

## Physician 4421

### Chapter 4421

Ye Chen's eyes are sharp, and his whole body is reincarnated, burning fiercely.

The palm of his hand, there are wisps of reincarnation.

Behind him is a huge wheel.

Ancient, vicissitudes, majestic, invincible divine power, constantly from the plate of reincarnation burst out.

At this moment, in order to destroy the six mans star blood array, ye Chen actually used the strongest card!

The six way reincarnation method, which is the first one in the thirty-three Tianhong Mongolian laws, is so powerful that it is just incredible.

The superiors in the previous life were very afraid of the reincarnation master and tried to kill them all. They did not dare to give the reincarnation master any chance to grow up because of the existence of the six ways of reincarnation.

Reincarnation Tianwei, if the outbreak to the extreme, is enough to threaten the lives of the superior!

At this moment, ye Chen's eyes are cracked, the six samsara method is released, and his whole body is reincarnated with heavenly power and magnificence.

Only by relying on the pressure of reincarnation, can it be possible to destroy the six mans star blood array and cut off the hope of the emperor yuan palace to seize the blessing Fu Zhao!

Boom

Ye Chen ran a palm, with the breath of reincarnation, crazy toward the blood array bombardment and go.

"Ye Chen, it's you!"

"This This is the six ways of reincarnation. Are you... "

Heaven prison God Emperor looked at Ye Chen suddenly appeared, suddenly a burst of consternation.

"Master!"

Xiao shuihan is also shouting, his spirit has recovered.

Seeing ye Chen's hand, Zha Tian Mo Di and Yu Chi Yao were surprised.

Boom!

In many surprised eyes, ye Chen mercilessly slaps, with the rolling reincarnation Tianwei, mercilessly hits on the blood array.

Oh

Under the rolling of the majestic samsara breath, the blood array was suddenly broken and the blood shadows were flying around.

The whole blood array completely disintegrates and changes back to a drop of blood essence.

This drop of blood essence, belonging to the superior, is enough to burst the starry sky. Ye Chen grabs and pinches in his hand, and feels extremely heavy.

The blood of the superior can only be suppressed by the reincarnation Lord, because the reincarnation blood is beyond the heaven and represents the supreme law mystery.

This is also the reason why the reincarnation master of the previous life was envied.

Reincarnation blood, the potential is too great, even if the upper level, do not dare to let the reincarnation Lord grow.

Ye Chen held the blood essence of the Supreme People in one hand, and with the other hand, he seized the blessing Fu Zhao.

Starting with the Fu Zhao, ye Chen suddenly felt the momentum of the sky, rolling to his face.

If the Fu imperial edict is crushed and the atmosphere is added to his body, I don't know how far his strength will break through.

However, ye Chen did not start.

Because, the cultivation of reincarnation can only rely on ourselves. If we rely on outsiders, we can hardly make great achievements.

What's more, this is a Fuzhao given by the superior.

If the superior has too many blessings and misfortunes, the superior must bear too much gratitude and resentment.

"Be bold and let go of the imperial edict!"

However, seeing ye Chen holding Fu Zhao, the emperor thought that he wanted to swallow it alone. In his anger, he flew up and killed Ye Chen with one hand.

The God of heaven prison has been seriously injured and exhausted. This palm is like a dying struggle, without any threat.

"The sword of ten thousand crows, suppress!"

Ye Chen has not yet put his hand on it, but the demon emperor has already appeared. With a sword, countless crows are blown up, and the sword light is like a tide, which directly suppresses the heavenly prison God Emperor.

Puff!

The God of heaven prison spurted blood, and his body fell to the ground, dying.

The evil emperor was indifferent, holding a long sword, and wanted to kill with one sword.

"Don't kill him!"

Xiao shuihan flies in front of the heavenly prison God Emperor and blocks the sword of the God God.

The dark emperor's face sank and he stood still with his sword.

"Master, please forgive him."

Xiao shuihan looks at Ye Chen and pleads.

"Xiao, you recovered?"

Ye Chen's eyes brightened, and now Xiao shuihan's mental spirit seems to have been completely restored.

"Well."

Xiao Han, who has just been blessed by water, has already recovered.

The energy of the superior is really too majestic. Even if a little luck is given, it can make people change.

"Are you really recovered?"

Ye Chen is pleasantly surprised. What he worries about most is Xiao shuihan.

Now he felt like a dream.

"Cold water, you You call him master? "

"Is he your old master?"

The God Emperor of heaven prison was shocked. At this moment, he finally knew that the old master of Xiao shuihan was Ye Chen!

"Lord God, thank you for your cultivation for tens of thousands of years."

With a trace of complexity, Xiao shuihan bowed down to thank him, and immediately said in a cold voice: "but in order to control me and tamper with my memory, I almost killed my teacher myself. There is no kindness between you and me!"Listening to the cold and cold words of Xiao Shui, the God Emperor of heaven prison sank to the bottom of the valley and felt infinite regret.

Xiao shuihan is right. He has a strong desire to control. He even uses the law of heaven prison to tamper with Xiao shuihan's memory and makes him completely lost.

Yesterday, his ghost shadow was swallowed up by Xiao shuihan, which is also the fault of his own.

"But you have cultivated me for tens of thousands of years, and I can't bear to see you die."

Xiao shuihan's eyes are quiet and he sighs a long time.

When he and xuanjiyue were in the first battle, they suffered heavy losses, and their strength was greatly reduced. It was the emperor of the heavenly prison who cultivated him so that he could slowly recover his strength.

Although the real purpose of the heavenly prison God Emperor is to control him and cut off his feelings.

However, because of the cultivation of emperor Tianyu, Xiao shuihan was able to grow to this point today.

In the old days, Xiao shuihan didn't want to kill the God of heaven.

"Master, I beg you to let go of the heavenly prison God."

"His spirit has been lost. Under the serious injury, the foundation of martial arts is seriously damaged. Even if the injury is recovered, his strength will not be any more. He has no threat."

"Master, I want to ask you to let him go to liudaozong and spend the rest of his life in peace."

Xiao shuihan asked for a secure old age.

Ye Chen pondered for a while and said, "OK, I promise you that if I don't die, I can allow him a stable time."

Xiao shuihan is right. The heavenly prison God Emperor has lost his threat and strength. There is no need to kill him. Let him go to the six patriarchal clan to provide for the aged can also make Xiao shuihan clear the cause and effect.

"Ha ha ha, the water is cold. Thank you very much. I still want to provide for my old age."

Heaven prison God Emperor issued a sad laugh, staring at Ye Chen in the hands of the supreme Fu Zhao.

This is the imperial Fu Zhao. He has been planning for tens of thousands of years, and now he is in front of him.

Unfortunately, in any case, he could not have taken it.

He's a total failure!

Despair, unwillingness, humiliation, all kinds of emotions, in the heart of the God God prison.

After tens of thousands of years of planning, no one can bear it.

"After all, the blessing of the goddess of heaven falls into the hands of outsiders. I am not qualified to accept it because of my shallow fortune."

"Cold water, wish you and your master a prosperous future"

The heavenly prison God Emperor's face was bleak and resolute. He suddenly turned back his hand and hit him hard on his own heavenly cover.

Chapter 4422

"Damn it!"

This sudden sudden change, Xiao shuihan was shocked, and it was too late to save it.

The God Emperor of the heavenly prison decided by himself, completely lost his vitality, and soon became a cold corpse.

He would rather die than go to liudaozong to provide for the aged.

Ye Chen looks at each other and is silent.

On this day, the God of prison was also a hero. He would rather die than surrender.

Sad wind whimpers, blowing across the canyon, one after another in the sky prison you flowers swaying.

For a long time, ye Chen and others calmed down and looked at the imperial Fu Zhao.

This imperial edict of the supreme emperor contains the blessing of the superior. Whoever can refine it can get the atmospheric power.

"Master, how to deal with this imperial edict?"

Xiao shuihan asked cautiously.

The God of heaven prison has been planning for tens of thousands of years, and he was about to make a wedding dress for emperor yuan palace.

If ye Chen had not destroyed Su Yan's blood transmission array, the imperial edict would have fallen into the hands of emperor Shitian.

If the imperial edict is too bad to be explained.

Emperor Shitian's strength is strong enough. If he has great luck, ye Chen will not be able to fight against it in any case.

Fortunately, this imperial Fu Zhao is in the hands of Ye Chen!

"My previous life, and the superior, water and fire."

"Their blessing, to me, is a natural disaster."

"It's useless for me to come here. You can discuss it with the elder devil emperor, and you can take it if you want."

Ye Chen shook his head and waved to release the imperial Fu Zhao.

Fu Zhao was suspended in the air, between Xiao shuihan and Zha Tian Mo Di.

Xiao shuihan and Zha Tianmo Di looked at each other, and both of them had the meaning of taking Fuzhao.

"Master, give me this Fu Zhao. I'm going to kill the upper bound and find xuanjiyue to avenge myself!"

Xiao shuihan bit his teeth. He just wanted to kill xuanjiyue.

"Don't be impulsive. Xuanjiyue is in charge of the supreme source army. You are not her enemy."

Ye Chen's face sank, and Xiao shuihan's strength, though advancing by leaps and bounds, has reached the level of the true state, but it is not the enemy of xuanjiyue.

If we fight, Xiao shuihan will surely be defeated.

Even if he captured the Fu Zhao and got the blessing of the superior, he was not necessarily the enemy of Xuan Jiyue, because the gap between the two was too great.

"Xuanjiyue is in charge of the supreme source army. I have to go to the upper bound. Otherwise, every day of delay, she will be sharp and sharp. When the butcher's assembly begins, we will have no chance to resist!"

Xiao shuihan's eyes are determined. He also knows that if you go to the upper bound, you can't have the slightest chance to win.

What he wants to do is to fight his own life, shake the foundation of xuanjiyue and fight for opportunities for ye Chen!

"This imperial Fu Zhao, you can take it if you want."

With his hands on his back, he shook his head gently and no longer competed for Fu Zhao.

Although he also wanted to get the atmosphere to add body, once flying into the sky, but he was very clear that Xiao shuihan needed more Fu Zhao than he did.

If Xiao shuihan refined the Fuzhao and was blessed by the superior, then he would definitely shake the foundation of xuanjiyue by killing him to the upper world!

"Master, there is no time. I want to refine Fuzhao and kill the upper bound."

Xiao Shui's fighting spirit is boiling, and without waiting for ye Chen's consent, he directly reaches out to seize Fu Zhao.

Hiss!

But at this time, an extremely terrible Dao Qi came out of the void.

This Dao Qi, with a very domineering power, has a majestic Yuan Shu Tian Wei.

It's the supreme sword of emperor Shitian!

This is a supreme sword. It is suddenly cut and killed. It is extremely fast.

Ye Chen, Xiao shuihan two people, hastily retreat.

The jade God also pulled Yu Chi Yao and stepped back to avoid the breath of the supreme sword.

Puff!

Cut down with the Wushang Badao, the edge points to the Fu Zhao, and cuts it on the Fu Zhao with a fierce knife.

The whole imperial Fu imperial edict was cut by the supreme sword in an instant. It gave out a sad cry, turned into a broken streamer, and broke up completely.

The weather of wanxu temple in the sky also disappeared like a cloud.

The sky of nine days is again covered by darkness.

"You can't get what I can't get!"

A solemn voice came out of the darkness.

It's emperor Shitian!

The emperor Shitian didn't get the blessing of the superior, but he bravely took the action and destroyed the imperial Fu Zhao!

He would rather destroy Fu Zhao than let Ye Chen and others succeed!

Seeing that the Fu Zhao was destroyed, ye Chen, magic emperor, Xiao shuihan and others were shocked.

No one thought that emperor Shitian would actually make a move.

From emperor yuan hall to heaven prison, I don't know how many layers of void are separated, and how strict the rules are.

When Emperor Shitian's sword comes and breaks the rules, he must pay a heavy price.

However, he even if the cost is heavy, but also want to prevent Xiao shuihan from growing up!"Damn it!"

Ye Chen's eyes vibrate, and he can't believe that emperor Shitian is so fierce.

"Master, the prison is going to be destroyed. Let's go."

When Xiao shuihan saw the Fu Zhao destroyed, he was also frightened.

However, now that the prison is nearly destroyed, he has no time to regret and must leave as soon as possible.

Just now, the God Emperor of the heavenly prison has emptied the law energy of the heaven prison. This secret world is constantly collapsing, and has reached the final point of collapse.

"Well!"

Ye Chen nodded heavily and looked around. He saw that the whole heaven prison world was rapidly collapsing. The sky and earth were constantly collapsing. Here, it had been turned into ruins.

"Liangyi dragon tiger sword, the source of light."

Ye Chen cleans up the battlefield. After su Yan's death, he changes back to a sword. It's the Liangyi dragon and tiger sword, as well as the source of light.

One hour, all the leaves are closed.

Although the emperor's journey to heaven was very rich, it was also the harvest of the emperor.

After the death of peacock and Su Yan, the temple of emperor yuan was greatly weakened. Xiao shuihan recovered his spirit and completely controlled the prison spirit Pavilion, which was a great help.

Moreover, ye Chen also got a drop of blood essence from the superior, and now he has got Liangyi dragon tiger sword and Guangming source symbol, which can be said to be extremely rich.

At present, ye Chen, together with Zha Tianmo Di, Xiao shuihan and yuchiyao, quickly left the gorge and prepared to leave Tianyu.

Xiao shuihan said: "master, I'll go back to the prison spirit Pavilion, and gather people."

Ye Chen nodded his head and said, "well, you should remember that Xuanji moon is so powerful that it's not the time to fight. You take the people from the prison spirit Pavilion and go back with me to prepare for the butcher's meeting!"

There are also many masters in the prison spirit Pavilion. If you can close them up and wait for the butcher's meeting to begin, ye Chen's grasp will be greatly improved.

"Yes!" said Xiao shuihan

At present, Xiao shuihan returns to prison Lingge, and ye Chen and others wait in situ.

Waiting for a quarter of an hour, ye Chen suddenly found something wrong.

At the gate of the prison spirit Pavilion, there was an amazing wave of evil Qi.

A magic Buddha, towering and rising, burst out of the breath of terror.

A neat cry came from afar.

"Repair my magic sword, kill nine days!"

Chapter 4423

"Repair my magic sword, kill nine days!"

"Repair my magic sword, kill nine days!"

Loud and clear slogans shook the mountains and rivers of heaven and earth.

It was the roar of the powerful men in heaven.

"No!"

Ye Chen pupil shrinks, immediately feel bad.

"Let me kill you for nine days and crush the Queen's palace!"

The sound of cold water, startled the sky.

It turns out that he returned to the prison Lingge and summoned the old Department, not to follow Ye Chen to leave, but to kill nine days and fight xuanjiyue again!

Ye Chen clearly sees that Xiao shuihan, the master of the devil, rises from the gate of the prison Lingge Mountain Gate. Ninety nine sharp snow flying blades surround him, flying and killing, and the magic power is surging.

After Xiao shuihan, there are about 800 people who are strong in the heaven prison.

There are more than so many disciples in the prison spirit Pavilion.

Obviously, Xiao shuihan said that he wanted to kill the Queen's palace, which should be opposed by many powerful prison officials.

Those who oppose, it is estimated that he killed them.

Now the remaining 800 people are absolutely loyal to him and are willing to follow him to the top of the world to challenge xuanjiyue!

"Xiao!"

Ye Chen calls out in a loud voice. Unexpectedly, Xiao shuihan is so resolute that he is not afraid of death. He is determined to challenge xuanjiyue.

In Ye Chen's heart, nature is extremely shocked.

You know, xuanjiyue may be the top expert in the real world. The experts under her command are like clouds. Even if Xiao shuihan takes the 800 strong men in the prison spirit Pavilion, she can't be Xuan Jiyue's opponent.

Hearing Ye Chen's cry, Xiao shuihan dominates the demon body and trembles slightly.

But in the end, he still did not look back, tearing the void, with the 800 day prison strong, determined to go to the upper bound.

Xiao shuihan knows very well that he can't kill xuanjiyue.

During these tens of thousands of years, Xuan Jiyue had too many opportunities. Moreover, she recently took charge of the supreme source army. Her sharp edge was terrible to the extreme.

Even if Xiao shuihan refined the imperial edict of the Supreme People's court and got the atmospheric power, he might not be able to defeat xuanjiyue.

What's more, now that the imperial Fu imperial edict is destroyed, he has no chance of winning.

He also knew that he would die if he went.

What he wanted to do was to shake the foundation of xuanjiyue. Even if he died in battle, he would let xuanjiyue take off a layer of skin!

Over the years, he vaguely knows the layout of the reincarnation Lord.

Ye Chen is the only one who can fight against everything!

Ye Chen needs to grow!

And xuanjiyue absolutely does not allow Ye Chen to grow up!

Her character will nip the threat in the cradle!

If you use all your strength this time, let xuanjiyue get hurt and shut up for ten years! Even if you blow yourself up!

It's worth it!

Xiao shuihan's character is stubborn.

Or you won't step into the devil's road.

He knows better than anyone what to do.

Maybe it's a bit silly in the eyes of outsiders.

But for Xiao shuihan, he is trying to give the master a chance to rise!

.....

Boom

The sky is falling apart.

In addition to several ancient places, such as extreme East and North, the whole heaven prison world is completely broken and annihilated in the rules of rolling space.

Ye Chen, Zha Tian Mo Di and Yu Chi Yao retreated quickly.

Outside the world, calm, there are wisps of immortal spirit.

Just in the heavenly prison, the feeling is broken, and a vision of the temple of wanxu comes. The world outside the prison can also be seen clearly.

That is to say, the world of the superior, for the first time, emerged in the outer world and the upper world, like a dream, highlighting the ancient taboo oppression.

Everyone, for the first time to see the legendary wanxu temple, is extremely shocked.

In the outer world and in the upper world, countless people kneel down.

They deeply felt the power of wanxu temple, which was a terrible existence across the ages. It was much more terrible than what empress's palace and what emperor yuan temple were.

Fortunately, the temple of wanxu is located in the supreme world. Because of the limitation of rules, it can not come down.

Otherwise, if such taboos exist, once they come to the outer upper world, I am afraid that the laws of space will explode and the world will be reduced to ruins.

You know, a drop of blood of the super strong is enough to burst the universe, I don't know how strong.

.....

Palace of emperor yuan, underground palace.

Emperor Shitian's face was pale and his breath was very weak.

He forced his hand through the void layer by layer, crushing the imperial Fu Zhao, not allowing outsiders to pick up cheap, paid a great price.

At his feet, there was a body.

It's the body of the spider.

This is the price of emperor Shi Tian.

In order to destroy the imperial Fu Zhao, he sacrificed the life of the heartless spider.

Cold blooded and merciless, only cold demon flower demon and blood ghost owl are left. Both of them were sleeping in the underground palace. Only when the assembly of the butcher Saint began could they wake up.

"The world over there is so grand."

The emperor Shi Tianmu was gloomy, and he knew the existence of wanxu temple.

In the depth of the emperor yuan hall, there is a statue of a strong man in wanxu.

There are wanxu strong, want to win over the emperor Shitian, support him to be the agent of the universe.

Emperor Shitian promised on the surface, but in fact, he didn't want to be anyone's pawn.

He wanted to take control of his own destiny and even create a heart demon trial to destroy the world.

However, he was deeply shocked by the vision of the temple of wanxu.

The legendary supreme world is so grand that he would like to launch a heart demon trial and negotiate with the superior.

Those on the top are not interested in talking to him.

In the absolute strength gap, if he dares to mess, I am afraid the first one will be killed.

"In the eyes of those in charge, I may be just a mole ant, but fortunately, because of the restrictions of the rules, they can't come in person, and I still have the opportunity to kill."

The emperor Shitian laughed at himself, and the practice of martial arts was endless. He was already a master in the later stage and even the peak of his true state. But he didn't expect that there was such a vast realm above.

Those on the top, I do not know how much beyond him, he is just a mole ant.

If you want to launch the heart demon trial and complete the eternal cause, it is really hard to compare with heaven.

However, even if it is difficult, Emperor Shitian still has a chance!

After all, because of the restrictions of the rules, the superior can only manifest some visions, which can not really come down. He still has the opportunity to plot and calculate.

"When the butcher's assembly begins, it is imperative that the heart demon be judged. Otherwise, we will not be able to defeat xuanjiyue."

Emperor Shitian secretly planned that Xuanji moon was too sharp, and he could not get the imperial edict. Now he wanted to fight against him, he had to sacrifice the heart demon sword!

.....

The upper world, the Queen's palace.

Xuanjiyue also saw the vision of wanxu Temple just now.

"The real world of the supreme kingdom is indeed vast and boundless, and it stands high in the immortal court. Even my upper world can't compare with what happened."

Xuanjiyue was shocked. Before that, she pulled out the Shenluo Tianjian. The light of the sword penetrated through countless void, and she had already seen the shadow of wanxu temple.

But that trace, can't compare with the shock of today's vision.

Chapter 4424

Just now, the magnificent and marvelous sceneries of the heavenly palace and temples are the real weather of the supreme emperor. The legendary wanxu temple, an ancient taboo, just a little bit of coercion, makes Xuanji moon extremely frightened.

In theory, there is a chance for her to kill the superior.

But the theory is the theory, but the reality is the reality. If she really meets the superior, the other party can't give her the opportunity to pull out the sword. If she wants to establish the order of destiny, it is absolutely a dead end.

Moreover, with her strength at the top of her real state, she can't exert all the edge of Shenluo Tianjian. Even if the superior is standing still, she can't hurt a hair of the other party.

The huge power gap is enough to make people despair.

"It's hard, it's too hard to realize my destiny."

"For today's plan, only by killing the samsara first, then destroying the heart demons, and swallowing the reincarnation and heart demons, can we have a little chance to fight back."

Xuanjiyue ponders silently. The only good news is that the superiors can't come in person because of the restrictions of the rules. She still has room for maneuver.

As long as you kill the reincarnation master, kill the emperor Shitian, and devour their law and Dao Qi, she will have a chance to go against the heaven and try to fight against the superior.

Thinking of the Tu Sheng assembly, Xuan Jiyue felt a surge of restless desire, a little impatient.

"Newspaper!"

Suddenly, Tianxin jiangdie stepped into the Imperial Palace, looking urgent.

"What's the matter?" asked xuanjiyue

Tianxin jiangdie said: "Your Majesty, Xiao shuihan, the apprentice of the former reincarnation Lord, led 800 strong men of the heavenly prison to the upper world and are attacking the south gate."

"The water is cold?"

Xuanjiyue heard the name, beautiful eyes suddenly a cold.

Tens of thousands of years ago, she fought with Xiao shuihan once.

It's easy for Xiao Han to fight a heavy battle.

"He's still alive. I thought he was dead. Hum, I didn't want to pester him. You sent someone to stop him."

Xuanjiyue doesn't care. She has a bigger plan in her heart. She doesn't care about Xiao shuihan at all.

"Yes

Tianxin jiandie is ordered to step down and immediately organize people to intercept Xiao shuihan. He must not be allowed to disturb the queen.

.....

At this time, ye Chen, Zha Tian Mo Di and Yu Chi Yao all withdrew from the prison.

Xiao shuihan is determined to die and kill the upper world, which deeply shakes the hearts of the three.

Repair my magic sword, kill for nine days, that loud roar, still whirled in the ears of three people.

"Don't look at me

"I'm afraid he's here for me."

Ye Chen gnaws his teeth and draws his sword in his hand. He also wants to step on the upper boundary to save Xiao shuihan.

"Don't be impulsive

Yu Chi Yao also said: "brother Ye Chen, you don't want to die."

Ye Chen's heart sank suddenly. Xiao shuihan seldom recovers his spirit. The two masters and apprentices recognize each other. Before they get together, Xiao shuihan rushes to the upper world, which is hard for him to accept.

However, if xuanjiyue is so powerful, if he also steps into the upper world, he is afraid that he will not survive.

"We still have a way."

Ye Chen said: "what method?"

"The evil god of heaven and the devil said," I know a great man from the outside world. He is the one who sharpens the sword of killing immortals for me. "

"It is said that the evil God saved xuanjiyue's life, and xuanjiyue owes her a favor."

"If we can persuade each other, the devil may be willing to help save Xiao shuihan."

Smell speech, ye Chen eyes suddenly a bright, happy way: "really?"

He nodded and said, "of course, but if you want to move the devil out of the mountain, I'm afraid there are many difficulties."

Ye Chen clenched his fist and said, "no matter how difficult it is, I will try it. Otherwise, Xiao will surely die."

"I can take you to have a try, but I'm not sure if I can succeed. Besides, even if I succeed, time has been wasted. I'm afraid your apprentice has been killed."

Ye Chen said: "Xiao is a master of the heaven in the real world, and he has understood a little of the supreme law. Even if Xuan Jiyue wants to kill him, it is not so easy. Let's go and ask the evil god of the devil as soon as possible, and there is still a chance to rescue him!"

"Good, I'll take you," said Zha Tian Mo Di

"The devil God, originally called the devil heaven and evil Zun, is one of the twelve deities. He is the servant of the goddess of heaven. Later, he failed to cut off his love. Even his magic weapon was lost. He was so frustrated that he closed up at Zhudao cliff."

"My Qisha Wanya pot, in ancient times, used to be the magic weapon of the evil gods. Later, it was lost and was recently acquired by chance."

"The evil god has not asked about the world. Seeing that I got the pot, he didn't want to take it back. He didn't even want the magic weapon of his own life. If we want to ask him out of the mountain, I'm afraid it will be more difficult than going to heaven."

Ye Chen said in a strange way: "the original evil god is the Twelve Gods in the past? Is the pot his magic weapon? If it's true, it's tricky."

After all, the devil and the evil god didn't want to take back the magic weapon of the past. He showed that he was living in seclusion and did not care about the world.

It's not easy to ask him out of the mountain to save Xiao shuihan.

"Do you want to go

Ye Chen said: "of course, I can't watch Xiao die, walk and lead the way!"

Although it's hard for ye to see the devil on the cliff.

At present, if you want to save Xiao shuihan, you can only ask the devil to come out of the mountain.

Ye Chen clenched his fist and felt his insignificance deeply.

If he is strong enough, he can kill the upper world alone and crush all the enemies. Why ask people out of the mountain?

"Strength, I need strength!"

In Ye Chen's heart, he is extremely eager for strength.

After the negotiation, ye Chen and the dark emperor tear up the void and go to Zhudao cliff.

Yuchiyao didn't have to go with him. He returned to liudaozong first.

Whoa.

Ye Chen and Zhang Tianmo Di tear up the void and rush to Zhudao cliff.

"This is Zhudao cliff?"

Ye Chen looks around. The sky is dark red. There are many craggy Cliffs around. There are streams of magma on the ground. The air is full of burning and burning sulfur smell.

"Lihuoyuan rune is here too!"

Ye Chen's concentration induction, immediately caught, in the depths of Zhudao cliff, it seems that there is a breath of fire from the source.

Li Huo Yuan Fu, one of the ten source symbols, is actually buried here.

"Brother evil, I've come to see you."

As soon as he arrived here, he yelled loudly. Although there was a big gap between his age and cultivation, he and the devil God were matched by brothers, and their conversation was quite speculative.

Boom

The cry fell, and a startling sound came from the cliff.

After a while, I saw a boa constrictor, winding out.

This boa constrictor is covered with red scales. The scales are covered with fire light. Its body is very large. The surrounding cliffs, which are hundreds of feet high, seem to be beams and pillars. It crawls all the way around the beams and pillars. The picture is very spectacular and frightening.

"Ten wild animals, absolutely flaming Python!"

Chapter 4425

Ye Chen recognized at a glance that this boa constrictor is actually the jueyan fire Python among the ten source animals, and the guardian beast of Lihuoyuan rune.

"Don't be hurt, my Lord."

Jueyanghuo Python meanders from here, its huge head pops up, the orangutan spits out his message, his eyes are flashing with red light, and there is a faint mixture of Lihuo runes. His breath is very fierce.

However, in the face of the dark devil emperor, it is very polite and courteous.

"Brother Yan, I want to visit the evil god. Please pass it on."

"Ha ha."

Jue Yanhuo mang smiles, looks at the dark devil emperor, and looks at Ye Chen, and immediately recognizes it.

At the entrance of the prison, it chased Lei Zhen and had a grudge with Ye Chen. I didn't expect to see ye Chen here.

"You have a very heavy cause and effect, Lord devil. You are not here to chat. If you want to disturb the cultivation of the evil god, I suggest you go back."

Jue Yanhuo Python felt that ye Chen and Zha Tian Mo Di had a very serious cause and effect on their bodies. They must ask for something. Maybe they want to ask the devil to come out of the mountain.

However, the evil god has been closed for many years, and has not asked about the world for a long time.

Jueyanhuo Python doesn't want to be disturbed. It's pure and pure.

"I really have something to ask for. Please let me go in and let me have a chat with the evil god."

While speaking, the dark emperor took out some magic medicine of fire attribute and sent it in the past.

Jue Yan Huo Python took the pill, narrowed his eyes, pondered for a while, and said, "the evil god is still resting. When he wakes up, I will ask him again. You wait here."

"Yes," he said

Jue Yanhuo Python nodded and immediately turned away. His huge body was hidden in the cliffs.

"It turns out that this guy is the pet of the devil."

Ye Chen suddenly suddenly, no wonder that Lei Zhen was chased by Jue Yan Huo python. He was so scared that he had to hide in Yuantian courtyard, looking like a big enemy.

It turns out that what Lei Zhen is afraid of is not only Jue Yan Huo python, but also the devil behind him!

The devil God is the master of jueyan fire python. If you offend jueyan fire python, it is equivalent to offending the evil god of devil heaven. This sin is not light.

"We'll wait here. If the jueyan Python doesn't let us in tomorrow, we'll break in!"

Ye Chen said, "good!"

Then they rested and waited.

Ye Chen sits at the foot of a cliff, all the way tight nerves, to this moment, just slightly relaxed.

As soon as the spirit relaxed, ye Chen felt that he was tired and weak all over his body, his head was buzzing, his eyes were black, and he almost fainted.

Just in heaven prison, he used the six ways of reincarnation, which cost him a lot. Even if he has a good constitution, he can't bear it.

Among the 33 Tianhong Mongolian laws, the six way reincarnation method ranks first. It can be said that ye Chen's strongest card at present. Relying on reincarnation Tianwei, it is enough to kill all enemies.

However, the consumption of these secret methods is amazing. Ye Chen's constitution is so strong that he feels weak at the moment.

"This drop of blood essence may help me recover."

Ye Chen sacrifices a drop of blood essence, which is the blood of the superior!

This drop of blood essence originally belonged to Su Yan. After su Yan died, it fell into Ye Chen's hands.

Ye Chen gazed at this drop of blood, and saw that there were endless rules in the blood essence, and the majestic aura was ready to move. After a glance, he felt comfortable and relaxed.

What kind of natural materials and miraculous drugs can't compare with the pure and precious drop of blood.

"This is a drop of residual blood, not real blood."

Ye Chen carefully under the induction, suddenly found that this drop of blood essence, very heavy, more than the holy water of the yellow spring, a thousand times heavier, faintly there are signs of pressure explosion space.

But the legendary blood essence of the supreme people can crush hundreds of millions of miles of the universe, and the weight should be much more terrible.

Ye Chen's blood essence has not reached this level.

Obviously, this is a drop of residual blood, not really complete blood.

If there is a space collapse, there should be no space collapse.

Fortunately, ye Chen's hand is only residual blood, and the pressure is still within the scope of bearing.

"Bagua Tiandan, Huadan!"

Ye Chen made a quick decision. With the eight trigrams in his hand, he directly used the eight trigrams heavenly elixir. He refined the remaining blood of the supreme emperor into a blood elixir.

Hum!

The blood elixir is refined and shakes violently in Ye Chen's palm. The dense red fog billows out. The red fog spreads out and evolves into the heaven palace, the golden palace, the immortal against the wind, and the sword flying.

A pill, it seems to have an all embracing momentum, it is simply fantastic.

Ye Chen is stunned to see, in the heart a burst of shock. The realm of the superior is really terrible.

The quality of the blood elixir refined from a drop of residual blood is far superior to all panacea in the world.

When the whole body is breathing, the whole body is refreshed and the spirit is restored.

"The elixir made by the remnant blood of the supreme emperor is so powerful that it is so powerful

Ye Chen burst into joy and horror.

Once again, Dan's ability to recover is too much.

What is frightening is that a drop of residual blood is so terrible that if the real superior comes, I'm afraid that with a flick of a finger, he will be broken to pieces.

It's hard for him to beat the superior.

It's no wonder that Ren Feifan, such a world shaking master, is so afraid of the superior. The existence of those taboos is really incredible and powerful.

With the support of Taishang Xuedan, ye Chen's muscles and bones were invigorated, and he immediately sacrificed the poisonous source talisman and the bright source talisman.

He has not refined these two source symbols.

In particular, the highly toxic source Rune contains a very terrible poisonous gas. If you refine it rashly, you will be attacked by the extremely poisonous poison. There is a risk of bone and flesh melting and turning into pus.

However, ye Chen has taishangxuedan in his hand. With the help of Taishang's blood, no matter how severe the poison is, it is impossible to hurt him.

"Poisonous, bright, refined!"

Ye Chen didn't hesitate, and immediately refined the poison source Rune and the light source rune.

Boom!

Two source symbols, refining at the same time, suddenly burst out a serious impact.

A series of dazzling light, like a sword like sword, mixed with the devil like torrent of poisonous fog, crazy impact Ye Chen's body.

"Too much blood, suppress!"

Ye Chen is not flustered, holding taishangxuedan in his hand, a continuous and magnificent blood gas diffuses out, and instantly all the collisions and recoil, all suppressed.

In the blink of an eye, both the poison source Rune and the light source Rune are refined by Ye Chen without any effort.

"Mend the sky, seven layers of heaven!"

Ye Chen's cultivation realm is also a breakthrough to the seven layers of heaven.

Chapter 4426

"Two source symbols, I was promoted to a higher level."

"Maybe it will be easier to practice the star soul chopping in the half underworld."

Ye Chen frowned, deeply felt the difficulty of cultivation.

If they were ordinary people, they would have been in heaven and earth for a long time.

However, ye Chen's martial arts background is too deep, coupled with the suppression of reincarnation on cultivation, he wants to practice and break through, which is thousands of times more difficult than ordinary people.

"But it's a good thing to break through."

Ye chensong opened his eyebrows and let out a sigh of relief.

He is also very aware of the difficulties of his breakthrough, and now it is very difficult to be promoted to a higher level.

"Boy, congratulations on the breakthrough."

Seeing ye Chen's breakthrough, he smiles and congratulates him.

Ye Chen has six source symbols in his body at the moment, which are Gengjin source rune, Wutu source rune, Guangming source rune, dark source rune, thunder source Rune and virulent source rune.

Ye Chen has six of the ten source runes. It's a tremendous luck.

"This breakthrough is nothing. Compared with emperor Shitian and xuanjiyue, it is far from perfect."

Ye Chen shook his head and was not complacent.

"If you can bear it, the butcher will not show up and concentrate on cultivation. One day, you can easily kill those two people."

Ye Chen's face sank, and said: "my martial arts, the pursuit of courage and diligence, do not leave the remaining evil, you ask me to muddle along and live, watching the eternal holy King die, that is absolutely impossible."

With a sigh, he said, "yes, I will give you a hand when the assembly of butchers begins."

He is also very clear about ye Chen's character. Even if ye Chen is killed in battle, he can't muddle along and live.

Ye Chen will never shrink back from this slaughtering ceremony.

He was also determined to help him. He fought a fierce battle and died.

The two men waited for a day outside Zhudao cliff. In the early morning of the next day, there was a roaring sound from the depths of the cliff. The huge body of jueyanghuo Python came again.

"Brother Yan, what's the matter?"

Jue Yanhuo Python said: "the evil god adult wakes up and says that you can let a person in."

"Can only one person go in?" he frowned

Jue Yan Huo Python said: "exactly."

"Good, I'll go in and have a chat with him," he said

Jue Yanhuo Python shook his head and said, "no, Lord devil. The evil god said that he wants to talk to this boy. Please wait a moment."

"The devil wants to see me?"

Ye Chen slightly a Leng, did not expect that the devil God should take the initiative to see him.

Jue Yan fire Python nodded: "yes, you come with me."

Ye Chen is a little surprised and looks at the dark devil emperor.

But he was very clear that the evil god had not asked about the affairs of the world, and would not hurt Ye Chen. He then said, "go ahead, the evil god will not hurt you."

Ye Chen said, "good." Immediately follow jueyan fire python, step into Zhu Dao cliff.

"Boy, I haven't seen you for a period of time. I don't expect you to break through this."

Jue Yan fire Python scarlet letter son, licked and licked lips, quite a bit of fun looking at Ye Chen.

Last time, it and ye Chen or enemy, both sides fight, it was also seriously injured.

Did not expect today, ye Chen actually became Zhu Dao cliff's guest.

Fortunately, he had a lot of luck, but he laughed

Jue Yan fire Python ha ha ha ha smile, immediately relieved, also no longer care, asked: "Lei Zhen, how is the person? Is he OK? Call him over for a drink when you have time

Ye Chen's eyes darkened and said, "he is dead."

Jue Yanhuo Python was shocked and said, "is it..."

Obviously, it didn't expect that the man was dead.

At the moment, a man and a python were silent, and the atmosphere was a little dignified.

Under the leadership of jueyan fire python, ye Chen comes to a cliff in the depth of Zhudao cliff.

The cliff is a thousand feet high, steep and straight, and filled with smoke and clouds.

There is an old man sitting on the top of the cliff.

"The evil Lord is up there. You can go and see him."

Jueyanhuo Python stopped and opened his mouth to break the silence.

"Well, thank you for leading the way."

Ye Chen arched his hand, and did not remember the past, and put his eyes back in front of him.

Even if they were far away, he also clearly felt that the old man on the top of the cliff was very terrible, and the sky was enveloped and suffocating.

The mythical God is one of the Twelve Gods in the past. He has been instructed by the goddess of heaven, and his strength is not small.

Jue Yanhuo Python left, at the foot of the cliff, only Ye Chen was left.

Ye Chen takes a deep breath and urges Geng Jinyuan Rune to form a golden flying sword. He stepped on the flying sword and flew straight to the top of the mountain.

Gaga, gaga!

Flying half way, ye Chen suddenly heard a shrill crow call.

A black crow, surrounded by layers of flame, flew out from the cliff, with fierce eyes, sharp beak and claws, and stabbed Ye Chen.

"A test for me?"

Ye Chen's eyes sink, and the sword flies back to avoid the attack of crows.

It seems that it will take a lot of twists and turns to see the evil gods.

Gaga!

A crow, hissing and yelling, chasing after ye Chen.

"Sword of light!"

Ye Chen pulls out his long sword and wipes the source of light. Suddenly, there is a dazzling light on the sword, and endless runes flow.

It's a bright sword Qi. It's hard to cut it out.

A few crows, by the light sword, suddenly feather fell, blood spatter.

The rest of the crows, quacking, retreated slightly.

Ye Chen clearly feels that the smell of these crows is connected with the pot of Qisha Wanya.

Obviously, the evil god is the old owner of the seven evil thousand crow pot. He has already integrated a trace of the evil spirit of the pot. Even if he loses his magic weapon, he can also evolve the evil crow and kill the enemy.

Even a raven with the breath of fire!

These evil crows actually absorbed the essence of Lihuoyuan rune. They were surrounded by flames and roasted void. They were very fierce.

After being killed and retreated by Ye Chen, all the evil crows, shrieking strangely, seem to be calling for companions.

At the next moment, countless crows, flapping their wings, flew from all directions, converged into a black tide and killed Ye Chen crazily.

Ye Chen's eyes widened and choked, and his eardrum was almost pierced by the crow's call.

The crows all over the sky, each with the spirit of the fire source symbol, rolling magic power mixed with the flame, constantly surging.

Before ye Chen's eyes, the magic power is towering, the flames are rolling, and the endless crows are flying. The scene is very dangerous.

"Zhentian imperial city sword, guard!"

"Ten thousand thunder, fall!"

Ye Chen shouts, offering Wutu Yuanfu. The spirit of Wutu condenses and turns into nine towering swords, forming a circle, which seems to form a sword wall to guard Ye Chen's body.

Chapter 4427

At the same time, ye Chen holds the thunder source Rune in his hand and directly launches wanlei to destroy the world!

Ten thousand thunder destroys the world, this move profound meaning, needs to absorb thunder and lightning essence to release.

There is not much thunder and lightning essence in Ye Chen's elixir field.

However, he has the thunder source Rune in his hand, and with the power of the thunder source rune, he can also exert all kinds of thunder to destroy the world!

Although the source Rune version of wanlei extermination is not as powerful as the thunder robbery version, it is enough to crush a group of demonic crows!

Boom

Nine days above, bursts of thunder cloud condensation.

Immediately, a bucket of thick thunder and lightning, mixed with the breath of source symbol, mercilessly fell from the sky.

Around a crow, was killed by lightning, suddenly issued a sharp scream.

Thunder and heavenly power, against evil, has a very strong suppression effect.

Ye Chen this one hand ten thousand thunder exterminates the world, rolls to release, immediately broke the crow's encirclement to kill.

Countless crows, bombarded by thunderbolt, reduced to coke, fell from the air.

The remaining crows, Gaga and shouting, fled one after another and did not dare to stay.

All of a sudden, heaven and earth are clear.

Ye Chen breathed a sigh of relief, but his skin was burning.

Despite the protection of Wu Tu Yuan Fu, there are too many crows, and each one has its own fire. There are still many flames that burn to Ye Chen.

these flames, the temperature is very high enough to melt gold and iron, containing pure fire essence.

Ye Chen was burned by the fire, and his skin was almost cracked.

"Holy water of the yellow spring, purification."

See, ye Chen is not in a hurry, out of a continuous stream of holy water, wash off the body of the flame, suddenly wind Qingqi Shuang.

"Ha ha, the reincarnation master is really extraordinary. Please come and get together."

An old and deep voice came down from the top of the mountain. It was the devil God.

"The devil knows me?"

Ye Chen's heart is shocked, immediately calm mind, Yu Jian flies to the top of the mountain.

On the top of the mountain, an old man sat cross legged, just like a sculpture.

The old man was in a grey and black robe. His body was thin, and his face was full of wrinkles. Every wrinkle brought with him eternal vicissitudes and endless sadness.

This old man, of course, is the devil.

Ye Chen from his body, feel and heaven prison God Emperor interlinked breath.

Obviously, in ancient times, the devil God and the heaven prison God Emperor were indeed the same door, and they were the servants of the supreme goddess.

"I've met the evil gods."

Ye Chen arched his hand.

"Sit down."

The devil and the evil god smile and make a gesture of invitation.

Ye Chen nodded and sat down in front of the devil.

"I didn't expect that my last life could see the reincarnation of the reincarnation Lord."

The evil god is staring at Ye Chen, his eyes are incomparably vicissitudes.

Ye Chen said, "do you know me?"

With a smile, the evil god of the devil heaven said, "your reincarnation blood, crown out the world, even the superior should be afraid of, how can I not recognize it?"

"At that time, my master appreciated you very much and wanted to give you a chance to grow up. Unfortunately, it was said that you were destroyed by xuanjiyue. She was very sorry."

"If she knew you were alive, she would be very happy."

Ye Chen's face vibrated and said, "does the heavenly daughter appreciate me?"

The master of the evil god is naturally the supreme goddess, that is, the superior person in the legend.

Ye Chen has always been the suspicion of the superior, because his reincarnation blood, the potential is too big, the superior dare not see his rise.

But now, the evil god said that the goddess appreciated Ye Chen and even gave him a chance to grow up.

I'm afraid that you will become a master in my house

At the end of the day, there was a fierce fighting spirit in the eyes of the evil gods.

He has been shut up for many years, and he has been indifferent to the world for a long time. But now when he mentions the goddess of heaven and the reincarnation master, the blood of the past seems to come back to his mind. His eyes are full of murderous spirit.

Ye Chen immediately alert, way: "you say the supreme heavenly daughter wants to kill me?"

"Yes, you are not allowed to exist in the upper position," said the evil god

"General superior, want to kill you in advance, cut off the harm."

"But my master, disdain bullying, she wants to give you a chance to rise."

"She said that she would kill you and devour all of you when you rose against the sky and the reincarnation of the atmosphere broke out to the extreme."

Hearing the speech, ye Chen was terrified.

The superior people, as expected, couldn't hold the reincarnation Lord. They all wanted to kill him.

However, the goddess of heaven is a strange number. She doesn't care to play any tricks. She wants to wait for ye Chen to rise up and kill her openly. If ye Chen rises, the samsara atmosphere will also rise to its peak.

In this way, the Empress Dowager can devour the extremely strong reincarnation Qi!

Ye Chen suddenly broke out in a cold sweat and remembered a saying:

pigs should be fattened and slaughtered again!

The emperor's heavenly daughter sharpened his sword and waited for ye Chen to rise up and kill him openly.

"It's a pity that my master's plan is not understood by outsiders. All the people who are at the top think that you have too much potential and dare not give you a chance to rise."

"You come to see me today, as if you were destined by fate."

"If you show up ten thousand years earlier, I may still have the strength to help you rise and let you step into the supreme world. My master has always wanted to see you."

After that, he stood up in the distance and looked at the whole world.

Ye Chen was silent, and the words of the devil God shocked him greatly.

The superior suspects the reincarnation master and tries to kill him. He naturally knows this matter.

However, he did not expect that there was such an existence of the supreme goddess. He despised any conspiracy and wanted to wait for him to rise up and kill him openly.

The evil God turned around and showed a sad smile and said, "it's a pity that I've been shut up for a long time, and my muscles and bones have been decayed. I can't go out of the mountain to help you any more."

"But it's just because I don't care about the world and have a clear mind, I can see that your blood is thin. Otherwise, it is covered by the dust. How can I see the causes and effects?"

Ye Chen's heart vibrates, way: "elder, thank you very much."

The evil god waved his hand and said, "don't thank you. We are actually enemies. My master wants to kill you. Even if I assist you, I will raise pigs for her."

Ye Chen smiles bitterly, "raise pig" two words, sound very harsh.

But think carefully, in the eyes of the supreme goddess, the reincarnation master is indeed the prey.

The devil God sat down again, put down his crutches and said, "are you looking for me this time for Xiao shuihan?"

Ye Chen was surprised and said, "master, do you all know?"

Chapter 4428

"Well, Xiao shuihan cut off the love, cause and effect fluctuation is too big, I have deduced everything."

"My master didn't say that, but I guess she wanted to leave it for you."

"It's a pity that the imperial edict was destroyed by the emperor. Otherwise, if you get the blessing of my master, you can go against the heaven."

Ye Chen shook his head and said: "I and the superior, hatred is too big, even if Fu Zhao is still there, I can not accept her blessing."

"Even if you don't accept it, it's a good thing to let your apprentice Xiao shuihan take it, but it's a pity that the heaven has changed. No one thought that the blessing Fu Zhao would be destroyed by the emperor's interpretation of heaven."

Ye Chen said: "Fu Zhao has been destroyed. It is useless to say more."

"Master, my villain is too aggressive and wants to challenge Xuan Jiyue. Now he is in trouble. Please help me."

"I heard that in the past, xuanjiyue owed her elder a lot of cause and effect, and asked him to come out of the mountain. I'm very grateful!"

The evil spirit said: "Xuanji moon found the reincarnation star flame in those years, and encountered danger when refining. I did save her life, but I shut up for too long, my muscles and bones are decayed, I really don't want to move. I can't help you with Xiao shuihan."

Ye Chen was not absolutely resolute when listening to the tone of the evil god. It seemed that there was still room for maneuver. He immediately moved his mind and said, "please come out of the mountain. As long as the master can save my bad guy, I can promise you a condition."

After a long silence, the devil finally said, "help me kill a man."

Ye Chen is still, way: "kill who?"

The evil god said: "his name is Chen cangsheng. He is a member of the Ming dragon family. He is also one of the twelve deities. He is my senior brother. His family background is very large."

"His family is a giant of heaven and man. He is very powerful. Now he has become the elder of the family."

"At that time, my master left a piece of love, and I almost cut it off. But I didn't expect that Chen cangsheng attacked me with jealousy and hurt me, which made me lose my love and was seriously injured. Even my magic weapon was lost!"

"I have been shut up for tens of thousands of years. I can't let go of this matter. If you promise me to kill Chen cangsheng for me and avenge me, I can go out of the mountain!"

With a strong regret of evil and God.

At that time, he almost cut off the love of the supreme emperor. He could get the blessing of the heavenly daughter and get rid of the fate of his servant at one fell swoop. However, he was attacked by Chen cangsheng's jealousy, which made him fail.

So fierce hatred, tens of thousands of years of vicissitudes, have not subsided.

"Chen cangsheng, the Shenzu of the Ming dragon..."

When ye Chen heard the four words of "Shenzu of the dark dragon", he immediately felt very familiar.

Then, ye Chen remembered.

Ye Luo!

The place where ye lu'o'er wants to marry is the Dragon God family!

At the beginning, ye lu'o'er agreed to let Ye Chen and Xuelong free in the temple of ZuLong at mielong cliff.

This condition is to ask her to marry the Shenzu!

Ye Chen did not expect that he came to find the devil and the evil god. He went out of the mountain and wandered around. Unexpectedly, he got in touch with ye lu'o'er.

As expected, the nature of the cause and effect, strands, chopping constantly, the reason is also chaotic, mysterious.

There is no doubt that the relationship between Ye Chen and ye lu'o'er has not yet come to an end.

Now in the dark, another line has been built.

"Well, master, I promise you!"

Ye Chen's eyes were sharp, and immediately agreed to come down.

Although Chen Cangsheng is the immortal God among the twelve deities, his strength is very strong, and I'm afraid it will not be much worse than Xuanjiyue and Emperor Shitian.

But Ye Chen thinks that since the cause and effect between himself and Ye Luo'er has not been cut off, sooner or later, he will have to face the Dragon God family.

Well, it's nothing to agree to the request of the devil.

Even if Chen Cangsheng is strong, Ye Chen is not afraid.

After all, no matter how powerful the other party is, it can't be stronger than Xuanjiyue and Emperor Shitian.

When the evil God heard Ye Chen's promise, he was immediately overjoyed and said, "well, the reincarnation master is quick. No wonder my master appreciates you so much."

"Since you're cheerful, I'll stop talking. I'll go to the upper world and bring back Xiao Shuihan."

"Take a rest, and I'll go and return."

After that, the evil god stood up and his decaying muscles and bones gave out wisps of evil Qi.

At this moment, he seems to have recovered his former sharpness.

Endless evil Qi billows and turns into thousands of crows.

Countless crows build a bridge to the upper world.

The devil and the evil god walk on the crow bridge and go straight to the upper world.

Ye Chen watched him leave, heart blood turbulence.

Seeing the evil god going to the upper world, the evil god of Zha Tian was also surprised. He stepped into the cliff and came to Ye Chen and asked:

"what's the matter, boy?"

Ye Chen said: "the evil god is willing to come out of the mountain, but he wants me to promise him a condition..." At the same time, he briefly explained the matter that the evil god wanted to revenge and entrusted him to kill Chen cangsheng.

"Chen cangsheng is a master of the Ming dragon clan. I'm afraid it's not easy for you to kill him. Do you need my help?"

Ye Chen shook his head and said with a smile, "if you want to kill Chen cangsheng, we should live through the assembly of Tu Sheng first."

The evil emperor nodded, and ye Chen was right. If the massacre of the butcher's assembly was not going to go, everything would be a bubble, and there would be no revenge.

.....

Qingxu.

Ji Siqing left the prison for the first time. Although she felt that ye Chen was nearby, she still did not stay.

In the memory of her previous life, she did know that there was a place called Qingxu.

Qingxu is located in the moon soul region, and its location is not hidden. Even many warriors may have stepped into it.

Extremely ordinary.

Ordinary ones don't even look foreign.

Why?

Because there is not a trace of aura here!

When he came to Qingxu, Ji Siqing even doubted whether this place was just the same name as the place in the mouth of the woman's virtual shadow?

What about the danger?

Ji Siqing stood at the entrance of Qingxu, his eyes were a little confused.

Her eyes are filled with Graves!

Like a mound of graves!

The concept of foreign class is extremely obvious.

The stronger the warrior will occupy the land with rich aura.

The stronger the stronger, the weaker.

And buried here, so shabby, I'm afraid they're not big people.

"Here, the Lord of samsara

"Or is it that it used to be brilliant and now it's declining?"

Ji Siqing shakes his head, no longer think about it, and walks towards it.

Withered earth, there is no life, the wind howling, this is the only sound.

Looking at the graves, Ji Siqing could not help but shiver.

"Well, since we are here, let's have a look. I hope we can find something."

Ji Siqing walked around Qingxu for a long time. Suddenly, she stopped.

What did she find!

This is an array!

Ji Siqing is not proficient in the array, but he is very familiar with the array in front of him!

This is an array based on the six ways of reincarnation!

The graves are the eyes of the array!

Chapter 4429

Now Ji Siqing is extremely sure that the Lord of reincarnation has come here!

Because there are thousands of skills in the world, but only one master of reincarnation can practice the six ways of reincarnation.

Moreover, this array is extremely hidden, even if the real strong people come here, they may not be able to find it.

"Ye Chen should not know this place in his life. Would you like to come here with him?"

Ji Siqing hesitated for a few minutes, but in the end, the beautiful eyes still flashed a trace of determination.

The reincarnation of Ye Chen is different from others. His reincarnation is to seal the memory from the beginning.

This is the reincarnation of the Lord, hope that the growth of this life as far as possible isolated from the original way.

I'm afraid that the reincarnation Lord had other considerations in the past.

She closed her eyes and searched for her memory.

"Shen Yan, do you know that the six samsara methods can be a heaven and earth array?"

"The array of heaven and earth can seal spirits, be like springs, cultivate hearts, and hide demons."

"This array is based on the skill of the old man eternal."

"At present, the effect of sealing spirit is excellent."

"A place full of aura, as long as you use this array, you can instantly make outsiders look exhausted."

"This is the best way to protect the spirit."

"What's more, there are so many eyes in this array. Only with the special pace can we have a unique insight."

"Heavy smoke, you see, I'll teach you once."

At that time, many people were not interested in the flash of light.

But looking at the excited eyes of the reincarnation Lord, she still wrote it down in silence.

Ji Siqing took the first step along with his memory.

In the first step, there was no movement.

Second, it's still the case.

When you go to the ninety third step, the whole ground shakes violently!

Even like a fierce beast roaring under the ground!

"Sure enough."

Ji Siqing's heart sank. When he was ninety-nine steps away, he might be able to see the truth of the reincarnation Lord that year!

When Ji Siqing was about to step out of the ninety-nine step, the void was torn, and an old man with a black robe covering his face suddenly appeared in front of Ji Siqing and pulled her in!

Ji Siqing's strong vigilance made Ji Siqing prepare to resist. He was stunned when he saw the old man's face.

This person gives her the feeling, and ye Chen extremely similar!

This old man is the old leaf who appeared with Ren fan!

Ye Lao looked serious and said, "girl, if you take this last step, you will be in danger!"

"Fortunately, I sensed the problem in time, otherwise, the seal on the ground would be untied!"

Ji Siqing took back his steps. His steps were disordered, and the roar of vibration disappeared completely.

Everything returned to calm.

"Master, who are you? Why are you here?" Ji Siqing Dao.

Ye Laosong opened his hand and did not explain it too much. Instead, he said, "I know you are Qu Chenyan. I also know that the step you just took is the bishop of reincarnation."

"But that's not how the pace works."

"The seal here is a very special part."

Ji Si has a delicate eyebrow.

"Separation?"

Seal the body, using this technique, may be able to understand.

As for such a big move?

And the strength of the body is generally far weaker than the noumenon. The strength of the reincarnation master in that year is enough to erase everything!

Seeing Ji Siqing not believing, ye shook his head and said, "the situation inside is very complicated."

"Although the seal here is a part of the body, it has a lot to do with it."

"Even, this part is immortal and immortal!"

"The reincarnation Lord sealed this guy with that array, isolated the aura, and the general separation might have dissipated long ago!"

"But you heard the roar of the earth just now!"

"Once this place is restored to its original state, it will be a threat to foreign countries."

With that, ye Lao stretched out his hand and a drop of blood essence fell on the earth. What was he saying in his mouth!

In an instant, Ji Siqing found that the underground was transparent.

Through the ground, she saw countless chains connected from top to bottom!

The chain seems to have no end, the deepest is extremely dark.

Suddenly, in the dark, she saw a pair of eyes!

That's a very angry eye!

Extremely bloodthirsty, cold, crazy!

Just a look, unexpectedly let Ji Siqing at the moment some back hair cold!

She did not dare to look at the guy, but raised her head to look at Ye Lao and asked, "master, what kind of monster is this underground sub body? Why is separation so terrible? "

Ye Lao glanced at the guy at the bottom of the ground, some sad: "this body is a special body made of essence and blood."

"He comes from wanxu temple!""This separation has been suppressed by the reincarnation Lord for endless years!"

This simple three words let Ji Siqing completely confused!

The reincarnation Lord even suppressed a special part of wanxu temple!

This separation is the separation of essence and blood!

Ye old hands negative behind him, light way: "you are not an outsider, some things and you say also have no relation."

"The situation outside the region is extremely complex. It is not only divided into xingxuan domain, yuehun domain, Yangzhen domain and Tianren domain."

"In addition to the territory of these places, there are more areas out there that are dark and dangerous."

"One light and one dark is a way."

"Ming is not so simple."

"for example, Yangzhen domain, as you know, is divided into nine major domains! There is a big gap in the strength of each of the nine areas. Among these nine domains, it is recognized as the most powerful force, and is collectively referred to as the thirty sixth house of Yangzhen! This is the real top power of Yangzhen!

These thirty-six houses are not all family forces, but also sectarian. Another name of the thirty-six houses is four halls, eight gates and twenty-four families!

Among them, the four halls are the strongest, the eight gates are the second, and the twenty-four are the most important. "

"I just want to tell you that there are many forces that are not on this list, but their hands have reached the Yangzhen region."

"It's not too much to cover the sky with one hand."

"Emperor yuan hall, ZuLong temple and so on, the influence is complex, but no power dare not fear, even four halls, eight gates and twenty-four families."

"Heaven and man are more complicated."

"And wanxu temple It's more complicated than the forces in heaven and man. "

"Some strong men in the heaven and human realm may not be qualified to suppress a blood essence separation in the temple of wanxu!"

"Because of the complexity of the situation outside the region, no one will show real strength."

"Today's emperor interprets heaven or Xuanji moon. It's a kind of survival law that people can't figure out whether the emperor interprets heaven or Xuanji moon."

"Your previous life is Qu Chenyan, but in fact you don't know the reincarnation master, his hidden strength."

"In those days, xuanjiyue and Emperor Shitian even joined hands. Could they really kill the reincarnation Lord?"

"It's ridiculous that they don't know that they have become a pawn of the Lord of reincarnation."

"The reincarnation master is virtuous and farsighted. What he thinks in his heart has long been out of hatred, but a supreme way."

Chapter 4430

"This supreme way is destined to stand on the opposite side of wanxu temple."

"Only when we grow up in the shadow and darkness can we have the opportunity to launch a fatal attack on those horrible opponents when necessary."

Ji Siqing pondered for a moment and then said, "why does the reincarnation Lord suppress it here? Is this a move? "

Old leaf quite appreciate, looked at Ji Siqing, nodded: "exactly."

"It is not only a move, but also a chess prepared by the master of reincarnation for ye Chen."

"When to take this move depends on Ye Chen."

"Well, it's not suitable to stay here. The cause and effect is too big. You can go with me to meet Ren Feifan."

Ji Siqing was stunned and finally nodded: "good."

.....

The upper world, the beacon fire.

Xiao shuihan, with 800 strong men in the heavenly prison, fought for his life to enter the imperial palace.

However, they were stopped outside the south gate!

Tianxin jian die organizes people to stop him from going in and disturbing the queen.

The two sides fell into a standoff, fierce fighting, bloody sky, the beacon fire burst.

"Get out of here!"

Xiao shuihan's eyes are cracked, and he dominates the sword technique. The blade points directly at the heart of heaven, and the mad spirit bursts out.

The blue sword in the hand of the blue sword resists the attack of the sky cold.

On the blue sword, she is the water charm.

After shuiyuanzi was sacrificed, xuanjiyue gave her guishuifu.

Boom!

However, Xiao Shui's cold air and flame were so terrible that his master's sword technique broke out. His sword was like a devil like a prison, and the blocker was invincible.

Even if the heavenly heart sword butterfly has the GUI water source symbol, it can't resist the bombardment of Xiao shuihan. The sword is immediately shaken off, and the Qi and blood between the chest and abdomen is surging, and vomiting blood on the spot.

"Die!"

Xiao shuihan's eyes were lit by Buddha's light, his eyes were full of anger, and he was killed by the magic sword.

Tianxin jian die looks frightened and immediately closes her eyes and waits to die.

But at this time, a wisp of incomparably powerful purple light, with the rolling fatalism breath, shot from the sky.

Xiao shuihan's magic sword can't break the fatalistic purple light, but the whole person is shocked back three steps.

I saw a graceful and graceful woman with a sword on her waist. She walked out from the depths of the imperial palace. She was covered with purple light, and the breath of endless laws was surging.

It's Xuanji moon!

"Your majesty!"

Seeing Xuanji's moon coming, Tianxin jian die is surprised.

The attendants of the palace around them also called out in a respectful voice: "welcome to the queen. Her Majesty has been fighting for thousands of years. She has become a man of martial arts. She has united the whole world, and her destiny shines on her."

"A group of rubbish, even a demon's remaining evils can't be killed back!"

Xuanjiyue glanced at the whole scene coldly. The battle of beacon fire here disturbed her rest after all.

"Your Majesty forgive me."

Tianxin jiandie kneels on the ground. Compared with tens of thousands of years ago, the guard of the Queen's palace is obviously more strict. It is not so easy for Xiao shuihan to rush in.

Even if the Tianxin sword butterfly is dead, there is also the support of the dizang witch riding and the old Buddha Jinpeng.

However, Xiao shuihan's evil power is too fierce. It is very difficult to kill him.

The fluctuation of the battle is getting bigger and bigger. It is impossible not to disturb xuanjiyue.

"Xuanjiyue, you are willing to show up at last!"

Xiao shuihan gnaws his teeth and sees Xuanji moon appear, and his eyes immediately ignite the towering anger.

"Ha ha, Xiao shuihan, how dare you call me my name? In terms of seniority, you have to call me a teacher's wife!"

Xuanjiyue smiles coldly. Compared with the embarrassing failure tens of thousands of years ago, Xiao shuihan is really much stronger. Now she has stepped into the real world.

However, Xiao shuihan's strength, after all, has only one layer of heaven, and the foundation is very shallow.

And xuanjiyue, after tens of thousands of years of development, is not what it used to be.

Moreover, she also pulled out the Shenluo Heavenly Sword and held the edge of the supreme source army. She did not put Xiao shuihan in her eyes at all.

"Bah! Xuanjiyue, you are not qualified to be my teacher! I'm going to kill you today

Xiao shuihan's eyes were cracked, his hair was black, and his whole body was full of evil Qi. A huge statue of the magic Buddha emerged from behind him, standing on the heaven and standing on the ground, showing the incomparable domineering power.

Hiss!

Master magic sword, at this moment, the sword point to Xuanji moon eyebrow.

"Ha ha ha, how dare you show off in front of me

"I'll show you today what a real Kendo is!"

Xuanjiyue disdains to smile. She lifts her green hand and takes a picture of the sword of Tianxin jian die across the sky. She stabs xiaoshuihan with a sword.

She did not pull out the Shenluo Tianjian, because Xiao shuihan was not qualified to use the supreme source soldiers!

To deal with Xiao shuihan, it's enough for her to use an ordinary long sword!

Boom

A pengpengsen white reincarnation star flame explodes from xuanjiyue sword. There are also wisps of fatalistic purple gas, constantly tossing and sinking. "Star flame sky, destiny sword cut!"

Xuanjiyue chided, the sword fell in the sky, endless reincarnation star flame, diffuse cover the sky, a succession of crape myrtle divine light, with a terrible fateful Tianwei, mercilessly exploded.

Xiao shuihan's eyes shrunk. He has reached the upper bound and is ready to die.

What he expected was that he would die under the Shenluo Heavenly Sword.

Before she died, she tried to leave a scar on xuanjiyue and shake her foundation.

But unexpectedly, xuanjiyue did not pull out the Shenluo Tianjian at all. If she looked down on a mole ant, she used an ordinary long sword to chop down her fate with one sword. She was so cold that she couldn't breathe.

Xiao shuihan suddenly feels suffocated. This is just xuanjiyue's sword. She doesn't use all her strength. She is so powerful.

He deeply felt that the gap between himself and xuanjiyue was too big.

"Spell it

"Liuhe flying snow blade, master magic sword!"

Xiao shuihan had a violent drink, his eyes were determined, and ninety-nine sharp blades of flying snow came out of his body.

Each flying snow blade is infused with the ultimate master evil Qi.

At this moment, Xiao shuihan, the master of the sword technique, broke out to the extreme and his blood was burning all over his body.

He is fighting to burn the remnant, but also to kill xuanjiyue!

Xuanjiyue didn't use Shenluo Tianjian. This is Xiao shuihan's chance!

If Xuanji Yuetian sword is in hand, I'm afraid Xiao shuihan doesn't even have a chance to get close.

"Still want to resist? The fatalism of Lagerstroemia indica has been suppressed by me! "

Xuanjiyue disdains to hum, still holding an ordinary long sword, prompting crape myrtle fatalism, the purple light on the sword is constantly rolling.

Ding Ding Ding!

Xuanjiyue struck repeatedly with her sword. In a flash, she shot down all the snow blades. Her movements were elegant and comfortable. She was as graceful as a dragon. She was free and easy to wield. She was very beautiful.

Around Tianxin jiandie and others, can't help cheering.

Xiao shuihan's face sank, and his Qi and blood were burning violently. The magic sword in his hand stabbed Xuanji's abdomen.

Xuanjiyue is calm and free. She grabs Xiao shuihan's sword with her bare hand!

"What!"

Seeing this, Xiao shuihan was shocked.
