

Physician 4411

Chapter 4411

"Yes."

Yan Kun and others welcome Ye Chen into the mountain and let him rest at ease.

In the room, ye Chen sits with his knees crossed, takes out the blood pill of nine days thunder, and swallows it directly.

Boom!

With the continuous breath of blood, a burst of blood.

Under the nourishment of Jiutian Lei Shen Xue Dan, ye Chen's body recovered rapidly and his vitality and spirit recovered to perfection.

The blood pill of Dayuan beast is full of energy and is suitable for relieving Ye Chen's sequelae.

"Oh, it's OK."

Ye Chen breathed a sigh of relief and took out a seal.

This seal is purple in color and full of immortal spirit. It is the purple ribbon thousand machine seal.

"With this magic weapon, I will not be so embarrassed when I incarnate as Xianzai next time."

Ye Chen thought that the purple ribbon thousand machine seal is the best magic weapon to assist the master of the sword technique.

With the help of purple ribbon thousand machine seal, immortal Qi can nourish one's health, so it will not be eaten back.

"Xiao shuihan is in heaven prison. What happened?"

After ye Chen's mental state recovered, he quickly calmed his mind and reconsidered the problem just now.

Xiao shuihan has a killing intention and wants to challenge xuanjiyue, but the magic Qi vision disappears in vain. Behind this, there must be amazing changes.

"It looks like we're going to heaven prison again."

Ye Chen ponders silently that Xiao shuihan's sword dominates the enchantment. If the weather is so big, he will surely suffer the overwhelming reverse.

He can't watch Xiao shuihan's accident. He has to go to the prison.

After he left Tianjian at the beginning, ye Chen's strength increased greatly during this period. He had reached the six levels of sky mending realm. If he went to Tianjian again, he was confident to deal with all the accidents.

Ye Chen takes a night off and adjusts his physical constitution and mental state to the peak.

In the early morning of the next day, he got up early and prepared to go to the prison.

"Big brother, the devil is coming."

However, at this time, Yan Kun brought a surprising news.

"Is the demon emperor coming back?"

Ye Chen was surprised and took the blood dragon and others out of the mountain gate to see a man in a black robe with a sword on his waist, and a girl riding a Nine Tailed Fox waiting for him.

"Ye Chen, long time no see."

The man in black smiles, and his posture is free and unrestrained.

"Master devil!"

It's the black emperor's robe. It's amazing!

The emperor was dressed in the robe of breaking the army and wearing the sword of killing immortals on his waist.

Compared with the past, the breath of the dark emperor is much stronger than before, and it is enough to reach the six layers of heaven in the original state!

Moreover, he was haunted by some strange crows.

These crows are black and full of black fire. They are very strange.

"Master devil, this is..."

Ye Chen stares at those crows, vaguely, he catches the cause and effect of the real treasure!

"During the time when you and I were apart, we practiced everywhere and gained a lot of adventure. Our cultivation was promoted to six layers of heaven in Shiyuan, and we also got the legendary supreme treasure, Qisha Wanya pot."

A magic weapon in the shape of a jade pot appears in the air.

The whole body of the jade pot is gray and full of dark evil spirit. There is a black flaming crow flying and dancing, sending out a sad and hoarse strange cry.

"The twelve true treasures of the supreme emperor, the seven evil spirits and the ten thousand crows pot!"

Ye Chen's pupil shrank, and immediately recognized it.

The jade pot of Zha Tianmo emperor is one of the most precious treasures of the thirty-three days of Hongmeng. Later, it was refined by the superior and became the real treasure of the magic road. It was called Qisha Wanya pot. It could evolve into thousands of fire crows, burning mountains and boiling sea. It was extremely powerful.

It seems that during this period of time, the evil emperor of the sky had a great adventure. He actually got the seven evil thousand crow pot. This magic treasure is very suitable for him to use.

"Brother devil, is this the elder brother you often say ye Chen?"

The girl around the dark emperor, crisp voice mouth, quite a bit curious, looking at Ye Chen.

Ye Chen is also a little curious, looking at the girl.

The blood dragon on one side, however, was surprised and said, "Chi Yao girl!"

With a smile, the girl said, "brother Xuelong, long time no see."

It turns out that this girl is the reincarnation of the ancient flying Yao emperor, Yuchi Yao!

The fox she was riding was the Nine Tailed foxes among the ten evils in ancient times.

At the beginning, they competed for the Dragon beads of Yunlei emperor, Zhetian devil emperor and blood dragon. They once had a causal relationship with yuchiyao.

Now after such a long time, the causal relationship has not been broken.

He went out to experience, but he regained his old fate and got together with Yu Chi Yao.

Yuchi Yao's cultivation was in the early stage of the original territory. He mastered the misty rain and fog in the Mongolian Dharma of 33 Tianhong, and cooperated with the ancient fierce Nine Tailed Fox. His strength was not weak. "Miss Chi Yao, nice to meet you."

Ye Chen arched his hands and was very happy.

It is good to have one more person to help.

Yuchiyao's misty rain covers the sky, and the shielding effect is very good. If she makes a move, the sky is covered with misty rain, and the yuan Heavenly God army breaks out in the smoke, he will surely be able to kill the emperor Shitian by surprise!

"I heard that emperor Shitian was going to hold a butcher's meeting. It seems that it's not good for you. I wanted to experience for a while, and then I would come back to you when the meeting was about to start. But yesterday, the evil spirit of heaven and evil broke out. I had a premonition that something might happen, so I came back early."

The dark emperor told the reason. There was still a period of time before the slaughter ceremony began. He had planned to come back later.

But he was shocked by the evil spirit that broke out yesterday.

So he came back early.

Ye Chen said with a smile: "it's OK. It's all over. I can solve it."

"Ye Chen, I come back this time to help you. The evil source is from the heaven prison. I'm going to go to the heaven prison to investigate the cause and effect."

"What's more, the legendary supreme love is also in the heaven prison. If we have the opportunity to cut off the supreme love, we can get the blessing of the superior and fight against the emperor Shitian and xuanjiyue!"

"Too much love, you should have never heard of it. I'll tell you..."

Ye Chen shook his head and said, "no, I don't need to. I know everything about Tianguan. I know it better than you do..."

With a long sigh, ye Chen gives a brief account of the complicated causes and effects of Tianyu God Emperor, Xiao shuihan, liudaozong, xuanjiyue, wanjiesi and so on.

Wen Yan, Zha Tian Mo Di, Xue long, Yan Kun and others are all pale.

"I can't believe that there is such a complicated cause and effect behind this. The evil Qi that broke out yesterday is from Xiao shuihan?" he said in a deep voice

Ye Chen said, "well," he nodded and said, "I know Xiao shuihan's character very well. Once he broke out, there was no reason for him to stop. But yesterday's evil spirit stopped suddenly. There must be something wrong in the prison. I'm going to investigate."

"It's so good. I also want to go to the heaven prison to see the love of all kinds of calamities. If I can get the blessing of the superior, I can go against the heaven one step at a time."

Chapter 4412

Qisha Wanya pot is the magic weapon refined by the superior. After the emperor Zha got it, he relied on the breath of the magic weapon to deduce the cause and effect of the Wanjie love.

If you can cut off the feelings of all kinds of calamities, you will get the favor and blessing of the superior. If you have a great fortune, you will be able to step up to the sky. I don't know how many years of hard work will be saved.

Only those who want to fight against the supreme emperor are those who want to fight against the emperor.

"Wanjiesi, Tianyu God as the lifeblood, we don't say cut off, even if it is close, are wishful thinking."

Ye Chen shakes his head. He also knows the importance of love. If he gets the blessing of the superior, he will be qualified to fight against the emperor Shitian and xuanjiyue.

But the problem is, this love of all kinds of calamities, the heavenly prison God is guarding against death, can't let any outsider approach.

Once anyone dares to get involved in the love, he must be revenged by the God of heaven!

"Don't worry, we have chiyao sister," he said with a smile

Yu Chi Yao said with a smile, "elder brother Ye Chen, I am proficient in the misty and misty way. When I go to the heavenly prison, I can confuse the sight of the heavenly prison God and create opportunities for you."

When ye Chen's eyes brighten, Yu Chi Yao is the reincarnation of the flying Yao emperor in ancient times. The misty rain covers the sky and the sky is unpredictable. If there is her hand, it is really possible to confuse the God of heaven prison, sneak into the heaven prison and cut off the love.

"Don't hesitate, I feel the most dangerous chance. There will be someone to sneak into the heaven prison. They also want to cut off the love. If we don't hurry up, I'm afraid we will be caught first."

Ye Chen said, "good!"

If you can cut off the love of the supreme and understand the law of the superior, ye Chen will be able to grasp more in the assembly of butcher saint.

Moreover, he also wanted to go to the prison to investigate Xiao shuihan.

Yesterday's Xiao shuihan was not only the incarnation of the demon master, but also the light of Buddha. He transformed into a magic Buddha. I don't know what kind of adventure he has.

At last, the evil spirit suddenly disappeared. I don't know what happened to him.

Ye Chen just wants to go to the prison quickly and find out the cause and effect behind it.

After the negotiation, ye Chen, Zha Tian Mo Di and Yu Chi Yao tear up the void and rush to the heaven prison.

XUELONG, Yankun and others stayed in liudaozong.

It's very dangerous to go to heaven prison. If there are many people, it's easy to expose them. So ye Chen, Zha Tian Mo Di and Yu Chi Yao can go.

.....

On the other side of the palace of emperor yuan, Emperor Shitian also made a decision.

Although he didn't want to see Su Yan die, he cared more about the overall situation than his personal feelings.

Only by letting Su Yan sneak into the heaven prison, cutting off his feelings and winning the blessing of the superior, can he be able to fight against xuanjiyue.

If he can't get the blessing of the superior, facing the sharp edge of xuanjiyue, the emperor Shitian is not sure to win. Even if he breaks out the heart demon curse sword, he will lose both sides at most, and the reincarnation master behind him will be in vain.

Emperor Shitian and a group of core elders, dressed in white, drinking and singing, leaving the war, farewell to Su Yan!

This farewell, Su Yan is impossible to come back!

"Lord Di Shi, I'm going."

Su Yan wore a hat, a sword around his waist, dressed as a hero in the world. With a Green Peacock, he tore up the void and flew to heaven prison.

This Green Peacock, with the light of emperor Lingyu, is very gorgeous. It is the peacock in the "cold-blooded and merciless" of emperor Shitian.

The peacock in love is not a separate body, but a real one!

In order to help Su Yan, the emperor Shitian let the real body of the peacock in love heaven break the seal of the underground palace by force!

The price of this is that the peacock suffers from serious repercussions and can't live for three days.

"Three days is enough."

The emperor Shitian looks at Su Yan and the peacock's leaving and murmurs.

It is of great importance that the superior's feelings of all kinds of calamities. Emperor Shitian will never allow any accidents to happen.

In the past, cold enchanting flower demon, blood eating ghost owl and heartless poisonous spider went out to carry out the mission, but all of them failed.

If the emperor can't realize that success can only be achieved through a deep understanding of the body, it has to be a matter of deep understanding.

Therefore, he fought to sacrifice the peacock, but also to seize the supreme love!

.....

Heaven prison, gray sky, wind howling.

The land was deserted and there was no sign of human beings.

Ye Chen, Zha Tian Mo Di, Yu Chi Yao, and Su Yan arrived at Tianyu almost at the same time.

However, they were both in the South and in the north, and did not find each other.

"Why, the law here is so weak?"

Ye Chen three people step into the prison, all over the wisps of smoke and water mist.

Yu Chi Yao covered the sky with misty rain to cover their breath.

However, ye Chen is surprised to find that the power of the law of heaven prison is much weaker than before, and does not pose a real threat. Even without the cover of Yu Chi Yao, there would be no danger.

"There will be a sudden change in heaven prison. Let's go to Taishang gorge and cut off the love of Taishang in disorder!"

The dark emperor waved to release a few crows, crows quack quack, fly away to seek causal intelligence.

There is no doubt that the heavenly prison has changed dramatically, and even the rule of heaven has been greatly weakened. It is a good time to fish in troubled waters.

Taishang gorge, in the west of Tianyu, is the place where Taishang love lies.

The real body of the heavenly prison God Emperor is trapped in the Taishang gorge. Whoever dares to touch the supreme love will surely suffer his revenge!

But ye Chen three people, already had the decision, even if thoroughly offends the heaven prison God Emperor, also wants to cut off the sentiment!

Under the cover of misty rain and fog, the three quickly flew towards the Taishang gorge.

Ye Chen said: "the devil emperor, I heard that the supreme love silk, even the Twelve Gods are chopped constantly, how do we cut it?"

"To cut off the supreme love, not by superficial strength, but by martial arts, determination, will and spirit, you and I will be able to cut off all calamities!" said Zha Tian Mo Di

In the eyes of the evil emperor, there is a feeling of arrogance.

If you want to cut off the supreme love, the main thing is to see the determination of martial arts, and the test is the state of mind.

He believed that he and ye Chen could overcome all difficulties.

Smell speech, ye Chen heart, is also hot blood turbulence, a burst of war.

It's right to say that the two people work together, enough to break all kinds of calamities. If they all cut off their feelings, few people can cut them off that day.

Night falls, ye Chen three people finally came to the Taishang gorge.

This valley is covered with black flowers, which are very beautiful.

The evening wind blows, a wisp of elegant flowers, refreshing.

At night, endless natural disasters will break out. Ye Chen and his three people stand at the edge of the canyon. The world behind them is full of thunder, fire and wind.

But in front of the canyon, is a faint fragrance, rich flower rhyme, such as floating out of the fairyland, as if there is a goddess living in seclusion.

Chapter 4413

"Is this Taishang Canyon?"

Ye Chen's heart vibrates and feels the extraordinary of this place.

"The God of heaven prison is trapped here. We should be careful."

Cover the sky evil emperor's face is dignified, say just finish saying, a few crow strange cry, spread from behind.

The crow he sent out to spy on the news is back.

Qisha Wanya pot, this magic treasure, has a very strong aura. The black flaming crow derived from it has a spirit, which can be used for investigation and intelligence.

Two crows stop on the arm of the God of the dark, Gaga strange cry, transmission of information.

"Oh, it's interesting."

Cover the sky evil emperor's eyes slightly coagulate, immediately smile.

Ye Chen asked: "master devil, what's the matter?"

"Look for yourself."

A wave from the dark devil emperor, a crow flies to Ye Chen's hand.

Boom!

All of a sudden, the sky opened, cause and effect run through, countless intelligence pictures, one by one in front of Ye Chen.

These crows just went to the prison spirit Pavilion and found out all the information.

Xiao shuihan swallows the Maha limitless lamp, swallows up the shadow of the heavenly prison God Emperor, and steps into the real world at one stroke. He is feeling the important moment of the road.

Ye Chen has seen all these information pictures.

"What, Xiao shuihan actually swallowed the God of heaven prison!"

Ye Chen was frightened and moved, a burst of shock.

It seems that Xuan Jiyue is in charge of the supreme source army and tells the world that Xiao shuihan is crazy.

Xiaoshui cold heart God crazy, even heaven prison God Emperor to swallow!

If he had not tampered with Xiao shuihan's memory, he would not have made it to this extent.

"The shadow of heaven prison God is created by his spirit and soul. Now it is swallowed up, his body will be severely damaged."

He laughed and disdained to look around the canyon: "we are now stepping into the canyon, there will be no danger. The God of heaven is seriously injured, and certainly dare not show his face. We can let go of our hands and feet and directly cut off our love."

When he and ye Chen came to Tianyu this time, they were most afraid of the God Emperor of Tianyu. But now the emperor was seriously injured and could not protect himself. The threat of the two men was relieved and suddenly became relaxed.

"Brother devil, we'd better be careful."

Next to the rain pond Yao, did not remove the misty rain cover, still cover up the three people's breath.

"Well," said the emperor, "it's natural. Be careful. It's right. Let's make a quick decision. Let's go!"

With that, the dark emperor waved his hand and took the lead to go deep into the canyon.

Now the threat of the heavenly prison God has been removed, and there is only one threat left.

That's Xiao shuihan!

Xiao shuihan is completely crazy. He even swallows up the ghost of the heavenly prison God Emperor. If he finds out that someone breaks into the canyon, there will be some unexpected disaster.

Although he broke through to the real world and was still at the critical juncture of realizing the road, if he woke up, ye Chen and the dark emperor would be in great trouble.

Therefore, it is the best choice to make a quick decision and cut off the feelings as soon as possible.

Ye Chen three people all the way forward, under the cover of misty rain and fog, the whereabouts of the three people have not been exposed, no breath has been leaked out.

If someone stands here, you can only see thin wisps of smoke and water mist, slowly drifting to the deep canyon, no human shadow can be seen at all.

Yuchiyao's cultivation of Hongmeng ancient Dharma is more powerful than before. It can evolve illusions. As soon as the smoke covers people, the traces of human beings seem to disappear. Outsiders can only see a cloud of fog, and can't see the real or the virtual.

Therefore, even if the emperor was not seriously injured, he may not be able to find the existence of Ye Chen.

No accident happened all the way. Ye Chen and his three people went very smoothly and came to the deep valley.

Along the way, ye Chen didn't feel the breath of heaven prison God Emperor.

Obviously, under the serious injury of the God Emperor of the heavenly prison, he had completely concealed himself and did not dare to show his face.

Deep in the canyon, a stone carving stands quietly.

It is a gray night sky, but above the stone carving, there is moonlight and stars shining, which is very beautiful.

This stone sculpture, is a woman, beautiful features, unique appearance, is the statue of the supreme goddess!

On this statue, there are wisps of powerful supremacy.

Ye Chen three people stand in front of the statue, have a kind of suffocation feeling, as if to be suppressed.

"This is the legendary goddess of heaven?"

Ye Chen takes a deep breath. The legendary goddess of heaven is the caster of the ten source symbols and the master of the twelve deities. He has personally refined the existence of the twelve true treasures.

The purple ribbon thousand machine seal of Ye Chen, the Qisha Wanya pot of covering the heaven and the devil, the Dragon beads of Yunlei emperor of blood dragon, the chariot of Jidao emperor of Wei Ying, and the fire cover of Jiulong of Ye Luo'er, all of which have the shadow of the goddess of heaven.

Such existence is the real superior!

It's mysterious. You can't pry into the mystery! Ye Chen's heart is pounding. He feels the overwhelming pressure and almost crush his spirit.

The master of reincarnation in the last life was the suspicion of the superior. He had to lay out the fall, rejoin the samsara and practice the first life.

"Is this supreme heavenly daughter one of the superior figures who calculate the reincarnation Lord? What does she have to do with wanxu temple

In an instant, a myriad of thoughts flashed through Ye Chen's heart.

"This statue is the result of the eternal love of the goddess of heaven. As long as the statue is destroyed, it can be cut off!"

But if he can cut off this feeling, he can peep into the mystery of the superior. Moreover, he can add great fortune to his body and pour in the supreme law, which is of great benefit.

Between the words, the dark devil emperor has pulled out the sword of killing immortals.

"My sword of killing immortals has been refined again by the evil gods. It has been transformed into a big source soldier. But I alone may not be able to cut off the love. Ye Chen, pull out the sword!"

During this period of experience, Zha Tianmo knew an expert named the devil God. He appreciated him very much. He spent a lot of money refining the killing immortal sword for him, which greatly improved the quality of the sword.

Today, the killing immortal sword in the hand of the God covering demon emperor is not inferior to the top ten source soldiers in terms of its quality and sharp edge.

However, relying on himself alone, the dark devil emperor is not sure to cut off the love.

He needs Ye Chen to do it!

Only when two people join hands, can we cut off the love at one stroke and make a quick decision!

"Well!"

Ye Chen draws out the sword of falling dust and subdues the dragon. He takes a deep breath, abandons his thoughts and concentrates on the stone carving of the goddess of heaven.

If he can destroy the stone carving and cut off the love, he may be able to really see the world of the superior!

"Do it!"

With a violent drink, the emperor of Zha demon offered a pot of Qisha ten thousand crows. Crows quack and scream, whistling and flapping their wings around his sword.

Kill the fairy sword, ten thousand crows fly.

This sword is full of evil spirit, and cuts the stone carving waist.

"Thunder source rune, explode!"

Ye Chen's eyes are suddenly cold, and the thunder source symbol explodes. The thunderbolt explodes on the sword of falling dust and falling dragon. A sword is like thunder coming down from the sky and cuts off the stone carving head.

Chapter 4414

The two swords were killed at the same time. The light of the sword converged, and the thunder and evil spirit were powerful, as if to break through the night sky.

The fierce sword power shakes the whole canyon.

Yu Chi Yao's pretty face changed slightly and stepped back.

The sword power of Ye Chen and the God covering demon emperor is too fierce, and her mist can not be covered up.

Therefore, ye Chen and the dark devil emperor wanted to fight quickly.

They are very clear, as long as a hand, breath leakage, will be found by outsiders.

I don't know how many people are staring at it.

Although the heavenly prison God Emperor was seriously injured and did not dare to appear, there were still many strong men in the heavenly prison, and even a completely insane Xiao shuihan.

If they find out, it's not easy to get out.

Moreover, the people from the palace of emperor yuan have not appeared yet, so we must be on guard against their attack and killing.

Boom!

The two swords were smashed on the stone carving of the Empress Dowager.

With a sword, the demon Emperor cuts off the Empress Dowager.

With a sword, ye Chen splits the head of the goddess in two.

Click, click.

Under the impact of sword light, tiannu stone carving was smashed.

Chuckle!

However, after the stone carving was destroyed, there was no vision as expected. On the contrary, ninety-nine flying swords suddenly broke out and killed Ye Chen and the dark devil emperor.

"Ten source soldiers, Liuhe flying snow blade!"

"No, it's a trick!"

Cover the sky evil emperor's face suddenly changes, pull Ye Chen to retreat in a hurry.

"This stone carving is fake!"

Ye Chen's vision shrinks, also discovered the clue, immediately scalp numbness.

This stone carving is not the result of the love of the goddess. It is a fake!

Inside the stone carving, there is a Liuhe flying snow blade. After ye Chen and Zha Tianmo Di destroy the stone carving, they kill each other crazily to kill them.

Liuhe flying snow blade is one of the ten original soldiers.

Among the top ten source soldiers, Liuhe snow blade is the most special one. This weapon is not one piece, but a set. It is composed of 99 flying swords. Each flying sword has frost and snow, and its blade is extremely sharp, enough to kill everything.

This time, ninety-nine flying snow sharp blades were cut out, and ye Chen and Zha Tian Mo Di were caught off guard. They were suddenly enveloped by the sword spirit, and felt the pressure of the supreme law.

Although the stone carving is fake, it also contains a little bit of heavenly power of supreme love. The supreme heavenly power is poured into Liuhe flying snow blade. Every flying snow sword has a sharp edge. If you want to cut through mountains and rivers, you can see it clearly.

Ye Chen and Zha Tianmo Di are attacked and killed. In a critical situation, they quickly wave their swords and cut off the sharp blades of flying snow.

However, when the blade and the snow blade contact, they both feel an extremely heavy shock force.

The law of heaven!

The 99 flying snow blades are filled with the law of heaven prison!

Obviously, a long time ago, the heavenly prison God Emperor extracted a little bit of the breath of supreme love, forged the stone carving, and ambushed the Liuhe flying snow blade.

Every sharp blade of flying snow has been carefully refined by him. It has the power of supreme love and the majestic law of heaven prison.

If someone dares to break into the gorge and try to cut off the love, they will be killed by Liuhe flying snow blade, and there is no possibility of success at all.

Because the stone sculptures exposed outside are completely forged. The real supreme love is hidden by the God of heaven prison.

Ye Chen and the God of covering the sky repeatedly hit and shot down a flying snow blade. However, they were also shocked by the law of the heavenly prison. They felt that the Qi and blood in their chest were turbulent, which was very uncomfortable.

"Brother devil, let's go!"

Seeing this, Yu Chi Yao waved and released two wisps of smoke. He grabbed Ye Chen and Zha Tian Mo Di, and quickly retreated.

Although Ye Chen and the devil emperor are powerful, even if they are attacked and killed, they have not collapsed and successfully shot down all the flying snow sharp blades. However, the breath fluctuation here will certainly disturb the people in the prison. If they don't go away, they will be killed.

Yu Chi Yao with two people, quickly fled to the distant woods, and display the misty rain cover the sky, hide up form.

Ye Chen takes a breath a little, and makes a Bagua Tiandan technique to recover his breath and the spirit of covering the heaven and the devil emperor.

The three did not really leave the canyon, but hid in the distance and watched the change.

"I can't imagine that the emperor of heaven prison was so cautious. I don't know how many years ago, he forged the stone carving of the goddess of heaven."

If he and ye Chen reacted more slowly, he would have been killed by Liuhe flying snow blade.

"There seems to be someone coming to prison spirit Pavilion."

Ye Chen looks out of the gorge. He and the devil emperor destroyed the stone carvings just now, which must have alarmed the strong one on the other side of the prison spirit Pavilion.

.....

At this time, prison Lingge Mountain Gate, God Emperor attic.

Xiao shuihan sits in the attic with his knees crossed. There are wisps of Buddha light and evil Qi on his body, which are constantly surrounded. His cultivation has reached the level of realness. With his eyes closed, he feels the mystery of the road.

He swallowed up the spirit and shadow of the heavenly prison God, and now the whole prison spirit Pavilion is under his control.

Several heavenly prison soul saints and heavenly prison ghost saints stand at the entrance of the attic, standing like sculptures.

All of a sudden, their bodies trembled, and they seemed to notice some strange fluctuation, and their eyes were fixed on the direction of the canyon.

In the attic of the God Emperor, Xiao shuihan suddenly opened his eyes, and his whole body was fused with the light of Buddha and the evil spirit. His understanding of the road reached the peak, which completely consolidated the cultivation of the heaven in Huanzhen realm!

"Break into the Canyon

"Who, who is so brave!"

Xiao shuihan's whole body is full of magic and flame, but there is a circle of Buddha light behind his head. The whole person is like the ancient magic Buddha, with golden and angry eyes and cold expression.

At this moment, he felt that there was a great change coming from the other side of the canyon.

"Some people want to get involved in too much love. Come on, kill me!"

Xiao shuihan suddenly gets up, blue veins on his forehead suddenly protrudes, and the whole person presents a momentum of incomparable madness.

Prison spirit Pavilion up and down, feel Xiaoshui cold threatening power, can not help but fear.

Now Xiao shuihan has reached the level of reality, and no one can challenge him.

At his command, naturally no one dares to disobey. At the moment, one by one, the powerful in the prison of heaven, flew and came, tightly surrounded by Xiao shuihan.

"Go

Xiao shuihan waved his sleeve, and immediately took many of the strong men in Tianyu, and ran to the prison quickly.

"Lord Xiao, the emperor of the heavenly prison has been commanding and commanding for many years. We are going to the canyon. Shall we kill him?"

A strong man in heaven, flattering and smiling, inquired.

The spirit and shadow of the God Emperor of the heavenly prison was swallowed up, and the body was devoured. The foundation of martial arts was seriously damaged and might no longer have the strength.

Now the prison situation has changed, Xiao shuihan has become a new controller, and everyone respects him.

The powerful man of Tianyu wanted to be gallant and thought that Xiao shuihan meant to kill the God of Tianyu and monopolize power.

"You want to kill the LORD God?"

However, Xiao shuihan's face suddenly changed and his head was in severe pain.

Although he was completely insane, he had been cultivated for tens of thousands of years by the God of heaven prison. This kindness was too heavy for him to forget.

"You want to die, Lord God. Do you want to kill?"

Xiao shuihan's fangs are exposed, showing a ferocious expression. He suddenly waves out and grabs the throat of the prison strongman that day and directly pinches and explodes.

On that day, the prison strong man's eyes widened, frozen with fear, and died on the spot.

Xiao shuihan threw his body out like a dead dog.

The rest of the prison spirit Pavilion strong people, immediately look at each other, all afraid.

Now Xiao shuihan, obviously schizophrenic.

Yesterday, he swallowed up the spirit and shadow of the God Emperor of the heavenly prison. Today, however, he was worried about the old love and couldn't bear to kill the Lord.

Xiao shuihan is in such a bad state that everyone is afraid of being killed by Xiao shuihan.

Now if you want to restore Xiao shuihan's spirit, there is no other way unless you cut off the supreme love.

Chapter 4415

Soon, Xiao shuihan and his party entered the canyon.

"Here they are."

The dark emperor lowered his voice and watched Xiao shuihan warily.

The breath on Xiao shuihan's body is very strong. It's enough to reach the level of reality!

Ye Chen sees Xiao shuihan again, and his heart is beating wildly.

Compared with the last time, Xiao shuihan is really much stronger, but his mental state is also more crazy, even the God Emperor of heaven prison has been swallowed up.

Ye Chen can be sure that if he ran out, he would be swallowed by Xiao shuihan.

Xiao shuihan has been completely lost and will not show any mercy.

Therefore, ye Chen, Zha Tian Mo Di and Yu Chi Yao hid in the woods and did not go out.

Xiaoshui cold belt people into, passing by Ye Chen three people, also did not find their existence.

With the cover of misty rain and fog, ye Chen three people seem to become smoke, winding in the woods, outsiders can not see a trace.

Xiao shuihan strode to the place where tiannv stone carving was located. When he saw that the stone carving had been destroyed, there were flying snow blades scattered all over the place, and his face was full of anger.

"Who dares to touch the supreme love, get out of here!"

Xiao shuihan looks around him and roars wildly. His voice is full of the authority of the real state master and shakes his moving mind.

Ye Chen and Zha Tian Mo Di are stable in mind and naturally unaffected. However, Yu Chi Yao's mood is a little bad, so he is shaken and his eyes are lax. He wants to go out.

"Don't go!"

The dark emperor's face sank and he quickly grabbed Yu Chi Yao's arm.

"Brother devil, I'm sorry."

Yu Chi Yao wakes up like a dream and is in a cold sweat.

The master of real state can even shake people's hearts and minds and disturb people's mind. It's imaginable how terrible it is.

Xiao shuihan, like a madman, roared repeatedly, but ye Chen was very deep and not exposed.

"Lord Xiao, the enemy may have run away."

"This stone statue of heavenly maiden is just a disguise, and there is still a lot of love. Don't worry about it."

"Lord Xiao is a master of supernatural powers. How about taking advantage of this opportunity today to cut off his feelings?"

A number of heaven prison strong mouth, someone suggested Xiao shuihan to cut off the love.

After all, Xiao shuihan's appearance of madness and madness is that people are afraid to see it. Only by letting him cut off his feelings can he have a chance to return to normal.

"Well, I've stepped into the real world, and I'm good enough to break the love story!"

As soon as Xiao shuihan raised his hand, ninety-nine Liuhe flying snow blades were scattered on the ground. They jumped up like a spirit, surrounded his body, dancing layer by layer, rolling snow sword light diffused out, which was really beautiful.

"The heavenly daughter comes, the sentiment robs moves, imperial edict!"

In the next moment, Xiao shuihan suddenly drinks, pinches Jue and chants.

Boom.

Nearby a cliff, violent vibration, a piece of stone rolling off, a huge statue emerged.

This statue, with a height of 100 Zhang, is a gorgeous and picturesque beauty. It is the goddess of heaven!

It turns out that the stone carving of the Empress Dowager is hidden in the cliff. Only the core disciples of the prison spirit Pavilion can know how to open the stone carving.

"It turns out that this is the goddess of heaven!"

Ye Chen saw the stone carving, suddenly a burst of shock.

The whole stone carving, towering, contains the atmosphere of the supreme, such as fire, such as prison, the impact of people's mind.

Under the pressure of tiannu stone carving, all the powerful prison Lingge people kneel down with respect.

Ye Chen, Zha Tian Mo Di, and Yu Chi Yao also felt the tremendous pressure, as if they were facing the superior, their hearts pounded wildly and almost burst.

"Holy water of the yellow spring, guard!"

Ye Chen quickly released a wisp of holy water, into the misty rain covering the sky, the pressure brought by the female stone carving that day, only slightly weakened.

They are quite far apart, there is such a great pressure, and Xiao shuihan is standing under the stone carving, you can imagine how terrible the pressure he is under.

"Green wood source symbol, trapped lock!"

Xiao shuihan's facial features are twisted and his face is extremely ferocious. He presents the origin symbol of green trees, and the continuous spread of green grass and trees.

Crack, crack, crack.

Suddenly, a vine, a root of thorns, like a boa constrictor, from the bottom of the ground, along the body of the tiannv stone carving, all the way up.

In a flash, the whole stone carving was covered with countless vines, brambles and moss.

The pressure on the stone carving is also greatly weakened.

Xiao shuihan's eyes are sharp. Although he is completely lost, he still has the instinct to fight. Before cutting off the feelings, he first weakens the pressure of the feelings. His means are very decisive and quick.

"Maha is limitless, dominating sword cutting!"

After all this, Xiao shuihan decided to start.

The majestic and solemn Buddha's light was constantly rippling behind Xiao shuihan's head, and the wisps of evil spirit broke out on his body. He completely incarnated as a demon Buddha. He was just like a prison. With a wave of his big hand, ninety-nine flying snow blades were killed, and the light of Buddha and demon was turbulent.

The sword spirit cuts through the void, and there is an amazing vision of heaven Buddha singing and ten thousand demons worshipping.

Ninety nine flying snow sharp blades, straight cut tiannv stone carving.

At the scene, the powerful man of the heaven prison and ye Chen three people felt the startling air of the sword roaring from the Buddha and the devil, and all of them showed a shocking look.

It's really the momentum of the master of the environment. It's really tough.

Xiao shuihan's sword cut was hardly able to resist, rolling towards the stone carving.

Xiao shuihan's will, madness, determination, and martial arts are all integrated into this sword.

Whether it is the surface of the edge, or deep-seated damage, these 99 flying snow blade, have reached the peak.

"With the vicissitudes of the road, the heaven is like love and the day is old."

At this time, the stone carving will be destroyed completely.

Only a peacock appeared in the sky.

This peacock, the throat issued a bright old voice, constantly attacking people's spirit.

"Cold blooded and merciless, peacock in love!"

Ye Chen's pupils shrink, only feel the brain buzzing, the spirit has also been affected.

The peacock in the sky is the peacock in the "cold blooded and merciless" of emperor Shitian!

The peacock in love is the best technique for mind control. Even if it is the sky sky, it will become emotional and aging when it is impacted by the peacock.

This is called "if the sky is affectionate, the sky is old."

"Wu Tu Yuan Fu, guard!"

Ye Chen quickly sacrifices the Wutu source talisman to protect himself and the spirit of Zha Tian Mo Di and Yu Chi Yao.

The spiritual impact of peacock in love is not aimed at him, but he is affected and feels his mind wavering. It can be imagined how great the spiritual fluctuation is.

Xiao shuihan faced the impact, and was suddenly shocked. Ninety nine sharp blades of flying snow all collapsed and fell to the ground.

And the strong people around the heaven prison were dizzy and distended, their bodies swayed, and they almost fell down.

When peacock appears in love, it strikes the audience with a strong spiritual pressure, reaching the extreme ferocity.

Chapter 4416

"Peacock in love, this is the real body!"

Ye Chen stares at the peacock in love, and is surprised to find that the other party is actually the real body, not a sub body.

Obviously, in order to get involved in the supreme love, the emperor Shitian forced the release of the peacock, paid a great price.

Ye Chen clearly feels that the life breath of peacock in love day is very weak. Even though it is majestic on the surface, it can't live for three days.

"No, there should be someone else, not just him!"

Ye Chen faintly caught a trace of danger.

There should be more than one person from the palace of emperor yuan. But now, only the peacock appears in love, and the other one doesn't know where to hide.

"The guy in the palace of emperor yuan, do you dare to stop me from cutting off my love?"

Xiao shuihan's eyes were cracked, and his already crazy spirit was shocked at the moment and became more crazy. His eyes were full of bloodthirsty and murderous spirit.

"The supreme love silk, my emperor yuan palace has a fancy to me, get out of here!"

Love day peacock long cry, wings a fan, the wind blows up, blowing cold repeatedly back.

At the same time, his peacock claws swing out, directly hit the goddess stone carving, to personally destroy, cut off the love.

Now Xiao shuihan's spirit has been impacted, which is the best time for him to make a move.

"Maha immeasurable, guard the mind and God!"

However, in Xiao shuihan's eyes, two Buddha lights suddenly jumped out.

These two Buddha lights, like the protection of the heaven and the Holy Buddha, Vajra arhat, subdue the dragon and subdue the tiger, all of a sudden block the spiritual impact of the peacock.

Xiao shuihan devoured the Maha limitless lamp, protected by the ancient Buddha, even if the peacock's spiritual impact is great, it will not hurt him.

"Not good!"

Love day peacock see this scene, pupil suddenly color change.

"Flying snow, sword, kill!"

Xiao shuihan recovers his breath. With a wave of his hand, ninety-nine flying swords and sharp blades spring up from the ground again, whistling and cracking the sky against the peacock in love.

"Lord Su Yan, do it now!"

The peacock screamed in love, and flew up to the sky in a hurry to avoid the killing of the flying snow blade. However, the flying snow blade pursued him relentlessly and was about to chop him to pieces.

"Well?"

Xiao shuihan's face twitched slightly, and suddenly caught a ray of sharp murderous spirit, just behind him.

I saw a hero with a hat on his head and a beard on his face. With a knife in his hand, he suddenly emerged from the void like a ghost. The sword was extremely fierce and stabbed Xiao shuihan.

He wanted to avoid the glare in his eyes.

With the impact of the white light, the hero of the river and lake is as powerful as a tiger. A knife stabs into Xiao shuihan's back and penetrates his chest directly through his heart.

Oh!

The white light dispersed and a talisman appeared.

It's the source of light!

This hero in the world is Su Yan, the "Dragon Tiger sword".

With the help of the light source symbol, he cuts through Xiao shuihan's heart at one stroke!

The breath of cold water suddenly broke up.

The ninety-nine flying snow swords in the sky, all whine and moan, fall down.

"Ha ha ha ha, master Su Yan, go and cut off the love!"

The peacock escaped from death in love. He couldn't help laughing and urged Su Yan to do it.

Now that Xiao shuihan is dead, the spirits of many powerful men in the heavenly prison have been impacted and lost their combat effectiveness.

In the legend, the God of heaven prison, the spirit was swallowed up, the body was severely damaged, and he did not dare to take a head.

This is a wonderful situation!

As long as cut off the feelings, the emperor Shi Tian ordered the task to be completed.

Originally, Su Yan and the peacock in love were determined to die.

But now, the Tianyu disaster is so great that the God Emperor of Tianyu is even in danger of being reduced to a useless man because of his heavy damage to his spirit. No one can stop them any more.

They may have a chance to go back to the palace of emperor yuan alive!

PA.

Su Yan draws back the long knife from Xiao shuihan, and a ferocious blood hole appears in Xiao shuihan's heart, with blood flowing straight out and his body tottering.

Su Yan snorted, regardless of the dying Xiao shuihan. His eyes showed fighting spirit and looked at the statue of tiannu in front of him and wanted to start.

"Have you ever asked me if you want to cut off your love?"

But just then, a big hand grabbed his shoulder.

An extremely ferocious face appeared beside him.

It's cold in the water!

Xiao shuihan's face is covered with magic spots and fangs, and his eyes are full of bloodstains. He is completely possessed by demons. His appearance is very terrible, like a demon God crawling out of hell.

"You Aren't you dead? "

Seeing this, Su Yan was scared out of his wits. Just now, he pierced Xiao shuihan's heart, but now, Xiao shuihan is back to life.

"Who said I was dead?"

Xiao shuihan grinned and urged the origin of green wood. The vitality of plants and plants continuously nourished his life. The blood hole in his heart was completely healed, and the whole person was full of evil Qi.

"What!"

Su Yan was shocked, but he didn't expect that Xiao shuihan had the green wood source symbol.

The green wood source Rune has a strong aura of grass and trees, and the healing effect is very strong. Moreover, this green wood source Rune has been obviously refined by the emperor of heaven prison, and the healing effect is better. Even if it is a fatal injury such as heart rupture and throat perforation, it can be cured!

"I don't know where you came from, but you can't kill me unless you break me to pieces!"

Xiao shuihan's eyes were full of fierce light, and suddenly he cut Su Yan's abdomen with a sword.

"Light source rune, turn shield!"

Su Yan's eyes sank. After the shock, he quickly calmed down and watched Xiao shuihan's long sword stabbing at him. He quickly urged the source of light to turn into a shield and block him in front of him.

Click.

Xiao shuihan's crazy sword directly penetrates the light shield.

Puff!

Although Su Yan was protected by the shield of light, he was still attacked by a trace of sword Qi and spat blood on the spot.

The strength gap is too big!

Xiao shuihan is a master of the real world. In addition, he is extremely fierce in his crazy state, and no one can beat him.

Su Yan was a little embarrassed and flew up to the peacock's back.

"Lord Xiao is mighty!"

At this time, many of the heaven prison strongmen also recovered their spirits. Seeing the fierce appearance of Xiao shuihan, they couldn't help but cheer with blood.

Su Yan and the peacock are very ugly.

"Lord Su Yan, how can you compete with this fierce demon?"

The peacock in love only feels deeply powerless and thinks that the God Emperor of heaven prison is declining, and they have the opportunity to cut off the supreme love.

But unexpectedly, the rise of Xiao shuihan is like a nightmare, blocking the two people's steps.

"For today's plan, only one death can complete the emperor's entrustment."

Su Yan's eyes, with a trace of determination.

"Only so, Lord Su Yan, we'll see you in the next life!"

In the peacock's eye pupil in love day, is also the intention of war burning.

Before he set out, he was ready to die, but now that he was dying, he found that death was so heavy that his body trembled.

But in any case, in order to complete the task of emperor Shitian, he will not have any retreat!

Chapter 4417

At present, one person and one bird have a tacit understanding.

Su Yan flew up and took a knife and cut at the statue.

The peacock in love is to spread its wings and go to the cold water.

He decided to sacrifice himself to buy time for Su Yan.

Under the cover of the peacock in love, Su Yan's blade is close to the statue of the Empress Dowager. As long as the stone carving is destroyed, he can completely cut off the love!

"Dare to touch love and die!"

Xiao shuihan's face is ferocious. With a wave of his hand, ninety-nine flying snow sharp blades spring up and roll Su Yan like a rainstorm.

"Your opponent is me!"

In love, peacock wings fly, throat issued a long cry, cry through the clouds and rocks, extremely sharp, violently shaking the moving spirit.

Under the impact of the spiritual sound wave of the peacock in love, all the strong men in the court are dizzy and their bodies are falling.

However, Xiao shuihan's eyes were not affected by the spirit of the Dharma.

Maha limitless lamp has the effect of guarding the mind and resisting the impact of spirit.

The peacock's eyes suddenly change in love, so he has to rely on his body to block Xiao shuihan's attack.

Puff, puff, puff!

Ninety nine flying swords stabbed his peacock.

All of a sudden, a piece of green feathers, mixed with blood, splashed around, a mess.

Love day peacock suddenly was seriously injured!

"Can you stop it?"

Xiao shuihan snorted, pulled out his sword, and cut out the master's evil Qi like a torrent.

The ferocity of the sword enveloped peacock and Su Yan.

As long as the blade of the sword is cut off, this man and a bird will surely die.

"Heart demon bury soul method, kill!"

At the critical moment, the peacock suddenly speaks the truth, and a piece of feather is killed, and each feather has a strange spirit of heart evil.

Under the wind of this evil spirit, the Green Peacock Feathers turned into strange black at the moment, with the wind howling and ghosts crying.

"How to bury the soul of a demon? What's the relationship between you and the Lord of the demons? "

Xiao shuihan was shocked. He only felt that these feathers were more powerful than swords and swords. They were cut out in the air, and the spirit of demons was pressing.

"Ah

Standing on the ground, the strong men of the heaven prison suddenly uttered a shrill scream.

Under the shadow of the heart demon bird feather, the magic barrier in their hearts was completely hooked out, and they were entangled in killing evils one by one. All kinds of spiritual illusions appeared in their minds. They howled with pain. They scratched and pulled their own bodies with their hands and pulled off pieces of flesh and even bones. It was very terrible.

Obviously, all of them were attacked and killed by heart demons, and were killed in a flash.

Love day peacock whole body flame burning, in the heart of the devil's bite, he also suffered a serious impact, blood and blood consumption.

This method of soul burial was taught by Emperor Shitian.

In fact, the emperor Shitian wanted to teach the heart demon big mantra sword, but unfortunately, if he wants to become a heart demon sword, he must have a clear mind, and can't have a heart demon. The conditions are very harsh.

Therefore, if you look at the whole palace, only emperor Shitian can practice the heart demon curse sword. Other people are not qualified to practice.

Emperor Shitian had no choice but to make some changes. According to the profound meaning of the heart demon's curse sword, he created the method of heart demon's soul burial.

This method of heart demon's soul burial is not comparable to the authentic heart demon curse sword.

The real heart devil curse sword is a pure sword without murderous spirit and blood.

However, this method of soul burying by heart demons is full of murderous spirit. It shows that it is a kind of evil outside the world. It doesn't have the peerless breath of heart demon's curse sword.

Buzz!

Xiao shuihan's head was buzzing, and the master's sword Qi suddenly collapsed.

In his heart, a monstrous heart demon broke out.

Yesterday, he swallowed the ghost shadow of the God of heaven prison. This sin is magnified infinitely.

"I've done harm to the LORD God, I'll die..."

Xiao shuihan kneels on the ground, his face is full of pain, and it is obvious that the evil spirit broke out completely, and the light of Buddha in his eyes was extinguished instantly.

Although this method is not an authentic sword, it is enough to deal with Xiao shuihan in the state of madness.

"Lord Su Yan, it's up to you next."

Peacock mood vicissitudes of life, in the heart of the fire under the fire, the body crackled and soon turned black.

His state of mind is far from pure.

He also has a heart demon.

If the heart is not right, the sword is evil!

Therefore, if he uses the method of soul burial by heart demons, he will also suffer terrible backfire, and the damage will be even more serious than that of Xiao shuihan!

In the world, the only way for the devil to be in charge of killing is to release the devil.

Others, even if they practice a little bit of the skin of heart demons, are in danger of swallowing themselves. Now the peacock in love has suffered a serious attack. All the feathers are burned out, and all the flesh and blood are burned out. They fall down from the air and fall completely.

"Peacock Lord!"

Su Yan was moved when he saw the peacock die.

However, thanks to the peacock in love, all the powerful people in the heaven prison are entangled with demons. They scream bitterly and kill each other. They even tear their own bodies and become broken corpses.

In a twinkling of an eye, Xiao shuihan brings all the strong men to death!

And Xiao shuihan, is also the heart demon outbreak, pain kneeling, tightly holding the head.

Su Yan looked at the whole scene. He was left alone, and no one could stop him.

"I will fulfill the grand wish of emperor Shi."

Su Yan took a deep breath, and his whole body was full of divine light. The radiance of the light was reflected, and the great atmosphere of dragon and tiger running was evolved.

He is the embodiment of Liangyi dragon and tiger sword. At the moment, all the breath is released. The edge of the long knife in his hand is broken. A drop of blood drops from his fingertip. The blade is stained with blood. The dragon and tiger roar and swallows thousands of Li.

This drop of blood is the essence of the superior!

At that time, the superior cast ten yuan soldiers, leaving a drop of blood, which was in the Liangyi dragon and tiger sword.

At the moment, Su Yan forced this drop of blood on the blade.

His knife, immediately has the breath of the superior!

Others cut off the feelings, but he can!

With the aid of this drop of blood essence, he can break the love!

Ye Chen, Zha Tian Mo Di and Yu Chi Yao, who had been hiding in the dark, did not show up and watched the battle in silence.

The fighting situation is changing too fast.

No one thought that the peacock in love actually released the heart magic method and killed all the strong people in the heaven prison in one fell swoop, successfully deterring Xiao shuihan, and even ye Chen's three people were also affected.

Fortunately, ye Chen responded quickly and blocked the attack of the heart demon with the Wutu source Rune in time.

This method of soul burial of heart demons is not a real sword of heart demons. Therefore, it can be easily resisted with the Wutu source rune.

However, ye Chen was shocked by the damage caused by the method of burying the soul by heart demons.

Xiao shuihan's Tianyu strongmen have strong breath. If they face each other head-on, even ye Chen will find it difficult.

Chapter 4418

But now, the peacock kills the whole audience directly with a secret method of heart demon. It's like cutting grass.

This is just a Shanzhai version of the secret method of heart demons. If the emperor Shitian comes in person and the authentic heart demon curse sword is killed, I really don't know how powerful it will be.

The eyes of Zha Tian Mo Di and Yu Chi Yao are also full of shock.

One of the emperor's followers, the Shanzhai version of the secret method of heart demons, are so strong that if the emperor Shitian hands in person, how can he resist it?

The state of mind of emperor Shitian is much purer than that of ordinary people. He really does not have a trace of miscellaneous thoughts and selfishness. He just wants to build an ideal country in his dream.

He uses the heart demon's great curse sword and will not bite back at all.

If he gets the blessing of the superior, the situation will not be able to deal with.

Xuanji moon sharp and fierce, at least still a normal person, in the heart of the idea of hegemony, can think of a way to deal with.

But the emperor Shitian is a pure madman. Once he is in power, the universe will be destroyed.

"Stop him!"

Seeing that Su Yan is about to destroy the stone carving and cut off his love, ye Chen wakes up like a dream and wants to stop him.

The murderous spirit of the evil emperor of Zha Tian breaks out, and he also wants to do something.

"If you dare to touch the emotion, the law of heaven prison has been suppressed by me!"

But just then, an old hissing roared.

An old man with dishevelled hair and a face full of decadence and extremely weak breath suddenly broke out of the void and struck Su Yan on the back with a hard hand and the pressure of the sky prison.

"The God of heaven!"

Ye Chen's eye pupil shrinks. This old man is actually the God of heaven prison!

Obviously, the God of heaven prison has been hiding in the dark, seriously injured, and dare not show up. But now, seeing that Su Yan wants to touch the love of the supreme emperor, he is determined to do it!

At the beginning, ye Chen saw the empty shadow of the God of heaven prison in prison Pavilion.

It was just a shadow, and it had a tremendous power, which made him remember deeply.

But now the heavenly prison God Emperor is completely decadent.

Under the serious injury, his hair was scattered and his face was full of anger and fear. He looked like an old man worried about gain and loss, and his face was frightening.

This time, he was obviously desperate, and all his blood was burning.

Boom!

The powerful law of heaven prison is condensed in the palm of the God of heaven prison.

This is a blow to his life. The law energy of the whole heaven prison world is rolling in his palm.

Click, click, click.

The ground of the canyon, completely cracked.

Countless magma, pouring out from under the ground, is like the end of the day.

The world outside the gorge is shaking violently.

"No, the prison will be destroyed!"

In order to stop Su Yan, the God Emperor of the heaven prison pulled out the law energy of the whole heaven prison.

This move of heaven prison God's palm is extremely powerful, but the cost is too high.

The whole heaven prison world is on the verge of collapse because of the sudden exhaustion of law energy.

Mountain peaks are falling down.

A piece of desert, rolling up the dust all over the sky.

The end is coming.

In order to prevent outsiders from getting involved in love, the God Emperor of heaven prison will not hesitate to destroy the whole heaven prison!

"Lord God..."

When Xiao shuihan saw the appearance of the heavenly prison God, the originally fierce heart demon suddenly became much quieter.

His eyes were clear again.

In my heart, I seem to have made some decision, holding the sword tightly.

"Old thing!"

"It's not so easy to stop me!"

Su Yan over there was very angry. He didn't expect that the God of heaven prison was so fierce that he would stop him even if he lost his life or even destroyed the prison.

But he would rather die than shrink back.

Seeing that the giant palm of the God of heaven prison was killed, Su Yan did not dodge, but still chopped at the statue of tiannu with a knife.

Bang!

The giant hand of the God of heaven prison arrived first and hit Su Yan hard on his back.

Puff!

Su Yan's blood spurted wildly, his internal organs were all broken, and he was seriously injured and dying.

However, his knife, still calm, just to cut off the feelings.

To cut off the feelings, it is not by force, but by spiritual will.

He believes in his will and will not lose to anyone.

And then with a drop of blood essence from the superior, the love will be broken!

As long as you cut off the love, all the luck will be transferred to the palace of emperor yuan according to his will.

At that time, the emperor Shitian's great luck was added to his body, and he was blessed by the superior. He was able to look down on the upper world and suppress xuanjiyue!

Seeing Su Yan's sword, he was about to cut off the statue, but suddenly, a terrible master's magic sword fell from the sky, and the sword's spirit exploded. Like a broken bamboo, one sword destroyed the whole stone carving. Boom!

The stone carving of the goddess of heaven, which is hundreds of feet high, completely burst into pieces.

A hair, floating in the air.

This hair is surrounded by infinite immortal Qi, infinite haze color, and incomparably fierce, extremely domineering law breath.

It's the love left by the Empress Dowager!

As the statue was smashed, the real body of the love silk of ten thousand calamities appeared, suspended in the air, and then suddenly broke. All the immortal Qi completely collapsed, and the love silk turned into ashes and passed away with the wind.

"Too much love, cut off..."

Su Yan looked at the scene in front of him and was completely stunned.

He is not the one who cuts off the love, but a man who stands high in the sky and holds the master magic sword.

Cold water!

Xiao shuihan, who had just been haunted by demons, did not know when to fly to the sky. Before Su Yan started, he controlled the explosion of evil Qi with a sword, and completely cut off his love!

"Lord God, I cut off your love for you."

The cold emperor grinned at the water god.

It turned out that the God of heaven prison appeared just now, which calmed his mind a lot and calmed down a little.

He thought of the cultivation of the heavenly prison God Emperor, tens of thousands of years of cultivation, just to let him cut off the feelings.

At this moment, he did it!

"No..."

Su Yan couldn't believe it. He knelt on his knees and looked at a blank face.

"Cough, cough, cold water, you..."

Heaven prison God Emperor coughed violently, like a dream.

Yesterday, Xiao shuihan also swallowed up his spirit and ghost shadow, but today, he actually cares about his old love and cuts off his love for him.

The spirit of serious division made the emperor of heaven prison panic. He was afraid that suddenly, Xiao shuihan would kill again.

"Love has been cut off by Xiao. Can he recover his mind?"

Ye Chen is stunned to see, the successive changes in the situation, let him simply can't react.

Everything happened between the electric light and the flint. From the peacock's release of the demons to the fall of Xiao shuihan, then Su Yan made a move. Finally, the heavenly prison God arrived, Xiao shuihan suddenly woke up and grabbed Su Yan to cut off his love.

Before and after, just a few breathing time.

Everything is too fast, ye Chen just want to know, cut off the supreme love, Xiao shuihan's mind, can completely recover?

.....

In heaven.

With Xiao shuihan's cutting off the love.

More and more collapse!

Ji Siqing looked at all that was about to collapse, and he was a little flustered.

She knew that the words of women's virtual shadow were the key.

Even across a part of the layout of samsara!

She has to hear!

However, the space in the sky is constantly tearing!

She could even see everything out there!

Maybe next second, everything will be destroyed!

Chapter 4419

There is really not much time left for her!

The strong wind whirled Ji Siqing's whole body, and the strong obstruction made her unable to approach.

The reincarnation master and Qu Chenyan are just pictures of history, which have not interfered.

Ji Siqing's whole body was scratched by the wind, and his white clothes were instantly dyed red with blood.

Shocking!

Fortunately, Ji Siqing has come to two people!

The reincarnation master looked serious and said to the woman, "this is the will of wanxu temple?"

"Don't they worry about causality and reincarnation when they act like this?"

The voice of the reincarnation Lord is obviously angry!

The woman's virtual shadow laughed and said, "reincarnation Lord, what do you think is the ultimate strength?"

The samsara master pondered for a moment and said, "eternal life, immortality and immortality."

The woman shook her head, stretched out her hand, crossed her hands, leaving a gap.

The man faced a flash of fire.

"This is the world you see now."

"Through this opening, the best you can see."

"Do you know what kind of world people in wanxu Temple see?"

The Lord of samsara shakes his head and does not know.

The woman's empty shadow let go of her hands, completely let go, staring at the reincarnation master, word by word: "now, is the answer to the temple of wanxu."

The smoke of samsara and the extreme expression.

They know that women can't cheat them!

It seems that the temple of wanxu is more terrible than they imagined!

"Well, I have said everything. You should pay special attention to the places I asked you to go. If you make a mistake, you will not even enter the qualification of reincarnation!"

"Besides, this memory can only be kept by one person."

The woman's empty shadow explained the way.

The reincarnation Lord looked at Qu Chenyan beside him and said, "Shen Yan is like me, not an outsider. She is worthy of trust."

The woman snorted coldly: "that's the rule. If you don't erase the memory of one of them, I'm sure you can't get out of here alive!"

With that, the figure of the woman gradually faded, and finally dissipated between heaven and earth.

This moment, it's the reincarnation Lord and Qu Chenyan.

For the warrior, erasing the memory is undoubtedly the most painful thing.

Besides, for Qu Chenyan, this memory is beautiful.

It has nothing to do with the secret of the temple of wanxu.

It is the confession of the reincarnation Lord and the tenderness that reaches out and pulls her to the darkness.

This is her most precious memory.

If it is lost, it will be regretful and painful.

However, Qu Chenyan knew what the overall situation was and did not think much about it. He said directly, "Lord, erase my memory."

"But Shen Yan has a word to say. The woman said that among these places, Qinghui is the most dangerous place to go alone. I hope you can take me with you."

"In this way, I lost this memory, it can be said that there is no regret."

The reincarnation master hesitated for a long time, and finally nodded: "I will."

"Sorry, heavy smoke."

The master of reincarnation touches Qu Chenyan's eyebrows, and a trace of the mainstream of reincarnation turns.

The power of reincarnation is like black and white chaos, entangled in Qu Chenyan's mind.

Qu Shen Yan's eyes are blurred, gradually lax and blank!

Finally, the body a soft, unexpectedly fell in the arms of the reincarnation Lord.

The reincarnation master takes Qu Chenyan in his hands and stares at the girl in his arms.

More is heartache.

"Shen Yan, although you forget that, I promise you that if I reincarnate, I will fall in love with you, and I will let you be my woman."

"You're no longer a heavy smoker."

"I am not the Lord of reincarnation."

With that, the thin lips of the reincarnation Lord actually kisses on the red lips with heavy smoke.

Four lips blend.

With a kiss, the Lord of reincarnation disappears in this world with the smoke of music!

And then there was a big bang!

Ji Siqing, with his eyes wet, watched the history collapse completely!

She was pulled back to reality!

That dust laden history of the sky completely disappeared!

She finally understood why she did not have this part of the memory of her awakening past life.

Perhaps, this is her agreement with the reincarnation Lord.

Ji Siqing turned her beautiful eyes and showed her strong determination.

Regardless of this life, the layout of the reincarnation Lord!

How powerful the enemy he faced!

She Ji Siqing will guard! Guard as before!

Only for once a promise!

Suddenly, Ji Siqing noticed the old man on the side.

The old man opened himself up with his life, and let her see the dust laden history.

But now, the old man is dead. Seven orifices bleed.

He paid for the kindness at the cost of his death.

"Thank you, sir."

With that, Ji Siqing pinched the formula with his fingers, and a long sword appeared in his hand, and she cut it off with one sword!

There was a mark of the sword in the ground.

Ji Siqing put the old man's body into the sword mark, and buried him completely.

Then, Ji Siqing cut a huge stone with his sword.

The stone tablet, so that the old man after death has a place of rest.

It's the only thing she can do.

After all this, she looked at the change in the sky above her head, and the prison had been completely destroyed.

I'm afraid the real end is coming.

Although Ji Siqing did not listen to the words of the woman's shadow and the reincarnation Lord.

But two words are crucial!

Qingxu!

The temple of wanxu may have covered everything.

But the word "Qingxu" can be found in her memory!

She finally took a look here, and her figure disappeared in this world in an instant!

.....

Boom!

With the love of the supreme being cut off, the sky of nine days was turbulent.

Click!

The sky cracked, and a ray of fairy light penetrated through the clouds and fell into the prison.

All people bathed in this wisp of fairy light, suddenly feel the wind and smoke are clean, the mind is pure and clear, spotless, like crystal, full of piety.

Piety to the superior!

At this moment, no matter Xiao shuihan, Su Yan, or the God Emperor of Tianyu, under the shadow of the light of immortals, they all seem to be the most humble ordinary ants. They only have supreme awe and piety in their hearts, and they want to worship the superior.

"The light of the world!"

Ye Chen looks at each other in horror. He only feels that there is a very strong will of the superior in this ray of immortal light. If it is affected, then their mind of Tao will be bound. No matter how they practice in this life, they can not surpass the realm of the superior.

In the crisis, ye Chen and Zha Tianmo Di simultaneously attack, and Wutu Yuanfu and Qisha Wanya pot burst to the extreme. Nine Zhentian Huangcheng swords guard the surrounding area. Each giant sword

has ten thousand crows circling around. The breath is extremely strong, which finally blocks the pressure of Xianguang's soul washing.

Above the sky, the immortal light is constantly blooming, and the night is broken. A magnificent and magnificent vision emerges in front of Ye Chen and others.

It was a heaven like temple with the word "wanxu" printed on it.

Around the temple, there are thousands of golden lights, red neon rolling, thousands of auspicious Qi, purple mist, brilliant sun, bright moon, purple sword through the air, and high-powered sword.

Chapter 4420

The palace buildings are all made of jasper and colored glaze, decorated with precious jade from Mingpao. On both sides, there are a member of the town god generals. Around the four sides are displayed a statue of a God with golden armor, each holding a halberd, hanging a whip, holding a sword.

There are red feathers on the top of the red feather, and there is a dragon on the top of it.

There are many temples, such as Xiri palace, Mingyue palace, Badao palace, purple sword palace, Hongmeng palace, Yuandao palace, anther palace and so on. There are many temples called samsara Jue palace, heart demon Jue palace, fatalism Jue temple, Tianjue palace, and so on.

In the palace, there are immortal flowers that have not withered for hundreds of millions of years, and the green grass of all ages. You can vaguely see the heaven and man, the gauze clothes in the morning glow, the bright stars, the hibiscus jade crown, the precious jade shoes, the purple ribbon and the golden sword, and the immortal sound of the golden bell pounding.

The whole temple of wanxu is really a golden palace and a Silver Pavilion. The weather is brilliant and the Jasper light shines on the starry sky.

Ye Chen was shocked by the vision of the temple of wanxu.

He saw many causes and effects. It turned out that the four volumes of "sword, sun and moon" in the past were all dropped from the temple of wanxu.

In the temple of wanxu, there are also the hall of samsara Jue, the hall of heart demon Jue, the hall of fatalism Jue, and so on. Once you look at the word "Jue", you can know the killing heart of wanxu temple.

Whether it is the Lord of reincarnation, the Lord of fate, or the Lord of heart demons, they have long attracted the attention of the temple of wanxu. They have the ambition to kill and exterminate, even though they have not started because of the limitation of the rules.

But as long as we give them a chance, they will definitely nip all possible threats in the bud.

"Lady, this is your world."

The old face of the God of heaven prison kept shaking. He knelt down on his knees and worshipped the wonders of the fairs in the sky.

Once upon a time, he was the servant of the supreme goddess.

Now, for the first time, he finally saw the world where the heavenly maiden lived. It was really: the white jade capital in the sky, the 12th floor and five cities, the immortal caressed my top, and my hair was born forever!

A piece of fairy light, from the nine days of wanxu shop and fall on the body of Xiao shuihan.

Xiao shuihan cut off the love, this moment, finally get a little higher blessing.

The evil spirit on him quickly faded down.

The fierce color in the eyes also faded away.

His spirit seemed to return to normal.

"This is Is it a superior world? "

Xiao shuihan's eyes were dull. Originally, he wanted to shout out the word "wanxu". However, there seemed to be some strong cause and effect restriction, so he could not open his mouth.

This temple of wanxu is obviously a taboo in the world.

Those who are too strong, all are the existence of annihilation star.

From the vision in the sky, Xiao shuihan felt the majestic taboo pressure. Looking at the whole world of heaven, no one was qualified to resist the heavenly power of the superior.

"This is the world of the supreme kingdom. How can emperor Shi contend with such a vast and magnificent world?"

Su Yan was in a trance, and the astonishing atmosphere of the temple of wanxu completely shocked his soul.

The temple of wanxu is a real taboo in the world. Today, when he saw it, he felt that it was extremely powerful and invincible.

It is almost impossible for emperor Shitian to establish a heart demon trial and destroy the world.

Those who were in the upper position could not give the emperor any chance.

Although the emperor Shitian was powerful, he was just a mole ant in front of the superior.

These big people who really control the rules are terrible.

Perhaps, in the eyes of the superior, the struggle between the master of reincarnation, the master of heart demons and the master of fate is just children playing with sand.

Although these little people, holding some heart demon sword, Shenluo Heaven Sword and falling dust and dragon sword in their hands, may theoretically hurt the upper level people, but the upper level people can not give them the opportunity to draw their swords.

Ye Chen's palm, out of sweat.

Once again, he felt the horror of wanxu temple!

Hum

Countless immortal lights condensed into a paper Fu Zhao and fell from the sky.

This is the blessing of the superior!

What Xiao shuihan just got was just a little bit of fur. Now the real blessing of the superior came from the sky.

This paper Fu Zhao, contains the heaven's luck, the heaven's fate, the heaven's great power.

If you can get it, even ants can transform into gods!

Ye Chen looked at the blessing Fu Zhao, eyes deeply shocked.

If he can get the blessing Fu Zhao, and instantly add the atmosphere to his body, he may be able to break through the sky mending realm, break through the heaven and earth realm, and reach the origin territory at one stroke!

The blessing of the superior is really magnificent.

What a terrible luck

The evil emperor was also completely moved. The breath of the blessing Fu Zhao was too terrible. Once it was obtained, it was enough to change his life against the heaven.

"The blessing of the superior is from the yuan palace of my emperor!"

"Burn my essence and blood, turn into battle!"

Su Yan watched the blessing edict fall, his eyes cracked, he roared up to the sky, and his blood was burning violently. Although he was seriously injured by the emperor of heaven prison God, he lost his fighting power, but he had a drop of blood essence, and he still had the possibility to seize the blessing Fu Zhao!

Hum!

Under the burning of blood essence, a six star blood array appears in the air, just below the blessing Fu Zhao.

When the blessing Fu Zhao falls, it will fall into the six star blood array.

As long as the Fuzhao falls into the blood array and is sent back to the emperor yuan palace, the emperor Shitian can get the atmosphere and transform himself into a strong man who is proud of the world!

"Not good!"

The emperor of heaven prison was shocked. I didn't expect such a change.

"Thank you for making the wedding dress for my emperor yuan palace."

Su Yan grinned grimly and his eyes were red with blood.

This six star blood array is cast by a drop of blood from the superior. No one in the world can destroy it.

"Damn it!"

The God of heaven prison was very angry and hit Su Yan's heavenly cover with one hand.

Click.

Su Yan's skull burst and he died immediately.

In fact, he was severely damaged by the heavenly prison God's palm and burned his blood essence. Even if the heavenly prison God Emperor did not fight, he could not survive.

However, the blood array of six mans star has been completed. Even if Su Yan is dead, the blood array will not disappear. Instead, it will send out a kind of attraction to attract the blessing Fu Zhao and send it back to the imperial palace.

"Liuhe flying snow blade, break!"

Xiao shuihan's face was heavy, and with a wave of his big hand, ninety-nine flying snow swords came out like a tide like a sea, pounding fiercely on the blood array.

Hum!

There was a tremor in the blood, but it was not damaged.

This blood array is the essence of the superior.

The legend of the superior, a thought to destroy the starry sky, a drop of blood can pressure burst hundreds of millions of miles of space.

The essence of the superior, the evolution of the big array, even if it is the real situation of Xiao shuihan, can not be destroyed.

And the blessing Fu Zhao was led by the blood array. Unless the blood array was destroyed, it was impossible to capture the Fu Zhao.

Seeing the blessing Fu Zhao, it will fall into the hands of emperor yuan palace. At the critical moment, ye Chen moves!

Ye Chen flies out, his body is like the sun, and his mouth emits a heavy chant.

"All dharmas will be destroyed, but I will be reincarnated forever."

"The six ways of reincarnation have been suppressed by me!"
