flashed a look of horror, feeling that the fury was incomparable, as if to collapse the pressure of the heavens, and their hearts were shaking.

Ye Chen used to walk through the gate of the southern holy city calmly. They thought it was the array that had a problem. However, the threat from the array at the moment proved that the power of the array was terrible and there was no problem at all.

At this moment, the two elders of Gaolin believe that ye Chen must have a magic weapon against heaven, so that he can walk under the gate of the southern holy city as easily and unresponsively. Even ye Chen lets Huang Haoran drill through his crotch, which is the power of this magic weapon.

However, the two elders of Gaolin don't know. There is no problem with the array, and ye Chen has no magic weapon.

As for letting Huang Haoran drill through his crotch, ye Chen's spirit is even more powerful, which makes it easy to influence Huang Haoran.

Of course, this is also because Huang Haoran is too arrogant. In addition, Huang Haoran is in the South holy city. He never thought Ye Chen would dare to attack him. Therefore, he did not have the slightest guard against him. This was the only way he was hit.

At this moment, the two elders of Gaolin are dragged by the gate of the South holy city, and Huang Haoran has been killed in front of Ye Chen.

Huang Haoran holds a green dragon sword in his hand. At this moment, the green dragon sword bursts out endless cold light and cuts Ye Chen's head.

"Hum, is this the way of Zhenyuan hall disciples?"

Ye Chen saw this scene, but a cold smile, Sha sword suddenly hand, destruction Shinto burst out!

"Boom

The violent destructive power is just like grinding away the sky. The moment the Sha sword collides with the green dragon sword, the terrible impact spreads out.

At the same time, there is a "click" sound from the green dragon sword, and then it explodes. Ye Chensha sword does not obstruct it and stabs Huang Haoran's throat!

"Bold bastard, dare to move the people of our town Yuan hall!"

Seeing this scene, all the disciples of Zhenyuan hall were furious, and all of them immediately attacked Ye Chen.

At this moment, a fierce figure covered with blood light, connecting seven or eight people, suddenly exploded and killed, blocking a group of Zhenyuan hall disciples.

"You..."

At the moment when the disciples of Zhenyuan hall were stopped, the Sha sword in Ye Chen's hand also stopped in front of Huang Haoran's throat. Huang Haoran could feel the chill of Sha Jian freezing all things, his pupil shrank suddenly, and his whole body was sweating.

When the green dragon sword was broken, Huang Haoran felt the terrible killing intention and crisis, just like the endless hell coming, which made him fear to the extreme.

And ye Chen stabbed with the evil sword in his hand, which made Huang Haoran feel that he must die. He almost peed his pants. At the moment, he found that ye Chen did not kill him, but stopped the evil sword in his hand.

At the moment, ye Chen looks at Huang Haoran, but he picks up a radian at the corner of his mouth, turns his sword, and suddenly pats it on Huang Haoran's face.

Huang Haoran, who had been scared stiff all over, had no time to resist it, so he was smashed to the ground by Ye Chen's sword.

"You're not worth to dirty my sword."

Ye Chen looked at Huang Haoran and said coldly.

Hearing this, Huang Haoran's hatred swept through his eyes, but he didn't dare to speak. Just then, the feeling of death still lingered in his heart, making him full of fear for ye Chen. He was afraid! At the same time, the two elders of Gaolin were stunned. At the same time, the two elders of Zhenyuan hall, as well as a group of disciples of Zhenyuan hall, all looked gloomy to the extreme.

Ye Chen didn't care about it. Instead, he saw how many disciples of Zhenyuan hall were blocked by his help.

Only when ye Chen is aware of the number of people in the lead that the whole body blood light of the man, but the face color slightly changed.

"Junmo?"

Ye Chen looks at each other. He is covered with blood light. It is obvious that he didn't make a difference until recently. He went to the valley of the dragon to look for Junmo of the mangrove.

At the moment, looking at Jun Mo's whole body rippling blood light, I realize that Junmo has already broken through to the mending heaven realm, and even has come to the second layer of sky mending realm. Ye Chen looks happy.

You found the mangrove tree

"Well." Jun Mo looking at Ye Chen, is also very excited, at the moment can not help smiling nod, and just with him to help Ye Chen's people, at this time is a strange look at Ye Chen.

"Damn bastard, dare to make trouble in our town Yuan hall, I will abolish you!"

In Ye Chen and Jun Mo reminiscent of the old, the black nevus elder is suddenly angry, has burst to come to Ye Chen.

"The elder

At this time, Jun Mo is suddenly forward a step, block in front of Ye Chen, the hand is a dark black token.

"Ye Chen is my friend. I hope this elder doesn't mess around."

Jun Mo holds the blood red token Lang Sheng to say, but in the eye is flashing a wipe Lengran, the vision is not good at looking at the black mole elder.

At the moment, the elder of nevus saw the dark black token in Junmo's hand, and his face suddenly changed, "you are the elder's..."

Before the master finished, he realized that he should not have said this. This is the token of the great elder of Zhenyuan hall.

The big elder in Zhenyuan temple has a very high status, far from being able to offend him. At the moment, he quickly closed his mouth and looked at Jun Mo with an ugly face.

Chapter 3706

"Well, in this case, I'll give you a face, but if this boy offends the people in Zhenyuan hall again, even if the people behind you show up, it's useless for me to give up!"

The black mole elder's face changes, coldly opens his mouth to say, in the heart is actually dark hatred, did not expect Jun Mo behind unexpectedly and big elder have origin, otherwise he must give ye Chen to abolish.

"Ha ha, thank you, elder."

See the nevus elder compromise, Jun Mo disdains a smile, put away the token, and then loose fist thank way.

At the moment, a group of furious Zhenyuan hall disciples saw that their elders were extremely afraid of Junmo, so they could only suppress the anger in their hearts and looked at Ye Chen fiercely, and did not dare to start again.

At the moment, the two elders of Gaolin finally went through the gate of the southern holy city with great difficulty. They were relieved to see ye Chen safe and sound.

At the same time, they are also very curious about Junmo's identity. They didn't see the token just taken out by Jun Mo, but it can frighten the elder of nevus. I'm afraid the background is not simple.

Jun Mo curiously looked at Ye Chen and asked, "are you also invited to come to Zhenyuan hall?"

"Of course, I am now the chief disciple of the six schools."

Ye Chen shrugged his shoulders and looked amused. He was invited, but different from others. Zhenyuan hall invited others to be a guest, but he wanted to be humiliated.

But Jun Mo heard Ye Chen's words, but his eyes were strange. He also knew the origin between Zhenyuan hall and liudaozong.

"I didn't expect that you have become the chief disciple of Zhenyuan hall. But in this case, why should you be invited to this Zhenyuan hall?"

Jun Mo at this moment finally understood why Ye Chen had just had a conflict with the people in Zhenyuan hall. It is no wonder that ye Chen is already the chief disciple of the six Taoism sect.

At the same time, Junmo's idea is the same as that of the people of liudaozong. Knowing that Zhenyuan hall has a bad attitude towards liudaozong, why should he accept this anger.

Ye Chen, however, shook his head with deep eyes and did not answer Jun Mo's questions. He came here for the first time to vent his anger on the liudaozong, but for the heart of the holy source. However, there are so many people here that he can't tell Junmo.

Then, ye Chen looked at Jun Mo and asked, "where is the devil emperor?"? I didn't come with you. "

"Don't walk with me because you have other adventures."

The gentleman Mo hears the speech to open a mouth to say, flash in the eye a touch of envious color, obviously evil emperor elder's chance is not vulgar.

And ye Chen smell speech, is also slightly nodded, cover the heaven devil emperor's chance, the stronger the strength, is also a good thing for him.

"Well, it's not convenient to talk here. You'd better follow me. I've been to the South holy city many times. I'll arrange your accommodation."

Jun Mo said with a smile.

"Well, there are two elders of my six sect. I'm going to trouble you."

Ye Chen nods with a smile and looks at Gao Lin's two elders.

At the moment, the two elders of Gaolin have made a lot of changes in Ye Chen's performance before seeing ye Chen. In addition, Junmo seems to have a good background. At the moment, he is also polite and smiles at Junmo.

"Two elders."

Jun Mo sees the situation, is also polite to the two people clasping fists in return, and the attitude of the black nevus elder is quite different, which also makes the black nevus elder's face more gloomy.

Subsequently, ye Chen and Gao Lin two elders, then follow Jun Mo to leave together.

There are also several companions of Junmo, a total of seven people, all of them are the strength of Tianjing, among which the strongest one has already mended the six layers of heaven, which is very impressive.

These people are Junmo's friends. Old acquaintances in the past also have some background outside the country. Now they are invited to come to nanshengcheng and they get together.

Junmo is really familiar with Nansheng city. At the moment, he takes Ye Chen to walk in such a big south holy city, but he can introduce every place. Finally, he and his party stop in front of a huge restaurant.

This restaurant is like a mountain, towering like a cloud. It is dozens of stories high. It emits a bright light and a faint aroma of wine. The wine aroma is pleasant. It can also refresh the mind when inhaled. It is very strange.

But on the door of the restaurant, there is a plaque with four big characters on it.

"Nansheng restaurant."

"This is the restaurant founded by Nansheng at that time. It is the largest, the most luxurious and the longest historical restaurant in the southern holy city."

Jun Mo opens his mouth and introduces Ye Chen that he is very familiar with the history of Nansheng restaurant.

While listening to Jun Mo's introduction, ye Chen and his party also follow Jun Mo into Nansheng restaurant.

As soon as you enter the door, you will have a beautiful appearance and charming temperament.

At the moment, seeing these welcoming guests, ye Chen eyebrows slightly pick. This Nansheng restaurant is really extraordinary. Even the welcome guests are the holy ancestral realm, and the weakest one is the third tier heaven of the holy ancestral realm.

"Some young masters, will you come to stay in the restaurant?" A welcoming smile charming mouth said, but also surprised to see ye Chen a look, in the South holy city, but rarely see a low level of martial arts.

"Well, I'll have 12 rooms in the zizhao room."The gentleman Mo hears speech to nod calmly, the hand is extremely generous, even eyelid does not blink.

Seeing this, Miss Yingbin was immediately overjoyed and arranged for Junmo. At the same time, she also arranged the largest box for everyone, which was specially used for eating and talking.

At this time, ye Chen and his party also entered the box. The box was on the seventh floor of the restaurant. Looking ordinary outside, they found that they had a different view inside.

This box is actually a small space, rockery and flowing water. It is actually a manor, and there is a spiritual spring in the manor, which makes the whole box full of aura. It can be regarded as a treasure of cultivation.

At the moment, all the drinks are on, while everyone is eating and chatting. Junmo introduces his friends for ye Chen.

But obviously, ye Chen's realm is too low. These friends don't take ye Chen seriously. It's even good that Qi Junmo and ye Chen have such a good relationship.

However, despite his disdain for ye Chen, Junmo's good friend is still very face saving. On the surface, he talks with Ye Chen very happily. Only a black robed man who mends the three layers of heaven has a very bad attitude towards Ye Chen.

At the moment, the black robed man heard Jun Mo introduce Ye Chen to them, but he was holding a glass of wine and looked at Ye Chen with some suspicion.

"Six layers of heaven? Jun Mo, how can you make friends with such a person

The black robed man, named Du Xiabu, is a good friend that Junmo met in the southern holy city a hundred years ago. He also has some background abroad.

At this moment, Du Xiabu was proud to look at Ye Chen, "the chief disciple of a down and out sect, a guy with extremely poor talent and blood. I'm not interested in knowing him."

Hearing this, ye Chen looks indifferent, but has no words, and Jun Mo's face is suddenly cold.

"Oh

Jun Mo suddenly pulled out the bleeding sword and cut it out with a sword. The fierce blood light reflected on it, and the blade of the cold light suddenly stood on the ground.

In front of Du Xiabu's body, the earth was cut into a crack by Junmo. Jun Mo's face was gloomy, his eyes were angry, and he said in a cold voice, "in this case, I don't have you as a friend. You go!"

This words, Jun Mo's friends all face a sudden change, in the heart is shocked, in fact, they also don't care about ye Chen, but don't worry about Jun Mo's face, just like Du Xiabu.

However, all the people present did not expect that Junmo would break up with their friends who had strong strength and extraordinary background for ye Chen, a fallen disciple of the heaven God state.

At this moment, the only pale face is still Ye Chen. Ye Chen seems to have no idea of what happened at the moment and ate the vegetables calmly.

"Junmo, you want to break with me for such a person!"

"Our two families have been friends for many years. Is it hard to say that the family behind me is no better than liudaozong?"

Du Xiabu at the moment is also totally did not expect Jun Mo's reaction will be so intense, at the moment can not help but glare, the body kill the idea of ascension.

"Ye Chen is my brother. If you say that about him, you are talking about me."

Jun Mo looked at Du Xiabu coldly, his vast blood rising, the atmosphere of vicissitudes and ancient diffuse.

"I'll give you three rest time. If you don't leave, stay here."

Jun Mo equally murderous explosion, coldly looking at Du Xiabu.

At the moment, Du Xiabu looks extremely ugly and looks at other people, but they dare not look at themselves. Obviously, compared with Junmo, these people still choose Junmo with stronger background.

"Good! Don't regret it

Du Xiabu Qi's gnashing teeth, at the same time ferociously stares Ye Chen one eye, turns to leave.

At the moment, because of the event of duxiabu, people were not interested in eating, and then they quickly ended the banquet.

Gao Lin two elders all the way, at the moment a little tired, then directly back to the room to rest, and ye Chen and Jun Mo return to the room together.

"I wanted to introduce some friends to you. You can eat better with these people. I didn't expect that such a thing would happen."

Two people alone, Jun Mo looking at Ye Chen, slightly apologetic said.

"It's none of your business."

Ye Chen shakes his head, this really does not blame Jun Mo, this is Du Xiabu dog look down on people low just.

Later, ye Chen asked Junmo about the dark devil emperor and the blood dragon. Knowing that they were in a good situation, he was relieved.

After Junmo got the Xueyou mangrove, he not only recast the Xueyou ancient style, but also broke through to the two layers of the sky mending realm. Moreover, his fighting power was greatly increased. He was able to fight against the three layers of heaven and even the fourth layer of heaven. Ye Chen had to sigh that the ancient Xueyou style was really extraordinary.

Because ye Chen came to Nansheng city for the first time and was not familiar with Zhenyuan temple, Junmo was ready to take ye Chen around Nansheng city.

After all, this southern holy city is also a prosperous place in the moon soul region, where there are many places to play. Moreover, Junmo also knows the origin of liudaozong and Zhenyuan hall.

Ye Chen needs to be familiar with the southern holy city in advance, and when there is trouble, you can deal with it. Then, ye Chen and Jun Mo left the South Saint restaurant and strolled in the South holy city.

Along the way, ye Chen also met many disciples of Zhenyuan hall. These disciples obviously knew that ye Chen was the chief disciple of the six Taoism schools who came to Zhenyuan hall this time, and his attitude towards Ye Chen was very bad.

However, ye Chen's attack on Huang Haoran is also spreading in the southern holy city. In addition, ye Chen is also surrounded by Junmo, who the company commander does not dare to provoke, and the disciples of Zhenyuan hall dare not go forward to be presumptuous.

After visiting Nansheng city for a while, ye Chen also saw the location of Zhenyuan hall. Zhenyuan hall is located in the center of Nansheng City, which is magnificent and magnificent, emitting endless golden awns, and there is a kind of noble spirit between them.

Chapter 3707

"This town Yuan hall looks brilliant, but the contemporary patriarch is ungrateful."

At the moment, Junmo looks at the Zhenyuan hall and can't help shaking his head and says that the contemporary patriarch has insulted liudaozong. Obviously, he has turned a blind eye to the past kindness, so he can't help shaking his head.

Hearing this, ye Chen's eyes narrowed slightly. He came here to see the contemporary patriarch of Zhenyuan hall, and wanted to get another half of the heart of the holy source from the other side.

At this time, ye Chen was suddenly aware of a change from the samsara cemetery. His mind entered it, but he saw the sword of falling dust and descending dragon flying in the tomb of samsara, enveloped in blood moonlight, as if it had turned into a blood dragon.

"What's going on?"

Ye Chen is shocked. The falling dust and subduing dragon sword will never change for no reason. Moreover, this is the weapon left by Ren. I'm afraid it's a big thing for the falling dust and dragon sword to appear like this at the moment.

At the next moment, there was a sudden aura on the falling dust and dragon sword, which actually guided Ye Chen forward.

Ye Chen eyes suddenly light up, and then without hesitation to turn around to see behind.

"What's the matter?"

Jun Mo is aware of Ye Chen's strange behavior and can't help asking.

"Nothing."

Ye Chen shakes his head deeply, but he stares at the front. The guiding light of the falling dust and falling dragon sword is to let himself go there.

Then, without any hesitation, ye Chen went straight ahead according to the position given by the guide, and walked through the alleys. Ye Chen even came to the gate of Zhenyuan hall.

"What are you doing here?"

Jun Mo looks at Ye Chen in surprise.

Smell speech, ye Chen but ignore Jun Mo, but look at the Zhenyuan temple gate, the standing statue.

This is a golden dragon standing in front of the gate of Zhenyuan hall. It looks like it wants to soar into the sky and travel around the world. The statue is made by someone, lifelike and real.

Golden Dragon Statue on the body of the vast golden light swept all over the sky, raging dragon power pervaded around, in its body, there is a round of blood moon tattoo.

"Blood moon..."

Ye Chen's eyes are deep. The change of the falling dust and falling dragon sword is to guide him to see the statue. What does this mean.

"Is this statue?"

Ye Chen can't help but look at Junmo. He has already realized that the statue is not simple and may even be related to Ren.

"This one?"

Jun Mo looks at the Golden Dragon Statue, looks at Ye Chen doubtfully, does not know why Ye Chen suddenly comes to look at the Golden Dragon Statue.

Although the heart doubts, Jun Mo or did not hesitate to answer the question of Ye Chen.

"This statue was left by the former Nansheng predecessors, and is known as the supreme existence of guarding the southern holy city and Zhenyuan temple."

"Rumor has it that this statue once, in the face of the crisis of extermination in Zhenyuan hall, once directly wiped out the patriarch and elders of the rival clan."

Jun Mo's eyes flicker, can directly wipe out the enemy. If this rumor is true, the power of this statue is absolutely terrible, and it can be regarded as the real Guardian God of Zhenyuan hall.

"Patron saint?"

Ye Chen heard this, but also look surprised, this statue can not have any vitality, compared to other statues is just more dignified and real.

Suspiciously in his heart, ye Chen can't help but reach out and touch the Golden Dragon Statue. At the moment of his palm touching the Golden Dragon Statue, a mighty force of overturning the heaven and earth suddenly comes.

"What's going on?"

Ye Chen's face changed greatly. He felt that the sky was spinning, and his consciousness was dragged. At the next moment, he suddenly appeared under the vast starry sky reflected by the blood light.

"Here is..."

Ye chenmu was shocked, but he found that it was a strange space. The blood light on the sky gave him a very familiar feeling. It was the power of the blood moon.

"Oh? You're here. "

At this time, ye Chen suddenly heard a familiar voice. Looking up, he saw Ren feizheng slowly falling from the sky, surrounded by a golden dragon.

The breath of the dragon is vast and the dragon power is fierce. The blood moon tattoo on his body is filled with endless power. His eyes look at Ye Chen, with a faint sense of good will.

this golden dragon as like as two peas of the outside world, I am afraid it is the God of the statue.

"Mr. Ren, how could you be here?"

Ye Chen sees Ren extraordinary, somewhat surprised.

"It's just a divinity I left here in ancient times."

Ren Feifan looked at Ye Chen, but he said with a smile, "what's more, this space is created by me. Even the guardian God of Zhenyuan hall is my sword meaning. Why can't I be here?"

Hearing what Ren Feifan said, ye Chen was more surprised that the statue of the patron saint turned out to be the sword meaning of elder Ren. Isn't it said that the statue of the guardian God was left by Nan Sheng?

Then ye Chen directly asked the heart of doubt, Ren extraordinary indifferent smile, the whole thing told ye Chen. It turns out that Nansheng's martial arts came from watching Ren extraordinary's combat learning.

Ren Feifan also found that Nansheng had good talent and took care of him. Although he didn't accept Nansheng as his apprentice, he also left a sword for him to observe and observe, so that he could understand his power.

Therefore, Nansheng has always carried the sword meaning with him, and the sword meaning has gradually developed into a statue of Youlong. When Nan Sheng left Zhenyuan hall, he left the statue, and since then the statue has become the patron saint of Zhenyuan hall.

"You are now a member of the six schools?"

At this time, Ren Fanfan sees the clothes on Ye Chen's body, not from the eyes to ponder, open mouth to ask a way.

"Yes."

Ye Chen shrugged.

"Now that you have joined liudaozong, you may have some trouble in Zhenyuan hall, but Xiaojin will give you a hand, so you can do things at ease in Zhenyuan hall."

Ren extraordinary see appearance, indifferent mouth says.

Immediately, Ren extraordinary looks at Ye Chen, sleeve robe a fling, next way: "your realm is still too low, faster."

"I see."

Ye Chen hears the speech, the vision is abrupt one congeals, solemnly should go down.

Then, Ren extraordinary's body flashed and disappeared directly from this space, leaving only the golden dragon that surrounded him before.

Looking at the majestic and extraordinary, but is called Xiaojin's Golden Dragon by Ren Feifan, ye Chen doesn't help looking strange.

And gold swim dragon is the eye is nostalgic to see a place that allows extraordinary disappear, then looked to leaf Chen.

"I can smell the smell of blood moon killing heaven from you."

The Golden Dragon opens its mouth, the dragon is powerful, and its voice is deep and grand, like the sound of the Buddha in the Ninth Heaven.

"I like you very much. If you have any trouble, just look for me."

"Thank you very much, master Jinlong."

Ye Chen politely clasped his fist and said that although the golden dragon was only transformed by Ren extraordinary sword meaning, it had already been born with wisdom, which could be regarded as a living creature. It is not too much to call the elder.

Chapter 3708

At the moment, the golden dragon takes a look at Ye Chen, then opens his mouth and gently exhales a breath.

"Hoo!"

Although the Golden Dragon just exhaled gently, his body size was too large and his strength was too vast. The Qi turned into a strong wind and swept Ye Chen directly.

"Boom

Ye Chen consciousness suddenly return, at the moment found himself standing in front of the statue of the patron saint, and Jun Mo is looking at himself in horror.

"What's the matter?"

Ye Chen seldom see Jun Mo this appearance, can't help but frown at the moment, asked in surprise.

As soon as the words fell, ye Chen suddenly found something wrong. The statue of the patron saint broke out in front of him, and the southern holy city seemed to be gilded.

It is obvious that ye Chen's consciousness enters the space of blood moon, which leads to the change of the statue of patron saint. At this moment, ye Chen's consciousness returns, and the statue of patron saint in front of him gradually fades away.

"What did you do?"

At the moment, see the statue of the patron saint restore calm, Jun Mo can't help but look at Ye Chen and ask.

"I didn't do anything."

Ye Chen sees form to shake head slightly, Ren extraordinary identity needs to keep secret, so he can't tell the truth to Jun mo.

But at the moment, Jun Mo's face appears some dignified, can't help but say: "do you know, just when you are in a daze, the statue of the patron saint changes constantly, which also shocked the whole southern holy city."

"Zhenyuan hall should also know the news, they will probably trouble you."

"Trouble me?"

Ye Chen heard this, but the corners of his mouth curled up and looked at the statue of the patron saint in front of him. There was a golden dragon in front of him. No one in the Zhenyuan hall could hurt a hair of him.

"I can't get it."

Ye Chen said calmly.

At this moment, several figures burst from the sky, all wearing the robes representing the Zhenyuan hall. They were actually the four elders of the Zhenyuan hall.

Among them, there are two acquaintances, ye Chen has just arrived in the southern holy city, and he has seen the elder with black nevus and long hair.

"Ye Chen, it's you again!"

At the moment, the elder of nevus sees Ye Chen standing in front of the statue of the patron saint, and his eyes explode with cold light. He looks at Ye Chen and says coldly.

"What a coincidence? I didn't expect to see you again. "

Looking at the black nevus elder, ye Chen indifferent smile, Lang Sheng said.

The black nevus elder looks at Ye Chen, and his lungs are going to explode. Ye Chen is so bold that he dares to touch the statue of the patron saint, which makes the patron saint furious. He doesn't know it!

At this moment, Zhenyuan hall regards the change of the statue of the guardian God as an expression of anger. It is not clear what ye Chen experienced in the blood moon space in the statue of the guardian God.

Four people, such as the elder of the black nevus, were ordered by the six Patriarchs to take ye Chen to the Heaven Temple of Zhenyuan hall for accountability.

At the moment, the black mole elder looked at Ye Chen and said coldly: "you have committed a capital crime, but you dare to be arrogant. Come here for me!"

The black nevus elder's strength is in the seven layers of sky. As soon as he makes a move, the mighty aura sweeps out and directly binds Ye Chen.

"What are you going to do?" Seeing this scene, Jun Mo can't help but change his face. He didn't expect that ye Chen caused a change in the statue of the patron saint, and the reaction of Zhenyuan hall would be so violent.

"You can't take him away!"

Junmo immediately tried to stop the elder, but there was a big elder of Zhenyuan hall behind him. No matter how arrogant the elder was, he would give the elder some face.

But at this moment, the black mole elder looks at Jun Mo but suddenly sneers, a hand, the aura barrier directly blocks Jun Mo's front road.

"This time, no matter who is useless, this is the Lord's order, and the people behind you can't control it!"

Said the elder, coldly.

Hearing this, Jun Mo's face is completely dignified. The contemporary patriarch of Zhenyuan hall orders to take down Ye Chen. I'm afraid the elder can't stop him. This is a big trouble!

At the moment, the elder of nevus said, then turned to look at Ye Chen, who was bound by his aura. He had a strange expression and said with a smile: "let's go, the chief disciple of liudaozong."

"Good."

Ye Chen sees form, but calm a smile, and then looks to Jun Mo to open a mouth to say: "don't worry, I'll be OK."

Then, ye Chen calmly and naturally went to the town Yuan hall with the elder of nevus.

On the other side, Jun Mo looks at Ye Chen who is taken away by the elder of nevus. Although Ye Chen makes him feel at ease, he doesn't feel at ease.

"I can't let it go. I have to do something."

Jun Mo's eyes flashed, and suddenly a aura flew out of his hand. It was a message talisman for the two elders of Gaolin.

After all, ye Chen is also the chief disciple of liudaozong. If ye Chen is in trouble, the two elders of Gaolin must find a way to keep Ye Chen.

At the same time, Jun Mo also made another preparation, the light in his eyes flashed, and suddenly came to a secret alley.

Then, Jun Mo takes out the elder's token directly. He sees that the token is filled with great power, and then an illusory figure emerges from the token. This figure is fierce, sharp and cold, the whole person seems to be a god of killing, very strong.

This man is obviously the elder of Zhenyuan temple, Lu Tianlao!

"Junmo, what can I do for you?"

At the moment, looking at the elder also noticed Jun Mo, and then asked.

Hearing this, Jun Mo was very worried about Ye Chen's safety. He said anxiously, "master, I have a good friend named Ye Chen. Now he..."

Did not wait for Jun Mo words to finish, the big elder's face suddenly a cold, interrupted Jun Mo's words.

"I know what you're going to say, but the boy deserves whatever he gets when he gets angry with the patron saint."

"Jun Mo, I can help you with other things, but I can't control the affairs of Ye Chen."

Hearing this, Jun Mo's face changed slightly, and then he said, "master, you must save this leaf Chen!"

"Why?"

The big elder's murderous spirit suddenly erupted, staring at Jun Mo, "do you dare to order me not?"

"Not so."

Seeing this, Jun Mo is shaking his head, and then solemnly incomparably opened his mouth and said: "if the elder saves Ye Chen, there will be a great harvest in the future!"

Hear Jun Mo this words, big elder is playful looking at Jun Mo, "harvest? What's the harvest? "

"Ye Chen is extremely gifted, and his achievements are limitless. In the future, his achievements will surely surpass those of Zhenyuan hall. I dare to take my life as a guarantee."

"Yes?"

Junmo takes his life as a guarantee, which makes the elder's eyes unable to stop. He is very clear that Junmo is very moral and seldom says empty words. At the moment, what Junmo said is probably true.

"Are you so optimistic about this boy?"

The elder's eyes narrowed slightly.

"Yes."

Jun Mo said without hesitation that he had seen Ye Chen's talent, and ye Chen's background could even reach the sky. He knew this, so he dared to say so absolutely.

Chapter 3709

"Well, I can help persuade the Lord to let him go, but if the Lord decides, I can't help it."

The elder looked at Junmo and said, since Junmo is so sure that ye Chen can be successful in the future, he doesn't mind making an investment. After all, he won't let him pay anything. He just talks.

Smell speech, Jun Mo tiny nod head, also can only be like this, big elder is only big elder after all, discourse power still in patriarchal hand.

But it's very good to be able to help speak. After all, what ye Chen committed, whether it's big or small, depends on how the patriarch of Zhenyuan hall decides.

Then, the shadow of the elder dissipates from the token, and Junmo's eyes look towards the direction of Zhenyuan hall.

"I've done everything I can, and then it's up to you."

.....

At the same time, in Nansheng restaurant, elder Lin is sitting in the middle of the room to practice. However, he is aware that there is a change into the room, and his eyes are suddenly frozen.

"Well?"

Elder Lin held the bamboo thorn in his hand and went to the place where the change happened. However, he found a communication talisman. After opening it, the news inside was that ye Chen was angry with the guardian God of Zhenyuan hall and was taken away by Zhenyuan hall.

"This is in trouble!"

Elder Lin's face suddenly changed, and he called the elder from the next room.

They look at the teleportation talisman, and their faces change. Ye Chen gets into such trouble, and they don't want to be in charge of it. But ye Chen is a disciple of the six schools and can't ignore it.

Moreover, the two elders of Gaolin also vaguely felt that ye Chen seemed to be different from what they thought, as if he was really gifted, so they immediately set out for Zhenyuan hall.

.....

At this moment, ye Chen has also been taken to the town Yuan hall by the black nevus elder and others.

Zhenyuan hall is huge and magnificent, and there are countless other halls in Zhenyuan hall. Among them, the most powerful and violent one is the Tiansheng temple, which is used to discuss the affairs of the clan.

Similarly, the temple of heaven is also a place for punishing traitors and enemies. Ye Chen is now escorted to the temple of heaven.

Looking at the magnificent temple of heaven, which is full of auspicious atmosphere and covered by the rich and noble atmosphere, ye Chen feels the great power coming from the hall, and ye Chen's mouth is in a curve.

"Hum, you can still laugh when you are dying. You will cry later!"

At the moment, nevus elder see ye Chen still smile, not from eye a stare, immediately a push behind Ye Chen, "give me in."

Ye Chen's body is pushed to a stagger, the next moment suddenly turns back to gaze at the black mole elder, his eyes are deep like endless hell, sending out a palpitating chill.

"I advise you not to touch me."

Seeing ye Chen's eyes, Rao Shi, the elder of nevus, also changed his face. He was extremely frightened. However, the next moment he came back to God. The elder of Zhenyuan hall was frightened by the rubbish of the six Taoism sect which only had the heaven and God realm?

The master of nevus was trying to get angry, but he found that they had entered the Tiansheng hall. In the temple, all the elders of Zhenyuan hall gathered together, and many disciples of the inner door also stood here. The patriarch was in a high position and looked at Ye Chen coldly.

"I don't have to do it. You'll end up miserable."

Black mole elder sees this posture, the sneer that gloat, heart secret way.

At this moment, ye Chen is also observing the people in the hall. Zhenyuan hall is indeed better than the liudaozong in recent years. Many of the inner disciples standing here are better than the disciples of the six Taoism sect.

Even Yang Qianyu, who ranks first in the strength of liudaozong, can not be ranked in the top ten in Zhenyuan hall.

But now, these inner disciples all look at Ye Chen coldly, some people also show a sarcastic smile.

Above the disciples of the inner gate, there are venerable elders sitting here, one by one majestic, like a great Buddha, with cold eyes and full of chill.

On the other hand, the patriarch of Zhenyuan hall, whose face is as heavy as water, has a fierce killing intention in his eyes, and stares at Ye Chen.

The contemporary patriarch of Zhenyuan hall, named Yang Tianyang, has terrible strength and great prestige. Sitting there, he seems to have all the worlds sinking in his palm, and there seems to be world birth and death in his eyes.

"Patriarch, the sinner Ye Chen brings it here!"

The black mole elder looks up at the sky Yang, respectfully matchless low voice says.

"Good."

Yang Tianyang coldly nodded, and then let the elder of nevus and others sit down, but his eyes are looking at Ye Chen.

"Ye Chen, do you know the sin?"

Yangtianshan is extremely violent, and the threat of destroying the heaven and the earth is sweeping in, which frightens the sky as if to crush Ye Chen.

But at the moment, Ye Chen looks up at the sky Yang, but his eyes are indifferent, even without a little mood fluctuation.

"Sin? I'm not guilty. "

Ye Chen asked indifferently that he had touched the statue of the patron saint, but this is the sword meaning left by elder Ren. It is because he is communicating with senior Ren and has nothing to do with Zhenyuan hall. He has no crime. But at the moment, Yang Tianshan heard Ye Chen's words, but his face was suddenly cold.

At the same time, all the elders of Zhenyuan hall in the hall, as well as many inner disciples, were furious.

The Golden Dragon Statue is the supreme Guardian God in the hearts of all the people in Zhenyuan hall. Ye Chen is extremely arrogant. He touches the statue of the guardian God and makes the guardian God angry. At the moment, he still dares to say that he is not guilty.

"Damn it! You bastard, don't you know what you've done

Hearing this, the first black mole elder opened his mouth and cried angrily. He was very upset with Ye Chen. As long as he could step on Ye Chen's foot, he would never let go.

"The people of Liudaozong are really cheap. They have offended the supreme Guardian God of Yuandian in our town, and dare to say that they are innocent!"

Another old man with white hair and great momentum said angrily.

Hearing this, ye Chen's eyes are suddenly cold, coldly looking at the white haired elder.

"Keep your mouth clean." Ye Chen said coldly.

As soon as this was said, the temple of heaven was in a state of uproar. Ye Chen committed a felony. He not only did not admit his mistake, but also dared to be so presumptuous here. He was absolutely lawless and extremely arrogant!

"Damn bastard, you dare to call me!"

The white haired elder was also angry, his beard trembled and his chest fluctuated.

At this time, a number of inner disciples also criticized Ye Chen.

"A mole ant in the heaven God realm, where does he have the courage to run wild in the yuan palace of our town? Any person in the heaven Saint hall can easily crush you as a mole ant!"

"Hum, liudaozong is really desolate. How could they cultivate such arrogant, arrogant and shameless people? I suggest that this rubbish be executed!"

"Yes! Please execute Ye Chen, and at the same time break up with liudaozong! "

At the moment, the whole Tiansheng hall was shocked. Zhenyuan hall had long wanted to get rid of the relationship with liudaozong. They rose because of the support of liudaozong.

However, after the decline of liudaozong, Zhenyuan hall was disgraced by the support of liudaozong at that time. After all, the current liudaozong is far less than their zhenyuandian.

At this moment, all the people in Tiansheng hall all blinked. They found that ye Chen's affair was an opportunity, a chance to get rid of the relationship with liudaozong and make a clean break!

"I implore the patriarch to Execute ye Chen and make a clean break with liudaozong!"

At the moment, many senior leaders in the hall all supported the proposal and cried out in succession. Only a few people had changed their faces and did not speak.

Among these people, there was the elder of Zhenyuan Temple who was sitting in the first row on the right side of the patriarch's hand.

At the moment, the great elder Lu Tianlao is wearing a robe outlined in gold, with extraordinary momentum. At the moment, he is gazing at Ye Chen deeply.

After receiving the news from Junmo, Lu Tianling directly arrived at the temple of heaven. After ye Chen entered the temple, he had been observing Ye Chen.

LV Tianli wants to see if ye Chen can definitely achieve something as promised by Junmo.

During this period of time, LV Tianli also found Ye Chen's extraordinary bearing and even the atmosphere was shrouded. In the face of the patriarch Yang Tianyang and the elders, under such a terrible power, only Ye Chen in the heaven God realm could not be afraid, which has shown that ye Chen is extraordinary.

"This boy is worth saving."

At the moment, LV Tianlao looks at Ye Chen and says in his heart.

Numerous people in Tiansheng hall petitioned the patriarch to Execute ye Chen, and broke up with liudaozong.

And Yang Tianyang also squinted at this time, staring at Ye Chen, thinking whether to listen to the disciples.

Yang Tianyang disdains liudaozong most and wants to get rid of the relationship with liudaozong. However, when he sees the stone statue of Nansheng standing in the temple of heaven, he hesitates.

Nansheng has a close relationship with Xiao shuihan, the patriarch of liudaozong. If you see this scene now, you will never allow it.

After all, Yang Tianyang is responsible for the whole Zhenyuan hall. Any decision should be considered carefully. What's more, he worries about the matter of clearing the relationship with liudaozong, so he can't make a decision for a while.

At this time, there are two figures flying away from Tiansheng hall. The next moment, they directly rush into the hall.

"Elder Gao, elder Lin?"

Ye Chen saw the two figures coming, but also eyebrows picked slightly. Unexpectedly, the two elders of Gaolin also arrived.

But then ye Chen understood that the two elders of Gaolin came, and I'm afraid they were also informed by Junmo.

At the top of the temple of heaven, the great elder Lu Tianli saw the two elders of Gaolin appear. He can't help but close his mouth, which has just opened and is ready to plead for ye Chen.

At this time, the appearance of the two elders in Gaolin made the elders of Zhenyuan hall more angry.

"Gao Changlao! Look at the disciples trained by the six schools. They are really bastards. The six schools are getting worse and worse! "

"Elder Lin, we sincerely invite you to come to visit us. Is that what you do as a guest? How unreasonable! Ye Chen will die today

"We will execute Ye Chen and sever all relations with liudaozong." At the moment, the two elders of Gaolin looked at the roaring elders, and their faces were very ugly.

The two elders of Gaolin are not satisfied with the fact that Zhenyuan hall has slandered liudaozong, but they are also very angry with Ye Chen. Ye Chen does something wrong. He knows that Zhenyuan hall will continue to find trouble, and he has to find something to touch the statue of the guardian God of Zhenyuan hall. However, he has caused a terrible disaster.

However, ye Chen, as a disciple of liudaozong, when they left the sect, he repeatedly said that he wanted them to ensure Ye Chen's safety. At the moment, they could not ignore Ye Chen.

Chapter 3710

Immediately, the two elders of Gaolin could not help looking up at Yang Tianyang with a gloomy face, and said, "Lord Yang, ye Chen is a little mischievous and has caused great disaster, but he is not bad in nature. I hope the Lord Yang can let Ye Chen go."

"Lord Yang, this is the magic mirror that Nansheng gave to my six ancestors. I'm willing to return the mirror. I hope to forgive Ye Chen in the face of Nansheng and my ancestors."

At the moment, looking at the two elder Gao Lin out of the magic mirror, Yang Tianyang's face slightly changed, and the temple of heaven's elders also mostly closed their mouths.

The friendship between Nansheng and Xiao shuihan, the master of liudao patriarch, is very clear to all of them. Now, the two elders of Gaolin invite out the magic mirror of Tianbaohua, so they can't ignore it.

At this time, the great elder Lu tianshai looked at the magic mirror of Tianbaohua, and his eyes flashed with light. At the same time, he opened his mouth and said, "Lord, although Ye Chen is bold and reckless, he has offended the guardian God, but it is also unintentional loss. It is better to let him go."

Hearing LV Tianlao plead for ye Chen, Yang Tianyang can't help but look at LV tianshai, but he blinks at himself.

"Master, let Ye Chen go, but he can take advantage of this to completely sever the relationship with the six schools. This is not a loss making business."

At this moment, the voice of Lu Tianlao rings in yangtianyang's mind.

Smell speech, Yang Tianyang eyebrows slightly pick, he also wonder why LV Tianlao will help Ye Chen to speak, so it is.

Yang Tianyang knows that Lu Tianlao also disdains liudaozong, so if he has the opportunity to get rid of the relationship with liudaozong, he will not let go.

Now, Yang Tianyang weighs the pros and cons. Indeed, as LV Tianli said, it's better to take this opportunity to sever the relationship with liudaozong than to kill Ye Chen. He can also give Zhenyuan hall a good reputation of tolerance and tolerance and never forget the old love.

"Well, since the two elders of Gaolin interceded for ye Chen, they also took out the keepsake of the ancestral master of Yuandian in our town in the past. I would like to let Ye Chen go in the face of the grandmaster."

Yang Tianyang slowly nodded his head and said.

Hearing this, many elders and disciples in the temple of heaven are gloomy. They want Ye Chen's life!

Just waiting for these people to speak, Yang Tianyang went on to say, "it's OK to let him go, but ye Chen must kneel down in the main hall and kneel down to the statue of the ancestral master of Yuandian in Zhenyuan, kowtow a hundred times, and abandon his cultivation as a punishment."

Hearing this, the two elders of Gaolin changed their faces slightly. They were about to speak. They went to see Yang Tianyang and locked them in.

"What's more, I'll let Ye Chen go, and liudaozong will also announce that he and I will cut off the cause and effect of Zhenyuan hall, and I will let go of the past."

Facing many conditions of yangtianyang, the two elders of Gaolin are ugly. They look at each other hesitantly and want to open their mouth to plead again, but they are interrupted by Yang Tianyang.

"This is a necessary condition. If you don't agree, you'd better give ye Chen to Zhenyuan hall."

Yang Tianyang looks coldly at the two elders of Gaolin.

At the moment, the temple of heaven was still dissatisfied with Yang Tianyang's decision to let Ye Chen go. When they heard about the conditions of yangtianyang's opening, their looks relaxed, and some even looked happy.

Ye Chen kowtowed to the stone statue of his ancestor for hundreds of times, and he had to abolish his cultivation. That was to say, his fame and talent would be completely wasted, and ye Chen would become a real, honest and complete waste.

When ye Chen was abolished, liudaozong had to declare that he would cut off the relationship with Zhenyuan hall and cut off the cause and effect. This is also the result that everyone in Zhenyuan hall would like to see.

At this time, the two elders of Gaolin were dignified. They wanted to keep Ye Chen's accomplishments, but Yang Tianyang was resolute. Facing the huge Zhenyuan hall, they had no right to speak.

As for the relationship between the six Taoist schools and the Zhenyuan palace, to tell the truth, the two elders of Gaolin didn't care.

After all, Zhenyuan hall is ungrateful, and the six schools of this sect disdain to contact with it. In fact, both sides want to cut off the cause and effect with each other, but because of the affection of the patriarch, they have never done so.

"Well, Lord Yang, we agree to your terms and do as you say."

Gao Changlao gnaws his teeth at the moment and looks at yangtianyang and promises to come down.

"Good. Let's get started."

Yang Tianyang's eyes flashed a touch of irony, and then looked at Ye Chen.

In the whole Tiansheng hall, whether it is yangtianyang and the elders, or the many inner disciples of Zhenyuan hall, or even the two elders of Gaolin, their eyes are fixed on Ye Chen.

Everyone thinks that ye Chen has no choice but to kneel down. Even the two elders of Gaolin of liudaozong have already compromised. What can ye Chen, a mole ant in heaven and God's realm, can set off any waves? All he can do is to listen.

Even the great elder Lu Tianli thinks so at the moment. He also thinks that ye Chen is the best choice to kowtow a hundred times and to abandon his cultivation.

After all, ye Chen's talent is excellent. As long as his life is still there, everything can be over again.

But at the moment, everyone is wrong, their ideas in the eyes of Ye Chen are completely whimsical, tianfangyitan. At the moment, looking at people's eyes, ye Chen suddenly and yangtianyang look at each other, eyes full of fun, "I will not pay for self-cultivation, more impossible to kneel down and kowtow!"

Ye Chen looked at Yang Tianyang coldly and said calmly.

As soon as this word came out, the temple of heaven was in an uproar. Everyone looked at Ye Chen in disbelief and couldn't believe that ye Chen refused.

"Isn't this boy going to die? If he doesn't kneel, he must be dead

"Well, what a fool to think he is so dignified? Life is gone, what dignity is there to talk about? "

"In this case, let's execute this arrogant man, and then cut off the cause and effect with liudaozong."

At the moment, a roar of anger rings, the elder is also stunned to look at Ye Chen, he did not expect Ye Chen would refuse to kneel down and kowtow, which in his view is the only chance to survive.

"This boy, don't you want your life for dignity?"

There was a shock in the eyes of the elder.

Yang Tianyang is also squinting at Ye Chen at the moment. In his opinion, ye Chen's move is totally shameless. He has been willing to let Ye Chen go at the cost of kneeling and kowtowing and abandoning his cultivation.

Compared with life, what Yang Tianyang wants Ye Chen to do is insignificant, but where does he understand Ye Chen's thoughts.

Xiao shuihan, the master of liudaozong, is Ye Chen's disciple, and Nansheng is Xiao shuihan's good friend. Ye Chen is supposed to be Nansheng's predecessor. If he is asked to kneel and kowtow to Nansheng, Nan Sheng dare not accept it!

Between the existence of cause and effect and heaven and earth, today, if ye Chen kneels down and kowtows to Nansheng stone statue, it will even lead to the rules of heaven and earth. It is not allowed that the stone statue of Nansheng will suddenly burst and die. At that time, the identity of the reincarnation master of Ye Chen may be exposed.

At this time, the two elders of Gaolin also look at Ye Chen. Their eyes are full of anger.

"Ye Chen, why don't you kneel down? Compared with life, kneeling and kowtowing is nothing. If you keep your life, there will be a future."

Elder Gao couldn't help looking at Ye Chen's admonition.

"Yes, ye Chen, listen to our advice. Kneel down. If you don't kneel, you may die here today. Then everything will be over."

Elder Lin is also ugly face mouth said, they all want to let Ye Chen compromise.

But in the face of Gao Lin's two elders' persuasion, ye Chen is indifferent, "it's impossible for me to kneel and kowtow."

"What is Zhenyuan hall! Dare to let me kneel down, even if I do, can you bear it? "

Ye Chen's eyes suddenly cold, swept all the people in the temple of heaven, including the patriarch Yang Tianyang.

Even the word "I" was used!

When this was said, the temple of heaven was shaken, and even the sky was discolored and trembling, and countless thunder fell.

"How dare you talk about the execution of me? You deserve it

Ye Chen's words are not surprising, die endlessly, finish a sentence and then a sentence, the sky seems to burst at this moment, the temple of heaven is shaking.

All the people in Zhenyuan hall were furious. All the elders and many inner disciples were staring at Ye Chen. The murderous spirit was surging in his body, and even a shadow of killing God appeared in the sky.
