### Chapter 4471

At this moment, it seems that the zhenhun department is about to die. There is a faint echo of dragon chant in the Dragon tomb. The power of the rules is emerging in the sky, as if to suppress Ye Chen.

Ye Chen's eyes are gradually deepened. He can feel that the power of this law is extremely powerful, and even can make the spirit of long Xuan disappear again.

However, he knew that this was not what Longxuan wanted.

Now, the only thing he did for his old friend was to send him on the road

Not for the others, only for the two people's love!

The next moment, endless soul power surging, the giant's power, more and more powerful, suddenly raised the hand of the ancient sword!

Chain after chain appeared on the giant's body surface, entangled him. It was the will of the Dragon tomb to resist and prevent Ye Chen from killing Longxuan!

Feeling the force of this bondage, ye Chen's face also shows a reluctant color. At this time, a dragon soul appears again and flies towards the sky. It bites a chain and breaks it with a click!

Ye Chen suddenly drinks a sound, seizes this opportunity, drives that giant, will in the hand long sword one chop down!

With a huge bang, the sky and the earth vibrated, and the cold sword edge crossed long Xuan's body.

Long Xuan looked at Ye Chen gratefully and said with a smile, "old friend, thank you very much."

His voice gradually misty, and his body together dissipated in the endless green fog.

Ye Chen Ning stands in place, silent, after a long time, just light spit a breath.

Old Shuo asked, "boy, are you ok?"

Ye Chen laughed and said with a smile: "it's OK. Thank you very much."

If it was not for Shuo Lao's warning, he might have been deceived by long Xuan. Ye Chen has always trusted his friends.

Old Shuo sighed: "at that time, zhenhunsu were all trained by the dragon people when they were young. They volunteered to contribute to the dragon clan after their death. Among the dragon people, they had a very high status

However, even so, each zhenhunsu will only be in power for tens of thousands of years. After that, they will rest in the Dragon tomb

However, in this era, there are too few dragon families who can enter the Dragon tomb. If a zhenhun secretary is selected from each dragon tomb, he will be imprisoned in the Dragon tomb forever. This is a good thing for those wandering dragon spirits, but it is a very painful torture for zhenhun Secretary himself.

It must be that the zhenhun department before the boy named Longxuan tried his best to end himself...  
"

Ye Chen's eyes flashed slightly: "this dragon tomb, will there be other zhenhunsu in the future?"

Shuo Lao said: "naturally, there will be dragon tombs. Just like choosing Longxuan, dragon tombs will continue to search for suitable souls in various places. Moreover, this is not the only one for Dragon

tombs. The entrance to the gorge is connected with the gate of dragon tombs, which can also be connected to other Dragon tombs."

After that, Shuo Lao's voice suddenly showed a sense of joy and said: "boy, I didn't expect that the power of your reincarnation is still under my expectation. You have my keel, and after swallowing a pool of Longquan, the purity of dragon blood in your body can reach 70%

"Reincarnation blood and dragon blood do not affect each other. Having reincarnation blood is one in a million. Now your dragon blood purity I have to say, you will definitely stand at the top of the world in the future

Ye Chen hears the speech, in the eye is also emerged a touch of excited color!

70% purity of dragon blood, even in Archaeon and Honghuang, it is also the leader among the dragon clan!

But this dragon blood, brings to Ye Chen is the huge vitality promotion!

The most important thing is his strength!

With 70% pure dragon blood, ye Chen's vitality has been doubled again. His strength and physical strength have made great progress!

Moreover, the fitness with the keel, even without the power of Shuo Lao, is almost perfect. The most important thing is!

After the dragon blood is so rich, ye Chen can feel the resonance between a minute and the way of heaven!

Originally, this is the source of the peak and even really strong to do it!

In fact, dragons and phoenixes, which are different from other demons, are endowed with a unique existence. Why are they called heaven and Earth Spirit animals?

Because powerful creatures like dragon and Phoenix are born to be compatible with the way of heaven!

Of course, this is in the case of high blood purity!

In fact, this is one of the biggest benefits of strong blood!

Although Ye Chen's reincarnation is extremely mysterious and more terrifying than dragon blood, it seems that ye Chen is still in a deep sleep and has not been fully awakened.

The blood of the heavenly demon, though powerful, is not high enough in purity!

In short, today's Ye Chen is confident to face a stronger opponent. If he borrows the power of xuanhanyu and Shuo Lao, he will not be killed by seconds in the face of emperor Shitian!

Ye Chen's eyes twinkle slightly, now's strength, for the so-called wasteland extremely mysterious, should have the right to speak!The next moment, he moved, and under the direction of Shuo Lao, he prepared to break the space of the Dragon tomb and leave here.

.....

A hundred barren mountains and desolate families.

In a chamber of secrets, a handsome young man with black hair and a pair of blood eyes is respectfully facing an old man in the chamber.

This young man is very mysterious!

And sitting in front of the desolation is an old man who is shriveled with flesh and blood and exudes an endless atmosphere of decay. It seems that he is dying

The old man was named Huang Kui, and his identity was the ancestor of the barren family in the mountains of hundred deserts!

It's been nearly 90000 years since we lived in this world!

Even in the old world, the monster can be called the old one!

And Huang Kui at the moment, although the breath decayed, but, the fluctuation that the body sends out, still extremely frightening!

He's just a talented man, but he's a real strong man!

Although, it's just early days!

But it's scary enough!

No wonder, the barren family is called the master of the hundred barren mountains in fact!

At the moment, it seems that there is no such thing as "how many times are you satisfied with" when you are looking at the great waste of life

Huang extremely Xuan complexion calm place nodded a head way: "thanks to the old ancestor's instruction is square."

Huang Kui ha ha ha a smile, is actually some excited way: "less than a thousand years old the first source seven layers of heaven exist! I can jump over the level to fight, and even kill eight layers of heaven in Shiyuan. This is to be a great success! Xuan'er, it's not impossible to return to heaven and man with you!"

His eyes flashed a lonely color and said: "this is my lifelong dream, but it has never been able to achieve, the future depends on you."

Chapter 4472

Huang Jixuan nodded his head and said, "don't worry, I will not fail to live up to my expectation."

"Good boy."

Huang Kui looked at Huang Jixuan kindly and said, "xuan'er, what level of cultivation have you reached

It is a real chaos level skill, and it belongs to the upper level in the chaos level skill!

The eight pole skill of the wild demon is divided into eight poles. Each pole can increase the strength of those who have the blood of the wild demon. The specific increase depends on the blood strength!

Huang Jixuan still calmly opened his mouth and said, "father, I have cultivated it to the fourth pole."

"What?" Huang Kui's face is full of surprise!

Although it is the supreme secret method, there are not many people practicing it!

It's not Huang Kui's concealment, but the requirement of the wild demon bajigong on the qualification is too high!

In the past 90000 years, Huang Kui knew that no more than five people had practiced the eight pole skill of the wild demon. In addition to him and Huang Jixuan, the other three had only reached the first pole and could not continue to break through!

Even Huang Kui himself, 90000 years of time to cultivate it to the fifth pole!

Can, Huang Jixuan less than a thousand years old, has been practicing to the fourth pole!?

This is not to say that in the future, Huang Jixuan may practice this supreme skill to the extreme!

Huang Kui looked at Huang Jixuan's eyes and became more and more fond of it. He asked again with a smile, "what about the seven unique killers of the wild demon?"

It is a chaos level martial skill, which is composed of seven extreme killing moves!

Huang Jixuan said: "the child has practiced it to the second killing."

Huang Kui hears the speech, face again shock color!

Huang Jixuan has already cultivated the seventh kill to the second?

The difficulty of the seven kills was even above the eight pole skill. Even he himself had only practiced the second kill in his whole life!

However, only with these two kinds of unique killing, that year's Huang Kui was enough to fight for a while!

The talent of the wild extremely mysterious, is really too frightening, frightens to the extreme!

Huang Kui couldn't help laughing and said, "xuan'er, it's a great blessing for me to let me see you so promising before I die."

Ten thousand years ago, when Huang Kui knew that his life was approaching, he began to look for a suitable successor to inherit his mantle. After all, he did not want the two unique skills of the Huang family to be buried. Although there are original ancient books left in the desolate family, it is extremely

difficult to make progress in this chaotic level martial art only by self understanding. The most important thing is the practice experience!

However, the famine family has never appeared the right children!

Until a thousand years ago, he found the extremely mysterious!

Huang Kui nodded with a smile and said, "xuan'er, now, what I can teach you has already been taught to you. Before death, there is no regret, just..."

Said, Huang Kui's eyes appeared a touch of desolate color, said: "your wedding, is about to be held, in my present state is unable to participate, this is let me some regret..."

Huang Jixuan hears the speech, but suddenly appears a smile on his face and says: "ancestor, there is a way for the child to participate in the child's wedding."

When Huang Kui heard the speech, his eyes lit up and said, "tell me quickly!"

In fact, Shouyuan of Huangkui has already come to an end. The reason why he is still alive now is that some kind of Dharma array has been arranged in the secret room. As soon as he leaves the secret room, he will be dead. Therefore, he can't attend the extremely mysterious wedding.

Huang extremely Xuan eyes, suddenly strange up, said: "ancestor, if you and I melt into one, can not participate in this wedding?"

"What?"

Huang Kui heard some doubts, looking at the Huang extremely Xuan eyes, his face gradually appeared the color of disbelief, his heart filled with a trace of bad premonition!

licked his lips and said, "old ancestor, you are going to die anyway. Isn't this flesh and blood essential to waste? How about the success of the child

Kuai Kuai approach death, and the flesh and blood essence has almost exhausted. However, anyway, Kui is a big monster who is still in the real state. He still owns the blood of the demons, and his flesh and blood is still a great supplement to the extreme mystery.

Huang Kui can't believe his ears!

He looked at Huang Jixuan with trembling eyes and said, "you You are not xuan'er! Who are you? "

Huang Kui almost treats Huang Jixuan as his own grandson!

How could Huang Jixuan say such a thing? He didn't believe it!

The person in front of me must be someone who pretended to be. Even, he might have taken away the extremely mysterious body!

Huang Jixuan, however, said with a smile: "ancestor, I am me, but you never know what kind of person I am."

Hearing this, Huang Kui's eyes darkened in an instant

When the cold comes to the extreme, it is already very old. It seems that he is several thousand years old in an instant, and is almost going to be weathered directlyHe murmured, "no way, it can't be..."

Huang Kui grew up watching Huang Jixuan grow up. Since Huang Jixuan showed excellent talent, Huang Kui has paid more attention to this child

Over the years, he couldn't leave the secret room. The only one allowed to see his son was Huang Jixuan.

Huang Jixuan's parents died unexpectedly in his early years. In addition to his role as a master, he also gave him a lot of affection

But who would have thought, raised by themselves, it is such a dog's heart thing!

Huang Kui was in despair, and his breath was even more decayed, almost on the verge of death

This is the taste of betrayal by his most beloved offspring, more painful than death.

However, the smile on Huang Jixuan's face became more and more intense. Suddenly, when the blood in his body was full of blood, he turned into a demon with sharp mouth and red skin all over his body, which looked like a devil!

With a movement of his body, he suddenly rushed towards the wild Kui. His sharp teeth directly penetrated into the old man who had nurtured and taught him, tearing his flesh and blood and bones!

A shrill cry sounded in the chamber of secrets!

A moment later, Huang Jixuan regained his human form, wiped the blood stains on the corners of his mouth, and showed a look of great enjoyment.

It's so mysterious that he ate the raw Kui directly!

The demon clan is very cruel, they will devour each other to strengthen their own blood. However, even if it is such a cruel demon clan, cannibalism is also a taboo among taboos!

If it is passed out, it will be pursued by the whole demon clan!

However, it doesn't matter what's happening here. No one knows, does it?

Only, let him feel some regret, unfortunately, the time to start is too late!

Chapter 4473

The blood essence of the Kui Kui is not even one percent.

However, this is also no way to do things, and only in this state, Huang Jixuan can be sure to start.

In addition, we should fully grasp Huang Kui's knowledge, practice experience and so on.

All of a sudden, the heart of desolate extremely Xuan, beat fiercely once!

His eyes trembled, his face was ecstatic, and he laughed: "ancestor, you really didn't let me down in the end. After eating you, my child is about to break through the eight layers of heaven!"

At the next moment, Huang Jixuan would cross his knees to the ground and run the skill. The breath in his body became stronger and stronger!

.....

Today, it is the day of the wedding of guilingyun, a miss of Guijia, and Tianjiao Tianjiao of the wasteland family. In Tianhuang City, the largest city of the hundred barren mountains, there are already lights and decorations, and a very lively scene. From time to time, there are a series of escape lights falling from the sky. Among these hiding lights, there are martial artists with strong breath!

Although the hundred barren mountains are the hidden forces in the moon soul domain, the families like the barren families, which are almost at the top of the hundred barren mountains, are not inferior to the forces in the real realm of Yang!

The marriage between the famine family and the GUI family also attracted many great forces from the real region of Shaoyang to congratulate them. Even, most of the thirty-six prefectures sent gifts!

At the gate of Tianhuang City, a large number of martial artists gathered. All of them were curious. Although it is said that the wilderness is extremely mysterious, few people have actually seen it.

A cool looking young man is also mingling with the crowd. His eyes flash slightly. He is naturally Ye Chen.

He arrived at the mountain on the wedding day.

This hundred barren mountain, as a hidden force, is naturally not so easy to enter. However, thanks to the information provided by Qin Ziwei, plus Ye Chen's strength against the sky can easily enter.

Soon, his eyes moved, looking into the distance, saw a team from afar slowly came.

The crowd also looked at the team, but they were surprised!

This team, the vast number of thousands of people!

Among them, 3000 knights on Dragon horses set their way in front of them, and behind them are beautiful mountain ghost girls with bamboo baskets in their hands, and there are spiritual flower petals in the basket. Along the way, they sprinkle petals. The petals are obviously of high grade and extremely rich aura, which covers the procession of seeing off their relatives. The intoxicating fragrance is pouring into people's noses!

And finally, it is a sedan chair, a very luxurious wedding sedan chair!

This sedan chair is extremely huge, and the whole body is full of precious light. It is actually a top-notch tool from the beginning!

There are four people carrying the sedan chair, each of them is in the middle of the original boundary!

In front of the sedan chair, there is also a dignified middle-aged man, who is GUI Lingyun's father, GUI puLong, the leader of the GUI family!

Guipu dragon is very strong, and is a source of peak existence!

People, can't help but send out bursts of exclamation, this GUI family good big pomp!

Obviously, GUI puLong attaches great importance to this marriage!

At this time, the gate of Tianhuang city opened slowly, and a young man with black hair and blood eyes in red appeared behind the gate.

When people looked at the young man, their pupils shrank. This man was a mysterious man in the legend!

However, what made them a little strange was that they were only followed by a few people. Compared with the battle of the GUI family, the desolate family was quite casual?

Seeing this scene, GUI puLong could not help but sink his eyes!

Huang Jixuan, with a smile on his face, looked at all the people present: "thank you very much for coming to support the wedding of Lingyun and me!"

But, as soon as he finished speaking, his blood eyes suddenly flashed for a moment and looked at some place in the crowd!

There, is a figure in black, slightly low head, people can not see the face.

Huang extremely Xuan light mouth way: "Sir, also come to congratulate me?"

When they heard the speech, they could not help but follow the mysterious vision of the wasteland and look at this man.

At this time, the man in black slowly raised his head, revealing a ferocious face full of sword scars!

He was quite young and handsome, but the sword scar on his face destroyed his appearance and gave people a very fierce feeling!

At this time, someone in the crowd exclaimed, "it's him! The genius of the demon madness hall, Wang Huo

"That bloodthirsty demon, Wang Huo

"It is said that although he is a disciple of the demon madness hall, he is also a strong one of the forces in the Yangzhen region in the blood drinking club!"

"Wang Huo is very belligerent. If you don't agree with him, you will kill him. How can you send him to congratulate him?"

Demon crazy hall, is one of the four halls, and Wang Huo is one of the genius of the demon crazy hall!

At this time, Wang Huo went out of the crowd and went to the front of the Huang Jixuan. He was staring at him. His eyes were bloodshot and his eyes were full of hate. He sneered and said, "it's very mysterious. I haven't seen you for a long time."

"When did I see you?" he asked Wang Huo's eyes showed a look of resentment and said, "the waste is extremely mysterious. Why do you pretend again? But I remember very clearly, in those years, you will my beloved woman, one mouthful swallow that scene

At that time, in order to let Wang Huo escape, the image of the demon woman was deeply imprinted in Wang Huo's heart!

What?

People are a little silly, this legend of the desolate family evil even devour other demon clan?

Wang Huo continued: "for so many years, I have been fighting and improving myself for revenge! This is my only motivation to survive! "

"Is it?"

Huang extremely dark complexion, still indifferent way: "nonsense don't have to say more, to start on."

Wang Huo heard the words and said with a grim smile: "let me take the first move? You will regret it!  
Demon heart refining

He suddenly pulled out a huge sword behind his back, and his whole body was full of Demon power, which gave out an extremely terrifying power!

His body and limbs are changing rapidly. In a flash, he becomes half human and half demon. At this moment, Wang Huo has obviously performed some secret arts. A strange black red line appears on his chest, which makes his breath rise wildly!

Everyone's face changed again, so strong!

Wang Huo was originally a genius of the six layers of heaven, but now he has put the demon heart into practice. Actually, his power has crossed a whole realm, and even there are signs of surpassing the seven layers of heaven!

Guipu long eyebrows a wrinkle, feel the wild extremely Xuan Tuo big!

This demon heart is refined, obviously side effect is very great, but, Wang Huo is desperate to kill the wild extremely Xuan!

Now, it's too late for him to try!

People also think that Huang Jixuan may be more or less unlucky. After all, no one has ever seen Huang Jixuan attack, and Wang Huo's current strength may even severely damage Huang Jixuan!

However, strange is, until now, Huang Jixuan still maintains a calm look!

Chapter 4474

He glanced at Wang Huo, and said faintly, "the seven best ways to kill the wild demon, the first one, kill the tiger!"

As soon as the words fell, Huang Jixuan suddenly punched out, which was a big sword with meat fist against the king's fire!

This fist is very introverted. It seems that it is no different from ordinary fists. However, for some reason, the howling sound of a giant tiger is faintly heard in people's ears. When they look at the flat fist, they feel a sense of fear in their hearts!

The king's fire roared, and a layer of golden flame lit up on the sword. The flame was the 39th sacred fire in the world, the Golden Lion sky fire!

The essence of Wang Huo is sky fire and golden lion. This golden lion and sky fire is the fire of his own life, which is extremely domineering!

Especially when he cast the demon heart refining, the power of the fire increased again!

And the sword skill is also perfectly integrated with the flame. This blow is extremely frightening!

Wang Huo even has the self-confidence, with this blow, defends the first source eight layers sky!

And Huang Jixuan even bombarded the huge sword with golden lion and sky fire with his body?

Although, it seems that there is something special about Huang Jixuan's fist, isn't it for death!?

What's more special? Can you win the Golden Lion sky fire?

In the blink of an eye, Huang Jixuan's fist collided with Wang Huo's flame sword!

At the next moment, there was a roar and earth shaking noise, and the whole city seemed to shake up!

And people look at the scene in front of them, it is perfect petrification!

One by one, it's like a statue!

The fire of the golden lion was extinguished without a sound under this extremely mysterious fist, and the terrible king fire was also a bang, which turned into a burst of blood mist and dissipated!

It's gone!

That's Wang Huo who has performed his secret arts!

Many of the strong men from the thirty-six prefectures felt a fatal threat to Wang Huo's sword. They did not have the idea of connection. The only way to survive from Wang Huo's sword was to avoid it!

Can it be extremely mysterious?

With only one punch, he killed Wang Huo directly?

How terrible is his strength!

There is a crazy idea in everyone's heart, which may be the origin of the eight layers of heaven!

In the moon soul domain, the origin of the eight layers of heaven, extremely rare ah!

Even if the master of the four halls in the Yangzhen region could not have this kind of strength at the age of the extreme mystery.

Of course, we can't rule out that there are some mysterious demons in the four halls, which may be stronger talents, but even so, the extremely mysterious and desolate is the ultimate existence!

At this time, I want to disturb the public and see who can stand out

For a time, everyone was silent like a cold cicada, slightly lowered their heads, and did not dare to show any disrespect to the evil spirits of the desolate family!

Even ye Chen's eyes flashed. The tiger killing by Huang Jixuan is really a kind of extremely domineering martial art!

GUI puLong is also silly, but, the next moment, he is the face of ecstasy!

He felt that his daughter had married the right person!

The previous discontent has already disappeared!

He hastily urged a way: "spirit cloud, come out quickly, the waste childe comes to pick you up."

The red curtain of the wedding sedan, slowly opened, a beautiful woman walked out, it is GUI Lingyun!

However, to everyone's surprise, GUI Lingyun was wearing an ordinary white dress at the moment. She didn't cover her face and didn't change into a red dress!

Guipu dragon face color changes, daughter, what is this doing?

Huang Jixuan's eyes twinkled slightly, but he still kept a smile. As soon as he reached out, he was going to pull GUI Lingyun and said with a smile, "Lingyun, follow me."

Can, GUI Lingyun is the eyes cold to open a way: "who let you touch me?"

The wild extremely mysterious hand is stiff in the air, and the entire Tianhuang City, seems to be entering the ice age, the temperature drops suddenly!

All people are incredible looking at GUI Lingyun, what is this woman going to do?

The most important thing is that Huang Jixuan just showed his extreme strength against heaven. Marrying him is a very happy thing. But now, GUI Lingyun is such an attitude?

Huang Jixuan's face was also cold and said, "Lingyun, what do you mean?"

GUI puLong was more anxious and said: "Lingyun, the wild childe is your husband. How can you be so presumptuous? Apologize to Mr. Huang! "

GUI Lingyun did not seem to hear the general, cold way: "according to the agreement, if you do that thing, should, take out the evidence."

Evidence?

People are confused. What is the woman talking about?

Huang Jixuan was silent for a moment, and his expression became colder and colder: "Lingyun, don't say this in front of the guests now. For a while, when we are alone, I will prove it to you."

But GUI Lingyun said ungratefully: "take out the evidence now, otherwise, I will think that you have not completed the agreement, this wedding, I will not attend!"The crowd was completely stunned!

Although it seems that Lingyun doesn't know why they want to marry!

There was a flicker of anger in Huang Jixuan's eyes, but he didn't break out!

The reason why he is a ghost of blood!

Huang Jixuan secretly said: "this woman awakened the blood of the heavenly ghost, which is very special. It is said that using some kind of double cultivation method, even has the wonderful effect of improving other blood vessels!

Little bitch, I will bear with you for a while. Once I get you, ha ha, I will make you regret today's disrespect to me

The next moment, Huang Jixuan's hand waved, a flash of light, there were several corpses on the ground!

The moment people saw these bodies, they all changed their faces!

They recognized it. Two of them were Zhou Wumu and Lei Feng!

These two noble status of existence, so died in the hands of the extremely mysterious?

What's more, it sounds like Huang Jixuan killed for GUI Lingyun!

But GUI Lingyun's eyes fell on the remains of Zhou Qiong, Zhu Lao and Lei Luocho. She murmured: "Ye Chen, your revenge has finally been avenged..."

Huang Jixuan looked at GUI Lingyun's expression and said with a smile, "now, is it OK?"

GUI Lingyun nodded his head and said, "yes."

But her face was still cold.

Huang Jixuan has a strong smile, and once he reaches out, he has to pull GUI Lingyun's hand again.

Can, GUI Lingyun is once again extremely indifferent to open a way: "who let you touch me?"

Everyone almost cut off their ears!

What did GUI Lingyun say?

For her sake, Huang Jixuan has killed the core strongmen of two big forces. What else does she want?

Huang Jixuan is also some unbearable way: "Lingyun, you!"

GUI Lingyun light way: "the agreement is an agreement, but I don't remember promised you, you can touch me."

For a moment, people's faces were a little strange, that is, Huang Jixuan's strength was frightening. Otherwise, they would all laugh out loud

Don't get married?

How humiliating for men!

Chapter 4475

When Huang Jixuan heard this, he was very angry and said with a smile: "do you mean that I can't even touch my woman and my wife? You don't think I married you just for the sake of seeing it? "

GUI Lingyun said coldly: "I don't care what you think. For me, this is just an agreement. If you don't want to, you can cancel it."

GUI puLong is crazy when he hears his words!

He knew that his daughter was in the ruins of the Youwang. He seemed to like a waste, a dead one, and even wanted to revenge for the waste!

Originally, GUI Lingyun agreed to this marriage. He thought his daughter wanted to open the door at last. But he didn't expect that in the end, GUI Lingyun would agree to the marriage for the boy named Ye Chen!

He didn't know what kind of infatuation the boy had poured into his daughter, which would have made her look like this!

Huang Jixuan hears the speech, the smile is more brilliant, but the cold meaning in the eyes almost turns into the essence!

The next moment, his hand in the air, once again toward GUI Lingyun!

As soon as GUI Lingyun's eyes sank, the Demon power in his body ran, and he had to avoid it. Suddenly, a strong and powerful pressure broke out from the extremely mysterious body of the wasteland!

For a moment, Huang Jixuan was like being integrated with heaven, and became the master of the world. When people were looking at Huang Jixuan, there was only one idea in their hearts: surrender!

They looked at the young people in front of them with horror, and they were sure that Huang Jixuan might become the strongest one in ten years!

And the Demon power in Gui Lingyun's body was suppressed instantly and completely stagnated!

The gap between the two is too big!

Even this sends out the breath, GUI Lingyun can't resist!

Huang Jixuan sneered: "do you really have the right to resist in front of me? Yeah? You are my woman, I want to touch, ha ha, this wedding seems to have no meaning, in this case, GUI Lingyun, you can directly follow your husband into the bridal chamber

When GUI Lingyun heard the speech, her beautiful eyes trembled. In the beautiful eyes, she appeared a certain color, which seemed to be about to use something later.

Can, just at this time, a man's voice of indifference, suddenly sounded outside the city!

"Sorry, I have a problem."

When they heard the speech, they were stunned and looked in the direction of the voice. They saw that a young man with a cool look came out of the crowd.

For a moment, people's eyes were filled with sarcasm.

Who do they think it is? It's just a waste of mending the sky and seven layers of sky?

This kind of rubbish dares to disturb child Huang?

I don't know what to do!

In their eyes, ye Chen is already a dead man!

And GUI Lingyun at the moment of seeing ye Chen, it seems that even her heart will stop beating. She only feels that time seems to be fixed at this moment!

She opened her mouth, as if to call ye Chen's name, but it was forced to hold back!

She lowered her head and tried to restrain her emotions. She could not let Huang Jixuan find out Ye Chen's identity, otherwise, ye Chen would surely die!

Huang Jixuan's eyes narrowed slightly: "you say, you have an opinion, what do you mean?"

Ye Chen and Huang Jixuan looked at each other and said, "you said just now, who wants to disturb your wedding ceremony? Well, I have a problem with your wedding. "

"Oh?"

For a while, his face was so mysterious that he asked, "what's your opinion?"

Ye Chen pointed to the corpses on the ground and said, "these people, did you kill them?"

Huang Jixuan casually said: "good."

Ye Chen smell speech, suddenly smile, disdain ground smile, he suddenly big drink way: "fart! I killed these people

When they heard the speech, they were shocked and then burst into laughter!

They look at Ye Chen one by one, just like watching a clown!

"This boy, is he crazy? A mendianjing existence wants to kill Shiyuan in the middle and later period?"

"It's a pity that I can't even pretend to be a liar."

"Ha ha, how dare you say that childe Huang farts? I see, this guy farts the loudest

For a time, Tianhuang city was filled with laughter from countless warriors!

However, for these laughter, ye Chen did not pay any attention to the meaning, but looked at GUI Lingyun and said with a smile: "Miss, long time no see."

Hearing this, GUI Lingyun trembled fiercely. She raised her head and could no longer control her inner emotions. Her tears fell wildly from her beautiful eyes and cried out: "Ye Chen, run away quickly. I'll hold him for you. It's very mysterious. I don't know why. The breath is so strong. It's close to eight layers of heaven. You can escape!"

She didn't want to see ye Chen die in front of herself again!

However, ye Chen did not seem to hear the general, continued: "Miss, you don't have to marry him, these people are I killed, he did not complete your agreement."

People's laughter stopped, they looked at this scene, shocked, one by one is also face suddenly color! They get it!

It seems that the boy is here to stop the wedding!

The reason for this kind of nonsense lies is to let GUI Lingyun not marry Huang Jixuan!

GUI Lingyun pretty face above, full of anxious color way: "Ye Chen, don't say these, go quickly!"

Now, it doesn't matter who killed people!

As soon as GUI Lingyun bites his teeth, he will display his ultimate backhand. Even if he can't defeat Huang Jixuan, he has to hold him for a period of time to let Ye Chen have a chance to escape!

But, all of a sudden, GUI Lingyun fell into the arms.

Ye Chen in full view of the public, tightly hugged GUI Lingyun!

Everybody's mouth can't close!

This boy is so crazy!

Even if you like GUI Lingyun, you won't be able to embrace her directly in front of the wild and extremely mysterious face?

This is the greatest insult to the great mystery!

Ye Chen is completely indifferent to the eyes of the public, in the ear of GUI Lingyun, said a few words.

Just a few words, but let GUI Lingyun instantly calm down.

"Believe me."

At this time, everyone's heart is a fierce tremor!

A bone chilling, burst out, accompanied by the incomparable surge of evil spirit!

At the moment, Huang Jixuan stares at Ye Chen, and the anger in his eyes almost turns into substance!

People see today's desolation is extremely mysterious, the surface is the appearance of fear!

If we say that the desolation was a God, now it is killing God!

Kill all the gods!

They had no doubt that Huang Jixuan wanted their life, but it was just a matter of thought!

Ye Chen let go of the woman in his arms and said, "Miss, back away from some distance."

Just now, the cold GUI Lingyun, at this moment, is a very clever nod, back to the rear.

Ye Chen said with a faint smile: "how, this is angry? I've said that you didn't kill people. You don't have the qualification to marry Lingyun. Even if you killed people, you didn't have the qualification to marry her, because... "

Ye Chen eyes God mang a Sheng way: "Gui Lingyun is my friend! My friend, you have no right to force

Chapter 4476

All of them could not help but swallow a mouthful of saliva

This is crazy boy

He Huang Jixuan grabs women?

They can only say that they admire Ye Chen's courage. Now, they have begun to wonder Ye Chen's death method!

"Ha ha ha ha ha ha!"

Huang Jixuan laughed, but his face was full of ferocious green veins. He looked at Ye Chen like a man eating monster and said:

"boy, if you disturb my wedding, it's a death penalty and you still tease my woman?

Don't worry, I won't let you go so easily after I've lost your body! I will constantly torture your soul, let you know, what is the real pain

Ye Chen shook his head and said, "by you? I can't do it. "

"Die for me!"

Huang Jixuan roared: "kill the tiger!"

It's still a fist, a fist with no hands!

However, this time, the feeling of this blow to the public is totally different!

Although, still very introverted, can, under the rage, Huang Jixuan obviously used all his strength!

As soon as the fist was struck, it was as if tens of millions of powerful tigers fell under the fist!

This blow is much stronger than the one that just killed Wang Huo!

One blow, it is estimated that it can directly kill a source of seven layers of heaven existence?

Ye Chen, the garbage that mends the sky may evaporate directly in the fist?

Facing the blow from Huang Jixuan, ye Chen laughs and disdains to smile. At the next moment, the keel in his body crackles, and his soul transforms into pure physical force!

Huang Jixuan likes to play boxing?

Well, then play with him!

The next moment, ye Chen also hit a punch!

Everyone was surprised again!

Ye Chen wants to fight?

This is too proud to beat the opponent in the same way?

Can, a mending the sky exists, and a source of demons exist, that is a joke!

There was also a look of contempt in his eyes!

In a flash, two fists!

Two fists, as if contains a universe, now, two universes crazy collision!

A kind of annihilation of all things, burst out, as if, the time has stagnated!

Zoom in! Zoom in! Zoom in again!

Everyone's pupils are crazy to enlarge!

Like, brain death!

The scene in front of them, it's almost that all their brain cells will explode!

I saw that the wild extremely mysterious fist, which could not even be burned by the Golden Lion sky fire, was actually under Ye Chen's fist, and began to crack!

Blood, crazy gushing, bone breaking sound, clear and audible!

A touch of disbelief appeared on the extremely dark surface of the wasteland. Then, his body suddenly flew back out, like a shell, and blasted into the wasteland city!

At the gate of Tianhuang City, there is an auditorium. In order to marry GUI Lingyun, the auditorium built by Huang Jixuan is extremely luxurious. It was built with countless precious materials. Huang Jixuan's body suddenly bumped into this auditorium!

With a loud bang, the auditorium was smashed into pieces!

Everyone didn't expect such a result!

Extremely strong demon exists, Huang Jixuan was even a blow by Ye Chen?

It is extremely mysterious, but it is possible to become a super monster that still exists within ten years and then crush the four halls. How could it be so easily crushed by a mending heaven realm?

They're not dreaming, are they?

Ye Chen shook his head and said, "is that it? You want me to die? This martial art is really powerful, but it is a pity that you can't give full play to its power if you are a waste.

Do you think it's enough if you keep your fist tight? But I don't know that there needs to be a balance between introvert and extrovert in order to push the boxing force to the peak. You are more introverted and less outgoing. This powerful martial art skill is used by you, just like a clown's trick. "

"Shut up for me

From the ruins of the auditorium, a roar that almost broke all the eardrums broke out!

A bloody figure, instantly rising from the sky, is extremely mysterious!

At the moment, Huang Jixuan has been restored to its original body, full of sharp fangs. It looks ferocious!

He has a pair of blood eyes, red blood, anger to the extreme!

Huang Jixuan couldn't accept that he was attacked by Ye Chen. In his eyes, he was just like a mole ant. He couldn't accept it. Ye Chen used this kind of lofty tone to point out his martial arts skills!

The most proud thing is the talent in martial arts!

Demon clan, martial arts talent is generally not as good as the Terran, but, Huang Jixuan has the terrifying martial arts talent to kill 99% of human beings! But now, to Ye Chen mouth, but as if nothing?

This is a great insult!

Huang Jixuan said with a grim smile: "boy, you don't think that you can defeat me if you get the upper hand with one punch? Ha ha, but I didn't use the real strength at all?

If you want to give me some advice, I'll tell you later when you survive my attack

At the moment, Huang Jixuan's broken fist has been restored, and the savage demon clan is famous for its strong vitality!

And ye Chen just that one fist, although unimaginable, frightening, but, is still in the scope of acceptance of the wild extremely mysterious!

He felt that he would suffer losses, just a moment of carelessness. As long as he used all his strength, ye Chen was still a mole ant!

At the next moment, Huang Jixuan roared: "the eight pole skill of the wild demon!"

Boom, boom, boom!

Breath surging, endless expansion!

After exerting the eight pole skill of the wild demon, the strength of the wild extreme Xuan rose wildly, and in an instant it turned over five times as much!

The breath that was so huge that it could almost crush the heaven and earth covered the whole city. The countless ordinary warriors who came to congratulate us all spat out blood and lay down on the ground!

Even if the breath is not aimed at them, they can't bear just a trace of it!

GUI Lingyun looked at the display of the wild demon Bajing, the beautiful eyes are full of tension!

I can't believe that there is such an anti heaven skill in the world?

Huang Jixuan looked at Ye Chen sarcastically and said, "now, can you speak? Yeah? Just now, not really? Do you think you can direct me? "

Ye Chen shrugged and said, "I want to say, well, in fact, I didn't use all my strength."

"Get dressed?"

Huang Jixuan sneered: "immediately, you can't pretend to come out!"

His whole body of Demon power, crazy operation, blood almost boiling, blood eyes deep, suddenly and hard to drink: "wild demon seven, the second, kill the dragon!"

If we say that Tu Hu Sha is introverted, and Tu Long Sha, it is absolute publicity, and Qi swallows the world!

Originally, there were some middle-level warriors who persisted and struggled in the breath of the wild and extremely mysterious. However, at the moment when Huang Jixuan was ready to carry out the Dragon killing, he was also spitting blood and paralyzed on the ground!

Chapter 4477

The smell of dragon killing is too terrible!

Moreover, unlike tiger killing, dragon killing is a sword technique!

Huang Jixuan has a long sword in his hand!

A long bloody sword with a blood red eye like gem on the handle!

This sword is the treasure of the desolate family!

At the next moment, the terror sword roars wildly, turns into a giant dragon shadow, and cuts towards Ye Chen. The void is frantically broken. Even the law of heaven seems to fall under this sword!

There was a sneer in the corner of his mouth. The killing of the dragon was three times better than that of the tiger?

It is one of his biggest cards. With the help of the eight pole skill of the wild demon, he has the confidence to kill all the eight layers of heaven in the original state!

What's more, ye Chen?

Ye Chen looks at this one eye, his eyes flash slightly. At the next moment, a strong evil spirit, as well as surging dragon power, burst out of Ye Chen's body at the same time!

Huang Jixuan's smile, instant solidification, eyes some trembling to see ye Chen!

At the moment, ye Chen, all over the body gave birth to Daodao dragon scales, incarnating the state of dragon clan!

The most important thing is, even if it is extremely mysterious, all feel the strong blood pressure from ye Chen!

Wild demon is one of the most advanced demon families, what's more, its blood purity is as high as 75%!

Even in ancient times and even in the famine period, it belongs to the elite!

But now, actually feel the blood pressure?

However, his look soon calmed down, and his blood was powerful, so what?

Still, I will fall under the Dragon slaughtering!

Ye Chen looked at the light of the dragon shaped sword which was sending out the ancient breath. He had a black sword in his hand. On the sword, there was a burst of bright starlight!

In the face of the sword that even the world can be chopped into two, ye Chen is not afraid at all. He raises his hand and blows out a sword!

He did not use the master sword technique, nor did he use the source Rune and Hongmeng ancient method. He had to adapt to the most difficult star soul chop!

"Star soul chop!"

The next moment, the dragon shaped sword light, and the bright star river collided in a place!

Although those warriors collapsed on the ground, their eyes were locked on them!

They believe that it is impossible to lose with five times the strength and the extreme mystery of anti heaven martial arts!

No matter how strong Ye Chen is, he won't really have the strength of Shiyuan's eight layers of heaven in butianjing, right?

To tell you the truth, ye Chen is already very excellent. In terms of martial arts qualification, he is even more excellent countless times than the wild extremely mysterious!

You know, ye Chen is only 20 years old!

Unfortunately, today, he will fall here because of his wrong choice

But

People's newly revived brain seems to explode again

That dragon shaped sword light, actually is in the Star River extremely fast broken, transiently turns into nihility!

Huang extremely Xuan bottom card makes a move, unexpectedly still was suppressed by Ye Chen!?

This is not a myth. What is it?

More divine than myth!

But this sword, after suppressing the Dragon slaughtering of Huang Jixuan, did not show any sign of stopping, and continued to blow towards the wild extreme mystery!

Its speed is extremely fast, extremely mysterious and even too late to respond!

With a roar, he suddenly highlighted a big mouthful of blood, and looked at his chest dimly. There was a big hole which almost melted the whole chest!

Is he still defeated?

"You don't deserve it."

I do not know when, ye Chen, has appeared in front of the extremely mysterious waste, with a smile: "I am not as cruel as you, your spirit, I will directly devour it."

The power of Ye Chen's spirit now engulfs the spirits of the warriors in the early stage of Shiyuan realm. However, the most evil spirits of the seven or eight layers of heaven in the Shiyuan realm are different and can't be wasted.

When Huang Jixuan heard the words, he flashed a look of Madness on his face. He hugged Ye Chen and yelled: "even if I'm going to die, I won't let you go. Go to hell with me!"

A very violent breath broke out from the extremely mysterious body of the wasteland. He was going to explode himself!

Those soldiers on the ground screamed and struggled to get up. There was self explosion, not to mention Ye Chen. Were all of them very dangerous?

However, ye Chen is light way: "eat soul Tongtian."

The next moment, a giant virtual shadow appeared behind the desolate extreme mystery, and the sword in his hand seemed to be the sickle sword of the God of death!

In a flash, the sword suddenly cuts into the wild and mysterious sea of knowledge, and a soul is added to the blade, which is instantly dragged into the black hole by the giant.

The fury of the breath, instant dissipation, extremely mysterious in front of Ye Chen is even the opportunity to explode, have no!

The crowd looked at the scene, and then a burst of cheers broke out outside the city!

Straight into the sky cheers!Because ye Chen, they picked up a life!

Ye Chen is a God in their hearts!

But the desolate people, at the moment, collapsed on the ground, almost fainting.

Ye Chen with a little, will waste extremely Xuan body into pure flesh and blood, sealed into a jade bottle.

The blood of such a demon clan against the sky may be of some use.

After finishing all this, ye Chen slowly turned around, looked at the woman behind her, and said with a smile, "Miss, I'm sorry to have kept you waiting."

GUI Lingyun smell speech, beautiful eyes is a red, suddenly rushed to Ye Chen's arms!

Since leaving the ruins of Jiuyou holy king, her greatest wish is to see ye Chen again!

Now, at last!

Moreover, after awakening the blood of heaven and ghost, her speed of practice can be described as a thousand miles. Originally, she thought that even if ye Chen went against the sky, her strength could not be higher than herself. But now, I'm afraid that any blood in the world is not worth mentioning in front of Ye Chen!

What makes her happy is that ye Chen is still that ye Chen. Even now, ye Chen's strength has been countless times stronger, but he has never changed.

GUI Lingyun said to Qingyi with some pride: "Qingyi, do you still think that ye Chen is not worthy of the ghost blood?"

After hearing the speech, Qingyi was silent for a moment and then said, "I was wrong. This boy seems to be far beyond my imagination..."

Even she can't understand!

Ye Chen's power is simply beyond the power of this foreign law!

She has seen countless horrible demons in her life, but no matter how terrible they are, they must be bound by the law!

But what about ye Chen?

As if the law is nothing directly!

I'm afraid there is no second such evil spirit found in all the heaven and the world!

No, there's one!

Reincarnation Lord!

Unfortunately, the reincarnation master did not know why, suddenly fell.

This is the end of a generation of myths.

For a moment, I felt that ye Chen in front of me was like the reincarnation master!

GUI Lingyun smell speech, a touch of excitement appeared on her pretty face. Any woman hopes that the man she likes will be recognized!

Although she is not sure, ye Chen is to her friend, or when other!

And the other soldiers on the scene calmed down from the excitement of the rest of their lives, and it was thrilling!

It's so thrilling!

Huang Jixuan died like this?

In the hands of a mending heaven realm, it seems that he died without any resistance

It's like seeing someone blow up the sun with one blow

For a moment, everyone was curious. Who was this young man?

It seems that they have not seen such a monster in the moon soul domain and the Yang Zhen domain?

Chapter 4478

When they saw this scene, they all looked pale. Not long ago, they got the sad news that their ancestors had fallen. Although many people suspected that it was related to Huang Jixuan, no one dared to say it

Because of the loss of the ancestors of the desolate family, they need to be more mysterious!

But now, even Huang Jixuan is dead!

However, they dare not complain at all!

Ye Chen such existence, they can not provoke!

Originally, the GUI Pu long, who had a grudge against Ye Chen, was already a look of ecstasy at the moment!

Looking at Ye Chen's face is fawning and fawning!

Ye Chen, however, is plain, and he doesn't like GUI puLong.

At this time, ye Chen suddenly looked moved, let go of GUI Lingyun, and Qin Ziwei's voice rang out in his head.

Qin Ziwei said, "Mr. Ye, I got a message about Jin Shuhui and jinxianzi."

Ye Chen's eyes wavered and said, "Shu Hui? What's the news? "

Jin Shuhui should be refining Shenfeng in Xingyue.

But before that, Jin Shuhui heard about what happened in Youwang's secret place and wanted to avenge herself.

Ye Chen didn't care at that time. Was there any change?

Ye Chen has not been back to Xingyue to practice Shenfeng for a long time because of Tu Sheng meeting and Xiao shuihan.

Is there something wrong with the star moon refining peak?

Qin Ziwei continued: "since the last time the young master nearly fell down in Youwang's secret place, Miss Jin has determined to contribute a part of her strength to the young master. She has broken through several extremely dangerous secret places and nearly died. However, it is also a blessing in disguise. By chance, she got acquainted with the Jin family of Yangzhen region and was brought back to Yangzhen region by the Jin family."

"Yang Zhen Yu Jin family?"

Ye Chen frowns. Although Jin Shuhui is also surnamed Jin, Jin Shuhui is originally the guardian family of Lingwu land. What is the relationship between Jin Shuhui and Jin family?

Qin Ziwei said: "the Jin family is the most powerful family in the heaven fire region of Yangzhen region, and it is also one of the 24 families in the thirty-six families of Yangzhen!

Moreover, it seems that the Jin family has something to do with Lingwu mainland. However, Jin maiden has the blood of the Jin family, so she is recognized by the Jin family owner and becomes a member of the Jin family. "

Ye Chen nodded, and a smile flashed in his eyes, which was a happy event for Jin Shuhui!

The cultivation environment provided by Jin family is far from today's Xingyue refining peak, which can be compared with it!

However, Qin Ziwei said in a deep voice: "now, Miss Jin is in a very dangerous situation in the Jin family."

"What?" Ye Chen hears the speech, the complexion changes slightly.

Seeing ye Chen's look, GUI Lingyun couldn't help asking, "Ye Chen, what's the matter?"

Ye Chen's face was a little cold: "Lingyun, I have something to deal with, and now I have to leave."

When GUI Lingyun heard the speech, a strong color of reluctance appeared in her beautiful eyes. For such a long time, she had been looking forward to seeing ye Chen again. Now, her wish has come true, but ye Chen has to leave immediately

Still, she said with a smile, "go ahead, I'll be waiting for you

Ye Chen looks at GUI Lingyun, eyes soft a minute way: "I will come back."

He knew that Gui Lingyun thought he was dead and suffered too much. Ye Chen was in debt for this.

GUI Lingyun smell speech, pretty face slightly red.

Qingyi sighs. She knows that no matter whether she opposes it or not, or Ye Chen's martial arts aptitude, Lingyun, the girl, has been planted in Ye Chen's hands all her life.

The next moment, ye Chen's body shape twinkles, then disappears directly from the original place, toward the direction of the Jin family.

At the same time, he took out the VIP card of Tianxing Pavilion. His face was extremely cold, and he spoke to Qin Ziwei with dignity: "pass on my words, I want to let the Jin family know!

If you dare to offend Jin Shuhui, I Ye Chen, I will kill you! "

.....

Yangzhen, Tianhuo, tianjincheng.

Tianjin city is the largest city in the Tianhuo area. In the center of Tianjin city, there is a huge and luxurious mansion. This is where the Jin family is.

Jinjia is one of the twenty-four ethnic groups in Yangzhen region, whose status can be imagined. Jincheng is the city of Jin family!

For the citizens of Tianjin city, Jin family is the existence of supreme dignity!

No one will have different opinions as long as the Jin family starts to talk about big and small affairs!

However, in recent days, the situation of the Jin family seems to be not so good, and the impression of the residents of Tianjin city on the Jin family has also changed a little

They suddenly found that the Jin family is not as powerful as they imagined!

These days, two teams have come to tianjincheng.

These two teams of men and horses, one by one, look like frost, with murderous eyes. Obviously, their intentions are not good. What they are aiming at is the nearly invincible Jin family in the hearts of tianjincheng people!

One of the two teams is from the law enforcement Hall of tianjumen!

The other team is the Lin family, one of the thirty-six families of Yangzhen! Lin family sent an elder of the family, the elder of the first seven layers of heaven!

The tianjumen law enforcement hall is also led by a warrior from the seven levels of heaven.

But, contrary to the elder Lin, he is extremely young!

This young man is named Zhao pianjue.

Zhao pianjue, this name is absolute pride in tianjumen!

Zhao pianjue, less than 1000 years old, can be regarded as very young among martial arts practitioners. However, she has already broken through the seven layers of heaven in Shiyuan and has the strength comparable to some elders of Tianjue sect!

Since joining Tianjue gate, Zhao pianjue has created countless miracles. When Tianjue mentioned his name, no one would dare to say no!

At the same time, he is also the top 4000 super monster on the God Star list!

The eldest brother of the tianjumen sect accepted him as a close disciple and even let him take charge of the law enforcement hall!

The purpose is very simple, is to prepare for taking charge of tianjumen in the future!

This time he came to tianjincheng for the first time.

Today, tianjumen and the Lin family have surrounded the luxurious mansion in the center of Tianjin city. They have blocked the Jin family for three days and three nights!

During this period, the originally noble Jin family did not dare to step out of the gate and became a shrinking turtle!

.....

Inside the Jin family mansion, in the main hall.

A dignified middle-aged man in a robe and broad shoulders is sitting on the main seat with a very gloomy look.

This is Jin Zhengjia!

Around him, there is a beautiful young woman and a young man who looks like him.

The young woman is Jin Zhengliang's concubine Liu Feifei, while the young man is the offspring of Liu Feifei and Jin Zhengliang, Jin Jinhua.

And in the main hall, there are still a group of people, all deacons, elders, worship and so on!

Chapter 4479

At the moment, an elder opened his mouth to Jin Zhengliang and said, "master, give Jin Shuhui to tianjumen and the Lin family! If we go on like this, we'll be in great difficulty for the Jin family! "

Hearing this, Jin Zhengliang's face became more and more serious!

The reason why the Jin family was surrounded by tianjumen and the Lin family lies in Jin Shuhui!

On that day, he met Jin Shuhui by accident in a secret place. Immediately, he was stunned because Jin Shuhui and Jin Zhengliang's dead daughter looked very similar!

After some inquiry, Jin Shuhui really has the blood of Jin family!

At that time, the Jin family was the guardian family of Lingwu mainland. However, there was a descendant of Jin family who left Lingwu and flew abroad. Moreover, after years of development, the Jin family finally became one of the 24 families in Yangzhen region!

When he saw Jin Shuhui, Jin Zhengliang thought of his daughter, and Jin Shuhui had the blood of Jin family. He immediately decided to let Jin Shuhui recognize his ancestors and join the Jin family!

At this time, Jin Shuhui wanted to be stronger and get a better martial arts environment. Naturally, she would not refuse.

After Jin Shuhui joined the Jin family, her accomplishments were also improved by leaps and bounds. In addition, she lived and died in various secret places. Although it was extremely dangerous, she also gained a lot of benefits!

Under all kinds of opportunities, Jin Shuhui has succeeded in breaking through the original realm not long ago!

Jin Zhengliang is full of joy. He pays more and more attention to this girl who has some relationship with Jin family. He almost treats her as a daughter!

Originally, after seeing Jin Shuhui's amazing talent and potential, people of the Jin family, who were quite repellent to Jin Shuhui, gradually began to acquiesce in her existence

But, just a few days ago, the accident happened!

When Jin Shuhui joined the Jin family, she said to Jin Zhengliang that she would avenge Ye Chen!

At that time, Jin Zhengliang told her that the Zhou family, Zhou Qiong, taizhenmen, Chifengshan, etc. were not what ordinary people could do. Even if they wanted to revenge, they must first accumulate their strength, and at least have the strength at the later stage and even the peak level before they have the chance to do all this!

Jin Zhengliang knew that it was very difficult to resolve this kind of resentment, so he had to stabilize Jin Shuhui first.

However, Jin Shuhui also knows that Jin Zhengliang is telling the truth.

So, for a while, she settled down in the Jin family.

However, a few days ago, when Jin Shuhui went out for training, she met a Lin family member!

The Lin family's son fell in love with Jin Shuhui at first sight. In order to pursue Jin Shuhui, he even secretly found out the details of Jin Shuhui!

After being rejected by Jin Shuhui in public, the Lin family's younger brother, who became angry, actually insulted Jin Shuhui as a lower class from the moon soul realm. Originally, Jin Shuhui didn't intend to pay attention to

However, this person mentioned that there was also a humble lower class in the ruins of the king of you who attacked the children of the Lin family and finally died in the ruins!

What he said, of course, was Ye Chen, which completely angered Jin Shuhui!

The resentment against the Lin family broke out in an instant and devoured her reason. In her anger, Jin Shuhui killed the Lin family's children on the spot!

Unfortunately, this man is not the ordinary son of the Lin family, but the grandson of Lin baigui, the elder of the Lin family!

At the same time, Lin baigui's mother is the daughter of an elder in tianjumen!

This time, the Lin family and tianjumen can be said to be completely angry!

Immediately, they sent people to surround the Jin family group!

They gave the Jin family three days. After three days, they would either hand over Jin Shuhui or let the Jin family disappear from the Yangzhen area!

And today is the third day!

Jin Zhengliang gnaws his teeth. He knows that although the Jin family is one of the thirty-six houses of Yangzhen, it has actually begun to decline. It is the existence of the lowest strength in the thirty-six families!

The most powerful fighting force in the family is Kim Jong Il himself!

And Jin Zhengliang is just the existence of a source of seven layers of heaven!

Not to mention tianjuemen and the Lin family. The two teams sent here are enough to wash the whole Jin family!

However, until now, Jin Zhengliang is not willing to give Jin Shuhui to tianjumen and the Lin family, because he brought Jin Shuhui to the Jin family, and he has already regarded Jin Shuhui as his own daughter!

The elders and deacons knew this very well, so they came to the main hall one after another to force Jin Zhengliang to hand over Jin Shuhui!

They don't want to be buried with others!

In particular, this person is still an outsider!

The whole Jin family, except Jin Zhengliang, can be said that no one really regards Jin Shuhui as a member of the Jin family!

Liu Feifei looks sad, but with a sneer in his eyes.

Jin Shuhui's death is a happy event for her!

Since Jin Shuhui joined the Jin family, she has been looking forward to her death all the time!

At that time, Jin Zhengliang's wife and daughter were killed in an accident, which gave Liu Feifei a chance to go to the top. Originally, she thought she could rest assured! But who knows, but suddenly came a Jin Shuhui who looks very similar to Jin Zhengliang's dead daughter?

The most important thing is that Jin Shuhui also showed a very high talent for martial arts. The people of the Jin family who didn't like Jin Shuhui very much, also regarded Jin Shuhui as the pride of the family and the opportunity for the Jin family to rise again in the future!

In this way, the girl who did not know where she came from could really threaten her son's status!

After all, although Jin Jinhua's talent in martial arts is excellent, he has joined Tianwang hall, one of the four halls. However, compared with Jin Shuhui, Jin Jinhua's martial arts cultivation talent is not as good as that of Jin Shuhui

Liu Feifei will never allow such a thing to happen!

Therefore, on weekdays, there is no less for Jin Shuhui to make some small moves!

However, Jin Shuhui's position in Jin Zhengliang's heart has never been shaken!

Fortunately, God opened his eyes, this stupid woman even started to fight the grandson of the elder Lin family for the sake of a dead trash?

Hehe, retribution is coming!

Jin Jinhua on one side was also full of joy. Although he joined the Tianwang palace, he was just a disciple of the outer hall.

What are outer hall disciples?

There is no big difference between them!

Therefore, he was extremely jealous of Jin Shuhui's martial arts talent!

However, they did not say anything at this time. They knew that someone would say it for them!

Just at this time, a younger brother of the Jin family walked into the hall with a letter in his hand and said in a cold sweat: "master, those people have sent letters..."

All the people present are pupils shrinking!

This letter is like a death sentence!

Jin Zhengliang took the letter and opened it. His eyes trembled fiercely for a moment and gave out a very heavy sigh.

The elder of the Jin family and others quickly asked, "what did the letter say, master?"

In silence, Kim handed the seal to an elder.

As soon as the elder looked, his face changed wildly, and he said in a frightened way: "the time of a stick of incense. There is only one incense stick left, and they are going to kill Jin's family."

Chapter 4480

For a moment, all the people in the main hall began to say, "please, master. Even if you like Jin Shuhui again, you can't kill all of us because of her!"

"Master, the overall situation is the most important thing!"

"Master, you can't be reborn after death. Jin Shuhui can't replace your dead daughter!"

The more Jin Zhengliang listens, the more ugly he looks!

At this time, there was a loud sound of footsteps outside the door. For a moment, hundreds of Jin's children and thousands of servants, offering sacrifices and so on all appeared outside the hall. They all looked at Jin Zhengliang with almost collapsed eyes and said in unison:

"please help the Jin family, please hand over Jin Shuhui!"

No one wants to die for others and become their funerary objects!

At this time, a figure suddenly walked out of the crowd and came to the hall, a beautiful figure in white skirt.

Looking at the figure, Jin Zhengliang looks pale. It is Jin Shuhui who is coming!

I'm afraid Jin Shuhui heard all the people said just now!

There was a flash of anger in Jin Zhengliang's eyes and said, "Shuhui! You have forgotten that you have been punished in the forbidden area of the family. How can you run out on your own

Only Jin Zhengliang can open the forbidden area of Jin family. The reason why Jin Shuhui stays in the forbidden area is for her safety!

Otherwise, I'm afraid she has already been forced to the front of Lin family and Tianjue by the elders.

But at the moment, the elder of the Jin family, Liu Feifei, Jin Jinhua and others are very happy. They quickly surround Jin Shuhui for fear of being run away by Jin Shuhui!

They all began to say, "Shuhui, my Jin family treats you well. I don't think you want to see the Jin family destroy the door, do you? Please be conscious

"Yes! Do you want us to be implicated by you when you do something harmful to your family

"Jin Shuhui, you are ungrateful

"There is only one incense stick left. You'd better leave the Jin's house immediately. Don't force us to do it!"

At the moment, facing the threat and persecution of the people, Jin Shuhui is plain faced. She stares at Jin Zhengliang, and suddenly kneels down in front of him, bows her head and says, "Uncle Zhengliang, Shuhui is sorry for you."

She knows that Jin Zhengliang really regards himself as a relative. Although Jin Shuhui has no regrets about what he has done, she feels that she has caused such a big disaster, which makes him fall into a dilemma. I'm sorry for him.

Jin Zhengliang sighs heavily. He knows what Jin Shuhui means. Jin Shuhui is going to sacrifice himself

But the people present didn't think so!

They thought Jin Shuhui didn't want to face tianjumen and the Lin family when she apologized!

Hide to the end! Take Jin's family for burial!

This time, even Liu Feifei and Jin Jinhua couldn't put on any more!

Liu Feifei pointed to Jin Shuhui directly and cursed: "damned girl, you can't raise white eyed wolf. Get rid of Jin's house for me!"

Jin Jinhua also said in a cold voice: "Jin Shuhui, don't forget your own identity. You are just a person in the lower level of the moon soul realm. Your father's great compassion has given you a chance to enter the Yangzhen realm. Don't you really think you are a member of the Jin family?

Now, if you don't feel grateful, you still want to hurt the Jin family? Low people are shameless

Finally, Jin Zhengliang could not bear it any more. He cried angrily, "shut up all of you!"

The main hall of the Jin family finally quieted down.

Jin Shuhui said indifferently: "what I have committed will naturally be borne by me."

Then he stood up and went to the door.

When they heard the speech, they were all relieved. Only Jin Zhengliang was dead.

He wants to stop Jin Shuhui, but he knows that he can't do this. He is the leader of the Jin family, and protecting the family is his most important responsibility. Even if Jin Shuhui is really his daughter, now he can only sacrifice Jin Shuhui for the sake of the family!

However, at this time, with a roar, the gate of the Jin family was smashed by a very powerful force, and two teams of people poured into the Jin family residence!

Everyone in the Jin family was shocked and trembled.

In front of the team are two figures, two breath incomparably powerful figure!

It was Zhao pianjue of Tianjue and Lin Rushi, the elder of the Lin family.

Lin Rushi stares at Jin Shuhui coldly, his eyes full of resentment!

Although his grandson is a waste, but he has only such a grandson, who has always been extremely beloved, but died in the hands of this woman!

How can he not hate that?

But Zhao pianjue was indifferent and said coldly, "the time has come. How are your Jin family thinking?"

At the moment, Mr. Jin was in a cold sweat. He almost knelt down for them. Before Jin Zhengliang, he said, "back Back to the young master, the Jin family has decided that Jin Shuhui has committed a terrible crime. Let tianjumen and the Lin family deal with it!

She was not a member of the Jin family. It was only because of the kindness of the Jin family that she was taken in for the time being. Unexpectedly, she was such a vicious person. Now Jin Shuhui has nothing to do with my family anymore! ""Is it?"

Zhao pianjue looked flat. When he turned his wrist, he put a long sword with dark blue like the sea in his hand. He glanced at Jin Shuhui and said with indifference:

"Jin Shuhui, you should be punished for killing my Tianjue disciples. Zhao pianjue, the leader of our law enforcement hall, will execute the punishment here!"

When Jin Zhengliang's pupils are shocked, Zhao pianjue should be executed on the spot?

He clenched his fist tightly. His fingernails pierced into the palm of his hand, and the blood gushed wildly. He wanted to rush directly, but Zhao pianjue tried his best, but he could only bear it, because he was the master of the Jin family!

And Liu Feifei and Jin Jinhua are happy!

The elders and others were relieved. The Jin family finally survived this disaster!

In the Golden Book's eyes, there is a look of horror. Zhao pianjue's sword is so powerful that she can't even resist. The moment she is locked by the sword spirit, her whole body is stiff and her aura is stagnant!

The strength gap between the two is too big!

But at this time, Lin Rushi suddenly frowned and took a message jade talisman from his arms. The spirit sank into it. The next moment, he looked unbelievable, and suddenly cried, "stop it!"

The sword stopped suddenly when it was only an inch away from Jin Shuhui's heart.

That is to say, Zhao pianjue's sword spirit is very restrained, which is completely contained in the blade. Otherwise, even if she stops, Jin Shuhui may have died!

Zhao pianjue turned her head and looked at Lin Rushi.

Why did Lin Rushi stop himself?

He should be the one who wants to see Jin Shuhui die. Right!

The next moment, let everyone can't believe the scene appeared!

I saw that Lin Rushi knelt down to Jin Shuhui without hesitation in front of all the people!

All of us are like a meteorite, hit the brain, completely dull!
