

Physician 4501

Chapter 4501

Ye Chen indifferently smiles, has already hid in the distance, lets everybody kill each other.

Although some of them tried hard to restore peace, when the darkness and chaos happened and the army was defeated like a mountain, where could it be stopped?

Ye Chen didn't waste his strength, observing silently.

The people sent by xuanjiyue haven't appeared yet. Ye Chen must be careful not to waste energy on these people. Let them kill each other slowly.

"Come on

At this time, the dark sky, came a Buddha like King Kong's angry drink.

I saw the sky above, emerged a touch of incomparably bright golden light.

In the golden light, there is a noble and solemn figure like Buddha.

Behind that figure, there is a golden winged ROC, which seems to be flying in the sky.

"Old Buddha Jinpeng

Ye Chen's pupil shrinks and he recognizes it at a glance. This Buddha like figure is the guardian animal he built in his previous life, the old Buddha Jinpeng in the endless land of heaven!

Xuanjiyue sent the people, finally came!

The old Buddha, Jinpeng, held high in the sky. The golden light that broke out from his body could not even cover up the immortal devil heaven. It was very magnificent.

"It's true!"

In an instant, ye Chen captured the breath of Jinpeng, the old Buddha. At least he reached the early stage of Zhenjing!

Jinpeng, the old Buddha, is definitely not a shadow, nor a body, but an upright and upright real body!

In order to kill Xia Ruoxue, xuanjiyue even sent out the old Buddha Jinpeng. This is the defense line against the heart evil curse sword!

It seems that Xia Ruoxue has defied Tianwei, which has completely infuriated Xuan Jiyue. She has to take such a big risk and not hesitate to send the old Buddha Jinpeng.

With Ye Chen's current strength, in the face of the real situation, there is no chance of winning. If you fight, one move will be killed by seconds, and there will be no chance of fluke.

No matter how strong his combat effectiveness is, he will not be able to defeat the early days of the real situation.

The gap of realm is too big!

Even if ye Chen can leap over the level to fight, but also can't cross such a big gap.

Under the absolute state gap, the ancient method of Hongmeng, the source Rune of magic weapon, the source army, the transformation of soul and body, the star soul chop and the master will not have any effect.

If you are an ordinary warrior of mending the sky, you will be broken into pieces and have no resistance when you face the initial stage of the true state.

Even if ye Chen can resist and resist for a while, he is absolutely impossible to defeat. At most, he can't block half a move, even one move.

The gap is too big!

"It's so dark and sinful, who dares to make trouble here?"

The old Buddha Jinpeng's eyes were round and burning with anger. The staff in his hand was shocked in the air. Suddenly, the majestic light of Buddha rolled and scattered, and the surrounding space was broken like glass. The dark world of the great devil at night was also completely broken.

Heaven and earth, mountains and rivers, restore the light.

The thunderbolt is still raging in the sky, and the endless thunder and lightning are flashing. Against the background of the thunder and lightning, the old Buddha Jinpeng is even more invincible and solemn.

Ye Chen's whole body vibrates. The treasure stick in the hand of the old Buddha Jinpeng is actually the top ten soldiers. It is called the three treasure Vajra stick. It has the momentum of Buddha's anger and killing evil spirits. Even if it is his eternal night demon sky, it will be crushed instantly.

"The old Buddha Jinpeng, the legend of heaven and earth is old!"

"Here comes the Queen's palace!"

"Does the queen want to take the treasure?"

The people recovered the light, as if waking up from a dream, looking at the old Buddha Jinpeng in the sky, all of them cried out.

Behind the old Buddha Jipeng, there are more than a dozen empress's attendants, all of whom are hot built beauties, all dressed in tight black clothes and carrying big swords.

The old Buddha Jipeng stands high in the sky. Under the protection of more than a dozen sword women in black, he is even more towering.

In the legend, the old Buddha Jipeng is naturally recognized by people. Many people are shivering when they see the terrible momentum of the old Buddha Jipeng in the early stage of his real life.

The old Buddha Jipeng swept the audience coldly, looking at the corpses left behind by the people who had just killed each other. His eyes were full of disdain.

"A group of earthy mole ants, a mere treasure of stars and moons, does my queen's palace still care?"

"You talk about the queen, blasphemy, damn it!"

"Tianlong eight gods sound, give me suppress!"

The old Buddha Jipeng opened his throat and said, "Oh! Come on! How about it! Boom! Baa! Moo! Oh! Boo Eight brilliant ancient sounds, with eight golden dragons all over, burst out.

The Golden Dragon came into the world, rolling Hongmeng Yinsha, mercilessly suppressed the people.

The sound of Tianlong and eight gods is an ancient Dharma of Buddhism. Ye Chen is also proficient in it. The old Buddha Jipeng specializes in Buddhism and naturally masters this secret method.

This time, the old Buddha Jipeng released the sound of the eight gods of heaven and dragon. In an instant, the empty space vibrated and the strong Buddhist sound suppressed the whole audience.

Puff, puff, puff!

The people below were suppressed by Tianlong eight gods sound. They immediately vomited blood, and their internal organs were shattered. All of them fell to the ground and died in an instant. None of them survived."Lord Jinpeng is very powerful!"

The dozen queens, who were in attendance, cheered loudly.

That is to say, the old Buddha Jinpeng town killed the whole audience without any effort. All the people who were just in chaos are now quiet, because all of them have become corpses.

Ye Chen is hiding in one side of the woods, witnessing this scene, terrified beyond measure.

The old Buddha Jinpeng specializes in Buddhism, and ye Chen can't compare with him in his Buddhist cultivation.

Just now, the sound of the eight gods of Tianlong killed the whole audience, which fully demonstrated the strength of the old Buddha Jinpeng. At the beginning of the real state, it was so terrible that it was simply lawless and irresistible.

This is just the beginning. If you are a master like xuanjiyue and Emperor Shitian who are really in the later stage and even the peak, I don't know how powerful they will be.

Ye Chen suddenly feels the pressure from the sky. If the old Buddha Jinpeng breaks into the tomb mansion, Xia Ruoxue will surely die.

Xia Ruoxue's exposure to the reincarnation star flame, and even upgrading, can be regarded as completely infuriating xuanjiyue.

This time, xuanjiyue couldn't let her go.

Suddenly, ye Chen thought of what!

The old Buddha Jinpeng was created by him. Although the opponent is powerful, it will be suppressed before reincarnation!

As long as his cultivation is suppressed to the original state, he will have a chance!

"The guilty girl is in it. Ha ha, do you want to cross the robbery?"

"Let me kill the guilty girl and share the worries of the queen."

The old Buddha Jinpeng sees the thunder robbery all over the sky and rushes to the Xingyue tomb mansion. He knows that Xia Ruoxue is crossing the robbery.

Once Xia ruoxuedu succeeds in robbing him, it will be troublesome. He can't tolerate this kind of thing.

At present, the old Buddha Jinpeng, with more than a dozen Queen's attendants, flew down in the air to break into the tomb house and kill Xia Ruoxue.

Ye Chen's face suddenly changed, and his palms were all sweaty. He only felt unprecedented danger.

This old Buddha Jinpeng is just Ye Chen's beloved servant in the past. If ye Chen regains all his strength, he can naturally kill him with his fingers.

However, the problem is that ye Chen has only the cultivation of the seven layers of heaven. Facing the old Buddha Jinpeng, who has enough of the early stage of the true state, he is definitely not an opponent.

"Burn the sky in heaven, open it!"

Chapter 4502

At the critical moment, ye Chen suddenly drank and made a decision quickly.

Ye Chen absolutely can't watch Xia Ruoxue die, even if it's dangerous, he has to come forward.

Boom!

Ye Chen's figure suddenly appears, and the burning sky starts from the sky. A blazing world of burning the sky suddenly covers all the old Buddha Jinpeng and others.

At the same time, ye Chen completely releases the breath of reincarnation and stands in front of the old Buddha Jinpeng.

The old Buddha Jinpeng was suddenly attacked, not flustered. He wanted to fight back, but seeing ye Chen's figure and feeling the breath of Ye Chen's reincarnation, his look changed.

"You You are... "

The old Buddha Jinpeng was dumb and speechless, and a great shock and fear arose in his heart.

"Reincarnation Lord! You are the Lord of reincarnation

The more than ten empress's attendants, seeing ye Chen, were also shocked and pale.

When the Lord of reincarnation was still there, they had served them close to each other, and naturally recognized the breath of reincarnation.

Now ye Chen is completely uncovered, completely exposing the cause and effect of reincarnation, indicating his identity and instantly shaking the audience.

"Jinpeng, don't you kneel down when you see me?"

Ye Chen presents a picture of the blue and yellow spring, which turns into vigorous Qi and surrounds his whole body.

At this moment, ye Chen's breath of reincarnation is rolling and releasing. He is extremely majestic, as if to dominate the heavens.

Burning the sky from the sky opened, ye Chen's breath did not leak out, will not be found by outsiders.

But in the world of burning the sky, the old Buddha Jinpeng and others clearly feel the power of Ye Chen.

This power is not the strength of cultivation, but the power of blood!

Samsara blood, superior to the sky, no one can match, once the potential is fully developed, even the superior must fear!

"See the Lord of samsara."

The old Buddha Jinpeng is extremely afraid, plops a sound, kneels in front of Ye Chen.

The dozen Queen's attendants all knelt down in awe.

Just now, the old Buddha Jinpeng and the eight gods of Tianlong crushed and killed the whole audience. How magnificent and tyrannical he was. But now he saw the reincarnation master. He was completely flustered and completely confused. He could not help kneeling down to worship.

Ye Chen clearly felt that under the suppression of the reincarnation blood and the accumulated power of the reincarnation master, the cultivation breath of the old Buddha Jinpeng was weakening.

This is the division between the Lord and the minister!

In the twinkling of an eye, the cultivation of the old Buddha Jinpeng was suppressed to half a step!

"It works!"

Ye Chen is overjoyed. It seems that he risks exposing his identity and has indeed received miraculous effects.

The strength of the old Buddha Jinpeng is too terrible. If they face each other head-on, ye Chen can't catch a move.

In such a critical situation, ye Chen decided to be dangerous and expose his identity. Relying on the reincarnation blood and the authority of the reincarnation master, ye Chen successfully suppressed the cultivation of the old Buddha Jinpeng.

After all, the old Buddha Jinpeng, in the final analysis, is just a war pet created by the reincarnation master himself. He is completely the servant of the reincarnation master, so he does not dare to violate the power of reincarnation.

"I haven't seen you for tens of thousands of years. Are you ok?"

Ye Chen's voice is cold, and the reincarnation is still fierce. He is holding the ten square killing God hook in his hand. He intends to wait for the cultivation of the old Buddha Jinpeng to be suppressed to the original state, and he will kill again.

"Tell the Lord that I am all right."

Old Buddha Jinpeng knelt down on the ground, sweating and panting.

Ye Chen felt that the cultivation breath of Jinpeng, the old Buddha, had fallen to the nine layers of heaven in the origin realm. His eyes suddenly burst out with murderous spirit and said:

"I was killed by xuanjiyue in the previous life. Why didn't you show up to protect me? You don't deserve to be my guardian. What can I do for you? "

Hiss!

The ten side killing God hook is cut out, and ye Chen mercilessly cuts to the neck of the old Buddha Jinpeng.

Ye Chen also wants to wait a little longer, until the cultivation of the old Buddha Jinpeng is suppressed to the eight layer heaven, the seven layer sky, or even the six layer sky in the original state. When he does it, he can ensure that everything is safe and sound.

But ye Chen can't wait.

Ye Chen's breath of reincarnation is too vast. This burning world will not be covered for long. Once the breath of reincarnation is leaked, it will be known by xuanjiyue and Emperor Shitian, and the consequences will be unimaginable.

Even, if the attention of the superior, ye Chen is the place of death without burial.

Therefore, ye Chen can only take the risk to cut off the old Buddha Jinpeng.

Although the strength of the old Buddha Jinpeng was suppressed to the nine layers of heaven in the source area, it was far less powerful than when it was at its peak.

However, the origin of the nine layers of heaven, is also an extremely terrible existence!

With Ye Chen's current strength, he is still extremely intractable in the face of the nine layers of heaven from the origin.

But the situation is not up to people, ye Chen can't delay any longer. This attack is a risky move, just for killing.

Old Buddha Jinpeng kneels on the ground, full of fear in his heart, and his spirit is completely suppressed by the breath of reincarnation.

However, when he saw the blade cut, ye Chen wanted to cut off his head, he suddenly woke up, the spirit of boundless darkness, there was a ray of light.

"By the way, I have completely turned to her majesty and have broken with the reincarnation Lord. Why should I kneel down to him?" "Even if the reincarnation of the Lord of reincarnation is the enemy of my queen's palace, why should I kowtow?"

"The Lord of reincarnation is not my master."

"In this life, my master, only the queen!"

In a flash, countless thoughts flashed through the mind of the old Buddha Jinpeng, and he woke up in an instant.

"Come on! Bold traitor, you want to kill me

The old Buddha Jinpeng drank violently, and suddenly raised the three treasures Vajra stick in his hand. With a clang sound, he blocked Ye Chen's murderous hook knife.

"Failed!"

Ye Chen's face suddenly changed and was shaken back three steps.

Although the old Buddha Jinpeng has only the cultivation of nine layers of heaven in Shiyuan, ye Chen is also a mountain giant, which is hard to overcome.

"Hehe, Jinpeng, do you want to kill the LORD with a minister?"

Ye Chen was still, keeping calm on the surface and disdaining to laugh.

"I killed the Lord..."

Hearing these four words, the old Buddha Jinpeng suddenly vibrated.

Killing the LORD by a minister is a great violation of the world. The cause and effect crime is very serious. Once it is infected, the holy water of the netherworld can not be washed away, and there will be great retribution.

"No! You are not my master

"Only the queen is my master!"

"You have betrayed her majesty. You are not worthy to be my master!"

"Your previous life, and nvwu Shenqu Shen smoke, collusion, death is not worthy of regret."

"This life, you and that sin girl, collude, even more damned."

"If you dare to betray her majesty, I will kill you today!"

After a brief awakening, Jinpeng soon came to realize.

Ye Chen is not his master. If he kills Ye Chen, he does not kill him. There will be no retribution.

"If you dare to expose your identity today, you are looking for death!"

"Come here, your majesty, and kill yourself!"

When the old Buddha Jinpeng spoke, he pinched a formula, and a piece of Buddha light evolved into infinite characters, which went straight into the sky.

He wanted to report everything that happened here to xuanjiyue.

If xuanjiyue could come down and kill Ye Chen with her own hands, he would not have to do it.

Although Ye Chen is no longer his master, he said it in a dignified way, but he did not dare to move the killer.

The accumulated power of the reincarnation Lord is too great.

Chapter 4503

In the heart of the old Buddha Jinpeng, there is still a trace of fear.

Ye Chen's face changes color. If the news from here is sent back to the upper world, the consequences will be unimaginable. Xuan Jiyue will definitely come to kill him at all costs.

"Hongmeng big starry sky, suppressed by me!"

At the critical moment, ye Chen's breath broke out. With a wave of his big hand, a vast and bright star sky suddenly emerged, blocking the sky and blocking the sun. In an instant, he cut off the Buddha light of the old Buddha Jinpeng and prevented him from reporting the message.

"This is Great stars

"It's impossible! Hongmeng big star sky, you actually understand Hongmeng big star sky! Have you ever seen tianwu Wolong Sutra

The old Buddha Jinpeng was shocked by the sudden arrival of the starry sky.

This starry sky, floating with endless ancient gas, there are huge stars, quietly suspended.

If you look at them carefully, it turns out that the giant planets are actually printed with the amulets of Hongmeng ancient Dharma. The suppression of endless Hongmeng Tianwei is shocking.

If you want to practice Hongmeng big star sky, you must see all the ancient Hongmeng methods before you can understand them.

Thirty three Tianhong Mongolian method, the last ranked tianwu Wolong Sutra, has been completely lost since the fall of Wuzu. No one in the world can see it again, and no one can practice it.

Even if it is the supreme world, no one has practiced it.

Because no one knows where tianwu Wolong Sutra is, and no one has seen it. Naturally, it is impossible to understand all the secrets of Hongmeng ancient Dharma and evolve into Hongmeng starry sky.

But now, ye Chen has been able to release the Hongmeng sky. Although it is not complete, it is only a prototype, but it is also surprising enough.

Under the suppression of Hongmeng big star sky, it is impossible for the old Buddha Jinpeng to report a message.

Moreover, the old Buddha Jinpeng feels that his cultivation breath is still falling.

All of a sudden, another layer fell, leaving only the strength of the eight layers of heaven in the source territory.

This vast starry sky has the effect of suppressing people's cultivation!

Ye Chen's burning of the sky is in the sky and evolves into a big starry sky, and the pressure is even more terrible.

His eyes were cold, just like the master of Hongmeng. He killed the old Buddha Jinpeng again.

This attack, gathered the momentum of Hongmeng big star sky, very domineering.

At the time of using this blow, ye Chen felt his muscles and bones all over his body, convulsed in severe pain, and was suffering greatly.

Although Hongmeng big star sky is powerful, but if you want to use it, you have to bear a huge burden.

Ye Chen gritted his teeth and held it, and cut off the old Buddha Jinpeng, as if the laws of the whole Hongmeng world and the heavenly power of the whole starry sky were in his hands.

The whole hook knife seems to be transparent, surrounded by layers of stars, gorgeous and dazzling.

"Not good!"

The old Buddha Jinpeng feels extremely dangerous when he sees the blade of Ye Chen cut.

He had only eight layers of heaven's cultivation in Shiyuan, which was hard to contend with in the face of Hongmeng Tiandao.

"I'm doomed today. Go away and catch the guilty girl of Naxia Ruoxue!"

"I will stop the reincarnation Lord!"

"You go, run away, take people back to the upper world and report to the queen!"

At the critical moment, the old Buddha Jinpeng drank a lot, waved his big hand, and a strong wind swept out. The dozen empress's attendants were all shaken out, and they were separated from the great starry sky.

"Lord Jinpeng!"

The servants looked at each other and saw that the old Buddha Jinpeng was in danger and wanted to help.

But ye Chen's big starry sky is too brilliant and invincible. Even if they are involved in it, they will not be able to help. On the contrary, they will make trouble.

"Let's go!"

The old Buddha Jinpeng swung his three treasures Vajra stick to block Ye Chen's attack. He was shocked by hongmengtian, and his face turned white and his Qi and blood vibrated.

But he was fearless of death, step by step, the three treasure Vajra stick dance into vigorous wind, killing Ye Chen.

He just wants to entangle Ye Chen and create opportunities for catching Na Xia Ruo Xue!

Looking at the resolute appearance of the old Buddha Jinpeng, a group of empress's servants suddenly woke up and broke into the tomb house along the ground seam to catch Naxia Ruoxue.

"Dare you!"

Ye Chen was furious and offered a Geng gold source talisman with his back hand. He developed numerous flying swords and golden swords, and killed those empresses.

"Reincarnation Lord, if you want to stop me, kill me first."

The old Buddha Jinpeng's body shape was in a flash, and he blocked Ye Chen's attack with his body.

Chuckle!

A pair of Gengjin flying sword, Gengjin sharp knife, pierced the body of the old Buddha Jinpeng.

The old Buddha Jinpeng was covered with swords and swords. His blood was dripping and his appearance was very terrible. But his eyes were very firm, with the determination of martyrs.

He has decided to sacrifice himself, but also to hold the reincarnation master!

"Damn it!"

Ye Chen is furious, and the ten side killer hooks are cut out. The heavenly power of Hongmeng big star sky rolls into Dao Qi, and he cuts towards the old Buddha Jinpeng crazily.

The old Buddha Jinpeng holds the three treasures of Vajra stick and blocks it repeatedly. However, his cultivation has been lowered to the eight levels of heaven in the original realm. Facing the pressure of the Hongmeng star sky, he can't resist at all. Under Ye Chen's quick knife's random cutting, on the body of the old Buddha Jinpeng, suddenly appeared a series of deep visible bone wounds.

However, after all, the old Buddha Jinpeng is one of the "wasteland of heaven and earth", with a strong physique. At his peak, he had enough accomplishments in the early stage of the restoration of the real world. Ye Chen could not kill him for a moment, and the war situation was in a stalemate.

And take advantage of this opportunity, that more than a dozen Queen's attendants have all broken into the Xingyue tomb mansion!

.....

Xingyue tomb house, full of thunder and lightning.

Xia Ruoxue bathed in thunder disaster, closed his eyes, silently felt, and constantly stabilized his cultivation.

"Sister Xue, someone is coming..."

At this time, Xiaobai saw more than a dozen sword women in black. They came at a neat pace and suddenly showed a look of panic.

Xia Ruoxue's eyes are still closed, and she's still suffering from thunder robbery. I'm afraid it will take another quarter of an hour for Xia Ruoxue to succeed.

"Sin girl, by the order of the queen, I come here to catch you. I'll catch you with my hands."

A group of sword women in black arrived in a fierce manner, and pulled out the big sword behind them, and they were very murderous.

Just in front of Ye Chen, they are afraid to kneel down. Now they are arrogant and arrogant in the face of Xia Ruoxue.

Looking at Xia Ruoxue's reincarnation star flame, every sword girl in black is angry and resentful.

Reincarnation star flame, is the Queen's thing, no one has the right to touch.

Now Xia Ruoxue has reincarnation star flame, which is not tolerated by the upper world.

"Kill the emperor's sword instantly!"

A group of female swordsmen in black are neat and uniform, as if their hearts are interlinked. More than a dozen of them all put out their hands together, carrying a huge sword, and then they killed Xia Ruoxue's body.

"Don't hurt sister Xue!"

Xiaobai bit his teeth, showing the body of the Taiyin jade rabbit. There are layers of moonlight around the body, bursting out a series of moon blades, trying to fight against these people.

"Hum, little fierce beast, still want to stop the car?"

Chapter 4504

A sword girl in black disdains to smile. When the blade swings, she immediately blows Xiaobai away. Under the air of the sword, Xiaobai is scarred and bloody, and is seriously injured in an instant.

"Sister Xue..."

Xiaobai wants to die. Although she wants to protect Xia Ruoxue, she is not the enemy of the women in black.

A group of women in black sword, sword blade again cut to Xia Ruoxue.

Xia Ruoxue was about to be killed. Suddenly, she opened her eyes, and a ghost of remnant thoughts floated out of her body.

This ghost image of the spirit of the afterthought is surrounded by the brilliance of the stars and the moon. She is an amazing woman. She is very beautiful. She is actually the remnant of the God of the stars and the moon!

Xia Ruoxue got the inheritance Fu Zhao of the God of the stars and the moon. In that Fu Zhao, he took the remnant thoughts of the God of the stars and the moon.

At this moment, Xia Ruoxue is in danger, and the spirit of stars and moon will fly out immediately to protect her.

"My heirs, you can't hurt me!"

The God of the stars and the moon waved his hand, and the lights of the stars and the moon gathered into a torrent and rushed out.

A group of sword women in black were shocked by the torrent of stars and moon.

"Ha ha, just a wisp of remnant thoughts, still want to fight against the queen?"

The head of a sword woman in black sneers and releases a mass of purple light with her backhand, but it is the fatalistic Fu Zhao given by xuanjiyue. The torrent of fatalism suddenly sweeps out and completely suppresses the light of the God of stars and moon.

"Crape myrtle fatalism, good overbearing pressure!"

The star moon god's face slightly changed, crape myrtle fatalism is xuanjiyue's unique skill, which is really not easy to deal with.

"Master..."

Xia Ruoxue saw that the God of stars and moon was in trouble, and immediately worried.

She is still crossing the robbery, can not be distracted, otherwise, with her bright moon and reincarnation star flame, enough to crush the whole audience.

"Don't worry, practice well. You are my descendant, and I will hold back all disasters for you."

"If you don't die today, you must find a way to go to the world in the future."

"It's my long cherished wish to go to the supreme world!"

When the God of stars and moon holds his hand, the stars and moonlight gather to form a sword.

Holding the sword of the moon and stars, she killed the more than ten Swordswomen in black again.

Xia ruoshue listened to the words of the God of the stars and the moon, and his heart was shocked.

It turns out that the long cherished wish of the God of the stars and the moon is to go to the supreme world and see the elegant demeanor of the superior.

"Master, if I don't die, I will live up to my trust."

Xia Ruoxue bit her silver teeth and agreed to come down.

The God of stars and moon has fallen, and there is only a trace of remnant thoughts left. At present, the situation is critical. I'm afraid she can't even protect the will.

Xia Ruoxue promised her that if she did not die one day, she would find a way to go to the supreme world to fulfill her long cherished wish.

The God of stars and moon smiles with relief, seems to put down his obsession, and his eyes become clear. He goes alone to face the edge of more than a dozen sword women in black.

.....

Outside the tomb house, Ye Chen and the old Buddha Jinpeng are still in a stalemate.

Ye Chen hears the sound of fierce fighting in the tomb mansion.

"Damn it, if snow is in danger!"

Ye Chen bit his teeth, only afraid of Xia Ruoxue's accident.

Now the thunder robbery in the sky has not dissipated, and Xia Ruoxue is still crossing the robbery. How can Xiao Bai and Wu Tu Yuan Fu block the attack of the dozen women in black?

Ye Chen just wants to kill quickly and save Xia Ruoxue.

However, the old Buddha Jinpeng clings to him, and he can't get rid of him at all.

"Reincarnation Lord, don't waste your energy."

"In today's war, I only have to die."

"The guilty woman will surely die."

"A life for a life, I wish it would be enough."

The old Buddha Jinpeng has a bleak vision, and the three treasure Vajra stick firmly guards against Ye Chen's Hongmeng Tiandao.

Even if reincarnation will suppress him, he will not give up all opportunities!

Ye Chen wants to make a quick decision.

"Evil animal, you must be forced to kill you!"

"Master the sword technique and be possessed by one sword!"

Ye Chen's eyes are cracked, and he can't help pulling out the falling dust and falling dragon sword, pointing to the sky.

Boom!

All of a sudden, the endless evil Qi rolled down.

Ye Chen's sword is not immortality, but enchantment!

The old Buddha Jinpeng specializes in Buddhism. Even if ye Chen incarnates as the master of fairyland, he may not be able to solve him quickly.

Even the powerful star soul chopping, facing the Buddha Dharma, should be weak a little bit!

Only one sword into the devil, become the master of the devil, can rely on the crazy evil Qi, devour all.

However, if you are possessed by the devil, it will easily erode the heart of Tao, which will be detrimental to the cultivation in the future.

Therefore, ye Chen will not be possessed by the master sword technique unless he has to.

Now the situation is critical, ye Chen doesn't care so much. He points to the sky with one sword, and completely incarnates as the master of the demon!The endless evil Qi is added to Ye Chen's body, and a battle robe of demon dominator appears on Ye Chen's body. On the robe, there is a sea of corpses and blood, and ten thousand demons are in the sky.

A towering God, rising from behind Ye Chen, stands firm.

Ye Chen's eyes, also thoroughly turned into blood red, ferocious face, and even fangs emerged.

"Jinpeng spreads its wings and breaks!"

Seeing ye Chen's enchantment, the old Buddha Jinpeng immediately felt extremely dangerous. The high mirage of the demon God was simply to suppress everything, which was irresistible.

Between the electric light and the flint, the old Buddha Jinpeng decided to take the final fight!

He changed himself and showed the original shape of Jinpeng.

A golden winged ROC appears in the air, flapping its huge wings, rolling up the storm of heaven and earth, and with sharp claws, it stabs Ye Chen's head hard.

"The magic swallows the sun and the moon, the God blocks and kills the God, and the Buddha blocks and kills the Buddha!"

Ye Chen's fangs emerge, and his appearance is ferocious to the extreme. With a wave of his hand, the shadow of the evil spirit behind him suddenly moves.

The huge hand of the demon seemed to capture the starry sky and roar over it.

The body of the old Buddha Jinpeng was suddenly held by the devil's claws, and he struggled desperately, but could not move.

"Die!"

Ye Chen's eyes are fierce, his palm is hard, and he puffs. He actually pinches and explodes the old Buddha Jinpeng.

All of a sudden, a piece of Jinpeng feather, mixed with blood, splashed out, the endless light of Buddha collapsed, all the vitality passed away.

With only one stroke, ye Chen easily smashed the old Buddha Jinpeng without any effort.

He incarnates as the master of demons. Ye Chen is ferocious and ferocious. It's just that God blocks and kills God. No one can resist it.

Of course, no doubt, if the dead can be reincarnated into the old world, it's not the only way to suppress the death!

Sobbing

After killing the old Buddha Jinpeng, ye Chen quickly put away his evil Qi and recovered to the pure and bright state. He felt weak all over.

"Taishangxuedan, recover!"

Ye Chen immediately took out Taishang Xuedan, relying on the energy of Xuedan, nourishing the body, and quickly recovered the spirit.

"Bagua Tiandan, refining!"

Looking at the body of the old Buddha Jinpeng, ye Chen naturally didn't miss it. With a wave of his hand, wisps of gossip flowed out. On the spot, he refined the old Buddha Jinpeng into a golden elixir.

Chapter 4505

This golden elixir is printed with the totem of ROC spreading its wings. It is very beautiful. The light of Buddha is constantly overflowing and the energy is extremely abundant.

"This golden elixir is for Xiaohuang."

Ye Chen took the elixir and didn't take it by himself.

Now ye Chen's physique is very strong. This golden elixir is of no use to him, but if given to Xiaohuang, it should be able to strengthen his muscles and bones.

The original wild ancient mandrill was swallowed by Xiao Huang. If time goes by, Xiao Huang will swallow all of them, and there will be a qualitative leap in the bones and muscles.

After collecting the gold elixir, ye Chen takes back the three treasure Vajra stick and gets a Dayuan soldier. Finally, he rushes into the tomb mansion like lightning.

"If snow, wait for me!"

Ye Chen strode to the depth of the tomb, but saw the God of the stars and moon's will to fight against the dozen sword women in black.

The God of the stars and moon is only a wisp of remnant thoughts, and he is alone. After all, he is outnumbered. His body is constantly shaking and is facing dissipation.

And Xia Ruoxue is still at the critical juncture.

"Geng Jinyuan rune, give it to me..."

Ye Chen's face moved and offered a sacrifice to Geng Jin Yuan Fu. He was just about to kill all the dozen sword women in black.

But just then, the thunder in the sky stopped suddenly.

The moonlight floats, the samsara star flame is turbulent.

Xia Ruoxue's eyes are cold like water and murderous. She has finally passed the thunder robbery!

At the moment, Xia Ruoxue's cultivation atmosphere is completely stable, and the momentum of the three layers of heaven in the original realm breaks out to the extreme. The book of the moon is suspended on her head, and the pages of the book are clattering and turning. Every page of the book is surrounded by the reincarnation Star flame, which is really beautiful.

"Bright moon and sky wheel, up!"

Xia Ruoxue looked at the dozen Swordswomen in black, with hatred in her eyes. With a wave of her slender hand, a bright full moon rose slowly.

On the full moon, there are layers of reincarnated star flames, which are nourished by the star and moon Fu Zhao. They have been upgraded completely and evolved into a magnificent atmosphere of ice phoenix flying in the sky.

"What!"

"This crime is so fierce

One by one, the Swordswomen in Black feel that Xia Ruoxue is full of breath and extremely domineering. The power of Mingyue Tianshu is even more powerful than the ten source runes. After upgrading the reincarnation star flame, she will not lose xuanjiyue!

In the hearts of the women, incomparably shocked, looking at the full moon in Xia Ruoxue's hands, she felt unable to resist, and she turned around in a hurry and ran away.

"Hum!"

Xia Ruoxue snorted coldly, without any mercy. The moon's heavenly wheel rolled over, with the rolling reincarnation star flame, destroying the withered and decaying. As soon as she touched the bodies of those black sword women, she crushed them directly!

If it's not snowing, it's a waste of time.

The divine power of Mingyue Tianshu and reincarnation star flame broke out to the extreme.

"Good. I have a successor."

The God of the stars and moon saw that Xia Ruoxue was so strong that he was pleased to smile. Then his body continued to fade and finally disappeared.

After all, she is just a wisp of remnant thoughts. She has just experienced a great war again. Her energy has been exhausted and she can no longer support it. She has completely disappeared.

"Master!"

However, a finger of the summer moon has gone.

"If snow."

Ye Chen stares at Xia Ruoxue and breathes a sigh of relief. At last, there is no accident. Xia Ruoxue successfully crosses the robbery successfully, and all the people who come to the Imperial Palace are killed.

Ye Chen is the reincarnation master's identity, at least temporarily will not be known by xuanjiyue.

"Ye Chen, why are you here?"

Xia Ruoxue sees Ye Chen's figure and feels like a dream. She can hardly believe her eyes.

"I was worried about your accident and came here to protect you. Fortunately, you are OK."

Ye Chen's heart is hot and turbulent, and he can't help holding the delicate body of Xia Ruoxue.

Xiaobai also ran over and put his arms around Xia Ruoxue's thigh. His eyes were full of tears. He almost had an accident just now. Fortunately, he got through well.

"I'm fine. I heard that emperor Shitian is going to hold a butcher's meeting and wants to lead you into the game. I'm worried about you."

Xia Ruoxue looks at Ye Chen with tears in her eyes. She ventured into the Xingyue tomb mansion just to enhance her strength, hoping to help Ye Chen at the Tu Sheng meeting.

"It's OK. It's not so easy for emperor Shitian to kill me."

Ye Chen has made good preparations for this period of time. It is not easy for emperor Shitian and xuanjiyue to kill him.

What's more, ye Chen's goal is not to kill the emperor Shitian and xuanjiyue, but to save the eternal holy king.

The eternal holy king has helped Ye Chen many times. The cause and effect is very heavy. Ye Chen naturally can't watch him die.

As for emperor Shitian and xuanjiyue, ye Chen is not arrogant and thinks he has the strength to kill them.

After all, the just old Buddha Jinpeng, just at the beginning of his real life, let Ye Chen face a great enemy, and even did not hesitate to expose the identity of the reincarnation master. Only by relying on the advantage of blood, could he suppress him.

However, both emperor Shitian and xuanjiyue are super strong men at the top of the real world, and ye Chen is not able to fight against them. What's more, the peak of the real state may be just the superficial strength of emperor Shitian and xuanjiyue.

The two men, one in charge of the heart demon curse sword and the other in charge of the supreme source soldiers, have a real combat effectiveness, absolutely beyond the real state, reaching a fantastic situation.

Ye Chen wants to kill them, there is still a long way to go.

Ye Chen estimated that he was 50% sure that he could save the eternal king.

If it was done before, it may not even be five Chengdu.

Recently, xuanjiyue got the Shenluo Tianjian, which made the emperor Shitian afraid.

The cooperation between the two is no longer intimate, but there are cracks.

This provides an opportunity for ye Chen!

However, in addition to the eternal king, ye Chen also worried about one thing.

He was afraid that emperor Shitian would go crazy and launch a heart demon trial!

No one knows what the consequences will be once the heart demon trial comes.

And xuanjiyue. If she is crazy and says that she wants to unify the foreign countries and make everyone submit to her, the situation will be impossible to deal with.

But surely those guys in heaven and man won't let it.

There are so many variables in this massacre meeting that it is impossible to predict. Ye Chen does not know what will happen.

This is the end of the cause and effect of Xingyue tomb mansion.

Ye Chen leaves with Xia Ruoxue and returns to Yuantian yuan.

.....

The upper world, the Queen's palace.

"Who, who, killed Jin Peng?"

Xuanji moon's face was moving, and she was extremely shocked.

The old Buddha Jinpeng has fallen, and this disaster has been transmitted back to the upper world, and xuanjiyue feels it all at once.

There are more than a dozen sword women in black, all of them were killed, leaving no trace.

Under the deduction of xuanjiyue, nothing can be predicted, which is extremely shocked.

As you know, the old Buddha Jinpeng was a master in the early stage of Huanzhen state. He died so unknowingly. He didn't even send back any intelligence cause and effect.

It's terrible!

The murderer must have some extraordinary means to cover up all cause and effect.

"Is it the guilty woman? It's impossible! "

Chapter 4506

Xuanjiyue only felt strange. If the old Buddha Jinpeng wanted to report a message, even the emperor Shitian could not stop him.

That's a master in the early stage of the real world!

Even the emperor Shitian killed the old Buddha Jinpeng at most, but he couldn't stop him from trying to report.

But now, xuanjiyue has not received any information, which is simply fantastic!

Naturally, she did not know that ye Chen had become a big star in Hongmeng. Under the cover of Hongmeng sky, even the cause and effect of the master of Huanzhen realm could not be passed on, unless ye Chen was killed.

Jinpeng, the old Buddha, fell down like this. It's not clear that the loss is too heavy!

Xuanjiyue was shaking all over her body, which was hard to accept.

It's the defense line against the heart demon's curse sword!

Now even the old Buddha Jinpeng is dead, and the defense line is greatly weakened. Once the emperor Shitian launches a heart demon attack, xuanjiyue is very dangerous.

After all, xuanjiyue can't give full play to the power of Shenluo Tianjian. The only thing she worries about now is the cancer of the heart demon's curse sword. It's really terrible. Once it breaks out, God knows how destructive it will be.

"At the butcher's meeting, Emperor Shitian should not be so impulsive to launch a trial of heart demons?"

Xuanjiyue calculated that emperor Shitian wanted to launch a heart demon trial, control all the guests attending the meeting, and turn many foreign powerful people into their own puppets.

This news, she received a little information, but because it was too shocking, she could not believe it.

After all, the territory is vast, such as xingxuan, yuehun, Yangzhen, Tianren, and so on. Wolong Tibetan tiger, even emperor Shitian, can't cover the sky with his own hand. If he wants to launch a heart demon trial, the cost is too high and the risk is too high. It is easy to become the target of public criticism.

"Butterfly, witch riding."

Xuan Jiyue calls out loud.

Tianxin jiandie, dizang witch riding, stride into the palace, kneeling in front of xuanjiyue: "see your majesty."

The two men were pale, their eyes were sad and angry, the old Buddha Jinpeng fell, they also felt, but they did not know who was the murderer.

"Jinpeng falls down, this hatred, I will slowly clear up, you don't have to be too sad."

"At present, the most critical thing is the assembly of slaughtering saints!"

"The meeting was held in one of the halls of the emperor yuan hall. As for the location of the meeting, it is still uncertain. However, it should not be in the heaven man domain. The emperor Shitian occupied all

the time and place of heaven. Once he wanted to launch a heart demon trial, the consequences would be unimaginable."

"You two, when the meeting starts, follow me, just in case."

Xuanjiyue orders her to go down. The defense line of the wasteland and the old is only Tianxin jandie and dizang witch riding. She will take them with her.

In case the emperor Shi naively launches the heart demon trial, with the protection of Tianxin jandie and dizang witch riding, she can at least prepare in advance.

The most strange thing about the heart demon's big mantra sword is that it's invisible and unprepared to attack the enemy. As long as she finds out in advance and is prepared, depending on the edge of Shenluo Tianjian, no matter how big the tumor can be killed.

"Yes

Tianxin jandie and dizang witch agreed in unison. They were also very aware of the situation. Although the old Buddha Jinpeng fell down and the feud was urgent, no matter how urgent it was, it could not be compared with the meeting of Tu Sheng.

After all, it's about the future of the Queen's palace!

If you are successful, with the bait of eternal king, you can lead to the reincarnation master of this world and solve the disaster, then you can have a good sleep in the imperial palace.

But in case of any accident at the meeting, the reincarnation master of this life, who opposes the heaven to kill, or the emperor releases the heaven to go mad, and starts the heart demon trial, the situation will not be able to be sorted out.

.....

Yuan Tian Yuan, underground city.

Ye Chen and Xia Ruoxue, as soon as they return to the dungeon, they see the whole dungeon surrounded by wisps of evil Qi.

The soul is floating in the sky, and the soul is shaking in the sky.

"This is Has Xiao shuihan broken through? "

Ye Chen took a breath of cool air, only felt the strong breath, constantly hit.

This breath, enough to reach the true state of three days!

Even stronger than the old Buddha Jinpeng!

There is no such strong master in Yuantian courtyard. Unless Xiao shuihan recovers and breaks it, there is no other possibility.

"What a strong breath."

Xia Ruoxue is also a burst of surprise, but also true state of three days, this should be ye Chen side of the camp, the strongest existence.

"Go and have a look."

Ye Chen takes Xia Ruoxue's hand and quickly returns to Yuan Tian Yuan.

In Yuantian academy, many students are talking about it, and they are also very surprised. Unexpectedly, there are so many experts hidden in the Academy.

Along the breath, ye Chen comes to the top of a barren mountain.

In the past, people were buried here.

At the moment, by the tomb of Lei Zhen, a young man in black is sitting with his knees crossed, his eyes closed. There is a Taichu life-threatening sword lying in front of his knee. There are ninety-nine snow sharp blades all over his body, and the vines and thorns are stretching under him. It's Xiao shuihan! Beside Xiao shuihan, there are president Yu Siye, vice president Qin Zhennan, elder Qin Xingyun, and other young disciples, such as Yu Yingxue, Li qingmo, Qin Tianyu, etc.

All people look at Xiao shuihan, their faces are shocked.

It's really three layers of heaven. This cultivation is so terrible that it's against the heaven.

"Lord."

Seeing ye Chen coming, they bowed to say hello.

Ye Chen nods and goes to Xiao shuihan. He stands still and looks at the evil Qi gushing out of Xiao shuihan's body. Ye Chen is extremely surprised. He did not expect that Xiao shuihan will make such great progress.

Xiao shuihan seemed to be aware of Ye Chen's breath. He slowly opened his eyes and saw Ye Chen's figure. He immediately knelt down and said:

"master, please be worshipped by disciples!"

Ye Chen narrowed his eyes and said, "your Dantian recovered?"

Xiao shuihan said: "thanks to the master's blessing, disciple Dantian has been completely recovered, and broke through and then stood up, breaking through to the three layers of heaven in the true state!"

As soon as ye Chen's eyes brightened, Xiao shuihan's elixir field was destroyed, and he was nourished by the immortal Koi copy. Ye Chen thought he would be closed for a month or two before he could recover completely.

But I didn't expect that Xiao shuihan recovered completely so quickly under his hard cultivation, and he really broke down and then stood up, reaching the three levels of heaven in the true state.

"Very good. With you here, we will have a better grasp of the assembly."

Ye Chen is so surprised that his goal in this massacre is to save the eternal holy king, not to kill the emperor Shitian and xuanjiyue.

It's too difficult to fight against the emperor Shitian and Xuanji moon with Xiao shuihan's cultivation, but there is still a great chance to save the eternal holy king!

"Master, I break and then stand up, and master the sword technique greatly improved. I have a sword in my heart, and I don't need external sword tools. These two original soldiers are returned to you, and you give them to those in need."

Xiao shuihan returns the Taichu lethal sword and Liuhe flying snow blade to Ye Chen.

His cultivation has reached three levels of reality, and his master sword technique is advancing by leaps and bounds.

"Good."

Ye Chen takes back Taichu's life taking sword and Liuhe flying snow blade. He moves in his heart and ponders silently.

At present, ye Chen occupies nine of the top ten soldiers, which are:

Taichu life taking sword, Liangyi Longhu sword, Sanbao Vajra stick, four pole Zhentian hammer, five elements star ring, Liuhe flying snow blade, Bahuang mad God halberd, Jiuyi sunset bow, and ten square God killing hooks.

In the legend, ye Chen accounts for nine of the top ten soldiers, and there is still a Seven Star Dragon gall spear. Ye Chen has no chance to get it in the hands of Feng Ao, the grand commander of ZuLong temple.

However, ye Chen occupied nine of the top ten soldiers, which was a terrible luck, and the luck was so deep that it went against the heaven.

"I don't know how powerful it will be if I sacrifice all the nine big source soldiers."

Chapter 4507

Ye Chen thinks that it's crazy to sacrifice nine pieces of Dayuan soldiers. Even those masters like Xiao shuihan and the old Buddha Jinpeng can't bear to sacrifice to Dayuan soldiers.

But ye Chen suddenly thought that he had a card in his hand.

Taishangxuedan!

At the beginning, he killed Su Yan and got the remnant blood of the supreme emperor, which was refined into a blood pill.

This blood pill is full of spirit and energy.

If you use taishangxuedan as a support, ye Chen sacrifices nine Dayuan soldiers, perhaps can withstand the reverse bite!

Once all the nine big source soldiers were sacrificed, the destructive power would be enough to raze the place where the assembly was held in Diyu hall!

Ye Chen's plan is not a simple sacrifice, but to take the sacrifice as the guide, display a thousand weapons explosion, and detonate all the big source soldiers!

The material of Dayuan soldiers is too special. Before detonating, they need to sacrifice. After offering sacrifices to heaven and earth, they can detonate.

Once detonating Dayuan soldiers, the burden on the body is absolutely terrible, enough to break Ye Chen into pieces.

However, with the help of taishangxuedan, ye Chen may be able to support it!

Still, it's too dangerous.

Nine big source soldiers detonate, but the real situation can't hold on. Ye Chen has to mend the sky.

"Don't be impulsive, but plan."

Ye Chen calm down, he is very clear, his life is only one, absolutely can't joke.

Fortunately, there is still a period of time before the assembly. During this period, ye Chen can get familiar with the material of Dayuan soldiers and decide how much to detonate.

"If the reincarnation is fully activated, maybe you don't have to consider so much."

"At present, although their own dust tablet has a protective role, it can not achieve the complete recovery of the reincarnation of the blood of the dust tablet protection."

Ye Chen closed his eyes and could feel the faint breath of reincarnation in his blood and elixir field.

Is it possible that all the spiritual power of the Dantian will become the breath of reincarnation after collecting the ten reincarnation steles?

When ye Chen was thinking, he heard the voice of Shuo Lao: "boy, how much do you know about the breath of reincarnation?"

Ye Chen smell speech, double eyes open, some doubt, Shuo old how suddenly said this?

However, he still replied: "although this samsara breath has always existed in my body, it has always been difficult to mobilize, and I don't know much about it."

Old Shuo said with a smile: "boy, you may not know how rebellious the breath of reincarnation is. You know, the world above the territory is called the supreme world, and the aura in the supreme world is extremely pure, which is quite different from the ordinary aura, just like the difference between the dark Qi and the Yin Qi

But you know, those top powers in the supreme world are still heading for a legendary field. Do you know where it is? "

Ye Chen eyes a bright, shook his head way: "Shuo old please say."

"There, it's called the holy land of reincarnation! The reason why these martial artists want to go to the holy land of reincarnation is to really explore life and death and return to the origin of martial arts. Only in this way can they step into the realm of martial arts and truly reach the highest level!

And this samsara holy land is full of samsara breath!

Only the breath of reincarnation can keep the strong at that level further! "

Ye Chen was shocked and couldn't help but say, "Shuo Lao, do you mean the breath of reincarnation in my body or the most powerful people in the supreme world yearn for?"

Old Shuo nodded his head and said, "no, your blood and reincarnation breath may be even more terrible than those people long for, boy, now you should understand how powerful this reincarnation breath and blood vessel are."

When ye Chen heard the speech, he was happy at first. However, he soon calmed down and said with a bitter smile, "Shuo Lao, how strong this reincarnation breath is, I can't use it completely, and I can't do what I want."

Old Shuo said with a smile: "the reason why I mentioned this matter with you is to pass on the general usage method of your reincarnation breath!

Originally, I planned to tell you about it after a period of time, when your cultivation reached the original state and your strength broke through the real state. However, this trip to the Dragon tomb and the face of the end of heaven and earth, your strength can be said to be improved by leaps and bounds. Even I got a lot of benefits because you devoured Longquan, but I barely had the opportunity to use the breath of reincarnation. "

Ye Chen in the eye divine light one Sheng way: "how to do?"

"Ye Chen, what do you think reincarnation is?"

Ye Chen pondered for a moment and then answered, "life and death?"

"Not bad!"

Old Shuo said: "reincarnation is the transformation between life and death. If you want to use the breath of reincarnation, the first thing to do is to be able to touch the limit of life and death."

"The limit of life and death?"

On Ye Chen's face, there is a touch of moving color.

Shuo Lao said: "your destruction Shinto can be said to be the way of death, and your own strong vitality can be seen as the way of life and death. Ye Chen, compared with other warriors, you have very good conditions for reaching the limit of life and death." Ye Chen frowned and said, "but how to do it specifically?"

Shuo Lao said: "first of all, the first step you have to do is to upgrade your Shinto seal of destruction to the four heavens. This is the foundation."

Now, ye Chen's destruction seal is a triple heaven level!

"Good!"

Ye Chen nods heavily, and then he begins to spend his time in the practice of destroying the Shinto. His whole body sends out a burst of extremely frightening breath from time to time.

In fact, during this period of time, ye Chen kept fighting with the strong, accumulating a lot of combat experience and understanding of the destruction Shinto, but he had no time to digest. Now, in order to master the method of using the breath of samsara, he sank into his mind, and his destruction Shinto was promoted at a very fast speed!

At the same time when ye Chen practices destroying Shinto, a message spreads all over the Yangzhen region!

There is a genius, born in the realm of Yang Zhen, famous!

This man is not in the four halls, or even in the thirty-six houses of Yangzhen. Instead, he is a hidden force from the Yangzhen region, named dark valley!

Almost no one knows where the dark valley is, only know that the strength of dark valley is very strong, even the four halls can not be provoked!

However, dark valley basically won't interfere in the affairs of Yangzhen region, so it is not in the thirty-six mansion.

However, this time, news came out that Yang Zhixian, the daughter of the dark valley master, awakened the legendary supreme Dharma body and destroyed the divine body!

Moreover, because of the awakening of the extinct deity, he stepped into the nine layers of heaven at one stroke!

The reason why this news will come out is that when Yang Zhixian awakened the extinction of the divine body, he even shocked the heaven and man realm. In the heaven and man domain, a force would personally send an emissary to take Yang Zhixian to practice in the heaven and man domain!

For a moment, the whole Yangzhen area was a sensation!

Chapter 4508

Different from other realms, Tianren realm is almost an independent realm, and there is no way to get there.

Of course, although it is extremely rare, there are also martial artists like Han Ziyang who have soared to heaven and man. However, how to go to heaven and man has always been a mystery!

But now it seems that if a warrior wants to enter the heaven man domain, he must have an emissary from heaven and man come in person to bring the warrior into it!

After the news came out of dark valley, it was completely opened and no longer covered up. However, no one dares to do anything about the dark valley under the current situation.

After this, Yang Zhen's first evil name belongs to Yang Zhixian!

On this day, ye Chen sat in Yuantian yuan, frowning slightly. He reached the bottleneck in his practice of destroying Daoyun. Although he was only a little short of breaking through the four fold heaven of Daoyin, he could never achieve it.

It's just like the big starry sky, which makes people miserable.

He shook his head and decided to relax for a while, then he stood up and walked outside Yuantian courtyard.

Pushing open the door, I saw the president of Yuantian courtyard and many elders talking about something seriously.

Ye Chen said with a smile, "what are you talking about?"

People are happy to see ye Chen. These days, the butcher's meeting is getting closer and closer. Ye Chen is practicing, and I don't know how it is going.

The dean of Yuantian Yuan said: "Lord, recently, I received news that Yang Zhixian was born in the dark valley of Yangzhen region. She has awakened the extinct spirit body. There are forces from heaven and man domain who want to take her up. Now, everyone says that Yang Zhixian is the first evil spirit in Yangzhen domain!"

"Exterminate the body!" At this time, ye Chen's mind, sounded two exclamations.

Xuanhanyu and Shuo Lao exclaimed.

Ye Chen some accident way: "how?"

How can these two immortals be so shocked?

Xuanhan Yu said: "Ye Chen, this extinct deity is extremely terrifying. It has surpassed most levels of martial arts. Even if it is placed in the realm of heaven and man, it is the supreme divine body. If this woman really awakens the extinct deity, you should be careful!"

Ye Chen frowned: "so terrible?"

Old Shuo also opened his mouth and said, "boy, this extinction spirit body has a great relationship with your destruction Dao rhyme!

You know, in the world of martial arts, those who possess the rhyme of destroying Dao are very rare. And the spirit of extinction is the supreme spirit of cultivating the rhyme of destroying Dao!

Those who possess the spirit of annihilation are very close to the rhyme of destruction Dao. They are born to master the rhyme of destruction Dao and possess the seal of Dao!

What's more terrifying is that if you break through the four levels of heaven of destroying Dao Yin with your qualification, you will encounter a bottleneck. However, if you have this extinct God body, you can cultivate this destructive Dao rhyme to the nine heaven realm without any hindrance!

In addition, the power of its destruction Shinto is greatly increased! Boy, you have to work hard, otherwise, maybe this woman with extinct spirit will really surpass you. "

For a moment, even ye Chen was shocked!

"Ye Chen, I know your character, but it's better not to provoke this woman," he said

Many people also nodded, but some people did not agree with the way: "but, in my opinion, the first demon belongs to the Lord."

Ye Chen hears the speech and does not speak.

Maybe some people will challenge Yang Zhixian for the name of the first demon, but he won't, this false name is meaningless to him.

However, in his heart, Yang Zhixian's evaluation was improved by one point. He once asked Qin Ziwei what the conditions were for her to go to heaven and man.

And Qin Ziwei told him, the most important is the potential!

It is potential, not strength, because there is no shortage of strong people in the universe!

At least, most of the people who want to be based in the heaven are still in the real world!

However, this is far from enough. Only when your potential is strong enough to a certain level, an envoy will come and take you to heaven and man.

Emissaries can be divided into two types: one is a warrior from a large sect; the other is a warrior sent by tianmeng.

Ordinary warriors, even if they enter the heaven man domain, are also led into the heaven man domain by the envoys of tianmeng, such as Han Ziyang.

The envoys who can be led directly by the envoys of the clan forces, even in one of the recipients, are none in the world!

These people, after joining these sects, can become the core disciples directly!

The tianmeng is the official organization of the heaven man domain, which is similar to the divine alliance of the kingdom of God.

In fact, ye Chen's rebellious behavior is enough to attract the attention of the heaven human domain forces. However, the heaven human domain forces want to get the information of the Yangzhen

domain. Generally, they go through the Tianxing Pavilion, which, at Ye Chen's request, does not disclose his existence to the Tianren domain.

.....

In a sea of clouds, there are two opposing peaks. The peak is very high, even higher than the first peak in Nayang Zhenyu. Standing on the sea of clouds, among the peaks, based on beautiful jade, there is an artificial Canyon! In the canyon, there are countless exquisite buildings!

This is where the dark valley is.

Many people think that the dark valley is in a very deep place, no one thought that this dark valley is actually located on the sea of clouds!

At this moment, in a secret room in the dark valley, there are two female figures.

A woman, dressed in a plain white dress, looks beautiful, temperament out of the dust, even in the eyes of Ye Chen, this woman is the best!

This white skirt woman, is standing in the room smiling, looking at another woman in the room.

What is frightening is that the other woman is lying in a pool of blood, with her hair dishevelled. There is a very ferocious cavity behind her. Even her internal organs can be seen clearly!

As if someone directly dug out a big hole in her back and pulled out her spine directly!

Sheng Sheng takes out his spine, how painful it is. It can be imagined that this method is really cruel!

The woman in the pool of blood, wearing a black dress, dishevelled hair, but the faint face, is unparalleled, and even, compared with the white dress woman, even more moving, can be called perfect!

What's more, the most important thing is that if ye Chen is here, he will feel very familiar with this woman. This woman is Gu Xuan!

At the moment, Gu Xuan's beautiful eyes are empty and full of despair. She vomites a mouthful of blood and looks at the woman in white standing in front of her. She is so weak that she says, "Yang Zhixian Why are you doing this

At the beginning, Gu Xuan learned about ye Chen's news, and began to practice in seclusion. Soon, she broke through many realms. In addition, there seemed to be a power in her blood, which gradually awakened her cultivation and made her accomplishments soar all the way to the sixth heaven of Shiyuan!

Chapter 4509

And Gu Xuan has the destruction Shinto, can jump over the level to fight, even in the face of the source of seven layers of heaven's opponent, also has the power of a war!

In order to help Ye Chen and revenge for ye Chen, Gu Xuan has made a very bold decision. She wants to leave the dark area and go to the Yangzhen region!

In fact, the dark domain is not a means that has not concealed the Tianyu Pavilion of the moon soul domain. It is just that, in order to avoid exposure, it is rarely used.

Of course, in order to take revenge on her, it is necessary to take revenge on her!

After coming to the Yangzhen region, Gu Xuan entered the dark valley.

this dark valley is the back hand of the dark area arranged in the Yang Zhen domain. It can be said that it is the eye liner inserted in the dark area.

The Yang family in the dark valley has a close relationship with the Gu family. When Gu Xuan was a child, he had a good relationship with Yang Zhixian, the daughter of the Yang family leader. Until Yang Zhixian went to Yangzhen area, the two families lost contact.

Therefore, Gu Xuan directly came to the dark valley, looking for opportunities to help Ye Chen.

But not long ago, she suddenly felt that her Dharma body was about to awaken!

A kind of supreme Dharma body called annihilation God body!

Yes, it was not Yang Zhixian who had awakened to extinction, but Gu Xuan!

After coming to dark valley, Yang Zhixian can say that she takes great care of Gu Xuan. Even after knowing that Gu Xuan wants revenge, she immediately tells her that even if she wants to deal with last week's family, tianjumen, Lin's family and so on, dark valley will support her without hesitation. Now, she can immediately fight against these forces!

Gu Xuan refused, although she was determined to revenge Ye Chen, but did not want to involve dark valley.

However, Yang Zhixian's words, or make Gu Xuan extremely moved.

She is a very emotional person, to this childhood friend also completely put down guard, completely trust!

Therefore, after perceiving himself to be awakened and destroyed, Gu Xuan told Yang Zhixian about it.

First of all, it is dangerous to awaken the divine body. It is best that someone can protect the Dharma and help you at the critical moment. Second, the Divine Body awakens with great momentum and needs dark valley's help to cover it up.

Yang Zhixian will not refuse.

But Gu Xuan did not think that when her body was about to awaken to success, Yang Zhixian was suddenly on her hand!

Yang Zhixian's cultivation, strength than Gu Xuan more powerful, and, in this case, Gu Xuan almost no resistance ability!

Then, directly dig out a section of Gu Xuan's spine!

The awakening of the extinction spirit body is through a bone on the spine. After a line of lines appears on this bone, it will completely change the martial arts' Constitution and change it into the extinct spirit body!

Yang Zhixian pour is also cruel enough, after digging out Gu Xuan's Dao Gu bone, it is actually at the same time to change this Dao bone into his own body!

This kind of operation can be said to be extremely bold. If it is not good, it may damage the foundation of martial arts, or even die!

What's more, how can you win this bone so easily?

If you want to successfully change Daogu into your own body, you can't make any mistakes in time. You must start at the moment after the appearance of Daowen and before the transformation of blood vessels. Only then can you have a trace of success!

Probability, less than one in ten thousand!

But Yang Zhixian was successful!

She not only won this Dao bone, but also broke through to the nine layers of heaven with the help of Daogu!

At the moment, Yang Zhixian smelled the words, and the smile on her pretty face became more intense: "why? Gu Xuan, do you know that I was jealous of you since I was a child. You don't like to practice martial arts and like to play, but I try my best to catch up with you?"

What makes me even more envious is, why can you live safely in the dark, but I? I will be assigned to the eye of the sun.

Do you know that every day I am worried about being found out by the people in the heaven and human domain and that my Yang family will be slaughtered? "

"Because This one? "

Yang Zhixian sniffed the speech and chuckled: "of course not. Originally, we can still be good friends. Even if you want to revenge for a waste, I can support you. But, why do you have to wake up and destroy the deity?"

In her beautiful eyes, a touch of gloomy meaning appeared: "in order to surpass you, do you know how much effort I have paid? Now, are you going to wake up and walk in front of me?"

Hehe, how can I bear it? So, naturally, I can't make your spirit awaken. "

Speaking of this, Yang Zhixian's pretty face also showed a touch of satisfaction and said: "I really thank you for sending me such a big gift!"

Gu Xuan bit his teeth. On his pale pretty face, he showed a very resentful color and said: "Yang Zhixian, do you think that after doing these things, the dark area will let you go? After all, I'm a family man! "

She regretted that she was blind and trusted such a vicious and narrow-minded woman!

Yang Zhixian said with a smile: "let go? Hehe, Gu Xuan, from today on, my dark valley will have nothing to do with dark region any more, don't you know? Dark valley has joined the sect of heaven and man. "Gu Xuan sneered: "Yang Zhixian, are you really so naive? Do you think people in heaven and man are so stupid? When they find out about your relationship with the dark world, you will still die! "

Yang Zhixian smell speech, but smile, incomparably ironic smile!

She leaned down and gently stroked Gu Xuan's cheek and said, "my dear sister, if we didn't have you, we really dare not turn to tongxuanzong, but with you, it would be different?"

You are one of the governors of the dark region and the daughter of Gu's family. Do you think that if I kill you in public in dark valley, will Tong Xuanzong believe our determination to abandon the secret and turn to the light? "

Gu Xuan smell speech, beautiful eyes tremble, incredibly looking at the devil in front of the woman.

Yang Zhixian stood up, looked down at Gu Xuan and said coldly:

"the emperor yuan hall is going to hold a butcher's meeting outside the country. Why can't I, Yang Zhixian

"I, Yang Zhixian, will surely surpass emperor Shitian in the future

"So, ha ha, three days later, the messenger of tongxuanzong will come. At that time, my dark valley will hold a ceremony of burning demons under the witness of many warriors!

And you are the protagonist in the ceremony of burning demons!

Hehe, Gu Xuan, the demon girl in the dark region, if I burn you alive in dark valley, would Tong Xuanzong trust us

"Maybe, the butcher's assembly will be eclipsed in my hands."

"Interesting, really interesting!"

"You

Gu Xuan is almost suffocating!

Yang Zhixian's vicious, unexpected!

She remembers that when she was a child, she even had an accident when she was playing with Yang Zhixian. At that time, she ignored life and death and saved Yang Zhixian's life. Now, how could Yang Zhixian treat her like this?

Chapter 4510

Originally, she was still thinking, why not Yang Zhixian killed her after seizing Dao Gu?

Now it seems that this woman is trying to show her loyalty with her life!

At this time, Yang Zhixian suddenly took out a jade bottle and said with a smile: "what is in this bottle is Fuling powder. Generally speaking, it doesn't do much harm to the martial arts. However, if there is a wound on the warrior's body, it will be different.

This puling powder can invade the wound, destroy the body of the warrior, and even corrode the soul. Don't you wonder what it's like? "

With that, she casually scattered the rotten spirit and poured it on the wound behind Gu Xuan!

"Ah

Gu Xuan's pupil shrank in an instant and gave out a very shrill scream. She struggled madly. A kind of spirit and body, at the same time, was corroded by the sharp pain, tormenting her!

Yang Zhixian saw this and laughed and said, "it looks like it's really painful. You have to enjoy it."

Then he turned and left the chamber.

At the same time, yuantianyuan.

Ye Chen suddenly looked moved and took out a jade card.

It's the VIP card of Tianxing Pavilion.

Qin Ziwei's voice rang out in Ye Chen's mind: "Mr. Ye, I I got a message... "

"What's the news?" Ye Chen some strange, Qin Ziwei's tone, how strange?

Qin Ziwei was silent for a moment, and then said, "Mr. Ye, dark valley, there will be a ceremony of burning demons in three days...."

Ye Chen did not speak, waiting for Qin Ziwei to continue.

Qin Ziwei said: "on the ceremony of burning demons, a person from the dark region will be burned to death..."

Ye Chen looks moved, but he still doesn't speak. He knows that his connection with the dark region may not be hidden from Qin Ziwei. Is this dark valley going to fight against himself?

"Mr. Ye, it is a woman who will be burned to death in the ceremony of burning demons, and this woman Mr. ye may know her name. Her name is Gu Xuan... "

"What?" Ye Chen hears the speech, the double eye one congeals, a very frightening evil spirit, burst out!

At the moment when the evil spirit broke out, the whole people in Yuantian courtyard felt cold in their hearts!

Ye Chen forced down his anger: "tell me, what is going on."

Qin Ziwei sighs. To be honest, if you tell Ye Chen the news, even she may get into trouble. However, she knows that if you don't Tell ye Chen, ye Chen will never forgive her

Zong Chen, compared with why she didn't want to be disappointed.

At the moment, she will be Gu Xuan awakening, extinction of the divine body, Tao bone was robbed, and so on, one by one.

In Ye Chen's eyes, blood is all over the place, and his fists are clenched tightly, almost crushing his fists!

Gu Xuan came to the Yangzhen region to avenge him, that is to say, Gu Xuan just became like this for him!

Even xuanhanyu and Shuo Lao couldn't bear to hear this!

This is not the case with Yang Zhichen!

Ye Chen's killing intention in his eyes almost turned into substance. He said to Qin Ziwei: "thank you, Lagerstroemia indica, I owe you."

Qin Ziwei said: "Ye Chen, if you want to go to dark valley now, I'm afraid it's too late. Dark valley is located in the border of Yangzhen region, in Qingyang region, it's very far away from yuantianyuan..."

"What?"

Ye Chen slightly frowned and said, "isn't there any transmission array that can be used?"

Qin Ziwei said: "if it's other places, it's OK, but dark valley can't. dark valley is in the sea of clouds. That sea of clouds is born with the power of space, and can't arrange transmission array."

For a moment, ye Chen's look, completely gloomy down, what should we do?

Three days later, Gu Xuan will be burned alive!

At this time, xuanhanyu said: "Ye Chen, there seems to be a secret place in the mountains of hundred wilderness. In the secret place, there is a very powerful monster named Tianhuo eagle. Although the eagle does not have the intelligence of the demon clan, but its escape speed is extremely terrible. If you can take the sky fire eagle, you should be able to get to the dark valley in time!"

Ye Chen smell speech, to Qin Ziwei way: "this matter, I will think of a way by myself."

After that, he put down the jade talisman and rushed to the mountain of hundred barrens!

When ye Chen saw GUI Lingyun for the first time, he immediately said, "Lingyun, do you know that there is a forbidden area in the hundred barren mountains?"

GUI Lingyun's beautiful eyes flashed, and she didn't know why Ye Chen came suddenly, but she still nodded: "I know that the key to the forbidden area is in the hands of the four families of Baihuang mountain. It is said that the reason why Baihuang mountain first existed was to protect the forbidden area."

Ye Chen's eyes sank slightly: "Lingyun, inform the head of the four families to see me at once!"

.....

In the main hall of the GUI family, ye Chen sits on the main seat, and the first is four middle-aged men. They are as follows:

GUI puLong, the leader of GUI family.

There are many outstanding people in the wild family.

Bai Dongzhi is the leader of Bai family.

Hong Feiling is the head of Hong family.

Ye Chen looked down at the four people and said, "I invite you to come this time to use the secret state key in your hands."

Guipu long smell speech, without hesitation to come forward, will a crystal stone to Ye Chen.

Now, knowing Ye Chen's potential, he naturally supports Ye Chen unconditionally.

The other three people, are a change in face!

As for this secret place, the ancestors of the four families once left a sentence, that is, only when a perfect genius is born among the descendants, can they hand in the key, open the secret place and let that genius enter it.

Over the years, the four families have never opened the secret realm, in order to wait for the talent of that level in their own family!

Originally, when Huang Jixuan was born, they all planned to hand over the key.

But who thought that Huang Jixuan was dead!

Ye Chen's talent, although shocking, but, after all, is not a member of the four families!

The heads of the other three families are reluctant, especially the head of the barren family!

Immediately, the wild man Jie stood up with a gloomy face, glared at GUI puLong and said, "Gui Pu long, what do you mean? Do you forget the ancestral precepts left by the ancestors! You have betrayed the four families and our hundred barren mountains

Can, wait for the desolate hero to finish, ye Chen's figure has already disappeared from the main seat!

As soon as the face of the savage hero changes, the evil spirit in his body instantly boils. For a time, a strong pressure breaks out!

But

Wait for the response of the heroes!

With a roar, the whole mountain seemed to shake

There is an abyss in front of the heroes!

Like the abyss of death!

Threat!

A naked threat!

The whole hall, instantly fell into a dead silence, Hong Feiling and Bai Dongzhi are incredibly looking at Ye Chen!

They did not expect that ye Chen should have such an attitude!

You know, it's the owner of the desolate family!
