

## Physician 4181

### Chapter 4181

He fixed his eyes and saw that it was a strange looking snake with a pair of black horns and purple black scales on its head!

This strange snake is a monster!

Moreover, the strength is not weak, it is the early existence of heaven and earth!

However, what makes Ye Chen most surprised is not the strength of this strange snake, but that a quiet beast in the early days of heaven and earth can discover its own existence?

You know, even if the ordinary heaven and earth state exists in the later stage, they can't find themselves when he displays his soul biting seal!

What's more, the snake didn't even notice it before it attacked!

What a strange beast!

However, since found this you beast, with Ye Chen today's strength will not have any fear.

At this time, the dark beast's eyes twinkled with cold light, and a trace of greedy color, the body once again bent and stretched, and then turned into a black arrow, shooting at Ye Chen.

Ye Chen saw the situation and snorted coldly. He didn't even display his cards. His whole body was full of evil spirit and silver flame. He was ready to chop at the beast!

At the next moment, the blade collided with the body of the beast, bringing a series of sparks on the scale. Obviously, the scale is extremely hard!

However, in a flash, the greed in the eyes of the beast was quickly dissipated and turned into panic!

A powerful instant sword edge poured into its body. Even its body didn't have time to fly out. Under this sword, it roared into a burst of blood mist and dissipated

Ye Chen slowly took back the long sword and continued to walk forward.

However, to his surprise, it was not a coincidence that the snake shaped beast found itself!

Next, ye Chen was attacked several times by you beast, and even had a fierce battle with a you beast who had just stepped into the nine layers of heaven and earth. By burning the sky, he finally killed him!

After walking for a day and a night in this ancient forest, ye Chen's body suddenly slowed down on a big tree and stopped.

He frowned slightly, looking at a certain direction in the forest, and saw that a decorated sedan chair appeared in the field of vision!

They were two young men in black, their faces blue, and their temperaments were indescribable.

Ye Chen looked at the two men and his eyes flashed. The two people gave him a strange feeling, as if they were not human, like ghosts or ghosts. Most importantly, they still had a strong evil spirit?

What's more, the strength of these two people is extraordinary!

It seems that the two people who are no more than 1000 years old already exist in the six layers of heaven and earth!

Behind the sedan chair, there was also an old man with pale face, white hair and grey eyes

This old man, looks like a little time, but ye Chen saw his moment, but his heart suddenly jumped!

This man is actually a strong man from the beginning!

Ye Chen asked xuanhanyu, "xuanxianzi, do you know the origin of these people?"

Xuanhanyu opened his mouth and said, "if I have not guessed wrong, these people come from the hundred barren mountains! It's a mountain ghost! This mountain ghost is like a human, a ghost, a ghost, a demon, but its strength can not be underestimated! One of the five great families in the mountains!

Originally, according to my conjecture, it is the Mountain Ghost family that is most likely to come here. After all, this mountain ghost is somewhat similar to that spirit spirit, and the significance of this Youwang relic to them is extraordinary. "

At this time, a very sweet and soft voice of a woman sounded in the sedan chair like a silver bell: "Liang Bo, it's not a short time to walk. I'll wait here for a rest."

The old man behind the sedan chair heard the speech, and his gray eyes seemed to flash for a moment and nodded.

The two young men then put down their sedan chairs and started to make a fire, and took out some dark animal meat. The smell of the animal meat is exactly the same as that of the ghost beast, which is the animal meat of the ghost beast.

Ye Chen sees this and frowns again. When a warrior reaches this level, he just lifts a sedan chair and walks. Where does he need any rest?

What's more, fortunately, it happened to stop and repair under the tree where I was hiding?

Ye Chen looks dignified. Has he been found?

At this time, a woman came out of the sedan chair. Even if ye Chen saw it, he couldn't help being slightly stunned!

This woman is not like other people. Her skin color is extremely white. On her green hair, there are beautiful flowers and a green skirt. She exudes a very fresh and natural breath, just like a forest spirit!

And her face is also extraordinary beauty, and vaguely different from the human race, if ye Chen describes it, it is very similar to those exotic beauties in the fantasy stories on earth.

This appearance and temperament, let her whole person send out a very attractive charm!

But all of a sudden, the woman and ye Chen on the line of sight, her eyes like grandmother emerald general, with a trace of smile: "this childe, after watching for so long, how about coming down to have dinner with us?"Ye Chen's heart sank, and he was found!

His eyes twinkled for a moment, but he still moved. He scattered the method of invisibility and fell in front of the woman.

The woman, with a playful look, looked at Ye Chen for a moment and said, "what's your name?"

Ye Chen looks at this woman, the vision is a flash again!

This woman is no more than a thousand years old, but she has already possessed the strength of eight layers of heaven and earth!

He said faintly: "Ye Chen."

The two young people behind the woman, one named Guiping and the other named Guixin, were the most outstanding young generation among the mountain ghosts!

The identity of this woman is extremely noble among the mountain ghosts, and only the most outstanding young people are qualified to follow her.

Guiping's eyes were narrow and long, his face was sinister, and his eyes were narrow. When he heard the words, he sneered and said, "a human waste from the holy ancestral land dares to spy on us. Miss, why don't you let me kill him?"

Neither Guixin nor the old man spoke, but judging by his looks, he obviously did not object to Guiping's proposal.

In their view, it doesn't matter whether a human being is living or dying.

Kill it, save the trouble.

When ye Chen heard the words, his eyes gradually sharpened. His spiritual power was running in secret, and his cards were ready to be displayed at any time. The whole person was like a sharp arrow on a full bow, ready to go!

But that beautiful woman is a light smile, ignore Guiping, continue to ask Ye Chen: "you come to this ancient forest, but want to go to that ancient forest capital?"

Ye Chen seems calm, but her eyes are slightly fluctuating.

The ancient capital of Youlin is a very ancient capital among the ancient forests.

This ancient forest has a group of ancient people who have lived here since a very long time ago, and even built a very prosperous capital!

The ancient city of Youlin in its heyday is not inferior to some big cities in Tianren area!

Chapter 4182

However, as time goes by, the ancient capital of Youlin has lost its former prosperity and its population has been sharply reduced after several disasters.

However, even so, the ancient city of Youlin is still a place for martial artists to rest temporarily. He will first enter the ancient capital of Youlin and wait for the opening of the ruins of Youwang.

Ye Chen didn't hide it, nodded his head and said, "yes, I'm going to the ancient capital of Youlin."

Several people behind the woman smell speech, are the face showing a different color, into the ancient capital of the forest?

It seems that the purpose is obvious. This boy is also aiming at the ruins of you king!

On weekdays, most of the warriors who enter the ancient capital of Youlin come to hunt and kill you beasts. However, with Ye Chen's strength, not to mention hunting and killing you beasts, it can be called a miracle if you don't become the food for you beasts!

The other two did not have much, but Guiping once again said with a sarcastic smile: "just you? Still entering the ancient capital of Youlin? Ha ha, there must be a limit to ignorance, right? You're lucky to be here and not dead! "

A waste of the holy ancestral realm, also want to touch the ruins of the king? It's not about dying. What is it?

Ye Chen looked at Gui Ping, but did not speak.

The woman was very interested and looked at Ye Chen. Suddenly, she said to Ye Chen, "I still need a servant. Since you are going to enter the ancient capital of Youlin, would you like to follow me? Of course, you have to do the chores on the road. "

For a time, the three people in Guiping were all startled!

Servant?

The woman's name is GUI Lingyun. She is the daughter of the head of the Mountain Ghost clan. She is equivalent to the daughter of a mortal emperor!

What is a Terran trash in the holy ancestral realm qualified to be her servant?

Guiping's eyes twinkled with cold flame. He was always proud of himself as GUI Lingyun's servant. In order to become her servant, Guiping did not know how much effort he had made and how much he sacrificed!

Now, a passing boy can become GUI Lingyun's servant so easily?

This is an insult to him!

Immediately, Guiping said, "Miss, this man is of unknown origin, and how can he be qualified to follow her by his waste strength?"

Even, just walking together is a shame to miss! You know, when you enter the ancient capital of Youlin, you will meet those guys in taitianshendu and Wanjun Yougu. If they see this boy, you don't know how to laugh at him! "

Ye Chen takes a deep look at Guiping. This person is a waste. It's annoying.

GUI Xin and Liang Bo also frowned slightly. Obviously, they did not agree with the young lady's practice. However, they did not object. They were very clear that they were servants. Could they object to the decision made by Miss?

Gui Ping, it seems, thinks that he is superior to others because he is the servant of the young lady. He is a little confused about his identity!

Sure enough, GUI Lingyun sniffed at Gui Ping and said, "are you teaching me to do something?"

Guiping was guilingyun that slightly cold vision, scared a jump, quickly bowed his head: "dare not."

He clenched his teeth in secret, staring at Ye Chen like a poisonous snake.

Gui Ping didn't expect that the young lady would defend this boy?

It's all because of this damned boy. If the boy doesn't come out suddenly, he won't make the lady unhappy!

GUI Lingyun pointed to the animal meat on the ground and said to Ye Chen, "cut the animal meat and roast it. The taste of the animal meat is still good."

Ye Chen smelled the speech, his eyes twinkled for a moment, but he did not refuse. He danced the sword in his hand, and cut the meat into thin slices, which were strung on the branches and barbecued.

For ye Chen, following GUI Lingyun and his party saved him a lot of trouble.

Although he is not afraid of the common ghost beast, he still has to keep fighting like this, and the consumption is not small for him. He doesn't know when the Youwang ruins will start. Therefore, if he can keep a point of strength, ye Chen still needs to keep a point of strength!

There is a strong man sitting in the town. Even those wild animals in the original territory are afraid to get close to them easily. Moreover, it is not known whether they will meet the people of the Tai Heavenly God capital and Wanjun Yougu. Being with GUI Lingyun, they also reduce the possibility of being watched by these two groups of people.

Therefore, he did not reject GUI Lingyun's proposal.

For Qu Chen, of course, he doesn't really want to work as a servant.

That Gui Lingyun sees the animal flesh that ye Chen divides, beautiful Mou a bright way: "sword work is good."

Hearing GUI Lingyun's praise, Guiping's expression became more and more gloomy. He suddenly yelled at Ye Chen: "boy! Can you barbecue with any branch you like? If you want this animal meat to be delicious, you should cooperate with a special kind of black wood branch in the ancient forest. Go and pick up some black wood branches quickly! If you are asked to be a servant, you should be of some use, right? "

Ye Chen looks at Gui Ping's eyes, cold for a minute, but, or body shape flash, toward the forest.

Guiping looked at the back of Ye Chen's leaving, and cursed maliciously: "damn boy, you are just looking for the branch, and you are eaten by the beast!" Can, after a moment, ye Chen will hold a handful of black wood branches, back here, Guiping look ugly, cold hum, but also not good to say anything.

After several people had eaten the animal meat, GUI Lingyun returned to the sedan chair, ready to continue on the road.

However, before leaving, Guiping was yelling at Ye Chen: "boy, go back to the back, a waste of the holy ancestral land, also want to walk around us, disgraceful?"

If it's because of you, I'll let you taste the taste of life is not like death

Ye Chen hears the speech, in pupil flash a wipe to kill a machine, retreated two steps, followed in the sedan chair behind.

There was a sneer of disdain on the surface of Guangxi. Sure enough, the waste should look like a waste. The boy was scolded like a dead man. He didn't react at all?

Hehe, he also wanted to challenge Ye Chen, so that ye Chen could not help but make an excuse to kill Ye Chen. But unexpectedly, ye Chen was really like a turtle with a shrinking head. Did he endure it?

Just when he wanted to continue to humiliate Ye Chen, GUI Lingyun said in the sedan chair: "Guiping, today, your words are a little too much, I didn't let you set off?"

Guiping hears the speech, in the heart one Lin!

He quickly bowed his head and said, "yes!"

For a moment, his face was a little jealous!

He knows very well that miss is not a person who likes to talk on weekdays!

No matter what the case, the young lady will not speak at will.

Can today, but for the sake of this boy, repeatedly speaking out to maintain?

As a servant, he has been with Miss Guiping for hundreds of years. Is it not as good as a waste who just met for less than an hour?

How can this not make Guiping jealous!

But now that the young lady had spoken, he had to lift up his sedan chair and move towards the ancient capital of Youlin.

Chapter 4183

Two days later, a seemingly dilapidated capital appeared in front of everyone.

Ye Chen looks at that capital, the eye is bright, here is that you Lin ancient capital!

Guixin said respectfully to the sedan chair: "Miss, the ancient capital has arrived."

"Stop the sedan chair."

She walked out of the sedan chair slowly and looked at the ancient capital of Youlin. Her eyes twinkled with excitement and curiosity. She said with a smile, "we walk into the ancient capital. I heard that there are many new gadgets in the ancient capital. I want to have a good look in it."

A few people, then toward the ancient capital of the forest.

Along the way, Guiping is staring at Ye Chen, which means obviously, let Ye Chen not get too close!

People walk on the streets of the ancient capital. The buildings in the ancient capital are quite strange and exotic. The streets also exude the ancient atmosphere. Walking in the ancient capital, people have a rather strange experience, as if wandering in the long river of history, vaguely can feel the evolution of the ancient capital from the peak to the decline, which makes people feel a lot of feelings.

Ye Chen looks at the spire buildings, can not help but have a feeling of walking in the ancient city of Europe.

On both sides of the street, there are many peddlers who set up stalls to sell some special products of the ancient capital. Usually, some martial artists will come to this ancient capital for supplies in order to hunt and kill the animals and enter the ancient forest.

Therefore, it is not surprising that ye Chen's several people arrived. On the contrary, they enthusiastically sell their own products. Most of them are snacks made of special products of lingguo, or some of the gadgets made of unique materials in the ancient forest.

Among GUI Lingyun's beautiful eyes, she lingers in front of stalls. Her beautiful eyes reveal childlike curiosity and joy. Obviously, she is quite interested in these ancient capital specialties.

Seeing GUI Lingyun's look, ye Chen couldn't help but smile. This woman is quite interesting. He can see that Gui Lingyun likes these things from the bottom of his heart. There are not many women with pure mind in the martial arts world.

The impression of GUI Lingyun and ye Chen is good.

At this time, guilingyun suddenly beautiful eyes a bright, staring at a stall, quickly walked to the front of the stall.

Ye Chen glanced at the stall and saw that there were some ornaments made of animal bones.

The boss said with a smile to Gui Lingyun: "these ornaments are made from the bones of the animals. According to legend, they have the miraculous effect of resisting disasters."

When GUI Lingyun heard the words, her beautiful eyes became more and more bright. From time to time, she picked up an animal bone with a faint aura and looked at it. There was something indescribable and obscure in this animal bone.

The women of the Mountain Ghost clan were obviously interested in these things that they had never seen before. For a while, they stopped before the stall and stopped moving.

But all of a sudden, GUI Lingyun is a look, slightly frowning toward a certain direction, a pair of green eyes, a faint weariness.

Ye Chen's eyes flashed. Along the way, though GUI Lingyun was somewhat cold, he was kind to others. Why did he show such a look at this time?

He followed GUI Lingyun's eyes, but his pupils shrank in an instant!

At the end of his sight, a woman in a purple dress is coming towards them. The woman's appearance is extremely charming, and her figure is even more hot. Her purple skirt sets off her graceful figure completely. She is also a very beautiful woman, but she is a grade worse than GUI Lingyun.

Moreover, the woman's charming face, with a very proud look, every move, all exuded a full sense of superiority, as if the world, except her, are some ugly low people!

Ye Chen's eyes flashed, and he didn't like the look of the woman.

However, what attracts Ye Chen's attention more is the divinity of the woman's whole body!

Extremely strong divinity!

It must be that she is the son of God of Tai heaven, and this woman's cultivation is the same as GUI Lingyun.

Beside the woman, there were four men, three men and one woman. The three men, two of whom were young men, were quite handsome in appearance. Moreover, they were eight points similar in appearance. They seemed to be brothers and their spirits were quite strong.

The accomplishments of these two men are the six layers of heaven and earth. However, according to Ye Chen, their real strength is better than that of Guiping and Guixin!

The last man was a middle-aged man with bronze complexion and golden hair. When ye Chen's eyes fell on the middle-aged man, he shrank slightly. He was as awe inspiring as Liang Bo, and he was also a terrible strong man!

The last woman has an ordinary face, but she has a very cold light in her eyes. Her strength is seven layers of heaven and earth, which is a level higher than Guixin and Guiping!

Ye Chen's eyes flashed for a moment. The strength of this group of Tai Tianshen is better than that of GUI Lingyun. Of course, this is not the case with himself.

If ye Chen is willing to hand, as long as the middle-aged man with golden hair doesn't, he will have confidence to crush all the other side!The purple skirt woman and GUI Lingyun looked at each other, and a sarcastic smile appeared at the corner of her mouth. She walked slowly to the people's body and

said, "who am I? Isn't this miss GUI from the hundred barren mountain? You Mountain Ghost clan, also want to touch this Youwang ruins?"

I would advise Miss GUI to return to the hundred barren mountains now, otherwise... "

In her eyes, the chill twinkled: "if you are injured in the ruins, will not the gains outweigh the losses?"

GUI Lingyun coldly looked at the purple skirt woman in front of her and said, "Zhang Yan'er, how can I do GUI Lingyun? It's not your turn to teach me!"

This daughter is Zhang Yan'er, the daughter of the Zhang family, the capital of the God of Tai. Both the gods of Tai live near the mountains of hundred Barrens. The GUI family and the Zhang family have always been at odds with each other. It is not a matter of a year or two for the two women to have a grudge.

Zhang Yan'er smell speech, beautiful eye more cold a minute, this damned woman still really dare to contradict oneself?

Ha ha

Looking at the people behind GUI Lingyun, Zhang Yan'er couldn't help sneering and said, "Gui Lingyun, I advise you to figure out how much you weigh before you answer back. With these people you take, you dare to argue with me!"

GUI Xin, Gui Ping, including GUI Lingyun, all changed their faces slightly

Even Liang Bo's face is heavy!

Seeing these people's looks, Zhang Yan'er's smile became more and more unrestrained. She suddenly turned her head to a young man behind her and said, "Zhang Pu, go and buy all the things on that stall!"

A banter flashed in her eyes. Just now she could see clearly that Gui Lingyun seemed to like the gadgets on the stall. Although she didn't like these rubbish things, as long as GUI Lingyun liked it, it was worth her to buy and rob, right?

Zhang Yan'er just wants to let GUI Lingyun know that she is never her opponent!

Chapter 4184

The young man replied, "yes!" Soon, he came to the stall before he threw out a crystal stone and said to the boss, "I'll take all of this stuff!"

The boss took the stone, his face was overjoyed, and nodded like garlic. He didn't even want this stall. He took the crystal stone and left here.

Ye Chen looks at the amber crystal stone in the boss's hand, with a flash in his eyes!

Among the crystal stones, there is a very rich, and incomparably pure Aura!

However, ye Chen has not seen it. He can't help asking, "xuanxianzi, what is that crystal stone?"

Xuanhan jade said: "that crystal is called xuanjing. The highest currency in foreign countries, xuanjing, is divided into nine grades. The nine grades are the highest and the first is the lowest. With each promotion of a product, the aura in xuanjing will be greatly improved, regardless of its concentration or purity!

Just now, the man took out the second grade xuanjing, which is quite good. Xuanjing itself can be regarded as a kind of treasure. Do you remember that I told you about the spirit of Shengxuan before?

The aura in Xuanjin is much higher than that in other countries. If the martial arts absorb more, though it is far less than that of Shengxuan, it also has similar effects and benefits. "

Ye Chen nods secretly, can take out a second grade xuanjing at will, this is the daughter of Zhang family of Tai Tianshen capital, pour also is really rich and powerful.

It's no wonder that the boss will go straight away. This second grade xuanjing, which he has worked for thousands of years, may not be able to earn it, which has far exceeded the value of these goods!

GUI Lingyun beautiful eyes, anger flash way: "you!"

She knew that Zhang Yan'er did this for her own sake!

"You what you?"

Zhang Yan'er sneered at GUI Lingyun and said, "Zhang Pu, take those things here."

Zhang Pu takes all the exquisite animal bones to Zhang Yan'er's side.

Then, Zhang Yan'er gazed at GUI Lingyun and said with a sneer, "give me all of them

Zhang Pu smell speech, without a trace of hesitation, one by one pick up those animal bones, pinch!

Squeeze it hard!

The sound of click is endless!

Click! Click! Click!

Under the great power of Zhang Pu, the spirit light of that animal bone disappears, and in a blink of an eye, it turns into powder!

Although the animal bone has spiritual power, it is not a real magic weapon, nor is it made of high-level and quiet animal materials. Naturally, it can't resist the power of a warrior!

Soon, under everyone's gaze, the animal bones turned into powder and sprinkled all over the floor

GUI Lingyun's eyes were filled with rage. Among them, there were several things she liked very much, which were destroyed by Zhang Yan'er!

What she couldn't accept most was Zhang Yan'er's eyes!

The look that seemed to laugh at her for being nothing!

GUI Lingyun clenched his fists. His green hair was long, and there was no wind. Among the beautiful eyes of emerald, endless evil spirit was also emitted. The momentum of the eight layers of heaven and earth was faintly distributed!

Seeing GUI Lingyun's appearance, Zhang Yan'er still disdains her.

GUI Lingyun said coldly, "Zhang Yan'er, don't bully people too much!"

Hearing this, Zhang Yan'er burst into laughter and said, "I've been deceiving people too much. How about it? Are you going to do it? Hehe, do you dare to do it? "

GUI Lingyun was biting her teeth, and her palms were bleeding from her nails!

She's full of spiritual power, it seems that she really wants to start here!

However, at this time, Guiping opened his mouth. He looked nervously at Zhang Yan'er and his party: "Miss, there are more people on the other side than us. We will be crushed! Please bear with me... "

GUI Xin, who had not talked much for a long time, also nodded and said: "Miss, now, it is not the time to fight with each other. Now, we are bound to lose both sides if we fight with each other. In this way, it is difficult for us to compete with those forces in the ruins. The gains outweigh the losses! Miss, don't forget the important things that the patriarch told us. Please take the overall situation as the priority. "

Even though Liang Bo did not say a word, his eyes were in favor of GUI Xin's words.

GUI Lingyun breathed heavily for several times before she could suppress the evil spirit. However, her pretty face was extremely cold and ugly. Obviously, her heart was very uncomfortable!

Seeing this, Zhang Yan'er became more and more arrogant and said sarcastically: "ouch? I'm so scared? GUI Lingyun, you almost scared me to death just now? But why not? Look, your palms are bleeding? Why don't you hit me so angry? It's not all fake, is it?

Ha ha, you are worthy of being the daughter of the head of the Mountain Ghost clan. Just like your father, she really knows how to pretend. I was almost cheated by you, but what happened in the end? Is not it? Isn't it shrinking? "

After Zhang Yan'er finished this speech, the whole person was very happy. She had been fighting with GUI Lingyun for many years. Although she had the upper hand every time, she had never scolded her. She was so happy. The most important thing is, looking at GUI Lingyun that although already angry, but can only endure humiliation appearance, simply comfortable to the extreme!

Ye Chen looks plain. He is not GUI Lingyun's real servant and won't interfere in Gui Lingyun's affairs.

GUI Lingyun's delicate body trembled slightly, not afraid, but angry!

However, in the end, she turned around and said hoarsely: "go!"

After that, he will lead the people to leave!

After all, as Guixin said, we should take the overall situation as the most important thing!

Gui Ping and GUI Xinwen said that the body was a little tight, but they all relaxed a little

After all, if there is a real fight, the most miserable end will be the two of them

The strength of GUI Lingyun and Zhang Yan'er is between Bozhong, and the golden haired middle-aged man and Liang Bo are almost the same, but what about them?

If the three servants of the other side, the result can be imagined

Just that pair of brothers, they do not know whether they can win, plus a stronger woman?

So, they don't want both sides to do it at all

Fortunately, GUI Lingyun is not too ambitious.

Ye Chen was directly ignored by them. What is the use of a holy ancestral realm in this case?

Zhang Yan'er laughs and looks at GUI Lingyun and others who are leaving with a winning posture. Suddenly, Zhang Yan'er's eyes flash and her eyes fall on Ye Chen.

At first, a look of surprise appeared on her face, and then her smile became more and more playful and sarcastic!

Originally, ye Chen stood far away from Gui Lingyun. She had not noticed Ye Chen's existence. But now, seeing ye Chen leave with GUI Lingyun and others, she suddenly found out!

GUI Lingyun is surrounded by such a small waste?

How interesting!

Chapter 4185

Zhang Yan'er said in a loud sarcasm: "Oh, GUI Lingyun, the talented man of the holy ancestral realm, where did you find the talent? It's hard to imagine that one of the five clans in the hundred barren mountain has such strength?

Can't you find a decent servant? Is it disgraceful to bring the waste of the holy ancestral land with you? You know, in our Zhang family, even a dog is the least to mend the sky. Why don't I give you a dog so that it won't be so shameful? "

Hearing this, GUI Lingyun's face became more and more gloomy, and her silver teeth were biting. However, she did not turn around and continued to walk forward. She knew that staying here would only bring more humiliation.

And Guiping and Guixin are also ugly!

Guiping is full of fierce look to Ye Chen and shout: "you don't go first? Still so slow? You have to wait for the young lady to leave before you know how to move? You don't even know how to look? Not only strength rubbish, but also brain rubbish. I don't think I've lost enough people, right? "

Ye Chen suddenly stopped and looked at Guiping with frost in his eyes. At first, he borrowed GUI Lingyun's convenience and didn't bother to argue with such villains

But it's a big deal?

He stared at Gui Ping's eyes and said, "shame? Is there any shame on you? What do you think of yourself? I gave you a face? "

For a moment, the street was a little silent!

GUI Lingyun and other people are surprised to see ye Chen.

And Guiping is full of disbelief!

How can he not understand, this has always been, in the face of humiliation is the garbage, how suddenly dare to speak?

What's more, a mouth is so ruthless confrontation ah!

His entourage to the daughter of the head of the Mountain Ghost clan was scolded by a human waste in the holy ancestral land?

With a roar, Guiping was full of the atmosphere of heaven and earth, and broke out crazily, just like a devil. He was going to rush to Ye Chen, and he said angrily, "damn boy, I will make you cry and ask me to let you go!"

Can, his body shape has not yet rushed to Ye Chen, a cold female voice, but in the ear of Guiping exploded!

"Gui Ping, what are you doing?"

The angry face on GUI's plane suddenly dispersed and turned into panic. He could hear clearly the displeasure in Gui Lingyun's words!

He stopped, turned his head and looked at GUI Lingyun. What he saw was a very gloomy face!

Guiping's Spirit gave a shiver. He had never seen miss so angry!

GUI Lingyun looked at Gui Ping in the eyes, even with disgust and contempt!

To tell you the truth, GUI Lingyun thinks Ye Chen is not wrong!

To say shame, Guiping is the real shame!

In the face of the opposite, bear to swallow one's anger, the head dare not lift up, face oneself person on the contrary still bawl?

Also said that ye Chen would not go first, and that ye Chen was disgraced?

It is obviously Zhang Yan'er's sarcasm. Why should ye Chen leave first?

Make Zhang Yan'er laugh at them as if they should? If someone else saw it, they would think that Guiping was a slave of the Zhang family!

Ye Chen took a cold look at Guiping. If it wasn't for GUI Lingyun's words to stop him, he would have killed this guy with a sword!

Zhang Yan'er was even more happy when she saw this scene. She looked at Ye Chen and GUI Lingyun playfully and said, "ha ha ha, GUI Lingyun. I don't understand your taste. Even the kids in shengzujing can enjoy it? However, the boy is very good looking

Little waste, you are blessed. Miss GUI has taken a fancy to you. From now on, you should serve her well? Maybe it will be a great success from then on. "

If ye Chen doesn't dare to speak, she can take ye Chen as the default. Then, it will be fun. If it is spread out, the whole GUI family will lose face?

Ye Chen turned around and looked at Zhang Yan'er without expression and said, "do I have any luck? What's the matter with you? Who I serve is not serving you. Seeing your ugliness, I feel like vomiting. Do you understand me? "

Although Zhang Yan'er is good-looking, she is too disgusting to be a human being

Although Ye Chen's strength is not the opponent of the middle-aged man with golden hair, he is confident to escape from the opponent's hands with his vitality and the power of burning the sky and the strangeness of soul eating Dao Yin!

Zhang Yan'er still has a sarcastic smile on this facet, but the smile is solidified after ye Chen opens his mouth

Did ye Chen reply?

She did not expect, ye Chen really dare to reply, moreover, also directly insulted himself!

Guiping was scolded by Ye Chen, and was already furious, not to mention Zhang Yan'er!

In her identity, she was scolded by a lower servant of GUI family. How humiliating it is!

But GUI Lingyun, Guiping, Guixin, and even Liang Bo, who has always been calm, are all sluggish at the same time

Ye Chen's reaction is greatly beyond their expectation! For a moment, the whole street was a little quiet. When ye Chen scolded Guiping, several other people thought it was OK. Because, as anyone with a clear eye could see, GUI Lingyun maintained Ye Chen a little. Therefore, scolding Guiping would not have too serious consequences.

But now, even Zhang Yan'er has scolded her?

Is this guy really not killing?

Guiping's reaction was even more intense, as if he had been slapped. He rushed to Ye Chen in front of his face and yelled: "you! Crazy? You're crazy, aren't you? "

Ye Chen himself hair nerve doesn't matter, but now this kind of situation but can provoke two sides to fight!

In this case, it is likely that he Guiping will die!

He doesn't want to be implicated in this rubbish!

Guiping suddenly turned around and looked at Zhang Yan'er with a smile on his face. He almost bent over to the ground and saluted: "Miss Zhang, please don't get me wrong. This madman was only met by chance in the ancient forest. Seeing his pity, he asked him to do some chores and follow us. In fact, he had nothing to do with the mountain ghosts.

He has offended you. Please dispose of it at will. If you are afraid of dirty your hands, I can help you! "

"Is it?"

Zhang Yan'er, at the moment, is very angry and laughs. In her beautiful eyes, there is a very fierce light. She has never been a broad-minded person. If anyone offends her, she will let them die!

However, it is not now to start, because she is a little curious, GUI Lingyun will be what reaction?

GUI Lingyun at this time, as if just sober up, she was really shocked by Ye Chen just now!

At the moment, GUI Lingyun looks at Ye Chen, and her pretty face is actually with a touch of red and excited color!

Ye Chen's performance is quite unexpected!

Chapter 4186

At first, the reason why she paid more attention to Ye Chen and even offered to take him to the ancient capital of Youlin was mainly because she felt a kind of inexplicable breath from ye Chen!

The breath, and she saw in the hundred barren mountains, from several other aristocratic families of those guys, seems to be vaguely similar!

Therefore, in Gui Lingyun's view, ye Chen is likely to have a strong demon clan blood!

However, ye Chen's attitude towards Guiping all the way made her a little disappointed

How could that kind of obedience be the attitude of higher demon clan?

Patience is not the character of demon clan!

So she didn't care much about ye Chen. She only thought that she felt wrong

But now, GUI Lingyun looks at Ye Chen's eyes, but is bright up!

Ye Chen's spirit and courage are appreciated by Gui Lingyun!

Although Ye Chen's approach may be a bit rash, it is at least more pleasing than Guiping's low attitude towards Zhang Yan'er!

However, she is also very clear that ye Chen is very angry, but if she does not defend him, he will never get better in the face of Zhang Yan'er's vicious woman

She for a time, show eyebrow micro Cu, whether want to be on for ye Chen and Zhang Yan'er?

Although in today's GUI Lingyun's opinion, ye Chen is basically impossible to be a demon clan with strong blood. However, because of Ye Chen's words, GUI Lingyun does not want to ignore him!

Several people present, only Ye Chen stood up and spoke for her, and said what she wanted to say most!

In the beautiful eyes of GUI Lingyun, a decisive color flashed.

At the next moment, she appeared in front of Ye Chen. She looked at Zhang Yan'er and said, "Zhang Yan'er, he belongs to Gui family. If you have any problems, please contact me."

The people present were shocked again!

Zhang Yan'er also couldn't believe to look at GUI Lingyun. She didn't expect that Gui Lingyun, who had just been about to swallow her breath, was really fighting with herself for a little waste in the holy ancestral land?

Guiping is more like a ghost, opened his mouth, but did not know what to say

Is this kid using some enchantment?

It turned out to be a girl like this!

His mouth moved, as if to squeeze out words from the throat, but, GUI Lingyun is coldly looked at him and said: "you, shut up."

Guiping smell speech, face color can't help but a burst of red and white cross!

He has been with GUI Lingyun for so long. GUI Lingyun has never told him to shut up and scold him!

For a moment, Guiping was angry and unwilling to the extreme. He looked at Ye Chen with bloodshot eyes. Everything was because of the appearance of this waste!

If it was not for him, Miss would never treat herself like this!

He would like to directly tear Ye Chen into pieces!

Guixin and Liang Bo's faces were not good-looking, but they didn't speak. They didn't have the same look as Guiping!

Liang Bo is full of surging aura. His eyes are fixed on the middle-aged man with golden hair. The most important responsibility of his trip is to ensure the safety of GUI Lingyun. Once the battle begins, he will escort GUI Lingyun away no matter what!

Even ye Chen, is extremely surprised to see GUI Lingyun. He did not expect that Gui Lingyun would stand up to face Zhang Yan'er for himself?

The reason why he started to scold Zhang Yan'er was that Zhang Yan'er was involved in himself.

With a roar, Zhang Yan'er's breath burst out. With her huge divinity, she looks like a goddess overlooking all living beings!

She looked at GUI Lingyun fiercely and said, "Gui Lingyun, do you really want to fight for this boy who is not as good as a dog? Ha ha, I'll give you a chance to apologize and repent! "

GUI Lingyun smell speech, but smile, her fresh and natural breath, instantly into arrogance!

Green eyes, full of domineering color, and Zhang Yan'er looked at each other and said: "you talk a lot, ye Chen said well, you really know how to shout! If you want to fight, do it! "

The Mountain Ghost clan, when calm, is like a breeze in the forest, incomparably harmonious, and when angry, it is like a thunderstorm and storm, to crush everything!

She has endured for a long time, and if she continues to endure, she will even have flaws in her heart!

Isn't Zhang Yan'er arrogant?

Then fight!

Do you really think she is afraid of death?

Ha ha, if she really died here, let alone Zhang Yan'er, the whole Tai God, even have to pay a heavy price!

This time, Zhang Yan'er's face has changed

Her face was dim and ugly

Before, she repeatedly defied GUI Lingyun because she knew that the relic of Youwang opened this time was extremely important to the mountain ghosts. She decided that Gui Lingyun did not dare to take the risk to fight with her here! If Zhang Yan'er wants to fight, it's not true!

Shangui is famous for her ruthlessness. Even if she is confident, her own strength is stronger than GUI Lingyun and others. She will win!

But

Want to pay no price, but impossible!

In this way, it is almost impossible for them to take advantage of other forces in the ruins of Youwang!

In other words, it's not good for them!

Previously, she was just bluffing!

What's more, her judgment is basically right, but she really suppressed GUI Lingyun!

She was forced to be soft!

Originally, the matter here, can be said to be very perfect, but who thought, just because a son of the holy ancestral land was stirred yellow?

Now, on the contrary, it's her who can't come down!

When GUI Lingyun saw Zhang Yan'er's look, a glimmer of enlightenment flashed through her beautiful eyes!

It turns out that Zhang Yan'er doesn't dare to fight at all!

She raised a smile and said, "what? Just say, don't move? Are you going to fight or not? "

GUI Lingyun delicate body, send out a very frightening breath, find out the details of Zhang Yan'er, her strength is more sufficient!

"Damn it!" Zhang Yan'er looked at GUI Lingyun and his party fiercely and said: "Gui Lingyun, listen to me. No matter what is in the Youwang ruins, I promise that it will not fall into your hands! And they're going to kill me with all this

At last, Zhang Yan'er's murderous eyes fell on Ye Chen's body and said with great resentment: "especially you, rubbish. Do you dare to scold me? Ha ha, I will make you regret it

After that, she moved and swept away to the distance and said, "go! Let these people live a few more days! "

After Zhang Yan'er and his party left, GUI Lingyun was silent for a moment, then suddenly burst out laughing!

She and Zhang Yan'er can be said to be from a small fight to a big one. It's refreshing to see Zhang Yan'er leave in front of her in a gray way!

## Chapter 4187

The next moment, GUI Lingyun turned her head and coldly glared at Guiping and said, "Guiping, if you don't want to flatter others in the future, don't follow me! As a warrior, do you have dignity? "

Guiping's performance this time really let her down!

Guiping is her entourage, but in case of an accident, let alone in front of her own body, she almost kneels down in front of the enemy?

What are these retinues doing here?

Seriously, it's better to have a dog!

Guiping, who dares to complain, has to nod repeatedly.

But the bottom of my heart is hate Ye Chen!

He secretly vowed that ye Chen would die if he had a chance!

Ye Chen glanced at Guiping, as if seeing through his thoughts, but in his heart he sneered. He let go of Guiping once, but he would not let go. As for what demon blood is no longer important.

Ye Chen smiles, does not speak, but looks a little strange

The reason why he opened his mouth was that when Zhang Yan'er ridiculed GUI Lingyun, she took herself with her and didn't mean to take the lead for GUI Lingyun

Of course, he did not want to let GUI Lingyun defend himself.

After all, he seems to be just a warrior in the holy ancestral land, and he is basically a stranger. For GUI Lingyun, there is no value in maintaining it. However, to his surprise, GUI Lingyun still does this!

Martial arts world, incomparably cruel, has always been the interest first! It can be said that Gui Lingyun's practice is too naive

Many martial arts people will sneer at this!

However, this kind of innocence is actually Ye Chen's favorite, his heart to Gui Lingyun this woman's good feeling is also deeper and deeper.

Several people in the ancient capital of the forest, looking for an inn to stay and rest.

Two days later, ye Chen, GUI Lingyun and Liang Bo all looked at the same time and looked in a certain direction. The next moment, they appeared above the inn.

At the same time, the whole ancient forest capital, there are hundreds of escape light flying!

Ye Chen's eyes flashed. At the end of the line of sight, the blue and black Yin Qi pervaded the whole sky. Even though there were hundreds of thousands of miles away from here, the icy cold still covered the whole ancient forest capital in an instant!

Even GUI Lingyun, a strong man in the eight layers of heaven and earth, felt a little uncomfortable after the cold and overcast, and could not help frowning slightly.

Ye Chen looked at GUI Lingyun and said, "Miss GUI, is that where..."

GUI Lingyun nodded his head and said, "yes, that's where you king's ruins are opened! Let's go, too

While they were talking, there were already many escaping lights flying towards the place where the Youwang remains.

Soon, Guiping and Guixin also appeared in the air.

Staring at the direction of the sky, we were startled

The next moment, the sedan chair outside the ancient capital of Youlin turned into a five color aura and appeared behind GUI Lingyun.

When she stepped into the sedan chair, Guiping and Guixin lifted the sedan chair again. Ye Chen and Liang Bo followed the sedan chair. The light of several people flashed around them, and they turned into a startling rainbow, shooting towards the opening of the Youwang ruins!

After a while, people came to the ruins.

Ye Chen's eyes flash, the first thing to see is a gate!

Up to 1000 meters, the whole body is dark and black, with countless mysterious runes engraved on the metal gate!

And the rolling Yin Qi is just above this gate, sending out!

The gate is hanging in the air, and behind it is nothing.

This gate should be the entrance of the Youwang relic, but no one can enter it until the relic is really opened.

And ye Chen's second eye is to see dense figures!

At the moment, thousands of warriors gathered in front of the gate!

In addition, there are also continuous Dun Guang coming towards here!

Ye Chen's eyes flashed. The intelligence only mentioned several hidden forces of Shen Yuehai, but he didn't expect that there were so many people coming!

His eyes swept through the crowd, and soon, he stopped at a few breath far beyond the figure of the crowd!

Those people are very young, no more than a thousand years old, but their strength is very strong, one by one their accomplishments have reached the origin of half a step!

At this time, GUI Lingyun in the sedan chair seemed to notice Ye Chen's eyes, and suddenly said, "those people you are looking at are Xu beikui, a genius in Yangzhen region, Chen Wuju, the proud son of ghost road in Tianren domain, Lei Luocho, the son of yinlei clan head of Wanjun Yougu, and zhenzhuan disciple of baigui sect..."

With that, the tone of GUI Lingyun was dignified!

This time, the competition for the ruins of Youwang is more fierce than she imagined!

I'm afraid that the most important thing for you to enter the ruins of Lingyun is that you can't stand in the ruins! Please don't forget it! Ye Chen's face moved, and his eyes looked strangely at Liang Bo, unable to accompany him into the ruins?

What does that mean?

Liang Bo took a look at Ye Chen. His gray eyes flashed for a moment. He didn't know what he was thinking about. Suddenly, he said, "the only one who can enter the ruins of Youwang is those who are under the age of 1000. Once they are surpassed, they will be difficult to pass through."

Ye Chen hears the speech, in the heart can't help but get a joy!

Without the threat of Liang Bo, even those talented people, their strength is not weak, but ye Chen is also confident that he can fight against one of them!

Liang Bo saw Ye Chen's look, and his eyes flashed again. He seemed to affirm some ideas.

He suddenly whispered to Gui Lingyun: "Miss, after you enter the ruins, you can stay with Mr. Ye as much as possible. Maybe it will be safer."

GUI Lingyun heard the words, and a touch of shock appeared on her pretty face!

What does Liang Bo mean?

Although she appreciates Ye Chen's temperament, in the final analysis, ye Chen is just a warrior in the holy ancestral realm

What is the use of this strength in the ruins of the Youwang?

Why does Liang Bo want to stay with Ye Chen more?

However, GUI Lingyun didn't ask much, just nodded in secret.

She is very clear that Liang Bo's experience in the world is far from her own!

Chapter 4188

Therefore, she believed that Liang Bo must have seen something on Ye Chen that she had not noticed.

For a time, GUI Lingyun's beautiful eyes flashed up.

The Mountain Ghost family has part of the demon blood. GUI Lingyun was interested in Ye Chen at the beginning because of the blood breath of Ye Chen!

Perhaps, ye Chen is not as simple as she imagined!

She walked out of the sedan chair slowly, and as soon as she appeared, she surprised the whole audience. GUI Lingyun was really beautiful, and she also had a foreign style, which was a kind of beauty that the human race could not have.

However, these martial artists were just looking at it. None of them dared to do anything else

Because, there is a figure has come to Gui Lingyun, a very strong figure.

The visitor is a handsome man with sword eyebrows and bright eyes, wearing a white robe and a purple jade three edged thorn hanging from his waist.

With a smile on his face, he calmly smiles at GUI Lingyun and says, "Lingyun, long time no see."

The man's tone was rather intimate!

But along the way, all exuded natural temperament, just like the breeze general elegant, rarely has any expression change GUI Lingyun, actually is to smile at this man: "Mr. Zhou."

Ye Chen's eyes toward this man, can't help but flash, this person's name is Zhou Qiong, according to Gui Lingyun's introduction, it's a woman with hidden power in Yangzhen region. Although it's good, it's not important to have a life. No one will be so stupid. At this time, he and Zhou Qiong rob a woman!

Zhou Qiong said mildly, "Lingyun, there are many dangers in the ruins of Youwang. You can go with me. At least you can have a guarantee for your safety."

GUI Lingyun heard the speech, her beautiful eyes flashed, and she kept smiling: "now, I don't know whether entering the ruins will be randomly transmitted to different locations. It's useless to say that."

Although she did not explicitly refuse, she did not agree.

Zhou Qiong smell speech but don't care, nodded, then returned to their position just now.

After Zhou Qiong left, GUI Lingyun whispered to Ye Chen: "there are many talented people on the list of foreign gods. Be careful. Don't provoke these people..."

Facing Zhang Yan'er, ye Chen is able to confront Zhang Yan'er directly. Naturally, GUI Lingyun doesn't know what her personality is

But if ye Chen provokes some people here, even she can't keep Ye Chen

Ye Chen heard the words, but his eyes flashed: "foreign god star list? What is that? "

GUI Lingyun looks at Ye Chen from afar. Ye Chen doesn't even know the star list of foreign gods?

She took out a jade slip, handed it to Ye Chen, and said, "there are 10000 names on this list of foreign gods. All of them are martial artists under the age of one thousand."

On GUI Lingyun's pretty face, with a dignified color, he said: "don't think there are many of these ten thousand names. This is the best ten thousand martial arts practitioners in the whole country! How many people are outside the country? Trillion? And these 10000 people are the most talented of the younger generation! "

Ye Chen's mind swept toward the jade slips. What was recorded in the jade slips was the star list of foreign gods!

Soon, he found the names of GUI Lingyun and Zhou Qiong on the list!

GUI Lingyun, on the list, also records a number of records set by Zhou Qiong. For example, when she was nine years old, she became the fastest demon in the history of Zhou family in Yangzhen region!

At the age of 130, he advanced to the realm of heaven and earth!

In the same year, the jade God stab, which is a secret of the Zhou family, was cultivated to a perfect state!

Even, not long ago, Zhou Qiong also killed an injured Shiyuan yiyitian's existence!

As a matter of fact, the strength is also the top level among the half step beginners!

Ye Chen eyes a jump, some accidents, such as Zhou Qiong, GUI Lingyun such evil spirits can only row to more than 9000?

That is to say, GUI Lingyun, who was put out like this to shock all ages, was just barely qualified to enter the list of foreign gods and stars!

His heart could not help sinking slightly, it can be imagined that the evil spirits in the real front row of the God Star list, how terrible!

Ye Chen's sight is constantly sweeping down, and his eyes suddenly fall on a special text.

The God Star list is not only arranged by people's names, but also has some special appellations!

And now, he saw a familiar name!

Jue Han Emperor Palace master!!

Outsiders don't know the real identity of the palace master of juechan emperor's palace, but ye Chen is very clear!

He is Wei Ying!

Wei Ying follows Su Mo han to experience, and her accomplishments will certainly advance by leaps and bounds!

And now Wei Ying in the rankings, even reached 7000!!!

It can be imagined that Wei Ying's strength is extremely terrible now!

However, ye Chen did not go to see it for the time being. At present, what he should pay attention to is only the ruins of Youwang.

He nodded to Gui Lingyun and said, "I know."

Not far away, Zhang Yan'er looks at GUI Lingyun with anger hidden in her eyes. A touch of jealousy flashed on her face! In fact, the contradiction between them started because of Zhou Qiong!

Zhang Yan'er has loved Zhou Qiong for a long time, but Zhou Qiong only has GUI Lingyun in her eyes!

She turned her eyes to Ye Chen, and a bitter smile rose from her mouth.

Zhang Yan'er suddenly said, "brother Lin, the boy who offended me is him!"

Standing next to Zhang Yan'er was a young man with a rather chilly look, dressed in a brocade robe, and a gold thread wound around his wrist.

The name of this person is Lin Xiaoshun. He is also a genius on the list of God stars. He is also the engagement arranged for Zhang Yan'er by Zhang family, the God of Thailand!

Tai tianshendu, excluding foreigners, there is only one exception, the owner of God blood!

As long as the other side's blood is strong enough to a certain extent, the big family of Tai tianshendu will be willing to accept each other!

Because, the God blood of different Protoss is mixed, there is a great chance that more powerful descendants can be born!

Chapter 4189

Lin Xiaoshun looked at Ye Chen's direction at will, as if he were looking at a bug. The existence of a holy ancestral realm had no qualification to enter his eyes.

However, since Zhang Yan'er opened her mouth, let's crush her to death.

With a faint smile on his face and a movement of his body, he came to Gui Lingyun. With a wave of his hand, a jade bottle was suspended in front of him, looked at GUI Lingyun and said, "Miss GUI, what is in this jade bottle is tianjueyuan incense of Tianjue gate. I want to exchange Jueyuan incense of this day for your saint ancestor territory servant. What do you think

For a moment, all people's eyes are focused on Ye Chen's body!

Shock flashed on their faces!

Mr. Lin, what a big pen!

Jueyuan incense is a kind of spirit liquid. It is said that it has a certain effect on the martial arts of Shiyuan when they break through the bottleneck. Every drop is a treasure!

But Lin Xiaoshun took out a bottle directly?

In exchange for the waste of a holy ancestral land?

That's the real money!

And Guiping is the face of schadenfreude and pleasure!

Ha ha, little punk, you think it's OK to hide behind a woman?

Retribution has come!

Almost everyone thought that Gui Lingyun would agree with Lin Xiaoshun without hesitation.

After all, a servant of the holy ancestral realm?

It's shameful to take it with you. How important is Tianjue Yuanxiang?

They all want to make a decision for GUI Lingyun.

However, GUI Lingyun was coldly looking at Lin Xiaoshun and saying, "you despise my GUI family? Even if you take out ten bottles of tianjueyuan incense, I will not give you the GUI family people! "

When people heard the words, they were all in a daze

This GUI Lingyun's answer is incredible!

Martial arts, pay attention to the interests!

What family facade?

That's just an excuse

GUI Lingyun, did you really refuse this lucrative deal with this reason?

Just then, a charming female voice sounded in the crowd.

Zhang Yan'er looked at GUI Lingyun and ye Chen, and said with a smile, "brother Lin, I said, Miss GUI, how can you hand over this servant? You know, when the servant offended me, Miss GUI was very anxious to defend her. The handsome boy was just her scale. Even she did not hesitate to fight with me

When they heard the speech, they were surprised again. However, their eyes towards GUI Ling Yun and ye Chen showed a sudden look on their faces

So it is

A vague smile appeared on their faces and looked at Zhou Qiong standing on one side.

Ha ha, I can't believe that child Zhou is such an evil spirit who wears a green hat one day. When it comes out, it will cause quite a stir in the whole country, right?

Sure enough, after Zhou Qiong heard the words, her handsome face was completely covered with ice. In her eyes, she was killing and staring at Ye Chen!

"What nonsense are you talking about?" GUI Lingyun's face changed, and she gave a drink to Zhang Yan'er.

So far, where can't she react?

Zhang Yan'er and Lin Xiaoshun performed this wonderful play in order to stimulate Zhou Qiong!

It's a good game to kill people with a sword!

Zhang Yan'er looks more playful: "nonsense? Ha ha, there are many witnesses on the scene. Do you dare to deny that you have defended this boy? What's more, it's not only you, the son of the holy ancestral land, who offended me for your sake?"

Originally, I also wonder where the courage of a kid from the holy ancestral land dare to contradict me? Later, I realized that it was... "

"Zhang Yan'er, stop talking to me!"

Zhou Qiong burst into a violent drink, and her murderous spirit, like a storm, swept through the audience. Zhang Yan'er heard her words and closed her lips, and she really stopped talking.

She had a sneer on her face, but there was no need to go on. Her purpose had been achieved.

For a moment, Zhou Qiong, Lin Xiaoshun and Zhang Yan'er are all staring at Ye Chen coldly!

GUI Lingyun's look became more and more ugly. She stood in front of Ye Chen and said in a deep voice: "what do you mean? In front of so many people, want to sweep my GUI family's face?"

If you want to do this, come to me. Some famous people in foreign countries have made their names on the list of God stars. Do you want to have a servant who is no more than 30 years old in the holy ancestral land

At the same time, she was also under great pressure from the three immortals!

However, GUI Lingyun did not retreat!

Seeing GUI Lingyun, Zhou Qiong's face became more and more ugly when he saw GUI Lingyun. However, he took a deep breath, forced down his anger, turned his head, and no longer looked at him.

This little trash, he must kill, of course, not here.

Just like GUI Lingyun said, killing Ye Chen here, how much will sweep the face of the GUI family, which will inevitably arouse GUI Lingyun's disgust! However, it is not the same when you are in the ruins of Youwang!

Let him live a little longer.

However, Zhang Yan'er obviously didn't let Ye Chen off!

In her big eyes, she looked at Lin Xiaoshun with a look of injustice. She looked like a girl who had been bullied. Her plump chest pressed Lin Xiaoshun's arm tightly and said in a soft voice: "brother Lin, this boy, if you scold me, it's disgusting. I'm shaking with anger when I think about it."

Lin Xiaoshun's eyes were filled with an inexplicable flame, and his whole body seemed to be on fire. At the next moment, he took a deep breath and sneered, "don't worry, Yan'er."

After that, he looked at GUI Lingyun and said, "Miss GUI, your servant is very talented, isn't it? In their twenties, cultivation is already the holy ancestral realm? "

GUI Lingyun frowned and said, "so what?"

Lin Xiaoshun said well, although the holy ancestral realm is not strong, but the point is, ye Chen's age!

Compared with Zhou Qiong, the holy ancestral land in her twenties is not much worse than that of Zhou Qiong!

Lin Xiaoshun said with a smile: "nothing. Seeing such a good seedling, Lin also has a love for talents. It's better for Lin to have a discussion with your servant and give him some advice. Maybe, he can go further on the road of martial arts."

He specially accentuated his intonation in two further words!

Guidance?

When they heard this, they all looked at Lin Xiaoshun strangely

This Lin Xiaoshun really does everything in order to get angry with women?

Can you find out why?

A genius on the God Star list wants to compete with the kids in the holy ancestral realm?

It's like, a tiger wants to teach ants how to hunt

GUI Lingyun, with a deep complexion, looked at Lin Xiaoshun and said, "the people of my GUI family don't need any advice from outsiders."

Continue maintenance?

Zhou Qiong's eyes are bursting with fire!

Chapter 4190

He is not a fool. Naturally, we can see that Zhang Yan'er means to be a gunner!

Therefore, Zhang Yan'er's words, he did not fully believe, is probably just a rumor.

But now, his mind has changed!

GUI Lingyun will not maintain a servant no matter how, to this point?

Is there really something between her and this boy!?

This kind of doubt is just like a claw, scratching Zhou Qiong's heart, he even wants to be reckless in front of the public, will ye Chen big pieces!

But at this time, Lin Xiaoshun opened his mouth again. His voice was cold and said, "if I have to instruct him? Miss GUI, you have to know that if you want to grow up by yourself, it's useless to protect yourself?"

Now, there is still a little time before you can open the ruins of Youwang. It's a good opportunity, don't you think? "

After that, he was full of momentum, step by step toward GUI Lingyun!

When this was said, all the people present changed their faces slightly!

Lin Xiaoshun is too overbearing!

Does he really want to be here and tear his face with the GUI family?

Liang Bo, standing next to Gui Lingyun, and an old man behind Lin Xiaoshun with purple lines on their faces. They are all eyes flashing and full of aura. They are ready to hand at any time!

GUI Lingyun's pretty face is slightly white, and she is still biting her teeth. In terms of strength, Lin Xiaoshun is above her. Facing this Lin Xiaoshun, GUI Lingyun feels extremely strong pressure!

And Lin Xiaoshun so overbearing practice, is to make her extremely angry!

However, if you really fight with Lin Xiaoshun, you will surely lose on your side. If she is injured now, you king remains can be said to have nothing to do with her!

For a time, GUI Lingyun is also a bit of a dilemma, do not know whether to move!

At this time, Lin Xiaoshun has been with her only a few steps away!

In her beautiful eyes, suddenly flashed a decisive color, the whole body breath instantly fierce up, seems to be about to hand!

But at this time, a faint man's voice reverberated in front of the metal gate.

"You want to teach me? Can you have a face? "

For a time, the metal gate before the square miles, it seems, because of this sentence, fell into silence!

In people's minds, it seems that there is a thundering thunder!

And the footstep of Lin Xiaoshun, also is momentarily stiff!

At the next moment, everyone's face appeared a very excited look, in the eyes, the light was bright!

Look at the sound of the source one after another!

It's not ye Chen. Who else?

A kid from the holy ancestral land, how proud he is?

Even if, in the face of Lin Xiaoshun or refused to bow?

This is no longer a question of whether to pretend or not!

But the real unyielding, the real strong!

Hearing this, GUI Lingyun became pale and bloodless

Ye Chen, what are you doing!!!

At this time, we have to challenge Lin Xiaoshun!?

You know, Lin Xiaoshun is extremely good face, in front of so many people, said such words to him, even Zhou Qiong, he may have to fight!

It is impossible to let Ye Chen go now!

GUI Lingyun took a deep breath and whispered to Ye Chen: "Ye Chen, you run away now, I try to stop him!"

At present, only let Ye Chen escape, there is a ray of life!

However, ye Chen did not seem to hear her speak in general, indifferent!

GUI Lingyun is really in a hurry!

Is Ye Chen not really so reckless?

To fight against Lin Xiaoshun?

With his accomplishments, he is looking for death!

But at the moment, Lin Xiaoshun is smiling, just like a poisonous dragon opening his mouth!

His eyes were bloodshot and his face was ferocious. He looked at Ye Chen cruelly and said, "good, very good, Miss GUI. Is this GUI family servant really backbone? Let me have a face? "

GUI Lingyun clenched his fists and suddenly said, "it's just his impulse. I Say sorry for him and you... "

Bow down!

GUI Lingyun, bow down for a servant!

People's looks, more wonderful!

And Zhou Qiong's blue veins on her forehead are clearly visible!

"Sorry?" The fierce light in Lin Xiaoshun's eyes became more powerful and said: "Miss GUI, your apology doesn't mean anything to me. I have only one idea now, which is to find my face back!"

At the end of his speech, he was almost roaring!

But at this time, ye Chen had already shaken GUI Lingyun, looked at Lin Xiaoshun with a plain face and said, "do you love to cry like your woman? It doesn't mean anything if you shout it out loud. ""Ye Chen, you!"

GUI Lingyun, really angry!

She tries her best to protect Ye Chen, but ye Chen jumps into the fire pit himself?

He doesn't really think that Lin Xiaoshun wants to instruct him, does he?

Ye Chen is calm to see GUI Lingyun one eye way: "this matter, you don't have to intervene, with him, can't hurt me."

Hearing Ye Chen's words, GUI Lingyun is going crazy!

Self confidence is a good thing

But there must be a limit, right?

He has done this, but ye Chen asked her not to interfere?

It's like I'm meddling!

No man has ever had such an attitude towards her!

"Good! I won't interfere! If you like to die, you can die! "

Although Chen Yun met with a heart, no matter how angry she was, she would still be angry!

Although, that will never be better, but it is better than death!

Hearing the speech, Lin Xiaoshun burst out laughing. He has never seen such a stupid guy! Some talent, really think they are invincible?

However, it was just what he wanted!

Lin Xiaoshun looked at Ye Chen and said, "boy, I understand why Miss GUI is attracted to you. Well, a man should be confident, but if he is overconfident, he has no brain. Understand?"

"Understand?"

The corner of Ye Chen's mouth raised a smile and said: "I'll let you point out your face, understand? So, you're confident? Well, don't give me any advice. You don't deserve it. Don't you want to kill me? Well, I'll give you a chance. How about you and me fighting for life and death? "

When people hear this, their brains are going to stop working

They are one by one, with their mouths wide open, almost petrified!

Active life and death?

A holy ancestral realm, active and heaven and earth, nine layers of heaven, life and death war?

Is that right?

Where is pride and madness?

That's crazy!

Even Lin Xiaoshun has been suppressed by Ye Chen's words!

When GUI Lingyun heard the words, a look of despair suddenly appeared in her beautiful eyes

It's over. Ye Chen is hopeless
