Chapter 391

The reincarnation of the dragon is so surprising.

He glanced and even found that the tombstones were shaking wildly.

There is a strong suction in the samsara cemetery, which seems to want to absorb this dragon vein.

"Master, do you want me to move this dragon back to the samsara cemetery?"

Ye Chen was surprised.

After all, the dragon vein in front of him is almost integrated with the ground. If he wants to move a dragon vein, his current strength is not enough.

What's more, the Dragon veins are extremely hot, just like magma. If you get a little closer, the body will melt, how can it move?

"Yes, although it is a small dragon vein, it is of great benefit to the spirits of our hundred people. The spirit of the dragon vein can calm the soul."

The voice of the reincarnation cemetery is just like the ancient bell.

Since this dragon vein is of great benefit to the reincarnation cemetery, I will certainly help them to obtain it.

After all, if the graveyard is strong, then you will be strong!

"Master, how can I move?"

Ye Chen Dao.

"You don't have to do it. You just have to watch."

Language falls, that black stone actually blooms out bright light, endless light wrapped that dragon vein!

The whole basement is swept by the strong wind. Ye Chen runs in a hurry. His true Qi stabilizes his figure!

Gradually, the dragon vein was pulled out by a force!

That's amazing!

Ye Chen was a bit stunned.

It's just that the Dragon veins seem to have generated some kind of consciousness and tenacious resistance.

"A little dragon still dares to struggle! Broken

The next second, the black stone even condenses a pair of hundred foot giant hands. The five fingers of the giant hand open, with a strong momentum, clasped the long dragon vein!

That dragon vein originally wanted to burst out a burst of blazing heat, but did not expect a strong force to release, the dragon vein was directly frozen!

The whole underground temperature has dropped to the extreme!

Ye Chen saw this scene, completely shocked! Frozen dragon veins, what means is this!

Is this the real means of reincarnation?

It's too scary.

If you want to know how hot the Dragon veins are, even the practitioners in the dreamland can't bear it!

Ye Chen is so helplessly watching the dragon vein caught by the giant hand in the reincarnation cemetery!

Underground aura suddenly disappeared, but reincarnation cemetery is full of aura to the extreme!

This is a dragon vein!

"This time, a hundred of us are relying on your chance. We are worthy of being chosen by the reincarnation cemetery. It will be very beneficial for you to practice in the samsara cemetery in the future."

The voice sounded again, full of excitement and satisfaction.

"Master, if this dragon vein is deprived, will it affect the vitality of the capital?" Ye Chen has a wonderful way.

The voice sneered and said, "the fortune of the capital? You think too much. This dragon vein doesn't belong to the capital. It was brought here thousands of years ago. If I'm not wrong, this place should have been a clan gate thousands of years ago. The clan gate was not weak. After years of changes, the clan gate was destroyed, the Chinese territory changed, and finally became the present capital city. "

"I am not qualified to plunder those six dragon veins under the land of China."

"I won't talk nonsense with you. When you trigger the tombstone, I'll see you again."

The words fell, and all was silent again.

The black stone also slowly fell on Ye Chen's palm. As long as ye Chen felt it, the black stone could release a very strong dragon Qi.

The blood dragon in his body did not hesitate to drill into the samsara cemetery.

It seems that this dragon vein is really a good thing. I don't know where there is this dragon vein.

The more babies like this, the better.

Ye Chen returned to the main hall and called Lu Lingfeng, ye Lingtian and several strong men from the dark hall and Xuemei hall to hold the first meeting.

Because of the combination of the two forces, the present dark hall is enough to become the first underground force in the capital.

The integration of Lu Lingfeng and ye Lingtian is indispensable.

Ye Chen stood on the platform and threw the ground and said, "from today on, ye Lingtian and Lu Lingfeng have become the two Dharma protectors of the dark hall, in charge of everything in the hall."

"Yes, Lord!"

In their hearts, they knelt down together, their eyes full of loyalty and joy.

In their view, the temple master's arrangement was absolutely positive.

Ye Chen also took out 50 pills and divided them. No matter what, the strength of this group of people is very important to him.

Although he is strong enough now, it is not so easy to face the Jiang family and the Lin family alone.

Sometimes, he needs to borrow.

Finish these things, ye Chen thought of what, from the samsara cemetery took out a pair of patterns, spread out on the table.

This pattern, which he drew yesterday according to his memory, is the tattoo on the necks of two old men behind the ghost prison. A red gate with ancient Sanskrit carved on it.

The most mysterious.

It's like some kind of ancient symbol.

Zeng Tianqi is not dead, but seriously injured.

The forces behind the red gate must be a threat.

He's completely offended some people by destroying the ghost prison.

Anyway, he had to nip the threat in its cradle.

Otherwise, you can't defend yourself.

He had never seen this pattern in Kunlun Xu. It must have been in the dark place of Kunlun Xu or some special connection between Kunlun Xu and Huaxia.

"Have you seen the pattern above?"

All people curiously looked at the above pattern, shook their heads in succession, and were surprised in their eyes.

"Temple master, this should be a door, is it the Red Gate of a courtyard in the capital?"

"This door is so strange that I haven't seen it in my life. If you stare at the Sanskrit on the key door for a long time, it will make people feel uncomfortable..."

All the people are talking about it, that is, there is no answer Ye Chen wants.

Ye Chen added: "I have seen two people with this pattern on their necks. To some extent, they should represent a force, similar to the blood plum in front of the blood plum hall."

It suddenly occurred to everyone, but no one knew the origin of the red gate.

When ye Chen was ready to take back the design, an old man who had been silent in the most corner said, "Lord, I think I have seen this red door you mentioned."

Ye Chen Mou son shrinks, cold voice way: "who!"

The old man explained: "a few years ago, I was assigned a mission to assassinate a man in wudaotai. I accidentally noticed the battle between Lin Juelong and a top strongman in the capital city. In that war, Lin Juelong officially entered the second place in the list of Chinese masters. At that time, the war shocked the martial arts circles in China. I vaguely remember that Lin Juelong's clothes were torn apart. Although it was only a moment, his chest was still torn It's like this tattoo. "

"But I'm not sure. After all, it's too long. Maybe I remember it wrong."

Ye Chen Mou son twinkles to kill the idea, light way: "no matter whether has remembers wrongly, Lin Jue long must die. Do you know where the Lin family is in Beijing? "

Chapter 392

The whereabouts of Lin Jue long is the biggest obstacle for ye Chen at present.

He can't even find the Lin family. How to kill him?

The old man shook his head: "there are five top martial arts families in the capital city. These five families represent the top power and strength of China. The Lin family is one of them. Each family has its own array. It is extremely difficult to find out. However, I heard that the Lin family is in the west of the second ring road of the capital, and Lin Juelong often appears near Hyde Park in the capital city."

This is undoubtedly the best news for ye Chen. He stopped hesitating and said, "ye Lingtian, I'll leave this matter to you. You'll send the strong man of dark hall to watch around Hyde Park 24 hours a day. Once you find the news of Lin Juelong, report it to me immediately."

"Yes, Lord!"

Ye Chen clenched his fist and his eyes twinkled with cold killing intention.

Lin Juelong, you wait for me!

.....

Beijing, Jiangjia.

Jiang Peirong and Jiang Jianfeng pass through an array and come to the door.

Jiang Peirong looked at the plaque on the gate of the Jiang family. She was filled with emotion. Everything had not changed, but her identity was not Jiang's family for a long time.

This place is her mother's home.

Jiang Jianfeng took a look at Jiang Peirong and sighed: "Peirong, let's go. I'll help you talk when I get inside. The old man hasn't lost his breath for so many years, but you are his daughter after all. If you admit your mistake, he will ease up a little bit."

Jiang Peirong nodded, her fists clenched to death, her eyes determined.

She had vowed never to step here again, but for her husband and children, she broke the oath.

No matter what the result is, she will not regret it!

They're going inside!

But soon, Jiang's gatekeeper blocked their way. Two spears pointed at Jiang Peirong and said in a cold voice, "no admittance, no one is allowed to enter."

Jiang Jianfeng was a little angry, and with a wave of his arm, they immediately took a few steps back!

He yelled: "what do you mean? Can't she and I step into Jiang's house? What are you two

The eyes of the two gatekeepers shrunk, but their attitude was still firm: "young master, you can enter, but she can't."

"The master gave us a death order. Please don't be embarrassed."

Jiang Jianfeng snorted coldly: "what death order, you give me to get rid of, I just take her to see the old man, if you dare to block in front of me again, I want to see if you can bear my strength!"

Words fall, Jiang Jianfeng body of the killing machine released, let people palpitation!

The two gatekeepers looked puzzled, but still said, "young master, please don't embarrass us!"

Jiang Jianfeng grabbed Jiang Peirong and went straight inside.

Almost instantaneously, two long swords stabbed Jiang Peirong with a trace of cold light!

The master gave a death order. Jiang Peirong is not allowed to step into Jiang's house. If you violate, kill!

Jiang Jianfeng glanced at the two cold lights lightly. As soon as he stepped on it, a strong air wave was generated, which was smashed towards them!

"Bang!" The two swords broke into pieces.

The two gatekeepers fell behind them and hit the wall.

Jiang Jianfeng didn't lay a heavy hand on him. After all, they were obedient.

Then, he took Jiang Peirong to the inside!

Before walking a few steps, an old woman in a robe appeared not far away, with her hands behind her.

Jiang Jianfeng saw the old woman, and his eyes shrank slightly. Unexpectedly, the old man moved this man out in order to stop them.

The old woman is one of Jiang Jianfeng's masters. Most of his martial arts and strength come from the other side.

"Jianfeng, don't you know the clan rules? What a crime to bring an outsider to the Jiang family! "

The old woman's voice is extremely cold and fierce, even with a trace of true spirit rippling away.

Jiang Jianfeng retreated a few steps, which was no big obstacle.

However, Jiang Peirong is different. She only practiced for one night even though her blood and talent are against the sky.

It's hard to bear the blow of a strong man.

At the moment, she was pale to the extreme.

Jiang Jianfeng is aware of the situation and quickly blocks in front of Jiang Peirong. Jiang Peirong feels better.

"Master, Pei Rong has the blood of the Jiang family. How can she be regarded as an outsider? Please let us go. It's really important for us to find the old man!"

Jiangjianfeng arch hand road.

If you change to someone else, he will kill him, but the old woman in front of him can't do it!

This is deceiving teachers and destroying ancestors!

The old woman did not compromise, still said: "I do not want to repeat my words for the third time. The old man's meaning is very clear. Jiang Peirong is not qualified to enter the Jiang family again. If she insists on doing so again, then I can't be blamed."

Language down, there are three strong Jiang family appeared, standing behind the old woman, killing the opportunity to release. Jiang Jianfeng just wanted to say something, Jiang Peirong said: "second brother, I'll solve my problems myself."

"Peirong..." Jiang Jianfeng's eyes were full of hesitation. He took a look at a building in the distance.

He is sure that there must be an old man standing on the top of the building, who is witnessing all this coldly!

He really can't figure out why the old man must hold on to the things of that year!

Is the fact that blood is thicker than water is not comparable to the future of the family?

At the moment, Jiang Peirong took a step forward and went away under the pressure of the old woman, saying word by word: "please give me a chance, I want to see the old man."

Just then, a bearded man stood up behind the old woman. He took a look at Jiang Peirong and sneered, "Jiang Peirong, where is your backbone? Didn't you say you would never go back to Jiang's? Why are you coming back now

Jiang Peirong takes a look at the man, her eyes shrinking.

She still remembers this man, Jiang Fenghua.

At that time, Jiang Fenghua was also a gifted Jiang family.

However, when her spiritual roots were detected, she suppressed the popularity of this person. She was like a changed person, constantly flattering himself, and even kneeling and licking after her all day long, flattering to the extreme.

Originally thought this person is sincere for her, but did not expect, after she was expelled from the Jiang family, cold words!

It is even very likely that this person disclosed what she and ye Tian were together at that time!

Not only that, a few years ago, this Jiang Fenghua also personally went to Jiangcheng, that arrogant look, let her feel sick!

However, after so many years, they met again.

Seeing that Jiang Peirong did not speak, Jiang Fenghua continued: "Jiang Peirong, you are now an outsider to the Jiang family! If you want to live well, get out! If you appear here, you will dirty the land of the Jiang family

"Your identity is not even as good as a dog I raised by Jiang Fenghua."

The cold words made Jiang Peirong's face more and more embarrassed.

Chapter 393

Jiang Jianfeng stepped out a step and pointed to the river wind and said, "if you talk nonsense again, I will waste you!"

Jiang Fenghua no longer talks. He is still afraid of Jiang Jianfeng.

Jiang Peirong's eyes fell on the old woman and said seriously, "I know the old man inside. He must tell you what I need to pay if I want to step into the Jiang family."

The old woman's eyes slightly narrowed, nodded: "you want to step into the river house, yes, as long as we can bear three moves, we will no longer stop, the old man will wait for you inside."

Jiang Jianfeng was stunned and even said, "master, your three moves are not Peirong. I don't have to carry them! It's a total embarrassment to you

Jiang Jianfeng knows very well that although the old lady is not on the list of Chinese masters, she is absolutely above him in terms of strength.

Jiang Peirong is not sure to be able to hold on!

This is to seek death!

The old woman shook her head. "Of course not me."

Then, she took a look at Jiang Fenghua beside her and said, "Jiang Peirong, the old man has told me that if you want to see him, you can only withstand the three moves of Jiang Fenghua's five successful forces, and you can fight back. Of course, I advise you to leave the Jiang family, which is good for you or for the Jiang family. "

Jiang Peirong took a look at Jiang Fenghua, who was smiling grimly. She stepped out again and arched her hands and said, "teach me

Jiang Jianfeng quickly advised: "Peirong, what are you doing! Don't you know what Jiang Fenghua's trick is! "

However, Jiang Peirong has made up her mind.

Jiang Fenghua sneered: "Jiang Peirong, you asked for it! You have been in place, and I have already crossed a realm, you and I like firefly light and the sun and moon! I'll see how you can take my move. "

The next second, Jiang Fenghua's body rolled up bursts of air waves, the air waves covered, people palpitation.

At the same time, Jiang Fenghua stepped out in three steps, the ground vibrated slightly, and a fist hit Jiang Peirong!

This blow with the sound of whistling, breaking through the air, even a trace of Mars around, extremely frightening!

Jiang Jianfeng felt something was wrong. He was just about to make a move. The old lady had already appeared in front of him, and one hand pressed on his shoulder.

"Jianfeng, don't blame the teacher. The master is the God of the Jiang family. We have to obey his orders."

Jiang Jianfeng was shocked and unable to move.

"Master..."

At the moment, Jiang Peirong no longer hesitates to run the only trace of real Qi in the elixir field, and blows out with one hand.

But there is a big gap between this one and Jiang Fenghua's!

"Bang!"

Two forces collided, Jiang Peirong directly fell out, such as a broken kite, mouth is spitting out a mouthful of blood.

Jiang Jianfeng's face changed and his bondage disappeared. He quickly caught Jiang Peirong and gave him a pill.

He looked at Jiang Peirong's pale face, clenched his fist, staring at Jiang Fenghua, threatening: "Jiang Fenghua, I remember this matter! If you fall on me next time, I will make you regret for life! "

Jiang Fenghua takes a look at Jiang Peirong and snorts coldly. He and the others head for the central building of the Jiang family.

Jiang Peirong has no power of World War I, and they don't need to waste time.

Even the old woman shook her head helplessly and turned away.

I don't know how long it took Jiang Peirong to wake up.

"Second brother, what about them? I can still... " Jiang Peirong's road is difficult.

Jiang Jianfeng's face was a little angry: "you can fart! Take these three pills and take one every day. Take them well. Don't think about it. I'll try to find a way out of Ye Tianzheng's side. "

"Damn it, I don't believe it. I can't take ye Tianzheng back without the help of the Jiang family."

"Second brother, I..."

"Don't talk nonsense, go back now!"

.....

It's 12:30 at noon.

Beijing Normal University, classroom apartment 1002.

Ye Chen just opened the security door, then smell a smell of vegetables, familiar with the feeling, let him sigh with emotion.

Home is where there are parents.

But the teacher's apartment is a little smaller now, his parents have come out, and he doesn't need to live here any more.

He has asked Lu Lingfeng to go to the capital to find the address of the villa. It is estimated that he will move away with his mother in the next few days.

Ye Chen saw the steaming dishes on the table, his eyes were red, and he ate a dish secretly.

At this time, Jiang Peirong laughed and came out: "you are so old, you still steal as a child? Wash your hands and eat. "

Although Jiang Peirong's face is pale and her internal organs are a little uncomfortable, she still pretends to be OK.

She didn't want her children to worry.

Ye Chen laughed and said, "Mom, stealing is actually very delicious. I'm going to..."

When ye Chen raised his head and looked at Jiang Peirong, his voice stopped abruptly. How could he not see that Jiang Peirong suffered internal injuries!

His eyes, a flash of flame, as if ten thousand feet of anger to rush out of the body!

"Mom, where did you go in the morning? What's the matter with your injury? "

Ye Chen forcibly suppressed the inner anger, word by word.

No one knows how angry he is at the moment!

Jiang Peirong's expression was stiff, and she immediately laughed and said, "what's the injury? I don't know what you're talking about. My mother is going to serve you dinner. Today's cooking is all your favorite dishes. I haven't cooked for so many years. I don't know if mother's craftsmanship has deteriorated."

With that, Jiang Peirong was ready to serve dinner.

Ye Chen seized her mother's hand and said in a soft voice, "Mom, I told you that I can cure. I can't see the wound on your body. You deceive others, but you can't cheat me."

Seeing that she couldn't cheat her, Jiang Peirong explained, "isn't Mother practicing? Today, she was possessed by the devil by accident. It's no big deal. Let's have a meal."

Ye Chen clenched his fist. After a few seconds, he loosened and nodded: "OK, have a meal."

Is it the wound of cultivation? Can't he see it?

Ye Chen doesn't want to question his mother, let alone embarrass her!

He took it in silence and honestly accompanied Jiang Peirong to dinner.

But he will find out the cause of his mother's internal injury! No matter who it is, he will let him pay a painful price!

After lunch, she and Jiang Peirong walked around Beijing Normal University.

After that, Jiang Peirong went back to her room to have a rest.

And ye Chen came to the balcony and dialed the phone of dark hall and dragon soul!

"In five minutes, I want to know where my mother went and who she met this morning."

"Yes

Ye Chen leaned against the balcony and lit a cigarette.

There is a trace of blood in the eyes, and the strong breath spreads out.

A blood dragon circled his body.

Ferocious and bloodthirsty.

Time passed, just three minutes, a phone call came.

"She met Jiang Jianfeng, but she hasn't found out where she went."

Chapter 394

Ye Chen hung up the phone and put out the smoke in his hand.

Incomparably quiet.

And this quiet, more like the calm before the storm.

Ye Chen went back to the room, took out the Baicao Ding and refined a bottle of spirit liquid with the best medicinal materials.

For a mother's injury, the spirit liquid is more useful than pills.

Later, he knocked on Jiang Peirong's door with the spirit liquid.

Jiang Peirong opened the door in doubt. As soon as she was about to say something, ye Chen said, "Mom, if you drink this bottle later, your wound will recover immediately. Moreover, if I go out for a while, I may come back later. Don't wait for me to eat in the evening."

"Chen'er, where are you going

Ye Chen smiles, such as the spring breeze: "Mom, someone owes me something, I'll take it back."

Then he turned and left.

Turning the moment, the genial smile is no longer, it is a pair of cold eyes.

Like the God of death in the nine hell.

His appearance is bound to set off a storm.

Jiang Peirong frowned and couldn't figure out what her son was up to.

She closed the door and looked at a bottle of water in her hand.

Will you recover immediately after drinking?

This is too much exaggeration.

She used to be the eldest lady of the Jiang family. What kind of treasure have you never seen?

If only there were such magical things in the world.

She shook her head, put Ye Chen's things on the head of the bed and continued to practice.

However, because of the heavy injury, her Qi and blood were not unobstructed due to the operation of her skills. Several times, she vomited blood, which was stifled back by her.

Several attempts failed.

All of a sudden, she noticed the bottle of liquid at the head of the bed. However, it was Ye Chen's intention. If it was wasted, she would be sorry for ye Chen.

"Think of it as water."

Jiang Peirong took the bottle and unscrewed the cap.

In a flash, a spirit was released! There is a trace of medicine in the aura.

The smell made her happy.

"This is..."

She's a little unbelievable. Her hands are shaking!

Chen'er gave her this bottle of things, exactly what is it?

Medicine?

She didn't think much about it any more. After drinking two mouthfuls of Gulu Gulu, the spirit liquid suddenly penetrated into her body!

A stream of energy was pounding in her body.

Her injured viscera as if a breeze blowing, completely restored to the original state.

"This..."

Jiang Peirong set off a storm in her heart, staring at the things in her hand.

Even if she doesn't understand, she knows that this is the baby in the baby!

Her body was completely repaired!

Not only that, she felt that her body was a little younger!

Even his face is young!

Everything seems to be back more than ten years ago!

It's terrible!

Key Chen son how can have this kind of treasure!

At this moment, Jiang Peirong really found that she despised Ye Chen.

"Where did chen'er go in these five years?"

.....

The top floor of Beijing Tianyin building.

Jiang Jianfeng sat on the edge of the attic and drank wine.

What happened today made him extremely angry!

After sending Jiang Peirong back, he found Jiang Fenghua in spite of his anger!

Just ready to start, but the old man appeared, gave a death order, let him no longer move Jiang Fenghua.

He didn't dare to listen to the old man's orders!

Jiang Fenghua is equal to an extra gold medal!

"Grass!"

Jiang Jianfeng directly smashed the wine bottle in his hand on the ground and broke it. The liquor splashed everywhere!

At this time, a dark shadow appeared. Jiang Jianfeng's eyes coagulated and his palm moved toward the shadow. When he saw the man in front of him, he stopped in the air, and his expression was extremely surprised: "Ye Chen? Why are you here? "

At the moment, ye Chen's expression is Sen Han, without any nonsense: "take me to Jiang's house."

Just five words, actually let Jiang Jianfeng feel a trace of cold cover.

Even with a trace of pressure!

"The boy is so powerful

For a moment, Jiang Jianfeng even felt that if he and ye Chen started at the moment, they would not necessarily win!

How could there be such an idea!

"Take me to Jiang's house."

Ye Chen's indifferent voice rings again!

What did Jiang Jianfeng think of and said in surprise: "did your mother tell you about today's affairs? Jiang Fenghua was given the gold medal by the old man. If you start, you will definitely go to find death."
"

Ye Chen a Zheng, immediately the corner of the mouth outlined a radian: "it seems that the animal who hurt my mother is called Jiang Fenghua."His tone is cold!

Cold to bone marrow!

Only then did Jiang Jianfeng realize that he had made a slip of the tongue, and he would like to have a big mouth!

"Ye Chen, at present, you'd better accompany your mother. It's not easy for you to get together."

Ye Chen overlooks the whole capital from the top floor and says, "if you want me to die, yes, I want to see what the Jiang family looks like. After all, the Jiang family is also the place where my mother grew up. For ordinary people, it's just like a family."

"I just want to have a look. It's necessary for the growth of my martial road."

"If you have a goal, you can be stronger, right?"

Jiang Jianfeng hears Ye Chen's words and looks at Ye Chen's appearance. He seems to be a lot more insipid and not angry.

Is this kid really figured it out?

He knows Ye Chen's temper. If he doesn't take this boy to Jiang's house today, he will never give up!

He thought for a few seconds and sighed: "well, this is the only thing I can help you at the moment. I hope that after you have seen Jiang's family, you can be restrained a little bit. Remember, you can only take a look at it, you can't mess with it! "

"Yes." Ye Chen said with a smile.

.....

Ten minutes later.

Jiang Jianfeng and ye Chen came to a downtown Beijing.

There is an alley downtown. It's very quiet.

Jiang Jianfeng pinched his fingers and pointed on the wall, revealing the array.

They crossed the array of the Jiang family and stepped directly into it.

"This is Jiang family, you..."

Jiang Jianfeng looked at Ye Chen on one side and explained that he suddenly changed his face before he finished speaking!

Because at the moment, the whole body of Ye Chen is twined with rolling evil spirit, and his eyes are red!

This is the precursor of the explosion! Where is the calm just now!

"Ye Chen, don't mess around."

Before he finished speaking, ye Chen stepped out and his body turned into a shadow. With five fingers, he took off the plaque of the Jiang family!

"Bang!"

The next second, the plaque of Jiang family is smashed by Ye Chen! Countless sawdust flying!

At this moment, Jiang Jianfeng was stunned! Sweating all over the body!

The two gatekeepers who responded were also stunned!

They didn't expect that someone would kill the Jiang family, and even destroy the plaque of the Jiang family!

This is the shame of the Jiang family!

It's not a damn thing!

"Looking for death!"

The two spears went directly to Ye Chen's stab, the chill flickered and the spear awn covered!

At the moment of touching Ye Chen, ye Chen's fist suddenly smashed out!

Those two spears are directly broken!

The powerful air wave swept, directly shocked the two people! The air is spitting out a mouthful of blood.

"Jiang Fenghua, get out and die!"

A startling roar rang through the whole Jiang family!

Carrying the surging anger in Ye Chen's heart!

At this moment, the sword is like a dragon.

Chapter 395

Jiang Jianfeng sees Ye Chen unexpectedly to shout so directly, facial expression changes greatly!

This is the Jiang family!

If you don't want to destroy the plaque, don't you go!

The key is still calling for Jiang Fenghua's life at the door!

Jiang Fenghua, however, was saved from death by the old man!

Who dares to move!

Looking at the whole China, who dares to move!

Is Ye Chen crazy!

What's more, the master has always regarded Ye Chen as a villain of the Jiang family!

Now the evil seed kills the door, the master is angry, ye Chen which still has the life to live!

Jiang Jianfeng no longer hesitated. He rushed up, clasped his five fingers on Ye Chen's shoulder and said solemnly, "Ye Chen, go quickly. I'll hold it for you here! You've made a big mistake! And it's a disaster! "

Ye Chen Yu Guang glanced at the hand on his shoulder and said faintly: "this matter has nothing to do with you, even with the Jiang family. I just want the life of Jiang Fenghua, just."

Ye Chen's words reveal a strong sense of anger.

"If he hurt my mother, he is not entitled to live. That's my principle."

"If you want to destroy my principles, you are my enemy."

Language down, ye Chen's body in a red light!

A blood dragon is circling Ye Chen like this!

Ferocious eyes staring at Jiang Jianfeng!

It seems that as long as Jiang Jianfeng does not let go, it will rush down and devour him!

"It's the empty shadow of the blood dragon again..."

Jiang Jianfeng subconsciously loosened his five fingers and retreated.

The blood dragon was staring at him, which made him feel threatened.

"Ye Chen, don't be impulsive. I'll help Pei Rong recover the palm of Jiang Fenghua. There's a big gap between your strength and the masters of the Jiang family. If the strong men of the Jiang family come out, it will be really troublesome!"

At this time, Jiang Jianfeng noticed something, his face changed greatly, and he called out in a hurry:

"Ye Chen, hurry up! It's too late

Words just fell, a voice of exclamation sounded: "want to go, no chance!"

The next second, more than a dozen figures rushed out!

Old lady! Jiang Fenghua! Jiang Zhenru! And many masters of the Jiang family!

Although the old man didn't come out, Jiang Haishan, the housekeeper of the Jiang family, came out!

To see the river, the sea and the mountain is to see the old man!

You can see the old man's anger!

Everyone's eyes fell on the broken door plaque on the ground.

Take a breath one by one!

How dare someone destroy the plaque of Jiang family!

It's not killing me!

A few seconds later, an invisible fury spread.

Jiang Haishan's eyes fell on Ye Chen's body, her eyes shrunk slightly!

Of course he knows that this is Jiang Peirong's son Ye Chen!

The villain that Jiang family does not allow!

That was born to be the waste of Van Gogh!

"Do you know what you're doing? The old man was very angry when he destroyed the plaque of the Jiang family and seriously injured the strong man of the Jiang family. This anger is beyond your endurance. "

The voice of jianghaishan has a trace of threat!

Even an invisible pressure towards Ye Chen.

Ye Chen snorted coldly: "where is Jiang Fenghua? I just come to ask for his life, that's all."

"If you want to stand in front of him, I'll erase them all."

"Hiss!"

Hearing this sentence, everyone was completely frightened by Ye Chen's tone!

Not only to kill Jiang Fenghua, but also to kill anyone who stands in his way?

That's too damn arrogant.

This is in the capital! In Jiangjia! Who gave him courage!

At this time, Jiang Jianfeng quickly stood out and blocked Ye Chen's body. He said with a smile, "the child is not sensible. Don't blame me. I will take him away."

Jiang Jianfeng just wanted to pull Ye Chen. A cold sword stabbed him and blocked his way.

The old lady saw his master's sword!

"Master..."

The old woman shook her head helplessly: "Jianfeng, Jiang Peirong broke into Jiang's house in the morning. She has been very kind and has let her go."

"In the afternoon, Jiang Peirong's son also broke into the Jiang family. Although I want to let him go, what he has done has made him unable to be merciful. In any case, he will give an account to the Jiang family."

The old woman's voice was higher, more like an order.

Jiang Jianfeng's eyes narrowed slightly and looked at Ye Chen. There was also a long sword in his hand. The old woman pointed to by Jianfeng.

He had no choice.

Ye Chen is Jiang Peirong's only son. What's more, he is optimistic about ye Chen. He can't let him fall in the Jiang family!

He must protect Ye Chen today.

Anyway!

Even after the event, he personally asked the master to punish him! Family law, confinement, he recognized it!

But ye Chen must not have an accident today!

The old woman and all the people were slightly stunned. Unexpectedly, Jiang Jianfeng would shine his sword for an outsider!

Is he crazy!

"Sword edge, do you know what you are doing?" The old woman said coldly.

Jiang Haishan also said: "young master, you are on the wrong team. Don't make mistakes again and again. If you bring Jiang Peirong into the Jiang family today, the old man is already very angry. If you continue to be stubborn, the master will not be able to cope with it. You should know his temper."

Jiang Jianfeng's eyes were extremely dignified. He did not pay attention to everyone, but looked at Ye Chen: "Ye Chen, you go first. Here I block for you."

"Where to go!"

Almost instantaneously, a dozen people were in a circle, surrounding Ye Chen!

As long as ye Chen dares to move, he will die!

Jiang Jianfeng just wanted to move the sword to make a way for ye Chen. A slender hand held his sword.

Hold it tight.

"Uncle, I don't need your help. I remember your feelings. But today, it's Jiang Fenghua and I have a grudge. "

Ye Chen's indifferent voice falls.

Jiang Jianfeng's action is worth calling his uncle.

Presumably, in the morning, Jiang Jianfeng protected his mother like this.

He can tell who is right and who is wrong.

Jiang Jianfeng was stunned when he heard Ye Chen calling out those two words, and his eyes were a little excited.

He looks at Ye Chen's hand holding the sword. Because of the force, the blade of the sword has cut the palm of his hand and has oozed blood.

This represents Ye Chen's determination.

He hesitated for three seconds, and finally drew out his sword and retreated to the back.

"Well, if you can't carry it, I'll do it."

Jiang Jianfeng gives everything to Ye Chen.

He saw strong self-confidence from ye Chen. He thought of the blood dragon on the sky. He was willing to believe Ye Chen once.

At the gate of the Jiang family, only Ye Chen is left.

The meaning of bleakness is covered.

One man is in charge and ten thousand men are not allowed to open.

Ye Chen glanced at all the people, and the voice of cold frost sounded: "who is Jiang Fenghua?"

A strong man of Jiang family couldn't help it any longer, and said with a smile, "you are a villain who really takes himself seriously. If it wasn't for you, the evil and your father, how could such a thing happen?"

Evil seed?

Ye Chen smiles, his smile does not have the slightest temperature!

The next second, in situ into a shadow!

Too fast! It's too fast for everyone to react!

Chapter 396

The gap between separation and separation environment and aerodynamic environment is like heaven and earth! And Canglong's illusory body will show his strength only after the separation and reunion!

All people only feel a strong wind sweeping, when they feel something wrong, ye Chen has appeared in front of the strong man of Jiang family who is talking!

Five fingers as if tearing the air, clasped the man's neck!

"The dragon has scales against it. If you touch it, you will die, and you will die."

That person's eye son stares big, whole body Qi strength surging, just want to move, late!

Ye Chen's real Qi broke out and his neck broke directly! Blood spray, ferocious to the extreme!

A corpse was thrown in front of jianghaishan and the old woman.

Provocation!

Naked provocation!

Who could have thought that ye Chen would have killed a man easily even if he was outnumbered!

Jiang Jianfeng's eyes widened in the distance, just like a sculpture.

This is still Ye Chen that day? The strength is so strong!

Even if it is him, it is impossible to kill people easily under the eyes of so many powerful people?

This boy's growth speed is too fast!

Jiang Jianfeng is really scared!

This boy is only over twenty!

Looking at the whole China, who dares to be such a boy at this age!

Jiang Haishan and the old woman's eyes shrink, and they can see at a glance the strangeness of Ye Chen's body method.

The key is that the body method must rely on strength.

"Who is Jiang Fenghua? I'll ask for the last time. If you don't give me the answer, everyone will die."

Ye Chen's bloodthirsty voice rings out.

There was a red light in his eyes.

Although Jiang Haishan and the old woman made him feel a bit of threat, he was not afraid. If he could not defeat him, he would use the power of that great power.

For mother, it's worth it.

What's more, the broken sky sword means that after his all-out strike, these two people may not be able to block it!

At this time, Jiang Fenghua stood up, and the sword in his hand released a strong breath. He said coldly, "I am Jiang Fenghua. What can you do for me! It seems that the word "evil" touched your glass heart. Isn't it true? "

"Your mother, a bitch, has a bright future. Don't marry a trash and disobey the wishes of the old man and give birth to you! Even if you step into the martial arts road! Your family will only become the laughing stock of martial arts! Change can't change the fact that you are rubbish!

Your blood has defiled the Jiang family! "

The reason why Jiang Fenghua dare to stand up and say this is because he is surrounded by Jiang Haishan and an old woman.

The reason why Ye Chen was successful just now is because of surprise. Now they feel and release!

As long as ye Chen hands on, his head will fall!

What is his fear?

Besides, he was sure that the boy was going to die!

It is an unforgivable crime to destroy the plaque and kill the people of the river family! Jiang Jianfeng can't save him!

Ye Chen's cold eyes fall on Jiang Fenghua's body, eyes are full of bloodthirsty and killing!

He was like a hungry wolf, furious to the extreme.

Step by step, he went to Jiang Fenghua: "kneel down, which hand my mother cut off, I give you the whole body!"

"Otherwise, you don't have a whole body!"

Jiang Fenghua seemed to hear some of the funniest jokes in general, and arrogantly raised his right hand: "it's a pity that I had used ten success forces, maybe one punch would have disabled your mother."

Ye Chen no longer nonsense, a stride, with towering anger, into the arrow to the river Fenghua!

The terrible air wave, only for a moment, was exploded.

More than a dozen strong men of Jiang family directly blocked Jiang Fenghua's body, "boy, look for death!"

The atmosphere in the venue was very cool.

As the voice fell, the air seemed to solidify.

Ye Chen looks at these more than ten people, eyes cold, burning sky palm directly sacrifice!

A flame of virtual palm suddenly formed!

In an instant, the strong wind surging, the air came in bursts of roar, like the explosion of Xuan Lei.

Rolling like the essence of the general air waves, this palm, mercilessly swept away!

Ye Chen is full of flames!

Step into the clutch, coupled with the martial arts left by the ancient power, enough to crush!

At the moment, the whole body of Ye Chen is covered by a flame, with powerful momentum, almost everyone feels palpitation!

The air waves are rolling, and everything is just like the essence. With Ye Chenyi's palm, the world suddenly stops.

At this moment, ye Chen seems to be the embodiment, becoming the core of the whole world.

In the face of such a terrible palm, those strong people of Jiang family were stunned one by one!

What is strength? This is strength!

The power contained in this palm is frightening.

How can they resist such tyranny? Not even the right to hide.

"Bang!"

More than a dozen people turned upside down in an instant, and some even vomited blood on the spot!

Break their ribs, all their hands!

Even the body also inexplicably gushes out the road flame!

How can you be frightened by the evil river!

The sudden blow was like a heavy hammer, which split his heart.

He even subconsciously stepped back! Hiding behind the old woman and the sea!

"Come on, kill this son of a bitch!"

Jiang Haishan and the old woman looked at each other, and their eyes fell on Ye Chen's body: "boy, don't be stubborn. Stop."

"Go away!"

Ye Chen body rushed out, straight take the key of river Fenghua!

Jiang Haishan and the old lady could not sit down any longer, so they hastened to move!

Two palms mixed with bursts of air waves suddenly burst out!

Not only that, there are even two very strong pressure, such as the mountain toward Ye Chen pressure!

Ye Chen sneers, the whole body strength condenses above one point, the double fists burst out suddenly, in a twinkling of an eye, it is to bang on that pressure!

The pressure is gone!

It's like thunder.

At the same time, these two fists didn't stop at all. The real Qi shot out cold light in the fist and directly collided with those two palms!

The whole earth trembled violently as the fists and palms collided.

A substantial air wave burst out in all directions.

Ye Chen retreated a few steps!

But the next second, the body rushed out again!

He doesn't want to love war. Killing Jiang Fenghua is the key! He was defeated in strength by the two top Jiangs, but in terms of speed, crushing!

Canglong's phantom body decided to step out, its momentum was like lightning and its movement was like thunder.

That strange body method, let a person dazzled, prevent carelessly, that extreme speed, let a person be dazzled.

Breaking through the palm shadow of Jiang Haishan and the old woman, ye Chen blinks and comes to Jiang Fenghua's side.

Two people face a change, want to stop Ye Chen, already too late!

Zizizi

Ye Chen has appeared in front of Jiang Fenghua, his body suddenly stops, and the sole of his shoe rubs against the ground, making a sharp and harsh sound.

It is as powerful as Mount Tai.

This moment of Ye Chen, momentum is still climbing to the top.

In the eyes full of shock, ye Chen grabs five fingers, directly clasps Jiang Fenghua's wrist, powerful force bursts out!

The Dragon chants, Jiang Fenghua's arm is broken directly!

Turn into a blood mist!

"Your hand, my Ye Chen wants it!"

Jiang Fenghua watched his arm shatter. He wanted to resist, but he was shocked to find that there was a blood dragon around him! He's not even qualified to move!

The whole gate of Jiang's family spread his heartrending scream!

His hand just broke!

No right hand! How can he practice!

But soon, a cold voice sounded again: "what's it called? It's just the beginning!"

"Click!"

Jiang Fenghua's other arm is also pinched by Ye Chen! Blood mist!

Ye Chen at the moment is the devil in his eyes!

"Are you..."

What does Jiang Fenghua just want to say, ye Chen hits again! It hit him in the stomach!

Almost through! badly mutilated!

Jiang Fenghua flew out, but in the air, a dark shadow fell, and ye Chen's five fingers clasped his neck!

Death spread!

Jiang Haishan and the old woman's face changed, just wanted to move, an old figure came out from inside!

Everyone was stunned, because the old man Jiang came!

The sky of the Jiang family is coming!

Jiang Fenghua seemed to see the Savior, and even said, "master, help me quickly! This is a madman

Mr. Jiang stopped his steps, staring at Ye Chen with his eyes fixed on him. His Majesty was released, and he said in an angry voice, "that's enough! Stop it! Let go of Jiang Fenghua

Ye Chen a meal, the cold eye son swept a glance River old man son, sneer a, strength spurt!

Jiang Fenghua's head was directly taken off by him! The headless body fell to the ground with blood.

Then, a light words fell: "you are what thing! What right prevents me from killing him! "

Chapter 397

At this moment, the whole Jiang family fell into a dead silence.

Everyone's expression is like hell!

Jiang Haishan and the old woman are all confused!

Jiang Jianfeng's eyes are full of horror and horror!

Ye Chen is afraid of breaking the sky this time!

Not only did he kill Jiang Fenghua in front of Mr. Jiang, but he was undoubtedly fighting him in the face!

Jiang Fenghua is the man who won the gold medal.

What is more excessive is what ye Chen just said!

What is master Jiang?

What courage does he have to say!

Mr. Jiang is one of the ten people who have the most say in Chinese martial arts and Taoism!

He is the God of Jiang family!

If you dare to insult Mr. Jiang like this, ye Chen is the only one in the world!

All people at this moment are determined that ye Chen will die today, no matter what!

Jiang Jianfeng's heart sank to the end. He took a look at Jiang's face, which was completely black.

It was a look of anger that he had never seen before.

Mr. Jiang's body trembled slightly, and a murderous spirit spread.

Jiang Laozi's anger is enough to make the Chinese martial road boundary earthquake.

Then Jiang Jianfeng looks at Ye Chen again. At the moment, ye Chen holds Jiang Fenghua's head in his hand and looks at him coldly.

There was no flinch or fear.

Jiang Jianfeng knew that it was impossible for ye Chen to apologize. He took out his mobile phone and sent a short message to Jiang Peirong.

"Come to Jiang's house, something big happened."

After all this, Jiang Jianfeng went to the old man Jiang: "Dad, ye Chen, he..."

The old man Jiang growled in a low and cold voice: "shut up! Did you bring this bastard into the Jiang family? "

Jiang Jianfeng bit his teeth and admitted: "yes! Today's affairs, sword blade alone

Master Jiang snorted coldly: "sword edge, of course you have to bear this matter! You go to kneel down in the ancestral hall for a month, and think about your faults on your face! "

Jiang Jianfeng wanted to continue to say something. With a wave of his arm, a strong force surged away.

Jiang Jianfeng stepped back several steps!

Cultivation is suppressed by a force of oppression! It's hard!

He can't help Ye Chen.

He even knew that ye Chen might not live today.

Although he has the blood of the Jiang family, the old man is not good at stubbornness. Otherwise, he can not live in the river family.

When he was young, the old man didn't know how many top strong men he had killed, and he was famous all over the world!

The degree of ruthlessness, even their own children will not necessarily let go, not to mention Ye Chen.

Ye Chen is the biggest stain of his life in the eyes of the old man. He would like to erase it!

At the moment, Mr. Jiang's eyes fell on Ye Chen's body, complex and gloomy, and said: "you shouldn't have killed Fenghua. You really shouldn't have."

"I don't know where you learned these things, but it doesn't matter to me. No one dares to disobey me. Those who disobey me are dead, and you are no exception."

Ye Chen snorted coldly and threw his head directly to the feet of the old man Jiang.

Ferocious and bloody.

He said, "my parents, no one can move. The river is moving and he is dead. You too. "

"Even if you are high and in charge of everything, in my eyes, it's just passing away. I can't stop me from killing him."

"You should be glad that you didn't hurt my mother, or you would not be qualified to stand and talk to me."

"Besides, I don't want to hear the word" evil seed "from you again

"I Ye Chen had nothing to do with you Jiang family before. Now I am, and I will be."

The voice of Ye Chen falls so faintly.

It blows in everyone's ears.

To all people deeply shocked.

He always held the dragon sword in his hand. He was ready to break the sky at any time. Even if the tombstone was moved, he would not be polite.

New account and old account together!

Hearing Ye Chen's words, everyone was shocked.

There is no doubt about the threat of master Jiang!

Who would have thought that this boy would dare to threaten the old man!

This arrogant tone makes them feel ridiculous.

After a few seconds, Mr. Jiang shook his head helplessly. Looking at Jiang Haishan and the old woman, he said faintly, "don't talk nonsense. Let's do it. Sacrifice Jiang Fenghua with his blood is also an explanation to him."

In the eyes of Mr. Jiang, ye Chen's strength is certainly strong, and even beyond his expectation. If he is not so arrogant, he can change a gentle way.

After all, according to Ye Chen's current development, he will have a certain voice in the Chinese martial arts and Taoism circles in the future.

But at the moment, ye Chen can't be controlled by the Jiang family.

It's better to erase it."Yes

Both Jiang Haishan and the old woman had a sword in their hands.

The spirit of the sword must be extraordinary.

In their eyes, although Ye Chen can resist their fists and palms, if he wants to move his sword, he will never be able to fight back.

Jiang Haishan's wrist trembled and the cold light burst out. The sword in his hand suddenly stabbed out and went straight to Ye Chen.

Seeing the long sword of Jianghaishan cutting through the sky, many people exclaimed.

How many people can be blocked by the sword of Jianghaishan?

They don't think Ye Chen is qualified to block.

Even, at the moment of Jiang Haishan's sword, in the eyes of many people, the situation was doomed.

Ye Chen must die!

The old woman didn't make a move. It would be a joke if they killed a younger generation with swords.

Ye Chen looked at the cold light, and her eyes showed a trace of coldness: "want to kill me? Your sword is not qualified! "

Language falls, the momentum on Ye Chen body became fierce.

At the moment when the sword light swept across the sky, Ye Chen shook his wrist and released his killing opportunity: "broken!"

Hum

Ye Chen's true Qi erupts, and the sword vibrates and glows on the Dragon chopping sword, where endless Qi is gathered!

A strong evil spirit rushed out.

With a sword, the wind blows.

Although this sword is not intended to break the sky sword, its level is not weak. It is a sword technique taught by Luo Yuntian at the beginning.

This set of swordsmanship is extremely exquisite and extremely powerful. With one sword, ye Chen's momentum suddenly rises to an unimaginable height!

The sharp sound of breaking the sky is constantly ringing, and the sword intention of cutting the dragon sword is scattered!

In the twinkling of an eye, the sky is covered with swords, and the strength of rivers, seas and mountains becomes dim and even begins to die out!

"What is this sword technique?"

Jiang Haishan's face changed greatly!

He has enough confidence in his sword technique, but ye Chen's sword is earth shaking and of high grade! He has never seen him in the Chinese martial arts circle!

Jiang Haishan was shocked.

It's a fierce sword spirit. A cold feeling rises in an instant.

The shadow of the sword fell like a rainstorm and swept across all directions.

He couldn't help but stare at the sword shadows sweeping in.

If he was not strong enough, he would surely die under this sword!

"Bang!"

The sword shadow of jianghaishan completely disappeared, and an air wave came!

"Pedaling, pedaling, pedaling!"

He stepped back three steps! Even the clothes were penetrated by sword marks!

With a sword, he was defeated!

At this moment, not only Jiang Jianfeng and the old woman were surprised, but even Mr. Jiang's eyes shrank slightly and flashed a complex emotion.

He underestimated the strength of this evil!

Jiang Haishan's face was not right. He took a look at the old woman and said, "let's do it together. This son's strength is not strong, but his sword skill is terrible!"

The old woman nodded, the next second, the two figures rushed toward Ye Chen!

Chapter 398

Brush brush

A sword cut through the air, tear away, strong breath burst out!

They didn't leave any hands! Straight take ye Chen key!

Just for a moment, the sound of crisp collision, endless ears, all over the sky flashing fire!

Don't be afraid of the sword of the dragon!

He even poured the blood Dragon into it!

At this moment, ye Chen is sweeping the storm, to sweep the entire Jiangjia!

To his surprise, Jiang Haishan and the old woman's strength, if we talk about the realm of cultivation, are even close to the late stage of Lihe realm!

There is a big gap with him!

Even though ye Chen's sword skills are strong, he is also tired in the face of the peak strength of two top-level strong men.

The body is constantly retreating!

Finally, the sharp sound exploded, and suddenly, a red light flew out.

Ye Chen's sword of chopping the Dragon broke free!

Jiang Haishan and the old woman's eyes show a trace of joy, directly toward Ye Chen's neck and heart!

Once stabbed, ye Chen will die!

Jiang Jianfeng's look changed. He just wanted to help Ye Chen, but he was blocked by an old man beside him.

"Don't interfere, young master."

Jiang Jianfeng glared at the old man and said angrily, "Dad, it's too despicable for you to use two experts to deal with Ye Chen. You should be able to see the value of Ye Chen now! Killing him is the loss of Jiang family! Even the loss of Chinese martial arts and Taoism

Master Jiang's eyes shrink. Naturally, he realized the value of Ye Chen. He just wanted to open his mouth and let them stop. A roar shook the earth!

"Sword

I see the sword flying back to Ye Chen's hand.

Instead, the breath on Ye Chen's body completely changed! Even close your eyes!

Jiang Haishan and the old lady feel something wrong, but they don't stop!

The cold light is flying away!

At this time, ye Chen suddenly opened his eyes!

A sense of bloodthirsty spread out!

"Qianlong cuts the sky!"

Roaring through, faintly, a virtual shadow of a blood dragon suddenly darts out, and the sword of chopping dragon turns into swords.

Break everything!

"Boom!"

The place where the sword's meaning reaches, completely explodes, and the sword light soars to the sky in an instant!

This sword swept out, fast to the extreme, like thunder across the sky!

The blood dragon is roaring!

In a flash, the sky was full of sword Qi, and the cold was pressing!

The violent wind is like the howling of evil spirits!

Just at this time, Jiang family array awn flickers, flustered Jiang Peirong rushes in!

Looking at the picture in front of her, her body is stiff!

"Bang!"

When ye Chen's sword falls, the sword in the hands of Jiang Haishan and the old woman turns into Taoist fragments directly!

It's spreading all the time!

Even so, the intention of breaking the sky sword never stops!

Like a dragon running towards two people!

Two people have long been aware of something wrong, just want to block, but found too late!

This sword is extremely aggressive!

"Poof!"

Jianghaishan and the old woman spit out a mouthful of red blood, the breath is weak to the extreme, and it is like a broken kite flying out!

"Bang!"

Two people's bodies heavily hit in front of Mr. Jiang!

The ground is sunken, and it splits in all directions.

At this moment, everyone's expression seems to be completely frozen.

Who would have thought that Jiang Haishan and the old lady were defeated!

Although the strength of these two people is not the strongest in the Jiang family, it is not that ordinary people can shake!

And now, under that evil kind of sword, seriously injured two people!

Jiang Peirong was in the same place, dead and silent, staring at Ye Chen.

She's a little confused about the situation.

The moment she entered the Jiang family, she was shocked!

She saw Jiang Fenghua's ferocious head and body, but also saw her son's own hand to two high-ranking strong with a sword posture of serious injury!

Are these all made by chen'er?

She knows that ye Chen's martial arts strength is good, but she doesn't know that there is such an adverse weather!

At the same time, the gate of the Jiang family was as quiet as the grave in the middle of the night.

All the people stare big eyes, just like sculpture, stupidly in place!

All people look at Ye Chen, only fear!

Even the swords in their hands were shaking!

Is this still a kind of rubbish in the legend? One sword breaks two people!!!

If such Ye Chen are all rubbish, what are they?

They're not even shit!

Ye Chen feels that the real Qi of Dantian disappears completely. He takes back the sword of cutting dragon silently. His cold eyes fall on Jiang Peirong and turns into a trace of warmth. "Mom, why are you here?"

Jiang Peirong didn't know what to say for a while, but she said in a trembling voice: "chen'er, you come to Jiangjia..."

Ye Chen grinned and walked toward Jiang Peirong: "I said, just get back some debts. Now, even the interest and capital are all taken back. Let's go."

With that, he was like a man who was ok, ready to take Jiang Peirong away!

No one dares to stop!

Just as they were about to step into the array, a voice of exclamation rang out: "did I let you go?"

It's Mr. Jiang!

Ye Chen stopped, did not turn around, light way: "you also want to stop me?"

For Mr. Jiang, ye Chen has no chance of winning at the moment, but if the other side really ignores his mother's hands, he will also use his cards.

"If you want to move from Laochen to me, you should turn around and step on me," he said

Countless eyes fall on Mr. Jiang, because the other side's attitude represents the next direction!

If Mr. Jiang wants to kill Ye Chen, naturally, he can do it. The strong men in the Jiang family's deep courtyard have not done so yet!

Even with the strength of master Jiang, ye Chen can not stop it!

Mr. Jiang took a look at Jiang Peirong, and then his eyes fell on the cold and proud back.

A few seconds later, a majestic voice sounded: "Ye Chen, I can let go of the past and forget the past. I can even let your family step into the Jiang family and restore their identity."

At this moment, everyone's expression is frozen! The old man even compromised!

He never compromised!

Is Ye Chen's strength conquered the old man? Let him forget the past!

Jiang Jianfeng clenched his fists, and his blood was boiling. His heart was filled with joy!

Jiang Peirong is also a blank in her brain. She never thought that such a day would come when this dignified father changed his mind?

This is not his style at all!

Before everyone reacted, the old man's voice continued to ring: "but, you have to hand over all your martial arts skills today."

Hearing this, Jiang Peirong and Jiang Jianfeng's smile solidified and their faces turned pale. It turned out that the old man valued not ye Chen, but ye Chen's secret!

Indeed, ye Chen's current strength, can break out such a powerful force, the biggest reason is that against the sky's martial arts!

If this martial art can be obtained by the strong people of the Jiang family, and practice, it will definitely make the strength of the Jiang family to a higher level!

The old man still values interests!

Just then, a burst of laughter came from the cool and proud youth.

The mottled shadow of the tree hit the young man's face, and his mood could not be seen.

Suddenly, the laughter disappeared, and ye Chen said, "I only say three words. First, we don't care about the identity of your Jiang family."

"Second, if you want to investigate, I Ye Chen will accompany you at any time."

"Third, in a month, I will tell you that the Ye family is the real overlord of China!"

"Mom, let's go."

With that, ye Chen took Jiang Peirong's hand and disappeared into the array and disappeared in the sight of all the people in the Jiang family!

Only the people of Jiangjia in petrochemical industry are left!

Chapter 399

Mr. Jiang's face darkened completely.

He has already given Ye Chen and Jiang Peirong to step down, but he didn't expect that the boy didn't know how to look!

Ye family?

Among the top families in China, there is no one surnamed Ye!

Is this boy going to set up a family in Beijing?

The real overlord of China?

With this mother and son?

Crazy people talk about dreams!

Which of the top families in China has a history of thousands of years!

Other people have accumulated thousands of years of information and strength, this boy should be completed in a month?

Arrogant!

It seemed to notice that master Jiang's face was not right. An old man said, "master, ye Chen is so crazy that he even wants to build ye's family in the capital. It's ridiculous! You don't need to use force to wipe it out. "

Mr. Jiang did not speak, and his dignity was released.

This time, he was really angry.

Seeing this, Jiang Jianfeng said in a hurry: "Dad, what ye Chengang just said is just angry words. You don't think about it. How can a top family be built in one month? His words are too grandiose. You give me one day and I will persuade him. He is willing to hand over his martial arts skills!"

Jiang Jianfeng really took Ye Chen down!

Why not cherish such a good opportunity!

Although the old man's request is too much, after all, martial arts is the secret of the warrior, but this is not room for maneuver!

Why should ye Chen be killed with a stick!

Mr. Jiang took a look at Jiang Jianfeng and finally said, "such a arrogant person, I would like to see how he makes the Ye family the overlord of China in a month! Whether he can live for three days is a question! "

"Jianfeng, I'll give you one day. If ye Chen doesn't come to Jiang's house before 5:00 tomorrow afternoon to hand in his martial arts skills and make amends, he will bear the consequences!"

Jiang Jianfeng's face changed slightly and nodded: "Dad, ye Chen will come. You can rest assured."

"Hum!"

Mr. Jiang snorted coldly, waved his sleeves, and went directly to Jiang's house.

.....

Beijing Normal University, classroom apartment.

Jiang Peirong poured a glass of water for ye Chen. She didn't know what to say.

After all, ye Chen shocked her too much.

After thinking for a long time, Jiang Peirong was still concerned: "chen'er, are you hurt?"

Ye Chen shook his head: "Mom, don't worry, those people can't hurt me."

What Jiang Peirong wanted to say, but she didn't say it at last. Seeing that her mother was so hesitant, ye Chen said, "Mom, I gave up the opportunity to enter the Jiang family just now. Will you blame me?"

this is what ye Chen is most worried about. After all, he knows that the Jiang family is of great significance to his mother, and this is no doubt that he broke his mother's desire to go back.

Jiang Peirong sat down on the sofa and said seriously, "chen'er, mother doesn't blame you, but supports you. The Jiang family is really not so important to me. Over the past 20 years, the Jiang family has completely chilled my mother's heart. "

"If the man asked us to go home without strings, I might take it. However, I am wrong. The man has not changed in the past 20 years. In his eyes, there is no flesh and blood relationship, only interests. "

"For a warrior, martial arts and martial arts are the most important. Even if you promise him, your mother won't agree."

When ye Chen heard this, he breathed heavily.

It is estimated that in this world, only mothers can support their children without hesitation.

"Chen'er, what you said just now outside Jiang's house is not that impulsive?" Jiang Peirong decided to wake up her son.

"There is no doubt that you are very powerful in martial arts. But building a top family is not a master. The situation in the capital and even in China's martial arts circle has been stable. The forces of all sides have formed constraints and balance. If you rush out forcefully, you will inevitably encounter the interests of some people, which will only be disadvantageous..."

Jiang Peirong was born in a big family. Although she didn't like to practice, she was very clear about the overall situation.

Ye Chen Mou son tiny MI, word by word serious way: "Mom, I am not joking, a month later you will know. Our family doesn't need the protection of the Jiang family. I want to tell everyone that the Ye family is the top family in Beijing! "

Jiang Peirong is still worried. She has countless puzzles in her heart.

Where does chen'er's martial arts strength come from, where did he go in the five years of his disappearance, and what is the spirit liquid

For the first time, she felt strange to her son in front of her.

Chen'er is too dazzling at the moment.

Ye Chen knows the doubts in his mother's heart, and he will explain everything clearly, but not now.

He put down the water cup in his hand, staring at his mother with dark eyes, and asked, "Mom, what are you going to Jiang's house for today? If I'm not wrong, is it related to Dad, and dad should not have returned to Jiangcheng?"

Hearing this sentence, Jiang Peirong's eyes were wavering. Ye Chen knew he was right.

"Mom, you also know my strength. It's better to rely on ourselves than to ask for the Jiang family. You can tell me where my father went?"

Jiang Peirong clenched her hand tightly and was sweating. After thinking for more than ten seconds, Jiang Peirong bit her teeth and made up her mind to say, "chen'er, I can tell you, but don't act rashly before you are fully prepared! If you will, I will tell you the truth. "

Ye Chen nodded: "I promise."

"Well, actually after coming out of the ghost prison, Lin Juelong appeared. He took your father away and said he wanted to know something from him."

Jiang Peirong's words just fell, the evil spirit of Ye Chen's body covered!

The cold air even cracked the wall behind him!

Lin Juelong!

Lin Juelong again!

At that time, the old account of Yunhu villa had not been settled. I dare to do it this time!

His eyes sparkled with anger! It's frightening!

Aware of her son's anger, Jiang Peirong quickly explained: "chen'er, don't worry. Your father must be of great value to the Lin family. They won't hurt your father rashly. Now the top priority is to know your father's whereabouts!"

Ye Chen fell into meditation, and then took out the phone, called Ye Lingtian in the dark hall, but ye Lingtian's crouching for a day had no news.

Lin Jue long is like evaporation from the world, and never appears again.

Ye Chen was a little agitated and called Lei Shuwei, the dragon soul. He only threw out a sentence: "Lei Shuwei, Lin Juelong has taken my father away. I must know his whereabouts at all costs."

Lei Shuwei at the other end of the phone was stunned. It was the first time he heard Ye Chen's serious tone. He immediately said, "Mr. Ye, the location of the Lin family in China is a secret. I really don't know. But I know one person who knows for sure. "

"Who?" Ye Chen excited way.

"The one. It seems that the top power of China has nothing to do with the martial arts and Taoism circles of China. However, as long as there are some things that need to be recorded in China, the Lin family can not escape. The authority of No.1 can check all the information of Huaxia. If you want to know, you can only go to Zhongnanhai to see him. "

Chapter 400

Ye Chen Mou son slightly shrinks.

Last time, Lin Juelong was also told by him.

If you want to know the location of the Lin family, you have to find that one.

"Lei Shuwei, can you contact that person for me? I want to see him. " Ye Chen decided his mind.

He thought it would not be so easy to see the one, but Lei Shuwei said directly: "Mr. Ye, it's just that the one will see you recently. At 10 o'clock tomorrow morning, there will be a car to pick you up at Beijing Normal University. Do you have time?"

"If Mr. Ye really doesn't have time, it may be delayed for a few weeks."

Ye Chen thought for a few seconds and promised, "OK, tomorrow."

The phone hung up.

Ye Chen didn't have too many accidents when he wanted to see him. The ghost prison was broken. In addition to the incident of Beijing Normal University, there was too much movement and silence, and someone would contact himself.

It's just that he didn't expect to contact that one.

Jiang Peirong saw Ye Chen Hang up the phone. She guessed something vaguely, and said curiously, "is there a whereabouts?"

Ye Chen nodded: "Mom, don't worry, if Lin Juelong dares to move my father, I will certainly make him regret for life!"

Jiang Peirong looked out of the window, lost in thought, and said, "I hope the Lin family didn't target your father. I really can't understand. Your father is just an ordinary person. What should the Lin family know? Why is it your father

Hearing this, ye Chen thought of the black stone in his pocket for the first time.

Reincarnation cemetery, a hundred talents, this is enough for everyone to watch.

And his father gave it to him.

However, according to the information he had along the way, Lin Juelong didn't know the existence of the stone. He was more like looking for other things.

Is there something wrong with the Ye family in Jiangcheng?

What did ye Chen think of and asked his mother, "Mom, do we have genealogy or something like that in our family? Why have I never met my grandparents and other immediate family members? "

Jiang Peirong shook her head: "your grandparents died earlier. As far as I know, that is to say, ordinary people had a little money a few decades ago. As for the rest, I don't know very well."

"Do you think there is something strange about the Ye family in Jiangcheng? Or mystery? What's more, do ye family have ancient books or something like that? "

Jiang Peirong didn't know why Ye Chen asked, but she thought about it for a few minutes. Suddenly, she thought of something and said to Ye Chen, "there are several special places. First, you and your father are not Jiangcheng people at all. Second, your grandparents died together, as if they had agreed, even without any sign. Third, their funeral and ceremony were special. On that day, a group of strangers came. They said that they were going to be buried in the birthplace according to the rules of the Ye family. They talked to your father and showed a letter left by your grandfather. Finally, your father asked them to take away the ashes. "

Ye Chen heard his mother's words and frowned.

He has a faint feeling that the Ye family in Jiangcheng has cheated everyone!

Mother's spiritual roots and blood are against heaven. If father is really the blood and spiritual root of ordinary people, then his blood and talent will be affected.

However, judging from the words of those great powers in the reincarnation cemetery, although his accomplishments are low, they are not any ordinary roots at all, but even more rebellious existence! Even more than mother!

But why didn't my father do anything? Has father been hiding?

It's not right!

The love between father and mother is obstructed by Jiang family. If father really loves mother, he will never hide his strength!

It can be seen that father really does not know everything!

Ye Chen wants to get bigger and bigger. He scratched his hair. Jiang Peirong sees Ye Chen like this and says, "chen'er, don't think about it. You can go down with me to buy some dishes. We'll make something to eat at noon. Mother hasn't tasted your craft yet."

Although she is also worried about ye Tianzheng, she firmly believes that her husband will not have an accident.

Ye Chen put aside the impatience in the heart and nodded: "good."

.....

At the same time, the place of formation, the Lin family, is an antique house.

Ye Tianzheng is trapped here.

However, the Lin family didn't use any bracelets, and even the door was open.

In the eyes of the Lin family, they simply disdain Ye Tianzheng to escape.

Ye Tianzheng naturally tried to escape, but just after he took a few steps, he was hindered by a strong pressure and array power.

The more he ran, the more he hurt!

Even several times hematemesis coma!

In the end, he gave up!

He pinned all his hopes on Ye Chen.

Since ye Chen can rescue him from it, he will naturally find this place!

It's just a matter of time!

After a while, the door was pushed open and Lin Juelong appeared in the room.

His body exudes a strong breath, once close to Ye Tianzheng, ye Tianzheng feels shortness of breath, very uncomfortable. Lin Juelong came to the window. As soon as he stretched out his arm, a gray bird fell into his palm.

He didn't look at Ye Tianzheng, but said faintly, "do you think you look like this bird? No freedom. I'm stuck in the palm of my Lin family? "

Ye Tianzheng snorted coldly and did not speak.

Lin Juelong continued: "our Lin family can control the lives of most people in China. Ye Tianzheng is no exception, Jiang Peirong is no exception, and even the old man of Jiang family is the same, as long as we want to."

"In my opinion, you are not even as good as this bird. If you don't, it may be the end of it."

The next second, Lin Jue Long's arm pinches, and the struggling bird becomes a blood mist.

Lin Juelong reached out his bloody hand, looked at it, and immediately sneered: "Ye Tianzheng, I asked for the last time. Did your father explain anything to you before he died! Or give you something! If you don't say it, you will end up in the same way! There is a limit to my patience! "
