

Physician 3911

Chapter 3911

At the moment, in addition to their own people, all the people in the major sects also looked up at the thunder robbery on the sky. They wanted to see the scene of Ye Chen crossing the robbery.

In this regard, the arbitrary Cang frowned. He was very clear about ye Chen's potential and talent. The more famous Ye Chen was, the more dangerous it would be for ye Chen.

Therefore, arbitrariness Cang wanted to stop these people from watching, but before he had a chance to speak, he saw Ye Chen's figure rising directly from the huangquan peak in the sky, straight for the thunder.

Seeing this scene, the people of liudaozong are not surprised, showing helpless expression one by one, while the people of other forces are staring at each other.

"What is he going to do? Do you want to die? "

"There are people who take the initiative to find the trouble of thunder robbery. It's really killing me!"

"Is he not afraid of the riot?"

At the moment, they are not afraid of the thunder.

At the next moment, everyone saw that the momentum was powerful and incomparable. It seemed that the terrible thunder robbery was going to destroy the world, and it was shaking continuously.

A series of terrible energy rushed out from the thunder robbery, as if there was a world shaking war broke out in the thunder robbery, and the thunder robbery was all in pieces.

After a while, the thunder robbery suddenly broke. Everyone saw that ye Chen was magnificent, like the Supreme Master, controlling the powerful existence of thunder. His eyes were coldly revealed from the scattered clouds, and then his body flashed and disappeared.

Ye Chendu robbed all the thunder robberies to pieces. This scene shocked all the sects on the scene. They had never seen such a person against the sky.

However, Wu Duan Cang could not help shaking his head when he looked at the expression of the people of each sect. He also wanted Ye Chen to keep a low profile. As a result, he could not wait for him to speak. Ye Chen has shocked everyone once again.

At this moment, ye Chen breaks through to the holy ancestral realm and has returned to the palace of the yellow spring.

After the breakthrough, ye Chen looks at the rippling water of the yellow spring, but a figure appears in his mind, which is Su Yunyan.

It's almost time!

Immediately, ye Chen looked at Liu yunmiao. He was very resolute in his work and told him, "I have something to do. I'll go out for a visit. If the Lord asks, you can say I'll go to find an old friend."

Having said that, ye Chen does not wait for Liu yunmiao to react to come over, the body shape flashes, directly rushes into the sky and rises.

Ye Chen didn't want to let too many people know his whereabouts, so when he left liudaozong, he deliberately concealed his own breath and whereabouts. The forces of the six sects who came to congratulate him were not aware of it.

When he arrived at the safe place, ye Chen carried his hands behind him and said faintly, "come out."

Void wave, xiaorou a face unhappy appearance!

"You have so many things to do!"

Ye Chen didn't talk nonsense, and said directly, "turn into the real body, let's go!"

Small soft white one eye Ye Chen, originally want to refute, but think of the mansion Lord's account, still cold hum a: "know!"

.....

Moon soul realm, Xuantian city.

Xuantian city is the city where the first-class Star Moon Palace is located. In the past few days, Xuantian city is more lively than before. Almost every family is decorated with lanterns and jubilant.

Even the Sheng Zong assembly is not as lively and meaningful as it is at the moment.

Like many first and second-class forces, Xingyue palace did not participate in the Shengzong meeting. However, it did not pay much attention to the Shengzong meeting. Naturally, it did not know what ye Chen and liudaozong did.

Because these days, there are more important things to do!

The value of this matter is far higher than that of Shengzong!

The Star Moon Palace in the city is immersed in a joyful atmosphere. All the disciples of the Star Moon Palace are smiling on their faces. Even in their looks, they all have a lingering pride.

In the sky, from time to time, there are some majestic escape lights falling, and even, there is no lack of magnificent flying boats.

People in Xuantian city know that most of these people come from the first-class forces in the moon soul realm, and they come here to send gifts to Xingyue palace!

Tomorrow is the wedding day of Su Yun, the saint of Xingyue palace!

If in the ordinary times, the saints of the Star Moon Palace get married, those who stand at the top of the moon soul realm will not be so influential. They can only send their disciples to come.

After all, although the Star Moon Palace is a first-class force, it can only be regarded as a medium-sized force. Even after a thousand years, it is very likely to fall into the ranks of the first-class forces!

But this time, the leaders of the first-class forces who did not participate in the Shengzong meeting came to Xuantian city!

The reason is very simple, because, after the marriage of Su Yunyan, Xingyue palace will rise!

The Star Moon Palace may even take advantage of this opportunity to become the most powerful sect in the moon soul domain, which is enough to change the pattern of the whole moon soul domain!

And why?

Because, this time and Su Yunyan's marriage, it is the Holy Son of biyuanzong in Yangzhen region, situ Feng! Although biyuanzong is only an eighth class force in the Yangzhen region, it can even be said to be extremely humble, but for the moon soul domain, it is an absolute giant!

There is no one who is willing to provoke the Biyuan sect easily.

Most importantly, it is said that the son of biyuanzong, situ Feng, fell in love with Su Yunyan at first sight. In order to marry Su Yunyan, he even agreed to the request of alliance between nanfengyin, the master of Xingyue palace, and biyuanzong!

Naturally, this alliance is not equal to each other. Even in order to form an alliance with biyuanzong, Xingyue palace has to hand in a huge amount of martial arts resources every year!

What about biyuanzong?

Basically do not need to do anything, it seems, but the Moon Palace lost!

But!

In fact, it is not the case. The palace of stars and moon has made a lot of money!

Because after the son and daughter of the two families got married, biyuanzong had the reason to extend his hand to the moon soul domain!

With the name of biyuanzong, Xingyue palace can compete for resources in the moon soul domain without any scruples. Just don't go too far. No one will choose to fight against biyuanzong for some resources.

.....

On the barren land, a bloody figure was moving forward rapidly. Suddenly, he stopped in the air and looked behind him.

I saw, the horizon, a blue purple light flash, the next moment, in front of it, suddenly appeared a huge purple Phoenix!

The purple Phoenix coldly looked at this person, in the eyes, seemed to take infinite resentment.

On Zifeng's back, a young man with a look of indifference sat on his back and said with a smile, "Shenglong, come up."

This bloody figure is Xu Shenglong!

After he left the dark area, he returned to his original appearance. After his blood advanced, his changed human form turned into a red haired young man!

When Xu Shenglong saw Ye Chen, he said happily, "brother Ye!"

When he moved, he fell on the back of the purple Phoenix. With the blue and purple light, the two figures appeared in the horizon.

.....

Chapter 3912

.....

Star Moon Palace.

In an attic, the strong fragrance of tea wafts out. A woman in a white dress is making tea.

The woman's temperament is a little cold, but at the moment, her face is full of flattery.

It's nanfengyin, the master of Xingyue palace.

In front of nanfengyin, there are two men.

One of them was dressed in a robe. He was very handsome. He was the son of biyuanzong, situfeng!

And sitting next to him was an old man with white hair and a long beard over his chest.

Situfeng held up his tea cup, tasted a mouthful of Lingcha, and said to Nanfeng Yin faintly, "Nangong master, there is no problem with Yunyan?"

Nanfengyin quickly said with a smile: "master situ, tomorrow is the day when you and Yunyan get married. How can there be any problem?"

Situfeng gazed at Nanfeng and said, "is it? Why didn't Yunyan come to see me once? "

When Nan Fengyin heard the speech, she looked embarrassed. She managed to smile and said, "it's just a custom. It's better for a woman not to meet her husband before marriage. However, if you want to see Yunyan, I will bring her here... "

Then he would get up.

Situ Feng lightly waved his hand and said: "no, girls are shy, I understand."

Nanfengyin slightly relieved and sat down again.

But as soon as she sat down, situfeng said again, "I believe Nangong Lord. After all, if there is something wrong with this wedding and it sweeps my biyuanzong's face, what will be the consequences? Nangong master should be very clear, isn't he?"

When Nanfeng Yin, who was slightly relieved, felt tense. Her cold sweat came out in an instant. Her beautiful eyes looked at situ Feng with trembling eyes. Just thinking about the price that Xingyue palace would pay if the wedding was not successful, she would almost faint directly!

With a smile, situ Feng took out a handkerchief and slowly put out his hand to wipe the sweat on nanfengyin's forehead. However, the master of the Star Moon Palace, at the moment, was like a frightened deer, motionless, and his shoulder trembled slightly.

Situfeng gazed at nanfengyin and wiped it carefully. The handkerchief slid down nanfengyin's cheek and touched the slender jade neck. He whispered: "Nangong master, you have sweated a lot. Are you uncomfortable?"

Nanfengyin opens her mouth and seems to want to speak, but situ Feng's handkerchief is still going down. The heart of nanfengyin is tight, and even her breath stops!

Situ Feng's handkerchief has not entered the neckline of nanfengyin, touching her chest!

But at this time, situ Feng took back his hand with a smile: "if you feel uncomfortable, the south palace master, go back first. Tomorrow is my wedding day with Yunyan, and there are many things that need to be handled by the palace master."

Nanfengyin breathed heavily and was silent for a moment. Then she stood up and said, "I see, master situ. "

After that, she walked towards the door with some haste.

As soon as she left the attic, the complexion of Nanfeng voice turned into a gloomy one

Nanfengyin is very happy to get married with biyuanzong, but biyuanzong's reputation in Yangzhen area is not very good

What biyuanzong is good at is the skill of yin and Yang collecting and tonifying. What happened just now is the warning given by situ Feng to himself!

If he can't get Su Yunyan, her fate may be more miserable than the star moon palace!

.....

Situfeng was drinking Lingcha, and suddenly asked the old man beside him: "Mu Lao, are you sure you read it correctly? Does Su Yunyan really have the blood of Tianhu

The old man with white hair nodded his head and said, "I met a woman with the blood of Tian Hu hundreds of thousands of years ago. Her breath is very similar to that of Su Yunyan. Now Su Yunyan's Tianhu blood has not yet been fully awakened. If we can absorb part of the blood power of her through the double cultivation method, it will be of great help to the young master to cultivate his own skills, Break through the shackles at one stroke

The evil light in situ Feng's eyes flashed: "ridiculous, this Nanfeng voice still wants to use the power of biyuanzong to rise in the moon soul domain? For this reason, I also sent this woman who has the blood of Tianhu to my young master. Ha ha, let her taste some sweetness first. In the future, the Star Moon Palace will only be the vassal puppet of Biyuan clan. "

.....

Nan Fengyin came to an elegant wing room. Her face was like frost. She pushed the door open and walked in.

In the room, sitting a beautiful woman, it is Su Yunyan.

But, in the past incomparably bright, full of vitality girl, now is pretty pale, beautiful eyes dim, like a dying flower, heartbreaking.

When Nan Fengyin saw Su Yunyan's appearance, she said with a sneer: "Yunyan, you are going to marry master situ. Why are you still like this! You look like this, which man will like you

Su Yunyan raised his head slowly, looked at Nanfeng Yin and said, "Lord, do you know that biyuanzong is an evil school based on the art of tonifying?"

How to fill the tone of Nanfeng school! Mr. situ married you in the right way. He has not even touched you up to now. It can be seen that you are really dissatisfied with what you have! Don't forget how you promised meSu Yunyan lowered his head again and stopped speaking.

Nan Fengyin looked at Su Yunyan's appearance, and Yin Han said with a smile: "you won't be dreaming, that ye Chen will come back to save you according to his promise? Hehe, Yunyan, don't be silly. Even if you give him a hundred guts, he will never dare to provoke biyuanzong.

Don't say that Mu is always a strong man in the real world. Even Mr. situ exists in the world half step by step? What can be changed? "

Su Yunyan did not answer, beautiful eyes drooping, do not know what to think.

Nan Fengyin's eyes grew colder and fiercer and said, "you said you would postpone the marriage date. I'm not depending on you? And now? what's happening? Is that boy here? In the end, isn't it a villain breaking the contract?

Yunyan, you are still too simple. Master situ doesn't know how many times better than that boy. Why do you feel so depressed? "

Su Yunyan smelled the speech, her eyes finally fluctuated. She looked at Nanfeng without expression and said, "Ye Chen has not broken the contract, let alone a villain. The period of March has not arrived yet."

Nanfeng Yin laughed sarcastically and said, "ha ha ha ha, is it not breaking the contract? Tomorrow's the wedding. You mean, he's going to grab it? For ridiculous promises? Stop dreaming!

Su Yunyan, I tell you, tomorrow, you'd better marry master situ for me, otherwise, not only me, but also the whole Xingyue palace, including your grandfather, will be very miserable and miserable by you! "

After that, she did not go to see Su Yunyan any more. She turned around and slammed the door!

Su Yunyan sighed and murmured: "Ye Chen, when I started, you promised to let me be myself. Will you really appear tomorrow?"

Although she wanted to believe Ye Chen, she knew that even if ye Chen appeared, it would be too difficult to stop the wedding

Ye Chen, who was not even the opponent of nanfengyin, how could he defeat the legendary strong man of heaven and earth in just three months?

Chapter 3913

.....

Three figures, fell outside Xuantian City, two men and a woman.

It is Ye Chen, Xu Shenglong, and Xiao rou.

As soon as they entered the city, they found the different atmosphere of Xuantian city. Every shop had red decoration on their plaques, and the whole street was filled with festive atmosphere.

Ye Chen sees this scene, look is gloomy however.

Xiaorou glanced at Ye Chen and said: "ye Shitian, as a heaven and earth being in the dark region, I have taken a lot of risks when I enter the Ming region rashly. You can solve your problems by yourself, and I can't do it in the Ming region."

Ye Chen smelled the speech and said faintly, "there are many kinds of snakes in the Ming region that are not found in the dark region. You can try them."

"You Xiaorou hate to stare at Ye Chen one eye, cold hum a, then turn a head to walk toward a restaurant in the city.

She knew that she would be back in the dark before long, so she had to eat out and go back.

Ye Chen didn't care. He asked the owner of a shop at will: "boss, why is this atmosphere in Xuantian city?"

The boss said with a smile: "is this young master just come to our Xuantian city? You don't know, recently, a big event happened in Xuantian city that shocked the whole moon soul domain! This matter can surpass the recent Sheng Zong assembly!

Su Yunyan, the saint of Xingyue palace, is going to marry his son situfeng of biyuanzong in Yangzhen region tomorrow! Now, some of the leaders of the major forces in the yuehun region who did not participate in the Shengzong meeting have come to our Xuantian city to attend the wedding ceremony tomorrow!

Those disciples of the great gate sect are lavish in their money. We have made a lot of money in the past few days. In order to congratulate the two newcomers, we have also put on some auspicious decorations. "

Ye Chen smell speech, but light way: "boss, you these decorations, can take down."

The boss slightly a Leng way: "childe this, what is the meaning?"

Ye Chen walked forward and said, "this wedding can't be done, but it's possible to have a funeral."

The boss hears the speech, the complexion changes slightly, looks at Ye Chen to leave the figure, does not know why actually is feels, its body back carries the corpse mountain blood sea!

Xu Shenglong said: "brother ye, now, shall we go to Xingyue palace?"

Ye Chen shook his head and said with a smile, "isn't the wedding tomorrow? We went ahead of time, didn't we spoil everyone's interest? "

Xu Shenglong is worried: "elder brother ye, it's late. Will Miss Su be in danger?"

In Ye Chen's eyes, the coldness was even more abundant. He said, "don't worry, when I enter the city, I have released my mind to explore. Yunyan is OK."

Once Su Yunyan helped himself, he Ye Chen would never let Su Yunyan fall into the hands of the devil!

.....

In the Star Moon Palace, situ Feng and Mu Lao are sitting in the attic drinking tea.

But at this time, Mu old eyebrow is suddenly a tight, eyes also flash a trace of doubt color.

Situ Feng asked: "Mu Lao, what's wrong with you?"

After a moment's silence, Mu Lao shook his head and said, "nothing. Just now, I seem to feel some dangerous breath The feeling was as like as two peas on the top of my head when I was caught up in the old beast.

However, after I released my mind, I couldn't notice anything... "

Situfeng was playing with his tea cup and said with a smile: "it should be just the illusion of Mu Lao. In the vicinity of Xingyue palace, where can Mu Lao feel dangerous?"

However, the aura here is too thin, which makes me quite uncomfortable. Fortunately, after tomorrow, we will be able to return to biyuanzong. "

Mu old nodded, but his eyes are slightly flashing, I do not know what to think.

.....

On this day, there was an endless stream of escapist light falling into Xuantian city. On the street, there were many dignified martial artists walking towards the Xingyue palace.

Those who can be received in advance by the Star Moon Palace and live in the palace are only those big powers in the moon soul domain and some strong people who have been famous for a long time. As for others, they can only enter the palace on the wedding day.

Yes, today is the big wedding day for Su Yunyan and Situ Feng to become a couple!

Hung full of red silk in the main hall of the Star Moon Palace, two men look a little embarrassed to sit in a corner.

The two men have seven or eight similar looks. One of them is a young man in a brocade robe with a thin face. Zhang Changqing, the son of the head of Wuji sect, who was slapped by Jin Shuhui, is a young man!

And the middle-aged man sitting next to him, of course, is Wu Jimen who advocates Zhiyang.

Zhang Zhiyang's whole body breath is surging, faintly with a strong Dao rhyme, so that the whole body law, are slightly distorted, this is the atmosphere of heaven and earth!

Originally, Zhang Zhiyang should be proud and proud of himself. But now, he keeps pouring wine for himself and looks at the guests with a gloomy look on his face!

Zhang Changqing, who had always been so arrogant, had to look very careful when he saw his father's look like this. He sat beside Zhang Zhiyang and did not dare to breathe. All of a sudden, Zhang Zhiyang gave Zhang Changqing a fright at his own wine cup. Zhang Zhiyang stares at Zhang Changqing and says: "you're a loser. It's a good time for us to make a breakthrough for our father. But you're so good as to die and offend the Star Moon Palace?"

This Star Moon Palace has gained momentum now. I'm afraid it will be the first one to open my Wuji gate? If you can't practice martial arts, you don't even have a brain? If you were not my own son, I would have patted you into meat mud

Zhang Changqing was shocked by his father's words and said with a bitter face: "Dad, I know my mistake. I really know my mistake. As long as I can save the situation and let me kowtow to nanfengyin, I will do it too!"

Zhang Zhiyang snorted coldly, and his eyes flashed: "kneel down? Kneeling is useful. Being a father has already made you kneel! Xingyue palace is supported by biyuanzong. Except for those who have certain relationship in Yangzhen region, I'm afraid no force can shake its position. Only a ninth class sect in Yangzhen area can be connected with Wuji sect. There is a big gap between them... "

Zhang Changqing said: "what can I do? Is our Wuji gate in a dead end... "

He was used to living a life of glory and wealth. Naturally, he could not imagine what kind of life he would live if he was reduced to an ordinary warrior.

Zhang Zhiyang sighed: "I have brought half of the accumulation in wujimen. As a gift for Su Yunyan's wedding to master situ, I hope that I can impress Mr. situ..."

His eyes flashed slightly: "if you can become a vassal of biyuanzong, it would be a blessing in disguise."

He is very clear, wujimen want to avoid this robbery, need to please not nanfengyin, but this situfeng!

At this time, several figures appeared outside the door, the head of a middle-aged man, breath incomparably strong, dressed in a gold robe, full of golden hair.

It's Huang Rushan of Jiusheng demon clan!

Chapter 3914

A lot of people were attracted to Huangshan.

"Is this Huang Rushan of the nine saints demon sect? What a terrible momentum. "

"Why, Huang Rushan is advanced

"It is said that the nine saints demon sect also has a certain background in the Yangzhen region. Even if the Xingyue palace is supported by Biyuan sect, it may not dare to attack the nine saints demon sect?"

"You see, why is there a human woman beside Huang Rushan? And How beautiful you are

For a moment, people looked at the woman one after another.

A girl with cold temperament, dressed in white and like a man of heaven, is quietly following Huang Rushan and several demon geniuses into the hall.

Zhang Changqing low voice exclaimed a way: "unexpectedly is she?"

Zhang Zhiyang glanced at him and said, "do you know this woman?"

Zhang Changqing nodded and said with a look of resentment: "she is the woman who slapped the child as the child said."

If it was not for this woman, he would not have married with the star moon palace!

Why do you frown with the woman? Why are you here? "

That woman is Jin Shuhui.

.....

At the same time, ye Chen and Xu Shenglong also follow the crowd, toward the Star Moon Palace.

Xu Shenglong's eyes flashed slightly: "brother ye, this time, please give me a chance to fight. After returning to the ancestral blood of the red moon tiger king, I haven't fought with anyone. I just take this opportunity to familiarize myself with the power after returning to my ancestry!"

Ye Chen nodded his head and said, "yes."

With his current strength, three months ago some of the so-called opponents, it is difficult for him to have the interest in shooting.

.....

In the palace of stars and moons, in an elegant wing room, several maids are serving a beautiful girl with a very charming face and changing into a red dress.

The girl's face, though extremely exquisite, was lifeless. At the moment, it was like a puppet and was at the mercy of the maids.

When the door opened, a cold looking woman came in. When several maids saw her, they saluted respectfully and said, "I have seen the palace master."

Nan Feng Yin looked at Su Yunyan, who had changed into a red skirt, nodded with satisfaction and said with a smile: "not bad, very beautiful."

Then, she waved her hand and said, "you guys, go down."

The maids withdrew from the door one after another. In the wing room, only nanfengyin and Su Yunyan were left.

Nanfengyin pinched Su Yunyan's chin and looked at it carefully. She lifted her hand and gently swept away the thick powder from her eyes. She said with a smile, "Yunyan, you don't have to think about it. That boy will never come. You know that you wanted to postpone the engagement. Why did I promise you directly?"

She released her hand and said sarcastically, "Ye Chen left Xingyue palace and returned to xingxuan domain. She didn't dare to stay in the moon soul domain. How dare such a waste appear on this wedding again?"

"For the sake of your marriage, I didn't even attend the ceremony."

Su Yunyan smell speech, the beautiful eye seems to fluctuate for a while, but soon it is silent.

Nanfengyin slowly took her hand and went out to the door. Her eyes became more and more powerful. She seemed to have seen the endless power. She waved to her and said:

"Yunyan, you'd better be good at the wedding. Otherwise, I can vouch with you and offend biyuanzong. It's not only me who will die, but your brother ye may be more miserable than me What a pity

Su Yunyan footed for a moment. After a moment, she said faintly, "I know."

Nanfengyin smiles and walks to the main hall with Su Yunyan.

.....

In the teahouse, Mu Lao slowly put down the teacup in his hand and said to situ Feng, "young master, the time is almost over."

Situfeng stood up and said contemptuously: "let's deal with those guys in the moon soul domain. If we don't absorb the blood of Tianhu, we'll have the best effect if the other party doesn't resist. I don't need to spend so much time."

Two body shape a flash, then disappeared in the attic, appeared in the main hall of the Star Moon Palace.

The people who were talking to each other immediately calmed down and looked at the handsome young man who suddenly appeared and the old man with white hair behind him. His eyes were all slightly trembling.

At this time, nanfengyin also came to situ Feng's side with Su Yunyan.

Situfeng glanced at Su Yunyan in a red dress. A flash of fire flashed through his narrow eyes. He was born in biyuanzong and had numerous reading girls. But even so, he was still hard to resist the attraction of Su Yunyan!

Even though the blood of the heavenly fox helped him to practice the art of collecting and tonifying, Su Yunyan was also a wonderful creature. Since situ Feng discovered it, he would not miss it!

Even Su Yunyan, who was as expressionless as a puppet, could not help but frown when he felt the unbearable sight of situ Feng, and a look of disgust appeared in his beautiful eyes.

Nanfengyin glanced at all the people present and said with a smile: "first of all, thank you for coming to attend the wedding ceremony between master situ and Yunyan. The one next to me is the son of biyuanzong, situ Feng." As soon as she spoke, thunderous applause broke out in the hall. All the leaders and masters in the moon soul domain saluted the young man in white respectfully and said, "master Xu Wanzhong of Feiyun sect has met master situ."

"Li Shengli, the leader of the Li family in Baishan, has met Mr. situ."

"Sun Yushen, the leader of Qihe sword clan, has met master situ."

.....

Chapter 3915

.....

Situfeng looked at the first-class forces in the moon soul realm. The family looked humble in front of him. He saw a touch of pleasure and contempt in his eyes, but he still said with a smile: "thank you for supporting situ."

Nanfeng said, "the wedding is about to begin. Before that, please give the gift to Mr. situ!"

All of them were awe inspiring.

They know that this so-called congratulatory gift is actually an excuse to show sincerity to biyuanzong. Whether or not situ Feng is satisfied or not will probably determine their status in the moon soul domain after that!

Soon, a well-known person in power went to situ Feng and handed over the prepared storage bag. In each bag, there were massive martial arts resources!

Situ Feng smiles. Although these guys in the moon soul domain are useless, they still know how to be a man No, it's about being a dog.

At this time, Zhang Zhiyang also came to situ Feng's face, and slowly presented a storage bag with a flattering smile and said, "I've met master situ. I'm the head of Wuji sect. Zhang Zhiyang!"

Nanfeng Yin sneers at Zhang Zhiyang's eyes, full of sarcasm.

After sweeping the storage bag, situ Feng's eyes brightened. He looked at the middle-aged man with his head lowered in front of him. He said faintly, "I heard that there is some contradiction between you and Xingyue palace before Wuji gate?"

When Zhang Zhiyang heard the words, there was sweat on his forehead. He even said, "dog is ignorant. He has offended the south palace master. I will discipline you well. I ask Mr. situ to forgive us for this time. From now on, we will all listen to the orders of the young master!"

Nanfengyin heard the speech and said with a cold complexion: "Zhang Zhiyang, what are you to match with our master situ?"

Her eyes were gloomy. Did the old fox want to go over himself and go directly to situ Feng?

However, situ Feng stopped nanfengyin with a wave of his hand. Although nanfengyin was anxious, she did not dare to disobey situ Feng. She could only stare at Zhang Zhiyang with a full face of anger.

Sima Feng's eyes flashed slightly. Zhang Zhiyang was a bit smart. He knew that he was a vassal. Unlike Nanfeng Yin, he thought that if he got to the throne by Su Yunyan, he could not tell his surname. Maybe wujimen was more suitable for him to be his pawn in the moon soul region?

He collected the storage bag and said lightly, "in the future, you can't do it again."

Zhang Zhiyang was overjoyed when he heard the speech. He knew that master situ was not going to investigate wujimen!

And the facial expression of South Phoenix sound, then more and more ugly.

At this time, the hall, but suddenly sounded a man exclamation!

"It's you! How can you come here! "

Zhang Changqing is the one who speaks, with a long robe and a thin face!

Situ Feng frowned and said, "who is so noisy on my childe's wedding? Get out of here

Zhang Zhiyang's face is almost green. How could he be disgraced?

Finally, he got a trace of attention from situ Feng, but he didn't have a few breaths. His son was about to attract his dissatisfaction?

Zhang Zhiyang would like to pull out Zhang Changqing's tongue directly!

However, with this exclamation, all the people in the hall followed Zhang Changqing's eyes and looked out of the hall.

See, two young men, slowly into the palace.

One of them was indifferent, but his eyes were cold.

The other, with his red hair, was not angry and self-confident, but exuded the breath of a king.

These two people, of course, are ye Chen and Xu Shenglong!

In the moment, all the young people in the cloud hall disappeared.

Her beautiful eyes, a burst of waves, seems to have water mist dense, but more and more bright up.

Ye Chen has come to fulfill his promise!

Their eyes met, and ye Chen said with a smile, "Miss Su, long time no see."

In a flash, Su Yunyan only felt her heart contract violently, even her breath was stagnant. Her sight was completely attracted by Ye Chen's smile. She reached out her hand involuntarily and covered her lips. Then she swallowed the call that had been brewing for three months

For a moment, all the people present were puzzled. Did the young man know Su Yunyan?

The most important thing is, what is Su Yunyan's look like?

Standing beside Su Yunyan, nanfengyin's expression became stiff and looked at Ye Chen who walked into the hall in disbelief.

This boy, how come!

Are you really afraid of death?

Situfeng took a look at Su Yunyan and nanfengyin's face, and then said with a deep look: "who is this man? How did the waste from the holy ancestral land get in? "

Without waiting for Nanfeng voice to open her mouth, Zhang Zhiyang, standing in front of situ Feng's body, flashed in his eyes: "childe, this man should be a young man named Ye Chen."

He glanced at nanfengyin playfully and said with a smile: "before, Yunyan girl invited her to join the Star Moon Palace. Moreover, it was for his sake that the master of Nangong had a conflict with us.""Oh?"

When situ Feng heard the speech, how could he not hear the meaning of Zhang Zhiyang's words? He glanced coldly at Nanfeng voice, and there was an opportunity to kill in his eyes!

He likes to play with women, but he doesn't have much interest in broken shoes.

Nanfeng voice looks pale, just want to open the mouth to explain, Zhang Zhiyang then again opened a way: "young master, do you need to drive this person out?"

Situfeng looked at Ye Chen, just like looking at a disgusting cockroach. He said faintly, "since it's here, don't go out."

Zhang Zhiyang said with a smile: "I understand."

Said, then full of cruel color toward Ye Chen walked in the past.

Now he needs to get the favor of Situ Feng, and crush an ant to do it. Zhang Zhiyang naturally does not want to miss such a good opportunity!

Zhang Changqing's speech, is also full of excited color, this arrogant boy finally has to pay the price!

When Su Yunyan saw this, he appeared anxious on his pretty face. When he moved his body, he would rush to Ye Chen. Zhang Zhiyang was a strong man in the early days of heaven and earth. In the moon soul region, his strength was pretty good. How can Ye Chen defeat such a strong man?

But at the next moment, a hand caught her wrist, and the powerful spiritual power instantly poured into Su Yunyan's body to control it.

Nanfeng Yin looked at Su Yunyan coldly: "since this boy wants to die, you can watch him die with your own eyes. If he dies, you won't have any unrealistic illusions any more."

In the hall, Jin Shuhui is also full of worry, looks at Huang Rushan and says, "master Huang, can you..."

At the moment, Huang Rushan and a group of demon clans are full of horror, standing in the same place. However, their eyes are not focused on Ye Chen, but on the red haired man beside Ye Chen!

All of a sudden, Huang Rushan was so excited that he almost laughed wildly: "Shenglong! It's really Shenglong! He! How could he Miss Jin, you don't have to worry. Zhang Zhiyang may not be able to deal with Ye Chen! "

Chapter 3916

Zhang Zhiyang's breath becomes stronger with each step. When he is ten steps away from Ye Chen, the terror in his body has already been revealed. The powerful Daoyun is surging in the hall. Many of the martial artists in the sky mending realm are pale and look at Zhang Zhiyang in horror!

Heaven and earth, such terror!

The pressure alone is enough to suffocate them!

For a moment, all people are extremely ironic looking at Ye Chen.

How dare you talk to Miss Su openly?

Miss Su is the woman of master situ. Is it the existence that he can call his name?

What's more, it's still at the wedding? Think you're cool?

Don't weigh yourself a few pounds or two!

Now, is there a price to pay?

But at this time, a person's shadow is blocking Zhang Zhiyang's body!

Zhang Zhiyang frowned slightly and gazed at the red haired youth in front of him. The young man seemed to have a kind of inborn King temperament. Even if the other party's cultivation was somewhat vague, he still had a faint feeling of panic!

Zhang Zhiyang said with a deep look: "boy, I don't care who you are. I advise you to stay away from that rubbish named Ye Chen. If you offend master situ, there will be no good end."

Xu Shenglong, who had a calm look, heard this sentence, and suddenly appeared in his red eyes!

When they think of the great dragon, they are not as powerful as the monsters!

At the moment, they only feel that Xu Shenglong standing in front of them is not a red haired youth, but a giant beast from ancient times that can break the sky with a roar!

The existence of heaven and earth, and even some first-class patriarchs, under the pressure of Xu Shenglong, began to tremble!

The most frightening thing to say is the people of the nine saints demon clan!

They looked at Xu Shenglong one by one as if they had been frozen. If not for the long time they had been with Xu Shenglong, they would have even prostrated themselves on the ground to pay homage to Xu Shenglong!

Demon clan, with blood as the respect, is not a kind of culture, custom, but the nature engraved in the bone!

How could Xu Shenglong's blood power suddenly reach such a level?

All the people of the nine saints demon clan looked at each other and saw the color of ecstasy in each other's eyes, even if it was Xuanyao Shengzi?

That is to say, Xu Shenglong already has the qualification to become the Xuan demon Saint son!

Even Situfeng and Mu Lao frowned, and their looks were not very good-looking.

Situ Feng's eyes flashed. How could the red haired demon family's spirit be so pure? Is it the disciple of the demon sect in Yangzhen region?

If this is the case, things will not be easy to do. Su Yunyan has the blood of Tianhu. If the blood is awakened, it can be regarded as half of the demon clan. The demon clan has every reason to prevent their marriage with Su Yunyan. If you involve the demon clan in the Yangzhen region, you may not even be able to afford it!

At this time, nanfengyin said: "young master, although there are some changes in the appearance of this man, I can be sure that this red haired man is the nephew of the demon emperor of the nine saints, named Xu Shenglong!"

However, his original evil spirit is far from so terrible. He must have had some adventure later... "

Situfeng smell speech, eyeball son a turn, toward Mu old low voice way: "Mu old, do you know how to do?"

Mu old smell speech, the eye Sen cold place nodded.

Among the demon clan, there is no lack of examples of blood awakening, step by step. Since there is a conflict with Xu Shenglong, such a genius of demon clan, we should completely strangle it in the cradle before he rises!

At this time, Xu Shenglong was waiting for Zhang Zhiyang to kill his chance. He said in a low voice: "do you want to start with brother ye? Insulting elder brother Ye is even more a death penalty

He has been with Ye Chen for such a long time, and his heart has changed. If Zhang Zhiyang ridiculed him, Xu Shenglong would not be so excited, but!

Insulting Ye Chen is different!

No matter how powerful he is, no matter what position he is in, he will never compromise in this matter!

Although, at the request of Ye Chen, he called Ye Chen his elder brother, but in Xu Shenglong's heart, ye Chen has always been his own Lord, and he has always been the only person in his mind who is qualified to inherit the throne of emperor!

When people heard this, they couldn't help but look strange. This demon family, whose blood seems to be incomparably noble, even called the boy in the holy ancestral realm as elder brother?

What's going on?

Let's not talk about the demon clan. Do you think highly of the Terran? Even in terms of strength, this boy is not worthy of standing beside this demon clan, right? Not to mention, what big brother!

For a moment, people look at Ye Chen with different looks.

Some envy, some despise, some are funny. They have heard that the demon clan's brain is not very good, perhaps, this boy is to this demon clan infuse what infatuation soup, deceive him a Leng a Leng?

At the next moment, Xu Shenglong's body was full of red light, and a bloody moon shadow appeared behind him. He opened his mouth and let out a roar of a tiger, which turned into a bloody light and flew towards Zhang Zhiyang!

Zhang Zhiyang's face was completely dignified. At the moment of Xu Shenglong's hand, he could feel that although the realm of the demon youth was lower than himself, his real strength was definitely not under himself!

At this moment, Zhang Zhiyang no longer has any idea of keeping his hands!

For a moment, Zhang Zhiyang was surrounded by a very strong Daoyun, and a dark long gun also appeared in his hand. He took a deep breath, and his whole body was as fast as thunder and wind. He yelled: "evil gun technique!"

Cold, evil evil spirit suddenly surged up, gathered on the top of the spear, and the cultivation was climbing. Even if there was no self-cultivation, it could shake the law of heaven and earth. At the moment of this evil spirit, people only felt that the main hall of Xingyue palace had turned into a hell filled with evil spirits!

This evil spear technique is one of the secret codes of Zhenzong of wujimen. It is said that one of the most powerful people in wujimen used this gun technique to practice in half a step of heaven and earth. It was a draw with the heaven and earth that had not yet been cultivated!

It's enough to see how terrible the shooting is!

When a shot is fired, the evil spirit condenses on the tip of the gun, like a black scale demon dragon. It is hard to hit Xu Shenglong, who turns into blood light!

With a loud bang, the whole Xuantian city was shaking violently, and the strong red and black light flowed around. The whole palace was covered with countless cracks and was about to fall. A group of strong men in the hall changed their faces slightly, and they took actions to suppress the aftereffect!

Chapter 3917

Light convergence, people look at the field, but can not help but a Leng!

At this moment, Xu Shenglong looks calm and his breath is still climbing. Obviously, just entering the battle, Xu Shenglong has not yet reached his peak. What about Zhang Zhiyang?

Although he blocked Xu Shenglong's attack, his face was still pale. Even his hand holding the spear had a faint shiver!

Zhang Zhiyang fell in the face of Xu Shenglong?

Or is it when the other party is not fully in the state?

People, some silly, this red hair demon clan blood is how adverse!

Xu Shenglong has a fierce smile. He doesn't give Zhang Zhiyang a chance to breathe, so he pours forward again!

In the blink of an eye, the two sides have fought dozens of times. In the course of the battle, the glory of the blood moon behind Xu Shenglong becomes more and more bright. Every time he takes a hand, Zhang Zhiyang's face will be pale!

Just a few dozen moves down, Zhang Zhiyang, the master of a large number of soul regions this month, is panting and sweating all over!

Everyone's pupils are shocked. This Zhang Zhiyang is completely suppressed!

How terrible is the blood of this red haired youth!

If we go on like this, I'm afraid we'll be defeated if we don't have a hundred moves?

Zhang Zhiyang's eyes also showed the color of fear. After reluctantly resisting several moves, Xu Shenglong took a palm shot, and the fierce palm wind set off a storm in the hall!

Zhang Zhiyang roared, rolling black evil into the body, body appeared on the dark meridians, incomparably ferocious, a breath also instantly ascended, toward Xu Shenglong shot!

This shot, like black lightning, cuts through the sky, and penetrates the endless void. In a flash, it hits the palm of Xu Shenglong!

Another loud noise, blood flying, people's eyes a bright, only see Xu Shenglong's palm, surprised has been shot through, blood dripping!

Obviously, Zhang Zhiyang has played the bottom card and is going to fight to death!

However, to everyone's surprise, after this shot wounded Xu Shenglong, Zhang Zhiyang did not continue to pursue him. On the contrary, he turned into a black air with a flash of body shape. After several flashes, he fled out of the hall!

At the moment, his face is extremely ugly. Although the evil spirit gun technique can improve his strength in a short time by using evil spirit to infuse his body, it is only enough to support ten breaths. He knows that there is very little chance for them to defeat Xu Shenglong!

At this time, the person who abandoned the scene of heaven and earth still didn't have one of his own!

So, in order to survive, he can only escape!

Xu Shenglong glanced at the wound on his hand. Under the strong vitality of the red moon tiger king, the wound healed quickly. Although he could not reach the level of Ye Chen's adversity, he awakened to the extreme blood of the ancient fierce beast. It is extremely difficult for ordinary people in heaven and earth to kill him!

With a quick glance, Zhang Zhiyang ran away? As I said, insulting brother Ye is a death penalty! Do you think you can go? "

At the next moment, an extremely domineering tiger roar rang through the whole Xuantian city. Countless warriors were looking in the direction of the Star Moon Palace, and their faces were horrified. After the tiger roar was introduced into their ears, they felt scared from the soul!

As if, awakened them deep in the gene in the primitive terror general!

A ferocious tiger was born in the sky and flew towards the flickering black smoke. Many strong men in the hall could not help shivering in the face of the giant tiger. Unexpectedly, Xu Shenglong and Zhang Zhiyang fought dozens of moves, but they didn't exert their full strength all the time!

After the incarnation of red tiger, the strength has been greatly improved!

In a twinkling of an eye, Xu Shenglong caught up with Zhang Zhiyang, raised the tiger's paw and beat him hard!

The whole sky, is filled with blood, as if this palm, can crush the earth!

"No

Zhang Zhiyang sent out a shrill scream and shot out a shot. At this time of life and death, his potential seems to have been inspired. The power of this gun has reached the peak of his life!

But

even so, the dark air, or under the bloody claw shadow, instantly collapsed, and in the moment when Xu Shenglong's tiger claw touched Zhang Zhiyang, the strong body was like a bubble, broken instantly and turned into a blood mist.

The tiger roared, a flash, and then returned to the palace, re transformed into a human form, fell in front of Ye Chen.

Xu Shenglong's sharp eyes swept through the crowd and said in a deep voice: "who else wants to attack my elder brother?"

For a time, the strong men in the moon soul domain were even afraid to lift their heads under the pressure of Xu Shenglong's eyes!

But just then, a gentle man's voice rang out.

Situfeng looked at Xu Shenglong and said, "you know, this is the wedding of Si Tu Feng. On top of my wedding, what's the meaning of killing my guests in public?"The reason why he wanted to let Zhang Zhiyang die was to find a reason to fight Xu Shenglong.

If you act rashly on the demon clan with such blood, you may have a handle!

However, now that Zhang Zhiyang is dead, even if Mu Lao killed Xu Shenglong, he can also be regarded as justified!

Xu Shenglong sneered: "what do you mean? I advise you, it's better not to have any irreconcilable desire for my sister-in-law. Now, get out of here, there's still time! "

Ye Chen takes a look at Xu Shenglong. How can this guy treat Su Yunyan as his sister-in-law?

He saved Su Yunyan only for promise.

That's all.

In Xu Shenglong's mind, any gorgeous woman related to elder brother Ye is his sister-in-law!

"Sister in law?" Situfeng pondered with a smile, suddenly reached out and grabbed Su Yunyan. His eyes were full of evil light, and his sight seemed to be scanning Su Yunyan's delicate body crazily. Even though Su Yunyan had always been indifferent, he could not help but cry out in the face of situfeng's wolf like eyes!

Nanfeng sound looks slightly changed, as if to stop, but finally stood in place, no action.

I dare to eat the meat of my father? sister-in-law? I'll show you how your sister-in-law is being played with

Xu Shenglong's eyes were ready to crack, and instantly turned into a bloody tiger. He threw himself at situ Feng and yelled: "damn rubbish, stop it!"

But at this time, an old figure was standing in front of Xu Shenglong. With a roar, the terrifying pressure of heaven and earth broke out without reservation. Mu looked at Xu Shenglong coldly and had a blue sword in his hand.

Xu Shenglong thundered: "get out of here!"

Chapter 3918

A snap shot, there are runes surging above the tiger's paw, as if exerting some magic power. The whole space is twisted under the tiger's claw!

Xu Shenglong is in a hurry. He must not let his sister-in-law be touched by the beast!

Mu Lao saw this, but his face did not change. He snorted coldly: "younger generation, do you think you can cross press everything by blood? I'll show you now, the gap between you and me!

It's in heaven

At the next moment, the light blue fog filled the whole hall, and people were shocked. At the moment, they seemed to come to the sound of grassland surrounded by green fog. Beside their ears, there were women's charming laughter. In the wind, they all had a intoxicating fragrance!

This is not magic, because they can feel that the law between heaven and earth has changed!

At the moment, the old man with white hair of Biyuan clan is like the God who dominates everything. The soul of these months is so strong that he can't breathe. Because they know that now, if the old man with white hair wants to kill them, he only needs to think about it!

Is this the self-reliance of the martial arts in heaven and earth?

How terrible it is!

People are afraid and yearning to see Mu Lao standing in the air. Although the demon youth is against the sky, it is not the rival of this God like existence?

Mu Lao doesn't talk nonsense. He consumes a lot of spiritual power from heaven. He has to make a quick decision. When he turns his wrist, he stabs Xu Shenglong with a sword. This sword seems to be slow, but in this free sky, it seems that it has been speeded up several million times. In an instant, he stabbed Xu Shenglong's tiger claw surrounded by runes!

The blue and red light burst out, and Mu's eyes narrowed slightly, and the color of shock loomed. In the tiger's claws, there was a force that even he could not easily erase in his own nature?

But even so, he was able to suppress it!

In a moment, the dragon's claws roared, and the dragon's blood roared out!

However, in Xu Shenglong's tiger eyes, there is a look of pain. Obviously, the sword of Mu Lao has already hurt its origin. It is not so easy to recover!

He turned over and stopped in the air. Although he was injured, Xu Shenglong did not hesitate to save again. In his heart, there was only one idea!

Even if it's dead, we can't let that beast touch his sister-in-law's hair any more!

Mu Lao sneers, and he is about to make a sword again. This time, he is locking the head of Xu Shenglong!

All this seems complicated. In fact, it only happened in a short time. Situ Feng's hand did not even fall on Su Yunyan's delicate body. However, it was only a little short of Su Yunyan's body

Situfeng's eyes are full of excitement about success, while Su Yunyan's beautiful eyes are full of sadness.

At this time, a scream reverberated in the grassland, and the girl's smile faintly sounded in people's ears was completely suppressed!

Mu old look changed, this scream is the voice of situ Feng!

He suddenly turned around and looked behind him. His pupil shrank suddenly. At the moment, one hand of situ Feng's wrist was caught by a young man and could not move. However, his wrist, as if unable to bear the strength of the young man, was directly crushed and dripping with blood. And situ Feng's face was distorted because of the sudden pain!

The young man, with a cool look, is the Ye Chen who was despised by others!

Everyone looked like petrified, looking at this scene foolishly

Situ Feng, but half step heaven and earth exist!

How can you be so easily controlled by this boy?

This, a little too incomprehensible?

However, one of the most shocking, or Mu old!

Why?

Because, this is his own nature, all the rules are controlled by him, normally speaking, no one should be able to approach situ Feng!

But, now, he did not even find Ye Chen when he crossed himself and appeared beside situ Feng!

In an instant, a chill surged up on the old man's back. The youth in front of him was too strange!

Ye Chen took Su Yunyan's slender waist with one hand and said with a smile: "it's OK, Miss Su. That promise is still valid. With me, no one can move you."

For the first time in his life, Su Yunyan was held by a man like this, and his face turned red. However, he did not have the slightest intention of resisting and struggling. Instead, he bowed his head and subconsciously approached Ye Chen.

The expectation of march turns into reality. The moment Ye Chen appears, the impact on her is too big, just like the first ray of sunshine touched by a girl in the dark.

Su Yunyan knows that her life, has been completely occupied, in addition to holding her own man, she can not fall in love with anyone.

At this time, Situ Feng yelled at Ye Chen: "let me go! Do you know who I am? Hurt me, Biyuanzong, I won't let you go!"

He was held by Ye Chen's wrist. Somehow, he was unable to use even a trace of strength. His body was filled with vanishing Daoyun, which turned his spiritual power into nothingness! Now, it can only be called like this.

Ye Chen did not look at him, but slowly let go of Su Yunyan. Su Yunyan seemed to be reluctant to give up. He wanted to hold him, but did not dare to hold him. He could only gently pull the corner of Ye Chen's coat.

Ye Chen said with a smile, "don't be afraid. There is a fly. It's too noisy. I'll deal with it."

Su Yunyan nodded and let go of his hand.

Ye Chen turns his head and looks at Situ Feng. In his icy eyes, the murderous opportunity splashes. At the moment when he looks at the upper Ye Chen, the Holy Son of Biyuanzong is scared to his knees and sits on the ground. The pressure from Ye Chen at the moment makes him suffocate, just like a demon in the world!

Mu Old at this time, just finally sober up, roar a way: "boy, don't have to fight the son!"

After all, the whole being in heaven seems to resonate with Mu Lao's anger. The surging power of law converges on Mu Lao's long sword. In the flash of green light, a dragon's song rings through the sky. Mu takes a deep breath and injects his whole body's spiritual power into the heaven. The breath of law and Tao rhyme becomes more and more strong, and it has reached the peak in an instant!

Mu Old eyes of essence flash, suddenly to Ye Chen, a sword cut out!

A shadow of a green dragon appears in the sky, with clear scales and claws. It looks like a living creature. When it flickers, it embraces infinite sword Qi and pours at Ye Chen!

Many strong men in the moon soul domain sneered at him. He was able to cultivate in the holy ancestral realm and subdue Situ Feng so easily. It's a pity that he is too crazy!

Chapter 3919

In front of a strong man who has stepped into heaven and earth for thousands of years, to fight the son of Biyuanzong?

What consequence, need not say more?

No matter how evil you are, you have to die!

The power of this sword is beyond people's understanding. They only know that if the holy ancestral realm of the whole moon soul region exists, they can hardly block Mu Lao's Green Dragon Sword spirit if they all join hands to strike!

As long as the cultivation of heaven and earth is not achieved, then it is impossible to defeat the existence of heaven and earth!

Situ Feng is also the face of ecstasy, damn things, dare to start with me? Now, pay the price!

After you die, I will step on your body and love Su Yunyan well!

Su Yunyan, Jin Shuhui, the nine saints, and even Xu Shenglong all got nervous!

Only Ye Chen, from the beginning to the end, keeps the color of indifference.

"Boy, how does it feel to break through the ancestral realm?" Suddenly a voice rang out!

It's xuanhanyu's!

She's waking up!

Ye Chen outlined his lips and said to Xuan Hanyu, "xuanxianzi, after stepping into the holy ancestral realm, I suddenly found that the heaven and earth realm in the Ming Dynasty was not strong either. I should be able to fight against the strong ones in the early days of the heaven and earth realm, if with the help of the mark of the witch clan, even..."

Ye Chen did not go on.

Xuanhanyu laughs bitterly when he hears the speech. Is the existence of heaven and earth not strong?

It is estimated that this sentence can startle many people's chin

However, xuanhanyu still said: "the martial arts of the bottom sect of the Yangzhen domain are still different from those of the moon soul domain, the dark region, and even some small states. You are used to fighting with the dark domain. After breaking through the holy ancestor, you will naturally feel weak and weak to the Kungfu of Biyuan sect..."

"The realm of the other side is just like that of heaven and earth. In addition, there are some short cuts to cultivate, which are not strong. Today, I will give you some strength to let people in the moon soul realm understand what madness is!"

The next moment, an invisible force wrapped in Ye Chen's fist.

Mysterious and frightening.

Ye Chen laughs. If xuanhanyu doesn't make a move, he can use the power of the mark to fight against it.

However, since xuanhanyu is so, he also follows madness once.

He glanced at the green dragon's sword spirit from the corner of his eyes and said, "it seems that there is no need for me to make a sword."

People smell speech, are strange to look at Ye Chen, what does this kid mean?

Without waiting for them to think about it, the next moment, an incredible scene appeared in front of everyone!

Ye Chen is barehanded, toward the green dragon sword, a blow out!

Do you want to fight against the green dragon sword spirit which contains countless rules and Taoist rhymes? no

The corners of the people's mouths rose slowly, as if to outline a mockery.

However, at the same time, when the fist was hit, the evil spirit was rolling, destroying Daoyun, and the evil spirit filled the whole grassland in an instant. Originally, some astonished and ridiculed yuehun domain martial artists almost instantly left only fear in their eyes!

Lingering, unforgettable fear!

The fist with a strong black light, a flash will hit the dragon head of the sword!

Broken!

Almost at the moment when ye Chen's fist and the green dragon's sword Qi contact, the whole green dragon will explode!

However, it is not only the green dragon that is exploded, but also the whole grassland!

In Ye Chen's fist, the destruction of Daoyun and the power of the heaven are so powerful that it breaks Mu Lao's self-reliance in an instant!

With a loud bang, the cracks spread all over the grassland. At the next moment, everything around them disappeared as if they were illusory and returned to the main hall of Xingyue palace.

And Mu Lao, being bitten by the broken nature, suddenly spits out a mouthful of blood and falls to the ground.

Stupid

What a fool

In the brain, it seems that there are countless Daoyun agitation, the spirits of all the people have disappeared!

They just feel like they're spinning, thinking, breaking down

This, how can it be?

A punch, a casual punch, but directly suppressed his most powerful blow, and also, will be in heaven, all smashed?

Is this a fucker or a man?

Even God can't do this kind of thing, right?

But all this happened in front of everyone!

How can we not be shocked?

But soon, these people's looks, from shock to panic!

They remember

The young people who hit this blow are just despised by them. They think that they have deceived the demon family fool. They think that they are seeking death, arrogance and ignorance

All of a sudden, Xu Shenglong's sentence "insulting elder brother Ye is a death penalty" echoed in people's ears at the same time!

I don't know who it is. All of a sudden, his knees tremble. He kneels down in front of Ye Chen. As soon as this man kneels, more and more martial artists kneel down. For a while, the sound of their knees hitting the ground keeps ringing! They are afraid

I'm really scared!

Offend these existence, even in the heart, will let them sit uneasy, panic endlessly!

Although, ye Chen has a 99% chance of not knowing this

But what if?

Who can be sure that he can't see through people's minds?

So now, only kneel down to ask Ye Chen's forgiveness!

There was no kneeling down in the field. In addition to nanfengyin, who was completely stupid and had not yet awakened, there were only the nine saints and the Lords of some first-class forces, as well as

Zhang Changqing.

Ye Chen inexplicably looked at everyone, how suddenly, knelt down?

He shook his head and looked again at situ Feng.

The smile on situ Feng's face was completely frozen. The whole person was like a wax figure, motionless, and even his expression had no change. He looked completely frightened and silly.

Until ye Chen looked at him, his look changed. His face became pale in an instant!

Situfeng suddenly knelt in front of Ye Chen and kowtowed wildly: "this childe, please forgive me..."

But before the words were finished, a foot heavily stepped on the head of situ Feng. Situ Feng uttered a half scream, and the whole head was crushed under Ye Chen's foot!

Ye Chen light way: "flies, is annoying, now, finally clean."

Ironically, a moment ago, situ Feng still wanted to step on Ye Chen's body. Now, he died at the foot of Ye Chen.

At the moment when ye Chen stepped on and killed situ Feng, a blue light suddenly rose from Mu Lao's body, penetrated through the void and disappeared. Even Xu Shenglong did not respond to it!

And Mu Lao's body, in the loss of this green light, is like a vent ball general, withered down.

Ye Chen's eyes flashed. It seems that the old man in heaven and earth is not so simple on the surface. The old man's body seems to be just a skin bag? It's not his own.

However, ye Chen did not care, even did not chase into the void.

Chapter 3920

As the son of Biyuanzong, Situfeng only sent a junior high school existence in Qiankun to protect it. It can be seen that the Biyuanzong is not so powerful. He is afraid that Ye Chen's current strength is not enough.

The big deal is to use the power of the Sorcerer's mark to destroy the whole Biyuan clan.

At this time, Zhang Changqing yelled. His eyes were bloodshot and rushed toward Xu Shenglong. He roared wildly: "You killed my father! You killed my father! I want you to pay for your life!"

Xu Shenglong snorted coldly, and he was about to annihilate Zhang Changqing.

Ye Chen's eyes flashed slightly, and his body moved. Before Xu Shenglong's hand, he held Zhang Changqing's throat, and his whole body exuded endless destruction charm, just like a demon God!

Even though Zhang Changqing, who was angry, couldn't help but feel cool in the face of Ye Chen and calmed down a little. However, even in the face of this powerful man who could easily crush him, Zhang Changqing still struggled frantically and yelled: "I want you to pay for your life! You killed my father, I want you to pay for your life!"

Ye Chen light way: "Is it?"

His eyes fell on Zhang Changqing's legs, and suddenly he waved his sword finger. The fierce sword spirit roared out, and the blood light suddenly appeared!

Zhang Changqing's face froze, then he slowly lowered his head and looked at his legs.

I saw nothing in front of me!

One of his legs was actually cut off by Ye Chenqi root!

"Ah, ah, ah! My legs! My legs

After hearing Zhang Changqing's call, all the warriors kneeling in the palace could not help but swallow a mouthful of saliva. They were even more afraid of the seemingly powerful existence of the holy ancestral realm

Ye Chen threw the remaining half of Zhang Changqing's body on the ground and said, "you said before that your leg was broken? I think I like broken legs? Now, you've got it If you want revenge, just come to me. Your father died because of me. "

The reason why he didn't kill Zhang Changqing is that Zhang Changqing knows that his strength is weak in front of him and Xu Shenglong, but he still flies to the fire to avenge his father who ran away alone.

This kind of person looks like some silly, impulsive, but, ye Chen is not disgusted.

Therefore, he made a move before Xu Shenglong, because he knew that if Xu Shenglong made a move, Zhang Changqing would surely die.

However, Zhang Changqing was embarrassed by Jin Shuhui before, and ye Chen would not let him go.

For those who offend their own women, ye Chen has never been too generous.

After solving the problem of Zhang Changqing, ye Chen finally turns around and looks at standing still, as if whispering the impossible and lost Nanfeng voice.

Feeling Ye Chen's eyes, Nanfeng Yin even breathed, did not dare, lowered her head, and her delicate body trembled slightly.

She never dreamed that this youth, who once thought he was a waste and thought he had overestimated, would grow up to such a level in just three months!

Believe that no one can think of it!

Can you imagine that the beggar who begged from you three months ago became the richest man in the world three months ago and became the richest man in the financial world?

And ye Chen, than this kind of situation, even more difficult to imagine billions of times!

In the eyes of nanfengyin, a look of remorse suddenly appeared

If she hadn't forced Ye Chen away, despite Su Yunyan's dissuasion, and forced Su Yunyan to marry the son of biyuanzong, how could she have come to this stage?

Su Yunyan looks at nanfengyin, and her complexion is complicated. Suddenly, she pulls the corner of Ye Chen and says, "Ye Chen..."

Ye Chen looked at Su Yunyan's look, nodded, and already understood her meaning.

With Su Yunyan's character, even if nanfengyin forces her to marry the son of the evil family, she can't completely ignore her feelings with nanfengyin. After all, nanfengyin is the elder who watched her grow up and has always loved Su Yunyan.

Ye Chen light way: "will Star Moon Palace elder, all look for."

A moment later, Su Wu, Yuan Ping and others all came to the hall.

Su Wu is dishevelled and looks decadent. Since he learned that his granddaughter is going to marry the son of biyuanzong, he has become like this. But at the moment, Su Wu's eyes are bright. He heard about what happened on the wedding!

This is good news for Su Wu!

But Yuan Ping was different. He had ridiculed Ye Chen before, but who would have thought that ye Chen was so scared three months later?

At the moment, his face was full of panic, and he was almost dragged into the hall by others!

Ye Chen looked at these elders and nanfengyin. In front of many strong men in the moon soul domain, he said, "in the future, the Star Moon Palace will no longer exist!"

What!?

When they heard this, they were all shocked, including Su Wu!

But the South Phoenix sound, is the legs one soft, nearly faints!

Star Moon Palace

Will the inheritance left by the master be destroyed in his own hands?The strong ones in the moon soul realm were also shocked. At the same time, they were worried. The young master easily let the Star Moon Palace, a long-standing sect, disappear from the moon soul realm. Would it be their turn for the next one?

However, ye Chen soon continued: "since then, the Xingyue palace has merged with the refining peak of xingxuan region, and its name has been changed to refining God Star Palace. From tomorrow on, all the disciples who left the refining peak will be recalled. If they want to, they can join the present refining God Star Palace unconditionally!"

He never forgot his promise to Lan Ying!

However, he had six schools, so he could only combine the refining peak with the Star Moon Palace.

When Jin Shuhui heard the words, a touch of excitement also appeared on her cool face. Lian Shenfeng will finally reappear in the world!

Moreover, after this, all the people in the moon soul domain will know that ye Chen is standing behind the refining God Star Palace!

It's the man who let the strong men of the moon realm kneel down voluntarily!

Ye Chen's promise to Lan Ying has been fulfilled!

When Yuan Ping heard the speech, his eyes turned disorderly and seemed to be thinking about some countermeasures.

Su Wu, on the other hand, was a little relieved. He knew that if ye Chen wanted to, he could take everything in Xingyue palace as his own, making the disciples of Xingyue palace homeless and homeless like a stray dog. Even, the major forces were afraid of Ye Chen's existence, and it was impossible to bring these disciples under his family!

The general martial arts, if there is no sect protection, then the end of the moon soul domain, often will not be very good!

However, ye Chen did not do so. He chose to let the two schools merge. Although in the future, the status of the disciples in the sect may be better than that of the disciples of Lianshen peak, but it is also a way for the Xingyue palace, leaving a way for the future and not killing them all

At this time, Yuan Ping suddenly knelt down in front of Ye Chen and kowtowed: "Mr. Ye, at the beginning, the villain had tried to dissuade nanfengyin and warned her how to send Yunyan into the hands of situfeng? Yes! Nanfengyin was obsessed with power and ignored the villain's dissuasion... "
