Chapter 4521

Ye Chen's eyes flashed in a flash, slowly took back his fist, frowned and looked at Xuanya.

Xuanya saw Ye Chen wake up, and her pretty face was red in blood. She lowered her head in a panic. She did not dare to look at Ye Chen and explained, "you Don't get me wrong. My grandfather asked me to give you medicine... "

Just now, when she gave Ye Chen some medicine, she looked at Ye Chen's body all over. Moreover, this kind of plaster must be applied by herself. The effect is the best. Thinking of Ye Chen's touch of muscles and skin, up to now, the mysterious and elegant heartbeat will be speeding up. In her delicate body, there is an electric current flowing through the Buddha's body

This is the first time she has given a man medicine!

After a moment's silence, Ye Chen said, "what happened? How about the trial? "

Now, he is most concerned about the trial. He is running out of time!

Hearing this, Xuanya suddenly stood up and said, "I'm sorry At first, I misunderstood you... "

Ye Chen frowned and said, "this is not what I asked."

Xuanya heard the speech, and her shoulder trembled slightly. Her eyes seemed dim. However, she said: "Ye Chen, according to the tradition of our Xuanyao clan, killing the black fog Bear King is directly regarded as passing the trial. You have created a legend. You have completed the demon God trial in three hours. Now, you are the first warrior on the demon God column! "

after hearing the speech, Ye Chen got out of bed and walked out towards the door.

As soon as you open the door, you will see a burst of bright lights!

The whole village was filled with a huge aroma of wine and fire, as if the whole village was burning with fire and wine!

At this time, an old man appeared in front of Ye Chen, which was Xuankun.

Xuankun said with a smile, "are you awake? After this year's celebration, you will have more freedom to witness the success of the village

Ye Chen heard the speech, and his eyes flashed slightly: "master, according to the agreement, can you lend me the Vulcan eagle that day?"

Xuankun was surprised and said, "are you going to leave now? Tonight, you are the protagonist of this celebration. Everyone is waiting for you to join the celebration... "

Ye Chen shook his head and said, "to be honest, I have something urgent to solve. I have to get to the dark valley within three days before I can enter the Xuanyao clan holy land, so that I can use the sky fire eagle. Now, I don't have much time..."

Xuankun slightly frowned and said, "since I promised you, then the sky fire eagle will naturally lend you, but wait until tomorrow."

"Tomorrow?" Ye Chen eyes a sink way: "why?"

Xuankun gazed at Ye Chen and said, "boy, you let go of my granddaughter in the duel. Do you know what this means?"

Ye Chen hears the speech a Leng, the facial dew does not understand the color.

Xuankun said: "no matter you are intentional or unintentional, this kind of behavior in our Xuanyao clan means to propose to that girl. Therefore, you must wait until tomorrow, after the wedding with xuanya, before you can leave.

I can't allow you to refuse this. You propose to xuanya in public witness. If you don't marry her, no one will become a partner with xuanya out of our respect for you. I don't want to see my granddaughter and die alone! "

At this time, everyone seemed to hear the conversation between xuankun and ye Chen, and they all gathered together. They all congratulated Ye Chen and said, "Congratulations, ye Chen."

"Xuanya is a woman worthy of bravery."

"You will be happy!"

I don't know when, xuanya also walked out of the room, standing beside Ye Chen, her pretty face full of coquettish color.

But ye Chen is completely stunned!

How could he have never imagined that such a result would have been the result of his temporary soft hearted?

He couldn't help but take a look at xuanya beside him. To tell the truth, xuanya's appearance is extremely beautiful, and her body is not as tall as other Xuanyao people. This figure is considered to be Petite among Xuanyao people But in China, they are all beautiful models with nine heads.

In addition, from the aesthetic point of view of the human race, the legs are extremely slender, and the body proportion can be called the devil's best long legged beauty, full of different amorous feelings!

Even though ye Chen's women are all beautiful and beautiful, they are not as special as xuanya. Moreover, when xuanya just gave him the medicine, it was obvious that with the skin's affinity, it was still the kind of special love

It is impossible to say that ye Chen doesn't have any feelings in his heart. But now, it's not the time for love!

He looks at xuankun and is about to explain. When he reaches xuankun's warning eyes, he can't help but smile

The meaning of the old man is obvious

If ye Chen said in public that all these are misunderstandings, obviously, it will make xuanya's feelings suffer a great blow, and even ruin a girl's life-long happiness. And xuankun's eyes are telling Ye Chen that if ye Chen can't marry his baby granddaughter, he won't care whether ye Chen is a warrior with a name on the demon God column. He will certainly let Ye Chen pay a lot of money. At least, don't think about the fire god eagle that day!

Is he going to wait here for a day?

Ye Chen is not so resistant to marrying xuanya, but now, he has no time to wait!

At this time, ye Chen's eyes flashed suddenly, and a light flashed in his head. He looked at xuanya and said, "xuanya, are you not an adult this year?"

Xuanya nodded. She was two years away from adulthood.

When ye Chen heard the speech, he raised a smile and said to xuankun: "master, I hope that after xuanya has participated in the demon God trial, I will consider marriage. After all, xuanya's qualification is very likely to be on the demon God column, leaving a name. Before that, it is still mainly practice!"

After hearing the speech, xuankun frowned a little at first, but soon he looked gloomy.

And Xuan demon clan people, is thoroughly boiling!

They are all looking at Xuanya and Ye Chen with high spirits. Generally speaking, in an era, the Xuanyao clan can only produce a demon with a name on the demon God column. Therefore, there is no precedent in the history of the holy land that two demons on the pillar of demon gods are partners!

If Xuanya can do it, they will create a new legend!

Xuanya heard the speech, and a certain color flashed in her beautiful eyes. She looked at Xuankun and said, "grandfather, I agree with Ye Chen."

In her opinion, this is the test Ye Chen left her!

Chapter 4522

Ye Chen is a super demon comparable to Xuandi. If you want to be worthy of him, you should at least leave a name on the demon God column!

Xuankun had to nod his head and say, "in that case, boy, you can follow me."

He was convinced by Ye Chen.

Ye Chen took a breath and finally solved the farce. As for what to do after Xuanya's trial, let's talk about it later.

When he moved, he would follow Xuankun to leave here. Suddenly, Ye Chen stepped back and looked back at Xuanya and said with a smile, "come on."

As soon as the voice falls, it is in place and disappears.

Xuanya's eyes fluctuated for a while, holding a pill tightly in one hand.

.....

Ye Chen follows xuankun at full speed. In a blink of an eye, he comes to a mountain behind the village. As soon as he approaches, ye Chen can't help but shrink his pupils. He only feels that the air around him is boiling up!

The fire source gas here is extremely active!

Soon, two people will climb the top of the mountain, ye Chen line of sight in front of a body of flaming red feathers of the eagle!

The eagle was lying in a nest made of red crystal. It closed its eyes and rested. It was nearly ten feet long!

Ye Chen's heart slightly shakes, this is the Vulcan eagle that day?

As expected, the divine steed is incomparable!

Moreover, the strength of the eagle is not weak, it is a monster at the end of the source!

The eagle seemed to feel the arrival of its master and opened his eyes slowly. A sharp light flashed through his golden pupils.

"Oh!"

After seeing xuankun, Tianhuo divine eagle sent out a roar of hawk, spread its wings, and burned a very hot red flame all over his body. With the rolling flame hurricane, it flew towards xuankun.

Ye Chen's eyes are moving again. No wonder it's called sky fire eagle. The flame has reached the level of sky fire!

At the next moment, the eagle, like the God of fire, landed in front of Xuankun and rubbed him with his head.

Xuankun said with a smile, "good boy."

Then, he pointed to Ye Chen beside him and said, "Xiao Hong, the young man's name is Ye Chen, you need to carry him out for a trip."

The so-called little red sky fire Eagle heard the speech, glanced at Ye Chen, and roared. In the eagle's eyes, there was a trace of disdain. At the next moment, the red light flashed on its body surface, and the flaming flame became more vigorous!

The sky fire eagle is obviously not willing to be ridden by people other than Xuankun!

Xuankun smiles bitterly and shakes his head. He wants to say something more

But at this time, Ye Chen, actually in the body shape movement, flies directly toward the small red's back!

Xuankun was stunned and said, "Ye Chen, be careful, the flame of Xiaohong is very dangerous!"

That is to say, he knows that Ye Chen's vitality is extremely strong, even if he will be injured, he will not be threatened by the sky fire, otherwise, he will directly fight to stop it!

Sky fire eagle, in the name of sky fire, is not a joke!

This flame, called the sky Eagle fire, is the top 20 in the world!

Even the ordinary Xuanyao clan dare not resist the fire. Moreover, although Xiaohong doesn't release the flame with all her strength, she also exerts 80% of her strength!

At this time, if the flame on his body, if a strong person from the origin of the Terran, jumped in like this, I'm afraid there is only one way to die

Xiaohong squints at Ye Chen, who pours at her. In her golden eyes, there is a hint of sarcasm, just like watching a moth flying towards the fire.

But at this time, a layer of silver flame suddenly appeared on Ye Chen's body surface. At the moment of the appearance of the silver flame, the fire attribute source gas of the whole mountain seemed to tremble for a moment!

Then, a fire flashed all over Ye Chen and melted into the silver flame. Xuankun was shocked to see this scene!

You know, Tianying fire is the king of fire. The fire elements on the mountain are under the control of Xiaohong. How can they suddenly get out of control and melt into the silver flame?

He looked at Xiaohong, but his pupils shrank. At the moment, the sky fire eagle, which was extremely proud, had a look of panic in his eyes!

Xiaohong, are you afraid?

Afraid of Ye Chen's flame!?

Xuankun looks at Ye Chen in disbelief. The level of the flame is still above the sky Eagle fire!?

Ye Chen directly ignored the blazing fire, sat on Xiao Hong's back, looked at xuankun and said, "thank you, master. I'm leaving now. If there is no accident in three days, I'll come back with the eagle!"

Xuankun looked at Ye Chen with some dullness. He had not been shocked so many times in one day for many years. Ye Chen could not judge by common sense!

Immediately, xuankun nodded and said, "boy, I don't care what you're going to do, come back alive for me. To be honest, if you can, I'd like to help you. Unfortunately, because of the orders left by our ancestors, we Xuanyao people can't leave the holy land one step under certain circumstances. When you return, I have something to give you. "

With that, he looked at Xiaohong, who was full of displeasure at the moment, but out of fear of Xuanyao, he did not dare to resist and said, "Xiaohong, follow him well."

Little red on the eyes of xuankun, low Ming, wings a vibration, then fly toward the high altitude.

Ye Chen takes out that crystal key, four light reappearance, will ye Chen and small red, all cover among them, the next moment, then disappear from the original place.

A red light, instantly fell in the hundred barren mountain, a mansion courtyard, here, is the GUI family.

Jin Shuhui and GUI Lingyun soon came to the courtyard and looked at the sky fire eagle, which was incomparable with the divine steed. The color of shock appeared in the beautiful eyes!

Ye Chen said: "stay well. No matter what happens and what news comes out, you should remember that I, ye Chen, will not die, never die! So, I don't want my woman to risk my life for me

After that, without waiting for the two women to answer, she controlled Xiaohong to turn into a streamer and disappear in the sky. The escape speed was almost like a blink!

Sitting on the back of the sky fire eagle, ye Chen has a deep look. He knows that this time he goes to the dark valley to burn demons, which is extremely dangerous. However, he no longer wants to see the people around him and fall into crisis for him!

In the courtyard, Jin Shuhui and GUI Lingyun look at each other. On their pretty faces, they are all full of worries.

At the moment, they want to accompany Ye Chen and help him, but they know that with their own strength today, they will only become a burden to Ye Chen!

Two women a bite teeth, turn around and then walk toward their own room, beautiful eyes full of resolute color!

They don't want Ye Chen to face everything alone any more!

Therefore, they have no time to be sentimental, but to seize every minute and second, enhance their strength and share the pressure for ye Chen!

Chapter 4523

.....

Yangzhen domain, Qingyang domain.

The reason why Qingyang region is called Qingyang region is because it is covered by special fog all the year round. When the sun shines on it, it will reflect a kind of strange green light.

At the moment, I see a huge dragon head, which is coming out of the green light!

The dragon head looks lifelike, but it is not a living thing!

It's the bow of a gigantic flying boat!

This flying boat is extremely luxurious. Every flash has the power of law surging!

This is a real chaotic spirit treasure class airship!

On such a boat, there were only three people, a man and a woman, and a middle-aged man with drooping eyes.

On the flying boat, there are two big characters "tongxuan", which are full of great power!

This flying boat comes from Xuanzong of heaven and man!

One warrior after another saw the boat passing by with a look of reverence and yearning. Many people were speeding towards the dark valley.

Today, it's the demon burning ceremony held in dark valley. It's said that they caught a spy in the dark area!

What's more, this grand ceremony is also a rare scene to welcome the arrival of the saint of heaven and man and lead Yang Zhixian to fly to heaven and man!

Why is it called feisheng? For most martial artists, going to heaven and man is feisheng!

No one wants to miss the warrior of Qingyang region!

It's a good thing even to see the demeanor of the powerful Xuanzong!

Between the two peaks, there is a canyon built on the base of jade. At this moment, there are countless paths of escaping light and falling into the canyon.

In the canyon, a very open square, set up a high platform, under the platform, standing a man and a woman, the woman's face is beautiful, it is Yang Zhixian.

Standing beside Yang Zhixian is a dignified middle-aged man with a goatee. He is the valley master of dark valley and Yang Zhixian's father, Yang Qiu.

Looking at the stands built around the square, Yang Qiu was almost full of warriors. This time, Yang Qiu invited many powerful forces in the Yangzhen Qingyang region to attend the ceremony of burning demons. None of them dared to refuse. All of them agreed. Even some forces in Yangzhen and other regions entrusted friends of Qingyang domain Here's the gift!

Among them, including the thirty-six houses of Yangzhen and some hidden forces!

Yang Qiu has always wanted to be a strong man, but because of his identity, he can only hide in this corner!

Now, he can finally stand in front of all people, even if it is the thirty-six house of Yangzhen, he must bow to him!

From today on, dark valley will become the existence of Yang Zhen domain that can not be ignored!

The strength of dark valley itself is quite strong. As the head of the Yang family, Yang Qiu is also a strong man at the peak of the origin. It can be said that he is not more than the four halls!

Now, Yang Zhixian is about to ascend to heaven and man, and tongxuanzong, the existence in the heaven and man domain, will become the backing of dark valley!

Therefore, he Yang Qiu is stepping on the whole Yangzhen domain under his feet. What's the problem?

With a smile on his face, Yang Qiu calculated the time, and the holy envoy of tongxuanzong should be coming soon.

Immediately, he called out to all the people sitting at the table and said, "I am Yang Qiu, the master of dark valley. Today is a great day of joy! Thank you for coming to the dark valley and witnessing with me

At the hearing of the speech, a group of martial artists applauded one after another.

Yang Qiu said with a smile: "you must have heard about the dark region as you are. A few days ago, I arrested a spy from dark valley. Today, we will hold a ceremony to burn demons here!

At the same time, I will dedicate the life of the female devil head to the coming envoys! "

On that seat, there was a burst of cheers!

Yang Qiu shouts: "bring that woman up!"

Soon, two big men in black dragged up a woman who was bleeding, dying, unconscious, dishevelled, and looked down upon, and locked them on the stone pillar on the high platform.

At this time, Yang Zhixian beautiful eyes, emerged a touch of excited color: "father, they come!"

When Yang Qiu heard the speech, he was also very happy. A huge flying boat suddenly opened the clouds and appeared in front of everyone!

At the same time, the three figures fell in front of Yang Qiu.

When they looked at the three men, they could not help but feel awe. Most of them could not see through their accomplishments!

They only felt that there was a terrible smell in these three people. Just looking at them, everyone had a feeling that their souls would tremble for!

These three strong tongxuanzong, too terrible!

Yang Qiu and Yang Zhixian salute: "see the holy envoy."

Standing in the middle is the middle-aged man with drooping eyes. Beside him is a man and a woman. The man is handsome, but his face is cold. And that woman, is wearing a black veil, covering most of her face, but, can see is a beautiful woman!

At the moment, Yang's father and daughter's eyes are shaking, these three people are too strong to describe!

That young man, the lowest cultivation and age, but, is also a layer of existence, and that woman, the breath completely covered!

The most critical, or the canthus of the middle-aged droop, may be a true mid late existence!

It's really in the middle and late period!!!

No matter in the middle or later period, it is against the weather to the extreme!

However, most of the martial arts in the heaven and man domain come to the Yangzhen region, and they can't exert their full strength at all. After all, the rules of heaven in Yangzhen domain will suppress them.

That is really a layer of youth, the breath of course unchanged, but if the hand, the strength will be suppressed in the source of 89 layer days or so.

The middle-aged man took a look at Yang Zhixian and said with satisfaction: "I am the deacon of tongxuanzong, named Chen Xi. This young man, named Yu Haiyuan, is a disciple of tongxuanzong."

Yang Qiu's eyes flashed and she could not help asking, "is this girl?"

When Chen Xi heard the speech, she said with a smile: "this girl is the envoy of tongxuan sect, who can even represent the leader of our sect. You and others must be respectful to tongxuan envoy!"

Yang Qiu and Yang Zhixian smell speech, is in the heart one Lin way: "is!"

Chen Xi said with a smile: "well, no more nonsense. You are Yang Zhixian. Come here and let tongxuan make an inspection. If there is no problem, we will take you back to tongxuanzong."

All the people on the table looked envious when they heard the speech!

Heaven and man, that is the dream of all Yang Zhenwu!

Yang Zhixian is also excited, can't wait to come to pass Xuan to make in front of.

The Tong Xuan envoy wearing a black veil, her beautiful eyes flashed at Yang Zhixian, and suddenly stretched out a jade finger and pointed it at Yang Zhixian's eyebrow. Yang Zhixian only felt a mysterious fluctuation, swept through his body, and felt some uneasiness in his heart!

After all, she was robbed, not her own!

Chapter 4524

That pass Xuan makes suddenly eyebrow a frown, in beautiful eyes flash a touch of doubt color, Yang Zhi Xian's heart also then raised up!

However, after a while, Tong Xuan Shi still took back his finger and said faintly, "no problem."

When Chen Xi heard the speech, she said with a smile: "very good! At a young age, he has already been the cultivation of nine layers of heaven from the beginning, and he also has the extinct spirit body. Ha ha ha, in the future, in my Tong Xuanzong, I will rise up! "

After that, he suddenly looked at Yang Qiu and said, "master Yang, I heard that there is some connection between you and the dark region?"

Yang Qiu heard the speech and said, "rumor! This is a rumor, my Lord

"Oh?"

Chen Xi said with a smile, "do you have any evidence?"

Yang Qiu suddenly pointed to the woman on the platform and said, "look, my Lord, this woman is Gu Xuan, the governor of the dark region. I spent a lot of energy to capture her, so as to carry out the demon burning ceremony in front of the holy envoy, so as to prove that my dark valley has nothing to do with the dark region!"

Chen Xi looked at the woman on the high platform. With a wave of her hand, a gust of wind blew away the woman's hair. It was a beautiful pale face!

All the warriors in the auditorium could not help but exclaim!

Chen Xi gazed at the woman for a moment, her eyes flashed slightly and nodded: "it's really Gu Xuan."

His mouth smile more and more strong way: "Yanggu trunk good, now, you can start, let's enjoy, this female devil head in the fire into ashes!"

Hearing the speech, the audience could not help shouting: "turn into ashes!"

"To ashes!"

"To ashes!"

In fact, Chen Xi didn't care whether the dark valley was arranged by the dark region. What tongxuanzong wanted was the ultimate evil spirit that awakened the extinction of the divine body!

For dark valley, they can open one eye and close one eye. But, first of all, dark valley needs to make clear its position!

Draw a clear line from the dark world!

Yang Qiu, on the other hand, did a ritual of burning demons?

Yang Qiu was overjoyed when he heard the speech and said, "light up for me! The ritual of burning demons begins

He knew that Tong Xuanzong would really become the backer of dark valley. Even in the dark area, he could not easily move him!

For a moment, everyone was staring at the stone pillar.

At this time, a young man in black came to the high platform with a dark purple gem in his hand. As soon as he reached out, he crushed the gem. The deep purple flame broke out in an instant, just like a giant beast that chooses people to eat, devouring the woman completely!

In the audience, a young man in a red robe exclaimed: "this is the Ziyou divine fire in the forefront of the foreign divine fire list!

The purple fire, which is said to die at one touch

When they heard this, they were surprised again. The dark house was really rich and generous. The purple fire could be taken out at will!

In the dark of the fire, the soul was consumed by the blood!

The young man who had recognized Ziyou fire before said with trembling eyes: "it is said that the reason why the purple fire touches and dies is not because of the power of the flame, but because the flame is

like a maggot of tarsal bones. Once it is contaminated, it is extremely difficult to get rid of it. Moreover, those who are burned by this flame will die in extremely terrible torture!"

At the moment, the scream of the woman in the fire just confirms this point!

The black flame is dying out, and the black one is yelling!

Gu Xuan is so dead!

At the same time, in the air, a hawk roared into people's ears. There was a huge noise and a red light bombarded the high platform. In an instant, it was smashed!

In the red light, a young man looked at the black corpse on the stone pillar, and his pupils were shaking wildly. From the corpse, he could still feel the breath of Gu Xuan

Ye Chen is biting her teeth, almost all of them will be broken!

He is still a step late, Gu Xuan is dead!

"Ah, ah, ah, ah, ah!"

Ye Chen's eyes turn to blood red in an instant. He sends out a roar, endless killing intention, and rushes into his mind. Even with the tenacity of Wuzu's Taoist heart, he is on the verge of being possessed by demons!

At the moment, he just wants to kill and annihilate everything in this world!

All the people, looking at the sudden arrival of the mendianjing warrior, are like ghosts. They only feel that ye Chen has a sea of corpses and blood on his face. Where is this mendianjing warrior?

Even if it is the real God of death, it is just so!

Shuo Lao and Xuan Hanyu drank and said, "Ye Chen, calm down!"

They did not expect, Gu Xuan's death to Ye Chen's blow unexpectedly huge to such degree!

Ye Chen at the moment, almost crazy! Everyone is curious, who is this young man who suddenly appears?

Who is so bold as to dare to be so presumptuous in front of the holy envoy of tongxuanzong?

The most important thing is why the existence of a mending heaven realm should make them feel the fear from the depths of their souls?

Suddenly, looking at the mat, a young man exclaimed, "it's him! I recognize it! "

"He, who is it?"

"Ye Chen!"

The young man yelled: "super demon of leapfrog combat, ye Chen!"

At this time, people's eyes have a sudden color!

Only he can release such terrible killing intention?

"I see!"

The young man who recognized Ye Chen yelled: "since Yang Zhixian awakened to extinction, some people think that Yang Zhixian is the real first evil spirit of Yang Zhen! Ye Chen, this is not to accept! "

When people heard the words, they could not help nodding in secret!

It is true that ye Chen's martial arts qualification can be called thrilling, but it was Yang Zhixian who was finally selected by Tong Xuanzong!

Since then, Yang Zhixian and ye Chen's road to martial arts, I'm afraid it will be very different?

Ye Chen, how can you be reconciled?

In people's opinion, ye Chen came here to challenge Yang Zhixian and prove to Tong Xuanzong that he is the real first evil spirit of Yangzhen!

For a moment, everyone's eyes are emerging with excitement!

This battle between demons, it can be said, is what the warriors of the whole Yangzhen region are looking forward to!

Now, it will be staged in front of their eyes!

Chen Xi, however, turned pale and snorted coldly.

Tongxuanzong is not a cat and a dog will want, demon?

Hehe, maybe, ye Chenfang has some talent in the moon soul domain, but what about that?

Tong Xuanzong knows very well how terrible it is to exterminate the divine body!

The real growth of the extinct God body, placed in the supreme world, it is able to point to the most powerful existence!

This is what tongxuanzong really values!

Chapter 4525

Even now, how can ye Chen defeat Yang Zhixian?

On potential, he is not Yang Zhixian's opponent!

What's more, in the eyes of Chen Xi and Yu Haiyuan, what kind of mendianjing has leapfrog strength?
Where can we go?

If you are not a martial artist, you will not know how great the gap is between the original and the non original!

In their eyes, ye Chen is just a clown. He can't be the opponent of Yang Zhixian, who is the first source of cultivation and also has the extinction of the divine body! Simultaneous interpreting:

, however, two people are not in a hurry to make a move. They want to see if the extinct body is as horrible as the legend.

Moreover, to tell you the truth, ye Chen was quite shocked when he arrived. Chen Xi also wanted to see how strong this boy was. If he was really good, he could not bring him back to tongxuanzong for cultivation.

At the moment, ye Chen's will is almost completely destroyed by the intention of killing. At this time, Shuo Lao suddenly said: "boy, wake up, Gu Xuan is not dead yet!"

This sentence, instantly Ye Chen's reason pulled back from the edge of collapse!

The blood color in Ye Chen's eyes gradually dissipated. He gasped heavily and forced down his desire to kill. His eyes flashed wildly to old Shuo and asked, "what does old Shuo mean? Are you lying to me

Old Shuo said in a deep voice: "no, boy, the dead are not Gu Xuan, or even human beings!"

Ye Chen's eyes flashed a surprised color: "how can this be possible? Although the corpse has not been burned to human shape, I can still see that it is indeed Gu Xuan's body, and the breath can't deceive people. There is Gu Xuan's breath on that body! "

All these things are explaining that the corpse is Gu Xuan!

Old Shuo said: "boy, do you know that there is a kind of thing called flesh and blood puppet between heaven and earth?"

"Flesh and blood puppet?"

Ye Chen's eyes flashed a puzzled color.

Old Shuo said: "the so-called flesh and blood puppet is a very special creation! Boy, have you practiced your incarnation

In Ye Chen's brain, what flashed suddenly, his eyes changed slightly: "Shuo Lao means..."

"Not bad!" Old Shuo said: "if you release the incarnation, if you can keep the body after death, you can also leave the so-called evidence as the mummy you see! Flesh and blood puppets have this effect!

The flesh and blood puppet is refined from the hair and blood of the host. It is similar to some kind of incarnation of the host. However, it can not copy the strength of the host. In the ancient times, the flesh and blood puppet was often used as a substitute, and its greatest function was to feign death!

However, even at that time, the refining methods of flesh and blood puppets were confidential, and few people knew about it. I didn't expect to see it again in this era!

So even I didn't realize it was a flesh and blood puppet at first! Boy, Gu Xuan has been replaced by someone. What died is a bloody puppet

Ye Chen's eyes, emerged a touch of joy!

However, he still frowned slightly and said, "old Shuo, what evidence do you think this is a puppet of flesh and blood?"

Shuo Lao said: "at the heart, there should be a drop of blood essence or hair belonging to the host!"

When ye Chen hears the words, his soul and body are transformed and displayed in an instant. Pang Ran's mind gushes out from his eyebrows and condenses on the corpse, which has already turned into the heart part of coke. At the next moment, his eyes are full of light!

Although almost into ashes, but ye Chen still found something similar to hair residue in the heart part!

Shuo Lao said well, this corpse is really a flesh and blood puppet!

The next moment, ye Chen's eyes congealed, pangran's mind, instantly swept the whole dark valley, but, his face is more and more heavy up!

He was inspired to the extreme, almost every crack in the dark valley was searched once, but there was no trace of Gu Xuan!

Ye Chen said to Shuo Lao: "Shuo Lao, you may feel where Gu Xuan is?"

If Gu Xuan is not dead, where is she now?

Old Shuo said: "boy, no matter who it is, you should have rescued Gu Xuan from here. In this dark valley, you can't find her!"

Now, what you have to do is get out of here first, and then think long-term! "

Ye Chen smell speech, slightly low head, silent.

At this time, a cold female voice sounded in the square: "are you ye Chen? You're here to beat me and prove yourself? "

Speaking, it is Yang Zhixian!

Her face is indifferent, her beautiful eyes look at Ye Chen coldly, it seems that there is no big mood fluctuation

But in fact, Yang Zhixian and Yang Qiu are mad!

One more step away, only one step away. She will leave the Yangzhen realm and be brought into the heaven and man realm by the sage envoy of tongxuanzong and become the core disciple of tongxuanzong!

Even the elders, even the leaders and the supreme masters of tongxuanzong are willing to put them under the sect because of their ability to destroy the divine body?It can be said that she is almost on the way to the sky!

And dark valley, with the background of tongxuanzong, will also become a huge thing shaking the whole Yangzhen region!

Can be at this time, but suddenly killed a Ye Chen?

Blocking their way to heaven!

How can they not be angry or crazy?

However, in front of the holy envoys of tongxuanzong, we should not lose our manners! Therefore, Yang Zhixian and Yang Qiu are trying to restrain!

Ye Chen's eyes suddenly burst out a very cold light, he said to Shuo Lao: "Shuo old, I don't go, I can't go, Gu Xuan's revenge, has not been revenged!"

A life will Gu xuandao bone dig out, let it suffer, almost tragic death, hateful to the extreme enemy, standing in front of him, how can he leave!

Shuo Lao and Xuan Hanyu heard the words, and their hearts were heavy!

Even if Yang Zhixian won the extinction of the divine body, but, after all, it was only just owned, unable to play out the true terror of the divine body. If they lent their strength to Ye Chen, Yang Zhixian could not resist Ye Chen!

However, the key is that Yang Zhixian still has several tongxuanzong behind him!

Especially Chen Xi!

Let's not say whether Chen Xi would stop Ye Chen. Even if he didn't stop Ye Chen for a moment, Yang Zhixian died under Ye Chen's sword, but even so, it is almost impossible for ye Chen to leave here alive

That is to say, if ye Chen is shooting now, there is no difference with suicide!

However, they can feel Ye Chen's determination

If today, not for Gu Xuan revenge, he will never leave here!

After seeing Yang Zhixian's opening, ye Chen stood in the same place without saying a word. The color of pondering appeared on the surface. Is it that ye Chen is stage fright?

When I got here, I found that I was afraid?

Ha ha, it seems that the so-called level skipping monster is just like this!

Chapter 4526

In Yang Zhixian's beautiful eyes, a touch of irony flashed through her eyes. She secretly condensed the spiritual power in her body. The Dao bone on her back bloomed a wave of silence and destruction, which slowly condensed around her body

Her face is like ice, no matter whether ye Chen is afraid or not, she has not let Ye Chen off since she has broken her good deed!

Also just take advantage of this opportunity, in front of Chen Xi and others to show strength!

Yang Zhixian sneered: "damn boy, pay the price for your stupidity!"

Seeing this, Yu Haiyuan couldn't help but send out a sneer of great disdain: "ha ha, this boy, now just know to be afraid? Wasn't that crazy? Do you want to kill? Why, like a piece of wood, standing still?"

Holy lady, you see, this rubbish is not ridiculous? "

The saint in his mouth is naturally the one wearing the veil. His identity is very special. There is only one person in the whole tongxuan sect. Although he is a disciple, his identity is extremely noble!

Therefore, it is also called the saint son or saint daughter by the people of tongxuanzong!

Originally, Yu Haiyuan just wanted to talk to the saint. He didn't even expect the saint to respond. After all, the saint was famous for being cold, silent and rejecting people thousands of miles away!

But this time, the woman wearing the black gauze cast her eyes on Haiyuan. Not only that, but also Lianbu moved gently towards Yu Haiyuan!

Yu Haiyuan saw this, his eyes flashed a touch of joy, this is the first time, the holy lady took the initiative to approach him!

Is it because his ridicule of the boy was approved by the virgin?

Chen Xi saw this with a smile on her face. Yu Haiyuan is his nephew. In fact, Yu Haiyuan asked himself to bring him here, so as to get a chance to get close to the saint. Now it seems that the opportunity has arrived!

Yu Haiyuan's heart is getting hotter and hotter. He is preparing to say a few words of ridicule at Ye Chen. But at this time, the woman wearing the veil has made a very amazing move!

In her beautiful eyes, the cold light flashed. At the next moment, she raised her hand directly and fanned toward Yu Haiyuan's cheek!

A slap, a very loud slap in the face, reverberated over the dark valley

The slap was so powerful that he flew out of Yu Haiyuan's whole body. Blood, broken teeth and so on flew out of his mouth. With a loud noise, Yu Haiyuan's body hit the ground heavily

On the square, there is a huge hole, thanks to Haiyuan's strength. Otherwise, it is not impossible to be directly beaten to death under this slap!

He covered his swollen cheek like a balloon and looked at the black veiled woman in disbelief, wondering what was going on!

How could he be baffled and slapped?

Even Chen Xi's face changed and she was puzzled

For a moment, everyone's attention was attracted by the abnormal behavior of the black veiled woman!

She looked down at Yu Haiyuan coldly and said, "next time, let me hear you insult Ye Chen, I will kill you directly."

Boom!

If there are tens of thousands of thunder, at the same time fell into the minds of people!

This is from the realm of heaven and man. Moreover, the woman of tongxuanzong, who is obviously of high status, knows Ye Chen?

What makes people can't believe is that just because Yu Haiyuan insulted Ye Chen, she slapped each other directly, and even threatened to kill him if there was such a thing again?

What is the relationship between this woman and ye Chen?

For a moment, even ye Chen couldn't help but cast his eyes on the woman. The moment his eyes fell on the woman's body, ye Chen couldn't help but be slightly stunned

In the eyes of the woman, although with a veil, but still give ye Chen a very familiar feeling!

At this time, the masked woman slowly took off her veil, and a beautiful face fell into the eyes of all!

Different from her cool temperament, this woman's appearance is extremely pure, giving people a refreshing feeling!

Ye Chen's pupil shrank in an instant, and his face showed a surprised color: "bamboo clear? Is it you? "

This girl is Lin Zhuqing, one of Ye Chen's dark sons competing with each other in the deep moon sea!

Lin Zhuqing, who has the Linglong Daoxin which is equal to Ye Chen's Wuzu Daoxin, in order to get the holy fire, ye Chen almost died in Lin Zhuqing's hands when the moon was sinking. After that, the two men faced with the revival of the devil chase, and fell into crisis

On the other hand, in order to distinguish the high and low of each other's Dao Xin, the two fell into a dreamland and even became husband and wife. They passed through countless samsara. Since then, the relationship between Ye Chen and Lin Zhuqing has changed inexplicably.

He didn't expect that he could meet Lin Zhuqing again here!

As far as he knows, people in the sinking moon sea are not allowed to leave

What's more, the most frightening thing is that Lin Zhuqing is still a real one now. The speed of strength improvement is even more terrible than him! Lin Zhu's beautiful eyes twinkled and said with a smile, "Ye Chen, long time no see."

Yu Haiyuan and Chen Xi are surprised again!

Lin Zhuqing even laughed?

In tongxuanzong, Lin Zhuqing has never laughed at any man, just like xuanbing in Wanzai. But now Lin Zhuqing not only smiles, but also looks a little shy!?

It's like a girl in her first love who sees her secret love!

This picture is incredible!

They even want to get their eyes out!

Yang Zhixian see, look is gloomy down, ye Chen unexpectedly still have such a patron?

Lin Zhuqing went to Ye Chen and asked, "Ye Chen, how can you come here to challenge Yang Zhixian?"

Ye Chen shakes his head, complexion is extremely Sen cold, the eye lock Yang Zhi fairy way: "originally, I came to save people, now, I am ready to kill!"

"You want to kill Yang Zhixian, why?"

Ye Chen said: "her extinction spirit body does not belong to her own, but is a person who has taken away the Dao bone of others and lost it It's my master... "

Grab the bone?

All of them couldn't help laughing. What's this kid talking about?

It's almost impossible to rob Dao gu! Open your mouth and come?

In their view, ye Chen is just jealous of Yang Zhixian, so he wants to find an excuse to stir up the rise of Yang Zhixian.

Lin Zhuqing's pupil is a shock!

In fact, now her Linglong Daoxin has awakened to Linglong DaoTi. Linglong DaoTi can not only find the loopholes in others' Daoxin, but also explore the essence of any blood vessel and DaoTi!

This is the reason why Tong Xuanzong sent her to dark valley, to confirm whether Yang Zhixian really has the spirit of extinction!

Chapter 4527

Just at the time of exploration, Lin Zhuqing was able to affirm that Yang Zhixian had an extinct soul body, but he also felt a trace of unnatural, as if, this extinct God body could not be perfectly integrated with Yang Zhixian!

Now, after ye Chen said the reason, she just woke up!

Yang Zhixian smell speech, complexion a white, why does Ye Chen know these?

What she did should be infallible. She didn't leave any evidence?

Even Yang Qiu doesn't know about it!

An incomparable surge of pressure suddenly burst out of Lin Zhuqing's body and swept away towards Yang Zhixian. With a roar, the whole dark valley seemed to shake for a moment. On Yang Zhixian's pretty face, a touch of pain appeared, and instantly fell to the ground!

Lin Zhuqing coldly looked at Yang Zhixian: "the owner of the original extinct God body, where, say!"

Compared with what the clan rules, ye Chen's position in her heart is much higher!

Yang Zhixian bit her teeth. In her beautiful eyes, she flashed a look of resentment, but she showed a puzzled color: "I I don't know what you're talking about... "

Seeing this, Chen Xi's face sank, and said in a low voice, "holy lady, what's the matter with you? Do you want to listen to this kid's nonsense? Don't stop

If the high-ranking officials of the emperor Yang xuanxi were to be punished, he would not be able to get rid of him!

However, Lin Zhuqing did not pay any attention to Chen Xi. The pressure on his body instantly increased and he said coldly, "say it

A burst of bone cracking sound, Yang Zhixian suddenly spit out a mouthful of blood, obviously bearing great pain, if not for Daogu blessing, she might have been crushed to death now!

However, Yang Zhixian is also a hardy person. With a cold smile in her heart, she opened her mouth again: "saint, you collude with this man named Ye Chen to perform such a play. Isn't it afraid that I will threaten your position after I join tongxuanzong? If you want to kill, just kill. Why talk so much nonsense

As soon as he said this, all the martial artists in the dark valley all looked at Ye Chen and Lin Zhuqing with contempt!

Chen Xi snorted coldly, and the idea in her heart was the same as Yang Zhixian. In the past, the holy girl who had always been cold in the past, what kind of madness did she have today?

A boy who didn't know where to come out, he said nonsense, he had to start with the talents who were attached importance to in the clan?

Don't say what ye Chen said is totally ridiculous. Even if Yang Zhixian really robbed the extinct deity, what?

What Tong Xuanzong valued was that she possessed the spirit of exterminating the spirit. She would not care about her origin!

So it seems that Lin Zhuqing is deliberately aimed at Yang Zhixian, and even the appearance of Ye Chen is her preparation!

Thinking of this, Chen Xi's look has been completely gloomy down, a wave of extremely depressed, from his body toward the surrounding, he looked at Yang Zhi fairy like a poisonous snake and said: "holy lady, please stop, I can't let you go on this nonsense!"

At the scene, the bodies of the soldiers were stiff for a moment. They looked at Chen Xi with great fright. Just a wisp of pressure from them made them unable to move?

How terrible is Chen Xi's strength?

At the moment, Chen Xi seems to have become the center of the heaven and earth and the God who dominates all things!

Chen Xi's eyes twinkle, he has endured Lin Zhuqing for a long time!

Although Lin Zhuqing has a special status, he should be the leader in this trip. However, he completely ignored his orders?

There are two reasons why Chen Xi is still a threat

1、 Lin Zhuqing has a special identity. Although she is only a disciple of the Emperor Xuanzong, she does not dare to hurt her as Chen Xi.

The second point is that Lin Zhuqing owns Linglong DaoTi!

This exquisite Dao style is also one of the most powerful Dao styles. It can leave a flaw in the heart of the martial arts and even the foundation of the martial arts!

This makes many more powerful than Lin Zhuqing dare not fight with him!

But now he can't wait any longer. Yang Zhixian is likely to die in Lin Zhuqing's hands!

The atmosphere in the square became very dignified for a moment!

Ye Chen, who has never had any action, suddenly burst out in his eyes at the moment, and said secretly, "Shuo Lao, Xuanxian, borrow my strength!"

At the next moment, a terrifying evil spirit, accompanied by the Dragon nationality's breath, rose to the sky. This breath actually covered Chen Xi's authority!

Ye Chenhua is half human and half dragon. He holds a long sword and destroys his whole body. Dao Yun is stirring. In an instant, he rushes towards Yang Zhixian!

"Boy, dare you! Yu Haiyuan, do it

Chen Xi roared, and a strange sword appeared in her hand. Her body was really horrible and miraculous. There was a whirlpool of aura in the whole dark valley, which seemed to be stirred by Chen Xi! However, there is a law of heaven and earth suppressing Chen Xi's power!

The martial arts of heaven and man will be suppressed a little in this Yang Zhen region. This is why it is so important to include the talents with extinct deities in the gate, but tongxuanzong only sent a deacon.

Because, even if those elders and leaders come, they can only play a part of their strength!

However, even if suppressed, Chen Xi is still enough to crush the vast majority of people in Yangzhen region!

A ferocious look flashed in Chen Xi's eyes, and a thrilling sword sense stirred up on the long sword in her hand. Just touching the scattered wisp of the sword, everyone had the illusion that the spirits and spirits would disappear for it!

This comes from the deacon of Xuanzong. His strength is too terrible to describe!

The next moment, Chen Xi's sword moves in her hand, and she will cut a sword at Ye Chen!

As soon as Lin Zhuqing's face changed and his figure flashed, he met Chen Xi. A bright light rose behind him, and the exquisite Taoist body reached the extreme. The brilliance became more and more dazzling. In an instant, it turned into a flying rainbow and shot towards Chen Xi!

Chen Xi's pupils shrank and his eyes flashed with fear. If he was illuminated by this exquisite God, his Taoist heart and even the flaws in the foundation of martial arts would be infinitely enlarged, which would not only cause unimaginable consequences, but also make his strength decline rapidly!

As soon as he bit his teeth, he had to give up Ye Chen. The sword light turned and chopped at the Linglong divine light!

A blue and black light broke out from the edge of the sword and collided with the exquisite light, and both disappeared!

"Damn it!" Chen Xi gave a low curse!

In terms of strength, even though Lin Zhuqing has Linglong DaoTi and his strength is beyond the realm, Chen Xi is confident of defeating him

However, because of Lin Zhuqing's identity, Chen Xi did not dare to die!

In addition to the threat of Linglong DaoTi, even if his strength far surpasses Lin Zhuqing, he is also a little stretched out!

He looked at Yu Haiyuan and said, "holy daughter, I'll entangle you. You'll kill this boy. You can't let him hurt Yang Zhixian!"

"Yes Yu Haiyuan, eyes flashing with resentment of the flame, staring at the road to Yang Zhixian's figure!

Even if Chen Xi didn't say so, he would kill Ye Chen. It was because of this damned sky mending waste that he was slapped by the saint!

What's more, he adores Lin Zhuqing, but Lin Zhuqing, who has always been cold, has a completely different attitude towards Ye Chen, which he can't accept!

Chapter 4528

At the moment, Yang Zhixian is also to stand up again, Lin Zhuqing is trying to deal with Chen Xi, the pressure on her body dissipated.

In the face of Ye Chen, Yang Zhixian's beautiful eyes were overcast and said with a sneer: "Ye Chen, do you really think that you can kill me by yourself? Now, I'll show you the gap between the warrior who has the extinct God body and you ordinary people

In a flash, a road seal appeared in front of Yang Zhixian. On the road seal, there was a wave of extinction of all things. It was the destruction of Dao seal!

A light purple shining sword appeared in her hand. At the next moment, Yang Zhixian murmured: "chuantian seven swords!"

The destruction seal was transformed into the thin sword, and a black meaning was swirling around the blade. A very pure sword idea rose from the sky. Under the blessing of Dao Yin, the sword was so fierce that it was unimaginable!

Even with a wisp of sword Qi, the sky is slightly distorted, as if to be penetrated by this sword Qi!

Chuantian Qijian is a family martial skill of the Yang family, with extremely high grade!

However, even in the martial arts of the Yangzhen region, the seven swords of piercing the sky belong to the top existence, and it is very consistent with the destruction of Daoyun!

With the blessing of Yang Zhixian's destruction of Daoyin and the extinction of the divine body, the power of the seven swords through the sky is even more terrifying than ordinary martial arts skills!

A lot of martial arts are very frightening. Although Yang Zhixian only exists in Shiyuan jiuiliantian and is seriously injured, the power of this sword against the sky is even enough to deter Shiyuan's strong man of 89 layers?

Exterminate the body, so strong!

Yang Zhixian wrist seven times, seven swords, two into one, endless compression of destructive power!

At the next moment, a sword light, which is condensed to the extreme, shoots out towards Ye Chen. Everyone's eyes flash. In their opinion, even if ye Chen claims to have the super strength of leaping over the level to fight, he can never block the seven sword piercing the sky!

However, in the face of this sword, ye Chen's expression is extremely indifferent. With a dance of the sword in his hand, the bright starlight shines on the edge of the sword!

Seeing this, a group of martial artists who were watching the scene flashed a touch of disbelief in their eyes!

In the bright starlight, there is a kind of breath similar to that of the seven swords in the sky!

The breath of destruction!

Two seals, emerging at the same time!

Ye Chen has the same seal of destruction!?

Moreover, in addition to destroying the seal, there is also a powerful seal!

At the same time to master two kinds of road marks, this is enough to make people wonder!

Not only that, behind Ye Chen, the super strong Hongmeng breath emerges!

There are stars in the sky!

Ye Chen's martial arts talent is against the sky!

Even Chen Xi's eyes are full of surprise

Such a qualification is enough to join tongxuanzong.

Unfortunately, ye Chen was on with Yang Zhixian!

Now, the two have developed to the point of immortality. It is impossible for tongxuanzong to choose Ye Chen!

Even if ye Chen now, again amazing, in the future, it is not the opponent of Yang Zhixian who has the extinct spirit body!

Exterminate the spirit body, the potential is invincible!

However, before the sword is cut out, ye Chen's action is suddenly stiff, poop, and a long sword runs through his chest in an instant.

The handsome man standing behind is a handsome man!

At this time, the sword of chuantian Qijian also arrived!

Lin Zhuqing saw this, her beautiful eyes trembled and exclaimed, "Ye Chen!"

Yu Haiyuan deserves to be the evil spirit of tongxuanzong. It's a good time to seize it!

Moreover, his sword technique and body method are extremely strong, and their speed is as fast as lightning, which breaks through Ye Chen's heart in an instant!

The lacquer black sword awn came to Ye Chen's front, but the star light above the Sha sword was dim!

The next moment, poop Yi, the sword of piercing seven swords, cut into Ye Chen's eyebrows without hindrance!

Scene, a silence!

Lin Zhuqing's pretty face turned white, even her breath stopped!

Blood, endless blood, from ye Chen's eyebrows and chest at the same time, dyed his whole person blood red color!

Yu Haiyuan disdains a smile: "waste, is waste, this is in line with your end."

With this taunt, he slowly drew out the sword in his hand, and ye Chen's body, as if he had lost his skeleton, fell to the ground powerlessly.

Everyone's eyes are shaking, this generation of evil spirits, so dead?

Yang Zhixian beautiful eyes, is also a happy color, smile to the last or their own!

Yu Haiyuan glanced at Yang Zhixian and his eyes flashed. Yang Zhixian was also beautiful. He took advantage of this opportunity to comfort him.

His footstep move, then toward Yang Zhixian, but suddenly, originally or with a happy face Yang Zhixian, but in an instant, pretty face a stiff!"Well?" Yu Haiyuan frowns slightly. Why does Yang Zhixian have this expression?

Suddenly, a very dangerous breath spread in his heart!

He moved, instantly turned around, appeared in front of it, his face dyed red by blood, Ye Chen did not know when to get up!

What's more, a punch towards Yuhaiyuan!

Yu Haiyuan's pupil shrinks crazily, how is this to return a responsibility?

He didn't leave any hands on that sword just now. He used all his strength!

Moreover, he is very clear that his sword has already broken Ye Chen's heart!

What's more, the center of his eyebrow was also hit by Yang Zhixian's sword of destruction!

Two key points, hit by two extremely terrible attacks, can still seem to be nothing in general, instantly get up!?

It's so hairy!

However, Yu Haiyuan's combat experience is also rich enough. Although he is extremely frightened, his hand is extremely quick and his sword is sealed against Ye Chen's fist!

There was a big bang, and the sword light overflowed. But in the light of the sword, people's eyes could not help but open!

Ye Chen bombards Haiyuan's sword with his own meat fist. In an instant, blood blooms, bones crack and muscles break!

However, at the same time, a tremendous force fell on Yu Haiyuan's body. His face changed wildly, and he spat out a mouthful of blood. His sword holding hand suddenly shrugged down and was broken by Ye Chen's fist!

Its body shape is also flying upside down!

Yu Haiyuan's sword in a hurry can't resist Ye Chen's fist!

Although he is really strong, he has already been suppressed to the original state by the rules of heaven and earth in the Yangzhen region!

at this moment, ye Chen, who has exerted the transformation of soul and body and many hongmongolian methods, is almost beyond the limit of his thinking!

Ye Chen, with a flash of body shape, is pursuing Yu Haiyuan. The damage caused by that sword seems to have no effect on him!

In the blink of an eye, ye Chen catches up with Yu Haiyuan, who is flying upside down. At this moment, Yu Haiyuan's eyes finally appear a touch of fear. In front of him, the bloody youth, that indifferent and expressionless face, is deeply imprinted in his mind!

Chapter 4529

He was biting his teeth and running the spirit power in his body crazily. A breath of harmony with the way of heaven gradually came out. However, the power of Ye Chen's fist made his meridians and even the elixir field appear cracks!

Even if he wants to be in line with the way of heaven and fight back against Ye Chen, he can't make the aura work perfectly for a while, so it's hard to make a move!

And ye Chen, did not give Haiyuan, recovery time!

It's another punch. It's a shocking one. Smash it!

This blow hit Yu Haiyuan's face. He barely raised a hand and used his spiritual power to resist it. However, a sword in a hurry could not block Ye Chen. What's more, in such a reluctant state, he raised his hand?

With a roar, Yu Haiyuan uttered a scream. The arm blocking Ye Chen was smashed by Ye Chen. At the same time, the blow fell on Yu Haiyuan's face, splashing blood, and Yu Haiyuan's body was blasted on the ground, making a deep hole!

When they looked at the pit, they could not help but their eyes trembled. A startling scene appeared in front of them. Yu Haiyuan's handsome face was smashed to pieces in the hole!

The whole person, only one breath left!

Just as the people were still in shock, a dark shadow suddenly fell into the pit, and the whole dark valley sounded a great tremor!

With a crack, ye Chen smashed Yu Haiyuan's head completely. At the same time, a spirit surged out, swallowing up the ghost who tried to escape.

Yu Haiyuan, die!

The strong man in Tianren domain was killed by Ye Chen with two fists and one foot?

Even if there are rules to suppress it!

And what makes people fear even more is that at this moment, the wound of Ye Chen's eyebrow heart and chest has been completely healed!

Everyone, eyes are crazy turbulence

Is this still human?

I have never heard of any warrior whose vitality can be distorted to such a degree!

They know that Yu Haiyuan's real strength has not been fully exerted. The main reason is that he was careless and suppressed

However, no one will blame him, two key points were smashed at the same time, anyone will immediately feel that ye Chen is dead, right?

Can, ye Chen is a moment to stand up?

I can't imagine who it is!

"No way!"

Yang Zhixian exclaimed, and finally appeared a fear in his eyes!

How terrifying is the power of destruction. She knows very well that although her destruction seal is only one seal of heaven, under the blessing of Daogu, it has no less powerful than the double seal of heaven!

Don't say that she was completely hit by the eyebrow. Even if it was grazed by her seven sword piercing the sky, under the blessing of the destructive power, it would turn into a serious injury!

How can you be so powerless?

Can this be called destruction?

Ye Chen hands a wave, Sha sword fell into the hand, he gazed at Yang Zhixian, step by step toward her.

"Don't come here!" Yang Zhixian screamed and cut out the seven swords again!

What about ye Chen?

This time, even the sword did not come out, as if you can't see the lacquer black sword awn, continue to walk toward Yang Zhixian.

That sword awn, once again through Ye Chen's eyebrows.

Ye Chen's forward steps finally stop.

Yang Zhixian looks at Ye Chen nervously. She is not sure whether ye Chen is dead or alive?

After half a breath, after a short half breath, ye Chen stepped out again, and the wound on the center of his eyebrow was healed again!

Yang Zhixian's face was bloodless in an instant!

As soon as she was in a flash, she ran back to the rear. How could she fight a guy who could not be killed!

People are also full of horror. In this legend, the extremely terrible destruction of Daoyun, how come to Ye Chen, just like a children's play?

In fact, it is not Yang Zhixian's destruction road seal is too weak, just, her destructive power can't deal with Ye Chen!

Its destructive power is just two levels of heaven. What about ye Chen?

But it has reached the peak of triple heaven!

The most important thing is that ye Chen is very familiar with the power of destruction!

Therefore, after ye Chen displays the new words of "six exterminations", the destructive power that invades the body is instantly disintegrated and defeated by the more powerful destructive power!

Therefore, Yang Zhixian's attack will be ineffective on Ye Chen!

But in the moment of Yang Zhixian turning around, Yang Qiu standing on one side is shouting: "Zhi Xian, be careful!"

But it's too late, and the light passes under him in an instant, faster than the sound!

Yang Zixin's face was frozen and her body was still for a moment. She lowered her head slightly and looked under her body in disbelief

I saw that my body was slowly separated!

Yang Zhixian fell on the ground, and in situ, left, is a pair of bloody slender legs!"Ah, ah, ah!!! Master Chen, help me, help me Yang Zhixian sent out a scream, like a white worm in general, frantically wriggling on the ground, away from the devil close to him.

All the people present couldn't help swallowing a mouthful of saliva

Ye Chen actually is a sword to cut Yang Zhixian's legs directly!

"Boy, stop it

Chen Xi roared: "if you kill her, I will be angry with Xuanzong, you will not be able to bear it!"

He kept waving his sword and wanted to rush to Ye Chen. However, there was a glass like luster all over his body, which prevented his action!

Although Lin Zhuqing's accomplishments are a little lower than him, he has a very thorough integration with the way of heaven. In fact, his power is not weak at all!

But when Chen Xi's strength was suppressed, he could not really kill Lin Zhuqing. For a time, it was not easy to get rid of Lin Zhuqing's entanglement!

So, he can only threaten!

But what is the use of threat to Ye Chen?

Ye Chen stepped on the crawling Lin Zhuqing, and she screamed again. Her chest cracked and her ribs were completely smashed!

Ye Chen said coldly, "tell me, who took Gu Xuan."

"Gu Xuan?" Yang Zhixian's pale and bloodless face flashed a thick color of resentment: "have you not seen it? The dark region witch has been burned alive! If you want to see her so much, you can die together

Ye Chen's eyes flash, this woman seems to be really do not know Gu Xuan has been replaced.

Ye Chen said to Shuo Lao in his heart: "old Shuo, since he has the ability to make the flesh and blood puppet, he can switch it quietly, which shows that it is not difficult for him to kill Yang Zhixian or even kill the whole dark valley. Why is it so troublesome?"

Old Shuo pondered: "I don't know, but I think there must be something to worry about."

Chapter 4530

Ye Chen nodded and the sword moved in his hand. He wanted to kill Yang Zhixian completely. The reason why he didn't kill Yang Zhixian directly was to try to find out whether he could get some useful information from Yang Zhixian. Now it seems that it is unnecessary.

"Wait a minute." At this time, Shuo Lao once again said: "Ye Chen, take out her Dao bone first, and then kill."

"Dao Gu?" Ye Chen looks motionless and looks at Yang Zhixian's abdomen. He can feel that there is a mysterious aura on the spine of his corresponding abdomen.

Shuo Lao said: "your blood is special. Maybe you can directly devour this bone. Moreover, having Dao bone will help you to find Gu Xuan. Daogu originates from Gu Xuan. When you approach her, you may react."

Ye Chen smell speech, in the eyes flashed a touch of joy, when about Yang Zhixian's delicate body, turned over!

Yang Zhixian's face changed: "what do you want to do! Kill me! Kill me

She is more afraid of losing this bone than death!

Ye Chen's eyes are locked in Yang Zhixian's spine. At the next moment, he reaches out and inserts directly into Yang Zhixian's back. The extremely miserable scream reverberates in the dark valley. Ye Chen is actually born and digs out a section of Yang Zhixian's spine!

Then, with a sword, Yang Zhixian's head was cut off.

"Damn boy, you want to die!"

Chen Ximu is ready to crack. The boy actually killed Yang Zhixian!

Now, it's him!

Lin Zhuqing has Linglong DaoTi, and his martial arts talent is against heaven. Even if it is caused by Lin Zhuqing, the high-level people in the clan will not really do anything to Lin Zhuqing, but he will be miserable!

Although he has extremely terrible cultivation, he is still the top of the deacons of tongxuanzong. However, tongxuanzong does not lack martial artists who return to the real world!

Chen Xi's eyes were red with blood, and instantly locked Ye Chen. He knew that if he still had a chance of life, he would kill Ye Chen!

For a moment, he also ignored any saint or not. He drank violently, and the sword in his hand danced wildly. Daodao sword dragon was tumbling in the sky. The martial law of the whole Qingyang region seemed to tremble!

Under Chen Xi's all-out effort, the momentum is so strong that it's extremely frightening!

At the moment, his sword seems to be able to annihilate the whole realm!

Lin Zhuqing's face turned white, and the exquisite light broke one after another. In the sword light, Chen Xi was approaching Ye Chen at a very fast speed!

The corner of Lin Zhuqing's mouth spilled a wisp of blood. She knew that Chen Xi was fighting! Even, from time to time, there are two exquisite light, hit Chen Xi, he also ignored!

Lin Zhuqing shouts to Ye Chen: "go! I can't stop it! "

Ye Chen's eyes flashed: "what do you do?"

He doesn't want to see anyone who has an accident because of himself

There was more and more blood on the corner of his mouth, and he cried out: "I am the holy daughter of tongxuanzong. I will do my best to stop him if you don't go away."

Ye Chen fiercely bit his teeth. At the moment, what he felt was powerless!

If he has enough strength, how can we need Lin Zhuqing to help him block the enemy?

Ye Chen took a deep breath, and a certain color flashed in his eyes. When he moved his body, he went towards the sky fire eagle. The sky fire god eagle, who was also understanding, instantly appeared in front of Ye Chen.

At the moment, Chen Xi's heart has been damaged. However, this makes his killing intention explode completely. He looks like a madman. Seeing ye Chen about to flee, he is totally regardless of Lin Zhuqing's life and death and makes a crazy move!

"Chant

A dragon chant sounded, and a fierce sword dragon chopped at Lin Zhuqing. Lin Zhuqing's beautiful eyes trembled and raised his hand. A precious pearl was suspended in front of him. At the same time, exquisite and brilliant, it was instantly integrated into the Pearl.

The Pearl instantly turned into a colorful light curtain, blocking her body.

At the next moment, there was a roar. Even though the Pearl resisted it, it still could not completely dissolve the power of the sword. Lin Chuqing snorted and retreated for several steps. His waist was full of blood and his breath was weak. He was already injured!

She gritted her teeth and tried to do it again, but she couldn't do it!

At the moment, the sky fire eagle had already shaken her wings and flew towards the sky. Chen Xi saw this, and blood was dripping from her eyes. Her whole body was burning with blood. The sword Qi on the long sword was also turned into blood red color, and she was cutting towards Ye Chen wildly!

This blow is Chen Xi's acme, which completely integrates Huanzhen's strength into the sword light!

With a sword, the law of Qingyang region begins to break, and the way of heaven seems to be wailing!

The dark valley built by beautiful jade is also collapsing crazily. Even the two high mountains in the clouds tend to collapse!

Ye Chen's pupil shrinks and stares at the bloody sword light cut behind him. In the light of the sword, there is a strong breath of death!

If he is cut by this sword, even with his vitality, he will probably die!

Shuo Lao and Xuan Hanyu exclaimed: "boy, let's go" Ye Chen fiercely shouts: "my Ye Chen, will not die, will never die!"

At the next moment, he gathered all the strength in his body, and cut the bloody sword with a sword!

"Star soul chop!"

"Great starry sky!"

Bright star river and Hongmeng star sky reappear, toward the blood light, but, this fusion of soul road and martial arts, extremely powerful star soul chop, and the extreme of Hongmeng ancient method, Hongmeng big star sky, in front of the bloody sword light, was frantically broken at a very fast speed!

The body was completely engulfed by the blood!

"Ye Chen!" Lin Zhuqing exclaimed, and despair appeared in her beautiful eyes. Chen Xi's burning sword was extremely terrifying. I'm afraid that even if it really exists, it will fall under this sword

Ye Chen is cut by this sword, even if his vitality is strong, it is likely to evaporate in an instant

After exerting this sword, Chen Xi's breath also decayed. However, he laughed with great pleasure.

No one can survive in this sword!

The next moment, I saw that under the impact of the sword light, ye Chen's body was suddenly broken into a burst of blood mist!

Lin Zhuqing's beautiful eyes are completely dim

Even if ye Chen is a God, he can only fall

At the moment, ye Chen is also feeling the arrival of real death, the origin of his life, almost collapse, but, strangely, this moment, time seems to suddenly slow down!

Before ye Chen's eyes, a piece of darkness came upon him!

A pure darkness, eternal darkness.

The darkness is like death itself!

Ye Chen stares at this piece of darkness, he feels his body is rapidly disappearing, but when he faces this piece of darkness, he is unexpectedly calm!
