

## Physician 3791

. Chapter 3791

Is that ridiculous?

The old man's look calmed down in an instant, and his hand firmly pressed on the top of Ye Chen's head, without any intention of resisting it.

The black whirlpool, which is condensed by soul swallowing all over the sky, is suddenly shrouded on the head of the old army!

Originally, seeing ye Chen's state and mentioning a glimmer of hope, Lin rutian looks as dead as dust again

He has seen Ye Chen use this soul skill for many times. However, it has no effect at all. What's the use now?

Even if the old army lost his blessing and his strength decreased, his soul skill was not enough to kill him in seconds. Even if he was injured, he could not hurt him!

What can ye Chen change now?

But!

Originally covered with frost Xuanhan jade, in Ye Chen's moment of soul biting and sky penetrating, there is an incredible look on her pretty face!

She seemed to mutter in disbelief, "soul sword?"

At this moment, in the black whirlpool, a transparent and unreal sword of divinity was suddenly cut off and blasted into the old soldier's sea of knowledge!

Just at the moment when the sword of God's mind was cut into the sea of knowledge, on the face of the army, the color of disdain instantly solidified!

The next moment, a very shrill scream broke out from the army's old mouth!

With a roar, a large amount of black blood, like a fountain, gushed out of the army's seven orifices!

Originally extremely eager for ye Chen's vitality, but now, he can't afford to devour it any more!

With his head in his hands, he staggered back behind him!

Ye Chen stood up from the ground and looked at the old army indifferently. He said faintly, "I have said it. You will regret it."

Today's army old man, hear this sentence, don't say is refute, even words, can't say!

From his mouth, only screams, endless screams!

His consciousness of the sea, in the moment that the sword of divine thoughts was cut into, had already completely collapsed, and its spirit was as if it had been pierced by ten thousand swords, full of holes and incomparable pain!

At this time, junlao seemed to be in a hell formed by a sword!

Every second is as long as 100 million years!

What he suffered was this endless torture!

After that, the Lich retreated, and then his head suddenly broke!

This headless body, slowly falling down.

This powerful and incomparable existence, so died in Ye Chen's hands!

At the same time, Lin rutian's life blood jade in his hand has finally exhausted his spiritual power, and with a click, it turns into a smash.

But, to this, Lin rutian actually does not care at all, just stare at Ye Chen!

What happened just now!?

It's too damn hard to understand, right?

Even if has been shocked by Ye Chen countless times, still some can not accept ah!

Ye Chen killed the army?

Or mind attack?

What's more, seeing the death of the old soldier, he has no resistance to the sword of spirit!

How powerful is the spirit attack that can kill the army and the old in seconds?

Just think about it. I feel like I'm shaking!

Ye Chen looks at the headless corpse of Junlao, and his eyes flash slightly. What he uses to kill Junlao in seconds is precisely in the desperate situation of abandonment. The mysterious existence gives him the soul chopping sword!

After the strength is improved, Ye Chen can understand how powerful the soul chopping sword is!

Even the spirits in the ordinary heaven and earth can be instantly destroyed?

The reason why the mysterious man just said that the soul cutting sword can kill all the existence that has not broken through to the heaven and earth is that he is in heaven!

It's extremely difficult to kill a warrior in the heaven and earth. Even if he uses the soul sword, I'm afraid it's the same. That's why Ye Chen didn't untie the divine rope of the heavenly demon even at the last moment, so that Xuanhanyu must break through the self existence!

Ye Chen walks slowly to the old soldier's body. With a wave of his hand, he takes his storage bag into his hand. As the heaven and earth exist, he naturally has a lot of good things!

Then, Ye Chen looked at the strange Rune on the old soldier's chest. His eyes flashed slightly and dug out the runes like eyes from his chest.

At this time, Xuanhanyu's figure flashed and appeared in front of Ye Chen. On his pretty face, he asked him with a trace of complexity: "Ye Chen, what you just used to do is chop soul sword?"

Ye Chen is slightly stunned. Does Xuanxian know this soul chopping sword?

He nodded and said, "yes, can Xuanxian know this sword?"

Xuanhanyu heard the words and frowned slightly: "I don't know. I just subconsciously think that it's the soul chopping sword. Moreover, I'm very familiar with the breath of the soul chopping sword, but..."  
"When Ye Chen hears the speech, his eyes flash. Is there any relationship between the man who abandoned the world and Xuan Hanyu?"

"But what?" he asked

On xuanhanyu's pretty face, a trace of perplexity appeared. She shook her head and said, "however, in my mind, it seems that a memory has been sealed. How can I not remember it? It's about the soul cutting sword..."

Ye Chen's face moved and told xuanhanyu about his experience in the desperate situation of abandonment. However, xuanhanyu sighed. It was clear that everything Ye Chen said gave her a very familiar feeling, but in the end, she couldn't remember anything.

They had to restrain their doubts for a while.

Ye Chen looked at Lin rutian with a dull look and said with a smile: "childe Lin, it seems that your journey has to be delayed for a day. Let's wait for my injury to recover."

Today, ye Chen still has a good feeling for Lin rutian. After all, even at the end of the day, ye Chen seems to have no chance to turn the tables. Lin rutian still pushes the life blood jade and suppresses the strength of the old army, rather than running away!

"Ah?"

When Lin rutian heard the words, he came back to his senses. He looked at Ye Chen and said with a bitter smile, "it doesn't matter. We are in the big array of shifting shapes and shadows. The people of elder brother can't find our position for a while."

Ye Chen suffered countless attacks from the army, and finally, he was even swallowed up part of his vitality. As a result, it only takes a day to recover?

However, Lin rutian is completely numb. Even if ye Chen directly breaks through the heaven and earth, he will not find it strange

Immediately, ye Chen and Lin rutian found a hidden place for a temporary rest. However, neither ye Chen nor xuanhanyu found that in the far away darkness, there was a pair of incomparably bright red eyes staring at them, but the master of these eyes was just like chaos, which made people see unreal!

This strange existence, it seems to be imprisoned in the origin of the ancestors of the demons, the demon!

At the moment, the sky demon's eyes twinkled and seemed to find something interesting. With a touch of fun, he murmured to himself: "this round of Hui boys, it's good to use them to relieve boredom..."

Chapter 3792

Three days later.

In the deep mountain, there is a cottage. On the blue stone outside the cottage, there is a young man with a cool look.

This young man is Ye Chen.

At the moment, ye Chen is holding a strange Rune bead, playing in his hand, seemingly absent-minded.

In fact, at the moment, ye Chen is communicating with Xuan Hanyu.

Ye Chen said: "xuanxianzi, you mean that this Rune bead, which looks like an eye, is a high-grade sorcerer of the sorcerer clan. Its real use method is not used to turn people into Lich?"

Xuanhanyu said: "yes, this eye is called tianwu eye, and the function of tianwu eye is to match alloy Wulian body pill to cultivate a martial arts of the witch clan!"

Ye Chen's face moved. Since xuanhanyu mentioned this body refining skill, he would not shoot at a target!

"Xuanxianzi," he asked excitedly, "is it true that this exercise skill is useful even to me?"

Ye Chen's physical body is against the sky now. The general body refining skills can't make ye Chen's body strength go further!

Xuanhanyu said: "this skill, in ancient times, was also a famous body refining method. It was called Baixie blood refining method!

This hundred evil blood refining method is a kind of body refining method to stimulate the potential of blood vessels. You have the pure blood of heaven demon, God blood and reincarnation blood. Even if your body is extremely strong now, this hundred evil blood refining method can also improve your physical strength to a higher level! "

When ye Chen hears the speech, he can't help but look happy!

After the first battle with junlao, he found that he had some difficulty in resisting the later attack of Butian realm before he became self-conscious!

Xuanhanyu continued: "however, in addition to this, there is a more suitable effect for you

Is it more suitable for you than strengthening your body?

What is the expression of the leaf

Xuanhan jade said: "the martial arts who have practiced the hundred evil blood refining method will have a kind of Constitution called hundred evil body. What this hundred evil body brings is the ability to transform their vitality into physical strength."

Even when ye Chen heard this sentence, he could not help but exclaimed: "really false!"

The next moment, to Ye Chen that indifferent heart, are unable to help showing the color of ecstasy!

This hundred evil bodies are so suitable for him!

If you have this hundred evil bodies, ye Chen's strength will rise to a level instantly!

For ordinary martial arts practitioners, Baixie body can only be used as a means to protect their lives. After all, it is very dangerous to burn vitality. If one is not good, he will die. Even if he survives, he will leave a lot of sequelae. At least, he will be weak for a long time!

But through the war with the old army, ye Chen found that his source of life is extremely strong, even if how to overdraft vitality, almost will not be affected!

Secondly, even if his vitality is greatly consumed or even engulfed, as long as he is separated from the battle, he can recover completely soon!

These two points, together with his unimaginable vitality, this hundred evil body, can bring ye Chen how much promotion, you can imagine!

Today, ye Chen, with all his means, has managed to defeat the army veteran whose strength was suppressed in the later stage of sky mending by relying on the card of soul chopping sword. However, if he really practiced the method of hundred evil blood, ye Chen believed that he would really have the strength to face this kind of existence!

At this time, the hut behind him creaked and opened the door. Lin rutian came out of the hut slowly.

Ye Chen looked at him and said with a smile, "Mr. Lin, how are things going?"

When Lin rutian heard the speech, he flashed a fierce look in his eyes, and said faintly: "it's not bad. With this support, my position in jiuqingshan will certainly rise. Since my elder brother has killed me, now, my counterattack will begin."

Ye Chen nodded his head and said, "if you need help, you can find me."

He didn't care about the gratitude and resentment of the young masters of jiuqingshan, but he didn't want Lin rutian to have an accident.

Ye Chen is a very simple person. He will stand on either side if he has friendship with him. Lin rutian has fought with him. In this power struggle, ye Chen will naturally choose to support Lin rutian.

Lin rutian smelled speech and said with a smile: "if I ask you for help, I'm afraid it will lead to more trouble."

After that, he looked at Ye Chen seriously and said, "Ye Jingtian, in the future, you'd better pay attention to some, don't expose your strength in front of too many people, especially when your vitality is so strong!

If this matter is spread out, whether it's the dark house in the dark region or the old monsters in the four regions, I'm afraid, they will have an idea for you. At that time, jiuqingshan alone would not be enough to support you! "

Ye Chen's eyes twinkled and said, "I have discretion."

He knew that Lin rutian said so out of good intentions.

Lin rutian said with a smile: "however, no matter what, as long as I Lin rutian does not die, I will stand by your side until the last moment! Well, now that everything is over, let's go and have a drink. The old soldier died suddenly. It must be that even the elder brother dare not act rashly for the time being. "

They looked at each other with a smile. They didn't say much. They moved towards the mountain.

A few days later, a escaping light fell into the dark city. The light dissipated and showed a young man with a cool look. He moved and left in the direction of the black stone Museum.

Soon, ye Chen returned to the black stone Museum.

Ye Chen sits in the room and stares at a jade amulet in his hand. This is the jade Rune sent to him by the old stone of the Cang gang. Now that he has completed the task of protecting Lin rutian, it is time to contact him.

If you want to practice Baixie blood refining method, you need Jinwu Lianti pill in addition to tianwu eye!

Even if he can't get the chance of alchemy, it's not easy for him to get it!

Lin rutian over there, ye Chen has asked him to help, and sent a message to the Mingzhou cloud clearing Association. The only breakthrough left is that the stone is old!

After pondering for a moment, ye Chen takes out a white jade mask, which is exactly what he bought at the auction.

This mask, named Wanhua jade face, is to make martial artists change their shapes!

Ye Chen's own technique of changing appearance is still superficial for the dark area of the underground world. It is possible to expose his true appearance, so he bought this pair of Wanhua jade noodles.

With this face, as long as the power of the spirit is not far higher than his own existence, we can not see that he has changed his appearance!

Of course, there is another way, that is to completely cover ourselves with the things Chen yuanbiao gave him to cover up his body and appearance.

However, ye Chen does not want to do so.

As a master of Dan, if he had to hide his head and hide his tail, and he didn't even have the strength to show his appearance, wouldn't it be more suspicious?

Immediately, ye Chen's mind moved and sent a message to the jade symbol. He agreed with Shi Lao about the time and place of meeting.

Cang Gang general altar, in a huge Dan room, an old man is bending his knees in front of the furnace, concentrating on putting materials into the furnace, refining some kind of elixir, his forehead is covered with sweat, obviously, has reached the critical moment of alchemy, but at this time, the old man's side hanging a jade charm, light flash!

The old man's expression moved. At the next moment, his face showed a look of ecstasy. He even ignored the pills he was refining. He immediately picked up the jade talisman on his side and swept his mind to one of them. He rushed out of the door like a gust of wind!

In the dark city, ye Chen, after receiving Shi Lao's reply, smiles and walks out of the door to leave the black stone Museum. Ye Chen goes to Xu Shenglong's room and takes a look. At the moment, Xu Shenglong's eyebrows are locked. It seems that he is understanding the blood power of the red moon tiger king, and his whole body is filled with demons.

Ye Chen shakes his head and moves his hand. In Xu Shenglong's room, he sets up the array that covers the fluctuation of his breath. Then he moves and goes to the meeting place.

The meeting place of Ye Chen and Shi Lao is not in the city of secret darkness, but in a city named castle peak city in the dark region.

The castle peak city is backed by nine evergreen mountains, so it is named. At the same time, it is also the headquarters of jiuqingshan!

Ye chenxuan meets Shi Lao here, naturally because of Lin rutian's relationship.

In the nine green mountains, even if the existence of heaven and earth, if you move Ye Chen rashly, there will be no good end!

Castle Peak City, a bit of a dilapidated restaurant, empty, only sat a look a little nervous old man.

This old man, of course, is old stone!

He looked out of the restaurant from time to time, his eyes full of anticipation!

Just then, outside the restaurant, there was a sound of feet.

Stone old full of wrinkles on the face, emerged a touch of excitement, immediately stood up!

A figure appeared at the door of the restaurant. Mr. Shi took a close look. He saw an old man in gray cloth, with ordinary appearance, silver hair and indifferent complexion.

The old man looked at the old stone and said, "it's you who want to see me?"

Hearing this, Mr. Shi was overjoyed. For a while, he was in a state of bewilderment. After a while, he said, "big Master, please take your seat

The indifferent old man shook his head and walked slowly to the table and sat down.

This person is Ye Chen naturally!

He used Wanhua jade noodles and turned into this old man.

In the past, Shi Lao, who was highly respected in Cang Gang, now has a very respectful look, like a servant in a restaurant. He wiped the table for ye Chen, took out a bottle of high-quality spirit wine and poured it for ye Chen himself.

Chapter 3793

Ye Chen took a look at the golden wine in the cup, and his eyes flashed. It turned out that the wine was also an escape from the Dionysian sect!

Although, the grade is not as good as Cabernet Sauvignon wine, but it is also a good wine!

He also did not polite, casually raised the glass, and drank the wine in the cup.

Shi Lao saw the situation, a smile, but still a look of embarrassment.

If there are people of Cang Gang here, they will be shocked and faint when they see Shi Lao's performance at this time?

On weekdays, Mr. Shi is cold and cold. As a master of alchemy and a strong man in the world, he naturally has a strong prestige. Even in the face of the Cang gang leader, Mr. Shi has always looked dull. But now, in front of Ye Chen, he seems like a child who has seen a teacher!

Ye Chen is also a bit of an accident, the old stone seems to be really infatuated with the kind of Dan.

Immediately, he also no longer nonsense, direct mouth way: "you say, have a question to ask me, Leng do what, ask."

Ye Chen's tone is not very good. There are not many people in Cang gang or even in the whole dark region of the underworld who dare to speak to him like this. However, Shi Lao does not show any dissatisfaction. On the contrary, he looks at Ye Chen with great gratitude and says, "great master, please have a look at this pair of Dan Fang first."

After that, stone old hand move, will a color some mottled jade slips handed to Ye Chen in front of.

Ye Chen opened the jade slips and scanned them carefully.

What is recorded on this prescription is the refining method of some ancient pill. To tell the truth, ye Chen's current Dan Dao attainment is rather obscure, but this is not a problem.

Originally, it was not Mr. Shi who came to answer questions for him this time!

So, who is it?

Nature is Xuanhan jade!

To answer the question, isn't it xuanqiang's way to capture the old?

The corner of Ye Chen's mouth, appear a touch of not easy to notice smile, slowly put down the jade Jane in the hand, to stone old way: "OK, now, you can ask."

Old Shi was so excited that his hands trembled. He even said, "master, the students have repeatedly refined this pill, but they all failed at the last moment. When the pill is about to be completed, there will always be a trace of drug leakage. This is the pill that students failed to refine. Please have a look. Can you tell the students what's wrong with it

After that, Shi Lao put a broken pill in front of Ye Chen.

Ye Chen took the pill on his fingertip, looked at it for a moment, then crushed it slightly. After a moment, he slowly opened his mouth and said, "when you refine Lingguang rhinoceros horn, you use too much fire, and when you refine Qiqing colorless flower, you join it too early, which leads to the medicinal power of the two materials, producing chongke.

However, this is not the most important thing. The most important thing is your technique. When you finally coagulate the pill, you should first use the three formulas of Shen, Hua and Ning, and finally increase the firepower with the burning formula. This is the most suitable method for your Dan Dao. However, you are a little rigid, and just blindly publicize according to the Dan prescription.

It should be noted that every alchemist, even if he has the same pills, may use different techniques, just as everyone's Dan Dao is different. "

Stone old smell speech, first is a Leng, then, the face appears suddenly color!

He looked at Ye Chen's eyes, more and more revered!

This remark really made him open his cottage!

He knew that although the truth of Ye Chen was simple, it would be extremely difficult for him to tell the most suitable alchemy method in one word!

Even Mr. Shi himself can't judge which method is most suitable for his own elixir, so he has to follow the script. After all, it's better to read the book according to the script than to try it randomly, isn't it?

There are hundreds of millions of combinations of alchemy techniques. If you try them at will, you can help your family to achieve great success, but it is not enough for Shi Lao to squander

Originally, Shi Lao, who still had a little doubt about ye Chen's attainment of Dan Dao, had already completely believed that ye Chen was a master of alchemy who was extremely against the heaven on the basis of Dan Dao!

With a smile on his face, Mr. Shi repeatedly nodded to Ye Chen and said, "what the master said is extremely true, what he said is extremely true! Student, there is one more question, I would like to ask..."

Said, stone old will take out a jade Jane, but ye Chen is a light way: "you think you call yourself a student, I am your master?"

Hearing this, Mr. Shi's face suddenly changed. He quickly explained, "please forgive me. I'm a little abrupt..."

A master of alchemy like Ye Chen has been blessed for several generations to see himself and answer the last question!

Now, how dare you ask the master so rudely?

In an instant, a look of shame appeared on his face

He knows that everyone's knowledge is not for nothing. He has paid a lot of painstaking efforts and accumulated them. How can we teach them to him casually?

The gift that he sent, can please move the other party such a Dan master to see, is the result of the other party to give full face, now, unexpectedly still so bold. For a while, old stone was soaked with cold sweat. He was afraid that he would annoy the other party and lose the chance to meet with each other!

Old Shi gritted his teeth, and a certain color flashed in his eyes. In order to make amends to Ye Chen, the high-ranking alchemy master in the Cang Gang actually made a plan to kneel and kowtow to Ye Chen!

Can be in Shi Lao, ready to get up, ye Chen is light way: "continue to point you, pour is not a problem, however, there are conditions."

Shi laowen's action was stiff, and then his face showed the color of ecstasy: "master, please say it! I will try my best to do it! "

Ye Chen said: "collect the Dan Fang of ancient Wu nationality for me. With your understanding of Dan Dao, even if you can't distinguish the specific content of the Dan prescription of the Wu nationality, you should be able to recognize it. As long as you can collect it and give me an ancient magic prescription, I will answer you three questions."

If you can directly find the elixir of Jinwu Lianti pill, it is naturally the best, and even the pill of refining body can greatly improve the efficiency. However, the magic prescription is so obscure that it is hard to describe. It is not easy for other people to recognize whether the Dan prescription is from the witch clan, except for the real witch clan.

Although Shi Lao is a master of alchemy of the Cang Gang, he can barely distinguish the origin of the Sorcerer's danfang.

Old stone smell speech, some surprised to see ye Chen a look, eyes appeared a touch of incredible color!

He has also studied the traditional Chinese medicine of the Wu nationality. However, it is too difficult to understand. It is difficult to understand the Dan prescription by his Dan Dao, let alone refining it!

Ye Chen, however, wants to collect the witch's elixir. Is he going to start refining the witch's elixir?

Shi Lao's look is not reverence, but as if he saw the gods!

It can be called piety!

Ye Chen was a little uneasy at the sight of Shi Lao. He stood up and went to the door and said, "OK, I'm leaving. When you get the magic prescription of the witch clan, you can contact me again. Moreover, the meeting with me should not be disclosed to anyone. Otherwise, our transaction will be terminated immediately."

Stone old matchless serious ground head way: "I understand!"

Ye Chen left the restaurant and entered a corner. He took off his mask and left the city along the unknown secret road in the castle peak city according to the map Lin rutian gave him.

Chapter 3794

Along the way, ye Chen's eyes, slightly flashing, he is thinking, the next step, how to go.

Now, if he wants to continue to improve his strength, he should go to nawanmielin to meet with the mysterious man who owns the eight treasure ghost Buddha's relic son. However, if he can, ye Chen hopes to meet this person again under the condition that he is more powerful.

For example, after practicing the hundred evil blood refining method!

But now, I don't know how long it will take to find the prescription of Jinwu Lianti pill. It has been nearly a month since he entered the dark region. There is little time left since March!

If you can't get the Dan Fang of Jinwu Lianti pill, ye Chen must get a lot of eight treasure ghost Buddha sarira if he wants to ensure his strength!

Ye Chen brows gradually locked up, even if he now, than before entering the dark region, the strength has been much stronger, but if he really against the last one of those forces, it is a little reluctant!

He can't relax, not for a moment!

In Ye Chen's eyes, a decisive color appeared and said: "in a few days, I will enter the dark region, and it will be exactly one month. If Lin rutian, Chen yuanbiao and Shi Lao can't find the elixir of Jinwu Lianti pill, I will go to wanmielin!"

Wan mielin is quite far away from the city. It may take half a month to come back and forth. It is not easy for ye Chen to get the ghost Buddha relic son!

.....

At the moment, there is a grand city in the southwest of yuehun District, which has a very long history and is full of vicissitudes and ancient atmosphere.

This city is called matchless blood city. The owner of the city is the jun family where Jun Mo is.

The king's family established a matchless blood city, which is a famous big family in foreign countries. The ancestor of jun family is the strong one in the mirror of heaven and earth, with extraordinary strength.

After saying goodbye to Ye Chen, Junmo went to several places, delayed some itineraries, and returned to the matchless city again. However, he found that the atmosphere in the city was somewhat strange, and everyone was frowning, which made him very strange.

Along the way, many people see Jun Mo, all showing strange eyes, which makes Jun Mo more and more confused.

Not long ago, the family sent a message to Junmo, saying that there was something in the family to discuss with Jun Mo, so Jun Mo said goodbye to Ye Chen and rushed back to the family.

But at that time, Junmo thought that the family's affairs were small things. He could see the situation in front of him, and Jun Mo guessed that there was something big happening.

Now that he has returned to the city of matchless blood, Junmo does not hesitate to go directly to the ancient blood temple, which is the place where the king's family discusses important matters.

Just did not wait for Jun Mo to reach the ancient blood temple, he saw a few familiar figures from afar straight to their own.

"Uncle, uncle, why are you here?"

Jun Mo is surprised to see the visitors. Uncle and uncle are in important positions in the family. They are busy with affairs. They don't come to see them specially.

Jun Mo's uncle, named Jun Tianye, was wearing a red robe with many ferocious Python embroidered on the robe.

And Jun Mo's third uncle, named Jun Chaoyang, is dressed in a strong suit and meticulous in hair care. He looks very capable, but his momentum is somewhat cold.

"You're back at last." See Jun Mo, Jun Tianye will show a warm smile, a grasp of Jun Mo's arm.

"Let's go. The family has been waiting for you for many days, but you are the only one who can help."

Jun Tianye pulls Jun Mo to go to the ancient blood temple.

Hearing this, Jun Mo can't help but be surprised. Jun's family is so magical that he just broke through the sky mending realm. What's wrong with the family, he is the only one who can help?

"Uncle, what happened to the family?"

Jun Mo can't help but ask, the family treat him not thin, Jun Mo also very to jun family maintenance, at the moment see the family seems to have a big event, immediately worried.

"Don't ask so many questions. You will know when you get there."

At the moment, Jun Mo's third uncle Jun Chaoyang is said in a cold voice.

See, Jun Mo also did not ask again, follow two people immediately to the ancient blood temple.

When he arrived at the ancient blood temple, Junmo was shocked again. In the ancient blood temple, all the important people of Jun's family had arrived. In addition to the ancestors of Jun's family, all the other elders were present.

"What's the matter?"

Jun Mo eyebrows wrinkled, at this time he was surprised to find that his parents were not here.

Junmo's parents are in the same high status in Junmo's family. In addition, Junmo's gifted parents have gained a lot of credit. Now that all the important people in Junmo's family have arrived, Junmo's parents are not there, which raises a suspicion in Junmo's heart.

At the moment, the people in the ancient blood temple, see Jun Mo appear, one by one look excited, eyes change to see.

"Big elder, Junmo has brought it back."

Jun Tianye looks at the elder of Jun's family who is sitting on the temple with a head of blood and red hair. A touch of excitement flashed in his eyes and said.

"Good."

Smell speech, the elder of Jun's family sits on the temple, nods his head with satisfaction, and then looks at Jun Mo and says solemnly. "Junmo, you are back at last."

Smell speech, Jun Mo eyes flash, and then open his mouth to ask: "elder, I don't know what's going on, let the younger generation rush back?"

"And why are the parents of the younger generation not here at the moment?"

Jun Mo asked, the temple did not see parents, Jun Mo will more and more aware of things wrong.

"Your parents are on their way."

The elder looked at Jun Mo casually and said, "Jun Mo! Now I ask you, how does your family treat you? "

Hearing this, Jun Mo heart a Lin, the elder is so serious, this topic is so heavy, it seems that something has happened.

But no matter how, Jun Mo's heart is clear, without jun family, he can't grow to this step.

"You've treated me well!"

Jun Mo looked directly at the elder, and then said, "elder, if you have any trouble, just tell me. As long as I can help you, I won't sit back and watch."

"That's what you want!"

At the moment, the elder clapped his hands and stood up abruptly. "The old grandfather's old wound recurred and was in danger. Only the Tianhan Bingjing of jiuhanmen could save his life."

Hearing this, Jun Mo's face changed slightly. The emperor's ancestors are the mainstay of the family. If the old ancestor falls down, the enemies of your family in recent years will certainly not let the jun family go. They will rush up like hungry wolves to eat and wipe the jun family dry, not to leave.

This is a place of life and death for the jun family. I didn't expect that the family had encountered such a huge crisis. No wonder the atmosphere in the city was so strange that all the jun family gathered here.

The nine cold gate in the elder's mouth is the most powerful clan in the region where the king's family is located. Even a family with a long history like Jun's family should be respectful to Jiuhan gate.

And at this moment, Jun Mo also raised doubts, jun family need nine cold door of Tian Han ice crystal, to find nine cold door good, why call him back, also said that only he can help.

Chapter 3795

At this time, the elder looked at Jun Mo's puzzled expression and then said, "it's just the nine cold doors, but I don't want to see my Jun's house, let alone borrow Tian Han Bing Jing from them."

"So what do I need to do?"

Jun Mo smell speech facial expression is dignified, open mouth asks a way.

Nine cold door do not want to see the king's house, can not get the cold ice crystal, Jun's ancestors will be in danger, when the Junjia will also be in a dangerous situation.

At the moment, the elder looked at Jun Mo and said in a deep voice: "although jiuhanmen don't want to see my Jun's house, the elder of Jiuhan gate, Ying Xiangyun is very interested in your Xueyou ancient style. If you are willing to go, Ying Xiangyun will give Tianhan Bingjing to your family."

The elder said, his eyes were staring at Jun mo.

And hear these, Jun Mo also can't help but change his face, nine cold door's Taishang elder should Xiangyun, that is the lunatic of the moon soul domain.

Ying Xiangyun's favorite is to study strange physique, and everyone who falls into his hands has a miserable ending and dies in endless torture.

Now, the elder said this, put clearly is to let Jun Mo sacrifice himself, in exchange for cold ice crystal.

Seeing Jun Mo's silence, the elder's face changed slightly, and then he said in a cold voice, "Jun Mo! What are you hesitating about? Your family treats you well. Now your family is in trouble. Shouldn't you help? "

"Well, I just know that this boy is a white eyed wolf, and he will not do it."

"Jun Mo, don't let us all down, promise to go down to nine cold door quickly!"

At the moment, in the ancient blood temple, the former friendly and friendly people were yelling at each other. When Jun Mo saw this scene, he could not help feeling a tremor in his heart. These familiar people are now so strange.

"This is my life..."

Jun Mo's eyes are disappointed, in the face of such a thing, the attitude of the same clan unexpectedly is such, let Jun Mo some cold hearted.

At the moment, the uncle and uncle of Jun Mo also look at Jun Mo coldly.

"Junmo, you have to go. Otherwise, if something goes wrong with my ancestors, you will be the sinner of your family for ages!"

Jun Tianye looks at Jun Mo Nu and shouts.

"What are you still hesitating about? Do you want to be ungrateful and betray your family?"

Jun Chaoyang is also cold, sentence by sentence.

These words fall into the ear, Jun Mo feel cold inside, uncle and uncle, but his father's brother, watching him grow up close relatives, now even so ruthless.

Junmo doesn't mind dedicating himself to his family, but the attitude of his family members and even close relatives makes him feel cold. These people have not considered his feelings at all.

At the moment, Jun Tianye and Jun Chaoyang's eyes flash, even want to start to force Jun Mo, Jun Mo tied up and sent to nine cold gate.

The elder said, as long as Junmo can agree to go to jiuhanmen, their two families will get a lot of rewards, and their children will grow up in time. It's just the sacrifice of Junmo for the prosperity of their two families. This business is not a loss!

On the temple of ancient blood, roaring repeatedly, one after another reprimanded Junmo for ungrateful, let Junmo go to jiuhanmen to die in exchange for Tianhan Bingjing.

And Jun Mo's eyes also gradually cold up, these same clan's attitude let him completely disappointed.

"Elder."

At the moment, Jun Mo raised his head and looked at the elder. His voice was cold and asked, "it doesn't matter if you want me to go, but I want to know where my parents went?"

"Your parents?"

The elder's eyes flashed, and then he said, "don't worry, your parents are very well now. As long as you are willing to go to jiuhanmen, your parents won't have anything."

At the moment, uncle Fang, as well as the stranger's attitude, I'm afraid that when I hear these words, I'm afraid I'm not amused.

To nine cold door, Jun Mo won't refuse, but he can't let his parents suffer injustice.

"Elder, I want to see my parents. Otherwise, I won't go to jiuhanmen."

Jun Mo looks at the elder coldly.

As soon as this word comes out, the whole ancient blood Temple suddenly vibrates, countless voices ring out, and one after another scolds Jun mo.

"Bastard, are you bargaining with the elder? It's your duty to go to jiuhanmen. How much have you paid for the cultivation of your family these years? Shouldn't you do something for your family? "

"That's right. What's more, if you go to jiuhanmen, you don't have to kill you. You ungrateful white eyed wolf!"

At this moment, Jun Tianye and Jun Chaoyang are in a hurry, and they all start to scold.

"What are you talking about?"

Their words make Jun Mo furious, murderous suddenly soar into the sky, and look at the two former close relatives with cold eyes.

"Do you know what you're doing?"

"My father is your brother. My parents are still in danger. But you asked me to go to jiuhanmen to die. Will your heart hurt?"

Jun Tianye and Jun Chaoyang didn't expect that Junmo would suddenly break out. He was stunned, but the next moment he looked at Jun Mo with a stiff neck. "Your parents have nothing to do. As long as you are willing to go to jiuhanmen, they will be released soon. If you don't go, I'm not sure what will happen."

At the moment, Jun Tianye looks at Jun Mo and says coldly.

Hearing this, Jun Mo is completely disappointed and shakes his head. He no longer pays attention to the two people, but looks at the elder.

"Elder, I'd like to say that again. Think about it."

"Asshole, are you threatening the elder?"

Jun Tianye saw the appearance of his eyes and looked frightened. He was afraid that Jun Mo's words and deeds would affect his own interests, so he burst into a curse.

"All right."

The elder looked at Jun Tianye and waved his hand. Then he said to Jun Mo, "it's OK to let you meet your parents. However, their ideas are too stubborn. You can't listen to them, or you can't afford the consequences."

There is a faint threat between the elder's words, and Jun Mo nods without expression.

At this time, the jun family was not what he remembered. These people had no bottom line for their own interests. If they didn't do what they said, their parents would be in danger.

See Jun Mo promised to come down, the elder touched his beard, and then looked at Jun Tianye, "take him to have a look."

"According to the law of the great elder." Jun Tianye said with a face flattering, and then came to Jun Mo body, cold hum.

"Good or bad, let's go."

Jun Tianye this appearance, let Jun Mo Mu Lu disdain, lazy and he say half a word of nonsense, follow Jun Tianye behind, leave the ancient blood temple.

Along the way, Jun Mo's heart is more and more cold, because he realizes that the place Jun Tianye takes him to is actually blood prison!

Chapter 3796

Blood prison is the prison of the king's family. It is used to hold the enemies of the royal family, or the place where they have betrayed the family and committed heinous crimes.

Junmo is very clear that his parents are loyal to the jun family, and they can't do anything sorry to the jun family. Now he is locked in a blood prison, which makes him more and more angry.

At the moment, has been about to reach the blood prison, and Jun Tianye also looked at Jun Mo, the corner of his mouth hook up a cold radian.

"Junmo, your parents were locked in by me. If you don't go to jiuhanmen, I'll kill them and eradicate traitors for us. You should know what to do?"

"What are you talking about?"

At this moment, Jun Mo's murderous spirit rises to the sky, and his whole body bursts out with blood light. Infinite aura sweeps across him. Jun Tianye's breath is invincible, and he almost kneels down to the ground.

"Jun Mo, what do you want to do?"

At the moment, with Jun Tianye side of Jun Chaoyang see, can not help but eyelid a shake, quickly roar way.

And the jun family bodyguard who followed them also looked at Junmo coldly, and put his hand on the sword. Obviously, if Junmo dared to attack Jun Tianye, they would immediately kill Junmo.

These royal guards are the existence of mendianjing. If they join hands, Junmo won't last long. This is also specially arranged by the elder. They are afraid of Junmo's repentance and betray their parents. They deliberately let these guards stare at them.

"Uncle, you really let me down."

Jun Mo see form, in the eyes of the killing intention scattered, looking at Jun Tianye eyes disdain to say.

"Hum, people die for money, birds die for food. To blame you, you have to be watched by nine cold doors." Jun Tianye glanced at the two sides to protect their own jun family guard, and stood up proud.

Then, Jun Tianye with Jun Mo into the blood prison, a time of stinky blood.

In the blood prison, there are extremely terrible array suppression. All the people in the blood prison will suffer from the suppression. They can only lie on the ground and eat like this.

At the moment, countless blood runes flicker in the blood prison. In the dark and humid passage, the cells are full of people. Jun Tianye takes Jun Mo all the way and finally meets Jun Mo's parents.

Junmo's parents are not strong. Under the accumulation of resources in Jun's family, they are just in the middle of the holy ancestral realm. At the moment, they are all lying on the ground. Under the terrible force of repression, they can't even move.

"Father, mother!"

See parents covered with mud lying on the filthy floor of the cell, Jun Mo's eyes flash a touch of pain, a grasp of the prison iron pole, want to break.

However, the array of blood prison is too powerful, and its suppression strength is incomparable. Jun Mo can't shake the iron pole at all. Instead, he is swept down by the force of suppression, and he almost falls to the ground.

"Mo'er!"

Hear Jun Mo's voice, Jun Mo's parents immediately excited, hiss, they want to raise their heads, but the force of repression makes them unable to move.

"Untie it and let them out!"

At the moment, Jun Mo's eyes red to see to the side of the bodyguard, body murderous spirit swept.

"If I treat my parents like this, I will not go to jiuhanmen even if I blow myself up!"

"If I blow myself up, I'm afraid the elder Taishang of jiuhanmen can't give you Tianhan Bingjing, right?" Jun Mo coldly looked to the bodyguard and said.

Hearing this, the bodyguard commander in bloody armor changed his face slightly, and immediately took out the token and printed it on the cell, touching the prohibition of the cell.

"Bang!"

Jun Mo opened the door of the cell and rushed into the cell to help his parents up. Looking at the miserable appearance of his parents, Jun Mo's anger suddenly rose.

"Mo'er, don't listen to them. Don't go to jiuhanmen, or you will die."

At the moment, Junmo's parents have just broken away from repression, but the first time they think of Junmo's safety.

Hearing this, Jun Mo's cold heart just feels a little warm, parents still care about themselves, this is enough.

"Junmo, you should consider clearly, if you don't go to jiuhanmen, we can't tell the safety of your parents."

Jun Mo's parents' words just fell, the bodyguard commander's eyes flashed a touch of cold, immediately looked at Jun Mo cold voice said.

Smell speech, Jun Mo eyes flash a touch of cold, but ignore this bodyguard commander, but look to parents.

"Mom and Dad, I will go on this trip. You don't have to persuade me."

Jun Mo's attitude is firm, parents advised for a long time, see Jun Mo insist, not from the face show sad color, cover face cry, but no longer advise, but respect Jun Mo's opinion.

At the moment, Jun Mo looked at the bodyguard commander and said in a cold voice, "I can go, but my parents can't be treated like this. Let the elder come. I have something to say to him."

Smell speech, bodyguard commander can't help but sneer, "you are what thing, also dare to let big elder come to look for you."

"Jun Hua, don't be rude."

At the moment, the elder appeared in the blood prison, looking at Jun Mo, smiling.

"I'm glad you're willing to go. If you have any request, please say it. As long as you can exchange for Tianhan Bingjing, I will follow you." In the face of the big elder's smiling face, Jun Mo was expressionless, and said indifferently, "I'm going to jiuhanmen, which is a meritorious official of your family. I don't ask for anything else. I just ask my parents to live a safe life. I want to hear the elder promise me."

"Oh?"

When the elder heard this, he touched his beard and laughed: "you are a filial son. I understand what you mean. I promise you that as long as you can exchange for the cold ice crystal, your parents will be safe."

"Well, I'm going to take my parents home for the last day. Tomorrow I'll go to jiuhanmen."

"Yes, I will arrange for Junhua to accompany you."

The elder didn't refuse. He squinted and said with a smile, but his eyes were cold.

Immediately, Jun Mo takes parents to leave blood prison directly.

And the elder looked at Jun Mo to go out, turned to look at Jun Hua and other Jun's bodyguards: "Jun Hua, keep a close eye on this Junmo. As long as he has any change, he will be discarded immediately."

The big elder's eyes flashed a erasure meaning: "anyway, the nine cold door wants blood you ancient body. It doesn't matter whether his cultivation is in or not."

"Yes, Junhua understands!"

Jun Hua and a group of Jun's bodyguards heard the words and immediately agreed to come down respectfully.

Jun Mo with his parents back home, will also be the cause and effect of the matter are clear.

It turned out that soon after Junmo arrived in the holy city of Danan, the ancestors of jun family were possessed by demons during their practice, and were directly unconscious.

After investigating, the elder decided that the old ancestor had a relapse of the old disease. He had to be cured by the cold ice crystal of jiuhanmen.

The condition of opening the gate of nine colds is to exchange the ancient blood style of Junmo. Knowing the news, the elder ordered Jun Tianye and Jun Chaoyang.

Jun Tianye and Jun Chaoyang are the brothers of Junmo's father. Therefore, Junmo's father is not on guard against them. He was poisoned in the meal by the two men. After waking up, he was suppressed in the blood prison. He also learned that the old ancestor was in a coma and needed Junmo to go to jiuhanmen to exchange for Tianhan Bingjing.

Therefore, the way to resist the old man is very clear.

After that, Junmo came back and rescued them from the blood prison.

"Mo'er, take advantage of the opportunity now, you run away, don't care about the two of us, as long as you live."

At the moment, Jun Mo's mother looked at Jun Mo, and said again.

This words just export, Jun Mo then facial expression slightly changes, see Jun house door open, Jun Hua cold eye stands outside the door.

"I won't escape. The king's family treats me well. I won't give up if I can save my ancestors."

Jun Mo shook his head, and then looked to Jun Hua: "get out, if I see you again, I will not go to the nine cold door!"

This word a, Jun Hua gas of gnashing teeth, but dare not and Jun Mo clamor, hold back a belly fire, turned to leave Junmo home courtyard.

Then, Jun Mo looked at his parents and said to them, "these people are staring, some words don't have to say again."

See, Jun Mo parents eyes dew sad color, also no longer words.

And Jun Mo turned into the study and wrote a letter. Then he took out his sword and passed the letter to him.

Jun Mo sent the letter action did not escape the eyes of the jun family, but they hold Junmo's parents in their hands, that Jun Mo dare not mess.

As long as Junmo arrives at jiuhanmen, his family will be able to get Tianhan Bingjing. At that time, they are not afraid of Junmo's doing anything. Therefore, they let Junmo send letters.

The next day, Jun Mo accompanied his parents to chat all night. When the day was bright, Junhua knocked on the door.

"Junmo, it's time to go!"

Jun Hua's voice of hatred rang out.

"I see."

Jun Mo hears speech to answer at will, turn to nostalgic to look at parents, and then push the door out.

Looking at the back of Junmo's departure, a touch of sadness flashed in the eyes of Junmo's parents. They wanted to leave Junmo, but they had no choice but to turn into an endless sigh of sadness.

In the courtyard, Jun was dressed in armor, and had been waiting with a group of cold faced Jun's bodyguards for a long time. As soon as Junmo came out, he was surrounded by them and flew directly to the nine cold gate.

At the same time, in the dark area, ye Chen sits in the room practicing, but suddenly realizes that a familiar breath is flying towards him from the sky, not from his brow.

"Whoosh!"

The next moment, a bloody long sword stops in front of Ye Chen. Seeing this sword, ye Chen does not pick from his eyebrows.

"Jun Mo's sword..."

Ye Chen's eyes flashed, and a bad feeling appeared in his heart. Then he noticed that there was a letter on the sword. He quickly took it down and had a look.

This letter is written by Junmo himself, and shows his experience to Ye Chen.

The letter that Junmo gives Ye Chen is not to hope that ye Chen can save his life, but to worry that his parents will be humiliated in Jun's house after he died in jiuhanmen. Although Junmo asked the elder to ensure the safety of his parents, it was inevitable that there would be no accident, because Junmo hoped that ye chennian could take care of his family and his parents after he became famous.

Although the king's house makes Jun Mo incomparably cold hearted, but he is still loyal to your family.

Chapter 3797

After reading Junmo's letter, ye Chen shook his head in a complicated way. Junmo is too emotional and righteous, so he will be so intimidated by Jun's family.

"It's just that you're stupid. What's the point of paying like this? Junmo, I won't let you die. "

Ye Chen's eyes flashed a erasure meaning, the next moment directly rushed to the sky.

"Brother ye, where are you going

Xu Shenglong is practicing when he suddenly realizes that ye Chen's killing intention breaks out. He can't help but open his eyes, but he sees that ye Chen is already flying.

"I'll go out and do something."

"You practice in the dark."

"I'll be back in a few days!"

Immediately, ye Chen leaves the dark area, removes ye Shitian's disguised identity, and runs towards Jun's house at a high speed, hoping to leave Junmo when Junmo goes to jiuhanmen.

One day, ye Chen has already arrived at Wushuang ancient city, indicating his identity and asking to see the high-level of Junjia.

Knowing that the chief disciple of liudaozong had come, Jun's family was a little strange. They didn't know what ye Chen was here for.

In any case, liudaozong is also considered as the orthodox sect. Especially the Junjia family has a long history. Knowing that liudaozong was once brilliant, and even knowing a lot of Xinmi of liudaozong, it is clear that the declining liudaozong also contains extremely terrible power, so they dare not offend at will.

The elder of Jun family should immediately order people to invite Ye Chen to the ancient blood temple, and many high-level officials of the Jun family also came.

"This little brother is the chief disciple of the six schools?"

When Ye Chen enters the ancient blood temple, the elder of Jun's family sees that Ye Chen is just a heaven and God realm, and his eyes are strange. Has the six Taoism schools declined to this degree? Even the chief disciple is just the heaven and God realm?

At the moment, all the people in Jun's family showed strange eyes, but Ye Chen was indifferent and directly showed the token of the chief disciple of the six Taoism sect.

"In xiayechen, the chief disciple of the six schools, and Junmo are good friends."

Ye Chen said this, the face of all the Jun family suddenly changed, the elder looked at Ye Chen with gloomy eyes.

"I see. I don't know why you came here."

"I want to know where Junmo is now."

Ye Chen is lazy with them nonsense, direct open mouth asks a way.

"Junmo has already gone to jiuhanmen."

Big elder smell speech touched beard, "little brother, I advise you, this is a private matter of my king's family, and you have nothing to do with it."

"Yes, Junmo went to jiuhanmen to exchange for Tianhan Bingjing. It's his great honor. It's his destiny. Don't mind your own business!"

"Ha ha, a chief disciple of the heaven God realm? Even if he wants to, he can't

Hearing this, ye Chen coldly smiles, jun family these people obviously don't care about Junmo's life and death, and even think that Junmo to nine cold door is taken for granted.

But ye Chen is very clear, if it is these people who are going to jiuhanmen, I'm afraid they will cry out and even betray the king's house directly.

"You people are disgusting. In the name of high sounding, you let Jun Mo die. It's shameless to sit here and talk sarcastic things."

Ye Chen not polite reprimand way, gentleman family to Jun Mo's attitude lets him feel cold.

"Asshole! What are you talking about? "

"Even if you are the chief disciple of liudaozong, do you dare to come to my king's house and die?"

"You, an outsider, have no right to take care of my family's private affairs!"

"That's right. You leave the ancient city of matchless immediately. We don't want to see you!"

Ye Chen's unflinching rebuke made Jun's family members look ashamed. However, many people became angry and drank and scolded one after another.

Hearing these people's words, ye Chen sneered and said, "I'll take this matter into consideration. Since you don't take Junmo's life and death seriously, I'll bring him back. Don't expect to exchange Junmo's life and death with Junmo's life and death!"

As soon as this word came out, the whole ancient blood temple was in an uproar. The elder looked at Ye Chen's eyes, and his heart was killing.

If ye Chen is a good thing to do to your family, he can't exchange Junmo for Tianhan ice crystal, which leads to the fall of your family's ancestors, then the whole jun family will fall, and ye Chen will also be the number one enemy of the jun family.

"You are so rampant. Even if you are the chief disciple of the six Taoism sect, if you dare to come to the door and shout, I will deal with you as well!"

At the moment, the two elders of Jun's family also suddenly got up and looked at Ye Chen in a murderous manner. Obviously, he wanted to suppress Ye Chen directly.

At this time, the three elders of Jun's family also got up and looked at the elder, and said, "I think we should hold a Council of elders, take down Ye Chen, and ask for an explanation from the six Taoism sect."

On hearing this, the eldest elder was hesitant. He always felt that there was no suitable helmsman in the royal family. Therefore, he did not set up a clan chief. Instead, he set up a Council of elders, where the ten elders of the royal family discussed matters together.

But at the moment, the great elder does not want to hold a Council of elders. He is still unwilling to offend the liudaozong. After all, the liudaozong hides some extremely powerful existence.

"No need. Although liudaozong has some abilities, jiuhanmen is not a vegetarian. This boy is just a mole ant in the heaven God realm. Even if he is the chief disciple, he can't make any waves." At the moment, the elder sent a message to all the angry elders. Hearing his words, the two elders and others' eyes flashed, and then sat down again.

The elder is right. Ye Chen is just a heaven and God realm. He is extremely arrogant in Jun's family and boasts of Haikou. But when he comes to jiuhanmen, I'm afraid he is a clown. He also wants to save Junmo. He doesn't get caught by the old madman Ying Xiangyun. It's good to study.

"Hey, hey."

At the moment, the two elders looked at Ye Chen and showed a smile: "in this case, it's up to you. I'd like to see if you can save Junmo from the nine cold door."

"Well, you'll see."

Ye Chen sneered, the next moment directly turned around and left, this Jun family of people on Jun Mo's life and death is completely indifferent, he is also lazy and Jun family have too many intersections.

And Ye Chen also learned from Jun's family that Junmo had just left Jun's house, and it should be easy for him to catch up with him.

At the moment, Ye Chen didn't go directly to Jiuhanmen, but found Junmo's parents.

After all, Junmo's previous letters made it very clear that he was worried that his parents would be humiliated in your home. Ye Chen did not know how long it would take to go to Jiuhanmen. He would like to settle down Junmo's parents first.

Later, Ye Chen rushes to the place where Junmo's parents live, and there are many Jun's family members outside to monitor, apparently to control every move of Junmo's parents.

Seeing this scene, Ye Chen felt more cold to Jun's house, shook his head and stepped directly into the courtyard.

It's strange for Junmo's parents to see Ye Chen as a stranger. But when Ye Chen takes out Junmo's personal letter, Junmo's parents are relieved.

"Uncle and aunt, this is the six talismans. If you are in danger, you will urge the six talismans, and the people of the six Taoist sect will come to help."

Ye Chen gives a golden talisman to Junmo's parents and opens his mouth.

Of course, the master of the six sects of the six sects gave the life of the six masters to protect the body!

Extremely important!

## Chapter 3798

As long as ye Chen is in danger and urges the six amulets, arbitrariness Cang will even personally protect Ye Chen, which is the bottom card to protect his life. However, ye Chen gives such an important thing to Junmo's parents in the past.

With these six talismans, Junmo's parents are also very grateful, for Junmo Ye Chen such a friend and feel gratified.

However, when Junmo's parents heard that ye Chen would go to jiuhanmen to save Junmo, they were reluctant to speak.

"Uncle and aunt, if you have anything to say, don't be afraid."

Ye Chen sees form not by eyebrow tiny pick, open mouth asks a way.

"Ye Chen..."

At the moment, Jun Mo father could not help looking at Ye Chen carefully and said: "you are willing to save Mo'er, your aunt and I are very happy, but the nine cold gate is very strong, Jun Mo to there is already bound to die, we do not want to see you die."

"This is the fate of Mo'er. You can't let you down. You'd better not save him."

Jun Mo father eyes sad said.

Hearing this, ye Chen's face changed slightly. How strong is the nine cold gate? Can you make your father so afraid.

"Ye Chen, what you don't know is that the nine cold gates are also famous in the moon soul region, which are much stronger than the Zhenyuan hall."

"Jiuhanmen has a number of powerful mirror of heaven and earth. The leader of jiuhanmen is a man of great talent and vision. Ten thousand years ago, he completely controlled jiuhanmen. Even a few Taishang elders are also obedient to him. If you come to ask for Junmo now, you will certainly annoy them, and the consequence is almost certain to die."

Jun Mo's father's face was dignified and incomparable: "the legend of the nine cold sects is also related to the ancient mysterious sects. Even if you are the chief disciple of the six sects, they will not have any scruples, so you should not go there."

Hearing these words, ye Chen finally understands why the elder of Jun's family and others do not stop him from going to jiuhanmen to save Junmo. It turns out that he can't do it at all, and may even die in jiuhanmen.

But even if the nine cold door again strong, ye Chen also want to try, he can't let Jun Mo die like this, we must try our best to save Junmo.

"Uncle and aunt, don't worry about it. I will rescue Junmo. It's just nine cold doors. I can't help it."

Ye Chen's eyes were cold, and said categorically. The next moment he flew directly to the place where the nine cold doors were.

Since the six talismans have been handed over to Junmo's parents, ye Chen has no worries about his future. In addition, he knows the strength of jiuhanmen, so he is more and more worried about Junmo's safety, so he never stops and advances at full speed.

Along the way, ye Chen's murderous spirit surged, and his anger in his heart kept rising. If anything happened to Junmo, whether it was the jiuhanmen gate or the jun family, ye Chen would not let them feel better. After all, Junmo's trip had nothing to do with these people.

While on the way, ye Chen also found a strange thing.

I don't know why, the samsara cemetery is changing. Han asks this great talent, who appears in the samsara cemetery for a while, and then disappears suddenly. It seems that he wants to say something to himself, but he doesn't speak up in the end.

This makes Ye Chen feel a little strange, in the heart of cold again appeared in the reincarnation cemetery, ye Chen did not hesitate to ask: "master Han, do you have anything to say?"

"Ah?"

The cold inquiry heart was frightened by Ye Chen's sudden question. Then he looked at Ye Chen and his eyes flashed. Finally, he sighed, "it's all because of everything. Everything is fruit. Let's go."

After saying this, Han Wenxin disappears again, but it doesn't appear again, which makes Ye Chen more and more strange. The endless sentence of Han Wenxin makes him feel what it means.

"No matter, it's important to save Junmo."

Although the heart is curious, but since the cold heart is not willing to say, ye Chen also no longer want to, concentrate on the nine cold door.

Along the way, ye Chen catches a lot of breath belonging to Junmo. Obviously, Junmo and others have just passed by these places. Their distance from them is not too far. Maybe they can stop Junmo before he reaches jiuhanmen.

In this way, it can save the danger of dealing with the nine cold door. After all, ye Chen also learned from Junmo's parents that the nine cold gate is powerful, and it is the best if there is no conflict.

But unfortunately, although Ye Chen made full progress along the way, he still did not see Junmo when he arrived at the Mountain Gate of jiuhanmen. It was obvious that Junmo had already entered jiuhanmen.

Jiuhanmen covers an extremely vast area, which is worthy of its great prestige in the moon soul region. The mountains in front of you are all in the territory of jiuhanmen.

In front of Ye Chen, a towering mountain stands, but at the foot of the mountain there is a huge gate with golden light shining. On the door is a plaque with colorful glaze color, on which are engraved three big characters: dragon flying and Phoenix dancing.

"Nine cold door!"

Ye Chen's eyes twinkle, light is the Mountain Gate of the nine cold gates, it shows a domineering and exposed momentum, is indeed an extraordinary force.

At the moment, on both sides of the Mountain Gate of Jiuhan gate, there are four gatekeepers. Their strength has reached the level of mending the sky. At the moment, he looks at Ye Chen coldly, and he doesn't know why a boy from Tianshen state appears here. "Boy, what are you doing here? Don't you know this is jiuhanmen? Get out of here

Among the gatekeepers, a tall and strong young man looked at Ye Chen and yelled at him. Jiuhanmen is a holy land worthy of the name of thousands of miles. Countless family clans are respectful to jiuhanmen, which makes them very proud.

Hearing the words of the gatekeeper, ye Chen drew a radian around the corner of his mouth, and then went directly to the four gatekeepers.

"Ye Chen, the chief disciple of the next six schools, came to your sect to find a good friend."

Without saying a word, ye Chen directly showed the token of the chief disciple of the six schools.

Although liudaozong is now in decline, its reputation is not small. The chief disciple's token can not be fake. The four gatekeepers can see that it is true.

However, ye Chen was only in the heaven God realm. The four gatekeepers all looked strange. The liudaozong was really in the extreme decline, and the chief disciple was only in the heaven God realm. Now that the chief disciple has come to jiuhanmen, it is totally disgraceful.

"Ha ha."

At the moment, the young man who just yelled at him looked at Ye Chen with a disdainful smile: "it turns out that he is the chief disciple of the six Taoism sect. Who are you looking for in my nine cold gate?"

"I can give you a report. However, if you are in such a state, you should not enter our nine cold door, so as to save you the humiliation of liudaozong."

The young people's words were merciless and outspoken, which also made Ye Chen's eyes cold. It seems that the decline of the liudaozong in these years has made these sects forget the invincible power of liudaozong.

"I'm afraid you can't make the decision for the person I'm looking for."

Ye Chen looked at the youth and said with a sneer.

Chapter 3799

"Oh? Then you can tell me. You are a mole ant in the heaven God realm. You want to find someone in my nine cold gate. "

The youth can't help sniffing at the speech. He also sees that ye Chen is infuriated by his own ridicule, but he doesn't care.

In the past, even the nine humble sects would have to bow to their knees, but now that they have fallen into such a state, he is not afraid to humiliate even the chief disciples!

At the moment, hearing the youth's words, ye Chen's mouth curled up a strange arc: "the person I'm looking for is named Junmo. Today I'm going to take him away from the nine cold door. Can you make up your mind?"

"What are you talking about?"

Ye Chen this words a, immediately let youth stare big eyes, unbelievable looking at Ye Chen.

Who doesn't know, this Junmo has a blood you ancient body. He is the one that the elder should be looking at. He wants to exchange it with the king's family with the cold ice crystal.

At the moment, ye Chen even said that he wanted to take Junmo away. He was extremely arrogant. He just wanted to take away the man that the elder was looking at.

"Ha ha ha, you want to take Junmo away?"

The young man disdained to look at Ye Chen, and then yelled out: "get out of my way immediately. If you offend the elder, I will suppress you with my own hands, and you will be in agony!"

"Presumptuous!"

Ye Chen was furious: "as the chief disciple of the six Taoism sect, how can you be a gatekeeper to speak ill of me?"

"I've come to your nine humble families. Instead of entertaining them, a gatekeeper often insults you. This is your hospitality?"

"I tell you, today Jun Mo I must take away, no one can stop me!"

Ye Chen's momentum broke out, and his majesty swept over the sky. He looked coldly at the youth: "now open the mountain gate for me, otherwise, I won't be merciless."

At the moment, the youth and the other three gatekeepers did not expect that ye Chen, a mole ant in the heaven God realm, dared to drink and scold them.

And ye Chen's momentum burst, that towering pressure swept over, the former reincarnation Lord's supreme majesty let them all not from the body tremble, after the reaction, all immediately became angry.

"Son of a bitch, a mole ant in the heaven God realm, dare to go to my nine cold door to be wild. I think you are looking for death!"

The young man was the first one to drink and curse. His aura ran wild and his killing intention swept across the sky. A long cold spear gathered in the sky and locked Ye Chen.

"Hum, the chief disciple of liudaozong? If the past liudaozong is OK to say, with this virtue of liudaozong, you dare to make trouble in jiuhanmen with this status. It's really stupid! "

At the moment, the other three gatekeepers are also one after another to curse, the momentum of the four broke out, it is obvious that a word does not agree with Ye Chen will be suppressed.

Looking at the momentum of the four men, ye Chen's eyes flashed with disdain. Among the four gatekeepers, the strongest one was the young man, who was just the third layer of heaven mending realm.

The remaining three, two of them are mending the sky, and the other is mending the sky. They can't stop him at all.

He has a much better opponent in the dark!

"You're not going to make way for me."

Ye Chen looked at them coldly and said.

"The most arrogant! Do you dare to pretend here that I am really afraid of you? A waste chief of the celestial realm, I will suppress you with one hand

At this moment, the young man was completely angry and suddenly pressed down. The ice spears condensed by his aura suddenly exploded and fell down. He wanted to directly tie Ye Chen into a hedgehog.

"Boom

Above the sky, the ice spears tore through the void. The momentum was magnificent and terrifying. The other three gatekeepers could not help but look envious at this scene.

"Elder martial brother Wang is really extraordinary. After only a few months, his strength has improved again. The boy in the divine realm can't stop elder martial brother Wang's move."

"Ha ha, what's the move? Look at this boy. As soon as elder martial brother Wang makes a move, he's so scared that he doesn't even know how to hide."

At the moment, the three gatekeepers complimented him and looked at Ye Chen. However, ye Chen did not move. His gaze at the ice spear was a little dull. It seemed that he was really scared.

"Hum, I know that the chief disciple of the six schools is a waste, and I'm afraid the six schools are totally desolate."

At the moment, the young man, known as elder martial brother Wang, snorted haughtily.

But at this time, ye Chen's eyes flashed with disdain. At the next moment, he suddenly put out his hand, and the evil sword flew out of the air and shot out towards the ice spear.

"You dare to yell at me for this skill

Ye Chen angrily drinks, his whole body spirit sweeps, infinite Hongmeng breath rippling around his body, Sha Jian cuts all the ice spears into pieces in an instant.

And ye Chen's body has already crossed over the ice fragments all over the sky, and directly comes down in front of the youth, and comes out with a bold hand.

"Bang!"

The power of Ye Chen's palm almost shakes the sky. Before the young man could react, he felt an unparalleled and incomparable force sweeping through. It was like the suppression of the giant mountain of the nine cold gates, and the youth's eyes could not help but flash a touch of horror. "Poof!"

The young man had no time to resist. He flew back and forth, spitting blood and hitting the Mountain Gate of jiuhanmen. His breath was very weak. If ye Chen had not left his hand, he would have been beaten to death by Ye Chen.

Seeing this scene, the other three gatekeepers were completely stunned and looked at Ye Chen in horror.

"No way. You're just a God's land. How can you beat elder martial brother Wang like this with one hand?"

"No, I must be hallucinating. It can't be true!"

"Son of a bitch, how dare you use magic to us? I'll break your illusion!"

The three gatekeepers were stunned and couldn't believe the scene in front of them. They believed that ye Chen had disturbed their mind with his hands and feet. At the moment, they even used the spirit and soul technique to break Ye Chen's illusion.

When ye Chen saw this scene, he couldn't help sneering at him. The disciples of the nine cold sect were really stupid. They even regarded all these as illusions.

At the moment, the disciples of the nine cold sect found that everything in front of them had not changed after performing the spirit and soul technique. They were completely shocked. Are all these true?

"Elder martial brother Wang, get up quickly. How can this boy beat you like this with one hand?"

The gatekeeper of the sky mending realm still didn't want to believe what was happening in front of him. He could not help looking at the youth and saying.

Hearing this, the young man looked at Ye Chen's eyes, flashed a touch of fear, and then opened his mouth and said, "don't say any more, this is true, this boy is not simple."

"The three of you will join hands to take down this arrogant person, or else today's story will spread out, and my nine cold gate will become the laughing stock of the moon soul domain!"

The youth looks at Ye Chen, in the eye flash a touch of hate, coldly opens the mouth to shout a way.

Smell speech, the three gatekeepers also face a change, the next moment the eye Sen cold look to Ye Chen.

"I didn't expect that you really have some skills, but you are too arrogant. If you dare to come to my nine humble gate, you must pay a heavy price today!"

"If I don't suppress you, I will disgrace my reputation of nine humble families."

At the moment, the three gatekeepers joined hands, and a Taoist cold aura swept out. They rushed to Ye Chen at the same time. Their long swords and sharp swords in their hands were so sharp that they killed Ye Chen.

"Good coming!"

Ye Chen sees this scene, but is not flustered at all, instead, he drinks a sound, does not retreat, but advances, directly facing them.

"I'll let you know today that liudaozong is not something you can insult at will!"

Ye Chen took a drink and rushed directly into the three people's encirclement. At the moment, the weapons of the three gatekeepers came, and all kinds of magical powers swept through.

The grand technique seems to tear the sky, but the magic power of the nine cold sects is very powerful and powerful. The three of them really burst out with good power.

But all of this, in front of Ye Chen, is totally insignificant. At this moment, ye Chen's whole body strength erupts, and all kinds of aura are as sharp as cutting through the world of the sun and moon.

At the same time, ye Chen holds the evil sword, and cuts out a cold awn in the three people's encirclement. The terrible sword light that can't be broken instantly cuts all the magic powers of the three people.

"Destroy Shinto, kill me!"

Ye Chen Li drinks, the God of destruction suddenly erupts, and the power of destruction sweeps out.

"Boom

The next moment, the violent impact swept through, the three gatekeepers directly spit blood and fly backward, while ye Chen is standing in the air, undamaged.

"You guys want to stop me? I don't know the height of the earth. "

Ye Chen looked at the four gatekeepers with a dispirited face and said coldly.

At the moment, the youth and others are also shocked. Ye Chen is just the strength of the seven layers of heaven. He can burst out such a terrible force. He is simply not a human being, but a pervert!

"Damn it, you arrogant person, you dare to make trouble in my nine poor gate, you are really looking for a way to die!"

At the moment, the youth looked at Ye Chen with hatred in his eyes. He was easily defeated by Ye Chen, which made him feel extremely ashamed.

"That's right. You can come here to be reckless. Even if you defeat us, what's the use of your actions today? It's a great disaster to liudaozong."

"Just because you want to take Junmo away from my nine cold doors, if you enter our ancestral gate today, you will surely die!"

At the moment, the four gatekeepers scolded one after another. Ye Chen looked at them with a disdainful radian in his mouth.

Looking at the four angry and angry gatekeepers, ye Chen disdains a smile.

"In this case, you will have a good look. Can I take Junmo away from your nine humble doors today?"

Ye Chen cold voice said, the next moment directly across the four gatekeepers, came to the nine cold gate in front of the mountain, and kicked up.

"Boom

The gate of jiuhanmen is kicked open by Ye Chen directly, and at the moment, the inner part of jiuhanmen is also shaking.

For so many years, how dare anyone dare to make trouble in jiuhanmen, which makes everyone in jiuhanmen furious."Where the maniac, dare to move my nine Cold Mountain Gate, looking for death!"

Chapter 3800

"It's been a long time since I've seen him. I haven't been afraid to give it to me."

"Let me come, I will suppress him under my Tianhan peak, let him suffer from forest cold forever!"

At this moment, one after another roars, the fierce and magnificent momentum swept across the sky, and a strong and powerful presence flew up to the gate of jiuhanmen.

Most of these figures are the inner disciples of the nine cold sects, among which there are some talented people. Each of them has extraordinary strength and is very proud at the same time.

However, when these people came to jiuhanmen Mountain Gate, they were shocked to find that the people who dare to kick open the mountain gate are just the existence of the heaven God realm.

"Boy, how dare you dare to go to my nine humble families and be bold!"

"Ha ha, it's really interesting. A boy from heaven's realm dares to kick open the gate of jiuhanmen."

"No, where are those stupid gatekeepers? Even if they are useless, they can't allow others to act recklessly and disrespect me

At the moment, someone found the problem. They could not help looking at the gate of the mountain. However, they saw the young people lying on the ground in confusion. It seemed that they had been seriously hurt.

For a moment, these people looked at Ye Chen in disbelief. There was no one else here, but ye Chen was alone. Just what do you think, ye Chen, the boy of tianshenjing, could not have knocked down all the gatekeepers of Tianjing.

Therefore, these talented disciples of the nine cold sect all hesitated to guess what had happened. Could it be that there were still some people hiding in the dark that they had not discovered?

At this time, ye Chen saw the expression of these people, could not help but show a playful smile, looked at them and said in a loud voice: "everybody, don't look, these four rude guys are my downfall."

Hearing this, a beautiful woman with graceful figure and long hair fluttering among the talented disciples of the nine cold sect is beautiful. She looks at Ye Chen and asks, "Oh? You are not only heaven and God, but also can defeat these gatekeepers? "

"Of course, I'm the chief disciple of liudaozong. How can I do without some skills?"

Ye Chen chuckled indifferently, then began to say: "everybody, my next name is Ye Chen. I came to visit the Jiuhan gate on this trip, but I don't want some of the gatekeepers of your sect to be rude and even speak ill of me. So I can't help but deal with them. Don't you care?"

Hearing this, many talented disciples could not help but feel cold. Ye Chen seemed to speak well, but in fact he did not pay attention to them.

After all, ye Chen beat the gatekeeper and kicked open the gate of jiuhanmen, which is totally provocative.

"Ha ha, it doesn't matter, but we are very curious. What's the matter with elder martial brother Ye Chen coming to my nine cold school."

At the moment, the beautiful woman looked at Ye Chen with an indifferent smile, but her eyes were full of profundity and asked.

Seeing this, originally dissatisfied with Ye Chen, ready to speak out and scold the person also closed his mouth.

This beautiful woman is named Yu Ziling. Among many disciples of Jiuhan sect, her strength is also in the forefront. What's more, Yu Ziling is naturally intelligent. There must be a reason for her initiative to speak at this moment.

What's more, they are also curious about what ye Chen did in jiuhanmen. Although Ye Chen is only the existence of the heaven and God realm, he is the chief disciple of the six schools.

Liudaozong has long lost its former prestige. Now he dares to come to jiuhanmen with such arrogance. I don't know what he wants to do.

But at this moment, ye Chen heard Yu Ziling's words, but she said with a smile: "I come here to see you, just to take a person to leave."

"Oh?"

Hearing this, Yu Ziling's eyes flashed, then showed a playful smile, looked at Ye Chen and said, "I don't know who ye Chen senior brother wants to take away?"

Yu Ziling had already guessed in her heart at the moment. She had heard of Ye Chen's reputation not long ago. She heard that fengyusi, the most favored daughter of Zhenyuan palace, had defeated fengyusi. She also said that fengyusi was only worthy of being his maid, which could be said to be extremely arrogant.

Of course, these news should not be introduced to Yu Ziling's ears. After all, Yang Tianyang, the head of the Zhenyuan hall, had already ordered the whole South holy city at that time. Anyone who dared to disclose it would pursue the other party to the ends of the earth.

But there is no airtight wall in this world. What's more, Yu Ziling is intelligent and has his own information channel. So he knows a lot about ye Chen.

Therefore, Yu Ziling knows that ye Chen can defeat Feng Yusi, and he must have great strength. According to the rumor, ye Chen has a good relationship with Junmo in the southern holy city. Now Junmo is supposed to come to jiuhanmen by the elder Taishang. I'm afraid Ye Chen is here for Junmo.

And all this is not out of Yu Ziling's expectation. At the moment, ye Chen looks at her and says: "I come here for the sake of a good friend of mine. His name is Junmo."

"Junmo?"

At the moment, in addition to Yu Ziling and other people who have guessed the clue are not too surprised, most of the inner disciples are slightly changed, looking at Ye Chen in surprise.

Everyone knows that this Junmo is the one that the elder of the Supreme Master Ying Xiangyun is after. Ying Xiangyun is a surly and moody person. At the same time, he likes to study strange physique, so he can't let go of the people he is after. Ye Chen now goes to Jiuhangmen to take Junmo away. He is totally against the elder Taishang. Even if Ye Chen's strength is good, he must be hard to shake in the face of the supreme elder Ying Xiangyun. This trip is all about seeking death!

Because of this, Yu Ziling guessed the purpose of Ye Chen's trip, but he was more curious and watched Ye Chen's beautiful eyes flow.

"Elder martial brother Ye Chen, you should know who this Junmo is after. I'm very curious. What confidence do you have to dare to come to my nine humble families?"

Yu Ziling looked at Ye Chen and couldn't help speaking.

"Confidence? I don't need to know if I'm in danger

The corner of Ye Chen's mouth draws up a cold radian, and the next moment he looks at the numerous talented disciples of the nine cold gate and directly opens his mouth.

"Everybody, I don't want to start with you, or tell me where Jun Mo is and let me take him away. It's not beautiful that we are in peace."

"Joke!"

As soon as Ye Chen said this, many talented disciples sneered. Ye Chen really regarded himself as the root of spring onion. He was so arrogant that he dared to make trouble in the nine cold sects. He was so arrogant that he was lawless.

"Ye Chen, don't say that we don't know where Junmo is. Even if we do, we can't tell you!"

At the moment, a talented disciple said with a sneer.

"Yes, you want peace? I don't have this interest. If you want to take Junmo away, you'd better beat us first! "

"I'd like to see what you are capable of, the chief disciple of the six schools!"
